

RECORDS OF OTHER YEARS INDICATE LARGE COTTON YIELD

LOOK TO LOCAL SOURCES FOR COTTON PICKERS IS REQUEST GIVEN PLANTERS

C-C And County Officials To Cooperate With Farmers In Getting Labor

The appeal that Mitchell county cotton producers look to local sources for labor in the cotton and feed harvest was sounded here Monday by officials of the chamber of commerce, County Judge B. L. Templeton, Mayor J. A. Sadler and other public officials.

"There is available in this county a number of citizens who should be interested in obtaining employment in the cotton fields, and it is the sincere hope of this organization that before sending out of this immediate section for harvest help you will first consider our own people," was statement given out at the chamber of commerce.

Judge Templeton called at The Record office Monday to add his appeal to the plea that local sources be drafted to supply labor demands as the harvest gets under way. Other citizens, appreciating the fact that scores of local citizens are looking to the cotton fields for employment, are uniting with these men in offering cooperation in obtaining the help that cotton and feed producers will require.

Mayor J. A. Sadler outlined that he and members of the city council would cooperate with the chamber of commerce, commissioners' court and other agencies of the county in any undertaking having as its objective the giving of preference to local labor, "whether it be in the cotton fields or elsewhere."

PROJECTING APPARATUS VALUED AT \$800 TAKEN FROM LORAINE THEATRE

Projecting apparatus valued at between \$700 and \$800 was taken from the Lorraine theatre Saturday night by thieves who forced entrance into the building. Two machines were stripped of their heads, lens and sound amplifiers.

Entrance to the building was effected after front doors had been pried open by use of a tire tool. Shows scheduled for the next one or two days were cancelled while replacements were being made.

BUY RESERVED SEATS IS PLEA OF FANS IN DRIVE TO IMPROVE GRID FIELD

Purchase reserved seat tickets good for all home games at the bargain price of one dollar and aid in drive to build additional bleachers at Cantrell Field.

That is the appeal that Tuesday morning was extended to every Wolf fan in this town. The chamber of commerce is backing campaign to build 440 new seats on west side of the field, from the 40 to 40 yard lines.

The special reserved seat price has nothing to do with admission to the games, it was pointed out. Holder of the tickets will have their reserved seat, once inside the gates.

With six games already scheduled here, the price of one dollar is expected to appeal to fans. The tickets are to go on sale Friday at the chamber of commerce office with Mrs. Grable in charge.

Date For Legion's Annual Fete Is Set For November 8th

Date for annual bean feed of the American Legion is November 8, and not October 8, as stated in The Record last week, John Howell, past post commander, recalled Saturday.

The event is to be held on eve of Armistice Day, which this year is to fall on Monday. Post officials are drafting drive to contact every ex-service man in the county in personal invitation to attend the meeting.

COTTON HARVEST AGAIN DELAYED AS RAIN FALLS

"Looks as if we are to have another delay in getting the cotton harvest well under way," suggested Arlie Martin, Lorraine business man, as he stood on the sidewalk here Tuesday morning and watched the rain fall. Scores of farmers in the Lorraine territory were just beginning to pick their cotton when the rain came.

SWEETWATER TO SEND FAN DELEGATION FRIDAY

COLORADO JEWS PLAN TO OBSERVE ROSH HASHANAH AGED RELIGIOUS FESTIVAL

Holidays Open Friday Night Extend Through Sunday; Stores Plan On Closing

Colorado citizens of Jewish faith Friday night will turn their attention to one of their most sacred holidays as the Jewish New Year, 5695 is ushered in. The holiday, known as Rosh Hashanah, is one of the most generally observed on the Jew's calendar.

Religious services are to be conducted at synagogues in Sweetwater, San Angelo and other West Texas communities in which these places of worship have been provided. Colorado Jewish people plan attending one or more of the special services, to open Friday evening at 8 o'clock in most of the synagogues.

Loyalty to the god-given pattern of life will be the key-note of sermons to be preached by rabbis, as a rule, leaders among local Jewish people have stated. Celebration of this holiday carries a special message to both Jew and non-Jew at large during these days of insecurity, it was stated.

In commemoration of the sacred holiday, Colorado stores operated by Jewish people are to be closed through Saturday until 5 o'clock in the afternoon. They are to be open for business as usual from that time until the usual closing hour at 10 o'clock.

MAINTAIN PERSONAL HOLD ONTO GOD IS PLEA GIVEN COLORADO CHRISTIAN FOLK

Rev. C. A. Long Will Close First Methodist Revival Here Sunday Evening

It matters not how attentive the Christian may be to his responsibilities as a member of Christ's circle, one will never have assurance of overcoming temptations that beset on every hand when God is left out of the day's routine. Generally speaking, that is the theme about which Rev. C. A. Long of Sweetwater has built the impressive sermon addresses during revival campaign at First Methodist church.

The special religious drive was opened Sunday morning with the pastor, Rev. Cal C. Wright, doing the preaching at 11 o'clock and again Sunday evening. Rev. Mr. Long arrived Monday morning and has since been in charge of the services.

For the morning services, beginning at 10 o'clock, the speaker has stressed the significance of prayer and personal devotion to God. His messages for Tuesday, Wednesday and Thursday mornings were especially convincing arguments in support of the universally accepted condition that Christians must commune with their Maker.

In his sermon address Tuesday evening Rev. Mr. Long grew eloquent as he charged that heritage had as much influence in wielding the destiny of man as any other cause. He built his sermon about the parable of the sower as related in the 13th chapter of Matthew.

"There are three elements that have made you what you are today," he said. "One of them is heritage—or blood, another environment or the associations you have kept and the third is the choice as between right and wrong you have made."

"You cattlemen understand the value of good blood in your white faced Herefords and others of you appreciate the importance of good breeding in your blooded horses. The same applies to the heritage of your fine bird dog and your Persian cat. Then, why, are there those who would contend that blood has nothing to do with their lives?"

CONFERENCE SESSION TO BE CONVENED ON SUNDAY

The Fourth and last Quarterly Conference of First Methodist church is to be convened by the presiding elder, Rev. C. A. Long, Sunday afternoon at 3 o'clock. Reports relative to work of the church in all departments will be in order. The pastor has announced that all officials of the church, including members of the board of stewards, are expected to be present.

REALTY PRICES SOARING LOCAL DEALERS REPORT

Realty prices in Colorado continue to mount to higher quotations, due to steady demand for this property, local brokers announced Wednesday. One of the dealers suggested that the steady climb in property values was sufficient to sustain that better times were here.

Old Timers To Turn Toward Cuthbert As Home Coming Event Staged on Oct. 6th

Sunday, October 6, is to be a red letter day for Cuthbert and that part of Mitchell county, as initial "home coming" celebration of the community is observed.

On that date men and women who back in the days of from twenty five to fifty years ago lived there are to turn their faces to the old home, to strike hands with neighbors and friends of the past and otherwise contribute toward making the occasion a success.

Cuthbert is among the first communities in this county, a citizen of that section recalled Wednesday morning. Among the early rural churches and schools were erected there and through near a half century have stood as silent reminders of the fine stock from which her citizenship has been built.

"Cuthbert is proud of the part she has played in development of this section of West Texas and we are also proud of the sterling men and women who through the years have contributed much to our material and spiritual progress," said message given The Record from one of the pioneers there.

'BEST FOOTBALL SPIRIT IN SEVERAL YEARS,' SAY FANS PUSHING CAMPAIGN

The most universal football spirit that has been manifest in this town for several years is to be found on every hand and under urge of that kind of moral support the Wolves ought to go places during the season ahead, an ardent booster for the club stated Wednesday.

This particular fan had just returned to his office after a round on the street and into the stores selling admission tickets to the Colorado-Snyder tilt Friday night. "They are all buying admission tickets and as a rule have something complimentary to say about the team and the spirit of cooperation being given football by our public spirited citizens," he went on to say.

Westbrook School To Launch New Bus Service On Monday

Bus service for Westbrook pupils who live a distance from the schools is to begin Monday of next week, according to an announcement made this week by F. H. Patterson, superintendent of Westbrook schools.

The Westbrook school board has completed the purchase of a new 56-passenger school bus with an all steel body. Alvin Jones has been named bus driver and has made necessary bond.

The route will be northward out of Westbrook, going through Butler and Elder camps and touching the edges of the Carr, Dorn, and Conaway communities as it swings southward and back into Westbrook.

Members of the Westbrook school board arranging for the bus service were Van Boston, president; L. R. Messimer, secretary; A. L. Young, C. C. Curry, Sam Taylor, Burton Hines, and George Dawson.

EX-MITCHELL COUNTIAN BOOSTS MIDLAND FAIR

Elmer Bizzell, former Mitchell countian, was here Monday from his home at Midland to tell Colorado people about the Midland fair to open October 19 for five days. To prove that Midlanders were in earnest about their fair, Bizzell stated that \$50 in the cattle feeder show, \$3,000 in the rodeo and \$3,600 in the race meet departments had been hung up as prizes. Mrs. Bizzell was here with Mr. Bizzell, she, too, boosting the fair.

COTTON PICKING STARTS IN PARTS OF TERRITORY

Cotton picking was underway in some fields along the highway between Colorado and Lorraine Friday, a representative of The Record found in driving between the two community centers. Farmers are saying this is one of the latest fall seasons recalled in several years.

LESS THAN 500 BALES OF RECORD YIELD FROM CROP OF 1932 GINNED SEPT. 30

Last Year Over Half Of Crop Harvested By This Time, Statistics Reveal

In the event that history repeats—and it is an age-old adage that such is generally the case—Mitchell county is due to harvest her best cotton crop since 1932, when 50,221 bales were received at gin plants of the county.

On September 30, of that year, less than 500 bales had been ginned. Only 194 of the number had been reported at Colorado gins and there was little assurance that the harvest would get into normal proportions for several days. Continued rains had held maturity and opening of the crop in abeyance.

Such a condition is present today, with an even lesser number of gin receipts reported from plants at Colorado, Lorraine, Westbrook, Hyman, Buford and Valley View. Picking would have been under way in practically all parts of the territory by this week-end, but for the rains that fell only a few days before.

In 1934, when Mitchell county planters harvested one of their smallest cotton crops in years, more than fifty per cent of the yield had been picked and ginned by this date. Statistics on file at The Record office show that on September 27, last year, a total of 6,385 bales had been ginned. Total production from the crop was 12,574 bales.

Then two years ago the county had received 2,561 bales up to September 28, these records indicate. A production of 23,500 bales for the county is shown for 1932.

"Mitchell county farmers need certain no worries about their cotton production, if there is anything in records of the past, coupled with the crop condition today," suggested a Coloradan who operates several cotton farms in this territory. "We may reasonably expect to reach Uncle Sam's quota of 25,000 bales, under terms of the AAA."

RAINS WILL DELAY FALL HARVEST BUT HE HOLDS NO WORRIES IN OUTLOOK

The rains will delay swing of the Fall cotton harvest into full force but there is no occasion to entertain worries, E. Barber of Spade, among the prominent farmers of the county, suggested when seen in town Tuesday.

"No, the seed is not going to suffer serious damage," Barber replied to questioning by a representative of The Record.

In addition to looking after his extensive farming interests Barber is a district director for the West Texas Cotton Growers association and vice president of the Westbrook Co-operative Gin Company.

