Methodist Notes

The Methodist people were privileged to use their new church last Sunday for the first time. While the plans were only temporary, yet all were happy to be back at home once more. All understand now just how convenient everything will be, when the building is completed.

The pastor, Mrs. C. E. Bayley, Mrs. Martha Westerman and Joseph Bowles are at the time this is written attending the district conference of the Llano district at Bandera. They will, of course, return before this is in print. We trust they may have a pleasant and profitable session of the conference. Immediately upon his return, Brother Duke and his wife will start to Louisville, Ky., for a vacation. They will be gone about three weeks. We trust they may have "journeying mercies."

Many of our people are again mourning. This week Mr. Bass Johnson, for many years a resident of our town, was called from time to eternity. How we are impressed with the uncertainties of life when a man, in the very prime of life, is called away. He leaves a large circle of friends and relatives to cry out in the agony of their hearts:

"O, for the touch of a vanquished hand,

"For the sound of a voice that is still."

With these friends we sorrow. Once more I want to urge the people to think about the importance of our Sunday schools. I fear that many of our citizens do not give the thought to this subject that its importance merits. We all, so I think, understand the importance of the preaching service. For one, I feel that if a person can attend only one service, it should be the preaching service. This is the most important of all, but the Sunday school service is next in importance. The great commission is to "preach" and "teach." The Sunday school is purposed to teach the word of God. If it fails to induce the people to attend the school, it must, of necessity, fail in its mission. We send our children to the public schools five days in the week to learn secular things. We feel that they are falling short of their privileges if this rule is not faithfully complied with. Yet, in the most important thing of all, we are content to give our children and ourselves, one short hour at church, sometimes, two services, for instruction in the word of God. Many times the children do not even attend the preaching service. So with all the expense of keeping up the church, to say nothing of the tax upon the effort of the pastor, and those of his workers who are faithful, the great masses are not reached by the gospel. We must, therefore, if we are to be faithful to our task, attend the Sunday school and carefully study the word of God. This is, to my mind, the hope of our civilization. If we do not give as much heed to the teaching of the word of God, and the things that make for our civilization, as the underworld gives to the propagation of evil, we need not be surprised if the underworld outstrips us in the race.

So let me make this appeal to our citizenship to be on the job in our Sunday schools next Sunday. If you are a Methodist, or are not lined up with some other Sunday school, come next Sunday to the Methodist church, or to some other, and let us work together for our community betterment. Personally, this writer invites all the older men to join his class next Sunday. I give you this challenge: Come and visit with us next Sunday. Try it out for a few Sundays, and then if you are not pleased with the work we are doing, and if you feel that it is not worthwhile, you may retire and go your way. Will you meet this challenge? All, under one hundred and fifty years old are included in this offer.

Car Accident Hurts Little Girl

Little Mary Jane Scott, 2-year-old daughter of Mr. and Mrs. Gilford Scott, was seriously injured last Saturday morning when she ran in the driveway, at the home of Mrs. Annie Little, just as Mrs. Raymond Little was backing the car out of the garage. Mrs. Scott had been holding the child by the hand a few moments before and it is said the little one thought to play with some puppies at the place and pulling away from her mother ran directly in the path of the moving car. She was struck by the bumper and knocked to the pavement and was rendered unconscious by the fall. Physicians were hurriedly called and friends gathered at the home to offer assistance. Her grandparents, Mr. and Mrs. Scott of Lubbock and Mr. and Mrs. Stobaugh of Coleman were notified of the accident and came to Goldthwaite on record time.

After the child regained consciousness it was decided to carry her to the hospital in Coleman, where her hurts could be x-rayed. She stood the trip well and the r-ray proved there was no serious hurt. She is still in the hospital and reports say she is recovering nicely and will soon be able to be brought home.

