

# THE GOLDTHWAITE EAGLE

FRIDAY, JUNE 6, 1941

GOLDTHWAITE, MILLS COUNTY, TEXAS.—FRIDAY, JUNE 6, 1941

NUMBER FORTY-ONE

## STAMP PLAN MEETING HELD HERE ON MONDAY

Officers and committees for saving bonds are named

Mr. Grover Dalton, county chairman for the sale of U. S. Savings Bonds, called his committee in session June 3, at which time Mr. Dow Hudson was elected city chairman; Mayor H. G. Bodkin, vice-chairman; Miss Ollie Lee May, corresponding secretary; and Mrs. Whitaker, secretary.

A publicity committee headed by Mrs. John Hester was appointed. Churches, merchants and all citizens of the city are asked to co-operate in the nationwide movement.

## RECORD OF BIRTHS IN MILLS COUNTY

Jene Eli Casbeer, child of Mr. and Mrs. B. E. Casbeer, March 4. Sealey Ann Manuel, daughter of Mr. and Mrs. W. A. Manuel, March 7.

Georgia Laverne Brown, daughter of Mr. and Mrs. George William Brown, April 21. Caroline Bramblett, daughter of Mr. and Mrs. L. B. Bramblett, April 9.

John Thomas, son of Mr. and Mrs. W. B. Elliott, May 7. Daniel Charles McCarty, son of Mr. and Mrs. D. J. McCarty, May 8.

Alvin Ray Cox, son of Mr. and Mrs. J. C. Cox, May 28. Shirley Laverne Morgan, daughter of Mr. and Mrs. A. A. Morgan, May 18.

Prentice Del, son of Mr. and Mrs. Delton Barnett, May 5.

**MARRIAGE LICENSES**  
The following marriage license has been issued by County Clerk Earl Summy:

Hubert Burris and Alene Jackson. Twenty-two notaries public have qualified in Mills County to date.

## LERROY MILLER HAS ACCIDENT SATURDAY

Last Saturday afternoon while changing a tire at his father's filling station, Leroy Miller suffered a serious injury to one of his eyes by a hammer bouncing back and striking him in it.

He was rushed to a Temple hospital where he is under treatment, and last reports were he was doing as well as could be expected.

## MILLS COUNTY DEFENSE LEAGUE TO MEET JUNE 13

The Mills County Defense League will meet June 13, at 2:30 p. m. at the Melba Theatre. All ladies are urged to attend.

## MILLS COUNTY HOME DEM. COUNCIL TO MEET SATURDAY

The Mills County Home Demonstration Council will meet Saturday, June 7, at two o'clock in the county home demonstration agent's office. Short courses are to be made during the business meeting. All Council members are urged to attend. Visitors are welcome.

## METHODIST WOMEN'S SOCIETY OF CHRISTIAN SERVICE

There will be a meeting of the Third Zone of the Methodist Women's Society at Cherokee, which begins Tuesday morning, June 10, at 10:30.

## Help Of Goldthwaite Citizens Needed For Civic Beauty, Health

Nature has adorned Mills County more beautifully, more picturesquely than human hands ever adorned a marriage altar this spring. We are asking the co-operation of every citizen in a city-wide clean-up campaign.

The business district has already started cleaning alleys, sweeping streets and beautifying their show windows.

We would suggest a weed-cutting campaign, especially on our vacant lots.

The potential danger of an epidemic of malarial fever makes it very imperative that every citizen destroy the breeding places of mosquitoes on his premises.

The following suggestions are made:

1. Oil should be poured into all pit-toilets and other mosquito breeding places that cannot be drained.

2. Tin cans should be collected so that they can be hauled off.

The kind of mosquito that carries malarial fever is hatching every day in Goldthwaite. If one of these mosquitoes should bite a patient who has malarial fever, it would give the disease to everybody that it bites afterwards.

The only way to get rid of the mosquito is to destroy its breeding places. Fortunately, malaria has been rare in this part of Texas, but our luck may not last forever, unless we make an effort to control the mosquitoes that carry the disease.

(Signed) Goldthwaite Garden Club in co-operation with the City Health Department.

## Goldthwaite College Students Are Home

Goldthwaite students from various colleges who returned home last week include:

Miss Alline Ross. Miss Virginia Ruth Rudd. Misses Wanda and Wilda Bledsoe.

Miss Thelma Henry. Misses Jean and Louise Goosby.

Miss Laura Helen Saylor. Miss Juanita Rudd. Miss Lottie Bell Hester. Miss Betty Jo Whittaker. Miss Louise Gartman. Miss Mamie Lou Womack. Miss Constance Trent. Miss Harriett Allen. Miss Gloria Dyas. Miss Dorothy Eunice Morris. Miss Katharine Hodges. Pat Chandler. Aubrey Smith. Mark Fairman. Billy Saylor. Glen Collier. Marvin Hodges, Jr. Edward Eugene Palmer. Sam Graves. Larry Stokes.

## GOLDTHWAITE HIGH SCHOOL GRANTED NEW AFFILIATION CREDITS

Superintendent A. H. Smith has recently been advised by the Accrediting Committee of the State Department of Education that the Goldthwaite High School has been granted three and one-half additional credits of affiliation, as follows:

General Mathematics, one credit. Choral Singing, one credit. Band, one credit. Home Economics, one-half credit.

This brings the total affiliation in band to two credits and in Home Economics to three and one-half credits. The school now has a total of thirty-one credits, which is more than twice the number required for entrance into Texas colleges.

The granting of affiliation is conditioned on a well-planned course of study, preparation of teachers for the work they are teaching, and efficient teaching in the subjects involved.

## LLANO RODEO STARTS, PROGRAMS TONIGHT AND SATURDAY NIGHT

Fifteen cars of Llano Rodeo boosters entertained on the streets of Goldthwaite for 20 minutes Monday afternoon, having arrived here at about 3:30.

The caravan was headed by a State Highway Patrol car. The Llano High School Band paraded around the square, and also played several selections. The aggregation started out from Llano early Monday morning, making stops at Mason, Fredericksburg, Johnson City, Marble Falls, Burnet, Lampasas, Lometa and Goldthwaite, and left at 4 for San Saba and home.

The Llano Rodeo, June 5, 6 and 7, started yesterday afternoon at 3 p. m. with a big parade through the streets of Llano. The first rodeo program was held last night at 8, and other shows will be staged tonight and Saturday night at 8 o'clock.

Four hundred dollars in additional prizes has been arranged to be given during the three nights. A \$100 saddle will be given to the best average calf roped in a contest open only to participants in counties adjoining Llano County.

A large number from this county will be in attendance at the Llano Rodeo tonight and tomorrow night.

## WHEAT MARKETING QUOTA GETS HUNDRED PER CENT VOTE IN CO.

With only 26 eligible voters in Mills County in the Wheat Referendum Election, May 31, 49 votes were cast and all 19 were for the wheat marketing quota. The vote over the United States was approximately 80 per cent in favor of the quota. Only 66 and two-thirds per cent majority was required to put the wheat marketing quota in effect for 1941.

Wheat growers who are not overplanted for 1941 are now eligible to receive government loans of 98 cents per bushel on all wheat produced in 1941.

No wheat grower who has planted within his allotment is subject to any penalty on the sale of his wheat, but he must secure a Marketing Card from the local AAA office before any buyer will purchase his wheat. Any wheat grower having 15 acres or less of wheat, or whose normal production on the planted acreage is 200 bushels or less is exempt from any penalty but he must secure Marketing Card before the sale of wheat.

Any person having excess wheat may store the excess wheat under bond and be eligible for a loan at 60 per cent of the regular loan rate on excess wheat and receive his Marketing Card on the remainder of the wheat. If he does not care to store the wheat under a bond he may pay penalty on the excess wheat at the rate of 49 cents per bushel and then be eligible to receive his Marketing Card which will enable him to sell the remainder of his wheat penalty free.

## TWO TRAGEDIES OCCUR IN THIS SECTION DURING LAST WEEK

### ARCH ROBERTS, NEAR CARADAN COMMITS SUICIDE MONDAY P.M.

Mr. Arch Roberts of Caradan committed suicide, by slashing his throat with a razor, at his home in the Caradan Community last Monday afternoon.

Mr. Roberts was 60 years of age, and had been in ill health for some time.

### FORMER RESIDENT OF MILLS COUNTY KILLED ACCIDENTALLY SUN.

Eddie Franks, 32, was shot fatally in an accident Sunday night at the home of his father-in-law, Jack Singleton, near Camp Barkeley, Abilene.

The men had returned from a rabbit hunt and a bullet struck Franks in the face as Singleton attempted to dislodge a shell from a small-calibre rifle.

The body was brought overland to Goldthwaite Monday night by a Fairman Company ambulance. Funeral services were conducted at the Church of Christ by Rev. Boyd Denman. Burial was in the I.O.O.F. Cemetery at 4 o'clock Tuesday.

### Many Mattresses Are Processed By County Families

Fourteen hundred forty-five 50-pound cotton mattresses have been processed by rural families in Mills County during 1940 and 1941. These mattresses will live a long time if they are made right and if they are given good care.

1. These mattresses should be sunned and beaten every day for two weeks before anyone ever sleeps on them.

2. After that these mattresses should be turned from end to end and side to side three times a week so that the cotton will not get lumpy and the mattress will not sag in spots.

3. And of course these mattresses should be kept free of bed bugs.

## ARCH ROBERTS, NEAR CARADAN COMMITS SUICIDE MONDAY P.M.

Mr. Arch Roberts of Caradan committed suicide, by slashing his throat with a razor, at his home in the Caradan Community last Monday afternoon.

Mr. Roberts was 60 years of age, and had been in ill health for some time.

## FORMER RESIDENT OF MILLS COUNTY KILLED ACCIDENTALLY SUN.

Eddie Franks, 32, was shot fatally in an accident Sunday night at the home of his father-in-law, Jack Singleton, near Camp Barkeley, Abilene.

The men had returned from a rabbit hunt and a bullet struck Franks in the face as Singleton attempted to dislodge a shell from a small-calibre rifle.

## Many Mattresses Are Processed By County Families

Fourteen hundred forty-five 50-pound cotton mattresses have been processed by rural families in Mills County during 1940 and 1941. These mattresses will live a long time if they are made right and if they are given good care.

1. These mattresses should be sunned and beaten every day for two weeks before anyone ever sleeps on them.

2. After that these mattresses should be turned from end to end and side to side three times a week so that the cotton will not get lumpy and the mattress will not sag in spots.

3. And of course these mattresses should be kept free of bed bugs.

Here's how to get rid of bed bugs:

First get an ounce of corrosive sublimate from your druggist. This costs 25 cents. Mix this with one pint of warm water. Then apply it with a feather or a hand syringe to the cracks and seams of the mattress where bed bugs would likely hide. Do this every three or four days for two or three weeks, your mattress will be free of bed bugs.

It is much easier to keep mattresses clean than it is to clean them after they have been soiled.

