MEDICAL MEETING TO BE IN SWEETWATER

AUSTIN—The second of the series of two refresher courses in pediatrics and obstetrics for the practicing physicians of the Second Medical District will be held in Sweetwater, March 7. The Bluebonnet Hotel will be headquarters for the meeting.

The meeting will feature lectures in obstetrics by Dr. Ben H. Passmore of San Antonio. Pediatrics will be discussed by Dr. Max R. Woodward of Sherman.

These lectures will serve to bring to the attention of the attending physicians late developments in these fields and give an opportunity for discussion of the general data and problems of obstetrics and pediatrics.

The Sweetwater meeting will last one day, beginning at 10:00 a.m. and continuing until 9:30 p.m. that night. There will be a round table luncheon at 12:15 p.m. and a round table dinner that night at 6:30 p.m.

Dr. Charles A. Rosebrough is chairman for the committee on arrangements for the Sweetwater meeting.

Dr. P. E. Hudson of Stamford, Councilor for the Second Medical District, has urged all physicians in his district to attend this series of meetings and it is expected that a large number of physicians will be in Sweetwater on these dates.

TEXANS ASK FOR TICK ERADICATION

WASHINGTON—A Texas delegation and an agriculture department agent asked a house appropriations subcommittee to increase to \$600,000 the proposed federal expenditure for tick eradication in Texas in the 1939 fiscal year.

The group asked that the \$503,000 tick eradication item in the agriculture department's appropriation bill be increased to \$903,000. The increase would be used exclusively in Texas in addition to \$200,000 already earmarked for the state.

Chairman L. J. Wardlaw, of the Texas Livestock Sanitary commission, declared the increased appropriation was imperative to eliminate tick infestation in 21 affected counties.

Dr. Howard L. Darby of the bureau of animal industry also stressed the need for expanded work in the state.

Other witnesses included Ira Butler, of the state sanitary commission, and Texas Representatives, Kleberg, West, Lanham, South, Garrett, Mahon, Luther Johnson and McParlane.

LOAN APPLICATIONS FOR FCA NOW BEING TAKEN AT CC OFFICE

Machinery for the making of Farm Credit Administration seed and feed loans in Mitchell county has been set in motion at the chamber of commerce office.

Johnnie Lou Callison has been employed to make out the loan applications. Since the making of each application requires about an hour, farmers who desire loans are requested to call at the office and register. Through their registration they will be given a definite time to come to the office and file their application. This will eliminate confusion in the office and save the time of those wishing loans.

Ed Jay of Sweetwater, district FCA supervisor, will be in the office for an hour or so every Monday morning and every Thursday morning at 10 o'clock.

No Bank Knowingly Refuses

—to make a good loan.

A MERCHANT will not refuse to make a good sale. A bank is just as desirous to make good loans for it a loan is the equivalent of a sale. But in addition to the willingness of the merchant the bank has the responsibility of a trustee.

PICKED UP ALONG THE NEWS PATH

This could easily be an FFA column this week—the writer was that much impressed by and had that much fun at the FFA father-mother-son banquet Friday night... Quinton Hamrick as toastmaster put to shame many an adult "presider" that I've run across in my banquet-going experience, and every boy who had part on the program showed that he had been well-trained, that he was proud of his work, and that he was in earnest about being a "future farmer"...

Here March has slipped in like a lamb... If you're an experienced West Texan, you know how she's supposed to leave when she comes in like that... So hold your hat...

Wanderings: Swell way for Mary Jan Geer, little daughter of Mr. and Mrs. Buck Geer, to spend her fourth birthday Tuesday, March 1st—in a Sweetwater hospital with her appendix two days out... GAS COMPANY REPORTS INCREASE IN 1937 SALES

Keeping abreast of the gas industry of the nation, the Abilene division of Community Natural Gas Company reports more modern gas ranges purchased for kitchen modernization during 1937 in this section than for any previous year.

The industry throughout the nation reports the greatest annual purchase of ranges for domestic use since 1929, the peak year. In 1937 housewives bought 1,600,000 gas ranges, a gain of 10 per cent over 1936. The local gas company reports an even greater increase.

Further growth in popularity of gas ranges is indicated by additional national business statistics just released to M. L. Bird, division superintendent of Community Natural Gas Company. In 1937 alone the sale of gas ranges was greater than the next nearest competitive industry had in total domestic use.

