

## MITCHELL COURT RECORDS REFLECT TREND TO HIGHER APPRECIATION FOR SOCIETY

### Little Business Pending As Date For Opening Term Of District Tribunal Is Near; Session Begins Monday

The criminal docket in 32nd judicial district court reflects a higher regard for law and order in Mitchell county, District Clerk J. H. Ballard suggested Wednesday afternoon as he sat at his desk on third floor of the court house and discussed matters pending consideration at Spring term of the court, to be opened Monday morning.

"There are few criminal cases pending and in so far as records in this office are concerned there are few notations charging alleged law violations for investigation by the grand jury," Mr. Ballard stated. "It is evident that attention to criminal cases in this court is gradually growing less, from one term to another, due to fewer violations of law."

While the court, to be presided over by Judge A. S. Mauzey of Sweetwater, may not be called upon to devote much attention to matters of criminal tenor, it is a different story as to civil causes. Docketed in this division of the court are a number of important cases, Ballard stated, some of which may require several days in which to be disposed of. The term is to be opened for four weeks.

Ballard pointed out that several of the men summoned on the grand jury panel were youthful in age. It will be the first time that a goodly ratio of them have ever served on the district deliberating body.

Recently effective liquor laws are expected to receive attention of the court as he charges and empanels the grand jury Monday morning. Judge Mauzey does not, as a rule, enter into detailed matters when talking things over with the twelve men before him, aside from the admonition that they discharge their duty without fear or favor and use their better judgement in solving many of the technical questions that develop in the grand jury room.

The sixteen men summoned on grand jury panel are E. C. Grant, Bruce Hart, Gus Chesney, J. L. Pratt, J. L. Strain, J. B. Holt, P. K. Mackey, T. J. Riden, M. E. McGuire, E. R. Venus, George C. Edwards, W. D. McAdams, I. W. Terry, O. B. Price, A. L. Messimer and A. K. McCarley.

## TWO HUNDRED AT ANNUAL BANQUET OF FFA CHAPTER GOAL ANNOUNCED BY BOYS

### Justice Leslie Of Eastland To Deliver Address; Menu Be Served By Girls Of Home Economics Department

Boys of the FFA chapter in high school have announced their attendance goal at annual banquet of the organization March 6 to be not less than 200 Mitchell countians, representing, to large degree, mothers and fathers of the boys.

Interest is being added to the affair in announcement Wednesday morning from the chamber of commerce that Chief Justice W. P. Leslie of the court of civil appeals at Eastland had accepted invitation to attend and deliver principal address. Justice Leslie, for many years a resident citizen of Colorado and holding the political offices of county attorney, district attorney and district judge, is accepted as among the interesting speakers of this section.

"Every indication suggests that this banquet is to be remembered as the best, in point of attendance and educational features portrayed, in history of the vocational agriculture department in the Colorado schools," Doyle Williams, director, stated after receiving information that the Eastland-jurist would attend. "There are to be other distinct features on the evening program, each of which we believe will reflect with credit the progress attending these boys in their technical and practical work."

The banquet is to be staged at the high school building with girls of the home economics department serving the menu. Under direction of Miss Pauline Hargroves, director, another important department in high school is to be given opportunity to demonstrate efficiency—that in culinary art.

Ivy Jones, president of the FFA chapter, is to preside at the banquet program. Jones and other leaders in the class organization plan active drive to sell admission cards. Parents of the boys and officials of the schools are to be given special urge to be present.

Another feature of the banquet will be presentation of her majesty, the Future Farmers Queen, to be designated at box supper attraction sponsored by the boys Friday evening of this week. Four young ladies have been placed in nomination as candidates for the honor.

## GEORGE MAHON REGISTERS REQUEST THAT CHECKS ON HIGHWAY PROJECT BE PAID

### Truck Drivers Due Several Weeks' Salary, C-C States In Wire To Congressman; WPA Promises Relief

Protest over continued delay in the finance division of WPA in clearing salary checks to truck drivers employed on highway project north of Colorado was registered with the department at Washington Wednesday by Congressman George Mahon of Colorado. Mr. Mahon wired the chamber of commerce that he would again enter demand that something be done in the premises should payment not be made within the next few days.

Several truck owners employed on the project are due six weeks and more salary, due to complications that have entered into allocation of funds. The situation has, the chamber of commerce outlined Thursday morning, occasioned an embarrassing situation for many of these men, due to their inability to pay gasoline and repair bills. One Colorado gasoline dealer was quoted as having stated Wednesday that he was carrying \$1,000 in these accounts.

R. E. Barfoot, superintendent of the project, is not responsible for the situation, Jim Greene, secretary of the chamber of commerce, suggested. Greene expressed hope that the matter would be clarified within the next few days. Telegrams are being exchanged between Greene and Mahon relative to the situation.

"Finance division of WPA here advises they have had matter of check clearance up with Mr. Drought and he reports definite efforts to clear up all cases," Mahon states in wire received late Wednesday. "Hope your checks have been received. If not let me know and I will call Drought at San Antonio again."

Greene wired Congressman Mahon Wednesday night that the checks had not been received.

## Texas Exposition Gathers Speed In Exhibitors' Rush

Building Program Takes Form As 5,000 Workmen Labor 24 Hours a Day

DALLAS, Texas.—Three shifts of workmen—close to 5,000 men working 24 hours a day—are rushing the Texas Centennial Exposition's buildings toward completion by the opening date, June 6.

The Exposition's own \$15,000,000 construction program is well under way. The City of Dallas has broken ground on its \$3,500,000 program, constituting seven permanent buildings which will form a vast civic cultural center when the Exposition is over. The State of Texas is racing work on the \$1,200,000 Hall of State, one of the show pieces of the fair. The Federal Government has its two buildings—the Federal Building and the Hall of Negro Life and Culture—ready to leave the drafting room stage and become realities.

The Midway, probably the greatest the United States has ever seen, is taking a tentative form as entertainment concessionaires fight for choice sites.

Not far from the industrial exhibits—where the latest exhibits of industry and science will be shown—the Exposition two Livestock Buildings are rising.

Here the greatest livestock show the nation ever has seen will be housed.

The buildings alone will cost \$400,000, complete with a veterinarians' hospital and every modern device for the care of livestock.

The value of the stock which will be exhibited here between June 6 and Nov. 29 cannot be estimated.

Paul M. Massman, in charge of the Exposition's exhibit department, already has laid before General Manager William A. Webb contracts for more than 80 per cent of the available Exposition display space.

Included among the exhibitors with whom negotiations have been completed are:

Advance Aluminum Casting Corp., Alfa Anco Corp., Aldridge Seed Farms, Inc., American Thread Co., American Telephone and Telegraph, Ball Brothers Co., Beech-Nut Packing Co., Book House for Children, Catholic Exhibit, Continental Oil Co., Dr. Pepper Co., Donna Lee Products, E. I. DuPont de Nemours Co., Famous Mineral Water Co., Ford Motor Co., General Electric Co., Genesee Trading Co., Grenman Bakeries, Inc., The Grolier Society, Gulf Refining Co., Harley-Davidson Motor Co., A. Harris and Co., John A. Hertel Co., Hubinger Co., Interstate Cotton Oil Refining Co., Kellogg Co., Kraft-Phenix Cheese Corp., Missouri-Kansas-Texas Ry., Morten Milling Co., Nassau Pen and Pencil Co., National Life & Accident Ins. Co., H. O'Hayon, National Super Products Co., National Pressure Cooker Co., Peter Pirsch & Sons Co., Portland Cement Association, The Practitioners.

W. F. Quarrie & C., Ratliff's Pure Food Products Co., Reynolds Manufacturing Co., Geo. L. Shuman & Co., Southern Rice Industry, Standard Brands, Inc., Standard Tilton Milling Co., Texas and Pacific Ry., The Texas Co., Westinghouse Electric Co., Walker's Austex Chili Co., L. E. Waterman Co.

## Baptists to Honor Houston March 1

DALLAS, Texas.—Baptists all over the United States will join in a religious celebration of the birthday of general Sam Houston, Sunday, March 1.

Houston's birthday falls on Texas Independence Day, March 2, but services will be held in all Baptist churches the preceding Sunday. In his letter to 2,000 Baptist congregations Rev. Howard Williams, secretary of the Texas Baptist Convention, urges union services in every community where there are two or more Baptist churches.

Special services will be held in First Baptist Church, Washington, D. C., which Houston attended when he was United States senator, at Baylor University in Waco, Texas, whose founder Dr. Rufus G. Burleson baptized General Houston and at Independence, Texas, where he joined the church.

The Texas Centennial Exposition which is cooperating with the Texas Baptist Convention in plans for this religious observance will have a \$50,000 Hall of Religion, a spacious and beautiful building for free exhibits by all denominations. In the Baptist section of the structure special stress will be laid on Houston's services to his state and to the Republic of Texas of which he was the first elected president.

## Fly Roses to Dallas' Grave

Rangerettes La Vee Kilman, left, and Mabel Rooks are shown above with Mayor George Sargeant as they left Love Field, Dallas, Texas, to place a wreath on the grave of George Miffin Dallas in Philadelphia, Over Braniff and TWA airlines, the rangerettes, hostesses of the Texas Centennial Exposition, which opens in Dallas June 6, carried Texas' tribute to the former vice president who played such an important part in annexation negotiations. The Centennial Roses were developed by A. F. Watkins, of Tyler, Texas.

ALLRED TO LEAD PARADE  
 SAN ANGELO.—Governor James V. Allred, one of the youngest chief executives in the United States, recently voted the nation's outstanding young man, and who was grand marshal of the Tournament of Roses parade in Pasadena, Calif., New Year's Day, will lead the parade opening the Fifth Annual San Angelo Fat Stock Show and Rodeo here March 7.

Announcement of Governor Allred's acceptance of the invitation of show officials was made this week.

The parade will be at 11 o'clock Saturday, the first day of the show. Allred will be astride a bay horse and dressed in his ten-gallon hat and cowboy regalia, including boots.

The governor will also attend the first day's rodeo program, opening at 1:30 o'clock at the Fairgrounds. He will again appear in the parade of the contestants, just prior to the opening events.

