"The Home of Economy"

"The House with a Conscience"

L. E. Miller spent the first of the week at Waco and Temple.

E. J. Weatherby and family left Monday for Sweetwater to visit relatives and friends.

J. M. Robertson, one of the good and influential men of Ebony, was a visitor to this city the first of the week.

Miss Myrtle Madden left for her home at Colorado City Monday, after a protracted visit to friends in this city.

C. M. Thompson and family, who made their home at Antelope Gap for a number of years, boarded the train here Monday for Lampasas, where they will reside for some time and perhaps permanently.

Rev. L. N. Myers and B. P. Goode were visitors to this city from Star last Saturday. They came for a load of lumber to be used in the building of the new church at Star, the funds for which have been subscribed.

E. F. Levy and wife and daughter left for their home in El Paso the first of the week, after a visit to his uncle, W. B. Jackson, and family. They formerly lived here and are kindly remembered by many friends.

Presiding Elder Cowan filled the pulpit in the Methodist church Sunday at the usual hours. This was his last official visit to this church before the convening of the next annual conference, which will be held in Austin, beginning October 21.

Mrs. Dr. Geo. Lewis and little daughter left Tuesday for their new home in San Angelo, after a visit to relatives here and at Priddy. Dr. Lewis, who recently returned from New York, where he took a special course in the treatment of diseases of the eye, ear, nose and throat, has located in San Angelo for the practice of his profession.

AS OTHERS SEE US.

A visitor to Goldthwaite this week, who was a former citizen of the town, expressed surprise and gratification over the improvements that have been made in the last few years. While there has been no boom here, the improvements have been steady for the past ten years or more and persons who have not visited this city in that length of time would scarcely know the place. It is very seldom now that a house is erected without an architect's plans and modern designs and every portion of the city is ornamented with large, well built and handsome dwellings. The up-to-date business houses with drop awnings of uniform design give quite a city appearance and the handsome new court house ornaments the entire town. A great amount of street work has been done here and the town is as clean and well kept as it is modern and progressive. The visitor was right: We are all proud of Goldthwaite and its steady growth and substantial business conditions.

A PLEASANT EVENING

Miss Lucille Frizzell very charmingly entertained her friends at her home on Saturday evening from 6:00 to 8:00 o'clock. Punch was served to the guests on entering. The main feature was "Progressive Hearts." Miss Lois Allen winning the prize. A household contest then followed. Miss Cuba Street of Fort Worth, winning the prize.

Those present were: Misses Nealie Moore of Brownwood, Cuba Street, Fort Worth; Lucille Forehand, Ruth Allen, Eva Allen, Lois Allen, Lucille Street, Sophie Martin, Bonnie Frizzell, Pluma Allen, Georgia Frizzell, Josie Gartman, Rubie Keese, Joyce Harri on, Lucille Gisham, Ruby D. Hearne. Q

J. D. Priddy was among the visitors to Brownwood this week.

Mesdames W. D. and Guy Rudd visited relatives at Energy this week.

J. C. Evans returned to his home in San Saba the first of the week, after a visit to this city.

Miss Alma Harrell left Tuesday for Austin, where she will be employed as a stenographer.

County Attorney J. C. Darroch left Saturday for Fredericksburg to visit relatives for a week or more.

Rev. L. L. Hays of Trigger Mountain returned Tuesday from a visit to relatives and friends in Delta county.

Miss Lida Thompson returned to Dallas Tuesday, after a visit to her mother and other relatives at this place.

Walter Weathers and his mother returned Saturday morning from Mineral Wells, where they were called several days before on account of the serious illness of Oscar Weather, who was sufficiently recovered when they left him that he was able to be moved to El Paso, where it is hoped the climate will be beneficial to him.

Mr. and Mrs. Elton Noble of San Saba passed through the city Sunday morning en route to Mullin to visit Mrs. Noble's parents and other relatives. Mr. and Mrs. E. M. Dickerson accompanied them this far and spent the day with relatives in this city and the entire party returned home in the afternoon.

The first of this sea-on's cotton was brought to Lometa Tuesday by R. E. Lee, of the Chadwick community. The cotton was ginned by the Farmers & Merchants Gin and weighed 482 pounds. Henry Stallings bought the cotton; paying \$1.35 per pound for it. A premium of \$26.75 was given by the business men.—Lometa Reporter.

Frank Geeslin has returned from market, where he bought fall and winter goods for Geeslin Mercantile Co.

Kelley Saylor has been made manager of the West Texas Telephone company's business at this place and will enter upon his duties the first of the coming month. J. B. Whitman, who has been the manager for several years, has been transferred to the Brady office for the same company.

Prospects are that we will have a fine yield of cotton this fall and if the price is satisfactory prosperity is assured.

Rev. Dooley, who was pastor of the Presbyterian church at this place for some time and is kindly remembered by many in this city and county, spent Tuesday here meeting with friends. He has been a student in Trinity University since leaving, this charge and is holding revival services during the vacation.

A FINE MEETING

A Number of Converts and the Community Benefitted.

The ten days revival meeting held at Rock Springs closed Wednesday night. The meeting was conducted by the pastor, Rev. J. D. Long, assisted by Rev. King of Edwards county, and his singer, Mr. Sewall. The results of the meeting were very satisfactory to the church and the ministers. The entire community was benefitted by the series of services and it is believed the results will be far-reaching. There were twenty conversions and most of these have already been baptized and there are others to be baptized Sunday afternoon.

The Bachelor Maids again! Well, yes. And aousing good time they had last Friday evening when Miss Mamie Sherman was hostess.

