WIDE RANGING BUILDING GOING ON OVER MILLS COUNTY

MUCH BUILDING GOING ON OVER MILLS COUNTY

Many New Fine Homes Being Built In This Section

Much building activity is going on in Goldthwaite and Mills County at this time, which is evidence of the great prosperity that has come to this vicinity this year. Many new and beautiful homes have been built recently, are now being built, and many others are preparing plans for building.

Many New Fine Homes Being Built In This Section

Much improving of present buildings is also being done at this time. Crops in the county have been good this year, and much rain has put pasture lands in the best shape for many years. Livestock prices are high, farm product prices are advancing, and Mills County land values are increasing in price steadily, with much activity in buying and selling. Mills County will see its best year this year since 1929.

New homes now being built and improvements being made include:

- E. J. Ward, Goldthwaite, a new brick-veneer home.
- Lee Nolton, Center City, new home.
- H. W. Boykin, Star, new home.
- Mrs. H. M. Kerby, Caradan, new home.
- S. P. Sullivan, farm rent house, 3 1-2 miles west of town.
- Cecil Haney, new roof.
- Lawrence Kelly, Pleasant Grove, sheep shed.
- Joe Langford, Center City, wash house.
- Pete Burks, repairs to barn and chicken house.
- J. R. Cooke, Rock Springs, barn, chicken house, garage and wash house.
- Marvin Spinks, Rock Springs, complete remodel on his home.
- Barton Smith, remodeled home.
- Walter Fairman, moved two houses off highway to lot back of Baptist Church.
- Neal Dickerson, remodeling and repairing home in Goldthwaite.
- Paul McCullough, Texan Home. Will be open for visitors. Fully air conditioned, fully winter conditioned. Payments \$17.35 per month; small down payment.
- Luther Rudd, building new room and porch, re-roof whole house.
- John Elliott, build new home on east side of town.
- C. T. Wilson, new roof on home on Fisher Street.
- Mrs. Chas. Rudd, new roof on her home.
- W. F. Lubke, Priddy, building new rock-veneer home.
- J. F. Dennis, built on two new rooms, new siding, and new roof and new paint job with DuPont Paint.
- George Chapman has added new rooms on the back of his home.
- Clyde Faulkner is building a new tile smoke house.
- J. C. Faulkner has just finished repairing porches, re-covering part of his house, entire new bathroom with Crain fixtures; also new Crain sink.
- C. C. Collier is building a new frame home on his farm about 2 1-2 miles north of Goldthwaite.
- Alfred Harris has just finished a new home in the Evans-Nickols-Huddleston Addition.
- Dr. O. A. Danford has just completed new offices for his veterinary work.
- Ben W. Davis has just finished a new home and a new rent house just back of the post office.
- Malcolm Jernigan has completed within the last three months his new home about two miles east of Goldthwaite.
- R. A. Parker has recently completed a new home in the Caradan Community.
- Mrs. A. M. Rose has recently

AAA TO GET NEW BUILDING

Construction work has started on a new three-story building to house the Agricultural Adjustment Administration State Office on the campus of Texas A. and M. College. Pictured above is the architect's conception of the new building which will be completed in about six months.

THIS WEEK IS UNITED CHINA RELIEF WEEK THROUGHOUT TEXAS

DALLAS, Oct. 9.—This week, October 5 to 11, is being observed as United China Relief Week throughout Texas by proclamation of Governor Coke Stevenson. Governor Stevenson, who is serving as vice-chairman of the United China Relief Campaign which is headed by Nathan Adams of Dallas, in his official proclamation urges all Texans to subscribe liberally toward aiding the millions of war sufferers in China.

"The suffering in China owing to the brutal aggression of Japan, Hitler's ally, is too terrible to describe," Chairman Nathan Adams says. "Sixty million Chinese, including almost three million children, are now homeless, starving and destitute. They need food, clothing, shelter and medicine. We are trying to raise money to aid these unfortunate people and Texas is asked to give \$100,000 for this humane and worthy cause. I am sure Texas people will do their part."

Features of United China Relief Week include China Relief Sunday, on Sunday, Oct. 5, when every minister in Texas was asked to urge that aid be given Chinese war sufferers on this day and to take up a collection for China Relief in his church and Sunday School. Much of the United China Relief funds are distributed by 200 Christian missions in China.

During the week every Texas school child will be asked to contribute some small amount to aid the school children of China who are suffering so bitterly. State Superintendent of Education L. A. Woods is chairman of the committee asking aid for Chinese children in the schools.

The United China Relief campaign closes Oct. 15. Contributions in Mills County should be handed or sent to the county committee which is composed of N. E. Stockton, Kelly Saylor and S. P. Sullivan.

covered one of her rent houses on one of her farms. Prof. Tolbert Patterson has just finished a new home in the Moline territory. Paul Kinchele is adding two rooms to his home in the Moline Community. Jim Kinchele has just finished a new rock-veneer home in the Moline Community.

GOLDTHWAITE LIONS MEET TUES. NIGHT

Personal Calls To Be Made To Get China Relief Quota

The Goldthwaite Lions Club had an interesting program when it met Tuesday night in the basement of the Methodist Church, where dinner was served to twenty members.

The program was opened with the song "America," sung by the group, after which Rev. Marshall gave a very interesting talk. Lion Comedians Evans, Little and McCullough gave a musical number.

Lion Stockton, China war relief chairman, reported on money received for this benefit, and it was decided that personal calls should be made to secure Mills County's quota.

A new Comanche Highway was discussed by the club, also a road leading from Goldthwaite to the army maneuver area.

County Clerk Earl Summy and County Agent John Wright were accepted as members, and Joe Bailey Karnes was transferred from Richland Springs where he was an active member.

One of the most interesting parts of the program consisted of a talk by Lion T. C. Graves on first-aid work as a national defense measure, and it is hoped that in the near future a class can be conducted at night in order to teach first-aid to those who would like to take it.

MILLS EDUCATIONAL ASSOCIATION TO MEET

The Mills County Educational Association will hold its first meeting of the year at the Goldthwaite School Auditorium Tuesday evening, Oct. 14, at eight o'clock. This meeting is for the purpose of organization for the year's work. A short program has been arranged for the meeting.

Supt. A. H. Smith, Director-General of the County Interscholastic League, wishes to call attention to the custom of organizing the League at this meeting. Every Mills County teacher is urged to be present.

WOMEN'S DEFENSE LEAGUE IS TO MEET FRIDAY OCTOBER 10

At the September meeting of the Mills County Women's Defense League about ninety women were present. Each community made a special effort to be represented and a keen interest was felt throughout the assembly.