The parade committee comprised of Arthur Broome, Len Mertz and Miles Culwell, are preparing a fine program for the opening event.

All rodeo performers, including the trick ropers, trick riders and the comedy team of Johnny Lindsey and his trained mule Hoover, will be required to participate. It is expected that more than 150 contestants will be astride their favorite mounts in the event. There will be additional horsemen and horsewomen in the parade as well as several old-time and early-day horse, mule and ox-team conveyances.

Major Homer F. Lee's Variety and Novelty Band will also be in the parade. This organization has been popular with eastern and mid-west state fair crowds and is expected to prove a hit in this year's show since their brand of music is particularly suitable to the kind of entertainment that will be held in connection with this year's exposition.

This year's show and rodeo will have an air of the Texas Centennial Celebration, the main event of which is scheduled for Dallas. The local program, however, is listed as one of the Centennial events on the statewide program calendar.

As plans go forward for the par-

## TEXAS LEADS IN YOUTH WORK

AUSTIN.—Texas is leading the nation in putting youths to work on NYA and WPA projects.

This was revealed in a communication to Lyndon B. Johnson, state NYA director, from Thelma McKelvey, secretary to the national advisory committee of the National Youth Administration.

Miss McKelvey's letter stated: "I have been accumulating figures on youth employment throughout the country and can truthfully and happily say you are the first to report any figure of this size. I thought you would be pleased to know you are 'number one' in youth employment."

The January report submitted by Director Johnson showed that 8,571 youths are at work, with 6,751 of that number on NYA projects and 1,820 on WPA jobs. The report also showed that 467 projects had been approved and \$429,530 had been set aside for prosecution of the projects.

"Through the cooperation of the WPA, Texas Relief Commission and state and national employment services we have been able to attain this figure, and we expect to have 12,500 youngsters on the job by Saturday, February 22," Director Johnson said. Latest totals at NYA headquarters

show that jobs have been made available for 19,426 youngsters and that federal funds allocated for approved projects total \$447,288.10.

The Texas Memorial Museum to be built by Federal and State Aid and from the sale of Texas Centennial half-dollars will be one of popular appeal. It will be erected on the campus at the University of Texas and will give special emphasis to displays from the fields of natural and civic history.

President Franklin D. Roosevelt and Vice President John N. Garner have been invited to open the University Centennial Exposition and to participate in the first breaking of ground for the Texas Memorial Museum on the campus of the University of Texas on June 7th.

**JUNKING PLAN HELPS HIGHWAY SAFETY PLANS**

Thousands of old automobiles so decrepit that they were potentially a danger to users of the highway have been smashed up since January 1 under the nation-wide "junking" plan instituted by Chevrolet Motor Company in January and continued in February, according to W. E. Holler, vice president and general sales manager. Full reports for the period to date have not been compiled.

"The operation of the junking plan is bound to reduce the hazards of the highways," Mr. Holler pointed out. "Literally thousands of cars whose further operation on the highways would be a menace to their owners and to others will be retired permanently, and the probabilities are that the number will run even higher.

"The removal of the cars already scrapped from the streets and highways will definitely reduce the traffic hazard, for next to the driver himself, the most important factor in highway safety is the condition of the vehicle."

Mr. Holler explained the plan under which Chevrolet and its dealers are carrying out the junking program. The Chevrolet Motor Company, he said, pays the dealer for each old car, taken in trade on a new Chevrolet, that is scrapped. The actual junking is supervised by the Chevrolet district manager, who certifies that the car was destroyed in accordance with the terms of the agreement.

"The announcement of the junking program," said Mr. Holler, "called forth enthusiastic public response. Many newspapers and magazines commented upon the plan editorially, calling it a worthwhile step in the direction of street and highway safety."

"That it is sound from an economic standpoint is shown by the latest sales figures available. Both used cars and new Chevrolet cars and trucks have set all-time records for this season."

**NEW PRODUCTION RECORDS FOR CHEVROLET MOTOR CO.**

Chevrolet Motor Company reported production for January of 104,193 units, an increase of 45,795 over January, 1935, and 12,609 units more than the best previous January (1928) in the history of the company.

January marked the third month in succession having production exceeding 100,000 units, and was the seventh 100,000-car month in 11 months. Production beginning November, 1935, when the current new models were introduced, through January, totaled 328,533 units. Each of the three months set a new all-time record, as compared with corresponding months in the history of Chevrolet.

Chevrolet's first 100,000 car month was March, 1927. This year was the first time January reached six figures.

Production figures for January, as reported by Chevrolet, include 100,039 domestic and export units, and 4,154 built in Canada.

**TURKEYS ON PARADE**

One of the most unusual scenes to be found in Texas during Centennial year will be the one presented when thousands of turkeys, headed for market, actually march to the strains of band music in the world famous Curo Turkey Trot next November. Thousands of gobbling turkeys form sections in the parade which is a feature of the Trot, an event to be repeated as a Centennial year celebration.

**MILLION DOLLAR MUSEUM**

The million dollar Texas Memorial museum to be constructed on the Texas university campus as a Centennial year project will be one of the great museums of the world when it is opened later this year. Both the federal and the state governments cooperated to finance construction of the building.

**20,000 DERRICKS**

More than 20,000 derricks surmount that many wells in the great East Texas oil field which is eight miles wide and 60 miles long. The field, one of the most interesting industrial sights in North America, will attract thousands of Centennial year visitors in Texas.

**Historic Gall!**

Marion Rodgers, of Dallas, is the great-granddaughter of a Texas soldier who died in the famous "lottery of beans" after the battle of Mier in 1842. Of the 176 Texans captured by the Mexicans, 17 drew black beans from an earthen bowl and were shot to death, 159 drew white beans and were sent to a Mexican prison. Miss Rodgers, whose grandfather, Horace Isa Houston, was a first-cousin of Gen. Sam Houston, is a rangerette for the Texas Centennial Exposition opening in Dallas June 6.

**Gun Girl**

The gun which Helen Stamps, Texas Exposition Rangerette, holds, is from the collection of A. W. Discher, of Dallas. Eighteen notches on its stock attest to its efficiency in frontier Indian fighting. This, an 1827 Spencer Indian and Buffalo gun, and others from the Discher collection will be displayed during the Exposition which opens in Dallas June 6.

**Real Indian**

The Comanche war bonnet and ceremonial shield, displayed by Essie Lee Haynes, are from the collection of Steve Krom, of Dallas. Authentic, made by tribal feather-work experts half a century ago, these and other items of Mr. Krom's collection will be displayed at the Texas Centennial Exposition next summer.

Tyler, planning a great Centennial year celebration for this coming October, is the center of one of the World's greatest rose producing sections. It also is in the same section with the world's greatest oil field. Smith county, of which Tyler is the county seat, produces one-third of the world's commercial supply of roses.

Texas Centennial half-dollars proceeds from the sale of which will be used in building the Texas Memorial Museum on the campus at the University of Texas in Austin are now on sale in 314 banks in 236 Texas towns. The Texas Memorial Museum coin campaign under the direction of Beauford H. Jester of Corsicana will be conducted throughout the entire state in order to give every person opportunity to help build the museum by the purchase of Centennial coin.

Klaus Abegg who for years was connected with the Field Museum in Chicago as a preparator of Habitat groups has been appointed to the staff of the Texas University Centennial Exposition and will assist in the preparation of exhibits for the Division of Zoology. All exhibits for the University Centennial Exposition will be prepared with a view to placing them in the Texas Memorial Museum.

## Brother Colorado Woman Given Rites At Dunn Thursday

Jessie M. Cuthbertson Dies At Dunn Following Illness Lasting Less Than Hour

Jessie M. Cuthbertson, 70, pioneer farmer of the Dunn section, died at his farm home near there Monday night at 11:30 o'clock following an illness lasting less than an hour. He was stricken with acute indigestion and heart complications.

Mr. Cuthbertson, a brother of Mrs. J. E. Pond, had lived in this section since 1893. He was a son of Tommie Cuthbertson, one of the pioneer citizens to establish homes at Cuthbert and for whom that town was named.

Rites were conducted from the Dunn Baptist church Thursday afternoon at 2:30 o'clock with Rev. Mr. Cumbie officiating. Burial was in the Dunn cemetery.

Mrs. Pond and members of her family, together with several friends here were present for the services.

In addition to his sister here, Mr. Cuthbertson is survived by his widow, two sons, Willie and Jessie Cuthbertson of Dunn, and one brother, Chas. D. Cuthbertson of Comanche.

## LUTHER E. MORROW IS GIVEN RITES SATURDAY AT CUTHBERT CHURCH

Rites for Luther E. Morrow of Fairview community were conducted Saturday afternoon at 2 o'clock from the Cuthbert Methodist church with Rev. Bascomb Morton of Abilene and Rev. Albert Click of Westbrook in charge. Burial was in the Cuthbert cemetery.

Mr. Morrow died Friday afternoon at 7 o'clock at his home after a brief illness. He was born June 14, 1888, and had lived in Mitchell county 11 years.

Surviving are his widow and seven children, Elmer, Vera, Lee, Paul, Melba, Hubert, Estel Lee and Burl; two sisters, Mmes. Martha Calloway and May Byron, and two brothers, Jim Morrow and Will Morrow.

Active pall bearers were J. L. Strain, L. A. Strain, E. T. Strain, E. R. Uzzle, W. W. Jenkins and Jim Badgett.

Funeral arrangements were under direction of Kiker & Son of Colorado.

## CHURCHES

**FIRST PRESBYTERIAN CHURCH**  
All regular services Sunday with the pastor in charge of worship services at 11 o'clock and in the evening. The following program will be rendered by our young people at 6:30 p.m., under direction of Mrs. J. Fred Mercer:

"Our Church's Contribution to Today and Tomorrow," Velma Rogers, leader.

The purpose of this meeting is to face squarely the opportunity of our church in these times and to join together how we may discharge our obligations to Christ and our fellow man in various directions. State director, declares in statement.

"Clean Amusements," Eleanor Henderson.

## PRIZES TO BE GIVEN IN STATE ESSAY CONTEST

DALLAS.—Sixteen cash prizes totaling \$1500 will be awarded the State winners in the Woodul Historical Essay Contest being sponsored by the State Headquarters of the Texas Centennial Celebrations. This contest is open to all public, private, and parochial schools in the State. Only one month remains for students to prepare their entries for the first elimination will be held within each school during the first week in March.

