

THE GOLDTHWAITE EAGLE

GOLDTHWAITE, MILLS COUNTY, TEXAS.—FRIDAY, SEPTEMBER 10, 1943

NUMBER THREE

ITALY QUILTS WAR

Mills County Quota Filled 1st Day Joins Allies to Help Expel the Nazi Hordes

DRAMATIC ANNOUNCEMENT MADE THURSDAY MORNING 10 BY EARL T. FAIRMAN

Earl T. Fairman, President of the Trent State Bank of Goldthwaite, says: "Mills County is the best people in the state." The Eagle says: "When Earl Fairman says it will be done it is as good as done."

Regional Manager Phones Information To The Eagle

In a telephone message to the Eagle, Clarence Hendricks, Regional Manager of the War Finance Committee, of Fort Worth, announced that Mills County, with a quota of \$220,400, had sold \$222,000 by ten o'clock Thursday morning—opening day of the drive.

Mr. Hendricks highly praised E. T. Fairman and the people of Mills County and stated—referring to Mr. Fairman: "Because of his leadership of a committee of earnest workers, Mills County has made a record for Texas and possibly the whole nation."

He added: "You can quote me as saying Earl Fairman is the damdest worker I ever saw."

RAIN REPORT

Since the Eagle was put to press last week, good rains have fallen over practically all of Mills and surrounding counties. The total registered here in Goldthwaite by Harry Allen, government weather observer, was 6.18 inches from September 1 through Sept. 6, when the rains stopped. The rain broke one of the worst droughts in many years over the Southwest, and will be worth millions of dollars to livestock raisers. Some sections of West Texas—where it has really been dry—failed to get sufficient moisture.

No rain was recorded here in Goldthwaite for the month of August this year, with only one inch total for the months of June and July.

The rain started falling over some sections of Mills County on Thursday afternoon of last week. A shower fell in town on last Wednesday afternoon, registering .08 inches.

The rain report for September to date follows:

Sept. 1—.08 inches.
Sept. 3—3.52 inches.
Sept. 4—1.23 inches.
Sept. 5—1.35 inches.

Total to date—6.18 inches.

According to records kept for the government by Mr. Allen, the summer of 1936 was the hottest recorded here. During that summer, only .17 of an inch of moisture was recorded in August but during September 11.01 inches fell, with four inches falling in October.

Following is the comparison of rainfall by months for the last three years:

Month—	1941	1942	1943
January	1.57	.25	.34
February	3.26	.77	.02
March	3.77	.66	1.30
April	3.77	7.86	1.63
May	4.04	7.42	4.07
June	5.81	3.82	.92
July	2.27	.69	.17
August	2.66	3.42	None
September	2.17	2.86	6.18
October	4.63	6.14	
November	.31	.52	
December	.89	1.23	
TOTALS	35.19	35.62	14.63

"FIRST DAY" FAIRMAN

(E. T. Fairman, President of The Trent State Bank, who sold Mills County's quota of 3rd War Drive Bonds by 10 o'clock of the opening day.)

THOMAS WARNS OF INCOME TAX DECLARATION DEADLINE 15TH

Hon. W. A. Thomas, Collector of Internal Revenue for this district, this week issued a last minute warning to Federal income taxpayers that if they fall within certain classes they are obliged to file with the Collector of Internal Revenue a Declaration of Estimated Income for the year, and to make a payment on the outstanding amount on or before this coming Wednesday, September 15, 1943.

It is estimated that about one-third of Federal income taxpayers are obliged to make this declaration. The purpose of the declaration is to get all people on the "pay-as-you-go" current tax payment basis.

Generally speaking, those who are obliged to file are single persons subject to withholding who earn over \$2,700; married people subject to withholding who earn over \$3,500; people with estimated income sufficient to require the filing of an income tax return including over \$100 from sources other than wages or salary subject to withholding; and people who were required to file an income tax return for 1942 and whose wages subject to withholding for 1943 are expected to be less than such wages for 1942.

People who are required to make a Declaration but fall to do so will find 10 per cent added to their tax. All persons should study the forms to determine whether or not they are liable for filing Declarations. One-half of the estimated tax should be paid on September 15 and the remaining one-half on December 15, except in the case of farmers who must pay their entire tax on December 15 at the time they

PRAIRIE SCHOOL OPENED MONDAY

The Prairie school opened the 1943-44 term last Monday morning with Mrs. M. W. Bowden, principle and Mrs. E. E. Ellis teacher, a nice attendance of the patrons of the school and a large number of pupils.

The Prairie school is one of the rare schools in Texas which has no bonded indebtedness nor indebtedness of any kind; its own transportation buses, and plenty of money with which to operate the school.

The trustees of this school are E. P. Hodges, E. I. Oxley, Maxwell Curb, Johnny Bailey, Geo. Aldridge, Dudley Aldridge and L. D. Rutherford.

file their declarations. The penalty for failing to pay an installment when due is an additional \$2.50 or 2½ per cent added to the tax, whichever is greater.

There is also a penalty for making a substantial underestimate of the amount of tax due. People other than farmers whose estimate is more than 20 percent off will have to pay a penalty of 6 percent on the amount underestimated. Farmers are given wider leeway, being allowed to be 33 1-3 percent off before the same penalty is asserted, and not being required to file declarations until December 15. For the purpose of Declaration, a farmer is defined as a person 80 percent of whose income is derived from farming, including income from the raising of livestock and crops, breeding, and so on.

Collector Thomas urges every income taxpayer to study carefully the instructions recently received from him, with a view to making certain whether or not he or she is obliged by the law to file this September 15 Declaration and make an income tax payment at that time.

36TH DIVISION IS PROBABLY IN ACTION NEAR NAPLES, ITALY

Climaxing several weeks of internal trouble, including the deposing of Il Duce, the loss of Sicily to the Allies, and the invasion of the southern part of Italy by the British 8th Army, the Italian government surrendered unconditionally to U. S. Gen. Eisenhower, effective at 11:17 Wednesday. Negotiations for the surrender had been completed several days before, but the announcement was not made until the Allied forces were transported to strategic positions along the Italian coast to quick occupation against the German over-lords in Italy.

Immediately upon announcement of the surrender, American and other Allied troops raced for important points throughout Southern Italy. It is probable that the 36th Division—made up of Texas men, many of whom are from Mills County—is in the action at the outskirts of Naples. Naples is about 100 miles due south of Rome, and it is thought that this drive of the American Fifth Army—of which the 36th is thought to be a part—will drive on into Rome, as quickly as they have cleared the stubborn German resistance at Naples.

Italy's capitulation is the first major victory for Allied forces, and is the beginning of the end for Hitler, Tojo, and all their crowd. While Germany's strength seems to be sufficient to fight a long war, each campaign hereafter will see them driven nearer and nearer their homeland with nothing but ultimate defeat staring them in the face. The length of the European war now seems to depend upon the ability of the Nazi crowd to keep up internal morale—which undoubtedly is sagging badly.

BIG VALLEY SCHOOL OPENS

The Big Valley school opened last Monday. There were a number of patrons and a large group of children present the opening day. The school building at Big Valley has been remodeled and this promises to be a big year for the school.

Teachers at Big Valley this term are Mrs. Claude Lawson and Mrs. George Roberts.

LIEUT. GERALD GETS AIR MEDAL AWARD

Word was received here last week that 1st Lt. Robert Sumter Gerald, son of Mr. and Mrs. Gerald, formerly of this city, has received the Air Medal for distinguished action over Germany. First pilot of a B-17 Flying Fortress "The War Eagle," Lt. Gerald has participated in raids over Germany since June.

Mrs. Gerald (formerly Laura Helen Saylor) is in Goldthwaite at present with her parents, Mr. and Mrs. Claude Saylor.

METHODIST NOTICE

There are just six more Sundays in this conference year. Your pastor is seeking to make these the most helpful, spiritual and inspirational days of the year. We may do this without your presence, but it would be very helpful if you would be with us. There is something about a large audience that inspires any speaker. This is very true in regard to the minister. May we urge everyone who can to be with us next Sunday. The services will be as follows:

Sunday School at 9:45 a. m.
Preaching at 10:45 a. m. and 3:30 p. m.
Youth Fellowship Service at 7:45 p. m.

We extend to all a most cordial invitation to worship with us at any and all of these services.

E. A. MYERS, Pastor.

MILLS COUNTY WILL MARKET \$100,000 WORTH OF MOHAIR

Mohair buyers estimate that \$100,000 worth of hair will be marketed in Mills County from this fall clip.

Shearing has been slightly delayed on account of the rains, but most of the remainder of the clip will be in the hands of the buyers during this month.

About a quarter of a million dollars worth of wool from the last wool clip is still in the hands of warehousemen here. The growers have not been paid for this wool, on account of the fact that the government took over the wool clip—however, grading is being done and payment is beginning to be made.

Bank deposits in The Trent State Bank are nearing one and a quarter million dollars, and these will be swelled by the wool and mohair money in addition to the regular cotton, corn and feed crops, all of which are bringing high prices.

The recent rains will assure this county of plenty of fall and winter grass and feed for stock and the stock market—which has been lagging—should rally fast.

STAR SCHOOLS TO OPEN MON., SEPT 20

The Star school will open Monday, September 20 at 9:30 o'clock.

High school pupils are requested to enroll during the week of September 13-17. Early enrollment will greatly facilitate the work of opening day. Pupils desiring to enroll will find me at the school building from 9:00 o'clock until 5:00 o'clock.

Pupils who have not been in this school before this year will need evidence of work done in other schools. However, if you do not have a transcript, come anyway.

Transcripts for those pupils who were at Lometa last year have been requested and I hope to have them by that time.

Pupils below the ninth grade will not enroll until September 20.

J. T. STONE, Superintendent

Mr. and Mrs. L. J. Slaughter received a card this week from their son, Lonnie T. Slaughter, who is a prisoner in a Japanese war camp. His health is good; and he sends best wishes to all and regards to his friends. This is the second card Mr. and Mrs. Slaughter have received from their son since he was taken prisoner.

MY JIMMY NEEDS YOUR HELP!

