Hubert Jones spent Sunday in Brownwood on important business of a social nature.

Aubrey Taylor went to Austin Monday for a visit to his uncle, Tom Taylor, and family.

Misses Baldwin of Hamlin, who spent several days here visiting Mrs. L. E. Miller, left Sunday for Dallas to visit friends.

W. O. McCulley returned the first of the week from a business visit to San Saba, Brady and other towns and was well pleased with the result.

Threshing is in progress in almost every section of the county. While thousands of bushels of grain have already been marketed here there are yet thousands of bushels to be marketed. It is likely threshing will continue until cotton picking begins.

Butler Evans, who is telegraph operator for the Prairie Pipe Line Co. in Oklahoma, is in the city visiting his parents, Mr. and Mrs. J. C. Evans, and family. He has lots of friends here who are glad to meet with him again. He is a deserving young man and we are all glad to know he is doing well.

The last day of the big picnic and reunion was characterized by a predominance of the carnival spirit. It was Old Settlers day and there were many pioneer settlers, and the other people on the grounds enjoying the privilege of reminiscence conversation. In the afternoon Hon. J. C. Darroch, our representative in the Texas legislature, addressed a large audience on important legislative measures recently passed and pending. Always a pleasing orator his address was replete with interest since each topic was a vital one, concerning as the measures do, the welfare and happiness of our people. It was truly a privilege to hear this brilliant young statesman.—Hamilton Record.

PHONE COMPANY MEETING

The shareholders of the Goldthwaite Rural Telephone Co. held their annual meeting Monday afternoon at the office of the company in this city at which time it was decided to incorporate the company for \$5000 with shares of \$20 each.

Jno. W. Roberts, having purchased the interest of Dr. Brown in the phone system, was given a vote of confidence and assurance of co-operation in the business of the Rural phone system.

The shareholders elected as directors for the ensuing year Jno. W. Roberts, J. C. Street, W. E. Miller, W. A. Bayley and R. M. Thompson.

A vote of thanks and confidence was given C. B. Mohler, the retiring manager, who has been in charge of the company's business here for a number of years.

The directors met after the adjournment of the stockholders and elected Jno. W. Roberts, president and general manager; J. C. Street, vice president; W. A. Bayley, secretary.

PROOF OF APPRECIATION

The Oklahoma State Board of Affairs believes that the country papers and job offices are entitled to recognition and a policy has been adopted whereby the rural press will receive as much of the state printing as can be handled promptly and economically. Recently a schedule for state printing was adopted after a commission composed of city printers and country newspaper men had revised prices that were made by the state several years ago. Chairman Ben Lafayette of the Board of Affairs takes the position that the country newspapers help build up the state and have contributed many columns of matter beneficial in many ways, and they should be recognized when it is possible to do so.

Walter Schiek visited in Coleman the first of the week.

Dr. Brooking made a professional visit to Temple the first of the week.

A subscriber whose subscription expires should not be offended if the paper is discontinued to his address. The publisher has no right to presume that the paper is wanted after the expiration of the time for which it was ordered.

Mr. and Mrs. Jack Golden of Wichita Falls, who have been in the printing business for some time, were pleasant callers at the Eagle office last Saturday. They were visiting relatives in Rock Springs community and were accompanied to this office by Mr. A. F. McGowan.

R. L. McKinley of Hamilton, a stockholder in the business of McKinley Bros. & Jones, has moved to this city and will be connected with the firm's store at this place. He and his family will occupy the Weems residence in the Eastern suburbs. They have a hearty welcome to Goldthwaite.

E. D. Morgan of Canadian, who is conducting a meeting at Locker, was down Monday meeting some of his many friends. He looked prosperous and seemed pleased with the Panhandle and the only radical change that we saw in him is that he is driving a Ford instead of "Old Dolly."—Richland Springs Eye-Witness.

The next state campaign bids fair to open early. Already some men have announced their determination to offer for political preferment, but naturally there will be a number of such announcements that will prove to be "feelers" and will never materialize. The campaign, when it does open, however, will be a hot one, unless the Eagle makes a mighty bad guess.

MILLS COUNTY ASSOCIATION

The Mills county association will meet this year with the Goldthwaite Baptist church on Thursday night before the fourth Sunday in August. It is very desirable that every church in the association send messengers to this meeting with full statistics of the past year's work. It is only thru the association that we can get an accurate account of the progress of our work as a denomination.

Another reason that a full attendance is desired is to plan for the work of Christ's kingdom in the association and also the "Great \$75,000,000 Campaign" that we are now in to advance the work throughout the world. Never have we had such a bountiful year. Everything on the farms has produced wonderfully. Shall we not out of the abundance God has given us contribute to the work He has left us to do?

The church at Goldthwaite is making arrangements to take care of all who come. Brethren, do not disappoint us, but come praying while we are attending to the Lord's business we may also have a spiritual feast.

Yours in the work of the Lord,
G. W. JACKSON,
Moderator Association.

LADIES AID SOCIAL

The annual social of Baptist Ladies Aid will meet with the retiring president, Mrs. D. L. Lanford, Monday afternoon at 4 o'clock, August 11, 1919.

Opening song—No. 69.
Bible reading—Mrs. Park.
Invocation—Mrs. M.E. Thompson.

President's address—Mrs. McCullough.
Reading—Mrs. J. M. Hicks.
Music—Mrs. Fred Martin.
Select reading—Mrs. Atkinson.
Song—Doris Thompson.
Reading—Mary Florence McCullough.

A BIG CELEBRATION

CONFEDERATE REUNION AND RECEPTION FOR YOUNG SOLDIERS

Fine List of Speakers—Many Modes of Entertainment—Elegant Exhibits—Big Barbecue.

The annual Confederate reunion and reception for the young soldiers for 1919 is now a thing of the past, but memories will linger around this glad occasion as long as those who participated in the celebration shall live.

The programs consisted of speaking, music, readings and similar modes of entertainment and were carried out with a delightful accuracy. The first day's program was under the direction of the ladies committee and they carried thru their portion of the entertainment to a nicety.

The program for Wednesday night is deserving of especial mention and those who took part should have individual mention, for they certainly carried out every detail of the plan.

Second Day

The second day's program, which was the old soldiers' day, was as good as could have been desired. Some of the speakers failed to arrive, but other good ones came and filled the program equally as well and perhaps better than would have been done by those who were absent.

Dr. Hardy, president of Baylor College of Belton, was the principal speaker of the day and his speech was not only entertaining, but it was filled with historical facts and sound logic. He was easily one of the best speakers who ever addressed an audience in Goldthwaite. When one gets a close vision of Dr. Hardy and learns of his splendid qualities and qualifications, one no longer wonders that under his management Baylor college is fast reaching a place at the top of the list of Texas educational institutions.

Negro Minstrel

The young folks gave an entertainment Thursday night which was delightful from every angle. The immense audience cheered them frequently as an evidence of appreciation and the laudation by those who witnessed the negro minstrel and other portions of the entertainment proves beyond doubt that the effort and energy required in the preparation of this program was well directed and that those for whose benefit it was presented were indeed appreciative.

Third Day

Friday was the big day, if any one day could be said to be the big day, for they were all big days. Friday was young soldiers day, however, and there was indeed a mighty throng at the grounds from early morning until late in the afternoon and, in fact there was a pretty good crowd there last night—people who regretted to leave the scene of so much enjoyment and fellowship.

Four of the best speakers came in on yesterday morning's train and made a program that was indeed helpful as well as interesting.

The first speaker for the day was Judge Blair of Belton and his speech alone would have been worth the effort and cost of providing for the reunion. While

this speech was primarily to the young soldiers, there was food for thought and sound logic in every sentence and he fully maintained the splendid reputation he had already gained here, for it is well remembered that he delivered an address here last summer that was equal to the one of yesterday.

Dr. J. H. Groseclose, pastor of the First Methodist church of Temple and one of the biggest men in Southern Methodism, followed Judge Blair on the morning program and his splendid address was heard with close attention and was thoroughly enjoyed by the immense audience. No speech delivered in Goldthwaite in recent years has caused more favorable comment as has this one and those who are responsible for having secured his acceptance of a place on the program feel a just pride in having made such a splendid selection.

