Prof. T. L. Price spent Saturday with friends in Lampasas.

H. T. Goslin returned Monday from a visit to relatives at Gainesville.

John S. Chesser was one of the business men of Mullin who visited this city the first of the week.

Those who are careful to read the advertisements in this paper benefit themselves, the advertisers and the Eagle.

Rev. L. L. Hays was here Tuesday en route home to Trigger Mountain from a trip to San Saba and Lampasas counties.

I. K. Griffin, one of South Bennett's best men, this week ordered the Eagle sent to his daughter, Mrs. Alma Livergood, at Cupertino, Cal.

Mrs. J. N. Keese left for Fort Worth Wednesday for a visit to her son-in-law and daughter, Sergeant and Mrs. Bedford McBride.

The Eagle has been notified that Arthur W. Cline, one of Mills county's popular soldier boys, has been moved from Camp Travis to the training camp at Clintonville, Wis.

The Methodist district conference will convene at Lometa one week from next Tuesday, which will be April 23. Wednesday, April 24, will be the main day of the conference and the laymen are to hold a special service that evening.

The Boy Scouts of Goldthwaite are indeed a live bunch and are absolutely indispensable in every good work, especially that of a charitable or patriotic nature. All praise to these noble boys and their trainers, Rev. White and Fred Martin.

Rev. J. D. Boone, who served as pastor of the Presbyterian church here for some months and resigned last week on account of ill health, stopped over here Wednesday en route from southern Texas to California where he will make his home.

Mrs. D. T. Bush brought to the Eagle office one day this week an egg which was found in a hen's nest at her place and was strangely marked. There were two W's on the egg and her little grandson expressed the thought that the letters meant "win the war."

The next few months will witness some very interesting and important developments and most people will want a daily paper during that time. The Eagle can make a special offer of a year's subscription to this paper, new or renewal and three months subscription to the Temple Daily Telegram for \$1.75.

Mrs. A. J. Cockrum has received the sad information that her father, Rev. G. W. Templin, is in a very critical condition with very slight hope of recovery. He is suffering with palagra and is under treatment in San Antonio. Rev. Templin has a host of friends in this county who are grieved to know of the seriousness of his condition.

DELIGHTFUL ENTERTAINMENT

The Black Face Minstrel entertainment, by young ladies of Goldthwaite, was one of the most universally enjoyed programs ever presented to an audience in this city. The first presentation was in a matinee Saturday afternoon, which was liberally patronized. That night the Martin & Cline opera house would not nearly hold the audience that assembled and hundreds had to be turned away because of the lack of seating capacity. Because of the appointment of so many in not securing admittance Saturday night the entertainment was repeated Monday night to an audience perhaps equal to that of Saturday night.

The program was well arranged and every number and all features were enjoyed to the limit by the large audiences. The young ladies carried out the parts assigned to them with ability that called forth many complimentary comments. Any one of them would have been "the best on the program" but for the presence and appearance of the others. They were simply great in every particular and no part of the program could have been changed or altered to advantage. There was nothing in the program that should have been left out and nothing left out that should have been in it.

These young ladies are entitled to the praise and gratitude of the entire community for their splendid and untiring work, which netted a liberal sum for the war workers fund.

LIBERTY BOND SERVICE

Rev. W. G. Callihan, pastor of the Methodist church, held a service in his church Sunday night in the interest of the sale of the bonds in this county. While the speakers he invited for the occasion were unable to take their places on the program, the good preacher made a strong appeal to all to buy bonds and it is certain the service will be of benefit to the cause. Special music was rendered by the orchestra, the choir and the audience and altogether it was a most enjoyable and patriotic service.

Among the buyers of Liberty Bonds this week are reported the Center City Masonic lodge for \$50 and the Goldthwaite Woodmen for \$200.

Ben Soules and Dick Jeske, two of the prominent and prosperous business men of Star, transacted business in this city Monday and met with some of their friends.

John Schlee, wife and daughter came in from Priddy Tuesday and left on the morning train for Taylor, where the young lady was to receive treatment in the sanitarium.

J. M. Petsick, one of the prosperous farmers of Caradan community and one of the Eagle's appreciated friends, was a business visitor to this city the first of the week and reported the rain having been decidedly beneficial to his section.

Prof. L. B. Porter, who taught a successful term of school at Regetey, was here Monday en route to his home in Caradan community, his school term having closed. He reported nice rains in Hanna Valley and everything lovely in that fine country.

