CONFEDERATE MEETING.

Date for Reunion Fixed—Delegates to Jacksonville Elected.

Jeff Davis camp of Confederate veterans met in the court house last Saturday afternoon with a large attendance. Commander D. E. Hopkins was in the chair and Adjutant L. G. Blackburn was in charge of the records.

Communications relative to the coming reunion at Jacksonville, Fla., were read and other matters of importance to those who expect to attend the reunion were discussed.

Messrs. J. W. Allen, J. B. Brinson and Rev. D. I. Haralson were elected delegates to the reunion and Messrs. J. T. Prater, D. E. Hopkins and L. G. Blackburn were made alternates.

The matter of holding the next county reunion was brought up for discussion and the Fair committee from the Commercial Club was invited to take part in the discussion. It was agreed that the reunion should be held July 7, 8, 9. It was definitely stated by the camp that there should be no political speaking on the grounds during the three days of the reunion and the Commercial club and others interested were so notified. This rule has been long in force by the camp and it is simply a perpetuation of the rule in this case.

Messrs. J. B. Brinson, G. H. Denison and J. T. Prater were appointed as a program committee to meet with the Commercial club committee and arrange a program for the reunion and fair in order that there may be no conflict or misunderstanding.

Other matters of importance were discussed by the camp and the adjutant was authorized to secure emblem buttons and badges for the delegates to the Jacksonville reunion.

The camp adjourned to meet the first Saturday in April.

Rev. L. A. Bagley, who moved from this city to the Trigger Mountain community last week, this week ordered the Eagle sent to him via the free delivery route from Mullin.

Justice court was in session here Monday.

Mrs. J. W. McAlexander has returned from a visit to relatives in Van Alstyne.

Miss Maggie Lasly spent Sunday with friends in Mullin and returned home Monday.

Dr. Campbell has purchased a new Ford automobile from the local agent, J. N. Weatherly.

E. M. Meyer, one of the enterprising merchants of Priddy, was a business visitor to this city Monday.

J. W. Mason, merchant and postmaster at Center City, was among the business visitors to this city the first of the week.

Earl Fairman, who underwent an operation for appendicitis some weeks ago, at Brownwood, spent Sunday in that city, where he went to have the surgeons examine the wound and they found he was getting along all right.

Henry Martin and his wife, together with his son Fred and Mrs. Schweining left Monday for Kerrville and other points to visit relatives and it is likely Mrs. Schweining will remain in that section several months. They made the trip in Mr. Martin's automobile.

Now that the date for the fair and reunion has been fixed, let everybody get ready for making this the best occasion of the kind we have ever had. Plenty of displays from the farm, orchard, garden and ranch will help wonderfully and will prove that we have the best county in Texas.

The city "dads" have under consideration the purchase of a rock crusher and road roller. These things cost considerable money, but the benefits to be derived will justify the expenditure. The Eagle suggests that the county join the city in the purchase and a division of time in the use of the machinery can be arranged.

COTTON CORPORATION.

Stockholders and Scripholders Meet to Discuss Matters.

A large number of the stockholders and scripholders of the Southern States Cotton Corporation met in the court house Tuesday afternoon, in response to a call by J. W. Hill, one of the directors for this county.

J. A. Doggett was chosen chairman of the meeting and H. E. Moorland was made secretary. The affairs of the Corporation was discussed by several of those interested and a resolution was adopted, agreeing that the holders of the corporation scrip would convert a portion of their holdings into stock in the company, although no definite amount was stipulated in the resolution. A subscription list was opened, however, and the amount of \$2429.00 was subscribed and it was announced that others would subscribe later.

Capt. I. T. Moorland and Jas. F. Giles were selected to go to Dallas and attend a meeting of the stockholders and scripholders to be held there today.

It was ascertained from the secretary that the corporation has bought 900 bales of cotton here during the last two seasons and that it is likely as much as \$18,000 in scrip is held by people of this county. There are also a number of stockholders in the corporation residing in this county, therefore, the affairs of the corporation is watched with interest in Mills county.

A suit has been filed at Greenville by Attorney General Leonty against the Dallas-Galveston News publishers for \$100,000 damages for alleged libelous publications relative to his official conduct and particularly in the settlement of the penalty suits against the M. K. & T. railroad company.

A. R. Kelley, one of the popular candidates for commissioner for precinct No. 4, was a pleasant caller at the Eagle office last Saturday.

