## NEW RE-CLAIMED RUBBER TIRES READY FOR DISTRIBUTION NOV. 22

Under the new regulations which are part of the government's rubber conservation program, dealers may now increase their stocks of passenger car tires so as to be ready to make consumer sales when the new mileage rationing program becomes effective November 22. A. T. Pribble, chairman of the Mills County War Price and Rationing Board, announced today.

Dealers may acquire stocks of new tires made of reclaimed rubber as well as recapped and used tires for sale to motorists who receive rationing certificates from the local War Price and Rationing Board.

"Rationing of these tires is a part of the government's plan to keep the nation's passenger cars rolling for essential mileage," Mr. Pribble said. Forms on which dealers may apply for their allotments are now available at the local Board office.

"The new tires, made of reclaimed rubber, are now in production for the rationing program," Mr. Pribble said. "Under the plan to get these Grade III tires in dealers' stocks only establishments which have filed September 30 inventory reports on OPA Form R-17 in compliance of the rationing regulations, will be eligible for allotments."

## CAMP BOWIE MEN TO GET TURKEY DINNER

Camp Bowie, Nov. 5. — When the chilly fall winds begin to blow it's time to don the overcoat and the long woolen underwear. It's also time for cider and doughnuts. It's "Turkey Time." And here's an advance. The Service Club has received contacts from homes in Brownwood and towns nearby for Thanksgiving Day turkey dinner invitations for the men at Camp Bowie.

During the past summer many Bowie men, particularly from big cities, had a real time when they were invited to visit Texas ranches. Now that it's turkey time, similar invitations will be received here at camp. These invitations will be collected by the Service Club and posted on the bulletin board there. Those men who are interested in spending

## RED CROSS TO HELP WITH ALLOWANCES SOLDIER DEPENDENTS

Washington, D. C., Nov. 3.—American Red Cross Field Directors at Army posts and local chapters will assist soldiers and their dependents to prepare the official application form under the servicemen's dependents allowance act signed by the President June 23, 1942, it was announced today.

Chapter Home Service Workers and Field Directors are being supplied by the War Department with the official forms and a booklet explaining provisions of the law.

Application for a family allowance should be made by the soldier in every case where practicable. In certain cases, however, the application may be made by relatives or dependents.

Soldiers on duty overseas may obtain application forms from their commanding officers. Relatives or dependents may obtain application from the nearest army installation or their local Red Cross Chapter.

If the application is made by a person other than the serviceman, documentary evidence must accompany the application. On the other hand, if the soldier himself makes the application he is allowed six months in which to furnish documentary proof to the War Department. Field Directors will assist soldiers, and chapters will aid dependents in furnishing this evidence.

Pending the granting of allowances to dependents of servicemen, Red Cross chapters in nearly 4,000 communities are prepared to aid families who might otherwise suffer hardship because of the soldiers' military service.

Thanksgiving Day in Brownwood, or Dallas or Waco, "chawling" on a well-turned turkey leg with lots of cranberry sauce, should keep one eye firmly fixed for the notice that will appear at the Service Club.

Those Bowie men who will stay in camp during the holiday need not envy these men at all, not at all. Here's the Thanksgiving Day menu for the Army just released from Washington:

Fruit cup, roast turkey, dressing and giblet gravy, cranberry sauce, mashed potatoes, corn, stuffed celery, peas, tomato salad, assorted pickles, bread, butter, pumpkin pie, apples, grapes, candies coffee, nuts.

## CAMP BOWIE TO STAGE IN FOREIGN SERVICE ARMISTICE PARADE

CAMP BOWIE, Nov. 5.—The people of Brownwood and nearby communities will receive a glimpse of America's armed might in an Armistice Day parade to be staged by units of the 18th Field Artillery Brigade and other VIII Corps troops stationed at Camp Bowie.

Starting at 10 a. m. next Wednesday the parade will move out of camp from the new area to State Highway 10. It will follow State Highway 10 to the Brady Highway and thence down Brady Highway to Fisk Street where it will proceed to the business district of Brownwood. The procession will turn on West Broadway to march up Center Street and then continue back to camp.

Maj. Harry Lemley, Jr., executive officer of the 18th Field Artillery Brigade, is in charge of arrangements. The brigade is commanded by Brig. Gen. Vincent Meyer.

There will be a practice parade, without music, at 2 p. m. Saturday to familiarize the men with the route.

All men, except bandmen will be armed. Uniforms will be service with blouse, helmet liner, pistol or rifle belt suspenders, canteen, first air pouch, leggings.

The 18th Field Artillery Brigade was originally organized at Camp Travis, Texas, in September, 1918, as a unit of the 18th Division of the World War. With the war coming to a close within two months, the brigade did not serve overseas and was demobilized at Camp Travis, Feb. 14, 1919.

It was re-activated on June 1, 1940, at Fort Sill, Okla., and has been in training ever since.

1ST LIEUT. T. H. McARTHUR

Mr. and Mrs. Tom McArthur have received word that their son, Lieut. T. H. McArthur, had landed safely "somewhere in foreign service." Mr. McArthur also received a cablegram from his son on his birthday.

Lieut. McArthur has been in the Air Corps since February of 1941. He received his training in California, Oregon and Washington. He was attending Daniel Baker College at the time he enlisted in the Air Corps for service with Uncle Sam.

## FROM LT. T. H. McARTHUR

Dear Folks:  
Here are a few more lines to you. Of course I can't tell you much but this is what I can. We came over by boat and are now in Ireland. There are some small villages near, but the closest town is about 8 miles away. It has about 15,000 population. We got here yesterday and are just getting settled. They issued us bicycles today and we are having lots of fun with them. We haven't done any flying yet and I don't know when we will. The English money is very confusing. They don't know the value of American money and we don't know the value of theirs. We had to go to a finance office and get all our money changed into English money. The English people are hard to understand. They don't get our slang at all. We have comfortable quarters and the feed is pretty good.  
Write soon.

## 1,571 BALES OF COTTON GINNED HERE TO OCT. 18

Luther E. Bopker, special agent for the Bureau of the Census, Department of Commerce, announces the census report shows that 1,571 bales of cotton were ginned in Mills County from the crop of 1942 prior to October 18, as compared with 679 bales for the crop of 1941.

## NOTICE TO ALL METHODISTS

Beginning next Sunday morning at 10:45, your pastor will bring a series of sermons on the general subject, "Am I a Christian?" or "What It Means to Be a Christian." We feel that these messages will be interesting to all, and especially profitable to all who are earnestly seeking the way of truth. There are some fundamental truths of life that we need to restudy, and seek to fix in our hearts. It will take several weeks to complete this series of sermons, but if you fail to hear one you will not be able to appreciate all of them as you would if you follow through and hear every message. We will bring one of these messages each Sunday morning till we finish.

Our evening services will begin hereafter at 7 o'clock instead of 8 o'clock. In these evening services we want to feature good singing by the congregation. If you like some song, come along and call for it, and we will either sing or let you. How about spending an hour with us each Sunday evening? Where did the Lord did not want them to worship God Sunday evenings in the House of God? Where, I ask again? When did people learn that their religion did not take in the responsibility to attend the evening service? It should be the purpose of every Christian to seek to make the church a success. Loyalty to the cause of Christ means loyalty to Christ. If His cause fails He fails. You cannot separate Christ from His cause, no more than you can separate the U. S. from the great cause that she is now engaged in. To say that you are loyal to Uncle Sam but will have nothing to do with this war is to speak nonsense. And we feel that it is just as much nonsense to say that we are loyal to Jesus and yet allow His cause to go by default. "He that is not with me is against me, and he that gathereth not with me scattereth abroad." Thus spoke Christ, and this we cannot throw out the window without our peril to our soul. Please, people, will you not give your pastor a chance to help you? He is willing to risk his soul on this statement, that if you will come praying with an open heart and mind, you will get good out of the service. B. A. MYERS.

## ON LUTHERAN HONOR ROLL

According to news from Seguin, Miss Ruth Hein of Priddy was among the students at Texas Lutheran College to make the scholastic honor roll for the first six weeks. According to Registrar A. G. Gustafson, only ten per cent of the student body received such honor, and Miss Hein was one of them.

## REGISTRATION FOR GAS RATIONING TO BE LAST OF NEXT WEEK

A representative from the office of Mark McGee, State Price Administrator, met with the Mills County Teachers Association and rationing officials in the district court room here last night for the purpose of working out final details for registration for gasoline and mileage rationing. The registration will be held in the schools of the county next Thursday, Friday and Saturday, Nov. 12, 13 and 14. Gas rationing will go into effect on Sunday, Nov. 22.

The following Mileage Rationing Board has been appointed to handle gasoline rationing in Mills County:

Wiley Mahan, Goldthwaite, Chairman.

C. S. Miller, Big Valley.

D. A. Hamilton, Mullin.

Price Administrator Mark McGee has also called a district meeting for all rationing officials to be held in Brownwood Hotel next Monday morning at 10 o'clock.

Mills County people will register for gasoline next Thursday, Friday and Saturday at the same school houses in which they registered for sugar. Teachers of the schools will make announcements to pupils notifying the patrons on which of the days to register.

Registration for mileage rationing in Mills County will be conducted on November 12, 13 and 14. A. T. Pribble, Chairman of the Mills County War Price and Rationing Board, announced this week, and actual rationing of gasoline will begin November 22.

Three thousand blanks have been received and can be obtained at the Rationing Board office or at filling stations over the county, so each car owner can fill out the serial number of each casing on his car, together with the serial number and engine number of the car. This blank should be taken to the schoolhouse for the gasoline registration.

