Floyd Ellington took a load of cake to Hily Boyd's last week.

We had a little Snow last week but needed a big one, as it is too dry just now for the farmers to plow.

We fear this late cold spell has finished killing the rest of the fruit.

Mrs. Blankinship has returned from a visit to her brother at Stephenville.

S. P. Simpson had the misfortune to get his foot badly bruised by the wagon running over it.

Mrs. Barrett is going to leave this week to visit her son in Oklahoma.

G. W. Ellington lost two calves with blackleg, last week.

J. W. Peeler celebrated his 62nd birthday last Tuesday with a big turkey dinner. Mr. Gist and family dined with them, that being Mr. Gist's birthday, also.

Oscar Boyd and family, went to Lubbock, Monday, to spend St. Patrick's day with Mr. and Mrs. Joe Boyd. They report a real Irish dinner and an excellent one.

We notice in the Lubbock Avalanche that the Lubbock Commissioners Court has given over the idea to run a road cross section to the Terry county line, as the proposition would cost them \$12,000.00. They are now figuring on a road to come by section line.

IF A WAGON GETS IN THE WAY

of your auto, don't think the car is ruined because it is considerably smashed up. Send it here and have us repair it. It has to be a pretty bad wreck to be beyond our skill. When you get it back it will be as good as new and probably better. Next time it will be the wagon that will need repairing; not your auto.

TEXAS SUGAR INDUSTRY

Built Up by Home Patronage
State Sands Second in Production.

Sugar and related products are obtained from three widely different classes of plants, to-wit: cane, beets and maple trees. In Texas cane is the only article producing sugar in commercial quantities. The soil and climate of the coast country from the Mississippi to the Rio Grande are especially adapted to the propagation of sugar cane.

We have 40,000 acres in cane, producing 400,000 tons, valued at \$1.50 per ton, and the average production is ten tons per acre. The sugar cane crop for 1912 approximated \$2,000,000 in value. The entire production is manufactured in Texas.

We ship into the state from Porto Rico for refining at our mills 10,000,000 pounds of raw sugar per annum, and approximately 50,000,000 pounds from Cuba. We manufacture per annum in Texas 250,000 barrels of sugar and 20,000 barrels of syrup. One-half of the Texas production is compelled to seek a market outside the State, although we consume four times more sugar than we produce. The investment in this industry approximates \$2,000,000 and gives employment to 3,000 people. The annual output has a factory value of \$3,000,000. Texas ranks second with the states in the Union in production of sugar cane, Louisiana leading with almost ten times the acreage of Texas. In the United States 6,240,000 tons of sugar cane were produced in 1909, according to the federal census reports. The West Indian Islands furnish the bulk of the raw sugar manufactured in the United States.

The beet sugar producing states are on the Canadian border and the Pacific Coast. The production in the United States in 1909 was 3,933,000 tons.

The average consumption of sugar per capita in the United States is 87 pounds per annum. A little more than one-half the sugar consumed is for household purposes; the remainder is used in the manufacturing establishments chiefly in the preparation of articles utilized for food and drink.

COMMISSIONER PRECINCT NO. 1.

J. F. Winston

A prominent young man of Brownfield, has just returned from Houston, and says every body down there is going to support Tom Ball, including Jake Wolters and his cohorts. Well, we are not going to say too much about Col. Thomas, as we may have to vote for him not only in the general election, but in the primary, as it seems there is nothing better going to ooze out. But it will be a bitter pill to support him along with Jake Wolter and the Lubbock Avalanche. Between these two extremes is a lake of gall and a river of daggers. But possibly beer and grape juice will mix.

A country paper is to a great extent made by the business men of the town in which it is published, but there are many other things, principally energy in the management. We have been in the newspaper business only about nine years, five of which we have been proprietor, but in that time, we have studied closely what the reader expects and wants. The reader, after