Improvements are constantly going on in all parts of this city and the rural districts are keeping well up with the town.

Uncle Sam is waging a relentless war on the deadly house-fly and in late bulletins prepared by the department of Agriculture, valuable information is given on the best means of combating this deadly pest. The most effective way of exterminating the fly, according to the bulletin, is to eradicate his breeding places. The breeding season of the fly in Texas begins early in March and continues throughout the spring and summer months. All dirt should be removed from the premises, stables cleaned and decaying vegetables destroyed. The fly has rightly been called the undertaker's traveling salesman, and in addition to his regular line of "typhoid bugs," he carries a side line of tuberculosis, Asiatic cholera and other disease germs. Now is the time to "swat the fly."—T. B. Association.

The people of two continents were thrilled with admiration for the orchestra of the ill-fated Titanic that played their own funeral dirge as they sank beneath the icy waters of the Northern Atlantic two years ago next month, and their courage and bravery will go down in history. Last week at Atlanta, their example was followed on a smaller scale by a little school girl twelve years old, who calmly played Dixie on a piano while five hundred of her school mates marched from the burning building. It took exactly two minutes to clear the entire building and there was no loss of life. The million school children who attend Texas schools and their teachers would do well to follow the example of the Georgia school and practice fire drills at regular intervals. Self preservation is the first law of nature, and eternal vigilance should be the watchword of every school in Texas.—T. B. Association.

MILLINERY OPENINGS.

A Beautiful Display of Ladies Headwear in Several Stores.

There were millinery openings yesterday in this city at the stores where millinery is made a leading feature. Little & Sons, Geeslin Mercantile Co., McKinley-Corrigan Co. and Everly Co. all made special preparation for the occasion and the ladies were in ecstasies all day and the entertainment will continue today. The styles of the millinery are especially attractive this season and the displays are exceptionally large. Goldthwaite can boast of the most expert and experienced milliners of any town of its size in Texas and the millinery displays would do credit to any of the larger cities. The styles are identical with the modern designs and latest importations and the construction of the headwear is perfect. Ladies who did not visit these displays yesterday can depend they have missed much pleasure and none should fail to make the millinery departments a visit today, for they can learn the "last word" in style and see a magnificent display from which to make their selections.

McKinley-Corrigan company served lunch all day yesterday and will do again today and music was furnished by a band of excellent musicians from Hamilton. They were Mrs. Bert Perry and Messrs. Lon Boynton, Harry Boynton and Guy Crews, all of Hamilton. This music will be one of the attractions at the store again today. Again we urge the ladies of the town and country to be sure and see the elegant millinery displays in Goldthwaite.

CULTURE CLUB OFFICERS

The annual election of officers of the Self Culture club was held Thursday afternoon, Mrs. J. H. Randolph acting as hostess.

Mrs. R. M. Thompson was elected delegate to the annual district meeting of the State Federation of Clubs, which will convene early in April at Lampasas and Mrs. W. E. Miller was elected alternate delegate.

The club has under consideration an invitation to the District to make Goldthwaite their meeting place next spring, 1915.

A FAREWELL PARTY

The beautiful home of Mr. and Mrs. Charles Rudd was thrown open Friday evening to the S.D. club in honor of Miss Alva Lee Estep. The parlor was decorated in pink and green, these being our colors, the beauty of which was improved by the addition of ferns and cut flowers. The honoree was resplendent in a beautiful gown of pink silk. A very interesting contest and "Hearts" were the games of the evening. The prize—a book, "The Inner Shrine"—which was won by Miss Anna Belle Wood, was later presented to Miss Estep.

After the games delicious refreshments were served, consisting of a fruit salad with whipped cream and several kinds of dainty cakes.

Splendid music was rendered by Misses Randles, Martin, Street and Gartman. A vote of thanks was given to Mr. and Mrs. Rudd for the pleasant evening we enjoyed in their home. We then bade Miss Estep adieu, expressing our regrets of her departure and wishing her many friends in her new home.

The Mexican youth who murdered a young lady school teacher in Pecos county about three years ago is to be hung at Pecos, according to the mandate of the higher court. The youth has been in jail at Waco for more than two years, while the case has been going the rounds of the courts.