Jimmy's over there now, fighting our enemies to keep the Stars and Stripes flying. "Before he left, he told me they are going to need more equipment, more ammunition and more food for INVASION of enemy lands. "The more bonds the folks at home buy—the more they'll be helping us fighters to win." That's what Jimmy said.

The 3rd War Loan of 15 billion dollars must produce the money to pay for these essentials to victory. Buy at least one EXTRA \$100 Bond besides your

regular bond purchases—many will have to invest thousands!

Don't think that what you do isn't important. It will take all every individual in America can raise to put this 3rd War Loan over the top. So buy more bonds out of your pay—out of extra income—out of "rainy-day" funds!

The quicker you do that the more you'll help Jimmy and our other boys smash through to Victory.

What do you say? It's the safest, soundest investment you'll ever make! Let's go!

BACK THE ATTACK WITH WAR BONDS

Mills County Hardware Company

O. F. SULLIVAN

C. F. Jeske, banker and business man of Priddy, was in Goldthwaite Monday and furnished the Eagle with a clipping from the Scottsdale, Ariz., newspaper, which told of the death of Oscar Franklin Sullivan, 70, who was in business at Priddy from 1908 to 1912, and before that farmed

north of Goldthwaite for four years. He died Tuesday evening, two weeks ago, after a long illness, at his home in the valley community near Scottsdale, Ariz. Mr. Sullivan was employed as manager of the C. A. Martin ranch at Scottsdale just prior to his last illness. He was a member of the Temple Masons and held membership in the Woodmen of

the World organization in Texas.

Miss Lillie Martin was at Lake Merritt for a few days last week at "Bob Inn" cottage, guest of Mr. and Mrs. R. V. Littlepage. Mr. and Mrs. O. O. Smith and family left last Wednesday for Marlin, for a few days visit with friends.

SOLDIER LETTERS—

TRIBUTE TO G. A. ROBERTS

I take this occasion to pay tribute to T. Sgt. George Abe Roberts who paid the supreme price August 7. I feel forever indebted to him. He sacrificed, fought, and gave his life for me—at least, I feel that way about it. He gave his life for my home, my freedom, and all else I hold dear in a land of free people.

In earthly values his life was priceless. His dear companion would give ten thousand worlds for his return. His aged father and mother (God bless them) do not have a price to bring. It is useless to attempt an estimate of his life, but I do make an estimate, and I do it freely.

First, he gave his life. The Lord Jesus gave His life a ransom for many. George gave his life for (1) his country, (2) his home, (3) the church—freedom to worship, (4) his friends. His loyalty to all these was proven in his death. Could he have given a greater proof?

Second, his death was not without honor. No greater love (honor) hath any man... that he lay down his life for his friend. He did not go down "unwept, unhonored, and unsung." He had the blessing of loved ones, friends, the nation, and God. Is that honor? Many have died without either.

Third, he f-r-e-e-l-y gave his life. There was no reserve in his mind or heart. He was eager to do his job. I know this was true. That adds to his credit and honor.

Fourth, he was ready. I knew George, perhaps, as some did not know him. I know that his whole life was resigned to the call to arms, and in everything he was ready. Last, but far from being of least importance, he was spiritually ready to die. He left a strong testimony to a personal trust in God. He wrote me and said, "We are separated by thousands of miles, but it is the same distance to God." Therefore, George is not dead, but he LIVES. I shall see him again.

To George's dear wife I add: Keep faith and pray. You gave the dearest to your heart. To his father and mother, you gave your best, your life, your blood, and your hands are clean. What great honor to you that you gave him that he may give himself.

Now, let every mother who reads this feel a profound pride in her boy who soon may give his life as thousands have done, and will do.

J. C. WEATHERS, Caradan, Texas.

PROMOTED

Big Springs, Texas.—A recent announcement from the office of Colonel Robert W. Warren, commanding officer of the Big Spring Bombardier School, tells of the promotion of Sgt. Fayne G. Coffman, son of Mr. and Mrs. John Coffman of Goldthwaite, to the grade of Staff Sergeant.

S. Sgt. Coffman is a graduate of Goldthwaite High School and he attended J. T. A. College at Stephenville and A & M College. He lettered in basketball and track at high school and at college.

As a member of the 365th Base Headquarters and Air Base Sq. in Post Operations, he is one of the boys who "keep 'em flying."

S. SGT. JAMES COLLIER IN S. A. BOMBARDIER SCHOOL

Life in the Army isn't all drilling, marching and K. P. Staff Sergeant James L. Collier, of Goldthwaite is using some of his time off duty for study.

Now stationed at San Angelo Army Air Field bombardier school, he has enrolled with the United States Armed Forces Institute, an official War Department school which provides high school, college and vocational correspondence courses for men and women in the service. The institute offers more than 700 extension courses from leading universities, and Staff Sergeant Collier is taking advantage of this opportunity, applying himself.

SAM SAYLOR FINISHING LAST PHASE IN PREFLIGHT TRAINING

Engaged in the last phase of their training before they actually get behind the controls of an army plane, 401 young men from the state of Texas, including one from Goldthwaite, are now stationed at the Army Air Forces Preflight School for pilots at the San Antonio Aviation Cadet Center, the nation's largest pool for air crew trainees.

Upon completion of their pursuits at the preflight school, the cadets will be sent to a primary flying field, there to take up a new phase in their training as potential combat pilots. Basic and advanced courses will follow. Those from Goldthwaite now taking preflight studies include Aviation Cadet Sam Saylor.

MULLIN AVIATION CADET SENT TO FLORIDA

Loy Butts, 18, son of Mr. and Mrs. W. F. Butts, who successfully passed all tests and requirements several months ago, for enlistment in the Naval Reserve as an Aviation Cadet, was called to active duty August 10 and sent to a naval air base in Lake City, Florida.

At this air base he will be given four months of basic training, as a Seaman 2nd class, and after completing this period of training, he will be transferred to Williams College in Massachusetts, where he will begin his training as a Naval Air Cadet.

Loy arrived at the air base in Florida on his 18th birthday and his uniform was his birthday gift.

MECHANIC LEARNERS WANTED BY CIVIL SERVICE

The mechanic learner examination was re-opened last week, according to information received here by C. F. Moore, local civil service secretary.

"Men and women 16 years old and up without special qualifications may take this mechanical aptitude test, and if they pass it, they will be placed on a list of eligibles from which mechanic learner positions will be filled in various federal agencies," Moore said.

Mechanic learners will be trained in various fields at salaries ranging from \$900 to \$1200 a year plus overtime.

WHY GIRLS BY THOUSANDS prefer this way to relieve distress of PERIODIC FEMALE WEAKNESSES

With Its Cranky, Nervous Feelings—

Take heed if you, like so many women and girls on such days suffer from cramps, headaches, backache, weak, nervous feelings, distress of "irregularities", periods of the blues—due to functional monthly disturbances.

Start at once—try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. It's famous not only to help relieve monthly pain but also accompanying weak, nervous feelings of this nature. This is because of its soothing effect on the organs.

ONE OF WOMAN'S MOST IMPORTANT ORGANS. Taken regularly—Pinkham's low label directions.

Lydia E. Pinkham's VEGETABLE COMPOUND

WASHING GETS WOMAN DOWN... 'NEVER AGAIN,' SAYS SHE...

From a steaming hot basement to a chilly out doors... back-breaking heavy loads... the drudgery of rinsing, lifting, wringing... why not abandon all that and do your washing the modern way? Send it to HELPY-SELFY! Save yourself the work and worry of home washing and enjoy fresher, cleaner clothes, too! There's thrifty service for every need!

The MELBA THEATRE

A WEEK OF REALLY GOOD ENTERTAINMENT AT MELBA THEATRE

DOUBLE FEATURE SPECIAL—FEATURE 1

"Johnny Doughboy," which stars the versatile Miss Jane Withers, brings to local audiences at the Melba Theatre this week Jane's initial screen appearance as a song-and-dance girl.

Miss Withers sings three solos, one duo with Pat Brook, and four ensemble numbers. The songs include "You Do My Eyes A Favor," "There Takes a Guy Like I," "Baby's a Big Girl Now," "All Done, All Through," "Give the Kids a Chance" and "The Victory Caravan," all composed by Jule Styne and Sam Cahn.

FEATURE 2
NEW NAVY TUNE HEARD IN MOVIE

"Here Comes The Navy," the official theme song of the U. S. Navy recruiting stations, will be heard on the screen for the first time in Universal's "How's About It," coming Thursday and Friday to the Melba Theatre.

Presented by the celebrated Andrews Sisters who star in the new comedy-musical, the popular tune was written by Lew Brown, W. A. Tamm, J. Vejvoda, and Lt. Comdr. C. Poakes.

'THE MEANEST MAN IN THE WORLD'

Extra Special Saturday Night and Sunday Matinee Feature is Jack Benny and Priscilla Lane in "The Meanest Man in the World."

Jack Benny, that amiable comedian, is amiable no more.

In "The Meanest Man in the World," which opens Saturday at the Melba Theatre, the nation's number one gagman, it is being whispered, is a scourge to kiddies and a veritable ogre to old ladies. But movie goers will quickly sense that this revolutionary change in character is calculated solely as a change for the better—better laughs, louder laughs and more of them.

If Benny had been left alone, this picture might very well have earned the title, "The Kindest Man in the World," on the strength of its star's genial nature. Ah, but there's the rub! Benny was not left alone. Back in his home town he was starring gracefully as a lawyer, when—plunk!—Cupid slipped up and tagged him.

Leaving behind him no practice whatsoever, Benny and his faithful man, Rochester, remove the law office to New York. A man of the world, Rochester convinces his naive chief that in this world kindness and success just don't mix. Gotta get tough, he declares.

Benny sees the light and strives to become "The Meanest Man in the World." With Rochester egging him on, he embarks on a wave of "meanness" calculated to make movie-goers guffaw! All told, it would seem that Jack Benny, as "The Meanest Man in the World," means to set new marks for high hilarity and thucklesome fun.

