WPA TO START COLLECTION OF SCRAP RUBBER AND METAL

Waco, July 1.—Collection of scrap metals and rubber from rural areas will be started in Mills County within the next few days by the Work Projects Administration, it was announced this week by W. H. Beazley, district manager.
WPA trucks and labor will be utilized to assemble scrap for shipping to points where it can be fed into America's war production machines. Farmers may donate or sell scrap to the WPA collectors, Beazley explained. The government will pay 25 cents per hundred pounds for any kind of scrap metal and half a cent a pound for rubber.
Nine hundred and 59 cards are being mailed to Mills County farmers on which they may reply to a letter which has been mailed over the signature of WPA Chief Donald M. Nelson, inquiring what amount of iron and steel and other metals and scrap rubber can be collected from their farms. The cards, advising approximate amount of materials available and whether or not equipment will be necessary to move it, may be returned postage-free to WPA.
Beazley expressed the hope that each farmer will be able to assemble his scrap metal and rubber at some convenient point near the road where WPA crews may pick it up easily.
WPA laborers will assemble the collected metal at convenient railway shipping points in the county, where it will be auctioned to the highest bidder. After that it must be shipped to war factories and mills within 60 days.
"If farmers donate their scrap," Beazley said, "all money from its sale goes to the government. If he sells the scrap, he is paid in War Stamps or government checks, whichever he prefers."

OPA ADMINISTRATOR TIGHTENING UP ON TIRE PURCHASES

Fort Worth, July 1.—State and county officials whose duties make them eligible to apply for tire purchase or recapping certificates were reminded today by Mark McGee, Texas OPA administrator, that they become ineligible if their tires are used for non-official purposes.
"Reports are coming to this office from many sections of the state that the cars of sheriffs, deputies, constables, and other eligible cars have been seen at political rallies, loaded with passengers who obviously were not on official business," Mr. McGee said.
"Under a strict and patriotic interpretation of tire rationing rules, we must ask for the cooperation of all such public officials, and request them not to take advantage of public office and official eligibility for tires by using those tires for such a purpose."
Mr. McGee already has appealed to political candidates in the five most heavily populated counties of Texas to forego political rallies this year, in order to conserve tires. In at least three of those counties—Tarrant, Dallas, and Travis Counties—the candidates have agreed.
URGED TO RESIGN
Fort Worth, July 1.—Members and employees of county War Price and Rationing Boards who are engaged or plan to enter state or county political races will be asked to resign from the boards, Mark McGee, Texas OPA director, announced today.
"We in OPA appreciate the fine service these gentlemen have been giving, taking time from their personal business," he said, "but at the same time, it is important that no tinge of political flavor, of whatever faction, be given to the work of these war price and rationing boards."
"For that reason, we ask board members and board employees to take one or two alternatives: Either give up politics, for the duration of their wartime service on these boards; or resign membership on a board, if a man feels his first duty is to

INVEST IN FREEDOM—BUY MORE WAR BONDS

We must all invest more of our funds in War Bonds and Stamps.
We are behind in our buying for June—We must buy more before the end of the month.
In the last thirteen months Mills County people have spent more than ONE HUNDRED EIGHTY THOUSAND DOLLARS for War Bonds and Stamps. We must continue to buy them—as much as we can—and as often as we can.
The above amount would be nearly enough to buy four pursuit planes. Let's buy them some ammunition NOW! We must buy at least \$6,000 more before the end of June. It's easy to save with safety—the bond way.
GROVER DALTON, County Chairman.