EVERYBODY'S GOING TO COLORADO-SNYDER TILT

SNYDER.—From Colorado comes word that opening of the Wolves' football lighting system will be the occasion for one of the biggest turn-outs of fans in the history of the Mitchell County capital.

And from every nook and corner of Snyder fandom comes assurance that several hundred folks will be in Colorado when the opening Wolf-Tiger whistle blows Friday night at 8 o'clock.

Pep squads and bands of both schools will be out in full regalia. And both gridiron squads will be on their toes for the greatest battle of the year.

FFA FATHERS, MOTHERS MEET AT HIGH SCHOOL

By Jas. Fitchett, Reporter

"Fathers and mothers can do no wiser thing than to offer the best opportunities possible for carrying out a well planned supervised practice program for their sons in the agriculture class," declared Doyle Williams, vocational agriculture teacher, speaking at the first get-together meeting of the fathers and mothers of Colorado High school FFA boys Friday at the high school building.

"There is nothing finer than the idea behind this meeting," said Williams, "to put over the program of work that we have planned for 1935-1936 will require the cooperation of the father, mother, and teacher. Conditions are looking up and we want every boy in the class to earn while he is learning, therefore, I am asking one hundred per cent cooperation of this group."

Eighty-four persons including fathers, mothers, and sons, were present at the ice cream supper which followed the meeting.

THEATRE NEWS

"DOUBTING THOMAS"
Palace—Sept. 27-28

Again the screen brings to you one of the pictures of the world's most noted humorist Will Rogers. Rogers in the past has brought to the public the cleanest and best pictures that have ever been produced.

Because of the unfortunate accident that caused Rogers' death, people should not hesitate to come to see his pictures but should consider it a privilege to again witness one of his pictures which is being exhibited to the public.

"CHINA SEAS"
Palace—Sept. 29-30

Gable, Harlow and Beery fans will go for this one in a big way. Picture is packed with action and dramatic suspense. Story concerns Clark Gable, captain of a boat hauling gold bullion to the Orient. Wallace Beery, leader of a pirate gang is out to get the cash. Gable is hitched up with Jean Harlow, somewhat shady character, and tries to break away for an old love when Rosalind Russell gets aboard. Harlow tries to warn Gable of Beery's identity but turns aid to Beery when Gable throws her out of his cabin. Firsties board the ship and shoot up most of the crew and torture Gable, but the money is not discovered. Gable questions Harlow and Beery. Beery commits suicide and Harlow goes back to Gable.

"IT'S A SMALL WORLD"
Palace—Oct. 1-2

Spencer Tracy gives an outstanding performance in this featherweight comedy and he has the able assistance of Wendy Barrie, a self-proclaimed young newcomer from England, and Raymond Walburn, comedy character extraordinaire. These three carry practically the entire story which concerns a crash between two speeding cars on a lonely country road. Occupants, a young attorney and a pretty girl, being forced to spend several days in a nearby hick town, start off at sports points but end up by falling for each other in time for a happy fade-out.

"CHINATOWN SQUAD"
Sis—Sept. 27-28

Good performance dealing with contraband airplanes going to Chinese revolutionists, stealing of money from San Francisco Chinese, financing purchase of the planes, with a broken officer solving the mystery and regaining his badge. Usual mystery fare plus some good photography especially background shots of San Francisco. Life Hubert does well with the police officer role and Valerie Hobson registers in the feminine role. Suspense is well-sustained and the Chinese atmosphere lends itself to the mystery element.

CUTHBERT NEWS

Saturday night and Sunday, Oct. 5 and 6 will be "Home Coming" for all old timers at Cuthbert. Everyone urged to come and make it a grand reunion. A programme arranged by W. O. Wellborn and others will be put on Saturday night and Sunday with a 2 or 3 hour dismissal at noon Sunday for every one to visit and renew old acquaintances. Dinner under the shed.

New teachers and officers were elected at Sunday school Sunday. Lloyd Stisher of Wink spent a few days at home recently.

Mrs. E. M. Conrad has returned from Ft. Worth.

Mr. and Mrs. John Sheehan spent the week-end in Stanton.

Mr and Mrs. J. D. Oliver and sons left last week for South Texas.

"Where Beauty Is A Business"

It's always fair weather where we make Chesterfields

"Weather machines" in the Chesterfield factories keep the heat and moisture at a steady even level . . .

This control of temperature and humidity helps to retain the full flavor and aroma of the tobacco you smoke in Chesterfields.

And it has a great deal to do with providing the proper working conditions for the employes who handle the tobaccos and operate the Chesterfield machines.

Mild ripe tobaccos and modern up-to-date factories with proper control of temperature and humidity help to make Chesterfield . . .

'Pill Rolling' Was Real Art Fifty Years Ago, Jno. Doss Display Shows

"Pill rolling" was really an art when John L. Doss launched his drug business here more than fifty years ago, judging from some of the beautiful bottles and other equipment which the store used in mixing medicines in those days.

A collection of these bottles and other articles, including old pharmaceutical ingredients, has been on display in one of the John L. Doss show windows this week.

The bottles, of various sizes, are square with ornamental indentures at top and bottom and large, beautifully molded glass stoppers. A file of yellowed and time-worn prescriptions is another display item, along with some

old pharmaceutical scales. Most of the ingredients on display are used now in entirely different prepared forms. One substance shown is a powder which was used on hand-rolled pills years ago to keep them from being sticky.

Especially interesting is a bottle about half-full of cochineal bugs. To "just folks" these are the little red velvety bugs that crawl around on the ground after rains and draw in their feet and play dead when touched. Years ago they were used for coloring matter. Those in the jar have lost their color but they're still whole—and the jar bears the label "1906."

WIFE OF SOLON B. COWAN BURIED AT STEPHENVILLE

Old-time Coloradans will be interested in an account of the death of Mrs. Mary Burns Cowan, 75, wife of the late Solon B. Cowan, appearing in last week's Stephenville Empire-Tribune.

Solon B. Cowan and his family lived here early in the century. He died about 25 years ago after they moved away from here and was buried in Stephenville. Mrs. Cowan died in Fort Worth.

SHEPHERD NEWS

By Monk
We will start the news items beginning next week but just a few important items this week.

School will start Monday, September 30th. Mrs. Ben Merable who has taught for several years will teach again this year and we hope she will teach for several years to come.

The school house and yard are being cleaned for the beginning of school Monday. Mr. Carlock, Mr. Taylor and Mr. Van Dyke are doing the work.

Shepherd has purchased some new chairs and desks for the primary children.

We hope to have the teacherage started soon.

Mr. and Mrs. Ben Merable returned here Tuesday from their home in New Mexico. They reported a nice vacation. They spent Tuesday night in the home of Mr. and Mrs. G. W. Tickle and family.

Chevrolet Opens Nation-Wide Sale Of OK Used Cars

The Chevrolet Motor Company is conducting a nation-wide sale of unusual values in Guaranteed O K Used Cars.

During the month of August an all-time high in retail sales for Chevrolet was reported. This record shows in this one month Chevrolet delivered 99,918 new passenger cars and trucks at retail, an outstanding performance that beats by 4,600 units the previous best August, which was in 1929.

The fact that Chevrolet's volume increased so sharply over its total in July shows unmistakably that the country's buying power is increasing, and that there is not only the ability but a universal willingness on the part of the public to buy.

This record breaking sale of Chevrolet during the month of August materially increased the stock of good Used Cars to such an extent that a wide variety of all makes and models are now available at your local Chevrolet Dealer and the Guaranteed Red O. K. Tag assures you of a real Used Car Value.

THE RED & WHITE STORES

CHARLES LANDAU

Colorado's New Store for Men, Young Men and Boys

OPENS MONDAY, SEPT. 30TH
Walnut St. Across from Western Union

Q We wanted to open for business this Saturday, September 28th, but a traditional Jewish religious holiday falls upon this date, therefore, we will not open until Monday, September 30th.

Q Large shipments of merchandise for men and boys have been received and we earnestly ask that you visit us in the near future and look over our set-up and any suggestions you may make for the betterment of our service will be appreciated—So come around, whether you are needing anything at present or not.

We believe that our long business experience here has enabled us to know the exact needs of the men and boys of Mitchell county and it is our purpose to have a real store for Men, Young Men and Boys. We have the merchandise they want and with our low operating expense and our desire for quick turn-over, we think that we can make you substantial savings on your needs.

Many standard lines that you will instantly recognize, such as Kuppenheimer Clothes, Nunn Bush Shoes, Van Heusen Shirts, Mallory and Stetson Hats, Fowl's Work

Clothing, and Hansen Gloves will be featured here. Whenever something is purchased from Charles Landau, you can count on this—

THAT THE MERCHANDISE IS GOOD, OR HE'LL MAKE IT GOOD—AND YOU CAN'T BUY IT ELSEWHERE FOR LESS.

We have several hundred Tie Racks that will be in sometime next week. Very useful, neat and attractive, and it will be our pleasure to present one to the men calling at our new store—No obligation to buy or look, just ask for yours.

Graphic Picture Of Downtown Life Here 25 Years Ago Found In Runaway Episode

A graphic little picture of life in downtown Colorado twenty-five years ago is found in the following incident, recounted in the Colorado Record for September 30, 1910:

"A wagon load of watermelons standing at the passenger depot Saturday morning was disposed of in short order—not, however, through the usual channels of trade. When the train came to a stop and the compressed air began to whistle from the brakes, the team lit out. In turning the corner of the Debusk wagon yard almost all the melons were thrown out and burst. The team ran into the street sprinkler, knocking a hole in its wheel house."

Following test runs of Colorado's new ice plant and creamery twenty-five years ago stockholders met and perfected the following permanent organization:

President, F. M. Burns; vice-pres-

ident, A. J. Hagler; secretary-treasurer, C. H. Earnest; general manager, J. F. Clayton; operator, Mr. Rhoel. On the board of directors were W. P. Ruddick, F. M. Burns, J. D. Wulfjenn, R. H. Loney, Charles H. Earnest, A. J. Hagler, and C. M. Adams.

Local items in the paper revealed that:

Miss Lona Herrington had entertained the W. F. G. club on Friday and Miss Carrie Mae Mitchell was to be next hostess. . . . J. W. Clark had died in Dallas following an operation. . . . The business of Mrs. James DeMoss had been adjudged bankrupt. . . . Thomas Griswold had returned from court in Arkansas. . . . F. D. S. Pond had returned from California, reporting that Ocie Green had found steady work there. . . .

A firm composed of W. R. Morgan, Maurice Terrell, and Thomas Griswold had bought the stock of the

Colorado Drug company. . . . Over in Westbrook a party composed of John T. Adams, Will Flippen, and Emmett McCallum had been duck hunting and had bagged 49 of the fowl. . . .

The D. M. Logan family had returned from an Alpine vacation. . . . Carl and Bruce Phenix had left to enter Baylor University, Waco. . . . John Arnett and Walter Whipkey had left for A. & M. . . .

From the Snyder Western Light—J. Wright Moore was here Tuesday from his farm. . . . but he said he had nothing to say about his oil-bearing lands or anything else. . . .

Bennett Scott had returned from Amarillo. . . . Jim Hall was working in the Colorado Mercantile company. . . . Mrs. D. G. Ferguson and little daughter had returned to Dallas after a visit with Mrs. Ferguson's parents, Capt. and Mrs. R. A. Jeffress. . . .

