Whitmore Home Is Meeting Place For Doctors and Wives

Beginning a custom which is to be continued, members of the Mitchell County Medical Association and of the medical auxiliary held a joint meeting Tuesday evening at the home of Dr. and Mrs. H. G. Whitmore.

Klondike cosmos, jack o'lanterns, and black cats decorated the Whitmore home for the meetings. Separate sessions of the two bodies were held first. The doctors voted to meet monthly with the women. Their wives voted to furnish speakers for county health programs.

Vivian Johnson and Armorea Whitmore assisted the host and hostess in serving pumpkin pie, whipped cream, and hot chocolate to the following: Dr. and Mrs. J. P. Johnson, Dr. and Mrs. T. J. Rathiff, Dr. W. S. Rhode, Mrs. P. C. Coleman, Mrs. N. J. Phelix, and Mrs. C. L. Root, all of Colorado; Dr. and Mrs. W. L. Hester and Dr. and Mrs. Bruce Johnson of Lorraine.

The meeting next month is to be with Dr. and Mrs. C. L. Root.

Mrs. Mann Hostess To Two Clubs Last Thursday Afternoon

Members of two clubs, the Bridgettes and the Wednesday Contract, were entertained at a five-table party given last Thursday afternoon by Mrs. Charles Mann, Jr.

Fall flowers decorated the rooms in which games were played. Mrs. T. M. Marsh made high score for Wednesday club members, Mrs. Joe Pond for Bridgettes, and Mrs. John Watson for guests.

A salad plate and coffee were served after the games.

Merry Wives Meet At Thompson Home

The Merry Wives met Wednesday afternoon with Mrs. C. C. Thompson, whose only guests were Mrs. George Mahon and Mrs. W. W. Rhode.

Four games of 42 and several of bingo were played, with Halloween novelties as bingo prizes. Pumpkin pie, whipped cream, cheese, and coffee were served. The club's next meeting will be with Mrs. John E. Watson.

Mesdames Prichard, Pond And Stonerod Hostesses To Seventeen Tables Tuesday

Among the leading social affairs of the week in Colorado was the seventeen-table bridge party given by Mesdames Neal Prichard, Joe Pond, and T. W. Stonerod at the country club Tuesday afternoon.

Fall garden flowers, roses, and chrysanthemums were arranged in vases and baskets around the club room.

Gardenias in a holder were the high score prize won by Mrs. Jake Richardson. Mrs. Charles Moerer received a crystal salad fork and spoon for second high. A Lenox-head was given to Mrs. Mary Lee Brown for low score.

The hostesses were assisted by Miss Alice Blanks, Mrs. Jack Wilder, and Mrs. J. H. Greene in serving a salad course. Tea hour guests were Mrs. Earl Gunn, Mrs. Bert Wulffien, Mrs. Lowell Schmidt, Mrs. John Doss, Miss Mabel Smith, and Miss Len Swope.

Spooks Will Walk Colorado Streets Saturday Evening

If custom holds true—and if the weather behaves—Colorado's streets will be filled Saturday night with many little "spooks" whose eyes will be popping wide behind masks, that make other little eyes pop.

By the time Halloween is really at hand most of the parties which have been planned for the season will be over. There was Phyllis Berman's party Wednesday night and there is to be Daphne Mahon's Friday night.

All of which will leave the real All Hallows' Eve open for the delightful business of prowling and noisemaking.

It is too much to hope that there won't be the usual moving of all movable things, littering of streets, and "snitching" of milk bottles. Citizens are warned to "Beware" and tie down the things they can't hide—and meet the milkman at the door that night.

Halloween Party For Young Presbyterians

Young people of the Presbyterian church had a Halloween party in the church basement Wednesday evening following prayer meeting.

Plans for the party were in charge of Zelma Brintle, Eleanor Henderson, and others. Refreshments were apple pie, cheese, and coffee.

Carol Deffabach Is Hostess On Birthday

The second birthday of Carol Alexander Deffabach was marked with a party at the home of her parents, Mr. and Mrs. John A. Deffabach, Saturday afternoon.

Twenty little guests were entertained. Because of the rain, indoor games were played until the white-iced cake was served with candy.

Justamere Club Guests At Zetaganian Benefit

Members of the Justamere club were guests of Mrs. Baxter Scoggin at the Zetaganian club's benefit bridge party at the Colorado hotel Thursday afternoon.

The club will meet on Tuesday of week after next with Mrs. L. C. Scarborough.

Chairmen Introduced During County Federated Club Meeting On Tuesday

Introduction of the various chairmen of the Mitchell County Federation of Women's clubs featured the monthly program of the organization Tuesday afternoon at the city hall.

As each chairman was introduced she gave a brief talk on her duties and her plans for the year. Mrs. Lee Jones was introduced as chairman of American citizenship, Mrs. Jeff Dobbs as chairman of health, the latter explaining the sale of Christmas health seals and where the money goes.

Reporting as chairman of public instruction, Mrs. A. L. Whipkey read the amendments which are to be voted on in Tuesday's election and discussed their merits, from her point of view.

Her joy in working with Centennial plans this year was expressed by Mrs. J. G. Merritt in her report on publicity and Bible. She attributed the success of the Mitchell county homecoming in August largely to publicity and to the work of the club women. She said her Bible program will be given in December.

Reading some of her original poems by special request, Mrs. Bill Coffey's report as poetry chairman was an entertainment feature of the afternoon.

Mrs. C. P. Gary reported as chairman of rural education, Mrs. W. H. Garrett as interracial chairman. Mrs. Garrett urged the speedy erection of a state tuberculosis hospital for negroes.

Club reports were given as follows: Zetaganian, Mrs. Randolph McEntire; Hesperian, Mrs. A. L. Whipkey; Daughters of the King, Mrs. A. D. Kiker; Art club, Mrs. Jeff Dobbs; Self Culture, Mrs. L. B. Elliott.

Mrs. Jeff Dobbs, treasurer, reported state dues paid. Mrs. C. E. Way paid individual dues. Miss Violet Moerer was a new member.

The librarian's report showed \$3.75 in membership fees paid this month and seven new books placed on the library shelves.

Mrs. J. A. Sadler and Mrs. A. L. Whipkey were elected delegates to the state convention with Mrs. J. W. Shepperd as alternate.

Business Women Have Busy Week; Their Chorus Reorganized For Winter's Work

By Elizabeth Kirkpatrick, Reporter
Since we live in a small town, most of our members are business women and only a few are professional women but all are very busy women every day, each one working in the organization not only by the year but by monthly programs and daily schedules.

This week's schedule includes three meetings. At the business meeting Monday evening Emma Gunter, the parliamentary, directed the program after the business session. The theme for all clubs of the National Federation of Business & Professional Women's Clubs, for 1936-1937, is "The Business Woman As A Citizen."

In keeping with this line of study Miss Gunter's assignment to each member was the reading of the Constitution of the United States before the meeting and then the lesson for the election of a President of the United States and a general discussion on voting and elections. Two other drills will be led by Miss Gunter during the year.

During the business session the membership voted to assist the Good Cheer Committee in the sale of Christmas cards to raise additional funds for their special work. This sale will be directed by Mrs. Myrtle Crowder, chairman of the committee.

Miss Emma Gunter was elected delegate to the South Central Regional Meeting of the National Federation of Business & Professional Women's Clubs in Dallas, November 6, 7, and 8th. The states included in this conference are Arkansas, Kansas, Louisiana, Missouri, Oklahoma, and Texas. This conference will be another important event for the Texas Centennial.

CHORUS REORGANIZED

The Business Women's Chorus is re-organized and will continue its work with Mrs. Charles Moerer as director and Miss Hazel Grubbs as pianist. The first meeting was with Mrs. Moerer Wednesday evening.

Mrs. Rees Jones, the health chairman, assisted by her co-worker Mrs. Bob Petrick has organized a physical training class which met with her for an hour's work under her direction. This class will meet once each week.

The Publicity Committee has started a campaign to let others know of all the work that is being done. A subscription to "The Independent Woman," our national magazine, has been contributed to the city library. Sample copies are being distributed to other individuals. Realizing the press through the magazine and local newspaper can not do all the publicity work, the committee urged the members at the last meeting to be or serve as a committee of one to "spread the news" of the B. & P. W. Club and its accomplishments everywhere.

Quoting the salesman who made the following plea to his customer: "The codfish lays a thousand eggs, the helpful hen but one; but the codfish doesn't cackle to tell us what she's done; and so we scorn the codfish and the little hen we prize; Which indicates to you and me,—it pays to advertise." We know each member should be a booster, ever bearing in mind that as Solomon said, "A word fitly spoken is like apples of gold in pictures of silver."

Over 100 Youngsters Entertained By Berman Cousins At The Country Club

Over 100 youngsters were entertained by Phyllis Berman, daughter of Mr. and Mrs. Max Berman, and Harold Berman, son of Mr. and Mrs. H. I. Berman, in a "spooky" setting at the country club Wednesday evening.

Masked and costumed, the guests were taken through the "Valley of Death's" horrors as they arrived. The club room was eerily lighted with bats, black cats, and witches in evidence everywhere. At the fireplace was the witch's kettle, "boiling" over a realistic fire. Miss Louise Bradford, dressed as the witch, told fortunes with broomsticks.

Halloween games and bingo were played, then a spooky movie was shown. After refreshments of hot chocolate, "pumpkin" marshmallows, orange-iced brownies, and yellow and black "suckers," dancing was enjoyed.

Lack of space prevents the listing of the guests this week. A list will be printed next week.

Mrs. Marvin Majors, Recent Bride, Honored By Bluebonnets Saturday

To compliment Mrs. Marvin Majors, the former Miss DeVada Barber, members of the Bluebonnet club were hostesses for a reception and shower at the Barcroft hotel Saturday afternoon.

Branches laden with autumn leaves were arranged on the piano, over pictures, and at other points of vantage around the spacious dining room where the reception was held. Lights were covered with yellow paper to which real autumn leaves clung. Red and yellow chrysanthemums filled bowls and baskets. On a lace-covered table stood a bowl filled with yellow chrysanthemums and yellow snapdragons.

Guests were met at the hotel door by Mrs. Hurry Landers and Mrs. Byron Byrne. They were greeted at the dining room door by Mrs. E. A. Barcroft who introduced them to the receiving trio—Mrs. R. H. Barber, mother of the honoree; the honoree; and Mrs. Oscar Majors, mother-in-law of the honoree.

The former Miss Barber wore an evening dress of orchid moire taffeta, made with a fitted bodice and flaring skirt. Her corsage was a real orchid, placed at her throat.

Registrations were received by Miss Frances Lupton. Others in the house party in addition to Bluebonnet members were Loyse and Louise Jenkins, Martha Jane Majors, Wanna Wade, Erdine Morgan, Elizabeth Grantland, Mary Frances Majors, Katherine Sue Motley, and Virginia Reese.

