

THE GOLDTHWAITE EAGLE.

VOLUME THIRTY-FIVE.

GOLDTHWAITE, MILLS COUNTY, TEXAS, FRIDAY, APRIL 12, 1929.

NUMBER TWENTY-TWO.

A NEW ROAD BENEFITS GOLDTHWAITE

Improved Road From Hamilton to Zephyr

The improvement of the road from Hamilton to intersect the Goldthwaite-Brownwood road near Zephyr will be of much benefit to Goldthwaite, and the thanks of the business community, as well as the citizens generally, are due Commissioner Duren and others who have taken a leading part in securing this highway, part of which is new and part is improved. This road runs through Pottsville and Priddy and opens up a considerable territory not heretofore accessible to Goldthwaite. The road from this city to Priddy is excellent and is a designated highway now. With this road improvement intersecting the Pecan Belt highway at Priddy the trade territory of Goldthwaite as well as Priddy will be enlarged.

COMMISSIONERS COURT

Commissioners court was in session Monday and Tuesday and re-convened yesterday to complete the business of the term.

The highway license money received the past month was divided to the different precincts. No. 1 received \$167.22; No. 2 received \$78.61; No. 3 received \$112.97; No. 4 received \$27.84.

Returns from the recent election of trustees in the various school districts were examined and found correct.

The county depository bond of the Trent State Bank was approved.

The annual report of the tax collector was examined and approved.

Only 32 rattles from rattle snakes were received this term. The court has received a total of 150 rattles since adopting the plan of paying 10 cents each for them.

A number of road machinery men and one bridge man conferred with the court yesterday.

TRIGGER MOUNTAIN

Bro. Leach filled his regular appointment Saturday morning and evening and Sunday morning and evening. The attendance was not very large on account of the rainy weather.

Miss Mable Lillian Graves spent the week-end in Goldthwaite.

Clarence Vaughn spent Saturday night and Sunday with home folks.

Dan Calaway returned to Waco Sunday afternoon.

Mr. and Mrs. Elmer Berry and boys of Liberty spent Saturday night in the Bud Oden home.

Mr. and Mrs. Cunningham are visiting in Richland Springs and we are glad to report Mr. Cunningham is able to be up some now.

Miss Evelyn Hampton and Ruby Cave visited Irene Tullos Sunday.

Mr. and Mrs. W. E. Garner and children spent Sunday in the J. D. Calaway home.

Truman Vaughn returned to Waco with Clarence Sunday night. He will also work for the State highway department.

Bro. Leach spent Saturday night in the Jess Tullos home, Sunday in the L. L. Hays home and Sunday night in the W. E. Garner home.

James Hill attended church here Sunday night.

Mr. T. S. Dellis and Misses Blanche and Erma Dellis visited Mr. and Mrs. J. W. Dellis Sunday.

Bro. Ivins of Goldthwaite preached for us Saturday night.

Mr. R. E. Davis' brother of Reagan is visiting him.

BLUE BIRD

Perfecting Arrangements For County Fair

PERFECTING PLANS FOR COUNTY FAIR

The Fair Directors met Wednesday and perfected plans for issuing the catalog for the coming fair, as well as arranging other matters looking to a great fair. Messrs. Weaver, McDermott and others will at once enter upon the work of getting up the catalog.

A MAD DOG SCARE

There was a mad dog scare in the Big Valley section the first of the week, caused by the queer action of Adrain Long's large white bull dog. The animal had been gone from home some time and returned Sunday afternoon, going to the lot where Mr. Long was feeding his stock and ran after some pigs. Mr. Long attempted to stop him, when the dog appeared to become infuriated and attacked his master, biting him on the leg and then running away. Several assisted in hunting for the dog, but failed to find him. However, he returned home after two days and was killed, his head cut off and Mr. Long and his father, Mr. R. W. Long carried it to the pasture institute for examination. The test was made at the institute and it was found the head was entirely clear of any indication of hydrophobia, so the Messrs. Long returned home much relieved over the report. Their friends are also rejoiced to know that the dog was not affected with rabies.

CLASS MEETING

The Fidelis class met Tuesday evening, April 9, in the home of Miss Vera Berry. We were asked to sing on arriving. Following this was prayer and the devotional led by our teacher.

When the business had been disposed of, and the carnations revealed, the hostess served tally cards for 42. A number of interesting games were played, while we listened to the radio.

Our hostess, assisted by Mrs. Frank Taylor and Miss Bernadine Rudd, passed a delicious refreshment plate.

Too soon, it was time for us to leave this hospitable home. One and all agree that our president is a royal entertainer.

FIDELIS REPORTER

A CLOSE CALL

There came near being a bad accident in the southern part of town Saturday, when some negroes in an automobile driving west struck the hind wheels of the S. L. Phillips wagon, throwing him to the ground and breaking the wheel. The negroes did not stop to investigate, but drove rapidly away. Mr. Phillips secured the number of the car and will take the matter up with the authorities in the county in which the car is registered. He was not hurt seriously, but it was a close call.

ATTEND FUNERAL IN BROWNWOOD

Among the Goldthwaite folk who attended the funeral of Mrs. H. A. L. Greenwood in Brownwood last Sunday afternoon were Mr. and Mrs. Walter Fairman, Mr. and Mrs. Wilbur Fairman and children, Mr. and Mrs. Mark Fairman, Mr. and Mrs. W. K. Marshall and sons, Mr. and Mrs. W. C. Dew, Mr. and Mrs. John D. Berry, Mr. and Mrs. C. M. Burch, Mr. and Mrs. R. V. Littlepage, Mr. and Mrs. Fred Martin, Mrs. Kelly Saylor.

Wilbur Fairman made a business trip to San Antonio the first of this week.

Miss Letris Berry visited the Doggett twins in Comanche last week-end.

Mrs. Smith of Ranger is visiting her parents, Mr. and Mrs. R. C. Cravey, on Parker street.

Miss Leona Pass returned home Tuesday, after finishing the school at Ridge.

Mrs. I. M. Weaver and son Floyd have returned from a visit to relatives in Oklahoma.

Mrs. Homer Starnes of San Marcos is spending the week with her parents, Mr. and Mrs. Kemper.

Miss Opal Kuykendall of Seallorn is spending the week with her cousin, Miss Grace Denson, in this city.

Mrs. J. M. Campbell was called to the bedside of her mother, who is very sick at the family home in Meridian.

Walters Hester spent last week-end with his home folks in this city. He is a student in college at Brownwood.

Mrs. Chas. Frizzell entertained in her home Wednesday afternoon, in honor of her sister, Mrs. Murphy, of San Angelo.

Rev. W. E. Hawkins, radio preacher, will hold a meeting at Star from the 19th to the 28th of April.—W. A. Teague.

Sam Lambert is spending this week with Lester Lee Moreland, while his parents are attending the conference in San Antonio.

Mrs. E. B. Gilliam of Brownwood spent Monday in this city, visiting her parents, Judge and Mrs. E. B. Anderson.

Mr. P. G. Palmer, who has been sick for several months, took a decided turn for the worse Wednesday and is still very sick.

The contractor for the new school building is already having preliminary work done on the grounds, preparatory to erecting the building.

Mr. and Mrs. John Berry are having their old residence on Fisher street torn away, preparatory to the erection of a brick veneer residence on the lot.

Rev. and Mrs. S. D. Lambert, accompanied by Mesdames J. N. Keese, Sam Oden and Duke Clements went to San Antonio Tuesday, to attend a Missionary conference and see the Passion play.

W. D. Holland was stricken with apoplexy last Saturday morning while engaged in his work as veterinarian, and his condition is quite serious, although there seems to be a slight improvement.