Uncle Bob Dolman and son, Abe, had returned to Colorado, expressing pessimism when asked about the cotton buying outlook. . . .

New Production In Howard Sector As The Week Passes

BIG SPRING.—Bond Oil Corp. obtained pay in two Howard county tests last week. Magnolia No. 6 Sloan-Chalk was completed for 25 barrels daily on the pump and Hugh G. White and others' No. 6 Read drilled more pay and prepared to shoot.

Bond No. 4 Rhotan, 330 feet from the north line and 990 feet from the east line of section 4, block 30, township 1 south, T. & P. Ry. Co. survey, showed oil from 2,515-20 feet in lime. It filled 2,000 feet with oil before being shot with 500 quarts from 2,610 to 2,747 feet on Sept. 16th the first 12 hours afterward flowed 500 barrels. Testing continued.

Bond No. 6 Rhotan, 330 feet from the north line and 1,650 feet from the east line of section 4, block 30, filled 100 feet with oil in two hours from 2,500-10 feet and had an increase from 2,605-30. It drilled ahead at 2,680 in lime. Sinclair-Prairie-No. 1 Texas Land & Mortgage Co., in the southeast quarter of section 4, block 30, was waiting for cemented 7-inch casing to set at 2,407 feet in lime.

Shasta No. 4 Dodge, 190 feet from the north line and 2,310 feet from the east line of section 3, block 30, spudding Sept. 12, had reached 560 feet in red shale. In the northwest quarter of section 3, Sinclair-Prairie No. 21 Dodge cemented off tools after drilling by to 1,439 feet in shale and was standing and No. 22 Dodge was waiting for cemented 6-inch casing to set at 2,355 feet in lime. The same company's No. 23 Dodge, 2,310 feet from the south and east lines of section 3, had drilled to 300 feet in redrock. It spudded Sept. 14. California No. 4 Dodge, in the southeast quarter of section 1, block 30, continued cleaning out following a shot, bottomed at 2,768 feet in lime.

Iron Mountain No. 4 Read, in the southeast quarter of section 46, block 30, township 1 north, T. & P. Ry. Co. survey, deepened to 2,759 feet in lime and prepared to shoot. It had 1,200 feet of oil in the hole when drilled to 2,625 feet the week before.

No. 8 Read, in the southwest quarter of section 46, had drilled to 1,730 feet in lime. International Petroleum No. 5 T-P Land Trust, in the southeast quarter of section 45, block 30, township 1 north, T. & P. Ry. Co. survey, was shut down at 2,707 in sandy lime. The week before it filled 500 feet with salt water from 2,670-92 feet. International No. 2-B T-P, in the southwest quarter of section 45, was fishing for tools at 700 feet in redrock. It lost the first hole at 560 feet and skidded 30 feet west.

Hugh G. White and other's No. 6 Read, 330 feet from the south line and 2,310 feet from the west line of section 45, block 30, showed more oil at 2,520 and 2,560 feet, drilled to 2,760 in lime and prepared to shoot. Merrick & Lamb No. 3 Bell, in the northeast quarter of section 12, block 30, township 1 south, had drilled to 700 feet in lime. Continental No. 13-A Settles, deepened from 2,345 feet, where it pumped 10 barrels of oil hourly for 24 hours, stopped at 2,423 feet in lime and yielded 31 barrels in one hour. It cemented 6-inch pipe at 2,810 and was standing. Cardinal No. 4 Settles, in section 6, block 32, township 2 south, T. & P. Ry. Co. survey, was cementing 8 1/4-inch casing at 2,644 feet, bottomed at 2,670 in lime.

Magnolia No. 6 Sloan-Chalk, 741 feet from the south line and 180 feet from the east line of section 1, block 29, W. & N. W. Ry. Co. survey, was completed at 1,500 feet, pumping 25 barrels of oil daily. It topped pay at 1,565. Pfleger and others No. 2 Scott, in the northeast quarter of section 23, block 24, W. & N. W. Ry. Co. survey, was lowering 4-inch pipe to 723 feet in redrock. Ward Oil Co. No. 5-A Dora Roberts, 1,665 feet from the south line and

H. B. CALLOWAY RITES

Death which followed a lingering illness claimed Henry B. Calloway, 48, at his home in this city early Saturday morning. Mr. Calloway had lived in Mitchell county for 29 years. He was a World War veteran.
Funeral services were held from the Westbrook Baptist church Saturday afternoon with the Rev. C. C. Scott and the Rev. D. A. Ross, pastors of the Baptist and Methodist churches respectively, officiating. Burial was in the Westbrook cemetery. Calloway was married in 1924 to Miss Jewel Costin of Westbrook. Two sons, Charles, 8, and Billy, 4, survive him in addition to Mrs. Calloway, three brothers, and three sisters.

CHURCH NEWS

The Young People of the Methodist church will present a program at the Dorn church Sunday evening.
Young People's services have been changed to 7:15. Everyone invited. Go to church Sunday.
W. M. S. meetings at the usual time.
The Missionary society of the Methodist church met Monday at 3 o'clock. Mrs. D. A. Ross led the devotion. Mrs. Roy Messmer read an interesting article from The Outlook, "The Three Fathers of Cuba." We had eight present and decided on a play to be given later.
We will meet with Mrs. Marvin Dorn next Monday as it is our Social day. Each will take some article to work on which will be given to the society for our Bazaar. We want each member of the church to realize we need them, so come and bring something, please.

WESTBROOK HIGH SCHOOL NOTES
In a high school assembly Monday morning it was decided to elect a staff for the school news. The following members were elected by popular vote:
Editor-in-Chief Juanita Collier
Associate Editor Virginia Shelton
Sports Editor Elizabeth Young
Joke Editor Marcus Woodall
Senior Reporter Sue Haynes
Junior Reporter Wayne Gilliam
Sophomore Reporter Lena Lee Byrd
Frosh Reporter Boyd Rae Anderson
The classes have just organized and are ready for the school year of 1936—which we are sure will be the best one yet.

WESTBROOK ATHLETES BEGIN ACTION!

The boys of W. H. S. defeated the Iatan Soft Ball team 7-4 in their first game of the season on the local field Thursday.
One soft ball game and one volleyball game are scheduled for this week. Both are to be played at Iatan Thursday afternoon. This will be the first volley-ball game for the girls this season.
The Juniors have elected the following class officers:
President, Marcus Woodall; vice-president, Virginia Shelton, secretary and treasurer, Junior Stribling; reporter, Wayne Gilliam; sponsor, Ira D. Lauderdale.
Opal Wilson of Rogers is a new member of the Junior class.
When the Seniors invited the Juniors to the picnic last Saturday night we have a sneaking idea that they were thinking of their banquet next Spring. Well, anyway they must not feel so dignified.

THREE WINNERS IN CLUB GOLF CONTESTS SUNDAY

Winners in the "barrel of fun" golf contests at the Country club Sunday afternoon were E. C. Nix, Jake Richardson, and Blue Goodwin. Nix won two prizes, Richardson and Goodwin one each.
The contests were on shooting holes through barrels placed in different positions. All prizes were golf balls.

Sophomore News

The Sophomores had their first class meeting for this year and elected the following officers:
President, Elizabeth Young; vice-president, Fionelle Davis; secretary and treasurer, Glyn Hindman; reporter, Lena Lee Bird; sponsor, Miss Cook.
We are glad to welcome Clarence Moore and Juanita Harrison to our class. Juanita comes from Roscoe and has been attending school at Brownlee.
The Sophomores were entertained by their recently elected sponsor, Miss Cook, with a picture show party on Tuesday night. The class members met at the school house at 6:30 and started for the theatre to see "Little Men." As we gathered outside the theatre Miss Cook looked like the old woman in the shoe. Everyone seemed to enjoy the candy and popcorn before the show. For the next two hours we were occupied with a picture which we all thought very good and enjoyed much. Just watch this peppy Sophomore class—you'll be hearing more from us later.

MOVE TO NEW LYNN

Mr. and Mrs. Charles Taylor, Jr., left last week to make their home in New Lynn, near Lubbock, where they have charge of a general merchandise store.

Methodist Revival

(Continued From Page One)
with the destiny of man."
Parents who lead lives of sin were given the charge that their wrong doings will be perpetuated in the lives of their sons and daughters. "You cannot lead a life of immorality and expect your children to be pure. Let us remember that the Christ once said that such imperfections would be visited upon the children, even to the third and fourth generation."
Wednesday evening Rev. Mr. Long delivered one of his best sermons of the week, speaking on faith and the spiritual victories that will ever follow such devotion. Story of the three Hebrew children who were cast into the fiery furnace after having refused to offer worship to the king's idol, formed subject matter for this address. There were five additions to the church at close of this service.
"We are expecting to receive not less than 25 additions to the church as direct result of this revival," the pastor announced Wednesday evening. "The invitation just extended was the first for the series of meetings and through remainder of the week we trust that others shall come and take their places among God's people." A feature of the Sunday morning service is to be reception of the new members.
"There are entirely too many church members asleep at the post, as were Peter and those other apostles that night as the Master went aside to pray in the garden," the minister stated during delivery of his sermon Thursday morning. "The travail of Christ in that lonely garden on eve of His supreme sacrifice stands out as a challenge to us that we must never forget to pray."
The evangelistic speaker stated Thursday morning that he did not know just what his sermon texts for remainder of the revival were to be. He will close the services Sunday night.

NOTICE

To whom it may concern:
We, the seniors of Westbrook High school do solemnly affirm that Miss Cora Ott is handing out just a few too many demerits.
We are wondering if Marcus is a Junior or a Freshman? (You know the old saying "Actions speak louder than words.")
Wayne was too serious in geometry class yesterday. It must be another case of W. M.
Overheard in the dark:
Dennis: "You look sweet enough to eat."
Jim Anna: "I do eat. Where shall we go?"
What was wrong with Coach Friday morning? Mad or just contrary. We wonder.
By the way, Seniors, Juniors and high school faculty had a picnic Saturday night with the Seniors footing the bills. We met at the school building and went to the Ruddick Park, Colorado, on a truck that Mr. Sam Taylor was kind enough to bring. We all enjoyed the affair, especially the refreshments.
With this parting advice to the underclassmen, "Watch those hands, the teacher may be just around the corner," I will end this weighty epistle.
Yours till Niagara Falls.

Jewish Holiday

(Continued From First Page)
be most cordially received, he said.
The Bible refers to this day as "the day of blowing the trumpet" which marks also the beginning of the agricultural year in Palestine.
When the temple stood in Palestine, this day was celebrated by the blowing of trumpets and by offering special sacrifices at the altar of the Temple. With the dispersion of the Jewish people from their holy land, Rosh Hashanah or New Year's Day assumed a new meaning and a higher value in Jewish life. This holiday has been turned into a solemn occasion upon which every Jew is to re-awaken within himself his loyalty to Judaism. Emphasis is now laid upon this day, as a day for self-examination and reflection. On this day the Jew is prompted sincerely to resolve to turn from the misdeeds of the past year and to build up a more favorable balance in moral deeds the next year, at Yom Kippur, the Jewish Day of Atonement, is to be observed on Monday, October 7. This holiday is accepted as the most sacred on the Jew's religious calendar, ushering in the universally respected occasion when he is to spend time in prayer and meditation with his Maker.
Local stores operated by Jews are to be closed in observance of Yom Kippur, according to plans given this newspaper.