The October meeting will be held on Oct. 10. Mullin has charge of the program and everyone can feel confident it will be well worth her time to be one of the audience. Mrs. S. S. Dorbandt and Mrs. Lee R. Tesson will be the speakers.

The chairmen of the various communities did an inspiring job of bringing a crowd together at the last meeting. Will you kindly serve again and get even better results? Friday, Oct. 10, 2:30 o'clock, at the Melba Theatre. Be there!

SENATOR CONNALLY INTRODUCES NEW OLD-AGE PENSION BILL

WASHINGTON, Oct. 6.—Senator Tom Connally today introduced in the Senate a bill which would double the federal contribution toward Texas old age pension payments. This bill is in line with President Roosevelt's recent proposal to vary federal pension grants according to the per capita income of the states rather than on a fifty-fifty basis. This will enable the poorer states to receive proportionately a larger share of federal funds than that received by the richer states.

Under the present act the federal government matches the Texas contribution dollar for dollar, but under the proposed Connally bill the federal government would contribute a little more than two dollars for every dollar contributed by the Texas Legislature. In other words, a \$45 Texas pension payment would be possible by the state contributing about \$15 and the federal government contributing the remainder. Heretofore the combined contributions of the federal and Texas governments have totaled a little less than \$14, but with the same state contribution the total would be \$22.50 under the Connally bill. Under recent enactments of the Texas Legislature, if funds are available, the monthly payments from federal and state funds would amount to \$18.50, but under the Connally bill, with the same state contribution, the monthly payments would amount to \$27.75.

Senator Connally's bill was approved in substance in a recent Senate hearing by Dr. A. J. Altmeyer, the chairman of the Social Security Board. The present bill has been worked out by the joint efforts of Senator Connally and the legal staff of the Social Security Board.

Senator Connally's bill has been referred to the Finance Committee, of which Senator Connally himself is a high-ranking member.

MONDAY FOX HUNT, MEET BIG SUCCESS

Luther Jernigan, Glenn Nickols Have Prize-Winning Dogs

Monday, Oct. 6, 1941, Luther Jernigan, president of the Mills County True Sportsman's Club, and members and co-workers brought to realization another full day of entertainment on the L. B. Burnham Ranch, fifteen miles south of Goldthwaite, near the Colorado River. We were happy to have Mr. Burnham with us.

Nearly 200 people attended the Fox Hunters' annual barbecue, meet and hunt. It was the biggest meeting of its kind ever held in the county, and also the best one!

Brown County commissioners and citizens were among us in large numbers; people also came from Comanche, Hamilton, San Saba, and Lampasas Counties. Waco, Temple, Pflue, Pontotoc, Grana, Calif., Brady, Crane and Breckenridge were represented. The great noon meal consisted of the most sumptuous barbecue, etc., we have ever eaten, and it was here just about dark a larger crowd began an orderly march down the sides of a long table loaded with barbecue, pickles, salad, cakes, pies, and hot coffee, etc. As the crowd began eating some were still busy at long fire pits nearby where fresh meats were still being sizzled and crisped and seasoned to replenish the melting stocks on the table.

The afternoon was spent in judging and awarding prizes for the best dogs and in general conversation. Commissioner Mayfield, Gibbs of Brownwood judging as follows:

Puppies Under Six Months—I. Ball Skipper, (J.J. 2733), X Maude Ann, owner Bobbie Russell, Fifer, Texas.

Derby—I. Skipper (High Tension) X Madge, owner, H. A. Russell, Fifer, Texas.

All Age Females—I. Lady Lee Stride (Gable Stride X Lady June), owner, Glenn Nickols, Goldthwaite. II. Queen (Dempsey X Hatchet), owner, Will Rose, Goldthwaite. III. Queen (Curtis Fitz X Sue), C. A. Scott, Goldthwaite. IV. Queen (Young Ray Rider X Pauline), owner, Mrs. George Reed, Lohn, Texas.

All Age Males—I. Dash (Charley X Babe), owner, Luther Jernigan, Goldthwaite. II. Joker (Cotton Eyed Joe X Ballie), owner, Dewey Smith. III. High Ball (High Tension X Trouble Branham), owner, H. A. Russell, Fifer, Texas. IV. Lum (Snipp X Flapper), owner, Luther Jernigan.

Grand Champion—D a s h (Charley X Baxe), owner, Luther Jernigan. Following Mr. Gibbs very ably made a heart-to-heart talk on true sportsmanship. One of the high points he gave: A man should be a gentleman to be a fox hunter, and his dog should be a gentleman also.

Following the evening meal, the crowd moved to the slope of the hill where, under the gleaming headlights of several cars and a few strong searchlights, 35 dogs (from a total of 84) were lined up by owners and helpers and at a given signal released. Away they streaked and were soon out of sight among the trees. After the rain it was an ideal night for hunting; the breeze was so composed that not a leaf stirred and just at this time the moon rose in all its fulness over Green mountain seemingly with more brilliance to send forth the stronger rays of light into all the loveliness before us. One could not help but think of his Creator and His creation. A few minutes later the dogs "opened up" and that music sweeter to every fox hunter's ear

31.21 INCHES RAIN IS TOTAL FOR THIS YEAR

Nearly Two And A Half Inches Fall To Date In October

Nearly two and a half inches of rain has fallen in Goldthwaite since the first of October to date. This brings the total for the year in this city to 31.21 inches, which is considered to be about an average for Mills County.

Good rains fell here last Friday night and Saturday night. The rain Friday totaled .82 of an inch, Saturday 1.27, and Sunday .35, according to the weather gauge kept by Volunteer Weather Observer Harry Allen. Reports from over the county indicate the rain was general, with from two to five inches falling during last week-end.

Following is a rain report by months for 1940 and 1940 of inches of rainfall in Goldthwaite, recorded by the government gauge kept by Observer Allen:

Month	1941	1940
January	1.57	.59
February	3.26	2.69
March	3.77	.23
April	3.75	2.94
May	4.04	3.02
June	5.25	5.20
July	2.26	.37
August	2.66	3.35
September	2.17	.79
October	2.48	1.42
November		6.18
December		3.41
Totals	31.21	30.19

The rainfall for the first ten days of October exceeded that for the whole month last year, and brought the year's total an inch above that for all last year.

THREE CARS BADLY DAMAGED IN THREE-WAY COLLISION MON.

Monday night, about 8:10 o'clock, there was a collision five or six miles north of Goldthwaite on the Comanche highway which involved two passenger cars and a cattle truck.

According to witnesses, Pvt. John C. Rogers of Houston who is stationed at Camp Bowie, undertook passing the cattle truck beyond a curve going down a steep hill. The driver failed to see the lights of an approaching car coming up the hill which was driven by Lieut. Elton E. Geeslin. As Rogers' car got even with the truck trailer, he side-swiped Geeslin's car, then hit the cab of the truck.