'SPRINGTIME IN THE ROCKIES'

The picture of the week Monday matinee and night, also Wednesday night, a rollicking musical extravaganza, filmed in gorgeous Technicolor against the stunning background of eye-filling Lake Louise, is 20th Century-Fox's "Springtime in the Rockies," which wends its merry way into the Melba Theatre on Monday and Wednesday, headed by a star-studded cast including

Betty Grable, John Payne, Carmen Miranda, Harry James and His Music Makers, and Cesar Romero.

ROCK SPRINGS

By MRS. EULA NICKOLS

That rain did come—and it is worth lots to the county—it will be a few days till the grass and weeds will be showing up. The rain hit me just right. Mr. Tefelteller and son just finished cleaning out my dirt tank when it began to pour down.

There wasn't any Sunday school as it was too muddy. All the school children were ready for their bus to school Monday. I hope the bus can run every day this term. I haven't found out who will drive this bus.

We extend sympathy to Mrs. Roy McKinley in the going away of her mother.

Oscar Gatlin has moved back to his mother's farm. He had work at Camp Bowie at Brownwood for a while. He and Jim visited his mother and Love Sunday.

Mrs. Maggie Traylor and Miss Murna and Oliver spent Sunday in Marion Roberson's home at Center Point.

Philip Nickols and wife from town and Mrs. Venerable from Madersonville, spent Sunday in the Nickols home.

W. A. Cooke went home with his son, Herbert, and family. They live close to San Angelo. Herbert will teach school.

Joe Davis and family visited Sunday in the Stark home.

Woodie Traylor and family visited in the Nickols home Monday night.

I visited in the Lewis, Wright, Burnett, Ford, Faulkner, and Nickols home Friday in town.

I had a nice short letter from my grandson, James Roberts, who is in the navy. His address is New York. Part of the letter was censored and of course that was the part we wanted to read. James Wesley Nickols spent Friday in town with his little cousin, George Harvey Lewis.

A. F. McGowan has been remodeling Bills Cafe. It will be a nice place to go to eat. I'm sure Bill can still cook.

Jim Bohannon and family, from Dallas visited his brother, Lucy, and wife Saturday night and Sunday.

James Nickols and mother sold their sheep last week. They bought goats from Graham Wall.

J. F. Davis and wife visited Saturday night and Sunday in Brown County with their son and family and other relatives. George Mason built his daughter, Mrs. Rudolph Cooke, a nice fruit closet last week.

Miss Ruth Daniel enjoyed a nice horse back ride last Friday hunting goats in the rain. She will soon be back in school then all of the fun will be over again. She will go to Denton.

Miss Christene Traylor spent the week end in town in the Dunkle home.

John Roberts sure was right when he said it would rain the second of September. It sprinkled that day but the big rain came the third and fourth.

NORTH BENNETT—
By Mrs. W. L. LAWRENCE

Every one is rejoicing over the nice rain we have gotten. We can plant our fall garden now. We have just closed a good meeting at North Bennett. We had a good meeting. I think most all the children were ready to start back to school Monday.

Our hearts were made sad of the passing of our dear friend, Grandma Denton. May God's richest blessings rest upon all the bereaved ones.

J. M. Chesser of Route two, Brownwood, has received a card from his son, Norman J. Chesser, who is a prisoner of war. He said he was in good health, uninjured, and to give his love to his mother, wife and brother. The card was signed in Norman's own handwriting. Norman, grandson of Mrs. J. S. Chesser, has been a prisoner of war since the fall of Bataan on March 7, 1941.

Sulfa Drugs Are In The Fighting, Too!

Today, in the hundreds of field hospitals, in fighting planes and on ships at sea . . . the lives of our fighters depend upon sulfa drugs. At home, too, your doctor frequently prescribes sulfanilamide, sulfathiazole and other drugs from this group. To get the full benefit of medical care, bring your doctor's prescription here!

DEY OR LIVES?

On the farm, long an act of thrift, is the patriotic spirit. The question is, are we money or lives. The economical standpoint is to make a bar of soap at home. Soap on the farm, which is badly for war purposes is lost, except about one extracted from commercial soap. That is the waste of poured quality peace time.

Waste fat at about a pound, home-made soap about half that. The appeal now is for save lives rather than money.

The month of July, used less than 40 per cent of the few war-time soap which Texans are using, and this failure the output of explosion.

Families believe waste any fat but check themselves easy to let a tea-strain or into the first principle of fat salvage. The kitchen fats are suitable for

food. But as soon as they become old, they should be turned into a fat collection center before they become rancid. The glycerine content is reduced when fats are rancid.

NEWS ABOUT HOSE

Women who have been complaining about the heaviness and thickness of rayon hose have been offered a ray of hope.

The Bureau of Human Nutrition and Home Economics in Washington has announced that greater quantities of full-fashioned, moderately fine rayon hose are to be produced this fall. Since April when the original order for rayon hosiery was issued, only heavy yarns have been made into 39 gauge stockings. But now lighter yarns will be used in 39 gauge hose.

The gauge refers to the number of stitches to one and one-half inches of knit fabric. The higher the gauge, the finer the stocking.

If any rayon stockings are knit of acetate rayon, they may be one and a half inches longer than those made from other types of rayon yarn. That is because acetate rayon does not stretch as much as other kinds. That will make the acetate rayon stockings 30 and one-half inches in length in comparison with the average 29-inch length.

News about sox is that they will be limited to seven colors. And henceforth the length of the sock will depend upon foot size. For instance, a foot size 8

will have a leg measuring seven inches. This information should be of special interest to farm women and girls who now wear socks far more than in former years.

STAR NEWS—

By NELDA ALENE KARNES

Mrs. John Sheldon and daughter, Lou Nett, of Daisetta, are visiting her mother, Mrs. T. E. Hamilton.

Mrs. James Witty and son are visiting Mr. and Mrs. Jim Witty. Mrs. Seth Waddell visited her daughter, Miss Ione Waddell, at Brownwood.

Mr. and Mrs. J. C. Cox and family visited Mr. and Mrs. U. R. Knowles.

Mr. and Mrs. Dumble Hamilton of Goldthwaite visited his mother, Mrs. T. E. Hamilton, and family.

Pvt. R. L. Denton of Portland, Organ, visited L. S. Karnes and family.

Lester Adams and family visited Mr. and Mrs. J. E. Terrell Sunday.

Mr. and Mrs. Van McGilvery visited Mr. and Mrs. Stone.

Mr. and Mrs. L. J. Teague visited their daughter, Mrs. Connie Walker, at Hamilton, Sunday.

We extend our sympathy to the family of Grandmother Boykin, who passed away last week.

Cadet J. T. Soules of Western Reserve University at Cleveland, Ohio, left last Thursday evening, after spending a 10-day furlough with his parents, Mr. and Mrs. Luther Soules. J. T. began his flying lessons Monday, and after 30 days he will be transferred to San Antonio.

Mr. and Mrs. Hershel Smith and Mr. and Mrs. Elza A. Smith of Lampasas spent Sunday with Mr. and Mrs. O. O. Smith and family.

PERSONAL PARAGRAPHS

The following visited in the home of F. P. Bowman and wife this week: Dr. and Mrs. L. H. Moore of Denton, Mrs. Marian Joodrum of Austin, Ensign J. P. Moore and wife and daughter, Laura Morjorie, of Trinidad, BWI, Miss Clara Bowman of Fort Worth, and Lieut. John Bowman and wife of Randolph Field.

Mr. and Mrs. Mark Manuel are the proud parents of a baby boy, Tommie Joe, who arrived at the Campbell Hospital on September 1.

Berry Elliott and family from Olden, Texas, spent last week-end with Mrs. Elliott's parents, Mr. and Mrs. Langlitz.

Mrs. Sam Peebles and two daughters, Mrs. Raymond Lewis and her little girl Jimann, and Mr. and Mrs. Fred Woodard and Mrs. H. H. Sewall and her son, Harry David, all of Lexington, visited their parents, Mr. and Mrs. W. M. Johnston, Tuesday afternoon. They all returned home except Mrs. Peebles, who will remain with her mother who is still quite ill.

Mr. and Mrs. Robert Weaver returned to Waco Tuesday where they will report for duty in the Waco Public Schools.

Miss Barbara Gale of Los Angeles, Calif., is spending her vacation with the M. T. Cook family.

Annette Armstrong returned home Saturday from Webster, where she has been visiting her brother, Jack Burns, and family.

H. Davis of Houston came in last week for a visit with Mr. and Mrs. Irvin Bornstein and daughter. She returned to her home Monday.

Miss Virginia Rudd left last Friday for Menard, where she is a teacher in the schools.

Mrs. Alford Johnson returned from a two-months' stay in Utah. She spent some time in Ogden, and also visited her brother, Lee Hart, and wife in Layton, Utah.

Mrs. Ernest Harkrider and son of Coleman visited over the week-end with the Marvin Rudd family.

Mrs. Deward Howard and baby are here visiting her parents, Mr. and Mrs. E. A. Obenhaus.

Miss Maxine Spinks who is training as a nurse in a Temple hospital is visiting her parents here for a few days.

Miss Billie Ruth Curry is visiting relatives in Coleman this week.

Grandmother Massey visited her granddaughter, Mrs. Homer Rowlett, and family Tuesday.

During last week guests in the home of Mr. and Mrs. W. B. Summy were their children, Pvt. Earl Summy of Camp Howze and Mrs. Earl Summy, Miss Lillian Summy of Hondo, Capt. and Mrs. C. C. Fowler of Camp Barkeley, Miss Nina Summy, who has been visiting with Capt. and Mrs. Fowler at Abilene, accompanied them back to Goldthwaite. Miss Summy has accepted a position here in the grammar school.

Miss Bess Crews left Monday for a two weeks' vacation. While in Tulsa, Okla., she will visit her sister, Mrs. A. E. Alred. In Oklahoma City and Fort Worth she will visit with relatives.

Mrs. Howard Dugan and baby, who had been visiting here with her parents, Mr. and Mrs. Carl Bledsoe, left last Friday for Reno, Nevada, where her husband, Lieut. Dugan, is stationed.

