

# THE GOLDTHWAITE EAGLE

GOLDTHWAITE, MILLS COUNTY, TEXAS, — FRIDAY, SEPTEMBER 24, 1943

NUMBER FIVE

## CONSERVATION DISTRICT SUPERVISOR ELECTION

September 5, 1943—Important election to elect supervisors for Conservation Districts will be held in each of the following places:

- 1. School Building—Sub-division No. 1.
- 2. Courthouse—Sub-division No. 2.
- 3. School Building—Sub-division No. 3.
- 4. Courthouse—Sub-division No. 4.
- 5. School Building—Sub-division No. 5.

Qualified voters (landowners) will present and will be in charge of the election. A chairman, secretary and clerks. Nominations will be in order, and when they have ceased the candidates shall be announced by the secretary.

Qualified voters present their written ballot, cast for their choice among the candidates. When the votes are tabulated by the tally clerk, the candidate who has received a majority of the total votes of the two candidates shall be declared elected.

Members from Sub-division No. 1 that portion of Mills County bounded by Brown-Mills line beginning at Pecan Bayou and north to Comal County line on the Hamilton-Mills County line west to inter-section line bound on south by Hamilton-Mills line to Goldthwaite and northward to Brown Creek to Brown Bayou and northward to its intersection with Mills County line, meet at Mullin school at 8 P. M. Tuesday, October 5, to elect a supervisor for three years. J. H. Priddy is now supervisor serving Sub-division 3.

Members from Sub-division No. 2 all of Mills County bounded by a line beginning at Colorado River, thence along SanSaba road to Regency and from that point Regency - Goldthwaite Pecan Bayou, eastward to Brown Creek to Hy. 84 and Hy. 84 southward to Regency, thence eastward to Hamilton County line, are to meet at the courthouse in Goldthwaite at 8 P. M. Tuesday, October 5, to elect a supervisor for three years. Luther Jerrell is now supervisor serving Sub-division 4.

Members from Sub-division No. 3 portions of Brown County bounded by Colorado River on the southwest by Brownwood Elkins along this road to Pecan Bayou and westward to Regency - Goldthwaite Pecan Bayou, thence along Regency-San Saba Colorado River, are to meet at Brownwood Elkins school building at 8 P. M. Tuesday, October 5, to elect a supervisor to serve for three years. Mr. Haynes is now supervisor serving Sub-division 5. J. H. Priddy is secretary of the District.

Governing Body of the District consists of five supervisors from each of the five districts. The District Law provides a Democratic procedure for the entire responsibility of operations on the land and if the program is to be a successful and orderly manner, landowners should take part in all of its operations, especially in the election of District Supervisors.

## DRIVER'S LICENSE BEGIN TO EXPIRE ON OCTOBER FIRST

Expiration of Texas Operator's Licenses (driver's licenses) will begin Oct. 1 of this year and should be renewed before expiration date, Examiner R. K. Neel warned this week. Present licenses are good for two years from the date issued—the date stamped on the green portion of the license.

Forms for renewing the licenses may be obtained from the Sheriff's Office in Goldthwaite, or from Neel, who will be at the Sheriff's Office each second and fourth Wednesdays in the month.

Those who permit their license to expire may renew them by contacting Neel and taking the regular new driver's examination.

In sending in the new form for Operator's Licenses, Mr. Neel reminded that the renewal stub from present licenses must accompany the application. Otherwise the application will be turned down.

Fee for renewal of license is 50 cents.

## MRS. L. J. GARTMAN BUYS FURNITURE

Mrs. L. J. Gartman spent last week in the furniture marts getting new furniture for the store.

Mrs. Gartman says that it is awfully hard to find new furniture, but that she was fortunate in getting a pretty good supply. L. J. Gartman's is now one of the nicest arranged and most pleasingly displayed furniture stores in this section of the country and business there is only limited by their ability to get furniture to sell.

## POULTRY BUSINESS 1-2 MILLION DOLLARS

Many people of Mills County will be surprised to learn that the poultry business here approximates a half million dollars per year. This half million dollars comes in steadily throughout the year and is one of the major reasons the people here get along so well.

According to R. V. Littlepage, veteran produce merchant—in terms of years in business here—breaks down the half million figure as follows:

Turkeys	\$175,000.00
Eggs	250,000.00
Chickens	50,000.00
All others	25,000.00
<b>Total</b>	<b>\$500,000.00</b>

## THE STAR SCHOOL OPENED MONDAY

Monday, Sept. 20, Star School began its new year by opening informally. (About an hour's time was given for discussing the change made since last year and for the benefit of the new students.)

One hundred eighty students were registered, and we expect within a month's time to have 270 enrolled. This is an increase over last year's total. We welcome two new districts, Moline and Payne Gap, along with our new teachers, Mrs. Smith, Mrs. Manuel, Miss Conner, and Mrs. Carrigan.

