LORRAINE MAN FILES SUIT FOR \$21,000 DAMAGES AS SEQUEL TO TRAFFIC CRASH

Mrs. Ruth Roberts, Midland, Defendant in Case Entered Saturday By J. A. Brown In 32nd District Court

Edward J. Brown, of Midland, filed a suit in the 32nd district court at Midland, Texas, Saturday, for \$21,000 damages as sequel to a traffic crash which occurred in the city of Midland, Texas, on the morning of August 15, 1935. The suit is against Mrs. Ruth Roberts, of Midland, Texas, who was the driver of the automobile which crashed into the automobile of Edward J. Brown, of Midland, Texas, on the morning of August 15, 1935.

Brown's suit alleges that Roberts was negligent in driving her automobile and that she was the cause of the crash which resulted in the death of Brown's son, Edward J. Brown, Jr., and the injury to Brown's daughter, Lorraine Brown, who is now a minor.

The suit also alleges that Roberts was negligent in failing to stop her automobile when she saw Brown's automobile in front of her and that she was the cause of the crash which resulted in the death of Brown's son and the injury to Brown's daughter.

Brown's suit also alleges that Roberts was negligent in failing to maintain her automobile in a safe condition and that she was the cause of the crash which resulted in the death of Brown's son and the injury to Brown's daughter.

Brown's suit also alleges that Roberts was negligent in failing to yield the right of way to Brown's automobile and that she was the cause of the crash which resulted in the death of Brown's son and the injury to Brown's daughter.

Brown's suit also alleges that Roberts was negligent in failing to stop her automobile when she saw Brown's automobile in front of her and that she was the cause of the crash which resulted in the death of Brown's son and the injury to Brown's daughter.

Brown's suit also alleges that Roberts was negligent in failing to maintain her automobile in a safe condition and that she was the cause of the crash which resulted in the death of Brown's son and the injury to Brown's daughter.

Brown's suit also alleges that Roberts was negligent in failing to yield the right of way to Brown's automobile and that she was the cause of the crash which resulted in the death of Brown's son and the injury to Brown's daughter.

Brown's suit also alleges that Roberts was negligent in failing to stop her automobile when she saw Brown's automobile in front of her and that she was the cause of the crash which resulted in the death of Brown's son and the injury to Brown's daughter.

Brown's suit also alleges that Roberts was negligent in failing to maintain her automobile in a safe condition and that she was the cause of the crash which resulted in the death of Brown's son and the injury to Brown's daughter.

Brown's suit also alleges that Roberts was negligent in failing to yield the right of way to Brown's automobile and that she was the cause of the crash which resulted in the death of Brown's son and the injury to Brown's daughter.

Brown's suit also alleges that Roberts was negligent in failing to maintain her automobile in a safe condition and that she was the cause of the crash which resulted in the death of Brown's son and the injury to Brown's daughter.

HEADS SUNDAY SCHOOL

ER. F. BARBER

E. F. Barber, chairman of the Mitchell county American Red Cross annual roll call, set to open on November 12, one day after Armistice day, announced that the expected quota of 500 members to be registered before close of the day is his goal.

The citizenship of Mitchell county organization to such extent that committee men charged with responsibility of enlisting our quota are joining with me in prediction that only one quota should be required in which to meet our cash contribution to the Red Cross," Barber declared.

Plans for launching the drive, to include every section of the county, were given consideration during conference of committee leaders Saturday at the chamber of commerce.

Men and women from several communities were present and amid enthusiastic pledges that the citizenship represented by them would not be found wanting when opportunity to show their support to the Red Cross was offered.

The conference was called to order by Barber who addressed the men and women present briefly on plans for the drive. Dr. W. B. May of Abilene, vice chairman of the roll call organization, and Jim Greene, chairman of the county chapter, were present to speak.

Ed Jackson and Frank Crowover assumed responsibility for success of the drive at Loreane and in Eastern Mitchell county. Mayor Van Boston and A. L. Young of Westbrook pledged that their home community, along with Conway, Carr, and Butler camps would be included among districts to continue support of the Red Cross.

Other committee leaders present and pleading support in the drive included O. F. Jones, of the Spade ranch; A. K. Mackley, of Longfellow; J. V. Glover, for all public schools of the county; Mrs. J. A. Sadler, for Mitchell county women's clubs; Mrs. R. H. Loomis, for the women of Colorado; E. H. Gunn, for employees of the Fort Worth and the Texas & Pacific railway here; J. H. Humphreys, for First Baptist Church; John Deffenbach, of Abilene; and others.

Members of the several committees are to be contacted again, on eve of the roll call, by the county chapter chairman, later today.

HANSONS LEAVE FOR CLERGY CONFERENCE

The Rev. and Mrs. Alex R. Hanson of All Saints' Episcopal church left Wednesday for Lubbock to attend a two-day clergy conference of the North Texas Missionary district of the Episcopal church.

The conference was in charge of Bishop E. Carl Seaman of Amarillo. While the Rev. Mr. Hanson was in conference sessions Mrs. Hanson attended gatherings of the clerk wives of the district. Mrs. Seaman attended these also.

The Rev. and Mrs. Hanson are returning home Thursday night.

JOE ALFORD HEADS TEXAS TECH CLASS

Joe Alford, who was a junior in Colorado High school in 1934, has been elected president of the sophomore class of Texas Tech.

Alford calls Seymour home. He finished high school there. He stayed in the home of Mr. and Mrs. Porter Mosley while attending school here. He was on the boys' debate team under direction of Lloyd Croslin that year.

Full Cooperation To Planters Will Be C-C Objective

Excellent Season For Small Grain Planting Is Expected To Boost Loan Applications

The Colorado Farmers' membership will extend its every facility to planters of the territory during the fall planting season. The membership will take advantage of the government loan to advance loans to seed what, Jim Greene, secretary of the organization, announced Tuesday. Information having to do with filing the applications may be obtained upon application at the organization's office in the Colorado hotel building.

Since the final date for filing the loan applications has been extended to October 15 and terms of the loan have ample measure to assure continuation of the seed, it is anticipated that a number of citizens will plant acreage to the crop.

Officials of the Mitchell county chapter, American Red Cross, are furthering appeal that citizens of the county file to annual roll call, set to open on November 12, one day after Armistice day. The roll call will be held at the chamber of commerce.

Men and women from several communities were present and amid enthusiastic pledges that the citizenship represented by them would not be found wanting when opportunity to show their support to the Red Cross was offered.

The conference was called to order by Barber who addressed the men and women present briefly on plans for the drive. Dr. W. B. May of Abilene, vice chairman of the roll call organization, and Jim Greene, chairman of the county chapter, were present to speak.

Ed Jackson and Frank Crowover assumed responsibility for success of the drive at Loreane and in Eastern Mitchell county. Mayor Van Boston and A. L. CORNERSTONE LAYING IS POPULAR VOGUE IN AREA

The laying of cornerstones in Federal postoffice buildings amid impressive ceremony is evidently becoming a popular vogue in this section of West Texas. Thursday of last week such a program was observed in Big Spring and Thursday of this week the same thing was on the calendar at Midland. And, too, congressmen representing the respective districts were heard in addresses.

Celebrate 58th Birthday of Salmon Industry in Alaska.

"LET'S IN!" And another salmon season finished! With all flags flying on the first of September, the territory of Alaska celebrates the 58th birthday of her largest industry, as great fleets of salmon boats, loaded with their canned cargo, take off for the markets of the world. This year, as the last season of the silver sea-quest is pulled ashore, each city on the Alaskan coast plans to celebrate with gay festivals commemorating the history and picturesqueness of this unique industry.

Salmon is a "silver harvest" indeed for the Territory—an industry which in the past 58 years has netted more than 50 million dollars. In the first year of the canned salmon industry in Alaska just 5000 cases were packed. This season, approximately five and a half million cases were sent on their way to satisfy America's and the world's taste for salmon. So constant is this demand that a recent survey in a typical American city shows that canned salmon is in the pantries of 69.4% of the homes.

Salmon-fishing and canning is a unique American industry, for whereas salmon were once plentiful along the seacoasts of the world, they are found today in commercial quantity only in the Pacific Northwest.

Visiting Amateur Entertainers Win On Final Program

High School Auditorium Is Filled To Capacity With Fans For Closing Bill

High school auditorium was packed to capacity Tuesday evening to witness concluding amateur hour program of the season. Entertainers were presented through special request of some admirer and several of them had previously won prizes on these programs.

A pair of entertainers from Titus county won first place in the competitive marathon for the chamber of commerce cash prize. They were Otis Hobbs, tap dancer, and Elmer White, harmonica accompanist. Winston Lee Coleman of Magnolia Camp, Itan, won second place with his talented reading.

Other visiting entertainers heard on the program included Mrs. Beatrice Jameson of Sweetwater, accordion soloist; Misses Johnson and Arnett of Snyder, in vocal duet; Elizabeth Jobe of Sweetwater, in humorous reading; Arnold Marshall of Lorraine, bass soloist; Mary Ann Dudley and Dean Miller of Big Spring, in novelty dance skit, and Mmes W. R. Martin of Lorraine, Inez Brown of Snyder and Houser of Big Spring, piano accompanists.

Well known local entertainers heard were the band directed by R. P. Rose, Gloria Lee, Boyd Dozier, Vivian Giddens, Grubbs Brothers, Catherine Quinney, Everett Stagner, J. T. Williamson, Billy Margaret Gregory, Dixie Debbs, Mary Frances Mackey, J. V. Glover, Hazel Grubbs, Mrs. Farris Lipps, Elizabeth Edgerton, Miss Louise Bradford.

ALLOWABLE IS BOOSTED FOR HOWARD CO. FIELDS

Daily crude allowable for fields in the immediate Big Spring area during October was boosted 1,172 barrels, in a new prorotation schedule authorized Tuesday by the state railroad commission. Daily allowable for both the Howard-Glascock and Itan-East Howard fields was increased.

The Howard-Glascock quota was increased by 464 barrels to 17,941 daily; and the East field figure was set at 7,644, an increase of 708 barrels.

Increases were general for West Texas fields, as the commission set a state daily allowable of 1,179,948 barrels, an increase of 54,274 barrels over the September basic allowable and 73,048 barrels more than the federal bureau of mines estimated demand for Texas oil in October. The new figures are effective Oct. 1.

The factor of 2.32 per cent of the hourly potential, on which production of the big East Texas field is figured, was left unchanged. On September 26 allowable production was 436,281 barrels daily, having increased slightly from the 434,000 barrels authorized on September 1.

BACK AT WORK

Jack Helton, who returned from a second visit to Dallas for medical attention last Thursday, was able to return to his work as deputy tax assessor-collector early this week. He was accompanied to Dallas by his brother-in-law, Percy Bond.

Week Of Prayer For State Missions Observed By First Baptist Women

Three special programs in keeping with the Week of Prayer for State Missions were observed by women of First Baptist church this week.

Topics on and prayers for state missions featured the Monday afternoon circle meetings. Mrs. Deann Phenix was hostess to the Fidelity circle with Mrs. E. C. Johnson leading the program on "Texas State Pioneers."

A similar subject was had at each of the other two circles, both of which met in the church basement. Nine were present at the Lucille Reagan circle, of which Mrs. R. O. Pearson is chairman. Five attended the Bernice Neal meeting with Mrs. Paul Cooper as chairman. Mrs. J. A. Sadler gave a review of pioneers.

Mrs. D. V. Merritt was leader of a Tuesday morning meeting for all women of the church. Mrs. Truett Barber had the devotional and Mrs. J. T. Howell the lesson "Early History of State Hospitals and Buckners' Orphan Home."

The Wednesday night prayer service for the entire church was led by the Rev. Dick O'Brien.

LUNCHEON FOR MERRY WIVES ON WEDNESDAY

A fifth Wednesday luncheon for which each member furnished one dish was served for the Merry Wives at the home of Mrs. C. C. Thompson Wednesday.

Because of Mr. Thompson's illness the women went to the J. L. Pidgeon home for sewing and chatting following the luncheon. The next regular meeting will be with Mrs. J. A. Sadler next Wednesday afternoon at 3:30.

GONE!—THE HIGH COST OF STOMACH TROUBLE

MISS DORN WRITTEN UP IN CAPITOL NEWSPAPER

Under the caption, "Two Charmers From the Southland—Civil Service Adornments," a picture of Miss Gladys Dorn, formerly of Colorado, and one of her Washington co-workers appeared in the Washington D. C. Times for Monday, September 14.

With the picture was a story written by a staff interviewer about Miss Dorn, who was chosen as one of the "personable" Civil Service Commission employees to be pictured in the paper.

Miss Dorn, the daughter of Mrs. J. W. Dorn of Colorado, has been working in the correspondence division of the Civil Service Commission since last October. She was a graduate of Colorado High school, later attending the University of Colorado and the University of Texas, where she received her degree. For several years she was head of the vocational commercial department at San Benito High school, resigning from that place to take an office position in Houston. From Houston she went to Washington after passing a civil service examination with high rating.

