J. W. Butler this week added his name to the Eagle's flourishing list.

W. N. well represented the Big Valley community in this city Thursday. The list of notaries public for Mills county has not yet been made public. Mrs. E. B. Anderson expects to leave in a few days for a visit to relatives in Sulphur Springs. Les. Walker is now employed in C. F. Blanton's saloon, where he will be glad to have his friends call. The Big Valley irrigation company has the work of placing the machinery well under way and will soon begin to prepare the ditches. E. S. Kirby has purchased a very valuable ranch near San Angelo. The Concho river runs through the ranch and a considerable amount of the land is in cultivation. Parties who have taken the county scrapers away from the public square are requested to return them or give notice to the officers that they will be returned before the meeting of the grand jury. Next Saturday night, April 11, will be held the regular meeting of Goldthwaite Masonic lodge. There is work in all degrees and all members are requested to be present. Mr. and Mrs. J. W. Driskill left Sunday night for San Marcos to attend the funeral of her stepfather, Mr. J. A. Wrenn, whose death occurred Sunday morning at 8 o'clock. The old gentleman had been in bad health for a long time, but he was not confined to his bed until a few days before his death. Mr. Wrenn visited Mr. Driskill's family several years ago and many of the people of this city remember him kindly. Judge J. D. Kerfoot died at his home a few miles from Mullin Tuesday morning. He lived in this section a good many years ago, but moved from here to Dallas. While living in that city he was stricken with paralysis and never fully recovered from its effects. He returned to his farm near Mullin a few years ago, but was never able to go about among his old time friends. His family can be assured of the undivided sympathy of many friends.

PASTOR RE-IGNED.

Thursday night after prayer meeting Rev. G. W. L. Smith resigned the pastorate of the church, the resignation to take effect April 26. The announcement of his determination was received with surprise by most if not all of the members of the church and was a source of sincere regret for all members and the community generally. Rev. Smith has been pastor of this church since the latter part of 1900 and the church has prospered under his ministry. It was largely due to his energy and influence that the elegant church building was erected. The Eagle is not informed of Brother Smith's intention further than that he will go from here to Arkansas, where Mrs. Smith has purchased a nice fruit farm. The people of Goldthwaite and Mills county will part with Brother Smith and his family with sadness and will wish for them happiness and prosperity wherever they may go.

BEAUTY AND STRENGTH.

Are desirable. You are strong and vigorous when your blood is pure. Many say, most of the food, and so become pale, sallow, thin and weak. While the brightness, freshness and beauty of the skin are in complexion, depart. Remedy this unpleasant evil by eating nonnalizing food, and taking a dose of Herbol. One meal, to digest what you eat. 50c at Dr. J. E. Logan.

GUSSING CONTEST.

John Lochaby, who is agent for the Lampsas Steam Laundry, has inaugurated a guessing contest for the interest and benefit of the patrons of the laundry. He has arranged a bottle filled with shot and will allow one guess at the number of shot contained in the bottle every 10 cents paid him for laundry work, and the person guessing the exact number of shot nearest to the exact number will be given a \$15 suit of tailor made clothes. The contest will close July 16, and as the laundry does extremely nice work and there is no extra charge for the guesses the contest promises to become decidedly interesting.

A THOUGHTFUL MAN.

M. M. Ausler, of Chester, Ind., knew what to do in the hour of need. His wife had such an unusual case of stomach and liver trouble, physicians could not help her. He thought of and tried Dr. King's New Life Pills and she got relief at once and was finally cured. Only 25c, at Ross & Clements' drug store.

WIND MILLS.

We can install you a complete outfit and give you low price and good terms. HURLBT HARDWARE CO.

HERBINE CURES.

Fever and ague, A dose will stop a chill, a continuance always cures. Mrs. Wm. M. Stroud, Midlothian, Tex. writes: "We have used Herbine in our family for eight years, and found it the best medicine we have ever used, for la grippe and malaria." 50c at J. H. Logan.

A SWEET BREATH.

Is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S. Crick, of White Plains, Ky., writes: "I have been a dyspeptic for years—tried all kinds of remedies but continued to grow worse. By the use of Kodol I began to improve at once, and after taking a few bottles am fully restored in weight, health and strength and can eat whatever I like. Kodol digests what you eat and makes the stomach sweet. Ross & Clements."