"All For You" was sung by Mrs. C. A. Wilkins with Mrs. N. H. White as her accompanist. Mrs. J. E. McCleary read an original poem, "The Romance." Two readings were given by Mrs. Bill Coffey.

With Nina Katherine Quinney as drum major, four young girls entered to martial music and circled the room twice, once bearing gifts to deposit on the lace-covered table, the next time to escort the honoree to the gifts. The three girls taking part in this in addition to Nina Katherine were Verna Campbell, Billie Margaret Gregory, and Frances Rose Rathiff. Members of the house party continued bringing in other gifts until all were displayed.

Autumn colors were continued in the refreshment plate, which included yellow cake squares iced in chocolate and an orange drink. Yellow chrysanthemums were plate favors. About 75 guests were served.

Largest Halloween Social Affair For 'Grown-Ups' Is Mrs. Wyatt's Party

Outstanding among "grown-up" Halloween affairs in Colorado was the 17-table bridge party with which Mrs. Charles Wyatt entertained at the Colorado hotel Wednesday evening.

On arriving guests found the club room filled with a soft orange glow from orange wall lamps. All playing tables were covered in orange. Two orange tapers burned on the piano on either side of a bowl of orange and yellow marigolds. A jack o' lantern leered from beneath a shock of harvested maize which stood against a trellis on the ball room stage. On either side of the maize shock tall black cats arched their backs and scare-crows grinned. Adorning either side of the stage and on small tables all about the room were black bowls and vases filled with yellow and orange marigolds and lantana.

Indirect lights were turned on as the hand-made black cat tallies were passed and playing began. Score-pads were also handmade, being covered in orange with a black cat design.

Bathroom sets were awarded to Mrs. R. H. Cantrill for high score and to Mrs. Austin Bush for second high. Mrs. A. C. Melton received linen guest towels for low score. Prizes were wrapped in orange paper and tied in black.

Pumpkin pie, whipped cream, and coffee were served to: Mesdames B. L. Templeton, V. Hopkins, Jake Richardson, Bill Oswald, Lester Mannerling, J. J. Billingsley, B. J. Baskin, Randolph McEntire, Bun Pritchett, John Summers, A. C. Melton, Willis Jones, Pink Wade Hodee, Adrian Clark, Joe Pond, R. J. Wallace, Wylie Kinard, Fred Brown, George Mahon, C. C. Thompson, Bob Fee, A. L. McSpadden, Bob May, Troy Patrick, Bob Petrick, A. C. Anderson, E. S. McCord, Henry Doss, Jr., Boyd Dozier, R. H. Cantrill, Earl Cramer, E. B. Willbanks, M. J. Dawson, L. B. Elliott, J. A. Ferguson, Wade Scott, Hope Herrington, Lee Dorn, W. D. McClure, Hugh Millington, Ed Jones, Jr., Arlie Taylor, Baxter Scoggin, Bill Broadus, Austin Bush, Bill Dorn, W. L. Doss, Jr., Harry Rathiff, Dudley Snyder, Harry Itagan, Walter Wilson, Walter Ruhlen, Price Barber, H. P. Slagel, Mary Lee Brown, Lowell Schmidt, John E. Watson, R. D. Bridgford, Raymond Gary, D. H. Lewis, J. W. Randle, and Truett Barber; Mrs. Henry Cook, Jr., and Mrs. Jack Coffee, both of Lorraine; Misses Hazel Costin, Mary Broadus, Loyse Price, and Virgie Powell.

Mr. and Mrs. Dick Carter and Jack Carter of Fort Worth were here on business from Tuesday until late Thursday.

Roy Hart of near Colorado had his tonsils removed at Root hospital Tuesday morning.

Fifty Girls Expected To Attend District YWA Houseparty Here Saturday, Sunday

Preparations to entertain at least 50 Y.W.A. girls from churches in District 8 of the Texas Baptist convention at a Y.W.A. week-end "house-party" here Saturday night and Sunday are being made by the Y. W. A. and W. M. S. of the First Baptist church.

Girls are expected to attend from Midland, Odessa, Lamesa, Big Spring, Snyder, Roscoe, Lorraine, Looney, Westbrook, Champion, and Buford. Mrs. J. Dell Barber and Mrs. Lewis Fitzgerald, local Y. W. A. sponsors, and Mrs. P. D. O'Brien, district leader of young people's work, are directing plans for the week-end. The W. M. S. circles are to assist in entertaining the visitors, the W. M. S. being sponsor organization for the Y. W. A.

The house-party will begin with a bean feed and Halloween social Saturday evening at the garage of the J. T. Howell home. Afterward there will be a slumber party in the basement of the Dell Barber home. A candlelight devotional will be held just before the girls retire.

If the weather permits Sunday morning breakfast will be served at Rudick park at 7:30. In case of bad weather breakfast will be in the church basement. The girls will attend Sunday school and church en masse Sunday morning. A basket lunch will be served in the church basement at noon.

The party will go into business session at 1:30 Sunday afternoon, selecting the time and place for its next meeting. Mrs. C. J. Childers of Westbrook is to speak during this session.

Order your Christmas cards now. 10% discount if ordered before Nov. 10th at the Record office.

Finest Chevrolets In History Will Be Displayed Nov. 7th

Representatives Of Colorado Dealer Attend Gathering In Dallas This Week

The finest Chevrolets in the company's quarter-century of automobile manufacture will make their bow here and throughout the country on Nov. 7. L. Short, of the Mills Chevrolet Co., Chevrolet dealer, announced this week, upon his return from Dallas, where 1,000 dealers and salesmen from this section obtained official news of the new product from H. C. Howard, manager of the Dallas zone, and members of his staff. J. B. Holt, Homer Moon and Floyd Quinney were other representatives of the firm to attend the Dallas meeting.

Mr. Howard has just returned from Detroit, where 1,000 members of Chevrolet's wholesale organization from coast to coast spent four days inspecting and driving the new car and reviewing with factory executives the program to be followed in presenting it. The new models adhere closely to time-tried Chevrolet engineering principles, he reported, but combine greater power, economy, safety, and durability with striking new beauty and grace.

M. E. Coyle, president and general manager of Chevrolet, announced during the convention that the company had shattered all previous records during 1936, selling more cars and more trucks than in any previous year in its history, and leading the world in sales for the seventh time in the last 10 years. The total for the year will exceed 1,125,000 units, he said, and the objective for 1937 is 1,200,000.

Funeral Services Wednesday For Mrs. J. E. Fortenberry

Resident Of Lowe Section Dies At Local Hospital After Major Surgery

Funeral services for Mrs. J. E. Fortenberry, 51, resident of the Lowe community, were held at the home of a sister, Mrs. Emmett Blasingame of Buford, Wednesday afternoon at 4 o'clock.

Mrs. Fortenberry succumbed in a local hospital Tuesday afternoon about 1 o'clock. She had undergone major surgery a few hours before.

Officiating pastor for the service was the Rev. Mr. Leslie of Hermitage. Burial was in the Colorado cemetery. Pallbearers were R. P. Price, Reese Bedford, E. Simpson, G. W. Pickle, Lanier Bassham, and Mr. Buckner.

Mrs. Fortenberry was born on May 20, 1885, in Fannin county, the daughter of Mr. and Mrs. J. R. Parrish, who survive her. She spent most of her younger years in and near Windom, home of the Parrish family. The Fortenberrys came to this county about eight years ago.

In addition to her parents and her husband, Mrs. Fortenberry is survived by three brothers, three sisters, three sons, and three daughters. The brothers are Jim and Frank Parrish of Windom and Alvin Parrish of Graham. The sisters are Mrs. Emmett Blasingame of Buford, Mrs. R. L. Neely and Miss Emma Parrish of Windom. Jowell Fortenberry, Dennis ortenberry, and Floyd Fortenberry, all of near Colorado, are the three surviving sons. The daughters are Mrs. Ray Bedford, Mrs. J. B. Buckner, and Mrs. Ewin Simpson, all of near Colorado.

Kiker & Son were in charge of funeral arrangements.

LORAIN MAN CHARGED AS ROSCOE MEN HURT

SWEETWATER.—Silas Black of Loraine waived examining trial in justice court here Monday morning when arraigned on charges of driving while intoxicated, filed following a traffic accident about midnight Saturday in which two persons suffered severe injuries.

The injured are Amon Price and Albert Terry, both of Roscoe.

The accident occurred near Brown Brothers' garage, about 3 miles east of town. The Black car was said to have collided headon with the car occupied by Price, Terry and a third man, whose name was not learned and who escaped serious injuries.

Price and Terry were rushed to the Sweetwater Hospital for treatment. Their injuries were said to be critical Monday, though both were reported to be resting fairly comfortably Monday morning.

Price sustained a deep cut across the throat and other injuries. Terry was treated for a deep cut on the left side of the face, one the nose, scalp and one eyelid.

'The Youngest News,' Coleman School Newspaper, 'Off The Press' This Week

The first issue of "The Youngest News," initial journalism effort of the Coleman school pupils, is fresh "off the press."

It is mimeographed and resembles a magazine in form. The cover of this particular issue carries out the Halloween idea, being bright orange in color and having a witch on a broom and a jack o' lantern for its cover design.

Publication is to be monthly. Dana Marie Merritt is listed on the inside front cover as editor, Irwin Berman and Benjamin Dawes as associate editors. Reporters are Bob May, Doris Randle, I. J. Fierce, Rodney Lee, Doris Coffey, Mary Louise Logan, and Eula Jo Henderson.

Drawings made by the children and original sketches by them fill the eight two-column pages of the book. Each room has a report. There is a column of news items about children who have been visiting the Centennial. One page is given over to original stories, these being by Richard Jones, Fred Nall, Maxine Simpson, Katherine Womack, Don Keith Shepherd, Lois Calaway, and C. B. Beasley. Original poems are by Lee Nell Blasingame, Doris Ann Coffey, Yvonne Ward, Dessie Fae Hastings, Irwin Berman, Marian Harris, Neal Ward, Leola Dean Harper, and Madell Mining.

Children whose birthdays come in September and October are listed in one column. Officers of the Citizenship club of the first grade are given.

Two-Year-Old South Colorado Child Dies After Falling In Tub Of Scalding Water

Over in South Colorado Tuesday morning a young mother, Mrs. Ewell Jones, was doing the family washing. Her three-month-old baby girl lay on a nearby bed. Two-year-old Doris Marie toddled around the kitchen while her mother washed.

The mother set a tub of boiling water on the floor and turned away for a minute. In that minute Doris Marie somehow got to the tub and fell backward into the scalding water. She was rushed to the hospital, but nothing helped. She died Wednesday morning at 6 o'clock.