She was joined in Washington this summer by her sister, Maxine Dorn, who is now enrolled in George Washington University as a sophomore.

Half Million Visitors Are Registered At State Parks During Past 3 Months

Nearly 500,000 people, during the past three months, have taken advantage of recreation facilities in eighteen state parks of Texas, where continued development is being carried on by the national park service and the Texas state parks board in a combined area that aggregates in the neighborhood of 325,000 acres. Civilian Conservation Corps labor is being used.

During the same period, there have been 260,000 visitors at four metropolitan parks the national park service is developing, with the Bachman-Whitlock park in Dallas leading. The attendance there has been 172,000. Lake Sweetwater ranked second among the metropolitan areas, with an attendance of 68,000, and Lake Worth, in Fort Worth, with an attendance of 17,000, was third.

McKenzie state park, near Lubbock, led all state parks in attendance, with over 237,000 visitors during the three-month period, ending September 1. Balmorhea was second, with 27,000; and Bastrop third, with 24,000.

There is being carried to completion a chain of recreational areas that state officials believe will go a long way toward solving the problem of what people can do with their leisure. In this connection it is pointed out that in the two years the present development program has been under way, Texas have become "park conscious," and are taking advantage of these facilities in increased numbers each month.

One of the outstanding parks in the nation, both in area and natural scenery, is the Big Bend State Park, in Southwest Texas. Covering over 250,000 acres, much of this vast wilderness was almost completely inaccessible when work was started on construction of roads and trails. A trail through rugged country to the south rim of the Chisos Mountains has unfolded a view that is somewhat comparable to the Grand Canyon—almost straight down 5,000 feet to the Rio Grande, and over mountain ranges into the Mexican states of Chihuahua and Coahuila.

The area now under development would form the nucleus of the proposed Big Bend national park, whose establishment has been authorized by congress after additional lands have been acquired by the state and ceded to the federal government. The bones of dinosaurs, and other relics that have been uncovered will make of this region, scientists say, one of the outstanding geological and archaeological classrooms of the world. The country has been described as being "alive" with various forms of wild life, including the Mexican cougar, black bear, deer, antelope, badger, peccary, fox, beaver, and raccoon.

SHERIFF'S SALE THE STATE OF TEXAS COUNTY OF MITCHELL

NOTICE IS HEREBY GIVEN That by virtue of a certain Alias Execution issued out of the Honorable County Court of Taylor County, on the 8 day of August, 1936, by W. P. Bounds, Clerk of said County Court for the sum of Two Hundred Sixty Six and 47/100 (\$266.47) Dollars and cost of suit, under a Judgment, in favor of The B. F. Goodrich Company, a corporation in a certain cause in said Court, No. 8590 and styled The B. F. Goodrich Company vs. John Brown, placed in my hands for service, I, R. E. Gregory as Sheriff of Mitchell County, Texas, did, on the 30 day of September, 1936, levy on certain Real Estate, situated in Mitchell County, Texas, described as follows, to-wit:

Part of Lot No. 2 in Block No. 5 of the Dunn, Snyder & Moor Addition to the City of Colorado, Texas, and being described as follows: Beginning at the N.W. Cor. of Lot No. 2 in said Block No. 5; thence South 150 feet; thence East parallel with the north line of said Lot No. 2 a distance of 200 feet; thence north parallel with the west line of said Lot No. 2 a distance of 150 feet to the north line of said lot; thence west with the north line of said lot No. 2 to the place of beginning, a distance of 200 feet and being a lot of land 200 feet east and west by 150 feet north and south and the same land conveyed to John Brown by D. H. Snyder and wife, Susan Snyder, by deed dated May 1st, 1926 and recorded in Vol. 57 page 419 of the deed records of Mitchell County Texas, here referred to for identification and levied upon as the property of John Brown and that on the first Tuesday in November, 1936, the same being the 3 day of said month, at the Court House door of Mitchell County, in the City of Colorado, Texas, between the hours of 10 A. M. and 4 P. M., by virtue of said levy and said judgment and said alias execution I will sell said above described Real Estate at public vendue, for cash, to the highest bidder, as the property of said John Brown.

And in compliance with law, I give this notice by publication, in the English language, once a week for three consecutive weeks immediately preceding said day of sale, in the Colorado Record, a newspaper published in Mitchell County.

Witness my hand, this 30 day of September, 1936.
R. E. GREGORY,
Sheriff Mitchell County, Texas.
By H. A. COOK, Deputy 10-16-c.

The 15,000-acre Palo Duro ganyon state park, in the Texas Panhandle, is another of the unusual areas under development. Work has been completed on the Coronado Lodge, built into a ridge of the canyon so that its roof from the lower level of the park, appears to form a portion of the canyon rim. Entrance roads have been completed to the park, and carried on down the canyon, so that principal areas in this scenic land have been made accessible. Trails lead to some of the more unique sections.

THEIR NAMES IN THE PAPERS

Being a Collection of Items From Other Papers About Present and Former Mitchell Countians.

Mr. and Mrs. Ernest Richardson and Mrs. Henderson, mother of Mrs. Richardson, have gone to Fort Worth and Dallas to attend the Centennial celebrations. —Big Spring Weekly News.

C. T. Caswell of Colorado was brought to Sweetwater hospital Wednesday for major surgery. He is reported in a satisfactory condition. —Sweetwater Daily Reporter.

U. D. Wulfjen of Colorado City has sold and delivered a string of yearling steers to Tom Donahue. —Sweetwater Daily Reporter.

Mr. and Mrs. Scott Robertson had as their guests over the week-end Mrs. Robertson's sisters, Mr. and Mrs. John Hazelwood and children of Spur and Mr. and Mrs. Harley Winkler of Dickens. —Dawson County (Lamesa) Courier.

Hon. W. P. Leslie of Eastland, judge of the court of civil appeals, spoke at the Monday noon Rotary club meeting on "Function of the U. S. Supreme Court as It Relates to the Government." —Nolan County News.

Fred Jones is dealing in some saddle horses that he brought from the Big Bend country. His brother, Otto Jones, is foreman of the old Spade ranch south of Colorado. —Sweetwater Daily Reporter.

Mrs. T. L. Beall of Colorado was admitted to the Sweetwater hospital Sunday for major surgery. Mr. Beall is connected with the Southwestern Bell Telephone company in Mitchell county. —Sweetwater Daily Reporter.

Local Policeman Outdistanced In Motor Car Race

Ft. Worth Trio Later Taken Into Custody At Big Spring Thursday Morning

Porter Mosley, member of the night police force, had another experience at fast driving at 4:30 Thursday morning of last week as he sought to arrest three motorists, wanted in Sweetwater.

Mosley received a telephone message from Sweetwater that the trio had just left a filling station there after filling their gas tank and speeding west without paying for the motor fuel. They were believed to be fugitives wanted by Texas officers.

The official drove east to near the cemetery and waited. In a few minutes his quarry sped by. Mosley followed, pushing his motor car up to 80 miles an hour through Colorado. He was outdistanced two miles west of the city. The fugitives, giving the names of Edward M. Kirkman, W. E. Stewart and Violet Stewart, all of Fort Worth, were arrested later in Big Spring after their motor car drowned out in high water, occasioned by heavy rains.

They were delivered later to Fort Worth police and returned to that city to face the charge of car theft.

THEATRE NEWS

BY SHERMAN HART, Asst. Mgr.

"TROUBLE FOR TWO"

Thursday—October 1st

Previous to his marriage to a princess of a neighboring kingdom, a prince goes to England, where he becomes involved in a "Suicide Club." He draws the ace of spades in the club rituals and is condemned to die, with a young woman as his proposed assassin. The girl refuses to kill him and it is disclosed that she is really the princess to whom he is betrothed, and that her joining the Suicide Club was merely to discover if the prince-member was a brave man or a coward. Players are Robert Montgomery, Rosalind Russell, Reginald Owen.

"SUZY"

Palace—Friday and Saturday

October 2 and 3

The story of a lively American chap and his girl caught up in a maelstrom of uncontrollable events. Jean Harlow, winsome and wise turning her charm on the screen's most handsome male stars—Cary Grant and Franchot Tone. A spy story and many exciting moments. Come and see it.

"FURY"

Palace—Saturday Midnite, October 3 Sunday, October 4

A powerful and impressive document in indictment of mob violence. Driving westward to meet his prospective bride, Joe Wheeler is jailed in a small town as a kidnap suspect. He is almost lynched, when by a miracle he escapes from a burning building set fire by an angry mob. Joe goes in hiding and swears revenge on the society that wronged him. As he is believed dead, he prevails on his brothers to swear out murder charges against the lynchers, who are tried and convicted. Joe relents and returns from the dead, exonerates the accused, and leaves himself to the mercy of the court as he is rejoined by his fiancée. Players are Spencer Tracy, Sylvia Sydney, Esther Dale.

"HOT MONEY"

Palace—Monday Only, October 5

"Get-Rich-Quick-Wallingford" type of film with a modern setting, a competent cast, written and directed to 300 laughs-an-hour speed. Ross Alexander is a high-powered promoter who, being released from prison where he has been incarcerated because of a phoney stock deal, undertakes to sell millions of shares in a process which changes water into gasoline. This venture is on the up-and-up, but the scientist disappears and Ross finds himself in a tough spot. Everything comes out alright when the scientist is found. Players are Ross Alexander, Beverly Roberts, Joseph Cawthorn, Paul Graetz.

"LAWLESS NINETIES"

Ritz—Friday-Saturday, Oct. 2 and 3

The story of those turbulent days when Wyoming was still a territory seeking admission to the Union as a State is ideal material for this higher type Western which will furnish exciting entertainment for audiences everywhere. The upstanding young John Wayne is seen to advantage as a government man assigned to stop the reign of terror which is driving out the old settlers. He is aided by a fiery old Southerner and his pretty daughter who have taken over a small-town newspaper. Players are John Wayne, Ann Rutherford.

"TRAIL OF THE LONESOME PINE"

Ritz—Sunday-Monday, Oct 4 and 5

Outstanding triumph in natural color. Sylvia Sydney is the mountain girl, Henry Fonda the feudist, Fred MacMurray the engineer, and Fred Stone head of the Tolliver clan. Excellent cast, masterful production and the last word in scenic beauty. The screen version follows the stage play very closely.

Harvest time is subscription-paying time.

PENNEY'S

J. C. PENNEY COMPANY, Incorporated

PICKED UP ALONG THE NEWS PATH

Those who had their radios turned to Mineral Wells last Friday noon heard the voice of a former Coloradoan, Mrs. J. Fred Mercer, on the Cruzy Wells Crystals program. Mrs. Mercer, incidentally, has been made secretary of the Presbyterian church at Mineral Wells.

Losing her last \$10 just before starting home put rather a bitter climax on Mrs. J. G. Merritt's recent trip to Nashville, Tennessee, and Centennial exposition in Dallas. She lost the money somewhere in Dallas. When she opened her purse to buy her ticket home the money simply wasn't there—and even if you've never lost any money you can imagine how much fun that was.

Among the other newcomers whom we hope to introduce in future paragraphs are Mrs. Wayne Gound, Mrs. Jack Christian, Mrs. Adrian Clark, Mrs. Ferris Bass, and others.

I'd like to have: A talking voice like Jo Wyatt's... A disposition—and a chuckle—like Thelma McSpadden's... Hair like that of Gladys Louise Jones... Eyebrows shaped

like those of Loyse Price... The piano-playing ability of Reta Mae Arnold... The entire naturalness of Mrs. C. A. Wilkins when she sings...

The names of several newcomers to Colorado will appear from time to time in the society and local columns of the Record during the current season because these women have been elected to membership in several of the social and study clubs and have joined the church organizations.

Here are brief introductions to two of these women: This striking brunette is Mrs. A. R. Norred, who has lived in Colorado off and on for the past year... She and Mr. Norred, who is employed at Mills Chevrolet, came to Colorado the first time early this year, but were forced to go away for a time because of Mr. Norred's health... When she lived in Snyder Mrs. Norred was president of the Alpha Study club... Among her domestic accomplishments is the ability to do beautiful and intricate knitting... The Norreds have a son, Billy-Dick, who is nearly seven and who is starting to school this

year—a nearly red-headed, entirely alive youngster...

Meet Mrs. W. W. Rhode, newly elected associate member of the 1921 Study club... Mrs. Rhode, a sister of Mrs. George Mahon, is the mother of Colorado's newest physician, Dr. Wm. S. Rhode, and lives with him in Mrs. Mattie Merrell's apartment... Reared in Floresville, Texas, Mrs. Rhode lived in Austin, George West, and Alice before coming to Colorado not long ago... She lived the longest time in George West... In Alice she was active in both social and club work...