Mrs. W. L. Burks and son, Cecil Denson, and daughters Merylene and Melba, and Mrs. J. C. Kuykendall visited Mrs. Cecil Denson last Sunday, who is in the Temple hospital. Mrs. Denson is doing nicely, and will be able to come home the last of this week.

Miss Grace Denson of Brownwood is spending the week-end in Goldthwaite with her aunt, Mrs. W. L. Burks, and other relatives and friends.

B. D. Simms of Camp Hood visited Mrs. Lina McLean last Friday.

Misses Gladys Evelyn and Wanda Evans, who have spent the summer with their mother in Corpus Christi, came home Saturday.

P. T. F. Sanson Jr. of Camp Maxey spent the week-end at home. He is being transferred to Kingsville, Texas, where he will begin 12 months training in engineering at Texas A. and I.

B. A. Howington left Tuesday for Prescott, Ariz., to spend sev-

eral months. Then he will go to Beaumont, Calif., to spend the rest of the winter with his daughter, Mrs. Jacob Leutwilder.

Miss Dorothy Nell Rudd will leave Saturday for San Marcos, where she will enter S.W.T.S.T.C.

Mrs. Joe Curtis has sold her home south of town to Owen Yarborough. She will move into the house on Second Street occupied by the R. C. Epperson family. The house was purchased from Walter Fairman.

Mr. and Mrs. Fred Jamison of Dallas spent the week-end with Dr. and Mrs. T. C. Graves and family. Mrs. Jamison will be remembered here as Miss Effie Roberts.

Lt. and Mrs. Clark A. Huddleston of Pyote Bomber Camp spent several days the first of last week with his mother, Mrs. L. P. Huddleston, and Dr. Huddleston. They left last Thursday for Dahlhart, where Lt. Huddleston has been transferred.

Mr. and Mrs. Ernest Wiggington had as company for the week-end her sisters, Mrs. S. C. Brewton and family of Hereford and Mrs. Claude Woolsey and family of Sweetwater, and Mrs. Irene Matthews and son, also of Hereford.

Pfc. Marshall M. Miller has finished his Morris Code school course at Jacksonville, Fla., and is expecting a transfer soon.

Mr. and Mrs. Walter Johnston and baby of Weatherford spent three weeks with relatives here.

Bobbie Jene and Ila Grace Webb of Cross Plains spent Monday and Tuesday of last week with their uncle and aunt, Mr. and Mrs. F. D. Webb.

Mrs. Eugene L. Dyas of Grand Prairie visited several days with her parents, Mr. and Mrs. Wilkey at Pleasant Grove. She also visited Mrs. Lee Dyas and family.

D. B. Weaver and family of Fort Worth spent Monday with his uncle, W. P. Weaver, and Mrs. Weaver.

Miss Magdalene Long left last Friday for Doole, where she has accepted a position in the primary department for this term of school.

Mr. and Mrs. John Atchison of Stanton visited in the W. P. Weaver home in this city the first of the week.

Mr. and Mrs. John E. Smith and little son, Jerry, of Austin visited here Sunday in the home of her mother, Mrs. J. E. Great-house.

Miss Gloria Dyas left for Rock-springs, Texas, Thursday for a brief visit with her aunts, Mrs. Kirnland and Mrs. Tobin, before going to San Marcos to resume her studies in S.T.S.T.C.

Mrs. Wayne Cornelius and daughter, Sharon, left for their home at Randolph Field Sunday, after spending three weeks with her parents, Mr. and Mrs. Grover Dalton.

Instructor of Flexible Gunnery Pat Bohannon left Wednesday for Kingsman, Ariz., to resume his duties, after spending a 15-day furlough with his parents, Mr. and Mrs. George Bohannon.

GASOLINE—In states outside the eastern shortage area A-7 coupons are good through September 21. All gasoline coupons in possession of car owners must be endorsed with the owner's license and state of registration.

SUGAR—Stamp No. 14 good for 5 pounds through October. Stamps Nos. 15 and 16 good for 5 pounds each for home canning purposes through October 31.

SHOES—Stamp No. 18 is good for 1 pair through October 31.

MEATS, FATS—Red stamps X, Y, and Z good through October 2. Brown stamp—becomes good September 12 and remains good through October 2.

Stamps R, S, and T, expire September 20. U, V, and W, now good, expire October 20.

Farmers' War Bond Quota

Farmers have a war bond quota of 1 1/2 billion dollars in the 15 billion dollar third war loan drive which begins September 9 and continues through the month. During the campaign, canvassers expect to call upon at least 3,600,000 of the nation's 6 million farm homes. Farmers' income figures point to big bond subscriptions. It is estimated that their cash income from marketings will be 19 billion dollars this year.

To Start Using Ration Book III
The first brown "point stamp" in War Ration Book III will become valid September 12. This stamp, A, is good for 16 points through October 2. Brown stamps will become valid on successive Sundays and will always expire on the Saturday nearest the end of a month. They will be

used for rationing meats, fats, oils, canned fish, cheese, canned milk, and all other commodities now rationed with red stamps in War Ration Book II. The small stamps bearing pictures of field guns, tanks, ships and airplanes are not yet in use. Anyone who has not received Book III may obtain one by applying to his local ration board.

Farm Items Under Price Control

Used hay loaders, side delivery rakes, and manure spreaders were recently placed under specific price control by OPA. This ruling applies when these items are sold by any persons, such as farmers or auctioneers. Maximum prices will be determined on the following basis; 85 percent of the price of the machine when new, if the equipment is less than one year old, and 70 percent of the price of the item when new, if the equipment is one year old or more.

Overseas Christmas Mail

More than 10 million individual Christmas parcels for overseas soldiers are expected in the mailing period, September 15 to October 15. The Army Postal Service will need the full cooperation of the mailing public if packages are to reach soldiers in time. The public is asked to be sure to put the correct overseas mailing addresses on the packages and to wrap them securely, but in such a manner as to permit inspection prior to their dispatch.

Every overseas package must be opened, inspected, and re-wrapped at the port of embarkation. The Army Postal Service and the U. S. Post Office Department strongly urge that packages be mailed September 15 or immediately thereafter.

Printess Wayne Barnett of Valley Mills is here visiting his father, W. C. Barnett, and family.

Read our ad on Page 3. It may be worth something to you. — Saylor Chevrolet Co.

Cadet Madlene Porter of the U. S. Student Nurse Corps of Houston, is now at home on 21-day furlough. Miss Porter reports the training is progressing nicely and there will be a class of 45 student nurses entering training as cadets on September 21.

FDR says:
Curtail spending. Put your savings into war bonds every payday.

War Bonds should mean something more to you than just "a good sound investment." Figure it out yourself.

It'll cost you an extra \$100 Bond to look him in the eye

HE'S AN AMERICAN SOLDIER.

Some day, if God is with him, he'll come home.

And when he does, you'll get the biggest thrill of your life if you can look him squarely in the eye and say, "I couldn't help you fight—but I did everything in my power to help you win!"

There's only one way you can say that... honestly say it. And that is to help him win now... when he needs all the help you can give him.

Today's particular job for you is to scrape together every dollar you can—and buy an extra \$100 worth of War Bonds! That's your job in the 3rd War Loan!

It's not enough to buy your regular amount of Bonds. It has to be more. It has to be an extra

buy—a little more pressure for the sake of that's against the wheel.

REMEMBER THIS—you aren't giving money. You're lending it to the government for a while. And you're making the best investment in the world.

JESTER DOING FINE JOB AS CHAIRMAN OF RAILROAD COMMISSION

With a shower of congratulatory messages from all parts of the state, Beauford H. Jester, Chairman of the Railroad Commission of Texas, this week began serving his second year as one of the state's outstanding officials.

Jester, Corsicana lawyer who was elected to the Commission last year to fill the unexpired term of Jerry Sadler, on August 24 observed the anniversary of his inauguration as Railroad Commissioner.

From all parts of the state, came congratulatory and commendatory wires, letters, and phone calls on his first year of service on the important state agency which regulates the oil, gas, truck and bus, railroad, and gas utilities industries in Texas.

Well-wishers were almost unanimous in commending Jester and the Commission for its handling of these important industries to increase their service in the war effort.

"Nothing is more needed in these times," wrote Guy G. Griggs, of the Kerrville Bus Company, "than able men who are also public spirited enough to give their time to administering affairs of the State."

Jester's "honor, dignity, and fairness in dealing with the many complex problems that confront the Commission" won the praise of H. E. English, Dallas motor freight line owner.

A score or more messages from oil operators testified to Jester's work as Commissioner in regulating the oil industry, while bankers, business men of all lines and representatives of almost every profession and walk of life added a stack of compliments on the Commissioner's service.

Jester, in expressing his appreciation of the scores of messages and letters, pointed to the increased duties of the Railroad Commission brought on by the heavy strain that the war has placed upon the industries that the Commission regulates.

Stated Jester, "Through the press I wish to express my thanks and appreciation for the receipt today of the many kind expressions of Texans who, in remembering that a year ago today I took this Commission, have been so gracious and complimentary in commenting on my service on the Commission."

"It has been and is a privilege to serve as a war-time Texas Railroad Commissioner. The duties of the Commission are multiplied and magnified by the war effort. It has been a pleasure to work hand in hand with the other two able Commissioners and the oil, railroad, motor bus and truck industries as they are giving their loyal, all-out effort to meet the war and civilian service demands upon them."

"These important transportation, oil and gas utilities industries, regulated by the Commission, are, I can assure the public, doing extra duty and are extending themselves to fill the demands upon them resulting from the global war in which our country is engaged. These are industries vital to the war effort. They are doing a magnificent job. I am glad to be soldiering for them."

froze some ice cream, ate it, and had to tell Mr. and Mrs. Plummer and Jack how bad we hated to see them move from the community.

Mr. and Mrs. Tiny Stevens spent part of last week in her sister's home, Mr. and Mrs. Grover Price.

FARM STORAGE FACILITIES FOR COTTON NEEDED FOR CROP

College Station, Sept. 1. Some South Texas cotton farmers are losing as much as \$15 per bale because they are unable to get this year's cotton crop in the Government loan, Gen. Slaughter, chairman, state AAA committee, said this week.

