### Announcements.

J. N. LEWIS

J. N. Lewis has authorized us to announce him for the office of Sheriff and Tax-Collector of Terry county, subject to the action of the Democratic party and primaries. Jim Lewis came here with his farther-in-law, Wm Howard, away back before organization of the county, and is one of her most successful farmers, and a staunch and true citizen, alway looking on the bright side of life, and by the way, did you ever notice that Jim is always electioneering, although we never knew him to seek an office before? Well he does it with a bright smile of his, a word of cheer and a real old Western handshake. For honesty and square dealing his character is above reproach, and we believe the voters of Terry county will make no mistake by making him their next Sheriff and Tax-Collector.

### To the Voters of Terry County

I am a candidate for representative of the 122nd district, and I respectfully ask your support for that office. For the information of those who may be interested, I give the following facts concerning myself and a few of the most important measures that I

favor: I favor a compulsory education law, providing for free text books. I favor a statewide law for exterminating prairie dogs and rabbits. I believe that a law is needed that will encourage irrigation enterprises where water can be obtained from wells or by compounding storm waters in reservoirs. This would be of great value to all counties on the plains and the caprock and would treble the value and producing power of a large part of such land.

I favor the sale of the University and Asylum lands to actual settlers. This would aid in the development of the counties where this land lies, would help to get University out of her present financial troubles, and would also reduce the present high tax rate levied by the state.

I advocate the passage of laws calling upon commissioners courts to publish a quarterly report of all amounts received and paid out by the court. Amounts paid out should be itemized. Present laws upon this subject are vague and conflicting.

All posting should be abolished and legal notices should be published in local papers.

I am a statewide prohibitionist and until this can be secured I shall support all laws for regulating or abolishing the whiskey traffic.

West Texas needs more railroads. I shall support all reasonable laws to encourage

railroad building, so long as they ensure justice to the public.

There are a number of other matters that should receive attention, but I have not space to refer to them all. If elected I shall employ all ability and energy to securing such things as will be of actual goods to our people, and shall always be governed in my acts by my conscience and by what I think will be of most value to our district.

As to myself, the following brief statement is given: I am 37 years old; am a native Texan and have lived in this part of the State 26 years. My first public service was in teaching school; later on I was elected county and district clerk of Garza county and served two terms. Upon leaving that office, I bought the Post City Post, which I still own, and entered newspaper work. Some two years ago I was appointed a member of the State Department of Agriculture and in that work I have visited almost every county in west Texas, studying its needs and resources, and I am still engaged in this work. Some other matters are: I have served Garza county as county chairman of the Democratic party. Last year I was a delegate to the state democratic convention at Houston, where I was made a member of of the state committee on general organization. In 1912 I was appointed as one of the state delegates to the national farmers congress at New Orleans, and

was again appointed to represent the state this year at the national meeting at Plano, Ill. Last year, also, I represented Texas at the American Road Congress at Atlantic City, N. J.

I am one of the pioneer of this part of Texas. I know the country and what it needs. My heart and all my interest are here, and if elected I shall endeavor to discharge my duties and conduct myself in such a manner as to prove my worthiness of the trust that is shown to me. I respectfully ask your consideration and vote in the campaign.

Very respectfully,

H. B. Murray.

Post City, Texas.

### Want to be Together

A friend hands us the following from the Pineville Herald with the request to publish: A Georgia town has voted in favor of saloons and here is the reason as given by the citizens: "If we are to stand for our women folks wearing shadow and slit skirts, and our young women learning to dance the boll weaver wiggles, Texas Tommy tango, the bunny hug, the bear dance, the half-canter, the buzzard flop, and so on down the line, the men folks might as well have their saloons and the whole push go to hell together.—Russellville Ark. Record.

Many people find relief in Dr. Mitchell's Cathartic Tablets. Try them yourself. [Advertisement.]

### Lubbock Commissioners Act on Road.

The matter of a first-class road from the southwest corner of the original town section to the southwest corner of Lubbock county, consumed considerable of their time.

This road was profiled to run one mile south from the original town plat, thence southwest, diagonally across sections to a point on the west line of the county near the southwest corner. A petition was presented, signed by a large number of people in that section of the county, and after considerable debate by parties on both sides of the question, the proposition was put up to the court, and the vote stood two for and two against. Commissioners Barclay and Burford favoring, and Wright and Joplin opposing. The Judge was then called upon to decide by exercising his voting power, and he favored the motion, which resulted in the order for the new road to be placed on record, and the following five named parties were selected as jury of view: Sam Slover, A. R. Pruitt, J. C. Stanford, W. F. Essex and J. W. Hooker.—Lubbock Avalanche.