We plan to open a hot lunch room by October 1 if we have the cooperation of our patrons. It has been estimated that the cost will be 19 cents per student a day, but with the help of the state it will be lowered to 13 cents.

We hope that cotton picking will soon be over so that the remaining students can join us. Only then will we be able to accomplish more.

## PROCLAMATION

To The People Of Goldthwaite:

Recognizing the fact that in carrying the war into enemy territory, our country will need greater amounts of money than any nation has ever asked of its citizens in all history, I, R. L. STEEN, Mayor of the City of Goldthwaite, Texas, call upon each citizen to buy every possible Bond during the remaining few days of this month.

While Goldthwaite and Mills County citizens most loyally filled their quota of bond-buying the first day of the present 3rd War Loan Drive, there are no quota restrictions on our Mills County boys who have and are giving their lives for us. The more tools we buy, the quicker our heroes can rid the world of the enemy.

One extra bond—above the amount you are able to buy—may contribute directly to saving the life of your own son, husband or brother, or a very dear friend.

DONE at the City of Goldthwaite, this 24th day of September, in the year of Our Lord nineteen hundred and forty-three, and of the Independence of the United States of America the one hundred and sixty-eighth.

GROVER DALTON,  
Secretary-Treasurer.

R. L. STEEN,  
Mayor,

City of Goldthwaite.

## DR. CAMPBELL POPULAR PHYSICIAN AND BUSINESS MAN

By W. F. WEAVER

No one can say who performs the most indispensable service to the community. The old rhyme lists the butcher, the baker and the candlestick maker.

We agree that the butcher and the baker are essential to life and strength, but we must have the Doctor to take care of our health. There are times when the presence of the Doctor gives us more comfort than any other individual in the world. Other vocations may be classed as necessary evils but the Doctor is a necessary necessity.

Speaking of Doctors calls to mind that Dr. J. M. Campbell came to Goldthwaite 35 years ago and has practiced continually in this territory since. He came to Mills County before the advent of good roads, bridges and culverts. He attended calls first on horseback, and later in buggy and more recently by auto. He has slogged along on muddy roads; has been stuck in mudholes; has waited on the bank for the creek to run down.

He never hesitated to go forth no matter how dark and cold the night or how hard the rain. His only concern was and is the relief of suffering humanity. The matter of fees with Dr. Campbell is an afterthought. If he could collect his delinquent fees that have accumulated over the 35 years, he could easily float Mills County's next war loan quota.

Dr. Campbell's value to his community is not only as a popular practitioner, but he is Chairman of the Board of Directors of The Trent State Bank; has been a strong advocate of better roads from the first; has always been a staunch supporter of the school and has had a part in every move for progress in the town and county. He is a friend and good neighbor to all and has the friendship of everyone.

Other than his professional duties, he loves good horses, a good race, fishing, and sometimes a game of dominos with Jim Rahl, Jeff and Owen Priddy.

When Dr. Campbell opened his new hospital recently, his many friends demonstrated their appreciation by generously presenting much necessary furniture and equipment for the operation of the clinic.

## A GREAT CHALLENGE MADE BY MR. MILLER

W. E. Miller, a member of the local Baptist Church since 1901, has presented the membership of the church with a worthy challenge. Last Sunday morning the Pastor, Rev. D. A. Bryant, announced to a large congregation that Mr. Miller would give a dollar to the War Bond Drive which the church is in for every dollar the combined membership gives between last Sunday and Sunday, October 3, up to a total sum of \$3,000.00.

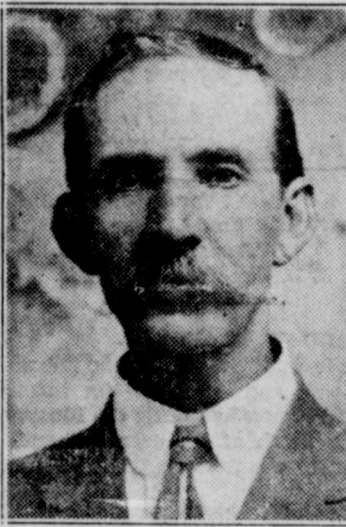

This came as a surprise to the church, and the church very enthusiastically accepted the challenge and started last Sunday to raise the \$3,000.00 by October 3. A good start was made when one of the members, who is a soldier in the Army, and who was home for last Sunday, presented the church with a nice check to start the drive with. The money will be used to purchase War Bonds for a second floor of the educational building and a new auditorium which will be built as soon as materials can be obtained.

Mr. Miller is a retired business man, and a stalwart defender of the Christian Faith. He has served as Clerk of the Baptist Church of Goldthwaite for many years and never fails to answer the call of his church when he can be of service to it. He puts his church first above all other things. His faithfulness to the church is a challenge to any man. This cash offer to the building fund presents a challenge to every member of the Baptist Church. The pastor says: "I expect the church will do this much and even more." If the church gives \$3,000.00 and the gift of Mr. Miller's \$3,000.00 together with the amount the church has already accumulated in the Bond Fund, they will have about \$11,000.00 since March 8 of this year.