Merry chatter was hushed by the president's call to order and the guests were escorted to the porch, where Mrs. Sherman and Mrs. Bodkin entertained them while a lively and earnest business session of the club ensued. Business being despatched, the guests were again invited to the drawing room and all engaged in the happy, haphazard game of "Consequences." After this there was a tree conte t. The first prize, a box of embroidered handkerchiefs, was awarded to Miss Addie Hudson and the striped candy consolation was secured by Miss Lillie Martin. Next punch and chocolate eclairs were served. Then the mirth provoking game of "Minister's Cat" was introduced and when the poor cat had been dubbed everything, both good and bad, that the girls could think of, they went into the dining room and entered a watermelon eating contest. 'Twas decided that Miss Lillie Martin disposed of hers quickest and best and the hostess presented her with a box of bonbons.

Miss Sherman always entertains cleverly and charmingly and in this instance did herself full justice and has the thanks of the club and guests for a delightful evening. Those not club members present were: Misses Stringer, Hudson, and Valiti Power. REPORTER.

THE UNITED STATES CREAM SEPARATOR

1914 MODEL

The Only Mechanically Washed Separator

Mechanical washing of the U. S. Separator skimming device is possible for three reasons.

First.—The smooth curved blades of the skimming sections form narrow, circular "runways" through which a tremendous current of water rushes when the sections are rotated (in same direction as the blades curve), by the Mechanical Washer (Centrifugal force does this cleaning largely); thus are all the surfaces scrubbed perfectly.

Showing the quick and simple manner of washing the skimming device with the Mechanical Washer.

You can test this quick washing at our store or at your home. Call, telephone or write.

Second.—U. S. superior construction eliminates all obstructing corners or rough surfaces in which or behind which milk or dirt can lodge. The construction of no other separator borders so close to perfection in this particular.

Third.—The sections which make up the skimming device are built of non-rusting, non-adhesive Nickel Silver—the easiest to clean and most sanitary metal used in Separators.

BODKIN, HURDLE & CO.

A 14-year-old girl, the daughter of J. E. Odiorne, a banker of San Saba, was drowned in the river at that place this week, while in bathing with a party of friends.

Few places in Texas have reported as high a price paid for the first bale of cotton as was paid in Goldthwaite but then, Goldthwaite always pays the highest price for cotton.

Rev. J. H. Hunt has moved from Zephyr to Mullin, where he recently accepted the pastorate for half time and is moving out nicely with the work on his new field—Central Messenger.

Cotton is beginning to open and cotton pickers will soon be in demand in every section of the county. The crop is said to be good in every part of the county and but few fields have been injured by insects.

E. C. Comer, who lives on the Lon McKinley place near Pottsville, brought to town Wednesday the first bale of 1914 cotton gathered in Hamilton county. W. L. Hedgepeth ginned the cotton, the bale weighing 510 pounds and was sold to McKinley-Corrigan, Company for 8 cents per pound.—Hamilton Record.

The next house of representatives of the Texas legislature will be made up of a majority of new members, there being 86 out of 142 members that will be new to the position. The only Republican member of the present house is a citizen of Fredericksburg and he will not have an opponent for re-election, although he will come in as an independent in the list of members.

The Washington government is endeavoring to bring about a reconciliation between Gen. Carranza, who is now provisional president of Mexico, and Gen. Villa, commander of the constitutionalist army who overthrew the pretender Huerta. The trouble can be settled by Carranza declining to be a candidate for president or withdrawing from the provisional presidency and entering the campaign just as any other citizen. If he holds on to the provisional presidency and then violates the agreement heretofore entered into that the provisional president would not be a candidate to succeed himself, there is going to be bad trouble. Villa does not want the office, but is supporting the brother of the murdered President Madero.

BAPTIST ASSOCIATION.

An Interesting and Well Attended Meeting at Priddy.

The annual meeting of the Mills County Baptist association was held with the Priddy church beginning Thursday night of last week and closing Sunday. While a number of the churches of the association were not represented the attendance at the meeting was good and the proceedings were interesting and encouraging to those who were there.

The meeting was called to order by G. W. Jackson and J. M. Robertson of Ebony was appointed clerk T. H. Taylor and C. M. Head were made reading clerks.

Among the visitors to the association were Rev. W. R. Earp, state evangelist; T. H. Taylor of Howard Payne college, Brownwood; Rev. R. W. Bynum from Lampasas association.

The reports of the churches represented showed great advancement and much interest by the membership everywhere.

Rev. L. A. Bagley was elected moderator for the ensuing year; J. M. Robertson, clerk; G. W. Jackson, corresponding secretary and treasurer.

Center City was selected as the place for the next meeting of the association, which will convene Thursday night before the fourth Sunday in August, 1915.

The association decided that the next fifth Sunday meeting should be held with the church at Ebony.

REV. NEWMAN TO BROWNWOOD.

Pastor J. C. Newman of Goldthwaite will attend Howard Payne college this year. Mrs. Newman has accepted the position of matron at the girls' dormitory, so the good people will make their home in the dormitory and look after the girls. This is a very fortunate arrangement for the school to have them in this important position. They have no children at home with them and their large experience and success in leading young people make them capable of satisfactorily filling the position. And the good church at Goldthwaite would not release Rev. Newman from the pastorate but said they wanted him to come to them from Brownwood every Sunday and preach for them. Owing to the short distance and trains so often between the two places he can pastor the church all right and spend most of each week in school. That is a splendid church and they have shown much appreciation for their pastor.—Central Messenger.

Farmers' Scientific Cotton Grader

(Grades Established by Act of Congress)

This cut represents a metal cabinet underneath a glass, with nine compartments, one grade of cotton to match the government type in each compartment.

There is skill and science required to arrive correctly at the exact grade of cotton. But with this grader, and our ten lessons with it, any man can tell the grade of cotton, who has good sight, well balanced mind and comparison.

The time has come for the man who handles cotton to know what it is and what it is worth on the market. Protect yourself.