Fortunately nobody was injured but all three vehicles were badly damaged. The truck was driven by Mr. and Mrs. R. K. Polk from San Saba. Rogers was accompanied by four other soldiers from Camp Bowie.

and soul than any came rolling back from the hills beyond. Every dog gave of his best and little Mr. Fox was in trouble and the race was on. Before too long they were crowding him so Mr. Fox found refuge up a tree, but was soon forced out by hunters and the race was on again, and that heavenly music was ringing through the vales and hills and human voices chimed in with yells. After a bit he was treed again and was jumped out and on with the race but soon captured on the ground. Dogs were caught and returned to camp—and thus ended a perfect hunt.

Those who prepared this event saw their efforts rewarded by a big attendance and a very substantial increase in membership. MRS. C. A. MACOTT.

800 NEW CUSTOMERS TO BE SERVED WHEN LINES BUILT

The board of directors of the Hamilton County REA Co-operative have secured a rate reduction that is effective next month. The board has been assured that the contractors have their wire and materials and will rush the completion of the lines in the near future. Around 800 new customers will be added when the lines are completed.

STAR SCHOOL NEWS

REVIVE BOY SCOUTS

Dear Parents or other interested Parties:

We are planning to revive our Boy Scout work in Star, and would like for you to attend a general meeting to be held at the school building next Tuesday, Oct. 14, at 8 p. m.

G. N. Quirl, Scout Executive for the Comanche Trail Boy Scout Council from Brownwood, will be with us to explain what the Scout program is and how communities may benefit from such a program for their boys and young men.

Dr. T. C. Graves, who is district chairman for the South District of the Council, composed of Mills, San Saba and Lampasas Counties, will be present and assist with the program. Dr. Graves is from Goldthwaite, and is known by many of our citizens.

This meeting is primarily for parents; however, if boys want to come it is all right.

Trusting that it will be possible for you to attend.

Cordially yours, TOLBERT PATTERSON, Supt. Star School.

SENIOR REPORT

The Senior Class of the Star High School has been working desperately toward gaining a good record in our last year of high school.

The class met Monday, Oct. 6, in order to elect our program committee, consisting of three students. They are Laverne Day, Elory Harper, and Nelma Stephan. We also discussed our future entertainment for the coming year. The school has promised to sponsor at least two kinds of entertainment and we are looking forward to the time when all work will be laid aside, and we can enjoy ourselves once more.

The Seniors have ordered their rings and seem to be very pleased with them.

We all regret that Joe Du Puy had to withdraw.

JUNIOR REPORT

We have quite a large group in our class this year. We are

getting a good start.

The majority of us all like our teachers. We have a grand opportunity to get an education. Our new school building is just simply grand. We enjoy going to school in it.

Our class had a meeting and elected a banquet committee. The committee consists of the following:

Virgie May Soules, Ruby Nell Thompson, V. C. Adams, and T. L. Adams.

SOPHOMORE REPORT

We have been studying short stories in English and think they are very interesting.

We have been having quite a bit of trouble with Algebra, although we are not laying it to our teacher. We hope we know more about it than we did at first.

World History is very interesting. We have two days out of each week for current events and highlights of the week. I think everyone will make a success in World History because we like our teacher.

We have several new teachers with us this year, and we all think they are grand.

FRESHMAN NEWS

We, the Freshmen of 1941-42, have started a year of what we hope is a success. We have had two class meetings since school started. At the first, we elected our class officers and at the second meeting we discussed plans for the year. Mr. Kirby is our sponsor.

Laverne Atchinson, who was in our class the first three weeks, has moved to Gatesville. We certainly do miss him.

SEVENTH GRADE

The following officers have been elected for the seventh grade: Dosa Lucas, president; Jack Hamilton, vice-president; Virginia Owens, secretary-treasurer; Sammy McCasland and Daugthy Medford, reporters. Mr. Patterson is our sponsor.

We also elected our room mothers. They are as follows: Mrs. S. M. McCasland and Mrs. J. F. Soules.

We are very proud to have M. L. Wright back in school with us after a number of days' absence. We also have back with us D. Waggoner from Brownwood. We hope he can go through the whole year with us.

Our Seventh Grade has been getting along nicely the past month.

PEP-SQUAD REPORT

Our Pep-Squad members have decided on the color and patterns of our new suits. We will have them ready for the coming game Friday between Gatesville and Star.

We regret that we didn't win our last game of football and wish we could have been there to boost for our team.

We are always behind our team whether or not we win every time. We want to encourage and boost our team so they might win.

The Pep-Squad is behind the football team 100 per cent. "FIGHT ON TIGERS."

STAR PLAYS TOLAR IN CONFERENCE GAME

In the first conference game of the season, Star Tigers met the Tolar Ramblers last Friday at Tolar. The first half went by without a score for either team. In the third quarter, Star fumbled the ball and Tolar recovered it. They made a touchdown but failed to make the extra point. The game ended with Tolar 6, Star 0.

The starting line-up for Star was as follows:

Table with 2 columns: Position Name, Weight. Includes players like Kelly, Olney, Soules, Winfred, McCasland, Elroy, Witty, Norris, Decker, W. H., Woods, W. P., Waddell, Wesley, Newton, Laymon, Ee, June, Carroll, James, Harper, Leroy.

The Tigers will meet the boys from the State Training School at Gatesville, Friday, Oct. 10, at Star. The game is scheduled for 2:30 o'clock. This is the first non-conference game.

STAR H-D CLUB

The Star Home Demonstration Club met with Mrs. Pearl Childre Thursday afternoon, Oct. 2.

The house was called to order by the president.

Each member answered roll call by The Length I Make My Sheets.

Members present were Mmes. Charlie Stephen, J. C. Cox, D. B. Thompson, Chas. Hunter, Donald Childre, L. J. Teague, Hill Wright, M. M. Lee, Artie Rickel.

After the business meeting the hostess served punch and lookies.

The club will meet with Mrs. Chas. Hunter Oct. 23.—Reporter.

GRAMMAR SCHOOL REPORT
 We are very glad that Mrs. Johns is back in school again. Last Friday, Bro. Marshall made a mighty fine talk at the morning recess. Friday afternoon Elizabeth Stockton and Binnebeth Casbeer sang a song, and afterwards they furnished a Dr. I. Q. program.

Next the eighth grades had their Junior Citizenship Club program. First a poem called "My Tooth Brush" by Irma Joyce Thompson, a talk on "Wildlife" by Burpee Qualls, and a short play.

DOWN THE GUTTER!!