all, is really at the head of the financial end of the paper, simply for the reason that an advertiser who knows his business, had rather pay the same rate in a paper with half the circulation, providing its readers are keen to get their paper and roar if they don't get it, vs. the one with twice the circulation, they care little about reading. We have noticed that people as a rule take a daily or semi-weekly paper, which keeps them well posted on state, national and foreign topics, up to the minute, and they don't care to see what so and so is doing in Congress printed in their county paper, and care less how Bill Smith of Yellville, Ark. cultivates bullfrogs and toad stools, as he saw that in his agricultural journal, but what they really do want to see is some local happenings from all over their county, in their local paper, no matter if it was only "so and so spent the day with so and so. Country correspondents, to our nation, are the greatest asset a country paper can get; we wish we were able to put our correspondents on a salary, they deserve it. As an illustration of whether country writers pay or not, we will just state that since we have established three live writers on the west side, our westside circulation has almost doubled; we have made no special effort personally neither has their population perceptibly increased. To illustrate people's fondness for local news, for example, one of the biggest readers of Brownfield came to the Herald office recently and picked up a certain county paper which was unusually well filled with patient medicine ads and Commercial Secretary dope. This gentleman kept turning through the paper until he raised our curiosity enough to ask what he was looking for, and he smilingly replied that he was trying to find something the editor wrote himself. You can't fool readers on dope these days, and country papers had just as well begin digging up local news.

Bought a Ford.

When you call on Dr. Treadaway now in the still hours of night to make haste to the bedside of your loved ones, you will not have to anxiously await for him to hitch up old Dobin, and then come only as fast as weak horseflesh will bring him, but all he will have to do now will be to crank up and go as none of us

have to wrestle with our conscience about putting machinery to the test. He has recently purchased a brand new Ford car and is now prepared to reach your bedside in the minimum time.

Dr. Treadaway's practice has steadily grown since he has been here, until now it is almost impossible for him to cover his practice with a buggy, and realizing that when people want a doctor, they want them right now, is the main reason for his purchasing the car. His practice reaches into Yoakum, Hockley and Gaines counties, and he wants to give his patients the very best practice possible, so now when you call for Dr. Treadaway he will be at your place before you thinking about it.

A CONFESSION

Hopes Her Statement, Made Public, will Help Other Women.

Hines, Ala.—"I must confess," says Mrs. Eula Mae Reid, of this place, "that Cardui, the woman's tonic, has done me a great deal of good."

Before I commenced using Cardui, I would spit up everything I ate. I had a tired, sleepy feeling all the time, and was irregular. I could hardly drag around, and would have severe headaches continuously.

Since taking Cardui, I have entirely quit spitting up what I eat. Everything seems to digest all right, and I have gained 10 pounds in weight."

If you are a victim of any of the numerous ills so common to your sex, it is wrong to suffer.

For half a century, Cardui has been relieving just such ills, as is proven by the thousands of letters, similar to the above, which pour into our office, year by year.

Cardui is successful because it is composed of ingredients which act specifically on the womanly constitution, and helps build the weakened organs back to health and strength.

Cardui has helped others, and will help you, too. Get a bottle today. You won't regret it. Your druggist sells it.

By West Wind

Arch McPhaul came in last week sick, and Dr. Maddux pronounced it appendicitis, and in a serious form. Jim Smith took him to Tahoka, and Jay McPhaul who was there, took him on to Post City, where an operation was performed. Pneumonia set up afterwards, and he was critically ill for several days, but a phone message Monday stated that he was improving.

Forn to Mr. and Mrs. Oral Adams, on last Sunday night, a fine baby girl, both mother and girl doing well.

A card from Mr. S. H. Key last week, stated that his wife was improving, and he would start for home the 19th. Mrs. Key will remain there until cured.

Mrs. Geo McWhirter and sister, Mies Jewell Nichols, were in town Monday.

Ben Hurst and wife came in Saturday; Ben returned home Sunday, but Mrs. Hurst is spending the week here. (West Wind, can you tell us whose grub Ben Hurst, Bob Snodgrass and Dee Hunter devour so often in Gomez. We want to know in order to offer our sympathy the next time we see him.—Ed.)

Will Snodgrass and family visited in Brownfield, Sunday and Monday.

Messrs. Booth and John Hays, Bert Kennedy, Jim Yates, Joe Lane and Will Arnett went to Lubbock last Friday, returning Sunday.

Messrs. Harlan and Martin were at the hotel last week on their way to Tahoka. (The rest of this local was an ad.—Ed.)

Sidney Palm was at the hotel Tuesday night, enroute home from Albany.

Mr. Hague of Plains, was here last Thursday night.

Will Black came in Saturday from Kansas City, where he went to Market his calves. He reports a successful trip, and that the calves stood the trip well, and he did not, as so many others have done, lose money on them. He stated that the shrinkage was light and he came out a winner in the deal.

Alvin Key and wife, also Jewel and Tom, visited out at Early Keys last Sunday. Mrs. Early Key, who was sick last week, is up again.