Plenty of Barbecue

The barbecue dinner was enjoyed by thousands of people and there were ample provisions for them all. Mr. J. C. Street, who was in charge of this department, had called to his assistance men on whom he could depend and so well was every detail given attention that many were heard to say that this was one of the finest barbecues they ever attended.

A Good Program

Prof. R. M. Caldwell of Dallas was the first speaker after dinner and his speech was indeed worthy of a much larger audience than could assemble at the auditorium and in its vicinity. He is a man of superior educational and mental attainment and is a gifted speaker. Mills county was fortunate in having secured him as one of the speakers at the reunion.

Col. P. L. Downs, a banker and well known business man of Temple, came next on the program and his sound advice and helpful suggestions for farmers and business men were applicable and profitable alike to citizens of all vocations. Col. Downs is one of the most prominent men in central Texas and his visit here was appreciated by all who heard his speech and especially by all those interested in the welfare, advancement and development of the resources of the county.

Judge S. H. Allen was here and took a leading part in making the reunion pleasant for the old soldiers and visitors as well. He delivered a most appreciated address and in other ways made his presence a matter of pleasure for all who were in attendance upon the big event. He lives in Bell county, but he still belongs to Mills county just the same.

Flying Machines Here

Two flying machines were secured for the occasion from the government field at Waco. They arrived yesterday about noon and landed in Mr. Street's pasture, on the Bulls Springs road. Last evening about 7 o'clock the machines commenced their program of "stunt" flying for the entertainment of those at the reunion grounds and in town.

The coming of these planes had been known for several weeks. Lieut. Fairman had been promised at least two machines for young soldiers' day, but no advertisement was made of their coming because flying machines had been advertised on several previous occasions and the people had been disappointed,

DRIVE To Side or Front

And load up with some of this good Peacemaker or Golden Sheaf Flour

Bring Me Your Grain

I have opened a GRAIN house in the building next door to the Trent State Bank, on Fisher street, at which place I will buy all kinds of grain.

GET QUOTATIONS FROM ME

I also exchange Gladiola Flour for Wheat. Come to see me and let us talk over the grain situation.

J. C. STREET

ed, hence it was determined to allow them to come and noise their arrival afterwards.

The flying machines were operated by Lieut. J. B. Kelsey, Sergeant Pinkney Cottrell, enlisted flying instructor, and Sergeant Shealer. They proved to be very clever gentlemen and expert flyers. In fact, one of them is said to be the most expert operator in the United States.

Premium List

The award of premiums can not be given in this issue, because of the length and the fact that the keepers of the exhibits and the committees on awards had not been able to complete the records at the time the Eagle was put to press. This list, it is hoped, will be secured for next issue.

I buy hides, chickens, cream and butter.—W. O. McCulley.

Bring us your butter and we pay more for them than Lanford & Miller.

When you have a beef, sell give me a call.—W. O. McCulley.

We have a few discs that we are offering at low prices.—Sullivan & Trent.

T. F. Elliott, one of the most men of the Antioch community, was looking business in the city and at the reunion yesterday.

The cream station on the side of the square is paying top price for cream.—W. O. McCulley.

**PUBLIC NOW TOLD ALL
ABOUT TANLAC**

Authorities Now Show Just What
This Medicine Really Is

In a recent issue of this paper
announcement "was made that
Tanlae now has the largest sale
of any medicine of its kind in
the world and that more than
twelve million bottles had been
sold during the past four years.
These are unusual figures and
the question naturally arises in
the mind of the reader why this
phenomenal success and why
has this preparation so far out-
stripped all other medicines of
its kind. It is only natural,
therefore that the manufacturers
should offer some explanation to
satisfy public interest.

In the first place, Tanlae is
manufactured in one of the
largest and most modernly equip-
ped laboratories in this country.
Its formula is purely ethical and
complies with all national and
state pure food and drug laws.
Altogether there are ten ingredi-
ents in Tanlae, each of which is
of recognized therapeutic value.

Many of these ingredients have
been individually known and
used since civilization first began
and some of them have been
used and prescribed by leading
physicians everywhere, but until
they were brought together in
proper proportion and associa-
tion as in Tanlae formula, hu-
manity had not heretofore real-
ized their full value and effect.

In referring to one of the more
important ingredients of Tanlae,
the Encyclopedia Britannica says:
"It has long been the source of
the most valuable tonic medi-
cines that have ever been dis-
covered." In referring to others
of the general tonic drugs con-
tained in Tanlae the 13th edition
of Potter's Therapeutics, a stan-
dard medical text book, states
that "They impart general tone
and strength to the entire system
including all the organs and tis-
sues."

This same well known author-
ity in describing the physiolog-
ical action of still another of the
ingredients of Tanlae which is of
value in treating what is com-
monly known as a "run-down
condition" uses the following
expression: "It is highly esteem-
ed in loss of appetite during
convalescence from acute dis-
eases."

There are certain other ele-
ments in Tanlae which because of
their influence upon the appet-
ite, digestion, assimilation and
elimination improve the nutrition
and vital activity of all the
tissues and organs of the body
and produce that state of general
tonicity which is called health.

In discussing another ingredi-
ent the Encyclopedia Britannica
says: "It is one of the most
efficient of that class of sub-
stances which act upon the
stomach so as to invigorate the
digestion and thereby increase
the general nutrition. It is used
in dyspepsia, chlorosis, anemia
and various other diseases in
which the tone of the stomach
and alimentary canal is defec-
ient." Concerning still another
ingredient this same standard
authority says: "It causes dilata-
tion of the gastric blood vessels
increases secretion of the gastric
juice and causes greater activity
in the movements of the muscu-
lar layers in the walls of the
stomach. It also tends to lessen
the sensibility of the stomach and
so may relieve gastric pain."

The United States Dispensary
makes the following comment
regarding another ingredient:
"It may be used in all cases of
pure debility of the digestive
organs or where a general tonic
impression is required. Dyspep-
sia, atonic gut, hysteria and
intermittent fever are among the
many affections in which it has
proven useful."

There are certain other ing-
redients described in the Dis-
pensary and in other standard
medical text books as having a
beneficial action upon the organs
of secretion, whose proper func-
tioning results in the purification
of the blood streams passing
through them. In this manner
objectionable and poisonous in-
gredients of the blood are re-

moved and the entire system is
invigorated and vitalized.

Tanlae was designed primarily
for the correction of disorders
of the stomach, liver and bowels.
At the same time, however, it
is a powerful reconstructive
tonic and body builder, for it
naturally follows that any medi-
cine that brings about proper
assimilation of the food and the
thorough elimination of the waste
products must, therefore, have
a far reaching and most benefi-
cial effect upon the entire sys-
tem.

Although Tanlae's claims for
supremacy are abundantly sup-
ported by the world's leading
authorities, it is the people them-
selves who have really made
Tanlae what it is. Millions upon
millions have used it and have
told other millions what it has
done for them. That is why
Tanlae has become the real
sensation of the drug trade in
this country, and that is also why
it is the most widely talked-of
medicine in the world today.

Tanlae is sold by all leading
druggists. (adv)

MARRIED IN LAMPASAS

Mr. G. W. McWilliams and
Miss Sallie Rives were married in
Lampasas on July 26 and the
information was imparted to
their friends here this week.
Mr. McWilliams has a number of
friends and acquaintances here
who speak well of him. Miss
Sallie also has a large number of
friends here who join in extend-
ing good wishes for her and her
husband.

L. E. MILLER & SON, GOLDTHWAITE, TEXAS

PICKENS SPRINGS

Editor Eagle:

There have been two or three
threshers here the past week and
in spite of the damage done the
grain by a superabundance of
rain, the harvest yield has been
bounteous. Other farm products
are equally as good and if no
pest strikes the cotton, we think
the yield will be one of the great-
est we have ever had. House-
wives are still busy preserving
fruits and vegetables and more
than likely will be throughout
the summer and fall.