Mr. Pribble said each motorist should fill out the form listing the serial number of each tire. Then on one of the registration days the motorist should present this application form at the schoolhouse nearest his residence to be issued a basic "A" ration book for gasoline. Any motorist who is away from home in another county should register wherever he is on one of those 3 days—Nov. 12, 13, and 14.

School officials have been requested by the County War Price and Rationing Board to co-operate in the registration as was done in the sugar rationing registration last May.

It was to be decided at the meeting last night whether the schools would need to be closed during the three days.

"Those who feel they are entitled to a supplemental ration provided by the 'B' or 'C' books should obtain another application form for this at the place of registration where the 'A' book is issued," Mr. Pribble explained.

He emphasized that every passenger car owner must sell to the government before November 12 all tires over five for each vehicle.

"That means," he explained, "that the tire owner is allowed one tire for each running wheel and one spare for the car. A registrar cannot issue him a mileage rationing book for that car if he owns tires in excess of that number."

For that reason excess tires should be turned in before Nov. 12 to the local Railway Express Agency which will tag the tire and the seller will receive a check from the government, or if he chooses, the government will pay him in War Stamps or War Bonds for his excess tire or tires.

Commercial vehicles, trucks and farm trucks must obtain a Certificate of War Necessity

## LIONS CLUB IS TO SPONSOR LIVESTOCK RAISERS'—FFA SHOW

The Lions Club enjoyed a delicious pre-Thanksgiving dinner when it met in regular session in the Methodist Church basement Tuesday evening. There were several active members present with good appetites. Problems of today were discussed extemporaneously since there had been no previous program arranged.

Lion Hester, who is on the committee for soliciting donations for the Service Leagues, made an interesting talk and it was decided that each Lion bring an ash tray to the next meeting to aid in this work.

The Lions Club Activity Committee will in the near future secure a service flag and have it displayed at the court house at all times.

Lion Bowman was selected to see that all the boys in service from Mills County receive a peppy Christmas letter from the Lions Club.

The Mills County Livestock Raisers' and F.F.A. Show was discussed by Lion Joe Glover, county agent. The Lions Club will sponsor the show this year, and regardless of war conditions it is hoped the show will be a success.

Lion Earl Clements, who has not been able to attend regularly because of illness, was made an honorary member. Lion Tom Toland, who is also ill and unable to attend, is being greatly missed. The club hopes that he will soon be able to be back in active service.

The Lions had the pleasure of having Mr. Black, high school coach, and John R. Stough, who is with the Mills-Brown County Soil Conservation, as guests. The club was glad to have Mr. Stough become a member.

## FORMER RESIDENT SICK

L. R. Hendry, a former resident of Goldthwaite, has been real sick this week at his home in Coleman. His many friends will be glad to know that he is slowly improving.  
Miss Johnnie Belle Circle underwent a tonsillectomy in San Saba on Tuesday of this week. She is getting along nicely.

from the Office of Defense Transportation before they are registered for mileage rationing with the local War Price and Rationing Board. The ODT has mailed these forms to all owners of commercial vehicles that were registered last December 31. Persons who have not received these application forms should write immediately to the nearest ODT Field Office. In Texas these offices are located in Dallas, San Antonio, Houston, Lubbock and Austin. As soon as this form is received it should be mailed back to the ODT in time for the applicant to receive a Certificate of War Necessity by November 15 when it will become mandatory that every commercial vehicle and truck carry one of these certificates at all times.

**4-H CLUB GIRLS ACHIEVE IN BIG WAY**

College Station, Oct. 30.—More than 38,000 Texas 4-H Club girls lay the results of their year's work on the line for inspection during National 4-H Achievement Week, Nov. 7 to 14. Their aims, says Onah Jacks, state girls' club agent for the A. and M. College Extension Service, was expressed in the Victory Demonstrator's pledge, and 25,000 of them tried to live by it.

According to Miss Jacks, the major effort of Texas 4-H Club girls was production of food. They took greater interest in controlling garden insects and as a consequence increased food production in some places by 25 per cent without corresponding outlay of land, seed and water. A total of 1,782,856 quarts of food were put up by 4-H Club girls through September. In some counties they used a type of neighborhood leader plan of their own for helping all of the people of a community in economical production of food.

More than 24,000 club members did field work during the year. They drove tractors, plowed and planted with teams, hauled cotton, grain, fruit, vegetables and other crops to market and worked in dairies. Nearly 5,000 cared for and repaired farm machinery. Many assumed more house work, care of gardens, chickens and cows to enable older members of families more time for work in the fields. About 29,000 girls took the responsibility for the care and repair of home equipment, clothing and house furnishings.

In scrap collecting Texas club girls turned in 7,913,274 pounds of metal; 1,189,612 pounds of paper, burlap and rags; 1,036,580 pounds of rubber; and bought \$197,193 worth of War Bonds and Stamps. About 4,500 took first aid and home nursing courses, and more than 13,000 are co-operating in some type of war or defense work.

**SECRETARY OF AGRICULTURE PRAISES 4-H CLUBS**

To the 4-H Club Members of the United States:

I want to congratulate you—

1,500,000 4-H Club members—on your contributions during 1942 to the farm and home front and to the nation's war effort. In a time of stress, you have helped substantially in enlarging the nation's food and fiber supply, and in storing and preserving food. You have gathered thousands tons of scrap metal, rubber, paper, aluminum, and turned them over to the nation. You have aided in rural fire control programs and helped to spread throughout rural areas the national nutritional program for the use of right foods and development of better health. Moreover your work has helped make up for the loss of those who have left farms for the Army and Navy or for war industries in cities.

All these contributions lead us to expect still larger things from you in 1943, not only in production of food and fiber, but especially in helping to replace the manpower on the farms. More than ever before, the Nation needs the help of everyone of you. I know that this Nation can depend on every one of you to redouble your war effort. You can do your part by producing and preserving food; taking part in salvage campaigns; helping on the farm and in the home; keeping well and strong; continuing your education; studying the meaning and significance of democracy; and purchasing war stamps and bonds. In all this work, we want you to know that you are a definite part of your government's organization for helping to win and establish a lasting peace.

Sincerely,  
CLAUDE R. WICKARD  
Secretary

**HOW TO GET A "HEAD START" ON GARDENS**

Getting a "head start" on next year's vegetable garden is a good idea, especially for people who do not have thriving fall gardens.

Geraldene Summers, County Home Demonstration Agent, says there are a number of ways to prepare for successful spring gardens long before the seed catalogues begin to arrive.

First, the family should plan, and the garden should be part of the overall plan for the year's supply of food and feed. A family of five, for example, should plan to have at least a dozen kinds of vegetables, 20 bushels of potatoes, plus plenty of dried peas and beans, home-produced grain, berries, fruits, melons, and syrup. Seeds of most vegetables will be adequate for next year's gardens.

Second, gardeners can plant a winter cover crop on their garden plot to hold down the soil and increase fertility. This is especially important since nitrates will be scarce and only commercial growers will be entitled to commercial nitrogen.

Cover crops planted this fall can be turned under early next spring to build up the soil.

Third, start a compost heap containing autumn leaves, dead flowers, lawn clippings, table scraps. In the spring when the garden plot is plowed or spaded, the compost can be spread over the garden plot.

**IT'S SWEET POTATO TIME IN MILLS COUNTY**

Here is the correct way to store those sweet potatoes that have been raised in Mills County this year.

Be sure sweet potatoes are well matured. Test maturity by breaking a potato and exposing it to the air. If the sap hardens quickly and the surface remains sticky and the surface takes on a dark color the potato is green.

Dig when the ground is dry enough not to stick to the potatoes. Handle carefully to prevent bruising or breaking the skin. Do not throw or drop them. Grade and place at once in bushel baskets. Use or dispose of all broken or bruised potatoes immediately.

Sweet potatoes should be cured at least four or five days

before storing. Storage in Mills County may be either banks, moulds or in a sweet potato house.

**RECIPES**

Now for some recipes to use the sweet potatoes.

**Baked Yams**  
Select smooth yams, wash well, and dry. Brush with butter or bacon drippings. Bake in moderate oven until done. Roll gently in a towel until soft. Split and add butter.

**Fried Yams**  
Peel and cut baked or boiled yams in halves lengthwise. Dip in melted butter, sprinkle with salt, sugar and spices if desired. Brown in oven or on broiler rack or in a frying pan on top of stove (10 to 15 minutes). Serve with ham, sausage, bacon or chops.

**Yam Puffs**  
Serves 6—Four large boiled yams, 2 eggs, 1 t salt, 1-4 pineapple or other fruit juice. Mash yams, add beaten egg yolks, salt and fruit juice. Beat until fluffy. Fold in well-beaten egg whites. Pile in mounds on a baking sheet and brown in oven or under broiler. Mounds may be placed on pineapple slices or fried sausage cakes.

**Yam Victory Pie**  
1 1-2 c mashed yams (boiled or baked), 1 t ginger, 1 1-2 c sweet milk, 1-3 c sorghum molasses, 1 t nutmeg.  
Combine in the order listed. Heat to slight simmering point. Add 2 T. butter, 1-2 t. salt and 2 whole eggs beaten. Bake in whole wheat pit crust (unbaked) at 450 degrees F. for 10 minutes, then reduce heat to 350 degrees F. and bake until firm.

**CENTER POINT—**

By MRS. JEWEL SPINKS

We have all been enjoying this cool, pleasant, and pretty weather.

Mr. and Mrs. Frank Davee were in Mullin Friday.

Everyone enjoyed the Halloween social at the school house Friday night. Several from here attended the social at Mullin Friday.

Mr. and Mrs. Warren Wilson were recent visitors of her parents Mr. and Mrs. W. Spinks. Alvin Spinks returned home with them for a few days visit.