You will readily see that our GRADER is what you need. It will save you its cost on two bales of cotton. Then you will have the pleasure of knowing the correct grades of your cotton, and by reading the cotton quotations in the daily papers you can know the value of your grades.

It is within the reach of every boy on the farm to learn how to class and grade cotton by using our cotton grader. No farmer who raises as many as two bales of cotton can afford to be without one of these graders.

Highly endorsed by the U. S. Government, as well as by farmers, cotton buyers and merchants who have used it:

Red Oak, Ellis County, Texas.
The Farmers' Cotton Grader Company,

Gentlemen:—On Monday last I purchased one of your cotton graders, for which I paid you \$10. This week I sold four bales of cotton upon which I saved \$18, by reason of being able by the grader to know what my cotton would class.
(Signed) F. K. CAMPBELL.

Estelline, Hall County, Texas.
The Farmers' Cotton Grader Company,

Gentlemen:—I am using your cotton grader this season and would not be without it. It is an indis-

pensable instrument for accurately grading the cotton. It is simple and handy, and should be used by all those raising cotton. Every farmer should have one. Yours truly,
(Signed) B. R. RUSSELL.

Plano, Texas
The Farmers' Cotton Grader Company,

Gentlemen:—I have used your cotton grader when grading my cotton to my entire satisfaction. I would not take \$50.00 for my cotton grader. I cheerfully recommend your cotton grader to all cotton raisers. Respectfully,

R. M. THOMPSON, Editor

The continued interest in the European war forces the papers to give most of their space to the details of the battles or as much as the information as is allowed by the censors. There is little else talked about or read about by the people now.

The Japanese government took advantage of the fact that Germany was involved in war with most of Europe and declared war on that country Sunday. If the movement they have inaugurated is successful it will still further enlarge their desire for territorial acquisition and the United States may as well prepare for trouble with them in the not far distant future.

An explosion of gasoline in a building in Houston Saturday night caused the wall of the building to fall upon an adjoining building in which a number of men were congregated. Two of the men were killed and a number were rescued from beneath the fallen wall. Four men were arrested in connection with the explosion and fire and were charged with murder, arson and unlawfully storing gasoline in the building.

A policeman in Dallas shot and killed a 17-year-old boy in that city Sunday night. The boy had been riding with a companion in an automobile which had been stolen by the companion. The officers were on the lookout for the car and when they discovered it and commanded the occupants to surrender the lads took to their heels. One escaped and the other was shot through and only lived a short time. The owner of the car rewarded the officer who did the shooting.

Legislations, conferences and resolutions are all helpful to the business conditions, perhaps, but the fact remains that the people interested must bend their every effort to the task of protecting their interests. Undue alarm among the people over the conditions at this time will do more harm than can be counteracted by every means at the disposal of the government. If people will only understand that the conditions that now confront the business interests of this country are only temporary and that the commerce will soon be adjusted to the new order of things there will be no cause for panic or sacrifice.

Treat your neighbor fair and square. It always pays. You may be up high today, you may be way down tomorrow. Nothing is sure in this old world but death and taxes, and most of us will not be bothered with the income tax. Many a swift, high flying individual has had his wings clipped, while on the other side, many a down-and-out has raised himself on top again. He who laughs last laughs best. Put on the soft pedal, dearly beloved, and don't hit below the belt. This is a great world and a great people, if the game is played fair and square—McKinney Gazette.

The head lines of one of the leading dailies "Urges Prohibition of Slaughter of young Calves." That is the sort of a prohibition issue we can all unite on and the most radical anti ought to be willing to statutory prohibition on that subject. We protect birds and wild animals, in a measure, from slaughter, and why not have a closed season for domestic animals? Pleasure is not near so destructive an agency as profit. The rush to market of calves is almost threatening the extinction of the bovine specie. We show a decrease of three and one-half million head of cattle in Texas during the past ten years, and a decrease of 5,500,000 head in the United States for the same period—Commercial Secretaries.

STAR

(Too late for last week.)

Prof. J. H. Goodnight of Big Valley and formerly of Star, was here last week, shaking hands with friends and visiting relatives.

Several Star people attended the meeting at Knox last Sunday. The meeting closed Sunday night. Dinner was served on the ground every lay of the meeting and Knox people proved themselves to be most hospitable kind of folks.

J. J. Witty, our popular photographer and art dealer, made a trip to Lometa one day last week.

A crowd of our young people attended the meeting at Fairview one night this week. They report a great meeting and some of them expect to go tomorrow. The meeting closes tomorrow night.

Mrs. Minnie Moore has had an addition built to her house in Star, Charlie House, one of our good carpenters, did the work.

Misses Vida and Eunice Hamilton of Center City visited relatives and friends in this place in the early part of the week.

Hubert Teague of Houston was in Star this week. He came to Hamilton on a business visit, and being so near home, he could not resist the temptation to visit good old Star. No place like Star.

Misses DeAlva and Alice Williams of Mullin visited friends and relatives in this community in the early part of the week.

Rev. R. A. Gay delivered an appreciated sermon here last Sunday at the noon hour.

The Ladies Home Mission met with Mrs. T. E. Hamilton last Tuesday evening. If I understand it right, the Ladies Home Mission meet on the first Tuesday evening after the second Sunday in each month and two weeks hence.

The new Methodist church is now going up. The foundation has been laid and the walls will go up as soon as the necessary lumber can be hauled out from Goldthwaite. The church is being built on plans similar to the Methodist church at Goldthwaite, the only difference is that the study room on the south west corner and the Sunday school room on the south side will be left off. The size of the building and the plans otherwise will be like the church at Goldthwaite.

STAR REPORTER.

SAVE EXPENSE.