Subjects for this contest are to be drawn from the history of the county in which the student now lives. The essays will deal with those phases of county development which are ordinarily not included in recorded history. These topics are being gleaned by students from old newspaper files, public records, diaries, letters, and interviews with living pioneers.

Second eliminations will be conducted by County Centennial Advisory Boards early in April, and the winning essays in the four divisions will be submitted by this Board to the State finals not later than May 1. State winners will be announced after May 15.

### VICTORIA CELEBRATES

The city of Victoria, center of a widespread cattle industry, will join the Texas Centennial celebration parade on April 15 when it will review its colorful history with a field mass and pageant. The mass will commemorate a mass held on the banks of the Guadalupe river on April 15, 1869, which was presided over by Alonzo de Leon who was searching for La Salle's settlement.

### GALVESTON IS RESORT

Galveston, one of the Texas Centennial celebration cities this year, was named for Count Bernardo de Galvez. It is located on Galveston island, sometimes called Treasure Island, and is Texas' largest coast resort. Jean LaFitte once used Galveston Island as a base for his piratical expeditions into the Gulf of Mexico.

## Ten Months Study Course Offered By H. E. Department

Adult Classes, Carrying The Work Into Homes, Is New Feature Announced

The home economics department of Colorado High school has been made a special vocational school, with a ten months program. During this extra month, special home projects will be carried on, some all through the summer. Already girls have planned yard and bedroom improvement, the planning, marketing, preparing and serving of meals, rearranging kitchens and living rooms, adding of furniture with little or no expense, gardening, poultry, dairy work, canning, wardrobes for spring and summer, refinishing old furniture, replenishing linens, etc. as their special projects for the summer. They will receive extra credit for these projects, if the project meets the approval and comes up to the specifications

provided by the teacher.

Special stress is laid on adult work, interest and adult classes in this program; therefore adult classes will be offered to anyone desiring them at the high school and community centers. Some of the advanced high school classes will take charge of the small children whose mothers wish to attend, but have no one with whom to leave them during the classes. There will be no charge for this, as these girls are to count this as part of their special project work. Anyone interested in these classes is urged to signify their intention of attending as soon as possible, with some suggestion as to what she would be particularly interested in. Care and nutrition of children, home care of the sick, emergency shelves, practical ways of making the home convenient and attractive for a small or no outlay of money, or any other phase of home life will be offered if desired.

### VISITING MINISTER HEARD

Minister Paul Thompson of Pampa, a son of Jno. A. Thompson, preached at the Church of Christ Wednesday night. Accompanied by his wife, the minister arrived late Wednesday from Abilene.

## Terracing Popular In County, Baskin States In Article

Greatest Activity Known In History Of Conservation Work, He Outlines

That terracing is becoming popular in Mitchell county is indicated by the following article, offered for publication Thursday morning by Ben J. Baskin, county farm agent:

Mitchell county farmers have the greatest terracing program on record now in full blast. Every farmer that has a farm level, or that can borrow a farm level, or can secure the services of a farmer that owns a farm level, is having some portion of his farm terraced. Several thousand acres have already had their "wrinkled cheeks uplifted and rejuvenated" by the "terracing operation."

Farmers in the Spade and Hyman communities have actually constructed terraces on over 1800 acres and many acres remain for construction

on which terrace lines have already been "run."

T. J. Riden, farmer living one mile south of Lorraine, has "run" the terrace lines on 1670 acres of farm lands for 18 farmers of the Lorraine area.

The Commissioners of the various precincts of Mitchell county are to be complimented upon the wonderful cooperation they have given to the farmers of the county by furnishing their caterpillar tractors and graders to the farmers at the low cost of \$2.00 per hour. Such cooperation is not only helpful but indeed commendable.

Wife Of Chalk Citizen Had Resided In Mitchell For Thirty Years

Mrs. D. A. Oglesby, 35, of Chalk, died in the Root hospital Sunday night following a week's illness. She had been taken to the hospital on Sunday before suffering with a severe attack of influenza. Heart complications brought on death.

Mrs. Oglesby was a native Texan, having been born in Grimes county August 12, 1900. She came to Mitchell county with her parents when a child five years of age and had since resided here, spending practically all of the time at Westbrook.

Funeral services were conducted from the Westbrook Methodist church Tuesday afternoon at 2 o'clock with the pastor, Rev. Albert Click and Rev. Murray Paquay of Abilene officiating. Burial was in the Westbrook cemetery.

Surviving are her husband, one son, Daniel, 10, two daughters, Freddie Nell, 8 and Mary Frances, 6. Her mother, Mrs. C. M. McDonald of Westbrook, three sisters, Mmes. J. E. Skelton and Joe Brackeen of Westbrook and F. B. Oglesby of Eagle Pass, and one brother, H. V. McDonald of Westbrook also survive.

Active pall bearers were R. P. Hargrove, Alvin Ruffin, W. T. Brooks, L. E. Gressett, Burr Brown and A. L. Young. Jones, Russell & Company of Colorado were in charge of funeral arrangements.

The floral offering was large and most beautiful, attesting the esteem in which deceased was held by friends and relatives at Westbrook and other communities.

## DISTRICT LEGION MEETING GIVEN TO COLORADO AFTER OFFICIALS CONFER SUNDAY

## Annual Gathering Will Bring Veterans Of Large Section To City On Saturday And Sunday, April 4-5

Annual convention of the American Legion, 19th district, department of Texas, is to be held at Colorado on Saturday and Sunday, April 4 and 5. District Commander C. B. Quante of Brownfield announced here Sunday afternoon after conference with Post Commander Floyd Quinney and other officials.

The annual gathering, embracing organized posts within the 19th Texas congressional district, is expected to bring from 400 to 500 delegates to Colorado, the district commander stated. Plans for entertaining the visitors have already been started by members of the host post.

Ranking officials of the district organization are to be in Colorado Sunday to work with Quinney and other post officials as to detailed program for the two days. Included will be executive sessions for both the Legion and Auxiliary organizations, social features, including annual veterans ball Saturday evening, and religious services Sunday morning. For the latter the convention delegates usually attend services together at some designated church.

There are thirty-one organized posts within the district, some of which, including Lubbock, Plainview, Big Spring and Colorado, are among the larger veterans organizations in this section of the State. It is expected that practically all of these units will send delegations to the convention.

## VETERANS OFFER PRAISE TO 7TH GRADE CONTESTS

Contests being sponsored annually among seventh grade students of the Colorado and other schools are to be accepted as one of the most commendable objectives sponsored by the American Legion, local veterans pointed out during meeting of Oran C. Hooker Post Friday night. Students are evidencing strong interest in the Americanization program, it was stated.

## COLORADO BOYS ATTAIN GOOD COLLEGE RECORD

STEPHENVILLE.—One student, Sam Venable of Colorado, made a straight "A" record for the first semester at John Tarleton College, according to announcement made this week by Charlie S. Wilkins, registrar. Cecil Byrd, also of Colorado, made the third six week preliminary period honor roll, which requires an 80 or above in all subjects.

## School Per Capita Not Sufficient, Is Claim Of Teachers

## Delegates Attending Annual Convention Call On Texas Solutions For More Money

The \$17.50 limit on per capita apportionment for Texas public school students is insufficient and should be removed, giving the State authority to pay an additional amount for education of these boys and girls, 1,200 West Texas teachers attending sessions of the West Texas Teachers association in Lubbock Saturday declared.

Mitchell county teachers, representing both the independent and rural districts, had part in the convention sessions and adoption of the resolution.

Y. Z. Rogers, superintendent of the Lamson schools, was elected president to succeed W. C. Blankenship of Big Spring.

## SNYDER ATTENDS SHOW TO SEE GOOD ANIMALS

D. H. Snyder, Colorado rancher, states in a recent issue of the Fort Worth Star-Telegram that he will attend the Fat Stock Show in that city this Spring to see the good beef cattle and discuss livestock problems with other ranchers. Along with his picture, the following interview is carried:

My reason for coming to the Fat Stock Show at Fort Worth this year, especially, is to see the well-finished beef and good registered bulls for breeding purposes in Texas, also to try to find why the South's stocker cattle can not be finished in Texas on our own grown feed as easily as it can be done by northern feeders.

There is nothing more interesting to me than to sit and talk with a group of cowmen who make Fort Worth a central point to gather, visit the Stock Show and discuss their main problems.

## HISTORY OF COUNTY TO BE COMPILED BY CLUB

Narrative parade of progress that has attended Mitchell county since days before the first outposts of civilization were established in the area is to be compiled by members of the Zetaganthian club as that organization's contribution to the Mitchell county centennial celebration. Mrs. Wade Scott, secretary of the club, states that preliminary work on the history has already begun.

DOUBLE-HEADER BUS  
In order to handle passenger traffic the Greyhound Lines bus due to arrive at Colorado from the east at 6 o'clock in the afternoon, came into town Thursday afternoon as a double header.

## FORSAN COPS PENNANT AT SECTIONAL CAGE TOURNEY CLOSING SATURDAY NIGHT

## Wolves Eliminated In Final Round After Victories Over Big Spring And Blackwell Clubs At Annual Contest

After winning successive stages to place them in final bracket of the sectional basketball tournament the Wolves Saturday night went down in defeat before the powerful Forsan club, champions of Howard county. The score was 39 to 21 with the oil town cagers outplaying the Reeseemen in all periods of the contest.

Colorado was pitted against the Big Spring Steers as the annual schoolboy tournament opened Friday night. It was a tough game with the opposing fives holding an even break just before the gun. The Wolves managed to emerge one point in the lead.

The Wolves met and routed Blackwell, Nolan county champions, Saturday morning, to qualify for place in the finals.

The Forsan crew moved into the lead in the middle of the first quarter and the outcome was never in doubt after a spurt put the Howard county champions in the lead 11-4 at the end of the period. Forsan led at the half, 17-11.

Individual scoring honors went to Liles, Forsan forward, who picked up five field goals for a total of 10 points. He was pressed for high point laurels by Chambers, center, with 9 points.