Betrothal Announced At Tea

Mmes. J. H. Randolph, Sam Sullivan and John G. Berry announced the approaching marriage of Miss Ruby Lee Dickerson, daughter of Mr. and Mrs. Neal Dickerson, to Jack Kilgore, son of Mr. and Mrs. E. P. Kilgore of Brownwood, Saturday afternoon during a tea at Mrs. Berry's home on Fisher street.

The guests were met at the door by Mrs. Claude Saylor, Mrs. Sullivan, the honoree, Mrs. Neal Dickerson, Mrs. Kilgore, mother of the bridegroom-to-be, Misses Grace Patterson, Emma Lois Kilgore, sister of the bridegroom-to-be, Lou Ella Patterson, Mrs. Edward Geeslin, of Brady; Mrs. Roy Wilkins, Mrs. Ed Dickerson, of San Saba; Mrs. Clyde Weatherby, Hamilton; Mrs. Sylvan Cloninger and Mrs. Joe Weatherby, Brownwood, received the 100 or more guests who called between the hours of four to six.

Mrs. Randolph and Mrs. Frank Taylor of Hamilton received in the living room, while Mmes. Al and Claude Dickerson presided in the dining room.

A color scheme of green and white was used in the reception rooms and dining room. Unusual arrangements of spring flowers were used on the mantel and on the occasional tables in the living room.

At one end of the mirrored tea tables tall white candles in a twelve-branch silver candelabra burned giving the effect of a cathedral altar scene. In front of this lay a bride's bouquet of Madonna lilies and white snap dragons tied with long white and green satin streamers on which was printed, "Ruby Lee and Jack—May 16th." Love birds completed the scene. A gorgeous silver basket of white snap dragons adorned the buffet.

Refreshments of ice cream in the form of a white rose on a green base, with angel cake, nuts and mints were served.

During the calling hours piano selections were given by Misses Laura Helen Saylor, Catherine and Sarah Fairman, Mary Margaret Bigham and Constance Trent, while Mrs. Berry delighted her guests with pipe organ selections.

Pension Meeting

Rev. A. R. Watson has called a meeting at the court house in Goldthwaite Saturday afternoon at 2 o'clock to consider ways and means to expedite the payment of the pensions or old age assistance. The people of Texas voted to have these pensions paid and the majority given the proposition leaves no room for doubt as to the desires of the voters. Nothing has been done toward paying the pensions, further than preparing an expensive "set up" for administering the funds. Those who feel that the payments should be made without further delay should attend this meeting Saturday and express their views, or at least give support to those who are trying to get action on the proposition.

May Day Luncheon

Of the many social affairs for the seniors this season, none was more enjoyable than the delightful luncheon given the senior girls and high school teachers by Mrs. Earl Fairman, in honor of her niece, Miss Sarah Myrtle Fairman.

Small tables were arranged in various places throughout the rooms and each featured a miniature Maypole, with gay ribbon streamers. Places were found by names on the diplomas in the hands of cunning dolls, dressed in pastel shades of chiffon, thus representing the sweet girl graduate.

A delicious three-course luncheon was served to the following: Misses Maxine Geeslin, Irene Ray, Aileen Martin, Clara Bowman, Mary Clements, Evelyn Allen, Juanita Rudd, Elaine Stevens, Doris Hereford, Connie Saylor, Robert Elizabeth Littlepage, Willie Fay Gray, Mary Margaret Bigham, Constance Trent, Lottie Belle Hester, Florine Woody, Catherine Fairman, Sarah Myrtle Fairman, Ruby Cave, Love Gatlin, Lois Cox, Gladys Glass of Waco; Mesdames Delton Barnett, W. K. Marshall, W. E. Fairman, Earl Fairman.

Piano Recital

Miss Ruby Lee Dickerson will present her pupils in recital tonight at 8 o'clock, in the school auditorium, as a part of the celebration of national music week.