Mark Conroy, who is in military training at Camp Bowie, returned to that place on Monday night's train after a visit to his aunt, Mrs. Roach who accompanied him to the camp and expected to spend several days with friends in Fort Worth and Dallas.

Some of the club ladies of Goldthwaite have inaugurated a campaign for improving the appearance of the town by beautifying the vacant lots. Flowers and evergreens are to be planted on these lots, which will be transformed into places of beauty by the magic touch of the artistic ability of these ladies.

Rev. W. G. Callihan, pastor of the Methodist church of this city, has been selected by the southwestern department of Red Cross work at St. Louis to have management of the next drive for finances in this county. This drive begins May 20th and continues seven days. It is supposed this county's quota will be something like \$12,000. Rev. Callihan expects to go to Dallas to attend a meeting next Tuesday to be sure all the necessary information and details of the work are understood.

O. H. Yarborough looked after business matters at Lometa Monday.

Chas. Ruckl and A. E. Evans made a business visit to Star the first of the week.

W. J. Ghent of Star was among his friends in this city the early part of the week.

Mayor W. W. Tippin of Mullin was a visitor to this city the early part of the week.

Our good old friend, Mr. W. W. Johnson of North Brown, was among his friends in this city Saturday.

H. C. Cornelius was one of the good men of the eastern part of the county who looked after business in this city the first of the week.

Miss Ora Clark returned to her home at Alvin the first of the week, after a visit to relatives, the Petsick family, in the Caradan community.

Nath Verser, who has been successful in the oil business at Brownwood, left Monday for Robert Lee, Coke county, to begin drilling test oil wells.

Mrs. J. P. Seaborn and children arrived Monday morning from Burk Burnett for a visit to her parents, Mr. and Mrs. R. C. Johnson of Nabors Creek, and other relatives.

Miss Laura Petsick, one of Mills county's most faithful and successful young lady school teachers, was a pleasant caller at this office Saturday. She taught the Cryer school the session just closed and was well pleased with the work and the splendid community.

Rev. T. Sykes, who has made his home in Big Valley for several years, left Tuesday for New Mexico, where some of his children live and where he will make his home. He expects to file on land in that state and will also devote a part of his time to the ministry. He is a fine old gentleman who has the esteem of all who know him and his departure was sincerely regretted. We hope for him the best of fortune in his new location. He requested the Eagle to express his gratitude to the many good people in Mills county who were courteous and kind to him while he lived among them.

THIRD LIBERTY LOAN

COMMITTEE ORGANIZED FOR THE CAMPAIGN.

Meetings To Be Held and Speakers Sent Out—Salesmen To Be Selected.

The campaign for the sale of Liberty Loan bonds in this county is now on in earnest and there is no doubt in anybody's mind as to results—Mills county people can be depended upon to carry their full share all the time.

Judge Robert Weaver was appointed chairman for the drive and he selected as an executive committee the following named citizens: Will H. Trent and Clyde Lane, Goldthwaite; Wm. Denard, Big Valley; Jno. W. Roberts, Rock Springs; T. E. Hamilton, Star; J. W. McNeil, Caradan; Wm. Biddle, Center City; W. H. Rowlett, Regency; W. H. McFarland, Ratler; H. C. Cobb and J. R. Clark, Mullin; G. H. Spiser, Priddy; W. W. Berry, South Bennett; Frank Hines, Antelope Gap.

The committee held a meeting yesterday afternoon to discuss ways and means of making the campaign for the sale of the county's quota of the bonds, which is \$69,700. On motion R. M. Thompson was added to the committee.

The plan adopted for the campaign is similar to that employed in the Red Cross drive and the Food and Feed campaign. Meetings are to be held in the various communities and speakers are to be sent to the meetings, Judge Weaver and Will H. Trent being authorized to secure the speakers and arrange the details.

Announcement was made for the following meetings:

- Goldthwaite — Saturday afternoon, April 13, at 3 o'clock in the court house.
- Mullin—Saturday afternoon, April 13 at 3 o'clock.
- Rock Springs—Thursday night at 8 o'clock, April 18.
- Center City—Friday night, April 19, at 8 o'clock.

- Midway—Thursday night, April 18, at 8 o'clock.
- Mount Olive—Tuesday night at 8 o'clock, April 23.

Judge Weaver was authorized to communicate with the various communities and ascertain what dates would be best for their meetings. He was also instructed to ascertain from the proper authorities if the publication of the names of purchasers of bonds will be permitted during the campaign.

