This week brings us to the First Anniversary of our business career in Goldthwaite. Our success has been far beyond our expectations. For all of this we want to thank the people of Mills and adjoining counties for their liberal patronage. As in the past we expect to keep the best goods the market affords and at the same time sell them at the lowest cash prices. In Our Store you will find no pets--every man, woman and child rets the same treatment, and too, should anything go wrong, we are here to straighten it out. We are now receiving daily Our New Spring Goods and we would like to have you come in and make us a visit, see these goods, get our prices and see what the "Pays to Pay Cash" plan will buy.

NARROW ESCAPE,

G. H. Frizzell had a narrow escape from being hurt in a runaway last Sunday evening shortly after dark. He was on his way home from a visit to the Center City community and was bout four miles east of town on the South Bennet road when, as ne turned a corner, his buggy struck a guard post with such force as to break the buggy pole. This frightened the team, commenced to run and the nole made it impossible to control them. After they had run some distance Mr. Frizzell abandoned efforts to stop them and started to jump out at the back, but just at that time the vehicle struck some obstacle and he was thrown out. The buggy was pretty badly wrecked and was left in the road near where the gentleman was thrown out, but the horses continued to rub uneo, Alldredge, J. H. Roberts.

SCHOOL BOARD,

The school board held a meeting last Friday night and transacted routine business and the following accounts were allowed: J. H. Kelly, repairs on building, \$107 95; account for globes, etc., \$6; Urbach Bros., pump stand, work, etc., \$9 95; Prof. Price, fixing stoves, etc., \$4; insurance

on building, \$37 50.

The p w of the janitor was increased to \$8 per month for the remainder of the session.

The treasurer was instructed to pay building bond No. 7, which was the last outstanding bond, and the school district is now entirely free from debt.

It was learned that the board could not order an election on a bond issue witnout being petitioned to do so, hence the matter was deferred.

ELECTION ORDERED.

A petition was prepared and presented to the board asking that an election be held to decide whether or not bonds should be issued to build an addition to the school building. The board held a meeting this week and ordered the election to be held March 26 and appointed Jas. Rahl presiding officer and appropriated \$20 pay the expenses of the election.

Brooks of the same neighborhood and is highly cultured lady. The Eagle offers congratulations and good wishes.

ENTERTAINMENT.

The Baptist ladies are arranging for an entertainment in the opera house next Friday night to raise money to pay the remainder they owe on the parsonage, "Mrs. Briggs of the Poultry Yard" will be presented by local talent and there will be music and readings by a number of the young ladies of the city. The ladies are working to make the entertainment a success and there is no doubt it will be a source of much pleasure.