In discussing the Mexican situation before the United States Senate Monday Senator Shepperd said that armed intervention by this country would make conditions in the stricken republic a hundred times worse than they are now. He said the Americans on either side of the border would be unmolested as long as they looked to their own affairs and ignored the national troubles of that republic. He expressed the belief that President Wilson would find a way of solving the difficulty without resorting to armed intervention.

The body of Clemente Vergara, an American citizen who was murdered by Mexican federal soldiers a few days ago, was recovered by Texas rangers Saturday night and returned to Texas soil. The captain of the rangers claims to have received notice from some persons in Mexico that the body would be found on the Texas border Sunday morning at an early hour and going to the place designated he found the body. It may be that the rangers went into Mexico and took the body from the grave and they may have procured it in some other way. The manner of securing the remains does not interest the public nearly so much as the fact that there are unmistakable evidences that the man was tortured and then murdered by the uncivilized people across the border.

The station master, at one of the railroad depots in New York who returned to a party of emigrants a hand bag containing \$38,000, which had been left in the depot, was awarded many hugs and a shower of kisses from the Polanders. The party, en route from Montana to Poland, dined in the station and then started for the pier to board the steamship Olympis. The leader's wife, to whom her fellow travelers had entrusted their money had forgot the bag in a waiting room. It was found by an attendant and turned over to the agent. Its contents had hardly been counted when the emigrants rushed back, clamoring for their money. When they learned that every dollar of the \$38,000 was intact, they made a rush for the agent.

The anti-prohibition Democrats met in state convention in Dallas last Saturday and decided to follow the lead of the prohibition Democrats and eliminate all but one of the candidates for governor who oppose prohibition. Precinct conventions were called for Saturday, April 4, to select delegates to a county convention, to be held in the county seat on April 6 at 10 o'clock a. m., which convention will send delegates to a state convention to be held in Fort Worth on April 14. Some of the anti candidates have announced that they will submit their names to this state convention, but others say they will continue in the running to the July primary. It remains to be seen, however, whether or not they will all be willing to go into the convention. It is evident that none of the candidates so far announced are acceptable to all of the anti and it is not believed that any would be satisfactory to any considerable minority of that faction of the Democrats who oppose prohibition. It is certain, however, that the leaders are on the hunt for a stronger man than any of the announced candidates and it is also certain that Hon. Horace Chilton of Dallas will be acceptable to a vast majority of them if he will agree to accept the nomination. He is an anti-prohibitionist and one of the strongest and most able men in Texas.

SOUTH BENNETT.

Editor Eagle:

Responding to your kind invitation to send to your valuable weekly paper that reaches the people of this and surrounding counties and all former citizens, regardless of what state they may live in, I find the Eagle's flight is sure to follow them.

The agricultural brethren are planting corn, milo maize, sorghum and more garden truck this week. There is sufficient moisture to bring up and start the crops. All we need now is sunshine for a couple of weeks.

A petition has been circulated among our citizens to secure a rural route through our community, which is truly an opportune and advisable proposition that interests us all in our behalf, the proposed route to start out on the South Bennett road, going east until it intersects the Lometa road, thence south to the Pleasant Grove school house, thence west up through the Kelley school community to the railroad by W. W. Saylor's, thence back to town. The commissioners have promised to spend some time on South Bennett in the near future. Now for a mighty united effort to secure a mail route and let's keep pace with the times, and the accomplishment of this daily mail is ours by doing our best.

Rev. George Smith gave us an excellent sermon on the growth of the Christian life. It was truly one of the best sermons we have heard in many days. Mrs. Smith and children came also and we were truly glad to get acquainted with these good people.

Rev. G. W. Templin of Mullin was among the many pleasant visitors to church Sunday. As he was one of our former pastors, the glad surprise and royal welcome we had for him gladdens our memory and brightens up our vision for our future life. We pray the choicest blessings of Providence be continued to be bestowed upon him.

Misses Dollie and Susie Casbeer of Fairview were again among their friends here Sunday and attended Sunday school and preaching here. Owing to the organization of a Sunday school in their community, they have been absent from us. We are glad to learn of the fine Sunday school of our neighboring community east of us. There is not a better bunch of people in Mills county than those big-hearted, prosperous Fairview people.

Mr. Walter Henry and sister, Miss Nettie, were among the visitors here Sunday afternoon. We hope to have them enroll their names with us in our Sunday school in the near future.