In winning a place on the final brace the Forsan Buffaloes met and defeated the strong Sweetwater Mustang machine Friday night. The score was 25 to 16. Saturday morning the Howard county champions defeated Pylon, Scurry county pennant holders, 34 to 20.

The Mustangs put up a stubborn fight before they finally succumbed to the Forsan five. The Sweetwater squad led at the end of the first and second quarters 4-3 and 11-6, but could not stop the one-handed sideline shots of Liles, captain of the Howard county champs.

The Mustangs got frequent shots at the basket, but failed to convert. English, Mustang center, ordinarily an accurate field-goal ringer, failed to hit the hoop a single time from the floor, yet he tossed frequently. The Big Spring-Colorado game was a rough affair, 40 personal fouls, plus a number of technicals being called by the officials. Three Colorado and two Big Spring players left the game because of too many personals.

There was little smoothness displayed by either club, with players fighting the ball and scratching at each other most of the game.

Long-distance shooting gave the Wolves the margin of victory. Especially effective on long range shots was Joe Cox, Colorado captain who scored four field goals and four free tosses for twelve points and scoring honors.

## BONUS BONDS BE PAID NOLAN COUNTY WOMAN

Nolan county veterans are priding in fact that among those to receive government bonds there in payment of adjusted service certificates will be Mrs. George McInlave, a nurse who served 14 months with the American forces in France during the World War. Mrs. McInlave was transferred from the American Red Cross to the army corps soon after the United States entered the conflict.

## MIDLANDER IS CHARGED WITH ASSAULT TO KILL

Fred Shelby of Midland was arrested Saturday after charges of assault to kill had been lodged against him. Shelby is accused of having shot Foy Bell, Midland cafe owner, as the latter was entering his home. Bell, wounded by shotgun pellets, was not seriously injured.

## Twenty Three Clubs To Be Contender For Pennant As Play Opens At Colorado

Twenty-three schoolboy and school-girl basketball clubs have been entered for competition in annual rural junior boys and girls tournament to open at high school gym Saturday morning, C. A. Wilkins, director general, stated Monday. Colorado junior high has been listed with the rural schools for entry in the tournament.

Official play for the county pennant is to open Saturday morning at 11 o'clock with Hyman and Longfellow contenders on the first bracket. The Jackrabbits are to engage Looney junior boys at 11:30.

Other schools entered in the junior boys division include Spade, Rogers, Landers, Conaway, Carr, Valley View, Lone Star. Junior girls' team have been entered by Hyman, Spade, Colorado junior high, Carr, Lone Star, Copaway, Valley View and Rogers. In the senior girls division are listed Looney, Carr, Valley View, Conaway and Lone Star.

The contest will run through two Saturdays, finals in the tourney to be staged on February 20. Silver loving cups are to be awarded winners in each division.

Wilkins has outlined that the price of admission will be only ten cents, for both students and adults, for each half day of play. The money will be used to purchase the trophies. Each school sending boys or girls to enter the contests are requested to have a teacher accompany the team.

## IDEAL INDIAN SUMMER, SAND STORM, BLIZZARD WEATHER ON CALENDAR

Ideal Indian Summer, a typical West Texas sand storm and sub-freezing weather—all within the space of three days—was dished out to citizens of Mitchell county during the recent past.

Wednesday of last week was attended by pleasant temperatures. The sun shone brightly and it was acceptable to be out of doors. Thursday a heavy bank of dust overhung the sky and the sifting clouds of silt covered everything, indoors and out. Friday morning at an early hour a gale out of the north arrived to send mercury readings well below the freezing point.

Mitchell countians, however, were not surprised. Such radical changes in weather conditions are, to the contrary, expected out here in the West.

## ALLRED'S HAY FEVER IS NOT SO PERSISTENT NOW

Governor James Allred stated during telephone conversation with a Colorado friend the other night that his hay fever, so persistent during his visit here a few weeks ago, was letting up considerably in rendering him misery. The governor, one of principal speakers at the chamber of commerce banquet in December, was handicapped by hoarseness and sneezing, occasioned by the troublesome disease.

## KID LAMB CROP IS GOOD EX-COLORADOAN SAYS

Earl Powell, son of Mr. and Mrs. Lay Powell and who is manager of the Bar X ranch near Stanton, reports that he is realizing better than 150 per cent of kid lambs, according to statement in a recent edition of the Fort Worth Star-Telegram. Powell has about 85 mother goats in addition to his 3,000 sheep. He is pioneering the sheep business in Martin county.

## FEDERAL COTTON SALES APPROVED LAST FRIDAY

In spite of government opposition the senate agriculture committee at Washington Friday approved the Smith bill directing the sale of approximately five million bales of cotton in weekly blocks between 20 and 25 thousand bales. Disposing of the commodity in that manner will not affect the prices of cotton, Senator Smith held.

## POST THEFTS REPORTED IN SEVERAL LOCALITIES

It was first the cattle thief and now the fence post pilferer that is bringing troubles to ranchers and other land owners of this section. Several citizens report that during the recent past posts have been taken from their fence lines and hauled away, presumably for use as fuel.

## Valentine Dance Given By Zetagathian Club

Valentine was observed by the Zetagathian Study club Friday night when they sponsored a Valentine dance at the Colorado hotel, music being furnished by Roy Moore's orchestra of Abilene.

Approximately thirty-one couples and a number of stags attended the dance in the hotel ballroom which was decorated with red streamers, hearts and red lights. Confetti in sacks tied with red ribbons was distributed among the couples. Red hearts pierced with white arrows were pinned on the lapels of the gentlemen present.

## 1921 Study Clubs In Interesting Meetings

The club met Feb. 8 with Mrs. R. P. Price in a Health program. Mrs. Root told of "New Discoveries in Medicine" and led a round table discussion on "Keeping Fit." Mrs. R. H. Ratliff told of "Three Decades of General Federation Work."

The club will study "Recent Literature, Number Two," by Dr. Payne of State University.

The meeting last Friday was with Mrs. Sam Majors. The lesson on "Texas Biography" was led by Mrs. Ray Womack. Mrs. J. M. Doss gave a sketch of Houston's early life. Mrs. Sam Majors told the story of Eliza Allen. Mrs. W. L. Doss, Jr., had a topic on "Influence of Indians in Houston's Life." Mrs. J. T. Pritchett's paper was read by Mrs. Harrison. This was on Sam Houston at San Jacinto. Mrs. Anderson had

Houston as an executor of Texas.

The club planned for its anniversary party which will be held Friday afternoon at the home of Mrs. C. C. Thompson. Bingo will be played. The hostesses are Mesdames R. H. Ratliff, Sam Majors, W. L. Doss, Jr., Ray Womack and J. E. McCleary.

## Courtesy Week Is Observed By Club

Mrs. Bill Dorn entertained the Zetagathian club Thursday instead of Friday because of the Valentine dance they were giving. Each sick member had been visited and gifts and Valentines exchanged in observance of Courtesy Week.

This being Public Welfare Week a number of needy families have been assigned and they will be given groceries and clothing. The club's Centennial project is to be a history of Mitchell county which is being compiled and will appear serially in The Record.

Two new members, Mrs. G. V. Harrison and Mrs. May were present. Mrs. Joe Pond was named as judge in the essay contest. Roll call was answered with new words. The lesson was upon marriage. Mrs. Logan read a paper on Polyandry. Mrs. Lockhart had one on Preferential Matrimony.

At the social hour a salad plate was served.

The meeting this week is with Mrs. G. V. Harrison.

## Hesperians Display Family Antiques

The Hesperian club was entertained Friday by Mrs. Vivian Shropshire, an honorary member. Mrs. J. L. Pidgeon, Mrs. S. T. Shropshire and Mrs. John Shropshire were guests.

Each member answered roll call by displaying and giving the history of a family antique. Silver, glass, hand-woven articles and pictures were shown. Of outstanding interest was a group of Colorado pioneers as young men which was loaned by Mrs. C. H. Earnest. C. M. Adams looked to be "sweet sixteen" while the others had reached the mustache age.

Mrs. Merritt led the lesson on "Texas Art and Artists." Mrs. Backin told of "Sculpture in and Around the State Capitol; Mrs. Millwee of "Museums and Art Collections in Texas"; Mrs. Randle of "Commercial Artists"; Mrs. C. C. Jones of "Women in Paintings and Sculpture."

Club study for next year was discussed. An invitation to an Eastern Star Centennial Tea Feb. 20 was given.

The hostess and her daughters served a salad plate with coffee or tea and candy.

Mrs. Nat Thomas is hostess this week.

## State Leaders In Federation Clubs Be Honored Here

Mrs. Volney Taylor of Brownsville, president of the Texas Federation of Women's clubs, and Mrs. Emily Perkins of Eastland, president of the Sixth Texas district of that organization, are to be honored at a banquet program at the Colorado hotel Friday afternoon of next week. Ladies of the Mitchell county federation of which Mrs. J. A. Sadler is president, are to be host to the distinguished visitors.

Mrs. Sadler stated Tuesday afternoon that all federated club women of the county were urged to attend the banquet and reception. The program is to begin at 1 o'clock.

## Coloradoans To Attend All-Civic Club Affair

The all-civic club banquet to be given in Sweetwater noon, Friday, March 13, will be attended by delegation representing organized units in Colorado, according to tentative plans announced Monday. Chairman Harry Hines of the State highway commission, is to deliver the principal address. He is to be introduced by George H. Sheppard, State Comptroller and a Sweetwater resident.

## Couple Married Here Honored At Ft. Worth

Mr. and Mrs. M. R. Sanguinet, among the popular members of Colorado's younger set fifty years ago, recently celebrated their golden wedding anniversary at their home in Fort Worth. Mr. and Mrs. Sanguinet were married here during the early days of 1886.

Five years after their marriage Mr. and Mrs. Sanguinet moved to Fort Worth where they have since lived.

Picture of the couple was printed in Sunday edition of a Fort Worth paper.

The group is called to meet Saturday in the city hall at 4 o'clock for a short conference and instructions.

## Fellowship Night To Be Staged On Monday Evening

The chamber of commerce is to be host to a "Fellowship Night" social affair at the Colorado hotel next Monday evening. Plans for the occasion were mapped at an executive meeting of the directorate Monday morning.