The publication of the city's delinquent tax list is completed with this issue and belated tax payers are advised to hurry, lest they are compelled to pay costs amounting to more than the taxes. The attorney employed by the city to collect delinquent taxes expects to file suit at once to enforce collections and these suits will be heard by the October term of district court. When judgment is secured for the taxes, costs and attorney fees, the property will be ordered sold to the highest bidder and in this way the taxes will be collected. Just now the amount due is small and in most cases the matter of taxes has simply been overlooked by the property owners. If payment is made before the suits are filed there will be very little cost, but after the filing of the suit, attorney's fees and other costs will accrue, even though payment is made before the case comes to trial.

COTTON YARD ACCOMMODATIONS

I have placed New and Perfect Scales in the cotton yard, have provided plenty of Stock Water at a convenient place in the yard and have ample room FREE of CHARGE for all cotton the farmers wish to hold.

I will appreciate the patronage of the farmers and any others who may have cotton to weigh, assuring them of careful attention to their interests and every accommodation I can extend. A. D. KARNES, Public Weigher.

THRESHING NOTICE.

I will run my thresher at my place in Big Valley on Tuesday, Sept. 8. All persons having cane, maize, or other small grain to thresh are solicited to bring their threshing to me at that time.

Summer Coughs Are Dangerous

Summer colds are dangerous. They indicate low vitality and often lead to serious throat and lung troubles, including Constipation. During all these years I have used it and recommended it many times, and it has never disappointed anyone." For sale by all dealers (adv)

REAPING BENEFIT.

From the Experience of Goldthwaite People.

We are fortunate indeed to be able to profit by the experience of our neighbors. The public utterance of Goldthwaite residents on the following subject, will interest and benefit many of our readers. Read this statement. No better proof can be had.

C. W. Lindsey, officer, Goldthwaite, Texas, says: "Doan's Kidney Pills were first recommended to me by a friend, and as I had been bothered with kidney trouble for ten years, I got a box. They did me a great deal of good. My back stopped paining me and I had less trouble from the kidney secretions. I always praise Doan's Kidney Pills when I have the opportunity in return for the benefit I got. You may continue to publish my former endorsement."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Lindsey had. Foster-Milburn Co., Props., Buffalo, N. Y. (adv.)

CITATION.

The State of Texas, To the Sheriff or any Constable of Mills County—GREETING:

You are hereby commanded to summon T. B. Keel by making publication of this Citation once in each week for four successive weeks previous to the return day thereof, in some newspaper published in your county, if there be a newspaper published therein, but if not, then in any newspaper published in the 27th Judicial District, but if there be no newspaper published in said Judicial District, then in a newspaper published in the nearest District to said 27th Judicial District, to appear at the next regular term of the district Court of Mills County, to be holden at the court house thereof, in Goldthwaite, on the 1st Monday in October, A. D. 1914, the same being the 5th day of October, A. D. 1914, then and there to answer a petition filed in said Court on the 3rd day of August, A. D. 1914, in a suit, numbered on the docket of said Court, No. 1382, wherein Mrs. Etta Keel is plaintiff, and T. B. Keel is defendant, and said petition alleging abandonment for a period of more than 3 years, said plaintiff brings this suit for divorce and for the care and custody of their 5 minor children and for the use and occupancy of their Homestead, situated on and being all of Block E. Original Plat of Goldthwaite, Texas, to support, educate, and maintain said 5 minor children. Plaintiff brings this suit on the grounds of abandonment as above set out.

Herein fail not, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and seal of said court, at office in Goldthwaite this the 5th day of August, A. D. 1914.

L. E. BOOKER, Clerk District Court, Mills County, Texas.

TREAT ME RIGHT.

Those who are indebted to me should pay me at least a part of what they owe, for I need the money and need it badly. Some who are indebted to me individually and to Dr. Townsend and myself jointly have sold oats and now have the money with which they should pay at least a part of the accounts. I have had sickness and other expense which makes it absolutely necessary that I secure some of the money due me right away. Don't overlook or forget this—I served you when you needed such service and now I am entitled to payment. Think right and act promptly.

Yours Truly,
J. D. CALAWAY, M. D.

STOCK OWNERS

I will be in Goldthwaite the second Saturday in each month for the purpose of treating all curable diseases of domestic animals.

Dr. O. M. WALTERS, Veterinary Surgeon and Dentist. San Saba, Texas.

THE STATE OF TEXAS.

To the Sheriff or any Constable of Mills County—GREETING:

Oath having been made as required by law, you are hereby commanded to summon S. L. Darrow, and the unknown heirs, legal representatives, legatees, and devisees of S. L. Darrow, deceased, by making publication of this citation once in each week for eight successive weeks previous to the return day thereof in some newspaper published in your County, to appear at the next regular term of the district court of Mills County, to be holden at the Court House thereof in Goldthwaite on Monday the 5th day of October, 1914 then and there to answer a petition filed in said court on the 26th day of June, A. D. 1914, in a suit, numbered on the docket of said court, No. 13, wherein E. B. Anderson and Mrs. Jinx Smith are plaintiffs, and S. L. Darrow, and the unknown heirs, legal representatives, legatees and devisees of S. L. Darrow, deceased, are defendants, said petition alleging that the plaintiffs on or about the 1st day of January, 1914, were lawfully seized and possessed of the following described land and premises, lying and being situated in the city of Goldthwaite, Mills county, Texas, known and described as Lots Nos. Eleven (11) Twelve (12), Thirteen (13), Fourteen (14), and Fifteen (15), in Block No. Nineteen (19) according to the plat thereof made by A. S. Haynie, Engineer, holding and claiming the same in fee simple; that on the day and year last aforesaid, the defendants unlawfully entered upon the said premises, and ejected plaintiffs therefrom, and unlawfully withheld from them the possession thereof to their damage in the sum of \$500.00.

