

### ROTAN VS. COLORADO TO BE HEADLINER IN WEST TEXAS FOOTBALL

#### WOLVES FACE HARDEST BOUT OF SEASON AT ROTAN ON FRIDAY NIGHT; WINNER SLATED TO BE CHAMP

Headlining case football attractions in West Texas this week will be the game between the Colorado Wolves and Rotan, powerful Yellow Hammer, on Friday night.

Deposits were made this morning in this match will in all probability be district champion.

Captain Jack Christian of the Wolves announced this week that his team will enter the game full strength. Bud Bahner has been chosen as captain for the game, and James (Dookie) Cox will be co-captain.

In their last conference games last week, both the Yellowhammers and the Wolves played up to their level. The Wolves, having downed Merkel 20-0 and the Yellowhammers, downing Colorado 30-0.

Rotan, a new entrant, handled Colorado at Fort Worth, 14-0, and Colorado, led by Merrill, in a 12-0 victory over the Yellowhammers at Fort Worth. The Wolves, led by Christian, defeated Colorado 14-0.

When one considers that the Wolves are not a thing which can be counted on, and that the game must eventually be made some where, somehow, the odds are in favor of the Wolves to win.

It is expected that the Wolves will be the team to watch in the West Texas football season.

### PAY YOUR DELINQUENT SCHOOL TAXES NOW!

#### AN EDITORIAL

An appeal to tax payers of the Colorado Independent School district to pay up some \$18,000 in delinquent school taxes has been issued by the Colorado school board.

The fact that such an appeal is necessary is not anything for the town to be proud of. Probably the school board would hide this lapse on the part of Colorado's tax-paying citizens if it could, just as a matter of civic pride.

But the truth is that the schools need that money, and need it badly. The truth is also that 80% of the citizens have been paying for the schooling of Colorado children during the past five years, while the remaining 20% have been just letting them carry the load.

The appeal that the school board is making is fair. Property owners are asked to pay weekly or monthly on their delinquent school taxes making their payments in any amount which they can manage. Arrangements have been made to accept partial payments and give receipts for all payments made.

When one considers that taxes are not a thing which can be evaded forever, and that payment must eventually be made some where, somehow, the odds are in favor of the Wolves to win.

It is expected that the Wolves will be the team to watch in the West Texas football season.

### WOLVES LOOMING LARGER AS POTENTIAL 6-B CHAMPIONS AFTER DOWNING MERKEL 25-0 IN OPENING CONFERENCE BATTLE

#### 70 LANDOWNERS ARE SIGNED UP IN GAME MANAGEMENT GROUP

Championship honors, which have been going around concerning the Colorado Wolves, became more pronounced this morning when the Wolves took an easy 25-0 victory from their first conference opponents, the Merkel team, on Central field Friday night.

All the Wolf boys were injured during the first half of the game. During the second half, Coach Jack Christian, son of the entire second string, and they were able to hold the Merkel team scoreless to the end.

The Wolves were superior in every department. Their blocking was perfect. Lee Baker was helping to stop the star sweep of Tommy Chadwick. Smith's line play was a thing to behold.

Defenses started in Colorado in a game by W. H. Jones, D. H. Chesney, Dick Jones, M. H. Baskins, and H. H. Herrington.

The Wolves, led by Christian, defeated Colorado 14-0.

### Presidential Luncheons Held By Two Study Clubs, Zetagathians and 1921

Two of Colorado's federated study clubs, the Zetagathian club and the 1921 Study Club, opened their year with luncheons honoring their incoming and outgoing presidents last week.

**ZETAGATHIAN CLUB**  
Luncheon of the Zetagathian club was held on Thursday in the rose room of the Colorado hotel with thirteen places marked at a table which featured the club colors of gold and green.

The club flower, marigold, was used in the centerpiece. From the marigold bowl long branches of ivy extended down the center length of the table. Places were marked with programs in book form, printed in green on gold paper. Corsages of marigolds were favors at each place.

Mrs. Jimmie Cook presided. Mrs. Wylie Kinard led the club collect as an invocation. A vocal solo was sung by Frances Merle Cooper with Mrs. James Payne accompanying.

Mrs. Charles Wyatt spoke first as outgoing president, following which Mrs. Jack Cox was introduced as incoming president.

After outlining her plans and aims for the year, Mrs. Cox presented the officers who will serve with her, these including: Vice-president, Mrs. Wyatt; recording secretary, Mrs. Jimmie Cook; corresponding secretary, Mrs. Mary Lee Brown; treasurer, Mrs. Eddie Pyland; parliamentarian, Mrs. Wylie Kinard; historian and librarian, Mrs. Jenks Powell.

The menu included pineapple salad with green mayonnaise, Swiss steak with baked potatoes, asparagus tips on toast, and rolls, coffee and caramel pudding.

Three guests were present these being Mrs. Bill Oswald, Mrs. James Payne, and Frances Merle Cooper. Places were marked for four new members, Mrs. Laurence Christian, Mrs. James R. Polk, Mrs. Clyde Young and Mrs. Hunt Guitar. Other members present were Mrs. Charles Wyatt, Mrs. Jack Cox, Mrs. Jimmie Cook, Mrs. Wylie Kinard, Mrs. Eddie Pyland, and Mrs. Jack Christian. The club will hold its first study meeting Friday afternoon with Mrs. Eddie Pyland at the home of Mrs. Jack Cox.

**1921 STUDY CLUB**  
Shasta daisies, club flower of the 1921 Study Club, centered the T-shaped table at which this club's presidential luncheon was held in the hotel rose room Saturday.

Golden cosmos and fern were arranged at intervals on the tables, and a gold strip of paper ran the entire length of both tables. The room was decorated with fall flowers.

Candy-filled boxes adorned with lady figures in gold and white, club colors, were place cards and favors. Mrs. Sam Majors presided. The invocation was given by Mrs. W. W. Rhode, and afterward Mrs. Majors made a talk on friendship.

Stephen Foster's "Beautiful Dreamer" was sung by a quartet composed of Mrs. Johnny Rector, Mrs. W. L. Doss, Jr., Mrs. Van Boston, and Mrs. C. C. Thompson, with Mrs. Ray Womack accompanying.

Message of the retiring president, Mrs. A. C. Anderson, was followed by introduction of the incoming president, Mrs. Rector. Mrs. Rector introduced the following officers: Vice-president, Mrs. R. H. Rathiff; recording secretary, Mrs. U. G. Hardison; corresponding secretary, Mrs. C. C. Thompson; treasurer, Mrs. J. M. Doss; historian, Mrs. W. C. Hooks; parliamentarian, Mrs. A. C. Anderson; federal organizer, Mrs. H. B. Broadbuss; and librarian, Mrs. Ed Jones, Sr.

The menu featured a fried chicken course. This was a half-peach arranged in a basket.

The outgoing president, Mrs. J. G. Merritt and Mrs. Mabel Smith, and the clubs' life member, Mrs. H. B. Broadbuss, were marked for the following members: Mesdames A. C. Anderson, J. M. Doss, W. L. Doss, Jr., U. G. Hardison, W. C. Hooks, Ed Jones, Sr., Sam Majors, J. T. Pritchett, R. H. Rathiff, J. B. Rector, W. W. Rhode, Ray Womack, W. W. Rhode, H. B. Broadbuss, W. C. Hooks, H. B. Broadbuss.

The luncheon meeting will be held Friday afternoon at 2:30 p.m. at Mrs. N. H. White's home.

### Oppenheimer Is Again Acclaimed In Review Here

Winning even more acclaim from her second appearance in Colorado than from her first, Evelyn Oppenheimer of Dallas was presented in a review of Howard Spring's "My Son, My Son!" at Colorado high school auditorium Tuesday evening.

Her review was sponsored by the women's council of First Christian church, the same organization which brought her to Colorado for the first time last spring. Mrs. Sam Majors is president of the council.

For the review Miss Oppenheimer wore a formal dress of bright flowered material, featuring puff sleeves and a clip at the neckline. She was introduced by the Rev. A. L. Haley, pastor First Christian church.

High school English students were given credit for attending and taking notes on the lecture. The book to be reviewed was selected by members of the high school English faculty.

### Study Finished By Methodist Women

### Hesperian Club Holds Its First Meeting Of Year

Opening its club year, the Hesperian club met Friday with the president, Mrs. J. W. Randle, for a business session.

Mrs. Bill Coffey gave the year book report, and Mrs. Nat Thomas the student loan fund report. The latter read a list of those who had paid on the fund, and reported \$345 now in the fund, which is being used this year by John Tom Merritt, student in Texas Tech at Lubbock.

Resignation of Mrs. Vivian Shropshire was accepted, and Mrs. James Payne, an associate member, was advanced to active membership in her place. The club voted to invite Mrs. Alice B. Lockhart, who is living on her farm near here after several years in Kentucky, to become an associate member.

The club endorsed the newly organized Junior Self Culture club for federation. Mrs. J. G. Merritt and Mrs. A. L. Whipkey reported the special county federation meeting.

Mrs. Randle praised the women for work done toward putting over the school bond election recently. A history of the club's work last year was read by Mrs. Merritt.

Plans were made for the president's dinner to be held in the rose room of the Colorado hotel Thursday evening at 8 o'clock. Refreshments closed the meeting.

### Justamere Club With Mrs. Willis Jones On Tuesday

Mrs. Lee Lavender, a member, came in at the tea hour, when a salad course was served.

### Four Guests At Contract Club Tuesday Morning

Hostess to the Contract Luncheon club Tuesday morning was Mrs. R. H. Cantrill, who had four guests, Mrs. Dick Billingsley, Mrs. Frank Kelley, Mrs. Neal Pritchard, and Mrs. Jenks Powell.

Mrs. Jack Christian made high score. Mrs. Dudley Snyder second high. A four-course luncheon was served at the Colorado hotel after the games.

### Nearly 100 Attend Banquet Arranged By Lionesses For Lions Club Members

Nearly 100 Lions and Lionesses gathered in the rose room of the Colorado hotel Monday evening for a banquet arranged by the Lionesses.

The affair was originally planned by Mrs. C. E. Jameson and Mrs. T. A. Patterson. Mrs. Patterson had charge of decorations.

Those who had charge of the program were Mrs. L. B. Elliott, Mrs. James Herrington, Mrs. C. C. Thompson, and Mrs. Jameson. Ticket sales were in charge of Mrs. Jack Richardson as ticket women.

Lions' colors of blue and purple were used in the table arrangements and decorations. A paper trap of paper ran the length of the table center, with boxes and tapers of orange and yellow flowers at intervals. A lion statue stood on a purple and gold stand behind the main table.

Chairs decorated to represent lion heads were placed at each lion table. Small gold pensacillips with lion eyes and whiskers in black thread marked each Lioness plate. Place cards were cardboard lions.

Dinner partners were determined by a scrambled food contest in which names of foods were drawn and matched two by two, such as "ham with peas" and "cheese" with crackers.

Mrs. C. C. Thompson was toast-

mistress. Mrs. C. E. Jameson led the invocation. The welcome was extended by Mrs. Thompson and responded to by Jake Richardson, president of the Lions club.

The first program number was a burlesque on Lions club minutes by Mrs. L. B. Elliott, followed by original rhymes including the names of each Lions club member.

Mrs. M. L. Kirschbaum, who served as tall twister during the evening and collected a number of fines, put on a Charlie McCarthy-Edgar Bergen act with the help of Mrs. F. C. Shillingburg.

"Donna's mother hubbards" and sunbonnets, Mrs. E. B. Willbanks and Mrs. James Payne sang some of their "Clabberhill Girls" hillbilly songs. Mrs. Payne played the guitar accompaniment.

"Being Clicked" was the subject of a sketch by Mrs. T. A. Patterson. Two vocal solos were sung by Mrs. James K. Polk with Mrs. Payne as accompanist. Mrs. Payne also played several accordion numbers and accompanied group singing of several parodies on popular songs.