Health is generally very good
here, there being, so far as we
have learned, only a few cases of
light sickness.

Mrs. J. W. Randles was some-
what sick the first of the week.

Mr. Frank Utsman and family
of Coleman county are visiting
his sister, Mrs. Joe Jones.

Mesdames Donald McDonald
and Frank Boulter of the Pompey
Creek community were guests at
the Garner home Friday of last
week.

Miss Myrtle Randles returned
Sunday evening from a short
visit with Miss Avalee Steppe of
Trent.

Mr. and Mrs. Fosh of Dallas
Mrs. Gillon of Cameron and Miss
Brown of Dallas are guests of
Mrs. Shields.

Mrs. Tefferteller was right sick
one day this week.

Mesdames Shields, Josh Gillon
and Miss Brown were guests of
Mrs. J. W. Randles and Miss
Myrtle Tuesday. NAN.

SCHOOL FUND DEPOSITORY

Notice is hereby given that, in
accordance with the law passed by
the 29th legislature providing for and
regulating depositories for public
funds, the school board of Gold-
thwaite, Texas, independent district,
will, at its meeting to be held in said
city of Goldthwaite on Monday night,
August 25, 1919, receive proposals
from any banking corporations, as-
sociation, or individual banker in
said city who may desire to be se-
lected as the depository of the funds
of the said school. All bids shall be
delivered to the president of the
board on or before August 25, 1919, at
noon. Said bids shall be sealed and
shall state the rate of interest that
said bidder offers to pay on the funds
of said school district for the term
between Sept. 1, 1919, and Sept. 1,
1920, and shall be accompanied by a
certified check for not less than one-
half of one per cent of the school
funds of said district for 1918, and
shall otherwise comply with the law
regulating depositories.

The school board will publicly open
all bids at the meeting of said board
on Monday night, August 25, 1919,
and reserves the right to reject any
and all bids submitted.

W. L. JONES,
Pres., Goldthwaite School Board,
Attest: NEAL DICKERSON,
Secretary.

If you sit in a cool draft when you
are heated and get a stiff neck or
lame back, you will be looking for
something that will ease the pain. Fix
your mind on Ballard's Snow Lin-
iment and don't be talked out of it,
because it is the best pain relieving
liniment you can get anywhere. Sold

R. M. THOMPSON - Editor.

There is to be a meeting of political has-beens, would-be's and a few "isers" at Fort Worth on the 14th of the present month to endeavor to shape up opposition to the Democratic party in this state.

In sections infected by boll weevil and other insects which prey upon the cotton the hot dry weather has been decidedly beneficial in the way of causing the insects to desist, if in fact they are not destroyed.

On August 18 the government will begin the sale of an immense amount of food supplies bought for army use and not now needed. The sale will be made thru the postal department and delivery will be made by parcels post.

A niece of the khedive of Egypt has arrived in San Francisco and says she is in this country for a husband. She is expected to spend \$50,000 for a wardrobe before entering upon her quest, altho she declares she will introduce Egyptian styles of dress into this country.

The railroad brotherhoods are quoted in a statement urging government control of railroads as saying the brotherhoods "are in no mood to brook the return of the lines to their owners." Can it be possible that the railroad brotherhoods are in reality in control of the country and that the government must do their bidding. If this quotation is correct, it is at least the opinion of the leaders of those organizations that the country is at their mercy and they intend to make the most of it. We shall see later.

Every farmer should have two or more prosperous colonies of bees. The honey bee is our expert carrier of the pollen from flower to flower of fruits vegetables and other crops. The fertilizing of one flower by the pollen from another is the rule among honey plants and self-fertilization is the exception. If your fruit blossoms fail to set fruit perhaps a few colonies of bees would help. The two to ten dollars worth of honey from a colony of bees is a mere pittance of their real value on a farm. And yet from the point of view of honey production alone there is no legitimate enterprise from which a larger percentage of profits can be secured on the necessary capital invested and labor expended. No other enterprise fits in so well with general farming and offers such attractive inducement to the faithful and industrious.—Farm and Ranch.

It behooves all those who are interested in the outcome of cotton crop to utilize whatever information may be available in combating the ravages of the boll weevil. The statement has been made that in some sections of the country this theory of late plowing has been proven out to the satisfaction of at least the passing visitor who looks upon one good field of cotton set beside another field that is not good the difference in growth, yield and production being attributed to the difference in plowing. The government agents have an opportunity to study the life and habits of the boll weevil this year as never before perhaps. Knowledge of the life and habits of this enemy of the cotton crop may lead to the discovery of some method which will cause each boll weevil to wear a gas mask and the cost of the gas mask will be so high that the weevil will have to go back to the corn crop where he belongs, if Smithers knows what he is talking about when he says the boll weevil is the corn weevil.—Temple Telegram.

RELATING TO CONFEDERATE PENSIONS AND INCREASING TAX RATES FOR PAYMENT OF SAME

House Joint Resolution No. 35.
Proposing an amendment to Section 51 of Article 3 of the constitution of the state of Texas to provide that the legislature may grant pensions to Confederate soldiers, sailors and their widows, who have been citizens of Texas prior to Jan. 1, 1910, providing that all soldiers, sailors and their widows eligible under the provisions hereof shall be entitled to be placed upon the rolls and participate in the pension fund created hereunder; levying a tax of seven (\$0.07) cents on the \$100.00 valuation of property in this state for the payment of such pension, providing that the legislature may reduce the rate of pension for such purpose, fixing a time for the election to be held on such amendment, and making appropriation to pay the expenses thereof:

Be it resolved by the legislature of the State of Texas:

Section 1. That Section 51 of Article 3 of the constitution of the state of Texas shall be amended so as to hereafter read as follows:

Sec. 51. The legislature shall have no power to make any grant or authorize the making of any grant of public money to any individual, association of individuals, municipalities or other corporations whatsoever, provided however, the legislature may grant aid to indigent or disabled Confederate soldiers and sailors, who came to Texas prior to January 1, 1910, and to their widows in indigent circumstances and who have been bona fide residents of this state since January 1, 1910, and who were married to such soldiers or sailors prior to January 1, 1910, and to indigent and disabled soldiers who under special laws of the state of Texas during the war between the states served in organizations for the protection of the frontier against Indian raiders or Mexican marauders and to indigent and disabled soldiers of the militia of the state of Texas who were in active service during the war between the states and to the widows of such soldiers who are in indigent circumstances and who were married to such soldiers prior to January 1, 1910, provided that the word "widow" in the preceding lines of this section shall not apply to women born since the year 1866, and all soldiers and sailors and widows of soldiers and sailors eligible under the above conditions shall be entitled to be placed upon the pension rolls and participate in the distribution of the pension fund of this state under any existing law or laws hereafter passed by the legislature, and also to grant aid for the establishment and maintenance of a home for said soldiers and sailors, their wives and widows and women who aided in the confederacy under such regulations and limitations as may be provided by law, provided the legislature may provide for husband and wife to remain together in the home. There is hereby levied in addition to all other taxes heretofore permitted by the constitution of Texas a state ad valorem tax on property of seven (\$0.07) cents on the \$100.00 valuation for the purpose of creating a special fund for the payment of pensions for services in the Confederate army and navy, frontier organizations and the militia of the state of Texas, and for the widows of such soldiers serving in said armies, navies, organizations or militia; provided that the legislature may reduce the tax rate herein levied. And provided further, that the provisions of this section shall not be construed so as to prevent the grant of aid in cases of public calamity.

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified voters of this state at an election to be held on Tuesday after the first Monday in November, A. D. 1910, at which all voters shall have printed or written on their ballots, "For amendment of Section 51 of Article 3 of the constitution authorizing the legislature to grant aid to Confederate soldiers, sailors and their widows who have been residents of this state since January 1, 1910," and "Against amendment to Section 51 of Article 3 of the constitution, authorizing the legislature to grant aid to Confederate soldiers and their widows."

