MILLS COUNTY BAPTISTS TO MEET HERE

The annual meeting of the Baptist Churches in Mills County will be held at the First Baptist Church of Goldthwaite next week—Thursday night and Friday all day, August 26 and 27. The Thursday night service is very important. This will be the time of the election of officers and the appointment of committees. Rev. Ben. Wellmaker, pastor of the First Baptist Church of San Saba, will be the speaker for the Thursday night service.

The following persons will appear on the program Friday: Dr. Hal F. Buckner of the Buckner Orphans' Home, Dallas; Dr. J. W. Bruner, Dallas; Mrs. Mannon Seawell, Fort Worth; Dr. W. A. Todd, Brownwood; Dr. J. R. Hickerson, District Missionary, and others.

All Baptist Churches in Mills County are expected to be represented, bring or send their church letters and enjoy the Association Meeting.

Thursday night, August 26, at 8:30.
Friday morning, August 27, at 10:00.

THE FIRST BAPTIST CHURCH

D. A. BRYANT, Pastor

NEXT SUNDAY:
9:45 — Sunday School (all ages).
10:53—Worship.
7:45 — Training Union (all Unions).
8:45—Evangelistic Hour (lawn) Service.
Wednesday, 8:45 p. m.—The mid week service.

The Church extends a hearty welcome to all who are not in Sunday School and Church elsewhere. Bring the family and attend these services next Sunday. WELCOME, Mills County Baptists, to our church next Thursday night at 8:30, and Friday all day beginning at 10 o'clock. Dinner will be served by the Goldthwaite Church. Bring a group from your church and enjoy the Association.

LOCAL MAN IS HEIR APPARENT TO MILLION

Henry Y. Venable returned home from Conroe, Texas, a few days ago where he has been attending court. Mr. and Mrs. Venable are among plaintiffs that are suing for several thousand acres of oil lands in Montgomery County. This land is known as the T. J. Nichols survey.

This suit is styled L. E. Wickson et al vs The Superior Oil Co. et al. The suit is now in the third week of trial and will probably last several more.

This case has attracted a brilliant array of leading lawyers of Texas, including Federal Judge J. C. Hutcheson, Jesse Lee and many others representing the defendants. Mr. and Mrs. Venable and the other plaintiffs are represented by Cecil N. Cook of the firm of Cook, Blake, McCormick, and Dickson of Houston, Texas, ably assisted by other prominent attorneys.

This lawsuit is being tried in Special Ninth District Court with Judge E. T. Murphy presiding.

SERVICE LEAGUE MEETS SATURDAY, AUGUST 21

The Service League meets Saturday, Aug. 21, at 3 o'clock at the City Utilities Office.

There will be an election of officers and I urge every one to be present.—Mrs. Jim Weatherby, General Chairman.

Mrs. Allen Ross and daughters visited over the week-end with Mrs. Steve W. Scott in San Angelo who is recovering from an operation.

LOCAL TEACHER COMMANDS SQUADRON OF BOMBERS IN N. AFRICA

Irby T. Petsick, former teacher in the Goldthwaite schools, is now in combat in North Africa. Before leaving the States Petsick was promoted to First Lieutenant and Flight Commander. He received his basic training at Randolph and Brooks Fields, San Antonio, taking his wings at Brooks Field in September 1942. For his final training, Lt. Petsick went to Oklahoma City and Meridian, Mississippi. At the latter camp he earned both of his promotions.

For some two months he has been in Casa Blanca and other points in North Africa. He says in his line of duty he sees plenty of snow. At the time he volunteered he was football coach at Rochelle.

Lt. Petsick's younger brother, Waide, also volunteered. He is located somewhere in the Southwest Pacific. They are sons of J. T. Petsick of Gustine and brothers of Mrs. Luther Ray Rudd Jr.

WILLIAM G. YARBOROUGH HERE ON A FURLOUGH

William G. Yarborough, Mills County Attorney before he enlisted in the U. S. Army, arrived here Monday night for a ten-day visit with his parents, Mr. and Mrs. O. H. Yarborough, and other relatives and friends.

He will go from here to Military Police Officers' Training School at Battle Creek, Mich., where he will serve as an instructor.

STAR METHODIST CHURCH SERVICES SUNDAY MORNING

The District Superintendent, Harold S. Goodenough, of the Methodist Church will preach at Star on the morning of the 22nd. We cordially invite all that can to come. Especially do we urge that each point on the Center City Circuit will be represented.

Wm. JOHNSTON, Pastor.

NORTH BENNETT

By Mrs. W. L. LAWRENCE
Hello everybody! We are still having lots of hot dry weather. We are still hoping and looking for rain. Several from our community attended the meeting at Caradan. They had a glorious meeting at Caradan. Many souls were saved. Our meeting at North Bennett will start Friday night, the 20. We want every one that can to come worship with us.

Mrs. Arenia Harris from Star, visited her mother, Mrs. Starr, Sunday.

FDR says:
Originally we asked for 10 percent in bonds; now we need considerably more.

GETS PROMOTION

LIEUTENANT FEATHERSTON

Lieut. William Glenn Featherston, son of Mr. and Mrs. C. G. Featherston, has written his parents that on July 19 he was promoted to the rank of First Lieutenant. He is stationed at Hill Field, Ogden, Utah.

Lieutenant Featherston is a graduate of Goldthwaite High School, and he attended the University of Texas for two years and worked in Houston prior to his enlistment in the Army on February 9, 1941. He was with the 36th Division at Camp Bowie for a year and went with that division to Camp Blanding, Florida, in February, 1942, and to Camp Edwards, Mass., in August, 1942.

In September he was sent to Ordnance Officers' Candidate School at Aberdeen, Maryland, and was commissioned a Second Lieutenant on December 23. At that time he was transferred to the Air Corps and, after a short visit in Goldthwaite, he reported for duty at Geiger Field, Spokane, Wash. Since that time he has been stationed at Santa Maria Army Air Base, Santa Maria, Calif., and McClellan Field, Sacramento, Calif. He was sent to Hill Field, Utah, in March.

NOTICE OF BUDGET HEARING

Notice is hereby given that a public hearing will be held by the Commissioners Court of Mills County at 2 p. m. on Thursday, August 26, 1943, in the Commissioners Court Room in Goldthwaite, Texas at which time the budget will be considered. Any taxpayer may be present and be heard in discussion of such budget.

JOHN L. PATTERSON, County Clerk.

HOT LUNCH PROGRAM

At Regency see Mrs. A. A. Reid; Prairie, see Mrs. Dudley Aldridge; at Lake Merritt—Mrs. Will Garner; at Center Point—see Jodie Williams. \$65 was collected at the P. T. A. Tuesday night.

SPARS RECRUITING OFFICER VISITS GOLDTHWAITE TUES.

Miss Katherine Cochran, Sea. 2c, Coast Guard SPARS, visited in Goldthwaite Tuesday. She was with a Coast Guard recruiting party en route to Brady, and made her headquarters while in town at the American Red Cross.

FDR says:
Every worker should increase the amount of bonds he or she is buying.

ICE SHORTAGE GENERAL OVER MANY SECTIONS OF TEXAS

MILLS COUNTY IS OUT OF ICE MOST OF TIME

Due to extreme hot weather, and the shortage of equipment and manpower, most of Texas has been out of ice about half the time for the past month. D. D. Tate, manager of the Mills County Cold Storage Co., who is one of the big suppliers of ice for Mills County, has been scouring Central Texas for ice and selling it, in a great many instances, at a loss in order to try to take care of the needs.

However, a great many times he has been forced to put a "No Ice" sign on his loading rack. Failure to keep all merchants supplied has caused Mr. Tate considerable unpleasantness. He states he is apportioning the ice without discrimination to the best of his ability. He is supplying restaurants—to preserve food—and sick people first and others as nearly as possible.

Mr. Tate states that he will have a 15-ton ice plant in operation in Goldthwaite before next season if he can get sufficient water from the city to operate that size plant. The city does not have sufficient water at the present time, but it is hoped that by beginning NOW—there can be a plentiful supply of water for the town and an ice plant and other very needful small manufacturing plants. In the meantime the best we can hope for is that there will come a general rain, thus cooling off the weather and decreasing the demand for ice.

STAR BOY GRADUATES IN AIRPLANE MECHANICS

Pfc. Robert G. Goode, son of B. P. Goode of Dallas, formerly of Star, has graduated from an intensive course in airplane mechanics at Sheppard Field, Texas, and is now prepared to join the ranks of "coverall commandos" who keep our American planes aloft. Sheppard Field, near Wichita Falls, is one of the largest schools of the Army Air Forces Technical Training Command, training specialist technicians for the ground crews which "keep 'em flying."

Young Goode, before entering that school, was trained at one of the basic training centers of the Army Air Forces Technical Training Command. He says: "During my schooling here I have enjoyed the various phases and have gained a great deal of knowledge throughout each. The equipment on which we receive our training is of the best quality, and our technical advisors and instructors are, as the Army says, 'on the beam.' Now and in the post-war era I intend to keep America's aircraft soaring high and deadly!"

CHANGES IN MILLS COUNTY HARDWARE CO.

In a deal consummated this week Gene and Mary Helen Dickerson sold their interest in the Mills County Hardware Company to Raymond and Claudia Cockrum. Both Mr. Dickerson and Mr. Cockrum are in the armed forces. Mary Helen will move to El Paso, where Gene is stationed, until he is transferred elsewhere. Mrs. Claudia will spend a few weeks at Wichita Falls with Raymond. E. T. Fairman, President of the Trent State Bank, will be in charge of the Mills County Hardware Company while Mrs. Claudia is away.

IMPORTANT ODT MEET IN SWEETWATER SAT.

John W. Reed, District Manager of the Office of Defense Transportation at San Angelo, announced this week that a very important meeting is scheduled for Saturday, Aug. 21, at 1 p. m. to be held at the Blue Bonnet Hotel in Sweetwater for the specific purpose of discussing motor transportation conservation measures relating to the cotton seed industry and for the selection at the meeting of two definite and separate committees.

STORING THRASHED GRAIN SORGHUMS

Grain sorghum storage will soon be a job facing farmers and preparations should be made now to the granary in shape. This season, more than ever, extra precautions must be taken in order to save as much of the high priced grain as possible. This means that the grain bin must be in perfect shape, allowing no loss from leakage, weevils, and rats or mice.

Much can be lost through leakage. A bin, stored with grain sorghum, with a hole in it large enough for one grain to roll through, can leak all the grain down to the level of the hole, or until the grains pile up to the hole. Pieces of tin nailed over such holes will remedy this.

Granaries that are over-loaded, or ones not adequately reinforced cause considerable loss by breaking open and allowing the grain to spill. Cables or steel rods should be used in reinforcing of this type.