ENTHUSIASM REIGNS ON EVE OF WOLF-TIGER CLASSIC

LARGEST FAN AGGREGATION TO EVER ATTEND CONTEST AT LOCAL FIELD PROMISED

Dedication Of Stadium Under Recent Improvements Will Be Given Prominence

The largest fan aggregation to ever converge at Cantrill Field will be present Friday evening to witness initial classic dedicating the improved stadium, reports early Thursday afternoon from the chamber of commerce indicated. The largest pre-game ticket sale of the past had been sent to secondary place and "they are still buying the carboards like hot cakes," was the comment.

"I have never witnessed such universal enthusiasm over a football game in this town and I have lived in Colorado several years," was the way C. A. Wilkins, high school principal, expressed it. "Looks like everybody in town will be out at Cantrill Field Friday night, and such a dominating fan spirit will have its effect in pushing the Wolves ahead during the conference games to follow."

Jake Smythe, editor of the Snyder Times and an ardent Tiger fan, told The Record Wednesday that several hundred would follow that club to Colorado. "Local fandom is all worked up over the contest with Colorado and we are going to be there strong," he said. Snyder will bring her band and pep squad.

Grady Shipp, manager of the Sweetwater Board of City Development, was here Wednesday morning in interest of the game. He returned to his home city with a block of tickets to sell and gave assurance that a large delegation from Nolan county would be along the side lines.

In offering to the public of this section this classic, school officials of Snyder and Colorado will present two of the outstanding Class B conference clubs of the district. In recent years the Snyder Tigers have outclassed the Wolves, winning more tilts than they lost. Dopesters now have it, however, that the clubs are well matched, with Colorado favored to win.

Along with the football game will be special program dedicating Cantrill Field as a stadium equipped for night playing. The electrical equipment, recently installed at a cost of over \$1200, was realized through cooperation of some fifty Colorado business and professional men, who underwrote cost of the project.

Principal speaker on the dedication program will be Congressman George Mahon, a popular fan with both the Wolves and Tigers. C. Wedgeworth, superintendent of the Snyder schools, is another speaker to be heard. Superintendent Watson of Colorado will preside as master of ceremonies and the chamber of commerce will be represented by Jim Greene.

Color to the occasion will be added

Fans Turn Out As Grid Lights Given Test Sunday Night

Several hundred Wolf fans put in appearance at Cantrill Field Sunday night after the new electric lights installed for night playing were switched on in an official test.

"One of the largest crowds that I have ever seen out at the field, even when we had an interesting game on," was comment offered by C. A. Wilkins, high school principal. "I am hoping that this demonstration of interest will hold as we stage scheduled football games out there."

by presence of both school's pep squads and bands. Additional bleachers are being constructed to seat the large crowd expected. Positively no person will be admitted into the stadium without the regulation admission ticket.

To those who have not purchased tickets the fan committees hope that this matter will be attended to before the game starts. However the admission cards will be available at the gate. The kickoff whistle is to sound promptly at 8 o'clock.

SNYDER TIGERS ROUTED BEFORE LAMESA ATTACK

Outweighed ten pounds to the man, a green Snyder team suffered its worst Class B defeat in recent years when the Lamesa Tornados piled up a 46-0 score at Snyder Friday afternoon.

McKinnon, Lamesa halfback, scored in the fifth play of the game and the visitors rang up 20 points before the end of the first period.

Capt. Boswell, quarterback, closely spaced by McKinnon and Jordan, shared Lamesa backfield honors while Gaines, left tackle, and Walker, left end, looked best in the line. J. Boren, quarterback, and his substitute, Strayhorn, starred in the Snyder backfield. Capt. Clark at tackle and Webb, scrappy guard, standing out in the line.

Lamesa registered 17 first downs to three for the Tigers. The Tornados scored once on a pass but most of the yardage was made on sweeping off tackle plays.

ATWELL REFUSES QUASH INJUNCTION AGAINST AAA

Federal Judge William Atwell of Dallas continued in effect Saturday injunctions, and restraints against collection of AAA processing taxes, after overruling government motions to dismiss 31 suits attacking constitutionality of the tax.

Government attorneys had recourse to an appeal to the Fifth Circuit Court of Appeals in New Orleans. The cases involved processing taxes on cotton, corn, wheat, hogs and peanuts.

SIX GAMES SCHEDULED AT CANTRILL FIELD AS WOLF PACK ENTERS THE SEASON

Three Local Tilts Conference Bout; All Local Games Slated At Night

Out of a total of ten games scheduled for the season, the Wolves are to play six on Cantrill Field, bringing directly home to Colorado fans the implied responsibility of extending every cooperation to the team during the weeks that are to follow. C. A. Wilkins, high school principal, pointed out Tuesday morning.

"Cantrill Field is now rated as one of the best equipped in this district and certainly no opposing eleven can offer a better gridiron, was Wilkins' comment. The men are showing good form and will enter their first home contest Friday night with Snyder with odds in their favor.

The Colorado-Snyder clash, due to unusual interest held here, at Snyder and other communities of this territory, is in line to attract one of the largest aggregation of fans ever to witness a football game in Colorado. "But we should evidence equal interest in the home contests that are to follow," Wilkins suggested.

October 4 the Wolves are to entertain Spur, a grid club that has held an enviable distinction in Class B quarters of West Texas for several years. This, like the game slated for this week, is a non-conference affair.

On October 11 the locals are to engage the Loraine club in first conference game. Loraine last Friday afternoon held the Roby Lions, district champions in Class B last season, to a 6-6 tie, giving assurance that fans of this county have assurance of one of the best games of the entire season. Loraine will be here strong with her band and pep squad for this melee.

Rotan, another strong club, is scheduled to engage the Wolves at Cantrill Field October 18, in another conference tilt. The week following, October 25, Roby is to invade the den of the Wolves for another conference bout.

The Roscoe Plowboys, still another Class B outfit that in other seasons has given Colorado worries aplenty, is due to entertain the locals in Roscoe November 1 in another series of conference games. A week later the Sweetwater Mustangs are coming here for a non-conference bout at Cantrill field, November 15 is open.

Last district conference game is scheduled to be played at Snyder on November 22. November 28 is open.

Roby's Defending Champions Failed Against Loraine

Just a few hours before Colorado went down in defeat before attacks of the Midland Bulldogs in their initial game at Midland, Loraine brought distinction to Mitchell county by holding the powerful Roby eleven, defending champions in District B to a 6-6 tie. The contest was staged at Roby Friday afternoon.

Roby scored in the first period when a punt into the end zone was fumbled by Lee of Loraine. Speirs, Roby left end, covered for a touch-down. The kick for point was wide.

The second period was scoreless, but Loraine counted in the third, also on a break of the game. Rhodes, halfback for the Lions, punted straight up, and Land, Loraine right end, dashed under the ball, caught it, and raced thirty yards for the touch-down. A pass on the try for point was incomplete.

Roby twice lost its chance to win the game in the fourth period, fumbling the ball as many times on the Loraine 2-yard line.

Spears at end, Henry at quarter, and Bailio at tackle, were the outstanding players for Roby; while Leem, fullback, James at quarter, and Land at end starred for Loraine.

PLAINVIEW BAPTISTS WILL POUND PASTOR

A pounding for their pastor, the Rev. Lee Hemphill of Fort Worth who recently married, is being planned by Plainview Baptists. A box of gifts will be presented to the Rev. Mr. Hemphill following Sunday night services. He fills his regular appointment at Plainview Sunday morning and evening.

Three women of the church, Mrs. T. W. Daughtrey, Mrs. B. B. Howell, and Mrs. O. O. Shurtleff, are on a committee in charge of receiving the gifts.

The Rev. Mr. Hemphill will be accompanied Sunday by his wife, who is a sister of E. C. Nix, Jr., of Colorado.

GREATEST FIELD DAY EVER RECALLED HELD FRIDAY AT SPUR EXPERIMENT STATION

Several Mitchell Countians, Headed By County Agent, Attend From Here

The State experiment station at Spur, Texas, had its biggest day Friday since its establishment 22 years ago, Ben J. Baskin, county farm agent and who led a group of Mitchell county farmers and ranchers to the annual demonstration, says.

Baskin stated after returning to Colorado that registrations passed the 2,000 mark, by far the largest in history. The throng taxed facilities of the station in caring for its guests.

The registration book showed visitors from more than 100 communities of West Texas, including 25 county agents shepherding groups of farmers numbering from five to 60, and 20 vocational agriculture teachers with groups of boys. Guests were present, too, from New Mexico, Oklahoma and California.

In the "official" party from College Station and elsewhere, were Dr. H. Schmidt, chief veterinarian of the A. & M. college experiment station; Fred Hale, chief of the swine division of animal husbandry; J. M. Jones, chief, and J. H. Jones, assistant, of the range animal division; G. W. (Stud) Barnes, chief cattle specialist; E. R. Eudaly, dairy cattle specialist in the extension service; A. L. Ward, educational director for the Texas Cottonseed Crushers association; Dallas; W. L. Stangel, Texas Tech animal husbandry chief now on leave as manager of the Texas Centennial livestock division; Victor Schoffele-mayer, agricultural editor of the Dallas News; E. A. Miller, agronomist, and Dr. F. L. Thomas, entomologist, of the extension service; Dr. E. B. Reynolds, chief of the division of agronomy.

Under Dickson's general direction demonstrations were given in filling trench silos, both by bundles and grinding; in cutting bundle feed in the field and preparing it for the silo, all in one operation; and in contouring (listing) on pasture lands.

Results of the station's cattle feeding demonstrations were given, purpose to show the importance of vitamin A in feeding cottonseed meal. Dickson and others explained timidity of northern feeders in going in for a cottonseed diet. They have claimed it would be harmful to cattle if continued for a considerable time. It was shown, however, that if combined with green stuff, a cottonseed diet may be continued indefinitely with beneficial results. Stock here was fed on cottonseed and alfalfa for more than 200 days, and Dickson is thinking of extending the experiment to 600 days.

Water conservation with control of run-off was given much attention. Dickson leading the group to the tight land Caraway farm one mile away where, early this spring, Lockum creek, a deep and narrow stream given to destructive flooding, was dammed at a cost of only \$400. Its waters have been directed entirely around the farm, result being the finest crop in the county.

At midday the visitors were fed on a barbecue derivative known in cowboy circles as blanket-blank, with coffee.

There were a total of thirty people, representing seven communities, to attend the field day from Mitchell county. In addition to Mr. Baskin, the following Mitchell countians were registered:

C. M. Anderson, W. E. Anderson, R. J. Schuster, Otto Schuster and Herbert Hohertz of Hyman; G. W. VanZandt and Otto VanZandt of Spade; Mr. and Mrs. S. L. Brown, Lloyd Brown, Melvin Brown, Crockett Brown and G. W. Madison of Cuthbert; Mr. and Mrs. M. L. McKenney and Rex McKenney of Westbrook; J. M. Templeton, Jr., of Valley View.

Mr. and Mrs. John Mahon and son, S. E. Meadows, O. W. Bauman and A. A. Gabler, of Loraine; C. C. Thompson, Bill Thompson, B. L. Templeton, S. O. Wulfjen, and Mr. and Mrs. G. B. Slaton of Colorado.

JUNIOR HIGH TENNIS COURTS ARE FINISHED

Finishing touches are being added to the double tennis courts at Junior High school this week with the erection of twelve-foot backstops at either end. The net was put up several days ago.

