

THE GOLDTHWAITE EAGLE

GOLDTHWAITE, MILLS COUNTY, TEXAS.—FRIDAY, JULY 30, 1943

NUMBER FORTY-NINE

E. STOCKTON TO HEAD MILLS COUNTY WAR CHEST FUND DRIVE

E. Stockton, Vice-President of the Trent State Bank, has accepted the appointment as head of the Mills County division of the United War Chest of Texas.

STATE DIRECTORS

State directors of the United War Chest of Texas from Region 1 were announced the first of the week by George A. Butler, president and campaign chairman of the State War Chest. An attempt has been made to have every section and virtually every interest thoroughly represented on the board which includes more than 350 men and women. Mr. Butler announced, "We feel that we have one of the finest boards selected in the state."

The following counties are in Region 1: Bastrop, Blanco, Burleson, Caldwell, Fayette, Hays, Lampasas, Lee, Llano, Mason, San Saba, Travis and Williamson.

WHERE HELP GOES

The sixteen agencies which have met the approval of the United States War Relief Control Board for participation in the National War Fund are:

- United Seamen's Service.
- United Prisoners Aid.
- United Nations Relief.
- British War Relief Society.
- Greek War Relief Fund.
- Norwegian War Relief Association.
- Polish Relief, Queen Wilhelmina Fund.
- Russian War Relief.
- United China Relief.
- United Slovak Relief Fund.
- United Yugoslav Relief Fund.
- Refugee Relief. This includes the United States Committee for the Care of European Children.

WAR CHEST ORGANIZED

The United War Chest of Texas has set up through its own organization to assume full responsibility for the war chest fund in the state level for the war chest fund campaign. The organization was born of a meeting at Austin, July 7, 1943, when representatives from every part of the state asked Governor Coke to serve as honorarium chairman and named George A. Butler, Houston attorney, as active chairman. Following the meeting of the board of directors in Dallas, July 7, organization plans will be completed.

PLAN OF EXPLANATION

The role of the United War Chest of Texas is to serve as a link between the National War Chest and the individual Texas counties or county which assume full responsibility for its share of the American War Chest as carried by the State. The organization has been organized by the National War Chest, as its sole fund-raising representative within the state and will also serve the purpose of coordinating in a single program the fund-raising activities of the national and state agencies. It will receive funds collected within the state for transmittal to the national agency, but will disburse the minimum funds necessary for the conduct of the campaign. The money raised among the participating agencies will be determined by the Board of Directors of the United War Chest with the aid of the President's War Relief Board.

ORGANIZATION PLANS

The fund is to be divided into 21 sections to raise the quota of approximately \$5,000,000 which has been accepted as its

portion of the National War Fund. A regional chairman is to be named to direct the program in each of these big areas, and in addition a competent, full-time regional supervisor will be assigned to aid in carrying out the details of the program. From this basis county and community organizations will be set up. The basic organization is so planned that counties or communities so desiring can include budgets for the carrying out of their own local welfare programs, a step which further suggests the full autonomy of the small unit in the National War Fund campaign.

OFFICERS OF UNITED WAR CHEST OF TEXAS

Governor Coke R. Stevenson, honorary chairman.
George A. Butler, Houston, active chairman.
Wayland D. Towner, Manager, (Board of Directors to be named.)

METHODIST NOTICE

We will conduct all regular services at the Methodist Church Sunday.

We invite any and all to attend these services. We want you to come and worship with us.

LT. GERALD BACK FROM GERMANY RAID

The Fort Worth Star-Telegram Monday carried the following news item from a Flying Fortress Station Somewhere in England:

When a man returns from a bombing mission the first thing he does is to look for mail from home.

As soon as Lieut. Richard Martin, navigator on a Flying Fortress returned from Sunday's big raid over Hamburg, he jumped from his plane, picked up his mail and took it with him to the interrogation hut.

He read a letter from his wife saying, "Darling, I have an invitation for you to go duck hunting."

Martin, freshly back from a shooting bee over Germany, noted the contents with regret, for he likes to shoot.

Sunday's raid was highly successful from the standpoint of the crews, the group from this station reporting little fighter opposition.

However, there was enough enemy action to satisfy Lieut. Sumter Gerald of Goldthwaite, Texas. He came back with two engines shot out of control by flak. With the help of Co-Pilot Lt. James Holman of Elrod, Ala., Gerald made a swell landing and said Holman did a masterful job as co-pilot.

Capt. Richard Weitzenfeld of Chicago and Major Gaston Alford of Rising Star, Texas, led the raid.

Lt. Gerald is the son of former County Judge and Mrs. R. J. Gerald. He was married the latter part of last year to the former Miss Laura Helen Saylor, daughter of Mr. and Mrs. Claude Saylor.

LOCAL MAN ENTERTAINED BY SAN ANGELO FRIENDS

G. H. Frizzell returned last Sunday night from San Angelo, where he had been visiting. Mr. Frizzell, with Mr. and Mrs. Claude Bachus, Lt. and Mrs. Wayne Woodard, Mr. and Mrs. Charlie Ware, and Mrs. Ellis Benton and two daughters, all of San Angelo, spent last Friday, Saturday and part of Sunday at Lake Nasworthy, near San Angelo. Mr. Frizzell reported a big time.

TEXAS PRODUCES TEST TUBE RUBBER

Back of the scientists on the "front" in the synthetic rubber program is another and even larger group of research experts, constantly experimenting to improve known processes of American Made rubber manufacture.

The men at the front are those who actually operate the machines and direct the operations at synthetic plants such as that which will open June 28 at Baytown, Texas, under the management of The General Tire and Rubber Company.

The men behind the front are the chemists in the universities of the country such as the group pictured above. These men, from the chemical department of Carnegie Tech at Pittsburgh are working with General Tire's own chemist to develop new processes and new synthetics.

Already great strides have been made in improving the processes known to the industry when war shut off our supply of natural rubber from the far east. Attention of the nation is being called to the role Texas is playing in the American Made rubber program in ceremonies to be held in Houston and the Tri Cities June 28.

Picture, left to right, seated above are:

Dr. Harry Seltz, professor of chemistry at Carnegie Tech; and Dr. James P. Fugassi, assistant professor of chemistry at Carnegie Tech; standing, F. A. Mayfield, General Tire and Rubber Co.; Dr. Guido H. Stempel, Jr., assistant professor of chemistry at Carnegie Tech; T. E. Grotenhuis, General Tire, and Dr. Robert C. Jones, Carnegie Tech.

FARMERS TO GET 1ST CHOICE LAST BATCH EMERGENCY TIRES

With the nation's stockpile of tires going fast and the synthetic rubber program holding little promise of tires in quantity for civilian use in the near future, farmers will get first choice of the last batch of government emergency tires, it was announced today by Chairman W. L. Mahan of the Mills County War Price and Rationing Board.

The chairman said he had been informed by the Fort Worth District OPA Office that the nation now was entering into its gravest tire crisis—the long feared gap between the time we would be at the bottom of the barrel on tires and the time tires made of synthetic rubber would be available for civilian use. The best available estimate is that this crisis will continue for the next six months, Chairman Mahan said, in view of the fact a deficit of more than three million tires is anticipated during that period.

"Already we are feeling the shortage keenly with respect to 600 x 16 and 650 x 16 size tires. We are almost to the point now when a tire certificate from this board amounts to little more than a 'hunting license' for the person holding it," declared Mr. Mahan.

The hope of the farmer lies in the "bottom of the barrel" emergency tires, those that are repairable but not recappable, now owned by the Defense Supplies Corporation. With these, said the chairman, the nation's food producers may bridge the gap.

Rural tire dealers throughout the southwest have been advised to place their orders for these emergency tires directly from the Rubber Manufacturers Association, or the Defense Supplies Corporation, if they have not bought them before. However, if they have obtained them before, they should get them from their usual source.

This is the "last call" on these tires, according to Mr. Mahan. A dealer may order as few as 25 or as many as 200 of these tires. Delivery price to the dealer is 50 cents and the retail price to the consumer one dollar.

COUpons IN GASOLINE BOOKS MUST BE ENDORSED IMMEDIATELY

Motorists and all other gasoline users were reminded this week by W. L. Mahan, Chairman of the Mills County War Price and Rationing Board, that all the coupons in their gasoline ration books must be endorsed immediately.