NOTICE.

My Maltice and Black Spanish Jack will make the season at my residence, 1 1/2 miles northwest of Indian Gap. Insurance \$7. Season \$5. Will pasture mares for 50c extra. J. A. CONNOR.

DUE NOTICE IS SERVED.

Due notice is hereby served on the public generally that DeWitt's Witch Hazel Salve is the only salve on the market that is made from the pure unadulterated witch hazel. DeWitt's Witch Hazel Salve has cured thousands of cases of piles that would not yield to any other treatment, and this fact has brought out many worthless counterfeits. Those persons who get the genuine DeWitt's Witch Hazel Salve are never disappointed, because it cures. Ross & Clements.

A FIRE COMPANY.

There is every indication that a volunteer fire company will be organized in this city in the near future. In fact, a large number of citizens have signed a paper stating that they will join such an organization. H. L. Fife, representing the Stempel chemical fire extinguisher, was here this week and gave an exhibition on the public square Monday night which proved that his extinguishers were good. He will return to the city in a few days and hopes to interest the city council in a proposition to buy a number of these extinguishers to be used by the volunteer firemen. The following citizens have signed a will pledge to be members of the fire company: D. H. Trent, Geo. T. Curtis, R. E. Ross, J. W. Kennedy, W. B. Rigby, J. L. Carwell, W. B. Ross, Frank B. Cox, L. W. This is God's method of arbitration, He wants you to reason about the matter, He wants you to make out your case, if your case or condition be right, if reason and truth be on your side by this method, you have nothing to loose, if not, and you let reason have its perfect work, you will be the gainer by this process. Get your accounts ready and take the matter over fearlessly and truthfully and honestly, etc. Center City second Saturday and Sunday, Come I want to see you. Yours for a just settlement of all great questions. G. W. L. SMITH.

DEPUTY SHERIFF WELCH HOPES TO BE ABLE TO LOOK AFTER HIS OFFICIAL DUTIES IN A SHORT TIME.

Deputy Sheriff Welch hopes to be able to look after his official duties in a short time. His wound is healing nicely and is not giving him much pain. Election of city officers next Tuesday. The pupils of the public school, or at least a large number of them, played an April fool trick on the teachers Wednesday and locked the doors of the school building, thereby forcing a holiday in the school.

WHEN YOU GO CULTIVATOR HUNTING THE JOHN DEERE ROYAL CULTIVATOR

Is the recognized standard over all makes. The average farmer as well as competition knows this to be true—the latter, however, can not afford to talk this to their customers. A Car of John Deere Royal Cultivators Just Arrived. Royal: Cultivators. With Rigid or parallel Gangs is what the doot or ordered. There is no cultivator made that is "just as good" as the John Deere. A great many factories try to imitate the John Deere line throughout, but they always manage to leave off some important feature. A few farmers buy other makes of cultivators and after using them a while they feel like kicking them—some come around to apologize for being talked into something against their better judgment. The John Deere Cultivator is made of stronger, better material than other cultivator.