The courts were built last year by relief labor, with three groups, the Junior High Parent-Teachers association, the school board, and the student body, furnishing materials.

They have been named the Jewell Holman courts in memory of Mrs. Hayes Holman, wife of the Junior High school principal and a teacher in the Hutchinson school before her death.

TWO CLASSES IN ADULT EDUCATION ORGANIZED BY MRS. BOND, TEACHER

Two classes in adult education under the FERA program have been organized in Colorado and are now meeting regularly with Mrs. Percy Bond as teacher.

One of the classes meets Wednesday and Friday afternoons at the McCall mission in East Colorado. Sixteen women are enrolled. The other meets on Tuesdays and Thurs-

days at the tabernacle in South Colorado.

The women are to be taught various kinds of handicraft. Right now they are making hooked rugs. Mrs. James Herrington gave a demonstration on hooked rug methods for the McCall mission women last Friday afternoon.

Mrs. Bond taught an adult education class in Little Mexico last year. She attended a special school for FERA adult education teachers at Texas Tech this summer.

CAFE OPERATOR OFFERS STEAK AS GRID PRIZES

Jeff Curry, operator of the Round Top cafe, Tuesday morning announced that he would offer as a prize one choice T-bone steak for each touch-down made by the Wolves during the season. The man carrying the pig-skin across the pay marker will be invited to call at the cafe and partake of Jeff's best.

Clubwomen Starting Themselves To School With Opening of Study Units

With summer's inactivity definitely behind them and their children started on another school year, Colorado and Mitchell county clubwomen are starting themselves to school this week and next with the first fall meetings of their various study clubs.

English drills will fill this club's study hours. Mrs. H. G. Whitmore, who served as president for a short time last year, will continue as club president this year.

MOTHERS' CLUB MEETS
The newest of the study groups, the Mothers' Child Conservation club, held a called meeting last Wednesday to plan for its first regular meeting this Wednesday at the home of Mrs. Bob Fee. Mrs. Emmett Grantland, who was elected president of the club when it was organized last year, is to serve as president this year.

STANDARD MEETS NEXT WEEK
With Mrs. C. M. Adams as hostess and Mrs. Y. D. McMurphy as leader, the Standard club, oldest of Colorado's study clubs, will have its initial meeting Friday, October 4.

MUSIC CLUB OPENS
Meeting last week also was the Colorado Music club, which held a business session at the home of Mrs. Ray Womack with her and Mrs. W. R. Martin as hostesses.

SHAKESPEARE TO MEET
Beginning its study of "Texas Under the Centennial" and of Shakespeare's "Julius Caesar," the Shakespeare club will have its first meeting Friday, October 4, with Mrs. Jack Smith. Mrs. Joe Smoot will be the first study leader.

Program of the meeting included the reading of the club collect; the presentation of officers by the president, Mrs. Martin; the reading of the constitution and by-laws by Mrs. M. J. Dawson; and a parliamentary drill conducted by Mrs. E. L. Latham. The new violin teacher, Miss Jackson of Big Spring, gave several violin numbers. Ice cream and cake were refreshments.

ZETAGATHIAN YEAR BOOKS
Year books of the Zetagathian club are to be distributed at a called meeting with the new president, Mrs. James Logan, Monday afternoon at 3 o'clock.

A musical travelogue is to furnish this club's course of study for the year. Mrs. Martin will continue as president. Study meetings will be held the first Wednesday afternoon of each month, with Mrs. Dawson and Mrs. A. C. Melton slated to be hostesses in October.

1921 TO STUDY TEXAS
"A Bird's-Eye View of Texas Civilization" is to be studied throughout the year by the 1921 Study club, which will have its opening business meeting this Friday with Mrs. J. T. Pritchett. President's Day will be observed Friday of next week.

HESPERIAN MEETING
Plans for the banquet which will properly open their study year will be made by members of the Hesperian club when they meet Friday afternoon in a business session with their president, Mrs. S. H. Millwee.

SHAKESPEARE TO MEET
During the first half of the year this club will study Shakespeare's "Merchant of Venice." During the second half their attention will be given to contemporary novels, with special emphasis on those by Texas authors.

SELF CULTURE WILL MEET
A business meeting at the home of Mrs. J. T. Howell Friday afternoon will open the Self-Culture club's new year. At this meeting Mrs. Henry Pond will read the club's history and its constitution and by-laws.

BIRTHDAY DINNER FOR Mrs. W. J. Jenkins
Honoring Mrs. W. J. Jenkins of the Conway community on her sixtieth birthday, her daughter, Mrs. J. M. Harper, had a birthday dinner at her home here Sunday.

CHILDREN'S MEETING
Present were Mr. and Mrs. L. R. Counts and daughter, Alice Jane, and Mrs. R. L. Counts of Lueders; Mr. and Mrs. E. G. Rogers and family of Westbrook; Minister and Mrs. Willis J. Kreager and family of Colorado; Mrs. V. W. Counts of Colorado, and the honoree.

Two Guests Included At Pastime Meeting
Two guests, Mrs. C. C. Thompson and Mrs. James Herrington, were included among the players when Mrs. Aubrey Herrington entertained the Pastime club last Thursday afternoon.

'Bargain House' To Open Friday In W. Second St. Bldg.

Formal opening of the "Bargain House," Colorado's most recently launched business enterprise, is set for Friday morning, Mrs. S. N. Gentry, manager of the establishment, told this newspaper Wednesday. The store will be located in building adjoining the City National Bank building on West Second street.

The Bargain House will swing its doors open for public approval with a complete stock of dry goods, piece goods, clothing, shoes, notions and other lines, and every item shown will be new, direct from the country's leading wholesale markets, Mrs. Gentry stated.

Henry Calloway Is Claimed By Death Saturday Morning

A lingering illness proved fatal to Henry B. Calloway, 46, of Westbrook at his home there early Saturday morning.

Funeral services were held Saturday afternoon at 5 o'clock from the Westbrook Baptist church with the Rev. C. C. Scott and the Rev. D. A. Ross officiating. Pallbearers were George Dawson, Leroy Gressett, J. B. Schaffer, G. R. Leach, Lee Brown, and Roy Horner. Interment was in the Westbrook cemetery.

Calloway had lived in this county twenty-nine years. He was a World War veteran.

Surviving him are his wife, the former Miss Jewel Costin, and two sons, Charles, 8, and Billy, 4, in addition to three brothers and sisters: John Calloway of Colorado; Otis Calloway of Monroe, Louisiana; W. A. Calloway of Odessa; Mrs. Cornelia Tinneman of Blunt County, Alabama; Mrs. Henry Helms of Elkhart, Texas; Mrs. M. C. McFarlane of Alabama.

Kiker & Son of Colorado were in charge of funeral arrangements.

Farm To Market Roads Will Give Big Sum To Texas

When President Roosevelt returns to Washington from Hyde Park, N. Y., this week, he will set aside out of the \$4,000,000,000 (billions) work fund a large amount to be spent on farm-to-market roads as WPA projects independent of and in addition to the previous allocation of \$200,000,000 to the Bureau of Public Roads for expenditure on Federal and State highways by the State Highway Commissions. This new allocation may amount to \$300,000,000. That was the figure originally proposed last July when the WPA created a separate unit within its organization to pass on farm-to-market road applications from the States.

It was because of the impending White House announcement on the farm-to-market road program that the WPA press relations high command declined Friday to permit publication of figures on farm-to-market roads approved in Texas. Another reason was that the State-wide farm-to-market road program for Texas was approved only by the engineer division of the WPA. Approval yet must be given by the President and others in the WPA before an allotment is authorized.

The Texas farm-to-market road program approved by the WPA engineering division provides for an expenditure of approximately \$28,000,000, divided as follows:

An \$18,988,800 Federal WPA grant and \$9,700,547 contributed by sponsors locally. This program, if approved for allotment of funds, would provide WPA farm-to-market road building and repair projects in practically all counties in Texas. Need for quick priming of the WPA pump in Texas as well as nationally was emphasized Friday when the WPA announced that only 2,891 persons in Texas had received jobs on WPA projects through Sept. 19. Mrs. Pierce Strikes Novel Note In Party

A novel note in Mrs. I. J. Pierce's entertainment of the Friday club Friday afternoon was her buffet-style serving of sandwich-and-salad course refreshments from a lace-covered dining table centered with a large crystal punch bowl.

Fall flowers decorated the playing rooms. Mrs. Guy Stark made high score in bridge, receiving bridge table ash trays as prize. In a game of Bingo following the bridge Mrs. G. H. Sargent made high, with a novelty dish as prize.

Mrs. C. C. Thompson was the only guest.

WILLIAMS AND FFA OFFICERS TO ROBY

By Joe Pritchett, reporter
Six officers of the local Future Farmers of America chapter and their advisor, Doyle Williams, went to Roby Tuesday night, Sept. 24, to attend the first meeting of the officers training school at the high school building.

Officers were divided into four sections including the presidents and vice presidents, secretaries and treasurers, reporters, parliamentarians and historians. The advisors of the area gave an hour's training drill on the various qualifications and duties of these officers after which the Roby chapter entertained visiting officers with a radio program of the Baer-Louis fight.

District teachers were called to order after the fight by the district president, Doyle Williams and the new area and district set-up was explained by Roy B. Medford, area district supervisor of vocational agriculture.

Future Farmers part in the Texas Centennial was discussed by Doyle Williams, livestock committeeman for Texas. Mr. Reed of Roby, district secretary, outlined the Future Farmers activities planned for the district.

Episcopal Women Study 'Evangelism In Church'

Resuming the study of a book which they began some five years ago, members of the Woman's auxiliary of All Saints' Episcopal church took up the first two chapters of "Evangelism in the Church" Monday afternoon under leadership of Mrs. Thos. R. Smith.

Next Monday the Rev. Alex B. Hanson, church rector, is to review the entire book for the women, after which they will go on with their chapter by chapter study.

Box work for this year, which includes the making of six pajamas for children and the donation of a used overcoat, was accepted by the women. Plans were talked for this and for the Christmas bazaar. District year books were distributed.

Mrs. Alex Hanson announced that, instead of having the usual monthly silver tea in her turn, she will present the Rev. Mr. Hanson in a book review on Tuesday, October 8.

Mrs. John Arnett, who was active in Episcopal church work at Lubbock before moving here recently, was received into the local auxiliary.

IATAN HD CLUBWOMEN ARE PICNIC SPONSORS

Counting recreation important in the success of their organization, members of the Iatan Women's Home Demonstration club met Friday evening at the school house to sponsor a picnic supper to which all citizens of the community were invited. About 75 persons attended.

The following program was given after the picnic: Talk on "Cooperative Forces," Miss Emma Gunter, county home demonstration agent; a one-act playlet, Mrs. J. M. Hohn, Mrs. McElhatten, Mrs. Jack Gullet, and Mrs. Barker; piano and violin music, Mr. and Mrs. James Herrington; history of the Iatan H. D. club, Mrs. Jack Gullet; solo, Mr. Strange; club prophecy, Melba Harris; "The Village Newshound," Iatan High school boys and girls.

NOLAN FUGITIVE TAKEN

Jack Mimms, who recently escaped from the Nolan county jail at Sweetwater, has been returned there by Sheriff Jess Lambert. The fugitive was arrested in Texarkana Saturday. Mimms faces grand jury indictment charging burglary.