## BAPTIST TRAINING UNION RALLY

Monday, Sept. 27, 1943, 8 p. m. at Goldthwaite Baptist Church. Song Service — Rev. Chester Sylvester.

Devotional—Mrs. C. W. Lawton. Announcements and Roll Call. A Study Course in Every Church—a 5-minute message by Rev. Marvin Averett. Every Church Participating in the Training Union Program—

W. E. MILLER (Who donated \$3,000 to the First Baptist Church Building Fund.)

## To the People of this Community:

**DRIVE DEPENDS ON YOU!** Would you take a free ride on a wounded soldier's back? That's exactly what you would be doing if you did not do your duty in the Third War Loan.

Your idle weight would be felt by him on the battlefield. Every civilian counts in this kind of war. Every civilian must make his energy and his dollars work for victory.

Keep in mind that while our national goal in this drive is 15 billions of dollars, this money is being borrowed from you and you. You are, as an individual, the deciding factor as to whether we reach this goal. An extra \$100 War Bond becomes an extra rifle, extra bullets and extra fighting power of every type.

## LCRA BUYS FOUR THOUSAND DOLLARS IN BONDS FOR MILLS

The following letter, together with a letter crediting \$4,000 worth of 3rd War Loan Bonds to Mills County, was received here by W. C. Barnett, Manager of the City Utilities:

Lower Colorado River Authority Austin, Tex., Sept. 18. Mr. W. C. Barnett, Goldthwaite, Texas.

Dear Mr. Barnett: The attached letter is self-explanatory and because of the fact that I do not have the name of your County Chairman, the letter is addressed as it is.

I hope you will see that your Chairman gets the letter, and that your county will go over the top in the 3rd War Loan Drive.

With best wishes, I am Sincerely yours, MAX STARCKE, General Manager.

## METHODIST NOTICE

We have just four more Sundays until Conference. We are striving to make these remaining services more spiritual and helpful. We were very gratified that we had more at service Sunday evening last than in many months. We had a good service. Will not every member of the church help us make these remaining services successful? Those who come humbly into the sanctuary to worship always get a blessing.

Sunday School—9:45 a. m. Preaching—10:45 a. m. and 8:30 p. m. Youth Fellowship Service—7:45 p. m.

We invite you to attend and enjoy any or all of these services.

B. A. MYERS, Pastor.

## THE FIRST BAPTIST CHURCH

D. A. BRYANT, Pastor

Worship with us next Sunday. 9:45—Sunday School. 10:45—Promotion Day Program. 11:10—Worship. 7:15—Training Union. 8:15—Evangelistic Hour.

**Monday** The W. M. U. will meet at the church at 3 o'clock. Note the change in the time of the meeting. The program will be worth the time and effort of all the women of the church. Visitors are cordially invited.

**Tuesday** The Anglers Sunday School class will meet for a social at the home of Rev. and Mrs. Bryant at 8:30. All are urged to attend. This will be the last meeting of the Anglers because of the new classes which will be organized on Sunday, October 3.

**Wednesday** Teachers and Officers Meeting—8 p. m. Prayer Meeting—8:30 p. m. Choir Practice—9:15 p. m.

**New S. S. Classes** Next Sunday the Young People and Adult Classes in Sunday School will be dissolved and, on Sunday, October 3, new classes will be set up. In the Young People's Department the classes will be as follows: One class for those from the age of 16 to 20, and one class for those from the age of 20 to 24.

The Adults will be organized into six classes. Three classes for men and three for women, as follows: 25 to 34, 35 to 44, 45 and above. The Adult Department will meet in the Auditorium of the church on Sunday, Oct. 3.

It is the hope of the church that with this new set-up in these departments of the Sunday School, the school shall

## DISTRICT CONVENTION OF AMERICAN LEGION HERE OCTOBER 23-24

The Harry F. Edmondson Post of the American Legion will be host to the District Convention of the American Legion here October 23 and 24. The district headquarters accepted an invitation by Acting Post Commander Arthur Cline to hold the convention here. Plans are going forward rapidly to have two big days for Goldthwaite and Mills County. On Saturday the 23rd there will be a parade headed by a military band, and including relatives of men and women now in the United States armed services. During the day there will be entertainment, speaking, etc. Sunday there will be a barbecue for the visiting Legionnaires at the Legion Tabernacle south of town.

At a meeting of the local post last Monday night, officers were elected and plans were formulated for the convention. Assistant Postmaster Lewis Porter was elected Post Commander, Jack Reid Vice-Commander and T. F. Sansom adjutant.

Committees were appointed to paint and repair the tabernacle, others to prepare for caring for visiting Legionnaires, and others to prepare for feeding the visitors. An entertainment committee was appointed to arrange the final details of the program for the two days. About 30 members were present at the meeting.