Coupons in new books issued after July 22 should be endorsed as soon as they are received from the War Price and Rationing Board, Chairman Mahan said. In addition, users should write endorsements immediately on any coupons now in their possession or received before July 22.

In the past it has not been necessary to write notations on coupons until they were actually used to buy gas.

Immediate endorsements are required under a new OPA amendment both as a convenience to the public and as a help to OPA investigators in checking misuse of ration coupons falling into the hands of persons not entitled to them, the Board Chairman pointed out.

"Under the new plan the motorist by spending a few minutes endorsing his coupons all at once will save delay and trouble when he goes to a filling station to buy gasoline," the Board Chairman said.

"The new requirement also means greater protection to the motorist whose book is lost or stolen, since the finder or thief will not be able to pass off the coupons as his own by writing in his own license number," the Chairman added. "By cooperating in making these endorsements promptly the rightful holders of a gasoline ration will be rendering invaluable assistance to OPA in its job of detecting a black market in gasoline and gasoline coupons. Endorsements make it possible to distinguish the coupons that have been properly used from those that have been obtained by theft, counterfeiting, and illegal purchase and put into unlawful use by black market operators. Individuals who endorse these coupons will thus help OPA see that gasoline is distributed and used in a fair and equitable manner."

GOLDTHWAITE LEGION TO BE HOST FOR DISTRICT IN OCT.

LOCAL POST RECEIVES BID FROM DISTRICT COMMANDER SCOTT

41 MEMBERS NOW ENROLLED IN HARRY F. EDMONDSON POST

The newly-organized Harry F. Edmondson Post No. 289 of the American Legion here this week received an invitation from District Commander A. R. Scott to be host to the district convention some time in October.

Arthur Cline, temporary post commander, after getting in touch with as many of the Legionnaires as possible, advised Mr. Scott that in all probability the Goldthwaite Post would accept the invitation.

Plans are now being formulated to have a real all-county get-together day at Goldthwaite. Merchants of the city will be asked to participate in a big parade and military bands and war equipment from Camp Bowie and Camp Hood will possibly be secured for the day.

The exact date of the convention has not been set, but this information will be forthcoming shortly through the Eagle.

GETS \$10 IN STAMPS

The Goldthwaite Legion Post won two five dollar prizes for securing the most members recently and the stamps are now in hand. The following two letters are self-explanatory:

Coleman, Texas.
July 27, 1943.

Mr. A. W. Cline,
Post Commander,
American Legion,
Goldthwaite, Texas.

Dear Mr. Cline:
I have just heard that you have recently reorganized your Legion Post. We are all very glad to know that you are back in the harness again. I hope

HASH

By J. S. BOWLES

This is Sunday afternoon. I can well imagine that if a person felt compelled to write something that had any depth to it he would find it quite a job. It is too hot, too hot for comfort, or for ability to think, even if one ever flattered himself or fooled other people into the idea that he ever had a thought beyond the mere commonplace.

I had a letter from my wife yesterday. She is in Goldthwaite with her mother who is seriously afflicted. She should be there at this time; one only has one mother, and all the care that can be given should be given them in an hour of affliction like she is enduring.

You may tell her that I am getting along pretty well, and am very busy for a mere youngster. So she can remain there while it seems necessary to stay.

Yes, I am getting along pretty well. I had three invitations to dinner today. I accepted the first one offered and got as fine a dinner as one could desire. Fried chicken with all the "fixings," orthodox Methodist fashion. I could not but wonder in astonishment, however, why these invitations were not given me in installments so as to come at some other time. But still it doesn't matter much as they have come pretty often any way since I have been "batching" I am telling you this so as to make my wife sorry she is not here to enjoy these luxuries. But she can comfort herself with the thought that had she been here neither of us might have been the recipients of such generosity.

Saturday, yesterday, was one of my big business days. Yes, it was hot but I was as busy as a one-armed paperhanger. Up at six o'clock, had coffee and went to work canning my wares for future use. I followed the instructions of my wife. She laid the law down before she left. So I put up grapejuice, and marmalade and did a mighty good job of it, too. I am not yet done, either.

The day's work was finished by performing a marriage ceremony.

I wish everybody had the good sense of Mr. Weaver, and would manifest it as he did in last week's Eagle, by keeping before the people the fact that we have a war going on in some parts of the world, and that a lot of the Texas boys are in the thick of it. Some folks only know that there is a war being fought when they have to buy something for which they have no points left, or when they face rationing in something for which they have no special need and could well do without. As I heard a preacher say some time since: "Some folks just ain't got no sense." Why just a few days since a fellow in Fort Worth bit an ear off one of our leading merchants because he would not sell him goods without the necessary "points" called for by the government. I don't wish most people any harm, but somehow I cannot avoid hoping that that fellow of the baser sort may be sent to the penitentiary for this unpatriotic deed.

I have not yet written a heading for this scatterbrained letter, so I shall turn back and give it what I think to be a proper heading. Mark Twain, or some one, has defined hash as "the substance of things hoped for, the evidence of things not seen."

Tribute To The "Country Editor"

"Did you ever stop to think of the unselfish service rendered by the home town editors—the ones that we affectionately refer to as 'country editors'?" Boyce House, widely known Texas author, asked 300,000 radio listeners on the Justin Boot and Shoe program, "I Give You Texas and the Great Southwest," heard each Sunday at 12:45 p. m. over the Lone Star Chain stations. House continued:

"Confronted by a shortage of labor and supplies, with higher taxes which he must pay and his share of War Bonds to be bought, the home town editor is not only carrying on his peace-time service to the community but is contributing immeasurably to the war effort. The bond-selling campaigns, the Red Cross and the USO drives—these could not be a success without the tremendous aid that the home town press has freely given.

"The editors of Texas are contributing to the war also by helping to maintain the morale on the home front, in the army camp and on the firing line because they print soldiers' letters, which the folks at home crave; and the papers go to the men in uniform, with the news about the every-day things and the institutions of normal life that they are fighting to preserve and that they look forward to coming back to, when this terrible war is over.

"If I were gifted with the wizardry of words possessed by a Henry Grady or a Charles Dickens, perhaps I could then give an adequate tribute to that grand fellow—the country editor.

"My father was one.

"Did you ever hear of a Texas editor committing suicide? No—he weaves his life into the life of his community. His own personal affairs become small and unimportant alongside the affairs of his own town and county. He has a wide perspective; he sees things in their proper proportions.

"And, by the way there is not one newspaperman in the Texas penitentiary—not because they're too smart to be caught but they are too busy and having too much fun doing things for others to do something wrong for their own selfish interest.

"Where would the schools, the churches and government itself be if it were not for the editor? No man gives more in building civic enterprises and receives less in the form of material reward. And if words are lacking with which adequately to eulogize the country editor, then indeed is one at a loss to portray his loyal, sympathetic understanding, patient, hard-working, self-sacrificing life partner—the country editor's wife!"

LOOKING BACKWARD
TWENTY-FIVE YEARS AGO

From Eagle file of August 3, 1928
J. C. Darroch, Judge Weaver and Prof. Price left Tuesday for a few days outing on the Llano. Dr. Campbell accompanied his wife and baby to Temple Saturday night where the baby was placed in the sanitarium.

F. P. Bowman and family were among those who went to Lampasas this week to attend the Baptist encampment. Miss Willie Taylor went to Mullin Wednesday for a visit before going to Manor for a visit to her sister, Mrs. George Tempin and family.

S. L. Caraway and family of McGirk passed through town Monday enroute home from San Saba, where they attended the Christadelphian meeting last week.

Corporal Arthur Cline is doubtless one of the Mills County boys in France now. His parents have been advised that they will likely hear from him from that direction the next communication.

Mrs. M. McGirk was called to Brownwood Thursday to be with her daughter, Mrs. G. A. Bourland, who is sick.

Mrs. R. L. Burns returned the first of the week from a visit to her son, Oscar, and family at Clifton.

H. G. Bodkin and wife are now at home in their "parsonage" residence on Parker Street.

Mrs. Sallie Smith of Temple, is visiting her sister, Mrs. Will H. Trent, in this city.

Misses Addye Smith, Myrtle Harrison and Lawrence Thompson expect to visit in Dallas next week.

Boyd Harrell is here from Austin visiting relatives.

Mrs. J. M. Simms and little son are here from Sweetwater visiting W. F. Simms and wife.