Rev. Flangers pastor of the Baptist church at Hendersonville N. C., was here last Saturday. He has been touring New Mexico in an auto, and is homeward bound. He came for his health and is much improved by the trip.

Rev. Nicholson preached at Baptist church Saturday night Sunday and Sunday night. His wife accompanied him, and their visit was quite pleasant. They left for their home at Post City Monday.

Marlin Ellington was visiting here Sunday night.

Uncle Geo. Wilkins and wife were visiting and trading in town Monday.

Ben Wolfarth came in from the ranch to visit home folks, Sunday, returning Monday.

Merlin and Dale Adams and

mother, were visiting at Oral Adams' Monday.

Vernon Seitz of Lubbock, visited his parents Sunday and was also in town.

Bob Carter bought a new buggy here Monday, and drove over to Brownfield.

Jim Burnett attended church here Sunday.

Bob Snodgrass and family came in to church Sunday, and stayed over until Monday afternoon.

In trading Monday were Grover Lewis and wife, Elmo Green, W. D. Winn and wife, J. P. Nichols, R. W. and Clint Rambo, Artie and Bert Shepherd, Geo. McPherson, Wiley Bridges and Edgar Stapp.

Miss Rena Lewis visited home folks and here Sunday. She is now teaching the Crews school, eight miles south of town.

Bert Ingram sold a big load of maize chops to H. L. Ware, Monday at \$1.25 per cwt.

A phone message from Plains Sunday stated that Judge Gainer was quite seriously sick, but is now reported better.

Two of Eldredge Maddux's little boys are right sick this week.

H. L. Ware came in from his Yoakum county ranch, Sunday.

The Gomez boys have a bicycle brigade, and there is quite a lot of new bikes in town, and as some of them are girl bicycles, we suppose they intend for the girls to share their sport.

Well, we have been in Terry county ten years, and thought we had graduated in sandstorms but last week was a new idea, not a pleasant one either. The last Saturday we tried all day to decide whether it was a snowy snow or a sandy sandstorm. Finally late in the evening when the snow and wind stopped and the sun shown out bright and warm like spring, we decided the south Plains are far ahead of New England in weather as well as crops.

Walter Gainer and others left Monday to move H. D. Leach's house from southwest Terry to his new home near here.

The pin in the face plate of Joe Whita's windmill lost out, and Wednesday's norther blew the entire wheel off, completely wrecking it. The wheel was new, and so a small oversight will cost another wheel. It takes a few minutes time to examine taps on a windmill when greasing it, but such accidents would not occur if properly looked after.

Thanks, Sandy, for the information about the onion sets. We will try to raise some this year, and not be dependent on others another year.

Sorry to learn you were sick, Mr. Editor. We said when the paper failed to come Saturday, "the editor is sick, for he always comes out on time when he is well." Surely some of the correspondents must be sick too, as they failed to appear. Say, you correspondents who write one-half or one-third of the time, the news from your part of the county is just as interesting as any other, and its your home, your county, and the Herald is our only newspaper. An editor alone can't make a live newspaper no more than one shower can make a crop. Why not send in a letter every Tuesday? We

know it is some trouble to always be prompt, but the increase of news in the paper more than pays for the trouble. Remember it isn't the editor who gets the benefit of a good paper, but the readers, principally us Terry citizens. We hope to hear from all every week after this. (We can't understand why Gomez subscribers didn't get their papers Saturday as usual, as we mailed them about 5 p.m. Friday. West Wind you said a whole mouthful in your advice to correspondents.—Ed.)

A letter from Ben Brannon states that his father is improving, and Ben will be home this week.

M. & M. Club.

Miss Nettie Sawyer entertained the Maids and Matrons Club at the home of Mr. and Mrs. J. L. Randal, Tuesday 24. There was a good attendance despite the sandstorm that was raging and all spent a delightful afternoon. After our usual lesson we were served delicious refreshments, consisting of clam boullion, sandwiches and pickle. We adjourned to meet with Mrs. Cecyl Smith, Tuesday 27th. Mrs. Chas. Copeland.

Business Man Praises Dr. Miles' Heart Remedy.

Successful Merchant After Investigation Found a Remedy That Restored His Health.