At the close of the banquet A. E. McClain, R. & R. theater manager, invited all those present to attend the Palace show, "The Crowd Roars," as guests of R&R. A number accepted his invitation.

### Shower Arranged By Four Hostesses To Honor The Former Virginia Reese

Complimenting Mrs. Brady Warren, who was Virginia Reese of Colorado until her recent marriage, a shower was arranged at the home of Mrs. Lay Powell on Friday afternoon with June Cox, Mary Eleanor Rogers, Annetta Lacey, and Mrs. Broadway Browning of Tahoka as hostesses.

Fall flowers decorated the house, a boat theme being featured. The dining table centerpiece was of varicolored dahlias standing on a reflector dotted with small sailboats.

Guests were received by Mary Eleanor Rogers, Mrs. Lay Powell, the

honoree, Mrs. Dale Warren, and Mrs. Willis Shropshire of Midland.

Mrs. Browning had charge of registrations. Cookies and punch were served to the guests as they arrived by a houseparty including Frances Merle Cooper, Fae Porter, Martha Jane Majors, Mrs. Jack Cox, and Annetta Lacey.

To introduce the gifts, Fae Porter sang "Dreamboat" with Frances Merle Cooper as accompanist, while little Dave Bridgford and little Warren Shropshire of Midland, both dressed as sailors, pulled in a sailboat filled with gifts.

### Presbyterians To District Meeting At Odessa Church

SHOWING AN INCREASE COLLEGE STATION—Texas farmers are making definite improvement in the production of quality cotton through organization of one-variety communities and with normal yields will obtain enough seed this year to plant 5,000,000 acres to quality cotton in 1939. E. A. Miller, agronomist of Texas A. & M. College extension service, announces. Miller has worked on this problem for many years and is obtaining promising cooperation. Two years ago there were only sixty communities involving 300,000 acres, but this season there are 213 with 632,897 acres, 6 per cent of the total Texas planting, Miller points out.

kel line, hardly missing the distance lost in a 15-yard penalty. Chadwick carried the ball over the line, and Curtis Wood kicked the extra point.

The second Wolf touchdown was made by Jack Smith early in the second quarter, climaxing a Wolf drive down the field after covering Merkel's fumble on the 30-yard line. Curtis Wood failed in his kick for extra point after this and the remaining two touchdowns.

Junior Cox intercepted the Badger pass which resulted in Rudell Glover's 30-yard run for another touchdown soon after.

At this point Coach Christian began running in his second string. Ross Glover, brother and substitute for Rudell Glover, went in to take Rudell's place. Before the quarter ended Ross had carried the ball five yards farther than his brother for the fourth and last touchdown.

With the Wolf reserves on the field, much of the last half of the game was played in Colorado's territory, with Merkel threatening at various times. Preacher Windham was the star of the Badger game. Russell completed three aerial passes to Wozencraft during the last half. Duff Chesney was captain of the Wolves.

**The line-ups:**

Colorado: Ballard and Cox, ends; Hodges and Hunter, tackles; D. Jones and Blassingame, guards; C. Wood, center; Chadwick, quarter; Rudell Glover and Chesney, halves; Smith, full.

Merkel: Bryan and Wozencraft, ends; Graham and Payne, tackles; Davis and Bland, guards; H. Malone, center; Russell, quarter; M. Malone and Frazier, halves; Windham, full. Substitutions: Colorado—Caffey, Cooper, Dearen, Ross Glover, W. Grubbs, J. Grubbs, H. Jones, Kirschbaum, Majors, Trulock, Walker, Webber, H. Wood and Coker; Merkel—Gibbreath and Neal.

More Cotton, Lower Price After citing asserted flaws in the domestic allotment plan, Wallace said:

"The real issue is whether farmers are going to give up their present program for one which would mean bigger and bigger cotton crops and cheaper and cheaper cotton. The real issue is whether farmers are going to scrap the present program for one which for a time might give more business and profits to the interests which buy and handle cotton, but would certainly reduce the income of farmers themselves. The real issue is whether the man who produces the crop with the labor of his own hands is going to become a forgotten man once more."

"It is high time the cotton exporters, spinners and handlers who are always putting more and more pressure on the farmer to produce vast new surpluses begin some real thinking about effects of terribly low cotton prices on the prosperity of agriculture, business and industry. If we can't get rid of our cotton at present prices, how low do they want the price to go?"

No Export Subsidy There Under the domestic allotment plan, compulsory crop reduction would be eliminated. Farmers would be given a subsidy on that proportion of their crop consumed domestically but not on that exported.

Wallace said unreasonably big loans probably would mean the government gradually would take over the cotton marketing machinery, making a "drastic change in our business system."

"I am in favor of following policies," he said, "which avoid this kind of development as long as possible. But I want to tell you frankly that any plan for government loans on cotton at rates far out of line with supply and demand will take this country rapidly in the direction of complete government operation of the entire cotton marketing, processing and exporting industry."

### FIRST EXPANSION MOVE MADE BY PROMISING OIL COMPANY OF COLORADO

The first expansion move of the Promising Oil company of Colorado was made Wednesday when Earl Cybert advanced with Hamilton E. McRae of the Midland law firm of Stubbeman, McRae & Sealey for the opening of a Promising Oil company office in Midland, with the aforementioned law firm as legal representatives.

Cybert says that requests for membership in the company and for the establishment of branch offices have been received from many West Texas towns, and from Tulsa, Oklahoma, and other points as well.

Tentative plans are underway for the opening of a branch office in Big Spring at this time.

1402 checks accounted for this amount.

This total represents payment in full on 807 applications on worksheets signed during 1937. The remaining 595 checks on the remaining 176 regular worksheet applications are expected within the next week of two.

Payment on the 314 worksheets for 1937 which were not signed until this year is not expected for several weeks.

### TRAFFIC DEATH RATE NOW ON DECLINE

AUSTIN—Texas is the only state that is establishing a low traffic death record through an enforcement program, according to R. Q. Paustian, University of Iowa engineering official who is conducting researches into traffic setups for the Federal Bureau of Good Roads and the National Safety Council. Mr. Paustian was in Austin conferring with state police officials.

He told safety officials here that he was favorably impressed with this state's low accident record, efficient handling of traffic flows and other favorable results obtained through "its unique enforcement program."

Texas is the only state in which I have found an enforcement index-speed in relation to traffic movements and accidents—used as a basis for placing patrolmen at high accident localities," he commented.

Mr. Paustian also commended Texas officials for their various classifications for chauffeurs in which applicants for commercial driving permits are examined for the types of vehicles they propose to operate. He said he plans to recommend to other states that they adopt many of Texas' traffic control systems.

The visiting official left Austin for Oklahoma City where he will examine traffic records of Oklahoma.

### GOLDEN WEDDING OBSERVED BY MR. AND MRS. W. J. CARROLL AT R. D. TINER FARM FRIDAY

Surrounded by five of their six children, Mr. and Mrs. W. J. Carroll, who call Big Spring home but who spend much of their time in and near Colorado, celebrated their golden wedding anniversary at the R. D. Tiner home west of Colorado last Friday.

A barbecued chicken dinner was served to 19 relatives and friends, including the following children: E. D. Carroll and family of Safford, Arizona; R. E. Carroll and wife of Big Spring; W. C. Carroll and family of Big Spring; Mrs. U. G. Powell and family of Big Spring; Mrs. R. D. Tiner and family of Colorado. One daughter, Mrs. Silas Rouse, of Alamo was unable to be present, but she was represented by her daughter, Mrs. Leon Rouse of Christoval.

Mrs. Carroll was born Josephine Kinder near Joplin, Mo., on April 30, 1870. She moved to Texas, settling

near Paris, with her family when 16. It was there that she met Mr. Carroll, who was born in Tennessee on Nov. 17, 1867. They were married in Paris on Sept. 29, 1888.

After living a few years near Paris, the Carrolls moved to what was then the Choctaw nation, now Oklahoma, and farmed there several years. From there they moved to Llano, where they lived until moving to Big Spring in 1912. Mr. Carroll was in the grocery business in Big Spring for years.

At intervals during their residence in Big Spring the Carrolls have lived in Arizona and California. For the past year they have been staying on the Tiner farm near Colorado. After their anniversary celebration they went home with their son, E. D. Carroll, of Safford, Arizona, for a visit. Visiting around is their hobby.

Ten children were born to Mr. and Mrs. Carroll, but only six are living. There are 15 grandchildren and 5 great grandchildren. Both Mr. and Mrs. Carroll belong to the Church of Christ.

### Two Hostesses For The Miriam Club

Two hostesses, Mrs. W. W. Porter and Mrs. Belle Vaughan, entertained the Miriam club Tuesday.

Birthdays of Mrs. Nelle Schroeder and Mrs. B. F. Wilson were observed, each receiving several gifts. Mrs. Paul Snively, Mrs. Rosa Williams, and Mrs. Ray Swann of Gail were guests.

Plans were made to attend the district meeting in Stamford on Oct. 13 and compete in degree work.

Ice cream and cake were served to 15 guests. The next meeting will be on Nov. 1 with Mrs. P. B. Whipkey and Rhudean Ballard at the home of the former.

### Doris Marie Webb Birthday Honoree

A party honoring Doris Marie Webb on her birthday was arranged Sunday afternoon by Jennie Pae O'Neal at her Buford home.

### Fall Party For Bluebonnet Club

Carrying out a fall motif in decorations and appointments, Mrs. A. C. Anderson entertained the Bluebonnet club Tuesday afternoon.

Players were Mesdames Alvin Myre, Lay Powell, Byron Byrne, Oscar Majors, J. R. Motley, Jas. T. Johnson, George Plaster, and Vivian Shropshire. Mrs. Plaster and Mrs. Shropshire won seven games each.

A salad course followed the games.

### Week Of Prayer For Missions Observed

A week of prayer for state missions is being observed by women of First Baptist church this week.

The women opened the week with their Monday afternoon W.M.S. meeting, at which Mrs. Lee Laverdera, the new president, outlined her plan of work for the year.

### Mrs. Whitmore Is Harmony Hostess

The Harmony club entertained Wednesday afternoon by Mrs. H. G. Whitmore.

She had three guests, Mrs. Floyd Jay, Mrs. P. C. Coleman, and Mrs. J. P. Johnson.

Ice cream and cake were refreshments. The next meeting will be with Mrs. B. F. Wilson.

### SHOT TROUBLE IS ENCOUNTERED IN SCURRY CO. TEST

Shot trouble has been holding up developments on Coffield & Guthrie's No. 1 Spears 'al, which is believed to be the opener for a new oil field west of Ira in Scurry county. Several local people hold nearby leases.

The test, located 330 feet from the north and west lines of the SW quarter of section 130-98, H&TC, filled 1200 overnight after a 500-quart shot from 2280 to 2411 feet three weeks ago.

A fishing job delayed cleaning out last week, and when the fishing job was completed it was discovered that the first shot had left a large boulder in the shot hole. A smaller shot of nitrolycerin was put in the well, but it went to the bottom of the hole without going off.

A third shot went off, and it was believed that the second shot went off with it. The second shot did not go off, however, until cleaning operations were resumed. Both shots were light.

### TWO LOCAL BOYS IN AREA AND DISTRICT FFA OFFICES AS ORGANIZATION SET UP

Two Colorado High school Future Farmers were elected to area and district offices when organization for the Roscoe district was set up Friday night at a meeting of FFA teachers in Roscoe. F. C. Shillingburg, head of the Colorado High school vocational agriculture department, attended.

J. F. McCabe of Colorado was made area treasurer from the Roscoe district. Clay Smith was made district secretary.

Officers were elected by the teachers on the basis of nominations made by the local chapter. Chapter nominations were determined by the project programs carried out by the boys.

McCabe, who will be the only Roscoe district boy to hold an area office, has had an outstanding project program. He has fed out four sheep, one brood sow, and ten ewes, and from them will make approximately \$120 clear profit. This year he is feeding two hogs, 20 range ewes, and a registered gilt.