ATTENDS WEDDING

Mrs. D. M. Logan was in Big Spring Monday to attend the wedding of her niece, Miss Peggy Boykin, to Mr. Ray Kitchens. Both young people are from Fort Worth. The bride is the daughter of Mrs. Logan's sister, Mrs. C. A. Boykin of Big Spring who has visited here frequently.

GREGORY'S VISIT SON

Mr. and Mrs. Dick Gregory, Clarence Gregory, and Mary Jo Gregory were in Canyon during the week-end to visit Clyde Gregory, who has enrolled in West Texas State Teachers college there.

GARRETT'S TAKING SERUM

Following word from Austin that their pet dog, which died last week, showed signs of having had rabies, four members of the W. H. Garrett family began taking the anti-rabies serum. Mrs. Garrett, Nedda Garrett, J. C. and Charles Garrett are the four being treated. Mr. Garrett is not being treated because he did not handle the dog prior to his death.

TO CENTENNIAL

Rod Merritt left Thursday morning to visit Dr. Brooks Bell in Dallas and attend the Centennial. Merritt is on his vacation from the WPA district office in Abilene.

Nervous, Weak Woman Soon All Right

"I had regular shaking spells from nervousness," writes Mrs. Cora Sanders, of Paragould, Ark. "I was all run-down and cramped at my time until I would have to go to bed. After my first bottle of Cardui, I was better. I kept taking Cardui and soon I was all right. The shaking quit and I did not cramp. I felt worlds better. I gave Cardui to my daughter who was in about the same condition and she was soon all right. Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician."

THIRTY MILLIONS GIVEN AS AGED PENSION COST

Under its present liberal plan of operation, the Texas aged assistance act will cost the huge sum of \$30,000,000 annually, Orville S. Carpenter, State director, outlined in statement to Governor Allred at Austin Monday. Under the present plan of financing, Carpenter described a deficit of \$12,000,000 in paying the obligations.

MRS. SNYDER TO SPECIALIST

Planning to consult a heart specialist in Dallas, Mrs. D. H. Snyder left Thursday with Mr. Snyder to be gone three or four days. Mr. Snyder will also attend to business in Fort Worth while they are away.

TO VISIT IN AUSTIN

Mrs. Jake Richardson and little son plan to leave the latter part of the week to visit Mrs. Richardson's mother in Austin for about two weeks.

INTEREST TO CENTER ON B CONFERENCE CONTESTS

Due to enviable status already established by four Class B teams in this area considerable interest will be attached to contests set for Friday. The Rotan-Snyder tilt at Snyder Friday night will bring two of the strongest clubs of the conference together. Roscoe, the district favorite so far, is to engage Spur in a non-conference mele.

VISIT CENTENNIALS

Mr. and Mrs. Earl Burgoon and Mr. and Mrs. Clarence Gross and son, Malcom, returned Tuesday morning after spending the week-end at the Centennial celebrations in Ft. Worth and Dallas.

BUSBEE-ANDERSON

A marriage license was issued in Big Spring to John Busbee and Mrs. Ollie Anderson, both of Colorado, according to the Big Spring Daily Herald.

Arnett-McLarty To Have Part In Used Car October Sale

Local Ford Dealers Looking To Good Business In That Line During The Month

With the announcement that all Ford dealers in the United States are joining during the month of October in a Nation-wide used car clearance sale, John Arnett of the Arnett-McLarty Motor Company, announced Thursday that the local dealership has made complete preparations for active participation in this Nation-wide Ford dealer activity.

"This type of Nation-wide clearance sale," said Mr. Arnett, "is something new and unusual in the automobile industry. We are joining the rest of the Ford dealers throughout the United States in inaugurating this new movement, and we expect that our share of the sale will produce the largest volume of used car sales in our history."

"We feel that hundreds of persons now driving cars that are growing more costly to operate and losing in trade-in value daily will take advantage of this October sale, with the new low prices and unusual bargains offered, to obtain better transportation for winter."

"Many of the used cars and trucks in our stock bear the famous Ford 'R & G' emblem, which means they have been renewed and bear our written guarantee."

NOT POLITICS, BUT WOLF HUNTING HELD INTEREST

Col. W. A. Dulin, Everett Winn and Bud Etheridge were not analyzing the National political situation as they brought their heads together in interested conversation on a Colorado street Tuesday afternoon. They had other and more important things to talk about. And it is needless to state they were off to the open spaces on a wolf hunt shortly afterward.

COACH CHRISTIAN TALKS ON REVISED GRID RULES

Coach Jack Christian addressed the Lions Club Friday on rules to govern football during the present season. There are a few changes that fans from the sidelines are going to notice as games are played, he stated. In general there are few changes from regulation football of last year.

VISITS IN LAS CRUCES

Miss Hettie Adele Hutchinson, who is employed in the office of B. J. Baskin, county agent, returned to her work Thursday after a week's visit with Mr. and Mrs. Homer Hutchinson and little daughter, Adele, in Las Cruces, New Mexico.

Cotton Grades Are Declining Rapidly, State Report Says

Strict Middling and Higher Grades Represent Only 27 Per Cent Of Offerings

The grades of cotton for the week ending September 26 were outstandingly lower than those of the previous week. Strict middling and higher grades represented slightly less than 27 per cent this week compared with 42 per cent the past week and 40 per cent for the season. Middling cotton likewise decreased to 30 per cent from about 32 per cent last week. One-third of the Texas cotton crop to date this season has been middling in grade. The grades strict low middling and low middling increased moderately this week to 17 per cent from 13 per cent the past week and to date.

A pronounced increase in spotted cotton was reported over last week, with strict middling and good middling spotted representing nearly 13 per cent against eight per cent last week. Middling spotted increased sharply from four per cent the previous week to 13 per cent this week. Approximately eight per cent of the cotton classed to date has been strict middling and good middling spotted; four per cent has been middling spotted.

Staple lengths averaged much shorter last week than the week before as indicated by much larger proportions of 7-8 inch staple. This length represented 51 per cent for the current week against 40 per cent last week and 32 per cent for the season. Smaller proportions of 15-16 inch cotton were shown over the previous week, the comparison being 32 to 39 per cent. Inch staple also decreased substantially, representing slightly over three per cent this week compared with eight per cent the previous week. Approximately seven per cent of the crop to date has been shorter than 7-8 inch, 42 per cent 15-16 inch, 17 per cent one inch, 2.5 per cent 1 1-16 inches and longer.

MIDLAND BAND AND PEP SQUAD REFLECT CREDIT

The attractive and serviceable uniforms furnished boys and girls in personnel of the Midland pep squad and band, here Friday afternoon and night for the Wolf-Bulldog clash, reflected credit to the school spirit in that progressive West Texas community. Appearance of the two units in the downtown parade Friday afternoon and later during the game at Cantrill Field elicited praiseworthy comment by Coloradans.

HAROLD BRENNAND HERE

Harold (Douglas) Brennand arrived Sunday night from Houston to spend a two-week vacation here, visiting his family, the R. H. Brennands, and looking after his livestock interests in this section. Brennand holds an important position with the California company's office in Houston.

Hints To Gardeners

By Gordon Morrison
Breeding Expert
Ferry Seed Institute

Miscellaneous Hints

FLOWERS: Most flowers should have little or no artificial watering until they are at least half grown.

When watering is begun, lay the hose on the ground and soak the soil between the rows. Sprinkling requires the use of more water and is less thorough.

To get better and larger blossoms, cease watering when buds appear.

For a continuation of bloom, pick flowers regularly. This is most important with sweet peas and pansies, less so with petunias.

VEGETABLES: Avoid the common mistake of Americans of letting vegetables grow too large before picking. Younger vegetables are more tender, more nourishing and more palatable.

With a large percentage of the vegetables, get them while they are yet in the full flush of growth. Root crops—radish, carrot, beet—are at their best when hardly half grown.

Pick peas just before pods fill out completely. Pick corn just at the "milk" stage, that is, when the kernel, gouged with the finger nail, yields a milky juice. Use Summer squash when small, just after the bloom has dropped off.

Other vegetables, of course, should be allowed to mature more completely before using. Tomatoes should be ripened well on the vine, as should winter squash. Cantaloupe are at their best when they need not be pulled from the stem, but roll off the vine at a touch.

There are exceptions to many of these rules of course. Some may wish to use green tomatoes for special dishes or for canning, or they may wish to allow beans to grow to the dry bean stage.

The Year's Best Used Car Values —DURING OUR— October Used Car Clearance Sale

HERE'S YOUR CHANCE OF A LIFE-TIME!

Make no mistake about this—October is the month to buy a better used car for Winter driving and our used car lot is the place to buy it.

See us for just five minutes, and you'll know you can't afford to drive your present car a minute longer.

If you don't believe that, come down to the greatest used car sale is history—in progress all through October

You'll see the car you need at less than you ever expected to pay. Your car isn't getting any younger. Trade it in now—when it has the highest trade-in value it will ever have.

Famed Parachute Jumper Slated To Be Here Sunday

Fav. Lucille Cox Coming To Colorado Under Auspices Of Boy Scouts

By special arrangement through the Boy Scouts of Colorado, Fave Lucille Cox, who was featured at the National Air Races in Los Angeles, will appear in Colorado next Sunday to perform the same sensational stunt which held three hundred and fifty thousand people spellbound and breathless at the races. Miss Cox, who was rated by the National Aeronautical Association as America's No. 1 lady parachute jumper, has gained fame the world over for her free fall parachute jumps and will demonstrate her ability here Sunday by "bailing out" from an altitude of ten thousand feet and falling to within one thousand feet of the ground before pulling her rip cord.
Miss Cox made her first leap in Vernon, Texas, in 1930 and since that time has made 313 jumps, the lowest from 750 feet, the highest from 18,256 feet.
Miss Cox is en route to Miami,

Florida, where she will participate in the All-American Air Races to be held in December.

In addition to this spectacular feature of the show, you will see an exhibition of coyote shooting from an airplane, a novelty act and a demonstration of licensed parachute packing.

This five-act show is being brought to Colorado by the local Boy Scouts who will receive a liberal share of the gate receipts and who deserve your hearty cooperation.

The air show is scheduled to begin promptly at 4 p.m. to enable all baseball fans to hear the World Series.

Gate admission to the show will be 50c which will admit your car and all occupants.

Remember, the show begins immediately following the World Series game.

SECOND FLOOD RAGES IN ANGELO LAST SATURDAY

The two Concho rivers which run through San Angelo again raced through that city Saturday to record flood damage for the second time within nine days. The high waters, however, receded during the afternoon without taking heavy damage to property. Recent estimate on flood damage in the Concho city from major catastrophe on September 17 is \$5,000,000.

County Officers Of Howard Do Battle To Settle Dispute

Judge and Commissioner In Exchange Of Blows After Court Room Quarrel

A long series of differences between County Judge J. S. Garlington of Howard county and members of the commissioners court, climaxed Wednesday afternoon in an affray between the judge and Commissioner J. S. Winslow. The commissioner said a fine for affray, while Garlington asserted he was dining Winslow \$100 and costs for contempt of court and striking the judge in open court.

Asked what court, the judge replied, "county court," although the incident occurred during a hearing of the commissioners on a proposed budget. The judge opposed a move of the commissioners to provide for special oil valuations in a proposed budget. Argument developed and after heated words, he and Winslow exchanged blows.

No charges were made against the judge, who later said he was also fined County Clerk R. L. Warren and County Attorney Wilburn Barcus \$100 and costs for contempt of county court when they did not enter an order against Winslow or draw up a "complaint" at the judge's command.

This was the second altercation for Garlington in six months. He was fined \$25 and cost in justice court for affray with Warren on June 9. The judge appealed to his own court and wrote an order for dismissal.

MELBA SLATON CHOSEN FOR SPECIAL CIA CHOIR

Miss Melba Slaton of Colorado, a freshman in C. I. A. at Denton this year, has been chosen as a member of a special college choir of twelve voices.

The selection was made from the 200 girls who compose the C. I. A. Choral club. As a member of the special choir Miss Slaton will get to make a number of interesting trips during the year. Voice requirements for admission to the choral club are strict, and those for the special choir are much more so.

NO TIME FOR BUSINESS AS SERIES TILT OPENED COLONEL ADAMS SAYS

"There is a man looking for you and suggests that you meet him at the bank after 12 o'clock. He wants to pay you a financial obligation," H. L. Hutchinson suggested to his friend, Col. C. M. Adams, Wednesday just before noon as he noticed the Colonel starting toward his home.
"Well, you may tell him that I will not be there," retorted Colonel Adams, a smile beaming over his face. He was on his way to take up position before radio in his living room to hear broadcast reports on the world series game, to open in a few minutes at Polo Grounds, New York.

OPENING PROGRAM IS HELD AT LONGFELLOW

The opening program of Longfellow school was held Monday morning with talks by the following as program features:
J. H. Greene, secretary of the Colorado chamber of commerce; Roy Davis Coles, county superintendent of schools; C. L. LeFevre and Charles Ezell, trustees; B. D. Smith, Jr., principal.
Longfellow's faculty, composed of Smith and Miss Princess Martin, both of Lorraine, is new this year. About 15 patrons attended the school opening.