Youth Found Dead In Room At Local Hotel Friday Noon

18-Year-Old Boy Had Been Dead For Hours; Cause Given As Pneumonia

An 8-year-old youth, Leroy Hucky, was found dead in his bed in a room at the Alamo hotel Friday afternoon. He had apparently been dead several hours. An inquest verdict of death from natural causes was returned, the cause being given as pneumonia.

As far as could be learned, Hucky arrived in Colorado on the Thursday afternoon train. He is said to have gone to a doctor's office before registering at the hotel. Relatives of the youth in the Hyman section said that he had stayed with them until some time ago, when he left to work with a carnival. J. D. Pilkington of Hyman is his uncle. His grandmother, who is also his stepmother, is said to live on the Tom Brennan ranch. His parents are dead.

Funeral services were held at the Colorado cemetery Sunday afternoon, the Rev. Dick O'Brien of First Baptist church officiating. Jones, Russell & Company had charge of arrangements.

OES WORTHY MATRON LEAVES FOR MEETING

Mrs. M. L. Kirschbaum, worthy matron of the Colorado chapter of the Eastern Star, left by train Monday noon to represent this chapter at the Grand Chapter meeting in Mineral Wells this week.

She planned to be joined on Wednesday by Mrs. J. T. Howell, secretary of the local chapter. Opening business session of the convention was held Monday. The convention will be climaxed with the grand installation ceremonies on Thursday evening. Mrs. Willard Read of Coahoma is incoming Grand Worthy Matron.

TURKEY GRADING SCHOOL

The State-wide turkey grading school for 1936 will be held at Fort Worth, Texas, November 4 and 5. This school is one of a series held each year in the United States for the training and licensing of official United States graders of turkeys. While only a small per cent of Texas turkeys go out under official United States grades many turkey packing plants have found it extremely helpful to have a representative attend the school, take the training and become eligible, or keep up their eligibility for license.

The school will be under the direction of Mr. T. W. Heitz, poultry marketing specialist of the U. S. Department of Agriculture.

The Texas hotel will be headquarters and grading work will be done at the Fort Worth Poultry and Egg Company as they have offered complete facilities for all instruction and practice classes.

Thorough instruction on and illustrations of United States grades for dressed turkeys will be given. Demonstration will be given and actual practice work will be done on sticking, picking, decouping, sewing tars, head wrapping and packing, as well as a considerable amount of practice work in proper grading of dressed birds. Old clothes and shoes should be brought as the school is not a "dress up" affair. Pencils and note books are need.

Representatives of turkey packing plants, marketing organizations and others desiring to become eligible for license should be present to attend the school. There are no costs involved. When certain rivers in South Africa dry up in summer, a curious kind of fish, called mudfish, makes itself a nest in the mud and waits for the river to fill with water again.

Lesbia Womack Is Married To Olton Man On Thursday

The marriage of Miss Lesbia Womack of the Cuthbert community to Mr. Sherwood Tyler of near Olton was solemnized Thursday morning at 9:30 at the parsonage home of the Rev. Cal C. Wright, pastor First Methodist church.

The ring ceremony was used. The bride and groom were unattended and the ceremony was witnessed by only members of the immediate families. The bride wore a gray coat suit with collar of squirrel and blue accessories. Her blouse was of grey satin and her corsage of pink rosebuds and statice.

Mr. and Mrs. Tyler left immediately after the ceremony for Mr. Tyler's farm near Olton, where they will make their home.

Born and reared at Cuthbert, the bride is the daughter of the late Mr. and Mrs. G. W. Womack, who were among the earliest settlers of not only the Cuthbert section but also of Mitchell county. The family has always held a prominent place among the county's citizenship. Mrs. Tyler, who was their youngest child, has been active in church and community work in the Cuthbert section. Since the first of the year she has been staying with a sister, Mrs. W. O. Wellborn, at Las Cruces, New Mexico. She came back home last week to prepare for her wedding.

About seventy-five citizens of the Cuthbert and Fairview communities gathered at the Cuthbert church to honor her with a shower Tuesday evening.

Mr. Tyler is a prominent farm citizen of Olton. He is well-known in the section around Olton and Plainview.

Cuthbert Citizens Honor Miss Womack

Citizens of the Cuthbert and Fairview sections gathered at the Cuthbert church Tuesday evening to honor a prominent young Cuthbert woman, Miss Lesbia Womack, who on Thursday morning became the bride of Mr. Sherwood Tyler of Olton.

About seventy-five people, both men and women, were in attendance. Contests were held and the men gave their favorite recipes to the bride-to-be. On a linen-covered table in the room where the guests gathered was a centerpiece of American Beauty roses. Beside this stood a miniature bride and groom under an arch of roses. Behind them was a log cabin home nestled among cedars.

The many gifts brought by the guests were presented to the honoree in baskets by children of the community.

The honoree's parents, the late Mr. and Mrs. G. W. Womack, were among earliest settlers of the Cuthbert and Fairview communities.

Westbrook Girl And Conaway Man Married

Miss Marcell Whitesides of Westbrook and Mr. Herman Moody of the Conaway community were quietly married Saturday evening at six o'clock by the Rev. A. D. Leach of Colorado.

The couple was attended by the bride's brother, Forrest Whitesides, and Miss Flonelle Davis, both of Westbrook. The bride is the daughter of Mrs. R. H. Bishop of Westbrook. Mr. Moody is the son of Mr. H. C. Moody of Conaway. Mr. and Mrs. Moody will make their home near Westbrook.

Capacity Audiences Indicated For Rev. Hanson's Review of 'Gone With The Wind'

Capacity audiences are indicated for the review which the Rev. Alex B. Hanson is to give on "Gone With the Wind" at the Palace theatre Tuesday and Wednesday afternoons under the auspices of the women's auxiliary of All Saints' Episcopal church. Tickets, which are being sold at 35 cents each, are being disposed of rapidly. This novel, written by Margaret Mitchell, is easily the most talked-about book of the year, bid-

ding fair to surpass "Anthony Adverse," which the Rev. Mr. Hanson reviewed last year, in popularity. There are several copies of the book in Colorado and all are in constant demand, with lengthy waiting lists for each one. In "Gone With the Wind," one sees the inner workings of the Civil War—not simply the marching of armies and waving of flags. The Commissary Department, the Block-

Big Spring Will Be Entertained Under Greene's Direction

Amateur Hour Feature Cast
To Be Staged There Nov.
9th, C-C Secretary States

Invitation to stage an amateur hour program at the Big Spring municipal auditorium on evening of Monday, November 9, has been accepted by Jim Greene, chamber of commerce secretary. The Colorado man, originator of this novel entertainment, was invited to bring a company of amateurs to the Howard county city by the chamber of commerce there.

Greene is inviting any person desiring to appear on the program to register at his office at once. "We are most anxious to present our very best talent on this program and sincerely trust that those agreeing to cooperate with us in this program contact our office without delay," he said.

In urging local people to reflect strong interest in the Big Spring program, Greene recalled the splendid bill given here a few weeks ago under direction of Shine Phillips of Big Spring. "Certainly, one good turn deserves another," he concluded.

NOLAN PEOPLE KILLED NEAR MINERAL WELLS

An automobile accident at Mineral Wells Saturday took the lives of two residents of Palava, near Sweetwater, Mrs. W. C. Godfrey, 67, and her son, W. E. Godfrey, 43. They were returning home after visiting Mrs. Godfrey's daughters, Mrs. Edward King and Mrs. L. F. Huff, in Arlington.

The accident occurred near the city limits as Godfrey and his mother, traveling west in a coupe, collided with an oncoming truck driven by A. G. Wilson of Stamford. Officers said the coupe apparently skidded.

Mrs. Godfrey and her son died after they reached a hospital. Wilson escaped uninjured except for bruises and shock.

The Godfrey family had lived at Palava since 1900. Mrs. Godfrey, the former Miss Oma Mauldin, was married in Ellis county, and the couple moved from there to Nolan county. Another son, Tom Godfrey, lives in Tulsa, Okla. Several sisters and brothers also survive Mrs. Godfrey.

ade Runners, and the Camp Followers, all pass across the stage. And, stringing it all together is Scarlett O'Hara—the woman who could, and did, accommodate herself to changing trends in society.

The review is to be given in two sittings, one beginning at 2:30 on Tuesday and the other at 2:30 on Wednesday. The admission charge covers both afternoons.

The Rev. Mr. Hanson is also reviewing this book for the Big Spring Episcopal auxiliary.

RETURNS FROM ATLANTA, GA.

Conditions Leading To Spanish Racial Conflict Are Noted

Attorney Discusses Peoples
And Beliefs Of Those Folk
At C-C Luncheon Club

Conditions credited with precipitating the civil war in Spain were discussed at the chamber of commerce luncheon club Tuesday by Thos. R. Smith, attorney. Ignorance and a predominating lack of understanding as between one clan and another figured largely in bringing on the racial struggle, Smith stated.

It is the army and the church, supported by the large land owners of Spain, arrayed against another strata of that country's population, he suggested. That the former, prominently listed as rebels, had about won the war was conceded by the speaker.

"Spain has been invaded and her people overrun by foreign hordes more than any other country in history of the world, and each of these conquering armies have left a part of their folk there to mingle their blood with the blood of Spain, giving that country today one of the most varied citizenships in the world," Smith stated.

TRIP TO PRINTING OFFICE PROVES ENJOYABLE

Wednesday afternoon the three seventh grade Language Arts classes had a very enjoyable and profitable trip to the printing office. Mr. Baze explained the linotype, printing press, and other machines that are used in the shop. He also showed how cuts are made from mats.

We thank Mr. Baze and the other members of the Colorado Record staff for making this trip possible.

EXAM WEEK

Last week was one of the busiest weeks since school started. We had almost forgotten how difficult and uninteresting six-weeks exams are. Let us start early this six-weeks and make our next exams easier.

EDITORIAL

It seems that the cold weather had made some of us rather thoughtless about our behavior in school. During the physical education and noon periods some of the pupils have been disorderly. They leave the rooms and the hall untidy.

Let us be more careful during these play periods. We can play games that will not disturb others. We can put our candy papers in the waste basket.

Ask yourself, "Am I doing my part in keeping the building orderly?"

CHATTER

We wonder: If the seventh grade girls are going to quit playing "Bigger Bear" . . . Which girl in 7A is planning on a "big" night Halloween night? (Seventh grade girls are rather young for that . . . The boys are getting fun out of Miss Bradford's kicking game . . . For information on "type lice" see Mr. McLaughlin or Miss Cook . . . Let's lend a comb to a certain 7B boy . . . We notice the new 7B boy is making a big hit. Mr. Mac to Harry who is half an hour late, "You should have been here at 8:30."

