CEMETERY ASSOCIATION
The Goldthwaite Cemetery association met on Monday afternoon in regular business session. As it is impossible to keep the entire cemetery clean of weeds and grass on the small amount of dues now paid in, it was decided to keep the driveways and all the alleys clean and only the lots of those who pay dues. The few ladies who form the organization and have worked so faithfully all these years to try to have a place the town will not be ashamed to own, kindly ask and insist that those who do not care to pay dues to the association, please to keep their lots in good condition.

The winter rains caused a large number of graves to sink badly, the association had them all filled in and will begin work out there in a few days in order that the city of the dead may not be neglected.

Any assistance rendered the association will be highly appreciated. A MEMBER.

LEGION MEETING
Seven new members joined the Harry F. Edmondson post of the American Legion, at the regular monthly meeting Monday evening at the Legion Hall in Goldthwaite. This makes a total of 56 members, just four short of the quota of 60 which the post expects to make before April 18, when the results of the nationwide membership campaign will be announced over the radio.

A feature of the meeting Monday night was the automatic roll call in which each veteran present gave his name, address and the army or navy units to which he belonged during the war.

The next meeting will be held on the night of Monday, April 18. ADJUTANT.

A CORRECTION
In the account of the death of Mr. Traylor, on another page, one of his sisters is listed as Mrs. Gentry, when the name should be Mrs. E. F. Casey. The one giving the information was mistaken and the reporter did not know of the error until the page on which the name was given had been printed.

CITY ELECTION

More than ordinary interest was displayed in the city election Tuesday and an unusually large vote was polled. Some "scattering" votes were recorded and some voters only voted for certain candidates, hence the vote was not uniform throughout. Votes recorded for those whose names were on the ticket were:

For Mayor,	
H. G. Bodkin	214
For Aldermen, full term,	
S. P. Sullivan	251
S. P. Rahl	251
For Alderman, unexpired term,	
W. J. Weatherby	269
For Attorney and Secretary,	
F. P. Bowman	269
For Treasurer,	
Grover Dalton	163
Haynes Harrison	108

The unexpired term of an alderman was that of W. P. McCullough, who resigned because of his intention of moving to his suburban residence, outside the city limits.

BURGLARY AT REGENCY
The general merchandise store of Egger Bros. at Regency was burglarized Friday night and a large amount of merchandise was taken. Sheriff Bledsoe was notified and he and Constable Lee went to the place to make an investigation. They were joined there by the sheriff of San Saba county and soon located the stolen goods and had them returned to the store. Two young men of Locker community, Fay McNurlin and Noble Till, were arrested and brought to this city and placed in jail, charged with burglary.

Judge Rahl granted the parties bond, Till in the sum of \$750 and McNurlin \$1000. The former made the bond and was released, but the latter had not made bond up to the time the Eagle was put to press.

PURE WATER
Mayor Bodkin has received the following letter from the State Health Department:
Mr. H. G. Bodkin, Mayor, Goldthwaite, Texas.
Dear Mr. Bodkin: Early in the month our laboratory sent you a copy of the water analysis report covering the regular monthly samples received from your city for March. We are writing to congratulate you on the excellent bacteriological showing made by your supply for this particular month.

We shall look forward to receiving your next month's water sample and we trust that the analysis will be equally satisfactory. Very truly yours,
J. C. ANDERSON,
State Health Officer.

TUESDAY STUDY CLUB
Miss Ellen Archer was the hostess to the Tuesday Study Club Tuesday afternoon.

After the regular business, the leader, Miss Myrna Miller, took charge. The subject of the lesson was "Maurice Hewlett and His Works."

Mrs. Roy Wilkins gave "The Main Facts of Hewlett's Life." Mrs. M. Y. Stokes, Jr., gave "The Individuality of Hewlett."

A delicious ice course was served to the club members. Our next meeting will be at the home of Mrs. W. S. Summy, with Mrs. M. Y. Stokes, Jr., as leader. REPORTER.

SCHOOL TRUSTEES ELECTED
The school trustee election held here Saturday was a very quiet affair, less than fifty votes being polled. Two members of the School Board were to be elected, the terms of Messrs. W. A. Bayley and W. C. Frazier having expired. W. B. Summy and Mrs. Roy Rowntree were elected to membership on the Board.

W. M. Johnston was re-elected a member of the County Board, of which body he is chairman, where his service has been of much benefit to the schools of the county.