Mr. and Mrs. El Booker of Fairview were here Sunday. El says diversified farming is being pushed into execution rapidly.

A number of our people attended the speaking at the court house Saturday. It is an evident, undisputable fact that education is stronger, greater and mightier than ever before in the history of our county and "our own" country boys and girls were there with the goods and captured the medal.

Mrs. Dan Yates was confined to her bed last week with an attack of appendicitis.

J. J. Casbeer and family visited W. B. Blackburn and folks Sunday down on his Sunny Slope farm. Joe says his portion of the moral vineyard is still on the map.

J. W. Hill sold 350 head of his high grade goats last week for \$3.50 per head, the larger part of the bunch going to Mr. Thompson of San Saba. J. W. is a hustling stockman from every standpoint and has a variety of thoroughbred stuff on his Farm and Ranch.

The vocal class accepted an invitation from the Live Oak class Sunday afternoon. Those who attended reported a splendid time. Prof. Kirby was present and directed the larger portion of the singing. Those Live Oak people are prosperous and true and loyal in every respect.

J. S. Huffman and family of Brown Creek were visiting here last week. We were truly glad to meet our friends here again. Come again.

W. G. Welch and Wm. Biddle of Center City were transacting business among us this week, purchasing some swine sprouts for the coming bacon crop.

John Hale of Live Oak was here this week, looking after business.

A number of scripholders of the Southern States Cotton Corporation

attended the mass meeting at the court house Tuesday and feel assured now of the continuation and re-organization of the Company. This is one of the greatest questions ever confronted us, and we may, can and will win the victory. Confidential mutual co-operation will triumph, which will be beneficial to every one in the county. Anybody can criticize and not assist, but the loyal, patriotic citizens are the ones that assist in bringing a better marketing system for our largest production.

A number of our young people attended the literary society at Center City Friday night with a joy hay ride on the wagon, driven by Travis Griffin, reporting an enjoyable trip.

J. E. Griffin has accepted a position with a steam well drill outfit, beginning next week.

A Wonderful Range.

The Schubert Lady Quartette has a range of voices of considerably over three octaves, the Contralto having as phenomenal a low voice as the Soprano has a high one. This enables them to render a class of music that is entirely out of reach of the usual female quartette, and nearly all of their selections are written or arranged especially for them. Mrs. Clyde Kirby and daughter have returned to their home at San Angelo, after a week's visit to the former's sister, Mrs. R. A. Doran, at the Doran ranch.

The fire alarm was turned in Sunday morning about 2 o'clock, when the grocery store of W. C. Edwards on the southwest corner of the square was discovered to be on fire. The building was on fire from end to end before the fire was discovered. The fire department did heroic work and by daring the heat and flames the adjoining buildings were saved. This was a wooden building and at the rear was a large hay barn. The buildings all belonged to J. M. Carter. The loss to Mr. Edwards in the stock of groceries, hay, etc., was \$5,600, covered by \$3,300 insurance. The building loss to Mr. Carter was about \$1,750, with no insurance.—News.

Resolutions to the Memory of Our Beloved Brother, T. D. Perry.

A link in our fraternal chain is broken. We are made sad by the death of Brother T. D. Perry, which occurred at his home a few miles north of Goldthwaite on February 27, 1914.

Brother Perry was made a Mason in Forest Hill lodge No. 45, Arkansas, in 1874. Was a member of Goldthwaite Lodge since 1891.

Whereas, it has pleased Almighty God to remove from our midst our beloved brother, we realize he has entered a life beyond the grave, where there is no more parting; he has entered the rest that remains for the finally faithful where there is no more sorrow, no more death.

Therefore, be it resolved, that in the death of Bro. Perry Goldthwaite Lodge No. 694 A.F. & A.M., has lost a true and faithful brother, one that was always willing to contribute his moral and financial support to any deserving cause; the county has lost one of its best citizens; his family has lost a true and devoted husband and father; and knowing the great sadness of these bereaved ones, this Lodge wishes to express to them its deep sympathy in their trouble.

Resolved that a copy of this resolution be spread on our minutes, a copy be sent to the bereaved family, and a copy be furnished the paper for publication. J. M. CAMPBELL, LEWIS HUDSON, S. H. ALLEN, Committee.

**HUSBAND RESCUED
DESPAIRING WIFE**

After Four Years of Discouraging Conditions, Mrs. Bullock Gave Up in Despair. Husband Came to Rescue.