Mr. and Mrs. A. M. Baskin and family, Mrs. Adeline McDaniel, Misses Jewel Rigby, Rosa Mae Fletcher, Mr. and Mrs. Harper Perry of San Saba visited Rev. and Mrs. H. E. Moreland Sunday.

Robert Huffman and daughters, Misses Jessie Mae and Ailene, returned Tuesday night from Brownwood, after spending several days there with Mrs. Huffman, who is in the Central Texas Hospital at that place.

Mrs. Robert Huffman of this city was carried to Brownwood last Saturday for medical treatment. She underwent an operation Monday morning. Friends will be glad to know that she is doing nicely.

Mrs. G. H. Dalton, who spent several days in a hospital in Brownwood following an accident at her home here, when her hip was broken, was able to be brought home Wednesday. She stood the trip well and is improving nicely.

WANTS INFORMATION

I see the matter of having a county school superintendent for Mills county has been presented to the citizens to be voted on in a short time. I am only indirectly interested in the matter, but as a citizen and taxpayer I am interested in the welfare of our schools.

It has been said that the creation of the office of county school superintendent will not increase our taxes, which is true, but his salary will come out of the State and County available school funds and will amount to at least 75 cents per capita, or scholar enrolled, i. e. to say the Goldthwaite Independent School District (I use it as an illustration) would have to take three hundred and ten (\$310.00) dollars of the money appropriated each year to run its schools to help pay the county superintendent's salary.

As he gets \$1,600.00 and traveling expenses the per capita might be more.

The question I am raising is will the benefit to the children of the county be enough above what they now enjoy to curtail the terms of the schools as much as will have to be done to pay for this amount? If it will, I am for it, but if not I shall vote against it.

I would like to know what benefit a county superintendent will bring to the schools that they do not have at the present time? Is it a fact that one district in the county is so organized that it will not have to help pay any part of this salary if this office is created?

Yours for information and the best possible with the funds available for Mills county children. G. W. JACKSON.

A NARROW ESCAPE

Mr. and Mrs. Walter Fairman had a narrow escape from serious injury Saturday night, while enroute from McKinney to Brownwood, to attend the funeral of Mrs. Greenwood. In the suburbs of Fort Worth they stopped at a filling station and as they started their car they saw a large moving van approaching, so they drew to one side to allow it to pass, but instead of passing it ran directly into the front of their car, turning it completely around, crushing the radiator and doing other injury to it.

Mr. Fairman's leg was right badly hurt and he was bruised slightly on the face, but Mrs. Fairman was not hurt. They left their car at Fort Worth and completed the trip to Brownwood on the train.

DAIRY MEETING

A meeting is called for Tuesday, April 16th, at 2:30 p. m. in the District Court room to consider the different phases of dairying. Herd improvement, cheaper feed, should appeal to all. These problems cannot be solved working separately. Come to the meeting for an hour and help work this out.

W. P. WEAVER, County Agent.

CLUB ENTERTAINED

Mrs. Chas. Frizzell entertained the Merry Wives at her home Tuesday afternoon. Mrs. Rowntree won high score for the club members and Mrs. G. H. Frizzell was high for guests. Favors of hand-painted handkerchiefs were provided by Mrs. Frizzell.

THE COUNTY SUPERINTENDENT

I have been asked to write an article on the question of the advisability of electing a County Superintendent independent of the office of County Judge. Since Judge E. B. Anderson has an article in this issue of the paper giving the law and all the facts on the subject it appears that little else need be said.

In the matter of finances in the Goldthwaite Independent District, we could ill afford to pay out from five hundred to one thousand dollars the year for the purpose of paying the salary of the County Superintendent: As we have had to cut our maintenance fund this year to make our levy for the sinking fund account and building fund sufficient to pay interest on the bonds; and further we are facing the necessity of placing another teacher in the grade schools, we could not pay the extra amount without raising the renditions—which would work the same way as raising the taxes.

If we could get a special through the Legislature, like Mullin did, exempting us from paying any of the expenses of the County Superintendent, and follow our personal advantages to the disadvantage of the rest of the County, so putting the burden upon the other fellow, and were selfish enough to take advantage of it, we might be in favor of a County Superintendent too.

We believe the proposition to elect a County Superintendent is "out of time," and ill advised. The time may come when it would be better to have a County Superintendent separated from the County Judgeship; but we are too small yet for that. We have a good ex-officio Superintendent at a salary of (\$300) three hundred dollars the year as compared with a probable two thousand salary a year. Why not let good enough alone?

And why should another district be exempt from paying their part of the expenses and the rest of the County bear all the burden. There is no justice in that. Why not wait about the matter until things can be adjusted where all parts of the county will bear their proportionate portion of the Expenses? And why should one of the largest districts in the County be exempt while the rest have to bear their own and that district's burdens. And why should the proposition come from this exempted district to place a burden upon the rest of the County while they pay nothing? Is it fair?

I hope the people will think! think!! and think again before they go blindly into this matter and vote a burden upon the County school funds that will cause either a raise of taxes or a shorter term for every district in the county.

Very respectfully, EM. WILSON.

A NEW CAR DISPLAY

The Weatherby Motor Co. announces in this issue the display of the new Model A Town Car on next Wednesday, at their show room. It will be interesting to everybody, no matter whether they are in the market for a car, or simply want to keep posted on the latest models.

ROCK SPRINGS

Our pastor, Bro. Sparkman, delivered three good sermons, Saturday night, Sunday and Sunday night.

Mr. J. M. Traylor was elected superintendent of the Sunday School and Mrs. Eula Nickols was elected as his assistant. Mrs. J. M. Traylor was elected teacher of the young people's class, and Mrs. J. O. McClary was elected assistant teacher of the adult class.

We had a fine rain Sunday morning and Sunday night.

R. C. Webb had business at Williams ranch last week.

I want to correct a mistake that was made in my letter by the Eagle. It was Mr. Bryant Smith and sister, Miss Emaline I saw in town week before last instead of Mr. Bryant Smith and wife. I was asked in town who he married. I don't want to mislead any one.

Miss Florence Stark spent Saturday and Sunday at home. Her friends, Miss Ollie Mae Warlick, came home with her.

Hardy Bradley and family have moved into our community.

Jack McNeill and family have moved back to Richland Springs. Mr. Crouch lives on the place vacated by Mr. McNeill.

Mr. J. D. Lowe of Brady spent Sunday with his parents.

R. C. Webb and wife and James Nickols visited the J. C. Stark family one evening this week.

Horace Cooke's school closed Monday. He taught at South Bennett.

Mrs. J. M. Traylor and Marion Robertson went to San Angelo last Thursday to attend the funeral of Mr. Miller.

Beryl Vann and James Watson Roberts spent last week-end in the Nickols home.

Jim Circle of San Saba visited his parents Sunday.

Mrs. Jno. Roberts visited Mrs. Dan Holland, in the city Friday.

George Bohannon and family, who live on the bayou, attended church here Sunday night.

E. W. McNutt and wife visited in the Trigger Mountain community Tuesday.

The hands are still working on the Will Starks house.

Marion Robertson and family visited in the Traylor home Sunday.

Mrs. Orby Woody of Goldthwaite spent the day Tuesday in the Self home.

Landy Ellis and family attended church Sunday night.

Woody Traylor was feeling bad Saturday night, but was able to come to church Sunday night.

There will be a good club program Friday night (tonight) and everybody is urged to be present. BUSY BEE.

MRS. WHITT PASSED AWAY

Mrs. Bernice Whitt, wife of Mr. B. G. Whitt of Chappel Hill community, died in the sanitarium in Brownwood Wednesday night, after a long illness, and her remains were brought here yesterday and interred in the cemetery at this place, after funeral services were held in the home of her brother, D. J. Simpson, a short distance east of town. Mrs. Whitt, nee Bernice Simpson, was reared in this county and leaves her husband and daughter, besides a number of relatives and many friends to mourn her loss.