BAPTIST CHURCH

Beginning the first Sunday in May and continuing for one week we will have at the Baptist church a series of "consecration" services. These services will be held at night only. We will have no cut and dried program. The only thing we know for certain is, that we will have some good speaker every night to speak on some phase of the Christian life, and we will have a different man every night and no one will know who he is until he arrives in town for the service.

We believe that Christians of every denomination not only in our town, but all over our county need a deepening of the spiritual life and that is why we are putting on just such a series of services. We want everybody to understand, regardless of who you are or where you live, that this is your opportunity to attend an old fashion prayer and praise service for the purpose of enriching your own Christian experience. We want every church in town to be benefited by these services.

Luther Rudd and wife came by the other day and the pastor and his wife accompanied them to the Rudd and Bledsoe corral, where they have the prettiest bunch of cattle we have ever seen. Just as soon as these gentlemen sell these cows we are going to try and get them out to church and take an old fashion collection.

The L. & L. Grocery company have a new partner in the person of Loy Long, Jr. Mr. Long says it won't be long until this young gentleman will be delivering groceries. Here is wishing for Junior the best in life and hope as soon as he gets old enough he will begin taking his father to Sunday school and church.

We notice that Dwight Nickols has moved back into the Cockrum apartment and that Mrs. Weems is moving back to our town, after an absence of several months. For some reason or another folk will not live long at a time by the pastorium.

We noticed the other day that two very prominent Baptists left the cold storage together talking very confidentially. We could have almost put our hand on them as they went away, but for some reason neither one saw us. Neither one of these men buy turkeys or sell eggs, but it was one of those warm days and visiting a cold storage on such days by Baptists naturally helps to run their temperature down.

We had splendid congregations at church at every service last Sunday. Not only did we have one of the best Sunday school hours, but one of the best congregations at the preaching hour. Our choir every Sunday morning is excellent—can not ask for anything better, but for some reason on Sunday night many of our singers do not come to church and there is a let down in that part of the service. Not that there is not interest upon the part of those that are not present. Let young and old alike put on their program right now that beginning Sunday night we are going to attend church somewhere every Sunday night. Attending services on the Lord's day at the Lord's house is very essential to the welfare of any individual, whether you are Christian or not.

Let's have a record attendance next Sunday at every service in every church in our town. PASTOR.

LIVE OAK
As for me I would rather talk perpetual motion or the aurora borealis, but I believe you prefer community news.

At present Monroe Page is quite ill.
Miss Ruth Featherston of Big Valley spent last week end at her home here.
The people of Live Oak enjoyed a party at Judge Simpson's home last Thursday night and one at Roy Harwell's Saturday night.

Eugene Gray and Mr. and Mrs. Joe Anderson of the North Benet community visited in the C. G. Featherston home while Sunday afternoon.

Frank Gore and wife spent Sunday and Sunday night in Comanche. They and Luther Forbes taking in the first Monday Trades Day at that place.
Will Seider and family spent Sunday with Paul Grelle and family.

Orville Evans was elected one of the Chappel Hill school trustees Saturday.
The highway people are doing lots of work here in the way of construction to our road and destruction to our culverts and mail boxes. REPORTER.

ANNUAL PECAN SCHOOL

The one-day budding school held at Bozar last year, was so instructive and enjoyable that the growers have made it an annual affair.

The second annual pecan school and growers picnic will be held April 15, all day in J. J. Cockrell's grove on the Colorado river, near the bridge on the Pecan Belt highway.

The following tentative program has been worked out:
Topping demonstration. Inspecting trees top-worked 7, 6, 5, 4, 3 and 2 years ago.
Spraying demonstration with power sprayer.
Budding demonstration. Exhibiting budding knives. Exhibiting squirrel control device.
Demonstrating orchard harrow.

Inspecting a properly pruned peach, plum, apple and grape orchard.
Short addresses will be made by leading experts of Texas.
Everybody is invited to come and bring bread, pies, cakes and relishes for yourself and enough to share with others. The growers will contribute plates, coffee (no cups), and the more substantial part of the dinner.

Women are particularly invited this year.
We hope school will let out at noon that the children may come and see the demonstrations.

The purpose of this school and picnic is two-fold. First, to give information on all features of pecan improvement. This is paramount. Second, to celebrate the return of spring in a social gathering.
Now if the first proposition does not fit your case, surely you can join us wholeheartedly on the second.