Last year Smith fed out two beef calves, one brood sow, two hogs, and

four sheep, realizing \$100 clear profit. This year he is feeding seven calves, a brood sow, and ten Hereford cows.

Schools included in the Roscoe district are Loraine, Westbrook, Colorado, Roscoe, Divide, Wingate, Highland, and Blackwell.

A. J. Bierschwale of Alpine, area FFA director, was present at the meeting. He visited the Colorado FFA chapter on Thursday and praised its work very highly.

An inspiring scene of opening day of the Golden Jubilee State Fair October 8 will be the 110-piece band of the Future Farmers of America. They will participate in the ceremonies dedicating the monument to the Founders and to the press. It also is their special day, when numerous activities will mark their visit.

Colorful bands from all sections of Texas will be on the State Fair grounds continuously from October 8 to 23. Scores of Texas towns and cities, having special days, will bring them along.

PTA COUNCIL HELD SECOND MEETING IN COLORADO SATURDAY

Second meeting of the Mitchell county P-TA council was held at the courthouse Saturday, according to Mrs. D. Lauderdale, Westbrook school superintendent who serves as secretary and treasurer to the council.

Representatives of P-TA groups at Fairview, Carr, and Westbrook were present, and Loraine attended in the capacity of a prospective member.

A vice-president was appointed for each unit. Each organization reported its year's project. Dues were collected and other business transacted.

The council is expected to be of much assistance in carrying out school programs this year.

SIXTH LOCKHART WELL GIVES GOOD PROMISE AFTER TUESDAY SHOT

Indications are that the H. L. Lockhart Petroleum corporation of Colorado has another good producer, its sixth, in the Lockhart field in Howard county with completion of Lockhart's Heusinger No. 3.

The well was shot with 460 quarts Tuesday night, the shot being from 2,550 feet to the bottom of the hole, 2,775 feet. Within 12 hours after the shot the hole filled 1,200 feet, and was still filling during clearing operations this week.

Location of the well is 1,980 feet from the east line and 980 feet from the south line of block 29-67, W&NW.

BURTON-LINGO ROBBED OF \$100 TUESDAY NIGHT

Cash amounting to approximately \$100 was taken from the Burton-Lingo lumber company's office some time Tuesday night, according to R. O. Pearson, manager.

The money had been concealed among the hardware, a custom which has been followed since the office safe was forced open several years ago.

No arrests had been made in connection with the case Thursday morning.

GOLDEN JUBILEE FAIR GATES TO OPEN SATURDAY

DALLAS—Saturday morning, Oct. 8, the gates will swing open on the largest and most attractive State Fair in all the half century of progressive effort, each year to outstrip the one preceding.

Early in the week but four small spaces had not been contracted for the 16-day event, with all indications these would be taken prior to opening day.

Approximately 175 towns, cities and organizations have reserved special days. Colorful bands will be on the grounds at all times.

In agriculture, livestock and poultry the State Fair has assembled the greatest showing in all its history. Sixty-seven counties, in all sections of Texas will display agriculture. In addition there will be individual exhibits, Negro farm exhibits, agricultural displays and showings by individual farmers.

Approximately 500 head of livestock have been entered, which includes every breed of livestock in the Southwest, and some of its leading herds.

The poultry show will present every variety, in new housing conditions, with the close confinement eliminated.

Amusement features of the State Fair are the greatest in its history. In the auditorium first will be presented the Jubilee Folies with the

Hollywood Revue closing. On the Midway is the famous Hennies Bros. show, the largest Midway in America. Numerous free acts daily include Ainsley's Aerial Ballet, Bozo, the mind-reading dog and Kurtzo & Kurt, daredevil high pole artists.

"The Fair is set to entertain the expected 1,250,000 visitors," Otto Herold, president said.

BOOK HUGE CARNIVAL FOR JUBILEE FAIR

DALLAS—America's largest Midway will greet visitors to the State Fair of Texas during its Golden Jubilee celebration, October 8 to 23.

Not only the largest but the most brilliantly lighted street of fun is the promise of Hennies Brothers, largest organization of its kind on the road, which is coming to the Southwestern event this year for the first time. It presents numerous acts and shows never before seen in this section, and in addition has more than a score of thrilling rides.

School, a model one with no home work, actual students in the classes, will be a Golden Jubilee State Fair feature. It is sponsored by the State Department of Education. The Educational building will abound with interesting and instructive free exhibits.

Dallas Semi-Weekly News and the Colorado Record both one year for \$2.00.

YOM KIPPUR, DAY OF ATONEMENT, OBSERVED BY JEWISH FAMILIES

Jewish families of Colorado went to Sweetwater Wednesday to observe Yom Kippur, day of atonement and last day of the Jewish New Year ceremonials.

All Jewish stores here were closed throughout the day, the ceremony lasting from sundown Tuesday until sundown Wednesday. The ceremonial period was ushered in with Rosh Hashonah on Monday of last week.

RANCHERS CLAMORING FOR AUTUMN RAINFALL

Although farmers who have late cotton would like to see warm, sunny weather continue for awhile yet, ranchers and stock-farmers of the county are clamoring for rain.

Lay Powell, Otto Jones, and other ranchmen say that Mitchell county grass lands need rain very soon in order to insure winter pasturage.

There'll be band music constantly on the grounds of the Golden Jubilee State Fair, October 8 to 23. Numerous visiting delegations from Texas' various towns and cities will have one or more amateur bands on the grounds at all times.

FIRE PREVENTION WEEK TO BE OCTOBER 9-15

AUSTIN—Stressing the importance of continued vigilance on the fire prevention front, Marvin Hall, fire insurance commissioner, urged State-wide observance of the annual Fire Prevention Week, scheduled for October 9 to 15.

"Fire uncontrolled is one of the most serious problems that confronts us today," Hall said. "Each year its heavy toll in life and property is a black mark on the proud name of Texas. Only by constant and relentless vigilance on the part of every Texas citizen can we hope to reduce and finally to eliminate the costly destruction of this economic enemy number one."

"Active participation in Fire Prevention Week by every Texas citizen will go far toward curbing losses and saving lives, and, since fire losses have a direct bearing upon the fire insurance rates, there are other practical benefits accruing from effective fire prevention."

"Fire Prevention Week is designed for every Texan interested in performing a distinct service to his State, to his community, and to himself," Hall said. "If we remember that the fire that never starts will never get out of control, and keep that thought before us each day of every year then we will rightfully say that the practice of fire prevention pays big dividends in human lives and happiness."

ROY DAVIS COLES TO MEETING IN ABILENE

THIRD NEW WAREHOUSE FINISHED AT COMPRESS

Construction of a third new cotton warehouse at the compress was completed Monday, raising the storage capacity at the compress to something like 12,500 bales.

About 10,000 bales, including 4,500 from last year's crop, are already in storage at the plant, according to E. S. McCord, superintendent.

Garmo, this week. Mrs. Mackey and her daughter, Marilyn, arrived some time ago from Santa Rita, N. M., for a visit with relatives in Colorado and Loraine. They plan returning home soon.

**WESTERN STATES SHOWS "ICE WEDDING" IS TO BE HELD FRIDAY NIGHT**

According to advance notices of the Western States Shows, they will present a Public Legal Wedding on their Midway tonight, Friday, October 7, bride and groom to be local people. Mr. R. A. Wright claims that the wedding will be the most unusual attraction ever presented the people of Colorado. The above picture shows the couple that were married at Colorado State Fair at Pueblo, Colorado, this spring. Attended by a score of pretty bridesmaids, ring and trainbearers, this picture was taken just before the couple were sealed in a large cake of ice. While the couple are incased in the ice the vows are made via two radios that are frozen in the ice in the making. Western States Shows began their show here Monday, October 3, sponsored by the American Legion.

**KANSAS CITY LIVESTOCK SHOW TO BE GREATEST EVER**

KANSAS CITY—The middle- and south-west will again play an important role in making the American Royal Live Stock and Horse Show the banner show of its kind in the country. Last year middle-western and south-western stockmen and exhibitors of fine horses swept to brilliant victories in the highly competitive American Royal classes and gained national recognition for themselves and their states.

This year's American Royal, the 40th annual showing of this important event, will be held in Kansas City October 15-22. The premium lists recently issued for the livestock and horse show total over \$65,000. In the livestock division an important addition, this year is found in the revival of breeding hog classes to the already full schedule of classes for beef cattle, barrows, sheep, draft horses, and mules. A number of new classes have also been added to the horse show.

Last year 23 states were represented in the American Royal, with spectators coming from practically every state in the country. The significance of the American Royal has grown to nation-wide importance. Due to improved agricultural conditions the American Royal fat and feeder cattle carlot show and sale will be of special interest this year. Over \$6,000 in cash prizes is scheduled for this division alone. An abundance of cheap feed makes the show attractive for buyers who want to get hold of good quality stock suitable for feeding during the winter and put into market condition. There is every indication that this department will be one of the most outstanding of the show.

EASTLAND—Eokomo Community Center, first of its kind in the State to be completed under a National Youth Administration Work Project, has been formally opened for the use of boys and girls in Eastland county as a center for 4-H Club work and other community activities.

**CHURCHES**

**FIRST PRESBYTERIAN CHURCH**

W. M. Elliott, Pastor  
Church school at 9:45. Jerold Riordan, superintendent. This is our annual "Rally Day" for both the church school and church in all its departments. Come one, come all and let us make it a great day.  
Worship and sermon at 11 a.m. and 7:30 p.m. There will be a congregational meeting after the 11 o'clock service for the purpose of voting on the resignation of our pastor.

The Intermediate Camp will have their services at 5 p.m. All Intermediates are urged to attend.  
The empty pews will be at church Sunday if you are not there. And they sure are a great hindrance to the Lord's Kingdom. Remember the empty pew never becomes offended and quits coming to church. It is always there. What are we going to do about it?  
Come to these services Sunday and bring your friends and help drive the empty pew out.

**FIRST BAPTIST CHURCH**

The pastor will be in his pulpit for both services Sunday.  
Sunday school at 9:45.  
Sunday morning sermon at 11 o'clock—"Always Abounding," a message for all the new workers in the church. Special recognition will be accorded the workers.  
Sunday evening service at 8:15—sermon subject, "Peace Which Passeth All Understanding."  
T. A. PATTERSON, Pastor.

**FALL CLEAN-UP ADVISED TO FIGHT BOLL WEEVILS**

COLLEGE STATION—The boll weevil has done serious damage in many sections of the state during the current season, and cotton growers will benefit in 1939 by fall clean-up practices on a community and county-wide basis as a measure of control, R. R. Reppert, entomologist of the Texas A. and M. college extension service, believes.

The clean-up consists of destroying all cotton growth as soon as picking is complete. Reppert said experience has shown that cutting the stalks will not answer as the stumps throw out new growth that is ideal for weevil food. The plant must be entirely killed by shallow plowing and turning out the stalks. Burning the stalks is discouraged. "Texas farms need this material returned to the soil in the form of humus," he said.

**Weevil Becomes Inactive**

The weevil becomes inactive about the time of the first killing frost, the entomologist stated, and can live for several months without food while in this state. If the growth of the cotton is entirely killed as early as two weeks before frost, practically all weevils will starve before going into winter quarters, or will be so weak that they will have little chance of surviving the inactive period.

"This method is effective because boll weevils reproduce only in green squares and bolls and feed only on green cotton. Killing cotton growth early will not only starve out many weevils but will stop the production of young weevils, so that only old ones will go into the inactive stage. Very few of these will have the strength to live until spring," Reppert said.

**ARCHDEACON HEYES HOME**

**TERRACES RUN 24 YEARS AGO BY W. A. DULIN STARTED WORK OF CONSERVING SOIL AND WATER IN MITCHELL COUNTY**

Soil and water conservation, which are coming more and more into the limelight of Mitchell county's agricultural picture, had their beginning in the county 24 years ago, according to records in the office of B. J. Baskin, county farm agent.

Today there are terraces and contours on more than 130,000 acres of the county's 193,000 acres of cultivated land. Over 600 of the county's 1,226 farms are operated on the contour.