"This is Thanksgiving day in the state of Pennsylvania, and I want to devote a part of it in writing a letter to you. On the 26th day of November, '10, I was stricken with heart trouble. My family physician called it Angina Pectoris. I had from one to five attacks in 24 hours, in the latter part of December, 1910. I wrote to the Miles Medical Co., for information concerning my case, and in reply I received a very kind and instructive letter, which I handed to my family doctor, and he told me to use your Remedies in connection with the medicine he gave me, so I did. I used five bottles of Dr. Miles' Heart Remedy and seven bottles of Dr. Miles' Nervine. I was confined to the house for about four months. The action of my heart is now, and has been normal for the last six months. I can truly recommend Dr. Miles' Heart Remedy and Heart Remedy to do what they are intended for, if used according to directions. I thank you kindly for your advice in answer to my monthly reports. I am now sixty-seven years of age, have been in the mercantile business for thirty-five years and lived retired for the last thirteen years." A. B. HOLLINGER, Lincoln, Penna.

Mrs. W. G. Hardin, Ed.

The editor spent a very pleasant afternoon at Mrs. J. L. Randall's, where Miss Nettie Sawyer entertained the M. & M. Club, but as we have a Club reporter, we shall leave the details to her.

On Saturday night before Easter, the Brownfield High School pupils will put on a play entitled "The Winning of Letane," benefit of school library. Please do not miss this play; it is of the finest type, and your presence will be heartily appreciated by those pupils and the patrons. Adults 35 and 25c; children 15c. Don't miss it; if you do, you will regret it.

The Dramatic Club was entertained by Miss Daugherty, and a good representation of the body was present, at which time it was decided to suspend work for this month, in order to make way for the "Winning of Letane" by the high school pupils. The club will then begin a play which they will put on about a month later. Refreshments were served on leaving. Those Dramatic Club members are every one Town Boosters.

A great treat is in store for you. Be sure and hear "The Winning of Letane." Truly the old negro will keep you laughing as the beautiful love story unfolds, unearthing one of the most cowardly plots ever concocted.

March 10th.

Jake Beall passed through Sunday with nine head of calves he had bought from Arthur Cotten for Dick Brownfield.

Mrs. Ellis and two children, with the Cotton youngsters, came to the box supper. spent the night in the Harris home and attended church here.

We had a box supper at the Harris school house last Saturday night for the purpose of raising funds to purchase a school library. There was a gorgeous array of boxes, which sold at \$1.00 to \$3.50. The total sum raised was \$37.50. The following candidates were present: Messrs. J. T. Gainer, Boyd, Cates, P. G. Stamford and Sam Weaver and added to the jest of the occasion by a few brief remarks.

Ye scribe and family visited at F. M. Ellington's Saturday afternoon. The dainty little daughter of the Ellington's has been given the pretty name of Eileen.

Brit Clare purchased a Texas Almanac last week and incidentally learned who the County Attorney is.

March 17th.

Well, Mr. Editor, yes scribe's husband is like the one you read about. He forgets to mail his wife's letters sometimes. That is the sole reason you didn't hear from Harris last week. The delayed items are inclosed and if you have space and see fit, you may use the whole or part of them, if not consign them to the waste basket.

Your letter was postmarked Harris, March 17th, and arrived in Brownfield Tuesday; just one week on the road. We can't understand that.—Ed.

Misses Grace and Pearl Ellington came down last Thursday and returned Friday. Their mother accompanied them home.

The dancing members of the younger set, were entertained at H. F. Wingo's, last Friday night.

B. C. Christianson and wife spent last Saturday with Brit Clare and wife.

W. H. Harris, wife and daughter, Fern, visited B. C. Christianson and wife, last Sunday.

John Jarrett is down today, Monday, with seven bulls, which he is delivering to a New Mexico man, here at Harris.

Grandpa Loveless was up Saturday having some blacksmithing done, here at Harris.

Walter Raymer and family have moved in on the old Scott Wolfarth place. We welcome these people in our midst.

March 23rd.

Last week our letter was mailed but came back today. Our postmaster has just told us that he sent the letter back again. You will get three letters from us this week. Do as you please with those delayed ones. We are not quitting the ranks by any means and when you fail to hear from us, just put it down that it isn't our fault.

Mrs. J. M. McMillan called on Mrs. F. M. Ellington last Tuesday.

Little Octavia Satterwhite was suffering last Tuesday morning from the effects of swallowing a pin the evening before. She hadn't told her parents until it began to hurt her. Dr. Treadaway was at once consulted; he sent some medicine and advised a diet of sweet potatoes for two days. She is alright now.

Mesdames B. Clare and W. H. Harris called on Mrs. Satterwhite last Wednesday afternoon.

Whew! haven't we been having some fierce weather for March? We enjoy the pretty weather all the better now.