For that reason, he points out, concentrated effort should be made by all cotton producers to secure farm storage facilities for storing a part of the 1943 crop.

Almost all warehouses already are packed and many will be unable to take additional cotton this year, he said.

Encouraging farm storage. Slaughter said farmers are permitted to store cotton on the Commodity Credit Corporation. According to CCC, structures must protect the cotton from damage by rain, snow, flood, ground water, poultry and livestock and provide reasonable protection against loss by fire and theft.

County AAA committees, who administer the farm-storage phase of the program, may approve structures for storage which are not located on the farm.

A farm-storage allowance of 10 cents per bale per month or fraction of a month will be allowed producers storing cotton on the farm, provided the cotton is delivered to CCC in satisfaction of the loan, Slaughter said and added that if the collateral is repossessed by the producer, no storage allowance will be paid.

Cotton producers are being encouraged throughout the state to contact county AAA offices and find out particulars of storing cotton on the farm this season.

Under this year's program, the basic loan rate in Texas approximately 19.90 cents per pound but will vary in different parts of the state.

IN MEMORY OF MRS. ROBERT LEE BOYKIN

IN MY FATHER'S HOME
No, not cold beneath the grasses,
Not close-walled within the tomb;
Rather in our Father's mansion,
Living in another room.
Like my child with cheeks
abloom,
Out of sight, at desk or school-book,
Busy in another room.
Nearer than my son whom fortune
Beckons where the strange lands bloom;
Just behind the hanging curtain,
Sewing in another room.
Shall I doubt my Father's mercy?
Shall I think of death as doom,
Or the stepping o'er the threshold
To a bigger, brighter room?
Shall I blame my Father's Wisdom?
Shall I sit enswathed in gloom,
When I know my loves are happy—
Waiting in another room?

CARD OF THANKS

We wish to take this method of expressing our sincere appreciation and thanks to our friends for the floral offering and many kind deeds rendered at the death and burial of our mother and grandmother.—W. D. Denton and Family.

And another thing, son, please quit worrying about the business. Your mother and sister are pitching in and helping me no end. Remember, motor oil, greasing, and all my other services are not rationed. Honest, our business is pretty good—thanks to Conoco No. 2 motor oil. Remember how you grinned when they first called me a "Mileage Merchant?" Well, that's come to mean something very real these days. Sure, I'm keeping the engine in your car oil-plated and a lot of others around here, too. Just hurry up and get that job of yours wrapped up and when the band meets you at the train, the parade can head in this direction and you'll find this business here for you to carry on.

Dad

COUNTY HOUSEWIVES WANTED TO INCREASE DAILY FAT SAVINGS

The tablespoonful of waste household fats saved every day in Mills County's 2,092 homes during the second year of the WPB fat salvage campaign would provide enough glycerine to make 100,416 anti-aircraft shells. It was estimated by the largest single collector of war-needed material, although only a fraction of amount has been saved by the average family.

Mr. and Mrs. Jim Circle of San Saba visited in Goldthwaite Sunday.

Lt. J. M. Wrinkle Jr. arrived Sunday p. m. for a four day visit with his parents at Nabors Creek. He is being transferred from Florida to North Carolina.

Mrs. Horace Gray and Mrs. Willard Davis visited Pete Circle and wife in San Saba Sunday.

Mrs. Mamie Winsor left last Wednesday night for Houston, on a business trip.

Mr. and Mrs. Roy Wilkins and family took a short vacation trip to Henderson the last of the week—visiting Mr. Wilkin's brother, Arnold Wilkin and wife.

NABORS CREEK

By MRS. J. M. WRINKLE
(Intended for last week)

I am sending in this week's news and last week's together as last week's news was not sent in.

Our news writer, Mrs. Plummer, came home last Friday from Rankin where she had been visiting her daughter and family, Mr. and Mrs. Willard Cowen and Sandra.

I think each one that attended the singing at Nabors Creek Sunday Aug. 22, enjoyed it very much.

We want to thank Mr. and Mrs. Marvin Cook and family, Mr. and Mrs. Harry Oglesby, Mr. and Mrs. Roy Letbetter and family from Big Valley, Mr. and Mrs. Charlie Starks and her sister Ruth from Goldthwaite for helping us out in the singing Sunday. We also want to thank Rev. D. A. Bryant of Goldthwaite for letting us use their song books.

Our hearts were all made sad last Tuesday when we heard of the death of our good friend Mr. Hammond Bodkin. We extend sympathy to each one of his loved ones, and may the Lord bless and comfort each one.

Morgan Wrinkle did not attend the singing Sunday so Bryant Smith, Robert and Claud Smith and Harrel Kauhs spent the day with him.

Mr. and Mrs. Raymond Cokrum and their aunt, Mrs. Baker from Goldthwaite, visited Sunday Aug. 22, in the home of Mr. and Mrs. Sam Carrol.

Mr. and Mrs. C. T. Wrinkle and C. W. had her brother and family, Mr. and Mrs. Rine Bankhead from San Angelo, and her sister, Mrs. Jean Johnson of Fort Worth to visit them a few days last week.

Mr. and Mrs. Porter White had their daughter and family Mr. and Mrs. Todd of Happy, to visit them this past week.

Mr. A. J. Starks left Tuesday to visit for awhile with his son J. T. Starks and family in New Mexico.

Pfc. Elmo Daniels and wife from Fort Worth visited her parents and brother, Mr. and Mrs. C. T. Wrinkle and C. W. a few days last week.

Lt. J. M. Wrinkle, Jr., states that he is still very busy flying and that they are getting a lot of rain in Colorado.

Frances Karnes from Goldthwaite spent the week-end in the H. S. Davenport home.

Mr. and Mrs. Lewis Burdett and children have come home from a visit in Louisiana.

Mr. and Mrs. J. H. Plummer and son Jack are moving to Mullin. We regret very much having to give them up, as they were so much help to the community and such good neighbors.

Some of the neighbors came to Mr. and Mrs. J. M. Wrinkle's home Saturday night and we

CARD OF THANKS

We wish to thank all of our friends for the many cards, letters and flowers received by Mrs. Morgan Stacy in her recent illness.

Mr. and Mrs. Morgan Stacy and children

Back the Attack with WAR BONDS

Invasion comes high—in blood and money.
But our fighting men don't stop to count the cost when they come to grips with the enemy. And we at home can't afford to count the cost either.

To raise 15 billion urgently-needed dollars during this Third War Loan, everyone who possibly can is urged to buy at least one extra \$100 war bond—over and above regular bond buying. Those who can afford to purchase more should do so.

Sure—it's going to be tough to dig up this extra money—but we've got to do it and we will. Our fighting men are depending on us and we'll never let them down.

So dig deep, Mr. and Mrs. America. Put your dollars in the fight. Buy extra War Bonds now!

WAC RECRUITERS

ALL ARMY RECRUITING sub-stations in North Texas, formerly manned by soldiers, now have been taken over and are being operated entirely by WACs. It has been announced by Captain Jessie M. Anthony, senior WAC officer of the North Texas recruiting district, when she arrived on a periodic inspection trip.

Replacement of soldier personnel with WACs began several weeks ago on orders of Colonel Claude K. Rhinehart, North Texas district Army recruiting officer at Dallas, on whose staff Captain Anthony serves. The replacement was carried out slowly in order to avoid any up-set in the routine operations of the sub-stations. Completion of this program is in line with the general Army policy of placing WACs in as many administrative and operational jobs as possible. Re-staffing the North Texas recruiting sub-station with WACs made available more than a score of soldiers for other duties.

In charge of the recruiting sub-station at Brownwood, which is headquarters for Army recruiting in Coleman, Brown, Comanche, Mills, and Hamilton Counties, is WAC Lieutenant Jeneva Young. Lt. Young handles all Army recruiting for Army Air Forces Aviation Cadets and Army Engineers as well as for the Women's Army Corps, thus making it unnecessary to have any men soldiers in the recruiting station.

"This replacement by WACs of soldiers on recruiting duty is significant of the way WACs can pitch in and help the Army on non-combatant duties," Captain Anthony said. "Colonel Rhinehart, head of all Army recruiting in North Texas, has expressed himself as highly pleased with the work of the WACs now manning his sub-stations."

The Army needs additional WACs in unprecedented numbers to take over hundreds of such jobs held by soldiers, Capt. Anthony added. To be eligible, a woman must be at least 20 years old and not more than 49, must have no financial dependents or children under 14, and must be physically, mentally and morally of the highest caliber. Patriotic women who believe they can qualify are urged by Captain Anthony to call on Lt. Young at the Army Recruiting Station in Brownwood.

OUR DEMOCRACY—by Mat

TOMORROW WILL BE ANOTHER DAY.

A GRASSHOPPER SANG THROUGH THE SUMMER WHILE AN ANT STORED GRAIN. "WHY DO YOU NOT ENJOY YOURSELF AS I DO," THE GRASSHOPPER ASKED, "WHILE THIS FINE WEATHER LASTS? WINTER IS TIME ENOUGH TO SAVE." "IN WINTER," THE ANT REPLIED, "WHEN THERE IS NO MORE GRAIN, THERE IS TIME ENOUGH FOR SINGING. BETTER TO SAVE NOW AND SING TOMORROW THAN SING NOW AND TOMORROW REGRET." —OLD FABLE.

IF WE SPEND MONEY HEEDLESSLY TODAY WE MAY FIND OURSELVES NEEDING IT TOMORROW. BUT IF WE SAVE TODAY, THROUGH WAR BONDS, LIFE INSURANCE AND SAVINGS ACCOUNTS—WE NOT ONLY HELP TO FINANCE THE WAR AND KEEP PRICES DOWN—WE ARE STORING UP FOR OUR FUTURE SECURITY.

LOOKING BACKWARD TWENTY-FIVE YEARS AGO

From Eagle files of Sept. 7, 1918

Mrs. Curtis Long left Saturday night for her new home in Lowell, Ariz. where her husband is employed and is well pleased with his location.