Sec. 3. The governor is hereby directed to issue the proclamation for said election and have the same published as required by the constitution and laws of this state, and the sum of five thousand (\$5,000.00) dollars or so much thereof as may be necessary is hereby appropriated out of the general funds of this state not otherwise appropriated for expenses of publications and elections thereunder.

GEORGE F. HOWARD,
Secretary of State.
(Attest—A True Copy.)

CAMP MEETING

The annual camp meeting conducted by Elder Bradley at the Reynold's crossing on Mullin creek will begin August 15 and continue ten days. There will be a canopy tent provided for the services and those who attend will be made comfortable. Plenty of shade, wood and water for campers.

EXCLUSIVE AGENCY

I have given R. E. Clements the exclusive agency on Logan's Black Pills, Logan's Itch and Ezema Ointment and Logan's Catarrh Relief. J. H. LOGAN, M. D.

Build a Home First

JACOB A. RIIS has said: "Upon the home rests our moral character; our civic and political liberties are grounded there; virtue, manhood, citizenship grow there. American citizenship in the home will be, must be, what the American home is."

Just stop and think what all this means.

Build that home of your own. Come in and let us furnish plans and suggestions. Our service is free.

J. H. RANDOLPH

THE LUMBER MAN

GOLDTHWAITE, TEX.

TWICE PROVEN

If you suffer backache, sleepless nights, tired, dull days and distressing urinary disorders, don't experiment. Read this twice told testimony. It's Goldthwaite evidence—doubly proven.

D. Y. Fox says: "My kidneys first bothered me by causing me to suffer with my back. Then I had rheumatic pains in my limbs and arms. My kidneys at times acted irregularly. As these ailments came on me, I used Doan's Kidney Pills, getting them at Clements' drug store, and they always relieved the rheumatic pains and backache and corrected the kidney action. As a rule, I have Doan's in my house, for I know I can depend on them."
RELIES ON DOAN'S
Mr. Fox gave the above statement April 26, 1915, and on May 20, 1919, he added: "I am a strong believer in Doan's Kidney Pills and am never without a box. When I feel a little sluggish, I always take a few with fine results. I feel the same about Doan's now as I did when I gave my previous statement."
Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Fox had. Foster-Milburn Co., Mfgs., Buffalo, N. Y. (adv)

UNIVERSAL TRAINING

Secretary Baker has recommended to congress a system of universal military training for young men. This recommendation does not seem to indicate the secretary's belief that the League of Nations will bring universal and perpetual peace.

IT WORKS WELL

The pay-in-advance subscription plan adopted by the Eagle and most other county papers has proved decidedly popular with the public. It is a guarantee that there will be no claim entered for a long term of years of subscription when only one year was intended by the patron. The publisher has no reason to believe a subscriber who enters his name for one year wants the paper the balance of his life and should not force the paper upon those who do not order it and then expect them to pay for it. The Eagle has tried the old happy-go-lucky, catch-as-catch-can plan and knows it is not satisfactory to either the patron or the publisher. The pay-in-advance, stop-when-out system is satisfactory to almost every one and will prove to be the best.

Subscribers are requested to watch the dates printed on their labels and renew before the expiration of the time if they desire the paper continued to them.

SHOPS CONSOLIDATED

TRAVELING MAN'S EXPERIENCE

You may learn something from the following by W. H. Ireland, a traveling salesman of Louisville, Ky. "In the summer of 1888 I had a severe attack of cholera morbus. I gave the hotel porter fifty cents and told him to buy me a bottle of Chamberlain's Colic and Diarrhoea Remedy and to take no substitute. I took a double dose of it according to the directions and went to sleep. At five o'clock the next morning I was called by my order and took a train for my next stopping place, a well man. (ad)

CITATION

The State of Texas
To the Sheriff or any Constable of Mills County, Greeting:

You are hereby commanded to cause to be published once each week for a period of ten days before the return day hereof, in a newspaper of general circulation, which has been continuously and regularly published for a period of not less than one year in said Mills county, a copy of the following notice:

THE STATE OF TEXAS:

To all persons interested in the welfare of Earn Conway, Cora Conway, Jim Elmer Conway, Eldred Conway, Audrey Conway, Isaac Conway, Viola Conway and Vela Conway, minors, Mrs. A. B. Conway has filed in the county court of Mills county an application for Letters of Guardianship upon the persons and estate of said minors, which said application will be heard at the next term of said court, commencing on the first Monday in September, A. D. 1919, the same being the first day of September, A. D. 1919, at the court house thereof, in Goldthwaite, Texas, at which time all persons interested in the welfare of said minors, may appear and contest said application, if they see proper to do so.

Herein fail not, but have you before said court, on the first day of the next term thereof, this writ, with your return thereon, showing how you have executed the same.

Given under my hand and seal of said court, at office in Goldthwaite, Texas, this 28th day of July, A. D. 1919.

(Seal) C. D. LANE, Clerk.
County Court, Mills County, Texas.

AN OLD FAULT FINDER

An irritable and fault finding disposition is often caused by indigestion. A man with good digestion and bowels that acts regularly is usually good natured. When troubled with indigestion or constipation take Chamberlain's Tablets. They strengthen the stomach and enable it to perform its functions naturally. They also cause a gentle movement of the bowels. (adv)

Modern Steam Pressing

All garments pressed on a Modern, Up-to-Date Steam Pressing Machine. This machine is equipped with a powerful vacuum attachment which draws all dust and dirt out of your clothing, leaving it fresh and clean. Then it is given an application of hot dry steam which raises the nap of the cloth, removes all unpleasant body odors and gives the garment a most pleasing appearance of newness.

PERMITTING PRISONERS TO SHARE IN THE NET PROCEEDS FROM THE STATE PENITENTIARY SYSTEM.

House Joint Resolution No. 38.

Proposing an amendment to Article 16 of the Constitution of the State of Texas, by adding a few Section thereto to be known as Section 60; providing that the Legislature shall have power to enact laws authorizing a division of the net proceeds arising from the operation of the prison system of this State between the State and prisoners confined in the Penitentiary or their dependents; providing for the submission of a proposed amendment to a vote of the people, and making an appropriation to defray the expense of such election.

Be it resolved by the Legislature of the State of Texas:

Section 1. That Article 16 of the Constitution of the State of Texas, be amended by adding thereto a new section to be numbered Section 60, as follows:

Section 60. The Legislature shall have power to authorize a division of the net profits arising from the operation of the prison system during any one fiscal year between the State of Texas and the prisoners confined in the Penitentiary during said fiscal year or any part thereof, or their dependents in such proportion as the Legislature may determine, not to exceed fifty (50) per cent to such prisoners or their dependents.

Section 2. The foregoing amendment to Article 16 of the Constitution of Texas shall be submitted to the qualified electors of this State for its adoption or rejection, at a special election hereby ordered for the fourth day of November, 1919. All voters on this proposed amendment at said election who favor its adoption shall have printed or written on their ballots the following: "For amendment to Article 16 of the Constitution, authorizing a division of the net proceeds of the prison system of this State between the State and prisoners confined in the Penitentiary or their dependents." Those voting against its adoption shall have printed or written on their ballots the following: "Against the amendment to Article 16 of the Constitution authorizing a division of the net proceeds of the prison system of this State between the State and prisoners confined in the Penitentiary or their dependents." Previous to the election the Secretary of State shall cause to be printed and forwarded to the county Judge of each County, for use in said election, a sufficient number of ballots for the use of the voters in each County, on which he shall have printed the form of ballots herein prescribed, for the convenient use of voters.

Section 3. The Governor of the State is hereby directed to issue his necessary proclamation ordering this election, and have the same published as required by the Constitution and laws of this State. The sum of five thousand dollars (\$5,000.00), or so much thereof as may be necessary, is hereby appropriated out of any funds in the State Treasury not otherwise appropriated, to defray the expenses of publishing said proclamation, and printing and distributing the necessary tickets and blanks for use in said elections.

SHERIFF'S NOTICE OF ELECTION

State of Texas—County of Mills.

