Many Fans Going To Encourage Team

DR. GORDON G. SINGLETON TO BE INAUGURATED NOVEMBER 24

For the first time in the 93 years of the history of Mary Hardin-Baylor College, a public inaugural service will be held for a new president when Dr. Gordon Grady Singleton is inaugurated on November 24, as the 15th president of the women's college which was founded in 1845 in Independence while Texas was still a republic.

Dr. Singleton, who assumed office July 1, succeeding Dr. J. C. Hardy, who had been president of the college for 25 years and who is now the first president-emeritus of the college, is already popular with the student body. He has expressed many times the same sentiment that has been typical of past administrations—that "the college is for the students and always will be for them temporarily."

Particularly interested in school administration, finance, and research, Dr. Singleton is the author of numerous publications dealing with various educational phases and was director of the main divisions of the state department of education in Georgia at one time. He has traveled extensively in the United States, Europe, and Mexico. One of Dr. Singleton's favorite remarks regarding education for women is that "a co-educational college is a college for young men where young women are tolerated." He believes that "education is not just a preparation for life, but that it is one of the steps in life."

Mrs. Singleton, a native Texan, is the youngest daughter of the late Judge and Mrs. W. H. Jenkins of Waco. Her father served for 50 years on the board of trustees of Baylor University and she attended that University.

ENROLLED AT T. S. C.

Four Mills County girls are among the 2470 now enrolled at Texas State College for Women, which still holds its record as the largest residential woman's college in the world.

These students are Misses Lucille Bledsoe of Brownwood; Louise Goosby of Goldthwaite; Jessie Guthrie and Shirley Guthrie of Mullin.

Mills is one of the 222 counties represented at the college. Over 175 girls are attending from 22 states other than Texas, and six students are from foreign countries.

CEMETERY WORKERS

There will be a working at the Mohler Cemetery on Friday, November 26. All parties interested please be there and help.

Teams About Even So Fast Game Is In Prospect

This afternoon at Llano the Goldthwaite Eagles will play the final district game for 1937. As the two elevens are about evenly matched, so far as past performance shows, a hard fought, close game is in prospect.

A number of local fans will make the trip with the team. A post-season game will be played with Star at Goldthwaite Tuesday afternoon.

DELEGATES RETURN FROM STATE CLUB FEDERATION MEETING

Mrs. Claude Eacott, president of the Art and Civic Club and Mrs. John Scholer represented that club in Austin at the State Club Federation meeting from Wednesday until Friday of last week. They report a delightful meeting and a most pleasant visit in the capital city.

They were accompanied to Austin by Mrs. J. H. Randolph, who visited relatives there. While in Austin they called on Mrs. Mary Womack who is now living in the home for widows of Confederate Soldiers. Mrs. Womack sent greetings to all her Mills County friends.

SIXTY SECOND WEDDING ANNIVERSARY

A celebration of unusual interest was that of the 62nd wedding anniversary of Mr. and Mrs. J. M. Bolter at their home in Brownwood on Sunday, Nov. 7. All of their children, several grandchildren and four of their great-grandchildren, with other relatives and friends, were present to enjoy the occasion and partake of the sumptuous noonday lunch. The day was most delightfully spent in merry conversation, music and reviewing events of the golden past.

John M. Bolter and Miss Victoria Germany were married in Union, Miss., Nov. 8, 1875, where their childhood days had been spent. Soon after their marriage they came to Texas by ox wagon, locating for a few years in Hill county, later coming to this section, establishing their home in the Indian Gap country, purchasing land interests in Hamilton and Mills counties, where they made their home for more than forty years. They farmed and raised stock during which time Mr. Bolter served as deputy sheriff of Hamilton county for ten years. One of the early farms on which they first located is still owned by members of the family. For the past 17 years Mr. and Mrs. Bolter have made their home in Brownwood.

Ten children were born to this pioneer couple, eight of whom

(Continued on Page 5)

NICKOLS, TRAYLOR WEDDING SATURDAY

Shirley Nickols from Coleman slipped down Saturday evening and plucked a fair young lady, Miss Bernice Traylor for his bride. Miss Traylor is the youngest daughter of Mrs. Maggie Traylor. She taught at Rock Spgs last year. Her pupils all loved her. Shirley is the youngest son of Mrs. Eula Nickols. They will make their home in Coleman where he has work. Mr. and Mrs. Nickols were reared here. The Methodist pastor Rev. Brucks performed the ceremony. We wish for them a long and happy wedded life. XXX

Be Thankful-

Next Thursday, November 25, is Thanksgiving Day, and the Eagle would like to join the other business houses of Goldthwaite in observing the holiday. Our advertisers and correspondents are requested to turn in their copy one day early next week in order for us to do this.

NOTICE OF ELECTION OF COMMUNITY COMMITTEEMEN FOR 1938

Elections will be held in the District Court room in Goldthwaite to elect three community committeemen and one alternate to administer the 1938 agricultural conservation program in each of the three districts in the county.

Persons who will have an interest in any farm or ranch benefit in 1938 are eligible to vote.

Dates for the three district meetings are as follows:

Precinct 3, (Composed of Commissioners Precinct 3) Wednesday, November 24, at 2:30 P.M.

Precinct 2, (Composed of Commissioners Precinct 2), Friday, November 26 at 2:30 P. M.

Precinct 1, (Composed of Commissioners Precincts 1 and 4), Saturday November 27, at 2:30 P. M.

W. P. WEAVER, County Agent

GARDEN CLUB

The Goldthwaite Garden Club will meet with Mrs. John G. Berry today, (Friday) afternoon at 3 p. m. All members are urged to be present.

MERRY WIVES CLUB ENTERTAINED AT BRIDGE

The Merry Wives Club and a few friends were entertained, Monday, November 15, with the club's first party of the season at the home of Mr. and Mrs. Walter Fairman. Messrs. and Mesdames Walter Fairman and Marvin Hodges were host and hostesses.