Goldthwaite Girl Adds Honors

The news bureau of Mary Hardin college of Belton sends out a report that is decidedly pleasing to Goldthwaite folk, when it says:

Miss Virginia Bowman, daughter of Mr. and Mrs. F. P. Bowman, Goldthwaite, won another honor at Mary Hardin-Baylor when she was selected to appear in concert with a few students from the class of Dr. Walter Gilewicz. Only those students of unusual talent and aptitude were chosen. Virginia's playing of "Rondo G Major opus 51 No. 2" Beethoven won the unstinted praise of the audience.

Virginia also attended the annual banquet of Pe Gamma Mu in Temple last week. Table decorations carried out the blue bonnet theme with a large centerpiece of the flowers, flanked by white candelabra. Place cards were in the shape of blue bonnets and small programs carried out the blue and white color scheme.

Later

Miss Virginia Bowman was chosen pianist of Historical Phila in the recent society election at Mary Hardin-Baylor. This is one of two senior literary societies on the campus. Members are easily recognized in their attractive uniforms of red and white when the society gives a public demonstration.

Historical Phila, which was organized in Mary Hardin-Baylor more than fifty years ago, is one of the most distinctive organizations on the campus. It is founded on ideals which dedicate its members to service and to honor the uprightness in all human relationship. Their interest in history and worthy traditions has inspired the development of a museum which is one of the most treasured possessions.

Heavy responsibility goes with the honor of each office, and realizing this the society elects its officers only after careful consideration of each member.

Tuesday Study Club

The May 5 meeting of the Tuesday Study club was held at the home of Mrs. Paul McCullough.

"Roll River," by James Boyd was reviewed by Mmes. Sparks Bigham and Ed B. Gilliam. Mrs. Earl Fairman outlined the life of the author.

Mrs. Walter Glenn Saylor was welcomed as a new member.

iced punch was served at the close of the meeting.

A Nice Letter

Some one sent the Eagle an anonymous letter this week telling of a proposed stock show at Long Cove, which the writer said would take place at the end of school.

The Eagle has no way of knowing whether or not the plan is authentic, as the letter was unsigned and the announcement may have been intended as a hoax.

Ruling Received

News just received by the county agent's office that interplanting of two rows of corn or grain sorghum and 1 row of peas will count as 2-3 soil depleting and 1-3 legume, both for establishing base and compliance.

Plan Explained

Dr. H. F. Miller of San Angelo, district organizer for the Townsend old age pension plan, will speak in the court house in Goldthwaite Saturday night, explaining the plan. All interested parties are invited to hear him.

Work Begins Monday

Mayor Bodkin has received a communication from Mr. Dalton, contractor for the Goldthwaite sewer system, saying he will be here ready to begin work Monday.

Baptist Reminder

Our people expressed unusual appreciation for the message of Superintendent Tolbert Patterson Sunday morning. Prof. Patterson is one of our outstanding school men of the county. Mullin is very fortunate in having him.

I enjoyed preaching the baccalaureate sermon at Newberg Sunday morning. I found that three of Mills county's teachers were teaching in the school. They were: Mr. Fisher of Mullin, Mrs. Tommie Graves, Jr., and Miss Simpson of Goldthwaite.

Sunday morning we hope to have roses for every one present at church. There has arisen much sentiment around Mothers Day. We always like to think of mother. I will try to bring a message Sunday morning fitting for the occasion. There will be nothing sentimental about the message, so come and be with us.

We had a good crowd Sunday night. Many new faces were present. We invite you back. You are always welcome. Sunday night I will bring an evangelistic message.

Guests Entertained At Lake

Mr. and Mrs. L. J. Gartman entertained a number of out-of-town guests at the lake when it opened last Friday. Mrs. Gartman was the only one of the party lucky enough to catch a fish, catching a bass weighing something over 5 pounds. This with some cat fish caught on the river the night before made enough for a nice fish fry.