A SAD MESSAGE

Dr. Mary C. Brookings of Star, received a telegram from Sidney, New York, April 2, stating that her brother had died that morning.

Dr. Mary has lost three brothers, one brother-in-law and sister-in-law since coming to Star.

The first brother, H. E. Spencer, who died a number of years ago, was a man of great business ability and followed his vocation until his death.

Dr. C. W. Spencer was engaged in dentistry and dental surgery, and followed it until the last few years of his earthly existence. He lived a retired life.

Prof. F. G. Spencer, who died April 2, lived in the musical world, conducted singing conventions for many years. He composed a number of sacred hymns and wrote some poetry. Next week the Eagle will print a poem written by him.

Prof. F. G. Spencer, who died April 2, lived in the musical world, conducted singing conventions for many years. He composed a number of sacred hymns and wrote some poetry. Next week the Eagle will print a poem written by him.

TRACK MEET EVENTS

The following is a list of track and field events in the recent county meet held here, together with the winner in each event.

120-yard high hurdles, Jack Welch of Center City first place.

100-yard dash, N. Jones of Center City first place; F. Langford of Center City second place.

880-yard run, Henry of Center City first place; Welch of Center City second place.

220-yard low hurdles, R. Williams of Center City first place; B. Hendry of Center City second place.

440-yard dash, R. Williams of Center City first place; Geeslin of Center City second place.

220-yard dash, C. Head of Center City first place; Langford of Center City second place.

1-mile run, Johnson of Center City first place; Reeves of Center City second place.

1-mile relay, Center City first place.

Pole Vault, R. Williams of Center City first place; Langford of Center City second place.

Running broad jump, Jones of Center City first place; Geeslin of Center City second place.

12-pound shot put, C. Head of Center City first place; J. Welch of Center City second place.

Running high jump, J. Welch of Center City first place; Hendry of Center City second place.

Discus, J. Welch of Center City first place; C. Head of Center City second place.

Javelin throw, C. Head of Center City first place; F. Langford of Center City second place.

JUNIOR BOYS

50-yard dash, R. Hunt of Goldthwaite first place; J. Barnett, Goldthwaite, second place; Casbeer, Center City, third place; Hendry, Center City, fourth place.

100-yard dash, J. Barnett of Goldthwaite first place; Kirby, Goldthwaite, second place; Casbeer, Center City, third place; Rose, Center City, fourth place.

Broad jump, J. Barnett, first place; Frazier, Goldthwaite, second place; Coffman, Center City third place; Head, Center City, fourth place.

High jump, Coffman, Center City, first place; Head of Center City second place; Barnett, Goldthwaite, third place; Casbeer, Center City, fourth place.

Relay, Goldthwaite first; Barnett, Rudd, Soules, Kirby; Center City second; Coffman, Hendry, Johnson, Casbeer.

Total number of points: Goldthwaite 31, Center City 18, Volley Ball, Goldthwaite first; Mullin second.

Tennis doubles, Goldthwaite boys first, Goldthwaite girls second.

Tennis singles, Goldthwaite boys first; Mullin girl first. Playground ball, Goldthwaite girls first; Goldthwaite boys first.

CLASS B HIGH SCHOOL
120-yard high hurdles, H. Blackwell, Goldthwaite, first place; E. Dalton, Goldthwaite, second place; P. Guthrie, Mullin, third place.

100-yard dash, J. Johnson, Goldthwaite, first; S. Jernigan, Goldthwaite, second; C. Ducey, Goldthwaite, third, Houston Langford, Center City, fourth. 880-yard run, H. Ducey, Gold-

thwaite, first; A. Shotwell, second.

220-yard low hurdles, Williams, Center City, first; Johnson, Goldthwaite, second; Blackwell, Goldthwaite, third; Dalton, Goldthwaite, fourth; Lewis, Mullin, fifth.

440-yard dash, Blackwell, Goldthwaite, first; Jernigan, Goldthwaite, second; Shotwell, Goldthwaite, third; Cooke, Star, third; Hendry, Mullin, fourth; Hood, Center City, —.

220-yard dash, Johnson of Goldthwaite, first; Williams of Center City, second; Shotwell, Goldthwaite, third; Hamilton, Mullin, fourth.

1-mile run, C. Ducey, Goldthwaite, first; Lewis, Mullin, second; M. Jernigan, Goldthwaite, third; Johnson, Center City, fourth; Reeves, Center City, —, Jones, Center City, —.

1-mile relay, Goldthwaite first; Center City, second.

Pole vault, Shotwell, Goldthwaite, ties with Johnson of Goldthwaite for first place; Williams, Center City, third; Guthrie, Mullin, fourth; Doak, Big Valley, —; T. Head, Goldthwaite, —.

Running broad jump, Johnson, Goldthwaite, first; C. Ducey, Goldthwaite, second; Duren, Mullin, third; Lewis, Mullin, fourth; Guthrie, Mullin, —; Jones, Center City, —.

Discus throw, C. Ducey, Goldthwaite, first; H. Ducey, Goldthwaite, second; C. Head, Center City, third; Williams, Center City, fourth; T. Head, Goldthwaite, —.

Running high jump, Guthrie, Mullin, first; Hendry, Mullin, second; Duren, Mullin, third; T. Head, Goldthwaite, fourth; Welch, Center City, —.

12-pound shot put, H. Ducey, Goldthwaite, first; C. Head, Center City, second; T. Head, Goldthwaite, third.

Javelin throw, Blackwell, Goldthwaite, first; C. Head, Center City, second; H. Ducey, Goldthwaite, third; S. Jernigan, Goldthwaite, fourth; Langford, Center City, —.

Total points: Goldthwaite 99, Center City 23, Mullin 20

SENIOR GIRLS TRACK AND FIELD

50-yard dash, Traylor, Big Valley, first; Guthrie, Mullin, second; Cooke, Goldthwaite, third.

Baseball throw, Traylor, Big Valley, first; Venable, Center City, second; Doggett, Goldthwaite, third; Long, Goldthwaite, fourth.

Relay, Center Point first (Shelton, Spinks, Perry, Fallon); Mullin second (Guthrie, Dellis, McGarline, Tolliver); Goldthwaite, third (Cooke, Long, Hale, Cody); Duren fourth (Warren, Duren, Hendry, Duren).

Broad jump, Traylor, Big Valley, first; Dellis, Mullin, second; Long, Goldthwaite, third; Cooke, Goldthwaite, fourth.

High jump, Traylor, Big Valley, first; Fallon, Center Point, second; Long, Goldthwaite, and Dellis, Mullin, tie for third place.

THE HIGHWAY OF LIFE

It's not the things of life we share

But the burden of pain we are willing to bear.

It's not of silver and gold we need,

But the loving thought of a friendly deed.

As along life's weary road we tread,

We are coming closer to the gates of God.

When we are weary, troubled or blue,

We look for strength from heaven anew.

As we journey along life's way, May we do a kindly deed each day.

For some poor soul is floundering there,

Whose burden you may help to bear.

It is the little things of life that count,

For these will help to fill your fount.

Let each remember the ending line

For we are all to Him one of a kind.

As I come to the judgment bar of God

I wonder if my life will be What the Master expects of me.

Fidelis Reporter.

THE COMPLICATIONS AND AFTER EFFECTS OF THE INFLUENZA

The most common complications of Influenza are pneumonia, empyema and pleurisy. The most common after effects of Influenza and its complications are bronchitis, neuritis and gall bladder trouble. A persistent bronchial cough hanging on for weeks or months following influenza should be given attention. Persistent pains in the shoulders and thorax are of equal importance. Digestive derangements should also be given careful attention.