Chrysanthemums and Calendulas decorated the house. Prizes in games were won by Mrs. Walters Hester for guests and Mr. and Mrs. Raymond Little for members.

A delicious salad course was served to the following members and guests: Messrs and Mesdames Tom Toland, Claude Burch, D. Albert Trent, E. B. Gilliam, Jr., Raymond Little, A. L. Whittaker, V. C. Bradford, S. E. Cloninger, Hulon Fletcher, Dr. and Mrs. T. C. Graves, Mrs. Walters Hester and Miss Adeline Little.—Reporter.

The Merry Wives Club met November 9 at the home of Mrs. Walter Fairman. The reception rooms were festive with Autumn flowers.

At the conclusion of the games Mrs. Ed Gilliam was presented with the high score prize for members. Mrs. A. L. Whittaker, high for guests and Mrs. V. C. Bradford the prize for high cut.

A delightful two-course luncheon was served the following members and guests: Mrs. Ed Gilliam, Paul McCullough, Raymond Little, C. M. Burch, D. A. Trent, Marvin Hodges, V. C. Bradford, Walters Hester, W. W. Wilkerson, A. L. Whittaker, Caldwell, Miss Lucille Conro.

Lions Club Plans For Christmas

At the regular meeting of the Lions Club Tuesday evening, President A. H. Smith started the ball rolling for the annual Christmas party sponsored by the Lions. The details will be discussed at the next meeting.

Judge R. J. Gerald spoke briefly on highway construction for next year. An account of the recent march of the proposed infantry division of the U. S. Army from San Antonio to Mineral Wells was given by M. Y. Stokes, Jr.

Mercury Drops To 28 Degrees

The first real winter weather struck Mills county this week, when a norther struck Monday evening. Tuesday morning one of the heaviest frosts ever noted here laid a white layer over all exposed objects. Wednesday morning the thermometer dropped to 28, four degrees below freezing, and both Tuesday and Wednesday mornings there was considerable ice. Friday the temperature dropped to 22 degrees.

MILLS COUNTY FARMERS TO PLANT UNIFORM COTTON

At a series of meetings held in the various gin communities last week, progress was made toward standardization of cotton varieties.

The meetings were well attended and the producers almost unanimously agreed to plant that variety selected by a majority vote. Star selected Watson, Caradan, Harper; Goldthwaite Bagley. A committee is offering growers around Mullin a chance to vote for their selection and Priddy will hold a second meeting Thursday night.

One of the above selected varieties has already been offered in quantity for \$1.50 a bushel. Thus it is already seen that this is a great saving to those who buy the standardized variety. It is one of the best moves made by farmers in many years.

The following persons attended the meetings and assisted in getting facts and statistics on grades and varieties before the farmer-griff, Tolbert Patterson, Leeers: J. E. Armstrong, A. F. Van-R. Tesson, Oscar Swindle, J. E. Greathouse, John Scholer, T. L. Adams, O. H. Yarborough, G. R. Goosby and Tom J. Henry.

N. T. S. C. HOLDS OPEN HOUSE

(Special from Clara Blackwell, Teacher's College student.)

Open house will be held at North Texas State Teachers' College Saturday, November 20, and all ex-students and friends are invited to attend.

Classes will be dismissed and the campus thrown open to inspection with the entire student body acting as guides. Programs from different departments will be rendered. One special attraction will be the "Sweethearts Day" program sponsored by the Quintillian Club.

The main feature of the day will be the grid classic between those two rival teams of long standing, N. T. S. T. C. and their number one dread, Commerce. This tilt will be the season's hottest and will take place at 2:30 p. m.

Saturday night the biggest annual all-college dance will be held in the Harris Gymnasium. Several thousand students, ex-students and friends are expected to be there.

CHURCHES

Reminder

Members were delighted to see E. Dawson Sunday at the pastors absence. During our congregation in hearing the new pastor. From the convention night. It was a very interesting one of the history of Texas. Reports showed that year had been one of the best. There were almost 3000 people who won to Christ by this past year. Our budget of \$600,000 was reached. A vocal trio composed of Misses Capple Fairman, Joyce Johnson and Aileen Martin sang two selections. Little Miss Nettie Ruth Brucks gave a clever reading. Aubrey Smith played a piano solo and Mrs. Walter Hester gave a reading which was followed by a piano solo by Miss Lillian Summy.

W. M. S.

Circle No. 2 of the Baptist Church, met in the home of Mrs. Goosby on Monday. There were 18 present. High lights on the life of Dr. Basil Lockert were given by Mesdames Cloninger, Tullos, Crutchfield, and Littlepage. A motion was made and seconded to buy a gross of balloons to send to the orphans home for Thanksgiving, with the box of other things the two circles are preparing to fix and send Monday.

HONOR STUDENTS

Misses Ruth Goosby and Ruth Hale of Goldthwaite were named honor students at John Tarleton College today in a report released from Registrar, Charlie S. Wilkin's office after the reports of first preliminary grades were in. They were included on the B honor roll because they made no grade below 80.

Miss Goosby is a senior in the department of Business Administration, and Miss Hale is a junior in the department of Elementary Education.

WEATHERY IMPROVING

Encouraging reports come from Dallas about the condition of Walter Weatherly, the popular Ford Dealer, who was operated at the Medical Arts Hospital in Dallas on November 5. He is recuperating rapidly and expects to come home next week.

HOME FROM SCHOOL

Misses Geraldine and Lottie Belle Hester who are attending school in San Marcos came home for a brief visit on Sunday. They were accompanied by Dr. S. M. Sewell of the college also Miss Frances Ray of Breckenridge, who is a class mate.

EBONY

A fine rain fell in this community Monday.

On account of bad roads, the school bus was unable to reach school Monday.

The Indian Creek football team met its first defeat Friday at Williams.

Mr. and Mrs. Roscoe Jones and baby Frances went to Eastland Sunday to visit Mrs. Jones' brother, Earl McNurien, and family.