Gas water heater national sales also increased 20 per cent in 1937 over 1936 with Community Natural Gas Company reporting a 40 per cent increase in its territory.

Also shown by 1937 national statistics is the fact that back of each gas industry worker stands an average investment of \$37,000 for rendering gas service. This is more than either the steel, railroad or automotive industry has invested per worker.

The survey shows that the national gas industry has a greater capital investment than the steel industry, one of the most basic of the great national industries. Wages paid by the gas industry are higher than those paid by the steel or automotive industries.

While the average gas industry employee worked 48 hours per week in 1929, the big year, 1936 salaries were slightly higher, even though the average employee worked only 40 hours per week, an important contribution by the gas industry to improved living conditions, Bird said.

WOMEN IN THE STUDY CLUBS

Standard

An original poem by Mrs. P. C. Coleman, only surviving charter member, featured the meeting of the Standard club with Mrs. J. A. Buchanan Friday afternoon.

The poem was read in connection with the lesson on "Merry Wives of Windsor," led by Mrs. L. W. Sandusky. The only other program feature was Mrs. C. M. Adams' paper, read in because of her illness, on "Contrast of the Wooing of the Three Lovers of Anne."

Mrs. Coleman's poem, entitled "The Present Merry Wife of Windsor," follows: "If the present Duke of Windsor had been King, And the Merry Wife of Windsor had been Queen, The drab old court of good Queen Vic Would have shown a different scene.

The dowagers along the wall would even smile To see the Big Wigs prancing into court To do homage to the lively little Queen. And every titled man would be a sport.

Our Wally, with her power behind the throne, Would save the English presage its long and worthy reign. By making eyes at Hitler, and Mussolini too. Till both these trouble makers would go jealously insane.

Then England would be rid of all its fear of war And be happier than before she'd ever been. If the present Duke of Windsor had been King, And the Merry Wife of Windsor had been Queen."

Present were Mesdames R. D. Buchanan, H. L. Hutchinson, Jr., Coleman, J. E. Pond, Sandusky, and the hostess.

1921 Study Club

"The Sound of Running Feet," Josephine Lawrence's well-known book, was studied by the 1921 Study club at the home of Mrs. A. C. Anderson Friday. Mrs. N. H. White was leader.

A sketch of the life and work of the author was given by Mrs. Ed Jones. Sr. Mrs. R. P. Price discussed "The Theme of the Book."

With Mrs. U. G. Hardison taking the affirmative and Mrs. J. T. Pritchett the negative, a debate was held on "Resolved: That the Young People Can Have Their Raise at the Expense of the Older Ones."

The club endorsed the candidacy of Mrs. Joseph M. Perkins of Eastland for the presidency of the State Federation of Women's clubs. The home of Mrs. R. P. Price will be the next meeting-place for the club.

Zetagathian

Carrying out a Texas theme, the Zetagathians heard a review of "The Raven," Sam Houston's biography, when they met with Mrs. W. B. May Friday afternoon.

The review was given by Mrs. Wylie Kinard. During roll call the members named interesting Texas places. Candidacy of Mrs. Joseph M. Perkins of Eastland for state federation president was endorsed.

Coffee and spice cake were served as refreshments. The club's next meeting will be with Mrs. Charles Wyatt.

Resignation of one of its charter members, Mrs. T. W. Stonerod, was accepted by the Shakespeare club with deep regret at the club's meeting with Mrs. Jerold Rioridan Friday afternoon. Mrs. Stonerod is moving to Lubbock.

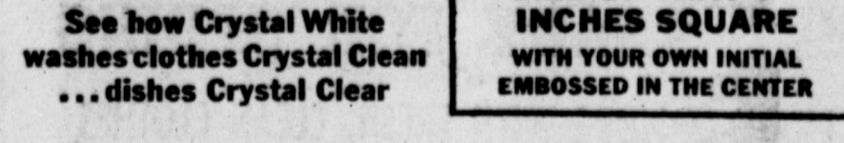

The club lesson was on "Twelfth Night" with Mrs. R. S. Brennand as leader. Mrs. W. M. Elliott and Miss Nellie Rioridan were guests at the social hour. Mrs. John Arnett will be the next hostess.