Another and final meeting before the convention will be held by the local post the eighteenth of October.

## SPECIAL RALLY AT GOLDTHWAITE NAZARENE CHURCH

DR. AND MRS. A. S. LONDON

Dr. and Mrs. A. S. London, Oklahoma City, general Sunday School evangelists for the Church of the Nazarene, will conduct a special rally in the interest of church schools at the local Nazarene Church on Monday, Sept. 27, at 8 p. m., it was announced by the Rev. F. W. Rogers, pastor.

Dr. London is considered an authority on Sunday School work, having lectured on the subject in all parts of the United States and Canada during the past fifteen years. Prior to that time, he served as college president and college professor.

The Londons are noted singers as well as Sunday School workers in several colleges.

The public is cordially invited to attend this rally.

Bro. Willie Sykes from Indian Creek Community preached for us Sunday morning.  
Mr. and Mrs. Dale Reid, Mr. and Mrs. Alvin Ketchum, and Cloud Mashburn went to Dallas Monday to see Mrs. Marvin Caraway, who underwent a serious operation there Tuesday. They returned Wednesday. Mrs. Caraway was doing as well as could

be expected.  
Mrs. Mack Reynolds of Lake Arthur, New Mexico, arrived at the Tippen home last week for a visit with her mother, Mrs. Lydia Tippen, and her sister, Mrs. Effie Egger. She also hopes to accompany Mrs. Tippen and Mrs. Egger this week on a trip to see her nephew, Clayton Egger, at Randolph Field, San Antonio.  
John Mashburn, M. P., from Camp Logan, Colo., arrived at the home of his parents, Mr. and Mrs. Cloud Mashburn, near Goldthwaite, Wednesday night.

for a ten days furlough. The first he has had since he entered the army over a year ago.  
Mrs. Charles Griffin and her father, S. L. Singleton, attended church at Regency Sunday.  
Mr. and Mrs. P. R. Reid went to Mullin Sunday to visit Mr. and Mrs. Billie McNurlen.  
Mrs. Lula Kelly visited her friend, Miss Dolly Reynolds, Sunday.  
Bill Ketchum writes from Sicily that he expects to be home in a month or six weeks.  
Mr. and Mrs. Frank Crowder have received word that their son, Truman Crowder, of Los Angeles, was married Thursday, Sept. 2, to Miss Iva Ingram, of that city. They are expected home for a short visit this week. Truman and his wife both work in a Los Angeles defense plant.  
Soldiers from Camp Swift, who have been camped for some time in the Camp Bowie maneuver area, thronged the roadsides Saturday evening, searching, as they said, for just anywhere besides camp to spend a three days leave which had been given them. One said he wanted to get to Ebony. They had taxi service there he knew. He had seen the sign just a few days ago. He arrived at Ebony only to find that the sign had been put up when our phone system was in working order. However, Hubert Reeves and Dewey Smith accommodated them. Each hauling a load to town. After that taxi-cabs came out for others.  
Sgt. Neuma Crowder, after a considerable stay in Florida, is back at El Paso again.  
After several years without school, the Ebony school house will open its doors again Monday, Sept. 20, for school. Miss Mildred Thompson of Kopperl will be the teacher. Only four pupils are expected to attend.

**SOLDIER LETTERS**

Mrs. Carl Featherston has received the following letter from her brother overseas:  
Somewhere in Sicily  
August 29, '43

Dearest Sis:  
Well, how are you and what are you and Carlene and Norma Ruth doing these days? As I guess you know there is plenty going on here. So much that I have not seen a dull moment in ages.

How do you like Houston? I hope you had a pleasant trip while gone on your vacation. So glad Carl has a good job in defense plant, or wherever he is working. Tell him I want him to be able to build me a row boat of my own when this is over, for if I make it back, I think Carl and I will do a little traveling as I have seen most of this side of the world since I left Mills County. You know, Opal, when I was a kid, taking history in high school, I didn't think I'd ever see all those buildings and monuments, and tombs and etc. we studied about that were built in the 10th and 13 centuries and etc. But just the same, I've seen practically all of them; and I never dreamed I'd take a swim every day in the Mediterranean Sea, but just the same I do.  
We delivered tanks and guns ahead of the main armies in Casa Blanca, Algeria, Simaland French Maroca, and I can't tell you a lot of other places that the 8th Armored Division has been in Italy, but it is something to be proud of to have the insignia of the 8th Armored Division Tank Bn. on your arm.  
I guess I must say goodnight. I am still working in the kitchen. Don't think I have poisoned anyone yet on my cooking. Tell Mother I'll visit her tomorrow night. I work in the office come to, so I type most of my letters. I had a letter from Louie Shaw. He is here in Sicily. He told me John Jr. Boland is here too. Could you get me George H. Frizzell's and Lewis Blackburn's addresses, and also Sgt. Charlie Johnson's address? I have lost all the boys' addresses that I ran with.  
Be good and answer soon. Tell every one 'hello' and to write to me.