PAROLED CONVICT TRIED ROBBERY OF BAIRD BANK

H. L. Meyers, paroled Texas convict, was arrested near Baird Friday morning a few minutes after his attempt to rob the First National Bank there had failed. An officer of the bank grabbed a pistol and began firing point blank at the would-be robber after Meyers had shot another person inside the building. The man fled and was given chase by a rancher who happened to be driving along the street with a .30-30 rifle in his car.

YELL LEADERS' NAMES OF CHS ARE CORRECTED

The names of Colorado High school's yell leaders as given in last week's paper were erroneous.
The list should have been as follows: Katherine Hodges, Mary Frances Smith, Fannie Mae Porter, and J. W. Hodges.

PRESENT COTTON SEASON EARLIER THAN FOR 1935

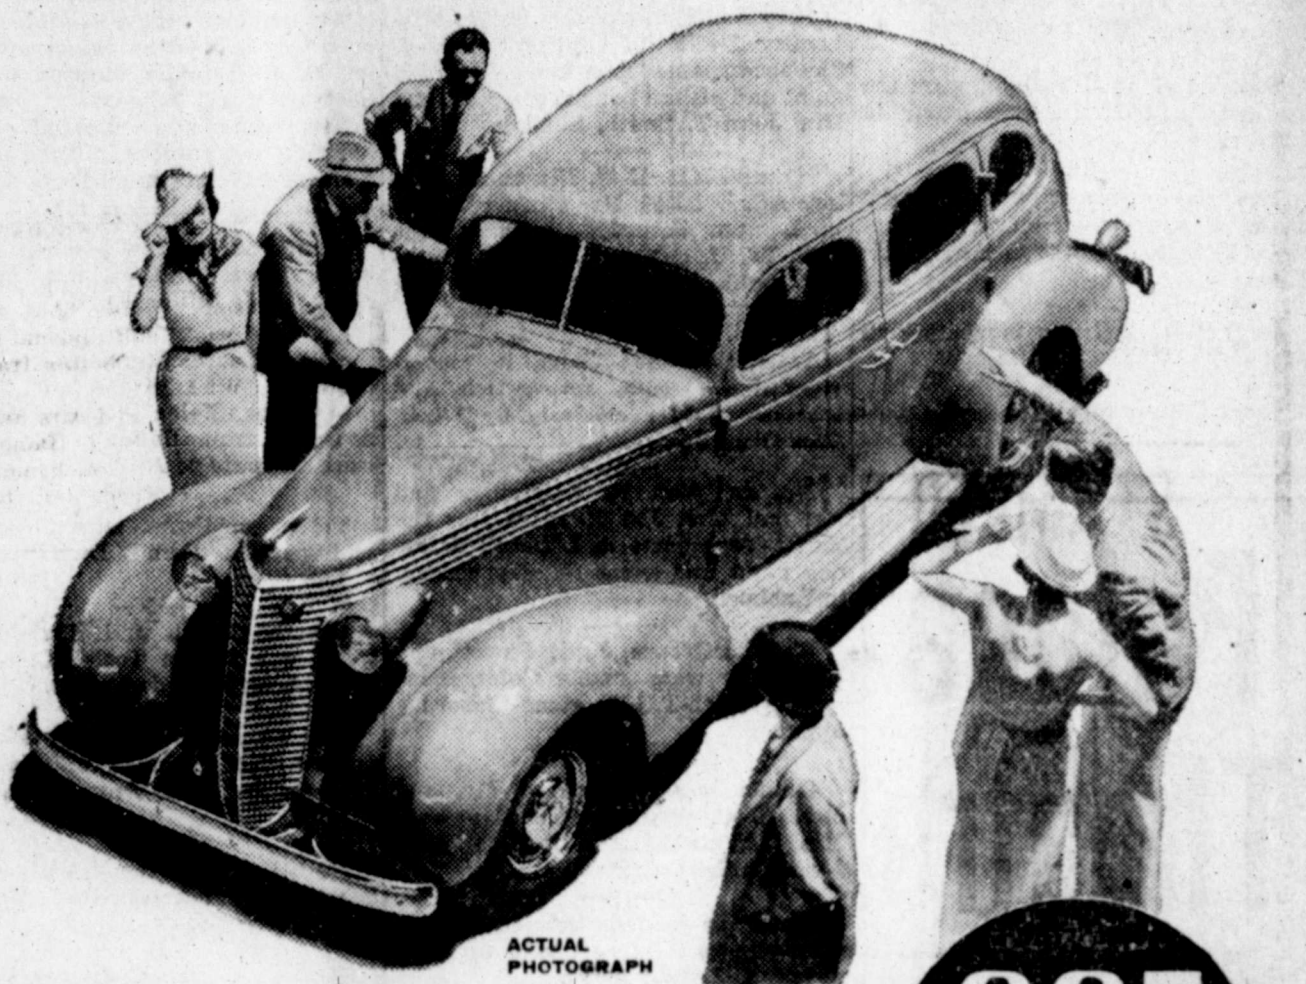

There were 2,696 bales of cotton ginned in Mitchell county from the crop of 1936 up to September 16, compared with only 15 bales reported for the same date last year, the Federal bureau of census states in an announcement received Tuesday afternoon by The Record.

Total Precipitation Tagged Ten-Years-Ago Aggregate By Only .04 Of One Inch

September rainfall as registered by the chamber of commerce came within four one-hundredths of an inch setting an all-time record for Colorado. During the month 8.92 inches fell here. In September, 1925, there were 8.96 inches, the aggregate was 8.96 inches.
September, 1915, is given third place in the rainfall marathon, with a total of 6.58 inches. There have been these fall months during the past 26 years, since records were kept, in which no rain at all was recorded.
The September rain exceeded by 2.61 inches total moisture received during the previous eight months of the year. Only 6.31 inches fell at Colorado in the period of January 1 to August 31, inclusive.
Your son or daughter, away from home at college will appreciate The Record. Special prices are being offered on this newspaper for nine months.

Week-end Specials. Come in and get benefit of these bargains. John L. Doss Pharmacy. Itc.

Texas Bank Bandits Are Finding Their Occupational Hazards More Difficult

Robbing a bank in Texas these days is about as safe as walking through a Spanish rebel camp in red flannels.

The law, of course, is tough, but what really makes a bank stickup six degrees more dangerous than drawing to a three-card flush is the temper of Texas citizens.

Three times during the last five weeks robbers have tried their own versions of share-the-wealth programs on Texas bankers. One man escaped with slightly more than \$1,000. The others obtained nothing, and are meditating in jail cells on the advantages of and to accrue from digging ditches for a living.

August 1 three escaped Arkansas convicts, Charles Chapman, D. H. Lindsey and Buddy Sadler, topped a series of law violations in East Texas by pointing guns at officials of the First National Bank at Atlanta and asking for a \$1,000 loan.

The bankers refused—violently. A customer stepped on an alarm. Cashier R. C. Dunklin stepped out the back door and yelled.

The result approximated a cross between bargain day in a department store and the scramble for a fumbled

football. Chapman and Lindsey liked it not. They left. Sadler liked it less. He left, too, taking with him the automobile in which he had waited for his companions.

Tom Johnson, hardware man, unlimbered a rifle. His first bullet rendered Chapman uninterested in further immediate developments.

Lindsey ran, pursued by a howling mob. Bullets spurred him toward a new Olympic dash record, but there too many chasers for one man.

Sadler's freedom was short lived. He escaped the angry citizens, but was arrested by officers several days later.

Clifford Jones, assistant cashier, and Larmar Henry, a cattleman, made furloughed Texas convict H. L. Meyers regret exceedingly an attempt to loot the Baird National Bank Sept. 25.

Jones thought Meyers had killed his brother, R. F. Jones, and hungered for the interloper's blood. The little cashier snatched a pistol from a rack, drove the would-be robber from the bank, chased him down the street and threw the gun at Meyers when it was empty.

Meyers concluded he had picked on the wrong man. He started his car and fled.

It was a good idea, but fate, in the person of Henry, intervened. Henry heard Jones' choice expletives tossed in the fleeing convict's direction and gave chase. He threw several heavy rifle bullets toward the quarry, just to make it interesting.

Meyers turned up a blind lane and Henry, knowing escape was cut off, stopped his car and waited. Officers joined him. When Meyers came back it was with hands upraised.

"It's a funny country," he complained. "When you say 'Throw up your hands, this is a stickup,' they start shooting at you."

More fortunate than the others was the robber who looted the Grand Prairie State Bank of \$1,362 Sept. 1. He escaped and is still at large, but he was a little nervous. When he turned a corner toward Irving the car was traveling so fast it balanced on two wheels.

During days of the fast moving Hamilton-Barrow bank robbery gang it was different. People had little to say during a holdup. Now either the criminals are softer or the public has rebelled.

As Meyers said: "I fought in the trenches in France. That was a breeze."

MRS. JACK BOURLAND, FAIRVIEW, MAKES RUG

"You can buy as many as 20 strands but I am using 8 strands in the cotton rug that I will use by my bedside," says Mrs. Jack Bourland, bedroom improvement demonstrator for the Fairview home demonstration club.

Mrs. Bourland's rug will not cost any money, just the time it has taken her to make it. Discarded cotton clothing was used in the rug of mixed colors. It is one continuous braid and will be whipped together making an oval rug 18x36 inches. Mrs. Bourland will have her improved bedroom ready for Achievement Day, October 30th.

SPECIAL LEGION TRAIN HERE SATURDAY MORN

A special train carrying Legionnaires homeward bound from the recent international convention in Cleveland, passed through Colorado Saturday morning. One of the veterans aboard stated that the Cleveland meeting would be remembered as one of the most constructive in history of the American Legion.

OSCAR MAJORS ATTENDS OPTOMETRISTS' MEETING

Oscar Majors, local optometrist, was in Abilene Monday to attend the monthly meeting of the Optometrist association of Zone 4 at the Hilton hotel.

The west part of the zone will meet in Big Spring on October 15, Mr. Majors says.

MATTRESSES

For 30 days beginning October 1st we will give FREE 2 gallons of gas with first Mattress, one gallon with each additional Mattress. This does not apply to parties holding our deposit tickets.

You must bring your mattress 3 miles or more. We are here 12 months in the year to stand behind our work. Not here three months and gone.

CRIPPLED WOLF SQUAD TO ENTER CONFERENCE ARENA AGAINST BULLDOG ELEVEN

Loraine Lads Said To Be In A-1 Condition For Battle At Cantrill Field Friday; Rankin Will Not Play

It will be a crippled Wolf eleven that meets Newby Pratt's Loraine Bulldogs here Friday night when the two Class B teams do battle in their first conference contest. The Colorado schoolboy club will have to engage the visitors without the help of Captain Rankin, best man on the squad, who will be out due to shoulder injuries received during the Colorado-Midland clash last Friday night.

Billie Miller, who has been playing at tackle position, will be shifted to the fullback post, formerly occupied by Rankin. There are to be other changes in the starting line, Coach Jack Christian announced Wednesday afternoon.

Loraine expects to send a large delegation of fans to Cantrill Field for the melee. The Bulldogs are still feeling effects of their sweeping victory over Coahoma last Friday when the Loraine team routed their opponents 27 to 0. Three weeks ago Loraine held the powerful Post team to a 13-0 lead.

An indication of Loraine's powerful backfield may be seen in fact that Bo Briens, playing at fullback position, towers 6 feet 1 inch and weighs 205 pounds and Chubby Jones, Bulldog quarter, tilts the scales at 190 pounds. The visitor's backfield will average 165 pounds.

In game between the two teams last year, Colorado defeated the Bulldogs by only 13 to 6. "We are going to invade Colorado Friday night expecting to turn the tables and take victory as our own this time," an ardent Bulldog fan told The Record late Wednesday.

Coaches Christian and Clark, however, have a different aspect on the initial conference game. That the Wolves are due to win is accepted in veiled frame, however.

Coloradoans are being urged to support the Wolves in this game. Advance ticket sales have been satisfactory, Principal C. A. Wilkins stated Wednesday noon. Fair weather is expected, a condition that will encourage fans to witness the game.

Superintendent Forrester of the Roby schools, and Coaches Smith and Daniels of that school, are to be the officials. The kick-off will be at 8 o'clock.

The following line-up will start the game for Colorado:
Ends, Carter and Burdine; tackles, Dockery and R. Smallwood; guards, Dunlap and King; center, Wood; halves, Cox and Greener; full, Miller; and quarter, Mallard.

SEVEN COUNTY SCHOOLS GIVEN NYA ALLOCATIONS

Seven public schools of the county have been notified that their applications for student aid employment have been approved by Lyndon B. Johnson of Austin, State NYA director. The schools are Colorado high, Loraine high, Lone Star, Silver Valley View, Westbrook high, and B. T. Washington negro school at Colorado.