In all of those conditions, Chiropractic is most effective. The record of results obtained through Chiropractic adjustments in cases of influenza has not been equalled by any other school of healing, and if one suffers from these after effects, they should seek the Chiropractor as the logical means of obtaining permanent relief. There'll be no regrets.

NEED GLASSES?

Dr. Jones, the eye man, will be in Dr. Campbell's office on Saturday, April 13. See him about your eyes, headaches and glasses.

FENCE NOW

I am booking orders for another car of fence. Any one desiring fence in this car should book their orders with me at an early date.

JNO. W. ROBERTS

YOU WOULD BE SURPRISED

JUST RECEIVED a new car of Monumental Work.—J. N. KEESE & SON, Goldthwaite, Texas.

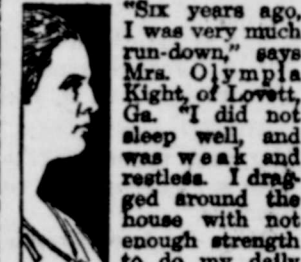

Genuine Kasch Cotton Seed for planting for sale by E. E. and Watson Ross. (adv)

In the city election in Lometa last week W. W. Tippen and Oma Weatherby were elected aldermen. Their Mills county friends are pleased to know that the people of Lometa appreciate the ability and progressiveness of these gentlemen.

Ernest and Ewol Wilson spent Friday night in the home of their parents in this city and left Saturday morning for Corpus Christi to complete the installation of a radio station to be operated there by Dr. Wilson and sons.

Mrs. Ewol Wilson and children of San Angelo visited Dr. Em. Wilson and family in this week, while enroute to Houston to visit her parents. L. E. Miller and wife left Sunday for the Rio Grande valley to look after their real estate interests.

Badly Run-Down

"Six years ago, I was very much run-down," says Mrs. Olympe Knight of Lewitt, Ga. "I did not sleep well, and was weak and restless. I dragged around the house with not enough strength to do my daily tasks. I worried a lot, and this disturbed state of mind reacted on my health. I had often read of Cardui, so I thought I would try it. I soon began to improve after I had taken Cardui for a while. It was astonishing how much I picked up. I slept better, my appetite improved, and that awful dragging-down feeling left me. I was so much better that I continued taking Cardui until I felt perfectly well. Cardui has been used by women for over 50 years. For sale by all druggists."

THE NEW AJAX GOLD BOND BALLOON

Bonded for A Year and A Half Against Blowouts, Cuts, Bruises, Accidents And Other Road Hazards!

The AJAX Gold Bond Performance Contract is the most sensational development in the tire industry since the invention of the modern laloca tire! Now, for the first time, motorists are definitely protected against tire trouble in its most annoying and costly forms. Only a superfine tire could justify so sweeping a pledge, and the new AJAX Gold Bond balloon is precisely that kind! The first extra quality tire at regular prices! Our stock is complete.

The AJAX Gold Bond Balloon is built by the strongest, longest-tenure manufacturer, and is placed in an extra-protective casing.

New shipment of hats just
in at Rosebud Hat Shop.

Mrs. Bina Oquin.

Miss Bessie Crews has returned from Dallas, where she spent several days selecting goods for the Yarborough stores.

Mrs. Joe Evans and little son of Eastland came over last week end to visit Everett Evans and family at Center City and other relatives.

New shipment of hats just in at Rosebud Hat Shop.

Mrs. Bina Oquin.

Judge and Mrs. J. C. Darroch of Brownwood spent Saturday and Sunday here with relatives and he looked after legal business.

Mr. and Mrs. Hill DeWolfe were visitors at the Eagle office Monday. Their show was at Star last week, but they expect to move it to Carlton, Hamilton County, this week-end.

If you patronize your home dealers, you and your neighbors have a chance to get the money again, but if you send it away for merchandise you could buy at home—well, it is a safe bet that you will never see it again.

Jas. Harris of Dermott, Scurry county, has been here this week visiting and viewing the scenes of former days. He was reared in the North Bennett community and is a son of the late Mr. R. A. Harris.

Miss Noma Philen, teacher in the Pompey Creek school, visited with friends in this city Saturday afternoon and evening. Miss Noma is a teacher of ability, and the fact that she is principal of the Pompey school perhaps explains why it is one of the best rural schools in the county.

J. H. Allen of San Antonio spent several days here this week, visiting in the home of his grand-daughter, Mrs. Mark Fairman, and meeting with his friends. He lived in Goldthwaite for a good many years and is kindly remembered by the old settlers and is held in high esteem by all who know him.

Theophilis Fitz, who was reared in Goldthwaite, but has been a famous and highly successful teacher of vocal music for a good many years, has written friends that he will be here in a few days for a visit. He is well remembered by many people here and we are all proud of the success he has made in his profession.

An appreciated letter from our old time friend and fellow citizen, Mr. G. M. Long, comes from Stanton. He tells of a number of Mills county folk who have migrated to that section and they are doing well, yet they remember with kindly feeling their friends and former associations in this county.

Julian Evans returned Monday from a tour of some of the western towns with the Howard Payne College band. William Glenn Yarborough, who is a student in the college, is also a member of the band and was one of the party making the tour. This is an annual trip made by the band to advertise the college in the western part of the state.

Miss Jemmie Mae Reynolds of Caradan, who is a student in Goldthwaite High School suffered a severe injury while practicing for the recent track meet here, when her knee was thrown out of place. She has been walking by the aid of a crutch since the accident, but can bear some weight on the limb, and it is hoped she will soon be fully recovered from the injury.

ABOUT COUNTY SUPERINTENDENT

I have been requested to write an article explaining the law with reference to creating the office of county superintendent, so the people may vote intelligently in the coming election.

Miss Petsiek has written two excellent articles on the subject, but she does not cover the whole law on the subject. Personally, I am not interested in the question, as I have no children to be affected thereby, and have never failed to vote for a school tax. However, I have an interest in every child in the county, and am anxious that he receive the best education possible.

Under the law, a county superintendent in this county will receive a salary of \$1600.00 per annum, and in addition thereto, the county board of trustees may allow him \$300.00 per annum for traveling expenses, all paid out of the State and County available school fund. Each child is required to pay his pro rata part of this expense. This money is not taken out of any local or special tax. The children of the Mullin district will pay no part of this expense, and do not now, as the act of the Legislature creating the district EXEMPTED them therefrom.

Miss, Petsiek, in her last article, stated that it will not increase the taxes of the taxpayer. This is true. The children pay the tax out of their school money.

The County Judge, is now, by virtue of his office, superintendent, with all of the authority and powers vested in the county superintendent, and his duties are the same as that required of a county superintendent. This, of course, is in addition to his duties as county judge. For his service, he is paid \$300.00 per annum, out of the children's money, as against the \$1,600.00 or \$1,900.00, the children must pay a county superintendent.

Miss Petsiek estimated the cost per child as seventy-five cents (75c), but she possibly included the children of the Mullin district in this estimate. As they do not, and will not, if the office is created, pay any of this, you might estimate the cost per child at somewhere around \$1.00.

There is another angle to this matter that Miss Petsiek does not mention. Article 2700, of the Revised Civil Statutes, which she quoted in part, further provides: "and the county board of trustees may make provision for the employment of a competent assistant for the county superintendent, who shall, in addition to his other duties, act as attendance officer; and said board is hereby authorized to FIX THE SALARY of such assistant and pay the same out of the same funds, out of which the salary and expenses of the county superintendent are paid."

So, in the event you have a county superintendent, the county board of trustees may employ an assistant, fix his salary at whatever amount they see fit and it must also be paid out of the available school funds—meaning the money belonging to the children.