ROSCOE PLOWBOYS ARE VICTORS OVER MERKEL

MERKEL.—In a postponed game here Monday afternoon, the Roscoe Plowboys, district 6-B favorites, wore out the Merkel Badgers, 30 to 0.

Four of the visitors' counters were made by Wallace Gray, left halfback, and the other by Quarterback Math. Try for point failed each time.

With the exception of punting, the Plowboys excelled in every department of the game. Murphy Dye for Merkel kept up his fine booting record by averaging 49 yards to 38 for his opponent. Roscoe made 15 first downs, Merkel 4, and gained 179 yards on running plays, to 53 for Merkel. The visitors completed four passes out of nine attempts for 63 yards, while the Badgers made good but one of their 19 tries, for 33 yards.

E. D. DAYS MOVE BACK

Mr. and Mrs. E. D. Day and their child have returned here to live after having been away since 1929. Mr. Day, who has been employed with the Frigidair corporation in Fort Worth for the past four years, will be associated with his father, I. F. Day, in the second hand furniture business here.

Red Cross Drive

(Continued from Page One) excepting only two, are completely organized and ready to go, Chairman Barber stated. Several of the committee captains became enthused as they extolled merits of the campaign and supported ambition to push the drive over during first few hours of the opening day.

Every teacher in Mitchell county

is to be contacted by personal letter from R. G. Crouch, president of the county teacher's association, urging that they enroll on roster of the Red Cross and give opportunity to their pupils to do the same.

Roy Davis Coles, county school superintendent, has addressed letter to all principals in the county requesting that requisite collections be taken in every school room, looking to registration of those educational units in the Junior Red Cross.

Although the conference was primarily representative of Colorado, in so far as drive captains attending are to be reckoned, reports received from other communities indicated that a similar aggressiveness prevailed. The Mitchell county chapter has never come to the eve of an annual roll call with such a prevailing enthusiasm, Barber said.

The following ladies were appointed on local drive committee:

Colorado residential section, Mrs. R. H. Looney chairman; Mmes. Chester Jones, Ralph Lee, Jeff Dobbs, J. G. Merritt, C. H. Earnest, Lee Jones, Joe Mills, J. H. Greene, L. B. ROSCOE AND SNYDER FAVORED TO REACH NOV. 6 UNDEFEATED

That Snyder and Roscoe will reach their November 6 meeting with perfect averages in district 6-B play became almost a certainty Monday when each won a postponed game.

Snyder, scoring early in each half, won by 14-6 from Lorraine, which showed a passing attack to produce all six of its first downs, and a defense that stopped the Tigers three times inside the ten yard line. Roscoe's win was over Merkel, 30 to 0.

The Plowboys are not scheduled Friday, so are sure of going into the Snyder game unbeaten and untied, but will have only two conference wins. Snyder is scheduled in Merkel this week-end, and assuming that its expected victory over the Badgers materializes, will be credited with four wins when it plays the Plowboys.

After their crucial contest, Snyder will have completed its conference slate except for a Thanksgiving tug with Colorado, but Roscoe will have Lorraine, Rotan and Roby on its list.

Roby retained its spot as a contender by beating Colorado, 27-6, with a shower of long aerial. The Lions made but six first downs, Colorado 25.

Scheduled this week: Snyder at Merkel; Lorraine at Rotan; Colorado at Roby.

**Buyers Entering Orders For
Holiday Goods On Basis Of
Better Conditions Ahead**

Colorado merchants are looking ahead to one of their best holiday seasons in several years, as favorable harvest weather continues to prevail and the cotton yield is promising larger figures than anticipated a month ago. Demand for that line of merchandise is expected to keep abreast of the improved economic trend, they say.

As a rule the local merchants have already bought their gift merchandise stocks. In some instances the bookings made thirty and sixty days ago are being increased in that provision be made to take care of an expected brisk trade demand.

Advance showing of these offerings will be placed on display within the next few weeks.

**FORMER TEACHER HERE
WILL CHANGE POSITION**

Miss Evelyn Jennings, formerly head of the home economics department of Colorado High school and since that time county home demonstration agent of Fisher county, will enter the United States civil service as a home economist on November 15, it was announced last week.

Miss Jennings is to be stationed at Window Rock, Arizona, and will work among the Indians on a Navajo Indian reservation on the New Mexico-Arizona line.

**Thirty-Six Methodist Women To Get
Council Credit As Study Course Ends**

Thirty-six women of the Methodist Missionary society will receive council credit as a result of the study course, "A Preface to Racial Understanding," which was completed Monday afternoon. Fifty women took part in the course.

The final study session was led by Mrs. C. C. Thompson. As the study opened Mrs. J. T. Pritchett and Mrs. J. Ralph Lee, who has been a "guest student" during the course, presented clippings from negro newspapers and clippings dealing with negro work. These will be worked into a scrap book by Mrs. Pritchett.

Papers were read as follows: "Problems of the Church," Mrs. W. L. Doss, Jr.; "The Negro Church," Mrs. Boyd Dozier; "Early American Negro Methodists," Mrs. Lee Phenix; "Racial Problems," Mrs. W. W. Rhode; "Four Agencies of Interracial Cooperation," Mrs. Van King; "Movements Among the Negroes," Mrs.

George Mahon; "Passing of a Great Tradition and Some Successful Precedents," Mrs. L. B. Elliott; "The New Negro Point of View," Mrs. Thompson.

Midway in the program Mrs. J. M. Doss gave a devotional, reading scripture from the sixth chapter of Micah and from the seventh chapter of John.

Preceding the study the missionary society was held in a brief business session presided over by Mrs. J. G. Merritt. The women voted to accept the Harvest Day meeting for the Sweetwater district on December 2 and to donate a dresser to the circuit parsonage at Stanton.

Plans were made to hold the week of prayer the second week in November instead of the first. Mrs. W. H. Garrett, Mrs. R. H. Looney, Mrs. Farris Bass, and Mrs. W. L. Doss, Jr., were named on a committee to make week of prayer plans.

**SCHEDULES, SPONSORS
FOR PLAY TOURNAMENT
OF CHS ARE ANNOUNCED**

Schedules and sponsors for Colorado High school's annual class play tournament have been announced as follows:

Senior, November 6, Robert Coffman sponsor; junior, November 10, Miss Gladys Miller sponsor; sophomore, November 13, Miss Velma Barrett sponsor; freshman, November 17, Juan P. Mason sponsor.

These tournaments were inaugurated by C. A. Wilkins, principal of Colorado High school, in 1928. The school presents a loving cup to the class winning the tournament three years in succession.

The present cup was won last year by the sophomores and has five names on it already, no class having won it two years in succession so far.

Each year the plays draw an average of around 2,000 people.

**DAVISON URGES VOTERS
TO 'OKEH' AMENDMENT**

Voters of this section of Texas are urged to vote for Constitutional Amendment Number 6 on November 3, by Hon. Howard C. Davison, Rotan, Texas, member of the House of Representatives from 117th district.

"Unless this amendment is adopted, in due time the large cities of Texas will completely dominate the legislative branch of the government," Representative Davison said. "Most of the other States in the Union recognize geography as well as population in the allocation of representatives. There is good reason why Texas should follow this same plan.

"All voters who live in rural sections and in small towns and cities dependent upon agricultural activity should certainly give this amendment their attention and ask their friends to support it."

In conclusion, Rep. Davison said, "I urge every qualified voter to actively support Amendment Number Six on November 3."

LATHAMS HAVE GUESTS

Mr. and Mrs. E. L. Latham had as their week-end guests Mrs. Latham's parents, Mr. and Mrs. J. T. Cox of Groesbeck and her brother, J. T. Cox, Jr., also of Groesbeck.

**BROTHER MRS. E. V.
GRANTLAND DIES IN
ABILENE HOSPITAL**

Mrs. E. V. Grantland was called to Abilene Friday by the death of a brother, George Holliday, 53, pioneer rancher of Runnels county, who succumbed to pneumonia which developed after a previous illness of several months duration. She was accompanied by Mr. Grantland.

Funeral services were held in Edinger Saturday afternoon. Others attending the funeral from here were Mr. and Mrs. Dick Billingsley, who knew Mr. Holliday years ago at Herculais.

Early in the spring, Mr. Holliday was injured when the car in which he was riding with his wife bounced on a dip and he struck his head against the top. For a time he was partially paralyzed, and intermittently for six weeks he had been under treatment. Six weeks ago, he reentered the hospital, and Sunday, when pneumonia developed as a complication, his condition became critical.

Mr. Holliday had not been ill, would have been among the favored guests at Ballinger's Golden Jubilee celebration last June. He was a member of the Ex-Open Range Cowboys association, and was a deacon in the Ballinger Baptist church.

He was a son of the late J. R. Holliday, and Mrs. Mattie Holliday, who settled at Hatchell, among Runnels county's first residents. Mrs. Holliday is well-known in Colorado because of her frequent visits in the Grantland home. She returned to Ballinger only recently after a visit here.

George Holliday was married in 1905 to Dee Kevill, also a member of a pioneer family of the Runnels section. Their home is a ranch ten miles from Ballinger. Two sons also survive. They are Francis Kevill and Clyde Holliday.

Four brothers, James Francis Holliday, Dallas; Robert Holliday, Houston; Fred Holliday, Ballinger, and David Holliday, San Angelo; and three sisters, Mrs. M. H. Watson, Lufkin; Mrs. Emmett Grantland, Colorado; Mrs. Henry McDonald, Winters, also survive.

Mrs. Watson is also well-known in Colorado, having formerly lived here while Mr. Watson was manager of the Colorado hotel.

**NEWSPAPER MEN ATTEND
CHEVROLET'S 'PARTY'**

DETROIT.—Chevrolet's achievement of all-time sales records in 1935, under a policy which made newspapers the front line of the company's advertising offensive, has dictated continuance of that policy in 1936, and especially in the announcement of the forthcoming new models. This statement by C. P. Fiskien, advertising manager, was a feature of an all-day party which Chevrolet held for 200 newspapermen this week.

"The 1937 models are the finest Chevrolet has ever built," said Mr. Fiskien. "And the advertising behind them measures up to the product itself. Last year and for several years back, we have relied primarily upon newspaper space to get our message across to the public. In light of the amazing sales achievements of 1935, it is hardly necessary to justify to you our intention of adhering to that policy this year. The newspaper will be the foundation of our advertising effort."

SEE CASA MANANA

Miss Virgie Powell, Mrs. Curtis Erwin, Miss Kaek Price, and Thomas Dolman left Tuesday morning to attend the Casa Manana show in Fort Worth that evening. They returned here the next day.