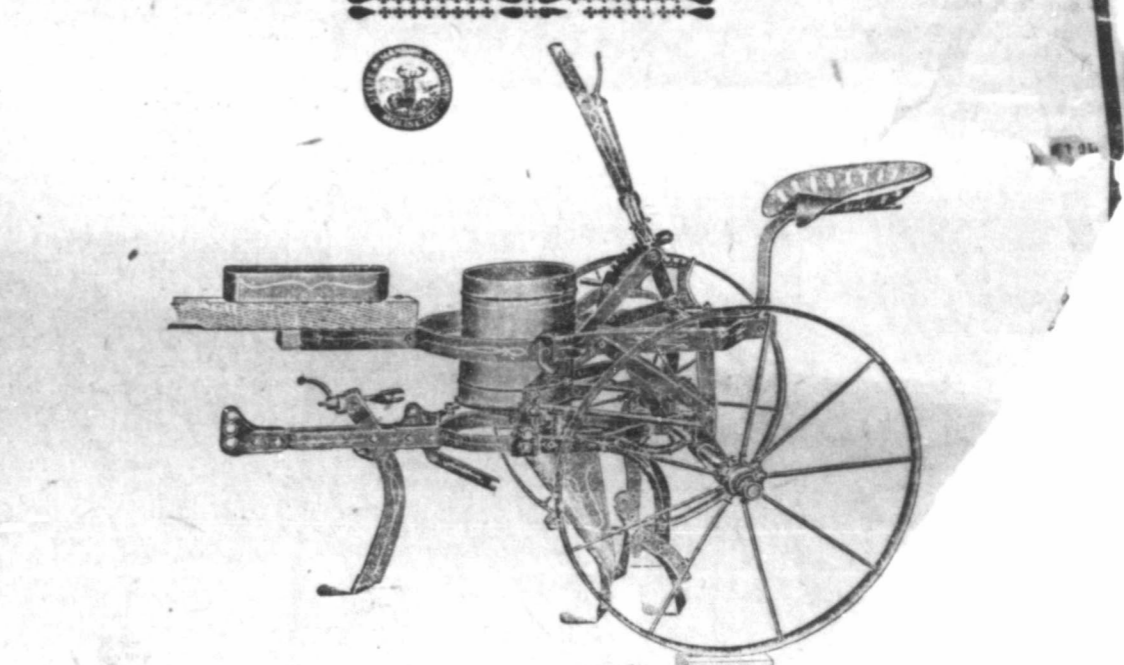

Some Strong Testimonials

Messrs. Weakley & Watson, Goldthwaite, Texas. GENTLEMEN—I wish to say to my brother farmers that the John Deere Royal cultivator is the strongest and best cultivator I ever saw. It is the easiest to adjust, as you do not have to take out any bolts to make any changes you want. The material it is made of is good and strong, and I am satisfied it is the cheapest in the end to buy the best. Respectfully, I. M. WARD.

To the Farmers of Mills and Adjoining Counties: I wish to say that the John Deere Royal Cultivator I purchased of Weakley & Watson gives entire satisfaction. It is strong and durable and the easiest adjusted of any cultivator I know of. It does not pull any heavier than any other make if you will put the sweep in the ground. Yours Respectfully, J. D. D. BERRY.

Messrs. Weakley & Watson, Goldthwaite, Texas. GENTLEMEN—In speaking of Farm machinery, I think the John Deere Royal Cultivator is away ahead of any thing I ever saw in the shape of a cultivator. They are just simply good enough for anybody. A. K. ELLIS.

YOU ARE THE ' YOU ARE THE ' If you do not buy a John Deere Sing

Editor Eagle: I will write a few lines to the paper in regard to old man Allsup being killed near our house. It has been reported that he has been harboring or hiding him. It is all false. This old man is in a buggy. Came in about 11 o'clock on Monday. Came on several roads. He is house in Oscar Kelsoe house. Stayed as hunted for the field in the house; work; every man; did hide anybody come and eat anybody come and eat as here for me to do. He would go out of the house, but in the open field. This old man was Mr. Kelsoe's (my father's) friend. He knew him for years, made him welcome when he came here when he was living and was still welcome. He had known Oscar Kelsoe from his boyhood. If any one will go to Comanche county they will find that he has a host of friends in Comanche and Brown counties. I am writing this just for the sake of some that have been slurring us for letting him stay here. He sat around the fire at night with all of the doors open until bed time. It has also been rumored that he was sent to the "pen" for stealing a yoke of oxen. That is also false. Now I will just say to any one who will look down on us for letting this old man stay here, we care not for their friendship. Editor, please print this, I will write again.

Success to the old Bird and its many readers.

A GREAT RENOVATION.

There was a big sensation in Goldthwaite, when W. E. Brown of that place, who was expected to die, had his life saved by Dr. King's New Discovery for consumption. He writes: "I endured insufferable agonies from asthma, but your New Discovery gave immediate relief and soon thereafter effected a complete cure." Similar cures of consumption, pneumonia, bronchitis and grip are numerous. It's the peerless remedy for all throat and lung troubles. Price 50c and \$1.00, guaranteed by Ross & Clements druggists. Trial bottle free.

CITY ELECTION.