There is to be a continuous program from 8 to 10 o'clock. Jim Greene, chamber of commerce secretary, stated. Invitation has gone out to the general public to attend. Wives of directors of the organization are to have charge of decorations and will be in the receiving line as guests arrive. All directors and committee chairmen and their wives are to be in the house party.

Several local entertainers have been invited to have part on the program, Greene states, among them being the following:

Exa Willbanks, C. A. Wilkins, Charles Mosser, Lum Berryhill, N. H. White, Jr., Bill Coffee, J. Fred Mercer, Bill Martin, R. W. Petrick, Roy Buchanan, Clark Melton, Misses Gladys Miller, Verna Campbell, Phyllis Berman, Imogene Morrison, Katharine Quinney, Sarah Guitart, Billie Margaret Gregory, Dr. C. L. Root, Craig Porter, Tommy Dawes, Pete Pickens, Dr. W. B. May, J. A. Ferguson and the Chuck Wagon Serenaders.

## Methodist Circles In Regular Meetings

Various circles of First Methodist church report interesting meetings during the past few days.

The Arnett-Wulfjen circle met with Mrs. D. N. Arnett. There were seven present. The first chapter of Genesis was taught by Mrs. N. H. White, Jr., as outlined. Nine sick visits had been made, eight garments given and several dollars worth of groceries given needy families, reports heard showed.

The Workers circle met at the church with Mrs. J. M. Doss presiding. There were eight present. \$5 had been spent on groceries for an indigent family. Good reports on visits and trays were given.

The Mary-Martha circle met in the McClary Bible class room with six present. Mrs. Looney taught the first and second chapters of Exodus. The Rainbow circle met in basement of the church for study of the twelfth chapter of Exodus. They are to meet next Monday at 2:30 and at 3:30 regular monthly meeting of the Missionary Society will be convened in the Sunday school rooms. Reports are expected from all officers and circles.

## Early Day History Recalled By Guests

Several "old timers," citizens who had lived in this section through many years, accepted invitation of Mrs. J. G. Merritt, chairman of the county centennial commission, to meet at the chamber of commerce Sunday afternoon. They were invited to look back through the years and recall interesting men and events that had figured in development of Colorado and Mitchell county.

Several were present for the unique and interesting meeting. Some of them had lived in the county continuously for half a century. Data thus assembled is to be used in general plan for staging centennial home coming program in August.

## Standard Club Met With Mrs. C. E. Way

Mrs. C. E. Way was hostess Friday to the Standard club. Those present were Mesdames J. A. Buchanan, Robert Terrell, Y. D. McMurry, L. W. Sandusky, N. S. Sherwin and for the social hour Mrs. Homer Hutchinson.

Mrs. Way presided and Mrs. Sandusky acted as secretary. Roll call was answered with Valentines.

Mrs. Way gave the story of the life of Mary Baker Eddy; Mrs. Buchanan gave "Great Names in Literature and Explorations in Art." The lesson was on New Hampshire with Mrs. Sandusky leader.

At the social hour, the hostess served two courses, a salad plate followed by pie and coffee. Mrs. Sherwin will be hostess this week at the home of Mrs. McMurry.

## County Federation To Meet Tuesday Afternoon

We know you and you know that the Junior High school keeps up with modern ideas in education. The faculty is continually doing research work to bring the latest and best to our student body. The student body as a whole keeps up, but how about the individual student? Ask yourself these questions: Do I keep up? What kind of a school would this school be if each individual was just as slow, lazy, energetic or studious as I am? Would it be better or worse? Students it is a tried and tested rule that—"It is better to keep up than to catch up!" Why not put this rule in full force practice at our school? And especially right now since exams are "just around the corner!"

## PRESENTATION OF BOOK

The Lieutenant William Halbert chapter of the D. A. R. presented the Junior High library with a book entitled "The American Government." This book was written by F. G. Has- kin and deals most interestingly with the various departments and phases of our government. We are very grateful for this kind gift and wish to use this means of expressing our appreciation to the D. A. R.

## JR. HI POETS COMPLIMENTED

Ft. Worth, Texas  
February 13, 1936

Dear Miss Cook:

Mrs. Boaz wishes me to thank you for your letter of February 10 and to say she is indeed sorry reception was bad and you did not get a clear program. She also advises me to say, the verse sent in by the children of your city is among the best submitted and it was a pleasure for her to be privileged to present as a program.

Many calls and letters were received after the radio-cast, commenting on the type and quality of the poems used.

Below I set out the names of the authors and the titles of the poems:

  - School Room Blues . . . . . Burl Ballard
- Cordially yours,  
MISS BILLY REED,  
Secretary to Mrs. Boaz.
- The above letter was received by Miss Cook after she wrote to Mrs. Boaz stating that reception was bad

## WHO KNOWS?

Who knows when the wind blows hard and free  
And a wisp of smoke from the trees you see,  
Rising up toward the Heavens to curl and laugh  
At ruin, destruction and maybe—death  
How much will be destroyed this day?  
Who knows?  
The beasts, the birds—fire in their wake—  
Flee for the shelter of the lake;  
A screaming cry—whats that I hear?  
A thing that screams in mortal fear  
That might have been a human cry?  
Who knows?  
—Billie Chaney.

**GIRL FOUND SHOT**  
Miss Tillie Gerner, pretty 21-year-old employee at the Post hotel, was found seriously wounded in her room at the hotel after guests in the lobby had heard discharge of the gun. A 22-calibre rifle was found nearby. The girl refused to make a statement after having been taken to a Lubbock hospital.

## Ten Percent Credit On Fire Ratings Is Given To Colorado

Key Reduction Will Reflect In Material Saving During The Ensuing Year

A ten per cent credit on fire insurance, due to mean a saving of several thousand dollars in rates through the ensuing year, has been announced for Colorado by the State Fire Insurance Commission at Austin. The credit is based on the basic rate set for the community, the basis involving premium values and fire losses. Credit reducing insurance cost is given for good fire record and penalties assessed for bad records. The former maximum rate was 15 per cent but a new rating system installed this year permits a maximum of 25 per cent credit. The new ratings, effective March 1, are based on a four-year average record, and beginning next year the average for five years will be used.

The old system took a three-year average. Abilene and Amarillo were West Texas cities getting a 25 per cent credit while El Paso was given 20 per cent. In the rating with Big Spring are Beaumont, Tyler, Wichita Falls and Rusk. Ten per cent credit went to Dallas, Fort Worth, Midland, and Texarkana, while Mineral Wells and San Angelo were in the five per cent class. Brownwood and Sweetwater got neither credit nor penalty. Breckenridge and Eastland were among cities drawing 5 per cent penalty. Ranger was one point assessed a 15 per cent penalty.

## BAUMAN NEWS

Sunday was such a disagreeable day there was not any one present for Sunday school. This Sunday is our regular preaching time and our pastor will be with us so let us be in our places. The Bauman P. T. A. met last Friday night, Feb. 14, in a social meeting. There were about forty present. Everyone enjoyed several games of "42". The next meeting will be two weeks from this date. The Harmonica band played two numbers, with accompaniment by Miss Johnson. The band has only been organized about three weeks and did exceptionally well.

A lady is here from Mary Hardin-Baylor of Belton, Texas, teaching a study course at the church this week. There were seven present Monday night and there will probably be several more enrollees. David Collier had the misfortune of breaking an arm Sunday when he fell from an upright tank. There were six new pupils enrolled at Bauman Monday.

## THEATRE NEWS

By SHERMAN HART  
"LAST OUTPOST"  
Palace—Friday and Saturday  
February 21 and 22

Pleasing entertainment, especially for the action and wild life fans. Yarn deals with war duty in Mesopotamia and two English officers. One is in love with the other's wife. A nurse in a base hospital has not heard from the husband in three years, is puzzled as to whether he is alive or dead. Husband on leave discovers the wife's love for him is dead, learns of his comrade's rivalry, manipulates things to join him at outpost in order to even the score. Fatal injury from an enemy bullet, however, results in forgiveness, leaving the comrade he set out to kill free to marry the girl. Entertainment value is greatly enhanced through spectacular native raids, scenic beauty of a primitive nature, and herds of elephants, hippopotami, and other wild animals stirred into action.

**"IT'S IN THE AIR"**  
Palace—Sunday and Monday  
February 23 and 24

A genuine laugh fest that should bring smiles to the toughest customers in town. Jack Benny and Ted Healy, a pair of crooked promoters, without any knowledge of balloons, find themselves promoted into a stratosphere flight. Plenty of hilarious situations result. Benny's main object in life is to get back his wife, who has quit him because of his crooked tendencies. Hooked for the flight, he tries to make a getaway but the appearance of a detective forces him into the proposition. Accompanying him on the balloon trip, the detective finally bails out. The balloon goes haywire, but not until an altitude record has been established and Benny and Healy bail out to the applause of the crowd. The wife forgives him and all ends well.

**"MARY BURNS, FUGITIVE"**  
Palace—Tuesday and Wednesday  
February 25 and 26

Packing a real punch, this one is pegged as both box-office and "audience." Sylvia Sidney has never done anything better, while Alan Baxter, recruited from the stage, turns in an outstanding performance in his screen debut. He will bear watching. Sidney Loves is about to marry Baxter, not knowing he is a crook. Federal men trap him in Sidney's roadside coffee shop, but he burns his way out. Sidney is sentenced to 15 years for harboring a criminal. Federal operative stage her escape, hoping she will lead them to Baxter. Working in a hospital she attends Douglas, temporarily blinded, and they fall in love. Baxter, still madly in love with Sidney, is finally trapped with her in Douglas' mountain lodge, and she shoots him to save the latter's life. Her pardon follows, leaving her free.

than please the action and outdoor fans. Story concerns Ray Mason, serving time for a bank theft of which he is innocent. He makes a break with a pair of fellow convicts, sets out to prove his innocence and bring the real culprit to justice. Plenty of good chase scenes and good hand-to-hand battles. First fight scenes are very realistic and will no doubt get plenty of cheers from the kids. Frankie Darro also gives an excellent performance.

