IT IS NOW TIME TO PLAN FOR SPRING!

The eye has been called the "window of the soul." Our windows are the "eyes" of our store. By looking in them now you may behold some of the beautiful embroideries we have just received. "Just a look." A woman, in her mind's eye, sees the finished lingerie, waist or dress. Let us help plan your spring wardrobe. We spend money subscribing for good reliable fashion and trade journals. We spend time reading and studying styles and fabrics in order that we may be of service to you. All-over embroidery waists are considered very smart. We have such a beautiful line of embroidered swiss all-overs. Any woman can create a lovely waist out of these and the cost is nominal.

While men do not have to plan their shirts, yet the time soon will be here when men's minds will turn to thoughts of shirts. In our window now we have on display white shirts, colored shirts, stiff shirts, soft shirts and shirts for big men and for little men. : : : : : : :

Then if you want anything in dry goods or notions, it's here for you. When in town come to see us. Let us show you our goods. We will please you in quality, quantity and prices.

Mullin.

Editor Eagle:

As I am at leisure and feel some what in a pensive mood, so typical of February, I again chronicle a few items from here.

We are very glad to report that Rev. and Mrs. L. J. Vann, who have been suffering from a severe attack of lagrippe, are much improved.

Mrs. Abe Maolin and children have returned from Copperas Cove, where they have spent the past two weeks with relatives.

Miss Abbie Luekey of Sonora is in the city, guest of her grandparents, Mr. and Mrs. J. M. Flemming.

Alex Tackett has returned from Fort Worth, where he has been the past few months.

Calvin Eaton, of Brownwood, who is at present attending the Medical College at Galveston, spent the first part of the week here, visiting his uncle, J. T. Eaton, and family.

Mrs. M. M. Van Glahn is spending this week in Goldthwaite with friends.

Mr. and Mrs. B. B. Kittle of Blanket are in the city, being called here to attend the bedside of Mrs. Kittle's sister, Mrs. L. J. Vann.

Mrs. Dock Maolin of Santa Anna spent Sunday here with relatives.

S. T. Wells of Goldthwaite was here Monday shaking hands with his many friends.

Mrs. F. F. Phinney of Zephyr has spent the past two weeks here with relatives and friends.

Bert Fletcher and family arrived here Friday evening from California, the land of fruit and flowers, where they have been living for three years. We are indeed glad to have this good family with us once more and extend to them a hearty welcome on their "home coming."

The glad tidings have been received that Judge G. H. Dalton and family will soon be with us again. It seems that the memory of those who leave us cling tenaciously to the grandeur and beauty of the "Lone Star" How intoxicating is the love of our old home! But why not love Texas? Echo answers—Why not? The grandest, largest state in the Union, "the state that could put Rhode Island in her vest pocket, and lay Delaware in the palm of her hand."

For fear some one may get the mistaken idea that Mullin will not put out any candidates this year, will say Madame Rumor reports that there is a number of good men around here who have not submitted their names to the public. But if a little encouragement would fly forward, pioneer-like we would soon have a number of more good men in the campaign. We realize we have plenty of good material around Mullin to represent us in the official affairs of our county.

The new land in cultivation around Mullin adds greatly to the looks of our little town, which is rapidly developing into a city. I watch with anxious eyes the growth of Mullin, having lived here all my life, that is the greater part of it, (eighteen years.)

Long live the Eagle and its many readers. ZENITH.

Many Sleepless Nights, Owing to a Persistent Cough. Relief Found at Last.

"For several winters past my wife has been troubled with a most persistent and disagreeable cough, which invariably extended over a period of several weeks and caused her many sleepless nights," writes Will J. Hayner, editor of the *Burley, Colorado, Bulletin*. "Various remedies were tried each year, with no beneficial results. After three doses the cough entirely disappeared and has not manifested itself since." This remedy is for sale by R. E. Clements' drug store, Goldthwaite and Mullin, Texas.

Mrs. M. M. Van Glahn is spending this week in Goldthwaite with friends.