Well, well, they have begun having church on Tuesday. It seems no one was present except Billie Smith, Billy Ray Armstrong, Mary Ann, Mary Elaine and Patsy. Not even a preacher. Why did Dorothy Marie call Joe Massey "the freshest boy she ever saw?"

Flash! Mr. Croft seems to have called on Maxine Spinx Saturday night. Look out, Ruth! Larry, why the sudden change in heart? We thought you and Macalee made the cutest couple!

Alta Mae seemed to be interested in a nice-looking red head Saturday night. Why, you should have introduced him to us.

Why did Mack pass through town so fast Saturday night? Could it be because he didn't want us to know he had been to San Saba?

Why did Macalee duck when she passed through town with Billy Jack Saturday night?

Why, Burnsie, that couldn't have been a boy from Tarleton that rode by you coming from San Saba, could it?

What happened to Leslie's romance of the summer? He says that he won't be seen any this winter.

Earline and Neta Faye didn't let the San Saba game get them down. Oh, no! Not with both of them with San Saba boys Saturday night!

George, which did you enjoy most—the ball game or the trip to San Saba?

Joe M., what were you and Billy Ray doing on the Brownwood highway Sunday? Those girls with you were swell lookers.

Dinky, you sure did have pep and enthusiasm at the game Friday night. But maybe it was the thrill of seeing that boy friend there.

We notice that Jackie and Curly Arnold discuss a number of interesting things in study hall. But we all know that the book in front of them is just a ruse.

Ah, now, we know why Mr. Baird likes to stay around the library. They went to the show Thursday night.

Wanda, where were the places you and Pat O. were talking about going to Friday night?

PECAN WELLS

By SARAH YEAGER

At last, after so long a time, we had a little sprinkle of rain. We got a big rain Friday and Saturday nights and it rained some in the day time, and at this very moment we are surrounded with rainy clouds and thunderclouds. The creeks all have been running at full speed, for the first time in quite a while. We are all ready for it to fair off, as the cotton has not all been picked around here, and too much rain might ruin it.

Alonzo Harris returned from Goose Creek, in Harris County, Tuesday. He was glad to get back to Mills County.

Mrs. J. T. Smith and Loran Jones went to Gorman Tuesday and Wednesday, to get glasses for themselves.

There have been several rattlesnakes killed around here for the last few weeks. At present they are all going to their dens, and there are plenty of them.

Mrs. Cordie Jones visited with Mrs. Nevada Harris Tuesday.

Ruth Brown spent Monday night with Merna Dale Tuley.

Silas Havens went back to his home at Cross Plains Tuesday after spending a few days with his brother, John.

The Busy Bee Club women met with Mrs. Oscar Hiller Wednesday afternoon. They quilted one quilt and embroidered some. Cake and ice cream were served to the members and visitors.

We extend our deepest sympathy to the Ballard and Weathers families in the loss of their sons.

Mrs. H. C. Yeager and Tobie and Marie visited with Mrs. Jim Green and Floy Christeen Tuesday.

Margaret Yeager visited school at Pecan Wells Wednesday. Bob Leach visited down there Friday.

Floyd Leach has bought a new tractor.

Mr. and Mrs. Sam Jones of Santa Anna visited with Mr. and Mrs. Oscar Hiller and family Wednesday until Thursday.

James Green spent Wednesday night with his Grandmother Green.

Mrs. John Kuykendall is confined to her bed with the flu. We hope her speedy recovery.

Henry Yeager returned home from Lubbock Saturday night.

The Busy Bee Club supper was a fine success Sunday night. There was quite a crowd there and we were glad to have the visitors. Everyone had an enjoyable time and all they could eat.

Mr. and Mrs. Oscar Hiller and family spent Sunday with Mr. and Mrs. Jim Green and family.

Josie and Loran Jones and Nella Beth Green visited in the H. C. Yeager home Sunday night.

PLEASANT PECAN VALLEY

Rains are hindering the gathering of crops some in this community, but our main hindrance is our utter inability to obtain farm laborers. This is one time when you can't hire a hand "for love or money." Women are having to go to the field and help their husband gather corn or head maize. Even those whose years should have retired both from strenuous farm labor long ago.

SENATOR CONNALLY TO SPEAK TO DIRT FARMERS' CONGRESS

AUSTIN, Oct. 8. (Spl)—Texas' Senior U. S. Senator Tom Connally, who will be in Texas about the middle of October, today was invited to be a special guest of the Dirt Farmers' Congress and to address the Farmer Stockman Banquet honoring Mr. and Mrs. Coke Stevenson, on Oct. 14, in Austin, according to an announcement by Bailey B. Ragsdale, president of the Congress. The banquet is to be held in the Texas University Union Hall at 7 p. m.

The newly-created Rice Development Commissions of the states of Arkansas, Louisiana, and Texas, and the comparatively new Texas State Soil Conservation Board will be in full attendance.

"Governor Stevenson, widely known as a 'down to earth' stockman, is the first from the ranks of agriculture to become governor in more than a quarter of a century. It is therefore fitting and proper that the agricultural producers and allied interest of this state so honor him, and Mrs. Stevenson, as charming a First Lady as has ever graced the Governor's Mansion", Ragsdale said.

Over nine hundred farm and ranch organization officials and other agricultural leaders and INCLUDING LADIES, will attend," he pointed out and added "at the rate request for reservations are coming in, it appears that all reservations will be taken within another week."

This year, more than ever, it is good to be in America. With wars raging on every side, and the prospect of war ever before us, we appreciate more fully the blessings of our land—our relative security, abundance of food rich resources, and freedom to go where we wish and to say what we think.

We have a new appreciation of the meaning of peace. Everybody finds a greater charm in a quiet summer afternoon, a tranquil landscape, a cloudless sky. And everybody now understands more truly the blessings of our form of government and our way of life.—William Reather in "Bagology."

Texans Give Oil To Great Britain

JOHN F. CAMP, San Antonio oil operator, heads the "Oil for Britain" movement by Texas producers to lift the shutdown to permit an extra day's allowable from their wells to be given to the President of the United States with the request that it be released to the people of Great Britain. The plan sponsored by Camp, when perfected and given final approval by the Texas Railroad Commission, should make available to Great Britain a million barrels or more of Texas crude. The Texas gift is to be made direct to the President who, in turn, will pass it on under the terms of the Lend-Lease Act.

The San Antonio man has already donated 5,000 barrels of regular production from his wells. In acknowledging the gift, President Roosevelt said: "This gift demonstrates that democracy in action is not a bare and meaningless phrase; it symbolizes the spirit of patriotism and unselfishness which exists throughout the country today."