Catron, Ky.—In an interesting letter from this place, Mrs. Bettie Bullock writes as follows: "I suffered for four years, with womanly troubles, and during this time, I could only sit up for a little while, and could not walk anywhere at all. At times, I would have severe pains in my left side.

The doctor was called in, and his treatment relieved me for a while, but I was soon confined to my bed again. After that, nothing seemed to do me any good. I had gotten so weak I could not stand, and I gave up in despair.

At last, my husband got me a bottle of Cardui, the woman's tonic, and I commenced taking it. From the very first dose, I could tell it was helping me. I can now walk two miles without it tiring me, and am doing my work."

If you are all run down from womanly troubles, don't give up in despair. Try Cardui, the woman's tonic. It has helped more than a million women, in its 50 years of wonderful success, and should surely help you, too. Your druggist has sold Cardui for years. He knows what it will do. Ask him. He will recommend it. Begin taking Cardui today.

STAR
Our Sunday school last Sunday was something that was certainly pleasant to see. The interest was very great and two names were added to our rapidly growing list.

A large glass in one of the show cases of Hawkins & Shave's store was accidentally broken one day this week.

T. E. Hamilton, one of our most energetic and up-to-date citizens, got his hand hurt the other day. He told the writer he got in a hurry and ran against a rocking chair.

The Farm & Ranch library received by the high school here is indeed a nice set of books and is highly appreciated by all who have seen them.

Miss Hattie Barr left for her home in Stamford one day this week. Miss Barr has been employed in the Star State bank and will certainly be missed there.

The Star boys played a game of base ball at Evant last Saturday with the Evant boys. The wind was blowing very strong and the game was hard to play. The resulting score was 17 to 17 in favor of Star.

Prof. W. A. Jeter attended the declamation contest at Goldthwaite last Saturday and acted in the capacity of judge.

The old school house here has been purchased by Jack Bullock of Moline. The writer does not know what he intends to use the house for.

Joe Peck, one of our prosperous and popular young men, has accepted a position with Cockrum & Rudd at Goldthwaite as salesman. He was out here with a string of buggies and has been doing a nice business.

Our young people enjoyed a party at the residence of Mr. and Mrs. Cyrus Fields one day last week. Misses Street of Goldthwaite were among the visitors.

Rev. L. N. Myers, S. F. Harper, and Bascom and Mason Goode were among those who were in Goldthwaite last week.

Several people attended the play at Evant last Saturday night. The receipts were good and all report a jolly time.

The Masons met in regular session here last Saturday night.

The Literary club met in regular session last Friday night. The attendance was good and the interest shown was great. Special mention is due Miss Zelma Morris for the manner in which she recited a piece. It would be impossible in this limited space to mention all but suffice it to say that the club is a great success. The interest taken in the club by the general public is a delight to see.

The young people enjoyed singing at the home of Mr. and Mrs. J. M. Woods last Sunday night. All had a regular singing spell on and enjoyed the occasion to the limit.

F. G. Townsen of Abilene, a practical piano tuner, is here tuning pianos, which is what many of the pianos in this community need very badly.

Z. S. Lee is back from a trip to Brady, where he went on business.

We will have a Sunday school rally day on the second Sunday in April. The question was put before the Sunday school last Sunday and all were heartily in favor of it. A committee composed of Mrs. R. H. Patterson, Mrs. Henry Morris, and Miss Donald Oldfield was appointed to get up a program for the occasion. With this committee to back up the proposition we need have no fear of failure and everyone may come with the full confidence that we will have a great time.

Ben Cox, who has been in Putman undergoing medical treatment, is able to be home again and is able to be about.

Choir practice was held at the pretty home of Dr. J. E. Brooking Wednesday of last week. The attendance was good and all took great interest in the singing. Our singers sang songs of any difficulty at sight now. The harder the ones the better they like them—and theirs is not noise merely—they sing with true musical appreciation.