After supper the party enjoyed a get-together meeting in the club house. Guests from Hamilton were Mr. and Mrs. Mike Harris and little daughter, La Nelle. Mr. and Mrs. O. J. Kinsey and Mr. and Mrs. Tom Hedgepeth. Robert Hurley was a guest from Evans.

Guests from Brady were Mr. and Mrs. M. T. Bratton, Mr. and Mrs. Glyn H. Truly and Mr. Loahn. Mr. Bratton and Mr. Loahn are associated with the Broad Mercantile company.

Guests from Abilene were Mr. and Mrs. Jack Adams.

The guests were greatly impressed with the size and beauty of the lake, and let's hope that when they visit us again that the fish will not be so hard to catch.

Pleasant Gathering

Kelso and Billie Jack of Ridge; Mr. and Mrs. Jack Atkinson of Ratler; Mr. and Mrs. Arch Ketchum of Mullin; Mrs. Ellis Brown of Wichita Falls; Mr. and Mrs. Joe Cutris joined the crowd in the afternoon. After dinner all enjoyed a swim in the river and visited the Crawford dam and saw mill.

Everyone reported a nice time and hope to go again. XX

Pleasant Grove 4-H Club

The Pleasant Grove 4-H club met with Mr. Weaver at the school house Thursday afternoon, April 30. All members were present.

Mr. Weaver gave us a good lecture on club work and answered some questions we had been saving for him.

Each of the members have their animals now, so we can start our work in earnest.

We were glad to have Mr. Weaver with us and want him to come back soon.

We expect to meet again soon.

The guests were Misses Jean Woods, Sue Cook, Wanda Speck, Lela Ranth, Bernice Howell, Miss Iva Lee Daniel of Mullin, student in Howard Payne college, was also a member of the party.

All returned to their studies in the college the first of the week except Miss Howell, who remains for a visit with Miss Robert Elizabeth Littlepage.

New Farm Program

Farmers should realize that a work sheet should be filed in the county agent's office by May 15. After that date it will be too late to sign for an application.

In Mills county the following compliance may be made:

1. To turn under oats before they advance to the dough stage.

2. Sweet sorghums, grain sorghums, sudan or millet planted solid or broadcast after January 1 and turned under by July 31.

3. Sudan may be planted and pastured.

4. Cowpeas planted between wide rows of corn or grain sorghum, counts half the acreage, provided it has been the custom on that farm.

5. On farms having both cotton and general crop base, there must be at least 20 per cent of soil depleting base planted to soil conserving or soil building crops.

6. Farms having no cotton base may comply by having only 15 per cent of soil depleting base planted in soil conserving crops.

The above practice will secure benefits up to the acreage allowed on bases established.

Be sure you understand the terms of compliance before turning under oats or planting a conservation crop.

Two things above all are worth looking at carefully before you choose your new car. One is the real dollar value and motoring satisfaction you are going to get for your money. The other is the price of the car delivered and in your garage ready to drive. Here you see the low delivered price of a new Ford V-8. If you will drive this 1936 Ford car, you will also see at once how much greater value it gives you than even Ford has ever offered before. In performance, safety, comfort, and beauty, it is by far the finest Ford car ever built.

GRAMMAR SCHOOL GOSSIP

Saturday, May 2, the grade class went on a Brown's creek. They many games and had a time.

A few pupils of the sixth and seventh grades went to a celebration for singing in Brownwood. A few of the bought Texas centennial everyone enjoyed the trip much and wish to thank who made this trip

SENIOR NOTES

Thursday night the were entertained at the banquet given by the senior class. As we know, was the annual junior-banquet, but the seniors that it was the most enjoyable one ever given.

The banquet took place at the show room, where the room was decorated to the spirit of Texas and of the centennial. The program was given by Mr. ...

First we were entertained by the sophomore waitresses, who sang a song to the tune of "The Man in the Flying Trapeze." These were dressed very neatly in blue and white. Then the master, J. D. Berry, the welcome address, after Earl Harvey, the senior, gave the response.