Love to all

**NABORS CREEK**  
By MRS. J. M. WRINKLE

Well, our boy, J. M. Wrinkle, finally got a furlough and came home and did like many other soldiers, got married. But we are real proud of our daughter and wish for them the best of luck. They left Sunday night for South Carolina, where he is in training.

My brothers, Carl and Clyde Letbetter, and families from Houston visited homefolks here while J. M. was here.

Pvt. Mohler Carroll came in Saturday night from South Carolina to visit his parents, Mr. and Mrs. Sam Carroll. Mohler does not like South Carolina too well.

Mr. and Mrs. Charlie Wrinkle are planning on getting their house worked over. We hope they can before winter comes on.

The ones that enjoyed ice cream in the J. O. Wolff home Saturday night were Mr. and Mrs. J. M. Wrinkle, Mr. and Mrs. Charlie Wrinkle, and son C. W., Mr. and Mrs. Lewis Burdett and children and Jimmie Caraway.

Mr. and Mrs. H. S. Davenport and daughter, Veda, ate dinner Sunday with her parents, Mr. and Mrs. E. G. Letbetter. The other two daughters, Leila and Allie ate dinner with Mr. and Mrs. J. M. Wrinkle. Robbie Smith also ate dinner in the J. M. Wrinkle home.

So in the afternoon the men all wanted to play croquet. So the ones who met under the live oaks at J. M. Wrinkle's croquet ground were: Mr. and Mrs. J. A. Starkes, Mr. and Mrs. J. O. Wolff and Ivadee, Mr. and Mrs. H. S. Davenport and children, Mr. and Mrs. Lewis Burdett and children, Robbie Smith and Mrs. Charlie Wrinkle and son C. W., J. A. Starkes and J. O. Wolff did not lose a game all afternoon. I think the rest of the men left feeling kindly bad.

Mr. and Mrs. Porter White, Mr. and Mrs. Tiny Stevens and daughter, Vadadeen, all were on the river Saturday night at Henry Stevens.

Jim Burdett came home Wednesday from visiting his son, Robert Burdett, and family who live near Lubbock.

We had several light showers last Thursday. Everything looks so fresh and green.

H. Hale is having a tank built near his home

The H. D. Club met with Mrs. Raymond Wilcox Thursday. After a general discussion on various subjects, we had an hour of fun. Mrs. Wilcox had arranged a number of games which we all enjoyed.

Refreshments of iced tea and cookies were served to Mrs. O. B. Bell, Mrs. P. T. Roberts, Mrs. H. Hale, Mrs. J. D. Berry, Mrs. A. Wilcox, Mrs. George D. Brooks, Mrs. Attabury and Mrs. E. D. Ferguson. Visitors were Mrs. Berry and Mrs. Fannie Brim of Goldthwaite and Mrs. Earl Hale of Fort Worth.

Mrs. Earl Hale of Fort Worth spent the week-end in the home of Mr. and Mrs. H. Hale. She returned home Saturday.

Mrs. Bertha Weathers and son Franklin Dew have returned home after an extended visit in New Mexico. Mrs. Weathers is spending a few days with a niece at Priddy. Franklin will remain with Mr. and Mrs. W. C. King to go to school.

Those who visited in the home of Mr. and Mrs. W. C. King Saturday evening were Mrs. Preston Calder, Mr. and Mrs. Louis Perkins and son, Mr. and Mrs. A. Hines, Mrs. Bertha Weathers and Franklin Dew, and Mr. and Mrs. George Brooks and children.

Mr. and Mrs. Ira Portwood of Regency invited a number of friends and relatives to a dinner in honor of their daughter, Mrs. Gordon Wilson, of Wilcox, Ariz., who has been visiting them the past week. Mrs. Portwood prepared the lunch picnic style and such a lunch. We think she got her dates mixed and thought it was Thanksgiving. There was roast goat, roast turkey and all the fixings, and other dishes too numerous to mention. We spent the afternoon visiting and taking pictures. Those present were Mrs. Gordon Wilson of Wilcox, Ariz., Mr. and Mrs. Page Portwood and son of Mullin, Mr. and Mrs. Harrison Portwood and son of Nix, Texas, Mr. and Mrs. J. H. Bowden and Mr. and Mrs. W. M. Bowden and son of Mullin, Mr. and Mrs. C. J. Bowden of Cherokee, and Mr. and Mrs. George Brooks and family.

Mr. and Mrs. Hugh Blair and family spent Sunday afternoon in Santa Anna, visiting relatives. Mr. Blair's mother, Mrs. H. O. Blair, accompanied them back to Goldthwaite for a few weeks' visit.

Miss Roselyn Berry, formally from Goldthwaite, became the bride of J. C. Garrett of San Antonio, Sept. 18. The couple plan a two weeks trip to Mexico City afterward. They will be at home at 149 Holliday, San Antonio.