Luther Soules and wife of Moline were greeting friends and homefolks Saturday.

Master Watson Ross of this city is spending a while with his grandfather at Payne.

Mrs. H. E. Moreland, of this city visited Mrs. Jess Pearce in Coleman the first of the week.

Health Notes

"Be sure that your preschool child will be ready to go to school in September," Dr. Geo. W. Cox, State Health Officer, urges the parents of all children who will respond to the school bells for the first time next fall. "If you have not already done so, start now to prepare your child for the added strain of school life.

"First and foremost is the need for vaccination against smallpox. Parents and physicians should see that children are vaccinated before they are one year of age; the matter is entirely in the hands of parents and their doctors during the earliest years of life. At school age, however, vaccination becomes absolutely necessary. If your child has not been vaccinated, have it done immediately so that the scar will be completely healed before school opens."

Immunization against diphtheria is also highly desirable, Dr. Cox believes. This disease, which causes serious illness and deaths among young children, can be prevented with toxoid. The child who has never been protected should be given this safeguard against a dread disease. Even though he may have been immunized as a baby, doctors and health officers usually recommend an additional dose of toxoid to strengthen immunity before entrance into school.

"In addition, before you send your child to school you are urged to take him to your physician or the nearest clinic for a complete physical examination," Dr. Cox adds. "You will want to know that he is in good physical condition and can compete with the other children on equal terms. If the check-up reveals any weakness or defects there will be time to build up his general health and correct defects before September. Don't let your child start his school life with any avoidable handicap."

Eat it up, use it up, wear it out, make it do. Buy War Bonds instead.

Improved Uniform International LESSON SUNDAY SCHOOL

Lesson for August 1

GOD DELIVERS HIS PEOPLE

LESSON TEXT—Exodus 5:22, 23; 6:1-7:12:51. GOLDEN TEXT—Call upon me in the day of trouble; I will deliver thee, and thou shalt glorify me.—Psalm 50:15.

Why doesn't God do something? People are quick to ask such a question in a time of crisis. Today they want to know why God permits the war to go on. In the day of our lesson Moses wanted to know why God did not deliver His people from Egypt. He and Aaron had been appointed of God to lead them out, but their first efforts only met with failure and increased persecution.

The complaint of Moses, and the response of God make an instructive story for our consideration and guidance. It will answer our questions.

I. Moses Said, "Thou Hast Not Delivered Thy People" (Exod. 5:22, 23).

When the efforts of Moses brought heavier burdens on the people they blamed him and Aaron for making their situation worse. This sorrow and shame made them doubt God's calling and commission. How quickly men are discouraged in their purpose to serve God.

The people were wrong in their attitude. They should have been patient. They ought not to have assumed that the loss of the first skirmish meant the loss of the whole campaign.

Are we not just like them? The new minister or the recently elected Sunday school superintendent makes a mistake and instead of helping him to pick up the pieces and start over, we decide that he just will not do, that we must have a change.

Even though the people were wrong, however, the man of God should not have lost his faith and accused God of failure to keep His promise. He was supposed to have learned the lesson of patience in the long years on the backside of the desert. Had he forgotten the experience of the burning bush?

II. God Said, "I Am Jehovah, Thou Shalt See What I Will Do" (Exod. 6:1-7).

In other words, Moses was to remember that he was dealing with the Eternal One, unchangeable, and always true to His word and able to make His will come to pass.

So often men in dealing with God think of Him in terms of their own weakness and failure. What we need is to have a Godlike conception of God, not a manlike idea of Him. God is the infinite and Eternal One with whom we have no right to quarrel, and whose dealings with us are too high for us to judge (Ps. 139:1-6).

God's covenant with His people was established (v. 4). He had heard their cry (v. 5) and His deliverance was sure (v. 6). The only thing Moses had to do was to wait and see God work.

That word "wait" is a little one. It seems to call for no effort, to be easy of fulfillment; yet it seems to be the hardest thing for a human being to do. Men who carry the burden of active warfare with ease and with honor become discouraged and sick when they must sit in a prisoner's concentration camp and wait for deliverance.

Christians who can speak and work for God when things are active and moving become querulous and despondent when they have to wait for something to happen, or when they are laid aside for a time.

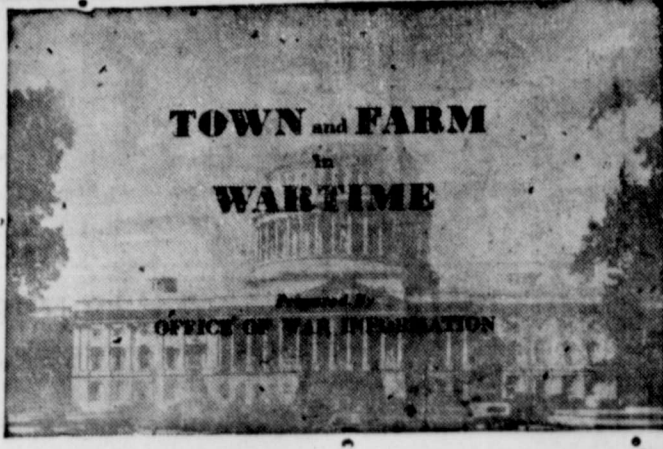

His promise is sure. That is not just a religious sentiment. It is a fact, and it is proved by history. Note that in the case of Moses—

III. History Said, "I Came to Pass the Selfsame Day" (Exod. 12:51). Moses had to take God's word, for "the selfsame day," which we read here came later. It came in God's own time, after He had, through Moses, humiliated and broken the hard will of Pharaoh. Then He gave His people the great memorial feast of the Passover, teaching them the needed lesson that redemption is by the shedding of blood.

In that night Jehovah did bring the children of Israel out of the land of Egypt. That deliverance was as certain the day He made the first promise to Abraham (v. 3, and Gen. 12:1-3) hundreds of years before, as it was now that it had been accomplished.

History is really God's story, revealing His outworking of His plan for mankind. The torn and blotted pages are man's handiwork. Sin and unbelief have caused him to hinder the work of God, but God is not defeated, and in the midst of man's self-created chaos, He proceeds quietly to work out His own purpose.

The many prophecies of Scripture which have been fulfilled not only prove His divine inspiration, but demonstrate His dependability. Every promise of God is "yea and amen" in Christ (II Cor. 1:20, 21). We can count on that!

Marvin Jones' Crop Report

War Food Administrator Marvin Jones said recently that, on the average, farmers are meeting this year's production goals for field crops. Earlier reports indicate that livestock and livestock products also will reach production goals. Mr. Jones said: "We will have enough food in this country—given at least average weather for the rest of the year—to give civilians adequate and healthful diets, in addition to meeting military and other essential wartime requirements. This does not mean, of course, that there is any better chance than appeared earlier for having all the food that civilians would like to buy, or that civilian supplies for some individual items will not be far below the demand.

"For some important crops—including rice, oats, flaxseed, and potatoes, estimated 1943 acreage is well above the year's goals.

"Acreage of corn, hay, barley, grain sorghums, cotton, and tobacco is about at the goals. Acreage of sweet potatoes, dry field beans, peanuts, and sugar beets is below 1943 goals."

Soldiers' Life Insurance Soldiers—at home or abroad—are reminded that less than three weeks remain in which they can get National Service Life Insurance without a physical examination. Until August 10, 1943, every application will be accepted regardless of the individual's medical condition. After August 10 a rigid physical examination will be required.

A program to make clothes rationing unnecessary, announced by Donald M. Nelson, chairman of WPB, contains these six points: (1) increased production, (2) orderly and adequate distribution, (3) more "volume" merchandise, (4) allocation of materials essential needs, (5) increased imports of clothing, and (6) proper care of clothing by consumers. There is an adequate supply of textiles to meet civilian needs, the WPB has determined.

Five of the Smith brothers were together on the river Saturday night and Sunday. They were Messrs. Homer, Robert, Claud, Barton and Arthur Smith and family of Mission. Miss Blankenstein of Austin was present, a guest of Mr. and Mrs. Claud Smith. Mrs. Rena Smith and children were present also. The men caught a 28-pound fish and the crowd enjoyed a fish fry Sunday. They were joined at noon by Mr. and Mrs. Tim Davenport and girls and Mr. and Mrs. J. M. Wrinkle. J. A. and Hubert Stark, Mr. and Mrs. E. G. Letbetter, Mr. and Mrs. John Plummer and Jack and C. T. Wrinkle and C. W. joined the folks in the afternoon and the men played croquet.