Notice is hereby given of the filing of Transfer of vendor's lien on said lots by G. C. & S. F. Ry. Co. to Whit Smith dated Jan. 9, 1909, retained in the deed from said Company to S. L. Darrow, securing the payments of said notes, and from Whit Smith to R. L. H. Williams, dated Dec. 16, 1909, of a one half interest in said notes and lein, and from Mrs. Ellen Williams, wife of R. L. H. Williams, deceased, to W. E. Egger dated July 17, 1913, and from W. E. Egger to E. B. Anderson dated April 30, 1914, to be used in evidence in behalf of the plaintiffs.

Plaintiffs further allege that the nature of the claim of the defendants is unknown to plaintiff, except that the defendant S. L. Darrow is a grantee in a deed from G. C. & S. F. Ry. Co. to S. L. Darrow dated Sept. 28, 1885, conveying to him the said lots, in which a vendor's lein was retained to secure the payment of the purchase money notes given therefor.

Plaintiffs pray judgment for the title and possession of the said land and premises, and the defendants equity of redemption be barred and estopped and for such other and further relief to which they may be entitled in law or equity.

Herein fail not, but have before said court on the 1st day of the next term thereof this writ with your return thereon, showing how you have executed the same.

Witness L. E. Booker, Clerk of the District Court, Mills County, Texas.

Given under my hand and seal of said court in the city of Goldthwaite, this the 26th day of June, 1914.

L. E. BOOKER, Clerk District Court, Mills County Texas.

Summer Constipation Dangerous Constipation in summer time is more dangerous than in the fall, winter or spring. The food you eat is often constipated and is more likely to ferment in your stomach. Then you are apt to drink much cold water during the hot weather, thus injuring your stomach. Colic, Fever, Ptomaine Poisoning and other ills are natural results. Po-Do-Lax will keep you well, as it increases the Bile, the natural laxative, which rids the bowels of the congested poisonous waste. Po-Do-Lax will make you feel better. Pleasant and effective. Take a dose tonight, 50c. at your Druggist. (adv)

Editor Eagle:

Here I am with some more of the happenings of this community.

A nice rain fell here Tuesday.

Mr. Louis McFarland is on the sick list this week.

The Baptist protracted meeting closed Wednesday night, after going on nearly three weeks. There were nineteen conversions and twenty-one additions. There were fifteen baptized Sunday evening and the others will be baptized next Sunday evening. We were very thankful for the good work Brother King and Brother Sewall have done. They began a meeting at Big Valley Thursday night. It made us sad to see these good men leave. But we pray that God may give them a great revival and His spirit will be abroad in the land. We wish them God speed, wherever they go.

Misses Emma and Ora Cooke left for home Monday morning accompanied by Mr. S. L. Cooke and Miss Mattie Stark.

Mrs. Lula Faceful of Indian Gap is visiting her parents, Mr. and Mrs. A. D. Karnes.

Miss Estelle Cannon left Monday for Caradan.

Mr. Abigah Stark and Misses Whit of San Saba visited Mr. W. J. Stark and family Saturday and Sunday.

Mr. Jim. Rudd and wife visited Mr. A. D. Karnes and family Sunday.

SINGING CONVENTION

Will meet with the Star class on Saturday before the second Sunday in September, at 10:30 o'clock a. m. This is the annual meeting of the convention and all officers will be elected at the afternoon session of Saturday. If you wish to have a voice in the election of officers, you should be at the convention Saturday with your letter from the class that sends you. Prof. Dean is expected to be with us.

Fraternally,

HOW TO HANDLE

THE COTTON CROP THIS FALL

Is a puzzling question just now. It is not our purpose to attempt to suggest ways and means to dispose of it, as the subject in its entirety is far beyond our comprehension. But if in your judgment you should decide it best to hold your cotton off the market a while, you will doubtless want it insured; and in this particular phase of the matter we feel that we are qualified to advise and serve you. Following are a few reasons why we think you should patronize this agency:

The insurance business is not a side line with us—our entire time is given to the study and handling of insurance. We endeavor to keep thoroughly abreast of the times in insurance matters, viz: State laws governing same, rates, policy forms, etc.

Our long experience in the business is another important reason. An inexperienced agent, though perfectly honest, may be the cause of trouble in the adjustment of a loss. From a standpoint of service we are now the oldest agents in Goldthwaite actively engaged in the insurance business.

We represent none but old line companies, all duly authorized to transact business in Texas. We represent 22 such companies, the combined assets of which are more than \$178,000,000.00. We can, therefore, easily insure every bale of cotton in Mills county.

All rates of stock companies are the same, but by exercising a little good judgment at the beginning you may be able to save some money. Let us explain to you how this may be done.

While we are directing your special attention to cotton insurance, we wish to remind you that we write all kinds of insurance.

Dr. McDonald of Meridian spent Wednesday with friends in this city, formerly lived here and still has a place in his heart for Goldthwaite people—at least one of them.

The second bale of cotton of the season was brought in Wednesday by Homer Smith of Bulls Springs community, was ginned by Walter Fairman and weighed at the public yard, where it will be held by the owner for an improved market.

STAR

Despite the war scare, our people seem jolly and hopeful and are looking forward to good cotton prices in the near future. If we can get anything for cotton this year we will certainly roll in a pile of money, for we are making a great deal of cotton. Some of the cotton is opening now and cotton picking will soon be the order of the day.

Miss Ira Hawkins is visiting friends and relatives here, after a visit to Dr. Townsen and family of Tuscola.

Elmer Tubbs was here from Goldthwaite a few days ago.

Messrs. Jim and Willey Cook were here on business from Moline a few days ago.

J. W. Trussell had business in Star a few days ago. He has sold his store in Moline and is looking for a location.

J. H. Livingston of Goldthwaite and formerly of Star had business in our community last week.

J. H. Clifton, our progressive and energetic real estate man, made a trip to Waco a few days ago.

Gilbert Smith and wife visited relatives in Goldthwaite a few days ago.