The campaign is on and committee-men have authority to appoint salesmen to assist them.

OLD GLORY

In Texas Old Glory shall wave on high; How beautiful she looks against Liberty's sky. And ever she'll wave under the Texas sun, And she is the one that will conquer the Hun.

We'll hoist her up high and go "over the top," She'll get the Hun and make him hop. We'll catch 'em in day and we'll catch 'em at night; We'll bring them to Old Glory and she'll serve 'em out right.

—Written by Jesse H. Logan, a pupil in the 5th grade, Goldthwaite school.

W. P. McCullough returned yesterday from Dallas, where he attended the state lumbermen's convention.

Earl Welch came in from Camp Travis yesterday for a visit to his home folk at Center City.

THANKS FOR DONATIONS

The committee having in charge the collecting of clothes for the relief of the distressed Belgians were very much gratified at the hearty response. Twenty-one large boxes packed with many new and old garments, some of which the generous-hearted deprived themselves of to help these helpless people for whom our hearts go out in sympathy. These boxes were turned over to Mr. Dew, Chairman of American Red Cross, and shipped last Monday. We wish to thank every one who in any way contributed to this very worthy cause, especially the Boy Scouts, Mr. Clements, schools neighboring towns, churches and merchants for boxes and liberal donations and the ladies for packing.

If I Were A Farmer

If I were a farmer I would keep at hand a few reliable medicines for minor ailments that are not so serious as to require the attention of a physician, such as Chamberlain's Colic and Diarrhoea Remedy for bowel complaints. Chamberlain's Cough Remedy for coughs, colds and croup. Chamberlain's Liniment for sprains, bruises and rheumatic pains. Chamberlain's Tablets for stomach troubles, biliousness and constipation. By having these articles at hand it would often save trouble of a trip to town in the busiest season or in the night, and would enable me to treat slight ailments as soon as they appear and thereby avoid the more serious diseases that so often follow. PATRIOTIC AGREEMENT

The merchants of Mills county held a meeting in Goldthwaite, on Monday, April 8th, and decided that it was their patriotic duty to cease selling flour and wheat products of all kinds until the present shortage is remedied by the incoming wheat crop. The following is a copy of the agreement signed by them.

The State of Texas, County of Mills.

Whereas, There is at the present time a serious shortage of wheat flour, wheat and wheat products, and by reason of which the allied nations and their armies are suffering want and privation; and, whereas, we as patriotic citizens of Mills county, Texas, desire to help remedy the shortage of wheat, wheat flour and wheat products, do for said purpose, enter into the following agreement:

The undersigned retail merchants of Mills county, Texas, do hereby agree:

1. That from and after this date until the 15th day of July, 1918, we will not make any further orders for present and future delivery of wheat, wheat flour or wheat products of any kind.

2. As soon as our present supply of the above commodities is sold out we will not handle any of them until after the 15th day of July, 1918.

3. We agree that if any merchant in this county runs out of said commodities, and desires a reasonable supply thereof from a merchant still having same on hand, that he shall be furnished with the same at cost plus one-half of the retailers profit, said commodities so furnished to be sold for not more than the customary price and on the required one profit plan by the merchant so receiving same.

4. That any violation of this agreement by any merchant in this county shall be considered an unfair practice.

5. We agree to take proper steps to have the flour which we would be entitled to receive from our mills and wholesalers diverted to the use of the United States for export purposes during the whole term of this agreement, which shall expire on July 15th 1918.

Dated April 8th, 1918. (Signed)
Janford Mere, Co., A. D. Baker, E. F. Casey & Sons, E. A. Kemp, B. P. Kittle, W. A. Short, J. B. Hackabea, R. F. Swindle, C. F. Jeske, McKinley Bros. & Jones, Archer Gro. Co., C. M. Head, W. E. Grisham, Goldthwaite Grain Co Star Cash Store, B. C. Soules, C. Meyer.

The above agreement is self explanatory. It means that the grocery merchants of Mills county are loyal, patriotic citizens of this nation, willing to make sacrifices in the conduct of their business for the good of the common cause, the struggle against Kaiserism. There are few, if any, citizens of the various communities of this county who will not applaud this voluntary action on the part of the local merchants. And, if there is a disposition on the part of any one to grumble or grouch about this patriotic action we will all know where such person's sympathies are. Let's be patriotic enough ourselves to stand squarely behind our merchants, and, if merchants in adjoining counties do not join the flour saving movement, let's not be disloyal enough, when the flour supply in Mills county runs out, to take our trade to a merchant who is less loyal than our own, and who is still willing to handle flour regardless of the necessities of our armies and the armies of our allies. It is estimated that at least four car-loads of flour will be saved by virtue of the above agreement, which will be just that much towards putting the French soldiers back on a normal bread ration. Mills county has a population of approximately 10,000, and if four car loads of flour per 10,000 is saved in the United States during the next three

months, the total amount would be more than 40,000 car loads. Would that help win the war?