The Goldthwaite city election will take place Tuesday. It is important that men who are interested in the city's welfare should be elected. Some of the gentlemen who are now filling the offices state that they will not accept a second election, while some of them will be willing to serve another term. For the places of those who retire let us select other men of enterprise and experience in business matters. All citizens of the town, whether they favored the proposition to incorporate or opposed the idea, will now take an interest in the city's welfare and the success of all the business undertaken in the name of the corporation. It is no child's play to perform the duties of these offices and every position requires men with ability and "push." There will be no primary convention to nominate officers, but a meeting of citizens for the purpose of selecting men for officers would result in good for the incorporation.

CAUTION!

This is not a gentle word—but when you think how liable you are not to purchase the only remedy universally known and a remedy that has had the largest sale of any medicine in the world since 1868 for the cure and treatment of consumption and throat and lung troubles without losing its great popularity all these years, you will be thankful to call your attention to Roschke's German Syrup. There are so many ordinary coughs and colds that you are apt to buy others that are cheap and good for light coughs perhaps, but for severe coughs, bronchitis, croup—and especially those cases where there is a difficult expectoration and coughing during the nights and mornings, there is nothing like German Syrup. The 25 cent bottle is just what you need this year. Regular size 75 cents. At all druggists.

ROBBED THE GRAVE.

A startling incident is narrated by John Oliver of Philadelphia, as follows: "I was in an awful condition. My skin was almost yellow, eyes sunken, tongue coated, pain continually in back and sides, no appetite, growing weaker day by day. Three physicians had given me up. Then I was advised to use the Electric Bitters; to my great joy, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man. I know they robbed the grave of another victim." No one should fail to try them. Only 50 cents, guaranteed at Ross & Clements' drug store.

WALKS WITHOUT CRUTCHES.

I was afflicted with sciatica, writes Ed C. Nud lowville, Sedgwick Co., Kan., "going about on crutches and suffering a deal of pain. I was induced to try Ballard's Snow Liniment, which relieved me. I used three 50c bottles. It is the greatest liniment ever used; have recommended it to a number of persons, all express themselves as being benefited by it. I now walk without crutches, able to perform a great deal of labor on the farm." Price, 50c and \$1.00 at Dr. J. H. Logan.

A. E. Pierce, who has been running a livery stable here for something more than a year, died Tuesday night from pneumonia, contracted some days ago.

There is a report going the rounds of some of the state papers that since the Artesian well began to flow here the Hanna spring had gone dry. This is untrue. So far as known the Artesian water discovered has had no effect upon the Hanna spring.

The well being drilled at St. Dominic's villa for the sisters, shows some peculiar freaks. When the drillers shut down for more than ten hours, and again begin work, the well will overflow at the top for a short time and then subsides to about 30 feet below the surface.—Leader.

THE DRY GOODS MAN.

turned Monday from New Mexico, where he arrested Carroll Bates, who is wanted here on a charge before Justice Noah Palmer of running a disorderly house.

R. V. Neely enlisted with the Christian people and joined the Baptist church Sunday. The Chief is glad to note this important epoch in Mr. Neely's life, and trusts to see all the business men of town soon take an active stand with God's people. The old idea that religion is a thing for weak minded men and for women and children is passing away and the cause of God and the church is being upheld and

pushed by men of intellect and business ability. The residence of Mrs. Sartwell was destroyed by fire Wednesday night at 11 o'clock. The origin of the fire is not positively known, but the family is convinced that it was caused by the dropping of a match by one of the children in the closet. This occurred at least an hour before the fire was discovered, but the house was one of the most tightly built ones in town and the closet being in a room in the center of the house where no one slept, the fire evidently burned slowly while all were asleep, and was only discovered when it had eaten its way through the thick walls.—Chief.

SAN SABA.
Jas. James, once a resident of Mills county, but now a prosperous stockman of the Amarillo country, was in San Saba the latter part of last week.

S. W. Walker bought 28 cows from R. I. Hines at \$12 to be delivered at the pens at Lometa. He also bought 35 steers, 2-years old and up, from T. B. Hest. at \$17 to \$20. These cattle will be shipped to the Territory.

G. A. Arhelger has enclosed the lot adjoining his shop on the south with a good wire fence, and invites the farmers and others who have been accustomed to hitch their teams and saddle horses on the square to use this lot.