Chronic Stomach Trouble Cured.
There is nothing more discouraging than a chronic disorder of the stomach. Is it not surprising that many suffer for years with such an ailment when a permanent cure is within their reach and may be had for a trifle. "About one year ago," says P. H. Beck of Wakelee, Mich., "I bought a package of Chamberlain's Tablets and since using them I have felt perfectly well. I had previously used a number of medicines, but none of them were of any lasting benefit." For sale by all dealers. (Adv)

The Mothers' Favorite.
A cough medicine for children should be harmless. It should be pleasant to take. It should be effective. Chamberlain's Cough Remedy is all of this and is the mothers' favorite everywhere. For sale by all dealers. (Adv)

TO OUR CONTESTANTS:

Our Extra Vote Giving Sale is the order of the day and all those who read the Eagle are benefiting themselves or their friends by taking advantage of the extra votes. Last week our sales on Hats, Caps and Gloves were extraordinary and most satisfactory. Shirts, Collars, Gent.'s and Ladies' Underwear, Trunks and Suit Cases are on sale Today and if you don't get your share of extra votes, don't blame anyone but yourself. With a little exertion on your part you could induce a great many of your friends to take advantage of these extra vote giving sales and throw the votes to you. We are sorry to say that even some of our "contestants" don't read the Eagle, for when they walk into the store they seem to know nothing of the extra vote giving. To all of these we would say—"Wake up! Right about face! Get in line and in the push." Those who are on the alert and are persistent in their work are the ones that are going to win.

AFTER PASSING YEARS.

Goldthwaite Testimony Remains Unshaken.

Time is the best test of truth. Here is a Goldthwaite story that has stood the test of time. It is a story with a point which will come straight home to many of us.

J. W. McAlexander, Goldthwaite, Texas, says: "I couldn't work or ride horseback, owing to intense pains in the small of my back. When I stooped it seemed as if a thousand knives were going through me. I often had trouble in passing the kidney secretions. I used two boxes of Doan's Kidney Pills, procured at Clements' Drug Store, and am now all right. Whenever I hear of anyone complaining of a bad back, I advise a trial of Doan's Kidney Pills. I think it is my duty to confirm the endorsement I gave Doan's Kidney Pills some years ago. Since then I have not had an attack of kidney complaint."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. McAlexander had. Foster-Milburn Co., Props., Buffalo, N. Y. (ad)

POMPEY CREEK.

Editor Eagle:

Pompey Creek is still on the map and we expect it to remain there indefinitely.

We are glad to rectify the mistake made in our last communication, concerning our school. It continues for one month yet, instead of having closed last Friday.

We have heard that Mr. Will Rathiff's children have mumps.

Mr. and Mrs. Will Warren visited in the Duren community Monday.

Mr. Seth Price and family were guests in our community Sunday of last week.

Mr. and Mrs. George Tomlinson of Democrat were guests of Mr. and Mrs. Elza Smith Sunday of last week.

The school at Duren closes Friday of this week.

Miss Mable Sullivan, teacher of the Fisher school, visited home folk at Goldthwaite Saturday and Sunday.

Some people of this community visited the shows at Mullin last week.

Messrs. Webb Perkins and Tip, Carlisle and families were guests at the Warren home Sunday.

Our boys played Zephyr in a game of base ball Saturday. The game was forty-two to twenty-seven in favor of Zephyr, but the home team consisted of nine only. They did some splendid playing.

Messrs. Elza Smith, George Hayes, Frank Perkins, Will Warren and others attended the meeting of the W. O. W. lodge at Mullin Monday evening.

The people of our community are to meet at the school house the fourth Sunday, March 22, at 3 p. m., for the purpose of organizing a Sunday school. All our community needs to make it rank among the leading communities of the county is a good live Sunday school and a good choir, both of which we could have for the effort. We have some fine voices in our community and a number of bright, intelligent young people, talented otherwise. We are sure no other community can boast of a more capable crowd of young people (or old either, as for that) and altho there are some remarkably good Sunday schools in Mills county none surpass what we hope to attain rapidly.

A Pure Cream of Tartar Powder

Indispensable to best results—saves worry—saves work—saves money—saves health—saves complaints at table

idly. We hope everybody will come to the Sunday school and come prepared to do their part.

Hurrah for the article in last week's issue of the Eagle by H. C. Cobb. If men, women and children could be induced to forget the dark things of life and look only at the beautiful things, all the beauties that a kind, loving Father has showered upon us, and shape their lives accordingly, what a beautiful world this would be! Clean hands, clean hearts, clean lives! What could be more beautiful?

A WORTHY ENTERTAINMENT.