The present supply of flour in this county will be exhausted about May 1st, and after it is there will be no more sold in Mills county until after July 15th

J. C. DARROCH,
County Food Adm'r.

B. K. WEAVER DEAD

Mr. B. K. Weaver died at his home in the Big Valley community Saturday shortly after noon and his remains were interred in the cemetery at what is known as the Upper Valley Sunday afternoon at 2 o'clock.

Mr. Weaver had been a citizen of this county many years. He was a native of Tennessee and moved from that state to this in the early eighties. He located first at or near McGregor and moved from there to Sims Creek, then Lampasas county, now Mills county. After residing in that section for perhaps a year, he moved to Big Valley in 1885. He was elected county treasurer in 1894 and served for several years in that office.

He had been in bad health for a number of years and was almost an invalid for a year or more before his death. He had a great many friends in his home community and elsewhere who were grieved when the announcement of his death reached them, altho the condition of his health caused them to expect such announcement at any time.

He leaves two sons and seven daughters, besides other relatives to mourn his death. His sons are: Judge Robert Weaver and Isaac Weaver. His daughters are: Mrs. T. E. Alvis, Roby; Mrs. W. N. Griffin, Mullin; Mrs. J. W. Burdette, Nabors Creek; Mrs. B. D. Forehand, Goldthwaite; Mrs. A. F. Bledsoe, Mrs. Wm. Dennard and Mrs. Dan Long of Big Valley.

The funeral services Sunday afternoon were attended by a large number from this city as well as from Big Valley and other parts of the county and from San Saba county.

PATRIOTIC SERVICE

A patriotic service was held in the Baptist church Sunday night, with an interesting program. A large audience was present and special music was rendered by the junior choir. Rev. W. R. White, pastor of the church, conducted the service and made a strong appeal in the interest of the campaign for the sale of Liberty Bonds and Thrift Stamps, as well as for the great work of the Red Cross. Short talks were made by Judge E. B. Anderson, Prof. T. L. Price, Judge F. P. Bowman and Mr. W. L. Jones. The service was interesting as well as beneficial to the great cause.

The incidental collection at the service was devoted to the purchase of Thrift Stamps and the Baptist Sunday school at the morning session also invested \$10 in these stamps.

FREE INFORMATION

Information concerning family allowances, allotments, compensation and insurance for the military and naval forces can be had by applying to the county chairman of the Home Service department, A. R. C., office over Brown's drug store. In case your boy is killed or wounded you do not need the services of a law firm in Washington or elsewhere to look after the insurance, etc. We will do all this for you without cost. Questions answered gladly. W. G. CALJAHAN, Chairman Home Service Dept.

FINE RAINS

Rains last Thursday night and Friday afternoon did a great deal of good in all parts of this county. The small grain crops were helped, grass was made to grow in the pastures, stock water was made plentiful and the ground was put in good condition for plowing. There was not enough to make the crops to be sure, but great benefit resulted from these rains.

A report that ground glass had been found in food at Camp Travis and a number of soldiers were suffering from the effects of the glass caused uneasiness and consternation, but investigation proved the rumor was unfounded and the officer who reported it was suffering from extreme nervousness.

The food administrator is urging the people to buy and use potatoes. Thousands of bushels of potatoes are now on the market and the purchase is slow. Potatoes make excellent food and the public need only to be advised of the condition to induce the purchase of the excess that now congests the market.

Not only is the purchase of Liberty Bonds a duty, but it is a good business opportunity. These bonds are free from taxation and draw interest that pays better than the average commercial paper, when taxes and losses by lapses and in other ways are considered. No safer investment can be found and the man who has money to invest makes no mistake when he buys these bonds.

The Federal employment bureau has established headquarters at Smithville and sub-agencies in most of the larger cities. Farmers who need laborers or who expect to need help in their crops can secure such help by application to these agencies. They are urged to anticipate their wants as far ahead as possible, in order that there may be no disappointment in securing the supply.