To prevent weevils, the bin should be made air tight and fumigated by placing a pan of carbon disulphide (high-life) at the top of the grain. Although the fumes from carbon disulphide are inflammable and explosive when mixed with air in certain proportions, this fumigant can be handled with reasonable safety if proper precautions are taken. It should not be used to treat bins located in barns where the fire hazard can not be properly controlled and where fire or explosion will lead to serious losses of farm animals building, etc. Fire insurance may be void on buildings in which carbon disulphide is used. It is well adapted, however, for the treatment of grain storages that are segregated from other farm buildings. The fumes of this gas are quickly absorbed by the grain after it is applied and the danger from fire or explosion is not prolonged.

In the ordinary farm granary built of lumber and with wooden floors, the control of rats presents a perpetual problem. About the simplest control is to construct the bin about 18 inches from the ground, and circle it with heavy wire netting of 1-2 inch mesh not less than two feet above the ground. An 8-inch strip of galvanized metal should be tacked just above the netting.

Small buildings may be kept free from rats and mice by the periodical use of carbon monoxide gas from the exhaust of an automobile or tractor. All small openings should first be closed with burlap or other packing and the exhaust piped into the building with a short length of hose. The engine should be allowed to run at a moderate rate for about ten minutes.

Mr. and Mrs. J. W. Edlin of Brownwood, Otis and Besse Hutchings of Goldthwaite, Mr. and Mrs. E. E. Ellis and boys visited in the Ira Hutchings home Sunday.

Get a home, too, Mister! Every extra bond you buy through the Small Savings Plan will help me get back to it. "Figure it out!"

SLAUGHTER IS

Mrs. L. J. Slaughter of Goldthwaite, has just received the following telegram from her son, Pvt. Lonnie Slaughter, who is a prisoner of war in the Philippine Islands. "I am uninjured. I am well. Please tell all my folks and I hope to get home soon. Please give my regards to my wife. Love, Lonnie Slaughter."

RALPH PERRY IS JAPANESE PRISONER

Mr. and Mrs. Grover C. Perry of Route 2, Goldthwaite, have received the following card from the Japanese government which was signed by their son, Ralph Perry. The card arrived here Tuesday: Imperial Japanese Army, The Philippine Military Prison Camp No. 1.
My health is good. I am uninjured. I am well. Please see that you take care of yourself. Please let the rest of the family know I am o. k. Please give my best regards to friends. RALPH M. PERRY.

Return MILK BEVERAGE BEER Bottles Promptly

Conserve Vital Materials
It's a Patriotic Duty

Before leaving for Hollywood and a probable movie career, pretty Elsie Roberts, National Bond Queen and University of Houston coed, did her part for the Texas Deposit Bottle Round-Up. Dressed in typical Texas costume, Elsie loaded into a basket all the milk, carbonated beverage and beer bottles in her home, mounted the beautiful Palomino horse, on which she is pictured, and rode to her beverage dealer. "Keeping deposit bottles working is not only a patriotic duty," Miss Roberts said, "but I'll get my deposits back which can be invested in War Stamps."

SCALLORN—

By MRS. OEA BLACK

(Intended for last week)
After the re-organization Sunday of our Sunday School which had been discontinued for the past few months, thirty members answered roll call. The church extended an invitation to Rev. Sylvester of Brownwood to fill the pulpit here the 3rd. Sunday in September. Lamon Wright made several trips to town Monday, bringing out government wheat for himself, Mrs. Earl Blake and Ora Black. Mr. and Mrs. Frank Hines and Greta Sue are enjoying this

week's visit from their little grandson and nephew, Frank Richard Todd, son of Mr. and Mrs. John Allen Todd of Santa Anna. Mr. and Mrs. Ed Evans and sons, William and Virgie, visited Sunday near Lometa with relatives. Mrs. Cora Ford is not feeling so well at this time. Sunday evening as Mr. and Mrs. Charles Wright were returning to their home in Brownwood after having spent the week-end visiting in our home, their pick-up caught fire between Scallorn and town, and had it not been for a car passing loaded with soldiers, no doubt the pick-up would have been a complete loss. (Fortunately, or maybe unfortunately for some of the occupants of the passing car) a case of beer was brought fourth and the contents were opened and used as an extinguisher, while other of the boys removed their boots and carried

dirt in them to help smother the flames. Mr. Wright proceeded to Brownwood where he contacted a brother and had his car taken there for repair. Mrs. Wright spent the night in Goldthwaite with Mrs. Lina McLean. Mr. and Mrs. John Allen Todd and son of Santa Anna, were Sunday guests of Mr. and Mrs. Frank Hines and Greta Sue. Mrs. W. E. Stevenson visited Sunday with Mr. and Mrs. J. D. Ford and mother, Cora Ford. Huntis Black spent last week visiting in Brownwood with his aunt, Mrs. Charles Wright.

Mr. and Mrs. John Kuykendall and grandson, Billie John Eckert, called Sunday afternoon, on Mr. and Mrs. Ernest Johnston. Mr. and Mrs. Nelson Knuckles of Lampasas, called Thursday afternoon in the Frank Hines home. Miss Greta Sue accompanied them home for a few days visit.

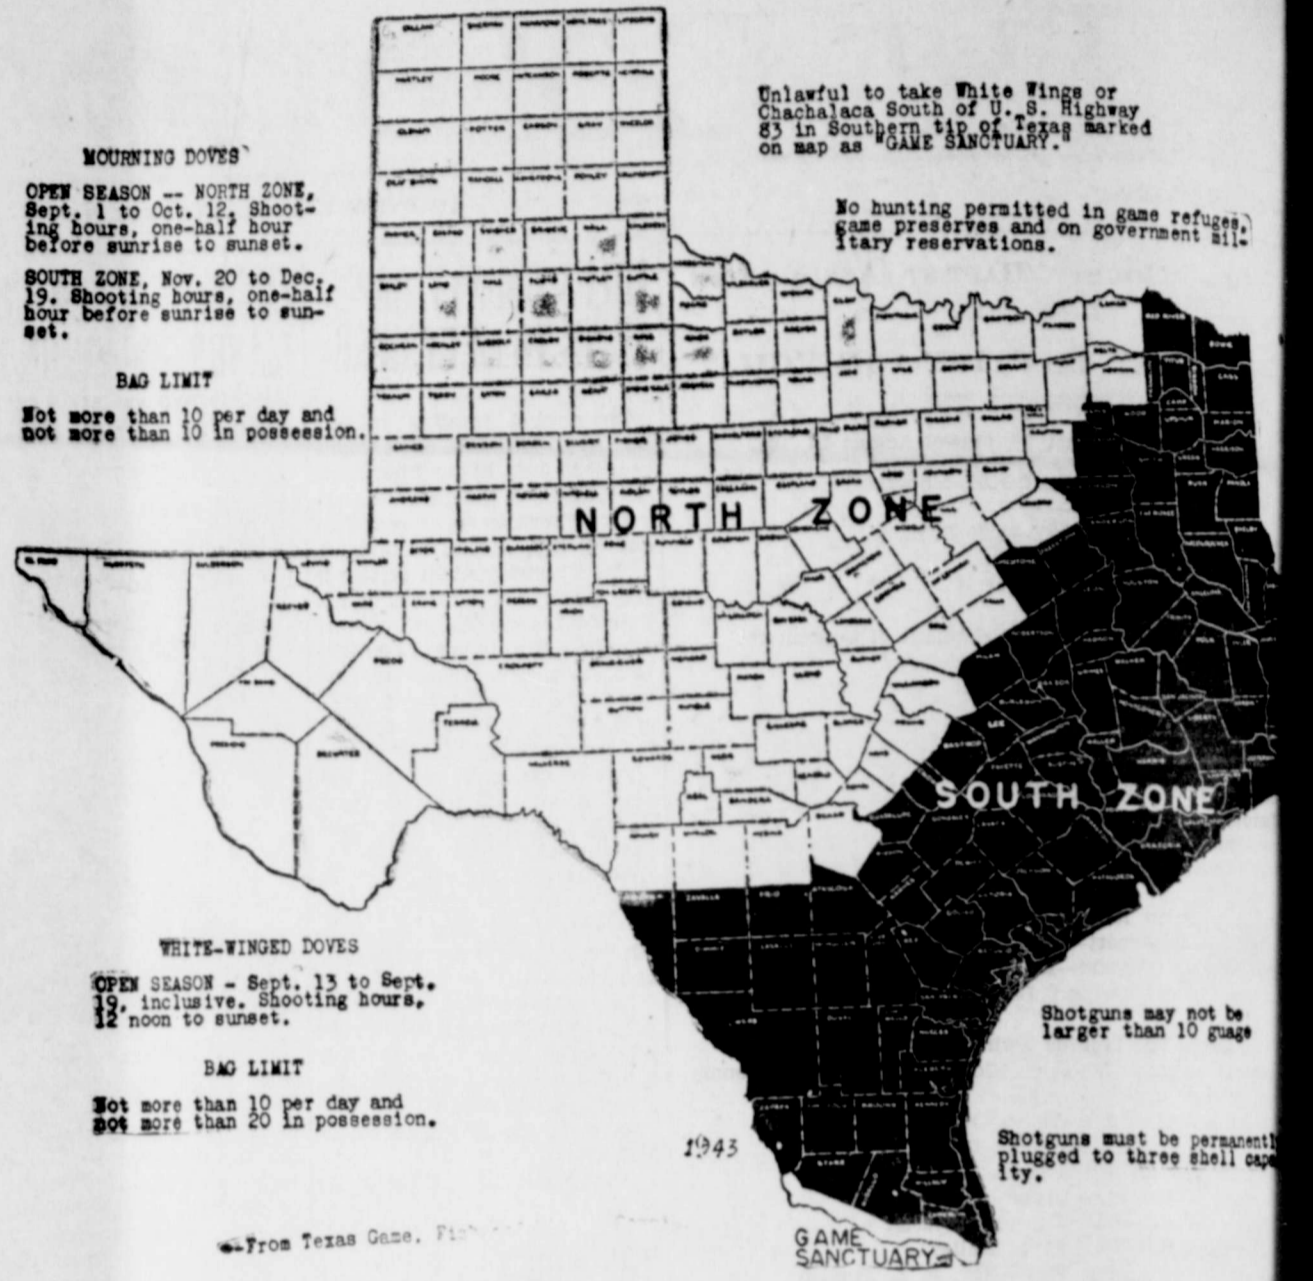

Mr. and Mrs. J. D. Ford and daughters, Reba and Jo Beth, spent Saturday in Brownwood with their daughter, Oleta, who has employment at that place. Reba stayed over for a longer visit.

After visiting here for several weeks with a sister, Mrs. W. E. Stevenson, and a brother, Jim Hunt, Sursie Hunt returned Monday to his home in Amarillo.