Mr. and Mrs. B. B. Kittle of Blanket are in the city, being called here to attend the bedside of Mrs. Kittle's sister, Mrs. L. J. Vann.

Mrs. Dock Maolin of Santa Anna spent Sunday here with relatives.

S. T. Wells of Goldthwaite was here Monday shaking hands with his many friends.

Mrs. F. F. Phinney of Zephyr has spent the past two weeks here with relatives and friends.

Bert Fletcher and family arrived here Friday evening from California, the land of fruit and flowers, where they have been living for three years. We are indeed glad to have this good family with us once more and extend to them a hearty welcome on their "home coming."

The glad tidings have been received that Judge G. H. Dalton and family will soon be with us again. It seems that the memory of those who leave us cling tenaciously to the grandeur and beauty of the "Lone Star" How intoxicating is the love of our old home! But why not love Texas? Echo answers—Why not? The grandest, largest state in the Union, "the state that could put Rhode Island in her vest pocket, and lay Delaware in the palm of her hand."

For fear some one may get the mistaken idea that Mullin will not put out any candidates this year, will say Madame Rumor reports that there is a number of good men around here who have not submitted their names to the public. But if a little encouragement would fly forward, pioneer-like we would soon have a number of more good men in the campaign. We realize we have plenty of good material around Mullin to represent us in the official affairs of our country.

The new land in cultivation around Mullin adds greatly to the looks of our little town, which is rapidly developing into a city. I watch with anxious eyes the growth of Mullin, having lived here all my life, that is the greater part of it, (eighteen years.)

Long live the Eagle and its many readers. ZENITH.

Muscular Pains Cured.

"During the summer of 1903 I was troubled with muscular pains in the instep of my foot," says Mr. S. Pedlar of Toronto, Ont. "At times it was so painful I could hardly walk. Chamberlain's Pain Balm was recommended to me, so I tried it and was completely cured by one small bottle. I have since recommended it to several of my friends, all of whom speak highly of it." Many Sleepless Nights, Owing to a Persistent Cough. Relief Found at Last.

"For several winters past my wife has been troubled with a most persistent and disagreeable cough, which invariably extended over a period of several weeks and caused her many sleepless nights," writes Will J. Hayner, editor of the *Burley, Colorado, Bulletin*. "Various remedies were tried each year, with no beneficial results. In November last the cough again put in appearance and my wife, acting on the suggestion of a friend, purchased a bottle of Chamberlain's Cough Remedy. The result was indeed marvelous. After three doses the cough entirely disappeared and has not manifested itself since." This remedy is for sale by R. E. Clement's drug store, Goldthwaite and Mullin, Texas.

Editor Eagle:

Three week's elapsed since I have visited Eagledom, and I hear our dear Editor kindly beckoning us by a significant motion, "to be more prompt." But I beg you to please pardon my absence last week. Urgent duties called me from home, consequently, I could not well write.

Since my last writing another little spirit has been wafted on angel's wings to that bright haven of rest and another little form sleeps in the silent churchyard, one that bore an immediate relationship to your scribe, the infant babe of my dear sister, Mrs. Eunice Hamilton, and W. A. Hamilton. The mother preceded it to glory only three weeks. The babe was left in our mother's care, but the gentle and loving care that was given him day after day proved unavailable and on Tuesday morning January 21 he sank unresistingly into the arms of his Saviour. The body was laid to rest by the side of his mother on the evening following.

Farmers are turning the soil, some are through plowing, while others have hardly commenced.

Among those who have been quite sick for the past few days are Mesdames Hamilton, Lee Rosa Boler, Little Nellie Merrell, Mrs. J. M. Boler and a number of others, lagrippe being the chief trouble.

Mr. and Mrs. Aquilla Swindle spent Saturday night and Sunday at the home of J. M. Costley on Cowhouse creek.

School at Indian Gap is progressing very nicely under the efficiency of Prof. Wilkins principal and Miss Floy Viok assistant. They have a number of boarding pupils, total number enrolled being about 140,

Mrs. J. M. Boler accompanied by W. A. Hamilton and little son Howard, spent a few days last week with relatives at Comanche and Blanket.