Mr. and Mrs. Hugh Caudle of Fort Worth spent the week-end with her parents and with their son Robert who is visiting his grandparents. Mr. and Mrs. John Parker.

Mr. and Mrs. J. O. Wolff and children spent the day with Mr. and Mrs. Roy Letbetter Sunday.

Sunday night callers in the J. O. Wolff home were Mr. and Mrs. Henry Curtis. Their son, Cash, writes he is pleased and very busy these days. He is in the Navy stationed at San Francisco, Calif.

There are eight young men from this community in our country's service. Three of them are on overseas duty.

Mr. and Mrs. C. T. Wrinkle spent Monday in town on business.

SCALLORN—

By MRS. ORA BLACK

The protracted meeting scheduled for this place and conducted by Rev. Stohler of Brownwood, is in progress now and will continue through this week. Lunch will be served on the ground Sunday as was this Sunday. We had a large crowd Saturday night and Sunday. Let all who will come and worship with us.

Mrs. Arlie O'Bannon and Mrs. Carcher O'Bannon called Wednesday afternoon on Mrs. Terrell Casbeer.

C. H. Horton went to Goldthwaite over the week-end, to be with his son, Elmer, who is to leave for foreign service.

We are glad to learn of our very dear friend, Mrs. Claunch, mother of John Kuykendall, who resides in Goldthwaite, is rapidly recovering from illness. Mrs. Claunch lived in this community for several years.

Mrs. Walter Earl Featherston visited last week in the Walter Featherston home.

Billie and Freddy Wittenburg went to Belton last week for a visit with their grandparents, Mr. and Mrs. Holland.

Visiting here this week with his sister, Mrs. W. E. Stevenson and brother, Jim Hunt, is Gus Hunt, of Amarillo. Mr. Hunt attended church here Sunday and enjoyed the lunch as well as making new acquaintances. He reports his section of the West in a flourishing condition.

Mr. and Mrs. Terrell Casbeer went to San Saba Thursday last week after Mr. Casbeer's mother, who will spend some time in their home.

Mr. and Mrs. Jesse Ball visited the week-end with her parents Mr. and Mrs. Dutch Smith.

Mrs. E. Ray Smith and little daughter and Mrs. Della Tyson of Goldthwaite, spent part of last week in the C. H. Black home.

Luncheon guest Thursday of Mr. and Mrs. Terrell Casbeer were Rev. Paul Stohler and Mrs. Stohler of Brownwood.

ROCK SPRINGS—

By MRS. EULA NICKOLS

When you read this I'll be in Abilene, visiting my daughter, Mrs. Earline Roberts, and my grandchildren. Beryl will leave there the first of next month for another job or the army camp. He has been very lucky in getting to stay in Abilene so long. If he doesn't go to a camp he will be sent to Dallas or Tyler to do office work. He is Corporal now.

I also want to congratulate Dan and Tonie in their new cave space. It will be so much nicer with more room. I wish you good luck.

Rev. Leslie Sparkman and wife from some place in Missouri visited in some of their friends home last week. They spent Monday night in the Cook home.

After supper Woodie Traylor and wife joined the crowd and enjoyed ice cream.

We want to welcome Earl Fairman and family in our community. I've known Earl all of his life. But I couldn't say whether he will make a farmer or not. They have a nice country home.

Mrs. Rudolph Cook and Betty Lou, spent Friday afternoon in the Nickols and Whitley homes.

James Nickols and Hobson Miller finished papering Mrs. Anderson's rent house in town Thursday. Friday they went to Otis Carrothers to build a cabinet and paper a room.

Daniel and Ballard are still selling watermelons. They have sold lots and have made lots of money.

Barney Tippen has some cotton and this hot weather seems to be good to make it grow for it sure is growing. How could anything grow as hot as it is?

I hear the Newton baby that had paralysis is doing all right.

Mmes Roush and Dunkle from town ate dinner Thursday in Woodie Traylor's home. In the afternoon they visited in the Nickols home. Little Christene Traylor went home with them.

While Bro. Sparkman was here, he and Rudolph Cooke and son, and Bill Stacy, went to Buckhannon Dam, fishing. I don't know what kind of luck they had but I expect they caught a big one and it got away. That is usually what they all tell.

I hate so bad I won't get to attend the meeting out here. I hope they have a good meeting. I feel sure Bro. Bryant will bring good sermons.

Philip Nickols and wife and Hobson Miller and family from town and Otis and Besse Hutchings enjoyed ice cream in the Nickols home Friday night.

I enjoyed the Soldier Letters, and Bro. Bowles and Mr. Walker's pieces in the Eagle last week.

If I remember right Mr. Walker used to write poetry to our paper.

PRIDDY NEWS—

Boy Scouts Troop Re-Organized
Our Boy Scouts Troop of Priddy

has been re-organized. The Brotherhood of Zion's Lutheran Church is sponsoring the troop. Hermann Kopp, Otto Schlee and Gerhardt Wagner have been selected as the committee for this troop. This committee elected Mr. Kopp as its chairman, W. J. Marwitz as Scoutmaster and Rev. A. H. Muehlbrad as assistant Scoutmaster. It is hoped that soon many more boys will join.

The Daily Vacation Bible School sponsored by Zion's Lutheran Church is now in its second week. It started July 19 and will run until August 6. Miss Hilma Hein and Miss Edna Tiemann are the teachers.

Next Sunday, Aug. 1, the pastor and family and several of the young people of Zion's Lutheran Church will leave for Winters for the Luther League convention. Miss Hilma Hein will appear on the program for literary and musical numbers. Gilbert Schlee will take part in the choir. In order to give them more time to get there, our services will be conducted during the regular Sunday School hour, beginning at 10 a. m.

The Baptist Church at Priddy has been greatly improved by the sanding and varnishing of the floor. The members have worked hard to make this improvement.

Molly Pitcher Tag Day, Aug. 4

The modern Molly Pitcher will greet you throughout the nation August 4th when brigades of Mollys will tag every buyer of War Bonds and Stamps. They will carry on the tradition of the Revolutionary heroine who has gone down in history because she aided her fighters the battle of Monmouth in 1778.

B. F. Goodrich Now Offers For Sale The ONLY SYNTHETIC TIRE BACKED BY 80,000,000 MILE ROAD TEST

Three years ago car owners started the greatest road test in history, driving thousands of Silvertowns (made with Ameripol). That's why you can have the utmost confidence in our all-synthetic tire of today—the 1943 Ameripol Silvertown.

SYNTHETIC tires will differ even more than natural rubber tires did. So it's only common driving sense to buy a tire that is backed by real testing — not just in laboratories — not just on a manufacturer's proving grounds — but in actual nation-wide road tests! And we carry the only synthetic tire which can claim this, the B. F. Goodrich Silvertown.

Almost three years ago — B. F. Goodrich sold Silvertowns — in which more than half the rubber was synthetic — to hundreds of leading companies and private car owners. To date these Silvertowns have gone more than 80,000,000 miles. "At least as good as natural rubber tires" was the opinion of most who bought them. Remember this! And if you're eligible for new tires, see us at once!

Only B & C Book Holders Who Qualify For Tires For Essential Driving Can Get These Ameripol Silvertowns

There still is a critical rubber shortage. Most synthetic rubber is needed for vital war requirements. Every American must continue to conserve rubber! Follow the five basic rules of tire conservation from the Office of the Rubber Director:

1. Drive only when absolutely necessary.
2. Keep under 35 miles per hour.
3. Keep your tires properly inflated.
4. Have them inspected regularly.
5. Share your car with others.

CENTER CITY—

By MRS. J. M. OGLESBY

We wish to thank all those who helped in our drive to sell stamps and bonds. More than our quota of \$250.00 was sold.

Mr. and Mrs. Hardy Collier visited in the Jim Hamilton home Sunday afternoon.

Mr. Price of Houston spent several days with his family here. Mrs. Price and children are spending the summer here for the benefit of their son's health.

Emery and Larry Walton left Monday for San Antonio, where they will visit their brother, Glenn, and family.

Sgt. Roy Collier of California, is here visiting his parents, Mr. and Mrs. Vin Collier, and other relatives.