PLOW time will soon be here, then you will need new harness and farm implements. See the Brownfield Hardware Co. for them.

We are in receipt of a calendar from the Buckner Orphans Home with a big lithograph of Rev. R. C. Buckner in the center. This calendar was issued partly in celebration of the 81st birthday of this great Christian patriarch, who has fathered hundreds of dependent orphans.

## Society

Mrs. W. G. Hardin, Ed.

Misses Dora Daugherty and Bertha Lowe, received during the holidays, each a new chafing dish, and the success which attends all their efforts, and the grace with which they preside, is remarkable.

The junior set were entertained at the home of Mr. and Mrs. Dixon, Saturday evening, the occasion being Miss Norma's birthday. The guest were ser-

ved punch on arrival, after which they spent the evening in informal amusements. Then being refreshed with cake and chocolate, they departed, declaring they had never had such a good time.

The Society Editor, in the past week, has had the pleasure of visiting two pretty new babes. Each mother very contentedly admires her own little daughter, thinking her the most beautiful baby in the world. Not so exactly with the fathers, M. V. Brownfield and Percy Spencer, for each being unable to say which was the prettier, Mr. Spencer thought he saw a way out of the difficulty, by claiming that his baby could cry the loudest; M. V. putting his girl up to the phone, proved by trial that she could be heard half a mile. Well Mr. Randal will not surrender the palm, for the Spencer baby knows him already, and he and his good wife are as proud of the title of Grandfather and Grand-mother as they might be of Lord and Lady.

The young people of Brownfield met at the home of Mr. and Mrs. W. G. Hardin last Saturday evening. The purpose being to organize a Young People's Dramatic Club, the proceeds to go to the benefit of the town. When those young people get to work something is going to be done, for they never do things by halves. The organization now consists of twenty-four members, counting Little Robbie Marion Hardin as their Mascot.

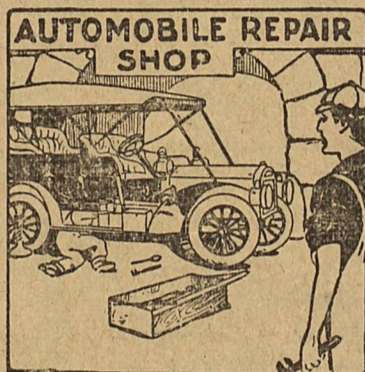

Mrs. W. A. Bell entertained the juveniles Saturday night. All present report a nice time. Raymond Speegle and Cecil Smith, we hear, had a "killin' time". Well it is always so at Mrs. Bell's, she is friend alike to young and old. Fruits and nuts were served for refreshments.

## The Passing of Col. Henry Exall

In the death of Col. Henry Exall, Texas has lost its master optimist. His life was a tremendous answer to the pessimist, the doubter and the indifferent. His body returns to dust, but his spirit will lead the pioneers of progress for generation to come and his life stands as a beacon light to hope, and a challenge to des-

pair. He was a creator of human purposes and an organizer of mankind, he was one of the most kingly men that America ever produced and he crowned his life with the jewels of self sacrifice. He loved everybody and his magnetic personality swung men around him. His titanic nature shook the state. His life is one of the states greatest heritages. He taught lessons in citizen ship that made patriotism common and benevolence popular. His iron courage, sublime faith and magic enthusiasm lifted him into an altitude of greatness that made his life little less than a miracle. He is gone, but we can all dwell in the reflection of his glory, warm in the glow of his soul and walk in the pathway illuminated by the powerful rays of his mighty life. Texas has had none of the Exall type to come before and none will follow. He was in a class by him self.

Miss Dessie Lewis is learning the art of printing vice Miss Myrtis Walker, who had to go to the bedside of her grand mother at Thurber. Miss Dessie gives promise of a first class typist.

## ACCIDENTS WILL OCCUR

## Constipation, if Neglected, Causes Serious Illness

Constipation, if neglected, leads to almost innumerable complications affecting the general health.

Many cases of typhoid fever, appendicitis and other severe diseases are traceable to prolonged clogging of the bowels. Regarding the effects of constipation, C. E. Ayers, 6 Sabin St., Montpelier, Vt., says: "I was afflicted with constipation and biliousness for years, and at times became so bad I would become unconscious. I have been found in that condition many times. Physicians did not seem to be able to do me any good. I would become weak and for days at a time could do no work. Not long ago I got a box of Dr. Miles' Laxative Tablets, and after using them found I had never cried anything that acted in such a mild and effective manner. I believe I have at last found the remedy that suits my case."