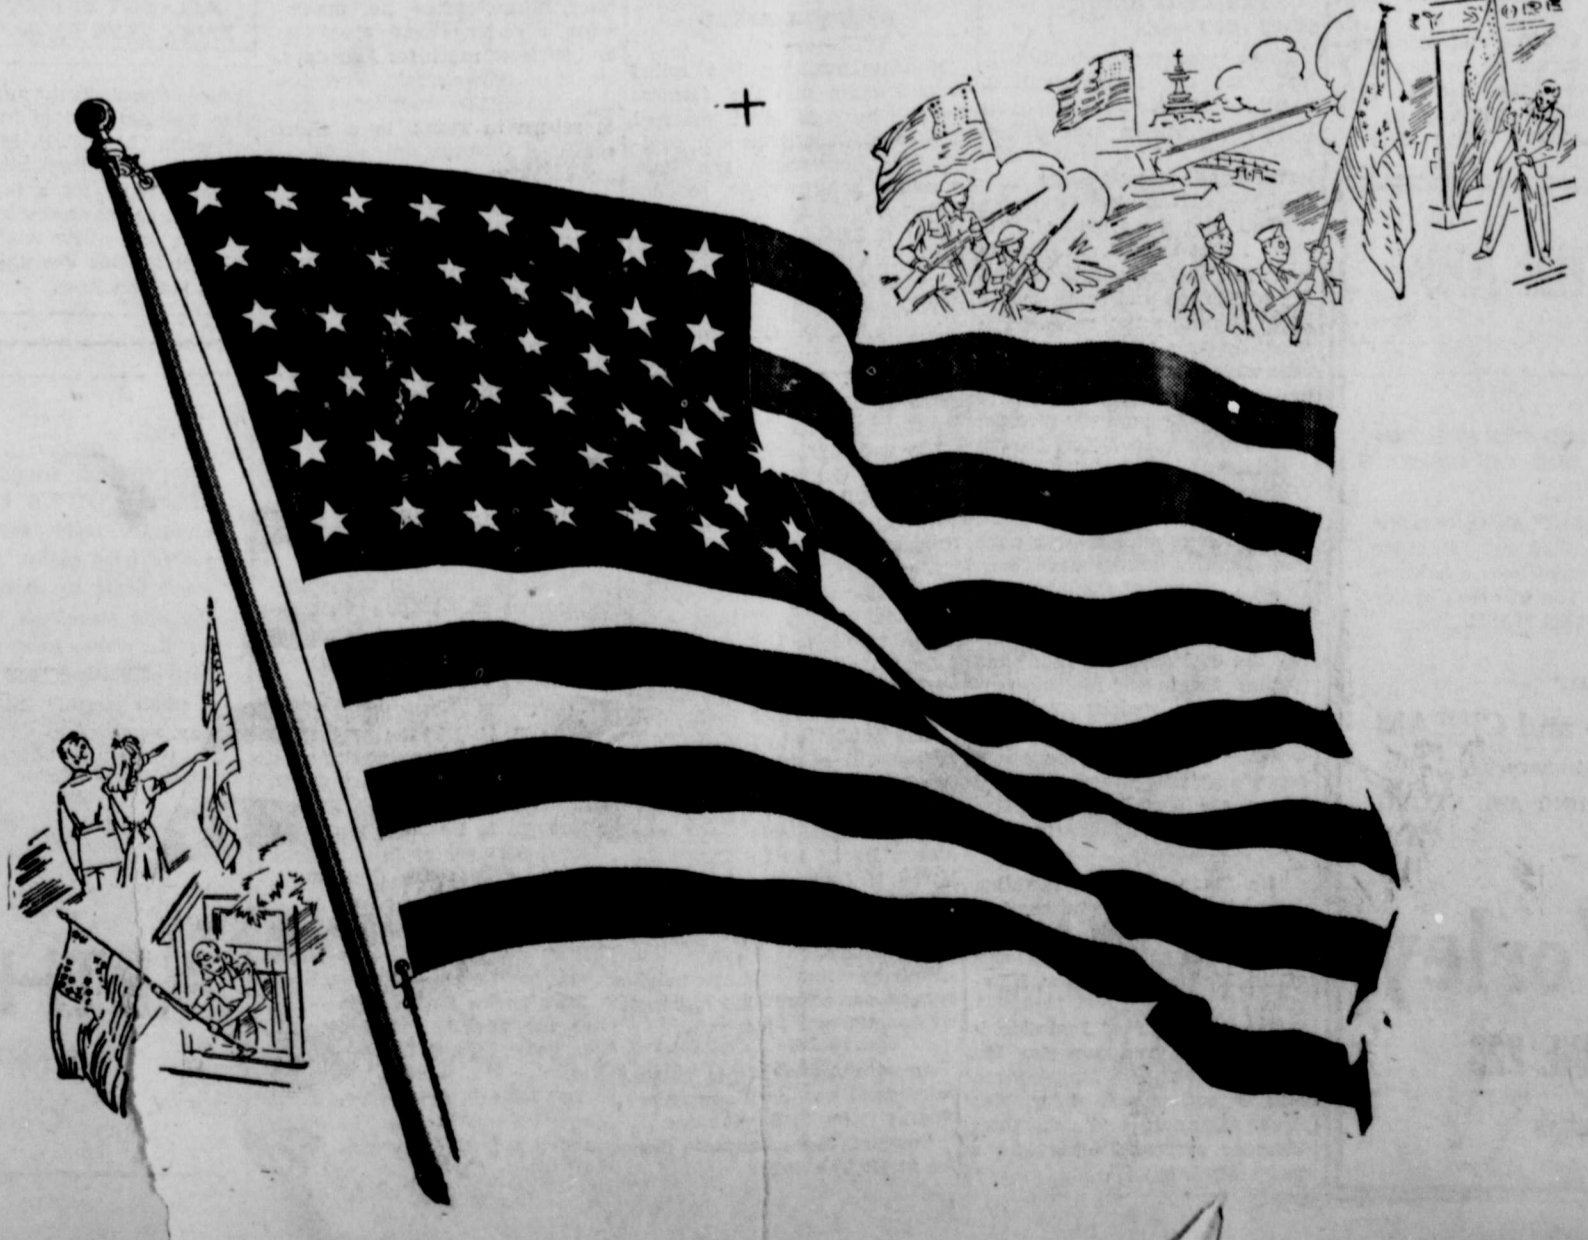

PLANS FOR NEXT RED CROSS WAR FUND AND ROLL CALL MADE

The month of March, 1943, has been officially designated—with the approval of President Roosevelt—as the period for the next membership and fund-raising appeal of the American Red Cross, Brian Smith, chairman of the Mills County Chapter, announced Thursday upon advice from Norman H. Davis, national chairman.
"I have been advised by Mr. Davis," Chairman Smith states, "that the decision means the American Red Cross will not conduct a membership roll this November and instead will hold a combined appeal for membership with the pressure of war-time needs next March."
"The decision also means," Chairman Smith says, "that the Red Cross will make its war fund and membership appeals directly and separately to the people and that it will not participate in any joint fund-raising effort." Copies of correspondence between Mr. Davis and the President, in which the basis for this decision is outlined, have been received by the local chapter. In it President Roosevelt has written:
"I fully agree that the Red Cross should make its war fund and membership appeals directly and separately to the people and should not participate in any joint fund-raising efforts. With the ressure of war-time work, I feel the Red Cross has made a wise decision to combine the Roll Call with its next War Fund appeal. This will not only be a distinct saving in effort and manpower but will make possible a proper spacing of the other major appeals."
"The nation can look forward to the month of March, 1943, as Red Cross month. The character of the Red Cross and its responsibilities under international treaty, and its congressional charter, are such that the national interests will best be served if the Red Cross maintains direct contact with the people for membership and support necessary for its work at home and abroad."