Miss Lillian Marie Elms, a W. A. C. of Virginia, visited her parents, Mr. and Mrs. A. Elms near Payne Gap last week. She and her mother also visited in Brownwood.

Garland Allred visited Eddie Blake Hamilton last Sunday.

A number met Tuesday at the cemetery and did much needed work. Some who could not come Tuesday came on Monday. Many lots were cleaned. New posts put around the cemetery; the fence is to be stretched and other lots need to be cleaned.

Jack Hamilton, son of Mr. and Mrs. Jim Hamilton is working at Consolidated in Fort Worth and likes his work.

Mrs. Ocie Langford is visiting her parents, Mr. and Mrs. J. W. Coffman.

Mr. and Mrs. Clifford Dellis and son, visited in the J. W. Coffman home Tuesday night.

Mrs. McMurray and son, Bill, and Fred McMurray and family of Lometa visited in the Marvin Collier home Saturday.

Mr. and Mrs. Jim Hamilton received a letter from their son, Wendell. He is somewhere in the area of North Africa, and in the best of health. Since leaving home, Wendell has become a Catholic and states every night he gets on his knees and prays for peace. This is a great consolation to his parents and friends.

Mr. and Mrs. Stacy McCasland received a letter from their son, Vernon, written the 15th. He is on guard duty in North Africa.

Miss Boyd of Temple, left last week after visiting in the John Carter home for several days.

Miss Barbara Carter went to Temple the first of the week, where she will enter training as a nurse.

POST POINT VALUES

Local meat dealers and grocers were urged today by Chairman W. L. Mahan of the Mills County local rationing board to post in a conspicuous place the current OPA official consumer table of point values for meats, fats, canned fish and dairy products.

"Surveys have been shown that there is no more effective method of speeding up service and generally reducing the delays and inconveniences of rationing than to display the point table in a prominent place," the Chairman said. "Customers then may tell at a glance the point value of the various meats and other rationed items and determine beforehand just what items they desire. If the table is not available, housewives are obliged to obtain point values from clerks, with subsequent delays in service."

The local Board Chairman also suggested that food retailers keep the table of trade point values in a handy spot. Some meats sold at retail are listed only on the trade table, and customers should be able to refer to it. In addition, the retailer needs the trade table to check the point value of purchases from his supplier.

The consumer table is available at both local post offices and the local rationing board, while the trade table may be obtained at the local rationing board. The meats-fats rationing regulation (Ration Order 16) requires retailers to post the consumer table for each ration period.

YOUR COUNTY HOME DEMONSTRATION AGENT
TEXAS EXTENSION SERVICE

By BERDELLE HARRIS
Mills County Home Demonstration Agent.

BE PENNY-WISE WITH FATS

Not long ago the women's conservation unit of the Texas Salvage committee met in Austin to determine how Texas homemakers could help speed up the various salvage programs. Much time was spent on the fat salvage program, since this is one place where we're lagging on the home front. Everyone agreed that because of the acute need: No scrap of fat is too small to save.

One phase of the fat salvage is to make best use of meat drippings and trimmings. That will leave larger supplies to be diverted to war purposes. Now it is considered to be patriotic to be penny-wise as well as pound-wise. For instance—rinse the fat out of cooking pans with a little hot water and add to your soup kettle—Or use it in a sauce or gravy. Next—be sure to save the wrappings that come off packages of butter or margarine—

Now about keeping fats usable

—if you intend to use meat drippings soon, pour them "as is" into a glass or jar. Or, if you're saving them for use considerably later, strain the drippings through a cloth before you store it. If you like, you can put several kinds of drippings or leftover fats in one jar. But always make sure the fat you have saved is not rancid before you pour new fat on top of old—The point is—don't let your fats get rancid. Use them to flavor vegetables, in gravies or sauces—in cereal dishes or in piecrusts, gingerbread, and muffins.

WAR AFFECTS CLOTHING

Clothing is catching the war-spirit. A new government conservation order means there will be an increase in the output of clothing for women and children from the available supply of cotton, rayon and wool.

For the duration women can expect to be well dressed in simple clothing, says Mrs. Berdelle Harris, Home Demonstration Agent of Mills County. She explains that the control on materials for dresses is planned so that peg-top skirts and evening

skirts will be narrowed down. And to help save material, trimming allowances will be figured on the square inches of fabric use in a dress.

Bows, ruffles, revers, jabots, and the like are restricted in width and thickness, and cuffs are to be made with only two buttons and button holes. For two-piece suits, double-breasted fronts and bi-swing backs have been abandoned on jackets. Pockets have been limited to two, although more flaps for more false pockets are permissible.

The Agent says culottes, as well as reversible, lined or quilted skirts are gone for the duration.

There are other changes in fabrics which homemakers may expect. For instance, percale and dress goods that weigh four ounces per yard with a thread count of 80 in the warp and 80 in the filling may no longer be made for civilian use. These materials—favorites among homemakers for children's clothes and house dresses—are needed for the manufacture of such things as under-wear for the armed forces and surgical goods.

Little Miss Carolyn Close, daughter of Mr. and Mrs. Pat Close of San Francisco, Calif., spent the first of this week visiting in the home of her aunt, Mrs. C. T. Wilson. Mr. and Mrs. Close came in Wednesday and Mrs. Close remained here for a visit while Mr. Close has gone to Galveston.

Mrs. Bill Britz and children and Mrs. Burl Deer and children of Corpus Christi are here visiting in the home of Mr. and Mrs. Key Johnson.

Mrs. Ernest Wilson and daughter, Mrs. Earl Armstrong, and little son Ronnie Earl left yesterday morning for Corpus Christi where they will visit friends and relatives.

Mrs. H. B. Lockhart and daughter Patty Dell and Bruce returned to their home Corpus Christi yesterday for a visit here with relatives, Lieutenant Lockhart's parents in Brownwood.

American soldiers overseas except those in Alaska, Hawaii, Panama Canal Zone, and Puerto Rico may now send money home by radio. In a recent week more than 9,000 soldiers sent \$1,000,000, in amounts of \$10 more, with no maximum limit. Money may be transmitted to individual payee, or to a bank. The process is speedy and safe. If a soldier desires to do so, he may also purchase war bonds by this method.

BEETLES

Beetles have been causing considerable damage to tobacco and other garden vegetables during the past few weeks. Beetles are very detrimental and control measures are being taken as soon as they make their appearance. There are several ways of controlling the insects, some are not adapted to all conditions. Good results have been obtained in tobacco gardens in burning tobacco. This can be done by the use of a blow-torch or piles of hay. In using blow-torch, the vines are burned under them. When hay is used, medium-sized piles are placed around the garden and beetles slowly driven away where they will be burned. The straw should be cut as soon as the bugs are seen, as they may begin to rot within a short time. A recent rotenone mixture or Derris powder and a lime has given good results. A number of cases. A mixture may be prepared by one part of Cube or Derris containing 4 or 5 parts of rotenone to 3 parts of lime. It is dusted on the plants or any warm-blooded animals.

Such as lead arsenate may be used. One part of arsenate and 3 parts of lime may be used as a mixture to control insects. Vegetables which are with the lead arsenate should be thoroughly washed in vinegar before using.

EMERGENCY CONTACT REPORTERS

4-H Club boys in the Mt. Community were selected as War Emergency Contact Pest Reporters. Selected were as follows: Tom Burks, T. J. Burks, Cody, Willis Thomason, Dalton Lee. Those 4-boys are all carrying on demonstrations this year.

OTHER RATIONING

Eligible purchasers need new automobiles, bicycles, typewriters, rubber footwear and other commodities (except farm machinery and pressure cookers) on which sales might be restricted should see their local ration boards. Persons interested in securing farm machinery or pressure cookers should see their County USDA War Board.

Frozen Food Locker Prices

New operators of frozen food lockers must charge prices in line with those charged by firms in business in March 1942, the OPA has ruled. Prices charged by new frozen food locker plants will be investigated and adjusted by the OPA according to prevailing prices for similar services in the same locality in March, 1942.

Corn cannot be used for manufacture of distilled spirits and high wines, a recent directive of the War Production Board says. The action was taken to conserve stocks of corn for essential purposes, although the amount of corn saved is likely to be small because distillers already have shifted largely to the

Egg Supplies Hold Even

About the same quantity of eggs will be available to civilians in the 12 months beginning July 1, as in the same period last year, the WFA has indicated. Of a total of 5 billion dozen eggs, civilians will get about 3 1-2 billion dozen.