Midland Paper Is Sore At 'Partisan' Football Officials

Claims That Unfair Penalties Held Bulldogs In Check Is Made By Daily Reporter

The Midland Daily Reporter-Telegram is sore at officials in charge of the Wolf-Bulldog game at Cantrill Field Friday night. The score of seven to nothing would have been much larger, the paper states in its Sunday morning edition, had it not been for penalties inflicted by a "partisan group of officials."

"Time after time the Bulldogs marched into enemy territory only to see penalties from partisan officials push them back into their own territory," to quote from the article. "The opposing line was consistently hit all night for gains ranging from 5 to 30 yards but the constant issuance of penalties kept the Bulldogs from cashing in on the gains."

Another ill feature of the contest, the Midland newspaper would infer, was in fact that as the half ended Midland had the ball on Colorado's one-yard line "with a series of downs left to go."

HANSON FAMILY HOME FROM CORPUS CHRISTI

After an absence of over six weeks, Rev. and Mrs. Alex B. Hanson and family returned to their home in the rectory of All Saints' Episcopal church last Thursday evening. While in the coast city the Rev. Mr. Hanson was supply rector for the Church of the Good Shepherd.

The Hansons were accompanied home by Mrs. Hanson's mother, Mrs. Frank C. Gordon. Mrs. Gordon and the Hansons' daughter, Howard, had been in Corpus Christi, guests of Jamin Gordon and family, for two months before Rev. and Mrs. Hanson and son arrived.

Rev. and Mrs. Hanson and family lived in the rectory of the Church of the Good Shepherd while the Rev. Mr. Hanson supplied for Rev. W. C. Munds. While there they had as their guest for 10 days the Rev. Wm. H. Martin, Episcopal rector at Stamford.

REV. GARRETT, FORMER PASTOR, VISITS IN CITY

Rev. W. H. Garrett, pastor of First Baptist church here several years ago, spent a few hours in town Monday greeting friends. Accompanied by Mrs. Garrett, they were here from their home at Portales, New Mexico. Rev. Mr. Garrett left Colorado in 1919 after having filled pastorate of the Baptist church 18 months.

FLOOD WASHED HOUSES LAND ON HIS PROPERTY

Bob Mauldin, Brown county farmer residing on the Colorado river near Winchell, states that ten or twelve houses, presumably from the San Angelo flood area, were washed up on his place the other day as rising waters of the river receded. The farmer and his wife were forced to remain high in trees for safety during seventeen hours after waters inundated their farm.

PROPOSED SPECIAL TO NOT BE OPERATED C-C LEADERS IN FOUR CITIES ANNOUNCE

Public Not Interested, State Ticket Sellers After Drive Had Been Conducted; 2nd Time For Plan To Fail

For the second time within a few weeks announcement has been made that plans for operating a special train to the Dallas and Fort Worth Centennial attractions have been cancelled. Non-interest upon part of the public has been assigned as the reason in both instances.

Monday chamber of commerce officials at Colorado, Snyder, Sweetwater and Big Spring issued statement that the proposed "Mid-West Texas Special," scheduled to be operated to Fort Worth Saturday morning, would not be considered further. The announcement came out of Big Spring after Colorado, Snyder and Sweetwater had informed W. T. Strange, secretary of the chamber of commerce, their quota of tickets had not been taken.

A few weeks ago Colorado and Snyder undertook to interest citizens of Mitchell and Scurry county in a special train to the Centennial exhibitions. This train was to have been operated on schedule leaving Colorado on night of September 12 for Dallas and to have the delegations in Fort Worth September 14, designated as "Colorado Day" and Snyder Day" at the Frontier Centennial.

The projected train to leave Saturday morning would have arrived at Fort Worth in time for passengers to witness the TCU-Arkansas football game at Frog Stadium. The Dallas Centennial was to have been visited Saturday night and Sunday, the train returning to Fort Worth Monday noon. After a visit at the Frontier Centennial that afternoon and evening the delegations would have been returned home early Tuesday morning.

"It is not so much a non-interest condition here. We have found that the people upon whom we usually rely to put over such objectives have already visited the Centennial attractions," was stated by Jim Greene of the local chamber of commerce. "Colorado would have easily sold her quota had it not been for that fact."

OFFICIALS ELECTED BY METHODIST S. S. CLASS

The following officials have been elected by the Young Men's Bible class of First Methodist church, for the new conference year:
President, L. B. Elliott; vice president, Dr. R. D. Bridgford; secretary-treasurer, J. C. Richardson; teachers, T. W. Stoneroad, C. C. Thompson, B. L. Templeton, R. H. Ratliff, E. H. Winn and George Mahon.

MRS. TEMPLETON IS TEACHING AT DORN

After a two-year rest from teaching duties because of ill health, Mrs. Benton Templeton returned to work Monday morning in her old position at Dorn school.

Mrs. Templeton was elected to take the place of Lawrence Snively, who resigned to become teacher of public school music and band director at Loraine High school. Snively succeeded Mrs. Templeton when she resigned nearly two years ago.

MITCHELL COUNTY BOYS SOUGHT FOR U. S. ARMY

Enlistments from Mitchell county in the U. S. Army are invited, Neal F. Marshall, substation commander of the recruiting station in Sweetwater states in communication to this newspaper. The recruiting officer will be pleased to furnish information relative to enlistment, it was stated.

COUNTRY CLUB LAKE IS FULL AFTER THE RAINS

The lake at Country Club was running water around the spillway Monday morning, a fact that occasioned smiles on faces of officials of the resort property. Before the recent rains the lake had about dried up, lending fear that fish in the body of water would be lost.

THOMAS D. G. COMPANY BUILDING IS IMPROVED

Building occupied by the Thomas Dry Goods Company on East Second street is being improved this week. A new awning is being built by owners of the property and new paint is to go on front of the store.

The Record Starts 32nd Year With Same Management

Whipkeys Have Continued At Helm Of Publication Since October, 1905

The Record today starts its thirty-second, continuous year under management of the Whipkey Printing Company, a name that through near a third of a century has been synonymous with the best in newspaper and commercial printing in this section of the State.

The publishing firm was formed by two brothers, Fred and Abe Whipkey, who came to Colorado from West, near Waco, where they had previously been in the newspaper business. They worked together under the common goal of building a weekly newspaper that would reflect credit to this city and section through a number of years when Abe Whipkey retired, selling his equity in the business to Fred and his son, Walter.

During recent years Walter Whipkey has been at the helm, taking the executive position held by his father. There has been no deviation, however, from the original determined will that The Record should be issued as a newspaper to be appreciated by its constituency.

"As we enter another year, our ambition to improve the paper, both as an advertising medium and news source, shall remain as evident as during the years of the past," Walter Whipkey declared Monday morning.

LAWRENCE SNIVELY IS ELECTED AT LORAIN

Lawrence Snively of Colorado, member of the Dorn school faculty, last year and so far this year, began his duties as band director and teacher of public school music in Loraine High school Monday morning.

Snively attended Texas Tech last summer, taking a special band directors' course. His place at Dorn is being filled by Mrs. Benton Templeton, whom he succeeded two years ago.

VICTIM OF ACCIDENTAL GUN SHOT GIVEN RITES

The body of Mrs. Doris Webb Hanson, 25, of San Angelo, was shipped to Big Spring Monday for burial. Mrs. Hanson died Saturday in a Fort Worth hospital of a pistol wound inflicted accidentally at a hotel there Friday, soon after she and three companions had come to Fort Worth for a week-end visit at the Frontier Centennial.

SCOUT OBJECTIVE GIVEN PRAISE DURING ADDRESS

Objectives of the Boy Scout program in this county were detailed during an address before the Lions Club Friday by Dr. W. B. May, executive of the Mitchell county district, Buffalo Trail Council. He made reference to plans for extending influence of the organization to include many more boys of this and other communities of the county and pled for cooperation upon part of Colorado citizens.

SUPPORT GIVEN CLUB IS APPRECIATED BY SCHOOL

Support given the Wolves in initial home game played Friday night with the Midland Bulldogs is sincerely appreciated by members of the squad, their coaches, faculty members and the student body, C. A. Wilkins, high school principal, stated Monday afternoon. "We are grateful for the fine spirit of cooperation shown," he stated.

DUNN PREACHER LOOKING TO ANOTHER GOOD YEAR

Rev. Albert Click, pastor of Methodist churches at Dunn, Buford and Ira, spent a few hours in town Monday. During the past two years Click has been among first Methodist ministers of the Northwest Texas Conference to report his benevolence collections all paid. He expressed confidence that he would again attend annual conference in position to report such a record.

ABILENE RADIO STATION GOES ON AIR THURSDAY

Station KRBC, owned and operated by The Reporter Publishing Company at Abilene, made its debut Thursday afternoon at 6 o'clock when a continuous program to last 30 hours opened. Studio for the station is in the Hilton Hotel building.

Methodist Women Hear Report Of Their President's Trip To Nashville, Tennessee

The story of her visit and study in Scarritt college at Nashville, Tenn., was told by Mrs. J. G. Merritt, president of the Methodist Women's Missionary society, at the society's meeting at the church Monday afternoon. Mrs. Merritt returned from Nashville last Thursday.

Recalling how Scarritt college was built by Southern Methodist women for the education of their missionaries all over the world, Mrs. Merritt told of the young women enrolled there from China, Korea, and all over the south. She told of her four days study in the "School of Christian Living." This study began each morning with worship and meditation on the "Inner Life of Jesus," Dr. Lester Rumble leading.

Addresses and discussions on "Jesus' Evaluation of Personality" by Dr. A. E. Barrett, teacher of Bible in Scarritt college, followed. In the afternoon addresses Dr. Arthur Raper, government research secretary, talked on "Our Forgotten Folks." Bishop Paul Kerry preached each evening on "The Present Day Challenge to Christian Living." On Sunday the sermon was by Dr. Elza Jones, president of Fisk University, who told about "My Experience of God."

The business session followed Mrs. Merritt's talk. Before going into the business a prayer was offered by Mrs. W. H. Garrett.

Circle leaders reported their plans for fall work. The circles of Mrs. Dick Gregory and Mrs. A. D. Kiker are having rummage sales and collecting dues. All circles reported that they expect to have their pledges paid shortly. Mrs. J. A. Ferguson resigned as secretary and Mrs. Boyd Brazier was elected to take her place. Two new members, Mrs. Gound and Mrs. Ferris Bass, were welcomed.

Plans for the new study were presented by Mrs. J. T. Pritchett, study superintendent, during the last part of the service. The new study will be "A Preface to Racial Understanding." The study has been divided into four lessons, one to be taken each Monday in October, with Mrs. R. H. Looney, Mrs. C. C. Thompson, Mrs. Cal Wright, and Mrs. Pritchett each teaching one Monday's lesson. The first study class will be held next Monday at 3 o'clock.

A play in which the following took part closed the meeting: Mesdames J. T. Pritchett, Boyd Dozier, J. M. Doss, and Will Doss, Jr.

MILLS SALES FORCE TO ATTEND SERVICE SCHOOL

Members of the sales department, Mills Chevrolet Company, are to attend special service school in Dallas October 5, 6 and 7, during time the new models for 1937 are to be on display. J. B. Mills, owner of the motor distributing agency, also announces that a complete checking service for better winter driving is being offered motorists by his concern.

WHY NOT ADD MOPPER AS FOOTBALL OFFICIAL

An official mopper to clean mud from the ball might be a timely addition to regulation officials on the field as a football game is being staged, especially when it is raining. Considerable time was taken to attend to this function during the Wolf-Bulldog battle at Cantrill Field Friday night. The obliging referee, armed with a large bath towel flowing from his waist line, attended to this duty.

MIDLAND CLUB VICTORS IN NON-CONFERENCE CONTEST HERE LAST FRIDAY NIGHT

Score Of Seven To Nothing In Favor Of Visitors Marks Second Defeat For Wolves During The Season

The Midland Bulldogs won over Colorado Wolves in first home game of the season played Friday night on a rain-soaked field. Rain began falling just before the kick-off and continued to fall during the two hours.

The game was featured by few sensational moments due to fact neither club could play effectively in the slush. Fumbles were plentiful and both teams received a large quota of penalties, with the visitors taking first place in that respect.

The only touchdown made during the four periods came during the fourth period when Wafford, 190-pound quarterback on the Bulldog eleven started on his own thirty yard line on a march toward the counter stripe. Woffard carried the ball in a series of line plunges that took him across the goal. Kick from placement for the extra point was good.

The first half was anybody's game Colorado once entered the Midland 20-yard zone, but the Bulldogs were on top of the Colorado goal when the half ended.

Kicking by Joe Cox and defensive play by Walter Rankin, captain of the Wolves playing at fullback, featured for the locals.

Pep squads and bands representing the schools remained at their posts during the game. They, like the teams, were soaking wet as the contest ended. Officials were Dalton Hill, Roscoe, Goodsen Sellers, Abilene, Newby Pratt, Loraine.