Notice is hereby given that an election will be held on the 23rd day of August, 1919, at Big Valley school house, in common school district No. 27, of this county, as established by order of the county board of trustees of this county, of date the 31st day of May, 1919, which is recorded in book 1, pages 20 and 21, in book designated "Record of School Districts," to determine whether a majority of the legally qualified property tax-paying voters of that district desire to tax themselves for the purpose of supplementing the state school fund apportioned to said district, and to determine whether the commissioners' court of this county shall be authorized to levy, assess and collect annually, a tax of, and at the rate of not exceeding 50 cents on the \$100 valuation of taxable property in said district, for said purposes.

All persons who are legally qualified voters of this state and county and who are resident property taxpayers in said district, shall be entitled to vote at said election.

Said election was ordered by the county judge of this county, by order made the 24th day of July, 1919, and this notice is given in pursuance of said order.

Dated the 24th day of July, 1919. J. EVERETT EVANS, Sheriff, Mills County, Texas.

Editor Eagle: The union meeting began Sunday. Rev. Hornburg, pastor of the Coggan Avenue Baptist church of Brownwood, is doing the preaching and doing it well. Bro. Smith from Comanche is leading the singing. He is also a preacher and a good singer.

W. P. Summy undertook to dismount from a moving delivery jitney and was thrown with such force that he was badly hurt and was carried to Temple, where he is under treatment at the sanitarium. It is reported he has a fractured hip bone.

F. P. Epley from Humble is here on business and to visit a few days.

It is almost impossible to hire hands to take care of the feed crop which is the best we have had for years.

Luke McLuke Says The reason why a wife won't agree with her husband is because dandelions will die if you do not raise them in a hot house.

We do not know much. But we do know that a man does not have to get off any conundrums in order to keep his wife guessing.

The woman whose husband has a face like a catfish doesn't trust him any farther than another woman trusts her handsome husband.

During the honeymoon he thinks that she will always wait on him the way she does now, and she thinks that he will always wait on her the way he does now. But both have another think coming.

A modest girl knows that she can attract attention to her pretty legs by continually pretending to pull her skirt down. Luke McLuke knows. I don't. REPORTER.

A BAD ACCIDENT

Wednesday night Mr. W. D. Rudd had the misfortune to run his car into the branch near the residence of Mr. Burdette on the road to the reunion grounds and it was indeed fortunate that the result of the accident was not very serious. In the car with Mr. Rudd were Mrs. Rudd, Mrs. C. Dickerson and Miss Grace Evans and they were returning from the reunion grounds when the light from a car meeting them prevented Mr. Rudd having a clear vision of the road and he did not realize he was so close to the ditch until his car ran into it and turned over. Mrs. Dickerson's arm was bruised, Mrs. Rudd was also painfully bruised and Miss Grace Evans' collar bone was broken, but Mr. Rudd escaped injury. Passers-by soon extricated the occupants of the car from the wreck and assisted them to their homes and they have suffered but little inconvenience from their hurts.

Surgeons agree that in case of cuts, burns, bruises and wounds, the first treatment is most important. When an efficient antiseptic is applied promptly, there is no danger of infection and the wound begins to heal at once. For use on man or beast, Borozone is the ideal antiseptic and healing agent. Sold by R. E. Clements. (adv)

Don't fuss with your cows when the flies are bothering them. Use Fly Oil and keep them off, then you can milk without any trouble. (ad)

Don't forget to tell the grocer to bring you a nice roast from the Meat Market. (ad)

Your work horses will do better work if you keep the flies off of them by using Fly Oil. Get it at Miller's drug store. (adv)

SUCCESSFUL DIVERSIFYING

There is no country in the world where diversified farming can be more successfully carried on than in Mills county. Every kind of farm product, vegetable and fruit that can be grown in almost any part of the world can be grown here with marked success. Mr. Thos. J. Harrison of the South Bennett community and other diversificationists have thoroughly demonstrated this fact. Mr. Harrison has grown on his farm this year corn and cotton, sorghum from which splendid syrup has been made by Mr. Hawkins of that community, also melons of various kinds, including watermelons and cantaloupes. He has also grown luscious fruits of various kinds, notably peaches, pears and plums. The Eagle has had samples, specimens and evidences of these crops and knows of a truth that this is a great country for diversifying.

We have an enormous stock of galvanized iron roofing. Fine to cover barns and granaries. Let us sell you.—Barnes & McCullough.

PROTECTION OF GRAIN

Several farmers protected
themselves against loss to their
growing grain by hail with a hail
policy and many others wish
they had taken the protection of-
fered them, but waited too late.

Corn, cotton, cane, maize, etc.,
can be protected the same as small
grain by a hail policy.

I now offer you protection
against fire on your grain while
standing in the field uncut, cut,
shocked, stacked, sacked or stored
in your granary anywhere on
your farm, one policy covering
in all these conditions.

Also tornado protection after
grain is in granary or barn. The
rates are very reasonable on this
class of insurance.

I am also prepared to take
care of your insurance needs in
all respects, whether in city or
country.

I can get bonds for those who
have to give bonds of any kind.

Notary work is also done, and
will appreciate your business.

New lines men's hats just in.—
Yarborough's New Cash Store.

An increase of 2,500,000
bushels in the country's wheat
receipts from farms for the
month ending July 25 as com-
pared with the same month in
1918, was noted in a bulletin is-
sued today by the United States
grain corporation. In the same
period, the increases in flour
productions was nearly 1,000,000
barrels.

The gross production tax on
oil for the quarter ending June 1
has yielded \$468,827, with an es-
timate that \$10,000 more will be
received for this quarter. Produc-
tion for the three months, ac-
cording to these returns, amount-
ed to around \$10,000,000. Oil
journals and others estimating
production place it much higher
than this and there is a general
belief that producers are not all
reporting their earnings for tax-
ation. The legislature at the
last special session passed a law
to require oil and gas producers
to keep records of their produc-
tion and provided that these
records be kept open to state in-
spectors, as well as stockholders
of the companies. This law,

W. H. Walton and family came in from Lometa the first of the week for a visit to relatives. He returned home Thursday, but Mrs. Walton and children remained for a longer visit.

T. N. Berry, one of the prominent men of Payne section, was in attendance upon the reunion and called to renew for the Eagle. He left some samples of very fine corn which was grown on his farm.

For Sale—149 acres of land, well improved, 65 in cultivation, eight miles northeast of Goldthwaite on Hamilton road, near church and good school, on rural route; \$4000, part on time.—W. H. Littlepage, Postoffice Goldthwaite.

C. M. Thompson and wife accompanied their daughter, Miss Lavonia, to Temple on Sunday night's train and the young lady was placed in the sanitarium for an operation for appendicitis. The operation was performed Monday morning and it is thought the young lady will be able to return home next week. Mr. and Mrs. Thompson returned home Wednesday.

PROVIDING FOR AN ISSUE OF BONDS BY THE STATE FOR THE PURPOSE OF CONSTRUCTION OF HIGHWAYS

House Joint Resolution No. 13.
A joint resolution proposing to amend Section 49, Article 3 of the constitution of the state of Texas relating to the power to create debts by or on behalf of the state so as hereafter to authorize the legislature to enact such laws as may be necessary directing the governor of the state to issue bonds in a sum not to exceed \$75,000,000; providing for a levy of a tax to create the necessary interest and sinking fund therefor, and providing that the proceeds from the sale of such bonds shall be used in the construction of durable, hard surfaced roads upon the public highways of the state.