Mrs. Jake Davis visited her parents one day last week. The report we had from Mrs. Jerry Davis was that she was somewhat improved. She is in a Temple Hospital.

Mr. and Mrs. Jack Leverett had baby son of Houston visited her parents, Mr. and Mrs. Joe Spinks last Friday night.

Mrs. M. E. Davis is visiting with her son, Bert and family of Zephyr.

Sympathy is extended to the Goodman family in the passing away of their father and husband, Perry Goodman. Mr. Goodman was one of our pioneer citizens, having lived in our community years ago.

Mrs. Johnnie Taylor left to be with her husband who is in the Army.

Aaron Vines has also gone to the Army.

**LETTERS FROM MILLS COUNTY SOLDIERS**

Dear Friend,

I am using this medium to say "hello" to each and every one of you. I have been in the Naval Hospital Corps since the first part of last March and have been on duty here in San Diego all the time since then. Part of this time I have spent on duty in the great Naval Hospital here but after having finished a course in dental technology I have been on duty in one of the dental clinics of the Naval Training Station.

Naturally, I come in contact with thousands of recruits and it is with pride that I boast of the fact that Texas is certainly upholding traditions in doing her share to maintain our rights as a peace-loving, democratic people.

Unlike Texas, the weather here is a subject of little discussion because it varies so little. We did have an earthquake here this past week that caused some excitement among those of us who had not experienced one before. To you who have not experienced one, let me say that it is a peculiar, or I should say, helpless, feeling to see everything about you rocking to and fro.

I received my copy of the Eagle each week and sincerely enjoy reading the local happenings and about the place I love so well. For the time being my chances of being able to see any are very few however my desire

to do so have increased during the months I have been away. I proudly read of the constructions that you are making for the war effort and here is one sailor that sends personal thanks for helping to keep 'em afloat.

In closing I want to wish each of you the best of everything and at the same time to remind you that I am no exception to the fact that all service men enjoy and appreciate letters. News from home is always welcome so please write me

**FROM MASTER SGT. EDGER McNUTT**

Mr. and Mrs. Edger McNutt have received the following letter from their son, Master Sergeant Edger McNutt:  
35 Troop Carrier Sq.  
64 Troop Carrier Gp.  
APO 638, Oct. 9, 1942.

Dearest Mother and Dad:

For a few days I was situated near London and was able to go there at night and sometimes in the afternoon. Of course it is blacked out at night and there is not so much to see except the interior of the buildings. Some of them are very beautiful. I have seen some of the most beautiful silver here that I have ever seen in my life. Some of it is hundreds of years old. I intend to buy some and send it to you for a souvenir of England. I may get silverware and I may get you some other articles. I have nothing in particular yet. I hope you are well.—Edgar.

**IN FOND MEMORY OF DADDY McMURRAY**

About four years ago it was my pleasure to make the acquaintance of Mr. McMurray and later on I married his youngest son, Fred. So then being one of his family I learned to love him very much. He was such a devoted husband and father.

He had five sons and three daughters, four of his sons being married and also two daughters, but he never made any difference between his own and his in-laws. One daughter who died in infancy and one son and wife preceded him in death several years.

He had two grandsons and four granddaughters and I'm happy to say my baby is one of them. They were his pride and joy. There was nothing that gave me and mother more pleasure than for the children to come and spend the day with him, if no longer.

He was a jolly old fellow and when his boys were there he was just another one of the boys, always joking and laughing with everyone, even to the night of his death.

Daddy was a man that never lived to himself, but was always ready to do a favor in any way he could for his neighbors. What he had he was ready to divide with them. He was a follower of God and lived his religion daily.

On October 12, 1942, God saw fit to call him to himself in the Great Beyond. Our loss was heaven's gain. It was hard for us to give him up, but we must

remember God doeth all things well and for a purpose. He has gone to meet the loved ones who have gone on before, and holds out a beckoning light to the ones left behind to follow in his footsteps, that the circle will not be broken in Heaven.

May we all lead a life that when our time comes to answer the final call of the Master, we will hear him say, Enter in, thou faithful servant.

Dedicated to Daddy McMurray by a loving daughter-in-law, Mrs. Fred McMurray.

### SENIOR REPORT

This last Saturday at the Hallowe'en Carnival the Senior Class had charge of the Bingo booth. We had a swell time as well as making a nice sum of money for our treasury. We want to thank every one that helped us to make this money.

Our candidate for Hallowe'en Queen was Patsy Shaw, and she was sure in the race. She was beaten by just one vote.

We sure miss one of our active Senior boys, so get well, Elmer, and hurry back.

### JUNIOR CLASS REPORT

The Junior Class is happy to say that their candidate for Hallowe'en Queen, Merylene Denson, was elected.

The class met and elected the following officers:

President—Peggy Gene Geeslin.  
Vice-President — Jack Hightower.  
Secretary and Treasurer—Arnold Roberts.  
Reporter—Ouida Gray.  
Sponsor—Miss Moore.

With one of our aims accomplished we are looking forward to a successful year. How about it, Juniors?

### SOPHOMORE REPORT

Last week the Sophomore Class met and elected class officers, who are:

President—Joe Billy Smith.  
Secretary—Theresa Venable.  
Reporter—James Miller.

We elected Miss Gatlin as our sponsor. Everybody is well pleased and we're sure that she'll do all she can for us if we will all co-operate with her.

Our candidate for Hallowe'en Queen was Oleta Ford.

### FRESHMAN REPORT

The Freshman Class met last week and elected class officers. James Burkett was elected president; Janie Ruth Simpson, vice-president; Reva Mae Horton, secretary; Gene Barnett, treasurer; Glenna Venable, sergeant-at-arms. We elected Brockie Dee McCasland for our candidate for Hallowe'en Queen.

Our class sponsor for the year is Miss Welch. We are sure that she will be a good one. She has been our home-room teacher for six weeks. We feel very fortunate in having such a capable sponsor.

The home-room mothers of our class are as follows: Mrs. Walter Summy, chairman; Mrs. Grady Tullos, Mrs. Homer Eck-

ert, Mrs. Willie Knight, Mrs. Dan Long, Mrs. Barton Smith, and Mrs. "Dutch" Smith.

Our report cards last week showed that we have four straight E students, Otha Lloyd Crawford, Glenna Venable, Marjalyce Smith, and Janie Ruth Simpson; seven of us have not been tardy or absent, Otha Lloyd Crawford, Walter Summy, Jr., Mary Lou Long, James Ralph McKee, Benols Karnes, Nelda Rhea Head, and Dalma Stewart.

Our home room is the study hall, and the desks in it need to be repaired. We want our mothers and home room mothers to attend P-T.A. and vote for our class. We are proud of the dollar we won last month. We are glad to be Freshmen in High School.—Reporter.

### IN THE LIMELIGHT:

**MARY NELL EPPERSON**  
Mary Nell is the daughter of Mr. and Mrs. R. C. Epperson. She has attended school at Goldthwaite all during her school work.

Mary Nell is one of our smartest Seniors. Not only is she smart, but she is very popular with all the girls, boys, and teachers.

She is a very active member of the Pep Squad, Girls' Chorus, and in the past year she played in the band, and it is said that "she can make a clarinet talk."

Mary Nell is 5 feet 4½ inches tall, has blonde hair and blue eyes.

Mary Nell has the nick-name of "Eppy." She is a good sport though because she doesn't mind.

Best likes and ambition: Ambition—Go to Tarleton. Likes—Billie Jack. Dislikes—Girls that flirt with Billy Jack.

Hobby—Aggravating Miss Sivelis.  
Weakness — Temptation to play hooky.

### BILLY DENNARD

Billy Dennard is one of our highest ranking Seniors this year. He is the son of Mr. and Mrs. Dennard.

Billy is about 5 feet 4 inches tall. He has light brown hair and blue green eyes. Billy has been at the head of his class in all his studies during both the years he has attended G.H.S. Although Billy just joined our class last year, he has made many friends both with the teachers and students. Before coming to G.H.S., Billy attended Big Valley school.

Billy is planning to take a

business course after he finishes high school.  
Best likes—Tell "jokes."  
Dislikes—Flirts (girls).  
Hobby—Making a straight E report card.  
Weakness — Blushing every time he tells a joke.

### SPORTS SLANTS

#### Goldthwaite vs. State School of Gatesville

Last Thursday, Oct. 29, the Goldthwaite Eagles met their fifth opponent, the State Boys from Gatesville. Everyone who saw the game will agree that it was one of the cleanest, most evenly matched games of the season. Although we didn't win, our boys gave a good account of themselves. Better luck next time, boys!

We were sure sorry to see one of our best players, Half-back Elmer Geeslin, be taken out of the game during the second quarter because of a leg injury. May you have a speedy recovery, Elmer. Our deepest sympathy is with you, kid.

### JUST FACTS:

**ELMER GEESLIN**  
Elmer is the son of Mr. and Mrs. J. Geeslin of the Center City community.

Elmer is a very outstanding football player this year. He is about 5 feet six inches tall and weighs about 135 pounds. He plays quarter-back on the team.

During the game last Thursday night he had a bit of bad luck. He got his right leg broken just about two inches above the knee-cap. We are very sorry that this happened to Elmer, but he can feel sure that he has already done his part this year for the school, coach, and football boys.

Elmer, during the next few games we play this year we'll all be thinking about you and wishing that you were in there fighting for old Goldthwaite High School.

### JOE TAYLOR

Joe Taylor is one of our best football players this year. Not only is he a hard fighter but he isn't afraid of anything where football is concerned. Joe has done some swell playing this year, but he has never gotten the big head.