These articles will help keep mattresses clean:

1. A spring cover.

2. A mattress cover.

3. A mattress pad.

These are simple to make at home or they can be purchased ready made.

### Be Kind To Your Mattress

1. Don't use your mattress on top of another mattress or underneath.

2. Do not fold or bend the mattress when moving it out of doors for sunning or beating.

3. Remember it is easier and cheaper to beat and sun your mattress every week than it is to make others.

## WHEAT MARKETING QUOTA GETS HUNDRED PER CENT VOTE IN CO.

With only 26 eligible voters in Mills County in the Wheat Referendum Election, May 31, 49 votes were cast and all 19 were for the wheat marketing quota. The vote over the United States was approximately 80 per cent in favor of the quota. Only 66 and two-thirds per cent majority was required to put the wheat marketing quota in effect for 1941.

Wheat growers who are not overplanted for 1941 are now eligible to receive government loans of 98 cents per bushel on all wheat produced in 1941.

No wheat grower who has planted within his allotment is subject to any penalty on the sale of his wheat, but he must secure a Marketing Card from the local AAA office before any buyer will purchase his wheat. Any wheat grower having 15 acres or less of wheat, or whose normal production on the planted acreage is 200 bushels or less is exempt from any penalty but he must secure Marketing Card before the sale of wheat.

Any person having excess wheat may store the excess wheat under bond and be eligible for a loan at 60 per cent of the regular loan rate on excess wheat and receive his Marketing Card on the remainder of the wheat. If he does not care to store the wheat under a bond he may pay penalty on the excess wheat at the rate of 49 cents per bushel and then be eligible to receive his Marketing Card which will enable him to sell the remainder of his wheat penalty free.

## CHANGE IN LOCAL OFFICE

A. E. Gromatzky, performance supervisor for the past two years in the Goldthwaite Triple-A office, has accepted a position with the State AAA office as spot checker. Mr. Gromatzky assumed his new duties Tuesday. His position here has been filled by S. E. Cloninger, principal of the Goldthwaite High School.

## MILLS COUNTY BOYS ARE ACCEPTED FOR CCC CAMP

The following Mills County boys have been accepted for the Brownwood CCC camp. The Brownwood camp is now in process of being moved to Coleman:

E. J. Curtis, Mullin. Henry M. Featherston, Goldthwaite. Charles David McLean, Goldthwaite.

## General Rains Fall Over Mills County Last Monday And Tuesday

General rains fell over Mills County Monday afternoon and night and Tuesday morning, adding to the already ample supply of moisture. The old-timers here are wondering if this year of 1941 is going to be another 1919.

The rain was accompanied by high winds in places, and considerable damage was done to the small grain in the field. Combines and mowers are running full blast in the county—together with sheep-shearing machines—and the last few days of sunshine have been appreciated.

Harry Allen, government volunteer weather observer, said that one and 49-100ths inches of rain fell in Goldthwaite, and from 1 1-2 to two inches fell in all places in the county that have been heard from. The rain started at 5 o'clock Monday afternoon, with a good rain that night, and another Tuesday morning, being accompanied by winds and electrical storms.

## ALL-OUT PURCHASE OF BONDS AND SAVING STAMPS ASKED NOW

Austin, Tex., June 2, 1941. Dear Editor Eagle:

Following the President's talk on Tuesday, I have come to the conclusion that it is my duty to call on all citizens of Texas to double their efforts to aid America, and we must have an all-out purchase of defense bonds and savings stamps.

We are going to have a big bill to pay in order to protect this land we love so well—and it will be worth every cent it costs to know that our country and those we love are safe. And when I stop and think that our government thought far enough ahead to make plans to borrow money from us that it could pay back with interest, I swell with pride. The United States government could have just imposed highr and higher taxes on us—money to be paid in and nothing received in return but protection. Protection would have been a lot, but instead we are lending our money and will get it back with interest. When you buy one of these bonds, you are buying confidence in your country, your family, your neighbor and yourself. You are making money for yourself, and, by lending it to the government, you are making it work for your country.

I could think of no more fitting memorial to those who gave their lives in the last war than to ask that all Texans do their bit now toward preparing defenses which we hope will protect us and save the lives of our native sons.

Sincerely yours,  
FRANK SCOFFIELD,  
State Administrator,  
Defense Savings Staff of Texas.

J. C. Street of Lubbock spent last Thursday night in the L. B. Ashley home. He also attended to business while here.

Mrs. Curtis Peyton and daughter, Mrs. Ruth Louise of Bartlesville, Okla., were guests in the Lewis Hudson home Friday.

J. N. Bayley left Monday for Waco after spending a few days with his parents, Mr. and Mrs. Charlie Bayley.

Mr. and Mrs. Jack McCarty and little son, Dannie, left Sunday for Rising Star where they will make their home.

**Corpus Christi Gets Natl. Defense Money**

AUSTIN, June 3.—National defense contracts and expenditures in Texas through May 15 have reached \$240,169,976, it was announced this week by B. Frank White, acting state director for the Office of Government Reports.

Contracts and expenditures during the first two weeks of May totaled \$2,354,141, the largest single item of this amount being a \$1,117,039 contract to the Atlantic Gulf and Pacific Company of New York for dredging of the Port Aransas - Corpus Christi waterway.

Also included in the May contracts was an additional \$193,740 award to Brown and Root, W. S. Bellows and Columbia Construction Company of Corpus Christi for installation on Demit Island of air-type catapults and access, together with service facilities for quarters, etc., at the Naval Air Station.

Cumulative tabulations of defense contracts and expenditures in Texas may be obtained through a request to the Office of Government Reports, 208 Old Post Office Building, Austin, Mr. White said.

It pays to advertise in the Eagle.

**DO YOU KNOW—**

The world is top-heavy with free advice; why mix up in the process?

Farmers who live at home have less time to grumble about the high cost of food.

Nations, like individuals, must not value life so highly as to value liberty not at all.

Never take the problems of life so seriously that other people forget to take you seriously.

No individual is smart enough to acquire permanent possession of anything for nothing.

The trouble with most editors, including the writer, is that writing runs faster than thinking.

The gossip of small towns is just about the same as that in large cities, but it is more unanimous.

Business is improving all over the United States and will be better when the billions for defense are in circulation.

Automobiles of Texas seem determined to break all records in fatal accidents and nobody seems to give a toot.

The churches of Mills County may not be the biggest in the world but they can give us more religion than we can assimilate.

In colonial Texas, alligators were a real menace along the Gulf coast, workers in the University of Texas Library have found. Alligators often caught dogs at river banks, and eye-witnesses have recorded several instances of their catching and eating men and women, some even as they slept in their tents at night.

**TURKEY PLANTING PAYS BIG DIVIDENDS**

AUSTIN, June 3.—Increases of from 200 to 400 per cent as a result of the planting of turkeys in managed areas by the Texas Game, Fish and Oyster Commission are noted in reports of game managers to the executive secretary of the commission here. As reported recently, an area in Robertson County produced more than 300 wild turkeys from a planting of sixty-one gobblers and hens. Other interesting figures, which prove that providing proper food and cover, game can be brought back are reaching the Game Department office.

The department has set up a score of turkey and deer restoration areas throughout the state by supplementing commission funds with federal aid money. An area in Wharton and Colorado Counties was stocked with a total of fifty birds, seven males and 43 females. Eight months later a census of the area disclosed that there were at least 147 turkeys on the land. That is an increase approaching 200 per cent, and it is certain that all of the turkeys on the area could not be seen while the count was in progress. The area contained 8,225 acres.

From a stock of six males and 47 females placed on an area in Goliad County has come a crop of 250 birds, an increase of nearly 400 per cent.

An original stock of five males and 46 females released on the Lorraine turkey restoration project in Jackson County produced more than 150 birds, a count eight months later disclosed.

All the areas are now projects of the Texas Game Department and are now little more than a year old. Birds to be used for restocking areas are trapped by department employes and transported all over the state to sections where the birds once thrived, but from which they have been shot out.

The cost of expanding the facilities of the Texas petroleum industry has forced oil men to borrow \$800,000,000 from banks and investors.

Approximately a quarter of a million evergreens have been planted in the shelterbelts of Northwest Texas.

**Pleasant Grove H-D Club Has Meeting**

The Pleasant Grove Home Demonstration Club met with Mrs. W. W. Berry and daughter, Mrs. Minnie Crawford, May 27.

Miss Scott met with us and gave a discussion on the importance of vitamins in the diet as an aid to health and national defense. She especially stressed the importance of whole grain cereal in the diet. Corn meal made from our corn and ground at local feed mills contain more vitamins that are not found in store-bought corn meal. We were also shown three grades of whole grain wheat flour which exceed the finer, whiter grades of flour from a nutritional standpoint. She urged us to can whole grain wheat in our pressure cookers and gave us a list of ways that it can be served.

**Scallorn H-D Club Meeting May 29**

The Scallorn H. D. Club met in the home of Mrs. F. A. Casbeer May 29.

The club has set a date for an ice cream supper.

We had discussions on food and national defense. The pamphlets Miss Scott gave us on this subject told some things we did not know.

Miss Scott discussed whole grain cereal and foods of whole grain. We should eat more whole grain food.

Miss Scott made some whole wheat muffins and served them while hot to the club. They were very nice and we all enjoyed them.

Refreshments were served to 17 old members, two new members and three visitors.

We are to meet in the home of Mrs. F. W. Chadwick June 19.—Reporter.

**Lake Merritt H-D Club Meeting**

Wednesday afternoon the H.D. Club met with Mrs. Will Crowder. Miss Emma Scott was present and gave a very interesting lesson on proper foods to be served. Miss Scott tested pressure cookers, also prepared and served delicious whole wheat muffins and whole wheat cereals to seven members, Mmes. Jess Massey, Jake Brown, Walter Stuck, Ira Hutchings, Earl Ethridge, J. W. Dellis, Will Crowder, and one new member, Mrs. H. C. Scrivner; and three visitors, Mmes. Bill Stuck, Edward Boyde and Wiley Griffin. The next meeting will be with Mrs. Walter Stuck June 14. All members are urged to be present.—Reporter.

**ICE CREAM SOCIAL AT LAKE MERRITT COMMUNITY**

There will be an ice cream social Saturday evening, June 7, at 8 o'clock at Mrs. J. W. Dellis, Lake Merritt Community. Everyone is invited to come.—Reporter.

**The Star Home Demonstration Club**

The Star Home Demonstration Club met with Miss Artie Rickel on May 29. The house was called to order by the president, minutes were read, and roll call by Mrs. O. Z. Cox in the absence of the secretary, Mrs. J. C. Cox.

Each member answered roll call by "My Favorite Blooming Flower."

Mrs. Allen Shotwell led in an interesting ten minutes of recreation.

Miss Scott sent a can of wheat which was served to the following: Mmes. L. J. Teague, Chas. Stephan, O. Z. Cox, Allen Shotwell, J. F. Petrey, Chas. Rickel, M. M. Lee, and Miss Artie Rickel; we all enjoyed it very much.