ARMY RECRUITING OFFICER HAS MOVED

Sergeant William J. Hess, Army recruiting sergeant, who has been located in the Memorial Hall in Brownwood for the past year, has announced that due to official orders the Army recruiting station has been moved to the Comanche County Court House in Comanche, Texas. Any young men who are interested in enlisting or in receiving any information in regards to enlistment are requested to drop a card addressed to the Army Recruiting Station, Comanche, Texas, or call in person at the court house building, Comanche.

Young men who wish to enlist at the present time can have their choice of the following branches of the service: Air Corps, Jefferson Barracks, Mo.; Air Corps, Biloxi, Miss.; Air Corps, Sheppard Field, Texas; Field Artillery, Hawaiian Department; Infantry, Philippine Department; Regular Army unassigned; Panama Canal Department, and Puerto Rican Department.

Latest enlistments include: Malcolm R. Carson, Dallas, assigned to the Air Corps, Sheppard Field, Texas, and Robert J. Hall of Dublin, assigned to the Air Corps at Sheppard Field, Texas.

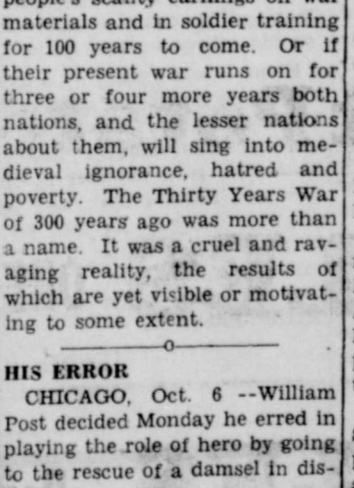

STATE PRESS COMMENTS ON EAGLE EDITORIAL

Undersecretary of War in Goldthwaite Eagle: You will hear a lot of crabbings about the Army, by soldiers and by civilians. You wouldn't hear that in Berlin or Rome or Tokyo. It is the American soldier's privilege, almost his duty, to crab. You and I know that from our own experience. We remember, too, that it was sometimes the man who crabbled the hardest on Tuesday who was the first over the top at dawn on Wednesday.

The Undersecretary's name is Patterson, but he is not the Billy Patterson who was mysteriously stricken by an unknown assailant. As for grousing in the Army, there is some of that sort of thing outside the Army. Probably there never were two armies which contained as many grouchers and as hearty as were the Federal and Confederate Armies in our four years of civil war. They were at liberty to complain, criticize and croak, which they did in plenty, but when it came time to fight, to charge, to die they fought and charged and died. They fought the biggest war ever fought with gunpowder up to that time. This fact is generally forgotten or unknown, but it remains true. The present wars in Europe, like the older wars reaching back to the first settlements on that continent, are as savage and meaningless as the others were. The two most powerful nations on that continent today will never be friends again. They will always be suspicious of one another. They will spend the people's scanty earnings on war materials and in soldier training for 100 years to come. Or if their present war runs on for three or four more years both nations, and the lesser nations about them, will sink into medieval ignorance, hatred and poverty. The Thirty Years War of 300 years ago was more than a name. It was a cruel and ravaging reality, the results of which are yet visible or motivating to some extent.

Mr. and Mrs. Phil H. Ford and family have moved to Austin. They came through Goldthwaite last Thursday afternoon. His niece, Miss Sarah Dell Scott who has been visiting in Abilene for a week, returned home. The Phil Ford family visited with his parents, Mr. and Mrs. C. H. Ford.

JOHN F. CAMP, San Antonio oil operator, heads the "Oil for Britain" movement by Texas producers to lift the shutdown to permit an extra day's allowable from their wells to be given to the President of the United States with the request that it be released to the people of Great Britain. The plan sponsored by Camp, when perfected and given final approval by the Texas Railroad Commission, should make available to Great Britain a million barrels or more of Texas crude. The Texas gift is to be made direct to the President who, in turn, will pass it on under the terms of the Lend-Lease Act.

The San Antonio man has already donated 5,000 barrels of regular production from his wells. In acknowledging the gift, President Roosevelt said: "This gift demonstrates that democracy in action is not a bare and meaningless phrase; it symbolizes the spirit of patriotism and unselfishness which exists throughout the country today."

MARY HAD ONE LAMB; A SOLDIER NEEDS 26

Mary had one little lamb, but each soldier in the United States Army has to have 26 sheep to provide wool for his clothing for his first year of service.

Each enlisted man receives the equivalent of approximately 199 pounds of wool, as it comes from the sheep's back. According to statistics compiled by the Quartermaster Corps it takes the wool output of 10 sheep to provide the soldier with clothing in the beginning of his military service and six more to maintain proper clothing stocks. Another 10 sheep are required to provide the wool for the maintenance of clothing issued to the soldier.

These needs make the Army one of the largest consumers of wool products.

HORSES STILL IN ARMY, KEEP HARNESS SHOP BUSY

Even in this day of mechanization one of the busiest places in the organization of the Quartermaster Corps is the harness shop operated by the Quartermaster supply officer for the San Francisco General Depot at Fort Mason, Calif. The harness shop does a great amount of work at little cost. During a typical month this year it conditioned 1,792 halters, feed bags, saddles, straps, stirrups and miscellaneous items.

OFFICER IMPERSONATORS GET SEVERE PENALTIES

Recently there have come to the attention of Army officials in the Second Corps Area cases of individuals who have impersonated army officers for the purpose of cashing bad checks or for other improper reasons.

For the benefit of the public, the War Department explained that all Army officers are required to carry proper identification cards furnished by the adjutant general of the army. Impersonating a federal officer, it was further explained, is an offense liable to trial by a United States court, with a severe punishment.

3,110 HORSES, 140 MULES TO JOIN ARMY BY DECEMBER

During the next three months 3,110 horses and 140 mules will join the Army.

The procurement program, expected to cost about \$533,850, is under the direction of the Remount Service of the Quartermaster Corps. According to standard prices to be paid during the next year, a maximum of \$100 is allowed for light riding horses. Horses in all other classes will average approximately \$165, while mules will average \$175.

All animals must be gentle, well broken and in good physical condition and be good movers at the walk, trot and gallop. Animals purchased by the Remount Service are conditioned and trained for future use in the Cavalry and Field Artillery units.

Each is examined by an Army Corps officer before being purchased. The procurement program will begin October 1 and will be completed not later than December 15.

NEW ARMY DEVICE CHANGES FLAT TIRES IN A JIFFY

An effective device made of readily available odds and ends has been developed at the Army's Holabird Quartermaster Depot, Baltimore, making it possible to change automobile tires in a jiffy.