The time: Friday, April 15.
The place: J. J. Cockrell's pecan grove.
Who?: Everybody. REPORTER.

STAR SCHOOL NEWS

High Lights Around the High School
County Meet work is over and class work is again receiving its due attention. Star juniors made an excellent record, taking five first places and tying two second places. But the juniors worked and prepared for the track meet, and of course wins were expected. At least all of the seniors are back in school and this writer sincerely hopes that practice on the senior play will start again. This is an annual function and the senior class debate is having its day in Star. Almost weekly the students of different classes have an opportunity to express their ideas on some subject. This is an excellent method to create interest in the classes.

Commencement season is just around the corner for the seniors, and it won't be long until they will be planning their last program for their alma mater. Star graduates some excellent students this year and they will be missed next year.

Happenings in the Grades
The sixth month has come to a close. We are more pleased with the reports from the grades. The honor roll has increased wonderfully. The pupils of the third, fourth and fifth grades find it more fun to be orderly during study hours and to play during intermission, than to be talkative during study hours and have to remain alone on "No Man's Land" during intermission.

Those on the honor roll this month are as follows:
Rose L. Sheldon Lorian Teague Theron Horton Harold Reeves Stoddard Gerald Ray Collier Charles Goode Roy Collier Vandean Henry Eula P Gummelt Ben D. Cox Dudley Henry John Waddill Lula Mae Neigh John V. Knight bors Eileen Roberts Waldeen Hurst Herman Collier Lola Verne Wadsumpter Gerald dill

Those exempt from one or more examinations are:
Lorraine Teague Theron Horton Mena D. Ghent Carl Karnes Eileen Roberts John Waddill Herman Collier Roy Collier Rose L. Sheldon

Miss Walton is doing quite a bit of variety work this month. She is teaching her boys and girls the fundamentals of our monetary system, trying to solve the depression problem, maybe. Too, she and her classes are doing some study which should be an impulse to the upper grades and the high school, that of wild flowers. This school should enter the wild flower contest every year. Maybe this will be a stimulus for next county meet.

Honor roll for the primary room is:
First grade: Margaret Putnam, Nelma Stephan and R. Q. Waddill.
Second grade: James Childre, Mildred Jeske, Sherlie Lucas, Viola Collier, Elvis Wayne Roberts, Ione Waddill. REPORTER.

THE GOLDTHWAITE EAGLE

M. D. Mills, a leading citizen of Centex Point community, was a pleasant caller at the Eagle office Saturday.

Mrs. Jo H. Frizzell has returned from a visit to her daughter, Mrs. Hugh McCullough, and family at Hico.

S. M. Jones, one of the leading citizens of the Hanna Valley county, transacted business in this city Monday.

H. L. Egger, a Regency merchant, looked after business in this city the early part of the week.

Sim S. Harris of Fort Stockton, a boyhood friend of C. L. Stephens, was here Saturday and Sunday, visiting Mr. Stephens and family.

District Attorney Joe Jones of Eastland was here last week end, meeting the voters in the interest of his candidacy for congress.

Mrs. L. R. Conro, Mrs. J. C. Mullan, Miss Normalee Robertson and Miss Ruth Florence Mullan visited relatives in Fort Worth Saturday and Sunday.

Mr. and Mrs. B. P. Hurdle, former citizens of Goldthwaite, were here from Cameron last week end, meeting friends and relatives and looking after business matters.

Mr. and Mrs. C. L. Stephens expected to leave yesterday for Wichita Falls for a visit to their son, Maurice, and other relatives. They expect to be away about a week.

T. E. Hamilton, who was in the Temple hospital the early part of last week and underwent a minor operation, was a visitor to this city last week end and his friends were glad to note his improvement.

Those who send communications to the Eagle should be sure to let the editor know their identity, else the communication can not be published.

When you have visitors, go for a trip or know any other item in which your friends would be interested phone write or tell the Eagle.