The next part of the program to be very amusing as it was given by Miss Saylor.

we had a very fine dinner. The menu was as follows:
 Fruit cocktail
 Baked chicken, dressing
 potato chips, pickled beets
 curly, stuffed egg, rolls
 cream, Angel squares
 sea, salted Texas pecans.

After the dinner we were then entertained by the Frizzell, who gave the prophecy. Then Connie favored us with a ballet

dance. Louise Ohelbusch gave a very interesting reading.

Mr. Thompson spoke to us a few minutes and then Mr. Smith climaxed the program with a very delightful after-dinner speech on the "Magnificence of Texas."

Orchestra music was furnished throughout the evening by an orchestra of local talent. Also Aubrey Harris Smith gave several delightful numbers on his accordion.

After the banquet, Miss Coleman and the junior class took the seniors to the Melba theatre. Again, the seniors wish to thank the juniors for this most enjoyable occasion.

LIBRARIAN ELECTED

In addition to the list of teachers published last week, Miss Ruby Cave has again been selected as high school librarian. Miss Cave has served very efficiently in the named capacity this year and it will be good news to both teachers and pupils to know that she will again be found in her accustomed place.

DIPLOMAS ORDERED

An order has gone forward for diplomas for the following students: Novaleen Berry, Doris Hereford, Willie Fae Gray, Kenneth Cockrum, Alvin Guess, Maxine Geeslin, Connie Saylor, Clara Bowman, Fred Soules, Mary Margaret Bigham, Dorman Dupuy, Alton Peck, Earl Harvey, Catherine Crook, Gwendolyn Hill, Eva Koen, Daphne Reynolds, Vera Koen, Lois Berry, Evelyn Allen, Virginia Womack, Sarah Fairman, Alleen Martin, Elaine Stephens, Glyn Walton, Joe D. Carter, Carlyle Stark, Mary Clements, Juanita Rudd, Thomas Tubbs, Raymond Tubbs, Irene Ray, Florine Woody, Jack Burns.

There are others in the senior class who because of sickness or other causes have been absent quite a bit this term and who do not have their work in a satisfactory condition at present, but who may be able to make up the work that is missing. If this occurs a supplementary diploma order will be placed.

HONOR GRADUATES

A very unusual circumstance is to be found in the senior class this year. Alleen Martin, Clara Bowman, Sarah Fairman and Irene Ray have tied for first honors, each having made straight "A" cards throughout the entire year. The first three named have virtually maintained this record throughout their entire high school career. Irene Ray has only been in our school

two years, but she has made an enviable record since coming to us.

Although especial mention is made of the scholastic standing of the above named students, a number of others also deserve mention. All in all, the scholastic standing of this senior class is probably the highest the local school has turned out in many years.

COMMENCEMENT SPEAKERS

The Reverend Franklin E. Swanner, pastor of the First Baptist church, has been selected to preach the baccalaureate sermon Sunday, May 17. The program will be held in the school auditorium at the morning hour. The music is in charge of Mrs. Sam Sullivan and Mrs. John G. Berry. All congregations in the city will be invited to join in this service.

Dr. J. W. Bergin, president of Southwestern university, has accepted an invitation to deliver the commencement address, on Thursday evening, May 21. This program will also be held in the school auditorium. Grammar school graduation will be observed Wednesday evening, May 20, with the program to be announced later.

PIANO RECITALS

Miss Ruby Lee Dickerson will present her piano pupils in their final recital tonight at eight o'clock at the grammar school auditorium.

Mrs. A. H. Smith will present her piano pupils in their final recital next Friday night, May 15, at eight o'clock at the grammar school auditorium.

Everyone is cordially invited to attend these recitals.

SENIOR LUNCHEON

Saturday, May second, at one o'clock, Mrs. Earl Fairman, assisted by her sister, Miss Gladys Glass, gave the senior girls a luncheon in honor of the graduation of her niece, Sarah Fairman.