This is Joe's first year out for football, but he has proven himself a natural-born player.

Joe has played practically every game this year, and he's really done some swell showing for a new-comer.

Joe is about five feet ten and weighs about 156 pounds. He has black hair and dark brown eyes. Joe, we're really proud of you, so don't forget—We're counting on you!

### GRAMMAR SCHOOL NEWS

The 7-I Class extends hearty welcome to Elizabeth Ann McMurry.

Melba Denson gave a party Friday afternoon after school. Those present were: Elizabeth Stockton, Norma Ruth Featherston, Carol Ward, Robbie Jean Simpson, Christene Saylor, Geo. Wayne Featherston, Jim Bob Steen, Allen Moreland, Hub Horton, Billie Joe Townsen, and Reba Ford. They played games and afterward were served cocoa, cake and candy.

Norma Sue Ross gave a party Friday evening at 7 o'clock. The guests present were: Billie Max Miller, Vera May Bell, Barbara Porter, Ed Gilliam, Sealy Reed, O. C. Laceywell, Carlene Featherston, James Carol Calaway, Tanner Fairman, Laverne Sykes and Jerol Vaughan.

Last Wednesday Mrs. Bowman's group gave a very entertaining program. They dramatized "There's a Star-Spangled Banner Waving Somewhere." Celia Ann Simpson from the 5th grade was elected as the representative from grammar school for Hallowe'en Queen.

Mrs. Parry let every person in each class write a class song for their room. Each class chose the song that they thought was best. There were two prizes; both were books about the history of music. The 8-I room won first prize and the 6-II won second prize.

Platoon Sgt. M. G. Myers, who has been transferred from Amarillo to North Carolina, visited his mother and father, Rev. and Mrs. B. A. Myers, and spent a week here with them.

## EBONY NEWS—

By CLEMENTINE WILMETH BRILEY

In spite of moving from the Camp Bowie Maneuver Area, a good audience attended church here Sunday.

The Ebony Store and Post Office was moved on its new location on the Regency road a few hundred yards east of the Edward Egger home last week.

M. and Mrs. P. R. Reid and Wood Roberts, who makes his home with them, have moved to the Crowder place. Mr. and Mrs. Reid have sold their house, and it will be moved to Brownwood.

Miss Dolly Reynolds' house has been moved upon the hill near the Roy Reynolds home, leaving her yard, now in bloom profusely with bachelor buttons, looking pathetic and deserted.

Mr. and Mrs. Jim Tippen and Owen have bought a place near Goldthwaite.

Mrs. George Jones and her son Hard, have moved some little buildings, which they had left from the fire, on the Bob Egger place near Mr. and Mrs. Dewey, and are livin' there.

Mr. and Mrs. Luke Russell and children have moved into the schoolhouse until they can find a place.

The old Meek Russell home has been moved, and Mr. and Mrs. Mark Russell and children have moved to Brownwood.

The Ernest Russell home has also been moved, and we hear they are moving to Winters.

Mr. and Mrs. R. V. Beeman are planning to move their house to Brownwood and live in it there.

Mr. and Mrs. Billie McNurlen and children have moved on the Henry Egger place.

Bud and Will Tippen were in this week-end to help their sister, Mrs. Effie Egger, to get relocated.

Mr. and Mrs. Cloud Mashburn have not moved yet, but probably will move this week.

Mr. and Mrs. Dale Reid expect to get their house moved this week. They would have moved last week if the rain had not hindered.

Rain also hindered the peanut harvesting again last week. Part of Herman Glen Egger's crop, John Briley's and Gene Egger's at the Sawyers place remained to be gathered this week.

Mrs. Elizabeth Ketchum and other relatives have again had letters from Bill Ketchum in England.

Mr. and Mrs. Hubert Reeves have had their house repainted and the inside woodwork repainted.

Mr. and Mrs. Stanley Reeves are camping in the old Kelly house, now owned by John and Charles White, until they can get possession of their house. Albert Hardin and mother, who are living in the Reeves house, expect to leave for Big Spring as soon as peanuts are harvested.

Mr. and Mrs. Alvin Ketchum and June were the guests of Mr. and Mrs. Gene Egger Sunday after church.

Mr. and Mrs. Jim Wilmeth and Mrs. Nellie Malone attended the Victory meeting at Goldthwaite Wednesday.

Mrs. R. M. Haynes visited Mrs. Stapleton Saturday.

Mrs. Edna Dwyer visited at the Briley home Sunday after church.

John Lewis Singleton of the U. S. Navy, now stationed at Pensacola, Florida, is visiting his uncle, Albert Hardin, here this week. When asked how he liked his job, he said he wouldn't trade it for any other he knew of. He is very impatient at having to stay here so long. He is eager to go across and get on the firing line.

For the first time since any of us can remember, the pecan crop in this community is a complete failure this year. There just aren't any.

Ebony has become a ghost village, and we who are left hedged in between the Maneuver Area and the Colorado are made to realize the ghostliness of it. It gives you a feeling hard to describe when you drive along the old familiar road to Brownwood and see the many vacant places where the houses stood. And Saturday when we started home from town, guards along the road asked us for passes. We had none. They said they would let us by, but we must have them by Monday. So we went

### INTERMEDIATE NEWS

We are back in school this week. There are two absent. They are Katherine Adams and Wayne Perry. We hope they will be back tomorrow. This is test week, and we hope everyone makes good. We all have made passing grades so far, and we hope everyone will be on the honor roll next week. We had a good time at the chili supper.

### SPORTS NEWS

We have been playing basketball and volleyball. We are still playing tennis. They started to grade off our tennis court. We hope to get it graded off soon.

### SENIOR NEWS

We are all back in school this week, studying hard for the test. We are all present today, and we hope that we will all be here the rest of the week.

### PRIMARY NEWS

There is only one absent in our room today. It is Gearline Perry, and we hope she will be back soon. This is test week. We are all taking our tests today. Everyone made the honor roll last month, and we hope we will not break our record this month. Everyone enjoyed the chili supper Friday night.

Mrs. O. W. Hunn, who has been visiting her parents, Mr. and Mrs. L. B. Ashley, for the past month, left last Sunday for her home at New Philadelphia, Ohio. Mrs. Hunn stopped at Arlington for a short visit with her sister, Mrs. J. T. Sanders, and family before going on to Ohio.

Jesse Moreland of Brownwood left last Thursday for Mineral Wells where he was inducted into army service.

Mrs. J. W. Long is visiting her daughter, Mrs. Carl Moreland. Mrs. Long has been quite sick. Jim Culwell received a message from Rising Star that his mother, Mrs. J. H. Culwell, had passed away. She was laid to rest beside her late husband, J. H. Culwell, at Sipe Springs Cemetery at 3 p. m. Oct. 30. The Culwells appreciate the lovely floral offering.

Nelson and Junior Martin visited Ralph Woods Sunday afternoon.

Charles Dennard went to Dallas last week where he joined the Air Corps.

Mr. and Mrs. M. T. Cook and children visited Mr. and Mrs. Harry Oglesby and Beryl Sunday.

Mr. and Mrs. Carl Woods and Mr. and Mrs. Johnny M. Woods visited Mrs. Mary Johnson in Goldthwaite Sunday afternoon.

Mr. and Mrs. Hugh Dennard and family and Mrs. Henry Ezzell visited Mr. and Mrs. Lige Miller Sunday.

James McConnell and Elvin Wells have gone to Fort Worth where they have employment.

JONES VALLEY

By MRS. GEORGE D. BROOKS

Everyone is busy trying to gather in their crops, especially the peanut growers. The recent rains caused a lot of extra trouble. However, the sun is shining and most everyone is ready to thresh.

George Brooks finished his crop and moved his peanut picker and baler into Big Valley.

We are sorry to lose Mr. and Mrs. Jesse Whitley and family. They are moving to Goldthwaite.

Mrs. L. Jernigan and Mrs. Tip Roberts spent the week-end in Stephenville.

The H-D Club met Saturday night and elected new officers for the coming year. The men played 42 and the children games. We met at the home of Mr. and Mrs. E. P. Barcroft.

Mr. and Mrs. Earl Dumas, Mr. and Mrs. Orville Hale and family of Naruna, Mr. and Mrs. E. Ware of Menard, and several whose names I failed to get spent last week-end with Mr. and Mrs. Harvey Hale.

Mr. and Mrs. E. P. Barcroft visited Mr. and Mrs. George Brooks Sunday.

Annagene Hale spent Sunday with Eula Faye Brooks.

Robert Roberts has returned home from Lamesa.

BIG VALLEY

By MRS. CARL WOODS

Mr. and Mrs. Alvin Oglesby, Don and Valley Beth of Fort Worth spent the week-end here visiting relatives and friends.

Mr. and Mrs. Floyd Weaver and children visited Mrs. Liva Weaver and Mr. and Mrs. Jack Dennard and family Sunday afternoon.

Mrs. Henry Ezzell of Goldthwaite visited her daughter, Mrs. Hugh Dennard, and family over the week-end.

Mr. and Mrs. Johnny M. Woods of Evant visited his parents, Mr. and Mrs. Carl Woods and children Sunday.

Howard Weaver left for the Army last week. We all wish for him lots of luck.

Jackie Dennard visited Mary Beth Renfro in Goldthwaite over the week-end.

## Notice

The Goldthwaite Garden Club is invited to attend the Flower Garden Show in Lampasas on November 13 and 14.

## P-T.A.

The Parents and Teachers Association will meet Wednesday, Nov. 11, at 4:15 p. m. in the school auditorium. The following program will be given: Leader—Mrs. Dan Calaway. Invocation—Rev. Buford Burgener.