HERE FROM ABILENE Rhudean Ballard, student in Draughon's Business college at Abilene, was home for the week-end with her parents, Mr. and Mrs. J. H. Ballard.

SENIOR NEWS

The Seniors gathered at Lecroy Clifton's house last Friday night for that long anticipated party. Several games were played, and after much merriment, refreshments were served. Mr. Crouch and Miss Speights are very easily embarrassed when the seniors tease them—"Miss Speights—A lit dog always howls!"

SOPHOMORE REPORT

Hello, folks; the sophomore reporter is back again with lots of news. Ruth, how fast will your boy friends car run and will it sway? Our Algebra class has been having trouble with tough problems lately but we are glad to be over with our

tests. If I had room, I'd be glad to give a sample.

Our party at the school house was a great success. (How was the strawberry pop, John Bob?) It has been whispered about that Earl and Gerald used loaded dice to win the bunko prize, but I don't know the truth about it. James and Jackie got the prize for eating the most which was an extra helping of cookies and punch.

Luke found twenty cents somewhere. He said it was in the laboratory, but I don't know. Our English class under Miss Speights is studying mother goose rhymes, and so are the demerits flying.

This morning in woodwork, the boys had a block fight and Arvin Allison seems to have got the worst of it with a knot on his head. (Wood knot.)

Well, so long until next Friday from another Soph reporter.

FISHES FUN

Almost everyone is satisfied with the exam grades. However we haven't received our report cards yet. In Jr. Business everyone was so tickled Monday. Although it was all a false alarm. Someone noticed a ring (diamond) on Miss Speights finger. Word was passed along about it and in a few minutes everyone was trying to keep quiet. Finally someone dared ask about it, and Miss Speights replied that it was Melba Ruth's. The joke was on us after all!

Something must be done about the drivers, or it must stop raining. The busses can hardly make the rounds. A few of the freshmen enjoyed a party given by Virginia at her sister's house Saturday night. Everyone had a nice time.

THE SEVENTH GRADE

The seventh grade had charge of the chapel program Tuesday. The program included a dialect, two readings, the History of our flag, and a coquette pantomime.

Brother Patterson from Colorado gave a talk on service to the sixth and seventh grades Wednesday. This was one of the American Legion speakers that come and talk to the seventh grade each year. The talk was enjoyed by all.

Two students, Perry Anderson and Fay Nell Gilliam, were appointed to get information about the gymnasium. They are to give an oral report on the information in Civics.

Some of the seventh grade pupils are going to take their arithmetic exams over Tuesday on account of failing the first time.

VOCATIONAL AG. NEWS

The Westbrook Future Farmers have started them a chicken project. They bought about two thousand chicks Friday, Feb. 25. The chicks will be kept in the vacant Humble building.

On Monday, March 6, four of the boys will go to San Angelo to judge fat stock. These four boys of the Westbrook chapter, March 11, will go to the Fort Worth Fat Stock Show.

JUNIOR NEWS

Practice on the junior play will begin immediately, and the cast is being considered. The junior class expects to make it one of the outstanding performances of the year, with the help of our director, Mr. Hood. The name of the play, "The Last of the Ruthvens," is a mystery. The juniors promise the audience thrills and chills. Watch for date!

Mutterings: June—be still my heart! Oh, how can it be still when I see a uniform. (Handed to junior reporter by Oleta.) Warning to junior boys that leave their books out in the hall between periods. Oleta seems to enjoy hiding them. Speak the assistant director to all the plays, had rather help direct the plays than be in them. He may get a chance to strut his stuff in our junior play.

The tenth grade boys reporting for track seem to be plenty "sore" lately.

OUT OF OUR NEWSBOX

VERY IMPORTANT TO MR. LAUDERDALE—If you will buy two quarts of milk, we promise to take only one. We wonder why the last bottle was cold and had two holes punched in the top. Anyway we didn't like the looks of it. You can't fool us, Mr. Lauderdale!

WATCH! for the class between a redhead (Fionelle) and a brunette, (Mary Francis) over a blonde. We also hear that Choppy and Mattie Blanche are still "that way."