Mr. and Mrs. J. W. Roberts attended church at Regency Sunday. On their way home in the afternoon, they visited with Grandma Egger and Aunt T. They found aunt T all right, as usual, and Grandma able to be up.

Mr. and Mrs. P. R. Reid, R. M. Haynes, and Miss Pauline Haynes attended the ball game at Williams Friday afternoon.

Miss Odene Russell left Friday evening for San Antonio to go to work again.

Mrs. J. C. Crowder spent the week end in Brownwood.

Mr. and Mrs. Tillman Smith announce the arrival of a baby boy, Morris Dwain, born Thursday, November 4.

Mrs. Ira Ratliff of San Angelo is visiting her mother, Mrs. Lula Kelly.

Mr. and Mrs. Charles Roberts and Wayne Roberts called on Mr. and Mrs. Wood Roberts Thursday night.

Mr. and Mrs. Will Crowder and children, J. D. Kenneth, and Curtis, of Ridge attended church here Sunday and visited Mr. and Mrs. J. R. Ivey.

Mr. and Mrs. E. O. Dwyer, Mr. and Mrs. J. R. Briley, and Mrs. Nellie Malone had dinner at the Wilmeth home Sunday after church.

Mr. and Mrs. Reese Reid spent Saturday night with Mr. and Mrs. Charm Whittenburg.

J. R. Wilmeth, E. O. Dwyer, and J. R. Briley attended the mule colt show at Goldthwaite Saturday afternoon.

P. R. Reid merchant of Ebony, attended the Magnolia banquet at Brownwood Thursday night.

Mr. and Mrs. Blue Thompson and girls, Mrs. Nellie Malone, and Ernest Malone getting pecans for Thomas Smith in the Wilmeth orchard Saturday. Mr. Smith is getting through there this week. He has gathered about 7000 lbs of natives.

The chrysanthemums are in their glory now. And have you seen the wild asters along the creek? They hang in beautiful mauve drifts along the waters' edge.

Remember the cemetery working Thanksgiving Day.

NOTICE TO DEBTORS AND CREDITORS

To those indebted to or holding claims against the estate of Mrs. J. K. Davis, Deceased:

The undersigned having been duly appointed administrator of the estate of Mrs. J. K. Davis, deceased, late of Mills County, Texas by Hon. R. J. Gerald, Judge of the County Court of said County on the 21st day of October A. D. 1937 hereby notifies all persons indebted to said estate to come forward and make settlement within the time as prescribed by law, and those having claims against said estate to present them to him at his residence 6 miles north of Goldthwaite, Mills County, Texas where he receives his mail this the 30th day of October A. D. 1937.

J. K. DAVIS,

Administrator of the Estate of Mrs. J. K. Davis, Deceased, 11-5-4tc

QUEER CONTRAPTION SOLVES PROBLEM FOR U. S. ARMY

An ingenious, queer looking contraption appears to have solved one of the army's major tactical problems--that of moving machine guns without putting them temporarily out of action.

The new low-slung, streamlined carrier, developed by Capt. Robert G. Howie and Sgt. M. C. Wiley at the infantry school, Fort Benning Ga., transports a machine gun, a gunner and a driver over almost any sort of terrain, swiftly and with a minimum of danger.

Although the carrier still is in the experimental stage, army officials hailed it as a great step toward their goal of complete motorization and modernization of the army. The machine was tested under mock battle conditions by officers and men of the new infantry division here.

Even more enthusiastic than the officers are the machine gunners themselves--the men in the ranks to whose lot will fall the task of operating the rapid-fire guns in any future war.

To them, the new carrier means an end to the back-breaking toil of lugging heavy machine guns across country with the attendant delay in maneuvering and the danger to gun crews from enemy bullets.--Brownwood Bulletin.

STEPHENVILLE MINISTER SAYS RACKET DISPLAYED IN SONG BOOK SCHEME

It was to my deep sorrow to learn this past week that an imposter had contacted most of the business men of Stephenville urging them to buy an advertisement in a hymn book for the First Christian Church. I knew nothing of such a scheme nor did any of the members of this church. We regret very much that such a thing had to happen to our fine friends in this city.

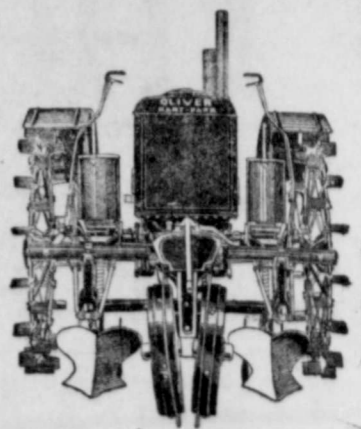

I should like to warn the business men of Stephenville that this is a "racket" which is being carried on all over the country. It is very difficult to seize the person or persons engaged in such business because of the manner in which they work. The one who was in Stephenville last week may be in Oklahoma this week.

May I speak on behalf of all the churches; do not buy anything from or donate to anybody that you do not know or who is not accompanied by someone that you know. By so doing you protect yourself and you help protect the church or other organizations of the city.--J. Clinton Bradshaw, pastor First Christian Church.

EDITOR'S NOTE--The above article clipped from the Stephenville Empire-Tribune is an example of the many so-called benefit organizations that are sweeping the country. They make believe they are helping some local community, church, or organization where as they carry three-fourths of the money donated by local firms out of the State, or so far away none of it ever comes back to the home town. So beware of all graft advertising schemes and if you wish to help some organization do so with a gift, and not donate to some high-pressure scheme that takes your money from home.

Mr. and Mrs. C. L. Stephens accompanied Mr. and Mrs. Jeff Priddy to Corpus Christi Monday where they will visit their daughters Mrs. Carrol Lawrie and family and Mrs. Horace Caldwell and family.

You're Never "Over Your Depth" OLIVER ROW CROP LISTER PLAN

You get 18 drawbar horse power when you own a Row Crop Tractor. You get Tip-Toe wheels that cultivate the soil--world-famous economy--easy on--and long, dependable performance.