The suggestion of secretary McAdoo that the country over-subscribe the Liberty Loan three or four times as an answer to the enemy is a good idea and has the right spirit. The opportunity to secure these government bonds at the rate of interest offered is indeed a rare business opportunity, to say nothing of the duty every loyal citizen owes his country to do his best. There are many good and true people who can not buy any bonds to be sure, but all who can buy should do so promptly and in as large amount as possible.

All newspaper offices are flooded with circulars on every subject imaginable, all requesting publication. Most of these circulars are from some of the governmental departments or some manager of a relief department of one kind or another and doubtless most of the literature sent out is deserving of publication, but the newspaper publishers of the country would all be bankrupt in a short time if they should attempt to comply with all of these requests. Scarcely a day passes but that the Eagle receives enough of this literature to fill the entire issue of the paper.

We will be successful in producing large crops this year largely in proportion to our ability to conserve and utilize the moisture nature is generous enough to send us. It must be remembered that farm work has begun this year in most localities with moisture enough only for present needs, with very little surplus and in some instances not enough for a satisfactory beginning. That we will have rain as we need it all are hoping. But we are at the same time impressed with the importance of saving as much moisture as we can and using as little as possible.—Farm and Ranch.

HOT SPRINGS, ARK

Editor Eagle:

As I sit gazing thru my window this beautiful afternoon, I thought I would spend a few moments writing to the dear old Eagle.

I left home March 25th and stopped off the same evening at Wichita Falls and visited the aviation field. I saw there many sights of interest to me, as I had never seen a flying machine before. The following morning at 3:30 I boarded the train on my way to Hot Springs, Ark., where I expect to leave all of my rheumatic troubles and return home a well man.

I saw nothing on the way of particular interest except plenty of wood and water, which is always an interesting sight to a resident of the Panhandle country. Especially did those tall pines look good to me. I had an all day ride and got a glimpse of the country thru which the train passed. I reached the Springs at 11:30 that night and have been here ever since and this is the 29th so you can guess I am getting kinder home Jek.

It is useless for me to attempt to describe this little city. It is a beauty as well as a wonder. It claims a population of 17,000, is built between the mountains and has some of the largest hotel buildings I ever saw. These hotels are prepared to accommodate thousands of people and the hot springs are a source of endless wonder. You meet people here from all parts of the United States and of every walk of life. Surely it must be, from all I have seen, headquarters for the cripples of the world. The springs are all fixed up nice with cement and are kept very sanitary, under government control.

It is wonderful how the mountains are turned in to beautiful parks from top to bottom, which parks are all provided with comfortable seats about beneath the shades, so when one gets tired he can sit down and rest and view the city below. On the very top of the mountain is a large steel tower, from which a view can be had as far as the eye can reach. This tower is 165 feet high. A visitor can have drinking water of almost any degree he chooses. Some is so hot you can't drink it as it comes from the ground, but must let it cool, some is just medium hot and some is very cold and the curious part is that it is good to taste.

Now, I don't know whether or not I am going to be cured, but it has helped me a lot so far and I am sure it would have cured me if I had come here when I first took rheumatism.

Lots of good wishes to the Eagle and its readers.

\$60.00 in Prizes

\$25.00 in Thrift Stamps

In Amounts of \$15.00, \$7.50 and \$2.50 respectively

To the Three Boys in Mills county, under 18 years of age, who can show the best returns from One Acre of land planted in any kind of food or feed products (watermelons and cucumbers debarred), with the restriction that the land cultivated must be "dry farmed" and a record of sales kept. If the products of the acre are sold to anyone related by blood or marriage to the contestant, the regular market price only can be paid, and no gifts will be considered. This bank will also give

\$25.00 in Thrift Stamps

In Amounts of \$15.00, \$7.50 and \$2.50 respectively

To the Three Girls in Mills county showing the largest returns from a Half Acre planted in a garden, on the same basis as the offer made to the boys.

RULES GOVERNING CONTESTS

All earnings must be, in both cases, invested in Thrift Stamps and a record kept of all sales.

All contestants are required to enter their names at this bank that we may keep a record of such. The plot of ground worked by contestants will be measured and approved by G. W. McDaniel, the county demonstrator.

Contests will close on Dec. 15 of this year. All that will be necessary to be judged will be to exhibit the Thrift Cards and Records of Sales.

No boy or girl living in town need be debarred from these contests, for we can show a record where \$280.00 was made by a girl from the sale of tomatoes raised on a city lot.