LOCAL FANS AT GAME

Several Coloradans were in Abilene Friday night to witness one of the hardest fought grid battles seen at Hardin-Simmons stadium in several seasons. The Tech Matadors won 9-0. More than 6,500 spectators paid admission to witness the contest.

MRS. BERMAN BETTER

Phillip Berman returned late Sunday from Dallas where he had gone to be with his mother, who during the past several days has been under care of specialists there. Condition of Mrs. Berman was improved, he stated Monday.

JAS. T. JOHNSONS AT HOTEL

Mr. and Mrs. James T. Johnson have taken an apartment at the Colorado hotel. They arrived Sunday from Santiago, California, where they had been since April. Mr. Johnson reports Mrs. Johnson much improved in health.

SHALL WE LIVE TO BE OLD

Naturally enough men are most interested in life and its maintenance, both from reason and instinct. Unlike Hamlet, who said, "I do not set my life at a pin's fee," man sets greatest value upon his life. As a rule it is as the devil told the Lord, "Skin for skin, yea, all that a man hath will he give for his life." It was that way then, it is that way now. It will continue to be so, otherwise the race would disappear from the earth. Very few men are Jobs.

Men look back to the past and not only see the wrongs they have committed and the mistakes they have made, but also behold with sorrow the fact that remedies and means we now have for saving and preserving life were then unknown. The result was that hundreds of thousands went to their graves whom present-day knowledge would have saved. The one comfort about this is that those who suffered and died did not know that remedies for the ailments which resulted in their deaths would ever be known.

A century from now, or even a half century, the same will be said of us that we say of those of the past, and there will be regret that we did not have the remedies and specifics that they will have then. However, the consolatory thought that we did not know there would ever be remedies for ills that now afflict us will not be present, for we know that it is altogether likely that within a century's time the seemingly uncurable ills which now are called "incurable" will be cured by remedies and means for which men of science are seeking today.

SCIENCE POINTS THE WAY

Science points the way and encourages its faithful workers by continued successes. Like all other branches of science, medicine and its correlated sciences, chemistry and pharmacy, have made wonderful strides during the last half century—yes, even during the last decade and the last year. Men are being born and others are dying at the same time. More are being born, however, than are dying. This is because science and general intelligence are becoming more widespread, and attaining greater suc-

Looking Behind The Scenes In Louisiana As Long Followers Fight For Sceptre

The following editorial comment is reprinted from the Dallas Morning News and should be of interest to readers of this newspaper, especially those who have followed developments in Louisiana during the past several months:

THEIR NAMES IN THE PAPERS

Being a Collection of Items From Other Papers About Present and Former Mitchell Countians

Tot Jenkins, rancher near Colorado, sold a string of spring calves at \$32.50 this week. . . W. D. Jameson, who has been living near Colorado 38 years, is still holding all his stock. . . J. T. Dawson, resident of Mitchell county for 51 years. . . runs 100 cattle on his place north of Colorado. . . Mrs. G. W. Cochran bought 30 cows and calves from J. T. Dawson of Colorado this week. . . From the Top of the Hill, Sweetwater Daily Reporter.

John Poe and Earl Powell made a trip to Post Tuesday to buy 1200 head of sheep at Soutland.—Stanton Reporter.

Mrs. Clemmie Harris and family of Colorado have been guests in the home of her parents, Mr. and Mrs. A. F. Harris.—Stephenville Empire-Tribune, Morgan Mill items.

The Rev. Guy B. Duff of La Grange was elected moderator of the Brazos Presbytery at its meeting in El Campo. . . —Lubbock Morning Avalanche.

ABILENE ROUTS STEERS
The Big Spring Steers were beaten 18-14 by the Abilene Eagles in initial brush by the two clubs staged at Big Spring Friday night. Big Spring was leading 7-6 at end of the half and maintained that position through the third, scoring once and Abilene twice in the last period. 4,000 fans witnessed the game.

Seems to me you folks are making an awful fuss down there about us taking off the other day. "We had a swell time already, and you can't expect fun to last forever you know. Everybody is going to die sometime. "Furthermore, they had us all wrapped up nice in white sheets and blankets, looked kinda pretty, almost like all that snow up there. Don't see why they didn't just dump us off in one of the snowbanks and say, 'Au Revoir, old pals,' and let it go at that instead of moving up around like they are."

"Course, Mother and the children is going to miss me a little I guess, and I reckon they'll feel better after seeing me again, even if I can't talk to them. Say, they are going to have me at a terrible disadvantage this time, ain't they? "There's another thing, I bet folks forgot about. If all this stuff is on the up and up about old Doc Willard being able to freeze folks, then bring them back to life, they ought to have left me up there in one of them fleecy clouds of snow, then next spring, bring old Doc up there and let him do his stuff. Now, I bet you forgot that. "But on the level folks, I've traveled a lot, seen a lot of country and all that, met a lot of fine folks, but this has got them all skinned. There ain't no crying, no worries, about money or anything; nobody is picking on nobody else; everybody happy and smiling. You see one of our boys is already there, and Mother and the others will be coming along soon, now, then everything will sure be fine. "So don't spend too much time on that old crate I left down there, do something for somebody that's still with you. Me and Wiley are happy. We ought to be, we've made the highest flights it's possible for any man to make. "So, so long folks, I'll be waiting for you. "I believe if Will Rogers could send us a message today, it would be on this order."

"Heaven, Aug. 18th, 1935. "Will Rogers Says: "This is the Sabbath day up here, F. B. W."

Southwest Teams Get Even Keel As First Tilts Played

Performing as they were expected to, five football teams in the Southwest Conference have their first games of the season tucked away in the victory column and are all set to see what happens when they meet competition in their own class.

Texas A. & M. got the only near scare of the day. The Aggies scored in the first and second quarters, but the Lumberjacks made a touchdown in the third period and when the final quarter started the Aggies' lead was only 12 to 6. In the fourth quarter, however, Coach Homer Norton's boys snapped out of their lethargy and pushed over four touchdowns.

Southern Methodist University playing its first game under the direction of Coach Matty Bell, walked all over the North Texas Teachers, 39 to 0.

The S. M. U. victory was expected, but the thing that interested the fans was the Mustangs' ability with passes—forward, laterals, doubles, and triples.

Rice, last year's champions, ran roughshod over St. Mary's, 38 to 0. This game showed that Bill Wallace and John McCaulley are still the mainstays of the Owl's offensive.

The Baylor Bears, which traditionally play either terribly or over their heads, started the season by romping over Southwestern College, 39 to 0. Lloyd Russell made three of the Baylor touchdowns. Carl Brazell made another one by running 75 yards after intercepting a pass.

Texas Christian University piled up the biggest score of the first day's games by whipping the Howard Payne Yellow Jackets, 41 to 0.

The Yellow Jackets did not show the class that they did last year in winning the Texas Conference title, but in holding them without a single first down through the line, T. C. U. proved that it will cause trouble for conference teams.

In the Vanguard of Banking Progress

Always among the first to adopt new banking practices designed to safeguard the funds of its depositors, this Bank now provides the benefits extended by the Federal Deposit Insurance Corporation to individuals, firms and corporations.

The protection thus made available is a permanent feature of Federal banking statutes and offers an important attribute of sound banking to all banks. It applies to all accounts up to and including \$5,000. Larger deposits are insured up to the maximum of five thousand dollars.

In extending this additional safeguard of deposits to our customers, we are keeping step now as in the past with all new developments of constructive value to modern banking.

ATTITUDES OF THE DIFFERENT CLASSES AT THE BEGINNING OF SCHOOL

At the beginning of each school
 year, it is always very amusing to
 notice the attitude of each high
 school class. The Freshmen are the

most interesting to watch. It is ap-
 parent that they know absolutely
 nothing about high school and they
 will usually admit the fact. They run
 into new things every day. They are
 often humiliated and embarrassed by
 their own foolish actions and are the
 front of many practical jokes. Alto-
 gether the freshmen year is a very
 interesting year—for everybody but
 the Freshmen.

Now the Sophomores probably
 have more fun than any other class
 in school. They have just emerged
 from the green Freshman stage and
 are lolling in that blissful state of
 being ignorant of their own ignor-
 ance. They are the ones who believe
 they know all there is to be known
 and usually laugh the loudest at the
 blunders of the Freshmen.

The Juniors usually are more
 serious than the Sophomores, but
 they still think that they know quite
 a lot. They realize that they are
 rising to the upper crust of high
 school and are quite proud of it. The
 Juniors probably exaggerate their
 own importance more than any other
 class in the school.

When we finally come to the Sen-
 iors we see a fairly serious and some-
 what calmed down group. Through-
 out all his previous years of high school
 the boy or girl has dreamed of the
 day when he will be a Senior. But
 when that long-awaited day finally
 arrives he realizes that it is not all
 that he had dreamed it would be. He
 realizes that as soon as he finishes
 this last year he will be facing the
 world. His attitude becomes more
 genuine and he begins to think
 seriously of his future. He is now
 coming to the full realization of his
 own unimportance and his determi-
 nation to make himself amount to
 something someday grows stronger
 everyday.

By making a study of each class,
 as a whole, one finds it very hard
 to see that these attitudes will prevail
 every time. This seems to be true,
 not for one year, but for every year.

CHORAL CLUB NEWS

The Choral Club, organized under
 the direction of Mrs. Charles Moerer,
 has begun its work with fifty girls
 and twenty boys attending the open-
 ing class and nearly that many are
 expected to be regular members dur-
 ing the year. This course, besides
 counting one-half credit, furnishes
 much enjoyment.

Voice tryouts were made the first
 two weeks and now each member is
 in his place ready to develop his
 talent as a singer.

START SPANISH CLUB WITH OUTSTANDING PROGRAM

"La Tertulia," the club for those
 who enjoy stories of old Spain and
 Mexico, begins work with a very in-
 teresting program which consisted
 chiefly of the roll call of current
 events concerning Mexico or Spain
 and a story, "The Golden Bracelet,"
 told by Vernon Priddy.

This club meets every Monday
 morning the fourth period to engage
 in a program featuring Spanish in-
 terests.

BULLDOGS BITE WOLVES

The Colorado High Wolves opened
 their 1935 schedule Friday, Sept. 20,
 at Midland. The Bulldogs boasted a
 heavy line and a fast backfield with
 which they defeated the Wolves 13-0.
 The Bulldogs scored twice in the
 first quarter and then they settled
 down to hard, rough football. The
 game was the first of the season for
 both teams and though defeated, the
 Wolves are preparing to ensnare the
 Snyder Tigers Friday night, Sept. 27.

PEP SQUAD

Miss Davidson has been selected to
 sponsor fifty-three peppy girls who
 are ready to show Colorado High
 what a loyal and enthusiastic pep
 squad really is. They have changed
 their uniforms to a more striking and
 attractive one. They will wear white
 shoes, red anklets, white skirts, red
 sweaters and red skull caps. The
 girls are spending all their spare time
 marching and pivoting to be able to
 make their first formation for the
 opening game a success. The 1935
 pep squad is ready to uphold and

boost the Colorado Wolves through a
 victorious season.

THE COLORADO HIGH SCHOOL BAND

Colorado High school shines with
 pride over the progressive school
 band this year which is composed of
 five clarinets, three saxophones, one
 bass horn, one peck horn, five cor-
 nets, one bass drum, one snare drum,
 one baritone, two trombones.