Mr. and Mrs. Wayne Henry and family and Mr. and Mrs. Forest Ross, spent Sunday on the river.

Mr. and Mrs. L. S. Adams and family of Bisbee, Ariz. visited with his brother, E. B. Adams, and Mrs. Adams. They left for their home last Friday.

EBONY NEWS—

By CLEMENTINE WILMETH BRILEY
(Intended for last week)

Days of fierce, unrelenting heat continue to succeed one another, making this one of the hottest summers we can remember. Since August has come, even the nights are hot. Ernest Malone says his thermometer registers from 105 to 107 in the house, and in the sun it soon rises to its limit of 120 degrees. Miss Marie Wilmeth of Childress and Mrs. Paul McClung and daughter, Martha Nell, of Plainview, arrived at the Wilmeth home Sunday afternoon. They plan to be here about two weeks. Miss Wilmeth says it is dry at Childress and the thermometer has reached 115, but Mrs. McClung says they have had rains at Plainview and it is not so hot there.

Wood Roberts returned Saturday night from Lamesa where he went to visit his sister, Mrs. Ollie Murphy.

Mr. and Mrs. Pleas McNurien of Lubbock visited a short while with Mr. and Mrs. Roscoe Jones Thursday. They were on their way to visit relatives in San Saba County.

Mrs. Nellie Malone writes that she is now in Van Horn, visiting her daughter, Mrs. J. E. Bean.

Mr. and Mrs. J. R. Wilmeth called on Mr. and Mrs. Ira Egger Thursday night. Mrs. Egger says her health does not seem to improve.

Johnnie Egger and Wilson Armstrong are helping gather fruit at the Reeves orchard this week.

Rob Melvin Philen of Camp Wallace near Galveston, visited with his grandmother and aunt, Mrs. Lydia and Mrs. Effie Egger, Tuesday.

Mr. and Mrs. Sam Cutbirth of Houston were at the Tippin home again last week.

Mr. and Mrs. Ralph Wilmeth and children, Lucy Gale and Nancy Jim, of Brooksmith, spent Thursday night at the Wilmeth home.

We were glad to have Mr. and Mrs. Willie Brown and their granddaughter, Nelda Kendrick, out at church Sunday. Mr. and Mrs. Brown have moved into the McBride house in the maneuver area near Indian Creek.

We hear that at the request of government officials, Loyt Roberts has moved into the maneuver area in the house that was his father's.

Mrs. Ada Egger says while in Brownwood recently, she met up with Paul Forsythe and son

from Port Arthur. They said they had to wade in water up to their waist, and with their beds propped up on bricks, they had slept with the water flowing through the house underneath the bed. Perhaps our drought is not so bad after all.

In response to a hurry-up message from her husband, Mrs. Wayne Taylor left at once Tuesday afternoon for Clifton, Okla., to be with him on a seven day furlough. On account of a misunderstanding caused by our poor communication facilities, three days of the precious furlough had already past.

Mrs. Edna Dwyer writes that she spent Sunday, July 25, her birthday, at the home of her nephew, B. Sherrod, in Lubbock where a dinner was given with joint honors for her and her sister-in-law, Mrs. Nettie Robinson, whose birthdays are the same. She says she was showered with gifts, and it was a very happy occasion. Among old friends who were invited in for dinner was Mrs. Betty Stark. Mrs. Stark and her husband, Guy Stark, were the first to improve the place that is now the Alvin Hanna place.

Mrs. Jim Weatherly Elizabeth Stockton and her Fairman spent the end in San Antonio. Miss Stockton remained for a long time with Capt. and Mrs. Allen Bell. Mrs. Everett Evans is in San Antonio, where she is ill at the Nix Hospital. Be patriotic—Send your magazines, after you get them, to Camp Bowie. Miss Frances Adams was a last week-end guest of her parents, Mr. and Mrs. Adams.

Announcing...

NEW WARTIME SERVICE
for Livestock and Poultry Owners

OUR GOVERNMENT is calling for the greatest food production in history. Farmers of this community are answering the call with long hours, hard work, real sacrifice and true patriotism.

But these are not enough. There are serious leaks to be plugged, and real problems to be overcome before we can possibly reach the tremendous food goals necessary for VICTORY.

Feed is scarce—protein feeds in particular. We are doing everything in our power to supply our customers. But there is not enough to go around. We must therefore stretch our limited supplies to produce the most meat, milk and eggs.

To do this, we must not waste precious feed on unthrifty livestock or poultry. We must cull unprofitable producers. We must stamp out disease and parasites as saboteurs of production. We must do a better job with what we have.

We know from our many farm contacts that most of such losses can be prevented. We are convinced that our food goals can be reached without additional feed, labor or expense—perhaps even with less—simply by plugging unnecessary leaks and stopping easily-preventable losses.

Accordingly, as our part in the "Food for Victory" effort, we have volunteered our services to the feeders of this community to help stamp out Production Saboteurs and Feed Wasters.

At any time of day or night we will call at your farm to assist in such feed-saving practices as culling chickens, worming pigs, disinfecting feed, disease and parasites, checking feed, er and watering space, etc. We will also help you with a war-time check-up of your feeding operations, based on a series of practical production guides suggested and recommended by both national and state agricultural authorities.

We offer this service to all feeders of this community whether they are our customers or not—and to the full limit of our time, tires and gasoline. Our assistance will not obligate you in any way. Our only recompense will be the inner assurance that we are sharing with you and other patriotic Americans the important task of winning the War!

HEY, KIDDIES!

Do you want to do something for the sick soldiers? They like to read funny books, like you do. When you have read your funny books, bring them to the Melba Theatre and put them in the Soldiers' Book Box in the lobby. They will be delivered to the hospital at Camp Bowie.

Let's show these boys that Mills County kids always do their part. Gather up all the funny books you can find and bring them to the show now—then bring them every week when you finish reading them.

LUM AND ABNER AT MELBA SAT. SUN. MON

With dreams of making Pine Ridge a seething railroad metropolis, the citizens of that community cheerfully invest \$10,000 in the railroad Abner Peabody has inherited. But when Lum and Abner reach the big city they are informed by the estate's lawyers that the railroad is worthless, and are faced with the problem of raising and returning the money. This becomes increasingly difficult when Abner, after a minor accident, is erroneously informed by a doctor that he has but two weeks to live.

Chet Lauck and Norris Goff who as Lum and Abner star in the current Jack William Votion production, "Two Weeks to Live," write much of their own screen material themselves. Both are noted radio writers, and have one humorous book to their credit. "Two Weeks to Live" is an RKO Radio Picture directed by Malcom St. Clair.

GREAT HERO LIVES AGAIN, MONDAY SHOW

Shows at the Melba, Monday, Tuesday and Wednesday. Telling with unforgettable effect the story of a great American, a poor immigrant's son who became one of the greatest sports figures of all time and an inspiration to millions of American boys, "The Pride of the Yankees" stars Gary Cooper as the immortal Lou Gehrig. Teresa Wright, Babe Ruth and Walter Brennan head the featured cast of this Samuel Goldwyn production.

Although baseball forms the colorful background of the picture, that background is merely incidental to the human story of Gehrig himself and his remarkable career, told with a wealth of detail and accuracy that makes the picture a genuine personal document.

Beginning with Gehrig as an eleven-year-old kid from New York's Amsterdam Avenue, penniless but hopeful, and even then able to bat a ball farther than anyone else in his gang, the film carries on through the boy's school days and his college years, when he waited on table to put himself through his engineering course. Only his mother's insistence on his studies kept him from becoming a professional ball-player, and later, when he needed money to pay her hospital bills, he gladly abandoned his engineering to sign a contract with the New York Yankees.

Mrs. Mae McMillon of Coleman is here visiting her sisters, Misses Abbie and Ruth Ervin. They all spent Wednesday and Thursday in Temple visiting relatives.

Staff Sgt. Weldon Summy, on a 15-day furlough, visited his parents, Mr. and Mrs. W. B. Summy. He left last Sunday for Camp Pickett, Va., where he will resume his duties.

Miss Imarea Henry of Austin is spending her vacation with her parents, Mr. and Mrs. Walter Henry.

Pvt. and Mrs. Earl Summy and Miss Nina Summy were in Abilene last Thursday and Friday with Capt. and Mrs. C. C. Fowler. Miss Summy remained for a longer visit.

LYONS' BOAR

Published in the issue every month. The greatest star of the screen!

There have been lots of good screen musicals but none with quite the quality of "Best Foot Forward." It's a monkey gland picture. It makes you young.

To the great Broadway hit, M-G-M has added a certain latakia.

BFF is a masterful achievement. It has pep, zip and all the three-letter words.

Harry James and his music makers alone are worth the price of admission.

Lucille Ball, a red-headed steam roller, plays the star who crashes the school prom and sets the campus on its ear.

William Gaxton does on the screen what he has been doing as a star of stage shows for years.

Virginia Weidler who occupies a drawing room in our leonine heart keeps moving onward and upward, carrying on where she left off in "Philadelphia Story" and "The Youngest Profession" plus music.

There's a thing called Nancy Walker we've fallen in love with. She came from the stage cast with Tommy Dix.

Both kids are something to write home about. Anybody's home at all.

Bows for June Allyson, Kenny Bowers, Gloria DeHaven, Jack Jordan.

Cheers for the direction of Eddie Buzzell—at least three of them.

Irving Brecher and Freddie Finklehoffe, screen playwrights, cooked up a delightful dish from John Cecil Holm's stage ingredients.

And Hugh Martin and Ralph Blane are a song team that light up the horizon.

You'll like "You're Lucky," "Alice and Kicking," "Buckle Down Winsome," "The Three B's," "With I Men," "I Know You By Heart," "Three Men On A Date," "What Do You Think I Am," and "Everytime."

Technicolor.

Put your best foot forward by making a date to see this gay movie.

If you're old, it makes you young. If you're young it makes you a baby.

O. P. Curtis of Fort Worth came in last Tuesday for a visit with his grandmother, Mrs. Joe Curtis, and other relatives.

Mr. and Mrs. Edgar Lee Bird and baby and Mr. and Mrs. Ernest Willington and daughter Ginger visited with relatives last Thursday night at Rochelle.

Mrs. H. O. Williams and son, Keene, were guests in the home of her sister, Mrs. Marvin Hodges, and left for San Angelo Wednesday of last week.

Mrs. A. D. Karnes had the following guests in her home last week-end: W. T. Karnes, Caddo Okla.; Laura York, Fort Worth; Mrs. G. D. Carroll and son, Jerry, Elliasville; Mr. and Mrs. J. O. GOD GIVES LAWS FOR HIS PEOPLE

LESSON TEXT—Exodus 23:1-9; Galatians 3:23-28; 5:13-14.