**"SPLENDOR"**  
Ritz—Saturday Midnight, Feb. 22  
Sunday—Monday—Feb. 23 and 24

Produced with all the lavishness that has come to be expected in a Goldwyn picture, this one is sophisticated drama and will have its most definite appeal to class audiences. Outstanding is the fine performance of Miriam Hopkins who is at all times convincing in a difficult role. Notable also is the work of Paul Cavanagh. Scion of an aristocratic family, penniless but trying to live up to its former affluence, McCrea refuses to marry a wealthy girl and brings home Hopkins, a poor girl, as his bride. Cavanagh, a wealthy cousin, falls desperately in love with Hopkins, and sets McCrea in important money jobs, all the while making love to his wife. Hopkins resists until practically forced into an affair with Deering by McCrea's mother, his sister and his brother. McCrea finally finds his wife and reconciliation.

**"STREAMLINE EXPRESS"**  
Ritz—Tuesday and Wednesday  
February 25 and 26

Entertaining farce comedy with the action aboard a streamline train. Story concerns a play producer in love with his leading lady who walks out on him to marry another man; a husband walks out on his wife to elope with another woman; a prospective father hopes his son will be born in the state of California to inherit a fortune as stipulated in the will, and a crook tries to escape the law. The result is hilarious situations and complicated misunderstandings until everything is eventually forced out with the respective couples back in each other's arms and the crook in the hands of justice.

## Assistance Needed In Battle Against T. B., Teer States

Co-ordinated Efforts Should Be Put Into Effect, State Official Suggests

Claude D. Teer, of Austin, chairman of the board of control, has advocated a co-ordinated tuberculosis prevention program to supplement state hospitalization aid.

"We are not getting anywhere with the tuberculosis problem," he said. "We can never conquer it by state hospitalization. The people must join with medical men in stamping it out."

Teer, head of the state agency governing eleemosynary institutions, observed that not more than 2 per cent of the state's 100,000 tuberculars annually received state hospitalization. Treatment of 2,000 annually in state hospitals, he noted, could not solve the problem.

Cities and counties should bear a major portion of the bureau of a prevention program, Teer said, which should be conducted co-ordinately. Home treatment, family isolation and other modern methods of checking the spread should be invoked.

An effective prevention program in Teer's opinion would hold possibility of ultimately cutting the state's cost for hospitalization. For that reason, a small contribution by the state probably would be justified to assist the work of localities. Teer estimated 2,000 patients were treated annually at the state hospital at Sanatorium in Tom Green county. A large percentage, he said, were reclaimed.

The hospital has a capacity of about 700 patients. Lack of sufficient facilities was revealed by a waiting list of 433 whose eligibility for admittance had been determined. Appropriations for its operation this year were \$516,000. In addition, a \$100,000 building was constructed with relief labor and a small percentage of relief bond proceeds provided \$400,000 in the past few years.

## To Help Texas Centennial

DALLAS, Texas.—Outstanding church figures are being invited to conduct twilight vesper services at the Texas Centennial Exposition commencing at Dallas June 6 when the Lone Star State will inaugurate a six-months celebration of her 100 years of independence from Mexico. Invitations to date have been forwarded to Dr. George W. Truett, president of the Baptist World Alliance; Archbishop Temple of York, England, second in rank of the Church of England; Rabbi Stephen F. Wise of New York, and Dr. Stanley Jones, evangelist.

**Hospital for Exposition**  
DALLAS, Texas.—With almost 5,000 workmen engaged daily in preparing the Texas Centennial Exposition for its June 6 opening, a complete emergency hospital has been set up on the lot here, equipped to handle anything from a splinter in a finger to serious injuries.

**First DuPont Exhibit**  
DALLAS, Texas.—For the first time in more than 100 years of existence, E. I. DuPont de Nemours & Co. will exhibit at a national exposition the marvels of modern chemistry. The \$100,000 display will be housed in the Hall of Varied Industries when the Exposition opens June 6.

**Texas Invites Nation**  
DALLAS, Texas.—Half a million postcards will go into the mail during the week beginning Jan. 12, addressed to out-of-staters by Dallas residents and inviting them here for the Texas Centennial opening June 6.

**\$500,000 for Art**  
DALLAS, Texas.—Murals, friezes, bas reliefs, works of sculpture and other artistic touches costing more than half a million dollars are provided for in plans of the Texas Centennial Exposition.

## INCOME-TAX DON'TS

DON'T prepare your return without first studying the instructions on the form.  
DON'T procrastinate. Early assembling of data permits a careful consideration of all tax problems.  
DON'T destroy the memoranda from which your return was prepared.  
DON'T omit explanation when such information is essential to an intelligent audit. Attach memoranda to your return.

## YOUR INCOME TAX

**How To Avoid Common Errors.**  
The period for the filing of income tax returns covering the calendar year 1935 begins January 1 and ends at midnight of March 16. March 16, the usual close of the filing period, this year falls on Sunday, allowing taxpayers an additional day of grace, which, however, it will be to their interest to disregard. To file early is of mutual benefit to the Government and the taxpayer. Within this period are filed annually millions of individual income-tax returns, a large proportion of which report income subject to the tax. The latter contain a considerable percentage of errors, which if uncorrected by the audit would result to the disadvantage of the taxpayer. Many are errors of computation easily discovered on the face of the return, which usually is accompanied by a payment of more than the amount of tax due. In other returns it is readily discernible that the taxpayer has failed to take advantage of the personal exemption, credit allowed for dependents, or deductions from gross income to which he is entitled.

To avoid these and other errors, the Bureau of Internal Revenue urges careful reading of the instructions on the forms for filing the returns. Additional information, if needed, may be obtained at the office of a collector of internal revenue, deputy collector, or an internal revenue agent in charge. Also, as a further aid in the preparation of a correct income-tax return for the year 1935, the Bureau has prepared a series of short newspaper articles, of which this is the first, advising the salaried man, wage earner, professional and business man—in fact, every class of individual taxpayer—of his requirements and privileges as interpreted under the latest regulations, rulings, and decisions relating to the income-tax law.

## HOUSTON SEEKS PLOW 100 YEARS OLD FOR IMPORTANT CEREMONY

HOUSTON.—A state-wide search for a 100-year-old plow, needed for impressive ground-breaking ceremonies for the million-dollar San Jacinto battle shaft, was instituted today by the San Jacinto Centennial association.

John C. Townes, president of the association, issued the call, appealing to all Texas to join in the search. The century-old plow would be the central feature of the ceremonies which will attract nation-wide attention. Anyone in Texas owning or having information of such a plow should communicate with the San Jacinto Centennial Association in Houston immediately.

The gigantic battle shaft to be erected on the site of Sam Houston's decisive thrust for Texas liberty will be one of the world's most imposing structures. Taller than the Washington monument, and more beautiful architecturally, the Texas shaft will become renowned overnight.

It pays to advertise.

## Indians Said Devil Lived Here

"The Devil's Tombstone," shown above, is in Palo Duro Canyon, near Canyon City, Texas, 18 miles south of Amarillo. The canyon is one of the beauty spots of Texas that will lure tourists in their 1936 visit to the Texas Centennial Exposition at Dallas and other celebrations throughout the state. The rock drew its name from an Indian belief that it was the burial marker of an evil spirit.

POLITICS

Looking at it from this early viewpoint it seems that we will have a good political year in Texas and the nation. Lots of candidates will be called liars, and quite a few denounced as thieves. There will be no such thing as ennuj from the time the political ball started until the last vote is counted in the primaries. One feature in politics will be sadly missed. I speak of the good old Democratic convention. The late election laws stabbed the conventions under the fifth rib and now they are as dull and insipid as the installation of officers by a lodge or the proceedings of a church pink tea. A few conventions are held now, but they are not worth attending. There is never more than one man speaking at a time, and never a fight in the convention hall. The last real democratic convention this writer attended was in Dallas about thirty years ago, when Tom Campbell was nominated for Governor. At that convention I saw as many as six men speaking at the same time, heard men called all kinds of names, and saw two speakers taken to the doctor's shop for repairs. In those good old days conventions were worth going hundreds of miles to attend, even if you had to sleep on a goods box in the rear of a dry goods store.

I have interviewed quite a number of politicians that painfully realize the utter futility of trying to glean even an iota of an inkling of what the coming presidential campaign will mean to this country. None of us can escape the coming vociferous apostles of senseless harangue which will be absolutely degrading, valueless, uneducational and in principles lower than the imps in the bottomless pit.

It is no idle jest to remark that the coming campaign, even at this early date, clearly foreshadows what is in store for the ever gullible and defenseless, long-suffering public. From now on until after the election there will be daily and nightly on the radio, streets, halls and in the newspapers, a continuous outpouring of raucous, blasting and blistering bombastments coupled with violent explosiveness which we are to accept as nation-saving orations, coming from political office-seekers, large-minded job seekers, would-be statesmen without office, jack-legged, two-by-four shysters and high-powered ambulance-gull lawyers, and especially those now enthroned on the gravy-train of graft.

THE COLORADO THAT USED TO BE 25 Years Ago 15 Years Ago

15 YEARS AGO The passing of A. B. Robertson, pioneer cattleman of this area, who had died at his residence in Abilene, was big news on front page of The Record for February 18, 1921. Burial was at Colorado. . . The Mitchell County Farm Bureau had been organized Saturday afternoon before. J. C. Hooker was elected president; James Bodine vice president and E. M. Baldwin secretary-treasurer.

Considerable excitement prevailed at Sweetwater after tombstone at grave of the late Thomas Trammell had been taken from its place in the cemetery, hauled to Lake Trammell by truck and dumped into water. The monument weighed 2,000 pounds.

Oil men operating out of Colorado were to be guests at a banquet to be given on the following Monday night at the Price Auto Company display room. An attendance of one hundred was expected. . . Rev. D. R. Hardison had been elected chairman of the Mitchell county advisory board of the Salvation Army.

Veterans were considering plans for building a permanent home for the American Legion and Womens' auxiliary. The First State bank had been reelected depository for the county and school funds.

25 YEARS AGO "A Glorious Rain Has Fallen," to quote headline on first page of The Record for February 24, 1911, twenty-five years ago. The article recalled that over five inches of moisture had been registered during the month.