Mr. and Mrs. R. V. Littlepage spent Sunday afternoon in Dublin with his mother, Mrs. S. C. Littlepage.

**Women at Work for a Railroad at War**

America needs millions of women to take over war jobs... to stay with those jobs... to help speed the day when our fighting men will return victorious!

Santa Fe women are answering this call all along the line.

Right now thousands of Santa Fe women are doing war-vital work to "keep 'em rolling." Many are pitching into "unglamorous" jobs... greasing engines, operating turntables, welding shovels, working in blacksmith shops,

and cleaning roller bearings. They take pride in their work, too!

Many of these women have husbands, sweethearts, brothers or sons in the armed forces. Many came to work to replace a Santa Fe relative who had been called into service. Others took jobs because they knew womanpower must step in when manpower goes to war.

☆ We of the Santa Fe salute these women who know that what they are doing is vital to Victory!

## CHAPEL HILL

By NELLIE BARRINGTON

Our school is progressing nicely since it has been raining and the children cannot pick cotton.

Mrs. Ernest Eakin and Pinnie Ray of Arizona, and Miss Ollie Eakin of Goldthwaite have been visiting in the Bufo and Whitehead homes during the week-end.

G. W. Barrington, who has been working at Waco, arrived here late Sunday afternoon. He returned to Waco Monday to his work.

We all sympathize with the Bufo family in the loss of their loved one, Grandma Bufo, of Priddy.

Mr. and Mrs. Albert Crawford called in the home of Mrs. G. W. Barrington, and girls, Tuesday night.

Mr. and Mrs. Albert Crawford visited her mother, Mrs. R. A. Stevens, of Bethel, Sunday.

Mrs. G. W. Barrington, Lola Mae and Nellie B., called in the home of Mrs. J. T. Whitehead and family late Sunday afternoon.

**REV. CHARLIE JACKSON VISITS GOLDTHWAITE**

Rev. Charlie Jackson, pastor of the First Baptist Church in Greenville, Texas, visited his parents, Mr. and Mrs. George Jackson, this week. He was also a very pleasant caller at the Eagle office.

Rev. Jackson was reared in Goldthwaite, he is now one of the outstanding preachers of the State.

## Housewives and Children Entering Employment Faster Than Ever Before

"Housewives and school children comprise the largest percentage of the workers who have lately entered into employment covered by the Social Security Act," according to David S. Pruitt, manager of the Austin field office of the Social Security Board. In a survey made recently it was indicated that these two groups jointly represent 70 per cent of all workers who are entering "covered" employment for the first time. Almost 88 per cent of the male applicants for social security account numbers under age 20 were school children and about 70 per cent of the female applicants were also of school age.

"These figures," Pruitt continued, "would indicate that America is all out for victory. We realize that in many instances workers who are becoming employed for the first time do not know that a social security number is necessary. Therefore, if an employer does not request to see a worker's card, the worker should ask the employer whether he pays social security tax and whether or not a card is necessary. Most industrial and commercial work is covered employment. The local office of the Board will be glad to assist any worker in determining whether or not he needs a card and to issue one if necessary."

Workers from non-covered

employment, Pruitt explained, to the increase in employees covered by the Act; 29 per cent of the new workers have been from this group, which consists of government employment and non-profit organizations, domestic service and agricultural employment. The remaining 1 per cent are retired workers who have now returned to work.

Pruitt concluded his statement by again urging workers to obtain cards if working in covered employment so that they may have all wages properly credited to their accounts.

Mrs. Pat Close and little daughter, Carolyn, came in Wednesday night. Mrs. Close left Thursday night for Houston for a visit with Mr. Close, who is working there. Carolyn remained in Goldthwaite for a visit with her aunt, Mrs. C. T. Wilson.

Mrs. Lina McLean returned from a two week's visit to her son, Cecil Brady, and family in Alice.

## LEGAL NOTICES

THE STATE OF TEXAS

To: O. P. TURNEY, Defendant,  
Greeting:

You are hereby commanded to appear before the Honorable District Court of Mills County at the Court House thereof, in Goldthwaite, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this Citation, same

## UNIVERSITY PROFESSOR LISTS REASON TO HOLD, NOT TO HOLD COTTON

Austin, Texas.—Texas farmers are in a quandary about whether to sell their new cotton, or to hold it for better prices?

If so, Dr. A. B. Cox, University of Texas cotton marketing authority, has drawn up a list of "pros" and "cons" which may help you decide.

He won't recommend which you should do, but lists the arguments for and against as follows:

For holding:  
1. Acreage this year is the lowest for nearly 50 years—21,995,000 acres, as compared with the peak of 44,608,000 acres in 1926.

2. Parity prices have gone up an average of 10 points per month during the last five months. In June the parity was 20.34 cents, with a guaranteed loan of 90 percent of parity, or 18.31 cents in June.