**Colorado Wolves
Defeated At Rotan
Friday Afternoon**

**Christian's Players Score 24
First Downs To Five For
Rotan Team**

Playing "rings around" their opponents as far as first downs were concerned, the Colorado Wolves dropped another heart-breaking decision to the Rotan Yellowjackets Friday afternoon at Rotan, the score being 27-6.

The Wolves scored 24 first downs to Rotan's 5. Rotan was assessed 80 yards in penalties, the Wolves none. Long, accurate passes accounted for three of the Yellowhammers' touchdowns.

Rotan scored in each period, the first coming on a plunge through the line by Angus Smith for 20 yards, the Yellowhammers gaining possession of the ball on the 20-yard stripe when Colorado fumbled.

The other touchdowns were the results of:

A 25 yard pass, Smith to Wilbanks; Smith to Fleming for 35; and another, Smith to Fleming for 30.

Starting for the Wolves were "Firecracker" Parquhar, Joe Cox, Earnest Burdine, and Walter Rankin. Rankin carried the ball over the line for Colorado's touchdown in the third period.

Originally scheduled for Friday night, the game was played Friday afternoon instead because of the cold rain which was falling.

**MAHON SPEAKS FOR NEW
DEAL IN NEW YORK AND
OTHER EASTERN CITIES**

Speaking engagements assigned to Congressman George Mahon by the Democratic National Committee last week included Democratic meetings in New Haven, Connecticut; New Brunswick, New Jersey; Pittsburgh, Pennsylvania; and a ward rally in New York City. He also spent two days in Democratic Campaign Committee Headquarters where he conferred with Congressman Sam Rayburn, Chairman of the Speakers Bureau, Senator Pat Harrison, and other party leaders.

Mr. Mahon had gone to New York at the request of the Committee after filling a week of speaking engagements in New Mexico. En route to the East, he stopped over in Chicago for a conference with Congressman Marvin Jones, Chairman of the House Committee on Agriculture, who has managed the President's campaign in the farm belt of the Middle West.

Lloyd Croslin, his secretary who has kept the office open in Colorado during his absence, states that he expects the Congressman to return about November 3, the date of the election.

**GINNINGS OF YEAR
8,567,676 BALES**

WASHINGTON.—Cotton of this year's growth ginned prior to October 18 was reported by the census bureau to have totaled 8,567,676 running bales, excluding linters. Round bales, counted as half bales, included totaled 149,147; and American-Egyptian totaled 4,158 bales.

Ginnings totaled 6,590,402 running bales, including 103,676 round bales and 4,885 bales of American-Egyptian to that date last year. And two years ago, 6,743,993 running bales, including 121,613 round bales and 6,074 of American-Egyptian.

Ginnings to Oct. 18 by states were: Alabama, 950,291; Arizona, 57,294; Arkansas, 922,979; California, 149,601; Florida, 25,795; Georgia, 807,050; Louisiana, 668,993; Mississippi, 1,540,853; Missouri, 209,432; New Mexico, 42,096; North Carolina, 214,171; Oklahoma, 190,632; South Carolina, 410,753; Tennessee, 275,613; Texas, 2,083,063; Virginia, 10,466; all other states, 8,594.

**MUSICIANS PRESENTED
ON PROGRAM OF LIONS**

Program Given For Open DAR Session

Program for the opening meeting with which the local chapter of the D. A. R. will observe Constitution Day Sunday afternoon at 3 o'clock in the Baptist church basement has been announced as follows:

Invocation, Rev. Dick O'Brien, pastor First Baptist church; song, "America;" "History of Our Chapter on Its Tenth Anniversary," Miss Mary Broadus; solo, O'Hare's "I

Love a Little Cottage," Mrs. W. R. Martin; address, "Our American Heritage," C. C. Thompson; Nolt's "Prayer For Our Nation," the adult Choral club; benediction, Rev. W. M. Elliott, pastor First Presbyterian church.

The public is cordially invited to attend.

Dorcas Class Meets At T. A. Wynne Home

Meeting at the home of Mrs. T. A. Wynne last Thursday, the Dorcas class of First Baptist church had its regular monthly session with Mrs. Wynne and Mrs. Earl Webber as hostesses.

Mrs. R. A. Blackard, class president, was in charge during the business session. Mrs. Mary Lynch brought the devotional from the twelfth chapter of Romans.

Sixteen members and one visitor, Mrs. Montgomery, were present. The hostesses served a salad course, chocolate cake squares, and coffee.

Hallowe'en Party For Merry Nite Club On Monday

Yellow cosmos and marigolds in black vases and Halloween witches and cats were decorations for the Halloween party with which Mr. and Mrs. Lee Lavender entertained the Merry Nite club Monday evening.

Guests at the seven tables of players included Messrs. and Mmes. L. B. Elliott, V. Hopkins, Lee Dorn, T. M. Marsh, W. D. McClure, Hugh Millington, and Lowell Schmidt; Mrs. A. C. Melton.

High for women guests was made by Mrs. Schmidt, high for men guests by Mr. Schmidt. Mrs. Johnny Reator made high for women members and Mr. Reator high for men members. The women received guest towels, the men neckties.

Brown and yellow sandwiches, ripe olives, individual pumpkin pies, and coffee were served.

Eula Thompson And Mr. Buckalew Wed

The marriage of Miss Eula Thompson of the Spade community and Mr. Leroy Buckalew of the Payne community took place Friday evening at the home of the Rev. Albert Mason, pastor of the Colorado Methodist church.

The bride wore a dress of navy blue pebble crepe with matching accessories. She was born and reared in the Spade section of Mitchell county, being the daughter of Mr. and Mrs. J. L. Thompson.

Mr. Buckalew has farmed in the Payne community for year. He and his wife will make their home on his farm at Payne.

Harold Grein, of Stewartstown, Pa., young son of Mr. and Mrs. G. Shory Grein, grew a 31-ounce tomato with an 18-inch circumference in his FFA project garden.

WOMEN IN THE STUDY CLUBS

Self Culture

Donation of 235 magazines to the Self Culture club's adopted school, Payne, was reported by the school visiting committee, Mrs. J. T. Howell and Mrs. A. C. Melton, during the club's meeting with Mrs. J. T. Howell Friday.

The women reported the school's need of reference books and some school supplies. Mrs. Howell was appointed to have charge of a committee seeing to the obtaining of reference books.

Mrs. C. P. Gary, federation counselor, read a letter on legislation. Mrs. Dell Barber brought greetings from a former club-member, Mrs. E. B. Crozier, whom she recently visited in Godley while on her Centennial trip.

A health program was studied with Mrs. Mayme Taylor as leader. Topics, all taken from recent issues of the Reader's Digest, were as follows: "Conquest of Pain," Mrs. Lee Lavender; "Why Milk Is Safe for Babies," Mrs. Monroe Dawson; "When You're Tired, Eat," Mrs. Bun Pritchett; "Why Don't We Stamp Out Syphilis?" Mrs. L. B. Elliott.

The hostess served apple pie, cheese, and coffee. Mrs. James Herrington will be the next hostess.

1921 Study

"King Jasper," Edwin Arlington Robinson's last poem, was studied by the 1921 Study club during its meeting Friday with Mrs. W. L. Doss, Jr., Mrs. P. K. Mackey was leader.

The poem as Robinson's last work was discussed in a paper by Mrs. C. C. Thompson. Mrs. W. L. Doss, Jr., read excerpts from it.

With Mrs. Ray Womaek as her accompanist, Mrs. W. R. Martin sang two numbers, "Long Ago, Sweetheart," and MacDowell's "A Maid Sing Light."

The club meets this week with Mrs. Ed Jones, Sr.

Hesperian

Adoption of an amendment to the club constitution featured the business session of the Hesperian club's meeting with Mrs. A. L. Whipkey Friday afternoon.

The amendment, which was originally introduced by Mrs. J. G. Merritt, reads: "Each member whose name appears on the club roll at the beginning of the club year shall pay for her year book and also for dues during the first half of the year."

Mrs. Charles Moeser was elected second vice-president to fill the vacancy left by Mrs. E. L. Latham's resignation. Mrs. Merritt read a history of last year's work. Mrs. Farris Bass was present for the first time as a new member. It was voted to invite Mrs. Albert Kimbrough to become a member.

The lesson on the second act of Hamlet was led by Mrs. S. H. Millwee, with papers as follows: "Synopsis of Act Two," Mrs. A. L. Whipkey; "Hamlet's Philosophy," Mrs. Sam Wulfjen; "Is Hamlet's Madness Feigned?" Mrs. J. Ralph Lee.

A salad course was served with spiced tea. The club meets next with Mrs. C. A. Wilkins.

Zetagathian

A further study of Mexico's historical background occupied the Zetagathian's study hour at the home of Mrs. Bob May Friday afternoon.

Mrs. Neal Prichard was study leader. The only paper read was that of Mrs. Adrian Clark on "Conquest and Colonial Period." In Mrs. Clark's absence the paper was delivered by Mrs. Wylie Kinard.

In making final plans for the club luncheon and book review this Friday the meeting place was changed from the home of Mrs. G. V. Harrison, who will be out of town, to that of Mrs. J. H. Greene, mother of the club president, Mrs. Joe Pond. The luncheon will be at 12 o'clock and afterward Mrs. Wade Scott is to review Margaret Mitchell's "Gone With the Wind."

Reports on the style show and benefit bridge to be given by the club at the Colorado hotel on Thursday afternoon were heard and final arrangements discussed.

Shakespeare

Studying India, members of the Shakespeare club met Friday afternoon with Mrs. D. H. Snyder as hostess and Mrs. Frank Lupton as leader.

Items of interest from India were given during roll call. A new member, Mrs. John Arnett, read Mrs. Jack Smith's paper on "Houseboat Days in the Vale of Kashmir." Mrs. Thos. R. Smith had the topic, "Pathfinder of the East." Quotations and questions from the Shakespeare lesson completed the study.

Mrs. R. S. Brennan's sister-in-law, Mrs. Walter Wulfjen of El Paso, was a guest. Mrs. Dudley Snyder assisted the hostess in serving refreshments.

The club will meet Friday with Mrs. John Doss.

Standard

Answering to roll call when the Standard club met with Mrs. P. C. Coleman Saturday were Mesdames C. M. Adams, J. A. Buchanan, Coleman, Lee Jones, Y. D. McMurry, C. E. Way, L. W. Sandusky, and R. B. Terrell.

Rain prevented Mrs. Roy Buchanan from attending and reading her paper on "Shakespeare's Use of Tumult in Nature to Accompany Crime." This will be read at the next club meeting with Mrs. Y. D. McMurry, Mrs. C. E. Way leading.

Mrs. J. Lee Jones led the lesson on "Julius Caesar," Act 2, Scene 1. Refreshments were served.