Luther Rudd and family have moved to his father's farm in the North Brown Community.

Jno. W. Roberts and wife attended the state Democratic Convention at Waco this week.

Otto Simpson left for Camp Mabrey Wednesday night, to enter the mechanical training school.

Clyde Faulkner who is employed at Drumright, Okla., came in this week for a visit to his family.

The board of examiners for school teachers was in session here yesterday.

Richard Burgess returned Tuesday from a protracted visit to relatives in Charleston, Ark.

Mrs. W. N. Sullivan and her daughter, Miss Lois, were visitors from the San Saba Peak section Tuesday.

Claude Eacott and wife have moved to the Ware ranch, where he has been employed as manager.

Misses Johnnie Bell Harrison and Edith Covington left last Friday night for Haskell County to open school.

Joe Peck, one of Star's best men, had business in this city the early part of the week.

Parks McWhorter and family have gone to Alm, Texas, to spend some time.

F. D. Wilson has been here from Shamrock, Okla., this week, visiting his family and meeting with friends.

Hugh McCullough came in this week from the military training camp in Florida, to spend a few days with his home folks and friends.

R. H. Patterson and Prof. J. E. Goodnight were two of the prominent visitors to the city from Star the first part of the week.

Arless Berry, who has been at work in the Drumright oil field for some time, came home for a visit and to move to Drumright. He is well pleased with the business conditions at that place.

FARMERS CAN EXTEND WATER FACILITIES

Farmers, is your water supply sufficient to increase food and feed production?

Opportunities to repair, enlarge or extend water facilities on many farms in Mills County for the better use of water for food production were pointed out today by Edward E. Bravenec, Farm Security Administration supervisor.

Every county in Texas is now under the FSA's farmstead water facility program and loans for this type of improvement may be made to farmers who meet the requirements, and on whose farms it is clearly evident that such improvement will materially help increase the production of food and feed.

The War Production Board is allotting materials for the manufacture of certain specific water equipment, based on a percentage of the equipment that was manufactured in 1940 and 1941.

It is expected that the necessary pipe, pumps and other equipment for homestead purposes will be available to farmers who qualify for FSA water facilities loans, Mr. Bravenec said.

The U. S. Department of Agriculture has stated that an adequate supply of water means that the householder, livestock and poultry should have fresh, clean water at all times and that the garden should be plentifully supplied to keep in continuous maximum production.

Any farmer who does not have an adequate supply of water properly distributed, and cannot finance it any other way, is eligible for an FSA water facilities loan, Mr. Bravenec explained. Applications may be obtained at the Farm Security Office, located on the second floor, northwest corner of the courthouse, Goldthwaite, Texas.

Improved Uniform International SUNDAY SCHOOL LESSON

By HAROLD L. LUNDQUIST, D. D. Of The Moody Bible Institute of Chicago, (Released by Western Newspaper Union.)

Lesson for September 12

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education; used by permission.

ISRAEL MARCHES TOWARD CANAAN

LESSON TEXT—Numbers 10:11, 12, 29-36. GOLDEN TEXT—Come thou with us, and we will do thee good.—Numbers 10:29.

There is a time to wait before God, to be instructed and prepared for holy living. There is also a time for action. When God says, "Move forward," His people are to arise and be on their way.

Israel, who had now been more than a year on the way from Egypt to Canaan, had been resting for a time at Mt. Sinai, there receiving instruction and being organized into a nation. They had set up a place of worship in their midst, and now they were ready to go on. That is God's will for His people. They are to

I. Move Toward the Goal (vv. 11, 12).

God had a schedule. He wanted them to move forward on a certain day (v. 11). Since the Jewish religious year, referred to here, began with the spring equinox, this was about the middle of May. The dry season was ahead—a good time to travel.

Those who think the purposes of God for men are nebulous and uncertain, and that He has no real plan for us, are obviously mistaken. His plan is good and acceptable and perfect; let us find and follow it.

We do not have a pillar of cloud and fire to move before us. We do not need it, for we, unlike the Israelites, have God's Word for our guide, and His Holy Spirit as the One who will tell every responsive soul when and where to go.

The important thing is to obey, promptly and willingly, and we shall have the blessing of God.

II. Bring Others With You (vv. 29-32).

Those who go up to the promised land should not go alone, they should bring others with them.

Moses, who had been in touch with the family of his father-in-law (known both as Jethro and Raguel or Reuel), now sees the value of having with him his brother-in-law, who was so acquainted with the great and terrible wilderness through which they were to pass that he could be invaluable as a guide and helper.

In giving him the invitation, however, Moses stressed the opposite thought—that it would be good for Hobab if he came with them. That was doubtless true, but it was not the right approach.

Men do not respond to the opportunity for advantage in spiritual things as readily as to the challenge to usefulness. The motive of acquisition is strong, but the best folk are not as interested in what they can get as what they can give.

The church may stress too much its value as a place of refuge and not enough the unparalleled opportunity it affords for sacrificial service.

When Moses changed his plea and revealed his need of Hobab, the response was immediate. He had thus won a friend and a helper.

III. Follow God's Guidance (vv. 33-36).

God gave special guidance on this occasion. The ark which commonly was found in the midst of the people, now moved out before them.

It was the symbol of God's presence. As they went out into the wilderness (which Deut. 1:19 calls "great and terrible") it was as though God Himself went before them.

Is not this always true? The "Captain of Our Salvation," Jesus Christ, is not One who tarries in safety at the rear and sends up orders for us to attack life's problems. He goes before us!

The pillar of cloud hovered over the people as though to give them shelter from the beating sun of the desert. God is mindful of the road. His people must travel, and in His loving-kindness provides for their protection and care.

In our day there are many who are tempted to question whether God knows of their trials and afflictions. He does, and He will not permit them to be tried beyond their ability to bear it.

When the ark went forward, their leader, Moses, addressed God in the stirring words of verse 35. The people whose God is the Lord may count on Him to scatter their enemies.

All of human life is either a journey or a battle, and often it is both. We must arise and make valiant war against the forces of evil if we are to move forward for God. But we must recall that our foes, as Christians, are also God's foes. The battle is not ours, but God's, and we do well to call on Him to rise up and smite the enemy.

Note that after the forward march came a time of rest. God always gives His people an opportunity for needed rest.

IT NEVER FAILS

Health Notes

J. B. Lowery is doing fine after a major operation and will be home in a few days. Miss Grace Denison of Brownwood is spending this week with friends and relatives.

"THE BANK THAT FRIENDS ARE BUILDING"

UNDERSTANDING IS IMPORTANT, TOO:

Another element besides FRIENDSHIP, absolutely vital in banking relationships, is breadth and depth of UNDERSTANDING.

The consistent growth of our Bank during more than a half of a century is fairly good evidence of our understanding of the needs of our customers.

Today, the intimate degree of this understanding takes on a different character and scope. The urgent demands of a war-time economy place squarely upon our shoulders, and yours, many varied responsibilities, unknown in the past.

You will find that we understand our duties as unprecedented opportunities . . . for you, as well as for us.

SOCIETY

A Surprise Party

On Friday of last week Mrs. L. J. Gartman, Mrs. Jake Long, Mrs. Henry Martin and Miss Lillie Martin invited a few close neighbors and friends to the Will Marshall home on Parker Street.

At 3 p. m. a few friends dropped in for what Mrs. Marshall thought was a visit, and by 3:30 a number of ladies came to extend congratulations and good wishes. While Mrs. Marshall was being taken into the dining room the ladies sang "Happy Birthday To You." To her surprise she found in the center of the table a beautifully decorated home-made birthday cake which was embedded in a wreath of soft crepe myrtle. The entire table was covered with useful gifts. After laughter and merrymaking of opening of packages, refreshments consisting of cake and pineapple punch were served to Mrs. W. D. Marshall, Mrs. J. D. Urquhart, Mrs. J. M. Campbell, Mrs. Luther Rudd, Mrs. Carl Bledsoe, Mrs. Allen Ross, Mrs. Oscar Burns, Mrs. Raymond Little, Mrs. Marshall Miller, Mrs. Henry Martin, Mrs. L. J. Gartman, Mrs. Jake Long, Miss Lillie Martin, Mr. and

Mrs. E. J. Ward, and Mr. and Mrs. O. M. Connally.

Midway H-D Club

The Midway H. D. C. Club met Aug. 27, with Mrs. Drue Cline. As there was no regular lesson, Mrs. Cline had up a quilt. As we all enjoyed quilting, the quilt was almost finished.

Cookies were served to all. Those present were: Joe Ruth Lindsey, Ima Wicker, Lennie Horton, Lula Horton, Mrs. Sevier, Odessa Tubbs and one visitor Etta Mae Lawson.

The next meeting will be with Mrs. Bertie Horton Sept. 17, at which time Mrs. Harris will be present.

Miss Eakin Weds Lieutenant Soll

Miss Reie Eakin of Brownwood, daughter of Mr. and Mrs. Charlie Thompson of Mullin, became the bride of Lieutenant Soll of Camp Bowie at the Coggin Avenue Baptist Church on Tuesday evening, Aug. 31, at 8 p. m., with Rev. E. D. Dunlap officiating. Music was furnished by a friend of the bridegroom. Baskets of white gladioli and

palms decorated the church.

Miss Lora Berry of Brownwood and Lt. George Wetzel of Camp Bowie were the couple's only attendants. Miss Berry wore a navy suit with navy accessories and a corsage of pink rosebuds.

The bride wore a aqua blue dress with brown accessories, a corsage of orchids.

The wedding reception was held in the home of Mrs. Neida Morton, 1303 Austin Avenue. White gladioli decorated the refreshment table which was centered by a triple-tiered cake with military bridal figures. Mrs. Morton served the wedding cake, with Miss Betty Williamson assisting.

On their honeymoon they went to San Antonio. They will make their home in Brownwood.

Art and Civic Club

The Art and Civic Club held its first meeting of the club year with the President, Mrs. A. H. Smith, Thursday, Sept. 2.