3. Production this year will be 1,800,000 pounds less than last year's harvest if the average yield per acre is as much as the average for the past five years, or 246.1 pounds.

4. Civilian consumption, now curtailed by the war, should be boosted by accumulated buying power when the war is over. Exports through lend-lease and other channels will likely be increased substantially for the duration as Allies recapture territory in Europe and reduce the Atlantic submarine menace.

5. The present seemingly large carryover in this country is of low grade short staple cotton—which in normal times goes to export and will be in demand when the war closes. Consequently this should not push down prices of the current crop.

For immediate sale:  
1. Mill consumption is trending downward since January, due to labor shortage, unsatisfactory results from three-shift operations, and the narrowing mill margins resulting from advancing cotton prices and "roll back" of finished products in some cases.

2. Mills are reducing stocks, and delaying purchases, due to uncertainty as to the duration of the war, to "very optimistic" reports about the yield of the new crop; and to narrowing margins of profit.

3. Prices listed in futures contracts are progressively lower from October to July of next year, with July, 1944, being quoted at \$3 a bale under quotations for October, 1943.

4. Price ceilings on raw cotton may be established if prices threaten to rise above the 21.38 cents per pound for middling 15-16-inch on April 7.

5. The average weight of cotton goods purchased by the civilian consumption is much lighter than the average weight for war purposes—which would mean

## ROCK SPRINGS

By MRS. EULA NICKOLS

We extend sympathy to Mrs. Hettie Uhrbach in the loss of her sister, Mrs. W. C. Uhrbach, also to Emma Kate, Mrs. Uhrbach's daughter.

The rain last week was fine. We don't have our garden broke yet so we can sow our turnips. I loaned my plow to a neighbor so he could plant their turnips so I hear they have a good stand. I feel like I have an interest in those turnips. I'm also watching Mr. and Mrs. Charley Simpson's turnip patch. They raised some fine ones last year.

Miss Billie Ruth Daniels' boy friend called on her one night last week. Believe it or not—he isn't a soldier boy.

Goush and wife from town, Mmes. Dunkle, Robertson, visited Sunday night in the Woodie Traylor's home.

The men who helped with the Observation Post are very proud of their "wings" they received last week. Mrs. James Nickols also received a wing too. She is very proud of her's. The pin certainly is nice.

Last Thursday night Earl Clements and wife and Miss Kathelene Clements from town, and Mrs. Venerable from Mader-sonville, helped to celebrate Phillip and James' birthday. Their wives and their mother served chocolate and cake and tea cakes. Phillip's wife baked a nice birthday cake and put the candles on it.

Rudolph Cooke is able to be up. He had another seige with his back.

We are glad to learn that Dr. J. M. Campbell will not have such a bad operation. We hope he and his wife will soon be back home.

V. D. Tyson and family, Phillip Nickols and wife and Dwight Nickols and wife, who have moved back from Fort Worth, visited us Monday night. Dwight and Juanita spent the night.

Mrs. Stark visited in the J. T. Davis home Sunday afternoon.

Sunday I called on Mrs. Lula Gatlin in town. She is getting along pretty well, and Monday I called on Mrs. Wiley Johnson. She was sitting up and ate dinner with my cousin, Mr. and Mrs. Jess Davee. I found Miss Beatrice getting ready to go to Marlin for a check-up. I hope all of these sick ones can soon be well again.

James Nickols and Hobson Miller are doing some work on Carl Bledsoe's residence in town. Roney and Alice Davis spent Sunday with Wesley Nickols.

Rudolph Cooke and family visited in the Nickols home Sunday night.

fewer bales would be required to keep mills at their present rate of activity when they return to civilian orders.

6. There is a substantial accumulation of Indian cotton in India which will be a depressing influence on the price of our low-grade short staple cotton when the war is over.

## TRAIN WHISTLE SIGNAL FOR PRAYER IN OKLAHOMA

The whistle of the 9:45 a.m. Santa Fe streamliner is the signal for prayer for members of the Journeycake Memorial Baptist Church at Dewey, Okla.

"When you hear the 9:45 whistle, take time to kneel down and pray that God will send us a great spiritual awakening. If you are busy, you can breathe such a prayer," reads a notice in the church's publication.

Santa Fe employees were agreeably surprised. Judging from the number of complaints they had always received from irate citizens living near the tracks, they had supposed their locomotive whistles to be the work of the devil. That one of them actually was serving as a spiritual aid came as a refreshing discovery.

Santa Fe system carloadings for the week ending September 11 were 21,784 compared with 21,440 for the same week in 1942. Cars received from connections totaled 12,871 compared with 12,791 for the same week last year. Total cars moved were 34,655

compared with 33,231 for the same week in 1942. Santa Fe handled a total of 36,683 cars in the preceding week of this year.

## BELTON SEAMAN READY TO SAIL AGAIN

Belton, Sept. 7.—After 3 months of convoy to and from North Africa, H. C. Carothers is back home for a 30-day respite. He says, however, that after 9 or 10 days of it he is already restless to get back to sea.