The guests, besides the senior girls, were Mrs. A. H. Smith, Miss Cox, Mrs. Barnett, Miss Gatlin, Miss Cave, Mrs. W. E. Fairman, Mrs. W. K. Marshall, and Misses Bobby Littlepage, Lottie Hester, Connie Trent and Catherine Fairman.

The six tables each had Maypoles in the center with streamers to the corners of the table. One table was decorated in white and green, the senior colors. The others were decorated in rose and orchid and pink and green. The favors were dolls dressed in colors harmonizing with the schemes of the different tables. Each doll held a small diploma that served as a place card.

The senior girls are deeply grateful to Mrs. Fairman for giving such a delightful luncheon.

MAY FETE

On Monday afternoon, May 4, the annual May fete was held at the grammar school auditorium. The dukes and duchesses from all the grades were announced by Jimmie Frizzell and Jack Burns.

The dukes and duchesses were as follows: Seniors—Earl Harvey and Irene Ray; juniors—Voyd Lee Doggett and Lorane Bledsoe; sophomores—Duron Kirby and Dorothy Hartman; freshmen—Pat Obenhaus and Kathryn Hodges; seventh grade—Aubrey Smith and Lavinia Renfro; sixth grade—Molar Carrol and Lorene McDaniel; Fred McKinzie and Theda Fay Daniel; fifth grade—Clifford Hunt and Rose Mary Hargett; fourth grade—Melmoth Stokes and Nova Mae Pierce; third grade—Alan Horton and Patsy Stephens; second grade—Robert Earl Simpson and Norma Jean Bishop; James Smith and Dorothy Dell Pierce. For Bad Feeling Due to Constipation

Get rid of constipation by taking Black-Draught as soon as you notice that bowel activity has slowed up or you begin to feel sluggish. Thousands prefer Black-Draught for the refreshing relief it has brought them. Mrs. Ray Mullins, of LaB, Ark., writes: "My husband and I both take Theford's Black-Draught and find it splendid for constipation, biliousness, and the disagreeable, aching, tired feeling that comes from this condition." With reference to Syrup of Black-Draught, which this mother gives her children, she says: "They like the taste and it gave such good results."

Johnson was elected duke from his class, but was unable to take part.

Following the procession of dukes and duchesses came the prime minister, Mr. Smith. Then came the crown bearer—Master Jim Bob Steen. Jane Ann Steen and Dorothy Patterson, the queen's flower girls, followed. Next came her royal highness, Connie Saylor, queen of May, escorted by King Joe Davis. The queen's train bearers were Kathleen Clements and Celia Ann Simpson.

The queen, attired in a white satin dress and a white satin robe lined with aqua, was formally crowned by Prime Minister Smith. Then she and the king were entertained by several groups of grammar school and primary pupils, including the rhythm band. The climax of the entertainment was the Maypole dance.

GLEE CLUB RECITAL

Monday night, May 11, Mrs. Sullivan will present the Girls' Glee club and her private pupils in a recital at the grammar school auditorium.

The glee club will sing several songs. The senior club will also sing. These girls will appear for their last time on a high school recital. There are eleven of them. There will also be trios, solos and duets.

Come to the final recital of your high school glee club.

SENIOR CLASS WILL (By Connie Saylor)

As it has been customary for the senior class in years of the past to will their virtues and characteristics, good or bad, to the junior class. The seniors of 1936, which are known as the best of the best, have proceeded to bequeath their fortunes and ills to our present junior class. The class will reads as follows:

The first bequest of our class will is that the senior class wills Voyde Lee Doggett general manager of our class room. He must see that no chalk or erasers are thrown, thus demoralizing our class room.

You all know that brevity is the soul of wit. Well one of our big little seniors, Alleen Martin, has willed her ability to play the piano like a master to Clara York.