Conceived by Major C. Ellford Smith, the device consists of a piece of chain, four wood blocks, a couple of metal rods, two hooks, a spare piece of scrap iron and an ordinary jack.

Flat tires are placed flat on the wooden blocks. The trick is done by cranking up the jack so that the chain pulls the rim up from the bottom while the metal bars, pressing on the four blocks, push the casing down off the rim. The rim springs free. The casing can be pushed off by turning the tire over and repeating the process.

CHRIST OUR SAVIOUR

LESSON TEXT—Matthew 20:25-28; Luke 19:1-10.

GOLDEN TEXT—For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.—John 3:16.

"I believe in God, the Father Almighty, ... and in Jesus Christ His only Son, our Lord. ... I believe in the Holy Ghost." How often we have solemnly repeated these words in the Apostles' Creed, and how appropriate it is that our present three month series of lessons on great Christian teachings should begin last Sunday with a study of God, the Creator and heavenly Father, and continue today with Christ the Saviour, and present next Sunday the Holy Spirit, the Comforter.

These are profound Christian truths, but at the same time they are so simple as to be grasped by the youngest child. Today we have the great privilege of presenting in four classes our Saviour, the Lord Jesus Christ. He was

I. The Self-Denying Servant (Matt. 20:25-28).

Scripture clearly teaches that God's standards are not the same as the world's standards, and that His methods of operation are just the opposite of those of the world. All too often Christians and churches imitate the world both in principle and practice, with disastrous results. Consider

1. The False Greatness of the World (v. 25). "Rulers"—"greatness"—"exercise authority"—how altogether up-to-date these words sound. They are the big and swelling words of the small hearts and minds which rule after the manner of this world. They epitomize the ambitions of the great majority of mankind, but they are definitely non-Christian. We see that as we go on to consider

2. The Humility of True Greatness (vv. 26, 27). Service in the spirit of humility and self-sacrifice—this is the standard of Christ. Yes, and it is His command to His followers. To be great for Christ one must become the servant of others. This teaching appears all through Scripture (for example, see Luke 4:11; John 13:13-17; I Pet. 5:2-6).

How often service in the church is rendered in a spirit of pride, self-glory, and for the commendation and reward of men. When that reward is not forthcoming or some real humbling sacrifice is required, the work is not desired or the worker becomes offended. Here is one of the roots of trouble in the church. Let us put it away as we look upon

3. Christ our Example (v. 28). He paid the price of our redemption, going to the death of Calvary for us. From the highest glory which He had with the Father (John 17:5), He graciously stooped to deepest ignominy as He became sin for us (II Cor. 5:21). Throughout both His life and His death He perfectly represented that self-denying, self-humbling service which He expects of His followers.

II. The Seeking Saviour (Luke 19:1-10).

There is much that is precious and beautiful to be said about our Lord, but perhaps nothing which brings Him so close to needy humanity as the fact that He had "come to seek and to save that which was lost" (v. 10). He was

1. Ever Interested in Sinners (vv. 1-7). Jesus was on this occasion coming up to Jerusalem for the last time. The cross was ahead. He was much taken up with His coming death and greatly straitened in spirit (see Mark 10:32 and Luke 12:50). He was passing through the great and wicked city of Jericho, yet in the midst of His deep sorrow and out of the vast multitude of that city He reached out to touch one sinner.

Zacchaeus was a man despised for his calling of tax collector, and hated for his dishonesty. He was an outcast from his own people and a stranger to God's grace, but Jesus was interested in him. Are we ready thus to go to seek and save the lost? Are we better (or busier) than our Lord?

2. Always Able to Save Sinners (vv. 8-10). Zacchaeus was a rich man, but he was a sinner. It is not easy for a rich man to be saved, but it can be done (see Matt. 19:23-26). Read the preceding verses of that chapter (vv. 16-22) and you will learn of another rich man who was not saved, the rich young ruler. He was a far better man than Zacchaeus—honest, upright, honored in his community. Now was it that the wicked and despised rich man was saved and the good and respected rich man was lost?

The answer is that the former admitted that he was a sinner and thus made it possible for Christ to save him, while the latter loved himself and his gold more than Christ and shut the door against His redeeming love.

HANNA VALLEY

By JEWEL JONES

We are having plenty of rain in this part. It's bad on cotton farmers and those who have late feed in the fields.

Mrs. S. M. Jones, Mrs. Edgar Jones, Mr. and Mrs. J. M. Jones visited in the D. B. Lindsey home last Thursday.

Aunt Mattie Vernon, sister of J. M. Jones, has returned home in Fort Worth, after a short visit here. Her health was getting so bad she had to return before she wanted to. We hope for her a speedy recovery and that she can come and visit us next spring.

Edgar Jones and wife went to Goldthwaite on business Monday of last week.

Little Miss Barba Joe Fry of Elkins visited her grandad, Ben Egger, over the week-end.

Mr. and Mrs. Alton Jones spent Sunday in the home of Jack Whitley and family of Spring Creek.

Miss Ida Mae Skelton of San Angelo visited a few minutes Sunday in Alton Jones' home.

On account of bad health, Alton Jones had to give up his bus job.

Otto Singleton of Pecan Valley took the job over. We hope him best of luck.

Andy Rowlett has his cotton all out. He had good cotton, making an average of one-half bale per acre.

His brother, Butch, has good cotton also. These two young men are real farmers. They know how to work—and get paid for it.

Mrs. J. M. Jones has been on the sick list. She is under treatment of a doctor.

George Goins visited Alton Jones Sunday morning.

H. L. and Ben Egger trucked a nice calf to Brownwood Monday. Ben Egger is improving some. He is taking treatment in Brownwood. We hope he keeps improving.

Mrs. C. N. Berry of Pleasant Grove spent last Saturday with her sister, Mrs. W. C. Frazier.

LONG COVE—

By MRS. L. M. CONRADT

We had about five inches of rain here Friday, Friday night and Saturday morning. I think we have enough to do us for a while.

Mrs. Dee Pierce and Joyce of San Saba spent one day last week with Mr. and Mrs. J. E. Conradt.

Mr. and Mrs. Charles Conradt and Addie Jo of Big Valley spent the week-end with Mr. and Mrs. Fred Conradt.

Mrs. J. W. Cornelius spent last week with her daughter, Mrs. Albert Conradt.

Eck Madison and Nettie Parker of Evant spent last Monday with her sister, Mrs. Fred Conradt, and family.

Mrs. Emily Shoemaker is spending a few days with Mr. and Mrs. Albert Conradt.

Louis Conradt spent a few days with his father and mother last week. Louis is slowly improving and we hope he will soon be out again.

A number of Mrs. Tom Conradt's folks from Houston are visiting in the Tom Conradt home over the week-end.