The club will meet with Mrs. O. Z. Cox June 19.—Reporter.

**Two Weddings At Methodist Parsonage**

Rev. W. H. Marshall, pastor of the Goldthwaite Methodist Church, has performed the following wedding ceremonies at the parsonage:

S. W. Holcomb and Miss Mable Robbins.

On May 29, he united in marriage Floyd Day and Miss Bernice Hatton.

The Eagle wishes for both the young couples much happiness through life.

**'No Smoking' Signs Out For Baylor Coeds**

WACO, June 5.—"To combat the rising tide of smoking on the part of high school graduates," President Pat M. Neff of Baylor University today announced rigid no-smoking rules for the university's women students.

He said that beginning next fall "high school graduates who have contracted the habit of smoking will not be admitted to the institution and any young lady who smokes will be sent home."

The decree, he said, will strengthen the university's no-smoking tradition which started by student vote when the institution was founded by Texas Baptists at Old Independence, Tex., in 1845. Forty-one thousand students since that time have observed the rule of no smoking on the campus.

President Neff, a former Texas governor, told the students in their last chapel service of the year that "Baylor University does not consider as good investments young women who smoke and young men who drink."

**MISS LOTTIE BELLE HESTER RECEIVES DEGREE AT STSC**

Southwest Texas State Teachers College conferred bachelor's degrees on 138 seniors and master's degrees on 18 graduate students at the annual spring commencement at San Marcos Tuesday night, May 27.

Among those receiving degrees was Lottie Belle Hester of Goldthwaite, who took a degree of bachelor of science.

The graduating class was addressed by Ralph W. Yarborough, prominent lawyer of Austin, who pointed out the opportunities for service to the seniors and said that the present was no time for pessimism, but action.

President C. E. Evans, head of Southwest Texas since 1911, conferred the degrees on all the candidates, who came from 81 Texas towns and cities.

**Navy Reduces Height Limit For Students**

A dispatch from the Navy Department received this week at the office of the Naval Aviation Cadet Selection Board, 524 Allen Building, Dallas, definitely reduces the minimum height limit for naval aviation students from 5 feet 6 inches to 5 feet 4 inches. This will be good news to many candidates who were otherwise qualified but who could not quite stretch to 5 feet 6.

Education requirements for naval aviation training were recently modified eliminating mathematics from the college credits necessary. All other requirements remain the same. Interested candidates should contact the nearest U. S. Navy Recruiting Station.

The Texas petroleum industry now pay 4 1-2 per cent of all state business and property taxes, not including sales taxes such as the gasoline tax. If sales taxes are counted, petroleum and its products bear 54 per cent of the state's tax income.

**6,000 TEXAS YOUTH IN 75 NYA MACHINE**

AUSTIN, June 5.—The realization that the national defense program has increased the employment of youth in the metal and machine trades, the National Youth Administration as has geared its out-work projects to prepare people for beginning those fields where open new workers are most needed.

Approximately 6,000 Texans are obtaining experience in 75 NYA local resident center shops for Allen to Texarkana and Past to Houston, with emphasis being placed on welding, sheet metal, and machine operations.

To help fill a shortage in the power machine field, are at work in NYA power machine projects of state, obtaining actual experience which will fit the jobs with garment manufacturing companies holding clothing contracts.

**Q.** Where's the best place to choose your new car?

**A.** ON THE ROAD!

WELL MATCH the "showroom value" of the Ford with anyone... but if you want to know how great a car this is, take one out on the road!

**TEST THE PERFORMANCE . . . IN ACTION.** There never was another low price engine like this 90 horsepower Ford V-8. Take it out in traffic—then step out on the open road—challenge the toughest hills. Draw your own conclusions!

**TEST THE RIDE . . . IN ACTION.** Ride on the pavement, then ride the roughest road you know. You'll find the new Ford ride is the kind of ride you like. Smooth where the going's good. Soft and steady over the bumps.

**TEST THE ROOM . . . IN ACTION.** Measurements show this Ford greatest in its whole field in actual passenger space. A ride will show what this means. Bigness counts and here it is!

**TEST THE VALUE . . . IN ACTION.** Stop with the biggest hydraulic brakes anywhere near the price. Rest your toe on the pedal of a fine-car type of semi-centrifugal clutch. Flick through the gears with the easy, silent kind of finger-tip shift that high-priced cars use.

**90 HORSEPOWER—V-8 SMOOTHNESS**

**FORD HAS THE QUALITY FEATURES**

**V-8 POWER**—90 smooth horsepower. There never was a low price engine like this before.

**NEW BEAUTY**—When you look at the smooth flowing lines you see one of the few cars with really up-to-date styling this year.

**A NEW RESTFUL RIDE**—On the new Ford "Slow Motion Springs." A soft, quiet ride wholly new this year.

**EXTRA VALUE**—New ease of control with positive mechanical, fine-car type shift—extra-big hydraulic brakes—and the famous Ford semi-centrifugal clutch.

**Bennett—**

M. L. Casbeer  
of the men are harvesting their grain out here. The weather is very good this year. Christine Hill spent several days last week visiting relatives. Stacy spent several days with his sister, Mrs. Featherston, and family. Mrs. J. H. English of the week-end with her daughter, Mrs. M. L. and family. While here she visited in the Clyde Featherston, Morgan Stacy and Roberts homes. T. Morris from town was here a short while one afternoon. Edgar Simpson visited a while with Mr. and Mrs. Feazle Sunday evening. Rev. Allen Carter preached at the South Bennett school house Sunday. Next Sunday Rev. Bedford Renfro is to preach for us. We invite everyone that can to come to church.

**Hannah Valley—**

By Jewel Jones  
The farmers have really been busy the past week. Mr. and Mrs. Ben Egger visited Walter Fry and family of Elkins Sunday. Edgar Jones bought a new combine this week. Cecil Egger and family spent Sunday with Mr. and Mrs. Butch Rowlett. Mrs. J. A. Churchwell and little grandson, Billy Gene Stuard, of San Angelo visited Mr. and Mrs. Alton Jones last week. Little Miss Barbara Joe Fry of Elkins spent the week-end with her grand-dad, Ben Egger. Mrs. Claud Rowlett visited her sister, Mrs. Charlie Roberts, Friday. Tom Riggs has moved into Clarence Carroll's rent house. Wade Ann Harbor is home after a long visit with her grandparents, Mr. and Mrs. W. B. Hubbert, of San Saba County. Visitors in the home of Mr. and Mrs. J. M. Jones Saturday night were R. W. Newsom and family of San Angelo, also Ruby Perkins of Indian Creek. Gordon Skelton spent Saturday night and Sunday with his parents, Mr. and Mrs. Orlie Skelton. Clyde Nettleship and family were in Regency Sunday. Also George Gorms and family of Locker were in Regency Sunday. Mrs. Mattie Vernon, Aunt Mattie as most people know her, had to go to her son's at Ridge, D. B. Lindsey. Her health is failing. Here is hoping she gets better soon.  
In 1939 Texas produced 9,988,000 gallons of ice cream.

**Star News—**

By Mrs. Dora Goode  
Harvesting of grain is now in progress, and no idle hours are being spent. Weeds and other unwanted growth are being laid low around back yards and garden fences. The ground is showing now right along. Bro. Bunny Cooke filled his regular appointment Sunday at eleven, but returned to Georgetown Sunday afternoon for the closing exercises of school. Miss Zenia Loftis, Comanche, is visiting relatives in our community. A little young man arrived at the home of Mr. and Mrs. J. C. Cox one day last week. Lieut. James Soules is visiting with his parents, Mr. and Mrs. Jim Soules. Charles Baker of Brownwood was home to see his mother one day last week. Mr. and Mrs. R. F. Marshall and son, Richard Franklin, of Colorado City, visited their mother, Mrs. Lonnie Baker, in the early part of the week. Nathan Gent and wife of Madisonville and Mr. and Mrs. Cecil Gent of Sweetwater visited their parents, Mr. and Mrs. Will Gent, last week. Mr. and Mrs. Charley Willis who have only recently returned from Aruba, S. A. and Mrs. G. D. Burney of Evant, visited Christian Goode and mother one day last week. Miss Lee McGilvray is home after a winter session of school work at Crystal City. Howard Petrey has been improving his home in the way of a new garage with a second-story apartment. Mr. and Mrs. Lon Hurst has moved to San Antonio. Mr. and Mrs. Carl Schwalbe, time-keeper on the WPA project here, has been promoted and transferred to Stephenville.

**Center Point—**  
By Mrs. J. N. Smith  
These warm, sunny days are a benefit to the farmers in getting their grain cut, although a shower would help the small feed. The army maneuvers will begin right this week. We have been seeing soldiers all the past week. Bed making and grain cutting is the order of the day out our way. There have been several beds made. Eliam Wright and boys are busy shearing sheep. Miss Bess Hutchings attended the H. E. Club at Lake Merrett on Wednesday evening. Mr. and Mrs. J. N. Smith and Billie, Mrs. Johnnie Taylor and Walter Conner spent last week-end in Miles with their brother, Virgil, and family. Sunday afternoon they all enjoyed seeing the airport in San Angelo. Mrs. Florence Conner, who had been visiting in Miles for two weeks, returned home with them. Liz Kelray and family sat until bed time in the John Vines home one night last week. A. L. Shelton and wife and Mrs. Caudle moved from our community to Dallas last week where he has employment. We hope them success in their new home and work. R. E. Shelton left with them, where he entered school. Mrs. Aubrey French and Mrs. Verne French visited a while with Mrs. Martin Friday evening. Mrs. James Nickols and son spent last Thursday with her mother, Mrs. V. D. Tyson. Frankie Lee and Bennie Davee visited their aunt, Mrs. Russell Cobb, near Mullin last week. Doc Shelton and wife moved to Lometa last week, where he has work. Mr. and Mrs. Joe Spinks received word that their daughter, Mrs. Jack Leverett of New Mexico, had undergone an appendicitis operation. Mrs. L. W. French visited in New Mexico recently. Those who visited in the French home Sunday evening were Bro. Lewis, Mrs. Williams and Bill, Miss Emma Harrison of town, Mrs. Lewis and daughter of New Mexico, Mmes. Florence Conner, Ida Smith, J. N. Smith, Mr. and Mrs. Turner Vaughn of Duren and Bro. Slate. We all enjoyed an interesting sermon by Bro. Slate. We are sorry to report Mrs. Hamlyton on the sick list. Miss Christine Metz spent the week-end with her mother and

grandparents. Christine plans on leaving for California in a few days. Elmo Fallon has gone to Kansas to work in the harvest fields. Miss Bess Hutchings called on Mr. and Mrs. Frank Davee a while Friday. Mr. and Mrs. Roy Braswell and son are visiting her parents, Mr. and Mrs. L. W. French. Miss Dorothea Davis graduated from Goldthwaite school last week. We are sorry Bro. French is not feeling so well. Mrs. Karnes from town visited her daughter, Mrs. Jess Mays, a part of last week.