Be it resolved by the Legislature of The State of Texas:

Section 1. Amend said section so as to read after its adoption as follows:

Article 3. Section 49. No debt shall be created by or on behalf of the state, except to supply casual deficiencies of revenue, repel invasion, suppress insurrection, defend the state in war, or pay existing debt; and the debt created to supply deficiencies in the revenue shall never exceed in the aggregate at any one time, two hundred thousand dollars (\$200,000); provided, however, that the legislature may enact such legislation as may be necessary to authorize and direct the governor to issue bonds of the state in a sum not to exceed seventy-five million (\$75,000,000) dollars, the proceeds to be used in the construction of durable hard-surfaced roads upon the public highways of the state; providing that such proceeds shall be apportioned to the different counties of the state according to the needs of the state highways in such counties; and provided further that under legislative authority a tax not to exceed twenty cents on the one hundred dollars valuation of taxable property in the state may be levied, assessed and collected to provide the necessary interest and sinking fund therefor, and said taxes shall be in addition to the taxes authorized by article 8, section 9 of the constitution.

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors for members of the legislature at an election to be held throughout the state of Texas on the first Tuesday in November, the same being the fourth day of November, A. D. 1919, and the governor of this state is hereby directed to issue the necessary proclamation for said election and to have the same published as required by the constitution and laws of this state. Those favoring the amendment shall have written or printed on their ballots the words, "For amendment to Section 49, Article 3 of the constitution proposing to amend section 49, of Article 3, relating to the power to create debts by or on behalf of the state, so as hereafter to authorize the legislature to enact a law directing the issuance of bonds by the governor of the state in a sum not to exceed seventy-five million (\$75,000,000) dollars, the proceeds of said bonds to be used in the construction of durable hard-surfaced roads upon the public highways of the state; and providing for the levy of a tax not to exceed twenty cents on the one hundred dollars valuation, on taxable property in the state." Those opposing the amendment shall have written or printed on their ballots the words, "Against the amendment to Section 49, Article 3 of the constitution proposing to amend section 49, of Article 3 relating to the power to create debts by or on behalf of the state, so as hereafter to authorize the legislature to enact a law directing the issuance of bonds by the governor of the state in a sum not to exceed seventy-five million (\$75,000,000) dollars, the proceeds of said bonds to be used in the construction of durable, hard-surfaced roads upon public highways of the state; and providing for the levy of a tax, not to exceed 20 cents on the one hundred dollars valuation on taxable property in the state."

Sec. 3. The sum of five thousand dollars (\$5,000) or so much thereof as may be necessary, is hereby appropriated out of any funds in the state treasury not otherwise appropriated to defray the expenses of such proclamation, publication and election.

Sec. 4. The fact that the legislature is restricted by the provisions of Section 49, Article 3 of the state constitution from enacting needed highway legislation creates an emergency and an imperative public necessity exists, demanding the suspension of the rule requiring bills to be read upon three several days, and such rule is hereby suspended.

ROY CONRO, PROPRIETOR

THE CITY GARAGE THE CITY GARAGE THE CITY GARAGE

PERMITTING GALVESTON COUNTY AND CITY TO ISSUE BONDS FOR GRADE RAISING PURPOSES

Senate Joint Resolution No. 23.

A joint resolution proposing and submitting to the people of the state of Texas an amendment to Article sixteen of the constitution of the state of Texas by adding thereto a new section and authorizing the city of Galveston and county of Galveston to issue bonds for protective works, irrespective of constitutional limitation, in the aggregate of five million dollars for both city and county, as may be by the city or county deemed necessary for the raising of the grade, building seawalls and breakwaters and doing any and all kinds of protective works in said city and county, and to levy and collect taxes to retire said bonds principal and interest, providing for a sinking fund and creating an emergency.

Be it resolved by the Legislature of The State of Texas:

Section 1. The city of Galveston and the county of Galveston, and each of them are hereby authorized to issue bonds in such amounts not to exceed in the aggregate five million dollars, for both city and county, as may be by the city or county deemed necessary for the raising of the grade, building seawalls and breakwaters, and doing any and all other kinds of protective works in said city and county, without regard to and irrespective of any provisions of the constitution of the State of Texas limiting tax levies and governing bond issues, and for that purpose to levy and collect taxes to retire and pay same principal and interest, but no debt shall ever be incurred for such purpose, unless provision is made at the time of creating same, for levying and collecting a sufficient tax to pay the interest thereon and to provide at least two percent, as a sinking fund, this provision being cumulative, and authorizing the issuance of such bonds in addition to those heretofore issued for such purposes and still outstanding, the amount of such additional bonds to be issued by the county hereunder, not to exceed one million dollars and the amount of such additional bonds to be issued by the city hereunder not to exceed four million dollars, but nothing herein shall apply to bonds heretofore or hereafter issued for purposes other than those herein defined; provided, however, that that portion of Galveston county not lying within the corporate limits of the city of Galveston shall not be taxed for the purpose of issuing bonds for any of the purposes herein provided within the corporate limits of the city of Galveston, unless such bond issue and tax levy be authorized by a majority of all the tax paying voters residing in Galveston county outside of the corporate limits of the city of Galveston; provided that no such bonds issued by the city of Galveston shall be valid unless such bond issue and tax levy be authorized by a majority of all qualified tax paying voters of the city of Galveston voting at an election to be called for that purpose by the mayor and board of commissioners of said city of Galveston.

Sec. 2.—The governor is hereby directed to issue the necessary proclamation for submitting an amendment to the constitution to the qualified electors of the state of Texas on the first Tuesday in November, 1919, being the fourth day of November, 1919. Those favoring the amendment shall have written or printed on their ballots the words, "For the amendment to Article sixteen of the constitution of the state of Texas, authorizing the issuance of bonds by the city and county of Galveston." And those opposed to the said amendment shall have written or printed on their ballots the words, "Against the amendment to Article sixteen of the constitution of the state of Texas, authorizing the issuance of bonds by the city and county of Galveston."

Sec. 3. The sum of five thousand dollars (\$5,000.00) or so much thereof as is necessary, out of the funds in the state treasury not otherwise appropriated, is hereby appropriated to pay expenses for the carrying out of the provisions of this resolution.

GEORGE F. HOWARD,
Secretary of State.

RESOLUTION FOR THE SEPARATION OF THE STATE UNIVERSITY INTO THE AGRICULTURAL AND MECHANICAL COLLEGE AND INDUSTRIAL COLLEGE AND BOND ISSUES BY EACH

Joint Resolution No. 29.

Resolution to amend Article 10, 11, 12, 13, 14 and 15 of the constitution of the state of Texas, which article relates to education and which sections provide for the establishment and support of the University of Texas, the Agricultural and Mechanical college of Texas and for a branch college for the instruction of colored youths; and that the Texas State Medical College and the School of Mines at El Paso shall be branches of the University of Texas; provides that the University, said Agricultural and Mechanical College and said College of Industrial Arts shall be separate state institutions and independent in organization; provides for the sale of the lands belonging to the University of Texas permanent fund and for the division of the proceeds of such sale and all the properties of the University of Texas, the Agricultural and Mechanical College of Texas and the Prairie View Normal and Industrial College; directs that the respective parts of such shall become the permanent fund of each institution and how it shall be invested; provides that the University of Texas and the Agricultural and Mechanical College of Texas may utilize the permanent fund of each as a basis for the issuance of bonds for improvements and for redemption of such bonds from the income of such permanent funds; provides that the governing board of the Agricultural and Mechanical College may make provisions for permanent buildings for the Prairie View Normal and Industrial College from the proceeds of bond issues by the said Agricultural and Mechanical College; and declares said Prairie View Normal and Industrial College a constitutional branch of the Agricultural and Mechanical College; provides that the legislature shall make provisions for appropriation for the maintenance and development of the University of Texas and the Agricultural and Mechanical College and for the development and support of the College of Industrial Arts, the Normal Schools, the Prairie View State Normal and Industrial College; provides for the authority to the University of Texas and the Agricultural and Mechanical College, pending division of the University endowment, to issue bonds redeemable from the income of the endowment and grant authority to the legislature to make appropriations to supply any deficiency; provides that the legislature shall give encouragement and direction to the development of a University of the first class and an Agricultural and Mechanical College of the first-class and a College of Industrial Arts of the first-class; provides for the submission of this proposed amendment of the constitution to the people, fixing the date for election to be held and making an appropriation to pay the expense of the election.