Every one remember that the third Sunday is church day here in the Cove. Come and be with us Saturday night and Sunday and everyone come to Sunday school and B.T.U. every Sunday. We need you.

Enoch Godwin made a trip to Goldthwaite to see the doctor and we have just got word that

he isn't doing so well. Mr. and Mrs. Harvey Boyd and children took Sunday dinner with Mr. Malone and Miss Mable.

Enoch Godwin, Ferris Gadbury, Jenette Boatright and Smitty Godwin made a business trip to Lampasas last Saturday.

The B.T.U. had a wiener roast in Godwin's pasture Saturday night. Due to the bad weather there wasn't many there. Those who attended were Mr. and Mrs. J. O. Hood and son, Mr. and Mrs. Ferris Gadbury and daughters, Mr. and Mrs. Sonny Madison, J. A. Roberts, Smitty and May Dell Godwin, and Jenette Boatright.

J. A. Roberts spent Friday night with Jerry Crews in Lometa.

Mr. and Mrs. O. R. Ervin of Ranger visited with his sisters, Misses Abbie and Ruth Ervin, last Sunday.

JOBS FOR TOMORROW

The chemical laboratories of the petroleum industry are now laying the foundation for industries of the future.

Out of their research are being created new products and more efficient ways of making old ones. Synthetic rubber, plastics, explosives, basic chemicals and scores of other essentials developed in petroleum laboratories are already being made on a commercial scale.

These scientific discoveries of materials vital to peace-time needs, as well as National defense, are opening up new fields of industrial activity.

Texas as the leading oil State is playing an important part in the creation of these new American enterprises. As a result, many young Texans now preparing themselves in our schools and colleges will find places in the industries resulting from this research.

The test tubes of today make the jobs of tomorrow.

CHURCHES

FIRST BAPTIST CHURCH

E. E. DAWSON, Pastor

Blessed is the home in which the children can hear their father pray.

You can't make a success of raising your children by remote control.

Character is all that a man ever has that is able to survive the grave.

Your attitude toward life counts more than your ancestry.

No man can choose his ancestors, but he must take responsibility for his descendants.

It means more to a town to have a man of God come in than to have a factory move in.

The first business of a town is to provide a good place for children to grow up.

The man who gets all the benefits of his home town and assumes none of its responsibilities is accepting charity.

A man is known by what he is loyal to. You might wave the flag of your country and not be noticed. What a good American wants to know is: What are your loyalties? Do you find time and money to put into the church of God? You admit that the church of God has brought you every good thing. Directly or indirectly, that is true, is it not? Well, what are your loyalties? Oh yes, you ARE responsible for the great CAUSES that make secure your freedom. You are an American— But wait a minute: What are you LOYAL to?

FIRST METHODIST CHURCH

Morning Worship, 10:50.

Pastor will preach Sunday morning. Dr. Harold G. Cooke will preach at the evening hour, after which he will hold a fourth quarterly conference. We urge the presence of our members and friends for the Sunday services.

W. H. MARSHALL, Pastor.

FUNDAMENTALIST BAPTIST CHURCH

BEDFORD F. RENFRO, Pastor

The pastor will be away over the week-end, but there will be services at the usual hours. Bro. Bert Weathers will preach at all services. We encourage the presence and support of the church and public to make these services the best.

Bro. Renfro and Bro. J. C. Weathers left Wednesday for Fort Worth, where they will attend the annual Bible School and Fellowship meeting of the First Baptist Church.

CALL FOR FLOWERS AT BOWIE HOSPITAL

There is an urgent call for flowers for the hospital at Camp Bowie. Bring cut flowers to the Melba Theatre Friday afternoon or to Fairman Company store.

Everyone is requested to save all kinds of flower and vegetable seeds for defense plantings. Chairman Flower Committee.

CHURCH OF CHRIST HAS NEW PASTOR

Brother Boyd Denmon, who recently lived at Goldthwaite, has moved into the John Nance home. Bro. Denmon is laboring with the Churches of Christ at Thornton and Groesbeck, preaching two Sundays at each place.

He will preach here the second and fourth Sundays in October. Come and hear him. Thornton Hustler.

EWOL WILSON AND WIFE VISIT OLD HOME TOWN

Mr. and Mrs. Ewol E. (Jack) Wilson came in from Brownsville Wednesday for a short visit with his sister, Mrs. Annie Armstrong, and brother, Charley T. Wilson. They left Thursday afternoon for Mineral Wells and Dallas on a business trip.

Mr. and Mrs. Wilson and two sons, Jackie and Bubby, are contemplating spending this winter in Goldthwaite.

HILL TOP GROCERY SOLD

Carl Bledsoe and Allen Ross have purchased the Hill Top Grocery Store from W. W. (Bill) Fox, and took charge last Wednesday morning.

These men are well known in Mills County, having been residents of the county most of their lives.

Mr. Ross is an experienced groceryman, having worked in a number of grocery stores in Goldthwaite. Mr. Bledsoe is a former sheriff and tax collector of Mills County, and has been active in other businesses in Goldthwaite.

They invite all their friends to visit them at the "Hill Top," and promise to give the same courteous service.

INDUSTRY BENEFITS THROUGH NYA WORK EXPERIENCE PROGRAM

William Adams of Scranton, Texas, and 11 other boys, who received work experience at the National Youth Administration's Boys' Resident Center at Ranger, are now employed by the North American Aviation Company at Grand Prairie.

During the month of September, 88 boys and girls, assigned to NYA projects in Area 8, which embraces 10 counties in this immediate vicinity, secured private and public employment as a result of work experience and training gained through the National Youth Administration, the State Department of Vocational Education, and the Independent School Districts. Texas State Employment Service assisted in placing youths in various positions with firms doing

defense work. Four boys were placed in the Lufkin Foundry and Machine Company at Lufkin, Texas; six with the U. S. Maritime Commission at Boston, Mass., and 21 received employment at Army Posts and Army Air Fields, of which five accepted Civil Service appointments at Camp Bowie and five are employed as cooks at Camp Wolters.

The young men and women are receiving salaries ranging from \$40 to \$130 per month.

Tom F. Ireland, NYA Counselor, will be in Mrs. Myrtle Forehand's office in Goldthwaite between 10:30 and 12 a. m. on Tuesday, Oct. 14, to take applications for those who are interested in NYA work.

Mrs. Walters Hester and little son, Richard, left for Cameron Tuesday. They had been guests of homefolks here.

Mrs. S. C. Gilbert from Uvalde spent part of last week with Mrs. Cass. Rudd.