Thousands of people are sufferers from habitual constipation and while possibly realizing something of the danger of this condition, yet neglect too long to employ proper curative measures until serious illness often results. The advice of all physicians is, "keep your bowels clean," and it's good advice.

Dr. Miles' Laxative Tablets are sold by all druggists, at 25 cents a box containing 25 doses. If not found satisfactory, your money is returned.

## The Burnett Silo

By invitation of John Jarrott, Howard James and the writer were invited to take a spin in his Ford out to see the Tiernan & Scudday steers, and the Procter silo, and after viewing them, we went over to the Burnett Bros. Silo, one and one half miles east of there.

Burnett Bros. are feeding something, over 100 head of calves and several cows besides bulls and a car or two of hogs, and we just want to say they are coming fast. They have begun crushing maize to add to the ensilage, and cottonseed meal, and in the thirty days, a person wont hardly know these calves that have seen them recently.

These boys have a 385 ton silo, and stock pens, shoots and scales that will remind you of the Fort-Worth stockyard in miniature.

Everything is fixed up first class and if these boys dont get rich the next few years, it want be their fault, or cattle will have to go down one, and that is hardly probable. Everyone that goes out there, just cant help coming back with the silotis, and if there isnt four times as many built in Terry county in 1914 as there were in 1913, then we shall be badly fooled.

This was the reason John Jarrott wanted to see them. He already had the fever, and now since he has seen results with his own eyes, you can depend on a large one going up on the Jarrott Raach this summer.

Say Cricket, was that poetry about the Old and New Year, your own composition? If it is, then Sweet William has a rival for the poet's laurels.

## Married

Mr. Walter Gracey and Miss Jennie Lee Almon were quietly married in the presence of a few friends, at the home of Justice E. L. Duke, last Sunday afternoon.

Miss Jennie is the charming daughter of Mr. and Mrs. Lee Almon and is beloved by all who know her. This young lady was for a long time employed by the Herald and if we ever had dealings with a more modest, high toned young lady, we dont remember it, and we know she will make him an ideal wife.

Mr. Gracey settled with his brother north of town, about one year ago, and are from Dallas county, but through close attention to business and straight dealing, has won the respect of his neighbors and friends.

Herald wishes them a long and happy married life.

The original (?) Buffalo Bill and the Sleeping Beauty and her prince may be seen at the school house Jan. 31, 8 o'clock, in all their glory. Don't miss 'em.

## Gomez

By West Wind

Preaching at the school house last Sunday by Rev. Hicks, the Primitive Baptist minister. Rev. Hicks took dinner with H. L. Ware.

Will Snodgrass and wife visited relatives in Tahoka last week.

Mrs. Copeland carried her daughter, Miss Kate, to a sanitarium in Arkansas City, Ark., last week, for treatment. A letter from Mrs. Copeland states that the doctor there pronounced her condition to be serious but not hopeless. Her many friends here hope she may soon recover.

Grandma Haley who visited here last week and part of this, went to I. H. Hudson's, Tuesday, to spend a week.

Chas. Moore and wife went to Dawson county last week to visit his brother, Walter.

Well, if one had inspected the crowd at the moving picture show at Tahoka, one night last week, they would have found most all of Gomez there, "except the women and children." Part of the freighters who went were Messrs. Gainer, Hicks, Hudson, Lester McPherson, Griffith, McWhorter, Brannon, Funderburk. Some went to bring supplies, and others for lumber to build a house on I. H. Hudson's place for Lester McPherson to live in. He will move there as soon as the house can be built.

Mr. and Mrs. W. H. Harris of Harris, visited at E. E. Simms' last Sunday.

Mat McPherson moved into the DeShazo house last week.

Burl Black has entered school again. His wounded foot is not well, but is healing rapidly.

Mrs. Wolfarth and Miss Nora, went to Brownfield Tuesday.

Moury Lewis and Miss Era Brooks, of Brownfield, attended preaching here Sunday, and took dinner with Miss Ora Ware.

The many friends here of Miss Minnie Hurst, of Lubbock, were surprised to learn of her marriage the 14th inst., to Mr. Sturgeon of San Antonio, Texas. All wish them happiness in their new life.

Mr. and Mrs. V. E. Hargett, of Brownfield, visited at Will Snodgrass' Sunday, and carried Miss Robena home.

Rev. Waggoner, a Baptist, who lived here two years ago, but moved to Plainview, moved thru here last Monday, going to Yocum county.

Born to Mr. and Mrs. Parsons of Gatesville, Texas, twin girls. Mrs. Parsons was Miss Ione Johnson, a former Terry county girl.