**FIRE DEPARTMENT MAKES RUN LAST SUNDAY NIGHT**

The fire department answered a call to the home of Mr. and Mrs. Sam Morris at the end of Fisher Street, Sunday night at 6:45. The alarm was caused by soot in the flue catching fire, which was quickly extinguished. No damage was caused to the house or contents.

**GUERNSEY IS SOLD TO R. L. CONNER OF GOLDTHWAITE**

The American Guernsey Cattle Club of Petersburg, N. H., reports from Ardmore, Okla., the sale of a registered Guernsey cow by Mort Woods to R. L. Conner of Goldthwaite. This animal is of Star-Dust of Primrose 542272.

**Pecan Wells—**

By Sarah Yeager  
We have been having some pretty weather for the last week. But it sure looks like it might rain again soon.

Norma Lee and Anigean Harmon are visiting with relatives at Goldthwaite.

Mr. and Mrs. Boyd Yeager and family, Mr. and Mrs. Henry Yeager and family, Perry Shipman and Alvin Travis Tulley visited with Mr. and Mrs. Paul Shipman and family this last week-end.

Laura Kelley of Winters is visiting with Mr. and Mrs. Boyd Yeager and family.

Several from this community attended the play and last day of school at Mt. Olive Thursday, Friday and Friday night.

Mr. and Mrs. E. B. Brown, Jack and Ruth, Claud and Leroy Lunsford and Sarah and Margaret Yeager spent the day with Mrs. Mollie Kiser and Altha Brown last Sunday.

John Havens and Velma Spivey spent the day with Mr. and Mrs. Frances Kemp of Pottsville last Sunday.

Mr. and Mrs. Jim Green and family visited with Mrs. B. G. Ball of McGirk this week-end. Josie, Laron and Thomas Jones spent the week-end with Mr. and Mrs. J. T. Smith and son.

Sarah Yeager visited with relatives at Mt. Olive Tuesday

through Saturday. Several from this community attended the dance at Will Pax's at McGirk Saturday night. Grandpa Roberts had a spell Thursday night. He is just recuperating from it. Mrs. Alonzo Harris is leaving for Houston Tuesday of this week. Mrs. H. C. Yeager and Sarah and Jack Brown and John Havens visited with Mr. and Mrs. Alonzo Harris last Tuesday.

**MILLS COUNTY BOYS ARE ACCEPTED FOR CCC CAMP**

The following Mills County boys have been accepted for the Brownwood CCC camp. The Brownwood camp is now in process of being moved to Coleman: E. J. Curtis, Mullin. Henry M. Featherston, Goldthwaite. Charles David McLean, Goldthwaite.

**6 CARS DIED IN OVERHEATED DEATH VALLEY TO PROVE THAT YOURS CAN LIVE LONG**

**New Oil a Life-Giver. 5-quart fill—None Added—Lasted all of 13,398 Miles....**

**more than Twice the mileage averaged by 5 other big-name oils in fiendish Destruction Test... Impartial... CERTIFIED**

**THIRST** killed gold-feverish Forty-Niners in Death Valley. You can stand there today on our Hemisphere's bottom, 279 feet below sea level. And some of the worst heat on U. S. Weather Bureau records will be drying you up.

...America's hotspot!... where 6 identical everyday cars scorched along, testing 6 different motor oils, till 6 new engines were junk. Every condition was the same for all. Qualified authorities eyed every move. Speed: 57 miles an hour for all. The Referee had bought 5 of the oils right off the market; millions know their names well. The other oil was decidedly new. And this new oil that authentically delivered more than twice the mileage averaged by the others is named

**CONOCO N<sup>th</sup> MOTOR OIL**

**—Now on Sale here for Your Car**

How could one fill of this popular-priced Conoco N<sup>th</sup> oil keep lasting—without one added drop—for an official total of 13,398.8 miles? How could Conoco N<sup>th</sup> oil outlast them all by 5,683 miles or more, even outlasting one "rival" by 8,268 miles!... Certified.

**New Synthetic in Conoco N<sup>th</sup>**

You know of vitamin synthetics... man-made... replacing Nature's life-givers sacrificed in some modern food processing. Similarly, the latest refining methods steal life-giving elements from motor oils. But more than making up for that today—in popular-

priced Conoco N<sup>th</sup> oil—is Thiathene inhibitor... man-made. (Conoco Patent 2,218,132.) It inhibits or checks the effect of foul leftovers created by the normal engine explosions. Thus Conoco N<sup>th</sup> stays more like its own good self... helps the engine keep fit—good way to save quarts.

**A triumph matching famed CONOCO OIL-PLATING**

Another wondrous synthetic—long in use under the famed Germ Processed oil patent—still makes N<sup>th</sup> oil give your engine OIL-PLATING... lubricant that can't all quickly drain down from inner parts. Instead, it's able to stay plated up... on guard against wear in advance, while you are using Conoco N<sup>th</sup> oil. In addition you get the life-giving aid that foiled Death Valley... that eclipsed other oils tested... that made one 5-quart fill of new Conoco N<sup>th</sup> last 13,398 miles. Certified.

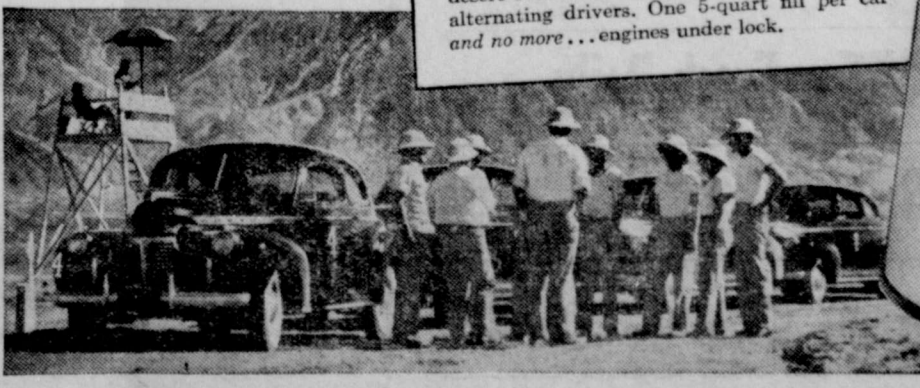

That's like a mad extreme—beyond the utmost allowed by authorities on the

subject. You'd never make your own car stand such proving-ground torture. But you want as wide a margin of engine protection and oil economy as your money will buy this Summer, and Conoco N<sup>th</sup> has nailed up plain evidence. Ask today for Conoco N<sup>th</sup> at Your Mileage Merchant's Conoco station. Continental Oil Company—Pioneers in Bettering America's oil with Synthetics

**CERTIFIED:** I hereby certify that the Death Valley Test and related work were thoroughly and fairly conducted. Engine Destruction occurred in each case at the mileage stated.  
*H. M. Jacklin*  
Consulting Engineer, who during Academic year is Professor of Automotive Engineering, Purdue University

**IMPARTIAL** The 6 new cars were broken-in alike, after engines had been taken apart for the Referee, to check uniformity. All cars tuned alike. Same desert route for all. Handling evened up by alternating drivers. One 5-quart fill per car and no more... engines under lock.

**Burns-Windham Wedding May 18th**

Miss Alberta Windham and James Oscar Burns of this city were married at the parsonage of the Herring Avenue Christian Church in Waco on May 18.

The young couple was accompanied by his friend, Oscar Newton Bard of Brownwood.

The bride is the daughter of Mrs. Annie Mitchell of Big Valley. She graduated from high school in Goldthwaite and later attended Nelson's Beauty School in Dallas. She is an honorary member of Nu Beta Cappa chapter of Kappa Delta Chi sorority.

The bridegroom is the son of Mr. and Mrs. Oscar Burns. He finished high school in Coleman, and played in the high school band. He was honorably discharged from the United States

Navy last April, after serving in the Navy Band for four years. The young couple will make their home in Goldthwaite.

The Eagle joins their many friends in wishing them happiness through life.

**SHOWER GIVEN**

On June fourth, Wednesday evening, at the home of Mr. and Mrs. Hud Hamilton between five and six o'clock, a shower was given in honor of Mrs. James Oscar Burns, nee Alberta Windham.

A host of friends and relatives attended each bringing a gift to the happy bride.

Punch and cake were served to the guests.

Mr. and Mrs. J. M. Cody of Dallas were Sunday guests of his sister, Mrs. T. C. Graves, and family.

**Mrs. Tom Austin Of Ireland, Tex., Dies**

Mrs. Tom Austin, of Ireland, near Hamilton, was buried at Ireland Wednesday, according to word received by friends here.

Mrs. Austin's Husband, who preceded her in death, was an old-time rancher of the Ireland section, and was well known by many of the older citizens of this county.

Mrs. Austin, who was near 90 years of age, is survived by two sons and four daughters: Tom Austin of Ireland, and Henry Austin; and Miss Hattie Austin, Ireland, Mrs. Henry Winters of Evant, Mrs. Lillie Saunders of Belton, and Mrs. Boyd Bunnell, Ireland.

**MISS CONSTANCE TRENT IS AWARDED BACHELOR OF ARTS DEGREE AT S. M. U.**

Miss Constance Trent of Goldthwaite was awarded her Bachelor of Arts Degree from Southern Methodist University in Dallas on June 3. Her major subject was speech.

Miss Trent was a member of the Delta Delta Delta social sorority. Her home here is with her aunt, Mrs. Sam Sullivan, and Mr. Sullivan.

**OPEN HOUSE**

Mr. and Mrs. John Philen opened the doors of their lovely new home to entertain a number of their friends Saturday night. Guests were received from 8 until 12. Table games were played while music was enjoyed throughout. During the course of the evening the gracious hostess served cake and ice cream.

The Philen home near Caradan has just recently been completed. It is a five-room house built of beautiful flagstone rock.

—A Guest.

Mrs. Robert Robertson and daughter, Miss Norma Lee, of Big Valley, and Miss Lucille Connor spent Wednesday afternoon in Brownwood.

Chas. Ford spent Saturday and Sunday in Goldthwaite. Mrs. Ford accompanied him back to Richland Springs Sunday afternoon.

Mr. and Mrs. Clyde Estep were in Hamilton on business Tuesday.

**Louise Gartman's Wedding To Be Told At Afternoon Tea**

Mr. and Mrs. L. J. Gartman are announcing the engagement and coming marriage of their daughter, Louise, to Mr. Charles C. Smith, Jr., son of Mr. and Mrs. C. C. Smith of Dallas, at a tea Friday from 4:30 to 7 o'clock at the home. The wedding will take place June 26 at the First Methodist Church at Goldthwaite.