Of course there is a complete line of mounted equipment for the Row Crop, none more popular than the Planter. The natural "suck" of Oliver lister bases them at just the desired depth. The full weight of the and double rocker arms can be brought to bear bases for smoother listing at even depth. You will find level at either deep or shallow work. An Oliver Crop Tractor and mounted Lister Planter is easy to and plants accurately all the way over the field.

Don't "plant your dollars" in any new equipment you see the Oliver Row Crop and its mounted equipment. The purchase of a Row Crop is an investment that pays dividends year after year.

TIGHT FITS between engine parts

That's why mere "fast-flowing" oils get beat by WINTER OIL-PLATING

How hard is it for any known oil to squirm in amongst scores of close-fitting engine parts? It's hard. Hence all Winter oil ads rightly tell you that even a worn, loosened-up engine needs extra fast oil-flow this season.

Free-flowing Conoco Germ Processed oil holds records for speedy flow in any cold. And yet Conoco asks you earnestly:

WHY BE SATISFIED WITH ANY FREE-FLOW ALONE, WHEN YOU CAN JUST AS EASILY HAVE THE RE-DOUBLED INSURANCE OF AN OIL-PLATED ENGINE?

Only an OIL-PLATED engine is lubricated for every cold start in advance--whole hours and days before any mere free-flowing oil can do one single wiggle!

Germ Process action on every working part creates OIL-PLATING. It becomes a part of all surfaces. It cannot drain down. It stays up without interruption, forever ready to speed your starter and preserve your engine every inch of the way this Winter.

Oil level stays up, too, once your Conoco Mileage Merchant puts in your correct Winter grade of Germ Processed oil.

FOOTBALL SONG

Football in most schools has become a school song. Until Goldthwaite High School was formed. However, our "Alma Mater" is always appropriate with a special meaning at a game that needs the Pep Squad last year to select the football song. One means just a little ordinary pep songs. It had to have a peppy sound to be sung easily by husky voices, words meant something, and among the students the Fair and Square was chosen because it has been the favorite of the Eagles, and embodies the fine spirit of H. S. and because it is a popular one. The songs below are sung to "The Eyes of Texas."

The Fair and Square Eagles cheer and square Eagles, for all that's right! The rep and pep and win a fight; see us out of line, they know that our them every time!

SQUAD PICNIC

November 12, the boys were hosts to a group of pep squad members at a picnic and girls gathered in the gymnasium where a number of stunts were put on by different clubs. At about 11:00 o'clock pillows and blankets were seen going down in the class rooms, on the hall floors (which were, by the way, the hardest concrete in existence) and all over the high school building, but 2 p. m. found only a very few (if any) of the girls asleep. In fact, there was so much excitement all night that it was impossible to sleep. The next morning a very appetizing breakfast was served to the girls by members of the Brady Club. At 10:00 a. m. the clubs congregated in the auditorium of the beautiful high school building and enjoyed an appropriate program. In a business meeting which followed, officers for the next year were elected. The time and place for the next meeting, which will be sometime next spring, were not definitely decided upon.

M. BURCH

TRIP TO BRADY

On Friday, November 12, Mrs. Baker carried the four delegates from Goldthwaite High School to the district meet of homemaking clubs in Brady. These delegates, Maxine Stewart, Gladys Kerby, Dorothy Hartman, and Oleta Henry, report a grand time and expressed regret that all homemaking students could not have attended.

As guests of the Brady homemaking club, about 200 girls, representing 38 different clubs of schools within a lengthy radius of that city, gathered for a hilarious good time. One purpose of this convention is to promote fellowship among homemaking students, and Goldthwaite delegates agree that this purpose is being accomplished, for they met with and made friends of a number of new and interesting personalities.

Upon arriving in Brady, the delegates registered in the high school building; then about 7:00 o'clock the girls whetted their appetites by walking through the woods to the beautiful Brady park, where they enjoyed a delicious picnic lunch. After all had eaten, there was a hurry-scurry for the swings, slides, merry-go-rounds, etc. A mere passer-by might have mistaken the group for young primary school children, rather than dainty homemaking girls. But it was "lots of fun" anyway. About 9:00 p. m. all were, exhausted from exercise and glad to get back to the school building. The girls met in the gymnasium where a number of stunts were put on by different clubs. At about 11:00 o'clock pillows and blankets were seen going down in the class rooms, on the hall floors (which were, by the way, the hardest concrete in existence) and all over the high school building, but 2 p. m. found only a very few (if any) of the girls asleep. In fact, there was so much excitement all night that it was impossible to sleep.

The next morning a very appetizing breakfast was served to the girls by members of the Brady Club. At 10:00 a. m. the clubs congregated in the auditorium of the beautiful high school building and enjoyed an appropriate program. In a business meeting which followed, officers for the next year were elected. The time and place for the next meeting, which will be sometime next spring, were not definitely decided upon.

At noon a delicious luncheon was served at white tables decorated with white daisies and yellow and purple chrysanthemums with tree branches hanging from the ceiling of the dining room. Immediately after lunch, the Goldthwaite girls returned home, stopping in Brownwood to shop a little.

EAGLES BEAT GUSTINE 26 TO 0

The Goldthwaite Eagles again showed their strength by defeating the Gustine Tigers 26 to 0 in the inter-sectional game last Friday. The Gustine team played their best during the first half of the game but the Eagles came to life in the last half and started running the ball towards the goal line.

The Tigers took the ball in the opening part of the contest and did their best to score, but the Eagles would not let them make even a penetration, which showed the Goldthwaite defence in action. Gustine then took its turn with defensive playing, and the Eagles finally crossed the goal line. At the beginning of the third quarter, Goldthwaite again scored on the same play which netted them their first counter. This time the point was made by a pass from Davis to Kerby. Two more touchdowns were counted for the Eagles, the one extra point being made via the aerial route.