Song—"God Bless America," led by Mrs. Virginia Parry.

Talk—"The Red Cross Home Nursing Course Comes to Mills County"—Mrs. Jim Weatherby.

Talk—"The Importance of Parents and Teachers Taking the Red Cross Home Nursing Course During War Time."

This program will be of interest to all parents and teachers. We want all of you to come.

## Baylor College Students Visit Here

Misses Elizabeth Gallaher, Elizabeth Williams, Elizabeth Brown, Betty Parker and Ascenia Peebles, five young ladies from Baylor College, spent the week-end with Mr. and Mrs. Bob Weaver at their lodge on the Colorado River. W. M. Johnston brought them by the Eagle Office and the Eagle Editor was delighted to have a visit from them. Come again, young ladies.

## Pleasant Grove H-D Club

The Pleasant Grove Home Demonstration Club met at the home of Mrs. R. C. Miller Tuesday, Oct. 27.

Since there was some misunderstanding in regard to who was to furnish the dressed chickens for the canning demonstration, there were none available. Therefore, Miss Summers proceeded by giving a detailed account of preparing and canning poultry. With the aid of her instructions and comments on the subject, club members should be able to do it correctly. Miss Summers also issued bulletins on the subject.

The following officers were elected for the coming year: President—Mrs. Walker Wigley.

Vice-president—Mrs. L. B. Covington.

Secretary and Treasurer—Mrs. David Waters.

Reporter—Mrs. George Shady.

Council Delegate—Mrs. C. N. Berry.

Recreational Chairman—Mrs. Truman Miles.

Parliamentarian—Mrs. L. O. Belly.

Seven club members attended the meeting. Mrs. Schooler from Goldthwaite was a welcome guest.—Reporter.

Mrs. R. M. Thompson left Wednesday night for Houston, where she will spend the week-end with friends and relatives.

## RED CROSS HOME NURSING

Mrs. Flora Williams, American Red Cross nursing consultant from Midwestern Area office in St. Louis, was in Goldthwaite last Friday and Saturday consulting with the officers of the Mills County Chapter regarding a Home Nursing Program for Mills County.

Miss Williams explained the National Home Nursing plans to a committee composed of Miss Coleman, Mrs. Jim Weatherby, Miss Summers, Mrs. Moore, Mrs. Mohler Simpson, and Mrs. E. T. Fairman.

If the plan is approved by the national organization, Mills County Chapter will be furnished a nurse as instructor for a period of two months without cost to the chapter. Miss Williams visited Priddy Saturday afternoon.

## GOLDTHWAITE STUDENTS HONORED AT STST COLLEGE

San Marcos, Nov. 5. — Miss Wilda Bledsoe of Goldthwaite was recently elected house representative of Cliffside Hall, co-operative house at the Southwest Texas State Teachers College. A series of such co-op houses are maintained by the college to enable young women to obtain room and board at cost. The current cost of room and board at these houses is \$16 per month.

Fred McKenzie of Goldthwaite was one of 17 students of S-W-TSTC recently elected to membership in the Harris Blair Literary Society. The Harris Blairs are one of two literary societies at the college which are open only to men students.

## Wedding

Leroy Daniel and Enda Earl Huggen of Lometa were united in marriage at the Baptist Parsonage Tuesday afternoon at 3 by Rev. Bryant.

## ZONE MEETING OF WSCS NOV. 10

The fall meeting of Zone 3 of the W.S.C.S. will meet at the Methodist Church Tuesday, Nov. 10, with the Goldthwaite Society as hostess. The business meeting will be called at 10:30 a. m., with lunch at 12:30 to be served in the Recreation Room of the church.

The program for the afternoon will be "Christian Principles in War Time."

The devotional will be given by Mrs. F. C. Harwell of Richland Springs. Topics to be discussed are:

"Are We Living on Borrowed Light?" "Some Basic Ideas of Christianity," "Planning for Christian Family Life," "The Church in Tomorrow's World."

Every woman is invited to come and spend the day. Especially are the Methodist ladies urged to attend this meeting.—Mrs. Jim Weatherby, Zone Chairman.

## Entertains School Faculty

On Wednesday evening, Oct. 28, Mr. and Mrs. Elmer Sakewitz of Priddy entertained the faculty of the Priddy School with a delightful chicken supper. The guest of honor was Ernest Tate, vocational Agriculture teacher, who left Sautrday for a visit with homefolk before induction into the armed services.

Table decorations were chrysanthemums and a beautiful cake bearing the legend, "Farewell Mr. Tate." Places were laid for Mr. Tate, Mr. and Mrs. Ray Duren and daughter Joe Ann, Misses Adeline Kitching and Lottie Snodgrass, and Misses Edna Harris, Margaret Oden, Elna Fouse, Margaret Ondra, and Mr. and Mrs. Sakewitz.

The group presented Mr. Tate with an expansion bracelet for his wrist watch.

Following supper, the guests were further entertained by playing "42."

Captain and Mrs. Blappter of Camp Bowie were last Sunday guests of Mr. and Mrs. W. P. Woody.

## Priddy H-D Club

The Priddy Home Demonstration Club held their regular meeting Tuesday afternoon, Nov. 3, in the homemaking department. Our new Home Demonstration Agent, Miss Geraldene Summers, gave a demonstration on the making of hominy, and also some new hints on canning poultry. Miss Fouse, homemaking teacher, presided over the business session, as both president and vice-president were absent. Plans for a Christmas party to be held in December were begun, and will be completed at the next meeting, on November 24. Refreshments of sandwiches, cake and coffee were served by Mmes. Ed Schrank and Otto Selheimer.

## Hallowe'en Carnival

The annual Hallowe'en Carnival held at Priddy School Friday night, Oct. 30, was a great success. A large crowd participated in the many activities provided by the faculty and students. Among the attractions were a buggy ride, bingo, fish pond, fortune telling, contests, games, side shows, a food booth, and a negro minstrel. Total receipts were \$125, which will be applied to the athletic fund of the school.

## W.S.C.S.

The W.S.C.S. met Monday in the home of Mrs. Martha Sewell with 15 members present. The president led a short business session at which the plans for our Zone Meeting were completed.

Mrs. Raymond, our chairman of Christian Education, introduced our new study on Latin America. Mrs. Rober assisted Mrs. Little with the program. This is one of the most interesting studies we have ever had, and we want to urge the ladies of the Methodist Church to attend.

We meet with Mrs. Neal Dickerson Monday, Nov. 9, at four o'clock.

## POMPEY

Mr. and Mrs. Charlie Swan and sons of Alvarado, Texas, have returned to their home after visiting their parents, Mr. and Mrs. Will Plummer. William H. Plummer accompanied them as far as Fort Worth, to volunteer in Uncle Sam's service.

Mrs. A. E. Bean and son, Theorian, have returned home after a four weeks' stay with her daughter, Mrs. Jack Driskill, who has a fine little daughter born Oct. 13. Her name is Jeanene. This is Mr. and Mrs. A. E. Bean's first grandchild.

Mrs. S. B. Bean and daughter Jean, and Mrs. Bean's father, Tip Carlisle, were transacting business in Comanche Monday.

Mr. and Mrs. Herman Carlisle and Ovea Lee, Mr. and Mrs. John Ratliff of Zephyr spent the week end at San Angelo visiting Fadie Ratliff and family.

Miss Neva Jenkins of Brownwood spent the week-end here with her parents, Mr. and Mrs. Till Jenkins.

Mr. and Mrs. Fred Mosier spent Sunday at Mullin.

Gardner Pittman, who volunteered for Uncle Sam's service some time back, is here on a visit to his parents, Mr. and Mrs. Murl Pittman.

Bill Carlisle has returned home here with his family after working all summer on the roads.

Mr. and Mrs. Charley Smith and daughter, Mrs. George Eddy, and baby, and Mrs. Sallie Robinson, all of Dallas, visited over the week-end here in the home of L. A. Langford.

Mr. and Mrs. W. F. Reynolds and family and Mr. and Mrs. Herman Landrum and family spent last week-end here with their parents, Mr. and Mrs. A. C. Langlitz.

# Mullin News

## From Mullin Enterprise

Otto Shulze of Zephyr visited Mr. and Mrs. H. F. Shulze and old friends here Friday.

Mrs. Scofield, (formerly Miss Clemmie Hancock), Miss Era Hancock and W. C. Hancock of Brownwood visited in the G. M. Fletcher home Friday. Mrs. Scofield will join her husband Capt. Scofield at Paris, Texas, at an early date. They also visited Mr. and Mrs. Frank Launpman and other relatives and friends.

Mr. and Mrs. Henry Williams have returned home from a visit to Mason with Mr. and Mrs. Durst. Dusty was on a furlough and they all enjoyed trips to Inks Dam and Buchanan Dam.

Mrs. A. H. Daniel and daughter, Miss Iva Lee Daniel of Waco, visited old friends and relatives here over the weekend. Mrs. Daniel stated their health and business was good and all were rushing.

Mr. and Mrs. E. L. Burkett had the following guests Saturday: Frank Marler and son of Big Spring, Mrs. Blanche Barton, Mr. and Mrs. Fred Barton of Goldthwaite.

Good news comes from Mrs. W. H. G. Chambers with Miss Alita Chambers in Dallas keeping Alita company and cheered while she convalesces from the recent injuries she received at the Coleman explosion.

Word Coleman and family of Comanche, and John McGary and family were guests of their mother, Mrs. J. T. Coleman Sunday.

Burial followed in the Miles Cemetery. Arrangements were in charge of the Lacy Funeral Home.

A banner program Friday night at the school building drew a large crowd.