BOY SCOUT SUMMER CAMP WAS SUCCESS

By MRS. PETE MILES

We are still looking forward to that long-wished-for rain. One of the most interesting things to have happened in these parts lately was the marriage of Miss Jewel Wilkey and Pvt. Eugene Dyas, which took place last Sunday at 4 o'clock. Both Jewel and Eugene have a large host of friends who wish for them a very successful married life. Jewel is employed in a defense factory at Grand Prairie, and Eugene is working for Uncle Sam.

The first week of camp began with lunch July 7th at which time 243 Scouts and leaders answered roll call. This camp period closed July 14th with breakfast. At noon the second group were all accounted for with a total of 165 present. These boys really live up to the Scout Oath and Laws. Even though there was a very large group, there was no friction, each boy working and playing cheerfully and fairly.

Special emphasis this year was placed on water activity, which was under the direction of Garrett A. Nalley. Swimming was taught to those who could not swim. A class in Life Saving was given for the older Scouts, as well as instructions in rowing, canoeing and water first aid.

It was an easy matter for the Scouts to pass their Angling Merit Badge, since the fish in Brady Creek and the San Saba river were biting to the extent that more fish were caught this year than ever before.

Clifford Pouncy, Scouter of Brownwood Field Scout, and Homer Tudor, Executive of Las Cruces, N. M. were the teachers of Indian Lore and Indian Dances. They were in charge of each Campfire ceremony, and were assisted in their work by Scoutmaster Leo Tesson of Mullin, during part of the camp period. All new boys were given an opportunity to learn some Indian dances and were taught other phases of Indian Lore.

The secret Honorary organization of the council, KU-NI-EH, accepted more members during the camp period this year than is their custom, which indicated that much time and effort was put forth for the benefit of those being inducted.

The slogan, "Buckle down, toughen up, carry on to Victory" was emphasized in every part of camping activities this year.

The two Sundays that the boys were in camp, religious services were held at 9:45 A.M. Judge E. J. Miller, President of the Comanche Trail Council, was the speaker for the services the first Sunday. Besides the camp group, his audience included some 95 visitors. The speaker for the second Sunday service was Bert Low, Scouter of Brownwood, who spoke to 125 visitors, besides the boys and leaders.

Mrs. Warren Herndon of Odem is spending this week with her sister, Mrs. Annie Armstrong, and brothers, C. T. and Ernest Wilson. She is also attending the Christadelphian meeting at San Saba.

Mr. and Mrs. J. M. Casbeer and two little boys have recently moved to Goldthwaite from Webster, Texas.

PLEASANT GROVE

By MRS. PETE MILES

Lorine visited her parents at Moline Sunday night. Mrs. Francis Soules and boys spent last Friday with Mrs. Pete Miles and boys.

Mr. and Mrs. Charlie Miller and Syble, also Mr. and Mrs. John Cagle, called on Mr. and Mrs. Sam Miller Sunday, but failed to find them at home, since they spent the week-end in Liberty Hill with a sick sister of Mr. Miller's.

Miss Lola Bell Wilkey spent last week in town visiting her aunt, Mrs. Fred Laughlin.

Mr. and Mrs. Clark Miller had business in town Monday. Mrs. Allan Perkins is the proud

mother of a fine baby boy, Allan Dale, who was born in the Gorman Hospital July 18. Mrs. Perkins has been staying with her sister, Mrs. Calvin Lively, the past few weeks. The baby's father is somewhere in England.

George Brown and family of Center City visited relatives in the community Sunday.

Mr. and Mrs. Levi Berry and girls visited relatives at McGirk Sunday.

Isaac Howell made a trip to Goldthwaite Monday, where he was on the jury.

Dude Wilkey and family spent Sunday in town with Mrs. Fred Laughlin and family. Lola Belle

spent the day with Mrs. Pete Miles. The Bill Virden family spent Sunday with relatives at Center City.

Mrs. Jewell Tomlinson of Goldthwaite spent a few days last week with her sister, Mrs. Walter Covington.

Harvey Wayne Miles of Star and Johnny Max Head of Goldthwaite spent several days last week in the Jude Miles home.

Mr. and Mrs. Jot Tucker have a new daughter, Linda Jo. Mrs. Tucker and baby are staying with her parents, Mr. and Mrs. Walker Wigley, and Jonell.

EBONY NEWS— By CLEMENTINE WILMETH BRILEY (Intended for last week) Our long-drawn-out drought with its attendant hot weather continues, depressing the spirit and impoverishing the food supply.

Mrs. Austin Cawyer and daughter, Ednabeth, of San Angelo, attended church here Sunday morning and spent Sunday and Sunday night with relatives here. Mrs. Cawyer says Mr. Cawyer is spending the entire summer in Austin attending the State University.

Mrs. Edna Dwyer, who has been spending a while with relatives and friends here, spent Monday night with Mr. and Mrs. Cecil Egger, and Tuesday night with Mr. and Mrs. Ira Egger. She returned to San Angelo Monday with Mrs. Austin Cawyer.

Catching a ride with Mrs. Cawyer, Mrs. Roscoe Jones and children, Frances and Barbara, went to San Angelo Monday to visit her sisters there.

Mr. and Mrs. Cutbirth and sons of Houston, and Will Tippin of Abilene were at the Tippin home over the week-end.

The land belonging to the Tippin heirs was up for a hearing before the committee at Goldthwaite early this week. Thus far the committee has granted our citizens a substantial increase in pay for the land bought by the maneuver area.

Johnnie Egger helped John Briley head maize and hoe peanuts last week.

Wilson Armstrong of the Homer Reeves place and Miss Henson, who is visiting her sister, Mrs. Chrisman, there attended church here Sunday.

Pete Miller of the Singleton place hoed for Dale Reid last week.

Mrs. Nellie Malone visits from Fabens where she is visiting her daughter-in-law, Mrs. Garland Malone, that she expects soon to go to Van Horn to visit her daughter, Mrs. J. E. Bean.

Mrs. O. R. Mitchell and daughters, Marilyn and Carol Jean, and Mrs. Edna Dwyer spent

Thursday with Mr. and Mrs. Hubert Reeves. While there they inspected the orchard and the Stanley Reeves new house.

Mrs. Sarah Ann Reeves was the guest of her old-time friend, Miss Dolly Reynolds, last week.

Mrs. Grace Wilmeth Bateman writes from Fort Worth that she has recently met up with Mrs. Willie Beavers Montgomery there acting as nurse to a grand son born to her daughter, Mrs. Della Stone. She also speaks of a visit with Mrs. Ezzie Ratliff, widow of Ben Ratliff. All of these are familiar figures in a well remembered past of this community.

Guests for a family dinner at the Wilmeth home Sunday after church included Mr. and Mrs. J. R. Briley, Ernest Malone, Mrs. Edna Dwyer, Mrs. O. R. Mitchell, Mrs. Austin Cawyer, Grace Briley, Ednabeth Cawyer, and Marilyn and Carol Jean Mitchell.

Miss Marie Wilmeth of Childress writes her homefolks that she plans to enter either T. S. C. W. or Cornell University this fall and prepare to be a dietician in the U. S. Army.

As this letter starts to the Post Office, we hear that Clifford Crowder died Monday night at

ten o'clock. Burial at the Ebony Tuesday afternoon. Her details will be given in another issue.

You are the folks that my thoughts agree with,
You are the folks I like to be with;
Whatever life sends me of weal or woe,
You are the folks that I am glad to know;
And my old heart blithly pens this line:
God bless you, Glorious friends of mine.

Georgia C. Kight

Georgia C. Kight was born May 15, 1862, and died July 7, 1943. She was buried at the Regency Cemetery July 8, 1943.

She was married to Joe P. Kight at the age of 22 in Louisiana. They came to Mills County in 1904. He preceded her in death 34 years. To this union were born five children. One died in infancy; one son, Grover, died in 1919, and one son, Charlie, died in 1935.

The survivors are Mrs. M. W. Calder of Big Valley and Mrs. E. K. Wood of Regency.

In her late years she made her home with Mrs. E. K. Wood. She had been an invalid for the last 18 months, and spent the last three months of her life with Mrs. M. W. Calder.

She was a member of the Methodist Church. She leaves 16 grandchildren and 9 great-grandchildren; two grandsons in service, William Nolan Wood and John Preston Calder.