Dr. P. C. Coleman, chairman of the Mitchell County Anti-Saloon League, had issued call for a county-wide rally at the court house on the Saturday following. Proposed constitutional amendment affecting liquor was source of the drive to offset

Efforts of "The Whiskey Crowd" in returning the open saloon to Texas. F. M. Burns had left the Saturday night before for New York to purchase stocks for his large store, while C. M. Adams, another pioneer merchant of Colorado, was already in that city buying merchandise.

Colorado was all agog over prospects of obtaining location of the West Texas Normal school, soon to be established somewhere in western portion of the State. Committees had been appointed and prospective sites for the institution inspected. Judge W. B. Crockett and Judge A. J. Coe had been sent to Austin to personally press Colorado's claims for the school.

The Colorado ice factory would soon be reopened for regular operation, according to telegram received during the week from "Mr. Rohl, the manager." Ice, sufficient for local consumer demands, would be manufactured right here at home, the paper announced.

Arthur Brisbane recently said, "The newspaper is the national mirror, reflecting what it sees." To which we add. If you do not like what you see in the Record (mirror) change your face or change your thoughts, do not break the mirror.

If a member of your family died, would you send out the obituary in a circular letter? If your wife entertained would you run a slide on the screen of the movie show? If you were to enlarge your store would you tell folks in a hotel register? If you were to have a wedding at your home would you tack the news on a telephone pole?

Then why in heck don't you put your advertisement in the Colorado Record.

TIMES IMPROVING Old man depression having stepped around the corner we went out to interview the real estate men and first encountered J. J. Billingsley who said, "Yes trade is picking up. I have just closed a \$5,000 deal." Being a little curious we asked for details when he said, "Well it's this way. I laid the plan with all the details before a prospective client who refused the offer, therefore the deal was closed."

We next went to see A. R. Wood who said, "Yes the depression is over. I made \$500 today." When asked about the deal he said, "I have a desirable piece of property which I tried to sell today but failed so I raised the price \$500 and therefore made \$500 in the deal." But he said, "I still have the property."

PITY At his birthday they pity the mother At his marriage they pity the bride At his death they pity the widow.

At the recent cold spell we visited Dan Beeman on his farm who told us, in speaking of the cold, that the blaze in his lantern froze while he was doing the evening chores and at milking time they got nothing but ice cream from their choicest cows.

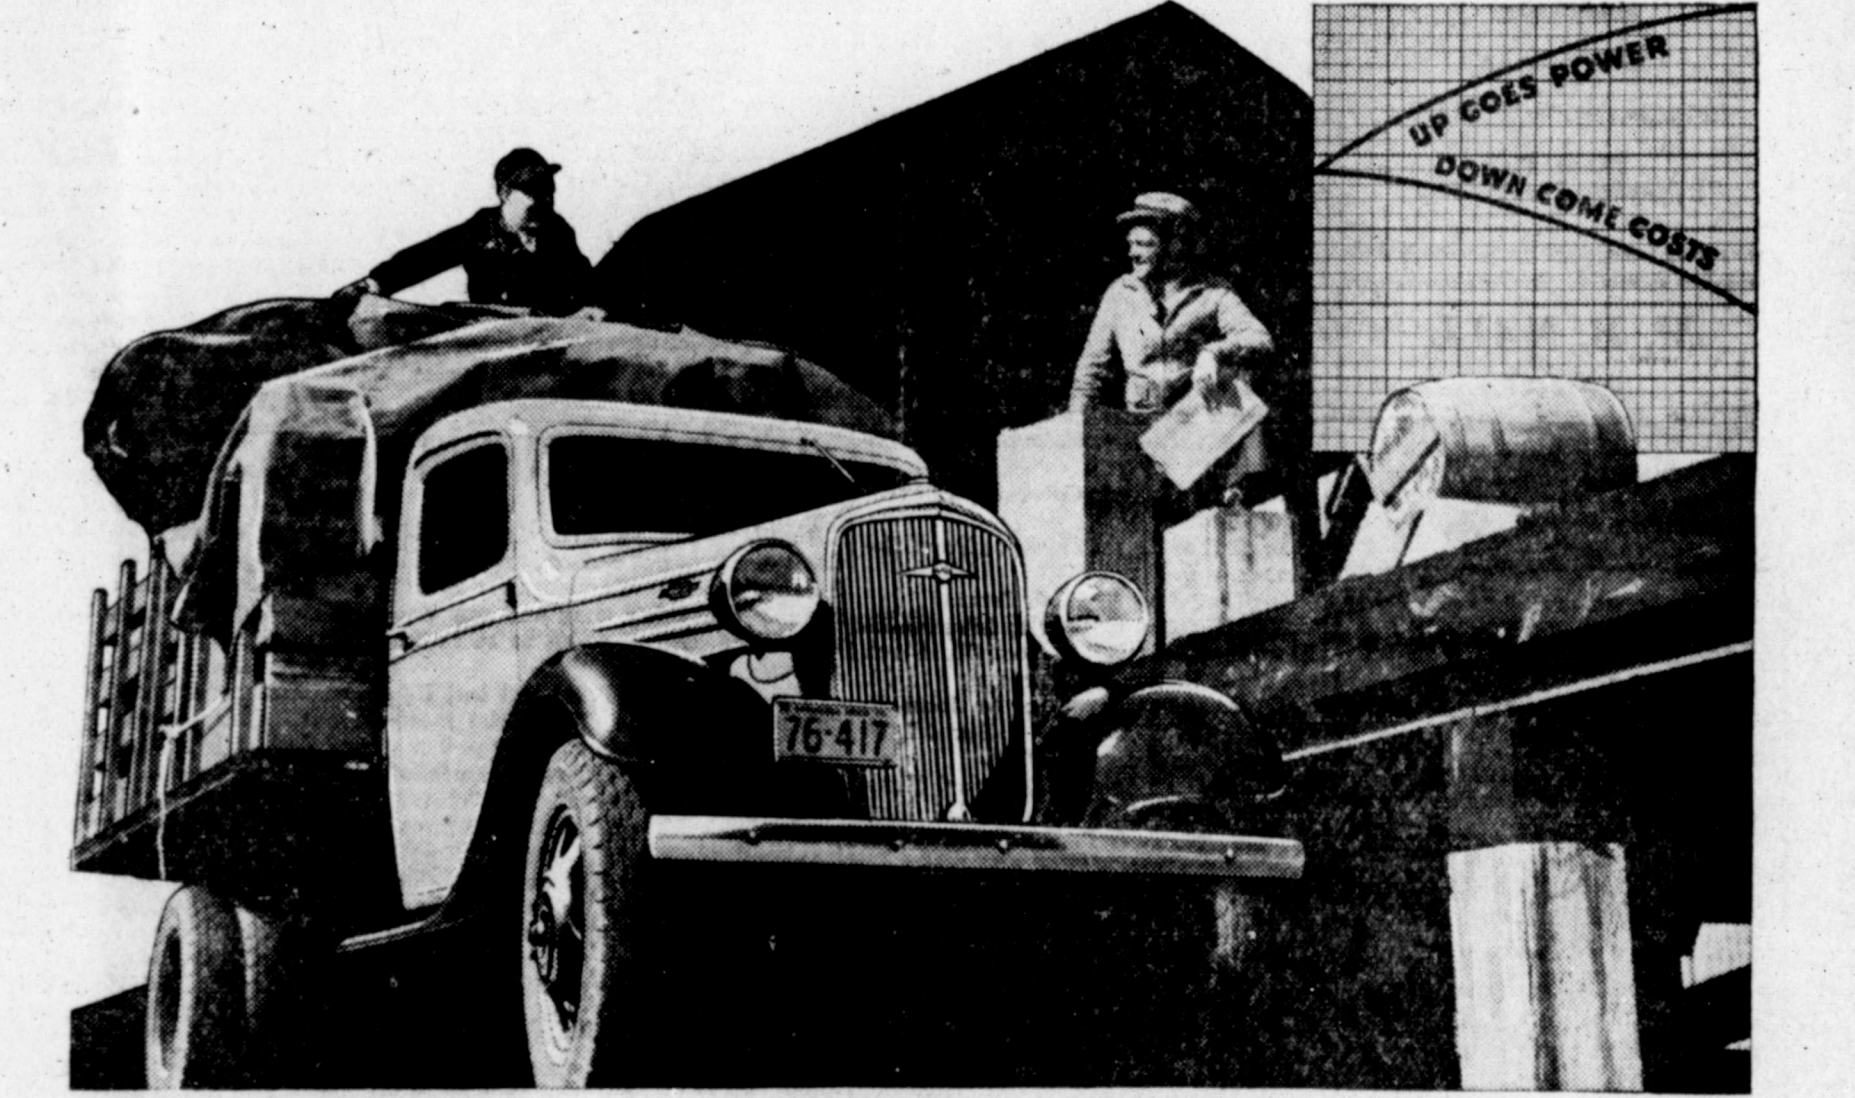

Last week we overheard a man on relief singing: Nothing to do but work Nothing to eat but food Nothing to wear but clothes To keep one from going nude.

### Range Conditions In Texas Favorable After Sever Winter Weather Endured

The condition of livestock and ranges in Texas remains favorable with only slightly above average deterioration during January, according to the monthly report of the United States Department of Agriculture. There is a surplus of feed crops remaining in most areas, with very little supplemental feeding necessary so far this winter. Contracting of wool has been very active. Prospects are favorable for good lamb and calf crops.

Extreme cold weather during January injured winter ranges and caused the condition to deteriorate more than average during the month. However, moisture conditions are more favorable than for some time, and prospects are favorable for early spring and summer range feeds. Portions of the northwestern and western district will have insufficient moisture to insure summer range feeds, but the balance of the state is adequately supplied. Grain fields are furnishing some grazing in portions of the plains area of northwest Texas, but in several counties, in the western and extreme northern portion of this district, growth has not been sufficient to allow much grazing. The condition of ranges at 77 per cent of normal is 5 points below the condition reported a month ago, but is 1 point above the 10-year average, and 30 points above the condition a year ago.

The cold weather during January has caused some shrinkage in cattle, but generally, they have held up unusually well. Feed supplies, in most areas, are abundant, and no shortage is anticipated. Losses have been very light so far. Slightly above average shrinkage has also occurred in sheep during the month, but, in most areas, they are still in good flesh.