The band will make its first ap-
 pearance of the school year at the
 Colorado-Snyder game Friday night.

Any students interested in joining
 the band are urged to see the band
 director.

SLATON SENIOR CLASS PREXY

With a great majority, the popular
 Senior, Melba Slaton, was elected
 Senior class president.

After various campaign and stump
 speeches for the presidential nomi-
 nees were made Melba Slaton re-
 ceived the majority vote of those
 nominated who were: Jane Axtell,
 Regal Porter, N. T. Berry and Melba
 Slaton.

Speeches have been made for the
 nominees for other officers who will
 be elected at a future class meeting.

JUNIORS LEADERS IN PEP

With the leadership of the Junior
 class officers the Juniors will provide
 spirited competition for other classes.
 The newly elected president, An-
 netta Lacy, who has experienced one
 year of leadership in this class as
 Sophomore president, was elected
 over Grover Buchanan and Mary
 Frances Mackey. Ewing Lee ran a
 close race with Doris O'Brien and Ed
 Morrison for vice president. The
 office of secretary-treasurer afforded
 more competition than any other
 office. Mary Crosthwaite was elect-
 ed over Nina Laura Smith, Verda Bo-
 hannon, Lovine Conaway all of whom
 would have been efficient officers. The
 yell leader June Cox and a new
 member, Hunter Brannon, were elect-
 ed to lead the pep of the class.

A watermelon feast, which was to
 be given at the home of Lucille Bo-
 dine last Monday evening for the
 Junior class, has been postponed un-
 til a later date, on account of the
 weather. The class wishes the sun
 would shine!

THE SOPHOMORES

The Sophs will now introduce to
 every one their petite, little pres-
 ident, Shirley Kiker. They are proud
 to have her since she served them so
 well their Freshman year. Katherine
 Hodges, the darling little vampire of
 the "Sophomore Kingdom" was
 elected to uphold the rights of vice
 president. The accumulated wealth
 of the prosperous Sophs has been
 placed in the hands of their depend-
 able little, blue eyed doll, Doris
 Wynne. The secretary, Betty Hodge,
 pledges to write her minutes with
 supreme effort.

The Sophs have many new troop-
 ers who have joined their band (here
 is hopin' they enjoy being a member
 of their tribe). They have plans to
 become the most successful class of
 '36. So cooperate Sophs, with your
 class sponsors and fill your place in
 the bleachers at the football games
 for dear olde Colorado Hi. So long
 until next week. Well, we'll be see-
 ing "ya" strollin' down the hall.

FISH START '35 WITH LARGEST CLASS IN SCHOOL HISTORY

Even though the Freshmen are
 considered the "greenest" they make
 up for their title in topping the class-
 es by having the largest Freshmen
 class ever to enroll in Colorado Hi.
 Of course, the Freshmen have a
 very hard time finding rooms, un-
 locking lockers and preparing les-
 sons, but the climax of acts happened
 when the Freshmen girls went back
 to grammar school rules and lined
 up to get a drink.

The Fish had their first class
 meeting Sept. 14. The following per-
 sons were elected officers: Sam Rich-
 ardson, class president; Duff Ches-
 ney, vice president; Dorothy Morris-
 son, secretary; James Wulfjen, treas-
 urer and Fannie Fay Porter, yell
 leader.

F. F. A. ACTIVITIES

The Colorado chapter of Future
 Farmers has already reorganized for
 the year and a program of work is
 being prepared by the work commit-
 tee composed of Bill Galey, Voyd
 Beights, and Billy Bob McQuire.

The following officers were elect-
 ed to serve for the year 1935-1936.
 They were: President, Ivy Jones; vice
 president, R. C. Snively; secretary,
 John Colson; reporter, James Prit-
 chett; treasurer, Voyd Beights; his-
 torian, William Taylor; farm watch
 dog, Billy Bob McQuire.

Plans are being completed for an
 active district organization which
 will include the agriculture depart-
 ments of Rotan, Roby, Sylvester,
 Dowell, Hobbs, and Colorado. This
 organization will meet once a month
 at Roby, Texas. A well balanced
 program will be formulated.

Future Farmers improvement con-
 test for members of the agriculture
 class is being sponsored by the local
 chapter and a number of good prizes
 will be offered for the first ten
 place winners. Prizes will be award-
 ed on basis of individual improve-
 ment of the supervised practice pro-
 gram for the year.

COMMERCIAL DEPARTMENT

This year, the commercial depart-
 ment is proud to announce the use
 of a text book written by Miss Coop-
 er, head of the department. The
 book is made up of drills, exercises,
 lessons, accuracy tests, and all neces-

Wolf Cubs Beaten In Tilt Thursday With Sweetwater

Coach Jim Reese and his Wolf
 Cubs did not fare very well in tilt
 with the Junior High Colts at Sweet-
 water Thursday afternoon. The local
 boys were routed to the ratio of 25
 to 6.

The Colts, showing good form, in
 blocking, had taken a lead of 19 to
 0 at the half. Colorado made its
 touchdown near end of the game on
 a pass that Wright tossed 20 yards to
 Mann. Most of the Sweetwater gains
 were on end runs by May and Tho-
 mas.

sary requirements for a good typing
 book. It also has two full years'
 work.

The commercial department is able
 to take care of more students this
 year than ever before because it has
 been supplied with seven new mach-
 ines. There is an estimate of 64
 pupils in the two classes.

HOME MAKERS

The Home Makers of the third year
 class have been studying the begin-
 nings of early home life. They have
 studied the primitive, Roman, Greek,
 Hebrew, and Early American Life.

The second and third year classes
 met Tuesday night, Sept. 24 to elect
 their class officers. The names of the
 officers will be announced in next
 week's paper.

The Home Makers of the second
 year class has a membership of thirty-
 three this school term. Two new
 members had been added to the roll
 that did not attend school here last
 term. They are Jauree Buford and
 Willie Nell Vowel.

The topics of discussion for this
 week are "Care and Repair of Cloth-
 ing" and "Budgeting Time and
 Money."

LIBRARY ATTRACTIONS

The library of Colorado High
 serves as the central interest of all
 departments as extensive reading pro-
 grams have been assigned in each
 subject. The voluntary library
 workers under the supervision of
 Miss Barrett are to be complimented
 for their cooperative interests.

Each high school department has
 submitted a list of new books to be
 added to the present supply. New
 books will consist of many interest-
 ing types. Book reviews will be given
 from time to time by pupils on
 "Books for Leisure Time."

ENGLISH CLUB PROGRAM

The two Senior classes have orga-
 nized English clubs which are called
 the Twentieth Century News Club
 and the Better Speech Club. These
 clubs have offices of president, vice-
 president, secretary and assistant se-
 cretary. New officers are elected
 each week to provide more oppor-
 tunities for training in leadership.

The class at present is studying the
 one-act play to be followed by the
 history of the drama and Macbeth.
 The class will then develop their in-
 dividual talents in the presentation
 of plays and in the writing of one-
 act plays.

JUNIOR ENGLISH CLASSES MAKE WAR ON SPEECH ERRORS

The Junior English classes have
 formed clubs whose names designate
 their purposes, "The Busy Readers'
 Club," "The Eager Youth Club," and
 "The Literary News Club." The Jun-
 iors are making war on incorrect
 speech at present by having the of-
 fender wear a red, yellow or green
 badge with the inscription in glaring
 letters "I say the wrong thing" on
 them. The victim must wear the
 badge until he hears another Junior
 make a mistake. Then he hands it
 over with much glee to the next ill-
 fated person.

FISH AND SOPHS ARE FOR PROGRESS

The Sophs and Fish are studying
 prose and poetry for appreciation and
 enjoyment in English under the
 supervision of Miss Davidson. Their
 work this year will include every
 type of literature namely, short
 stories, dramas, novels, essays, biog-
 raphies, oratory, and poetry. Each
 English one and two class is orga-
 nized into a club, the purpose of which
 is to promote initiative and leader-
 ship on the part of each student.
 Every day an interesting program is
 presented which gives the pupils a
 chance to carry out the aim of the
 club, the appreciation and enjoyment
 of good literature.

ANGELO BEATS RANGER

The San Angelo Bobcats Friday
 night ran rough shod over the Ran-
 ger Bulldogs to take a 50-0 victory.
 The game was played at San Angelo
 and the home town boys scored in
 each of the four periods.

Refreshing Relief

When You Need a Laxative

Because of the refreshing relief it
 has brought them, thousands of men
 and women, who could afford much
 more expensive laxatives, use Black-
 Draught when needed. It is very
 economical, purely vegetable, highly
 effective. Mr. J. Lester Robertson,
 well known hardware dealer at Mar-
 shaville, Va., writes: "I certainly can
 recommend Black-Draught as a splendid
 medicine. I have taken it for constipation
 and the dull feelings that follow, and have
 found it very satisfactory."

CLEAN, WHOLESOME FUN FOR ALL

SILVER NEWS

By Irene Brooks

We are dismissing school Friday to
 give the children a chance to pick
 cotton, likely till the first of Decem-
 ber.

Our school entertainment was a
 success Friday night. All seemed to
 enjoy the miscellaneous program. We
 thank the Silver musicians for their
 excellent music. They contributed
 much to the success of our program.
 We used our new scenic curtain for
 the first time on this occasion.

Mr. and Mrs. James Key from
 Knapp spent the week-end with Mrs.
 Key's parents, Mr. and Mrs. Tom
 Finley. Miss Julia Finley accompa-
 nied them home for a week's visit.
 Miss Francis Cheek of Loraine and
 Miss Ople Green were Sunday guests
 of Miss Jewel Smith.

Afford Creek spent Friday night
 with his friend James Rutledge.
 Miss Claudine Brooks has returned
 from an extended visit with her sis-
 ter, Mrs. B. L. Black of Paducah.
 Claudine's many friends are glad to
 have her in their circle again.

Ross Creek of Bauman community
 spent Friday night with his cousin,
 Marlin Creek.

Mr. and Mrs. A. A. Gabler enter-
 tained the school and other friends
 Tuesday night with an enjoyable
 party.

Mrs. Clements will visit her mother
 and other relatives in Wichita Falls
 Monday and Knox City, as well as her
 son and family, James Lawlis, in Las
 Cruces, N. M., during the vacation.
 Mrs. Robinson will visit friends and
 relatives in Ft. Worth.

See This New Lamp at Our Show Room

- Wide opening at the top of the shade throws light to ceiling and eliminates shadows.
- Glass reflector softens light, prevents glare.
- Wide shade gives ample light over your work.
- Shade lining is white to reflect more light.
- Lamp is high enough to light a large working area.

IMPORTANT—
 Be sure to look for
 the authorized certificate tag on the lamp
 you buy. It isn't an I. E. S. Doss Sign
 Lamp if it doesn't have this tag.

Why

take chances with eyes?

Eyes are priceless!

Guard them with improved lighting.....

Science has shown that it isn't necessary to take chances with our eyesight. All we need is better lighting to give our eyes a chance to see without unnecessary strain.