The statistics of the game, by halves, shows that the Gustine Tigers played best in the early part of the game.

First Half
 Penetrations — Gustine, 0; Goldthwaite, 2.
 First Downs—Gustine, 3; Goldthwaite, 6.
 Yards Gained—Gustine, 70; Goldthwaite, 161.
 Penalties (in yards)—Gustine, 30; Goldthwaite, 70.

Second Half
 Penetrations—Gustine, 0; Goldthwaite, 3.
 First Downs — Gustine 1; Goldthwaite, 5.
 Yards Gained—Gustine 33; Goldthwaite, 213.
 Penalties—Gustine 10; Goldthwaite 25.

The two sensational plays of the game were the scoring plays which gave Goldthwaite her first two touchdowns. These were short passes which were good for 65 and 60 yards, respectively.

The Eagles last conference game of the '37 season is against Llano. The game is to be played in Llano, and the home field of any team is dangerous ground. The Llano eleven is no weak team as they were last year. This year they are as strong, if not stronger than the Eagles. Llano was the first team to score on the San Saba Armadillos, who having been scored on only twice this year, are in line for the District 27-B championship.

But the Goldthwaite flock can win this game if they have plenty of backing, so everyone help the Eagles win.

ARMISTICE DAY PROGRAM

As special assembly was called on Thursday, November 11, for an Armistice Day program. The subject of an interesting talk by Mr. Smith was "The Tomb of the Unknown Soldier." Mr. Smith described the monument, and told the story of its origin, and why it is honored today.

Following the talk several patriotic songs were sung by the entire assembly with Mrs. Hatchett leading and Catherine Fairman playing the piano accompaniments. The program ended with the playing of "The Star-Spangled Banner."

BOOK WEEK

That books are of inestimable value to persons of every age and social degree is unquestioned. Bacon's famous quotation "Reading maketh a full man," shows that in order to be broad everyone should read as much good literature as possible.

The educators of Texas' young people have realized the value of books and for this reason a definite amount of reading is required in all English courses. Different types of literature and selection from the last standard authors are studied in order to train the student in the appreciation of the best reading matter.

Several years ago the custom of setting aside one week a year as "National Book Week" was established. This week, from Nov. 14 to 20, is the time given to the recognition of the importance of books. In many schools special programs are prepared and the younger children are taught that "good books are good friends."

"Leto's" for the Gums

Are your gums irritated? Do they itch? Do they burn? Do your gums cause you annoyance? Drugists return money if first bottle of "LETO'S" fails to satisfy.

HUDSON BROS.

HOW OFTEN CAN YOU KISS AND MAKE UP?

Few husbands can understand why a wife should turn from a pleasant companion into a shrew for one whole week in every month. You can say "I'm sorry" and kiss and make up easier before marriage than after. If you're wise and if you want to hold your husband, you won't be a three-quarter wife.

For three generations one woman has told another how to go "smiling through" with Lydia E. Pinkham's Vegetable Compound. It helps Nature tone up the system, thus lessening the discomforts from the functional disorders which women must endure in the three ordeals of life: 1. Turning from girlhood to womanhood. 2. Preparing for motherhood. 3. Approaching "middle age."

Don't be a three-quarter wife, take LYDIA E. PINKHAM'S VEGETABLE COMPOUND and Go "Smiling Through."

CROSS CHILDREN MAY HAVE WORMS

Watch for upset little stomachs, bad breath, fretfulness, loss of weight, itching around nose and arms. They may have pin or round worms. White's Cream Vermifuge has safely and for years, reliably expelled the worms and toned the delicate tract. White's Cream Vermifuge recommended by druggists.

FUTURE FARMER FACTS

We take this opportunity to thank the John Deere Farm Implement Corporation of Moline Illinois for such a complete project record book which they have given us. We appreciate the book as well as John Deere's attitude toward the Future Farmers of America Association.

Several of the boys are trying out for Dairy Judging, and from the excellent grades they make, the Goldthwaite chapter will put up stiff competition for any school.

Rex Collier has applied for a certificate of Merit in corn production. He had the excellent yield of thirty-two bushels per acre, the average of this county being eighteen. Rex spent a lot of work on his project, which is shown by his grade of 97 per cent, a passing grade being 85 per cent.

November 17, of this week, our officers attended a district meeting at Richland Springs. Rex Collier, our local treasurer, acted as treasurer in the meeting.

THE SPOTLIGHT

This week the radiant "Spotlight" gleams unblemished on a beautiful little blonde in the senior class who is talented in music and never fails to help by displaying some of it. It is my pleasure to introduce Miss Catherine Fairman and give a brief sketch of her life.

Miss Fairman was born in Marlin, Texas on January 30, 1922. She is the daughter of Mr. and Mrs. Wilbur Fairman. Catherine started to school in 1928 in the Goldthwaite Grammar school. She skipped the second grade because of her splendid record. She graduated from grammar school in 1934 being named valedictorian with Oleta Henry.

WORM YOUR POULTRY

Entering Goldthwaite high school in 1934, Catherine took an active part in the Pep Squad and Glee Club. She was in her freshman year that she won in the county Interscholastic League declamation.

In her sophomore year, 1935-36, the Latin Club was formed with Catherine being elected president. She also participated in the Glee Club and Pep Squad. It was also in this year that she won the Latin Tournament at Waco.

At the opening of the 1936-37 school term she was elected reporter of the Junior Class. Then in the latter part of the term she won the music contest in Abilene for her piano playing.

Her Senior year is proving to be as successful as her previous one. She is now editor of the "High School Herald" and president of the "Pep Squad. The Good Morning Club and also the 1937-38 Choral Club. It looks as if Miss Fairman is to be named again as a contestant for valedictorian of High School.