This recent pronouncement from President Roosevelt is in response to a letter from Mr. Davis in which it was pointed out that the Red Cross is now being asked to reconsider the matter of participation in combined campaigns.
President Roosevelt expressed himself as concurring in the stand of the Red Cross as presented to him by Mr. Davis in which the national chairman said:
"We are convinced that the Red Cross cannot be considered as a local agency in view of the national and international scope of its work. Neither can it be regarded as a wartime agency alone, as it will continue to serve long after the war. Certainly it should not become merged in special fund raising plans which are created only for the war period and which will include, as to numbers, only a small proportion of the communities in which there are Red Cross chapters and branches. The Red Cross cannot conduct several different types of campaigns at various times and then have an effective national effort for the rest of the country. In the light of all our experience, and particularly our experience in the War Fund appeal just concluded, the Red Cross is convinced that it would be unwise to merge its membership and war-fund raising appeals with those of any other organizations."

Birthday Celebration

On last Sunday a jolly party of homefolks and out-of-town guests gathered at the Darroch cabin at Lake Merritt to celebrate the recent birthdays of Edward Eugene Palmer and Lawrence Morrison Stokes, with an excellent dinner. First services were held at the Methodist Church by Lawrence Stokes and attending the service were his relatives from Lampasas, Mrs. M. Y. Stokes, Chas. E. Stokes and son, Charles, Jr., and Mrs. Tom Rather, daughter of Mrs. Stokes; also Major M. Y. Stokes and son, Melmoth Young, of Dallas.