Mrs. Jack Joyce of Wall, Tom Green county, is visiting friends and relatives in the Gap vicinity. Bertice Boler and Miss Susie Harris from this vicinity are attending school at the Gap.

Recently Mr. Bob McCaleb was married to Miss Laura Palmer of Mountain creek, Mr. McCaleb and lady now reside at the Gap, where he had a neat little home built and furnished before he married. The writer wishes them much happiness through Messrs. Festus Swindle and Austin Boler had business in Goldthwaite one day last week.

John Brown visited the Bishop's home Sunday.

R. W. Stoddard of Las Gatos, California, we received your postal containing numerous views of that land, and letter of congratulation and desire to thank you and your mother. Seems that we might have a letter to the Eagle from you occasionally.

Mid-day is advancing hence I must go and prepare dinner.

Best wishes to all,
MAID O' WASHBOARD.

Pempy Creek.

Editor Eagle: Farmers have been busy breaking their land and preparing for another crop.

There has been considerable sickness of late.

Will Keating has been sick this week.

There was a party at W. S. Black's Saturday evening, but on account of the weather the attendance was small.

J. E. Isenhower and family of the Pickens' Springs community

visited at the home of his daughter, Mrs. Frank Perkins, Saturday and Sunday.

Miss Minnie Jenkins and brother, Willie, who are attending school at Mullin, were home Sunday.

Bert Fletcher and family arrived from California, at his father's, Joe Fletcher's, in the Duren community Saturday evening. We are informed that they intend to again make this their home.

Mr. and Mrs. Baskin of the Fisher community started Tuesday for San Saba county, where their son's family is very sick with measles.

L. Sanders, of Cherokee county, a nephew of Mr. Nicholas, arrived recently from Hill county. He has obtained employment in the community for the present. JOAN OF ARC.

Center City.

Editor Eagle:

As I have been silent for some time I will send in a few items.

Our school is progressing nicely under the management of Miss Stella Greenwood.

We have Sunday school and League and prayer meeting every Sunday and preaching three times a month. I think we do well, the one that does not think the same is the one who does not come.

The Missionary Baptist have set 5 time for their protracted meeting beginning Friday night before the first Sunday in July. Every body pray for a great revival. Let me tell you brothers and sisters if we would pray more there would be more souls saved, the lost would be found and the blind would receive their sight, I do not only mean here but all over the land, I say again pray more and work more.

I am glad to report Mrs.

Havens and Miss Toole Adams improving but sorry to say Mr. J. R. Carter is real sick.

Mrs. Steele of Brownwood has made her son Ennie a pleasant visit at the home of Mr. H. B. Carter.

Misses Mable and Ola Townsen of Grundyville have been visiting grandma Barr and other relatives for the past week.

Allen Carter has a phone he says he can almost keep up with the news.

Little Fay Lucas went home with her grand mother Kelly for a visit. Mrs. Kelly's home is at Frost, she having been here on a visit to her daughter, Mrs. Emma Carter.

I will ring off by wishing the Editor and the many readers of this grand paper a prosperous new year. SCHOOL GIRL.

McGirk.

Editor Eagle:

As it has been some time since I saw any thing from this part I will drop the Old Bird a few lines.

We have quite a good deal of sickness around, but am glad to state none has proved serious.

Walter Ward is now able to be up and about. We hope he will soon regain his strength.

Ned Kinsey has left for Llano, after his long visit with relatives and friends at this place.

Miss Nellie Caraway is visiting relatives at Stamford, Texas.

Our school is moving along nicely with Mrs. McGuire as teacher.

Miss Mvrtle Kinsey contemplates visiting relatives in Hamilton.

What has become of so many of our good writers. Are we all sitting around the fire these cold winter days eating pecans? Why not lay the hammer and

sack aside and come forward and have a little chat with the Editor and his many readers.