Relief Supervisor Marries In Abilene

Mrs. Omata Goff of Sweetwater, who has been supervisor of relief work in Mitchell, Nolan, Taylor, and Coke counties for the past six months, was married in Abilene on October 16 to R. A. Lasseter of Sweetwater.

The former Mrs. Goff is known here because of her regular visits to the local relief office. She has been employed by the Texas Relief Commission for three years. Her husband is a chemist with the Gulf Refining company at Sweetwater. Mr. and Mrs. Lasseter are living in Sweetwater.

Friday Morning Club With Mrs. Herrington

The Friday Morning club played at the home of Mrs. James Herrington last week.

For high score Mrs. Percy Bond received a crystal bowl with a black base. Mrs. Geo. Mahon was presented with a china card tray for low. Lunch was served at the Round Top. Mrs. Mahon will be the next hostess.

EX-CITIZEN VISITS

Elbert Elliott of San Angelo, former Coloradan and active member of the Lions Club, was a visitor in town Friday. He attended meeting of the Lions Club at noon.

CHICAGO WILL BE THEME OF CARVETH WELLS' BROADCAST

The intriguing story of Chicago—its growth from a fever-stricken swamp to a great commercial center—will be told by Carveth Wells Sunday, November 1, when he describes that city's many attractions in his Continental Oil Company broadcast, "Exploring America with Conoco and Carveth Wells."

It was thousands of years ago, Wells explains, that Chicago's destiny as the focal point of a region of great wealth was determined—when a great sheet of ice gouged out the basin of the Great Lakes, making the site of Chicago an ideal place for railroads to converge as well as a great inland seaport—"one of the greatest centers of international trade."

And for the tourist, says Wells, "Chicago is simply full of amazing things to see"—including Jackson Park, famous State Street, Lincoln Park, Museum of Science and Industry, University of Chicago, Grant Park, Field Museum of Natural History, Adler Planetarium, Shedd Aquarium, the Art Institute, Chicago Historical Society, and Chinatown, all of which will be discussed by the well-known reporter-explorer.

"The Museum of Science and Industry is unquestionably one of the most fascinating places to explore in Chicago," Wells says. "The exterior alone, one of the finest examples of classic architecture, is well worth seeing. But once inside, you can see the record of man's work upon earth—from the age of the Pyramid builders to that of electricity and mass production."

Local listeners who wish to tune in on Carveth Wells Sunday, November 1, may do so by dialing station WFAA at 12:30 p.m.

OIL-PLATING DONE HERE

(BUT BE SURE YOU READ ALL THE OTHER WINTER OIL ADS, TOO)

You will find most of the emphasis these days, on oil that flows freely.

Well and good. You SHOULD use your correct Winter grade, but... You can see that the more freely any oil flows, the more freely it FLOWS DOWN OFF the pistons, cylinders, and other parts when you stop.

Then in starting up cold, where's mere free-flowing oil?

It is waiting to be pumped up on the job. And even in much warmer weather than this—according to engineering opinion—those oil-starved waits can cost you more engine wear than all the rest of your driving!

But this Winter with free-flowing Germ Processed oil, you can have your engine Oil-Plated! ... much more than a change to OUR Conoco Germ Processed oil... really a change to unbroken Winter lubrication for YOUR engine. It may stand cold for hours—days—weeks. Yet the slippery Oil-Plating formed only by patented Germ Processed oil, will always be UP IN ADVANCE. Pistons slip easy. Starter spins. Oil-Plated engine obliges—and lives the good life, on a stingy diet of Conoco Germ Processed oil. Continental Oil Company

CHEVROLET AGAIN WINS ITS CHOICE SHOW PLACE

The Chevrolet Motor Company had first choice of show space at the National Automobile Shows at New York and Chicago this year for the 10th consecutive time, it was announced today.

The Automobile Manufacturers Association, under the sponsorship of which the shows are held, annually gives first choice to the manufacturer showing the largest dollar volume of sales during the preceding year. Chevrolet has held this honor every year since 1927.

During the model year just ended, Chevrolet sold 1,125,000 units, according to W. E. Holler, vice president and general sales manager, and set a new all-time record. It was the seventh time in the past 10 years that Chevrolet has led the entire automobile industry in yearly sales.

Chevrolet will exhibit a complete line of passenger cars and commercial vehicles at both shows and will have lecturers on the scene to explain the exceptional features of the new Chevrolet for 1937.

ALONG THE BOY SCOUT TRAIL IN COLORADO

SCHOOL OF SCOUTING TO BE HELD

A School of Scouting will be conducted in the Colorado and Snyder districts by the Buffalo Trail Council of the Boy Scouts of America next week.

Its purpose? Acquaint men with the technique and spirit of the Boy Scout movement and to provide men with the necessary Boy Scout "tools" to permit a man to help the boys to help themselves.

For whom? This school is open to all prospective Scout leaders, interested dads, and, of course, registered Scouters. Everyone interested in the boys of either the Snyder or the Colorado district is invited to attend.

Where? The course for the Colorado and Snyder districts will be held in two sections. Section 1 for Colorado, Lorraine, Westbrook and other parts of Mitchell county will be held in Colorado. The second section of the school for Snyder, Dunn, Hermleigh, Fluvanna, Pyron, Turner and other towns in Scurry county will be held at Snyder. Kent county is also in this district. Sessions of the Colorado school will be held at the meeting place of Troops 20 and 21. The course in Snyder will be held at the Boy Scout hall over Winston-Clements.

When? Section one, meeting in Colorado, will start next Monday evening, November 2nd, with the second meeting of the section held the following evening, Tuesday, November 3rd. The third and fourth sessions of the school will be held on Monday and Tuesday evenings, November 9th and 10th. The final session, a hike, will be held in connection with section two on Friday, November 13th. The place will be decided later.

Section two of the training school will open at Snyder on Wednesday evening, November 4th, with the second session on the following evening, November 5th. The third and fourth sessions will be held on Wednesday and Thursday evenings, November 11th and 12th. The fifth session will be held in connection with section one, as described above.

Each indoor session of the school will start at 7:45, and will continue for two hours. The hike will start at 5:00 o'clock in the afternoon on Friday and will last until 10:00 o'clock.

Method? Learn by doing. Participation in the school will be on a patrol basis. Every man will get an opportunity to enjoy Scouting as a member of the Scout troop formed for the school. Patrol methods, troop organization, leadership helps, camping, games, stunts and Scout activities will be featured. Men enrolled in the Scout course will have an opportunity to enjoy much of the fun of Scouting, as well as receive technical instruction in how to better serve the Scouts.

Cost? There will be absolutely no charge. The course is presented by the Colorado and Snyder districts of the Buffalo Trail Council in the interest of extending Scouting and its influence in the territory. The purchase of recommended literature is entirely optional although it is urged

CRAIG PORTER GETS BADGE

Craig Porter received his badge and membership card as a registered Scout in Troop 20 during the past week. Craig passed his work before he was twelve years of age and was ready upon his twelfth birthday to receive his membership card.

BULLETIN BOARD GIVEN

A nice bulletin board was presented to Troop 20 by the Flaming Arrow patrol on Monday night. The board is to be used to keep new items of Scout activities over the nation and world posted so that the Scouts of the troop may know what is going on in the field of Scouting.

The Flying Eagle patrol decorated the window for Troop 20 Saturday. The window will be left two weeks and then another patrol of the troop will show their ability at doing handiwork. This handiwork done by these boys is in addition to their regular scouting study.

Try CARDUI For Functional Monthly Pains

Women from the 'teen age to the change of life have found Cardui genuinely helpful for the relief of functional monthly pains due to lack of just the right strength from the food they eat. Mrs. C. H. Haynes, of Essex, Mo., writes: "I used Cardui when a girl for cramps and found it very beneficial. I have recently taken Cardui during the change of life. I was very nervous, had head and back pains and was in a generally run-down condition. Cardui has helped me greatly."

Thousands of women testify Cardui benefited them. If it does not benefit YOU, consult a physician.

'Chevrolet Breakfasts' November 7 Will Celebrate Showing of New Car

Chevrolet dealer employees throughout the United States will celebrate the public announcement of Chevrolet's new 1937 models with several thousand "Chevrolet Breakfasts," held simultaneously from coast to coast on the morning of Nov. 7, when the new cars make their formal bow. W. E. Holler, vice president and general sales manager of Chevrolet, announced the breakfast program this week, explaining that it celebrated this car's all-time sales record and the outlook for new records in 1937.

More than 50,000 employees will sit down to the breakfast, Mr. Holler said. Immediately following the event, showrooms will be thrown open for the first public inspection of the new models, which are being kept a closely-guarded secret up to the announcement date.

"In spite of the fact that the new cars have not yet been shown, thousands of the new Chevrolets have been ordered for immediate delivery," said Mr. Holler. "It is doubtful if any industrial organization ever received a more eloquent endorsement that which thousands of men and women have given Chevrolet this year, by placing their orders for the new models before anything at all was known of them except that they were Chevrolets."

"The engineering department and

the manufacturing department have given the public an outstanding product, and it is gratifying to know that their efforts are fully appreciated—that Chevrolet cars and trucks, and the institution behind them, enjoy such a reputation that America will unhesitatingly purchase thousands of these products before anyone outside the factory knows definitely what they will be like."

Beware The Cough
From a common cold
That Hangs On

No matter how many medicines you have tried for your cough, chest cold or bronchial irritation, you can get relief now with Creomulsion. Creomulsion not only contains the soothing elements common to many remedies; such as, Syrup of White Pine Compound with Tar, fluid extract of Licorice Root, fluid extract of Ipecac for its powerful phlegm loosening effect, fluid extract of Cascara for its mild laxative effect and, most important of all, Beechwood Creosote is perfectly blended with all of these to reach the source of the trouble from the inside. Creomulsion can be taken frequently and continuously by adults and children with remarkable results.

Thousands of doctors use Creomulsion in their own families as well as in their practice knowing how Creomulsion aids nature to soothe the inflamed membranes and heal the irri-

tated tissues as the germ-laden phlegm is loosened and expelled. Druggists also know the effectiveness of Beechwood Creosote and they rank Creomulsion top for coughs because you get a real dose of Creosote in Creomulsion, emulsified so that it is palatable, digestible and potent for going to the very seat of the trouble.

Creomulsion is guaranteed satisfactory in the treatment of coughs, chest colds and bronchial irritations and especially those stubborn ones that start with a common cold and hang on for dreadful days and nights thereafter. Even if other remedies have failed, your druggist is authorized to guarantee Creomulsion and to refund every cent of your money if you are not satisfied with results from the very first bottle. Don't worry through another sleepless night—phone or go get a bottle of Creomulsion right now. (Adv.)