MRS. W. E. RUCKER HOSTESS FOR GIFT SHOWER

One of the most outstanding events of the month was the party given Thursday afternoon by Mesdames W. E. Rucker, Bruce McCallum and C. E. Taylor, at the home of Mrs. Rucker.

Honoree of the afternoon was Mrs. A. E. Petty, who before her marriage Sept. 12 was Miss Beulah Mae Blakeney. After playing the game of "The Floating Towel," the honoree being prize winner, was made leader of the group. The hostess then announced that the unfinished washing was still floating in the washing machine and tubs must be finished before night. The honoree proceeded to uncover the tubs and machine, instead of floating clothes she found them full of beautiful and useful gifts for her.

After the gifts were unwrapped and admired the guests were served cake and coffee. Plate favors were white cards in the shape of a float tied with pink ribbon and at the top written Blakeney-Petty, with the date of the shower and the names of the hostesses at the bottom.

WESTBROOK BAPTIST CHURCH

Due to the bad weather our attendance was very small Sunday but we are looking forward to a large attendance at all services next Sunday. We will observe our regular order of services. It will be the first Sunday in the new quarter. Help us start off right.

Notice men: We did not meet in the Mitchell building last Sunday but will next Sunday if the weather permits. Come and worship with us at 9:45.

LOCALS

Miss Robbie Hudson from Ysleta, Texas, arrived Wednesday night of last week and Mrs. Etta Johnson from Los Angeles, Calif., arrived last Friday morning to be with their father, E. S. Hudson, who was taken seriously ill Tuesday night. Mr.

GEO. DAWSON

SAFEGUARD EYE-SIGHT WITH BETTER LIGHT

Students who read and study at night need correct lighting to prevent unnecessary strain on their eyes. Tests have proved that insufficient light or light that is too glaring is tiring to the eyes and causes eyesight troubles.

Give your child the benefit of a GOOD light for studying or reading. The I.E.S. Better Sight Lamps in our store and at electrical dealers are scientifically designed to make seeing easier.

I.E.S. LAMPS

Reading-Study Lamps for table lamps provide the right amount of glare-free light for easy seeing. Lounge Lamps, also called floor reading lamps, are placed by easy chairs or lounges. Floor Lamps serve a dual purpose — for reading and for general illumination.

Texas Electric Service Company A. L. McSPADEN, Manager 10-1A

Class B Clubs Of District Winners In Area Contests

Loraine Routs Coahoma By 27 To 0, While Roscoe Is Winner Over Hamlin

Two of the Class B clubs that are to be met by the Wolves during schedule of conference games won decisive victories over their opponents in initial contests Friday. Another of the district clubs, went down in defeat.

The Roscoe Plowboys, last season bi-district champions in West Texas, routed the Hamlin Pied Pipers 19 to 0 in a sensational game at Roscoe. At the same time the Loraine gridders, to be met here this week-end by the Wolves, ran rough shod over Coahoma to run up a lead of 27 to 0. The Snyder Tigers lost 6 to 0 in game with Lamesa.

Throughout circus day the three gigantic tented stables of the Cole Bros.-Clyde Beatty organization will be open to the public free of charge. Here lovers of fine horses may view at random hundreds of the world's most beautiful thoroughbreds. Perfect specimens of almost every known strain will be found in the big show's great free horse fair which also includes a congress of tiny Shetland ponies to delight the little folks.

One of the largest, finest and costliest street parades will be seen at 11 a.m. Hundreds of horses, five herds of elephants and two caravans of camels.

Doors to the big show and the menagerie will open at 1 and 7 p.m. The big shows start at 2 and 8 p.m.

Can the Lord depend on us? W. M. ELLIOTT, Pastor.

FIRST PRESBYTERIAN CHURCH Church school at 9:45 a.m. At 11 o'clock we will sit at the Lord's table and partake of His communion. He said, "This do in remembrance of me." Let us not fail Him Sunday morning.

Regular services at 7:30 p.m. Young people of the church will have their vesper service at 6:30 p.m. We are beginning our evangelistic campaign Sunday, continuing for several weeks.

CHURCH OF CHRIST 5th and Elm Harvey Childress, Minister Bible classes—10:00 a.m. Preaching—11:00 a.m. Communion—11:45 a.m. Preaching—7:30 p.m. Ladies Bible class—Monday, 3 p.m. Prayer meeting—Wednesday 7:30 p.m.

FIRST BAPTIST CHURCH There is one alarming condition in our churches which seems to be increasing. Pastors everywhere are disturbed about it but so far a satisfactory solution has not been found. I refer to the continued decrease in attendance on Sunday evening services. This service has been considered through the years as the evangelistic service of the church, and when a congregation loses interest in the winning of souls, it has lost interest in the one supreme purpose for which the church was established. If your interest in this service has been, or is in danger of, waning allow me to exhort you to remember you are needed as much at the evening service as you are at the morning service. There is nothing else that can be as important on Sunday evenings as being in your place in the church service to give and to get such blessings as are for the faithful. I am sure there are many in Colorado who have allowed social matters to replace worship in their Sunday program who will live to regret it. It was God who said "Remember the Sabbath day to keep it holy," and those who disregard it will have to answer to Him.

We are working hard on our church programs for the Fall season and we want you to share in them by attending and helping any way you can. All regular services next Sunday with the pastor in the pulpit at both preaching hours. Mrs. E. L. Latham will play a 15 minute organ program just before the evening sermon. Evening services will be at 6:30 for the B. T. U. and 7:30 for the evangelistic sermon. Strangers and visitors always welcome at our services. DICK O'BRIEN, Pastor.

MRS. McSHAN HOME Mrs. Ace McShan was returned home Tuesday from the Snyder hospital where she had been a patient for a few days.

One Of Greatest Shows On Earth Will Exhibit Soon

Cole Bros. Circus Coming To Big Spring and Abilene On Three Special Trains

The world's largest circus, traveling on three trains of double-length steel railroad cars, with 1,080 people, 30 elephants, 812 menagerie animals and 500 horses will exhibit in Big Spring, Oct. 14, and Abilene, Oct. 15, and throughout this section plans are perfecting for the attendance of every man, woman and child—so it seems—at one of the performances.

Throughout circus day the three gigantic tented stables of the Cole Bros.-Clyde Beatty organization will be open to the public free of charge. Here lovers of fine horses may view at random hundreds of the world's most beautiful thoroughbreds. Perfect specimens of almost every known strain will be found in the big show's great free horse fair which also includes a congress of tiny Shetland ponies to delight the little folks.

One of the largest, finest and costliest street parades will be seen at 11 a.m. Hundreds of horses, five herds of elephants and two caravans of camels.

Doors to the big show and the menagerie will open at 1 and 7 p.m. The big shows start at 2 and 8 p.m.

Can the Lord depend on us? W. M. ELLIOTT, Pastor.

CHURCH OF CHRIST 5th and Elm Harvey Childress, Minister Bible classes—10:00 a.m. Preaching—11:00 a.m. Communion—11:45 a.m. Preaching—7:30 p.m. Ladies Bible class—Monday, 3 p.m. Prayer meeting—Wednesday 7:30 p.m.

FIRST BAPTIST CHURCH There is one alarming condition in our churches which seems to be increasing. Pastors everywhere are disturbed about it but so far a satisfactory solution has not been found. I refer to the continued decrease in attendance on Sunday evening services. This service has been considered through the years as the evangelistic service of the church, and when a congregation loses interest in the winning of souls, it has lost interest in the one supreme purpose for which the church was established. If your interest in this service has been, or is in danger of, waning allow me to exhort you to remember you are needed as much at the evening service as you are at the morning service. There is nothing else that can be as important on Sunday evenings as being in your place in the church service to give and to get such blessings as are for the faithful. I am sure there are many in Colorado who have allowed social matters to replace worship in their Sunday program who will live to regret it. It was God who said "Remember the Sabbath day to keep it holy," and those who disregard it will have to answer to Him.

WANDA WENTZ AND OLD JOHN, 125 YEAR OLD ELEPHANT

Horn's Chapel News Seventh Grade English Pupils Supt. Roy Davis Coles spent Wednesday morning at our school. The teacher, Mr. Coles and the trustees scored the school. We are working for state aid this year. The trustees have been working for the past two weeks repairing playground equipment, adding a sanitary drinking fountain and completing a fine and concrete steps to the teacherage. Several other necessary articles have been purchased and they are expected to be in use within a few days.

Friday night, Oct. 2, at 7:30 a Parent-Teachers Association will be organized. Every parent is urged to be present as officers will be elected at this time. A short program will be rendered.

Mr. and Mrs. C. J. Thompson spent Friday night with Mr. and Mrs. Luther Hamrick.

Mr. and Mrs. H. M. Morris and children visited her mother and father Sunday at Looney.

Week-end guests in the L. D. Robertson home were Mr. and Mrs. P. H. Face, and Mr. and Mrs. J. W. Adams of Fairview.

THE COLORADO THAT USED TO BE 25 Years Ago 15 Years Ago

25 YEARS AGO "Pretty style" wash dresses for girls 6 to 10 years of age were pictured in the Burns & Bell ad in the Colorado Record for Friday, September 22, 1911, and one of the "pretty styles" looked like this:

A v-neck waist, gathered full at the belt which went right around the hips. From the belt the skirt flared widely to the bottom of the still fuller bloomers, which reached to the knees.

The Rev. N. F. Marshall, who had been rector of All Saints' Episcopal church for more than a year, was moving to San Angelo. G. D. Adams had entertained his Sunday school boys with a swimming party in his concrete tank.

Claudia Smith was to lead the Junior League program, on which the following had parts: Lucile Hightower, Pauline Root, Carrie Mae Mitchell, Anthony Lyon, and Katie Buchanan. Joe Stokes and Joe Merritt were home from a trip to Post. Lela Whiskey was visiting her friend, Mary Risinger, in Sweetwater as she went to her teaching position at Roby.

An informal afternoon of sewing had been offered members of the Ladies' Aid by Mrs. George W. Smith so that they might visit with the wife of their former pastor, Mrs. Holmes Nichols. The daughters of the house, Mrs. Pearson and Miss Mabel Smith, had served punch.

Eva Terry was going to teach expression in Loraine. Nora Blandford was leaving on Sunday night for Georgetown, John Arnett for A. & M. Mary Coe and Nell Ruth Arnett had entered Carlton college at Bonham. Sam Majors, opera house manager, said that the show season would open early in October with Albert Taylor's company playing. Miss Marie Ferguson, who was visiting her grandmother, Mrs. Jeffers, had entertained some little friends with a party.

Mildred Coleman was entering school at Milford. Mrs. Holmes Nichols and daughter, Martha, were visiting Mrs. A. L. Whiskey, Mrs. Samuel Gustine, and other friends. The Nicholls were living in Ballinger.

Will Stoneham had moved back here from Snyder. J. C. Ethridge was resuming his old position with C. M. Adams after spending the summer with his mother in Taylor, Alabama. Ethel Majors had been hostess to the G. T. C's. Officers of the Junior Missionary

society were Lona Herrington, Lucile Hightower, Carrie May Mitchell, Lorena Smith, Anthony Lyon, Winnie Crockett, Mattie Curry, Charlie Blandford, and Helen Doss.

15 YEARS AGO A free concert by the Colorado Booster band and a school rally to take place at the "Courthouse Park" were advertised for Friday evening, September 23, 1921, in the Colorado Record for that date. The Civic League was to serve refreshments.

Sheriff W. J. Chesney had captured an alleged forger at Abilene after a chase all over West Texas. O. Lambeth of Colorado had received notice of his election as a director in the Great Southern Rubber company of Fort Worth.

The Conaway No. 1 was drilling in oil sand at 2929. Charlie Thompson of Loraine had announced his intention of running for county judge the next year. Plans for a Mitchell county exhibit at the West Texas Fair in Abilene had been abandoned because County Agent W. A. Dulin was too busy helping the farmers find cotton pickers.

Property valuations for the county were down \$125,364, according to the 1921 tax report. Methodist young people of the district had held a rally at Big Spring. Mrs. Merritt sang. Mrs. Boyd Dozier gave a talk. Succeeding Ausley & Wright, the new Spot Cash grocery of Beakley and Hill had been opened. Thos. Dawes, who had been spending the summer in England, was sailing for America. W. A. Dulin and J. W. Kay had returned from Fort Worth, where they had gone for cotton pickers.

Sam Sloan, oil man, had returned from San Francisco, where he had been for several months. Miss Janis Wilkes, who was teaching school at Roscoe, had been the week-end guest of her sister, Mrs. Harry Ragan.

Hubert Toler, the "old reliable" Maxwell dealer of Sweetwater, had been in town. Steve Owen of Tulsa, Oklahoma, former manager of the Underwriters oil company, had been in Colorado for a few days, as had Max Elser of Cisco. Home after an extended visit with his aunt and grandparents in California was Wayne Phillips. Vance Phenix had gone to Austin to complete his study of architecture. Mrs. Harry Ragan and Mrs. Oscar Price had spent Friday in Roscoe.