Clara Bowman, one of the best looking girls in our class, leaves her debating ability to Forest Hill. We are expecting to read in the papers where "Mr. Forest Hill of Goldthwaite wins state championship in debating."

Fred Soules, whose famed words are "If I am so great as a boy, what will I be when a man?" wills his football ability to Troy Berry.

If a thing can't be endured, it must be cured; so Mary M. Bigham bequeaths her lovely voice to Connie Trent. Again if a thing can't be cured it must be endured; so she leaves her continuos

chatter and mischievous spirit to Addie Mae Summy.

Alton Peck, a mother's pride, a father's joy, leaves his physics genius to Joe Davis and Elwaine Doggett. As art in physics is a gift of God, Joe and Elwaine have

fallen heir to a gift of the greatest value. Oh, what a future for physics.

Evelyn Allen, one of the sweetest and quietest girls in the senior class, wills her sincere (Continued on page 8)

EDITORIAL

By Peaches

Three years ago, as mother nature began to wash the gray dust of summer from her canvas and spread the brilliant colors of autumn upon her palette, with timid hesitating steps, we the class of 1936, for the first time took up our abode in old Big Valley high school. As we stored on through the years, some forged to the front, some lagged and others dropped by the wayside. Those of us who are left have shared each others sorrows and joys, tasted victory and defeat, worked and played, copied each others lessons, played "hooky," tried shattered nerves of our teachers and in fact committed all of those school day pranks which if not repeated often leave no scars.

In us rests the pride, hope and ambitions of our teachers and our fathers and mothers. Let us so strive that our future lives may bring them joy and happiness—a fulfillment of their dreams since our cradle days. May our paths often cross and each crossing see that you still bear aloft the pure ideals that they have taught us. And now, farewell seniors, may God attend you on your way.

IN MEMORY OF H. B. JOHNSON

Henry Bascomb Johnson was born in San Saba February 12, 1883. He departed this life May 4, 1936, aged fifty-three years.

The early years of his life were spent in San Saba county. Twelve years ago he came to Goldthwaite, where he went in business with his brother, W. M. Johnson, as agent for the Texas Oil company, and where he resided at the time of his death.

His illness was of short duration. When complications set up he was hurried to a hospital in Temple, where everything was done that skilled physicians and loving hands could do to save his life. All was in vain, and on the above named date he peacefully fell into the "sleep that knows no awakening," leaving many friends and loved ones to mourn his going.

On October 18, 1906, he was married to Miss Willie Matthis, Deport, Texas. She lived but a few months, died May 19, 1907. On October 5, 1910, he was again married to Miss Gertrude Piler of San Saba county. She survives him, together with the following children: Paul, Big Spring, Texas; Joe Bill, Goldthwaite; Worth, in the university, Austin; Annagene (Mrs. Charles H. Evans) San Angelo; Gertrude, in C. I. A. Denton; and his mother, Mrs. W. F. Johnson, San Saba. Besides these he leaves the following brothers and sisters: W. M. Johnson, Goldthwaite; A. W. Johnson, Orchard; Mrs. Fred Brown, Beaumont; Mrs. J. M. Walker, San Saba; Mrs. A. J. Cupples, Dallas; Mrs. T. G. Kuykendall, Cherokee; Mrs. Wallace Stroud, Tyler. His father died at San Saba, January 4, 1910.

In early life Mr. Johnson joined the Methodist church and remained in its communion until death. The Sabbath services usually found him in his place in the church. When the last call came he expressed himself as ready for the great adventure.

In many things Bass Johnson was a remarkable man. The outstanding characteristic of his life was his greatness of heart. No man was ever refused a favor of him, if it was within the scope of the possible. His friends were innumerable, commensurate with his acquaintances. The large floral offering beneath which his body rests was a tribute of love from those who knew him and loved him for his worth.