**LARRY STOKES TO SPEND SUMMER IN YOUTH CARAVAN WORK AND TRAINING CAMP**

Buddy Stokes spent the week end in Georgetown visiting his brother Larry in Southwestern University. They both returned home Monday. Larry will join a bus-full of college students and youth counselors in Waco Sunday morning, and will go with them to the Methodist Student Union Leadership Training Conference to be held the following week at Baker University, Baldwin, Kan. From Baldwin he will go to Sioux City, Iowa, for a week at a Youth Caravan training camp and spend the following seven weeks working with a Youth Caravan.

Miss Hettie Logan Clay of Abilene is spending the summer with her cousin, Mrs. R. E. Worley, and family.

W. P. Weaver, who has been confined to his room for several weeks, was able to be in town the first of the week transacting business.

Mrs. Annie Armstrong received word that her son, Glendon, (Buddy), who was at Corpus Christi, left Monday for Mareh Field, Calif., where he has joined the mechanical division of the Air Corps.

Mr. and Mrs. Aubrey Howington and son, Marvin, of Hollywood, Calif., visited Sunday with the J. N. Crook and J. E. Evans families.

Mrs. J. V. Cockrum returned Monday from a three-weeks' visit with her daughter, Mrs. Bryan Ware, and family at Crane.

Joe Barnett of Baird spent a few days the first of the week with his parents, Mr. and Mrs. D. G. Barnett.

**MOTOR TRANSPORT ASSN. OF TEXAS COMMENDS METCALFE**

To the Honorable Penrose B. Metcalfe:

WHEREAS, the motor transportation industry in Texas has, for the past ten years, been handicapped by one of the greatest barriers ever placed in the path of progress of any industry in any state in the Union, the Texas Seven Thousand Pound Net Truck Load Limit Law, and

WHEREAS, this handicap not only operated against the people of Texas, but against all the people of all the states; and

WHEREAS, the Hon. Penrose B. Metcalfe, member of the Senate, was the author of the License Fee Bill permitting the people of Texas to enjoy the privilege of operating trucks with the increased load limit at a reasonable fee; and

WHEREAS, the Texas Motor Transport Association desires to express to the Hon. Penrose B. Metcalfe its gratitude for his leadership in introducing and working toward the passage of better legislation for the people of the State of Texas and the motor transportation industry of Texas;

NOW THEREFORE BE IT RESOLVED, that the officers and directors and each and every member of the Texas Motor Transport Association in convention assembled in the city of Dallas, alone and hereby jointly and severally express to the Honorable Penrose B. Metcalfe their thanks and appreciation for the fine work he has done in the promotion of better government in this state;

BE IT FURTHER RESOLVED, that this resolution be spread upon the minutes of this meeting and that a copy, signed by the president and certified by the secretary be forwarded to the Honorable Penrose B. Metcalfe as a lasting memento of our esteem.

L. B. BROWN, President.  
LYNN B. SHAW, Mgr.

Mr. and Mrs. J. H. English of Fort Worth spent last week-end here with her daughter, Mr. and Mrs. M. L. Casbeer, and family.

Fred Webb and sons, Clarence and Carlton, of Wills Point and Mr. and Mrs. Paul Webb and daughter, Blondell, of Marshall arrived Saturday for a visit with his parents, Mr. and Mrs. F. D. Webb. The Paul Webb family left for Marshall the first of the week while Mrs. Fred Webb and

sons remained for a visit here and at San Antonio. Mr. and Mrs. E. E. and son, Leslie, returned Friday from Dilly, where son Merlin taught in High School. He spent the week at home.

M. E. Archer has been ordered to his home a week on account of

Mr. and Mrs. John Skipper and daughter, Miss Louise, visited friends in Brownwood Sunday afternoon.

Misses Evelyn Henderson of Coleman, Violet Justice of Brownwood, Sgt. Sullivan and Bass of Camp Bowie were guests of Miss Louise Skipper Wednesday of last week.

Mrs. Jim Kelly is spending this week with her daughters, Misses Loraine and Esther Kelly, at Houston. Mrs. Kelly left last Saturday night.

Mrs. C. T. Wilson and Misses Abbie and Ruth Ervin spent last Sunday in Coleman visiting relatives, Mr. and Mrs. L. R. Hendry and Mr. and Mrs. J. R. Eudy.

Mr. and Mrs. E. B. Anderson spent the week-end in Brady with Dr. J. L. Anderson and other relatives. The E. B. Gilliam, Jr., family also visited in Brady and Brownwood Sunday.

Mr. and Mrs. E. L. Pass visited from last Friday through Tuesday in Abilene with their son, E. L. Pass, and family, and attended the graduating activities of Hardin-Simmons University Sunday and Monday. Their granddaughter, Thelma Graham, received the Bachelor of Arts degree Monday morning. Mr. and Mrs. Pass also attended an old-timers' reunion Sunday at White Plat, near Trent, and spent the night in the home of Mr. and Mrs. W. S. Hendrix of that place.

Mrs. Carrol Lowrie, Mrs. Jeff Lowrie and little son, Michael, of Corpus Christi and Richard Tate of Comanche spent a few days here with Mr. and Mrs. Jeff Friddy. They left Wednesday for their homes.

Mr. and Mrs. L. G. Atkin of Cross Plains visited with Dr. and Mrs. L. P. Huddleston Tuesday.

Mrs. John H. Gary, who has been visiting her mother, Mrs. J. D. Sims, for the past two weeks, left Tuesday morning for her home at Tyler.

Mrs. Tom Toland, who has been confined to her room for several months with a broken hip, was able to be brought to town the first of last week.

Mrs. Walter Summy and son, Walter, Jr., and Miss Nina Summy left last Thursday for Cheyenne to visit Mrs. Summy's sister, Mrs. Raymond Smith, and family.

Miss Loraine Bledsoe left Sunday for Denton to enter T.S.C.W. for the summer term.

Mrs. C. L. Stephens returned Monday from a week's visit with her brother and sisters at Hico.

Mr. and Mrs. P. M. Gerald and little daughter, Dixie Kay, and Miss Joy Gerald, all of Hamilton, were here Tuesday visiting his sister, Mrs. R. E. Worley, and family.

Joe Dawson who visited his parents, Rev. and Mrs. E. E. Dawson, last week, left last Wednesday for Gallup, N. M.

Mrs. Laura York left last Wednesday for Fort Worth after spending a week's vacation with her mother, Mrs. A. D. Karnes, and sister, Miss Clara.

Miss Jerry Hester, who taught at Seguin, has been re-elected. She came home Saturday for a visit with her parents, Mr. and Mrs. John Hester.

Mrs. Marsh Johnson, Miss Ruth Ervin, Mr. Miller and Bob Johnson spent a few days the first of the week with Mrs. O. R. Ervin and other relatives in Ranger.

Miss Clara Bowman returned Sunday from Wharton where she taught public school music. She has accepted the position for another school term.

Rev. and Mrs. E. E. Dawson had their granddaughters, Georgia and Judy Holladay, for a week's visit. Rev. Dawson took them home to Hico Monday.

Mrs. Talbot Ledbetter of Brady met her mother, Mrs. W. J. Weatherby, at Brownwood. They visited relatives in Dallas the last of the week, and returned to Goldthwaite Saturday.

Charles Smith of Tyler was a week-end guest in the Lewis Gartman home.

Mr. and Mrs. Arch Clements and little daughter of San Saba visited with Mr. and Mrs. W. C. Frazier last Friday.

Mrs. S. G. Lasaursky and family of Ada, Okla., who spent last week with her parents, Mr. and Mrs. J. N. Keese, left Sunday for Austin to visit her sister, Mrs. Homer DeWolfe, and sons.

Dr. and Mrs. J. B. Townsend, their daughter, Miss Lila, and O. B. Townsen motored to Energy Sunday afternoon to visit Dr. Townsen's niece, Miss Dixie Bell Baskin.

Mrs. Ray Havens and children of Oklahoma City are here for a two-weeks' visit with her sister, Mrs. J. J. Stephen, and family.

Miss Merl Gene Sims left Sunday for her home at Killeen after spending several days here with her grandmother, Mrs. J. D. Sims.

J. D. Lowe and little daughter from Jacksonville left Thursday after spending several days with his parents, Mr. and Mrs. J. D. Lowe.

Mr. and Mrs. Clyde Estep attended a big fish fry at the home of her parents, Mr. and Mrs. John C. Harrell, at Chappel last Sunday.

Hud Hamilton and Mrs. Henry Morris drove to Waco last Thursday afternoon where they met Mrs. Hamilton who had been visiting relatives in South Texas.

Ben Davis has purchased the Nat McGirk home on Fourth Street and Mrs. Minnie Mason Kendall place, known as the I. C. Every home on Reynolds Street. Mr. Davis is planning to remove the old buildings and will replace with a new modern home.

Mr. and Mrs. Lewis Hudson and Mr. and Mrs. John Schooler were visitors at Camp Bowie Sunday afternoon.

Rev. and Mrs. W. H. Marshall and daughter, Alta Mae, returned Wednesday of last week from a visit to Pharr and Raymondville. They visited their daughter and son-in-law, Mr. and Mrs. George Shoup, in Pharr and attended the commencement exercises in Raymondville where their son, Charles, graduated from high school. He accompanied his parents home and will spend the summer here. He plans to enter Southwestern University at Georgetown next fall.

Mr. and Mrs. Charles M. Hicks of Cameron spent several days this week with their parents, Mr. and Mrs. Monte Hicks. Miss Ada Margaret Smith, a teacher in Cameron, came with them to visit her aunt, Mrs. Sam Rahl, and family.

Miss Norma Hope Tullos, daughter of Mr. and Mrs. H. H. Tullos, left Monday of last week for Las Angeles, Calif., where she will vacation this summer. She is a graduate of G.H.S.

Mr. and Mrs. Walker Berry of Pleasant Grove visited a short while in Goldthwaite Thursday morning while on their way to the Lampasas Race Meet and Stock Show, where they will enjoy seeing the fine stock, as they have some very fine cattle of their own.

Erin and Bob Ritchie and families returned to their homes in Troup and Fort Huachuca, Ariz., Tuesday, after having spent a part of their vacation with their parents, Mr. and Mrs. J. M. Ritchie.

Mrs. Martha Westerman received a message Wednesday that her niece's husband was accidentally killed in Alpine. Mrs. Westerman left immediately for Alpine.

Mr. and Mrs. Leonard Archer and twin daughters of Anson came in Tuesday for a visit with his parents, Mr. and Mrs. M. E. Archer, and her parents, Mr. and Mrs. Frank Dennis.

Miss Irene Hopf of Fredericksburg spent this week here, guest of Miss Evelyn Hoting.

Mrs. J. M. Bateman, who visited several points in Oklahoma, returned Saturday, her granddaughter, Bettie Bateman, accompanying her home for a visit.

Mrs. Hud Hamilton, Mrs. Bob Johnson, Mrs. Joycelin Wilcox and Miss Creola Soloman were in Brownwood Tuesday.

Jim Fallon who lives four miles west of Goldthwaite paid the Eagle Office a visit Wednesday afternoon. Mr. Fallon reports that he has a good grain crop this year, and that they received about two inches of rain in that community this week.