Junior High Tattler NEW LIBRARY BOOKS The library periods have been especially interesting this week because of the new library books. We have a number of novels, a book of poetry, six volumes of "The Nature Library," and fourteen volumes of "The Junior Book Shelf." We are enjoying these new books very much.

EDITORIAL Our Junior High library is a very nice place for reading. This room is large, light, and cheerful. The reading tables and books are well arranged and we have no trouble finding the books that we want and a place to read.

Since everyone enjoys reading good books, we should do our part in keeping the books in good condition for others to use. None of us like to read a book that has been marked or torn. Let's not be careless with our library books, but heed this quotation from our new Arithmetic book: "Ouch! Ouch! Oh Dear! Don't twist my ear! Don't tear my face or mark a place! You wouldn't want to be so mean. I'll help you most if I'm kept clean."

PLAYGROUND WORK The cool weather has made the pupils want to take a big part in the playground activities. The group plan is giving everyone a chance to play games and get plenty of exercise.

Football practice always attracts a large number of boys. The Junior High boys are practicing faithfully and they believe that they will have a winning team.

SEVENTH GRADE CLASS WORK The new text book in Arithmetic is very interesting and helpful. We especially like its dignified title, "Champion Mathematics."

"King Cotton" is our Social Science unit. We are learning how important our southern product is to the entire world. "Toward Better Speech" has been our Language Arts unit for the last two weeks. We hope that we have all made progress in our speech improvement campaign.

The Health class period was rather long for some seventh grade pupils last Monday. (The longest part began at four o'clock.) Most of the seventh grade pupils are working for membership in the Good Writers club. We wonder which section will have the most members.

Our posters in Art work are helping us to climb the steps to happiness and success.

A TYPICAL BLOW-OUT ACCIDENT

NEAT CAUSES BLOW-OUTS PREVENT INSIDE THIS HEAT-RESISTING GOLDEN PLY

Take our tip—don't gamble on tires! A blow-out may throw your car out of control—may mean a serious, costly accident. Play safe. See us about a set of Goodrich Silvertowns. Then you'll have the protection of the Life-Saver Golden Ply, a layer of special rubber and full-floating cords scientifically treated to resist the heat generated inside the tire by today's high speeds.

By resisting this heat, the Golden Ply keeps rubber and fabric from separating. It keeps blisters from forming. And when you prevent the blister you prevent the high speed blow-out. Remember Silvertowns cost no more than other standard tires.

HOME ECONOMICS CLUB

Girls of Home Economics classes of the Lorainé schools met Thursday, Sept. 24th to organize a Home Economics club. The following officers were elected: President, Billie Marie Kovand; vice-president, Marie Sipes; secretary and treasurer, Pauline Paiker; reporter, Ronel Thomas.

Two groups were organized with group captains Lolita Martin and Maxine Hooker in charge. Under the general direction of vice-president each group is to have the program for every other meeting. The club will meet on the first and third Mondays in each month at 12:45.

PREACHED HERE SUNDAY

Rev. Watt, Baptist minister of Royse City preached at the church here Sunday morning and Sunday night.

Honoring the out-going pastor, Rev. A. C. Hardin, the church met in a farewell social in the basement of the church Tuesday evening. A nice crowd was present including out-of-town ministers who took part on the program. A 15-jewel Elgin watch was presented Rev. Hardin by his Sunday school class.

Preaching services will be held Sunday. Baptismal services will be held on Wednesday evening at 7:30.

DORCAS CLASS MEETS

The Dorcas Sunday school class of the Baptist church met in regular monthly meeting at the church on Sept. 16th. The September hostess being absent, the devotional was led by Mrs. Mote.

During the business sessions new officers were elected for the ensuing year.

Mrs. Coffee acted as installing officer for the following new officers: President, Mrs. Cope; vice-president, Mrs. Richburg; second vice-president, Wednesday after the second Sunday in Mrs. Coffee; secretary, Mrs. Thurston.

A committee was appointed to make out the yearbook which will be ready by the next meeting.

The class voted to have the church as their regular meeting place for the monthly meeting to be held on Mrs. Leggett; third vice-president, each month. After business adjourned, as an expression of love and appreciation Mrs. Hardin was showered with lovely handkerchiefs. We are truly sorry that she is leaving our class.

The hostess served home-made candy to those present.

METHODIST ZONE MEETING

Different zones Snyder, Roscoe, and Colorado of the Sweetwater district met here Friday in an all-day session with the Lorainé zone leader, Mrs. Edd William, in charge. Six visitors were present.

Program rendered: Song, "I Love Thy Kingdom Lord"; welcome address, Mrs. Rowland; prayer, Mrs. Manly; talk by zone leader, Mrs. Williams; devotional, Mrs. Hester; Genesis 1st chapter 1-4 verses, Luke 17:11; solo, "Our Best," Mrs. Wright, Mrs. Yodem; Mrs. Dobbs of Colorado spoke on progress of the colored race; prayer by Mrs. Shepherd; dinner, prayer, Mrs. Fivem of Roscoe; 15th chapter of Romans, Mrs. Wilson; Lord's prayer in unison.

PRIMITIVE BAPTIST MEETING

Services will be held at the Primitive Baptist church in East Colorado Sunday at 11 o'clock with L. L. Bodine, assistant pastor, in charge.

You are requested to bring lunch. Services commencing at 2 o'clock will be held during the afternoon.

MRS. MOON'S FATHER KILLED

Mrs. Dee Moon received message early Wednesday morning that her father, Mr. Jacobs of Plainview, had been killed in an automobile accident. Due to illness Mrs. Moon was unable to go.

LOCALS

Abner Honea of Pecos was visiting in Lorainé with his parents Saturday. Raymond Barry and Mr. and Mrs. Elvan Thorpe of Ranger were guests in the O. I. Griffin home Thursday.

Judge and Mrs. Carson and son Burch of Van Horn and Mr. Cowan of Sierra Blanca, en route to Texas Centennial Exposition, visited briefly in Lorainé Tuesday afternoon.

Mrs. Zora Detan and son are home from a two weeks visit spent at Lubbock, Slaton, and Colorado.

Mrs. A. C. Caswell and childrer visited here Friday night from Midland.

Dr. Bruce Johnson and wife attended Texas Tech and T. C. U. football game at Lubbock Saturday night.

Quite a number from Lorainé attended football game between Midland and Colorado Friday night.

Following a 10-day visit here with her aunt and uncle, Mr. and Mrs. C. H. Thomas, Mrs. J. D. Weehunt returned to her home at Morgan Tuesday.

Mrs. Watson, wife of E. R. Watson, Lorainé Church of Christ minister, is recovering nicely from an operation performed at Temple last week.

Mrs. Dottie Marshall and Mrs. Henry Howell visited in Abilene from Friday till Sunday.

Mrs. J. F. Reeder of Colorado is

spending the week in the home of Mr. and Mrs. L. L. Jarratt.

Mrs. Horace Newton and daughters visited here from Midland Friday night and Saturday.

Mrs. G. C. Farris of Colorado visited Mrs. C. H. Thomas Monday.

Dr. and Mrs. T. A. Martin and son W. R. Martin made a business trip to Abilene Tuesday.

Mr. and Mrs. H. P. Morrison, Miss Nainie Morrison and Suvil Britton are home from a visit to Texas Centennial Exposition at Dallas and Texas Frontier Shows at Ft. Worth. They returned Sunday.

Mrs. Edd Riley of Dallas returned home Tuesday following a visit here with her brother Hunter Looney and family.

Roy G. Edwards was having dental work done in Abilene Tuesday.

Mr. and Mrs. Claude Willis and children left for Fairview Tuesday to reside this winter. Mr. Willis will teach in the schools there.

Miss Minnie Loraine Thompson of Dublin is spending the week here with her grandparents, Mr. and Mrs. C. M. Thompson and other relatives.

Jack Hubbard returned to Lamesa Saturday following a visit here with his mother, Mrs. Modie Hubbard. Otis Hock of Lamesa was visiting his parents, Mr. and Mrs. W. C. Hock, during the week-end.

Cecil Caswell, son of Mr. and Mrs. Noah Caswell, and small daughter of Mr. and Mrs. Fritz Ohlenbusch are reported recovering nicely at their homes following surgery performed last week.

Mrs. O. E. Stevenson is reported ill this week.

Longfellow Locals

By Ruth Griffith

Longfellow school opened Monday morning with good attendance of pupils and patrons. Our county superintendent, Mr. Roy Davis Coles, and Mr. J. H. Greene of Colorado were present and made inspiring addresses. With the splendid teaching staff, the spirit of co-operation between school and patrons, for which Longfellow is noted, our well equipped school and grounds, we are looking forward to the best school year we have ever had.

Mr. and Mrs. J. W. Tonsend of Sweetwater spent Sunday with Prof. and Mrs. B. D. Smith.

Ernest Griffith went to Lubbock Friday to spend a day with friends before leaving for Washington, where he has employment, and will also attend school.

Mr. Lloyd Crosin of Colorado and Prof. and Mrs. Smith were guests of the Griffith family Wednesday evening.

Miss Geraldine McCarley went to Lubbock Saturday returning Sunday. Miss McCarley is teaching in the Buford school.

Mr. and Mrs. Malon Compton of Valley View spent the day with Mr. and Mrs. C. L. Lefevre Friday.

R. J. Lloyd was in Lorainé Monday evening.

Prof. and Mrs. B. D. Smith entertained a few friends Thursday night.

The family of Mr. M. D. Mitchell and Mrs. Guy Thomas and little son, spent the week-end with Mr. Mitchell's brother, Holland Mitchell of near Big Spring.

Cotton picking is on in full blast this week with fair weather prevailing.

The first meeting of the Parent-Teachers Association will be the second Friday night in October. A full attendance of parents and patrons is expected, as there are a number of things of importance to be discussed, and a new corps of officers to be elected. Remember the date and show your interest by coming. A nice program of entertainment will be presented.

Miss Princess Martin, our primary teacher, is rooming at the teacherage.

BAUMAN NEWS

By Dorothy Hall

The Bauman school will complete the first month this week.

The sixth grade is the largest class in school with an enrollment of 13.

The school ground has been greatly improved recently, having been plowed and dragged smooth.

The sixth and seventh grades have organized a Good English club and have elected Sue Landers president, M. D. Cheek vice-president, and Dorothy Hall secretary and treasurer.

Dorothy Hall had the best writing paper in the seventh grade last week while Sue Landers had the best in the sixth and Wanda Moates had the best paper in the fifth.

The P. T. A. will hold the first 1936-1937 meeting. Organization will be perfected and worthwhile subjects will be discussed. Everyone is invited to be present.

Mr. and Mrs. Bill Gale from Longfellow visited in the Hall family Sunday.

Mr. and Mrs. Jess Davidson and Mr. and Mrs. Clyde Slaughter from Longview have been visiting Mr. and Mrs. Jess Lee and family.

Mr. D. J. Kelley from Kilgore and J. D. Wilks from Rotan are visiting in the M. H. Kelley home.

Mr. and Mrs. Orb Walker and fam-

Colorado Child Suffering From Rare Blood Disease, Form Of Hemophilia

Forced to be absolutely quiet and inactive though he's apparently robust and healthy, a 3-year-old Colorado child is suffering from a rare blood disease which afflicts male members of the Spanish royal family. The child's parents are newcomers here, the father being an oil field employe.

Recently the presence of disease in the Spanish royal family has received wide publicity because of the severe illness of Alfonso, son of the former

HONEY IN BAKING IS FAIRVIEW CLUB TOPIC

By Mrs. O. L. Simpson, Reporter

Stressing the use of more honey and less sugar in our baking was carried out in a demonstration given by Miss Emma Gunter, county home demonstration agent at the Fairview Home Demonstration club meeting with Mrs. L. A. Strain Friday the 25th.

Miss Gunter suggested the use of orange nut and raisin bread in school lunches in place of cake or pie. Mrs. W. W. Jenkins was appointed home cookery demonstrator for the club.

Beginning next month we are to change our subject matter from bedroom to kitchen. There were eight club members, Miss Gunter and one visitor present. The next meeting will be Oct. 9th with Mrs. O. L. Simpson and Miss Gunter will give a demonstration on vegetables.

VISIT CENTENNIALS

Mrs. Frank Kelley and son, Jimmy, left Friday to attend the Centennial celebrations in Dallas and Fort Worth during the week-end.

TAKING BEAUTY COURSE

Miss Nell Smith, daughter of Mr. and Mrs. D. P. Smith of near Colorado, visited her parents a few days this week after some time on a nursing job in Midland. She left early in the week for San Angelo, where she is taking a course in beauty culture.

THEY HAVE SEVERAL OTHER CHILDREN

They have several other children, none of whom show any trace of the disease.