In deciding how you will vote on this question, if you will pardon me, I will suggest you consider the following:

First

If you tax each child 75c or \$1.00, will this necessarily shorten his term of school, or decrease the salary of the teacher?

Second

If Mullin is exempted from paying any part of this salary and expense, why cannot Goldthwaite and Star independent districts, likewise be exempted by the Legislature, and thereby place the entire burden of expense on the children of the rural districts? And why should they not, as they all three have excellent superintendents on satisfactory salaries?

Third

Is there any probability that the county trustees may decide to employ an assistant superintendent, in view of the fact that article 2690, of the Revised Civil Statutes, relating to his duties, says: "He shall spend four days each week visiting the schools, while they are in session, when it is possible for him to do so." Might the superintendent persuade the board that he will need some one in his office to look after the duties thereof while he is visiting the schools? If he is successful in persuading them that this is true, and the appointment is made, then in that event, the board of trustees can fix his salary for whatever amount they see fit and, it must be paid out of the available school fund—that is—each child pay his pro rata part thereof, and thereby again decrease the appropriation of each child.

Fourth

Some one has said if the office is created some of the schools would be more likely to obtain state aid. Is not this possibility purely speculative? What assurance have you that it will? Consider the child in the district too poor to comply with the law to obtain state aid. Is it right to tax this child in order to obtain additional aid for the child in a district financially able to comply with the law entitling that district to state aid? In other words, is it right to tax the poorer children in order to benefit those who are better able to pay for their education? You might also ask, is it right for the people of the Mullin district, who pay none of the expense, to vote this charge upon the children outside of that district?

Some have asked me what the county superintendent can do that the county judge can-

not do. Absolutely nothing, as far as I can see. He cannot make any district increase the local tax, or vote a local tax. He cannot make any two or more districts consolidate. He cannot classify the schools any better.

Another has asked me the remedy if the people are dissatisfied. The answer is simple, elect a county judge who has the qualifications of a teacher holding a first grade certificate, whether that officer be a man or woman.

Personally, I believe that the only thing for the voter to consider in this matter is: What is best for the interest of the children. Is it worth \$1600.00 per annum additional to the children to have a county superintendent, separate from the office of the county judge? Will you get teachers equally efficient who will work for the same term length for less pay, or will you have a shorter term of school? Who will be benefitted, the child, the teacher or the new office holder?

Let each voter decide the question in person and vote accordingly, but be sure and go to the polls on April 20th and record your vote for or against the creation of the office.

E. B. ANDERSON.

SCHOOL BOARD ELECTION

The citizens of Goldthwaite and patrons of the Goldthwaite school system are evidently satisfied with the management of the schools by the present School Board, for the three members whose terms expired were re-elected Saturday by the unanimous vote of those who participated in the election. The members who were re-elected were Dr. Em. Wilson, O. H. Yarborough and A. M. Hunt.

MRS. GREENWOOD PASSED AWAY AT MCKINNEY

Mrs. Sarah Greenwood, wife of H. A. L. Greenwood, died at her home in McKinney Friday night and her remains were conveyed to Brownwood and interred Sunday afternoon. The sad service was attended by relatives and many friends from Goldthwaite.

Mrs. Greenwood was a daughter of Mr. and Mrs. Eli Fairman and was reared in this county. Soon after the family moved here from Mullin she was married to Mr. Greenwood and he, together with a grown son and daughter, survives her. While Mrs. Greenwood had been in bad health for several years and in the past few months it was known her condition was more serious, the family was not prepared for the coming of the end so soon. When the message came Friday morning that she was believed to be in a critical condition Mr. and Mrs. Walter Fairman hurried to her bedside, her parents being unable to go on account of their own illness and they were not even able to attend the funeral services in Brownwood. The entire family has the deep sympathy of all their friends in this city and throughout this section.

The Brownwood Bulletin published quite a lengthy and appropriate article regarding the death and funeral of Mrs. Greenwood, saying in part: "The death of Mrs. H. A. L. Greenwood, daughter of Mr. and Mrs. Eli Fairman of Goldthwaite, Texas occurred at 11:30 Friday night, April 5th., in McKinney, Texas, following a prolonged illness. Besides her husband and daughter, who tenderly cared for her during her illness, and her son, Mr. Edward Greenwood and wife of Austin, a brother, Mr. Walter Fairman and wife of Goldthwaite, Miss Florence Greenwood, sister of the bereaved husband, and a few close

TRIGGER MOUNTAIN

"Just too wet to plow," so I will drop the old Bird a few crumbs.

Mr. Clarence Vaughn from Waco visited home folks the past week-end.

The young folks enjoyed a ball game at the school house Sunday afternoon.

Mr. Allie Gregory and family were out driving in our midst Sunday afternoon.

Mr. Truman Vaughn left Sunday for Waco, where he has employment.

Mr. Herchel McCoy and family of Mullin spent Sunday afternoon in the E. Reynolds home.

Mr. T. S. Dellis, Misses Blanche and Erma Dellis visited J. W. Dellis Sunday.

Mr. Jack Davis is visiting his brother, R. E. Davis, and family.

Misses Ruby Cave and Evelyn Hampton spent the week-end in Goldthwaite with home folks.

As news is scarce, will close.

SHORTY.

friends were at her bedside when she expired.

The father and mother of the deceased, with other relatives did all in their power to bring their loved one back to health and strength during her three years of illness.

The funeral services were held at the First Presbyterian church, McKinney, at four p. m. April the sixth; the remains being brought to Brownwood for burial. The funeral here was conducted at the McLinnis Funeral Home Sunday afternoon at five o'clock followed by interment in Greenleaf cemetery. Rector John Power and Rev. W. B. Gray conducted the services.

One of the many courtesies extended the family and expressions of sympathy was the sending of one of the Elders of the Presbyterian church of McKinney to Brownwood to represent that church at the funeral.

The floral offerings at the funeral service and at the grave were indeed beautiful and elaborate.

A VALUABLE PRIZE

The Fairman Company this week received an award of a \$100 prize for having the best display of wire and its uses of any store in the entire South. The award was made by the Gulf States Steel Co., manufacturers of wire fencing, the offer having been made to all dealers in the south and was open to dealers in every town and city, regardless of size or population. The prize is, therefore, valued far beyond the money value, for it puts this store at the head of the class.

The display window securing this prize was arranged in the building now occupied by the Texas-Louisiana Power Co. office and will be remembered by many who admired the unique display and arrangement. The wire was placed in the form of a fence and a stuffed bob cat was placed on one side and several sheep on the other side. There was a back ground of trees and shrubbery, giving it a real rustic appearance. The plan of display was intended to show the sheep safe from the ravages of varmints and predatory animals when pastured inside a woven wire fence. It was indeed a splendid arrangement and the Fairman Company is to be congratulated upon securing the prize in a contest with dealers of the entire south.

AN APPRECIATED LETTER

One of the most appreciated letters the Eagle editor has received since his return to this place was from Mrs. Etta Keel, former district clerk of Mills county, who now holds a responsible and lucrative position in the comptroller's office at Austin. Mrs. Keel is a daughter of the late Capt. D. T. Bush and he and his entire family were always numbered among the appreciated friends of this editor, hence her expressions of friendship and commendation do not come as a surprise, yet they are treasured because they come from this estimable lady.

Fisher St. **J. N. KEESH & SON** Goldthwaite

BAPTIST CHURCH

On April 3, 1848, there was born in Union county, South Carolina, a baby boy that was destined to be one of the foremost citizens of what was then known as the barren hills of Central Texas, but is known today as Mills county, the garden spot of Central Texas, with its sheep, goats, cows, turkeys, chickens, and with a progressive citizenship with high ideals and high standards of moral and religious living, as well as the fountain of youth where the wanderer comes back, not to die, but to live. (Ask the editor of this paper.)