She will not disclose her ambition, but we wish her success in what ever she may choose

FRESHMAN REPORT

We had our program Tuesday in assembly. We had only part of our Freshman talent. Ahem! Earl Hunt was our Master of Ceremonies. First Miss Catherine Epperson played a number. Second was a song sung by our quartet, Mary June Perryman,

WORM YOUR POULTRY DR. SALSBUARY'S ROTA CAPS THE TRIPLE-ACTION CAPS

Still Coughing?

No matter how many medicines you have tried for your cough, chest cold, or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and its nature to soothe and heal the inflamed mucous membranes and to loosen and expel the germ-laden phlegm. Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained from the very first bottle. Creomulsion is one word—not two, and it has no hypen in it. Ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

I.E.S. Better Sight LAMPS

... are bringing relief from eyestrain to millions

Give 3 to 5 Times As Much Useful Light... Without Glare

HERE is the first lamp ever designed expressly for safe seeing. Every lighting feature of it was specified by the Illuminating Engineering Society. In over 2,000,000 homes it is giving relief to over-worked eyes.

The translucent glass bowl enclosing the bulb softens the light and prevents glare. Opening at top throws some of light to ceiling for general room illumination. Wide shade spreads light evenly over a broad area. Special white shade lining reflects more light than most shades. You actually get from 3 to 5 times more light than from ordinary lamps; yet the difference in operating cost is only a cent or two an evening.

Your sewing will go faster and you'll get more enjoyment from your reading with an I. E. S. Better Sight lamp. Select one today from our extensive stocks. Lounge lamps, \$6.95. Floor lamps, \$9.95 up. Table study lamps, \$4.95.

Ask for **FREE TRIAL** (No obligation)

You are invited to try an I. E. S. Better Sight Lamp in your own home. See for yourself how it rests your eyes... how much easier it is to read, sew or study in its bright, yet glareless, light. Then if you decide to keep it you may purchase it on easy terms: small sum down and the balance in easy monthly payments.

DOES YOUR ROOF LEAK?

Wet, rainy weather is here! Why through the inconvenience of leaky roofs this winter, when only a few repairs to your roof is all that is needed.

We carry a complete line of the things you need. Call on us for your roofing jobs. We appreciate your business whether it is small or large.

ANNIVERSARY
 (Continued from Page 1)
 present for the celebration were: Mr. Mack Boler, Bangs; Oscar Swindle and Miss Marjorie, and Miss Pharr; Mr. and Mrs. Boler and son, Jim; Mr. and Mrs. W. and son, Branard; Alvin Boler and son; Mr. and Mrs. J. B. Cupa Richardson, all of Gap; Mr. and Mrs. and daughter, and Mrs. Bernie Shaf; Sheppard and daughter, of Brownwood; Mrs. Howard Hamilton; Mr. and Mrs. and baby, Jo Anne; and Mrs. Jimmy Ad.

"It didn't seem important When it happened years ago. It was just a passing pleasure. Like a lot we used to know. We were young and life was joyous, and we took it on the wing.
 We'd not the slightest idea Of the worth of such a thing. But today we're looking Backward and in memory we find, Through all that since has happened, have been keeping that in mind.
 "It was just a simple gathering. One you'd never guess at all To have anything about you'd Later recall. But today we lived it over And remembered what was said. Eight of the children living, The others now are dead. Why, we'd even kept the Laughter and the jests without a change! They'd outlasted greater glories—And that seems rather strange.
 "Twas a pleasure passed un-noticed. If the choice had been our own It would long have been remembered. But our memory works alone. It never asks for council, Never questions us at all. If we think the fleeting moment One would die 1;H"as One worth keeping to recall, The strongest things about it is: That after all these years, When we know it's been remembered, A Golden Dream, it all appears."

PRIDDY SCHOOL NOTES
 The Priddy H. E. Club has been organized for quite awhile and is getting along just fine, but hopes to do still better.
 The second year girls had the opportunity to initiate the first year girls last Thursday.
 The Home Economics Club sent five delegates and a sponsor to Brady to attend the District Club meeting which was held there. They left Priddy Friday afternoon and ate lunch on the way over.
 The City Park was used for recreation grounds for that evening. The club found it very attractive. After an hour of playing, they went to the skating rink at 10:00, the clubs were invited to the Senior High School gymnasium where they spent some time at stunts before going to bed.
 Saturday morning a business meeting was held and the election of officers for another year after which the meeting adjourned.
 Dinner was served in the lunch room of the high school
 "We had a time of our lives," was the expression of all the girls when they returned home Saturday afternoon at 6:30.

COMING
 To San Saba, Dr. REA of Minnesota, Specialists in Internal Medicine at San Saba Hotel, Saturday, Dec. 4th.

SURPRISE BIRTHDAY DINNER
 Miss Bobbie Littlepage surprised her mother, Mrs. R. V. Littlepage Friday with a lovely 12 o'clock birthday dinner. The center piece of the table was an attractive feature, a large birthday cake. Only a few friends and the family had the pleasure of wishing the honoree many more happy birthdays.

PRIDDY PUPS
 The Priddy Pups were victorious twice in one day last week. They played the first game with Sipe Springs Friday afternoon and came out with a score of 25 to 15. Then the Pups took the Mullen Bulldogs for a fast game. The Pups did not have as easy a victory over the Bulldogs as they did Sipe Springs. The final score was 27 to 21 in favor of the Pups.
 The Priddy boys are going to return the game to Mullin in the near future and they are anticipating a hard game.
 Friday, the Priddy boys and girls are going to Hasse to engage in a two day tournament.
 The Priddy girls are showing great improvement in basketball. We are looking forward to a good turn out in the Hasse tournament.
 The girls have played several

Subscription, per year, (In Advance) \$1.50
Single copies .05

Entered in the Postoffice at Goldthwaite as second-class mail.

Any erroneous reflection upon the character, standing or reputation of any person, firm or corporation which may appear in the columns of this paper, will be gladly corrected upon due notice of same being given to the editor personally at this office.

Notices of church entertainments where a charge of admission is made, obituaries, cards of thanks, resolutions of respect, and all matter not news, will be charged for at the regular rates.