\$10.00 in Thrift Stamps

On the above named date we will give to any boy or girl, under 15 years of age, having the greatest amount invested in Thrift Stamps, earned by their own efforts, a prize of \$10.00 in Thrift Stamps. The only stipulation is that the contestants must earn the money the stamps are bought with and show a record of how it was earned.

If one takes the fever within 6 months after being vaccinated with my wonderful medicine, I will furnish you \$625.25 worth of medicine free of charge to treat your cattle. I am the man that's taking the chance, not you, for I am putting up \$625 worth of medicine against every animal I vaccinate, and it only costs you \$1 a head to have your grown cattle vaccinated and 50c a head for yearlings. My medicine does the work—there isn't any guesswork about it. Ask any farmer or stockman in Mills or adjoining counties.

I will have Dr. JOE BECK of Ft. Worth with me next week and want all the farmers and cattlemen to call and meet him, as he is a most interesting speaker on the subject of animal diseases.

In the election last Saturday for the selection of four members of the Goldthwaite school board Messrs. W. L. Jones, E. B. Anderson, E. J. Weatherby and W. H. Linkmeyer were chosen. They are all enthusiastic, good school men and no better men could be found for the very responsible duties devolving upon a school board. Goldthwaite has a mighty fine school system and it is by selecting such men as these on the board that the school has been raised to its present high standard.

ASTONISHED AT THE RESULTS SHE SAYS

Gained Sixteen And A Half Pounds On Tanlac And Troubles Are Gone

"When I bought my first bottle of Tanlac I felt like it was 'at much money thrown away, so my wonderful recovery has astonished me," said Mrs. P. A. Johnson, who resides at 202 Third Street El Paso, Texas, recently.

"For eight years," she continued, "I have been physically broken down and have suffered tortures with rheumatism, indigestion and nervousness. My whole body seemed to be affected with rheumatism and my joints were swollen and pained me so I was almost helpless. My legs hurt me so bad I couldn't bear my weight on them and I had to use crutches and be helped about. Nothing I would eat agreed with me and my stomach was in such an awful shape that I couldn't stand anything tight around me. For months at a time I lived on liquid diet and even this at times caused me trouble. The gas on my stomach affected my heart so sometimes I felt like every breath would be my last and my nerves were simply shattered to pieces. I also suffered terribly from constipation and headaches and never knew what it was to sleep more than two hours any night.

"Honestly, I have spent three fourths of my time during the past two years flat on my back in bed and have taken medicine until my house looks like a drug store. I have spent many a dollar with little or no results. I was told my trouble was caused by appendicitis and when I was operated on and still suffered just as bad as ever, I became discouraged and felt that I would never get well. I could just feel myself going from bad to worse every day. A friend of mine urged me to try Tanlac and I am now on my third bottle, have gained sixteen pounds and a half and am already feeling like a new woman. It's a positive fact these three bottles of Tanlac have done me more good than other treatment and medicines that have cost me hundreds of dollars. The pain and swelling caused by rheumatism has entirely left me, I eat just any and everything I want without it hurting me and sleep every night like a child. My nerves are steady as a clock and I really haven't felt so well in eight years and my friends are all talking about my wonderful improvement."

Tanlac is sold in Goldthwaite by L. E. Miller & Son, in Midway by J. R. Clark, in Regency by Keeling & Keeling, in Priddy by G. H. Spiser and in Star by Star Drug Co. (adv)

Chamberlain's Tablets for stomach troubles, biliousness and constipation.

Ernest A. Greole has been transferred from his former organization, Battery F, 345th. Field Artillery, Camp Travis, Texas, and very much to the regret of his former companions. We miss him but feel sure he will do well wherever he goes, and the rest of the fellows are "rearing" to go too.

Edgar Allen Poe Lucas of Center City, Texas, has recently been transferred to 9th Battalion Headquarters, Depot Brigade Camp Travis, and appointed wagoner. This promotion carried with it an additional pay of six dollars per month.

COULD HARDLY STAND ALONE

Terrible Suffering From Headache, Sideache, Backache, and Weakness, Relieved by Cardui, Says This Texas Lady.