Resolved by the Legislature of the State of Texas, That Sections 10, 11, 12, 13 and 15 of Article VII of the constitution of the state of Texas, which relates to education and which provide for the establishment and support of the University of Texas, the Agricultural and Mechanical College of Texas and a branch college for the instruction of colored youths, be amended to read as follows:

Section 10. In pursuance of constitutional authority and direction, having established the University of Texas at Austin, in Travis county, the Agricultural and Mechanical College of Texas at College Station, Brazos county; and the Prairie View State Normal and Industrial College for the instruction of colored youths at Prairie View, Tarrant county; and the legislature established the College of Industrial Arts at Denton, in Denton county, the said University of Texas, the Agricultural and Mechanical College of Texas and the said College of Industrial Arts for white girls, are declared separate state institutions independent in organization. The Texas State Medical College, located at Galveston, in Galveston county, the School of Mines, located at El Paso, in El Paso county, are branches of the University of Texas. The Prairie View State Normal and Industrial College for the instruction of colored youths is a constitutional branch of the Agricultural and Mechanical College of Texas.

Section 11. To better enable the

University of Texas and its constitutional branches, the Agricultural and Mechanical College of Texas and the Prairie View State Normal and Industrial College, to fulfill the purposes for which created, all lands and other property heretofore set apart and appropriated for the establishment, endowment and maintenance of the University of Texas and its constitutional branches, together with the proceeds of the sale of such lands heretofore made, or hereafter to be made, for the support and benefit of either institution, shall constitute a permanent fund for the University of Texas, the Agricultural and Mechanical College of Texas and for the Prairie View State Normal and Industrial College; provided that when the permanent University endowment shall, by constitutional and statutory authority, be apportioned to the institutions named it shall be divided between the University, the Agricultural and Mechanical College of Texas and the Prairie View State Normal and Industrial College in the following manner: To the University of Texas, sixty-six and two-thirds (66 2/3) per cent and the Agricultural and Mechanical College of Texas, thirty-three and one-third (33 1/3) per cent; and the governing board of the Agricultural and Mechanical College of Texas shall appropriate to the Prairie View State Normal and Industrial College for colored youths such part of, or interest in, the said thirty-three and one-third (33 1/3) per cent as may be determined equitably by said governing board. The principal of all funds accruing to each institution from the division of the University endowment under the provisions of this section shall, whenever the said endowment is divided, constitute the permanent fund of each and shall be invested as the permanent public free school fund is now or may hereafter be authorized by law to be invested; and the governing boards of the University of Texas and the Agricultural and Mechanical College of Texas shall be authorized with the approval of the governor, and in the manner to be provided by law, to issue bonds for permanent improvements, such bond issues to be based upon the permanent funds of the institution issuing them; and the governing board of each institution shall make provision from the income derivable from its permanent fund for the payment of all bonds issued under its authority as may be provided by law.

Section 12. The lands set apart to the University fund shall be sold under such regulations, at such times, and on such terms as may be provided by law; and the legislature shall provide for the prompt collection, at maturity, of all debts due on account of University lands heretofore sold, or that may hereafter be sold, and shall in neither event have the power to grant relief to the purchasers. And, until such time as the University endowment fund shall be divided, in accordance with constitutional and statutory authority, the proceeds from the sale of lands, as realized and received into the treasury of the state, together with such sum belonging to the funds as may now be in the treasury, shall be invested as the permanent public free school fund is now or may hereafter be authorized by law to be invested; and the interest accruing thereon, and any income from the use of the said University lands, shall be subject to appropriation by the legislature and may be available for the redemption of bonds based on the University endowment and to be redeemed from the said interest and income from the use of land, as may be provided by law, to aid in the construction, equipment and maintenance of the University of Texas and the Agricultural and Mechanical College of Texas, and the total of such bond issues outstanding shall at no time exceed four and one-half million dollars and the legislature is hereby authorized to appropriate out of the general revenues of the state such moneys as may be necessary to cover deficiencies in the interest and sinking fund accounts of the bond issues herein provided for. Provided, that the one-tenth of the alternate sections of the lands granted to railroads, reserved by the state, which were set apart and appropriated to the establishment of "The University of Texas" by an act of the legislature of February 11, 1858, entitled "An Act to Establish the University of Texas," shall not be included in or constitute a part of the permanent University fund.

Section 13. The legislature shall provide by appropriation for the equipment, maintenance and development of the University of Texas, and the branches of the said institution named in this Article and such other branches as may hereafter be established by law; for the Agricultural and Me-

chanical College of Texas and its branches as now or hereafter may be established by law; for the College of Industrial Arts for the education of white girls; for State Normal Schools and for the Prairie View State Normal and Industrial College for colored youths.

Section 14. The legislature shall give encouragement and direction to and make provision for the educational activities of the respective state institutions provided for in this article and as may be adequate for the promotion of literature and the arts and sciences, pure and applied, and for instruction in the professions, of a university of the first class; and for instruction in all those branches of learning which relate to agriculture, animal husbandry, the natural sciences pure and applied, connected therewith, the mechanic arts and military science and tactics, requisite to the development of an agricultural and mechanical college of the first class; and for the education of white girls in the literary branches, the arts and sciences, and in social and domestic economy of the age, as may be necessary to establish and maintain a college of industrial arts of the first class for white girls and for instruction in all the branches requisite to the development of normal schools of the first class.

Section 15. The Prairie View State Normal and Industrial College for the instruction of colored youths of the state, having been located at Prairie View, Waller county, as a branch of the University of Texas, is hereby declared a branch of the Agricultural and Mechanical College of Texas and in lieu of the separate apportionment of a part of the University endowment, as authorized in Section 11 hereof, the said board of directors of the Agricultural and Mechanical College may appropriate to the Prairie View State Normal and Industrial College such part of any fund realized from any authorized bond issue for permanent improvements as the board may determine to be equitable and the fund so appropriated shall be available only for the purpose of constructing permanent improvements for the said Prairie View State Normal and Industrial College.

Section 2. The governor of this state is hereby directed to issue and have published the necessary proclamation for the submission of this proposed amendment to the constitution of the state, to the qualified voters of the state, said election to be held throughout the state on the first Tuesday in November, 1919, and all voters favoring the amendment shall have written or printed on their ballots the words:

"For the amendments to Sections 10, 11, 12, 13, 14 and 15 of Article VII of the constitution of the state of Texas, fixing the constitutional status of the University of Texas, the Agricultural and Mechanical College of Texas, the College of Industrial Arts at Denton, Texas, the Sam Houston Normal Institute at Huntsville, Texas, the North Texas State Normal at Denton, Texas, the Southwest Texas State Normal at San Marcos, Texas, the West Texas State Normal at Canyon, Texas and the East Texas State Normal at Commerce, Texas, and other state educational institutions, and determining the interest, respectively, of the University of Texas, the Agricultural and Mechanical College of Texas and the Prairie View State Normal and Industrial College in the University permanent fund, and providing for the support, direction and development of state educational institutions."

Those opposing the amendment shall have written or printed on their ballots the words:

"Against the amendments to Sections 10, 11, 12, 13, 14 and 15 of Article VII of the constitution of the state of Texas, fixing the constitutional status of the University of Texas, the Agricultural and Mechanical College of Texas, the College of Industrial Arts, at Denton, Texas, the Sam Houston Normal Institute at Huntsville, Texas, the North Texas State Normal at Denton, Texas, the Southwest Texas State Normal at San Marcos, Texas, the West Texas State Normal at Canyon, Texas, the East Texas State Normal at Commerce, Texas, and other state educational institutions and determining the interest, respectively, of the University of Texas, the Agricultural and Mechanical College of Texas and the Prairie View State Normal and Industrial College in the University permanent fund, and providing for the support, direction and development of state educational institutions."

Section 3. The governor is hereby directed to submit this amendment to the qualified voters at an election to be held throughout the state on the

GEORGE F. HOWARD.
(Attest—A True Copy.)