The Indian Gap Dramatic club will give an entertainment in the opera house here tonight for the benefit of the Indian Gap school. This entertainment will be well worth the money, for the cast is well chosen and the play has twice been presented in their home town to crowded houses. The members of this club have many acquaintances and friends here and they can be sure of a crowded house at Goldthwaite tonight.

HOW ABOUT IT.

Ever attacked with backache, dizziness, pain in the groins or biliousness. These are sure signs of kidney and liver disorder. Time to take Deke's Kidney and Liver Remedy. For sale at Brown & Lowrie's.—Advertisement.

HOW PERFECT EYES FAIL.

When viewing objects near at hand the contents of the eyeball are in constant motion. Delicate muscles contract and the jelly-like mass pulsates with action, instant adjustment being made for any focus. But time, which changes cartilage to bone and causes a general hardening of tissues, vulcanizes the eye lenses. Little by little the motion is checked and finally ceases altogether. In the proportion that this ocular activity is lessened by age, we have to hold our book or paper further away to see the print clearly. In extreme old age all internal motion stops and glasses alone make reading possible. When this change begins it is folly to abuse the sight by trying to force the eyes to see without glasses. For glasses are the only thing that will restore normal vision. We test the eyes and fit them with glasses correctly as they should be.

Best Medical Skill Employed to Insure Correctness of Formula. All Agree Dodson's is Reliable and Safe.

Seven of the most successful physicians in United States, selected for their experience and ability, were paid heavy fees to study and test the formula of Dodson's Liver Tone and all agreed that it was a fine and reliable remedy for family use. Dodson's Liver Tone takes the place of calomel. This is exactly what it is made for and has been made for ever since the first bottle was put up and sold.

There are imitations of Dodson's Liver Tone for which extravagant claims are made, but the public knows how to judge between loud boasts and the plain truth. And then the merits of Dodson's Liver Tone are too widely known for anyone to hesitate.

Dodson's Liver Tone is sold and guaranteed by R. E. Clements, who will refund purchase price (50c) instantly and with a smile if you are in any way dissatisfied with the remedy.

Dodson's Liver Tone is a palatable vegetable-liquid and its action is easy and natural, with no gripe, no pain and no bad after-effects. After-effects are often disagreeable after taking calomel. Dodson's Liver Tone does not interfere in any way with your regular duties, habits and diet, and it builds and strengthens you so that you feel brighter, better and happier. If you feel headachy and constipated you will be delighted with Dodson's Liver Tone. (Ad)

A COMING TREAT.

Too much praise cannot be given Manager Page for engaging the Schubert Symphony Club and Lady Quartette of Chicago to appear here on March 23, at the Opera House. This company is in its 25th year of success and is acknowledged everywhere to be the most "up-to-date Musical Company" traveling. Everybody likes music and everybody enjoys a hearty laugh. A delightful blending of pure fun and fine music is one reason why the above company has won its way to the top notch of public esteem. (Adv)

HORSE OWNERS.

The horse is the principal motive power of the farm and therefore requires the best attention. If he does not thrive or eat well, have his teeth attended to. Bad teeth and improper mastication causes more disturbance than any other trouble; causes acute indigestion, colic and diseases of the alimentaries and many other troubles. A stitch in time may save the worth of your horse. Spend a few dollars on your horse before he gets down or is disabled. Bring your horse to me and have him examined and treated. I will be in Goldthwaite the second Saturday in each month to do all classes of veterinary work. Examination free.—Dr. O. M. Walters, Veterinary Surgeon and Dentist, San Saba, Texas.

2 p. m.—Securing of attendance of the young people of the Sunday schools.—D. D. Kemper, S. H. Allen

Brethren, we hope everyone on this program will be at his post and ready to respond when his name is called. Owing to the wet weather earlier in the winter and also to the fact that nothing could be done at our last Fifth Sunday meeting toward getting our county work on its feet again, it seems to be a time when everyone should be glad to lend their presence and counsels to the end that our work may be set on a solid footing. Our little church is expecting to be blest and strengthened by your coming. Don't disappoint us.

MANY EYES NEED CORRECTING WITH GLASSES.

Age alone has nothing to do with eye troubles and optical vision that needs correcting with glasses. There are various kinds of eye strain and defects that need correcting with glasses. If your eyes burn, hurt and ache, print seems to blur or run together, or your eyes tire quickly when you try to read or do close work, it's evident something is wrong with your vision. Consult an optician, one that is equipped and competent to test and demonstrate to you his skill to correct your eye troubles. We have given the eye and fitting of glasses close study and can demonstrate to you that we can fit you with glasses correctly and satisfactorily. We guarantee satisfaction. We are right here. You can step in and see us any day. If you need glasses let us show you how well we can please you.