During the business session plans for a full and interesting year were announced after which Mrs. Philip Nickols was welcomed as a new member. As guests Mrs. D. D. Tate and Mrs. Henry Martin joined the group for a program on the Girl Scouts which the Club is sponsoring this year.

Mrs. J. J. Stephen outlined the scope and purpose of the or-

ganization.

Mrs. Paul McCullough gave a biography of the founder of Girl Scouts.

Mrs. Jacob Saylor explained the duties and privileges of the organization sponsoring the Girl Scouts.

At the Close of the program the hostess served ice cream and cake.

NABORS CREEK H. D. CLUB

The Nabors Creek Home Demonstration Club met in the home of Mrs. J. H. Harrell September 1 with seven members and two visitors present.

Our President, Mrs. J. M. Wrinkle presided over the business meeting. As our secretary, Mrs. J. H. Plummer, has moved to Mullin, Mrs. A. R. Kauh's called roll and read the minutes of our last meeting.

Our Demonstration Agent, Mrs. Harris, discussed the different grades of eggs and gave us a demonstration on grading eggs. Also talked of different protein foods and how it was best to cook them.

Mrs. Harrell served delicious cookies and punch to the following: Mmes. J. M. Wrinkle, Sam Carroll, J. R. Parker, A. R. Kauh's, J. B. Burnett, H. S. Davenport, P. K. Caraway, and Berdelle Harris.

Our next meeting will be with Mrs. Sam Carroll September 22.

Every one is invited.

THREE GOLDTHWAITE GIRLS TO ENTER T. S. C. W.

Denton, Texas—Texas State College for Women, which has grown with the Southwest since its doors opened in 1903, will start its regular session next month with at least 3 young women enrolled from Goldthwaite, according to a recent survey of room reservations in the college dormitories.

Students will begin registration at 1 p. m. Monday, Sept. 20, and classes start at 8:15 a. m. Thursday, Sept. 23. Dormitories open at noon Sept. 19.

T. S. C. W. expects to continue its standing as the world's largest residential college for women, with at least 2400 students enrolled for the first term, as compared with 2129 last fall.

A full faculty staff will offer 60 groups of courses leading to degrees and master's work in 13 departments.

Miss Eloise Slaughter of Goldthwaite will enroll in the College as a sophomore student, and Miss Bobby Fairman will be a freshman. Miss Billye Ruth Daniel will be a junior student.

Miss Ellen Allen of Houston spent Sunday and Monday with homefolks.

Evelyn Burns is spending this week visiting in Austin with Ima Henry.

BONDS OVER AMERICA

Lexington Green

Czechs, Dutchmen, Danes, Frenchmen, Norwegians, now living under the Nazi heel, remember their freedom and cherish their lost memorials now replaced by the black swastika.

Back the Attack, Buy an Extra \$100 Bond

What You Buy With WAR BONDS

Water Camel

What You Buy With WAR BONDS

School Days

When our fighters fly at 400 miles an hour with a Jap Zero or a Messerschmidt on their tails there isn't much time for cogitation so the Army and the Navy show as many motion pictures of actual dog fights and air battles as possible to our student fliers.

Pictures of trainer flights, bombing flights and flights by fighters are all a part of the routine for our student pilots and must be drilled into them just as it is necessary for us to remind ourselves daily of the necessity to buy an extra \$100 Bond in September.

To the People of this Community:

HURRY-UP JOB!

The Third War Loan is a hurry-up job for the home front. The government must rush billions of dollars to the fighting fronts in the form of extra munitions.

It's actually a matter of life or death for Americans in uniform. Once the invasion got under way we committed ourselves to the use of large numbers of troops and great stores of supplies. Any let down or crack-up in the supply trains could prove fatal.

Your job is to see to it that there is no shortage of anything needed to make the invasion swift and sure. We do not want another Bataan or Corregidor.

Get that extra War Bond today. Show that you are with our boys in this critical hour of invasion.

THE EDITOR

Forward March, America!

THE 3RD WAR LOAN DRIVE IS ON!

Today—your country looks to you to back the invasion

THE big drive is on! As the tempo of the war increases . . . as our fighting forces go all-out for INVASION, we folks back home must mobilize in their support.

And that's what the 3rd War Loan Drive is for!

To reach our national quota everyone who possibly can must invest in at least one EXTRA \$100 War Bond during the drive. AT LEAST \$100. More if you can. That's in addition to your regular War Bond subscription. Invest out of your income . . . invest out of accumulated funds. Invest every dollar you can. This is total war and everyone must do his full share!

You know all about War Bonds. You know that every penny comes back to you with generous interest. That War Bonds are the safest investment in the world. That they help secure your future . . . hasten Victory. So now—today—back the attack—with War Bonds.

Safest Investments in the World

- United States War Savings Bonds Series "E"; gives you back \$4 for every \$3 when the bond matures. Interest 2.9% a year, compounded semiannually, if held to maturity. Denominations: \$25, \$50, \$100, \$500, \$1,000. Redemption: Anytime 60 days after issue date. Price: 75% of maturity value.
- 2 1/2% Treasury Bonds of 1964-1969; readily marketable, acceptable as bank collateral. Redeemable at par and accrued interest for the purpose of satisfying Federal estate taxes. Dated September 15, 1943; due December 15, 1969. Denominations: \$500, \$1,000, \$5,000, \$10,000, \$100,000 and \$1,000,000. Price: par and accrued interest.
- Other securities: Series "C" Savings Notes; 1/2% Certificates of Indebtedness; 2% Treasury Bonds of 1951-1955; United States Savings Bonds series "F"; United States Savings Bonds Series "G".

15 BILLION DOLLARS (NON-BANKING QUOTA)

BACK THE ATTACK—WITH WAR BONDS

FAIRMAN CO.

NEIGHBORING NEWS

Comanche—

Approximately two cars, or 2000 bushels, of peanuts are being weighed per day at the Comanche Public Scales according to C. F. Denny, public weigher. These have been coming in since August 14 when Garland Collins brought in the first load. Peanuts that are now being threshed are averaging around 8 and 9 bushels per acre.

Miss Inell York, daughter of Mr. and Mrs. Albert York of Comanche, died at the family residence late Wednesday night following several months illness. She was found dead in bed about 3 o'clock Thursday morning and it was believed that she had been dead two or three hours.

Mrs. Oscar Callaway was taken suddenly ill in downtown Comanche and was taken to the residence of Mr. and Mrs. George Preston Tate where she is receiving treatment.

Comanche County has been assigned a quota of \$576,200 as their part of the fifteen billion dollars which is to be raised by the Nation in this Third War Loan Drive.

S. M. Elliott of Comanche Rt. 1, recently was exhibiting a 52-pound Black Diamond watermelon which he raised without rain or irrigation at his home on the J. E. McGuire place, 4 miles out of Comanche on the De Leon Highway.—Chief.

Lampasas—

Dr. Joe B. Townsend and family moved back this week and are occupying their old home on Grand Avenue. Dr. Townsend has opened an office upstairs over Nichols & Cass and will continue the practice of medicine.

Dr. and Mrs. Townsend moved from Lampasas to Goldthwaite twelve years ago and he has been practicing there all the time. Asked how long he had been practicing medicine, the doctor said "54 years next month, and before I started to school I sold shoes in the building where Nichols & Cass are now located."

A Lampasas County Camp and Hospital Committee was organized Monday evening at a meeting held in the basement of the postoffice building. Mrs. J. D. Jackson was elected president and Rev. J. E. Fuller, secretary.

This organization is being sponsored by the American Red Cross and its object is to provide equipment, materials, etc. not provided for our hospitals by the army.

Farmers and ranchmen of Lampasas county were urged this week to plow fireguards to prevent the burning of badly needed range grasses for livestock feed.

A light rain fell here Wednesday afternoon and evening, the gauge kept by Miss Elaine Weber registering .20 inch. Tuesday night a light sprinkle also fell but that was only .02 inch. Clouds are low and heavy looking this morning which may mean that more rain will follow this afternoon or soon.

The first services of a two weeks revival meeting will be Sunday night, September 5, at 8:00 o'clock. The preaching will be by Gipsy Smith, Jr., one of the outstanding evangelists of the nation.—Record.

San Saba—

After a lingering illness of two years from a lung ailment, Everett Weston, 34, son of Mr. and Mrs. Andy Weston, passed away Monday at the McAnnelly Spring ranch, 3 miles southeast of San Saba.

The remains were taken to Mullin where services were held for him and where the burial took place, Tuesday afternoon. Two sisters also survive.

E. Guy Risien, well known pecan grower, brought to the News office Tuesday morning the first fully filled samples of the new 1943 crop of pecans from his orchard, just east of town.

They revealed a nice quality and were well filled. Mr. Risien states that the dry weather this season tended to kill out the pecan scab, a fungus disease which usually accompanies wet years.

The many friends here of Miss Marvive Weatherby, daughter of Mr. and Mrs. M. R. Weatherby, will be interested to know she

will start training to become a Ferry Pilot, at the Ferry Command at Sweetwater in November. Marvive has studied "Pre-flight" at the University of Texas, where she is a Senior and this summer she has been taking flying lessons at Fort Worth and Austin.

A group of some thirty Cherokee folks journeyed to San Antonio Monday, we learn, and each donated a pint of their blood to the Blood Bank there for the wounded or sick men of Uncle Sam's fighting forces. Homer Kuykendall was the leader of the Cherokee group.—News.

Mrs. H. S. Casey, June Collins and Shirley Daniels spent the week-end with Mrs. Carl Featherston. Mrs. Featherston and daughters, Norma and Carlene, have just returned from a two-months' visit with Mr. Featherston in Houston.

Mr. and Mrs. J. A. Doggett have returned to Dallas after a week's visit with his parents.

Johnnie Crawford of Brownwood spent last Sunday with his parents Mr. and Mrs. J. C. Crawford, in the Ector Greathouse home.

Mrs. Travis Long and daughter Janie are spending this week in the home of her sister, Mrs. Carl Featherston.