County Surveyor F. M. Long was out in Star doing some surveying last week. He did some work for Dave Morris, one of our good merchants.

Our good commissioner, J. R. Carter, has been doing some good work in the way of working our roads. He has had the "Harper Lane" graded and has also graded the road in the gap, just north of Star—both places having been needing work for a long time.

Messrs. Bruce and Hill Roberts, two of our good farmers, made a trip to Lampasas a few days ago.

Gus Siems had business in Goldthwaite last week.

Jim Hamplin made a trip to the Adamsville community last week.

Some of our farmers did some needed work on the Star and Lampasas road about a mile and a half from Star a few days ago. The hill on this road just west of Frank Shelton's residence needs working—and has to be worked pretty soon or the traffic will be stopped. The men above referred to did a lot of good and needed work a short distance east of this hill, across the county line, and now it remains for Mills county to work this hill down; and it must be done pretty soon if Star wants the traffic to come her way.

Rev. L. N. Myer, our hustling lively Methodist preacher, filled his appointments at Moline and Ather-ton last Sunday.

Messrs. Cris, Jr., and John Manning of Houston, who have been visiting friends and relatives in Star, returned to Houston last week.

Cort Manning has been quite sick with fever this week. A nurse was brought from Temple Friday night and he has been doing as well as could be expected.

Rolla Livingston is having his house painted. The roof is painted black and the walls are white. He is putting on the second coat of paint.

One of the pleasant occasions of the last few days was an ice cream supper by the Ladies Home Mission one night last week. Just after the day had died and night with its soft coolings had settled over our bright little Star the ladies gathered at the arbor and after a few minutes pleasant conversation the cream was brought out and the time enjoyed to the utmost. No special preparation or decoration of any kind was indulged in, but nature with her charming environments and a jolly bunch of ladies made the occasion one of much enjoyment. Like Star in all her entertainments, the guests were well supplied with plenty and after the supper was finished, there remained about two gallons of cream. Star always has plenty to eat—that is what makes the Star girl so pretty!

Miss Maggie Manning has been quite sick with fever the last few days, though at this writing she is doing nicely and it is thought she will be up in a few days.

John Woods, one of the prosperous Star farmers, and family have returned from Adamsville, where they attended a camp meeting last week. Miss Burta Garrett, who has been

quite sick with fever, is able to get up and will soon be out of bed and able to be about, which is very pleasing to her friends.

Messrs. Sam and Ollie Morris are putting up a nice residence with the lumber out of the old school house, which they bought last winter.

A jolly bunch of our Star young folks went to Evans last Sunday evening driving, and attended the Holiness meeting at Fairview that night. Among them were: Messrs. Elvis Morris, Howard Morris, Alfred Garrett, Frank Mills, Mason Goode, and B. P. Goode; Misses Arie Slaughter, Ada Morris Flo Hamilton, Zelma Morris, France Brooking, Catherine Burney, Audrey Garrett and Pearl Mills. Will Stepan and wife were in the crowd also.

STAR REPORTER.

PROFIT FOR THE UNITED STATES

The great war in Europe will probably bring economic advantages to the United States. It will enable it to sell its great crops in places which will give a much larger income than if there were no war.

Almost every industry will derive more or less advantage. American investors and bankers should get in much profit from the ability to buy back from Europe great quantities of securities at attractive prices in payment for the foodstuffs and raw materials exported from the United States.

The United States can become, as it has this week, the world's greatest market for capital, and, if the American people rise to their opportunity, they can do a great deal to mitigate the disastrous economic consequence which would otherwise result in many countries from a great European war.

It is obvious that for the time being the money markets of Europe will be closed to the demands of the new capital of Canada, Brazil, Argentine, Mexico and other countries, and at such a time the prestige of the United States would be immensely enhanced if it were to take the place of Europe and meet the pressing needs of these borrowing countries.

It is possible that the United States may participate in the great loans that will have to be raised in Europe if almost the whole continent becomes engaged in war. Possibly the participation will be indirect rather than direct.

For the United States to gain benefit from the position as the wealthiest nation in the world, it is essential that American investors should not only have confidence in the future of their own country, but also that war or no war, the world will continue to progress.

In brief, a great war in Europe will give the United States an opportunity of assuming the post of world banker, by supplying capital freely to countries and individuals in all parts of the globe who need it and can provide the required security. Should the American people take advantage of the golden opportunity afforded them by the outbreak of war, it will mean, not dimmed, but increased prosperity for the United States.—London Statist.

Dr. M. L. Brown is busy this week moving into his new residence on Center avenue, which has just been completed. The new home is a handsome structure, containing some 13 rooms, all of which are furnished in the most modern manner. Considerable work remains to be completed in the yard, but this will be carried through as quickly as possible.—Brownwood Bulletin.

The state Democratic executive committee met in Austin to hear the contest of W. P. Lane for the nomination for congressman at large. It was decided that the committee had no authority to disturb the decision of the state convention and the contest was dismissed. Mr. Lane announced that he would take the contest to courts and has employed Judge Ramsey to represent him.

If you have visitors or know of any other local items, write, phone, or tell the Eagle. I have all kinds of Feed Flour and meal—All fresh and guaranteed.—W. E. Pardue.

"Cured"

Mrs. Jay McGee, of Stephenville, Texas, writes: "For nine (9) years, I suffered with womanly trouble. I had terrible headaches, and pains in my back, etc. It seemed as if I would die, I suffered so. At last, I decided to try Cardui, the woman's tonic, and it helped me right away. The full treatment not only helped me, but it cured me."

TAKE

Cardui
The Woman's Tonic

Cardui helps women in time of greatest need, because it contains ingredients which act specifically, yet gently, on the weakened womanly organs. So, if you feel discouraged, blue, out-of-sorts, unable to do your household work, on account of your condition, stop worrying and give Cardui a trial. It has helped thousands of women—why not you? Try Cardui.