The first terraces in the county were run in 1914 by the first county agent, W. A. Dulin, on the farm of H. H. Linder, northeast of Loraine, Dulin, who has been farming northeast of Colorado in Mitchell county since his retirement from county agent work, began his duties as the county's first agent on Feb. 14, 1914.

That same year saw terraces run on a number of other Mitchell county farms, among them the farms of J. J. Handley at Cuthbert, Nathan Womack at Cuthbert, J. J. Joyce on Route 2, Colorado, C. M. Thompson near Loraine.

About 15,000 acres were terraced by Dulin during his service as county agent. The work has been carried on by agents who have followed him—H. L. Adkins, W. S. Foster, and B. J. Baskin.

Others who have promoted terracing in the county have been Doyle Williams, organizer of the vocational agriculture department of Colorado High school, and now head of the department at Denison High school; F. C. Shillingburg, present vocational agriculture teacher at Colorado; C. V. Cox, vocational agriculture instructor at Westbrook. These three have been assisted by their students, all members of the Future Farmers of America.

Among farmers who have helped in terracing Mitchell county lands in addition to their own are T. J. Riden of Loraine, A. L. Young of West-

brook, W. T. Brooks of Westbrook, Otto Schuster of Hyman, R. D. LeFeve of Loraine, A. J. Glassingame of Colorado, Bill Thompson of Colorado, and many others.

The county itself has promoted the construction of terraces by leasing its road machinery at the low cost of \$2 per hour. This machinery has been used in terracing 26,000 acres.

C. C. Thompson, who operates about 2,000 acres in Mitchell county, personally owns and operates farm levels, a caterpillar tractor, and terracing machinery.

With the launching of the government's range program, a new type of range and water conservation has come into the limelight in Mitchell county. Under this program, 123 tank dams containing 235,439 cubic yards of dirt and impounding 968 acre feet of water have been built in 1937 and 1938.

Contours have been run on 194 acres of grasslands to conserve water, and 137,280 feet of ridges have been built to prevent erosion on grasslands. Prickly pears have been eradicated on several hundred acres.

**SURVEY SHOWS COLORADO TAX LOAD IS \$233,082.90**

Colorado's tax burden, based on the Texas per capita load of \$49.90, is \$137,524.40, according to a survey by the National Consumers Tax Commission, which recently launched a nation-wide "war on taxes that penalize the consumer."

Texas residents, the commission reported from its headquarters in Chicago, contribute an estimated \$308,060,375 a year in taxes to local, state and national governments. More than 63 per cent of that amount, the report stated, is paid "blindly" by Texas' shopping public in hidden taxes that increase the price of every purchase.

The survey was made public through Mrs. Kenneth C. Frazier, of Dallas, president of the commission. She is leading the commission's fight here with the cooperation of Mrs. Volney W. Taylor, of Brownsville, Texas member of the organization's national committee.

The commission's campaign by the women of the nation against taxes that "raid the family pocketbook" is receiving great impetus by the enthusiastic support of Texas housewives, Mrs. Frazier said.

"Most Texas residents," she added, "feel comparatively tax free because they pay little or nothing in direct levies, such as those on property and income. But the fact is, they, as consumers, actually pay a much larger share of the tax burden than is raised by the visible taxes. They pay through hidden levies that raise the price of all life's necessities!

A drive is under way in Texas, Mrs. Frazier stated, to establish units in every city and town to join with other states in the crusade.

**BASKIN ARRANGES 4-H CONSERVATION EXHIBIT AT THE DALLAS FAIR**

The range conservation exhibit which B. J. Baskin and others arranged as a 4-H exhibit in the non-competitive division of the Mid-West exposition at Sweetwater two weeks ago is being repeated by request at the Golden Jubilee state fair in Dallas, beginning Saturday.

Baskin left Wednesday morning to arrange the exhibit. He is to return Friday.

The exhibit shows rolling pastureland against a four-foot background painted by the Rev. A. L. Haley to represent a West Texas skyline. Half of the land is contoured and free of mesquite and prickly-pear, while the other half is in its natural state.

It is illustrated in the exhibit that 15 cattle can graze on the uniform coverage of the improved and contoured land, whereas only nine can graze on the other land. The cattle were made by W. B. Crockett, and material was furnished by Berry Fee.

**WINNING WOLVES GET FREE PICTURE SHOW AS GUESTS OF R & R**

Through courtesy of Robb & Rowley theaters and their local manager, A. E. McClain, the Colorado High school Wolves are being treated to a free picture show at the Palace theater every time they win a football game.

The free show is always given on the Monday night following the game on Friday night. Because they won the Merkel game here Friday night, members of the squad were guests at the Palace to see "The Crowd Roars" Monday night.

**HD CLUB AT ROGERS ELECTS ITS OFFICERS**

Organization of the Rogers home demonstration club was completed Monday when members met at the schoolhouse and elected the following officers:

President, Mrs. C. A. Burford; vice-president, Mrs. H. H. Jameson; secretary-treasurer, Ruby Gordon; council representative, Mrs. Cecil Byrd; reporter, Mrs. H. H. Callan.

Those present in addition to these were Mrs. J. H. McMeekin, Mrs. Will Morrison, Mrs. Gordon Coe, and Mrs. Robert Fisher.

The next meeting will be on Oct. 24 at the school house.

**LORAIN BULLDOGS ARE DOWNED BY ROBY LIONS**

LORAIN.—Roby Lions won their first victory of the season over Loraine 12-0 here Friday in the district 6-B opener for both teams.

The visitors scored in the first and third quarters. The Bulldogs threatened in the first and fourth periods, driving to the 10-yard line on each occasion.

Outstanding for Loraine were Billie Parker, 135-pound fullback, T. Walker, quarter, and Tom Ray, guard.

**BROTHER OF COLORADO WOMEN DIED MONDAY**

Crash injuries which he sustained near Roswell, N. M., Sunday morning proved fatal Monday night to Frank Robinson, 36, brother of Mrs. Nat Thomas and Mrs. Jake Merritt of Colorado.

The two women went to his bedside Sunday, and remained for his funeral in Roswell on Tuesday, returning home Tuesday night. Mr. Robinson's home was in Oklahoma. He was the only brother of the two Colorado women.

**VISIT ILL RELATIVE**

Mrs. J. F. Reeder of Loraine and her daughters, Mrs. J. A. Pickens and Mrs. Hall DeGarmo of Colorado, Mrs. Bob Mackey of Santa Rita, N. M., and Mrs. L. Jarratt of Loraine, were in Petersburg Friday to visit D. M. Reeder, Mrs. Reeder's son, who has been bedfast for several months because of illness and a broken leg. His home is in Haynesville, La., but he is staying with a daughter at Petersburg.

**SWEETWATER VOTES TO RETAIN BEER**

SWEETWATER.—Nolan county remained wet in last Thursday's local option beer election by the close margin of 1,498 to 1,352.

Only two boxes in the county—those in Sweetwater—went wet, but these were large enough to swing the entire vote.

All precincts except that embracing Sweetwater are dry by local option.

**WESTBROOK'S SIX-MAN TEAM CHALKS UP ITS THIRD STRAIGHT WIN**

Westbrook's six-man football team chalked up its third straight victory of the season by walking over Sterling City 31-0 on the Westbrook field Friday afternoon. It was Sterling's first game in the recently formed PSAA district.

Claxton, Jones, Oglesby, and Board collaborated to give Westbrook its winning score. Board tallied twice, and the others came through successfully once each.

The Westbrook team will oppose Courtney at Courtney on Friday. R. G. Crouch is coach.

**ODD FELLOWS AND REBEKAHS PLAN FOR STAMFORD MEETING**

Local Odd Fellows and Rebekahs are planning for their district convention in Stamford on Thursday, Oct. 13.

W. W. Porter of Colorado is president of the district association, and as such will preside at the convention.

The Rebekah lodge of Colorado will have charge of the presentation of the U. S. flag and Bible as the convention opens. The local team is to compete in the degree work.

**COMMISSIONERS AND JUDGE TO CONVENTION**

Judge A. F. King and members of the commissioners' court left Wednesday to attend the annual convention of the Texas association of county judges and commissioners in New Braunfels.

The convention is slated to last the remainder of the week. The Mitchell county group is to return home Sunday. In addition to Judge King the group includes Frank Crownover of Loraine, J. E. Skelton of Westbrook, Jack Smith of Colorado, and Jim Boyd of Hyman.

**MCKENZIE CLUB HAS ITS ACHIEVEMENT DAY**

Achievement day was observed by the McKenzie home demonstration club when it met with Mrs. Frank McCabe Tuesday afternoon.

As yard and poultry demonstrator, Mrs. McCabe showed the visitors and club members her yard and improved poultry equipment. Visitors included Judge and Mrs. A. F. King; Mrs. J. A. Ferguson, president of the Mitchell County Federation of Women's clubs; and Mrs. A. L. Whitney, Colorado clubwoman.

Punch and cake were served. The club's next meeting will be with Mrs. Delia Jameson.

**ALL RURAL SCHOOLS OF COUNTY NOW AT WORK**

With the opening of five more schools Monday morning, all rural schools of Mitchell county are now in session, according to Roy Davis Coles, county superintendent.

Schools which started Monday are Lone Star, Looney, Valley View, Lowe, and Dorn.

**DAUGHTER IS BORN**

A daughter, Susan Arnett Wilder, was born to Mr. and Mrs. Jack Wilder of Kermit in a Lubbock hospital last Thursday night. Mrs. Wilder is the former Virginia Stonerod of Colorado, and the maternal grandparents are Mr. and Mrs. T. W. Stonerod, Jr., of Lubbock, former Coloradans.

**IN LOCKHART HOME**

House guests of Mr. and Mrs. H. L. Lockhart this week are two of Mr. Lockhart's brothers, Lynn Lockhart, accompanied by his wife, arrived Tuesday from Phoenix, Arizona, and Lloyd Lockhart arrived Wednesday from Los Angeles, California.

**HOME FROM HOSPITAL**

John Morgan Hale was brought home Sunday from the Sweetwater hospital where he has been a patient since sustaining severe injuries in a car wreck near Sweetwater a month ago. He was able to be downtown some this week.

**OLD-TIMER WHO LIVES IN LAMESA RECALLS HOW "80 JOHN" WALLACE GOT HIS NICKNAME**

His memory prodded by recent stories on "80 John" Wallace, negro ranchman who is Mitchell county's oldest settler in point of years spent in the county, J. W. C. (Bud) Mullins of Lamesa has contributed some interesting sidelights on the origin of the "80" brand of cattle which the negro helped Clay Mann and his brother, Charles, run on Mitchell county ranges back in the late seventies.

Mullins, who was born in 1862 on the IC ranch on Jim Ned, 15 miles northwest of where Brownwood now is in Brown county, recalls that in 1870 the state gave Brown county the number "80." All ranchers in the county were requested to put that number on their stock so the ranch-ers in the other counties would know where to drift the cattle when they strayed from Brown county ranges.

That same year, with all their cattle branded with an "80," Mullins people moved their cattle to a ranch on the Concho river 14 miles east of Fort Concho. In 1876 Mullins' father, John Mullins, joined Kin Elkins and Clay Mann in moving "80" cattle to the Double Mountains on the Brazos river. Four years later, in 1880, Mullins sold all his stock to them.

Bud Mullins remembers that Clay Mann kept up the "80" brand, using it on some race horses he raised as well as on his cattle. Both Mann and his friend, John Good, had a negro cowpuncher "80 John" to distinguish him from Good's negro. Thus did the Mitchell county pioneer negro get the "80 John" name which is still more familiar to Mitchell countians than his real name, D. W. Wallace.

The letter in which Mullins rec-orded these memories clipped thus:

**ADS IN THE RECORD GET EXCELLENT RESULTS**

Advertising in the Record gets excellent results, says the Creomulsion Company, makers of Creomulsion, a prescription for coughs, colds and bronchial irritations.