Rev. McMillan and force are busy at work on the Presbyterian church. They are putting up the frame work, and if not seriously hindered, will have the building completed early in May. Some one or ones were thoughtless and heartless enough to paint J. W. McConnell's delivery horse Tuesday night with oil and paint colors. No doubt they thought they were doing a very funny thing, and thought it would be a great hit as an April fool. It wasn't funny to the horse, nor to any one, except, perhaps, the thoughtless perpetrators of the meanest act.—News.

BROWNWOOD.
Prof. George Barnes of Brownwood has completed arrangements to establish a newspaper at Rising Star. The remains of H. F. Thomas, who was killed on the Frisco Saturday last by an accidental fall from a hand car, were taken in charge by his brother who accompanied the body to Kentuckytown, Texas. A terrible accident happened to a Mexican sheep-herder on the Colorado last week. While near his campfire he was seized with a violent fit and pitched into the fire. His clothing caught fire, his face and hands severely burned and one leg nearly amputated. He was rendered unconscious and remained so for two days. The Mexican, all burned and blistered as he was, arrived in Brownwood Saturday night on his way to the asylum at Austin.—Bulletin.

Secretary Will H. Hayes of the Business League informed the News that he was in receipt of a letter from the private secretary of Mr. Andrew Carnegie, stating that if the city council could set apart 1000 per year for the maintenance of a library and furnish land on which to build, that Mr. Carnegie would be glad to donate \$10,000 to

Brownwood for a public library. A freight train on the Frisco was wrecked near Delaware station Wednesday morning, eleven empty cattle cars were derailed, the track torn up for some distance, but no one hurt. The damage to the track which was considerable was not repaired until Thursday morning. A train was sent out from Brownwood Wednesday night to meet the passenger due here at 8:45 and the passengers, express and mail were transferred.—News.

John L. Spurrin is out again after a short but not painful illness. C. L. Berdan returned Thursday night from Zacatecas, Mexico, where he has been working in a mill. He doesn't have a very favorable opinion of that country as a place to live and says he is glad to get back.—Herald.

John S. Street has just returned from Dallas, where he had gone to purchase his summer stock of goods. We look for something nice and up-to-date, for Mr. Slaughter is an artist in purchasing goods. Our musical artist, John Chilton, had the misfortune to cut his finger with the razor a few days ago, but he in some way manages to accommodate his many friends and patrons. Miss Iza Goldman is now making her home with Mrs. Dr. Dyer. Mrs. Street has recovered from her recent serious sickness. Mrs. S. S. Street has the mumps. Russell Peck, our school boy friend, was in Star one day this week. Clyde Keith is held up by 'chins.' NEOPHYTE.

CITY ELECTION.

There was very little interest in the city election Tuesday and the result was a small number of votes polled. It was necessary to elect a mayor, marshal, secretary and treasurer, an attorney and five aldermen. The following is a list of the citizens whose names were placed on the tickets and the number of votes received by each: For Mayor—J. H. Randolph.....63 For Marshal—H. T. White.....60 For Secretary and Treasurer—W. H. Trent.....67 For Attorney—R. L. H. Williams.....39 For Aldermen—B. F. Geeslin.....51 Eli Fairman.....51 J. D. Urquhart.....46 Leon Harris.....43 L. E. Miller.....42 Phil Morris.....27 John Potter.....26 J. D. Harris.....24 Allen Weathers.....17 J. W. Butz.....14

The five gentlemen first named under the head of aldermen were elected. There were no candidates for any of the positions, and Mr. Williams' name was not even printed on the tickets. They are all progressive business men and we can feel sure that the city's affairs are in safe hands.

All who attended were delighted with the splendid manner in which the affair was conducted and give much praise to the teacher, Miss May Roehelle, for the training of the children and the arrangement of the entire affair. The pupils are credited with having rendered their parts exceptionally well, especially the little folks.

The Bulls Springs school is one of the best interior schools in the county and the session just closed has been a most successful one and the patrons appear to be well pleased with the progress made by the children.