GOLDEN TEXT—Thou shalt love the Lord thy God with all thy heart, and with all thy soul, and with all thy strength, and with all thy mind; and thy neighbor as thyself.—Luke 10:27.

Our God is God of order. To have order we must have law, hence God gave His people not only the fundamental law of 'humanity's moral sense of right and wrong, and the Ten Commandments which are the basis of all codes of law, but also those detailed regulations needed for the law's interpretation.

The law of God was not intended to establish a legalistic system of salvation by work, but, as revealed in the New Testament, it was to guide and bring us to Christ, in whom it finds its true fulfillment.

These are matters of fundamental importance and suggest the need of a careful study of our three Scripture portions.

I. The Law Established (Exod. 23:1-9).

At Sinai the Israelites were brought into the presence of God in a dramatic and solemn assembly to hear the words of God from the mountain. These were later written as the Ten Commandments on the tables of stone. Here they learned in a new way of the majesty, the righteousness, and the love of God.

The Ten Commandments are recognized as the foundation on which all legal codes, ancient and modern, are built. They cover man's relation to God and his relation to his fellow man. They are unsurpassed as a comprehensive and compact statement of the moral law.

The passage in Exodus 23 gives us some of the rules and regulations for daily life which are in a sense an interpretation of the law. This portion gives us an idea of the type of laws provided by God for His people and reveals "the moral flavor of the whole divine legislation."

The thing which impresses us as we read of the divine requirements of justice toward all, of love for one's enemies, of refraining from false witness, of refusing all bribery, is that God's standards are very high.

God's law is good, it is right, of divine quality and perfect purity. It has, however, an even higher purpose than providing direction for life. We learn of that as we hear

II. The Law Described (Gal. 3:23-28).

What was the purpose of the law? It was and is a servant of God to lead the needy sinner to Christ. The word "tutor" in verse 24 does not refer to one who teaches, but the servant who saw to it that the school boy, possibly a bit reluctant, arrived at his destination.

The law convicts of sin and makes it evident to the repentant one that he needs divine help if he is ever to meet its demands. The law really puts a man in prison (kept in ward" v. 23), and makes him look to Christ to set him free.

When one trusts Christ he comes into the place of a son. He enters upon a spiritual maturity which makes it no longer necessary to have a tutor directing and disciplining him. He has entered into a new relationship by faith, and is a child of God.

Does this mean that the law has been set aside or abrogated? Not at all. Jesus Himself said, "Think not that I am come to destroy the law... I am not come to destroy, but to fulfill" (Matt. 5:17). This is our third point.

III. The Law Fulfilled (Gal. 5:13, 14).

Paul had warned against the folly of legalism. In Christ men are free from a slavish bondage to the law. But men, desiring to substitute license for liberty, were using the grace of God as an excuse for self-indulgence and sin.

Christ has set aside all the ceremonial requirements of the law, for He became the perfect, once-for-all sacrifice for sin, which was infinitely superior to all the offerings of the Old Testament law. He thus fulfilled the type of the offerings.

The moral requirements of the law were gathered up in Him, and in Him we have only one law to fulfill, the law of love. Obedience to that law meets all the moral requirements of the Old Testament law.

Liberty to the Christian is not a freedom to do as he pleases, not "an occasion to the flesh" that it may live in selfishness and sin. We are free only to be bound by the blessed law of love.

The tablets of stone were (and still are) important. Their laws have never been set aside or withdrawn. But in Christ God has done what He spoke of through Jeremiah the prophet. He has put His law in the Christian's inner being, and has written it in his heart. (Jer. 31:33).

SOCIETY

Goldthwaite Girl Gets Commission

Lieutenant Elizabeth Jo Whitaker of Goldthwaite, daughter of Mr. and Mrs. A. L. Whitaker, received her commission July 5; is physiotherapist at Brooke General Hospital, Ft. Sam Houston, Texas.

BASKET LUNCH AT MT. OLIVE

The annual Mt. Olive Exchange and Ex-students Association will be held at the Mt. Olive school house Sunday, August the twenty-second. Everyone is invited to come and bring a basket lunch.

Gets Promotion

Maydell Griffin, formerly of Goldthwaite, was among the few who recently was promoted to Junior Mechanic at the Deming Army Air Base. Amid the dust, grease and grime, she is doing her part in helping the U. S. A. to "Keep 'Em Flying."

Girl Scout Meeting

At the regular meeting of the Girl Scouts August 13, the Scout Laws, Promise, Motto and Slogan were the basis of the program.

The history of the Girl Scouts was reviewed briefly by the leader, at which time she told how Juliette Low started the movement in this country as a result of her interest in girls.

After the group had practiced the sign, salute and handshake, they decided that out of the ten program fields they would begin work on the Community Life Badge. Plans are under way to help in a current conservation drive.

Brownie Girl Scout Meeting

The Brownie Girl Scouts met at their troop room Friday, August 13. The first part of the meeting was taken up with the reading of the Brownie Story, and learning new songs. Then everyone joined in the fun of playing some games.

It was decided that the "specialty for this week would be "Helping Mother by keeping things picked up." Each girl then wrote a note to Miss Anne Coleman to thank her for her generous gift of \$5.00 to the Girl Scouts.

Mrs. Claude Bacott spent Tuesday in Brownwood.

GARNER-ELLIS WEDDING

Lloyd Garner, who has been stationed for some time at Fort Jackson, S. C., and Miss Jessie Ruth Ellis of Odonnell, Texas, motored to the Hays home Tuesday evening of this week, Aug. 17, and were joyfully united in marriage. Mrs. Opel Ellis of Odonnell accompanied the contracting parties.

Young Mr. Garner is a son of Mrs. W. E. Garner of Trigger Mountain Community, and grew to manhood among us. He is an esteemed young man of high honor and large promise for the future.

Miss Ellis, the daughter of Mr. and Mrs. C. C. Ellis, both deceased, was also reared in Mills County, but located some time ago at Odonnell, where she has been teaching in the public school. She is most worthy and accomplished and plenty shrewd when she succeeds in capturing one of our best young men in uniform. It enlarges one's expectations to remember that she is a granddaughter of the late Rev. C. H. Miles.

Blessings on them, I pray, wherever they may dwell. L. L. HAYS.

Roberts Reunion

The annual Roberts re-union was held at the Mt. Olive school house Sunday, August 8.

Relatives and friends of the old Roberts families of the Mt. Olive Community gathered before noon to discuss old times. At one o'clock a basket lunch was served which was enjoyed by all.

In the afternoon a short program was given. The members of the boys in service were especially remembered. Everyone left looking forward to the annual meeting next year.

There were 60 relatives and friends present. Some of the relatives attending were: Mr. and Mrs. J. H. Roberts, Mr. and Mrs. Manuel Roberts and family, Mr. and Mrs. Marion Roberts and family, Mrs. Jerry Roberts, Mr. and Mrs. Manard Roberts and family, Mr. and Mrs. Will Roberts, Mrs. Virgie Roberts and family, Mr. and Mrs. A. B. Neal and family, I. B. Cody and family, Mr. and Mrs. T. J. Burkes, and Mr. and Mrs. Johnny Neal and family.

Mrs. R. G. Childre of Weslaco, Mrs. Horace Potter of Orange, Mrs. L. P. Greer and daughter, Margaret Louise, of Brownwood has been in the home of Mrs. John Potter for a few days. They went to Brownwood Wednesday for a visit in the L. P. Greer home.

Mrs. Ruby Anderson and son of Gilmer are visiting her parents, Mr. and Mrs. C. F. Cornelius. Lieut. and Mrs. D. A. Duffy of San Antonio spent the week-end with homefolks.

Journey-Hawkins

Miss Irene Journey, daughter of Mr. and Mrs. F. B. Journey of Evant, Texas, became the bride of Cpl. Oren Hawkins in Ephrata, Washington, on July 23, 1943.

Rev. Hubert C. Vincent performed the holy vows for the young couple, and the only attendant was Cpl. Raymond E. Talkington, a buddy to Cpl. Hawkins.

The bride wore a dress of soldier blue with black accessories. She has a charming personality and is well trained in home art. She is a graduate of the Shive High School.

Cpl. Hawkins, who is stationed at Mores Lake, Washington, in the Army Air Base, is doing his part toward winning this war, but will be glad when its all over and they can come back to Texas and make it their home for the future years together.

Mrs. John Potter sold her home west of town this week to Melvin Harris. He will move today. Mrs. Potter has made this her home for 55 years, and her neighbors and friends regret to see her leave Goldthwaite. She will make her home with Mr. and Mrs. R. G. Childre but before going to reside at Weslaco she will visit with her daughter, Mrs. L. P. Greer, and family at Brownwood.

Sgt. Vallon Burris of Beeville spent the week-end here with L. B. Porter and family. He left Tuesday morning for the Fort Worth Air Base.

Mrs. James W. Frizzell arrived last Tuesday from San Antonio, where she had been with her husband, known to all here as Jimmie. He has enlisted for overseas duty as an aircraft technician, and has been in training for the past two weeks at Kelly Field, Texas. Mrs. Frizzell is visiting her parents, Mr. and Mrs. Jack Reid, but will return Monday to Alexandria, La., where she will resume her duties as a First Aid Nurse at Esler Field, Louisiana. Mrs. Reid and Sybil Ann will accompany her back to Alexandria for a few weeks' visit.

Mrs. Fred Webb and sons, Clarence and Carlton, left for their home at Wills Point last Monday. They had been visiting with Mr. and Mrs. F. D. Webb here and other relatives at San Saba.

Mr. and Mrs. E. P. Shaw were week-end guests of her parents, Mr. and Mrs. Wellie Saylor. Mrs. Woody Saylor went back to Brady with the Shaws for a few days' visit.

Mr. and Mrs. W. B. Summy and son, Pvt. Earl Summy, were guests of Mrs. Exa Sanders at Mullin Monday afternoon. Mr. and Mrs. Talbot Ledbetter of Brady are visiting in Goldthwaite with homefolks.

Mr. and Mrs. J. P. Gerald of Hamilton visited Monday afternoon with the R. E. Worley family. Their grandson, Rellis Earl Worley, went home with them for a visit.

Pvt. Earl Summy Howze is spending a furlough with his wife relatives. Mr. and Mrs. W. J. Christoval were visiting home of his sister, Mrs. Etis, here last Monday.

Mrs. E. M. Steele of gelo spent a few days last week with her parents and Mrs. F. D. Webb.

Mr. and Mrs. Edgar and baby were week-end of her parents at M.

Miss Valeria Stedley is visiting her aunt, Gersch.