WAR IN SPAIN

Our daily papers are filled with war news in Spain and almost all of Europe. Russia is said to be building one of the greatest navies in the world. All of which has caused this writer to look up and read ancient history. Spain has always had trouble in her country since the Moorish conquest. They have been quarreling and fighting ever since they kicked the Moors out. In reading more about medieval Spain we learn that:

El Cid, known in Spanish history and romance as Cid Campeador, was a mighty knight in Medieval Spain. He was a warrior and statesman, who fought with the Moors on occasion and against them on other occasions. But he won Valencia from Moorish sovereignty and established it as a Christian independency, which he ruled with justice and ability, with his beloved wife, Ximena, at his side as Queen. But later when the Moors gained a great battle over his forces, he died of a broken heart. Always he has remained a mighty figure in Spanish tradition, for his valor, his strategy as a warrior and his fame as a ruler.

Reading on further in our history we see where England has declared martial law for portions of Palestine in order to protect Jewish emigrants and land owners from Arab raids on Jewish settlers. The Arabs object to Jewish resettlement of Palestine. The Arabs are probably descendants, mixed, of the tribes of Lot, Ishmael and Esau, of Abrahamic blood, and of the contemporary inhabitants of Gentile blood. These mixed people had a historical setting about 3500 years ago along with the Jews. While in part related by blood to Abraham, they did not partake of the Divine covenants and promises made to Abraham, Isaac and Jacob, but were told very clearly the character, lives and destiny that awaited them in the march of time. God selected as a chosen people Abraham's seed, through the line of Isaac and Jacob, and separated them from other peoples and promised that wonderful blessings would accompany the announced relationship. This favored position and promised blessings to the chosen people aroused the enmity of outside peoples, and conflicts resulted, and have continued to this day.

Since then, and during the existing dispersion of the Jews, the Promised Land has been a neglected, run-down country, inhabited by these ancient enemies of the Jews. Now that efforts are being made by the dispersed Jews to re-possess, re-occupy and re-store the productivity and grandeur of the land that God gave to them, as heirs of the promises made to Abraham, the Arabs and their allies are trying to prevent them from occupying their inherited property. There is lots of interesting and profitable reading in the history and prophecy concerning these people during the days of the Patriarchs. The prophecy is still in the fulfilling, and the efforts of the Jews to return to their promised inheritance, over the stubborn resistance of the inhabitants of the land, is but a noticeable flash of light revealing another step toward the certain fulfillment of prophecy concerning these peoples. Telling things long before they come to pass is one of the acid tests of the Divine in prophecy.

Reading further on in our history we see the Europeans are almost as disposed to fight civil wars as foreign wars. Their politics is so complicated, they have so many warring parties and they are such hard losers in elections, they don't know what to do after voting except start fighting. In France the various factions are seriously contemplating revolution of one sort or another. The same would be so in Germany and Italy, probably in Russia, if they were not held down flat, with a hobnailed heel on a tyrant foot pressing their necks. That doughty statesman Herr Schuschnigg pulled off a revolution only last week, all by himself and thereby became Kingpin of Austria. But informed observers are saying that although the Vienna revolution was bloodless it may not stay that way for long. That other doughty statesman-warrior, Prince Starhemberg, is far from satisfied with the new situation, which leaves him sitting low beyond the rim of the horizon. The Prince is said to own thirteen ruined castles, and that would make anybody want to fight somebody. Besides, both Hitler and Mussolini want to be big brother to Austria, and unless they decide to divide the remains they may come to fighting words ere long. The fact is that Continental Europe has been an armed camp for 1000 years and keeps the campfires burning.

Some publicists are now contending that Thomas Paine originated the idea of independence for the American colonies and first published books and tracts advocating the same. This is so far from the facts that it needs to be corrected. Tom Paine arrived in America in October 1774. His first publication was in January 1776, less than six months before the Declaration of Independence. In March 1769 Thomas Jefferson wrote a paper that was so radical for independence that it could not be published. In the same year Jefferson began his work to abolish slavery. Paine's first utterance on slavery until March 1775.

Before August 1st, 1774 Jefferson wrote his "Summary View" of the Rights of the British in America. This was equal to the Declaration of Independence made in 1776. In 1773 Jefferson, Dabney Carr, and others joined in an effort and appointed a committee of correspondence. This was the beginning of confederation of the colonies. Why brush away Patrick Henry, Jefferson, Carr, the Lees, Otis, Samuel Adams, Washington and others and give Paine credit for things that happened prior to his coming to America? Why indeed?

Tom Paine has been much abused by the preachers of this country because of his infidelity. The facts of his life are as follows: He was a Methodist preacher and then an atheist. He was a close friend of Burke and then abused him until he had to leave England. He was a radical in France and then voted in favor of the Bourbon King. He was a great advocate of American freedom and then bitterly attacked Washington for many things, including treachery.

Yet Tom Paine is held out and alleged to be the father of the Declaration of Independence! It is so far from the truth that it is false.

In his day Jefferson combatted a greater number of laws, which were oppressive, customs which were stale, tendencies which were undemocratic, and fixed opinions which were popular than any other man in public life. He attacked systems and creeds where they were most sensitive. He aroused vested interests which were most powerful, and which when alarmed are the most vindictive. Yet never once in all his long life did he falter, surrender or apostatize. He took the unpopular side of slavery. He defied religious bigotry and continued to defy it. He challenged the organized power of land monopoly and class rule in his own state and overthrew it. Thomas Jefferson was a real democrat. He had faith in and sympathy for the common people. It is alleged by smart men that Jefferson obtained his democratic principles from the radicals while he sojourned in France. He did not go to France until 1783 and he is known to have held his democratic principles as early as 1769—14 years before he went to France. Thomas Jefferson was one of God's own make and he was placed among the people without any explanation. And after 100 years no explanation is forthcoming.

The habit of using ardent spirits by men in office has occasioned more injury to the public and more trouble to me than all other sources. And were I to commence my administration again, the first question I would ask, respecting a candidate for office, would be: "Does he use ardent spirits?"—Thomas Jefferson, Third President of the United States.

Our forefathers came to the United States seeking freedom and found it—freedom from dictators, spies and oppression; freedom of thought, religion and opportunity. They built a Nation where everybody has the same chance to make a home and care for his loved ones.

The only time Texas ever had a Republican for governor was when the white men in Texas were not allowed to vote and the white and black negroes made the mistake of electing E. J. Davis, whose infamous tyranny made Republicanism in Texas a thing of which to make the white man cuss. The only other time that Texas ever condoned Republicanism was when they voted for Hoover and his nightmare administration. These two experiments so nauseated the average Texan, that he is in no condition to crave another dose.

IT PAYS TO ADVERTISE

In our early newspaper days we knew a young lady who advertised for a husband. She got him. The ad and wedding cost six dollars. The husband died before the end of the year and left her eleven thousand dollars life insurance.

A newspaper publisher in another state offered a prize for the best answer to the conundrum:

"Why is a newspaper like a woman?"
The prize was won by a woman who sent in this answer:
"Because every man should have one of his own and not run after his neighbor's."

STATE PRESS

State Press in the Dallas News got into trouble about saying the Bible mentioned Baptists. He says:

"Most newspapers avoid religious controversies, but this column, being opener, bolder and braver, doesn't flinch from them. Not long ago State Press said Baptists are mentioned in the Bible. Now he has refuted, one from Temple and one from Ferris, both of them in the black land, therefore sticky and tenacious. The Ferris gentleman says Paul mentioned presbyters, therefore must have been a Presbyterian. The Temple gentleman says Baptists are not mentioned in the Bible although John the Baptist is. Yes, sir; but after John baptized the throngs in Jordan they were Baptists, weren't they? They couldn't have been anything else. As for the presbyters mentioned by Paul, the word meant leaders. A leader may be a presbyter, like a Baptist. However, State Press isn't saying Baptists alone will go to heaven. He means only that they will sit on velvet in the high seats."

Works have nothing to do in securing Salvation. It is a free gift. After-salvation acceptable works produce the fruits of the new birth.

MITCHELL COUNTIANS AT HOWARD COUNCIL

Mrs. O. L. Simpson, council chairman of Mitchell county accompanied Miss Emma Gunter to Big Spring Saturday to visit the Howard county council in regular session. The main theme at the meeting was Achievement Days in both counties.

The Mitchell chairman secured suggestions which she hopes will enable her to improve the business side of her own council meetings. Mitchell county invited the council members of Howard county to visit the "all club party" here on Dec. 12.

FORMER MISS HESTER HERE

Remembered by most Coloradans as Rowena Hester, Mrs. Arland Peabody and her husband, Capt. Peabody, of San Diego, California, were here Monday night visiting in the home of Mr. and Mrs. Bun Pritchett. They were en route home after a visit with Mrs. Peabody's brother, Ralph Hester, in Fort Worth. Capt. Peabody is a retired army officer. He and Mrs. Peabody have been living in San Diego two years. Mrs. Peabody is the daughter of the late Mr. and Mrs. R. W. Hester, well-known residents of Colorado several years ago.

Third Conference Victory Taken By Snyder's Tigers

Loraine Bulldogs Trimmed On Snyder Field With A Score of 14-6

SNYDER.—Snyder high school cleared the third hurdle in its path to the district 6-B championship Monday night by trimming the Loraine Bulldogs, 14 to 6.

The Tigers scored soon after the game began. They returned the kickoff about 40 yards, and worked the ball deep into Loraine territory, to lose it on downs. A Loraine kick was blocked and the ball taken on the eight-yard line, but the Bulldog defense was too rugged, and Loraine got a chance to kick out again. The boot, from behind the goal, carried only to the 19-yard line, and on the first play following, Morrow went around end for a touchdown. Captain Boren, an end, kicked goal for point.

Loraine was virtually helpless on offense through the first half, until near its end when two consecutive passes worked for a score. James connected with Walker for 40 yards to take the ball to Snyder's 12-yard line, then passed to Simmons for the touchdown.

In the third, Snyder swiftly took play inside the Loraine ten-yard line, was held, but came back again when the Bulldogs punted. Head scored, going off tackle from the eight-yard line, and again Boren converted. As usual, the trailing Bulldogs opened up with passes in the last period, but had two of them intercepted, and were unable to get past the 30-yard line. Three minutes before the finish Snyder was stopped inside the ten-yard line for the third time.

Loraine made six first downs, all on passes. Snyder's aerial attempts were null and void. It threw four passes, two incomplete and two intercepted.

Loraine stars were Quarterback James, and Compton, a guard. Foremost in the Tigers were Head and Morrow in the backfield; Autry, center; Rogers, guard; and Tate, end.

Wednesday from El Paso where she has been with her sister, Mrs. J. W. Walker of Silver City, N. M., who is recovering from a serious eye operation she underwent there recently.

This information is being published in this column in hope it will be of some benefit to some Mitchell Count farmer in solving his problems.—Douglas Richardson.