Walter Campbell fell and broke his collar bone while loading his wagon with wood Monday morning.

W. L. Barker and Miss Florence Campbell rushed him to the Temple hospital to have the bone set.

Mrs. Floyd Hart writes from Kiona, Okla., and wants the Enterprise to come to their address. She was kind enough to send us appreciated copies of her town papers and they were read and appreciated. Floyd has a splendid job up there and all are well pleased.

CHANCELLOR-HUFFMAN Miss Grace Huffman and Clifton Chancellor were married Saturday in Goldthwaite.

The attractive bride is the only daughter of Mr. and Mrs. Joe Huffman of Goldthwaite. The groom is the oldest son of Mr. and Mrs. W. P. Chancellor of this city and holds a responsible position in a defense plant at Dallas. After a brief honeymoon, the happy young couple will go to Dallas to reside.

FUNERAL RITES HELD FOR MR. J. P. GOODWIN Wednesday afternoon, Oct. 28, the last rites were held for Mr. J. P. Goodwin at Oak View Cemetery. Rev. Christian of Brown County and Rev. L. J. Vann conducted the rites.

Mr. Goodwin was a Christian for many years and patiently bore his cross of blindness the past few years. His wife and children were very devoted and faithfully stayed by his side almost constantly.

**A CALL ON THE LEGISLATIVE FRONT**

By GEORGE C. HESTER

THE INCOMING State Legislatures which convene within a few months face a new and unprecedented situation in legislative experience. Nothing like it has ever existed in this country. In the face of a war that has already changed the political and economic face of the world, a complete reorientation of legislative thinking will be necessary. The lawmaker who cannot comprehend that fact, but who still insists on thinking in terms of the old-line politics, who indulges in the usual political side shows, or who evades and ducks the real problems and follows the line of least resistance, does not belong in Austin or any other state capitol. It is a tragic turn of political misfortune that sends him there.

The unprecedented situation demands that first things be first. Under the pressing imperatives of war, it is inevitable that national policies will be reflected in state and local affairs. Already our daily lives are feeling the effects of such far-reaching war policies as price-control, rationing, taxation and the like.

These things are inevitable, although methods of administration might be materially improved. State Legislatures cannot change the basic policies, and no amount of ranting against them will do any good.

On the other hand, there are many pressing duties which the Legislature should recognize and perform. First and foremost among these is the absolute necessity of economy in state affairs. With a national debt pyramiding further and further beyond our reach each day, and with a war of indefinite length in prospect, there was never a greater need for a calm and dispassionate approach to public affairs than today.

It is possible that we are facing one of the most crucial dilemmas in the history of the Republic—that of preserving the small business man and our system of private enterprise on the home front, while fighting a global war to preserve the same principles in world affairs.

In view of such realities, it is essential that state and local governments reverse their traditional custom of demanding more and more taxes. In fact, they must learn to operate on less income, especially for the duration, simply because their revenues are decreasing. Enlightened and constructive economy, made possible by trimming all non-essential spending and by modernizing the state's haphazard and wasteful administrative system, should be the watchword of the next session.

In fact, it is on the economy front that the state legislatures today can make a real contribution to the war effort. They should realize that state and local budgets are framed independently of the national budget. Yet their burdens fall upon the same taxpayers who must bear the rapidly increasing war taxes, and, at the same time, finance the national debt out of what savings they may have left.

Except for spending that is absolutely necessary, there devolves upon lawmakers and state administrators everywhere no greater responsibility on duty than that of avoiding all unnecessary expenditures for the next biennium.

**NATIONAL 4-H CLUB ACHIEVEMENT WEEK, Nov. 7-14**

NATIONAL 4-H CLUB ACHIEVEMENT WEEK will be observed throughout the nation November 7-14. The purpose of Achievement Week is to call attention to what has been accomplished by the 1,500,000 4-H members enrolled throughout the country.

Last spring many of our young people joined with other members of the 4-H Clubs all over the nation in a Mobilization Week, mobilizing our rural youth for the war effort. The effects of this mobilization have been apparent through the summer, 4-H'ers in Mills County collecting piles of junk, old iron and steel, rubber, paper, and all the other salvage items called for by the authorities in Washington. They have been more industrious in their gardens, and in helping with the family's farm duties. They did mobilize, not in a rush of excited, then waning, endeavor but rather in a spirit of doing their share in our main job of eliminating the Axis.

Four-H members in this county have purchased quite a few stamps and bonds, and some have been responsible for the sale of stamps and bonds to their elders.

Several tons of scrap metal were collected, and 50 gardens reported. Those families will reap the full harvest during the winter as the canned and stored foods bring a bounty of health and good eating to the table.

But these are not the only achievements of our wide-awake alert 4-H members. Their club demonstrations in helping to win the war are as varied as farming. Boys and girls—both—have had pig, poultry, calf, dairy, and sheep projects. Four-H boys and girls had additional projects in helping to relieve the farm-labor shortage, care of farm machinery, first aid, nutrition, food-preservation, clothing conservation, and food conservation.

There are 100 girls enrolled in 4-H Clubs organized at Mullin, Prairie, Duren, Midway, M. Olive, Center Point, Jones Valley, Lake Merritt and Big Valley. The boys' 4-H Clubs will be organized in the near future by County Agent Joe Glover.

**LOOKING BACKWARD**  
TWENTY-FIVE YEARS AGO

(From Eagle Files Nov. 10, 1917)

T. W. Cryer, a leading citizen and former banker of Mullin, was looking after business matters in this city Monday.

Rev. J. D. Sims and wife returned to their home in Killeen after a visit to their daughter, Mrs. R. V. Littlepage, in this city.

Rev. J. S. Bowles will fill the pulpit in the Methodist Church Sunday morning at 11 o'clock. He expects to leave next week for Georgetown to attend the Methodist Annual Conference.

Mesdames J. V. Coakrum, Floyd Jackson, James Faulkner and Miss Lillie Martin entertained in delightful manner Thursday afternoon the members of the Central Embroidery Club and a few friends, in the lovely home of Mrs. James Faulkner. Forty-two and Victoria formed agreeable diversion during the hours. Mrs. E. O. Priddy received high score. Guests were Mesdames D. A. Trent, Robert Littlepage, Claude Eacott and Miss Avery of Amarillo.

The display of culinary and art products by the Civic League last Friday and Saturday was indeed interesting. Some of the exhibits would have done credit at a state display and the entire showing was far better than the unimproved would have expected. As an example of the extent of the display, the amount of preserved fruits, vegetables, etc., by the ladies is interesting. Mrs. C. M. Burch had 42 varieties; Mrs. W. E. Miller, 22 varieties; Mrs. A. J. Harrison 520 quarts; Mrs. J. W. Weathers, 293 quarts; Mrs. J. C. Street, 231 quarts; Mrs. Kelly Saylor, 270 quarts. This is an indication of the volume of preserving throughout this county the past fruit and vegetable season.

Miss Mona Cook of Moline is visiting Mrs. F. D. Webb in this city.

Mrs. J. A. Gillespie and children expect to go to Waco today to visit friends and see the Cotton Palace.

J. H. Saylor announces that he expects to open the new hotel by Nov. 15. This is an elegant building, well arranged, nicely furnished and conveniently located. It is a credit to the town and shows that Mr. Saylor is a progressive and enterprising citizen.

**Health Notes**  
State Department

**URGES CAUTION**

As the hunting season approaches the Texas State Health Department urges caution in handling firearms. More than 200 Texans were killed in 1941 as a result of carelessness in handling guns, and at this time when human lives are being snuffed out in the war that is enveloping the entire world, it is more than ever important that we should conserve human lives on the home fronts.

With the inauguration of meat rationing and the reduced supply of this particular food, there is a possibility of more hunters going into the field than has been the custom for many years.

"It is not enough to deplore the waste of human lives caused by the careless handling of firearms," asserts Dr. George W. Cox, State Health Officer, "we should learn from the deaths of these victims the lessons of safety which will prevent this needless and shocking waste."

The State Department of Health offers the following safety suggestions in handling guns:

While hunting be sure that the loaded gun is on safety until ready to fire. Never shoot without seeing your target clearly. Never crawl through a fence carrying a loaded gun. If hunting with a companion stay close to him. Do not strike the ground or wounded game with the butt of a loaded gun. Never scuffle while holding a loaded gun or point it at a person "for fun." Always unload a gun before attempting to clean it. Always unload guns before taking them into the home. All guns should be carefully put away in the home out of the reach of small children.

**CHRISTIAN NURTURE IN THE FAMILY**

LESSON TEXT—Deuteronomy 6:4-9, 20-25; II Timothy 3:14, 15.  
GOLDEN TEXT—Train up a child in the way he should go; and when he is old, he will not depart from it.—Proverbs 22:6.

The religious life of the home is a determining factor in the life of the child, for it is in the home that the child's whole existence centers and from which he receives the repeated impressions, day by day, which determine character and destiny. Then too, it is in the home that the parent has the opportunity to demonstrate the reality of the faith professed in the church and to show the child that Christianity really counts in the ordinary experiences of life.

**I. By Recognizing God's Word (Deut. 6:4-9)**

Twice a day the orthodox Jew repeated the words of verses 4 and 5, "the Shema," in his time of prayer, morning and night. It was the foundation of his faith, declaring the oneness of God in a world of many heathen gods, and calling for complete and absolute devotion to Him. But it was not enough that these words should be repeated in the service, they were to be taught with all diligence to the children and to be a normal and natural part of their daily conversation.

Here is a matter of great significance to us. The faith which we profess in the church must be effectively brought into the home. It is not enough to carry a Bible on Sunday, it should be in use in the home throughout the week; not only in family worship, but in the incidents of daily life.