Mrs. W. H. Gregg of San Saba is spending this week with her daughter, Mrs. Houston Kuykendall, and husband.

### SCRIPTURE VERSE FOR THE WEEK

"Bless the Lord, all his works in all places of his dominion: bless the Lord, O my soul." Ps. 103: 22. (Read Ps. 103.)

## THE ROAD BACK

By GEORGE C. HESTER

As a teacher of history I am frequently asked this question: What do you think are the causes of the confusion and chaos in the present world, and is there a road back to peace and sanity?

The question assumes a situation that all thinking people recognize. It is a world torn with strife, dominated by power politics and bent on armed conquest and economic pillage.

International morality has sunk to the lowest ebb since Waterloo. A desperate unhappiness reigns over much of the earth.

Amid this pitiless drift of events stands our own nation, steeped in confusion and muddling alone. Any way we turn, trouble looms. It faces us on the high seas, in Europe, and in Asia. At home we are torn with strife and indecision. We pour billions into defense industries, and get a dribble of planes, tanks, and ships, a flood of strikes, and a gusto of political assurances.

Back of it all something deeper has been happening. We have come to regard civilization as a mechanical thing designed to serve only our own desires and personal indulgences. We have piled gadget upon gadget until we think of progress as a mere matter of pulling levers and pressing buttons. We have become as economic men, pursuing material ends, indulging ourselves in the happy illusions that this is the road to utopia and safety.

Democracy today is fighting a rear-guard action. The dictators will strut their hour and pass, their system will disintegrate, but the perverted ideals they represent will haunt the world for generations to come.

It is the battle on the home front that will probably prove the most prolonged and difficult of our country. Its solution cannot be found in any government blue-print, and the issue can never be met by blundering legislative action.

We must return to fundamentals. Material progress is good, but it is not enough. The important thing is what people believe. The architects who reared our constitutional system conceived it as an outward embodiment of men's spiritual aspirations. When men lose their spiritual conceptions, they no longer look upward, but begin to sink backward. When trade, finance, and industry become mere means of serving selfish desires, the dogs of greed are unleashed, and men lose their sense of moral direction and responsibility.

The only lasting constitutions are those written deeply into the intellectual and moral habits of men and women. The written instruments are merely the expressions of those habits. The greatest depression in America today is its moral possession. All other problems await upon that one.

It is faith, and faith alone, that can assign a scale of moral values to human endeavor. As the great thinker and scientist, Julian Huxley, once said: "Religion is the great emotional and spiritual driving force that determines what man will do with his enormous possibilities of power."

Robert Babson, in a lecture several years ago, quoted two of the world's leading scientists on the needs of America. He said: "The great electrical era which the world is enjoying today is primarily due to two men—one, Charles P. Steinmetz, who for thirty years was chief engineer of the General Electric Company, and the other, Thomas A. Edison. During the last year of Steinmetz's life, he spent a week at my home in Wellesley. The last evening of his visit I asked him what new power might be discovered in the future which could rival steam or electricity. Said he: 'Babson, the greatest power of all is in our midst unscratched today. I refer to spiritual power that comes through right living and worship. Our forefathers knew the power of prayer, the economic importance of Sabbath observance, and the need of family and public worship. To this America owes its prosperity and growth. Today this power is temporarily forgotten; but it will someday again be harnessed, and then Americans will truly be healthy, happy and safe.'

Continuing, Mr. Babson said: "This spring I spent a morning with Edison at his laboratory at Fort Meyers, Florida. (That was not so long before the death of the great inventor.) I visited him to discuss certain features of the Einstein theory which might have an important bearing upon aviation. When leaving I asked Edison what new radical inventions he visualized as coming during the next few years. He replied:

"Babson, I do not pose as a preacher; but let me tell you that if there is a God, he will not let us advance much farther materially until we catch up spiritually. A great fundamental law of science is that all forces must be kept in balance. When anybody or any good force goes off on a tangent, there is a smash. This applies to America as it has to every nation before it."

Data gathered at responsible sources show that Texas farmers and livestock men lost \$131,706,900 in 1940 from damage by insects upon growing and stored crops, and livestock and livestock products.

In the earliest period of the colonization of Texas, the town of San Felipe, Stephen F. Austin's colonial capital, boasted possibly a dozen log cabins and only one frame building—which was a saloon and a billiard hall, records in the University Library show.

Men may be smarter than women—but not in "book learn-

in," University of Texas officials believe. A current registrar's report shows co-eds ranked well above men students among the school's 11,000 students. Girls made an average of 1,345 grade points to boys' 1,134 points.

Panthers, leopards and Mexican mountain lions were numerous in the forests along the southern Texas coast in pre-revolutionary times, according to old records in the University of Texas Library.

Corduroys look best after laundering when merely brushed along the direction of the ribs while slightly damp.

## NEIGHBORING NEWS

ITEMS FROM LOCAL PAPERS OF TOWNS MENTIONED

### Lometa—

Mr. and Mrs. Alton Lively and Carolyn, of Brownwood, spent Sunday here with the Mont Swain family.

Ward Lowe returned the first of the week from Goldthwaite, where he taught in the school the past year.

Last Saturday night in the local wool houses there was a total of a half million pounds of wool in storage, which was insured for approximately \$200,000.

Harold Anderson and Miss Katherine Kirby were united in marriage Saturday, May 3, at Ballinger, and returned the next day to Pecos, where Harold is instructor in shop in the Pecos High School, and to which place he has been rehired for another year, but will work for the highway department this summer as office draftsman.—Reporter.

### Hamilton—

Through a deal completed last week with John Koen, Hamilton druggist for 28 years, R. C. Carter became the owner of the Koen Drug Company in which Mr. Koen has had an interest since 1920. Mr. Carter assumed management of the concern Sunday morning.

The approaching marriage of Miss Mavis McKinley, daughter of Mrs. Merle Langford McKinley, to Bob Miller, son of Mr. and Mrs. R. B. Miller, was announced at a tea given Saturday afternoon by the bride-elect's mother and Mrs. Ted Chesley. The wedding will take place June 14.

A district court jury at Comanche Tuesday assessed a 75-year penitentiary sentence against Joe Frank Barton, 19, for the slaying of J. D. Couch, aged Gustine recluse, whose bound and beaten body was found in his home last Aug. 18.

A new bus service from Waco to Abilene via the Waco-Abilene Coaches will begin Saturday, according to an announcement released Wednesday by Hamilton Pharmacy, which will be the local bus stop.

WRH drilling proceeding Thursday at a little below 2,500 feet, contractors on the Lone Star Gas Company's No. 1 Burks well reported they expected to reach pay within 24 hours. Meanwhile, drilling had started on another well for the Lone Star on the O. K. Rea farm, location for which was made about 6 o'clock Sunday afternoon.

Excavations were being started Wednesday morning for the foundation of a new Colonial type story-and-a-half home for Mr. and Mrs. H. T. Gunn and sons.—Herald-Record.

### San Saba—

State Highway patrolmen who make this area picked up two well-known citizens last Saturday night for exceeding the new speed limit on U. S. 190 east of San Saba. Complaints were filed before Justice of the Peace Ormand and we understand the drivers pleaded guilty and paid their fines.

That San Saba's city water supply may be always uniformly chlorinated the San Saba City Commission recently contracted for a large new chlorinator from the Wallace & Tiernan Mfg. Co. of New York, N. J., at a cost of \$1,185. The new machine was expected to be loaded at the factory for shipment on May 22 and should arrive here some time within the next week.

Plans are going ahead for the third home-coming of the F. M. Behrens ex-students, in Cherokee July 12, and many are looking ahead to it with pleasure.

Miss Gene Hardin, daughter of Mr. and Mrs. Perry Hardin, who is a freshman at John Tarleton, had the misfortune while playing golf, Friday evening, of being accidentally struck in the face by an iron her companion was swinging when striking a ball.—News.

### Pleasant Grove—

By Mrs. David Watters  
I think nearly all of the club members liked the whole wheat flour muffins that Miss Scott passed and the canned whole grain wheat that was served as a cereal.

Those present at the meeting were: Mrs. W. A. Bayley, Mrs. George Shady, Mrs. Donia Watters, Mrs. Walker Wigley, Mrs. C. N. Berry, Mrs. L. O. Kelly, Mrs. A. C. Miller, Mrs. O. Z. Berry, Mrs. W. T. Moreland, Mrs. L. O.

Berry, and Mrs. R. C. Berry. Mrs. O. K. Berry was a visitor. The next meeting will be with Mrs. J. D. Benningfield.

Mr. and Mrs. Harry Allen had as last week-end guests their children, Miss Ellen Allen, Mr. and Mrs. Vernon Halford, all of Dallas, and Miss Harriett Allen of Austin.

Improved Uniform International SUNDAY SCHOOL

LESSON

By HAROLD L. LUNDQUIST, D. D., Dean of The Moody Bible Institute of Chicago. (Released by Western Newspaper Union.)

Lesson for June 8

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education; used by permission.

BEGINNING OF WORLD MISSIONS

LESSON TEXT—Acts 12:25-13:12. GOLDEN TEXT—And he said unto them, Go ye into all the world, and preach the gospel to every creature.—Mark 16:15.

Nineteen hundred years of "front line action" for Christ began that day in Antioch when the first missionaries of the cross were sent forth. There is no more thrilling story in all history than that of missions. The glorious thing is that it goes on year after year, and it goes so long as the Lord of the harvest continues to send forth workers. The writer of these notes is glad to be associated with a training center which in its half century of operation has prepared for service about 2,300 men and women who have been sent to the foreign field by their churches and missions, and of whom approximately 1,600 are still active on the field in spite of "peril, toil and pain."

Our lesson teaches us how "to fight the good fight of faith" (1 Tim. 6:12). First we must have

I. The Base of Operations (vv. 1-3).

Every army must have a home base; just so, the army of the Lord looks to the home church, the local gathering of God's people. An army would fall if those at the base of its action were asleep, or so interested in the pleasures of this world, or so indifferent to their responsibility, that they would not work hard in support of the active army. So the cause of Christian missions cannot go ahead if it has to depend on a home church which is spiritually asleep, indolent, indifferent, and worldly minded.

The church at Antioch prayed and fasted. It ministered the Word of God. It was responsive to the guidance of the Holy Spirit and ready to sacrifice by giving its leaders to the missionary cause. Is your church that kind of a church? If not, why not?

Observe also that it is from such a church that God calls His workers. Sunday school teacher, you may have in your class next Sunday one of the missionary leaders of the next generation. See to it that the message from God reaches that heart.

II. Good Soldiers of the Cross (vv. 2-4).

The army does not call for the weak or physically handicapped to serve. Just so, God's service calls for the strongest men and women of the church, not the misfits or failures. A girl was once heard to remark: "If I can't get married, I will be a missionary." Fortunately for God's work, she did get married. Some men who cannot succeed in business think that means they should be missionaries.