Mr. Dee Hunter left for Tahoka for freight, Tuesday.

Mr. Editor, in regard to those Sears Rareback catalogs that A. P. Moore received, Walter Gainer was in Tahoka, and couldn't have had any part in the joke. Mr. Moore set up the treat, but we are ready to assert that he gets all his groceries from the wholesale houses in Lubbock and Amarillo, but it does seem kind of queer that he sells cheaper than the Lubbock merchants, don't it?—Now we don't like to stir up an old row that has been settled with pure profligate treats, but we still contend that Walter Gainer or Bert Shepherd, could have—could have, mind you—had those catalogs sent to A. P. from headquarters before Walter went to Tahoka.—Ed.

Jim Key and wife came in last Sunday and stayed over until Tuesday, when they carried out their last load of feed, so they are no longer Gomez citizens.

We regret to state that Mrs. S. H. Key is in very bad health, and will go to Post City for treatment, shortly.

Ben Hurst and wife spent Saturday night in town.

Mrs. J. P. Nichols has been on the sick list for a week.

Mrs. Merlin Adams is improving.

Will Black is feeding a bunch of calves on silage, and the men who have seen them say they are fine. There is near a hundred of them, and present prospects are that Plains baby beef will prove as good as any in Texas.

Eldredge Maddux spent last Friday night with his father.

Well, Gomez has a record for peaceable schools, and this one is no exception to the rule, but our teachers are all young and have a record to make, and they sure are making one here by thorough work, and the result is, our school is second to none.

Miss Maud Benton left this week for her home at Ralls, after spending almost a month visiting her sister, Mrs. R. H. Banowsky. Miss Maud will be greatly missed in our society.

Mr. and Mrs. M. B. Sawyer made a trip to Lubbock this week. They were accompanied by Miss Lottie Atkinson, who went to have some dental work done.

Messrs. Burrus and Caldwell, of Lubbock, were here this week in the interest of their firm, Jno. P. Lewis & Co., of Lubbock. They were distributing circulars and other advertising matter of their big sale, which is now on.

A gentleman by the name of Johnson, of Oklahoma, was here this week and contracted for a section of land, and if the sale goes through, will move his family out in April or May, as the land is rented for this year and he can't get possession until

next year. Two other Oklahomans accompanied him and will be back when Mr. Johnson comes back, providing they can collect some money due them. They were all carried away with our Co. We need a thousand more settlers and five hundred more silos.

Mr. Hackney, a photographer from Tahoka, arrived on time last week and just aimed to stay two days, but people kept him so busy, he was still here Tuesday.

We have been informed that there will be a matched game of basket ball between the Brownfield and Gomez High School girls, tomorrow afternoon at the local ground; all are invited to attend.

## Convention Feb. 21st

The fifth annual convention of the Texas Industrial Congress which was postponed from December 13, on account of the serious illness of Colonel Henry Exall, the late president, will be held during the National corn exposition at fair park, in Dallas, on December 21. The prizes offered by the congress for the largest net profit per acre in the several lines of farming, aggregating \$10,000 in gold, will be distributed at the convention, and the program, to include a public memorial service in commemoration of the great, unselfish service of Colonel Exall, will be announced later. All who were selected as delegates to attend the convention set for December 13, last, are delegates for the postponed meeting. A full attendance of the members, delegates and friends of the Congress is urged because it will be decided then as to whether the congress will continue its work or not, and if the decision is favorable the officers and directors will be chosen and the work outlined for 1914. The Congress will have an exhibit as a part of the National Corn Exposition, which will last from February 10 to Feb. 24, inclusive, and reduced railroad rates to Dallas for visitors to the Exposition will be in effect from every part of the State.

## WISHED SHE COULD DIE

And Be Free From Her Troubles, but Finds Better Way.

Columbia, Tenn.—"Many a time," says Mrs. Jessie Sharp, of this place, "I wished I would die and be relieved of my suffering, from womanly troubles. I could not get up, without pulling at something to help me, and stayed in bed most of the time. I could not do my housework."

The least amount of work tired me out. My head would swim, and I would tremble for an hour or more. Finally, I took Cardui, the woman's tonic, and I am not bothered with pains any more, and I don't have to go to bed. In fact, I am sound and well of all my troubles."

Cardui goes to all the weak spots and helps to make them strong. It acts with nature—not against her. It is for the tired, nervous, irritable women, who feel as if everything were wrong, and need something to quiet their nerves and strengthen the worn-out system.

If you are a woman, suffering from any of the numerous symptoms of womanly trouble, take Cardui. It will help you. At all druggists.