A consistent user of newspaper space for many years, the Creomulsion Company has again started a nationwide advertising campaign on their product with regular insertions in the Record.

Creomulsion, recommended by thousands of physicians and druggists, is sold and guaranteed by all drug stores.

## WHO'S WHO ON THE CAMPUS

**Coach Jack Christian**  
Coach Jack Christian was born February 3, 1910, in the city of Abilene, Texas. He attended grammar and high school there, graduating from Abilene High school in 1928 with the distinction of having been president of the senior class and of the National Honor Society.  
Coach Christian chose football as his profession, distinguishing himself on the Abilene High school team and later during his college days at A. & M. However, football was not his only accomplishment as an all-around student in college, for he was selected as student representative to the Athletic Council, a member of an A. & M. honorary military organization, and a regimental captain of the R. O. T. C. Corps. Aside from being a noted participant in the activities just mentioned Coach Christian was on the college "Who's Who" during his soph and senior years.  
After graduating from A. & M. in 1932 Christian accepted a position as assistant coach in the Abilene High school keeping this position until 1936 when he became head coach in Colorado High school.  
Jack Christian has molded, in the short time he has been coach, a football team worthy of all the support the school and town's people can give it.

**Duff Chesney**  
To you who are interested I give you Duff Chesney—better known as "Pee-wee." Duff Chesney is one of the best blockers on the field. He's one of the best students in the classroom. As an outstanding sportsman, he likes hunting, fishing and tennis. Although he weighs only 134 pounds, he makes up for the lack of bulk with a tremendous amount of "brains and energy." Other than being a magnificent blocker, he does quite a bit of passing and punting.

You've heard the old adage, "It isn't so much the size of a fellow that counts, it's how tight he's wound."

Many nights Duff has spent at home reading about the adventures of Julius Caesar or figuring the value of "x". Consequently, when the report cards are made, his name stands very near the top.

With the same spirit which made him a football player, he excels in tennis and huntline.

## WOLVES TAKE CONFERENCE OPENER

### Game at a Glance

Colorado	Merkel
15 First Downs	4
152 Yards Gained Running	82
4 Passes Tried	8
0 Passes Completed	3 for 39
2 Passes Intercepted	1
4 Fumbles	6
7 Fumbles Recovered	3
3 for 35 Penalties	3 for 25

The Wolves roamed at large in their home corral Friday night as they stacked up an early lead of 25 points over their Badger playmates, turning to defensive football only during the last half.

Every Wolf in uniform had a chance to shine and each one took advantage of it. Captain Duff Chesney played a good game at his halfback and point positions, "Squirt" Wood, big center, played a head-up game both offensively and defensively. Other outstanding Wolves were Rudel Glover, Dick Jones, Tommy Chadwick, and Burl Ballard.

"Preacher" Windham, of Merkel, outplayed his teammates and was easily the star. He did most of the running, passing, and punting for the visitors.

Next Friday night the powerful Wolf-pack invades Rotan to play the Yellowhammers which promises to be the deciding game of the conference. The winner is almost sure to be district champion for the year.

## ADDITIONAL UNWANTED-EXPENSE

It may seem queer to some, who don't understand, that we would bring a dime for a test. But we did. This was the diagnostic test required by the state to show English teachers the strong and weak points of the students.

The result of the tests were:

151 Freshmen	Average 83
118 Sophomores	Average 85
117 Juniors	Average 86

## 67 Seniors . . . . . Average 87

### OUR PRIDE AND JOY

Our latest addition to the trophy case is proving to be our most cherished for quite some time; since 1930 to be exact (with no offense to other loyal students who have added to our prided collection). The beautiful pigskin as well as the story and sentiment behind it, will live ever in the hearts of C. H. S.

We offer our thanks to Porter Richardson for making it possible for us never to forget that it was a 7 to 0 victory so far as figures go.

## H. W. JORDAN IN ASSEMBLY

Rev. H. W. Jordan, a pastor from Clovis, New Mexico, spoke to the Colorado High school students last Wednesday, Sept. 28, in assembly. He was introduced by Rev. C. E. Jameson, pastor of the local Methodist church, and his message was greatly appreciated and enjoyed by each member of the student body and faculty.

## NEW FICTION BOOKS IN LIBRARY

Twelve new fiction books have just arrived to the library. Among them is the largest seller at the present time. . . . and Tell of Time," by Krey. Try to read this and other of the following:

"The Tale of Two Horses," Tschirfely; "Kidnapped," Stevenson; "In the Land of Cotton," Scarborough; "The Harvester," Porter; "Rags," Rohan; "Great-Aunt Lavinia," Lincoln; "Kindred of the Dust," Kyrne; "Wagon Yard," Johnson; "Desert Gold," Grey; "The Trail of the Lonesome Pine," Fox, Jr.; "The Chicken-Wagon Family," Benefield; . . . and Tell of Time," Krey.

## CLASS IMPRESSIONS

The students who have taken up new subjects this year have been slothful in getting their work. As a result of this the first six weeks of school have been a task to some of them. Several of the geometry students are memorizing the book while others just haven't caught on! Algebra seems above the average Sophomore and each one is looking for an old algebra student. One of Coach Pratt's chemistry students has already promised to blow the entire place up before the end of the year—and the way things have started it looks as though he will make his word good. Public Speaking deals with exercises on correct posture which some enjoy as a beneficial while others, having superior knowledge, call them silly or tiresome. Spanish I students are "sighing" and "sponoring" around while Spanish II students seem to think they "get in deeper" every day. History is

rushing the library which is leaving several students writing source reports from memory and seventh grade history.

Listen, students, be fair to yourselves. Grab all the knowledge you can and endeavor to keep that knowledge. Cheer up, teachers, for it has been said, "There is one in every class."

## LET'S GO TO ROTAN!

The Colorado Wolves are to be pitted against the Rotan Yellowhammers Friday, October 7. The band and pep squad are to accompany the team. The game is said to be the decisive battle in District 6-B football. The school wishes to urge as many of the town people who possibly can to attend the game and support the Colorado Wolves!

## NEWS FROM THE FARMERS

For the last two weeks the second year Aggies have been busy making Self-Feeders. Some were already made and we have made six more. The following students as officers visited the Loraine Agriculture Department:

A. G. Furlow, Ross Glover, Jack Long, J. F. McCabe, and Lee Brown. Loraine invited us to their initiation and goat barbecue. Their class this year is small but they hope to have a larger department next year.

The Aggie boys are planning their trip to Loraine Thursday night to initiate the boys in the Loraine chapter.

## ROGERS RAMBLINGS

### SCHOOL NEWS

The fourth and fifth grade health classes enjoyed a camping trip Friday afternoon through Saturday morning. The pupils brought a picnic lunch for supper Friday night and at 5:30 p.m. they were packed in—bedding, food, and all were "happily headed" for their camping grounds. Their camp site for the night was located about five miles south of Westbrook in the pasture of the old Kitchen farm.

After supper was eaten, games played, marshmallows and veiners roasted, and ice cream eaten, everyone was ready to "do things." The group went to the airport and tried to see everything they could there; then on to the home of Mr. and Mrs. C. H. Moore where they spent the remainder of the night, making their beds outside so their "camping trip" would be complete. At 5:30 Saturday morning the children were trying to find their way through the pasture to a tank on this farm where they cooked their breakfast over a campfire. At 8 o'clock the children were ready to return home "so I can sleep," says Linden Solomon. Joe Carpenter is still wondering why a person can't freeze cream in a freezer without the dasher and container, as that's all he didn't take to freeze it in. Everyone had a great time and are looking forward to something else in their schoolwork that might lead to entertainment.

"I'd like to thank each mother who helped in making our trip possible for us."  
Mrs. Byrd.

## COMMUNITY NEWS

Mr. and Mrs. Bud Conner of Coahoma were the week-end guests of Mr. and Mrs. Ed Moore. Mrs. Conner is Mr. Moore's sister. The Conners and Mrs. C. H. Moore and daughter, Bonnie Mundell, were the dinner guests of Mrs. Cecil Byrd Sunday.

Miss Willie Ruth Howell spent last Thursday night in the home of Mrs. Cecil Byrd.

The pie supper for Friday night has been called off until a later date. Those that visited in homes of Mr. and Mrs. Ernest Lightfoot and Mr. and Mrs. Dalton Lightfoot were Mr. and Mrs. David Conway and children from Inadale and Mr. and Mrs. Jess Ferguson and little daughter Ruby; also Mrs. Ferguson's sisters, Lucille and LaVada Moore, all from China Grove.

Mrs. P. H. Bird and daughter, Mrs. Luther Carpenter were called to the bedside of Mrs. Bird's daughter of DeLeon.

Lloyd Howell of Big Spring spent last Saturday night and Sunday in the home of his parents, Mr. and Mrs. T. A. Howell.

Miss Velma Howell was the dinner guest of Misses Irene and Hazel Barber Sunday.

We are proud that our Sunday school is beginning to pick up in attendance again. The young people have with them their teacher again, Mrs. Cecil Byrd. We feel sure of good classes and hope to have more to come and join us, Mr. Smallwood was our teacher in the summer months in Mrs. Byrd's absence. And he sure made a good teacher for the young people but we will let him go back to the adult class if he wants to providing he will visit our class sometime. And we feel sure that the adults are tickled to have him back with them.

Our singing class will visit Carr next Sunday night. So class get tuned up and let's try to do as good for them as they did for us when they visited us.

The time for our singing class has changed to 7:30 o'clock, so everybody remember the time and come out and help us sing.

Mrs. Claud Barber is on the sick list but we hope for her a speedy recovery.

The sympathy of this community goes out to Mr. and Mrs. Frank Cally and family in the recent death of their little month-old son and brother.

Mr. and Mrs. Paul Sweatt were visitors in the home of Mrs. Sweatt's

## CITATION BY PUBLICATION THE STATE OF TEXAS.

To the Sheriff or any Constable of Mitchell County, Greeting:  
You are hereby commanded to summon Bernice Christian by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in the nearest county where a newspaper is published, to appear at the next regular term of the District Court of Mitchell county, to be held at the Court House thereof, in Colorado, Texas, on the 5th Monday in October A. D. 1938, the same being the 31st day of October A.D. 1938, then and there to answer a petition filed in said Court on the 15th day of September A.D. 1938, in a suit, numbered on the docket of said Court as No. 5776, wherein R. J. Christian is Plaintiff, and Bernice Christian is Defendant, and said petition alleging that the residence of Bernice Christian is unknown; that suit is brought for divorce, for determination of custody of a minor child and for settling property rights as between plaintiff and defendant; that plaintiff is a resident of Mitchell county and the State of Texas, and has resided in the said State for a period of twelve months, and six months in the said county immediately preceding the filing of this suit; that plaintiff's alleged cause of action is cruel treatment, false accusations of such a nature as to be injurious and humiliating to him be-

fore his friends and acquaintances, as well as using often abusive and unbecoming language toward plaintiff.

Herein Fall Not, and have you before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how

you have executed the same.  
GIVEN UNDER MY HAND and the Seal of said Court, at office in Colorado, Texas, this 15th day of September A.D. 1938.  
J. H. BALLARD, Clerk,  
District Court, Mitchell County, 10-14-chg.

## The human side of BANKING

BECAUSE we deal in such cold and inflexible commodities as cash, facts and credit, it is perhaps logical to think of banking as being also cold and unbending.

But banking has its human side. The problems of people—real people just like you and your neighbors—enter into almost every action we take and every decision we make. In our daily work we try never to lose sight of this human side of our business.

We think you will like the aura of warmth and friendliness which you will find at this institution.

**Your Chance to Buy a Good USED CAR**

The American Public listening to the National radio hook-up last Sunday afternoon learned that on October 22nd, we will announce our NEW CHEVROLET for 1939.

It is only quite natural that we, as Chevrolet Dealers will be cleaning out our Used Car Stocks to take care of the usual demands for the NEW CHEVROLET.