A SWEET BREATH. Is a never failing sign of a healthy stomach. When the breath is bad the stomach is out of order. There is no remedy in the world equal to Kodol Dyspepsia Cure for curing indigestion, dyspepsia and all stomach disorders. Mrs. Mary S. Crick, of White Plains, Ky., writes: "I have been a dyspeptic for years—tried all kinds of remedies but continued to grow worse. By the use of Kodol I began to improve at once, and after taking a few bottles am fully restored in weight, health and strength and can eat whatever I like. Kodol digests what you eat and makes the stomach sweet. Ross & Clements."

COMMISSIONERS COURT.

The court held a special session Tuesday, all members being present except Commissioner Henry. The object of the meeting was to employ counsel to assist County Attorney Pribble in representing the county in the suit of Mr. Farrar to move the jail from the public square. As the district court will convene next week and the case will probably be called it was necessary to have the attorneys employed at once. The court decided that it would not be advisable to take final action in the matter until all the commissioners could be present, but Mr. Leonard Doughty was employed to take charge of the case, file the county's answer to the plaintiff's petition and if necessary, try the case at this term of court. However, he is to secure a continuance of the case if possible, in order that the commissioners may have time to discuss the matter at a regular term of their court.

CONFEDERATE MEETING. Jeff Davis Confederate Camp No. 117 met Saturday, April 4. Commander W. L. Martin presiding. Adjutant Prater being absent, Comrade F. M. Crews was appointed adjutant pro tem. Motion made and prevailed that this Camp meet the first Saturday in June, 1903, in Goldthwaite at 1 o'clock p. m. for the purpose of selecting a place and time of holding the next county reunion. Now comrades, this last clause is important. So let us turn out at this appointed meeting. W. L. MARTIN, Commander. F. J. CREWS, Adj. pro tem.

BAPTIST CHURCH SERVICE. This being the second Sunday there will not be any service here. Will be at Center City and McGirk. Would like to have a good turnout at both places, as it will in all probability be my last time. Have resigned at Goldthwaite and intend to leave the state and hence would like to see all the friends. It may be the last time on earth. Here we meet and mingle with each other, talk over our joys and sorrows, we meet only to part again, but if we have a firm faith in God, a grip on Christ, a firm unshaken trust in the Holy Spirit and a solid reliance in the Bible, we shall meet again where disappointment, gloom, sorrow, pain, death or separation will be unknown and we will never say goodbye. Come let us talk with you face to face about the preparation for this condition and how to make it for there is a time when change is unknown. As it is Easter Sunday let us all be joyful and happy. Let us look higher than the grave, above the cross to the throne, where he that was dead, lives and lives forever. All well, the third Sunday at Bulls Springs at 3 o'clock. G. W. L. SMITH.

NOTICE. My Maltese and Black Spanish Jack will make the season at my residence, 1 1/2 miles northwest of Indian Gap. Insurance \$7. Season \$5. Will pasture mares for 50 cents.

A BIG STOCK. I have bought the J. J. Mills stock of Groceries, which added to my already complete stock gives me a fine assortment of goods in my line. I will conduct my business in the building heretofore occupied by Mr. Mills' grocery department. I will appreciate your trade and treat you right. L. O. HICKS.

A NICE PRESENT. To each lady who purchases a hat of the value of \$3 or more I will give a nice hat pin free. This is a nice article and one of which any lady can be proud. MY STOCK OF MILLINERY is complete and all of the ladies are invited to call and see the many pretty designs. Miss Cornwell. Opposite Red Store—Fisher street.

Fresh Groceries. The word here given is a most important one in every household when on the subject of groceries for the family. It is a fact that our stock of Groceries is new and fresh. We are located in the building between the two Banks and will appreciate your trade. GRISHAM & CURTIS.

MILLENNIUM.