God wants our best (Deut. 15:2) and He wants the best a church can give, which means the best spiritually, but in other ways as well. Note also in verses 3 and 4 that the messengers of the Lord must be constantly led by the Holy Spirit.

III. The Heat of Battle (vv. 5-10).

Warfare is not a Sunday school picnic. It means conflict with the forces of the enemy. So the missionary of the cross must be prepared to meet Satanic opposition. Saul and Barnabas met this "son of the devil" (by the way, reader, we trust you do not belong to that family who opposed the work of grace which had begun in the heart of the governor (vv. 8-10).

However, there are those who do seek to hear the Word of God (v. 7) as did Sergius Paulus. The business of the missionary is to preach to them, but not only to them. The city of Paphos was really a miniature of the world of that day. It was a Greek city of high culture and low morals. It was ruled by the Roman governor, a man of noble character and a "man of understanding" (v. 7). But right with him was Elymas the sorcerer, a wicked and ungodly Jew, a disgrace to his own people and a hindrance to the work of God. The messenger of God rejoices in the opportunity to minister the Word, whether to Roman, Jew, or Greek, of high or low estate, wicked or good, interested or antagonistic. They all need God's Word.

IV. Victory for Christ (vv. 11, 12).

The army goes into battle with the purpose of winning a victory, or it is defeated before it starts. The Lord's army is on a victorious march, certain of success, because He that is in us is "greater than he that is in the world" (1 John 4:4).

In dealing with the sorcerer, Paul brought down the drastic judgment of God. Note that this was not done because Elymas opposed Paul, or because he had some different belief, but because he in his wickedness opposed God. Those who fight against God are in a losing battle, the victory is always on His side.

There was another kind of victory here, and the soldiers of the cross are (or should be) far more interested in that type of victory; namely, the surrender of a sinner at the foot of the cross. God won a victory in the heart of Sergius Paulus.

OUR DEMOCRACY by Mat

A FOUNDING FATHER OF PREPAREDNESS.

HIS GIN HAD MADE COTTON KING—BUT PAID HIM NOTHING TILL YEARS LATER, IN 1812.

IN THIS FACTORY MASS PRODUCTION—INTERCHANGEABLE PARTS—FOUNDATION STONES OF MODERN INDUSTRY AND TODAY'S NATIONAL DEFENSE WERE BOTH DEVELOPED BY ELI WHITNEY—BY 1806 HE PRODUCED 10,000 MUSKETS WITH EACH LOCK, STOCK AND BARREL INTERCHANGEABLE.

Civil Service Wants Sailmakers at Corpus Christi; Other Jobs

The U. S. Civil Service Commission announces open competitive examination for the position of Sailmaker, \$7.92, \$7.44, and \$6.96 a day, for filling vacancies in this position at the U. S. Naval Air Station, Corpus Christi.

The examination is open to persons between 20 and 62. Applicants must have had four years' experience in sailmaking. Further information can be had at the post office.

The commission also announces examinations for the following positions:

Landscape architect, \$2,000 to \$5,600 a year.

Public health nursing consultant, \$2,600 to \$3,200 a year.

Medical technician, \$1,620 to \$2,000 a year; junior laboratory helper, \$1,440 a year.

Junior graduate nurse, Veterans' Administration, Public Health Service and Indian Field Service, \$1,620 a year.

Alphabetical card-punch operator, \$1,090 a year. Tabulation machine operator, alphabetical tabulating machine operator, \$1,260 to \$1,440 a year.

Texas' Safest Truck, Bus Drivers Selected

AUSTIN, June 4.—The Texas Motor Transportation Association selected Texas' safest truck and bus drivers at its seventh annual convention held in Dallas last week. John Odom, with a record of 1,450,000 miles during fourteen years of driving without an accident was selected as Texas' safest truck driver. Earl F. Hardin, Uvalde bus driver for 14 years, qualified as Texas, safest bus driver, with a record of 1,592,240 miles without an accident.

The 1940 production of wool in the United States, both shorn and pulled, totaled 449,763,000 pounds and was the largest on record, the Agricultural Marketing Service reports.

Texas' Senator Now Oldest Baylor Pupil

WACO, June 4.—President Pat M. Neff of Baylor University said today, as far as he has been able to determine, Andrew Jackson Houston, Texas, interim U. S. senator, attended Baylor earlier than any other now living individual.

Houston was a student in the Baylor preparatory school in 1866. It was his father, General Sam Houston, who made one of the first financial contributions to the university.

Neff said that a search is now being conducted for students during Baylor's earliest years. These will be recognized in the Baylor centennial celebration in 1945. Mrs. Josephine Corley of Kosse, who graduated in 1870, is believed to be the oldest living woman graduate.

PHYSICAL REQUIREMENTS NAVAL RESERVE DOWN

Lowering of physical requirements for enlistment in all classes of the Naval Reserve, except for commission rank, will permit enlistment of many men who have previously been rejected for the regular Navy or Naval Reserve, navy recruiting officers at Waco announced today.

Minimum height has been reduced to 62 inches, regardless of age. Eighteen sound vital teeth may now get an applicant past the examining medical officer who previously demanded that he have 20 pound teeth.

Age limits for enlistment in the Naval Reserve are from 17 to 50 years with beginning pay

from \$21 to \$99 per month, depending upon recruit's qualifications, while on duty. Those enlisted should expect immediate orders to active duty and to be released from active duty after national emergency or war as soon as their services can be spared, recruiting officers said.

The Agricultural Marketing Service, USDA, reports the number of turkeys on hand February 1 for breeding in the United States was 14 per cent lower than on the corresponding date a year ago.

BEAUTY PACKAGE For Your SUMMER HOLIDAY THE NEWEST HAIR STYLE THE FRESH COSMETICS THE DARING NAIL POLISH Everything You Need to Make You Lovely for the Summer Be Sure to Come in This Week HOTEL SAYLOR BEAUTY SALON Operators: TINY—LOUISE—RENA V.

STATE HEALTH DEPARTMENT NOTES

AUSTIN, June 5.—The approach of summer weather foreshadows greater prevalence of intestinal disorders, according to morbidity reports reaching the State Health Department. (Infants are most susceptible to the so-called "summer complaint" (diarrhea and enteritis), but older persons are also affected, the aged being more likely to contract the disease," states Dr. George W. Cox, state health officer.

THE BEE THAT SWARMED ALONE

Said a wise old bee at the close of day: "This colony business doesn't pay. I put my honey in that old hive that others may eat and live and thrive, and I do more work in a day, by gee, than some of the fellows do in three. I toil and worry and save the hoard, and all I get is my room and board. It's me for a hive I can run myself, and me for the sweets of my hard earned pelf." So the old bee flew to a meadow alone and started a business of his own. He gave no thought to the buzzing clan, but all intent on his selfish plan he lived the life of a hermit bee. "Ah, this is great," said the wise old bee.

But the summer waned and the days drew drear, and the lone bee wailed as he dropped a tear; for the varmints gobbled his little store, and his wax played out and his heart was sore, so he winged his way to the old home land, and took his meals at a side-door stand. Alone, our work is of little worth, but together, we're the lords of the earth; so it's all for each and each for all—united we stand, divided we fall.—Atlanta Kiwanian.

BIG CAMPORAL A Court of Honor and Camporal is being planned for all registered Scouts in the South District, to be held on the Bohning Ranch, Lometa, starting promptly at 5 p. m., June 13. The schedule is as follows: 5 p. m., set up camp; 6 p. m., supper by Patrols; 8 p. m., Court of Honor; 9 p. m., camp fire program; 10 p. m., call to quarters; 10:30 p. m., Taps; 5:30 a. m., Reville; 6 a. m., breakfast; 6:30 to 8:30 a. m., Adventure Trail of Scouting; 8:35 a. m., farewell until Camp Billy Gibbons.

SAN ANTONIO, June 4.—The chest X-ray examination for tuberculosis which will be given to all recruits in mobilization during 1941-45 will be the greatest effort this country has ever made to find the unknown, untreated cases of tuberculosis. Lieut.-Col. William C. Pollock, Medical Corps, U. S. Army, Denver, Colo., said at the closing session of the 27th annual meet-

ing of the National Tuberculosis Association.

More than 1,000 tuberculosis specialists and health workers attended the four-day meeting. This is the first time the National Association has held its annual meeting in Texas.

The U. S. Army has developed a plan for the chest X-raying of 6,000,000 young men of the military age group. This mass examination is highly significant because within this particular group tuberculosis takes one of its heaviest tolls of life, according to Colonel Pollock.

THE BEE THAT SWARMED ALONE

Said a wise old bee at the close of day: "This colony business doesn't pay. I put my honey in that old hive that others may eat and live and thrive, and I do more work in a day, by gee, than some of the fellows do in three. I toil and worry and save the hoard, and all I get is my room and board. It's me for a hive I can run myself, and me for the sweets of my hard earned pelf." So the old bee flew to a meadow alone and started a business of his own. He gave no thought to the buzzing clan, but all intent on his selfish plan he lived the life of a hermit bee. "Ah, this is great," said the wise old bee.

But the summer waned and the days drew drear, and the lone bee wailed as he dropped a tear; for the varmints gobbled his little store, and his wax played out and his heart was sore, so he winged his way to the old home land, and took his meals at a side-door stand. Alone, our work is of little worth, but together, we're the lords of the earth; so it's all for each and each for all—united we stand, divided we fall.—Atlanta Kiwanian.

BIG CAMPORAL A Court of Honor and Camporal is being planned for all registered Scouts in the South District, to be held on the Bohning Ranch, Lometa, starting promptly at 5 p. m., June 13. SAN ANTONIO, June 4.—The chest X-ray examination for tuberculosis which will be given to all recruits in mobilization during 1941-45 will be the greatest effort this country has ever made to find the unknown, untreated cases of tuberculosis. Lieut.-Col. William C. Pollock, Medical Corps, U. S. Army, Denver, Colo., said at the closing session of the 27th annual meet-

HUNTING for More BUSINESS Try Our Ads

the ROAD AHEAD Old Man Texas is today looking ahead and planning. Beside the great farming and ranching country which Texans have built, he sees a new industrial empire here. Already the start has been made. Some industries, such as petroleum, are now showing what can be done to utilize Texas' vast natural resources. Today this industry refines with Texas labor over four-fifths as much oil as the State produces. Its products make up nearly one-half of all Texas manufacturing. Altogether petroleum provides the living for almost one-sixth of our people. But this is only a beginning. Texas has many other raw materials, unexcelled by any other State. Texas has in oil and gas the cheap and dependable fuel supply essential to industry. Texas is the gateway to Latin America, our new foreign market. Each new industry means more jobs. It makes added tax values for our State and local governments, bigger payrolls for our workers, and greater prosperity for you and every other Texan. TEXAS MID-CONTINENT OIL AND GAS ASSOCIATION

## DO NOT JUDGE MOTOR ON GASOLINE ALONE—CHEVROLET ENGINEER

The motorist who gauges his vehicle's economy showing on a basis of miles-per-gallon—as is the common standard—may be overlooking several important factors contributing to actual car operating economy, according to J. M. Crawford, chief engineer for Chevrolet.