Written by daughter-in-law, Mrs. Charlie Kight.

Scallorn H-D Club

The Scallorn H. D. Club met in the home of Mrs. Ora Black, July 22nd.

There were seven members present and eight visitors.

Instead of our regular recreation, we repeated the Lord's

Prayer, which was led by Mrs. Dutch Smith.

After our business meeting the program was turned over to Mrs. Harris and she made a talk on the 4-H Club picnic at Lake Merritt, after that she demonstrated drying food at home; also preserving vegetables in brine. After the meeting, delicious refreshments were served by our hostess and daughters: Mrs. Charlie Wright, Brownwood, and Mrs. Earl Blake, Scallorn.

The next meeting will be at Mrs. Terrell Casbeers. I want to urge every club member to come back to the club and help us to get out of the rut.

Those who were present were: Mrs. Frank Hines, Mrs. Eva Chadwick, Mrs. T. A. Casbeer, Mrs. Homer Eckert, Mrs. Ora Black, Mrs. Dutch Smith, Mrs. J. D. Ford, Visitors: Greta Sue Hines Ladell Casbeer, Reba Ford, Oleta Ford, Mrs. Marvin Laughlin, Austin, Texas, Mrs. Chas. Wright, Brownwood, Mrs. Earl Blake, little Joe Beth Ford.—Reporter.

CPL. AND MRS. JOE A. PERKINS ANNOUNCE NEW SON

Cpl. and Mrs. Joe A. Perkins announce the birth of a nine and one-fourth pound son, Allen Dale, born Sunday afternoon, July 18, at the Gorman hospital. Both Mrs. Joe A. Perkins and her son returned to her sister's, Mrs. C. M. Lively's home near Gustine and both are doing nicely.

NORTH BENNETT—By Mrs. W. L. LAWRENCE

We are having real summer weather. We need rain badly. Some have been combining feed, some are plowing cotton. Some maize is pretty good, and some of the farmers have their maize headed.

Jess and Wilber Geeslin are working at Brady. Wilber came home over the week-end. Mrs. Jess Geeslin visited a while Sunday afternoon with Mrs. Lawrence.

Mrs. Edker Mikeal has been visiting homefolks. We were happy to have her visit us, if only for a short time. She left for home Sunday.

We didn't have very many in Sunday School. We would like for every one to come to our Sunday School that don't go to another Sunday School.

Nationwide Molly Pitcher Tag Day

Washington, D. C.—On August 4th, Molly Pitcher is stepping out of the pages of American history to sell War Bonds and Stamps. The gal who carried water to thirsty soldiers during the blistering Revolutionary Battle of Monmouth and took over her husband's cannon when he was wounded, has long been a symbol of the heroism of American women.

In her honor, brigades of modern Molly Pitchers will take their stands on nationwide Molly Pitcher Day at street corners, building entrances, and in public places to sell the bonds and stamps that back up our modern fighting men.

A red-white-and-blue Molly Pitcher Tag will be given to everyone who purchases a bond or stamp on that day. Members of the American Legion Auxiliary, and of the Independent Food Distributors Council unit of Molly Pitchers, will aid and augment local Women's War Savings Staffs to make up the volunteer sales force. They will use water pitchers to hold their supplies of tags and War Stamps. The slogan on the tags will read "Fill the Pitcher with Bonds and Stamps on Molly Pitcher Day," and the goal of the sales force will be to "tag" the total population.

W. J. WILCOX

W. J. Wilcox was on his way last Tuesday to Frederick, Okla., to see his children. Before he reached there he became seriously ill and was taken off the bus at Burkburnett. An ambulance took him on to Frederick, where he died last Saturday night.

His remains were brought to Hamilton County and buried last Monday at 3 p. m. by the side of his wife, who preceded him in death six years.

RECEIVES PROMOTION

Lt. Harold Yarborough, who has served as an Intelligence Officer of his regiment at Camp Campbell, Ky., called his parents, Mr. and Mrs. O. H. Yarborough, last Sunday morning, and told them he had received his promotion from second to First Lieutenant. He got his second lieutenantcy while stationed at Fort Benning, Ga. Lieutenant Yarborough is serving with the 56th Armored Infantry Division.

Mrs. Artie Hillhouse of Waco spent the week-end in the home of Mr. and Mrs. Lewis Gartman.

Miss Robbie Marie Koen, daughter of Mr. and Mrs. Demps Koen, and Sgt. John T. McGowen of Camp Hood, son of Mr. and Mrs. O. C. McGowen, were married Saturday afternoon in the McGowen home.

Only a few close friends attended the wedding. The young couple were both reared in Mills County and have a host of friends who wish them happiness all through life's journey.

Birthday Gathering

Last Sunday, July 25, relatives and friends gathered at the hospitable home of Mr. and Mrs. T. V. Stevens and Uncle Den, 9 miles west of Goldthwaite on the Colorado River, honoring Mrs. R. A. Stevens' 73rd birthday.

The table was laden with golden-brown bouquets heaping high one platters of fried chicken, salad, pickles, pies, cakes, a beautiful birthday cake presented by the children, cold lemonade, ice tea, and everything nice good to eat. The manner in which it was spread added to this delightful spread.

In the afternoon some took boat rides and some went fishing.

Those present were: Mr. and Mrs. Clarence Hill and daughter,

Make Your Machinery Last

FAIRMAN COMPANY—ever since the beginning of the War—when the manufacture of FARM Machinery was stopped—has been using every possible means of "Keeping 'Em Rolling" by supplying Repairs and Expert Workmanship for the great number of International and McCormick-Deering Tractors, Trucks and other Farm Machinery in use in Mills County—and we pledge you our every effort to see to it that they continue to roll if humanly possible.

Keep Your Machinery 'FIT'

During this crisis, when every available piece of Farm Machinery should be doing its utmost, our Machine Shop has been very busy keeping the Machinery running. When parts could not be had—we made them. When something in metal broke—we welded it. We are proud that we have the Equipment and the "Know-How" to enable us to do our part in winning the battle of production.

HOLLIS BLACKWELL

History Books will carry the story of the splendid way our farmers have met the need for food in this War. Handicapped in many areas by shortage of labor and machinery, they have revived throughout the land the pioneer custom of labor and equipment shopping. They have been quick to understand that in the foxhole and on the farm the most efficient use possible must be made of every piece of fighting equipment—every gun and every plow. Farm machinery swapping is

one of the hidden weapons we are using against the enemy. It is the historical American strategy of "let's get together and lick this thing." It's an old-time idea that's helping to win a modern war. Farmers are striving to keep their machinery in top shape, because it has to do double-duty

for the duration. This means careful oiling, quick repairs. They are keeping the machines rolling extra hours a day, extra days a season by lending to neighbors, doing custom work, renting, or by going into pools. This means more food for our fighters, for our munitions workers, and for the soldiers of our allies. This is adding up to a quicker victory, with more of our sons, fathers, husbands and brothers coming home safe and whole from the fighting front.

NEIGHBORING NEWS

San Saba—

Ending a period of anxiety continuing ever since July 6th, when word came of the sinking of the USS Helena by the Japs in Kula Bay, Mr. and Mrs. O. J. Melton received a cablegram Tuesday of this week, from their son, Seaman James Earl Melton, announcing that he was "all safe and sound and not to worry about him."

The old McAnnely Ranch, of some 1412 acres, 4 miles southeast of town, was purchased this week from Andy Weston by J. C. Creamer, one of the three brothers operating the highly successful Creamer Motor Lines, of Temple and Waco.

After a brief illness of some three days, E. S. Johnson, last Civil War Veteran of San Sabe County, passed away Friday, July 16th, 1943, at the Connor Nursing Home where he was taken last week.

The San Saba Junior Chamber of Commerce observed its fifth anniversary on Tuesday, July 19th. 30 projects, some of them annually, have been sponsored by the organization during the past five years.

B. T. Rich, who has a fine 20-acre peach orchard just n. e. of town made a trip to San Antonio Monday with 25 bushels of his early peaches. He reports that he sold them to a dealer there for 4.50 a bushel.

Judge W. V. Dean was brought home last Saturday night from Holland, Texas, where he has been resting since leaving the hospital at Temple. —News

Comanche—

"No cases of infantile paralysis have been reported in Comanche County, although numerous cases are reported throughout the State, with the most serious outbreak of this dreaded disease in Tarrant and Dallas Counties," says Dr. C. W. Gray, Comanche County Health Officer.