In staging and announcing this used car cleanup we are listing below some of our cars that will be sold at reduced prices by the time the new car is here, and we urge all who are interested in the purchase of better used cars to take advantage of this drive for used car sales by October 22.

Two 1938 Chevrolet DeLuxe Town Sedans (Demonstrators)	One 1936 Ford Tudor with trunk
One 1937 Chevrolet Fordor DeLuxe Sedan with trunk	One 1937 Dodge Coupe
Two 1937 Chevrolet Town Sedan DeLuxe	One 1936 Chevrolet Standard Town Sedan
One 1938 Chevrolet 1/2 Ton Pickup	One 1936 Chevrolet Coach DeLuxe
Two 1936 Chevrolet DeLuxe Town Sedans	One 1935 Chevrolet Sedan DeLuxe
	One 1935 Chevrolet Standard Coupe
	One 1935 Plymouth Sedan

This is just a list of our latest models and we have on our lot a number of cheaper cars that are just as good for the model as the ones listed that we are going to sacrifice in this sale. We are inviting purchasers of this type cars that want to get a real value to see them before you make your purchase, and offer the same terms that are possible on the better grade of cars.

## JUDGE HARDY'S FAMILY BACK IN NEW HAPPENINGS

IN 'LOVE FINDS ANDY HARDY' MICKEY ROONEY HAS SPOTLIGHT OF STORY

An intimate inside view of the life of an average American family is blazoned on the screen in "Love Finds Andy Hardy" fourth in the series of Judge Hardy Family pictures which shows at the Palace theatre Saturday midnight and Sunday and Monday, October 7, 9 and 10.

The story, a simple relation of domestic entertainments, tells of the young man of the family who not only braves his father's wrath by buying a second-hand car without permission, but also becomes entangled with three girls at the same time.

Lewis Stone again is the kindly, discerning Judge, head of a typical family of five. This marks his third appearance in the role of Judge Hardy. Mickey Rooney is given the biggest role he has played so far in the series, providing the melodrama around which the plot revolves. His rapidly increasing popularity makes him an ideal representative of the typical American boy.

Judy Garland has been added to the "family group." Playing a girl of twelve, she is allowed by her mother, a musical comedy star, to

dress up for one night and pretend to be grown-up. During this interval she steals the spotlight at the big dance given by the younger set of a small mid-western city. Judy sings three songs in the picture.

Metro-Goldwyn-Mayer also introduces a new screen find, Lana Turner, as the spoiled, wilful charmer of the small town. Supporting players include Cecilia Parker, daughter of the family, Fay Holden, the mother, Ann Rutherford, Betty Ross Clarke, Marie Blake, Don Castle, Gene Reynolds, Mary Howard, George Breakston and Raymond Hatton.

George Seitz again directs the family, marking his fourth enterprise with the group. In the new story Mickey Rooney decides to buy

## THE COLORADO THAT USED TO BE 25 Years Ago 15 Years Ago

25 YEARS AGO

From The Record for Oct. 2, 1913.  
The Colorado Light and Power company which had been in a federal receivership for some time, had been sold to the Strickland interests, known as the West Texas Light and Power company, which already had plants at Big Spring and Sweetwater.

Miss Ella Day announced that she would open her school in the Hamner law cottage on Second street the

**"HOLD THAT CO-ED"**  
Palace, Friday and Saturday  
October 7 and 8

While this may not stand as the best of the current nightingale, it certainly qualifies as the sweetest and should win a place on the 1938 All-American list team, John Barrymore as a wind-swept politician who flies in his senatorial campaign with the football team of the state university, while performing as Joan Davis, George Murphy and Marjorie Weaver and in the hilarity and excellence of the feature, story is a timely and seasonal blending of politics and football, subjecting both to a broad satire. While there are musical and Terrell's interludes they are merely incidental to the story and comedy background. George Marshall's direction is of the highest order and keeps the merriest movie at a lively clip.

Players are John Barrymore, George Murphy, Marjorie Weaver, Joan Davis, Jack Haley, George Barbier, Donald Meek.

**"RENEGADE RANGER"**  
Gem, Friday and Saturday  
October 7 and 8

George O'Brien dons the garb of the Texas Rangers again in a top-notch western which should amply satisfy this action star's fans. Albeit the story is not startlingly original, the combination of David Howard's rapid-paced direction, O'Brien's standardly virile and two-fisted performance and some pleasant musical interludes furnished by Ray Whitely and his troupe of singing cowboys, mark the production as first-rate. Rita Hayworth heads a gang of bandits who have taken the law into their own hands in an effort to remedy the wrongs done them by unscrupulous land thieves. O'Brien is assigned to arrest her for a murder of which she is accused, but in his own competent fashion he pins the killing on a crooked tax collector, secures her pardon and wins her love.

Players are George O'Brien, Rita Hayworth, Tim Holt, Ray Whitely, Lucio Villegas, William Royle, Cecilia Callejo.

second Monday in October. Dr. J. B. Ragon and J. E. Eaves advertised the opening of their "drugless sanitarium" in the Webb brick building in East Colorado.

W. W. Watson of Roswell, N. M., had been looking after his business interests here. Invitations were out announcing the approaching marriage of Mary Boren to Herman Houston Harp of Sweetwater at All Saints Episcopal church on Oct. 8.

Mrs. Austin Roundtree was visiting relatives in Cisco. Mr. and Mrs. Ed Majors had returned from an extended visit in Alabama. Mrs. J. P. Majors and daughter, Edna, of Sweetwater had made the trip with them.

Figuring that it would be cheaper to buy a car for the children to drive to school than it would be to move to town, Bob Gary was the latest owner of an automobile in the community. Mrs. D. H. Snyder was home after having accompanied her sister, Marguerite Beal, to school in Wisconsin. Mrs. Adair had returned to Dallas after visiting her sister, Mrs. H. B. Smoot.

Mrs. Boren had entertained at the Colorado Club rooms to announce her daughter's engagement to Mr. Harp. Included in the houseparty were Mrs. George Major, Mrs. C. M. Adams, Mrs. D. H. Snyder, Mrs. H. S. Beal, Mrs. H. C. Doss, Mrs. Leslie Crowder, Mrs. Bailey, Mrs. H. B. Smoot, Mrs. Hennessee, Miss McKenzie, Miss Jackson, Miss Smith, Miss McMurry, Miss Hooper, and Miss Terrell. Members of the bridal party were to be Miss Beal, Mrs. Floyd Beal, and Miss Allen.

It was reported that W. H. Free, former Coloradoan, was employed as bookkeeper in the First State bank and Trust company in Abilene.

A "Grand Revival of Thee, Dixon," Mrs. J. G. Grant's play, was advertised for "the big tent" here on Monday night, October 6. Don M. Biggers, a former Coloradoan and newspaperman, had gone in for irrigated farming in Lubbock county.

G. W. Crawford of Topeka, a former Coloradoan, was visiting here. W. H. Moser and Jake Maurer had gone to Putnam for the "narrative waters." Logan Spalding had a new automobile.

A shower for Mary Boren had been given by Annie Beal.

From The Record for Oct. 3, 1923.  
Daily cotton receipts at Colorado were estimated to have a value of around \$100,000, with each bale received bringing around \$150 in addition to the seed.

County Judges of Mitchell, Scurry and Sterling counties had heartily endorsed a north-south highway.

M. S. Goldman was going with the Brownwood band to the national Legion convention in San Francisco.

Bill Thompson's Baggett No. 1 was showing big production. Wells of the J. L. Deas building on Third and Walnut street were completed.

A son had been born to Mr. and Mrs. Bryant Fulkerson. Bill Broadus was home after spending the summer in California. Floyd Quinney, tailor, was moving his shop from the Masonic building to the new brick adjoining the old Colorado National bank building on Walnut street.

Joe Grant and Ford Merritt had purchased an interest with Jack Carter in the Alcove drug store. Mrs. J. G. Merritt was going to

Vernon to attend a district meeting. Jennie Mason had returned from a trip to Louisiana. Lily Mae Dunlap, teacher of English at Groves, had been home for the week-end. Bealy Dunlap, student at Carnegie, had also been home. Mr. and Mrs. J. B. Atkinson of San Angelo had been visiting their daughter, Mrs. A. L. White.

10 YEARS AGO

From The Record for Oct. 12, 1928.  
Col. C. M. Adams had realized his life-long ambition to see a World Series. The New York Yankees

A TRIBUTE

This column desires to pay tribute to Mrs. J. W. Shepperd:

None knew her but to love her,  
None named her but to praise.

Our hearts are sad. One of our friends has answered the call and passed through the gates to her home prepared for her by the Master Builder. Mrs. J. W. Shepperd, after a long illness, has passed away.

In speaking of her life, if the greatest purpose of life is the training of the soul, truly Mrs. Shepperd succeeded in this task. For her soul was both by nature and training unusually sensitive, sensitive to suffering, to tragedy, to beauty, to truth, to goodness, to friendship, to love, to joy, to the anguish of the world about her. She was conscious of the presence of Christ in her soul, and she succeeded in unveiling Him to the world, giving her lips to speak His message, her feet to carry His gospel, her hands to do His work, her eyes to see His opportunities, her shoulders to bear His Cross, and her heart to thrill to His joys.

To us, as to her legion of friends, the charm of her personality, the deep appreciation she had of the beautiful, the nobility of her soul in ministering to others, will remain in our hearts as ineffaceable memories. Such a heritage to her children will be fabrics of life which neither moth nor rust doth corrupt and where thieves break not through nor steal.

The soul came from God. It inhabits a tent of clay for awhile. The tent of clay falls away and the soul returns to God who gave it. Mrs. Shepperd's spirit has returned to God, there to rejoice and to respond to the beauties and wonders that must exist in God's presence.

You saw not the life of the curtain  
Nor heard the invisible door,  
As she passed where Life's problems uncertain  
Will follow nor vex her no more.

You lingered and wept on the threshold  
The threshold each mortal must cross  
Then laid a new wreath down upon it  
To make a new sorrow and loss.

PUBLIC SCHOOL SYSTEM

So few people have any idea about the cost of our public schools we submit some figures:

The Texas Tax Journal, of Austin, edited by John T. Smith, at one time a member of the legislature and a recognized authority on tax matters, has the following to say about the finances of the school system of Texas:

The number of scholastics in Texas for the year 1936-37 was 1,556,654 and the apportionment was \$22 per capita and amounted to \$34,466,388. The amount of taxes collected by independent school districts was \$48,956,023. The amount collected by common school districts amounted to \$2,466,362; making a total of \$85,888,773 collected from the state, independent and common school districts. This money was spent as follows: To pay school teachers \$48,765,846; to pay for transporting children to and from school \$3,001,958, this cost does not include the school buses. Cost of text books \$2,691,743; the interest and principal on school bonds \$13,638,276, total amount collected from the state, independent and common school districts amounted to \$85,888,773, total paid out for principal and interest, teachers, transportation and bonds, \$68,097,823; which leaves a balance of \$17,790,950.

By reason of the fact the receipts and disbursements of the school fund shows such a large difference, no one will dispute the statement that it should be audited and a system installed that would reflect the facts as to the expending of this huge fund. This vast difference of \$17,790,950 in receipts and disbursements is conclusive evidence that the \$5,000,000 appropriated out of general revenue for the present year should have been appropriated out of the school fund.

LIBERAL, NOT PURITAN

My dad was of the old Puritan stock that did not "spare the rod and spoil the child." I remember well the frequent application of peach tree limbs to my anatomy.

There are no more Puritans. Everybody has gone liberal, hoping to get something from other liberals. Solomon warned against spoiling the child by sparing the rod, but Solomon was not a Puritan, nor was he a liberal. He was a conservative, yet he was the greatest king in all the catalogue of Jewish Kings. His subjects enjoyed prosperity, a prosperity which they lost when his successor came into office. One of the aspirants to the throne of David made his appeal to "all those who were in debt" and all those who were hard up. That aspirant was a liberal. He was willing to promise anything in exchange for the throne. Liberals when they go the limit in their liberality are fantastic promisers, and just now their favorite catchword is "pensions." They propose to make pensions so liberal that anybody can have one, whether there is anybody to pay the pensions or not.