CO-OPERATION

The wholesale and retail merchants, bankers, ginners, doctors, lawyers and all industrial workers have their organizations that they belong to. They stick together. The farmers have their co-operation, but do not stick to it. Then how can they succeed? I see in the press that they are paying the head of their grain co-operation some \$50,000 per year to sell their grain for them. Now it may be worth that money, but I don't think so. It seems to me that they are paying too much for what they are getting. We have the state department of agriculture, the extension service of the A. & M. college, the U. S. department of agriculture and our own county agent, just to help the farmer and yet does he take advantage of all these agencies? Say, take your troubles to your county agent. He is always ready and willing to help you. I think that he is the one man who earns his salary. Every county should have a county agent. He can give you good sound advice if you will only take it, but lots of farmers have a chronic case of backache in front, for which there is no cure.

The farmers had the Grange Farmers Alliance, Farmers Union, Farm Bureau, now the Co-Op., all of which did some good. The writer belonged to the Farmers Alliance and then the Farmers Union and I know that they were founded on lofty principles, but got into politics then run on the rocks, so I say that I believe that every farmer should market his products through the Co-Op. In union there is strength. Divided we fall. T. E. HAMILTON, Star, Texas.

The Eagle is always glad to receive communications from the various communities of the county. However, only one correspondent can be recognized, from any one community, for the regular writers often object to having the occasional correspondents invade their field. The Eagle can not take a chance on giving offense to its regular correspondents.

MIRA PRICE DEAD

Mr. E. N. Price died at the home of his daughter in the Indian Gap community last Friday and was buried in the family burying ground in that community Saturday afternoon. Mr. Price was a pioneer of that section and was known to all of the old timers. For a good many years he was active in affairs in his community, but his age has prevented much activity for several years. At one time he lived in the Priddy community and had many friends there as well as in his home community. L. R. Conro and Lewis Hudson of this city, two of his friends of long standing, attended his funeral Saturday afternoon.

MRS. H. E. McCULLOUGH HOSTESS TO TUESDAY BRIDGE CLUB

Rosebuds formed the room and table decorations in the home of Mrs. Hugh E. McCullough Tuesday afternoon, when she was hostess to members of the Tuesday Bridge Club. Miss Irene Frank was winner of high score.

MOUNT OLIVE

News has been rather plenti-
ful up here this past week. Most
everybody attended the track
meet and all had a jolly good
time.

Our school carried away three
first prizes and quite a number
of seconds. However, with a
three-teacher school for next
year, we will try and monopolize
every first prize. We think we
won more points than any rural
school. However, we are not cer-
tain.

Mrs. Cora Couch and her
daughter, Mary Gladys, have
been visiting over the week end
in this community.

Mrs. Smythe and family at-
tended church and spent the
week end with J. H. Roberts and
family.

We had another excellent sing-
ing at Richard Wilcox's Sunday
night. Our next meeting place
will be at Thomas Huckabee's
Sunday afternoon at two o'clock.

Our new books should be in at
that time, so let's all be on time.
Punctuality is as essential as co-
operation for a successful sing-
ing class.

Miss Beth Wicker of Caradan
attended the singing Sunday
night.

Sunday Bro. Chambers filled
his regular appointment. His
discourse was excellent and a
good congregation was present.

Our former neighbor, Mr.
Akins, now of Goldthwaite, at-
tended church Sunday. His
young daughter accompanied
him.

Mrs. Wood and Mrs. Neely
spent the week end with their
parents, Mr. and Mrs. Bob Har-
ris.

Our county agent, Mr. Weaver,
is trying to establish a 4-H club
in our school. He appears to be
successful so far. This commu-
nity is strongly in favor of a 4-H
club and most every boy or girl
out here is intending to win a
prize this fall. We hope to have
the best stock judging team in
the state.

The school will have its regu-
lar entertainment Friday night.
The outsiders will present the
play "Happy Valley."

Miss Ollie Mae Featherston
was in our midst last Monday.
The corn sure does need a rain,
but we have no favorable pros-
pects for a rain right at present.

As for the weather, it is just
right for making love, but I guess
I had better quit writing before
I spill the beans. ABE.

THANKS TO VOTERS

To the Voters of the City of
Goldthwaite:

My wife and I wish to express
our thanks to you for your loyal
support in the recent election.
Every effort put forth and every
vote cast for me is truly appre-
ciated. To those of you who saw
fit to vote for my opponent, we
have no ill feelings. We consider
you our friends still.

Respectfully,
GROVER DALTON

CENTER CITY

We hope these clouds will
bring rain soon. The high winds
have dried the surface of the
ground rapidly. Many gardens
were planted after the freeze
and now need rain.

