BROWNWOOD. In a fight between "Pet" Wells and Charley Scott at a dance on

Stepps Creek Tuesday night, Wells was seriously if not fatally cut about the face and head. Mrs. E. P. Thompson and Miss Ethel Scott left Saturday night

for Zephyr to spend a few days with the family of Mr. McBurney. J. F. Cooley came in Monday bringing with him his bride, formerly Miss Katie Whitesides of Bell county, to whom he was married a few days since. The young couple have rooms at the

Boyd House. One of the prettiest weddings that has ever occurred in Brownwood was the marriage of Miss Parks to Mr. Carey and Miss Pearl Parks to Mr. Timmins, which took place at the lovely ome of Mr. and Mrs. Clay Parks

n last Tuesday evening. E. O. Marshall died Wednesay afternoon at 3:40 at his room t the Boyd House, after an illess of about a month. Mr. arshall was about (5 years of ze, served in the Confederate my, and for many years was gaged in railway service as gent at different places, coming Brownwood soon after the anta Fe was built into the city and holding the station here for everal years .- Bulletin .

\$150 ORGAN AND TICKET

TO WORLD'S FAIR AND RETURN. Two Presents in One.

Everybody who buys their goods from B. A. HARRIS will receive one yote for each 10 cent cash purchase for the Organ and ticket to World's Fair at St, Louis and return Every 100 entitles the purchaser to one vote each for Organ and World's Fair ticket. \$10 will give you one hundred votes for both of the presents.

The Organ is supposed to be yoted to some club, society, church, Sunday school or lodge, or if you prefer, to some nice deserving young lady.

The Ticket to the World's Fair and return is to be voted to the prettiest and most popular young lady in Mills county There is no bars or strings on anyone as to how or who they shall vote for. Everything is open and free and you should use your own discretion in voticg. The Organ is now on exhibition at Henry Martin's store. The money for the World's Fair ticket is on deposit at the D. H. Trent Bank. The place of voting is at R. E. Clements' Drug Store.

Each community in the county should organize and decide how and who to vote for, and by diligent and heroic work you may secure the organ for your Sunday school or club and per chance you might have the prettiest girl in your society that you would like to present the ticket to the world's fair to, and, of course, some handsome young man would have to accompany her to the fair, which one of you boys will it be? The votes will be published each week in the Goldthwaite Eagle, so you will be posted as to the results. If your candidate is behind call at our store and invest yourself with more voting tickets. Remember one vote for every 10c pur-

IT IS HARD TO BELIEVE

That a merchant will drive away his trade by offering them inferior goods. There is little profit in all lines of dry goods just now for any one, but the people who buy them do not care for that. They want the same quality they have always had and if they do not get it they feel that they have been badly treated. We take care of all of our customers with consideration. We do not let them get into the habit of thinking our competitors sell better goods than we wo. We guarantee everything we sell to be as represented. If goods do not suit bring them back and you will receive your money's worth, or we will refund you your money. This does not apply to remnants or piece goods

ECZEMA

The Blood Aflame with an Itching Humor that sets the Skin on Fire.

Eczema, the most common and terrible of all skin troubles, begins sometimes with a slight redness of the skin, which gradually spreads, and as the inflammation and itching increase, the entire system is thrown into a restless,

feverish condition. Soon little watery blisters or pimples break out, from which a clear liquid or yellow fluid is discharged, which forms thick crusts and sores, or falls off in fine particles or scales, leaving the skin raw and tender, or hard and dry like parchment. Eczema attacks most frequently the legs and arms, back and chest, face and hands, and is a disease that comes and goes in the earlier stages, but is a perpetual torment and constant annoyance when chronic. At times the itching and stinging is so great that the sufferer, driven almost to distraction and tortured beyond endurance, scratches and rubs till the skin is broken and bleeds; but this only aggravates and spreads the disease.

The humors and poisons that produce the itching eruption, roughness and redness of the skin, must be rooted out before there is complete relief from the terrors of Eczema. Nothing applied externally does any permanent good, for whenever the blood is overheated, or the skin is reacting during Spring and Summer, the disease breaks out again. You can't rely upon washes, soaps and salves, or such things as are applied to the surface, for they do not reach the seat of the trouble, which is internal and deeply implanted in the system; the blood is affame with the itching, burning humors, which are carried by the circulation to the surface and are being constantly forced out through the glands and pores of the skin, and you can never heal the sores or stop the aggravating eruptions with ex-

ternal applications. To neutralize the acids in the blood and expel the humors and poisons is the only way to get permanently rid of this torturing skin trouble, and no remedy known does this so quickly and thoroughly as S. S. S. It purifies the blood and restores it to health, and the outbreak of the poison through the skin ceases, and the sores and eruption gradually disappear. S. S. S. builds up the thin acid blood, makes it rich and strong, and restores to it all the elements of nutrition, and drives from the circulation all impurities; and under the tonic effect of S. S. S. the general system is invigorated and toned up, and you not only get rid of your old skin trouble, but the health is benefited in every way. S. S. S.

being a strictly vegetable medicine, acts gently, leaving no bad after-effects, as do Arsenic, Potash and other minerals which are usually prescribed in skin diseases. Eczema cannot be cured by anything applied to the surface of the body; the blood must be purified and the cause removed, and in no other way can this deep-seated

skin disease be reached. If you have Tetter, Psoriasis, Salt Rheum, Nettle Rash, or any form of Eczema, you will : al S. S. S. does its work well and thoroughly, and relieves the itching and burning,