'ALL OUT' ON THE FARM FRONT

NEWS FROM YOUR COUNTY HOME DEMONSTRATION AGENT

By JOE M. GLOYER
Mills County Agent

POULTRY CULLING

With record poultry flocks in Mills County, and a feed crop shortage coming up, poultrymen should cull the low producers from their laying flocks and save feed. Normally a hen will consume at least six pounds of feed per month. At poultry culling demonstrations conducted recently by the County Agent on the F. C. Fox place northwest of Goldthwaite and the I. T. Howell place at Pleasant Grove, from 30 to 40 percent of the entire laying flocks were culled out.

Extension Service estimates that about 20 per cent of the 30,000,000 birds now on Texas farms could be culled and thereby save about 32,000,000 pounds of feed in the next 30 days. A hen which cannot produce more than her keep is a burden on the dwindling feed supply.

By culling now, a large quantity of poultry meat would be released to the market. In addition it would give producers the opportunity to remove all early molting birds which, as a rule, are not profitable during periods of high feed cost. They also could remove all birds which have slowed up production together with all weak and emaciated hens and pullets, those which show sagging abdomens, the coarse, male-type hens, and those birds which have grey eyes showing indications of fowl leucosis. Declining production is forecast by shriveled combs, and by yellow beaks and legs.

To simplify the culling job, confine all hens to the house for the night. The next morning take a catching hook and work quietly among them. After the hens have become accustomed to the intruder they may be picked up with the hook and examined for the qualities mentioned which indicate inferior production. In this way a complete job of culling may be made without exciting the hens and disturbing the output of the good producer.

Culling charts which have recently been prepared by poultry specialists of the A. and M. College Extension Service may be obtained at County Agent's office. Instructions are given in simple form with pictures to illustrate easy methods of culling.

HORN FLY CONTROL

Farmers and ranchers interested in the control of Horn Flies on cattle should visit C. O. Norton's place north of Goldthwaite off the Priddy Highway and check with Mr. Norton on the results he is getting with a Horn Fly trap. Mr. Norton reports to the County Agent that he is getting excellent results with the fly trap in controlling the pests on around 20 head of Jersey heifers running in the pasture. He had the trap constructed at Goldthwaite by Lincoln Saylor. Plans were obtained from the County Agent's office. The trap is a box-like affair, six feet high, ten feet long and wide enough for animals to pass through. The sides are made up of the trapping elements, constructed of 16 mesh screen wire. It is placed where the cattle will have to pass through it going to and from water or into the barn. According to Mr. Norton, the cattle become accustomed to the trap within a short time and will come in from the pasture off

and on throughout the day to pass through it when the Horn Flies are bothering them. The horn fly causes heavy losses in both Dairy and Beef herds each year. During seasons of abundance the Horn Fly is responsible for a reduction of from 1-4 to 1-2 of the milk production of dairy cattle and a considerable loss of flesh in all classes of cattle. Many sores caused by horn flies in cattle are potential screw worm cases. Other information and methods of control are obtainable at the County Agent's Office.

cooker. Cool cans immediately, but the glass jars should be left in the cooker about 15 to 20 minutes after the cooker lid has been removed. Then the jars may be taken out and placed where they can cool but not be in a draft. When rubber has been held at such a high temperature it is easily broken or ruined. Moving the jars too quickly or not carefully may cause a poor seal. The seal forms as the jar cools. Never screw the lid again after pressuring until it has cooled.

What To Do With The Bony Pieces And Giblets.
Put the neck, wing tip, back and legs in the cooker. Add 1 cup water per chicken and process—10 lbs. pressure for 35 to 40 minutes. Use this for broth and ground chicken.

Ground Chicken
Remove meat from the bones and chop or grind coarsely. For each two cups of meat add 1-2 tsp. salt and 1-2 cup broth. Mix and heat to boiling. Pack into containers quickly, leaving 1-4 to 1-2 inch headspace in cans and 1-2 to 3-4 inch headspace in jars. Seal immediately and process same time and temperature as canned chicken in step VII-VIII.

Giblets
Can livers alone and put gizzards and hearts together. If there is not enough to cook separately cook the gizzards and hearts, then add livers. Gizzards and hearts should be covered in water and cooked for 20 to 25 minutes. Cover the livers with water and boil 10 minutes. Pack into containers and seal while boiling hot. Process same time and temperature as canned chicken in step VII and VIII.

Broth
Pour broth up and remove excess fat. Strain and let come to a boil. Pour in containers, seal and process at 15 lbs. pressure: No. 1 cans 20 minutes; No. 2 cans and pint jars 25 minutes; No. 3 cans and quart jars 30 minutes.

Fried Chicken
It is not advisable to can fried chicken, because fat when heated to 250 degrees F. or 15 lbs. pressure becomes rancid more quickly and often has a bitter flavor. Young, tender chickens are not as good canned; they do not have as good a texture and flavor as the older birds.

VI Seal
Howard Payne College, Brownwood, will begin this fall the fifty-third annual session. The opening date is Wednesday, September 15.

Boys who have not yet reached the age to be affected by the selective service should avail themselves of the opportunity of education until such time as they may be inducted. The college work that they may do will be especially beneficial to them in the armed services. They will profit particularly from work in physics and mathematics.

Young women who desire to become secretaries and Civil Service workers will find an excellent array of courses at Howard Payne College. They can either go for a limited period of time or continue for the full course which leads to the degree of Bachelor Administration or of a Bachelor of Arts with a major in Business. Almost unlimited numbers of people are needed for secretarial, stenographic, Civil Service positions, and as teachers of business courses in high schools.

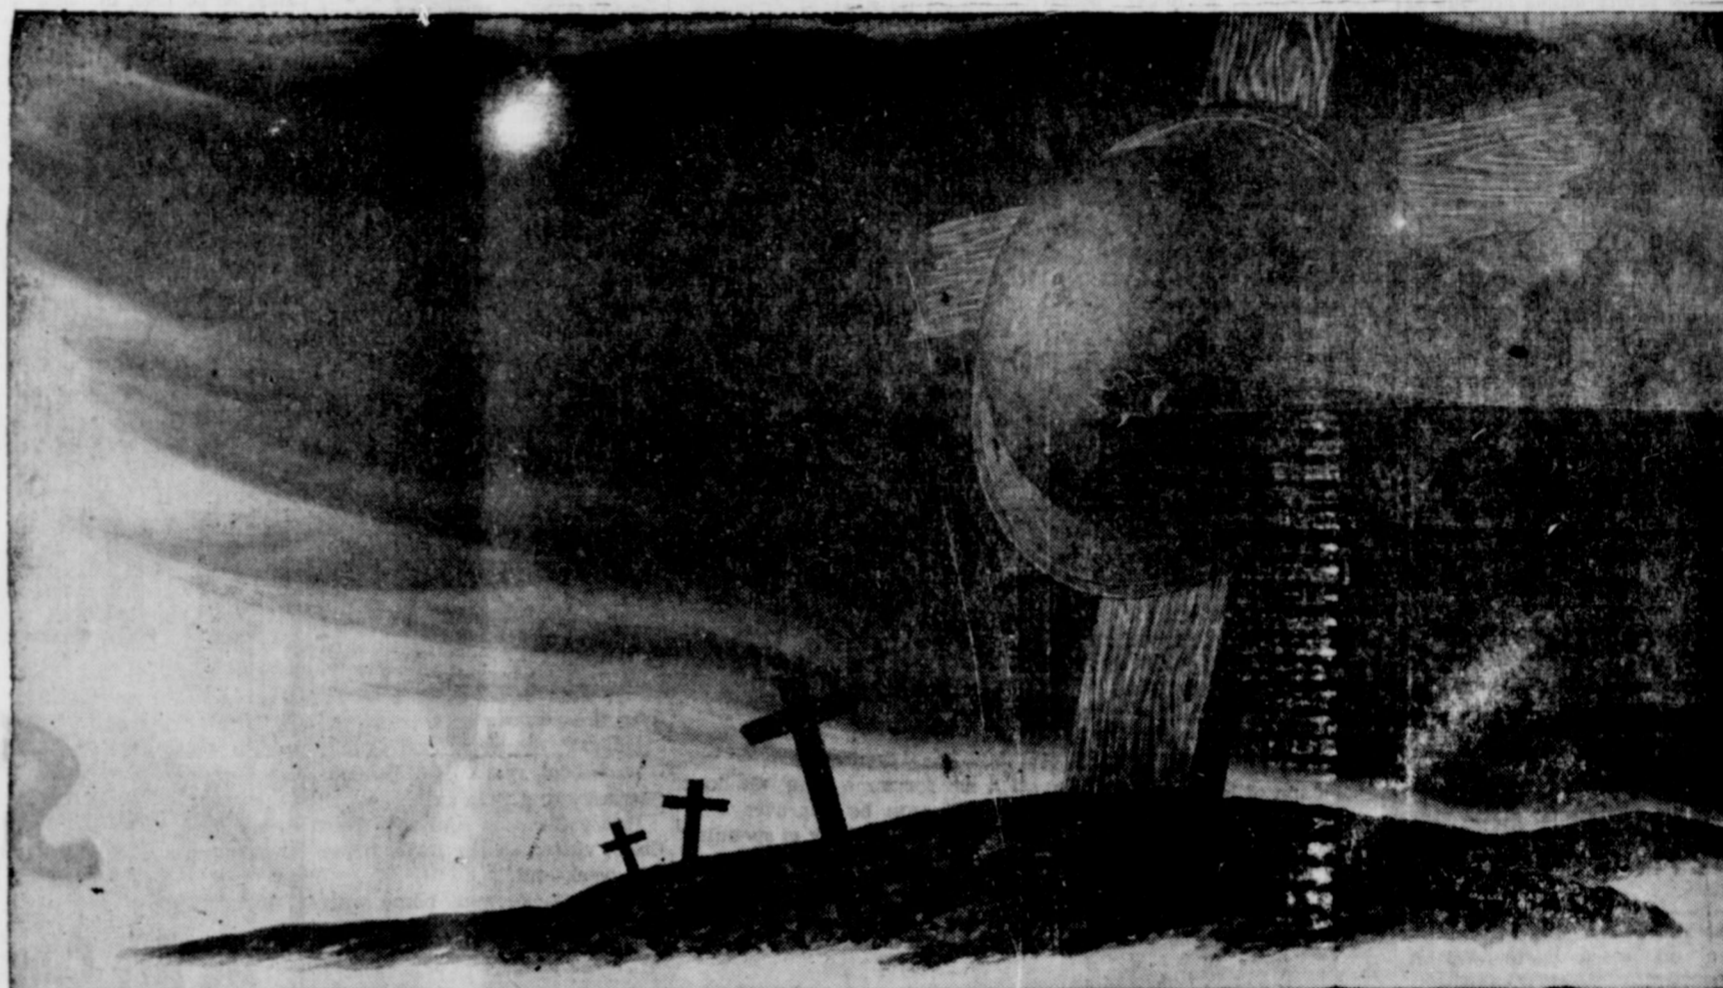

Howard Payne College offers an opportunity for ambitious young people, both girls and boys, to work for a part of their expenses. Many of our best students work in order to defray a part of their college expenses.