INTERESTING CONTEST.

Prizes Awarded and a Splendid Address Delivered.

Perhaps one of the happiest events and one of the most profitable days in the educational history of Mills county was enjoyed by a very large crowd of our citizens in the court house here last Saturday. It was the occasion of the contests for the gold medals offered to the school children of Mills county by Judge S. H. Allen. It was gratifying to see the immense interest felt by the crowd from the beginning. It was recalled that five years ago when Judge Allen offered medals for similar contests, only one of the four then offered was contested for. After the contestants had assembled, there were not enough auditors to constitute a board of judges and several citizens had to be persuaded to leave their places of business long enough to hear the declamations. On last Saturday, however, there was quite a different scene. The crowd came early. Each of the several schools represented had a large delegation of enthusiastic boosters of their school and their representative contestants.

The Junior contests were had in the forenoon, beginning at 10 o'clock. In the afternoon at 1:30 o'clock the senior contests began. These were followed by one of the best addresses on the subject of education Goldthwaite ever heard. It was made by Prof. F. M. Bralley, ex-superintendent of public instruction, for Texas, and now at the head of the Extension Department of the State University. The district court room, both floor and gallery, was far too small to hold the crowd eager to hear him. Great good to our school interests will result from this address. Mills county owes Prof. Bralley a debt of gratitude for being willing to leave his heavy work at the University long enough to come to help us. After this address the victors in the contest were presented their medals with a most appropriate short speech by one of Goldthwaite's bright young attorneys, Mr. F. P. Bowman. The winners were the following: Junior girl, Ruby Welch, of Center City school; Junior boy, Blanch Stewart, of Big Valley school. Senior girl, Miss Novella Welch of Center City school; Senior boy, Haynie French of Mullin school. All the contestants acquitted themselves so creditably as to convince the audience that everyone of them deserved a medal and to make all of us proud of them.

After this came the contest in spelling. The gold medal offered in this was won by Miss Bessie McWhorton of Miller Grove school. The successful conduct of the day's exercises is due in a large measure to the able

manner in which Mr. F. P. Bowman, who was in charge, directed affairs.

Judge Allen has already announced that he will give medals for similar contests next year. Let all the schools begin to get ready for the next. REPORTER.

A LIBERAL GIFT.

The \$10,000 prize award of the Texas industrial Congress for the best net profits in farming divided among its prize-winning contestants in 1915 was the gift of Mrs. May D. Exall and Henry Exall, Jr., widow and son of the late Colonel Henry Exall. Following his death, the executive committee met in Dallas to take action toward caring for all the obligations of the Congress, and assumed the total outstanding obligations and prepared to raise the money.

However, a statement came before the committee that Mrs. Exall wished to pay the prize awards as a tribute to her husband's memory. The committee was averse to having any part of the expense borne by the family, since Colonel Exall had already given more money to the work of the Congress than any other contributor, to say nothing of his time and strength. A committee was sent to call on Mrs. Exall and consult her. If she purposed to pay the prize awards as discharging a moral obligation that Colonel Exall had incurred, members of the executive committee were unanimously of the opinion that the Congress should raise the money; if she wished to do it of her own motion as a splendid act in keeping with the Colonel's great unselfish work, and fitly honoring it, the committee considered that it ought not to stand in the way. The matter was placed before Mrs. Exall and she made it clear that she and her son wished to pay this money. The committee accordingly accepted her wishes, and this gift, which should be an inspiration to the people of the State, supplemented the greater gift of Colonel Exall's service for "A greater Texas" in the work of promoting better farming.

Frank Anderson, the popular carrier on route 1, is suffering with a bruised ankle and C. E. Strickland has been carrying the mail for him the past week. The injury was caused by being struck by a buggy wheel when he attempted to stop a runaway horse a few days ago. Mrs. John Priddy's horse became frightened, near the residence of Mrs. Oden and ran the buggy into another vehicle occupied by Jim Gandy's children and the occupants of the vehicles were all thrown out, but none of them were injured. Mr. Anderson attempted to stop Mrs. Priddy's horse and the buggy wheel struck his ankle.