JIM WEATHERS

Jim Weathers, son of Mr. and Mrs. S. T. Weathers of Goldthwaite, died in a Brownwood hospital about 11 o'clock last Friday morning, death resulting from injuries received in an automobile accident near Goldthwaite on the San Saba Highway last Wednesday morning, in which George Ballard was instantly killed.

Funeral services were conducted at the home of his parents at 3 o'clock last Saturday afternoon by C. W. Hoover, minister of the Church of Christ. Burial was in the Odd Fellows Cemetery.

Mr. Weathers is survived by his parents, Mr. and Mrs. Steve T. Weathers; three sisters, Mrs. Walter Reeves, Mrs. Don Renfro and Mrs. Avis Renfro of Rock Springs; and other relatives.

Miss Cassy Potter, who spent a few days last week with her parents, Mr. and Mrs. John Potter, left Sunday for her home at Houston.

7-D Ranch Roundup
To start our news this week our thoughts go back to the past week of that awful tragedy of the loss of two of our fine young men. How our heart goes out in sympathy to their loved ones. How we would love to be of some comfort to them. May God bless them all.

Our news is a little short this week. So much rain not much business going on.

Mrs. D. Hibbs is still visiting her daughter in Brownwood as her little grandson has been too ill for her to leave.

M. L. Jernigan and Hawley worked with his cattle in San Saba County this week-end.

R. L. Roberts returned home after being gone to the western country for about three weeks.

Mrs. Jernigan and Janet went to church at Goldthwaite Sunday and took lunch with her son Forrest and spent the afternoon visiting others of the family.

Clifton Dellis and son have been breaking land for Luther Jernigan.

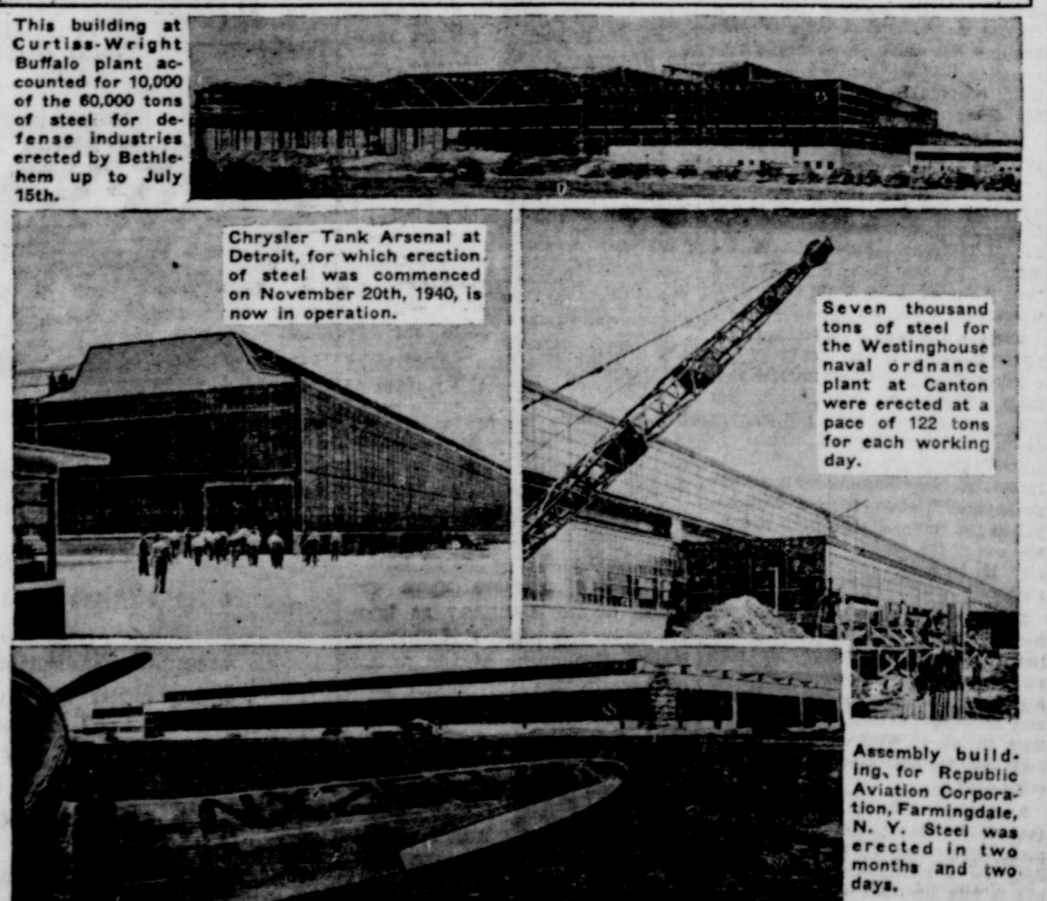

Yesterday was a fine day all who attended the hunters' picnic down Burnham's place. The large crowd and plenty of supper. I am sorry not advertised a little. Now if you want to get and enjoy a real old-time don't miss it again. My gan killed one of the beefs and cooked it on fire.

Janet Jernigan is on list this week.

Defense Steel Erected in Half of Normal Time

This building at Curtiss-Wright Buffalo plant accounted for 10,000 of the 60,000 tons of steel for defense industries erected by Bethlehem up to July 15th.

Chrysler Tank Arsenal at Detroit, for which erection of steel was commenced on November 20th, 1940, is now in operation.

Seven thousand tons of steel for the Westinghouse naval ordnance plant at Canton were erected at a pace of 122 tons for each working day.

Assembly building, for Republic Aviation Corporation, Farmingdale, N. Y. Steel was erected in two months and two days.

STEEL framework comes first when a modern factory building is born. Industrial construction for national defense is now being accomplished in some instances in half as much time as under normal conditions. It is indicated in a report made public by Bethlehem Steel Company's Division of Fabricated Steel Construction.

The report reveals that up to July 15th this company alone completed the erection of 60,000 tons of steel construction for defense manufacturing industries. Steel that might normally have been erected in 18 months was erected in nine months.

A single group of buildings for long-range bombers covered 1,356,000 square feet, enough area for 27 full-sized baseball fields. A naval gun plant calling for 7,000 tons of steel construction was erected in 60 working days. The average elapsed time, including holidays and Sundays required to complete each one of more than twenty major defense industry projects was 66 days. The longest time required on any one job was 122 calendar days, and the shortest time 12 days.

The steel is up, the report indicates, and in some cases has since been roofed over and is now in production, for new units for the Douglas bomber factory at Long Beach, Calif., for the Westinghouse naval gun factory at Canton, for new buildings for the Curtiss-Wright airplane factory at Buffalo, for an armor plate machine shop for the Midvale Steel Company, the Chrysler Tank Arsenal and a submarine-runway for the Electric Boat Company of New London.