Old "Carolina" seemed to have nothing for this boy, so with his pannels he journeyed to "Ole" Mississippi, but the "delta" of that great state with her southern air could not destroy his aspirations and determination of coming on to what was to be the greatest state in the Union, but at that time largely a wilderness.

In 1869 this boy, now having reached his twenty-first birthday, came to this section of country, locating in Colorado county and remaining there for nine years, then coming to Mills county where he has continually lived for the past half century. In 1887 he answered the call of God to preach the Gospel and since that time has been faithful to his duty, going at any and all times during any kind of weather to help those that were in distress.

On April 3, his children, grandchildren, other relatives, with many friends gathered to observe his 81st birthday. At the close of the services this old veteran of the cross stood up and said that he wanted just such a service to be an annual affair until God called him home. He said he recognized that he was living on borrowed time and that he was ready to answer the call at any time.

The sketch of this article is no other than our dear Brother Miles, one who has wrought faithfully; one who has honored God with his life; one who

TEXAS

ELECTION ORDER

Whereas, the required number of taxpayers have petitioned the Commissioners Court for an election to determine whether or not the office of County Superintendent of Public Schools shall be created in Mills county, it was this day ordered by the Court that said election shall be held on Saturday, April 20, 1929, and that the polls shall be opened at the several voting places in said county at 8 o'clock a. m. and remain open until 7 o'clock p. m. on said April 20, 1929, and the officers of election heretofore appointed for the various polling places in the county shall hold said election.

All property taxpayers of the county, who are otherwise qualified voters, shall be entitled to vote in said election. Those desiring the creation of said office of County Superintendent of Public Schools shall have written or printed on their ballots, the words: "For the creation of the office of County School Superintendent of Mills county," and those opposed to the creation of said office shall have written or printed on their ballots the words: "Against the creation of the office of County Superintendent of Public Schools for Mills county."

Presiding Judges of Election are hereby directed to proceed, in conjunction with the judges and clerks of said election, and in accordance with law, to count the votes polled in said precinct at said election, and thereupon, after certifying correct returns thereof officially, in triplicate, in connection with said judges and clerks, to seal up and deliver, through one of the judges, on or before the Monday next following the day of election, one copy thereof to the County Judge of this county, one copy of said returns to the County Clerk of said county, to be kept by him in his office open to inspection by the public for twelve months following the day of election, and the third copy of said returns to be retained by the presiding officer of the election for twelve months from the day of election. Said returns must show: First, the total number of votes polled at such box; second, the number of votes polled for and against the creation of the office of county school superintendent.

This notice is given in conformity with the action of the Court and under its direction on this the 16th day of March, 1929, and is directed to be published in the Goldthwaite Eagle for four consecutive issues, to wit, March 22 and 29, April 6 and 13, 1929.

L. E. PATTERSON,
County Judge Mills County,
Texas.

WHAT DID IT

What keeps one well when he is well? Think. With it you have health, without it you have disease. Chiropractic supplies that which is lacking. There'll be no regrets.

THAT YOU MAY UNDERSTAND

Chiropractic Science teaches that behind all spiritual, intellectual and physical expression there is an Innate Intelligence that expresses itself in the functions and faculties, and that this intelligence performs its functions through the medium of the brain and nerve system. This Innate Intelligence is a sub-portion of the Allwise Universal Intelligence of God Almighty, dwelling in every life-given creature. It is the same life that God caused to animate the nostrils and body of Adam, Gen. 2:7—"And breathed into his nostrils the breath of life and man became a living soul."

It is this life force or power of God, which he called Life, and it is this life force which caused Adam to become a living, loving, thinking piece of clay, and when that life force leaves the body today we return to clay, as Adam did.

Now, it is this life force that the Chiropractor deals with and depends upon to mend the whole tissues of the body, just as the surgeon does with the bone. Does he put dope on it? No, he puts the broken ends together, then puts the member into a cast or splint, and tells you that Nature will mend the bone in due time. All will agree with Chiropractic Science that this is natural force operating in the body, which gathers its chemicals from within the body and sends it to the broken bone and mends it. Yes. Then, as it can and does mend the hardest tissue in the body which is the bone, why in the name of reason and common sense can't it mend the softer tissues of the body. Chiropractic teaches that it can IF THAT FORCE CAN ONLY BE EXPRESSED IN THE TISSUES,

and if it does not heal the tissues there is lack of expression of life force in the tissues involved, or diseased. So then, there must be a cause before and effect. There is no other way to reason. Therefore, all know by studying physiology, and the nervous system that the brain is the place of creation, or the organ which conceives and generates this life force from the elements that God controls, and the spinal cord is the lower extension of the brain. The nerves that emit from the spinal column are its branches, and they are mediums of conduction from the place of expression to the place of expression, which is the tissues. The spinal cord gives off a pair of nerves at each and every joint of the spine. These nerves divide and sub-divide, and are found ramifying each and every tissue of the body and there is where expression of this life force is made, and where it is expressed in its full quantity and quality in 100 per cent of time. As God intended, you have health which is due to the uninterrupted flow of this life force, in which there is no interference with the transmission of this life force via the nervous system. Disease is the result of an interference of this life force being expressed. In fully 90 per cent of the cases the interference is invariably found to exist in the structural frame of the spine, due to dis-location of the vertebra (joint of spine). Thus pressure is brought to bear upon the nerve and as a result you have a reduction of life force over this nerve, which in time, lowers your natural resistive force of the tissues that it supplies. This condition allows the tissue to become weak, and that allows the tissue to become inflamed, then death of the tissues, then fever. Fever burns up what it can of the toxin in the tissues. The system eliminates what it can and if the power of resistive force is great enough throughout the system of elimination, fever subsides. Other organs and glands aid and assist the affected part, and if the major cause is not removed the condition becomes chronic, and this is the condition in which most patients come to the Chiropractor. Had they employed the services of a Chiropractor when their condition was acute, there never would have been any chronic stage of the condition, because the Chiropractor would have REMOVED THE CAUSE OF THE DISEASE in the first stage and thereby re-establish the natural transmission of life force throughout the body, and the result would have been HEALTH, and that is what people are seeking.

We Chiropractors depend upon this God-given power to do all the mending of the tissues. It is this force that keeps you well when you are well, and lack of it allows you to get sick or diseased.

Then you ask me if Chiropractic adjustments can do this or that, and it being in the realm of Chiropractic Science, and you go away doubting this Power of Life Force which is a sub-portion of the Divine Allwise Intelligence which created you and all living entity, I say then you are at liberty to condemn Chiropractic and by so doing you condemn its foundation — the written word of God.

SHALL OUR SCHOOLS BE URBANIZED?

Dear Editor Eagle:
May we rural folks come out and discuss our schools just a bit through the columns of your valuable paper?

The question of centralizing the schools of the county has become the issue in the rural districts, and this is a matter that should be alike to all — great and small, rich and poor. So let's every one apply the old adage: think twice before acting once.

If the schools in this county were brought into four school sites, the locations would in all probability be at Goldthwaite, Mullin, Priddy and Star. Now if there was a line across the county from north to south, the two first named locations would be near the center line and the two last named would be near the east side of the county, leaving the west side of the county totally without school representation, which would bring about a one-sided proposition and how would the children from rural districts get to and from school is worth consideration. Can the school truck system be made a success in a county like Mills? I say no, because the school truck cannot make every door. So there must be truck stations on every route and varying in distance from the rural home from 30 yards to four miles or more. So that alone will work a hardship on some that could be avoided by building good rural schools close to home. And again, where is the money to purchase these trucks and to maintain them? Expense must come in some where. This would mean much to the farming class, if we would seriously think it over. The charity trucks have ceased to operate, so if the public school truck is to be put one, the rural folk will have to finance the move, which is only just and right. I would not expect Goldthwaite to raise her renditions and send a truck out for my children so that they might have school advantages, but if I were in Goldthwaite Independent School District, I would expect my renditions to be raised exactly on par with theirs, and so it would. Therefore I say we rural folks could better afford to supplement this raise in the rendition that we are going to have to meet in our rural school

fund, and thereby maintain a splendid school at home. It is a pretty sure thing that the rural schools will not receive any further aid from the State other than the scholastic apportionment, and if we rural folks don't come awake and get ready to do some ballot work at the polls, another decade will not pass until we will not receive that much.