Read your Comics and then leave them at the Melba Theatre so they can be sent to Camp Bowie Hospital.

cooker. Cool cans immediately, but the glass jars should be left in the cooker about 15 to 20 minutes after the cooker lid has been removed. Then the jars may be taken out and placed where they can cool but not be in a draft. When rubber has been held at such a high temperature it is easily broken or ruined. Moving the jars too quickly or not carefully may cause a poor seal. The seal forms as the jar cools. Never screw the lid again after pressuring until it has cooled.

VII Process
Place containers in pressure cooker (which is hot for cans and jars). Fasten the lid securely and leave pet cock open. When a steady stream of steam issues from the pet cock for 7 minutes, close the pet cock. Process at 15 lbs. pressure: No. 1 cans and 1-2 pint jars 20 minutes; No. 2 cans and pint jars 25 minutes; No. 3 cans 75 minutes; quart jars 65 minutes.

VIII Cool
When No. 1 or No. 2 cans are processed, the pet cock can be opened, letting the steam out until the dial registers zero. Open the cooker and cool immediately. For No. 3 cans the pet cock should be opened off the stove and the jars allowed to go back to zero on the dial before opening the pet cock and the jars.

"The flowers are for yesterday and the monuments for tomorrow."

"I'd like to tell you what the Japs did to some friends of mine"

I AM LIEUTENANT (j. g.) ANN B. BERNATITUS, U. S. N.—a nurse, back from Bataan. I have a message for you . . .

"Those American boys—who fought for you with their backs to the wall, waiting for help that never reached them—came from the land of plenty. But when their lives were at stake, all they had was . . . plenty of nothing!"

"They were outnumbered, outgunned, and out-supplied. They were so short of ammunition that anti-aircraft gunners often had to hold their fire until the enemy planes were on top of them. They

were so short of bandages and gauze that we nurses had to wash out the old ones and use them again.

"But they were never short of courage. They never spoke of surrender. They just went on fighting, and hoping, and dying. And no sacrifice was ever too great.

"Let me give you an example. One terrible day on Bataan we had 285 patients on our operating tables in 8 hours—a new patient every two minutes of the day.

"A sailor was brought in with his abdomen blown to bits. He was a goner and I think he knew it. 'Doctor,' he asked, 'is there any hope at all?'"

"The doctor wished to reassure him and replied, 'We'll do everything we can!' The sailor tried to roll over. 'Doc,' he begged, 'get me off this table and save one of those other fellows who still has a fighting chance.'

"That was the kind of men we had at Bataan. And they would want you to remember not only what they did, but what they did without.

"They would want you to remember it, but not with flowers and memorials. The flowers are for yesterday and the monuments for tomorrow.

"Remember them now—this month and every month—by buying War Bonds!

"Buy guns and planes and shells and ships and tanks—for those other countrymen of yours who are fighting so far from home. See to it that never again, any place in the world, will American fighting men be caught short as they were on Bataan! That never again will American wounded perish for the help your dollars might have sent!

"Certainly taxes are higher. Certainly the cost of living has gone up. But the men on Bataan were never ten-percenters!

"They gave everything they had. And now it's up to you to buy War Bonds not only if you can, but all you can! Please believe me, folks—the way the boys on Bataan would like to be remembered!"

PLEASANT GROVE

By **MRS. PETE MILES**

(Intended for last week)
The meeting started here last
Monday night and will continue
through Sunday 15.

Miss Janie Mae Miles is spend-
ing this week with her brother,
Pete, and family, helping care
for her niece, Crystal Ann, who
has put in an appearance since
the last writing. Crystal was
born July 30, and weighed 6 1-2
pounds.

Miss Ruby Dee Arwood spent
part of last week with Miss Lola
Belle Wilkey.

Miss Oleta Henry visited last
week in the Jude Miles home.
She and Mrs. Miles and Mrs.
Allan Perkins and son visited
Mrs. Pete Miles and baby last
Thursday evening.

Mr. and Mrs. Bill Virden visit-
ed Sunday evening with Miss
Isa and Will Collier.

Isaac Howell is working this
week on the new house that is
going up for Charley Hall and
family whose home was recently
destroyed by fire.

JONES VALLEY

By **Mrs. Geo. D. Brooks**

(Intended for last week)
We are very dry in this part of
the county.

Mrs. Boyd Knowles is visiting
her parents, Mr. and Mrs. H.
Hale. Miss June Knowles visited
them last week.

Mrs. Jay Booth has rented an
apartment at town where she
and her daughter will reside for
the present. Jay having left for
the army.

Mr. and Mrs. Otto Singleton
and family moved in to the army
area this week. Mr. and Mrs.
Henry Benner have moved into
the house at the river.

Raymond Wilcox and wife have
moved to the Curtis ranch. We
wish happiness and prosperity
to this young couple.

Horace and Sidney Brooks are
visiting relatives in Scurry Coun-
ty.

Mrs. H. Hale has been on the
sick list for some time. We hope
she will soon be improved.

Maybeline Whitley is spending
a few days with Elva Faye
Brooks.

Vernon Marshall of Regency
helped Otto Singleton move this
week.

LIVE OAK

By **MRS. J. H. BROWN**

(Intended for last week)
The weather continues hot
and dry. We hope it soon rains
and gets cooler.

Grandmother Ballard spent
the week-end with Mr. and
Mrs. Will Fox.

Mrs. C. G. Featherston, and
Mae accompanied Mrs. Tolbert
Patterson to Waco, Wednesday.

Mr. and Mrs. Lee Parker are
entertaining a fine baby boy at
their house. He arrived the 23rd
of July. He has been christened
Charles Rodger.

Little Carolyn Harkey of Fort
Worth, is spending some time
with her grandparents, Mr. and
Mrs. J. H. Brown.

Mr. and Mrs. W. E. Rose and
Mr. and Mrs. Will Fox visit-
ed in San Antonio, recently.
They stopped in Austin where
Wilma B. joined the party. They
reported a nice time.

Mr. and Mrs. Bill Parks are re-
joicing over the arrival of a
bouncing baby boy, whom they
have named Billie Joe. Mrs.
Parks and baby are at the home
of her parents, Mr. and Mrs.
Tom House.

Mrs. Deward Reynolds was
quite sick Saturday afternoon,
but is much improved.

Charles W. Brown of Brun-
didge, Alabama, visited his bro-
ther, J. H. Brown, and wife last
week.

Mr. and Mrs. Clifford Rose are
the proud parents of a baby boy,
who arrived at the Campbell
hospital July 31. They are stay-
ing at present with her parents,
Mr. and Mrs. C. W. Batchelor.

Mr. and Mrs. J. L. Wright of
San Angelo, were guests in the
J. H. Brown home Friday.

Mrs. Ed Randles of Fort Worth
was down for a short visit
Monday.

Veda Simpson has returned
from Dallas where she spent
most of the summer.

ROCK SPRINGS

By **MRS. EULA NICKOLS**

(Intended for last week)
There was Sunday School
Sunday morning. There was a
nice crowd out. John Earl and
Janette Roberts from Abilene,
were visitors at Sunday School.

Those of you who read in last
week's paper "A Prayer for
Peace," enjoyed it I am sure. It
was such a pretty prayer. How
happy this world would be if we
only knew we could have peace
by Armistice Day. The whole na-
tion would rejoice, wouldn't it?
R. E. Clements is my brother,
as most everyone knows, and he
has been a good brother, as well
as my brother, Duke. Earl has
not had a taste of this war like
Duke and myself, and mine so
'far is nothing to compare with
Dukes and wives. We hope they
can all soon come home on a
wing and a prayer.

Woodie Traylor and family,
John Roberts and wife and John
and Janette Roberts helped to
celebrate Mrs. Ellis Robertson's
birthday Monday night in town.
James Nickols and Hobson
Miller had business down at
Charley Wrinkle's Sunday after-
noon. So James' wife and I went
as far as Sam Carrol's and spent
the afternoon.

Miss Ruth Whitth who has been
taking a nurses course is at
home to recuperate.

Wesley and Marshall Nickols
were quite pleased when the
express agent called and said
their "hound pup" had arrived
from Brady. Their uncle Glenn
won this hound several months
ago, so his nephews are to raise
it for him. And when he comes
home they will go fox hunting.
The first thing he helped to kill
was an armadillo, I don't expect
their uncle will like that. As bad
as I hate a dog, I'll try to help
raise it for them.

I failed to get the names of
E. D. Roberson's and wife's com-
pany, they had quite a crowd
over the week-end.

Hubert Simpson and family
from Waco, visited his parents
Saturday and Sunday.

Henry Simpson and son from
Cisco, visited in the Davis home
last week-end.

W. A. Cooke went home with
Arthur Wilcox Saturday after-
noon to visit with William Wil-
cox, who lives at Ratler.

Sunday afternoon James Nick-
ols and family and mother, went
to Marvin Spinks in town to see
Mr. and Mrs. R. E. Collier. They
were fine and they asked about
everybody.

J. T. Stark spent Saturday after-
noon at the Lake with Mrs.
McClary and children.

Mmes. Meeks and Salters and
children from Fort Worth, Mrs.
Harvey Dunkle and Mrs. James
Nickols and boys visited Friday
afternoon in the Woody Traylor's
home. Mrs. Dunkle ate dinner
with them.

Mrs. Barney Tippen came
home Friday. She had been visit-
ing her mother, Mrs. Cummings
in San Angelo.

Friday night James Nickols
and family and John Earl and
Janette Roberts and I, enjoyed
eating watermelons in the
Hutchings home at Center Point
with Otis and Besse, Duke Clem-
ents and family and Philip Nick-
ols and wife. Otis and Besse
raised the melons. We found the
yellow meated ones the best. We
hope he raises more next sea-
son.

Mrs. Maggie Traylor and chil-
dren, Mrs. Nickols and John and
Janette Roberts went to Big
Valley to church Saturday night.

Rudolph Cooke and family
spent Sunday in the George
Mason's home.

Mrs. Joe Baylis is visiting her
sister, Mrs. Stark, and other re-
latives.

Floyd Day and family went to
Big Valley to church Sunday
night.

Yesterday Vernon Tyson sold
the Williams Ranch to E. E.
Evans of Texas City, Texas.

Ray H. Denhart of Center City
has gone to the Texas coast to
do defense work. Mrs. Denhart
and the children are moving to
Dallas.

Mr. and Mrs. W. E. Burlerson
of Mullin, visited last Friday in
the home of Mr. and Mrs. W. B.
Summy.