The family altar has gradually disappeared, and it is regrettable that it has, for the testimony of generations indicates that in family worship some of the most useful men and women of all ages have received the direction of life which made them great for God.

Let us not readily assume that it is not possible for us to have a family altar simply because of the difficulties of time, place, etc. But if we cannot have such worship regularly, let us show our children that we have a real interest by reading our Bibles, by sharing some blessing found therein with them, and by making prayer the natural thing in the home at all times, not just in hours of trial or adversity. Let us recognize God's Word in our family life.

**II. By Remembering God's Blessing (Deut. 6:20-25)**

The nation that forgets its past will have no future worth remembering. The Israelites were to recall that the glorious history of God's loving kindness toward them bore testimony to the truth of His Word and to the faithfulness with which He had kept them. Their young people would thus be encouraged to trust God for the future. "Hitherto the Lord hath helped," means that henceforth we may count on Him.

In every nation there are those occasions of history where only God could deliver—and He did. The recollection of such events in a way which will give the glory to God rather than to man will strengthen faith and cause men to look to God in the hour of need, and to thank Him in the day of victory.

In the family too, we should cultivate the sacred memories of God's deliverance, of His blessing, of the joy of His fellowship in bright as well as threatening moments. Children who hear such matters gratefully rehearsed in the home have an effective anchor in a time of storm.

**III. By Continuing in God's Grace (II Tim. 3:14, 15)**

That which we learn of Christ and of God's Word is to be translated into living for Christ. The experiences of grace and the remembrance of God's blessing of childhood are not for that period of life alone but for a continuing in God's grace. This carries our thought a bit beyond the responsibility of the parent to provide the proper surroundings and training, and stresses the duty of the child to apply, perfect, and continue that experience of Christian truth and testimony.

Too many careless individuals, who because of the desires of their own wicked hearts have abandoned the church and the Book, blame it on the parents. "They were too strict. We had to go to church too much. They made me go to Sunday school"—such are their excuses. Of course, we know that they are only excuses, not reasons. They are the refuge of the hypocrite who is not willing to face his own terrible responsibility.

The obligation is on each one of us to continue in the things we have learned, and if we do not, the judgment must come upon us. If we do, salvation and blessing will come to us, and we in turn will pass it on to others.

May this lesson turn many an American home back to God's way.

**BABSON SEES GOOD HOLIDAY TRADE FOR CHRISTMAS SEASON**

Babson Park, Mass., Nov. 6.—Though Christmas is a few weeks ahead, the holiday buying season is already at hand. When the gong rings and the scores are added up, dollar sales, and the size of the crowd jamming the stores everywhere will make impressive totals. Probably this year all previous records will be broken. The most important factors are: money in circulation, widespread employment, coming rationing and scarcities of merchandise, heavy buying for men in the armed services, and a determination on the part of millions of families to "Shoot the works" this year if never again.

**Cash To Spend**

Money in circulation per individual in this country has risen from \$59.50 in 1940 to \$103.38 on the same fall date in 1942. Total currency in the hands of the public is now over \$13,854,000,000 and is expanding at the rate of over \$400,000,000 per month. This does not include individually-owned funds on deposit in savings, checking, or Christmas Club accounts. Furthermore, no allowance is made for the improved credit position of millions of shoppers whose names are now in good standing on the books of merchants.

Millions of families are today enjoying the largest incomes they have ever had. Rural sections as well as defense areas are participating in the employment and profits booms. Wages for the country as a whole have increased more than \$1,000,000,000 a month for the past two years. Total such disbursements for the current year will be in the neighborhood of \$75,000,000,000. Incomes from other sources may swell this to a national income of \$117,000,000,000. Hence, from a spending point of view merchants should have nothing to worry over.

**Effect On Coming Scarcities**

No ration books containing coupons governing the purchase of clothes, other types of soft or even hard goods, luxuries, and other kinds of merchandise will be pulled on the public until after the holiday season. Right now stores are able to offer a wide assortment of goods. Again I refer you to the advertisements in your local papers to substantiate this fact. What the future holds is highly problematical. We know that the manufacture of many civilian goods has stopped. Production of much other merchandise is decreasing. Until the war's end, 1942 will mark the high point in the value of available goods for retail distribution.

Entirely aside from the customary purchase of gifts, shoppers have a real excuse for stocking up on durable goods and are justified in doing so. Among the items that may bulk large among purchases this year are luxury goods, particularly jewelry and precious stones; shoes, family clothing, women's wear, furniture and household furnishings; such electrical appliances as are available, including radios; dry goods and notions. In spite of the millions of men in uniform, sales of men's furnishings should rank high. Paint and hardware items not usually classified as Christmas purchases, should enjoy heavy sales.

**Gifts For Service Men**

This is the first Christmas in 25 years that we have had an opportunity to "go to town" for members of the family, relatives, and friends who are at war. For weeks past gift packages have been leaving our shores for fighting men abroad. More will go and a great quantity will be distributed to the boys in camp here. We are all determined that each and every service man wherever located shall be remembered with some kind of a gift this year. Incidentally in this connection, consult your shopping service or local department store manager for a list of the things that these men will most appreciate.

Service men in training or on active duty need and deserve all of the comforts of ordinary life that those at home can now send them. Thus, automatically the armed forces of any nation open up greater avenues and

NEWS FROM YOUR COUNTY AGENT

Mills County Farm Agent.

## MINERALS FOR LIVESTOCK

No livestock producer, large or small, can afford to neglect the furnishing of sufficient minerals to his stock if he is to obtain maximum production on an economical basis, which is so essential to the war effort at this time. Except in very rare cases Calcium and Phosphorus are the only two minerals, out of some 22 necessary for grazing animals that we need to be concerned about, and Phosphorus is the most important of the two. The most practical and economical method to furnishing these minerals to livestock is through the feeding of bone meal.

Controlled experiments in south Texas by the Texas Agricultural Experiment Station for the past three years have produced the following record: Cows fed a phosphorus supplement produced 83 per cent calf crop, and those fed no additional phosphorus on the range produced a 58 per cent calf crop; the weaning weight of calves from the cows fed a phosphorus supplement was 499 pounds while calves from the other group weighed only 421 pounds; the light weight calves were valued at 87 per cent of the heavier calves on the market; heifers from cows received the mineral supplement weighed 541 pounds as yearlings and those from cows received no only 441 pounds as yearlings.

Experiments show that when cattlemen refer to a pasture or area as being "strong" or "weak" there is a close correlation to this description and the phosphorus content of the vegetation of these pastures and areas. The tall coarse grasses contain less phosphorus than the shorter grasses; even when found growing on the same type of soil this is true. The fresh new growth of grass contains much more phosphorus than at later stage and when in mature and dormant only a trace is found in many kinds of grasses. Drouth of course will lessen the phosphorus content of grasses in areas. Good pasture management will tend to increase the amount of mineral in a pasture to a considerable extent. Also the feeding of cotton seed cake, and other supplementary feeds high in proteins will contribute to the supply of phosphorus. These will not provide sufficient minerals during

the fall and winter months in most cases however, when livestock are losing in weight.

Bone meal may be self fed or mixed with granulated salt. A mixture consisting of 2 parts feeding bone meal and 1 part of salt, by weight, is widely recommended. It should be fed in a sheltered feeder to reduce waste as it is easily blown out of troughs, may be damaged by rain, and, when wet, may be struck by the blow fly.

Dealers and livestock producers should be sure of the analysis of the bone meal which they purchase, a tag with the guaranteed analysis thereon should be attached to every sack. Quiet a few livestock men have been disappointed in the past with feeding the bone meal because the kind that they purchased contained too much fat which causes a rancid odor and the livestock will not consume it. Steam Bone Meal the following: Calcium 19 per cent, Phosphorus 10 per cent, Protein 25 per cent, and fat 0.2 per cent.

See your County Agent for plan on mineral boxes to feed the bone meal in.

## SAVE THE PEACH TREES BY TREATING THEM NOW

Fruit trees should be treated at this time of the year to control the peach borer or base borer. Peaches, plums and cherry trees are always killed by the peach tree borer in an indirect way if the borers are not controlled. They attack the tree at the base feeding under the bark and in the cambium layer, which weakens and sometimes kills the tree. Shot hole borers or scale insects attack the tree that has been weakened by the borer and kill it.

If masses of gum are forming around the base of the trunk, form 1 foot above to 2 or 3 inches below the surface of the soil with bits of brownish frass or sawdust mixed with the gum the tree is infected with peach borers and needs a treatment.

The best method for controlling these borers is by using ethylene dichloride emulsion. No preparation before or after treatment is required; it is safer on young trees than other material according to directions on the container, then use 1-8 pint for trees up to 2 years, 1-4 for trees up to 4, and 1-2 pint for trees 4 years and older. Use this the first part of November if possible as best results are gener-

### Comanche—

Registration for gasoline cards is set for November 12-14; actual gas rationing starts Nov. 22.

C. M. (Uncle Charlie) McKenzie, 86, pioneer Comanche County citizen, died at his home in the Mercer Gap community Thursday, Oct. 29.

Mrs. E. G. Wells, Blanket, Rt. 2, author of the new book, "Blazing the Way, a History of Comanche County," announces that the sale of the book so far has exceeded her expectations and that she has received many compliments on the issue.

State Senator Penrose Metcalfe of San Angelo visited in Comanche and De Leon last week. He delivered an address at Brownwood in which he advocated the defeat of the proposed "pay as you go" policy for the state which carries a provision for a bond issue to liquidate all outstanding overdrafts from the general revenue fund.