So it is up to us to either pay the price and maintain our school at home or to be urbanized and still pay the price and see our boys and girls reared without schooling. But the problem now is how are we to spare the money to help finance our school. There are different ways to do it. For instance, we out here in the Center Point District almost all who have children in school, are farmers. So let us suppose that each man who is a farmer gives one of his children that is within the scholastic age one acre of land to be cultivated in cotton or planted in other crops that would pay perhaps as much, but I will use cotton because I can best prove my figures. Now we will say we have 5,500 scholastics and one acre to every child would be 5,500 acres in cotton. It would be safe to say one bale to every five acres of cotton, which would mean eleven bales, which is 5,500 pounds of lint cotton. We will say that it is worth 15 cents per pound. The total would be worth \$825.00. Then add \$60 for seed and you have \$885.00 with the ginning deducted. Now if the State apportionment is \$15.00 per capita, then 55 times \$15.00 is \$825.00. Now our available maintenance tax is about \$765. Add that to the above and it would total \$2,475.00. You can easily see that we could maintain a nine months school and I would further suggest that we invite the assistance of the county agent with each child and his acre of cotton or what ever he might plant.

Now Bro. Bob, I shall not bore you any longer this time, so let's hear from some one else.
J. M. SPINKS.

NEALY MILLER DEAD

The announcement of the death of Mr. C. H. Miller at his home in Carlsbad, Texas, which occurred Wednesday night of last week, was received with sadness by his many friends in this city and throughout the county.

Mr. Miller was reared in this county and for a number of years was one of the county's foremost school teachers. Several years ago he moved to the west and was superintendent of the school at Carlsbad when he was stricken with pneumonia, which resulted in the loss of his eyesight. Since that time he and his family have continued to make their home at Carlsbad, where Mrs. Miller is employed as one of the teachers in the school. He was in his 57th year and most of his life was spent in Mills county. He leaves his wife and one son, aged 15 years, besides a number of other relatives, including one brother, Mr. Goodloe Miller of this city, and one sister, Mrs. J. M. Traylor of

THE RECORD BREAKING NEW NASH "400"

'400' Standard Six 4-Door Sedan \$1075

Ask the Salesman this Question:

EVERY prospective motor car purchaser should ask every salesman he talks to, this question: "What is the price of this car, delivered to me, fully equipped with all the equipment?"

You should also ask what the difference is between the factory (f. o. b.) price and the delivered price—and then ask what that difference buys.

Heretofore it has been customary for factory prices to cover only the bare car. This permits the dealer to sell you your bumpers and the other accessories, at retail prices.

Series, pioneered a new practice, by installing this extra equipment at the factory, at no extra cost to you.

When you ask the suggested question you'll find most salesmen (not Nash salesmen) reluctant to answer. They would rather not say how much more there is to pay, or what the extra money buys.

And you'll also find that by reason of the Nash policy, Nash "400" delivered, fully-equipped prices are much lower than those of many other cars with the same factory (f. o. b.) prices, and lower than some cars with even lower factory (f. o. b.) prices.

10 Sedans from \$1005 to \$2155 delivered
8 Coupes, Cabriolets, Victorias from \$1005 to \$1825 delivered

New Standards of Performance ~ Smooth Quick-action Power!

 ATOMIZED	 VAPORIZED
WET A wet gas is an atomized mixture of gasoline vapor with liquid drops of raw gasoline. These drops, resisting the action of the spark, make starting difficult and cause an uneven and sluggish power flow.	DRY The new and better Texaco Gasoline vaporizes completely. It forms a dry gas—a perfect mixture of gasoline vapor and air which responds immediately to the spark, providing an even flow of power from all cylinders.
You buy the LIQUID but you use the VAPOR	

Keyed to the spirit of these fast-moving times, the *new and better* Texaco provides speed and power in abundance. For Texaco is the modern gasoline, a gasoline produced for present-day motoring conditions—scientifically developed to meet the requirements of *all* types of engines.

The *new and better* Texaco Gasoline vaporizes perfectly—forms a *dry gas*, a smooth-burning, even-textured

mixture of gasoline vapor and air. This is why Texaco never falters, why it responds so surely and eagerly to every demand of the accelerator.

Whenever you see the sign of the Texaco Red Star with the Green T, drive in for the *new and better* Texaco, the modern *improved* gasoline.

TEXACO GAS-OILS WILL PLEASE YOU

CITATION BY PUBLICATION

THE STATE OF TEXAS,
To the Sheriff or Any Constable of Mills County, Greeting:
YOU ARE HEREBY COMMANDED to summon W. H. E. Bishop by making publication of this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper in the 27th Judicial District; to appear at the next regular term of the District Court of Mills County, to be held at the Court House thereof, in Goldthwaite, Texas, on the first Monday in May, A. D. 1929, the same being the 6th day of May, A. D. 1929, to answer a petition filed in said Court on the 30th day of March, A. D. 1929, in a suit numbered on the docket of said Court No. 2246, wherein J. H. Randolph and The First State Bank of Mullin, Texas, a banking corporation duly incorporated and chartered under the laws of the State of Texas, and having its principal office and place of business in Mullin, Mills County, are plaintiffs, and W. M. Smith, Roy Carpenter and W. H. E. Bishop are Defendants and said petition alleging that on Jan. 2, 1924, the said bank executed and delivered to T. R. Ivy one note for \$500.00, bearing 7% interest per annum from date, payable at Mullin, in Mills County, Texas, due Jan. 1, 1928, and on Nov. 3, 1924, W. M. Smith executed and delivered to the said bank three notes for \$333.33 1-3 each due and payable Nov. 10, 1925, 1926, and 1929, bearing 8% interest per annum from date, in each note interest payable annually as it accrues, and providing for 10% additional as attorneys fees, if suit is brought thereon and if default is made in any note at maturity the holder can deplete; that defendants each clear all of said notes due and fault in payment of the notes said notes and each made de-assumed the payment of the due Nov. 10, 1926, and Jan. 2, 1928, and the plaintiffs have declared said notes due and payable; that said notes are secured by vendor's liens of even date with the said notes, retained in a deed from T. R. Ivy to said bank and in a deed from said bank, on lots 2, (two), 3, (three) and 4 (four) in block 107, in the town of O'Donnell, in Lynn County, Texas, conveyed by the said T. R. Ivy to the said bank, and by said bank to W. M. Smith, by deed of even date with the said notes.

Plaintiff J. H. Randolph alleges that he is the legal owner and holder of the note executed by the said bank, and the said bank is the legal owner and holder of the other two notes, No. 1, for \$333.33 1-3 having been paid, and they pray for judgment for the amount of their debts, principal, interest and attorney's fees, and for foreclosure of their vendor's lien, for and order of sale, etc. etc. as more fully shown by plaintiff's petition on file.

HEREIN FAIL NOT, but have before said Court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

GIVEN UNDER MY HAND and the Seal of said Court, at office in Goldthwaite, Texas this 30th day of March, A. D. 1929.
(Seal) JOHN S. CHESSER,
Clerk, District Court, Mills Co.