The younger set enjoyed the social at L. H. Hooker's, Friday night. All report a good time and the best supper they ever ate.

The mail carrier failed to come out Saturday, so he came today, Monday. Tomorrow being regular mail day, he will come again.

Jim Wright and wife visited the home folks up here today.

The Misses Latham visited the Misses Harris, last Sunday.

Miss Olga Fitzgerald went to Lubbock last week for a visit with relatives and friends.

Correspondents

Some of the correspondents have been putting little ads into their locals; not intentionally, but because they never thought of it in that light. Correspondents are part of the Herald force, and are supposed to guard interests to see that it is not imposed upon. Now you will naturally ask what constitutes an ad? Anything for which an admission is charged or any scheme to derive money from the public; box suppers etc, for instance. If these box suppers or other entertainments are given by public schools or church societies, they go in at half price, or 5c per line (count six words to the line) if by individuals, firms or corporation, 10c per line.

The reason we mention this is,

that we always charge Brownfield people, and therefore it is nothing but fair that we charge all, please bear this in mind when writing, for if the advertising is worth anything, it is worth paying for. You know whether there is a charge to be made or not, we don't.

FOR SALE:—Pure Bred Silver Laced Wyandotte eggs. Price \$1.50 per setting of 15. See or write J. T. King, Brownfield.

THE STATE OF TEXAS

To the Sheriff or any Constable of Terry County, Texas,—Greeting: You are hereby commanded to summon the Unknown Heirs of E. E. Buffington, deceased; E. E. Buffington; The Unknown Heirs of J. P. Kindred, deceased; J. P. Kindred; the Unknown Heirs of D. Theo. Ayres, deceased; D. Theo. Ayres; the Unknown Heirs of Jno. H. Gibson, deceased; Jno. H. Gibson; the Unknown Heirs of Leopold Fellman, deceased; Leopold Fellman; the Unknown Heirs of Bernard Tierman, deceased; Bernard Tierman, by making publication of this writ in some newspaper published in your county for eight consecutive weeks prior to the return day hereof, commanding said defendants to appear before the Honorable District Court of Terry County, Texas, at the next regular term thereof, to be holden at the court house in Brownfield, Texas, on the fourth Monday in April, A. D. 1914, same being the 27th day of April, 1914, then and there to answer the plaintiff's petition, filed in a suit in said court on the 24th day of February, A. D. 1914, wherein E. S. Buffington is plaintiff and the above named parties, together with A. J. Beardsley, are defendants; file number of said suit being 211. The nature of plaintiff's demands are as follows, to-wit: That the plaintiff is the owner in fee simple, and has possession of the following described lands, situated in Terry county, Texas; being 640 acres, known as Survey No. 35, in Block 4-X, about 13 miles N., 27 E. from the center of the county, located by virtue of Certificate No. 318, issued to the Central & Montgomery Ry. Co., and patented to A. J. Beardsley, with field notes as follows: Beginning at stake the N. E. cor. of Survey No. 34, this Block for the S. E. cor. of this survey; thence north 1900 vrs. to stake for N. E. cor. this survey; thence west 1900 vrs. to stake for N. W. cor.; thence south 1900 vrs. to stake for S. W. cor.; thence east 1900 vrs. to the beginning.

That plaintiff purchased said land from defendant A. J. Beardsley, paying valuable consideration therefor, and receiving deed of conveyance thereto which instrument was duly recorded in Vol. 1, page 403, of Terry County Deed Records, which now appear in the name of E. E. Buffington; that this name is an error, either of the draftsman of said conveyance, or the clerk in recording, which of the two plaintiff does not know. That the other defendants are setting up some claims, or title to said land, to plaintiff unknown, in that they have transferred certificate to lands, of the same number as to this plaintiff's land. That these claims constitute a cloud on plaintiff's title to said land, and plaintiff pleads the three, five and ten years' limitation to same, and prays that all claims, right and title of each of the defendants be divested out of them and vested in plaintiff; that he be quieted in the title and possession of said land, and that the error in his deed be corrected and remedied.

Herein fail not, but have you before said court on the first day of the next term thereof, with your return thereon, showing how you have executed the same.

Witness, D. J. Broughton, Clerk of the District Court of Terry County, Texas.

Given under my hand and seal of said court, at office in Brownfield, Texas, this 24th day of February 1914, (SEAL) D. J. BROUGHTON, Clerk of the District Court of Terry County, Texas.