Gonzales, Tex.—Mrs. Minnie Philpot, of this place, writes: "Five years ago I was taken with a pain in my left side. It was right under my left rib. It would commence with an aching and extend up into my left shoulder and on down into my back. By that time the pain would be so severe I would have to take to bed, and suffered usually about three days... I suffered this way for three years, and got to be a mere skeleton and was so weak I could hardly stand alone. Was not able to go anywhere and had to let my house work go... I suffered awful with a pain in my back and I had the headache all the time. I just was unable to do a thing. My life was a misery, my stomach got in an awful condition, caused from taking so much medicine. I suffered so much pain. I had just about given up all hopes of our getting anything to help me.

One day a Birthday Almanac was thrown in my yard. After reading its testimonials I decided to try Cardui, and am so thankful that I did, for I began to improve when on the second bottle... I am now a well woman and feeling fine and the cure has been permanent for it has been two years since my awful bad health. I will always praise and recommend Cardui." Try Cardui today. R 74

POMPEY CREEK

Editor Eagle:

For some time we have been prevented from sending any communications by lack of time, but everything in our community is still pushing forward. As yet we have gotten very little rain, but as we've been told there have been good rains elsewhere our hopes run high.

Our school closed last Friday. It was not as successful as it might have been, because of the reign of contagion, but we are sure that under ordinary circumstances it would have compared very favorably with any school in the county. We are sure the teachers and pupils did their work well.

Our Sunday school was re-organized last Sunday, after being suspended for a long time because of the rigors of the winter and the contagion of the early spring. We are very hopeful of a successful Sunday school, and to make it such we are depending on the co-operation of everybody. We are sure we shall not be disappointed in our young people. We only hope the older people will be half so loyal as our young people.

Many of our people have moved to other parts since our last communication. We miss them, of course. They who remain have settled back to their regular work and everything is moving along smoothly once more.

Mr. and Mrs. Wyatt Sturdevant of West Texas have been visiting the Curb family here and other relatives in different parts of the country.

Mrs. John L. Gunter returned recently from a visit to her daughter Mrs. Emery Reines of Ellis county.

Mr. and Mrs. Harry Stebbins of Mullin were guests in our community one day last week.

Mrs. A. N. Perkins is guest of J. S. Johnson of Mullin this week.

Mrs. Rufe Mertin and children of Mullin were guests at the "Uncle Joe" Fletcher home Sunday.

Mrs. Morgan and infant daughter of Waco, are visiting relatives here and at Mullin.

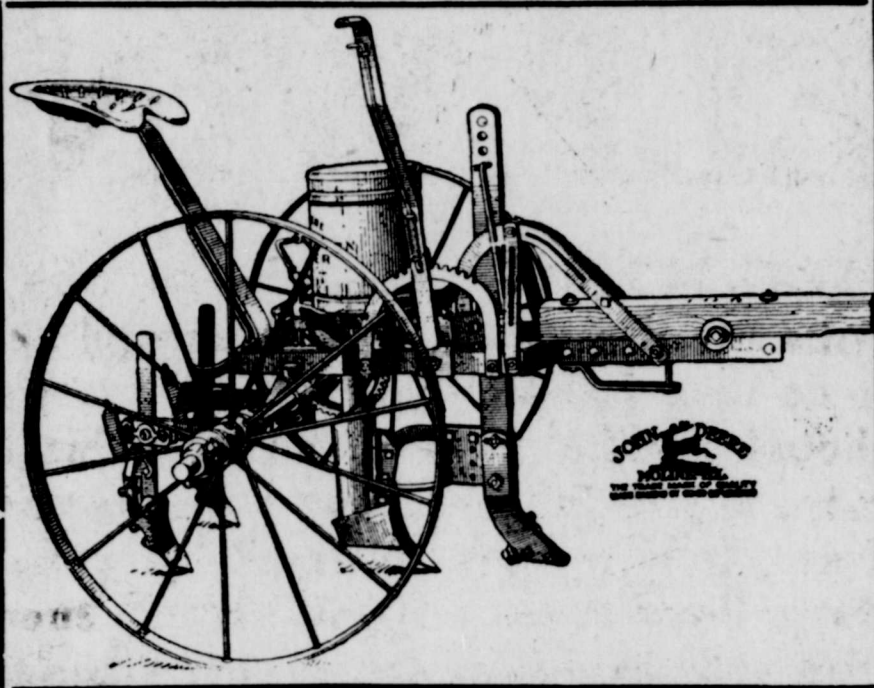

Commissioner Hamilton is having a new bridge built on the Hamilton road.