The Puritans were not liberals. They believed in rugged individualism, supported by religion. The Puritan religion put the question of salvation squarely up to the individual. It was never proposed by them that salvation should be had en masse, that salvation was due to all those who reached a certain age or acknowledged a certain poverty.

The Puritans reared their children in the fear and admonition of the Lord and did not promise them lives of ease. But with social security coming in, heavenly security is less talked about, less thought of.

It is a bad change.

EFFICACY OF PRAYER

Does prayer really accomplish definite results? Abraham prayed and God healed Abimelech; when Moses prayed the fire was quenched; Hannah prayed and God gave her a son; Hezekiah prayed and his life was prolonged; Daniel prayed and the mouths of the lions were shut. Paul and Silas prayed and the doors of the prison were opened; Elias prayed and the heavens rained not for three and one-half years; Cornelius prayed and his prayer was heard; and the Son of Man prayed and the heavens were opened.

Recently a great scientific foundation has been carrying out a national radio contest to determine the possibility of telepathy—that is to know the thoughts of others separated by great distances without anything but the possibility of having their thoughts communicated through space without any use of the five senses. The first test showed some twenty per cent got the correct answers from all parts of the nation. Can others communicate their thoughts to us and we to them by simply thought transference? We shall wait and watch with interest the outcome of this novel experiment.

We live in a world of marvels. Think of the radio, telephone, telegraph, airplane, electricity, the automobile, and a thousand other

inventions. Once man said they could never become a reality. But we know they are. Is it reasonable to suppose the Great Creator of this world would leave his highest and noblest creature, man, to grope in the darkness and uncertainty and have no means whereby he could communicate to and with him?

THE COLUMNIST'S TROUBLES

There are always those who will kick. For instance, if you publish jokes with whiskers on them, someone will say you ought to be in a lunatic joint. If you don't print something to smile at, they say you are pessimistic fossil. If you spread yourself and write an original article, they say it is stolen. (Uncle Bill). If you rewrite an article, they say you cannot write. If you say a deserving word for man, they say you are partial. If you compliment the ladies, the men are jealous. If on the contrary you criticize them the verdict of the ladies is to the effect that your paper, or column, is not fit for the construction of a bustle. If you stay in your office and work it is because you are afraid to be seen on the street. If you are out on the street it is because you are too lazy to work. If you look seedy you are a bum and squandering your money. If you wear good clothes, you are a dude, and don't pay for them. If you play a social game of any kind and get stuck, you are a seucker and a poor fish; if you win, you are a professional gambler and a tinhorn sport. And so it goes all through the columnist's life—just one continual round of pleasant (or unpleasant) complications.

MORE POETRY

One of our readers of this column, criticises us severely on the kind of poetry we use and says he doesn't like it. The last batch of poetry used was headed "stolen poetry" and for the benefit of this reader we submit this week an original opus of our own.

Be a booster, like a rooster  
Always crowing loud and long  
Keep a yelling what you're selling  
Put some pepper in your song.

If you're tired, go get fired  
Hunt a job you think will suit you  
Be a getter, times are better  
For the man that packs a smile  
Take your ticking or quit kicking  
Dig right in and make your pile.

The depression is over and  
There is clover in pastures around  
It's not waiting or debating but  
Making hay out of the ground.

Watch it growing, always showing  
Lots of blossoms, its alive  
If you're a dead one go use  
A lead gun, drones are not  
Wanted in this hive.

Be a doing, quit your stewing  
Get a move on, grab some kale  
Don't let your head get  
Feeling bad yet, sweat and  
Smile and you cannot fail.

QUESTIONS AND ANSWERS

Why is a woman like a newspaper?  
Because they are thinner now than they used to be.  
Because they carry the news wherever they go.  
Because they are well worth looking over.  
Because every man should have one of his own and not run after his neighbor's.

Lynn Landrum in "Thinking Out Loud" says:  
Finally, brethren and sisters, the dominance of the hoop skirt in society would solve the problem of ill-manners among our young men and maidens. A man just naturally can't be rude to a slender fairy floating upon a mist of petticoats. It can't be done.

Similarly, a woman who is dressed up like a grand dame out of a story book has too much of the histrionic in her nature not to act out the part. Clothes don't make the man; but they establish the woman.

And just think—the stoop and the big apple and slap-em-on-the-back and poke-em-in-the-ribs of campus and country club would be out. Permanently out. 'Twould be a grand riddance, would it not?  
Who's got a mustache cup?

ESSAY ON THE HORSE

Pearl Traylor, one of the primary teachers, asked one of the youths to write an essay on the horse and here is what the kid turned in:

The horse like man inhabits the earth and Oceania, and exists on vegetation such as corn, oats, hay, fruits and grass. His anatomy is similar to that of man, and some of the bones have the same name. His powers of locomotion are different, the horse walks on his all-fours, and gets there with all four feet, while man walks on his hind feet and in perpendicular manner. In antediluvian times the horse had five toes on each foot, but has discarded all but one on each foot and now walks on his middle toe and the toe nail of that. He retains his caudalor coccygeal vertebrae, while that of man disappeared when he quit climbing coconaut trees for a living and went to farming. The horse is heir to nearly all the diseases that man has except delirium tremens; he is a total abstainer. He is one of our best domestic animals; he draws our wagons, carriages, carts, plows, and carries the U. S. mail on his back and is furiously ridden by the rough riders, cowboys chase mule-eared rabbits on him while the more civilized boys experiment with him trying to make his hind legs catch up with his fore ones. When he is old and useless, he is put up on dope, killed, embalmed and fed to the U. S. soldiers. We mention a few of the great variety of horses, Normans, Peharans, Stallions, mares, colts' repeaters, Hosteters Bitters, horse-radishes, Shetland ponies, horse powers, horse marines, horse trader, horseless carriages, runaway-horses, balkey horses, Stump-sucking horses, stitching horses, devil's horses, dead horses, stick horses, blind-stagger horses, hobby horses, lame horses, bare-footed horses, night mare, Balam's saddle horse, and Bill Nye's orphan mule. They all belong to the "equus genus," one other I forgot that is horsehoer and is synonymous with Hewitt, who is able to shoe all barefooted and lame horses.

Experience is what you have left after everything else is gone.

No government can censure co-operation.—President Roosevelt.

**KEEPING UP WITH COLORADO GIRLS AT T&EW**

By Nina Laura Smith  
Since this is the first of a new series of more-or-less news items about Mitchell county girls at the Texas State College for Women (T.S.C.W. to many people) it might be a good idea to let our readers, if there are any, know why this column is written. There are several reasons. First, we believe that our parents and friends like to know what we are doing and would enjoy knowing what life is like at the largest residential women's college in the world. Then, too, this saves much letter writing. It is our purpose to mix the unusual with the more commonplace happenings, which may cause some of the news subjects to get a trifle red in the face when they realize that the department of Journalism of T.S.C.W. sometimes sees their names spoken of in a Winchell-istic manner. But no harm is ever meant, and when we say "we" and "our" we are trying to present the views of everyone. Now that the why of this column is disposed of, it is time for the what, which consists of a dozen or so girls.

an adopted citizen of Colorado, and is the daughter of Jack Carter of Odessa. She is a journalism major and will be a member of the Journalism club.  
Her roommate is Betty Hodge, daughter of Mrs. Pink Wade Hodge, who is a business administration major. Moncure and Betty live "out in town."  
Living in Capps Hall is Virginia Gurney, a speech major. She is the daughter of Mr. and Mrs. M. E. Gurney.  
Completing another pair of Colorado roommates is Doris Wynne, daughter of Mr. and Mrs. T. A. Wynne, and a vocational home economics major. She is a member of the Women's Athletic Association (W.A.A. from now on) and also the unfortunate possessor of a difficult class schedule.  
Now among the ranks of the sophisticated sophomores is Edna Earle Cox, daughter of Mr. and Mrs. Jack Cox, and an Intermediate-Grammar-Grade education major. She is a member of her departmental club, and lives in Sin Cuidado Hall.  
Her roommate, Frances Elliott, daughter of Mr. and Mrs. L. B.

Elliott, is a library science major, and is secretary of the campus chapter of the YWCA.  
Another sophomore is Nina Laura Smith, daughter of Mr. and Mrs. Thomas R. Smith, and a journalism major. She is a member of the Journalism club, cabinet member in charge of publicity for the YWCA, and a member of the Student Council of Religious Activities.  
A step higher in rank is second-term sophomore (the "second-term" is very important since it denotes superiority to plain sophs) Erna Lou Merrill, daughter of Mr. and Mrs. L. P. Merrill, who lives in Travis Hall, and is a business administration major.  
The other member of Colorado's four pairs of roommates is Elizabeth Taylor, daughter of Mrs. Roy Dozier, who is also a business ad. major, and is a member of the campus Business and Professional Women's Club, an honorary organization, and of Alpha Lambda Delta, honorary scholastic society for undergraduates.  
Another Coloradoan by adoption is Mabel Ernest Cooper, daughter of Mr. and Mrs. Stewart Cooper of Pecos, who is a junior Bible major, and is a member of the L'Allegro club, campus literary-social (mostly social) organization, whose members

are pledged and initiated much as are those of a sorority.  
Melba Slaton, also a junior, is the daughter of Mr. and Mrs. O. B. Slaton, and is a clothing major and a member of the College Choir.  
Our freshmen seem to be getting right into the swing of activities, both on the campus and off. Moncure, Betty, and Virginia very ably represented the delegation at the football game of the Denton High school. If they have missed anything that went on during the first week of school, it escaped notice. They could probably give the rest lessons in energy, and seem to have survived registration, which is a trial to anyone. On the very first night of school, when there was a sing-song in the auditorium, during the singing of Shine On Harvest Moon, there was threat of some truckin' down the aisle. However, all was quiet the next night when the faculty of the music department gave a recital.  
One of the largest entertainments of the first week was the All-College Night program, which was given to present to new students the campus dignitaries. Frances Elliott, as secretary of the YWCA, was presented that night. After the program in the auditorium, a veritable mob descended to a very slick new dance floor in the back yard of Virginia Carroll Lodge, campus social center. Moncure Carter will verify the statement as to its slickness, since she came in contact with it by other means than her feet. Erna Lou Merrill was the heroine of the evening because she caught her dancing partner to keep her from falling.  
Climax of the opening week came Saturday night with the annual lantern parade sponsored by the YWCA. Among the parade marshals were Frances Elliott and Nina Laura Smith. This parade is one of the most beautiful sights imaginable with its very long line of approximately one thousand couples with lighted lanterns. One excellent feature of the parade was the free picture show given afterward.  
Just to show that college is not all entertainment, the freshmen are subjected to a series of orientation lectures during the first weeks of school. In these one is told how and when to study, sleep, eat, and many more things which are not remembered. These hour nap periods are now going on.  
One fairly pleasant way of combining study with entertainment is the Spanish and other foreign language movies which the college sponsors. The first Spanish movie was attended Friday night by Doris Wynne and Virginia Gurney.  
As a parting reminder to T.S.C.W. parents and friends, we invite you to listen to the college radio broadcasts over Station WFAA each Sunday at 12:30 noon. We never get to hear them, because we have to eat, and would like to know what they are like.

**Here are the NEW LAMPS  
that make Seeing Easier**

Local stores which sell floor and table lamps are co-operating this week in presenting to their customers an elaborate display of all types of lamps, emphasizing the desirability of these lamps to make seeing easier, and to make every room in the home more attractive.  
Visit those stores which sell lamps and see how little it costs to have an attractive and well-lighted home.

The popular tri-ite lamp is generally known as the "all-purpose lamp," for it provides a wide illumination, adds to the attractiveness of the room and provides three intensities of lighting at the turn of a switch.

Look for this I. E. S. tag of approval on the lamps you buy. It is your assurance that the lamp meets all of the standards for good lighting.