The condition of cattle on February 1 is reported at 81 per cent of normal, compared with 83 per cent a month ago, 58 per cent a year ago, and 78 per cent the 10-year average condition on February 1. The reported condition of sheep at 84 per cent of normal is 4 points below that of a month ago, but is 22 points above a year ago and 2 points above the 10-year average February 1 condition. The condition of goats has followed that of sheep closely. Brush is furnishing an abundance of feed now in most areas, and the condition of goats is good. There is a good local demand for goats at this time.

The condition of cattle, sheep, and ranges continued at about average levels on February 1, 1936, in the western range states. A heavy covering of snow in the states of Montana, Wyoming, and the Dakotas pre-

vented use of range feed. In the states of Nebraska and Colorado, fairly open weather permitted general grazing and conservation of the already abundant feed supplies. In western Kansas and Oklahoma, and southeastern Colorado, grass and hay supplies are rather limited. The supply of grain feed is scanty in this area. The condition of ranges and pastures in Arizona, Utah, Nevada, and New Mexico is above average and good range feed was available during January. A marked improvement in range feed conditions occurred in northern California, but in the southern portion continued lack of moisture caused a rather sharp decline.

While it is yet too early to draw any definite conclusions regarding calf crop prospects, the good condition of breeding herds and ample feed supplies indicate that calves should arrive in sturdy condition and that the percentage fall crop in 1936 should be average or better. Early arrivals in some states already indicate this as being a likely development. Cattle and calves in feed lots have made good gains. Stock water is ample in nearly all sections except in some of the northern areas where low temperatures have frozen stock ponds. In general, the financial condition of the cattle industry is the best in several years.

Lambs in feed lots have made splendid gains and death losses have been held to a minimum. Death losses in range bands have likewise been smaller than usual. In Arizona, early lambs are being moved rather liberally and prospects for the early lamb crop generally are good. The present good condition of breeding herds points to a good lamb crop in 1936.

### County Agents And Others Attend 6th District Gathering

#### Four-Day Conference Will Be Of Advantage To Leaders, Miss Gunter States

The four day recreational institute in Sweetwater for the agents and delegates of District 6 is being attended by Mrs. Roy Howell of the Plainview Home Demonstration club and Miss Emma Gunter, county home demonstration agent. Wylie Walker of Loraine and B. J. Baskin, county farm agent, are also attending.

Two hours each morning is devoted to the learning of songs, active games and folk games. Two hours in the afternoon are devoted to music appreciation, games and folk dances. This recreational work is to be established on a long time basis. It is to be followed up next year with from 8 to 10 people from each county taking the training instead of one as is the case this year.

More leaders are needed to keep the work going in a county than one trained leader. Miss Emma Gunter, home demonstration agent, stated Tuesday. Much effort will be used in getting a county recreational association established this year.

### Chevrolet Hauling Listed By Official AAA Association

#### Economy Proven In Recent Load Trip Extending From California To New York

In the first transcontinental truck run ever held under the sanction of the contest board of the American Automobile Association, a Chevrolet 1 1/2-ton truck hauling a semi-trailer with a five ton pay load, and driven by Harry Hartz, famed for his speedway records, demonstrated the economy of safe driving.

Covering a route of 3,511 miles between Los Angeles and New York City, the Chevrolet delivered a 10,000 pound cement block at a cost of less than one-third of a cent per ton mile. The distance was covered on 308.6 gallons of gasoline, and with the addition of only two quarts of oil to the crankcase, or a total cost of \$58.26. The gasoline mileage was 11.378 per gallon.

The truck left Los Angeles December 19, and arrived in New York City January 3. Actual running time was 129 hours 24 minutes, an average speed for the entire trip of 27.14 miles per hour.

The test was conducted under A.A.A. Sanction No. 3300, and the official certificate issued by the A.A.A. contest board certifies that the Chevrolet truck was standard in every respect. The foregoing figures are from the report of the contest board, establishing them as official records for the run. Stanley Reed, official of the A.A.A. contest board, accompanied Hartz on the drive, and in his report supplied the contest board with the records on which the figures for distance and economy are based.

The route from Los Angeles to New York traversed California, Arizona, Texas, Arkansas, Illinois, Indiana and Ohio to Ashtabula, thence across Northern New York by way of Syracuse and Albany to New York City. It thus encountered a wide variety of road surface and traffic conditions, a great variation in altitude, and extremes of weather, the last third of the trip being through winter storms and over roads covered with snow and ice. Between Gila Bend and Douglas, Arizona, a single grade climbing to Mule Pass required a continuous use of low gear for 20 minutes.

The run was arranged by Chevrolet Motor Company as a demonstration of the benefits of safe driving as a means of promoting economy in truck operation. Legal speed limits and all traffic regulations of the states and municipalities along the route were observed, and the speed was never permitted to exceed 35 miles an hour.

W. E. Fish, manager of the Chevrolet truck department, Detroit, de-

clares that the extremely low cost of the long truck run was due not only to the improved design of the 1936 Chevrolet engine and chassis, but also to the economy that results from driving within reasonable speed limits.

"We believe that the results of this run," said Mr. Fish, "will be of interest to every long distance truck operator. In fact, it will be a revelation to many of them that the modern truck has reached a state of such perfection that it can complete a 3500-mile trip at the expenditure of only two quarts of motor oil while averaging 11.37 miles per gallon of gasoline."

"The cost per ton mile, less than one-third of a cent, is of course reckoned only on the actual pay load of 10,000 lbs. The total weight of the truck, semi-trailer and load was 16,170 lbs."

"The truck used in the run was picked from the Chevrolet assembly line at Flint by Eric Von Hambach and Stanley Reed, official representatives of the A.A.A. They immediately checked the truck itself to certify that it was of standard construction, covering such items as bore and stroke, gear ratio, carburetor, cooling system, etc. They then sealed the engine and chassis and affixed locks to the gasoline tank and crankcase. The keys were kept by the official observer on the trip, in order that he could certify to the quantity of oil and gasoline added to the truck."

## Substitutions Will Not Be Permitted PWA Chief States

### Projects Pending Must Be Put Into Effect Or Taken From Eligibility Roster

There is to be no more substitution of PWA projects and counties not at once accepting offers already made by the public works administration face revocation of allotments, Julian Montgomery of Fort Worth, "Civic Righteousness," Zelma Brin received Tuesday morning by this newspaper.

Mr. Montgomery had just returned from Washington where he attended conferences with PWA chiefs as to future plans of operation. In speaking of these plans, he said: "In the formulation of the present PWA program, the state directors were permitted, where conditions warranted, to recommend substitution of approved projects to Washington," Montgomery said. "Now, however, sufficient opportunity has been given all recipients of allocations to make up their minds as to the projects desired most."

If offers already in the hands of applicants are not accepted within a week or 10 days at the most after receipt, allotments will be rescinded, he warned.

"Administrator Ickes told us that we can not wait for these laggard communities," said Montgomery. "The administrator also emphasized the necessity for speed in the completion of PWA's part of the program. With the exception of a few of the larger undertakings, all projects for which allotments have been made must be completed by Fall."

The Sophomore class is considerably worried over being on the "Ragged Edge." No themes, no book reports. At least we haven't enough.

Many girls took advantage of Valentine day since this is Leap Year—a good excuse.

"No parties this week because this is examination week," say the pupils of old I. H. S. Will we celebrate next week? And how!

### SEVENTH GRADE NEWS

The Seventh graders' bugaboo has appeared again in the same old form, examinations.

Ruby Jo Fortune has been very busy lately (studying I guess). The rest should be doing the same thing. Ann Axtell and Doris Rogers have been hanging on the "Ragged Edge" for nearly two weeks. I was informed today that they caught hold of a stump and pulled themselves back upon the edge. Hurrah for them!

Love missives have been passing to and fro lately. Several hearts have been skipping beats. Do be careful!

### COMMUNITY NEWS

Last Wednesday evening Mr. and Mrs. A. V. Walker gave a farewell party for Mr. and Mrs. J. M. Rogers who are moving to Payne.

Mr. and Mrs. Jodie Barker visited Mr. and Mrs. Estell Fisher of Westbrook Sunday.

Mrs. Ollie Harris and family moved last week.

Mr. and Mrs. O. H. Harris and family of Big Spring visited in the home of Mrs. Ollie Harris Sunday.

### SPORTS NEWS

The athletes of Latan High school are considerably sore this week from swinging tennis rackets and circling the track. We have accomplished little in the past week due to the weather conditions and to the sickness of some of the athletes.

We expect to have a dual meet in tennis with Looney this week, which will help to condition our players for the county meet.

One of our old exes of a couple of years back came to school the other day; his first thought was to work out with us in track. He managed to make a showing in broad jumping, but when we ran the hundred yard dash he came in last. When he finally pulled into the tape, he was puffing like a 1921 Model T without any water and three flats.

### CUTHBERT NEWS

Coloradoans should manifest pride in the distinction that has come to this community, with special significance to the schools, and lend every cooperation to district athletic contests and other attractions, fans who have interested themselves in recently staged basketball tournaments here stated with enthusiasm during brief addresses at the Lions Club Friday. Superintendent J. E. Watson of the schools introduced the question by making reference to annual sectional cage tourney for boys scheduled to open at the high school gym that evening.

"Colorado has attained an enviable distinction in this section of West Texas as a host for these contests and such a goal is to be accepted with appreciation," Watson said. "We are entertaining the sectional play because we have, during the past, evidenced traditions of the old West in hospitality. May such a record be continued."

W. W. Whipkey spoke to the subject, urging that members of the Lions Club contribute their part in sustaining the commendable distinction.

### CARD OF THANKS

We wish to express our sincere thanks and appreciation to our many friends of Loraine, Colorado, and the surrounding communities for their offerings and gifts to replace our loss when our home was destroyed by fire. We sincerely hope none of you ever experience such a misfortune.

MR. AND MRS. L. D. MAY. 1tp

### NEW CITIZEN

J. C. Bennett, recently of Flagstaff, Arizona, has located at Colorado and plans entering business here. He attended the Lions Club Friday as the guest of B. L. Templeton, president.