Mrs. Truman Robertson and
children are visiting her pa-
rents, Mr. and Mrs. Jim Dalton.

A large crowd enjoyed the
services Sunday honoring Bro.
Miles. His relatives prepared a
feast and served it at the home
of his daughter, Mrs. C. M. Head.

It is a custom to meet each year
and celebrate his birthday with
services and dinner. We wish
for him many more birthdays.

Mesdames Ellis Head and Wil-
bur Waggoner made a business
trip to Star Tuesday.

This community was made sad
when news came that little Eu-
pha Mason, daughter to Mr.
and Mrs. Jim Mason, died Mon-
day. She had been ill only a few
days and her illness was not
considered dangerous until a
short time before her death. Re-
ports are that it was diphthe-
ria, since two other cases have
developed since. We sincerely
hope they will not become se-
rious. Eupha was six years old
and all who knew her thought
she was such a beautiful little
girl and a friend to everyone.
Our sympathy to her bereaved.

Mr. and Mrs. R. C. Johnson
visited their daughter, Jno. Wal-
ton, and family Sunday.

We don't mean to be beastful
in the least. However, we are
very proud of all the boys and
girls who won honors in the
track meet last Friday and
Saturday, and also all those
who tried and failed to get first
places. They all did their best.

CROP CONDITIONS

The Santa Fe Railroad bulletin says of conditions in Texas at this time:

Damage to Texas crops from freezing in March was considerable. Subnormal weather following an open winter caught fruit well advanced as well as crops not usually in the ground. As a result the peach and apricot crops will be short. Tomatoes in east Texas generally will have to be replanted and with favorable weather from now on may make a normal crop, although they would be late. As late tomato production everywhere is reported, Texas probably will not be harmed on that account. Potatoes in the Eagle Lake and Glen Flora districts and some in east Texas suffered severely, but plants which have not come through the ground are in good condition. Cabbage and spinach were helped by the cold weather. Field crops have not been seriously damaged.

Cotton planting will start soon. No official figures for the cotton acreage are available, but the opinion seems to prevail among growers that it will be considerably reduced.

Wheat in the northwest is growing rapidly; acreage reduced about 10 per cent; a few cases of damage are reported.

Livestock is in good condition in most parts of the state, although the lamb crop was reduced by the cold weather.

Most localities have enough moisture for spring needs. In the west high winds have reduced the supply. In the east dry weather is needed.

CARD OF THANKS

We are indeed thankful to the good people of Goldthwaite for their kindness and attention to our dear mother during her illness, as well as for their sympathy and kindness to us. Especially do we appreciate the goodness of Mr. C. C. Gray and family and her other friends. All was done for her that loving hands could do and we are indeed grateful.

MRS. W. O. WILSON.
J. T. PEARCY.

Former Sheriff Burns of Shelby county fainted Friday when he was found guilty of extortion and sentenced to two years in the penitentiary. He is the fifth Texas sheriff convicted since last fall. Three more sheriffs are now awaiting trial.

Saturday's trustee election resulted in the election of F. M. Tillman, L. J. Smith and S. J. Casey. These three gentlemen and A. H. Daniel, Willard Mosier, M. E. Casey and J. A. Holland will constitute the school board for 1932-33 term.

LOSES FINE COW AND YET SMILES

W. L. Barker and F. E. Leineweber made a hurried trip to Austin and to the Pasture institute Saturday. Mr. Baskin's fine cow acted rather suspicious and showed a few symptoms of hydrophobia. She knocked Mrs. F. E. Leineweber down and would likely have injured her, but for the timely appearance of Mr. Leineweber. The cow died in a short time, after her display of madness and the men made the hurried trip to Austin with the cow's head and came home all smiles, as the diagnosis was—"no rabies germs."

MILLS COUNTY BOY CANDIDATE IN TARRANT COUNTY

Thomas Renfro of Fort Worth last week announced himself as a candidate for the legislature from Tarrant county against the present incumbent, who has only served the district one term. Mr. Renfro was reared here and served the people of this and Comanche county in the legislature for two terms. He was serving his second term, when he moved to Fort Worth to take up the practice of law. His friends here wish for him success in his candidacy.

Fern Hancock of Wilson is visiting relatives and looking after his farming interests in this section. Mr. Hancock and family lived here for many years and old friends would be glad to have them come back home and again reside in this good county. However, they have a new home and farm and several of their children have married and located in the west, so at present they are almost as well satisfied as if they lived in Mills county.