Lt. Jake McCulley, son of Mr. and Mrs. Tom McCulley of Blanket, died last week in a Japanese prison camp in the Philippines, according to word received by his parents from the United States War Department.

Jack Cagle, Stag Creek farmer and one time candidate for Commissioner of Precinct No. 1, lost his home by fire Wednesday.

Mrs. Zesta Pittman of Comanche received the Purple Heart Medal from the Navy Department this week, awarded posthumously for her son, Leland Howard Bryan, Seaman First Class of the U. S. Navy.

Bryan, 20, was killed in action on December 7, 1941, when the Japanese attacked Pearl Harbor. He was serving on the U. S. S. Arizona.

Mrs. Bob Steward, who recently underwent a major operation at a Brownwood hospital, returned home Saturday.

Funeral services for Andrew Jackson Isaacs, 84, former Comanche resident, were held last week at the First Baptist Church in Shamrock.

Mr. Isaacs moved from Comanche to Shamrock in 1912, and has been a resident there for the past thirty-one years.—Chief

Hamilton—

In the fight against an outbreak of infantile paralysis in Hamilton, health authorities of the city called a meeting at the court house on Friday morning of last week for organization of forces for a thorough, city-wide clean-up campaign.

A number of truckers volunteered to aid with their trucks and on Friday afternoon, the town of Hamilton went through general cleaning. Weeds were burned and vacant lots cleaned off, and every possible hibernating place for insects was eradicated.

According to information given the Herald-News on Thursday morning of this week by Manager D. A. Barton of the Hamilton Oil Mill Co., and L. C. Woodall, superintendent of operations, the mill started last Wednesday morning on a run of day and night shifts for the crushing of 6,000 tons of peanuts.

Quite a lot of activity has developed at the Municipal Airport the past week or so calculated to

lead Hamilton citizens to hope that a new flying school or other war training authorities may decide to make use of our facilities in the near future.

After a very brief illness Miss Kate Homan, a long time resident of Hamilton, passed away quietly and peacefully at her home in Stanton, Texas, on July 10. —Herald-News.

OLD-AGE INSURANCE BENEFITS EXPLAINED

In answer to numerous inquiries from young war workers who have entered covered employment during the last two years, David S. Pruitt, manager of the Austin Social Security Board field office, cited the following benefits which are payable under the old-age and survivors insurance program in a statement to this newspaper:

1. Primary benefits—Payable to workers upon retirement at age 65 and based upon average monthly wage.
2. Wife's benefits—Payable to a wife over age 65 of a retired worker and equal to one-half of

his benefit.

3. Child's benefits—Payable to children under 18, or 16 if not in school, of a retired worker or of a deceased worker and amounts to one-half of his benefit.

4. Widow's benefits—Payable to widow over age 65 of a deceased worker and amounts to three-fourths of his benefit.

5. Widow's current benefits—Payable to widow of any age of deceased wage earner with child under 18 in her care and amounts to three-fourths of his benefit.

6. Parent's benefits—Payable to parent who was wholly dependent upon deceased worker if no widow survives, or if no child who would be eligible upon filing for benefit survives; payment equal to one-half of the

wage earner's benefit.

Lump-sum payments are paid to a widow, child, or parent of a deceased wage earner where no monthly benefits are payable. The single lump-sum payment amounts to six times the monthly benefit. Where no such relative survives, payments to reimburse funeral expenses in an amount not to exceed the total payment may be made to the individual who paid the costs of burial.

The total monthly benefits that may be paid on one worker's account may not be less than \$10 a month nor more than twice the primary benefit, or 80 percent of the worker's average wage, or \$85, whichever is the least.

Country Shipper Berry Prices

Maximum prices of seven kinds of fresh berries for table and home canning use have been set by the OPA. Maximum prices, per pound, f.o.b. country shipping points, are set as follows: red raspberries 18 cents; black raspberries 16 cents; youngberries, boysenberries, loganberries, and blackberries 15 cents; gooseberries 11 cents. These prices represent a sharp rollback at the country shipper level and comparable prices have been established at wholesale, both of which are expected to reduce prices of berries to consumers.

Letter to
a
P.O.W.

WILL YOU WRITE A LETTER to a Prisoner of War . . . tonight?

Maybe he's one of Jimmie Doolittle's boys. Perhaps he was left behind when Bataan fell. Anyway, he's an American, and he hasn't had a letter in a long, long time.

And when you sit down to write, tell him why you didn't buy your share of War Bonds last pay day.

"Dear Joe," you might say, "the old topcoat was getting kind of threadbare, so I . . ."

No, cross it out. Joe might not understand about the topcoat, especially if he's shivering in a damp Japanese cell.

Let's try again. "Dear Joe, I've been working pretty hard and haven't had a vacation in over a year, so . . ."

Hell, better cross that out, too. They don't ever get vacations where Joe's staying.

Well, what are you waiting for? Go ahead, write the letter to Joe. Try to write it, anyhow.

But mister, if somehow you find you can't finish that letter, will you, at least, do this for Joe? Will you up the amount of money you're putting into War Bonds and keep buying your share from here on in?

MELBA THEATRE NEWS

'POSTMARK-U.S.A.'

If completely told, the amazing story of America's war effort would fill many volumes. Yet its essentials have been compressed into a 10-minute letter from a typical manufacturer to his son in the Army Air Corps, "somewhere out there."

"Postmark-U.S.A." shows Monday, Tuesday and Wednesday at the Melba Theatre and not only pictures the change that has taken place in thousands of American factories this past year. In the brief sketch of Miss LeClaire, the town dressmaker, it explains clearly what private enterprise itself means! And in a "flash back" to an early flight of the Wright brothers it shows how American industry puts over a major development. This is a picture for young people as well as for adults, above all for the men in our armed services who are risking their lives to maintain the fundamentals of the American way of life.

'THE OLD HOMESTEAD'

"Shuks, we ain't movie stars." This statement made by Leon Weaver of the Weaver clan, currently publicized by Republic in "The Old Homestead," whose local showing is scheduled for Saturday night and Sunday at the Melba Theatre, typifies the attitude of the simple, homespun comedians for Hollywood and its folk.

The Weavers aren't movie stars in spite of the fact that they have won nationwide popularity through their comedy series for Republic. They're just plain folk. Leon Weaver, who portrays the "Abner" of the series, might be a small-town grocer who talks politics with the home folks over his cracker barrels. Frank Weaver could be a local hardware merchant who can drive a shrewd bargain but temper it with a friendly zest. And Elvira looks for all the world like a small town seamstress who dispenses local gossip tersely through lips which are clamped down on a row of pins. The Weavers' popularity is due in large measure to their knack

GOODBYE, MUSSOLINI, GOODBYE

Well, Benito, just two years ago you teamed up with Schicklgruber and stabbed prostrate France in the back. You wanted "in on the kill." Yes, you bet on the wrong horse. You assassinated small nations. You drove their rulers and their families from their palaces with bombs. You were the world's champion wind bag. But now, "O, Lucifer, thou art fallen."

Before you depart for oblivion, please pose for another picture by the statue of Pompey, and tell us what is to become of your villa and the vestal of virgins you have had parked there all these years.

And now Benito, "Farewell, a long farewell to all your greatness."

And where are you, Emanuele? After twenty years of silence you have found your voice. While Musso was annexing Albania and Ethiopia you were a good Fascist and accepted the title King of Ethiopia. But now Haile Selassie is again on his throne. He is again the "Lion of the Tribes of Judah." And where are you, Emmanuel? You who gave your sons to serve in the Fascist legions. You gave a son to be king of Croatia when Adolf dismembered Yugo-Slavia. Who are you now? Do you think the United Nations will make a treaty with you I don't. You are a repentant Fascist. Italians will need a real ruler; not a sissy like you. Better get you a refuge in Switzerland for you are surely on the way out.

No Cotton Quotas For 1943

The War Food Administration, on recommendations of the Agricultural Agency, has announced that there will be no marketing quotas for the 1943 cotton crop and that no quotas will be in effect for the 1944 crop. On July 1, farmers were cultivating about 8 million acres less cotton than the acreage permitted in 1943, and about a million and a half fewer acres than they were cultivating on July 1, 1942.