SENIORS ENTERTAINED

The members of the senior class were delightfully entertained at the home of Lecroy Clifton last Friday evening. At 7:30 the group gathered and enjoyed a very delightful evening of games and tricks. Some of the tricks were a little funny and undignified (for seniors). You wouldn't have recognized the bunch had someone looked in the door and seen the whole bunch humped over on the floor like they were praying (and that was the idea). After a very enjoyable time for several hours the

THEATRE NEWS

"LOVE ON TOAST"

Ritz—Thursday, March 3. The story concerns a high-powered press agent, Stella Ardler, who selects John Payne, a handsome but independent soda-jerker, as "Mr. Manhattan" in a publicity stunt. Miss Ardler had planned to marry "Mr. Manhattan" to a "Miss Brooklyn." Katherine Kane, but her plans fall when she falls for the soda-jerker herself. Both Payne and Miss Ardler do well with their serio-comic romance, while fine comedy performances are turned out by Luis Alberni, Isabel Jewel and Grant Richards.

"THE BUCANEER"

Palace—Saturday Midnite, March 5 Sunday and Monday, March 6 and 7. Produced and directed with characteristic DeMille verve and spectacular sweep, this swashbuckling saga taken from a little known page of early American history will crowd "Wells Fargo" for top honors as the ranking entertainment and money picture on Paramount's current program. The film attains moments of greatness, particularly in the panoramic magnitude of its depiction of the Battle of New Orleans. Distinguished performances are given by Fredric March, Franciska Gaal, Akim Tamiroff and a splendid supporting cast. The historical background of the feature, its abundance of action, a sufficient vein of romance and a sprinkling of comedy equips the feature with something to appeal to all cinematic tastes, and will help in establishing it as a top-ranking grosser. Directed by Cecil B. DeMille.

"HOTEL HAYWIRE"

Ritz—Tuesday and Wednesday March 8 and 9. This is a gay, sprightly and highly amusing domestic comedy well-stocked with a brand of humor that has universal appeal. It presents Lynne Overman and Leo Carrillo at their best—a certain assurance for plenty of favorable boxoffice reaction. In addition it offers comedy support of Benny Baker, Spring Byington, George Barbier and Colette Lyons, plus the pleasing pulchritude of Mary Carlisle. Overman and Carrillo top the cast, with honors even, closely followed by Barbier and Miss Byington. Overman, happily married to Miss Byington, is the victim of a prank which sends his wife running to Carrillo for astrological advice. He advises separation. She agrees, then changes her mind, complicating matters greatly, and returns home. George Archinbaud directed.

"CITY GIRL"

Palace—Thursday, March 10. Another entertainment and action-laden programmer, this drama of gangsters and their molls escapes the rubber-stamp category through incorporating several new and timely twists. It deals with the loves and adventures of a young girl from the tenements who, attracted by the glitter of mobsters' gold, deserts her struggling, young attorney sweetheart. A chain of circumstances so involves her that she must continue her life of crime and ultimately pay the supreme penalty. The picture affords Phyllis Brooks her best opportunity to date and she proves herself an up-and-coming young actress, while support by Ricardo Cortez and the remainder of the cast is above par. Directed with admirable restraint by Alfred Werker.

"HIDEAWAY"

Ritz—Thursday, March 10. Tailored-to-measure for the down-to-earth tastes of the small town and group was served jello and whipped cream, small cakes and punch. The seniors attending were: Misses Lena Lee Bird, Modena Elliott, Elizabeth Young, Juanita Ruddick, Melba Harris, Anna Speights, Cap Kenney, and Dorothy Taylor; and boys, Mr. Crouch, Leslie Bassenger, Billie Waters, J. K. Bolin, M. L. Cope, Howard Redwine, Alfred Taylor and the host, Lecroy Clifton. The underclassmen that attended were Mary McKenney, Geneva Lowry and Rameille Clifton.

neighborhood audiences, this picture has, nevertheless, a wide enough appeal for other classes of audiences to make it a good bet at any boxoffice. Although given small budget treatment the film offers much in the way of fine entertainment to the theatregoer, particularly in its presentation of Fred Stone in what is undoubtedly his finest film characterization, a rich and humanly drawn portrayal of a worthless, bragging loafer. He acts unwittlingly, in the capture of three gangsters, for which he is lionized by the villagers who had previously shunned and jeered him. Ray Mayer, J. Carrol Nash, Bradley Paige and Tommy Bond are seen to advantage in supporting roles. Directed by Richard Rosson.