Mr. and Mrs. E. M. Wundt re-
turned to San Antonio, where he
is stationed, after spending a
few days with her grandparents,
Mr. and Mrs. G. W. Smith, and
relatives.

Mrs. Eray Smith and baby,
Norma Dell, left the first of last
week for Harlingen after a
months' visit with her mother,
Mrs. Ernest Tyson.

LEGAL NOTICES

THE STATE OF TEXAS

TO: Waddy Allen Thompson, et
al; Mary Alice Thompson Hunt
and her husband, James T.
Hunt, Defendants, Greeting:
You are hereby commanded to
appear before the Honorable
District Court for 27th Judicial
District of Mills County, at the
Court House thereof, in Goldth-
waite, Texas, at or before 10
o'clock a. m. of the first Monday
next after the expiration of forty-
two days from the date of the
issuance of this Citation, same
being the 6th day of September,
A. D. 1943, then and there to an-
swer Plaintiff's Petition filed in
said Court, on the 24th day of
July, A. D. 1943, in this cause,
numbered 2737 on the docket of
said Court and styled E. P.
Thompson, Plaintiff, vs. Jack D.
Thompson, Mrs. Annie Thomp-
son, a feme sole, Mary Alice
Thompson Hunt and husband,
James T. Hunt, Waddy Allen
Thompson and Waples Platter
Grocery Company, a private cor-
poration, Defendants.

A brief statement of the na-
ture of this suit is as follows, to-
wit: Plaintiff alleges that he
and the defendants aforesaid,
other than Waples Platter Gro-
cery Company, are the sole own-
ers of 192 acres of land out of
Coleman Runnell's Survey No.

97, Patent No. 151, Vol. 11, situ-
ated in Mills County, Texas, be-
ing the same land conveyed by
Mrs. L. S. Hayes and husband, G.
W. Hayes, to E. P. Thompson
and Waddy Thompson by deed
dated April 5, 1916, recorded in
Vol. 40, Page 264, Deed Records,
Mills County, Texas; that plain-
tiff owns an undivided one-half
interest in said land; that de-
fendant Mrs. Annie Thompson
owns an undivided one-fourth
interest, and that said Jack D.
Thompson, Mary Alice Thomp-
son Hunt and Waddy Allen
Thompson each own an undivid-
ed one-twelfth interest therein;
that the defendant, Waples Plat-
ter Grocery Company is claim-
ing a judgment lien and deed of
trust lien against said land,
which liens plaintiff says are in-
valid but cast a cloud upon the
title to said land. Plaintiff prays
for appointment of Receiver to
sell said land and divide the pro-
ceeds, or in the alternative for
the appointment of Commission-
ers and partition of said land.
Plaintiff also sues for foreclo-
sure of deed of trust lien for pay-
ment of \$178.04 due him by reason
of transfer of Federal Land

Bank deed of trust liens a-
gainst said amount; also allege
encumbrances of \$291.50 to be
charge taxes and interest on
said land and of the sum of
\$100.00 per year for the past
years for expenses in looking
after said land for himself as
agent for said defendants. Plai-
ntiff prays for foreclosure of
liens and for the adjustment
and annulment of the liens
claimed by Waples Platter
Grocery Company and removal
cloud by reason thereof of
costs of suit, etc., as is more
shown by Plaintiff's Petition
file in this suit.

The officer executing this
cease shall promptly execute
same according to law, and
make due return as the law
directs.

Issued and given under
hand and Seal of said Court
at office in Goldthwaite, Tex.,
this 24th day of July,
1943.

EXPLANATION OF LAST WEEK'S ADVERTISEMENT

No offense, or reflection upon work being done, was meant or intended to the Chairman or members of the Local or any other USDA War Board.

Certainly the advertisement in last week's issue of this paper was not intended to create any confusion or hamper the war effort in any way.

It was published in fun and as an exaggeration of what is necessary now to buy high protein feeds during the present shortage.

Our apologies to anyone who interpreted the advertisement in any other manner.

THE REIGN OF THE DEMOGOGUE

By J. S. BOWLES

IN ANCIENT TIMES the term demagogue was a highly honored term. It denoted a leader among men.

Today it denotes an unscrupulous, unprincipled orator; one who acquires influence among the populace by pandering to their prejudices, or by playing upon their ignorance.

The tactics of the demagogue, in this offensive sense, has in recent years been the means by which some men have achieved success in the field of politics. For instance you may take the word "politician" and misuse the term, and din it into the mind of the populace and it will certainly carry implications that were never intended in the true meaning of the word; that may destroy the most noble minded statesman in the land. Not only will it destroy the noble, but it may foist upon the country the most contemptible demagogue as a true representative of the people, especially so, if by any chance he happens, purposely or otherwise, to impress upon the minds of the unthinking that he, himself, is the "common people"—a thought he is not very apt to neglect.

Yet the term "politician" is a most noble one. In the hands of the demagogue as he hands it out to the ignorant populace, it becomes opprobrious. To hear the applause that greets the demagogue as he applies the term to his opponent one would suppose that this opponent was a highway robber and deserved to be hanged.

Yes, the term "politician" is one of which any man should feel justly proud. It simply means "one versed in the science of government." It means one who has given of his best ability to the mighty problems confronting his country. Who would not be proud of such an appellation?

I was lead to this line of thought some days ago while looking into the history of our country in those days following the revolution of the American Colonies.

Those were indeed dark days. There were questions in the minds of the people as to whether or not the government would survive. The victory on the battlefield had been won, but it now looked like the battle for the establishment of a country would be lost. Great issues were at stake, and there was disagreements on every hand. Then came the politicians to take over. Some of these, be it said, were those of the battlefield but who had become politicians, statesmen. We have the names of Washington, Franklin, Jefferson, Hamilton, Madison—all politicians now.

These differed in theories. It looked for a time as if they would never agree on any thing that even suggested success. But the politicians were successful, and from their hand and brain came a Constitution, the most profound document that ever came from the mind of mortal man. Let us learn to differentiate between the terms that we so loosely use, and learn a wholesome respect for terms as they should be used. Let us pray for politicians in the true sense of the term, and fewer of the demagogues who would defame the true politician.

WEST POINT OF THE AIR

AVIATION CADETS of the U. S. Army Air Forces at Randolph A Field, Texas, the "West Point of the Air," learn to fly many different types of planes. Learning to fly at Randolph Field means more than just being able to pilot a ship; it means knowing your plane from motor to the tail, from the ground up. In addition to flight instruction, classes are given in mechanics and motor repair, engineering and shop practice, armament, code practice and signal communications, and other technical subjects.

Many months of painstaking instruction are given Aviation Cadets before they become flying officers of the AAF. No safety precaution is omitted, nor is any phase of training that might add to the flyers' skill and ability short cut. In consequence, the record of accidents in Aviation Cadet training is surprisingly low, and percentage of successful graduates unusually high. And the battle record of our flyers against the enemy is four to one, and sometimes as high as ten to one. Lieutenant Jeneva Young, WAC officer, is in charge of the local recruiting office.

The new Reception Center procedure, effective August 1, makes it possible for men to volunteer to become Aviation Cadets during their processing period and before assignment to other services. Men between 18 and 26, inclusive, who have not yet been ordered for induction may apply at the nearest Aviation Cadet Examining Board for information as to how they can become Aviation Cadets.

It would cost many thousands of dollars for any young man to get for himself the air training which the Army gives him at good pay. Aviation Cadets receive \$75 monthly while in training, with a \$10,000 life insurance policy paid by the government. Upon becoming flying officers, their pay initially ranges from \$205.50 to \$245.00 per month. Promotion is rapid because of the big expansion of the Air Forces.

REP. MORRE EXPLAINS WHY SPECIAL SESSION WAS NOT CALLED

So much has been said about the recent contemplated Special Session and in some news releases it has been indicated that there was some mystery connected with its not being called that I feel like a brief statement in this paper will be news and will clarify the matter with those who have not had an opportunity to know what went on at Austin in this connection.

As is widely known the general fund of the Texas financial set-up has been in a depleted condition and until the 48th Legislature took steps to improve it there was a \$30,000,000.00 deficit. It would make this article too long to go into details of the cause of this. Section 49a is now a part of our constitution and is self-enacting according to a ruling of the Attorney General. This amendment requires cash to be on hand for all appropriations made from this fund, or by 120 "ayes" in the House and 25 "ayes" in the Senate, or a State Bond of \$25,000,000.00 can under some circumstances be floated as an obligation against the next generation. You can see quite a little storm will break at Austin when there can be no further raids on the future of the General Fund.

To mend this situation some "brain truster" discovered that by repealing the State Aid appropriations for schools and allowing this to go into the general fund that the deficit would be cured by the next session. For this concession by the schools the per capita was to be raised to \$30.00. The Governor, like many others, at first thought the idea tenable and thus announced his intention to call a Special Session to work this out and it was believed that the Session would last only a few days. I contended that such a Session, changing a state policy of many years standing would last at least 20 days or longer. I served notice, as a member of the Education Committee that I would see to it that all school men of my district would be heard if they were adversely affected. The arrangement as proposed would have given the school of my district about \$60,000.00 less than they would get under the present set-up and a city the size Austin would get about \$85,000.00 more than they are getting under the law as it had already been passed. This school appropriation has been secured for the next biennium and why should I assist or permit a condition that might reverse and adversely affect the interests of those that I represent. I hope all people who are interested in schools will see my position. When these conditions were brought to the Governor's attention and when notice was served that full hearing would be insisted upon and that even if such a plan got out of the Committee there would be a brisk floor fight and as four-fifths majority would be required to make such a bill immediately effective the prospects for such an arrangement faded from the vision of those who were sponsoring it and the Governor did not care to spend \$100,000.00 on a Special Session. As I see it the people of Texas ought to feel proud that they have a Governor who is willing to hear both sides of any matter and who cannot be stampeded into a special Session.

There is another matter that has been aired out in the press to some extent which the pub-

lic should have more accurate knowledge of. That is the question of the Legislature's attitude toward the State Welfare Department. An attempt was made during the 48th session to secure a more economical administration of the funds voted by the tax payers to relieve our old people by giving old age assistance to the needy. It was found at that time that salary raises had become common and the Legislature undertook to set back the salaries and thus make a saving as each dollar saved would add two dollars to the old age pensions because of the matching contract by the government. By a very shrewd arrangement the Department refused to do this and, after the Session adjourned raised the salaries of about 150 employees. The Legislature had raised \$150,000.00 per month, then with a reduction of \$50,000.00 in salaries saved would have given the old people \$200,000.00 more which with the matching funds would have been \$400,000.00 per month more for old age pensions. This would have about restored the cuts the Department had made. But this was absorbed in additional administrative costs till the old people were given only 57 cents in a raise. A Committee was appointed by the Speaker to see if something could be done as it was clear that the Department was more interested in their salary increases than in conveying this money to the old people. The Legislature that provided this vast tax structure did not do so in order that a department should live in splendor but that relief should reach the old and infirm, nor the tax payer who pays these enormous taxes does not do so that the Department may live like lords but such tax payers are hoping that this money may reach our old people with the least possible expense. I was appointed on this Committee and was made secretary of it and have attended all meetings and kept the records. We held a meeting last week in Austin and found that the Department was paying over \$2,000.00 per month for an air conditioned building and that since the Legislature had adjourned about 150 employees have taken salary raises which absorbs in great part the funds that was provided in the hope that the cuts in pensions might be restored.