LIBERAL MERCHANTS

The page advertisement appearing in this paper is paid for by some of the liberal business men of the city. The plan is a good one and was suggested by some of the department heads interested in the sale of bonds and stamps and the conservation of food. Mr. D. A. Lanford, chairman of the advertising committee for Goldthwaite, has undertaken to conduct the campaign along lines approved by these department heads and adopted by the business men of the larger cities. This week the grocery merchants contribute the advertising, next week he will present the matter to business men engaged in some other line and the work will be continued until all have had an opportunity to assist in the publicity campaign and the Liberty Loan, Thrift Stamp and Red Cross campaigns have reached a successful termination.

Goldthwaite business men can always be depended upon to do their full share and then some.

SEED SOWING

Is an important business with the farmer. It is necessary that he have the proper seed and that they be planted properly. In order that the planting and cultivating be done in a way to get best results, it is necessary to have First-Class Implements—and the

JOHN DEERE LINE

covers this requirement exactly. We can supply your every need in this department. Let us show you what we can do for you.

CAMPAIGN NOTES

Very little interest is being taken in the political campaign so far, but as the date for the primary election draws nearer the interest of the voters is expected to increase. The fact that women are to be allowed to vote in the primary in July causes considerable speculation, as their votes will probably make a decided change in the methods and management of some erstwhile politicians.

MISS ZOLA CRYER

In the proper column appears the announcement of Miss Zola Cryer, who is a candidate for the nomination for County Treasurer. Miss Cryer was reared in Mills county and is a most deserving young lady. She has taught some of the best rural schools in different parts of the county and by her own efforts has secured an education which fits her for the position for which she aspires. She has been engaged in teaching the Chesser Valley school the past session, but her school having closed she hopes to be able to make a visit to the various communities of the county and meet the voters. She is in every way qualified to fill the office to which she aspires and has a great many supporters who are enthusiastic in her interests.

CALOMEL SALIVATES AND MAKES YOU SICK

Acts like dynamite on a sluggish liver and you lose a day's work.

There's no reason why a person should take sickening, salivating calomel when a few cents buys a large bottle of Dodson's Liver Tone—a perfect substitute for calomel.

It is a pleasant, vegetable liquid which will start your liver just as surely as calomel, but it doesn't make you sick and can not salivate.

Children and grown folks can take Dodson's Liver Tone, because it is perfectly harmless.

Calomel is a dangerous drug. It is mercury and attacks your bones. Take a dose of nasty calomel today and you will feel weak, sick and nauseated tomorrow. Don't lose a day's work. Take a spoonful of Dodson's Liver Tone instead and you will wake up feeling great. No more biliousness, constipation, sluggishness, headache, coated tongue or sour stomach. Your druggist says if you don't find Dodson's Liver Tone acts better than horrible calomel your money is waiting for you.

The woman's household cares, Often weaken the kidneys.

Backache, headache, dizziness, Kidney troubles, urinary troubles—frequently follow.

A Goldthwaite citizen tells you what to do.

J. C. Carlock, farmer, Fisher St., says: I was doing some heavy work and I strained my back. At first I had pains in my back and mornings couldn't straighten up. The pains extended into my hips and limbs. My kidneys became weak and I had to pass the kidney secretions frequently. I used a kidney medicine and it did me no good and finally I began taking Doan's Kidney Pills. Soon the pain in my back left and my kidneys were regulated. I have had no need of a kidney medicine since."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same Mr. Carlock had. Foster-Milburn Co., M'grs., Buffalo, N. Y.

OBITUARY

On February 19, 1918, the death angel entered the home of R. G. Blackburn and took from them the dear wife and mother, Mrs. Teanie Blackburn. It is hard for us to submit to the departing of our loved ones, when the summons comes. We cannot but think that the worst time of our lives is when we realize that the wife and mother is gone from us, of the many vacancies caused by her absence.

Mrs. Blackburn was born in Bell county, near Sunshine, in 1874. Mr. and Mrs. L. M. Burkes her parents, moved to this county when she was very young. She was married to Mr. R. G. Blackburn in 1894, was member of the M. E. church and lived a true Christian up to the time of her death. A husband, six sons, two brothers two sisters are left to mourn her loss. The brothers are: W. L. and P. A. Burks, the sisters are: Mrs. B. R. Casbeer and Mrs. W. J. Jones. All were at the bed side when the end came. We have a great consolation in the thought that our loss is her gain and heaven the sweeter.

Dear ones, she cannot come back to us, but we are assured that we can go to her. Let us so live, that when the summons comes to know that we will be ready to meet her where there will be no more sorrow and no more tears. MRS. W. J. JONES