The disease is defined as usually hereditary, being transmitted like hemophilia—to male children through the women members of a family. However, none of the stigma usually associated with hereditary diseases is attached to this one. Hemophilia is often referred to as the "disease of royalty" and is rarely ever found among any but the highest classes of people.

The blood seepage from the Colorado child's wound has been stopped temporarily and artificially by pressure around the wound and by the administering of blood clotting medicine. The pressure must be very carefully adjusted, however. A band drawn around the child's arm tightly enough to make a crease in the skin will leave a bruised line reddened by the seepage of blood beneath the skin.

THE NEW DEAL

Last week we published a letter from W. H. Garrett who tore Roosevelt and the New Deal all to pieces. We have been severely criticised and cussed out for publishing such baloney as Mr. Garrett put forth and to offset same we, this week, give our views on the New Deal.

The Republicans and Mr. Garrett confidently believe that through falsehoods and misleading propaganda they can induce farmers, laboring men and small merchants to vote for a change. I think not, for I do not believe they are an aggregation of doddering idiots.

In my opinion Mr. Roosevelt will be overwhelmingly elected as he is undoubtedly entitled to the continued confidence of the American people.

When he was inaugurated in March, 1933, agriculture was prostrate, and millions of our farmers were bankrupt and despair. Banks were crashing daily and thousands had been closed. Commerce and industry were paralyzed and our trade, foreign and domestic, had been strangled, resulting in millions of our people being thrown out of employment and living on doles. This horrible condition was the direct result of twelve years of Republican maladministration which culminated in the enactment of the Smoot-Hawley Tariff Act.

The Republicans now complain of a "lack of economy," "reckless expenditure of money" and "failure to balance the budget."

Now let us see what has happened. Mr. Roosevelt at once caused to be enacted the Economy Act which reduced the expenditures of our Government over one billion dollars by abolishing Bureaus, consolidating Divisions and lowering the salaries of Government employees and reducing the pensions of thousands of our soldiers. At this time billions of dollars were being annually expended for relief of the unemployed to which the States, Counties, and Cities were contributing in part. Very shortly afterwards because of "Hoover Prosperity" the States, Counties and Cities broke down financially and were unable to further aid in caring for the unemployed. The American people properly took the stand that "no one should be permitted to starve" and the Federal Government was forced to assume the entire burden of relief for the unemployed. This called for the expenditure of additional billions of dollars.

In 1934 a devastating drought swept our country. Our stockmen and farmers were threatened with the death of their cattle, sheep and other livestock. Universal demand was made for relief by the Federal Government. The Administration responded. Millions of animals, many so starved that they were unfit for food purposes, were bought and paid for in order that the ranch owner and farmer could have the means to buy feed stuff to save their remaining stock. This entailed not only the expenditure of hundreds of millions of dollars by the Administration, but also resulted in diminishing the revenue of the Government.

In the mid session of Congress in 1934, as the elections approached, Congressmen, in order to increase their chance of reelection and over the protest of Mr. Roosevelt, in effect repealed the "Economy Act." The Republican members joining some Democrats in this action, thus imposing an added burden on the Treasury. During 1935 the Supreme Court nullified the Agricultural Act, which lost the Treasury approximately six hundred million dollars; and also passed the Soldiers Bonus Bill, increasing the burden on the Treasury by a sum in excess of three billion dollars. And now, in 1936 we are in the midst of another drought in the mid-western section of our country, which will impose an additional burden of hundreds of millions of dollars on the Treasury.

Those happenings could not have been anticipated in 1932, and as Senator Couzens (Republican) truthfully says, all this talk about balancing the budget is "the bunk," and makes him sick, and that the Administration will balance the budget just as quickly as the Republicans.

Administrator Hopkins has approved in excess of 149,000 work projects, looking to abolishing the dole and relieving unemployment. These projects in the main originated with States, counties and cities which in part contribute to this work. Of this number of projects only about 40 have been selected by Republicans for criticism; and they have been driven to abandon many of these attacks when the truth was made known.

In the light of those admitted facts where can an honest man be found who can justly complain at the failure to balance the budget, or of the reckless expenditure of money by this Administration.

Complaint is also made by the Republicans about the "unwise monetary policies" of the Administration and the "reckless and cruel experiments which are undermining the credit and currency." Now let us see what has happened.

During the 12 years of Republican rule 6,649 banks failed, entailing a loss on their depositors in excess of three billion dollars. During the last three years only 36 banks have been closed and, under the Bank Deposit Insurance Act, the loss of the savings of the people through bank deposits has been negligible.

The American dollar at this time is the most stable of any monetary unit in the world, and instead of our credit being undermined our securities are being sold at the lowest interest rate the world has ever known and whereas U. S. Bonds under Mr. Hoover's Administration sold for 83 they now sell for 100 1/8 to 118.

These are facts. It should be made a felony to circulate base slanders against the credit of our country in order to further desperate partisan purposes.

The complaint is also being made by Republicans that the progress of recovery is being retarded by ill-considered "cockeyed" legislation.

Let us look at the record. Under Hoover the income of America was 35 billion dollars in 1932. After three years under Mr. Roosevelt our income is 60 billion dollars. Our bank reserves reached, under Mr. Roosevelt, three billion dollars in excess of the reserves required by regulation and law. The annual return to our farmers has been doubled. Merchants and industrialists are no longer in the red as they were in 1932, and the gross returns of 477 of our major industrialists have increased on an average of 61 per cent over the year before, with thousands of them paying dividends to stockholders.

To the thoughtful man the issue to be presented on election day is: "Am I better off now than I was in 1932?"

It is unthinkable that anyone will consider for a moment the plea speciously made that he "return to normalcy" or that he again "keep cool with Cal" in the midst of a saturnalia of speculation while the masses were being pilfered through stock speculation, or that he will again be content to take his station and peer with anxiety for the "prosperity just around the corner." The Republicans confidently believe that through falsehoods and misleading propaganda they can induce farmers, laboring men and small merchants to vote for a change. I think not, for I do not believe they are an aggregation of doddering idiots.

FEWER LAWS

In these days of unrest and uncertainty, when so many are

saying, "Lo here! Lo there!" this little verse by Edwin Markham may well be taken as an anchor in rough seas and calm:

"Here is the truth in a little creed,
Enough for all the roads we go;
In love is all the law we need,
In Christ is all the God we know."

If everyone under whose eye this verse comes will absorb its significance, envision a life in conformity with this law, he will ask "What other law is needed?"

God wrote ten commandments upon tablets of stone for Moses. Then He sent His Son to reveal Himself to men, to teach and live the true life. A lawyer asked Him, "Master, which is the great commandment in the law?" Jesus said unto him, "Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy mind. This is the first and great commandment. And the second is like unto it, Thou shalt love thy neighbor as thyself. On these two commandments hang all the law and the prophets."

"To the making of books, there is no end." To the making of laws to govern human conduct, there is no end: incomplete, futile. What folly when the divine law may be known of and lived by all men.

Let legislators confess puerility in their enactments, let pulpits and schools ring with power and confidence as they proclaim the only solution of a weary world's problems.

Uncle Bill Kellis in the Sterling City Record says: "The biggest fool that runs the range of humanity is the man who works hard and spends his wages for liquor, pours it down his fool neck, goes crazy, makes an ass of himself, creates a disturbance, gets arrested and put in jail, breaks the hearts of his wife and children, besides taking the money they need for food and raiment to pay his fine. If you know of a bigger fool, trot him out."

Amateurs Invited Compete In Bills Opening Oct. 17

Sweetwater Sponsoring Four County Contest, Similar To Events Staged Here

Entries for the four Sweetwater amateur night contests are being received daily by the Sweetwater Board of City Development, sponsoring organization, it was stated in a communication to the Record from George D. Barber, board secretary. Honors for the entry coming from the greatest distance goes to the Arkansas Hillbillies, three young men of Matador who sing and crack jokes.

"We would like to have a number of entries from Colorado and Mitchell county," declared the board secretary. "The contests conducted during the summer by the Colorado Chamber of Commerce unearthed many bonafide amateurs who have proved their ability to entertain and we trust many of them will enter here."

Dates of the four contests, as announced in an advertisement in this issue of the Record, are October 17, October 31, November 14, and November 28. Entries for the first must be made by October 6 as the audition and rehearsal will be held the afternoon of the 10th.

In addition to three attractive cash prizes each night, \$15 first, \$10 second and \$5 third, \$1 will be given all other competing numbers. It is estimated by sponsors that more than \$200 in cash prizes will be awarded amateur performers of this section of West Texas.

Not only will four of the twelve winners during the four contest nights be selected for an all-expense trip to Dallas and a 15-minute broadcast program over station WFAA, but all twelve of the winners will be given an opportunity to broadcast over station KRBC at Abilene, the new station of the Abilene Reporter-News, it was stated in the communication to the Record.

Amateurs from two years of age up to 100, both male and female, who can play any kind of musical instruments, who can sing, dance, or entertain in any manner whatsoever are eligible to enter, for which no fee is required. Entry blanks may be had by addressing the Secretary, Board of City Development, Sweetwater.

Stuffy, Overheated Rooms Are Listed As Cause Of Colds

Gas Officials Study Status Of This Ailment At State Conference In Dallas

How to help Colorado families lower the national average of three colds per person this winter was one of the chief problems studied at a meeting of more than 300 Lone Star Gas System men in Dallas Friday, according to M. O. Chapman, manager of the local gas company, who has just returned from his company's annual conference.

"Doctors and health authorities, who cooperated with the company in preparing educational information given us at the conference, agreed that many colds so prevalent in this section of the country are caused by stuffy, overheated rooms," Mr. Chapman said.

"A survey which we made last winter showed that many of our customers are not getting the proper benefit from their present equipment, due to a widespread habit of living in one poorly ventilated, overheated room during most of the winter. Speakers at the meeting who outlined the program we are undertaking, emphasized the fact that this educational effort is entirely separate from the sale of appliances and is to be conducted solely to help customers get more benefit from appliances they are now using." Chief recommendation made at the meeting was that proper ventilation be furnished throughout the house, which should be kept at an even temperature of about 72 degrees, as passage from warm rooms to cold ones or from cool rooms into overheated ones, lowers bodily resistance to colds.

Other topics which were of major importance to Mr. Chapman because of their bearing on the local gas service included an explanation of a national advertising program to popularize modern gas service and its advantages in the well managed home of today, and technical discussions at which plans were perfected for maintaining uninterrupted gas service during the coming winter months.

MRS. ANDREWS HURRIES IN WORK ON BEDSPREAD

Hurrying to get her work ready for inspection on Achievement Day, Oct. 30, Mrs. Frank Andrews is working on a tufted bedspread for which she is using natural thread in an all-over design on 10 quarter unbleached sheeting 3 1/4 yards long. The cost of the spread will be around \$1.80. It would have cost something like \$5 ready-made. It will be exhibited in the district bedspread and comfort exhibit in San Angelo in November in addition to being shown on Achievement Day.

BIG HAUL IS MADE

Big Spring police arrested 21 persons Saturday night. The charges were based on drunkenness and gambling. Several negroes, champions of the galloping dominoes, were included.

Typhus Fever Has Developed, Nolan Health Head Says

Disease Spread By Rats Has Attacked Three Persons In Neighboring County

Three cases of typhus fever have recently been diagnosed in Nolan county. It is of the endemic type which is carried by rats, and transmitted to man by the bite of the rat flea, according to Dr. George A. Gray, director of the Nolan County Health Unit.

Typically, the disease is characterized by sudden onset of temperature of 103 to 105 degrees, severe headache, delirium, a skin rash, pain in bones and joints, and lasts a week to ten days. Weakness following the attack lasts several weeks. As it progresses in any particular community, it tends to become more severe, often proving fatal.

The chief complications are bronchitis and bronchopneumonia. These usually develop in the fatal cases.

LANDERS WOMEN TALK ABOUT FALL GARDENS

Fall gardens were discussed at the meeting of the Landers Home Demonstration club.

Mrs. W. E. Wimberley reported that she has mustard greens, turnips, spinach, radishes, tendergreens, and lettuce already up in her garden. She plans to do some canning from her garden.

Mrs. J. A. Merket said that she will be canning butterbeans soon. She has four long rows through the field.

Mrs. M. L. Adrian told how she and her family planted their turnip and mustard greens in August and irrigated them. They are now eating from the garden.

QUESTIONS THAT ARE ASKED ABOUT BANKING

"What is the purpose of a bank's statement of condition?"

THE purpose of a bank's statement of condition is to give to the proper federal or state banking authorities, and to customers and the public, a report of the financial condition of the bank.

Our latest bank statement lists our assets and liabilities, showing what we do with our depositors' and stockholders' money. Part of the money is set aside to maintain required legal reserves. A reasonable amount of cash is kept on hand to meet the daily business requirements. Under normal conditions much of our deposits goes into active business use. A part is loaned to individual customers and well-managed business enterprises which helps the general business life of this community. A part goes into government bonds and other sound readily marketable securities.

We invite you to read our latest statement of condition. A copy will be sent you on request.