The Eagle appreciates communications and local items sent in by the public. Many interesting items escape us each week, but if the readers will interest themselves in assisting in making the paper better by writing or phoning such local items as they know about, the paper will be more interesting to everybody.

Stacy and Erker McCasland returned Tuesday night from Plain, New Mexico, where they visited their brother Frank and family. They bring good report from the new state of fine crops and people doing well. Frank owns a separator and is doing well selling cream, although he lives forty miles from a railroad.

Members of the Goldthwaite Woodmen Team who attended the encampment at Galveston last week returned home Sunday and report a pleasant and beneficial encampment. Their uniforms did not reach them until Thursday, although they were forwarded by express from here Monday morning. However, they had a good time and are all glad they went.

POMPEY CREEK.

Editor Eagle:

There has been an abundance of rain and crops are splendid.

The trustees have employed Mr. August King, principal and Miss Viola Cherry, of Big Valley, assistant, teachers for the next term of school. We congratulate them on their choice and are sure our school will be a success.

Miss Minnie Jenkins has contracted for the school at Antelope Gap. The people of Antelope Gap are also to be congratulated. No better teacher could be secured than Miss Jenkins, who has taught for us the past three terms. Our loss is their gain. We wish for Miss Jenkins unlimited success, but we still claim her as our own and hope she is only lending her service to another school for the present and will soon return to her rightful place in the Pompey Creek school.

Our Sunday school is not in progress at present, but we are looking forward to a thriving Sunday school when the public school opens. In the meantime, our faithful young people are working up a Home Department Sunday school. Pompey Creek is not dead but keenly alive, and some day others will realize that we are among the leading communities of the county.

Marvin Weatherly and Mesdames A. C. Weatherby and Audin Taylor of North Brown, were guests of Clyde Weatherby and family one day last week.

P. C. Gardner and family of Trigger Mountain visited in our community shortly since.

Mesdames Crawford and W. H. Carlisle of this place, Ann Breazeale of Fisher, George Absber of Trigger Mountain, Jeff Smith and Miss Nobja Carlisle of this place, left recently for Angelina county, and other points to visit relatives.

Miss Jewel Warren and Miss Eva Carlisle were guests at Oak Cluster Farm one day last week.

Mesdames Bolter and Andy Allen of near Goldthwaite were guests of Mrs. Clyde Weatherby recently.

Miss Jewel Warren began to study music recently.

Mr. George Hayes and family went to Blanket one day last week.

Some of our young people have been attending the protracted meeting which has been in progress at Democrat.

Rev. Frank Tippen of Brownwood is conducting a meeting here.

Mrs. W. E. Jenkins has been quite sick this week.

JOAN OF ARC.

THE SOUTH'S PROSPERITY.

"The South is being talked about in every part of the country as a wonderfully prosperous section," said R. L. Siegel of Chicago, Ten years ago comparatively few people in the North realized what vast and varied resources the South had, but the cotton states, and in fact, all the states south of the Mason and Dixon line have been growing rich and have been intelligently exploited within the last five years. Hence it is that home-seekers by the thousands are headed in that direction.

When I first visited Alabama about six years ago, I observed considerable thrift in the rural sections, but so great has been the progress of agriculture in this state that I was simply amazed on looking out of a car window on a Louisville & Nashville train at the splendid condition on the farm—crops, dwellings and barns. I am told that nearly all the Southern States are making bumper crops this year. I was in Arkansas last week and everybody was talking optimistically. If the European war crisis has knocked down the price of the cotton, the price will not stay down. We will probably see 12c cotton before the middle of September.—Birmingham Age-Herald.

BIDS WANTED.

I will receive sealed bids for work on cemetery up till noon next Tuesday, Sept. 1. Work to begin following morning and to be completed within three weeks. For particulars see me.

P. H. RAHL.

THE STATE OF TEXAS.

To the Sheriff or any Constable of Mills County—GREETING:

Oath having been made as required by law, you are hereby commanded to summon John G. Collison, John G. Callison, W. D. Heard, W. D. Horde, J. F. Smith, J. A. Blackwell, Mrs. Sarah A. Collison, Mrs. Sarah A. Benton and husband W. H. Benton, Jefferson George, Holman George, James George, Joseph J. George, Eliza Ann George, Freeman George, David George, William Fields, A. J. Oniel, J. A. Hamilton, J. P. Carson, Samuel G. Powell, Asa E. Stratton, Barnes Parker, and William L. Hathaway, and the unknown heirs, legal representatives, legatees and devisees of each and all of the above named defendants deceased, by making publication of this citation once in each week for eight successive weeks previous to the return day thereof in some newspaper published in Mills county, to appear at the next regular term of the District Court of Mills county, to be holden at the court house thereof on the 5th day of October, A. D. 1914, the same being the first Monday in October, 1914, then and there to answer a petition filed in said court on the 12th day of August, A. D. 1914, in a suit numbered on the docket of said court No. 1385, wherein E. W. Peck, Mrs. M. J. Peck a widow Henry Peck and J. E. Peck are plaintiff, and the above named parties are defendants, said petition alleging that heretofore to wit: on or about the 1st day of January, 1914, plaintiffs were and now are lawfully seized and possessed of the tracts of lands hereinafter described, lying and being situated in Mills county, Texas, and known and described as follows, to wit:

1st: The John G. Callison (or Collison) 547 acre survey lying and being situated in Mills county, Texas, patented to him by Letters Patent No. 641, Vol. 8, dated Nov. 26, 1875, and being Abst. No. 123.