LOWER MEAT PRICES DUE

The present outlook is that the combined yield of the three major feed crops, hay, corn and oats, will amount to 174,000,000 bushels this year as against 126,000,000 tons last year, an increase of 38.1 per cent according to estimates of the Alexander Hamilton Institute. In addition, the condition of pastures is considerably better than a year ago. The condition as of September 1 was estimated at 68 per cent of normal as against only 40 per cent last year. This increase in the feed supply will promote the raising of livestock which will eventually result in a larger supply of meat and a lower price level.

WAGE BILL A FARM THREAT

Four ways in which the farmer will suffer if the Black-Connery wage and hour bill becomes a law have been cited by Charles W. Holman, executive secretary of the National Co-operative Milk Producers Federation.

In a report to the federation, Mr. Holman pointed out: "By raising wages and shortening hours, the bill artificially boosts the price of everything manufactured in America and, as farmers constitute the largest consumer group, they will shoulder most of the burden."

"At the same time farmers will be forced to take less for what they sell; they will be obliged to pay higher wages to farm help without the hired man, and in the fourth place, foreign farmers with their low production costs, will be given further competitive advantages in our markets."

JOBS DIMINISHING CCC

Civilian Conservation Corps officials report that private industry has so improved in recent months that resignations from the CCC are greater now than at any other time in the four-year history of the corps.

A sharp drop in the CCC's waiting list is also reported by officials.

During the first eight months of this year, a total of 98,167 men out of 315,899 enrolled in CCC camps, made application for honorable discharge to accept private employment, records of the corps show.

Government officials pointed to another indication of better industrial employment in the fact that only 32 men whose enrollment expired last August made application for re-enrollment. The applications for re-enrollment during the previous month had totaled 2,240.

The CCC will still be kept at its 300,000 enrollment quota, however, government officials said. A total of 133,243 are now being enrolled to bring the corps up to its quota strength.

PENSION ROLL SLASH DELAYED

Good news came at long last to old age pensioners last week as the Old Age Assistance Commission announced that instead of reducing November pension rolls, the rolls actually showed an increase of 624.

In October the Board of Control, which supervises pensions, and Governor Allred warned that unless more pension money was provided, all payments would be suspended on November 1 so that the \$1,626,000 loan due Dallas banks could be repaid.

But when the Legislature adjourned without raising additional revenues, the Board of Control announced that the loan would be paid off at the rate of \$100,000 a month and that no reductions in the pension rolls would be necessary.

Nevertheless, Pension Director W. A. Little told a legislative investigating committee last week that in order to stay within the budget, 10,000 pensioners would be dropped before January 1. Orders already had gone out to investigators to check borderline cases with a view to slashing rolls, he said.

This brought from the Board of Control heated denials that any cuts were contemplated or would be necessary.

"No person actually in need will be cut off," reassured Chairman Claude Teer.

"We have enough money to run two more months and I cannot see any cuts coming up," Member Henry Meyer said.

Director Little: "It's time somebody stopped talking and did everything I knew to that committee."

Yet last week as November rolls were revealed, checks went

The WEEKLY CONSTITUTIONAL
by MAX BERNIS

The Power of the People

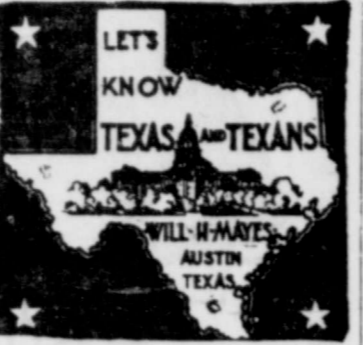

Why does our Constitution make the people the supreme authority and what protection does it provide so that "we the people" may keep our supremacy?

"I know no safe depository of the ultimate powers of society but the PEOPLE themselves," said Thomas Jefferson long after completing his term as president. "My personal interest in such questions is entirely extinct, but not my wishes for the longest possible continuance of our government on its pure principles."

"If the three powers, Congress, the President and the Supreme Court, as provided in Articles I, II and III of our Constitution maintain their mutual independence of each

Copyright 1937 by Max Bernis

In this column answers will be given to inquiries as to Texas history and other matters pertaining to the state and its people. Address inquiries to Will H. Mayes, Austin, Texas

Q. In what capacity did Alvar Nunez Cabeza de Vaca, accompany the Narvaez expedition to the Gulf coast?

A. He was the king's collector, treasurer and high sheriff, entrusted with the funds of the expedition, and whatever revenues Spain might receive under the contract with Narvaez. He became the historian of the expedition.

Q. Into how many divisions is Texas divided for the work of the State Highway Department and how are the divisional headquarters equipped?

A. There are 25 division headquarters with a division engineer in charge of each. Each division has a modern office building, together with shop buildings, warehouses, paint shops, blacksmith shops, and all necessary equipment for efficient work of that division, all of which is the property of the State, regularly inventoried and carefully kept checked.

Q. What induced Narvaez to make an inland exploration from the northwest Florida coast and to allow the ships to leave?

A. He met Indians there wearing gold trinkets and asked them where they obtained the gold. They pointed north and replied

out to 115,587 individuals in contrast with the 114,963 pensions paid in October.

Pension officials said they had added 2,573 new names to the November rolls while only 1,949 had been cut off—752 had died and 1,197 had been dropped.

Not only did the rolls show an increase, but the total amount of money spent for November assistance was \$22,123 greater than that spent in October.

Old age assistance cost \$1,562,221 in October, while in November the cost will be \$1,584,344.

However, old age pensioners were not reassured. The Board of Control said that it had no idea of ordering Little to retract his orders to slash the rolls. Investigators still were under orders to pare the pension rolls.

At the week end, many a pensioner was relieved that the cut had not come on the November rolls, but wondered if perhaps the day of deletion was not just around the corner.—State Observer.