A new type of Better Sight lamp has been developed to provide just the right amount of glareless light for reading or studying. They are available in floor lamp, table lamp or lounge lamp styles.

show is offering something new in the amusement world. Two big acts are to be presented on the midway each night, one featuring Mlle. Gladys Letourneau, "Empress of the Air," who does a sensational act while floating through the air on a high flying trapeze, and the other featuring Billie LaBelle in his act, "The Man on the Chair in the Air." These are for the amusement of all. In addition to carrying all the amusements of a large, first-class carnival, Siebrand Brothers also have a complete two-ring circus which presents two shows nightly. Each show includes fifteen high class acts, according to an advance representative of the show. Features of the circus are acts by the Moores, an outstanding tight wire walking team of the nation; by the Three Freemans, who do balancing and acrobatic stunts in an amusing and varied routine; and fifteen minutes of acts by Captain Harry Clark's troupe of performing dogs and monkeys. A mammoth street parade at 5 o'clock this afternoon (Thursday) will be the show's opening feature. Two bands, several floats with Mardi Gras features, a number of performing ponies, and a clown float will be included in the parade.

CLUB GOLF CONTESTS SUNDAY TO BE MIXED SCOTCH FOURSOMES

Mixed Scotch foursomes will be features of the Country club's weekly golf contests next Sunday afternoon. The time, heretofore 5 o'clock, will be moved up to 3 o'clock. Women golfers of Colorado are being urged to participate in this contest. Nine holes are to be played. Prizes will be golf balls and an entrance-fee of 15 cents will be charged.

BAPTIST WOMEN TO MEETING AT LAMESA

Attending another of the associational Baptist W. M. U. meetings of District 8, five Mitchell county women who hold associational and district offices were in Lamesa at the meeting of the Lamesa Associational W. M. U. Wednesday. The group included Mrs. J. Lee Jones, district president, Mrs. Jack Smith, Mrs. C. P. Gary, Mrs. P. D. O'Brien, and Mrs. C. E. Reeder of Lorraine, the last named being president of the W. M. U. of the Mitchell-Scarry Baptist association.

Will Cotton Roads Prove Satisfactory, Local Men Ponder

Farmers of Mitchell county this week are rubbing their palms and pondering press reports that a major commodity produced by them is to soon find a new commercial use. In Mississippi Tuesday the first cotton road was laid amid colorful ceremony, attended by a group of Federal and State officials, highway engineers and others interested. A stretch of about one mile of twenty foot highway was thatched with a layer of cotton to demonstrate the method of using cotton fiber in reinforcing farm-to-market roads. The method, while not new, is being tried for the first time in Mississippi. It consists of a reinforcing cotton fabric laid between the road base and the bituminous top.

Cowden Reports Son and Daughter As Much Improved

MIDLAND.—Elliott F. Cowden, here Monday from Temple to transact business, reported that both his daughter, Miss Ida Beth Cowden, and his son, Wright Cowden are showing good signs of recovery from injuries sustained a few days ago in an automobile accident. Wright Cowden has practically recovered from effects of the head injury but is confined to his hospital bed by a back injury in which ribs were torn loose. Miss Ida Beth Cowden, more seriously injured, apparently has passed the crisis and is slowly improving. She is entirely rational now, her father said, although she was unconscious for several days. They were taken to Temple by plane after a car wreck near Colorado in which they and Miss Hattie Tankersley of that city were injured.

FRESHMAN NEWS

Ann Axtell and Aeriell Burdette entertained the fifth, sixth, seventh, and eighth grades with a party on Saturday evening in the home of Ann Axtell. After a very enjoyable evening of games, the hostesses served refreshments of ice cream and soda water. Each reported a very good time. Alcathea Edwards went to Big Spring Saturday. Weldon Strange attended the singing at New Hope community Sunday evening.

SOPHOMORE NEWS

Kathleen Phillips, Ray and Carlos Knight attended the singing at Carr community Sunday night. The sophomore boys have been engaging in boxing matches this week. Lost: Two false teeth. Finders please return to Ray Knight. The Iatan girls will play volleyball with Westbrook on the Iatan court Thursday afternoon.

JUNIOR NEWS

This week has started off with a vim. All the Rogers have come together once more in a week of study. E. G. Rogers spent the week-end with his parents in Conway. Leonard Rogers visited relatives in Valley View. The Iatan indoor baseball team played Westbrook Thursday. The score was 7-3 in favor of Westbrook. The team plays on the Iatan court next Thursday. We have been taking standardized tests in English. Wilda Rogers made the highest grades.

SENIOR NEWS

Dois McKee was absent from school Monday because of illness. The seniors have selected their class rings. We hope to get them in a short time. The seniors are trying to select their senior play. We plan to give it in the fall. We have completed the study of "The Canterbury Tales," and are now studying "Hamlet."

4-H CLUB

The Iatan 4-H club entertained their families and the Iatan faculty with a picnic supper and a program, Friday evening, Sept. 20. The supper was spread on tables on the school ground. The program which was directed by Mmes. Knight and Mitchell consisted of the following numbers:

Talk, Miss Emma Gunter; play, Mmes. Barker, Hahn, Gullett, and McElhatten; music, Mr. and Mrs. James Herrington; reading, Mrs. Knight; solo, J. C. Strange; play, Kathleen Phillips, Dois McKee, and Gwan Strange.

COMMUNITY NEWS

A group of Iatan people met in the home of Mrs. Jack Gullett last Saturday night to sing. Several Iatan people attended singing at New Hope last Sunday night. Mr. and Mrs. George Slaton of Colorado visited in the home of Mr. and Mrs. T. L. McKenney Sunday. The following people were guests in the home of Mr. and Mrs. J. M. Rogers Sunday: Mr. and Mrs. J. C. Harvey and children, Mrs. S. B. Westfall and son Doyle, Mr. and Mrs. Fancis Rogers, Mr. and Mrs. Dennis Weldon, Mr. and Mrs. J. E. Conaway, and Miss Rena Harris.

A PERSONAL TRIBUTE

To the sacred memory of our very dear sister-in-law (yes, more than a sister) Mrs. Anna Lee McCress who has recently passed from earth to heaven there to join the heavenly host of Just Ones made perfect. Our sister's quiet, peaceful, and well-spent home life has been an inspiration and a benediction not only to us but many others with whom she came in contact. As a neighbor she was generous. As a Christian she was true. As a citizen she was above reproach. As a wife she was hard to excel. As a mother she was tender and loving. And let us say, dear brother and the two precious children, take fresh courage as the days pass by and prepare to meet your departed one in the Heavenly land. MR. AND MRS. B. B. MCGUIRE.

BAUMAN NEWS

The attendance at Sunday School was good Sunday, but we are anxious for more people to come to these services. Next Sunday is annual promotion day in the Sunday School. We are expecting a hundred to be present. Won't you come and bring some one with you? Rev. J. D. McCollough preached at Bethel Saturday night and Sunday. Bauman school is progressing nicely. There are not more than forty enrolled but the attendance is almost 100 per cent. There were three new pupils enrolled Monday morning. It has not been decided for sure where the school will be dismissed for cotton picking. Many have expressed themselves as wanting school to continue. The rain that started falling Monday night was not appreciated just at the present time by the farmers. Many of them have feed on the ground and several started picking cotton Monday morning. Bauman school is planning on sponsoring a Ping Pong tournament in the next few weeks. This tournament will be probably in two divisions. Singles and doubles for the school children and singles and doubles for the adults.

BAPTIST NOTES
We are glad to report better attendance last Sunday.
Mr. Bob George our new superintendent opened the Sunday school with scripture reading and made a short talk on our possibilities. He is not satisfied that we "sit idly by" while so many families in and near Loraine are not attending Sunday school and church.
We take this opportunity of inviting you who are not attending some good Sunday school already to come join us in the study of God's word.
Next Sunday is Promotion Day. There will be many changes so come and find your proper place and be sure to stay for the preaching service. Rev. Hardin's messages are so inspiring and uplifting you can feel that God's Holy Spirit accompanies each message.
Our pastor went to Lamesa Monday to attend a pastors and laymens meeting. He was on the program for the opening sermon Monday evening. As he could not meet with us Wednesday evening in our teachers' meeting it was postponed until next Wednesday evening, Oct. 2.
Thomas Riden our choir leader is anxious for more voices in the choir. Remember to sing God's praises is a part of our worship.
Come to church next Sunday praying that we have a great spiritual service.
The R. Y. P. U. meets at the church each Sunday promptly at 7 p. m. for their program.

NEWS OF MITCHELL COUNTY STUDENTS AT McMURRY COLLEGE
Buena Vista Wulfjen of Colorado has been chosen to sing first soprano in the McMurry college choral club. She is one of 18 members of which only 12 were new members. This is quite an honor. Miss Wulfjen is also a freshman member of President Hall Dormitory club.
Claire Patterson, a McMurry senior of Westbrook is a member of the James Winfred Hunt Scholarship Society, a chapter of Alpha Chi.
Josephine Palmer, a Junior from Loraine has been elected secretary treasurer of the girls choral club at McMurry. Miss Palmer has been a member of the choral club, mixed chorus and college octet. Before that she was an understudy. Miss Palmer has also been chosen as reporter for President Hall Dormitory club. Besides these two clubs she holds membership in the Philo Literary club (Alpha Theta Nu) and the McMurry Press club.

ACE HIGH BRIDGE CLUB
Miss Elizabeth Looney was hostess to the Ace High Bridge club at the home of Miss Gladys Spikes Tuesday afternoon. Watermelon was served to the members and their guest, Mrs. W. L. Hester.

FOR SALE—8 high class white Leghorn Cockerels from some of the best layers in the county. \$1.00 each if sold within the next ten days. Mrs. C. H. Thomas, Telephone 144F2, Loraine, Texas.

BRINGS HOME THE FISH
R. D. Tiner, chief engineer at the Texas Public Utilities plant, has evidence to sustain his claims that he brings back the fish when making expeditions to angle for the finny tribe. He returned from the Devils River Saturday night with five yellow cat, the largest of which weighed 25 pounds. Three of the fish weighed six pounds each and the other one three pounds.
Shingles can often be used with an unusual effect in finishing the walls of a den.

EARLY SCORING GAVE LEAD TO MIDLAND THAT LOCALS NEVER ABLE TO OVERCOME
Wolves, However, Outplayed Bulldogs During Last Three Periods

The Midland Bulldogs showed a burst of scoring power during the first few minutes of play Friday night that assured them victory over the Wolves in the season's initial contest for the two clubs. The game was played at Midland.

The opening whistle had hardly died away when Sam Midkiff, captain and quarterback for the Bulldogs, broke away to race 22 yards for his first touchdown. It was not long until this same elusive chap ran 93 yards for another marker.

But the Wolves evidently had found out what it was all about by this time and there was no more scoring. During the last three periods the locals outplayed the Bulldogs in every department, including first downs, but could not, it was evident, take the pigskin across the pay line. Once Colorado lost the ball on Midland's 7 yard line, and again did the stunt over again after pushing ahead to the enemies 14 yard stripe.

The Line-ups:

Midland (13)	Pos.	Colorado (6)
Midland	LE	Hughes
Bryant	LT	Garrett
Frothro	LG	Smith
Mitchell	C	Porter
Richman	RG	King
Willis	RT	B. Miller
Taylor	RE	Russell
Wright	QB	Priester
Midkiff	FB	Lee
Collins	LH	R. Miller
Huffington	RH	Morrison
Wafford	RR	

Officials: Lewis referee, Early umpire, Brown head linesman.
Score by periods:
Midland..... 7 6 0 0—13
Colorado..... 0 0 0 0—0