When Chevrolet engineers consider economy, as they must with the design of each new engine and engine improvement, they do not view the problem in terms of gasoline consumption alone. It should be a relatively simple matter to place a motorcycle engine in an automobile and get extraordinary fuel economy. Yet such a car would by no means satisfy the motorist, who demands in addition to fuel economy a host of other attributes, including performance, durability and smoothness.

The careful balancing of these four factors—with due appreciation for each of them—is the route to all-round customer sat-

isfaction with any given motor car engine.

"Performance and smoothness are readily apparent and may be determined by a trial run," Mr. Crawford said. "On the other hand, the customer does not fully appreciate Chevrolet economy and durability until thousands of miles have rolled away under the wheels.

"When it comes to economy," Mr. Crawford continued, "that can be judged honestly in only one way. And that way is to consider value received in car performance with relation to the cost of obtaining it in terms of operating economy. Speaking strictly of gasoline economy it is a universally accepted fact among engineers that an engine of valve-in-head design will give more output for unit of fuel consumed than would the same engine if it were of other commonly used types."

### Long Cove

By Mrs. L. M. Conradt

Most every one here in the Cove got their grain cut before the rain.

Mr. and Mrs. R. S. Carmichael and two children of San Benito spent the week-end with Mr.

## STAMFORD COWBOY REUNION TO BE JULY

STAMFORD, June 5.—Premiums and cash prizes amounting to \$3,500 will be awarded in various events in the 12th annual Texas Cowboy Reunion here July 3, 4 and 5.

Expensive saddles will be awarded to the champion calf-roping, the champion wild cow-milker, the winner of the cutting horse contest and the winner in the sponsors' contest. Sterling silver belts, with gold overlay and set with rubies will be presented to the champion bronc rider and champion steer rider. A grand prize of similar value will be awarded for place winners in some of the events.

Cash prizes amounting to \$650 will be paid in the quarter-horse show being held jointly by the Reunion and the American Quarter-Horse Association.

The most typical cowboy over 55 years of age will be presented a cowboy Stetson hat and the most typical cowboy under 55 will receive a gold watch.

Cash prizes of \$105 will be awarded for best entries in the various sections of the grand parade. Cash awards in the old fiddlers' contest will total \$32.50 and Mrs. Albert Conradt.

Beulah Godwin and Bob Conradt returned home this week-end for the summer.

Bob Conradt made a business trip to Dallas Saturday and returned Sunday.

Mr. and Mrs. Orvil Hall and daughters of Newna spent Sunday afternoon with Mr. and Mrs. Fred Conradt.

Steve Conradt, Jenette Boatwright, Riley Godwin and Mr. and Mrs. Eric Neeley attended the commencement exercises at Evant last Friday night.

Mr. and Mrs. Tom Canradt spent Sunday with Mr. and Mrs. Louis Conradt.

Mrs. Del Pierce and daughter of San Saba are spending the week with Mr. and Mrs. J. E. Conradt.

Miss Gertrude Kauhs spent several days last week in Austin, San Antonio, Laredo and Old Mexico.

## MORE CIVIL SERVICE EXAMS ANNOUNCED

The United States Civil Service Commission has announced examinations for the positions described below. Salaries given are subject to the usual 3 1-2 per cent retirement deduction.

Electrotyper (finisher), electrotyper (molder), stereotyper; \$1.32 an hour for a 40-hour week. Appointments will be made in the Government Printing Office, Washington, D. C.

Junior clerk, \$1,440 a year, for appointment in Washington, D. C., only. Optional subjects are filing and statistics.

Men with appropriate engineering experience or education are needed to fill Engineering Aid positions in the states of Louisiana and Texas, at salaries ranging from \$1,620 to \$2,600 a year, the U. S. Civil Service Commission has announced. The branches of engineering in which these men are needed are agriculture, civil, computations, construction, electrical, highway, hydraulic, mechanical and photogrammetry.

Men with appropriate experience in the maintenance of proper methods of sanitation and ventilation, correct and adequate methods of sewage, garbage, and refusal disposal, the control or prevention of stream pollution, or the identification or control of disease bearing insects are needed to fill positions as Sanitary Technician, \$1,800 a year, and Assistant Sanitary Technician, \$1,620 a year, in the War Department Medical Corps, at various station hospitals in the Eighth Corps Area throughout the state of Texas.

Full information as to the requirements for these examinations and application forms may be obtained from B. W. Davis, secretary of the Board of U. S. Civil Service Examiners, at the post office in this city, or from the secretary of the board of U. S. Civil Service Examiners, at any first or second class post office.

Mr. and Mrs. Bob Sims of Brownwood spent Friday with Mrs. Sims' parents, Mr. and Mrs. John Kuykendall.

Mr. and Mrs. T. J. Hufstutler are enjoying a new car.

Marvin Laughlin who has been shearing sheep at Blanket spent the week-end at home.

We were visited by a rain and windstorm late Monday evening, and as I write this the weather looks very threatening again.

Harvest time is here and the combines will soon be running full time.

Glenn Featherstone of Camp Bowie visited over the week-end with homefolks.

Mr. and Mrs. John Long of Trigger Mountain visited with her brother, Ed Randles, and family Sunday.

Mr. and Mrs. M. L. Green had as Sunday guests Mr. and Mrs. Oliver Green and children of Duren, Mr. and Mrs. Frank Doggett of Goldthwaite, Mr. and Mrs. Ira Doggett and Mr. and Mrs. John Doggett.

Misses Ruth and Mae Featherstone came home Saturday night, their schools having closed. Mae, who has been teaching in Sanderson school, will spend the summer at home. Ruth left Monday morning for an extended visit with her sister, Mrs. Nolan Horton, in Artesia, N. M.

The Jolly Chatter Club will meet with Mrs. W. A. Heath June 12.

Chas. Featherstone visited in Pflugerville last week, returning home with his sisters Saturday night.

Mrs. Will Taylor has been suffering with a severe case of throat trouble, but is improving at this time.

Mrs. Bill Yeager visited with Mrs. Roy Simpson one afternoon last week.

Rock Springs—

By Mrs. Eula Nickols

From all accounts it must be summer time. We hate to see a rain right now on account of the oats which are ready to cut.

Those who had a good time and a good supper at my home Thursday night were Misses Love Gatlin, Bessie Crews, Irma Harrison, Florine Woody, and Abbie and Ruth Irvin. Meses. Marsh Johnson, Tom Collier, Kate Marshall, John Patterson, Carlos Patterson and daughter, Orbey Woody, Brown, Lee Dyas and son. After supper some played forty-two. I believe every one had a grand time. Miss Florence Woody favored us with music on the piano. The crowd left by ten, all saying what a good time they had and they hoped to meet again and more often. You will be welcome any time in my home.

Ray Stark and family from Robert Lee spent a few days last

## Scallorn

By Mrs. Ora Black

The hum of mowing machines is heard once again in our community. Some are combining while others are reaping.

We failed last week to get our communication written to the Eagle, nevertheless we enjoyed a visit with relatives and friends in Brownwood and Ballinger.

The ice cream supper given in the home of Mr. and Mrs. Fayette Eckert Saturday night was enjoyed by a large crowd.

Mrs. Cora Ford and Mrs. Johnnie Ford visited in Lampasas one day.

Visitors over the week-end in the home of Mr. and Mrs. Marvin Laughlin were Mr. and Mrs. Dave Williamson and Miss Rachel Ford of Eldorado. Rachel will accompany Mr. and Mrs. Williamson to Austin for a few days' visit.

Mrs. C. H. Black and children of Goldthwaite spent the week-end with Mrs. Ora Black.

Mrs. W. E. Stevenson and Jim Hunt attended church in Lometa Sunday.

The H-D Club met Thursday with Mrs. Terrell Casbeere. There were 17 members and three visitors and two new members present. During the social hour the club presented Grandmother Perring, a visitor, with a miscellaneous shower, making glad and happy a dear old lady.

Mrs. Casbeere served a refreshing plate consisting of angel food cake and punch. Our next meeting will be with Mrs. Pharo Chadwick.

Mr. and Mrs. Bob Sims of Brownwood spent Friday with Mrs. Sims' parents, Mr. and Mrs. John Kuykendall.

Mr. and Mrs. T. J. Hufstutler are enjoying a new car.

Marvin Laughlin who has been shearing sheep at Blanket spent the week-end at home.

Live Oak—

By Mrs. J. H. Brown

We were visited by a rain and windstorm late Monday evening, and as I write this the weather looks very threatening again.

Harvest time is here and the combines will soon be running full time.

Glenn Featherstone of Camp Bowie visited over the week-end with homefolks.

Mr. and Mrs. John Long of Trigger Mountain visited with her brother, Ed Randles, and family Sunday.

You will be welcome any time in my home.

Ray Stark and family from Robert Lee spent a few days last

week with his mother and brother and other relatives. Ray and family took his mother and sister, Mrs. Ray Davis, to Ranger to see Dial Rainey and family.

Wiley Mahan is combining oats for some in the community.

Glenn Nickols and wife spent Sunday with his mother and John Earl Roberts. In the afternoon we all went to Regency, Ebony and Camp Bowie. We saw the army boys hiding their trucks, getting ready for the sham battle which started Monday.

Mrs. Leila Robertson and daughter from Big Valley and James Nickols and family and mother, Wilford Grey and family and John Earl Roberts visited in the Robertson home Saturday night.

When you read this I will be visiting my children, Mr. and Mrs. Claud Holly in Mineola. I don't know just how long I will be away. My son, Philip, and wife will take me and they will make a short visit. John Earl Roberts will go, too.

Mrs. A. R. Kauhs spent Friday in the Nickols home.

Philip Nickols and wife spent Monday night with his mother.

Postmaster P. R. Reid of Ebony, long-time resident of that section, made the Eagle Office a pleasant visit Monday, and ordered the paper sent to him for another year.

Cause Of Cancer

The germ which causes Cancer has never been discovered.

Therefore Cancer is not contagious or infectious. Cancer can not be "caught" from any one with the disease. Repeated irritation is a chief cause of Cancer.

The face, neck and hands are constantly exposed to heat, cold, sun, dust, wind, moisture, all kinds of weather, accidental injury and chemical irritants of various occupations. The smoker who always holds his pipe, cigar or cigarette at the same place on the lips is more likely to develop a lip cancer.

Constant irritation may cause the natural cells making up any part of our bodies to become unnatural and take on a destructive growth: this is cancer.

Any tissue of the body, be it skin or lining of the stomach, may undergo change and develop cancer. Age predisposes to this change; more than 90 per cent of all cancers develop after the age of 40.

Cancer is not hereditary but children of parents who have cancer inherit a weakness for the disease.