This lamp pins up on the wall, over desks, radios, beds and other places in the home where a decorative light or a light for seeing is needed.

The primary purpose of a lamp is to make seeing easier, and this lounge lamp, also called a floor reading lamp, serves that very important purpose.

ANNOUNCEMENT WESTBROOK METHODIST CHURCH

Here we come again to ask you who belong to the Methodist church to remember that we are nearing the end of the year and we take this opportunity to ask you to be in your places to help wind up the year's work in good shape.

And of course we take pleasure in inviting any whether you belong to the church or not, we especially invite you to come for our aim is to help you in any way that we can.

So come one and all, let's do work of the Master, and if you are a Christian you should be there, and if not then come let us try to help you for Jesus said that He was the way, the life and the truth. He said that if He was lifted up He would draw all men unto Him, and we are trying to hold Him up in our daily walks and in our preach. Come let us point you to Him who can save. Come one, come all.

PEP SQUAD ORGANIZED The high school students decided that the football stars might need some "backing" by a pep squad, but evidently they were doing well enough before the squad was organized.

The student body selected Weldon Strange, Ruby Jo Fortune and Oleta Dockrey as yell leaders. Weldon has chosen to play football rather than lead the yells, and so has turned the job over to Ruby Jo and Oleta completely.

The first pep rally was held upstairs Friday afternoon. Did they sell anything to do with our mighty six scoring 31 to Sterling City's 0?

The Juniors are planning to edit and print a school paper officially known as "The Grass-Burr." If they are depending upon football victories for the headlines of the weekly publication we hope they have seven good headlines.

The faculty is planning to begin work on the first play of the year. The faculty has not before made known their ability in dramatics but you can imagine it will be a scream (that conclusion was drawn from the fact that the play type is comedy and not because of the cast.)

The race for Football Queen continues with the Senior representative in lead with 134 votes with the seventh grade Queen not far behind.

SENIOR NEWS The Seniors and Juniors are all limping around this Monday. Why?

We went on a hay ride last Friday night; tore up the car and had to walk back into Westbrook which was about three and a half or four miles. They all reported a good time despite the walk.

Mr. Hood had to go and see about his Seniors at 12 o'clock. Thanks Mr. Hood for your kindness.

The Seniors are busy preparing for their carnival which won't be very long off.

The Senior girls don't fancy paying for a basketball suit just to wear it one year, but there's not much they can do about it. Perhaps they could wear an old one, which is very faded.

JUNIOR NEWS Here the Junior reporters come back again for another column of chatter. The Junior publication, "The Grass-Burr" will be out sometime this week for the first time.

Our queen contest is coming along just fine with the pennies rolling in. Our Junior candidate, Jo Fortune, is behind a few votes so come on Juniors let's give her plenty of votes.

All of the Juniors that went on the Senior hay ride had a nice ride and a long walk. James didn't mind the walk as long as Bonnie walked by his side.

Gerald Anderson and Ruth Smith.

SOPHOMORE NEWS Mary McKenney was elected as a candidate for football queen by the Sophs. We're behind her as a class, Junior, our star football player helped win another victory over Sterling City. He was high-point man.

What was wrong with our algebra test papers, Miss Speights? Was our penmanship bad?

Our Home Ec class is making button holes. Miss McKenney is not sure what they are, perhaps later developments will tell.

FRESHMAN NEWS The Fish enjoyed a picnic at the Colorado park last Saturday evening. We arrived at the park at six and played until our sponsor called us to the best supper you ever ate.

It seems that most of the Fish are included in the pep squad. If we yell as much at the football games as we do on the buses, we will be pretty good, especially Joan.

Virginia and Luther seem to be getting more than just friendly. Paydeen Mitchell started to school Monday. She will need plenty of practice, if she plans to keep up with the rest of us Fish, I mean in talking, but she won't need much practice to keep up with us in books, to hear Mr. Hood tell it.

Ruby Berry

SPORTS NEWS Another victory for the football boys. The game with Sterling City Friday afternoon, on our home field, was a very good one. The boys won over Sterling City 31-0.

There were five touchdowns made, two during the first half, and three the last. The players to win glory for Westbrook were: Junior Ozlesby, two; Gerald Anderson, one; Sidney Jones, one; and A. G. Board, one.

The pep squad was out in full force Friday, the leaders being Ruby Jo and Oleta. We made lots of noise and think we helped the football boys a lot.

The football boys have won three cases of soda pop which represents the three victories of this season. There is a catch however, they have to wait until the season is over to drink them!

HELP YOUR SCHOOL BOARD TO MAKE YOUR SCHOOLS LARGER & BETTER

The School Board has purchased a new site on Hickory street for the new Junior High School building. There was no provision with the Federal Government or in the recent bond issue to purchase this site. The Board expects to pay for it by the collection of Delinquent Taxes. WILL YOU HELP?

PAY YOUR DELINQUENT SCHOOL TAXES NOW

At the present there is about \$48,000.00 outstanding in delinquent taxes. For the last five years 80 per cent of the property owners have been carrying the load and now we are calling on the other 20 per cent to pay up and help keep up and maintain your schools.

SO WE ASK YOUR COOPERATION

If you can not pay all your taxes at one time, pay weekly or monthly. The Board has made arrangements to accept partial payments and you will be given a receipt for all payments made.

### LIMELIGHT OF WEST TEXAS FAIR TURNED ON PROMISING OIL COMPANY OF COLORADO MONDAY AFTERNOON AS TEST WAS SPUDDED

The limelight of the West Texas Free Fair at Abilene turned on Colorado's own Promising Oil company Monday afternoon as a motorcade of 10 Colorado cars bearing officials and members of the company and their friends went to Abilene for the spudding of the Promising Oil Company No. 1 City of Abilene Fair park on the fair midway at 3 o'clock.

Publicized for weeks in connection with the fair, the spudding drew a large attendance, including a motorcade from Stamford in addition to the one from Colorado.

The Colorado delegation was welcomed in Abilene Monday by a state highway squad of patrolmen and an Abilene motorcycle escort who usher-

### PICKED UP ALONG THE NEWS PATH

Shocked feed in a brown field under slanting sunlight—that's October.

The quiet courage with which Mrs. Q. D. Hall has faced the death of her only daughter, Mrs. J. W. Shepperd, Sr., has won much praise from those who have been associated with her. No matter how much others loved Mrs. Shepperd or how much they will miss her, Mrs. Hall has perhaps suffered the most acute loss, for in Mrs. Shepperd she lost not only a daughter and loved one, but also the one who has ministered to her personal needs in her blindness and invalidism. People have known for a long time that Mrs. Hall is a remarkable woman, and they are more certain than ever about it now.

Relaxing after a morning bus trip from Odessa, where she reviewed Monday night, Evelyn Oppenheimer was eating lunch at the counter in the hotel coffee shop Tuesday in a white blouse and navy blue slacks. Among other things, she remarked from behind dark glasses that she was finding West Texas weather delightful after the unseasonal heat which Dallas has been having. She asked for the correct pronunciation of Colorado, and we told her the truth as far as we're personally concerned—that it's Colorado with a long A when we're home, and Colorado with an ah-A when we're somewhere else.

They tell me that Frank Brooks, the portly negro who used to cook around in Colorado—he who was Mary Sue's husband—is getting himself something of a reputation as a fortune teller over in Midland. Come to think of it, there always was a hint of the psychic about Frank, and I remember that there were some who didn't hesitate to take advantage of the fact. For instance, it was said—and proved, time and again by prankish fellows—that Frank couldn't resist answering "That's what I thought" when someone yelled at him. "Heah he is now!"

It worked just as well the other way around, for he'd answer quick as lightning "Heah he is now!" when someone called "That's what I thought." Many a time he came near getting dangerously angry, it was said, when people said one of these expressions to him and he couldn't keep from giving the expected reply. Probably psychic isn't the word for a complex like that, but I looked the word up and one of the many definitions read like Magnolia land and lease office here; Bob May, land-man, and others.

As a weather prophet H. E. Grantland of the City National bank turned out to be a good golfer, so the bank force was treated Saturday night to some delicious osogod pies which Mrs. Grantland had made to pay off one of her husband's slip-ups in the weather prophesying field. Mr. Grantland, it seems, had rashly announced that the county would have frost by Oct. 1. His alert fellow employees immediately fringed the date on the calendar, and added the condition that Mr. Grantland would supply the refreshments in case his prophecy failed. Came October, and summer was doing a return engagement. Saturday night when the force was working late, in walked Mrs. Grantland with the aforementioned pies. And now the force is trying to think up some way to bait Mr. Grantland into another prediction—one that will fall and bring on some more osogod pies from Mrs. Grantland's kitchen.

Lacking any other medium to convey our thanks, we'll take advantage of this rambling column to tell Mrs. W. T. Bell of near Carr how much we appreciate her letter of last week. Mrs. Bell took some phrases used in this column and wove a really lovely poem with them—imagine phrases of ours ever being twisted into poetry! We are flattered beyond words that she should have found poetry lurking in any phrase of ours, no matter if it did take digging to bring that poetry to the surface.

Ever notice how Coach Jack Christian "eat's grass" in tense moments during a football game? But a person who catches herself nibbling tender mesquite leaves while she walks to work probably shouldn't mention the comparatively civilized habit of chewing grass.

What the Promising Oil company really needs is a publicity director. Then maybe the company and its officers and workers would get a little public mention, and the worthy deeds they do wouldn't have to go unheralded and unsung. All joking aside, the company has been making quite a splash in daily news columns of late, and the publicity which Colorado gets along with the company isn't to be overlooked.

The Promising Oil company is a wholesale and retail dealer in the oil of good will and good fellowship among man and men.

"Our members may not be refined to the 'no-nox ethel' type—but our cracking and skimming process certainly reveals the type of the oil of friendship and sincerity among our fellow man.

"Our aim is to promote these virtues throughout the country; to minimize the wheels of friction and hate; our location is your conscience; our production is our good will to man.

With the actual spudding of this well we hope that these words will be spudded in your hearts, that you will get the spirit of the Promising Oil company and retain it so long as you shall live."

Ratiff introduced Dr. Harry A. Logsdon, director of the "Colorado Cowpuncher band," which gave musical numbers during the program.

J. C. Watson, assistant to the president of the West Central Texas Oil & Gas association, gave a response to Ratiff's speech.

Lloyd Adams, publicity director of the Stamford chamber of commerce, and Frank W. Beckman, Stamford refinery operator, who led a delegation from the Jones county oil town, were introduced.

Among Promising Oil company officials on hand for the spudding in addition to Ratiff, were Rance Dockrey, president; Jim Cantrell, vice-president; Charles Landau, spiritual advisor; Lay Powell, secretary; Earl Cyfert, chairman of arrangements; Frank Kelley, head of the

# YOUR MILEAGE MERCHANT backs up his personal assurance of easy winter starting and oil economy by OIL-PLATING YOUR ENGINE

—more than an oil change!

JUST because this is in print instead of coming direct from Your Mileage Merchant's lips doesn't change the fact that he backs every word personally. How does he go through with that? By giving your engine the only OIL-PLATING. That's not mere words; it's what patented Conoco Germ Processed oil does.

Activated by an added man-made compound—added to oil's best natural qualities—added to the best refining—this exclusive Germ Processed oil adds itself direct to the inner engine surfaces. . . unites so thoroughly that every working part stays constantly OIL-PLATED.

Does the chrome plating on the bumpers drain down every time your car stops? Neither does OIL-PLATING in your engine. When you want to start up again, after hours of wintry parking—after nights or even weeks in the coldest garage—you've got ready lubrication faster than instantly!—in advance of the fastest oil-circulation. For drain-proof OIL-PLATING has stayed lastingly plated all the way up, to make things slide lightly and swiftly for your starter and battery. That also tells you why you're rid of costly starting wear. And OIL-PLATING stays in as long as you use Germ Processed oil. The gauge-stick backs Your Mileage Merchant!