After the service all repaired to the lake where Mr. and Mrs. Joe Palmer had gone on ahead, and greeted the guests most graciously. The tables in the form of a T were laden with all the good things to make up a delicious dinner.

Among the honored guests were Miss Eugenia Palmer of Bangs, who is a senior at Southwestern, and Miss Eloise Oquin of Dallas.

Picnic Supper

In honor of Evangelist R. L. Flowers and Mrs. Flowers, who have located in Goldthwaite, and W. C. Barnett and bride Mrs. Barnett, also Mr. and Mrs. R. M. Included with the guests were three sisters of Mrs. Flowers and a nephew, all from Dallas.

THE PHILOSOPHY OF JESUS

Many an individual, while professing that Jesus presented a great and perfect ideal of life, has yet concluded that it is impractical when applied to conditions as the world finds them. Many have been loud in proclaiming that a philosophy based upon the denial of self-interest, altruistic in every detail, is fitted only for a state of society in which there is no evil purpose or desire. You know and I know that the unregenerate world takes as its axiom, "Self-preservation is the first law of nature." But put this into practice and you find that this presupposes an environment of enmity, and results in the business of life being made to build up self even at the expense of others.

The history of mankind is written in conquest and aggression. But the philosophy of life, as proclaimed by Jesus, is directly the opposite. Listen friend, Jesus presents not only a rule for living but also a cure for the chaos into which the false philosophy of selfishness has plunged humanity. The words of Jesus fall strangely upon the ears of men and women who acquaint not themselves with the Christ of Cavalry. They say impossible when He commands: "Overcome evil with good"; "Resist not evil"; "Love your enemies"; "Do good to them that hate you"; "Give to everyone that asketh of thee"; "If any man will sue thee at the law and take away thy coat, let him have thy cloak also"; "Whosoever shall smite thee on the right cheek, turn to him the other." I've heard many argue, "But such a course would invite attack and ruin." Yes, possibly so, but for one thing—the command of God and His promise. After all this way for man to peace was pointed out by none other than God in Jesus.

What has organized selfishness brought to the world? These past years of taxation for armaments for "self-protection" has brought the world to bankruptcy and, in the minds of thoughtful statesmen, threatened the very existence of civilization. This present terrible war is proof enough to any honest person seeking truth that the philosophy of the world is an admitted failure. Why not try the philosophy of Jesus? All nations admit the blessings of disarmament, but each has feared to take the first step until at last the results are being shown in large headlines on the front page of every paper. Now it is seemingly impossible for any nation to put into practice the law of love; to proclaim the justice of Jehovah as its defense, rather than trust in instruments of murder. Would any nation dare Nevertheless, individuals have thus followed Christlike-ness to their own peace and joy. Could nations do it, Jesus will answer that one, and soon.

Rev. and Mrs. B. A. Myers and Mrs. H. B. Myers returned Monday evening from a two weeks' visit with relatives at Amarillo, Sweetwater and Prescott, Ariz.

They were accompanied home by Mrs. Ernest Wilson, Mrs. Pat Cloce of San Angelo, and Mrs. C. T. Wilson, who spent the week-end in Corpus Christi.

Mrs. Emma Oltrogge and Mrs. Bill Fox's sisters, Mrs. Joe Taff of Cleburne, and Mrs. Bahel and daughter Aneda of Galveston left last Wednesday for Sutton County to visit relatives. Miss Velma Fox accompanied them.

BILLY SMITH WRITES OF HIS SAFE ARRIVAL IN INDIA; MECHANIC IN AIR FORCE

Dear Aunt Addie and Uncle Hammond:

How are you? I am fine; hope this finds you the same. Don't worry about me. I am o. k. I am now in India. I had a fine boat ride—two months on the boat. We stopped at Capetown, Africa, and Port Elizabeth, Africa.

Capetown is a beautiful place. India is a strange place. The cows are sacred; you can't hit one of them or bother them in any way. I can't write much, but I can let you know I am o. k., so don't worry about me at all. Is Bob still at home, and did John Little join the Marines?

I expect everything is high at home now. I would like to see everybody at home. Maybe the war won't last much longer. Tell Mary Ed and Barton I will write to them later. I guess I had better close my letter—will try to write more next time.

Write me all the news. Love to