**HJR No. 6
A JOINT RESOLUTION**

proposing an amendment to the Constitution of the State of Texas providing for a Supreme Court of nine members, for the continuous session of that Court.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Sections 2 and 3 of Article 5 of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Article 5, Section 2. The Supreme Court shall consist of a Chief Justice and eight associate justices, any five of whom shall constitute a quorum, and the concurrence of five shall be necessary to a decision of a case; in other matters, until otherwise provided by Law, the jurisdiction of the Court shall be exercised under such regulations and orders as the Court by a majority vote may prescribe. No person shall be eligible to the office of Chief Justice or Associate Justice of the Supreme Court unless he be, at the time of his election, a citizen of the United States and of this State and unless he shall have attained the age of thirty years, and shall have been a practicing lawyer or a judge of a court, or such lawyer and judge together at least seven years. Said Chief Justice and Associate Justices shall be elected by the qualified voters of the State at a general election, shall hold their offices six years, or until their successors are elected and qualified, and shall receive such compensation as may be provided by law. In case of vacancy in the office of Chief Justice of the Supreme Court, the Governor shall fill the vacancy until the next general election for State officers, and at such general election the vacancy for the unexpired term shall be filled by election by the qualified voters of the State. The Judges of the Supreme Court who may be in office at the time this amendment takes effect shall continue in office until the expiration of their term of office under the present Constitution, and until their successors are elected and qualified. When this amendment takes effect, the Governor shall immediately appoint six additional Associate Justices of the Supreme for terms of office so that the terms of two of such appointed Associate Justices shall expire with the term of office of each of the present members of the Supreme Court, and, upon the qualification of such new Justices, the Commission of Appeals of the State of Texas shall terminate."

"Article V, Section 3. The Supreme Court shall have appellate jurisdiction only except as herein specified, which shall be co-extensive with the limits of the State. Its appellate jurisdiction shall extend to questions of law arising in cases of which the Courts of Civil Appeals have appellate jurisdiction under such restrictions and regulations as the Legislature may prescribe. Until otherwise provided by law, the appellate jurisdiction of the Supreme Court shall extend to questions of law arising in the cases in the Courts of Civil Appeals in which the Judges of any Court of Civil Appeals may disagree or where the several Courts of Civil Appeals may hold differently on the same question of law, or where a Statute of the State is held void, and shall extend to such other questions as may be within the Court's Appellate Jurisdiction under the Statutes of the State in force when this amendment takes effect. The Supreme Court and the Justices thereof shall have power to issue writs of habeas corpus, as may be prescribed by Law, and under such regulations as may be prescribed by law, the said Court and Justices thereof may issue the writs of mandamus, procedendo, certiorari and such other writs, as may be necessary to enforce its jurisdiction. The Legislature may confer original jurisdiction on the Supreme Court to issue writs of quo warranto and mandamus in such cases as may be specified, except as against the Governor of the State.

The Legislature may confer original jurisdiction on the Supreme Court to issue writs of quo warranto and mandamus in such cases as may be specified, except as against the Governor of the State.

The Supreme Court shall have power, upon affidavit or otherwise as by the Court may be determined, to ascertain such matters of fact as may be necessary to the proper exercise of its jurisdiction. The Supreme Court shall be open at all times and shall sit at the State Capitol for the transaction of business at such times as may be designated by the Court.

The Supreme Court shall appoint a clerk, who shall give bond in such manner as is now or may hereafter, be required by law, and he may hold his office for four years and shall be subject to removal by said Court for good cause entered of record on the Minutes of said Court who shall receive such compensation as the Legislature may provide."

Sec. 2. Said proposed Constitutional amendment shall be submitted to a vote of the qualified electors of this State at a special election to be held throughout the State on Tuesday, July 16, 1929, at which election each voter opposing said proposed amendment shall scratch off of the ballot with a pen or pencil the following words printed on said ballot: "For the amendment to the State Constitution providing for a Supreme Court of nine members, and for continuous session of that Court." If it appears from the returns of said election that a majority of

the votes cast are in favor of said amendment, the same shall become a part of the State Constitution.

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published and said election held as provided by the Constitution and Laws of this State.

Sec. 4. The sum of Five Thousand (\$5,000.00) Dollars or so much thereof as may be necessary is hereby appropriated out of the State Treasury to pay for the expenses of said publication and election.

Approved February 19, 1929.

5-3-29 Secretary of State.

An Oklahoma Mother Says:

"BLACK-DRAUGHT is a fine medicine to give to children. I use it for mine whenever I need to give them laxative. They don't mind taking it when I make it into a tea, and it quickly relieves constipation and the bad symptoms which come from it. I can recommend it to other mothers, for I have found it useful in my home.

"When I was a child my mother gave it to me whenever I complained of not feeling well. I have always taken it for upset stomach and constipation. It is about the only medicine I have to take. A few doses of Black-Draught, now and then, keep my system in order. My husband takes it, too. I hardly see how I could keep house without Black-Draught. It has become a standby with us, in keeping the children and ourselves well."—Mrs. Luther Brassfield, Claremore, Okla.

"WHAT'S GOOD ENOUGH FOR CHAMPIONS—IS GOOD ENOUGH FOR ME"

That's what one of our customers said the other day when he came in and bought a whole set of

Firestone

Gum-Dipped Tires. These tires hold all world records for endurance, speed, and safety. 30,000 miles in 26,326 minutes! 207.5 miles per hour! From coast to coast in 77 hours 40 minutes! Every one of those records and hundreds more were made on Firestone. On race tracks—or on the open road—they show what supreme mileage, strength, and economy they can deliver on any type of car. Come in and let us show you why Gum-Dipping makes Firestone Tires the leaders.

RUDD AND JOHNSON

Two Different Reasons for using CONOCO-ETHYL BOTH OF THEM GOOD

1 To Save Wear and Tear

If you keep an accurate record of what it costs to operate your car, you'll soon realize that Conoco Ethyl Gasoline actually saves you money—despite the fact that it costs a few cents more per week than ordinary gasoline.

It saves by keeping out the knock that wears and tears the engine... and by producing 100% power from every drop.

There's no waste when you use Conoco Ethyl. It burns cleanly and at the right time—regardless of the compression of the motor.

Conoco Ethyl will reduce your cost per mile. Try it and convince yourself.

2 To enjoy High-Compression Performance

With the introduction of Conoco Ethyl Gasoline into this market, your dreams of an ideal motor fuel become accomplished facts. Conoco Ethyl has biased the trail to superlative motor operation under all conditions of temperature—uphill or on the level—in traffic or along the open road.

There is no motor fuel like it— for it combines all the superior qualities of Conoco, the Triple Test Gasoline, with Ethyl Fluid, the Anti-Knock ingredient developed by General Motors after years of exhaustive research.

Why not get the most from your motor? Fill your tank at the Conoco Ethyl pump—at service stations and garages.

Spring Sale

**PEGGY JANE, CHERRIE BELLE
AND MARCY LEE WASH
DRESSES**

\$1.95

Never in all the years of our experience have we been permitted to present a more colorful or stylish line of distinctive Wash Frocks.

Peggy Jane, Marcy Lee and Cherrrie Belle Wash Frocks are made of Linenes, Prints, Dimities, etc., and are guaranteed fast colors. Their beautiful fast color materials have been converted into smart models that can be worn either in the home, or on the street.

Peggy Jane, Marcy Lee and Cherrrie Belle Wash Frocks are distinctive, because they are designed and finished with the same meticulous care that goes into the creation of expensive gowns. We suggest that you purchase at least three of these charming models.

Our buyer has been in market this week buying new reception and party dresses, and new dress goods of all kinds.

WE INVITE YOU TO SEE THESE NEW THINGS