The 2nd year agriculture class has been studying the value of lime in a dairy cows ration. It was found that lime is a limiting factor of milk production in Mitchell county, because the soil is deficient in lime. Since the dairy cow has the power of taking it off her own body in order to provide the lime necessary for milk, every cow should have excess lime in her ration. Lack of the proper assimilation of lime is believed to be the cause of milk fever, thus the large number of cases so common to Mitchell county dairy cattle. Farmers therefore are urged to feed about a tenth of pound of limestone per day in the cows ration so the cow will be useful for over a period of years, and will not come down with milk fever. This lime can be obtained in pure bone meal or ground oyster shell flour the latter being a great deal cheaper.

F. F. A. PROGRAM

The first year agriculture class went to the home of Professor Williams on the morning of Wednesday, Oct. 22, to gain some valuable knowledge about culling poultry. Some of the boys are planning to have a poultry project. Mr. Williams has asked the class to talk over with their parents projects which they are going to take.

The class has started the study of Maintaining Soil Fertility which will be the next month's work. The class is now making preparation for the initiation ceremony which will take place November 3.

THE PEP SQUAD

During this week not only the pep squad boys and girls have been peppy, but the whole student body has been bubbling over with pep and enthusiasm. Both boys' and girls' pep squads have been practicing new yells, as they felt they would need them for the coming games. The pep squad girls and boys were very disappointed because they did not get to go to Rotan to the game, as they had planned, but nothing seems to "squeich" their pep.

HELLO—WHO'S THIS

Oh! It's just the Home Economics girls wanting you to know that they still exist. Here's what each class is doing—listen.

The H. E. IA girls have made another stab at cooking. It seems that they did much better this time as the teachers that they experimented on complimented them highly. They made good toast and cocoa. Surely anyone can make toast, but it seems that they all do not know how it is done. Now they are more experienced.

The H. E. IB girls are making slips now. They are proving to be really in earnest about their work.

The second year girls are making tailored dresses. You can just wait and see for yourself how they look. (They'd tell you, but they don't like to brag)

But look out for that third year group. They're neither sewing nor cooking. They're studying nutrition and other important things. It was thought at first that they were graduated, but found out later that they're going to cook some in the near future.

CLASSES PREPARE FOR PLAY TOURNAMENT

The classes in C. H. S. are practicing their plays daily in hopes of winning the class play tournament. The plays selected will be very entertaining: Seniors—"Sitting Pretty"; Juniors—"A Ready Family"; Sophomores—"Valiant Hector"; and Freshmen—"The Promoters." The plays are being coached by Mr. Coffman, Miss Miller, Miss Barrett, and Mr. Mason respectively.

Each class cordially invites the people of Colorado to attend these plays, beginning with the Seniors Nov. 6, the Juniors Nov. 10, Sophs Nov. 13 and Fish Nov. 17.

DEPARTMENT NOTES

Most of the typing students are doing very good work. Some are making over twenty words per minute, a record which is very good according to the practice they have had. The choral club is working on songs by Stephen Foster for an assembly program of Stephen Foster to be given Nov. 3. They are also learning several choruses. Music I is studying music appreciation.

SPORTS

Predictions failed again last Friday afternoon on the battlefield at Rotan. The whole Wolf pack along with their high spirits were crushed utterly to earth as the Rotan Yellowhammers gently threw passes as Colorado ran so many first downs. The Wolves made 25 first downs to Rotan's 5, but at the present page in the history of football first downs do not count anything towards the final score. The Yellowhammers attempted three passes, one each in the last three quarters and each one was good for a touchdown. Each pass was over 30 yards long. In the first period Rotan recovered Rankin's fumble and on the next play they drove through right tackle for a touchdown. Three goals were kicked by the Rotan team. In the quarter Colorado made their first and only touchdown after a continuous series of line plunges by Captain Rankin and Bill Miller. Burdine's attempt at kicking the goal was too low. The Wolves completed 6 out of 10 passes and drove into the

shadow of the Rotan goal line quite a few times but here the ball always went to Rotan on downs. Rotan was penalized 80 yards and Colorado was penalized not one inch. Walter Rankin and Ernest Burdine can be commended for their excellent offensive and defensive work, but also there were 9 other boys on the team who were fighting their hearts out every minute of the game. When the final whistle blew the score was 27 to 6 in favor of Rotan.

A LAZY BOY'S VIEW OF THE STUDY HALL

The fifth period study hall is now beginning. Miss Miller is the study hall keeper. She checks the roll and puts the absentees on the nail outside the study hall door. As she turns her back, Billy Mann hits Jack Morrison with a wad of paper. Jack reacts and Miss Miller looks disapprovingly. Then quietness settles but not for long. A booming noise runs through the study hall. Fountain pens are dropped and Miss Miller nearly falls off her stool. It is only Joe Robertson who gets hung to the torn edge of the trash can. Finally every one is quiet. Then it seems as if an army is coming down the hall. It is only the students coming from the third period study hall. They get settled and there is a mad rush for the library. Silence reigns keeping time to the melodious snores of some old senior boy. The bell rings. Release and scramble.

MISS SMITH PRESENTS SENIORS IN PROGRAM

Tuesday morning in assembly Supt. Watson congratulated Miss Smith for setting a high standard for programs of student participation. The student body thoroughly enjoyed the program. Other classes feel they must work hard to outdo the Seniors.

The dignified seniors discarded all of their dignity and became first graders in an assembly program Tuesday morning of this week.

Hazel Grubbs was teacher. The school children could be heard off stage singing "School Days"; then they entered singing "Good Morning Dear Teacher."

Miss Grubbs after checking the roll asked when Annie Rooney was. Verda Bohannon answered in song: "Annie Doesn't Live Here Any More."

Miss Grubbs wanted to know if there were any questions to be asked and, of course, the ever-ready Billy Henderson asked in song: "Is It True What They Say About Dixie?" Mary-bell Crosthwaite and Mary Elizabeth Pidgeon answered him in song: "Yes it is True What They Say About Dixie."

Miss Grubbs asked the new pupil, Key Will Palmer, who he was and he answered in song "I'm An Old Cowhand." Following this Miss Grubbs started the day's arithmetic lesson in song "Take A Number From One to Ten." After her song Miss Grubbs taught that mean little boy, Billie Henderson, with gum in his mouth. She very strictly told him to put it in the basket and he began to sing "I'm Putting All My Gum in One Basket."

History lesson began and the pupils began to sing "We Don't Want to Make History; We Just Want to Make Love."

Miss Grubbs announced the next lesson on Stevenson's writing. Then came the answer in song "We Sailed Away to Treasure Island."

Miss Grubbs decided that the pupils had not learned their lesson well, so they were to "stay in" until they learned them. The children began to sing "We Won't Go Home Until Morning." But the trustee, J. W. Darrup, made the school a visit to tell the children they were to have a half holiday. They began to sing "Goodie Goodie" as the curtain slowly closed.

WRECK VICTIM'S SISTER HERE

Miss Lois Whitley, sister of W. A. Whitley of Merkel who was seriously injured in the car crash which took three lives near Itan Sunday morning of last week, was through Colorado Tuesday en route to visit her brother in a Big Spring hospital. She was traveling with Mrs. L. M. Touchstone of the Southwestern Life Insurance company office in Abilene. While here Miss Whitley viewed the wreckage of the car in which her sister-in-law and Mr. and Mrs. Middleton met death. Mr. Whitley is now expected to recover. The Whitley infant, who suffered only minor bruises in the accident, is with a sister of the late Mrs. Whitley in Merkel.

RETURNS FROM HOSPITAL

N. V. Easterwood returned early last week from the veterans' hospital at Albuquerque, where he had been a patient for a month. He must take a complete rest for some time to come, physicians there advised him.

KNOWLEDGE OF COTTON SEED GRADING URGED

The wide variation in cotton seed prices at gins and mills is one evidence of a fact which seldom receives its full share of consideration—the fact that the South's cotton seed crop is sold by growers who know nothing of cotton seed grades to buyers who in many cases, according to a recent issue of the Progressive Farmer which says:

"In order to make it possible to buy seed on a quality basis, the U. S. Department of Agriculture has developed a system of official standards for grading seed—a system perfected after years of study and checking the results of chemical tests of the seed against the worth of the products actually turned out by the mills.

"With the official grading system in effect, farmers can now sell seed on a quality basis—fair trading for both the buyer and the seller. But what we do not have is "machinery" for putting the grading system into operation. This machinery would be provided by a bill introduced at the last session of Congress by Senator E. D. Smith of South Carolina and Congressman Wall Doxey of Mississippi. In principle much like the Flannagan Tobacco Grading Act, these Smith and Doxey cotton seed grading bills provide:—

"1. For establishing an official system for grading cotton seed;

"2. For licensing samplers, weighers, and graders;

"3. For collecting and distributing information as to cotton seed grades;

"4. For a market news service which would report to farmers, ginners, millers, and other interested persons the prices of cotton seed and cottonseed products.

"These bills do not require the gins and mills to buy and sell on the official grades. That would not be compulsory. But the mills and gins would be required to supply information on prices and grades of all seed handled. And with the farmer knowing (1) what grade of seed he has and knowing (2) what that grade is bringing on other markets, he will certainly be in far better position to get the worth of his seed than when selling under present 'pig in a poke' conditions.

"In order to become law, the Smith and Doxey bills will have to be re-introduced at the next session of Congress. Farmers who want better marketing methods for their cotton seed should now begin working for the Smith-Doxey cotton seed grading program."

Keep Old Eyes Young WITH BETTER LIGHT!

I.E.S. Lamps Have This Tag of Approval

Children's eyes are usually near-perfect, but eyes age rapidly when subjected to unusual strain, such as is caused by improper lighting. Better Light protects both young eyes and old from unnecessary strain, and makes seeing easier.

Visit our store or your electrical dealer and see the new I. E. S. Better Sight Lamps which are scientifically designed to provide the right kind of soft, glareless light.

Be sure to look for the authorized certification tag on the lamps you buy. It isn't an I.E.S. Better Sight Lamp if it doesn't have this tag.

[QUESTIONS THAT ARE ASKED ABOUT BANKING]

"Why do Banks expect a loan to be paid when due?"

A LOAN is a contract between the bank and the borrower. If it is not repaid when due, the contract is broken. Ability to repay is the best proof that the loan is good.

There are, however, circumstances which sometimes justify renewal. But bankers know from experience that the longer a loan is carried the weaker it usually gets. Bank examiners are, in fact, very critical of a loan which does not turn over at least once a year. Prompt repayment is also better for the borrower—for it strengthens his credit.

A bank cannot tie up its funds for long periods because most of its deposits are subject to withdrawal on demand. Furthermore, bank credit is for the use of the whole community and regular repayments are necessary for making fresh loans.