Miss Shirley Guthrie has been reported on the sick list this week.

Mrs. Mendosia Chesser has been on the sick list during the week.

J. J. Canady and wife have returned home from a visit in Brownwood. Mr. Canady is convalescing nicely from a recent illness.

You are hereby commanded to summon John E. Bohannon, by making publication of this Cit- ation once in each week for four successive weeks previous to the return day hereof, in some news- paper published in your county, to appear at the next regular term of the District Court of Mills county, to be holden at the court house thereof, in Gold- thwaite, Texas, on the first Mon- day in May, A. D. 1932, the same being the 2nd day of May, A. D. 1932, then and there to answer a petition filed in said court on the 21st day of March, A. D. 1932, in a suit numbered on the docket of said court No. 2364, wherein Mary Bohannon is plaintiff and John E. Bohannon, is defendant, and said petition alleging that plaintiff has resided in Mills county for more than a year, and more than six months im- mediately preceding filing of suit. That defendant's residence is unknown. That plaintiff and defendant were married Oct. 27, 1908, and lived and cohabited to- gether until Jan. 1st, 1925, and have lived together until July 1, 1931. That plaintiff was a true and loyal wife, diligent, frugal, painstaking, kind and loving to defendant. That about 15 years ago defendant began a course of unkind, harsh, cruel and in- human treatment of plaintiff, which rendered their further living together as husband and wife insupportable. That he has a violent temper and would curse and abuse her, threaten to knock her down, and call her all kinds of vile and opprobrious epithets. That he would often strike her. That since 1925 plaintiff has not condoned any of such acts of cruelty of defendant.

That plaintiff and defendant have no community property. That they have four children, all of whom are over 16 years of age, except Vernon Bohannon, of whom plaintiff now has care and custody. Plaintiff says that she is the right and proper per- son to have the care and custody of said child.

Plaintiff prays for citation and that on a final hearing she have judgment granting her a divorce from defendant, that she be given care, custody and control of the minor, Vernon Bohannon; that she recover her attorney's fees and all costs herein ex- tended, and for such other and further relief to which she may be entitled.

Herein fall not, but have be- fore said court, at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said court, at office in Goldthwaite, Texas, this 25th day of March, A. D. 1932.

CHILDREN TAKE WALK; THEN THOUSANDS SEARCH

At Collingswood, N. J., two children decided to take a walk after Sunday school Sunday, and precipitated a kidnaping scare that caused fire sirens to shriek in a dozen towns, twenty-five American Legion posts to mobil-

ize, churches to dismiss their congregations for a house-to-house search and police and firemen to drag a creek.

The missing children were Betty Perrin, 4, daughter of Mr. and Mrs. C. Montrone Perrin, and Raymond Eichelberger, 5, son of Percy Eichelberger, principal of

Collingswood high school.

Eichelberger drove them to Sunday school and told them he would call for them at 10:30. When he returned they were not to be found.