PAY BANKS WHILE PEOPLE ARE SUFFERING

Declaring that the State should not "pay banks while hungry people suffer," Everett Looney of Austin, member of the State Democratic Executive Committee, this week called on the State Board of Control to suspend payments of interest and principal on the \$1,626,000 old age pension loan owed Dallas banks until the legislature provides more money for old age pensions.

Looney declared that the Board's announced plan of paying off this loan at the rate of \$100,000 a month from old age pension funds would mean that 10,000 pensioners will have to be dropped from the rolls.

He pointed out that the state already has more than \$4,000,000 on deposit in the Dallas banks to which the \$1,626,000 is due, and that this \$4,000,000 is not drawing one penny of interest.

Is it right or logical to pay these banks interest and principal from the old age pension funds in the dead of winter when it means that 10,000 old people will have to suffer, especially when these banks already have the use of \$4,000,000 of interest-free state funds," Looney asked.

"The state's obligation to its aged needy citizens is equally as binding and infinitely more sacred than its obligation to these banks, he insisted.

"Informed authorities have told me that the state's contract with the banks does not provide for the repayment of this money at any specified time, and there is no reason why these payments cannot be postponed until the Legislature provides more money for old age pensions Looney asserted.

"The situation is this simple—suppose you had just \$100. You

owe a bank the \$100, yet you have four hungry children. Would you pay the bank, or would you feed the children and pay the bank later," he inquired.

Meanwhile, Pension Director W. A. Little announced that investigators are checking all borderline cases with a view to cutting 10,000 pensioners off the rolls before January 1.

ITEMS FROM LOCAL PAPERS OF TOWNS MENTIONED

SAN SABA
The Lions Club of Richland Springs has undertaken the sponsorship of lighting the high school football field. A WPA project is now in progress which includes leveling, draining and sodding the field and the lighting program will be an extension of this project. With the installation of lights and building stands Richland Springs will be equipped to compete more successfully in football than ever before.
B. T. Rich and family were summoned to Temple Saturday night by the announcement that a brother-in-law, B. T. Stribling, aged 87 years, had been run down by a car and killed almost instantly. Funeral services were held Monday. Mr. Stribling had visited in San Saba and is known to a number of our people.
Rev. Val L. Sherman of Robstown was here awhile Tuesday disposing of some property interests. He reports the family well pleased and the children in school.
Mrs. W. S. Pence of this city has been named county chairman of the Highway Beautification for San Saba County by Mrs. Will F. Roberts of Brownwood, district chairman.
Soldiers, soldiers everywhere. That has been the scene here for Tuesday and Wednesday. This is the first time in all history when so many or anything like the number of uniformed men has been seen in this territory. It was a scene long to be remembered by San Saba people.
Gates of the town were thrown open to the soldier boys, as were the hearts of the people, and their short camp near San Saba was reported a most successful one in every detail.—News

LAMPASAS
A reception was held Friday afternoon at the Country Club by the Lampasas Garden Club. About one hundred ladies called during the afternoon. Besides the Lampasas friends of the club, there were many visitors from Hamilton, Goldthwaite and San Saba.
Harvey Vernor of Waco was a week end visitor here in the home of his mother, Mrs. J. E. Vernor.
J. W. Whitaker, nail picker operator for the State Highway Department, has been in Lampasas County this week with his magnetic machine which picks nails and all metal on the highway.
Mr. Whiteaker covered eighty-seven miles in Lampasas County and 815 pounds of nails in that travel. He stated that during five years of operating he had only had about fourteen flats himself. He travels at a low rate of speed and always examines his tires when he stops to weigh his nails.—Leader.

HAMILTON
The Hamilton County Annual Poultry Show and Fair to be held in Hamilton on November 18-19-20 at the Kookan building on south Bell Avenue, is a greatly enlarged, "leather bound edition" of the first County Fair and Poultry Show held here in October, 1929.
On Friday of last week sheriff Houston White informed a Herald-Record reporter that the mystery had been cleared concerning the disappearance from his home in the Jonesboro community of Denton Williams on the night of October 3, leaving no clue as to his whereabouts.
On the morning of November 5, Mr. Williams presented himself to County Attorney Gene Alvis in Gatesville, explaining that he had suffered from amnesia following an injury in a car accident in Gatesville on the afternoon before he wandered away from his home that night. Account of the auto accident was given in the newspapers. His memory and identity came to him in Clovis, New Mexico, and he immediately set out to return to his kindred and friends.
All interests in the T. K. O. Neal wildcat test, known as the Ireland well on the Doyle Ranch in the Ireland territory, drilled to the depth of approximately 4,000 feet some four years ago, have been assumed, according to authoritative reports, by C. M. (Dad) Joiner, veteran oil man of the East Texas Fields.
Mr. Joiner has experts here engaged in the task of clearing up leases and doing other preliminary work, preparatory to resuming activities at that location. The date of starting activities depends on the cooperation of property holders.—Herald Record.

CARD OF THANKS

S. E. Q. CLUB

It is with the sincerest appreciation to the beloved friends of our loved one who expressed, in word and thoughtful deeds, their sympathy in our sorrow of the loss of our mother and grandmother Mrs. S. L. Frazier that we express our thanks. Also for the beautiful floral tributes which helped so much to comfort our wounded hearts. Without friends our loss would have been unbearable. We are sustained by the grace of our Heavenly Father, "who doeth all things well." May God bless each of you.—Her Children and grandchildren.

The club met with Mrs. Eula Nickols in Mrs. W. D. Leverett's home. There were eleven present. They quilted on Mrs. Leverett's quilt and pieced on Mrs. Nickols' log cabin quilt. Mrs. Leverett served delicious chocolate cake and sandwiches. Mrs. Nickols treated the ladies to candy and grapes. We meet next Tuesday with Mrs. Booster Berry. Let's all be there as she has two quilts to work on.—XXX.

Mr. and Mrs. Arch Collier and her mother, Mrs. Elders of Center City spent Sunday with Clarence Elder and family.