THE HALF WAS NEVER TOLD. There are people who believe that the world is just entering the Millennial reign of Christ, and that a wonderful age of progress, both spiritual and material, is about to be ushered in (preceded however by a few years of intense trouble and strife.) They believe that the earth and a great many of human beings, both present and past, will, during the next thousand years, be restored to the perfection which was exemplified in the Garden of Eden six thousand years ago. They assert that only those who sin willfully against clear light of the gospel are to be considered worthy of the second death. They believe that God has for six thousand years been allowing man to gain sad experience with sin, and that he will during the next thousand years (the Millennium) restrain sin that man may see righteousness in all of its beauty and witness the blessed result of its reign. Having had six thousand years experience with sin and one thousand years experience with righteousness, man will be well prepared to make a wise choice as to which he will serve, and will then be tested by the losing of Satan to deceive those who during this long period shall have failed to become well grounded in goodness. Those being thus deceived will go down into the second death, from which there will be no resurrection. But space will not permit a rehearsal of all the peculiar views of these people. Come and hear a few discourses along these lines on "God's eternal purpose." If you are seeking the truth, you will be amply repaid for all time and effort by attending. All welcome. Seats free. No collections. These discourses will be delivered in the Presbyterian church at Goldthwaite, expected to begin April 15th at 3 o'clock p. m. BELIEVER.

BEAUTY AND STRENGTH. Are desirable. You are strong and vigorous, when your blood is pure. Many, most women, fail to properly digest their food, and so become pale, sallow, thin and weak. The "richness, freshness and beauty" of the skin and complexion depend. Remedy this unpleasant evil, by eating nourishing food, and taking a dose of Herbine after each meal to digest what you eat. 50c at Dr. J. H. Logan.

J. R. Ferguson now has men at work remodeling his grain store and building a wheat elevator. County Clerk Smith has issued marriage license to H. E. Dalton and Miss Murrell Pierce, A. L. Scribner and Miss Evie Miles. The Geeslin Grain company has dissolved, and after the partnership business is settled it is understood that Mr. Geeslin will engage in the business and will probably build an elevator.

MAKES A CLEAN SWEEP. There's nothing like doing a thing thoroughly. Of all the salves you ever heard of, Bucklen's Arnica Salve is the best. It sweeps away and cures burns, sores, bruises, cuts, boils, ulcers, skin eruptions and piles. It's only 25c, and guaranteed to give satisfaction by Ross & Clements, druggist.

The big irrigation project in San Saba county received an impetus this week by the visit of a government irrigation agent and also the engineer and another representative of an irrigation company. The proposition was made by the irrigation contractor to place the bonds for the San Saba company and he left for New York to negotiate the sale. It is now believed that the scheme to irrigate the San Saba river valley will be successful and work on the dam and ditches will very likely be commenced in a short time.

DUE NOTICE IS SERVED. Due notice is hereby served on the public generally that DeWitt's Witch Hazel Salve is the only salve on the market that is made from the pure undiluted witch hazel. DeWitt's Witch Hazel Salve has cured thousands of cases of piles that would not yield to any other treatment, and this fact has brought out many worthless counterfeits. Those persons who get the genuine DeWitt's Witch Hazel Salve are never disappointed, because it cures. Ross & Clements.

N. W. Frizzell expects to go to Athens and Tyler next week to spend a few days with his brothers. A. L. Scribner and Miss Evie Miles were married Thursday evening at the residence of the bride's father, Rev. C. H. Haralson, at Center City community. Rev. D. I. Haralson officiating. After the ceremony a wedding supper was held to the large assembly of friends and the evening was very pleasantly spent.

GOOD FOR CHILDREN. The pleasant to take and harmless One Minute Cough Cure gives immediate relief in all cases of cough, croup and lagrippe because it does not pass immediately in the stomach, but takes effect right at the seat of the trouble. It draws out the inflammation, heals and soothes and cures permanently by enabling the lungs to contribute pure life-giving and life-sustaining oxygen to the blood and tissues. Ross & Clements.

The Eagle acknowledged the receipt of a number of checks good for "Dr. Pepper," a refreshing summer drink. Lost.—One red and spotted cow. Information as to her whereabouts thankfully received. J. W. McCulley, Goldthwaite. W. V. Sullivan has returned from a trip to Texas, where he disposed of a good many horses he shipped to that point.

A GREAT SENSATION. There was a big sensation in Louisville, Ind., when W. H. Brown of that place who was expected to die, had his life saved by Dr. King's New Discovery for consumption. He writes: "I endured insufferable agonies from asthma, but your New Discovery gave me immediate relief and soon thereafter effected a complete cure." Similar cures of consumption, pneumonia, bronchitis and grip are numerous. It's the greatest remedy for all throat and lung troubles. Price 50c and \$1.00. Sold by Ross & Clements druggist, retail bottle free.