The funeral services were conducted from his late home by Rev. R. E. Duke, pastor of the Methodist church at Goldthwaite, and by the Masonic order of which he was a member. He was also a member of the Lions club.

One of the largest processions ever seen in this town followed his body to his last resting place in the Odd Fellows cemetery at Goldthwaite.

The pallbearers were business associates of the town: Neal Dickerson, Robert Steen, jr., Robert Littlepage, Curtis Long, Marvin Rudd and Walter Weatherby. The entire community join in sympathy with the family.

The home was beautifully decorated in cut flowers and pot plants.

A dainty refreshment plate was passed to the following guests: Mesdames Barney Keating, Glenn Kittle, Misses Ethel Dean McFarland, Nootsie Hancock, Aleta Fisher, Nell Guthrie, Marselete Summy, Monica Lovelady, Mildred Mills, Carrie Kirkpatrick and the honoree Miss Catherine Duren.—Mullin Enterprise.

Saturday night and Sunday is church day. Preaching by the pastor, Sunday school at ten thirty.

Miss Nell Miller knows how to get up a school program. She just had ten pupils. They all knew their part fine. Miss Estell Miller gave a reading which everyone enjoyed. The children have learned this year. I expect they all passed. Miss Nell gave her bouquet to John Earl Roberts. Now I believe he was her pet among the boys. Why not pet a cute little boy like John. We wish for Miss Nell all kind of good luck as she goes from here into other work.

We were sad when the news came last week about Bro. Swanner and Roy Wilkins being washed down stream. Then our hearts rejoiced when we heard they were safe. We hope Roy teaches the preacher how to swim this summer.

If it continues to stay warm, no telling how warm it will get to be this summer.

Several from here attended the memorial services in the Patterson park in honor of Judge L. E. Patterson Sunday after-

Nervous, Weak Woman Soon All Right

"I had regular shaking spells from nervousness," writes Mrs. Cora Sanders, of Paragould, Ark. "I was all run-down and cramped at my time until I would have to go to bed. After my first bottle of Cardui, I was better. I kept taking Cardui and soon I was all right. The shaking quit and I did not cramp. I felt worlds better. I gave Cardui to my daughter who was in about the same condition and she was soon all right."

CARDUI

Thousands of women testify Cardui benefited them. If it does not benefit YOU, commit a physician.

Get alloyed oil . . . and you'll get the difference

Ask your wife. The least little heat makes smoke out of some of the oily substances she puts in her frying pan. They vanish double quick, while others stay put.

That's the sort of difference your hilliest hot-weather drive will show you in Germ Processed, the alloyed oil. Patented.

It not only stays up around "Full," but stays right up in every working surface of your engine. Yes, the pistons, cylinders, valve gear, and any types of bearings ever used, can really take in this alloyed oil. You might say they become lastingly, smoothly "oil-greased."

And you can see that this added sleek oil-surfacing, together with the high-durability Germ Processed oil-film, easily doubles your guard against summer grief. Now when you want to go farthest fastest, get Conoco Germ Processed oil—the alloyed oil. Continental Oil Company.

MISLEADING INFORMATION

The United States civil service commission has sent a notice to post offices, warning that misleading information is being given the public by representatives of some of the correspondence schools, which sell "civil service" courses.

For a long time the commission has been receiving complaints from different parts of the country, which indicate that opportunities for obtaining federal employment have been greatly exaggerated.

It was made clear that no school has any connection whatever with the civil service commission or with any other branch of the government, and also that the commission has no agents who solicit applications for civil service positions or who sell "civil service" courses.

No school can "guarantee" government employment and none is given information regarding examinations, or any other information, which is not available to the general public. The commission stated that it does not recommend any school, and explained that it is not necessary for anyone to take a course with a so-called civil service school in order to compete in a civil service examination.

A special point was made of the fact that information concerning examinations may be obtained at any time, without cost, from the secretary of the civil service board at any first or second class post office or from the commission's office in Washington, D. C.