All this counts up to show that the Welfare Department is not in sympathy with those they serve. They even claim that more extravagant expenditure must be made in order to secure the matching funds from the government. It was shown that many old age pensioners had been permitted to live in a place in a great city of this state where vermin existed and demented patients were tied and chained behind locked doors and, in some cases, left without clothing presumably to keep them from running away.

This Committee heard evidence, found extravagant salary raises, and not withstanding additional funds had been raised

IT NEVER FAILS

to restore the cuts which had been made only the most meager attempt had been made to comply with the wishes of the Legislature and therefore the only hope was in a change of administration which my committee definitely recommended. It is hoped that relief will be had soon.

Representative 104th District.

ROCK SPRINGS

By MRS. EULA NICKOLS

Our hearts were made sad last week when we learned about Mrs. Little and Mrs. Miller's deaths. It is so sad to give up our loved ones, especially our mothers. We extend sympathy to each one of you in your sorrow. We also sympathize with Mr. and Mrs. Charley Simpson and Mr. and Mrs. Matt Casbeer in the passing away of their grandson. The two grandmothers went to the funeral, but I failed to find out where they lived.

This church has its church letter ready for the association, which meets with the Goldthwaite church the twenty-sixth and seventh of this month. The church will be glad to have a big attendance. I'm sure the meeting will be fine. Come and bring someone with you. Come early so you won't miss any of the meeting.

John Earl and Janette Roberts and I spent Monday in Mrs. Bert Wright's home in town. Mrs. Wright made Janette some school clothes.

W. A. Daniel has been figuring on having some wells dug.

Kenneth Campbell and Mrs. E. L. Pass, who lives in town, went with Janette Roberts and I to Trigger Mountain Saturday night to hear Bro. Watson preach. He delivered a good sermon, just like he used to long time ago. He will soon be ninety years old. His voice is as strong as it was when he was pastor here years ago. He is pastor at Trigger Mountain. We hope he will be at the association. We enjoyed the song service lead by Bro. Chester Sylvester. That church should be proud of Miss Garner, who played the piano. It is so nice to have some one to play.

I hope our paper will have all the community letters in this week. We are not keeping up with each other when we fail to write. If this warm dry weather continues we all may have to quit and try to find a cool place. Some are suffering as stock water is gone in some places. Everything is already burned up.

I saw Mrs. Editor Thompson in town Saturday. We are always

glad to see her when she comes back.

Mr. Keen is pasturing his stock down on the river in E. L. Pass' pasture.

James Nickols and family visited in the Tyson home Sunday after at Williams Ranch.

E. L. Pass and wife spent Saturday in the Sutton home. Mr. Pass helped Mr. Sutton clean out his well.

John Earl and Janette Roberts left Tuesday morning for their home in Abilene, after visiting their grandparents.

I visited Tuesday in the Ford, Gatlin, Woodie, and Crews homes. I found Uncle Charley Ford complaining about the warm weather. Mmes. Woodie, Gatlin and Crews seemed to feel pretty good. Mrs. Gatlin can move about on her bed pretty good.

Wasn't it a treat when the norther blew up Tuesday morning? A lady told me in town it was going to rain this week-end, and she isn't an old lady either and hasn't been here very long. But here is hoping she really knows what she is talking about. If it does rain you can call her a weather prophet.

SCALLORN

By MRS. ORA BLACK

Mrs. Cora Ford is leaving Tuesday of this week for a visit with her sister, Mrs. Ann Kirkpatrick, of Junction, and from there she will visit for some time in Del Rio, with her daughter, Mrs. Earl Malone, and family.

Mr. and Mrs. John Kuykendall spent Saturday in Brownwood with their daughter, Mrs. Bob Sims.

Mrs. Dutch Smith accompanied the Crosses to Brownwood Monday.

Mr. and Mrs. Terrell Casbeer and LaDell visited in town Sunday with Mrs. Tom Huffstutler.

On Sunday afternoon several families gathered in the home of Mr. and Mrs. J. D. Ford and mother, for an old time singing.

Mr. and Mrs. Wayne Henry and family visited over the week end in San Angelo with relatives.

Sunday guests from town of Mrs. C. H. Black were her sisters,

Mrs. Gorden McWhirter and Mrs. James Tighe.

Mr. and Mrs. Leon Johnston visited in San Saba Sunday with his parents.

Mr. and Mrs. Van Straley and little son, were luncheon guests Sunday of Mr. and Mrs. John Kuykendall.

Mrs. Charles Wright visited over the week-end with her mother, Mrs. Ora Black.

Lamoin Wright and Ira Morgan are gathering corn this week for Dee Jones.

Elza Laughlin of Blanket, visited here Thursday with his mother and other relatives.

Mr. and Mrs. Fayette Eckert were here one day last week for a visit with his father, Frank Eckert.

PLEASANT GROVE

By MRS. PETE MILES

The meeting here was closed Sunday night, after a week of fine sermons and large crowds.

Bro. Anderson did the preaching, with Bro. Johnston assisting.

Since the last time I've had a letter published, a new member has been added to our household. Crystal Ann was born July 30, and weighed 6 1-2 lbs.

Miss Ruby D. Arwood spent several days last week with Miss Lola Wilkey and attended church.

Mr. and Mrs. Burton Leverett and daughter, of San Antonio, visited her parents, Mr. and Mrs. Walker Berry last week-end.

Mrs. Sam Miller is spending a few days visiting her nephew, Captain Smith, at Corpus Christi. He is home on furlough from across the seas.

Miss Jane Miles spent last week with her brother, Pete and family.

Mr. and Mrs. Slick Wilkey spent Sunday with Dude Wilkey and family.

Mr. and Mrs. Less Weeks and family and Pete Miles and family spent Sunday with Mr. and Mrs. Isaac Howell and Mr. and Mrs. Francis Soules and family.

Hubert Berry was home over the week-end, visiting his parents, Mr. and Mrs. Ray Berry.

Homer Rowlett and family now have rooms in Mrs. Mary Womack's residence.

"42" Party

Mr. and Mrs. J. H. Harrell of the Nabors Creek Community entertained Saturday night with a forty-two party for the surrounding communities. Refreshments were served to the following:

Mr. and Mrs. J. M. Wrinkle, Mrs. C. T. Wrinkle and son C. W., Jack Plummer, Mr. and Mrs. J. O. Wolfe and children, Robert and Iva D., Mrs. Rena Smith and children, Robert, Claud, Rena Lou, Mae, Jane, Arthur, Mrs. P. K. Caraway, Mrs. John Parker and her grandson Bobby of Fort Worth, Mr. and Mrs. C. A. Womack and Tom, Mr. and Mrs. H. B. Curtis, Mr. and Mrs. H. S. Davenport and girls, Leila, Veda, Allie, Mr. and Mrs. A. W. Richardson of Austin, Miss Connie Harrell of Brownwood, J. H. Jr., Aubrey Joyce, Barbara Ann, and the host and hostess.

Chapman-Jones

Announcement is made by Mr. and Mrs. G. W. Chapman of the marriage of their daughter, Vada May, to Pfc. Gerald F. Jones, son of Mr. and Mrs. L. H. Jones of Michigan. The double ring ceremony took place August 7 at 3:30 o'clock at the home of Rev. D. F. McDonald.

Accompanying the couple were the bride's mother, Mrs. Chapman, and sister, Billie Jo.

Pfc. Jones volunteered for service soon after finishing high school in 1942 and was stationed in Michigan, New York, Fort Knox and the California desert, coming to Brownwood recently.

They took a short honeymoon and now are making their home temporarily with the bride's parents in Brownwood.

CARD OF THANKS

In appreciation of the many words of condolence, the beautiful floral offerings, and many kind deeds rendered during the illness and death of our mother and wife, Emma Miller, we wish to extend our sincere thanks and gratitude.—Alex Miller and Children.

IN MEMORY OF DONALD LYNN CASBEER

(By His Aunt)

Our darling boy has left us, He with those dark brown eyes; Gone to live with Him eternal In that home beyond the skies.

It was such a short time he suffered, Suffered one-half day and night, He never complained of anything, But was always cheerful and bright.

There is one great consolation: He's a little angel now we know, For I'm sure there's a god in Heaven, He has gone where all babies go.

He with the sweet disposition, Our darling with that beautiful face,

Filled our lives with sunshine, Even in the darkest place.

Our sweet little angel in Heaven Was as pure as the purest snow, Our precious Don, our darling, Is now where all wish to go.

Those happy dreams for his future Have all been torn apart, Those six years, 8 months he was with us Were altogether too short.

How we miss our darling boy— His chair is vacant now; We miss our darling's laughter, And his sweet sunny brow.

There will be a time in the future When we will meet our darling once more; Never again will we be parted, On that peaceful, golden shore.

Read our ad on Page 3. It may be worth something to you.—Saylor Chevrolet Co.

Sunday visitors in the Geo. Hill home were Mr. and Mrs. Weldon Hill, Carol and Larry, Mrs. Chester Williams, Janette and Stephen, also Mrs. Lewis Carl and baby and little Bettie Jean and Garry Williams, Jimmie Tippen and sister, Hazel and her girl friend.

Mrs. J. T. Morris visited with Cadet and Mrs. Bill Harbour in San Angelo over the week-end.

Mr. and Mrs. John Weaver and daughter, Mrs. Sam Wood, and her daughter Suzanne of Killen visited with friends in Goldthwaite last week.

CONSTIPATED?
Don't Force! Don't Strain—Thus Risking Hemorrhoids TRY THIS FOR 5 DAYS

Here's one right and proper way to molest on hard dry passages and obtain more gentle "easy" movements. Every morning for 5 days, 15 minutes before breakfast, drink a glass of hot water to which one teaspoonful of Kruschen Salts has been added. While you are eating breakfast the hot water and Kruschen will be feeding moisture to those hard, dry passages. They become soft, and thus risk painful rectal irritation. Usually within 30 minutes wastes are expelled smoothly and gently. You feel gloriously fresh again. Be sure to follow the simple easy directions. Don't delay—you can get Kruschen Salts at any drug store.