2nd: The William L. Hathaway 673 acre survey lying and being situated in Mills county, Texas, patented to J. P. Carson and William Fields by Patent No. 1071, Vol. 2, dated March 21, 1855, and being Abstract No. 326, and more fully described in plaintiffs' petition filed in said suit by mees and bound. That on the day and year last aforesaid, the defendants unlawfully entered upon the said premises and ejected the plaintiffs therefrom, and unlawfully withhold from the plaintiffs the possession thereof to their damages in the sum of \$1000.00, and for further cause of action herein the plaintiffs allege that they and those whose estate they have, claiming to have good and perfect title to the above described tracts of land, now have, and have had peaceable the land claimed, and open notorious and adverse possession of the same, cultivating, using and enjoying the same, and by actual enclosure for a period of more than ten years after the defendants cause of action accrued and next before the commencement of this suit.

Plaintiffs further say that the exact nature, extent and character of the defendants claim to the above described land is unknown to the plaintiffs. Plaintiffs pray for judgment for title and possession of the above described land, and that their title thereto be established and quieted as to the claim of the defendants, etc.

Herein fail not, but have before said court on the first day of the next term thereof, this writ with your return thereon, showing how you have executed the same.

Witness L. E. Booker, Clerk of the District Court in and for Mills County, Texas.

Given under my hand and seal of said court in the city of Goldthwaite, Texas, this 12th day of August, A. D. 1914.

L. E. BOOKER, Clerk, District Court, Mills County, Texas.

Not So Strange After All.

You may think it strange that so many people are cured of stomach trouble by Chamberlain's Tablets. You would not, however, if you should give them a trial. They strengthen and invigorate the stomach and enable it to perform its functions naturally. Mrs. Rosie Rish, Wabasha, Ind., writes, "Nothing did me the least good until I began to use Chamberlain's Tablets. It is decidedly the best medicine for stomach trouble I have ever used." DODSON'S GUARANTEE EXPLAINED BY DODSON.

Read What Dodson Says About His Liver Tone to You Who Suffer From Constipation.

"Dodson's Liver Tone takes the place of calomel. Instead of being dangerous, it is harmless and works easily and naturally, without bad after-effects. I have authorized R. E. Clements to refund purchase price (50c.) to you instantly without question if you are in any way dissatisfied with it. If Dodson's Liver Tone can't help you, I don't want your money."

That's how Dodson feels about this pleasant-tasting vegetable-liquid liver regulator and reliever of constipation and biliousness.

The lives of so many people have been brightened and bettered by this great remedy that leading druggists now recommend it and—seven of America's most prominent physicians O. K'd it, after thorough analysis of its ingredients and effects.

It is generally known that calomel, being a poison, is a peril to many. It stays in the system and, while it may seem to give a temporary relief, often "knocks you out" for several days.

With Dodson's Liver Tone you are set right without ache or gripe and with no bad results to interfere in the slightest way with your regular occupation and habits. So great a number of former sufferers from constipation and inactive liver have been vastly benefitted by Dodson's Liver Tone that it would seem wise for you to give it a trial now. Children like it and it does wonders for them. (Advertisement)

How to Cure a Sprain.

A sprain may be cured in about one-third the time required by the usual treatment by applying Chamberlain's Liniment and observing the directions with each bottle. For sale by all dealers. (Adv)

PRESBYTERIAN DIRECTORY.

Preaching at Goldthwaite on 1st, 2nd and 4th Sundays in each month; at Star on 3rd and 5th Sundays.

SCHOOL FUND DEPOSITORY.

Notice is hereby given that, in accordance with the law passed by the 29th legislature providing for and regulating Depositories for public funds, the school board of Goldthwaite, Texas, independent district, will, at its meeting to be held in said city of Goldthwaite on Tuesday night, Sept. 8, 1914, receive proposals from any banking corporation, association, or individual banker in said city who may desire to be selected as the depository of the funds of said school. All bids shall be delivered to the president of the board on or before Sept. 8, 1914, at noon. Said bids shall be sealed and shall state (1) rate of interest that said bidder offers to pay on the funds of said school district for the term between Sept. 8, 1914, and Sept. 8, 1915, and shall be accompanied by a certified check for not less than one-half of one per cent of the school fund of said district for 1913, and shall otherwise comply with the law regulating depositories.

The school board will publicly open all bids at the meeting of said board on Tuesday night, Sept. 8, 1914, and reserves the right to reject any and all bids submitted.

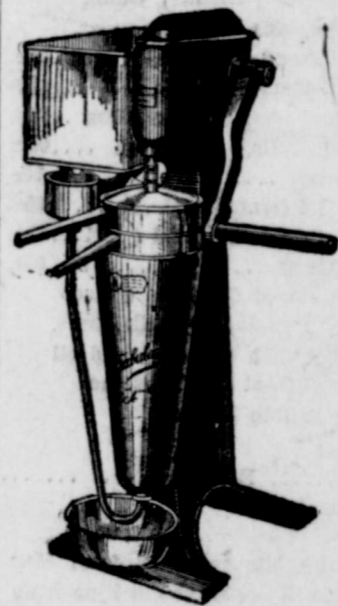

B. F. GRESLIN,
President Goldthwaite School Board.
Attest:
J. T. WEEMS, Secretary.

The Case of L. L. Cantelou.

The case of L. L. Cantelou, Clarendon, Texas, is similar to that of many others who have used Chamberlain's Colic, Cholera, and Diarrhoea Remedy. He says, "After trying a doctor for several months, and using different kinds of medicine for my wife, who had been troubled with severe bowle complaint for several months, I bought a 25c. bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. After using the second bottle she was entirely cured. For sale by all dealers. (Advertisement)

FAR AHEAD

Of the ordinary face creams, it stands out from the others as noticeably as the sun compared with the moon. In our opinion no other face cream compares with Dike's Peroxogen Cream. For sale at Brown & Lowrie's, at 25c the jar. (Adv)