Mrs. J. C. Wells has been right sick but is better at this writing.

Our merchant B. T. Beall also Mr. Alford is in bed with lagrippe.

Well as I believe I have collected all the items of interest for this week I will desist.

Biliousness

That sallow, yellow look, those terrible headaches, that dulled brain; all these things spell biliousness, which is the direct result of a liver which fails to perform its functions in a natural way. Before you can destroy that bilious condition you must get your liver in form and nothing will accomplish this so quickly or so thoroughly as

Dr. Caldwell's Syrup Pepsin

This remedy is the most valuable one obtainable for all liver and kindred troubles, possessing properties which drive it directly to the affected parts. Better than pills, oils, salts and nauseous purgatives which aggravate conditions and leave the sufferer in worse condition than before. Former afflicted ones, now well and strong, pay eloquent tribute to its efficacy and power. DR. CALDWELL'S SYRUP PEPSIN can be obtained in both dollar and half-dollar sizes from all druggists. Your money will be refunded if it does not benefit you. Your postal card request will bring by return mail our new booklet, "DR. MISS VARA SALYER.

Miss Vara Salyer died at the family home in this city last Sunday afternoon, after a lingering illness and her remains were interred in the Odd Fellows' cemetery Monday afternoon.

The funeral services were held in the Methodist church at 3 o'clock on the day of the funeral and the services were conducted by Rev. J. S. Bowles, pastor of the church, and the house was filled with the sorrowing friends of the family and great sympathy was expressed for the grief-stricken ones. Vara was one of the most lovable little girls in the town and all who knew her were her friends and were made sad by her death.

The floral offerings were beautiful and the grief manifested by the school mates and friends of the young lady was indeed pathetic and moved many to tears.

The grief-stricken ones can be sure that many friends share their great sorrow.

DR. F. L. STEPHENS.

The sad news reached this city last Saturday that Dr. F. L. Stephens had died at 1 o'clock that afternoon at the home of his brother in Mexia, where he had been visiting for several days. The announcement of his death was a great shock to his friends in this city, for he had been reported as recovering from an attack of pneumonia and his condition was not known to be serious.

Dr. Stephens moved here from Mart several months ago and engaged with his son in the livery stable business, the condition of his health having forced him to retire from the practice of medicine. He was an educated and high-manded gentlemen and altogether one of the finest men it has ever been our pleasure to know. All who knew him realized that he was a man of high character and correct principles and his example was a benefit to the world. He was a brother of State Controller Jno. W. Stephens and an uncle of C. L. Stephens of this city and he leaves a wife and several children. He was about 55 years of age and had been a sufferer with a disease of the heart for about four years. His remains were interred in the Mexia cemetery Sunday afternoon.

BABY WILLIS.

The baby son of Mr. and Mrs. T. W. Willis died at the family home in the western part of this city Monday night, and the remains were laid to rest in the Odd Fellows' cemetery Tuesday afternoon. The parents and other relatives have the sympathy of many friends in their sorrow.

Star.

Editor Eagle: As all the Star correspondents have left the county or "froze out" I will send you a few dots to let you know that Star is still where it was.

Health in the community is good, with the exception of colds and lagrippes.

H. C. McDonald and family all have the grip, but at last report they were all improving.

Bro. Templin of Goldthwaite had an appointment to preach at Star last Sunday, but the weather was too cold for the people to congregate.

H. C. Springer is erecting a nice residence on the Star and Evant road, one half mile from Star.

Prof. H. Y. Price of Evant was in this city on business last Saturday.

The Independent Telephone Co. will put a switch-board at this place soon. Mrs. Minnie Moore will be operator.

The school is progressing nicely, but the "grip" keeps several of the pupils out.

The Star Literary and Debating Society meets every alternate Friday night. The last question discussed was: "Resolved that the military genius of Hannibal was superior to that of Caesar."

Able and eloquent speeches were made on both sides. The judges decided in favor of Hannibal. Don't know what the next question is, but will try to find out and have it published. As it is too cold to gather any "news" I will quit.