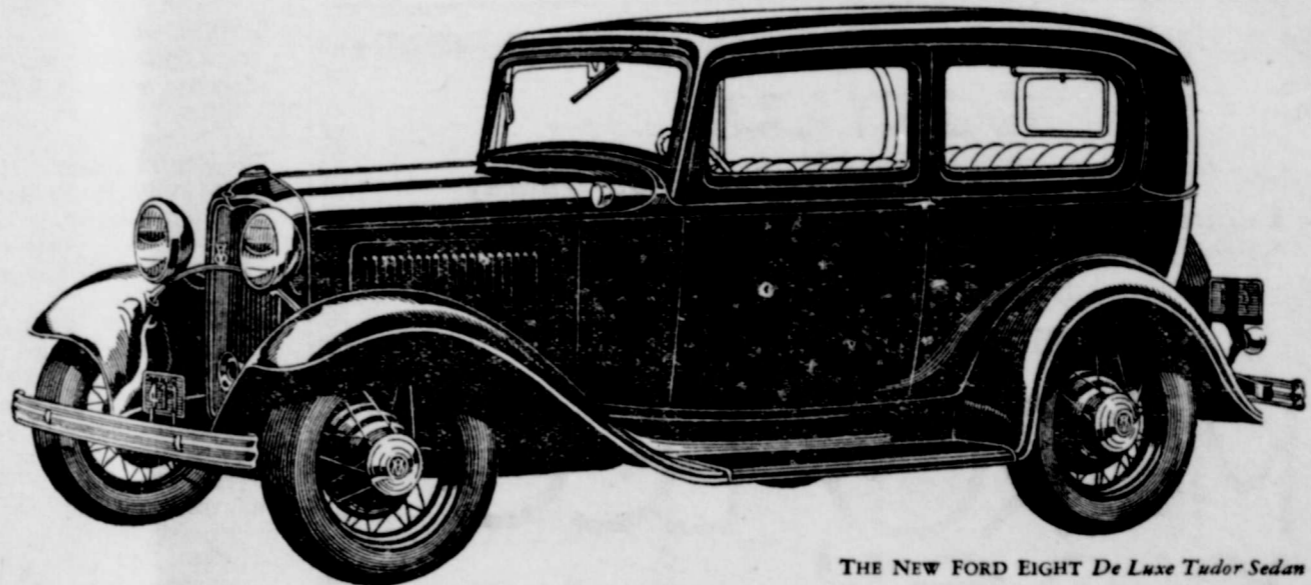

Chief of Police Harry Hayes broadcast the alarm to all towns within a twenty-five mile radius. Authorities estimated fully

two-thirds of Collingswood's 14,000 inhabitants took a hand in a house-to-house canvass.

Finally at 3 o'clock Patrolman Polyard Degan found the children trudging along the road at Audubon. They had walked to Magnolia, seven miles from church, and were on their way back.

CENTER POINT

We are certainly glad that so goodly a number attended services Sunday morning and night. We had an extra good class report at Sunday school. Let us all try and do as our good superintendent said, "Make our reports better each Sunday." Bro. Benningfield filled his regular appointment.

It seems as though there was not as many visiting this week as usual or at least the scribe failed to stay at her post of duty and get all the latest happenings around the "Point."

Viva Delbeck is reported to be doing nicely at the present time.

Misses Iylene Sherfield and Ola Belle Williams and Lois Williams called on Faye French awhile Sunday afternoon.

Bro. Benningfield dined with Craig Wesson Sunday.

Mr. and Mrs. Will Harmon visited her parents, Mr. and Mrs. Joe Spinks, Sunday.

Mrs. Ida Smith and Miss Ola Belle Williams visited Mrs. Florence Conner and girls Thursday afternoon.

Mr. and Mrs. Aubrey French spent Sunday in the Craig Wesson home.

Marion Mills dined with Will Spinks Sunday.

Mrs. Jim Tullos and Mrs. Sid Tullos enjoyed ice cream with Mrs. L. B. Woods Saturday night.

Jimmie Riddle of Goldthwaite spent the past week end with Willard Davis.

Miss Era King has been staying with her Grandmother King at Mullin the past few days.

Seaborn Benningfield visited Carl Spinks Sunday and accompanied him to Center City in the afternoon.

Mr. and Mrs. C. L. Hallford visited his mother Sunday night.

Don't miss "Cabbage or Dollars." Watch for the date! It will be a treat.

Buddy Lee Sutherland is in a Brownwood hospital suffering an attack of pneumonia.

J. N. Newman and Doris went to Brownwood Sunday.

Mrs. Ida Smith and Miss Lillie Conner spent Friday afternoon with Mrs. B. I. Lawson.

As far as I know, all the flu victims are at last recovered from the effects of the flu.

Mrs. Miriam Doggett is still in Brownwood with Junior. Reports are that they were to operate on his arm Monday.

The teacherage is completed and work on the yard is now being done. The house certainly adds attractiveness to the school campus. Mr. and Mrs. Curb, our principal, expects to move into it this week. They have a hearty welcome into our midst.

Marion Mills visited Joe Spinks awhile late Sunday afternoon.

The young folks enjoyed a party at R. J. Hallford's Saturday night.

I wish to correct a mistake I made in last week's report. Miss Iylene Sherfield is spending a few weeks with her aunt, Mrs. Emil Steinmann, instead of her grandparents.

Misses Julia Dee and Eva Fallon and Elizabeth Mills spent the past week end with Mrs. Hugh Smith at Big Valley.

Mr. and Mrs. George French of Duren came down and spent Sunday with L. W. French and family.

Miss Iylene Sherfield ate supper with Ola Belle Williams Sunday night.