Miss Madeline Porter of Houston is spending her vacation with her parents, Mr. and Mrs. L. B. Porter. Miss Madeline and Georgia Porter are Cadet Nurses at Jefferson Davis Hospital, one of the biggest hospitals for student nurses in the South. So far Miss Georgia leads her classes with the highest grade made by a student nurse. She is also doing college work and will receive a B. A. degree when she receives her nursing diploma.

Last Wednesday afternoon Mrs. Guy Manning of Fort Worth and her mother, Mrs. Sallie Venable of Madisonville came in for a visit here with Mrs. Manning's daughter, Mrs. Philip Nickols, and husband. Mrs. Venable remained for a longer visit.

By JOE M. GLOVER
Mills County Agent

T. V. A. PROGRAM

A car load of phosphate fertilizer consisting of 687,100 pound bags of tripple super-phosphate was obtained during the month by the Executive Committee of the Agriculture Victory Council from the Tennessee Valley Authority. This phosphate fertilizer is to be used on nine test demonstration farms which were selected some time ago by the Executive Committee. The demonstrations are to prove the value of phosphate on both pasture and field crops and what effect it can have upon the improvement of the family living on these farms. The demonstrations are being conducted for the benefit of all persons in Mills County. Farms were selected on a basis of different soil types and type of farming and ranching operations. The demonstrators are to keep records and carry on the demonstrations in such a manner that the results can best be shown to their neighbors in the community.

T. B. Graves, a demonstrator in the Lake Merritt Community, has completed a homemade distributor for distributing the fertilizer on cultivated and pasture land. The distributor can distribute the correct amount of fertilizer per acre at the rate of about 5 acres per hour. This distributor was made from the rear end of a Model-T Ford car. It cost Mr. Graves \$11.00 in materials and labor. Enoch Godwin in the Long Cove community has looked over the distributor and is to make one for use in distributing fertilizer on his farm. Plans and other information for building the machine can be obtained from the County Agent who is to assist all T. V. A. demonstrators in conducting the demonstrations on their farms.

HYBRID CORN YIELDS

Reports from farmers in Mills County show that the Hybrid Corn will take its place as the most popular type of corn as soon as planting seed is produced in sufficient quantities to furnish the growers. T. J. Watson in the Center City Community received 20 bushels per acre from his planting of Texas Hybrid No. 12, while other common varieties which he had been planting produced only 15 bushels per acre. This is an increase of 28 percent in yield for the Hybrid corn over the other varieties commonly planted. These are accurate yield records obtained by Mr. Watson in weighing the corn harvest. C. F. Jeske, farmer and merchant in the Priddy Community, planted all of his corn acreage to Hybrid Corn No. 8 and 12 and sold to his customers, reports he will not plant any other type of corn in the future if he can get the seed and that he had not found a dissatisfied man who planted any this year.

CERTIFIED SEED OATS RECEIVED

40 bushels of certified oat planting seed of the New Nortex and Fultex varieties was received from the Denton Experiment Station recently by Lee Walton, progressive farmer in the Center City Community. He will plant these seed on a well prepared seedbed for the purpose of producing seed oats of good quality and purity for the 1944 planting.

Mr. and Mrs. D. A. Trent left last Thursday for their home at Beverly Hills, Calif., after a few weeks' stay with relatives here. Her sister, Miss Adeline Little, accompanied them as far as Lubbock, where she is visiting in the home of Mr. and Mrs. Grover Swaim.

PLEASANT GROVE

By MRS. PETE MILES

Everyone enjoyed the nice local showers, which amounted to a good rain last week. We wish it would clear up now so the crops could be harvested.

Mr. and Mrs. Dude Wilkey enjoyed having their children, Mrs. Carl Covington, and Mr. Covington, Mrs. Eugene Dyas, and Miss Lula Wilkey, home for a few days. All three girls work at Grand Prairie.

Mr. and Mrs. L. B. Covington visited until bedtime Sunday night in the Ima Collier home.

Mr. and Mrs. O. Z. Berry spent Sunday with Jude Miles. Mr. Berry is on the sick list, but we wish him a speedy recovery.

Mr. and Mrs. I. T. Howell and Mrs. Horace Taylor spent Sunday in the Pete Miles home.

Levi Berry and family spent Sunday with relatives at McGirk.

Mr. and Mrs. Clark had as guests in their home Sunday, Mr. and Mrs. Charley Anderson, and Mrs. Marley from the Bend, also Miss Edith Covington and Grandma, Patsy Temmie and Lynn Covington in the afternoon.

Mr. and Mrs. Jim Duncan spent the week-end in Liberty Hill among kinfolks.

Mr. Pete Hall of Comanche is visiting his brother, Charley, and family. Charley moved into his new house one day last week, although it is not yet completed. I imagine they appreciated it when the rains were coming.

Mrs. Oran Carothers is expecting her mother and sister, Mrs. N. L. Verser, and Miss Nina, home the first part of the week.

Pete Miles and family spent Monday night with Jude and family.

The fox-hounds and hunters have gotten back into operation since the rains.

Billy Baker spent Sunday with R. G. Kelly.

Mrs. Lenard Warren and children of Oklahoma are here visiting relatives.

Miss Gloria Dyas ate dinner in the Wilkey home Tuesday.

SCHOOL LUNCH PROGRAM MEETING ON SEPTEMBER 14

There will be a meeting of those interested in the Mills County school lunch program at 9:30 a. m. September 14, in the Commissioners' Court room in the courthouse at Goldthwaite. Representatives of the Federal Food Distribution Administration will be present. All interested school people should attend. JOHN L. PATTERSON, Ex-Officio School Supt.

Mrs. Oscar Burns attended funeral of her uncle, Phelan, at Arnett, Texas, afternoon. She was accompanied by her mother and M. A. Stephan and Mrs. Price, and son Raymond Star.

Mrs. Dora Lindsey guests over last week son, M. L. Lindsey, and of Kerrville. She returned with them and spent this week. Her grand Annette and C. D. tonsils removed Tuesday were doing nicely when to come home.

Notice to Customers Let Us Help You

AS OUR PART in the "Food for Victory" effort, we have volunteered our services to the feeders of this community to help them stretch their feed and plug production losses.

- Culling unprofitable hens
- Checking feeder and watering space
- Helping to worm pigs
- Disinfecting against disease, etc.

We will also assist in a helpful war-time survey of your livestock and poultry, based on a series of practical production guides suggested and recommended by both national and state agricultural authorities.

This "feed-stretcher" service is offered to you regardless of the feed you use. By asking for it you will not obligate yourself in any way. We are honestly and sincerely trying to do our patriotic bit in helping you and Uncle Sam feed our fighting forces to speed the day of VICTORY.

Ask us to put you on our list.

Hurry!
Hurry!
Hurry!

THE END of September is in sight. And the end of September brings us close to the end of the 3rd War Loan drive.

If you haven't bought \$100 worth of extra War Bonds—extra, mind you—dig up that money and buy your share today! Men who are fighting for you... bleeding for you... ready to die for you... are waiting for the news that you people at home are backing them up 100%. They know what invasion costs in blood

and lives. They know, too, what it costs in equipment, munitions, supplies, that must reach the front in a never-ending stream. And they're counting on you for the money that goes to keep that stream flowing.

No matter what you have to sacrifice... no matter how much it pinches... you cannot let them down!

They're calling on you to hurry, hurry! Get that \$100 extra into War Bonds before the drive is over.

Try This Famous British Medicinal Salts Now Being Made in U.S.A.
In a glass of hot water put one teaspoonful of Kruschen Salts and drink about half an hour before breakfast. 15 to 20 minutes later follow with your usual breakfast cup of hot coffee or tea. Usually within thirty minutes you get prompt and effective relief and should begin to feel bright and refreshed again. Be sure to follow the simple easy directions.
Now keep this up for 5 straight days—just see if you don't discover why thousands have found hot water and Kruschen Salts so beneficial in relieving that dull constipated "out-of-sorts" headachy feeling. Get Kruschen Salts today—at all drug stores.

"Everything to Build Anything"

Food for Victory is as important as Munitions

Tractors have supplanted Horses

Soldiers on bleak Attu Island

Mechanical devices now milk Cows

Oranges are squeezed for fruit juice

Instructing group of Navy Cooks

THE Four Horsemen — War, Plague, Hunger and Death are now riding again throughout the World. Hunger is stalking in this year of global War of bloodshed and destruction. In Europe and Asia famine and plague have occurred almost annually for centuries. The history of want in Europe ranges from the Black Death year of 1349 to the intervening period between World War I and the present conflict when starvation and disease in Russia took many millions of lives.

Food will be the important necessity as Axis-occupied countries are freed. It will be the first thing that 70,000,000 Western Europeans, 50,000,000 European Russians and millions among the smaller populations of Eastern Europe now in Axis hands will plead for. More than two billion human beings live on this Good Earth today but most of them live in hunger, are ill-clad and are in dire need of decent sanitation and health.

It is up to the American farmer and the food processor to furnish the cornucopia of plenty that we and our Allies may win this titanic battle against the enemy in the most brutal war the world has ever seen. Through modern invention and engineering skill the hard work of food production no longer depends entirely upon the muscles of men and animals. The modern tractor has largely replaced the horse and mule. Electricity is the harnessed power that pumps water to the home, barns and fields, milks cows and brings added comforts and conveniences to the farmer and his family.

The tractor, like almost all modern equipment, is dependent upon Copper and its alloys. There are about 45 pounds of these metals in a tractor—the same content that is in the average automobile. Were it not for the tractor these United States could not possibly produce sufficient farm products for our armed forces, civilians and other United Nations.

Copper and its alloys are used in the manufacture and operation of milking machines which result in millions of man-hours being saved in the great dairy producing states. These metals are also used by the food processing industries. "Copper and Brass in Food Production," is the theme of the September issue of the Copper & Brass Research Association Bulletin, a copy of which will be furnished on request by addressing its editor at 420 Lexington Avenue, New York.

Miss Ann Coleman expects to go to Temple next Tuesday. She will accompany her sister, Miss Christine Coleman, who will go through the clinic at Scott and White Hospital.

Dr. J. M. Campbell of the Campbell Clinic spent Wednesday in Temple.