DELIGHTFUL SOCIAL

Mr. W. H. Oglesby of Big Valley entertained last Monday night in honor of the returned soldier boys of this community. A happy spirit of fellowship and joy in renewed pleasures prevailed throughout the evening and interesting conversations between old friends was all that was required to make the occasion a success and a delight to all.

A two-course luncheon was served, consisting of delicious sandwiches and iced tea, cream and cake.

The following boys, who have just returned from active overseas service, were present: Robert H. Oglesby, Stephen Ezzell, Raymond Ballard, George Bohannon, Joe Walker and Alvin Oglesby. Alvin has the honor of being among the first of Mills county boys to leave for service and the last to return.

At a late hour the guests departed each feeling that the evening had been one of unusual happiness and good-will.

A GUEST.

A GOOD SHOW

The Gerrard players have been here this week with their tented theatre and have given entertainment every night to large audiences. The members of the company are artists in their line and their performances have all been meritorious. The plays have been free from objectionable features and the selections have been good. One of the most commendable features about this company is the high moral character of its members. They are nice people and have made friends for themselves here and reflect credit upon their profession.

The company's engagement closes with the performance tonight and they go from here to San Saba to entertain the crowds in attendance upon the fair.

Mr. Hardman's many friends are indeed glad to know he has purchased this excellent place and is now a fixture in the county.

EVER SALIVATED BY CALOMEL? HORRIBLE!

Calomel is quicksilver and acts like dynamite on your liver.

Calomel loses you a day! You know what calomel is. It's mercury; quicksilver. Calomel is dangerous. It crashes into sour bile like dynamite, cramping and sickening you. Calomel attacks the bones and should never be put into your system.

When you feel bilious, sluggish, constipated and all knocked out and believe you need a dose of dangerous calomel just remember that your druggist sells for 50 cents a large bottle of Dodson's Liver Tone, which is entirely vegetable and pleasant to take and is a perfect substitute for calomel. It is guaranteed to start your liver without stirring you up inside, and can not salivate.

Don't take calomel! It makes you sick the next day; it loses you a day's work. Dodson's Liver Tone straightens you right up and you feel great. Give it to the children because it is perfectly harmless and doesn't gripe.

RELATING TO SPECIAL TAXES BY CITIES, TOWNS AND COUNTIES FOR PUBLIC IMPROVEMENTS, PUBLIC ROADS, ETC.

Senate Joint Resolution No. 20.

Proposing an amendment to Section 9 of Article 8 of the constitution of the state of Texas, by changing said Section 9 so as to provide for the levy of taxes by counties, cities and towns, not to exceed thirty cents for roads and bridges and a tax not to exceed fifty cents on the one hundred (\$100.00) dollars' valuation in any one year, for the erection of public buildings, streets, sewers, water works, improvements of cemeteries and other permanent improvements, providing for the levy of a maintenance tax by counties, or political subdivisions thereof, not to exceed sixty cents on the one hundred (\$100.00) dollars valuation, upon a majority vote of the qualified property tax payers voting at an election held for that purpose and making an appropriation therefor.

Be it resolved by the Legislature of the State of Texas.

Section 1. That Section 9 of Article 8 of the constitution of the state of Texas be so amended that the same will hereafter read as follows:

Section 9. The state tax on property, exclusive of the tax necessary to pay the public debt and the taxes provided for the benefit of the public free schools, shall never exceed thirty-five cents on the one hundred dollars' valuation; and counties, cities and towns are authorized to levy not exceeding thirty-five cents for city or county purposes and not exceeding thirty cents for roads and bridges and not exceeding fifteen cents to pay jurors, on the one hundred dollars' valuation exclusive of taxes levied for the payment of debts incurred prior to the adoption of the amendment, September 25, 1883, and for the erection of public buildings, streets, sewers, water works, improvement of cemeteries and other permanent improvements not to exceed fifty cents on the one hundred dollars' valuation, in one year, and except as in this constitution otherwise provided and the qualified voters, who have been assessed or paid property tax, of any county, or subdivision thereof, now existing or that may hereafter be defined by the commissioners' court, may at an election called in accordance with the law authorizing the levy of a special road tax, by a majority vote levy a special tax of not exceeding sixty cents on the one hundred dollars' valuation on all property, for the further improvement and maintenance of public roads; provided that this provision shall be self-enacting and that no part of such tax shall be available to pay an indebtedness incurred prior to the current year for which said tax is collected, except to pay indebtedness now existing and provided further that such levy may be voted off or changed at any time by majority vote of those qualified to vote under this provision. And the legislature may pass local laws for the maintenance of public roads and highways, without the local notice required for special or local laws.

Section 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors at an election to be held for that purpose on the fourth day of November, A. D. 1919, at said election the vote shall be by official ballot which shall have printed or written thereon the words: "For the amendment to Article 8, Section 9 of the constitution of the state of Texas providing for the levy of taxes not to exceed thirty cents for roads, streets and bridges and not to exceed fifty cents for the erection of public buildings, streets, sewers, water works and other permanent improvements, and not to exceed sixty cents for maintenance of public roads in one year," and, also, the words "Against the amendment to Article 8, Section 9 of the constitution of the state of Texas providing for the levy of taxes not to exceed thirty cents for roads, streets and bridges, and not to exceed fifty cents for the erection of public buildings, streets, sewers, water works and other permanent improvements, and not to exceed sixty cents for the maintenance of public roads in any one year." All voters favoring this proposed constitutional amendment shall erase the words "against the amendment to Article 8, Section 9 of the constitution," etc., and those opposing it shall erase the words "for the amendment to Article 8, Section 9 of the constitution," etc., which erasure shall be made by making a mark with pencil or pen through said words. All ballots cast as above provided shall be counted as cast for or against this proposed amendment; and if a majority of the votes cast shall be for the amendment, it shall be declared adopted; if a majority of the votes cast shall be against the amendment, said amendment shall be lost.

Sec. 3. The governor of this state is hereby directed to issue the necessary proclamation for said election and to have the same published as required by the constitution and laws of this state.

Sec. 4. The sum of five thousand (\$5,000.00) dollars, or so much thereof as may be necessary, is hereby appropriated out of funds in the state treasury not otherwise appropriated to defray the expense of such publication and election.

GEORGE F. HOWARD, Secretary of State.

ELECTION PROCLAMATION For Special Road Tax

That, whereas, a petition having the number of signers as required by law has been submitted to the commissioners' court of Mills county, Texas, praying that an election be ordered to be held throughout Mills county to determine whether a majority of the legally qualified taxpaying voters residing in said county desire to tax themselves for the purpose of supplementing the Road and Bridge fund of this county and to determine whether the commissioners' court of this county shall be authorized to levy, assess and collect, annually a special tax of, and at the rate of, not exceeding 15 cents on the \$100 valuation of taxable property in Mills county for said purpose and:

Whereas, there is an order passed by said commissioners' court which is recorded in Book 5, page 34, of the minutes of said court, ordering that an election for said purpose be held on the 12th day of August, 1919.

Now, therefore, I, Robert Weaver, county judge of Mills county, Texas, by virtue of authority vested in me under the laws of Texas, hereby order and direct that an election be held in the several voting precincts of this county on Tuesday, the 12th day of August, 1919, for the adoption or rejection of the proposition to levy a special road tax not exceeding the rate of 15 cents on the \$100 valuation of taxable property for road and bridge purposes.

Only qualified voters of this county who pay a property tax shall be permitted to vote at said election.

Said election shall be held at the polling places of the several election precincts of this county and shall be conducted by the officers holding same in strict accordance with the law and returns made in conformity to the laws of this state and in accordance with this proclamation.

Signed this the 24th day of July, 1919.

ROBERT WEAVER, County Judge, Mills County, Texas.

A GREAT REMEDY

The merits of Chamberlain's Colic and Diarrhoea Remedy are well known and appreciated, but there is occasionally a man who has no acquaintance with them and should read the following by F. H. Dear, a hotel man at Dupuyer, Mont. "Four years ago I used Chamberlain's Colic and Diarrhoea Remedy with such wonderful results that I have since recommended it to my friends." (adv)