Beginning Monday, the Comanche Public Schools will take up one-half hour later than heretofore, be dismissed at 12:30 instead of 12 for lunch, and the dismissal at the end of the day will be a half hour later.

Millard Coleman went this week with the group of draftees leaving Comanche for a physical examination. If he is accepted he will be the first man selected by the local draft board who saw service in the First World War.

Census report shows that 627 bales of cotton were ginned in Comanche County from the crop of 1942 prior to Oct. 18, as compared with 377 bales for the crop of 1941.

The song dedicated to the Hay Fever Club is "It flies through the air with the greatest of sneeze."—Chief.

### Lometa—

A basket picnic for the veterans of World War I, will be held Sunday afternoon, November 4, at 5:30 o'clock in the Mrs. E. J. Noyes pasture east of the Lampasas State Park.

Mr. and Mrs. Grover Pamplin of Goldthwaite, visited his parents here the first of the week. 1st. Lieut. Samuel T. Donnell, having completed a six weeks course of military instructions and physical conditioning at the Air Force Training School at Miami Beach, Florida, was graduated with his class in the Air Force of the Army of the United States.

Bill Scott of Bend, who some months ago developed cancer of the muscle, and went to the Veterans Hospital at Chicago, Monday under went an operation for the removal of his right leg and foot.

When friends at Bend heard he was doing nicely; however, it was too soon to tell what the outcome would be. His many friends hope the operation will prove beneficial and he will be able to return home soon.

Richard Weldon Turnbo, son of C. A. Turnbo, of Lometa, Texas, is now enlisted in the U. S. Pre-Flight School here. Turnbo, a former student of John Tarleton College, Stephenville, completed CAA Primary Training at Stephenville.

ally obtained at this time. Pour the solution around the base of the tree and a little should be poured on the tree base. If the soil is hard, it should be loosened with a hoe so that the liquid will not run off. If the borers are working in the tree above the ground, a mound must be built up around the tree because only those borers from 3 to 6 years, and 1 ounce for trees 6 years or older. The best time to use P. D. B. is in late October and November in this part of the country.

Paradichlorobenzene is poured in a ring around the tree with the inner part of the ring always 1 to 1-2 inches distance from the tree. The width of the ring should be 1-2 to 3-4 inches. This material is then covered with a few shovels of dirt and left for two weeks and then uncovered.

### San Saba—

San Saba County schools have brought in 141,781 pounds of scrap metal, and San Saba city schools' scrap pile netted 62,230 pounds. The U. S. Treasury Department is furnishing schools Scrap Books to keep records of scrap collected, War Stamps bought by pupils and donations to the war effort. The scrap drive is continuing and will as long as our government needs scrap.

Dorothy Biddle noted authority on gardening and flower subjects, will lecture on holiday decorations at the Anna Shelton Hall, Women's Club, Nov. 6, at 10:30 a. m. She will build her lecture around the idea of being economical in decorating this year, suggesting that material on hand be used.

Imaging the pleasant surprise experienced by Mrs. Matthew Kuykendall and Mrs. R. L. Johnson, both of New York, after writing to Bend for each other's address, learned that they were practically next-door neighbors. The ladies are former Bend girls and their husbands former Bend boys. The Johnsons and Kuykendalls lost little time in getting together.—News.

### Lampasas—

To meet the requirements of rural pupils who have to start from home, some of them before daylight at present, the local schools will start a new schedule next Monday, operating just one hour later than at present.

The first event of the Garden Club program for the fall is to join in the nation-wide effort

of gardeners and stage a show for the benefit of our armed forces.

The body of Mrs. Jack Barrington was buried at Oak Hill Cemetery Sunday afternoon following funeral services in the Methodist Church at 3:30 which were conducted by the pastor, Rev. J. E. Fuller.

Mrs. Joe Tarry, 29, died Wednesday morning, Oct. 28, at four o'clock at a Hobbs, N. M., hospital, following only a few days' illness. Mrs. Tarry, the former Miss Hazle Cox, lived with her parents, Mr. and Mrs. F. M. Cox, at Moline nine years.

Mrs. T. H. Summerville entertained her grandson, Kenneth Harold Carlson of Galveston, with a birthday party last Friday. The Halloween motif was carried out. He was one year old.—Record.

### Hamilton—

The Hamilton School Board announces the election of Virgil M. Santy as Superintendent of Hamilton Public Schools to succeed A. C. Nix, who resigned to enter service in the U. S. Navy.

A deal was consummated Tuesday of this week whereby J. T. Casey became sole owner of the Hamilton Amusement Club, having purchased same from J. F. Simpson, by whom Mr. Casey has been employed to operate for a number of years.

Registration for mileage rationing in Hamilton County will be conducted on Nov. 12, 13, and 14. Jess Brown, chairman of the Hamilton county War Price and Rationing Board, announced today, and actual begin Nov. 22.

Two large turkey dressing plants, modernly equipped, have been thoroughly renovated and made ready for the opening of the 1942 Thanksgiving turkey market season in Hamilton.—Herald-Record.

## WHOSE BOY WILL DIE BECAUSE YOU FAILED?

Or maybe you don't care!

We think you do. We feel that our whole community is ready to rise up and bring in the scrap as soon as you get a chance. So you're going to get that chance!

Next week we're starting the biggest drive you've ever seen, to get in this precious material. And you're going to pitch in, too, because this situation is serious.

Start looking around your place for scrap today. If you've got a son in the service, do it for him. Do it for the neighbor's boy—for those fine young chaps you just passed, out on the street.

Above all do it for your country... and do it now!

THINK about it as revenge—a way to get back at the scum who have attacked us. Or think about it as a little more protection for our fighting men—something you, yourself, can do to bring as many as possible home alive.

But think about it now—for the scrap in homes, farms and factories has got to be moving to stockpiles within the

next few weeks or it may be too late!

Maybe you don't know what it means to have production fall off. Maybe you can't imagine how it feels to be hunkered down in a foxhole wishing for just one more clip of cartridges. Or to see the enemy rolling through your lines because you didn't have just a few more tanks.

**MELBA THEATRE NEWS**

**'MRS. MINIVER'**  
 "Miniver," Jan Struher's best-  
 selling novel, dealing with the  
 high courage of the English  
 middle classes under air raids  
 and war terrors, is brought to  
 the screen as a living breathless  
 reality by **Greer Garson,** **Walter**  
**Pidgeon** and a perfectly chosen  
 cast in the M-G-M picture  
 showing at the Melba Theatre  
 Mon. mat. and night; Tue. and  
 Wed. night.  
 The story deals with **Mrs.**  
**Miniver** and her husband, **Clem,**  
 played by **Miss Garson** and **Pid-**  
**geon,** teamed for the second  
 time since "Blossoms in the  
 Dust." Their son, **Oxford,**  
 joins the R.A.F. and becomes en-  
 gaged to the granddaughter of a  
 noblewoman of the village in  
 which they live. How they do  
 their best to carry on life as us-  
 ual: their bravery under raid al-  
 arms: how the older men aided  
 at the rescue at Dunkirk: fig-  
 ure in moving human interest  
 episodes mingled with comedy.  
 The destruction of the village by  
 bombers is climaxed by the vil-  
 lagers, in their vicar, resolving  
 cool courage an abiding faith,  
 resolving to "carry on" with the  
**Miss Garson's** role is touch-  
 ingly human and **Pidgeon** typi-  
 fies the valor of the British under  
 fire. The love angle is in the  
 hands of pretty **Teresa Wright**  
 and **Richard Ney,** and **Dame**  
**May Whitty** is dominant as the  
 noblewoman to whom the trials  
 of war bring a new democracy.  
 Typically English characters  
 are enacted by **Reginald Owen,**  
**Henry Travers** and **Christopher**  
**Severn.** **Henry Wilcoxon** has an  
 inspiring speech as the vicar.  
**William Wyler** directed with  
 charm and a deep human touch,  
 and **Joseph Ruttenberg** contri-  
 buted effective and artistic  
 photography. Inspiring, is the  
 musical score by **Herbert**  
**Stothart.**

**NELSON PLEDGES AID**  
**FOR TEXAS PAPER MILL**

Washington, Oct. 16  
 Senator **Lloyd Spencer** (Dem.)  
 of Arkansas declared Friday  
 that War Production Chief  
**Donald Nelson** had given as-  
 surance that the Southland  
 Paper Mill at Lufkin, Texas,  
 would not be allowed to fall idle  
 because of the lack of chemical  
 pulp.  
 The mill now obtains its pulp  
 from other companies, which  
 have given notice they will not  
 renew their contracts, **Spencer**  
 said. Southland is constructing  
 its own chemical pulp plant but  
 construction is about to be stop-  
 ped for lack of critical material.  
**Nelson** discussed the mill in a  
 recent conference with Senators  
**Tom Connally** (Dem.) of Texas  
 and **Spencer,** and **E. L. Kurth,**  
 mill president.  
**Spencer** said **Nelson** promised  
 he would see to it that the pre-  
 sent sources of pulp were not  
 cut off before priorities were  
 forthcoming and Southland's  
 own pulp plant completed.

**Mrs. Bill Stephens** and little  
 daughter, **Mary Carolyn,** of San  
 Antonio and her mother, **Mrs.**  
**Cross** of Brownwood, were guests  
 in the home of **Mrs. L. E. Miller**  
 in this city Friday of last week.  
**J. R. Stroud's** family of Den-  
 ton arrived last Sunday and  
 now occupy one of **W. P. Weav-**  
**er's** cottages on North Fisher  
 Street.  
**Mrs. Carl Moreland** received a  
 message Tuesday from **Mr.**  
**Moreland** at Pearl Harbor. He is  
 doing nicely.