This was Carother's second trip on duty with the merchant marine, and his main reaction is that he didn't get seasick. On his first excursion, which was to South America, Carothers lost 23 pounds and was too seasick to report much of anything. He does remember that the South Americans were extremely friendly to anyone from the United States, and he did collect some South American money—since collecting foreign coins is his hobby.

While Carothers' ship was laid up in Gibraltar for repairs he wanted nothing more than some cold watermelon, and he was incensed when they charged him

a dollar for what he describes "as a little old melon."

He says that the men in the armed forces are pretty well taken care of, in the entertainment field, by Red Cross shows and canteens.

H. C. visited in the home of Mr. and Mrs. Ran Gunn, Mr. and Mrs. Fred Whittenburg and Mr. and Mrs. Otis Carothers last week. Lt. Wallace, brother of H. C. also visited here.

Clyde Cockrum, who has a good job with the Brown ship yards in Houston, spent the week-end with his wife and attended to business here.

Mrs. McKenzie has returned from Houston, where she spent several weeks visiting her daughter, Mrs. Lloyd Pope. She is now visiting her new great-grandson, baby of Mr. and Mrs. Jack McKenzie. Mrs. Jack McKenzie and baby are in the home of Mr. and Mrs. Hugh McKenzie. Both mother and baby are doing nicely.

## Consumer Coal Piles Smaller

The amount of coal held in storage by consumers dim-

ished 312,000 tons during July, Harold L. Ickes, Solid Fuels Administrator, reported recently. "We have less coal in storage now than we had a month ago," the Administrator said. "The limitations on production make it uncertain to what extent output can be increased. Consequently it would be wise to conserve coal by all possible means so that there will be enough of it to carry on all essential activities and to keep the public warm."

Approximately six and a half million pairs of army shoes will be rebuilt during the present fiscal year at plants under supervision of the Quartermasters Corps, Army Service Forces, in Buford, Ga., and Hannibal, Mo. The rebuilding operation in one year will save the government approximately seven million dollars, and will conserve nearly 20 million square feet of leather. Army shoes usually are resoled twice, then sent to Buford or Hannibal for rebuilding. The rebuilt shoes look and wear like the original article and usually are more comfortable because they have been broken in.

recognition for  
on the club books.  
In June the parity was 20-  
34 cents, with a guaranteed loan  
of 90 percent of parity, or 18.31  
cents in June.  
3. Production this year will be  
1,800,000 pounds less than last  
year's harvest if the average  
yield per acre is as much as the  
average for the past five years,  
or 246.1 pounds.  
4. Civilian consumption, now  
curtailed by the war, should be  
boosted by accumulated buying  
power when the war is over. Ex-  
ports through lend-lease and  
other channels will likely be in-  
creased substantially for the du-  
ration as Allies recapture terri-  
tory in Europe and reduce the  
Atlantic submarine menace.  
5. The present seemingly large  
carryover in this country is of  
low grade short staple cotton—  
which in normal times goes to  
export and will be in demand  
when the war closes. Conse-  
quently this should not push  
down prices of the current crop.  
For immediate sale:  
1. Mill consumption is trend-  
ing downward since January,  
due to labor shortage, unsatis-  
factory results from three-shift  
operations, and the narrowing  
mill margins resulting from ad-  
vancing cotton prices and "roll  
back" of finished products in  
some cases.  
2. Mills are reducing stocks,  
and delaying purchases, due to  
uncertainty as to the duration  
of the war, to "very optimistic"  
reports about the yield of the  
new crop; and to narrowing  
margins of profit.  
3. Prices listed in futures con-  
tracts are progressively lower  
from October to July of next  
year, with July, 1944, being  
quoted at \$3 a bale under quo-  
tations for October, 1943.  
4. Price ceilings on raw cotton  
may be established if prices  
threaten to rise above the 21.38  
cents per pound for middling 15-  
16-inch on April 7.  
5. The average weight of cot-  
ton goods purchased by the civilian  
consumption is much lighter  
than the average weight for war  
purposes—which would mean  
fewer bales would be required to  
keep mills at their present rate  
of activity when they return to  
civilian orders.  
6. There is a substantial ac-  
cumulation of Indian cotton in  
India which will be a depressing  
influence on the price of our  
low-grade short staple cotton  
when the war is over.

**The Reign Of The Demagogue**

By J. S. BOWLES

IT HAS BEEN SAID that the orator is a brilliant, able-bodied liar. That statement should not be taken seriously. Those who so affirm simply mean that a vivid imagination is essential to the successful orator, and that a vivid imagination sometimes becomes overwrought in the orator and he is led by it to exaggerate his statements. As we listen to some public speakers it is difficult at times to suppress a smile as we are called upon at times to accept as gospel truth that against which our sense of justice easily revolts.

I listened to an address only a few days since wherein the speaker set forth the policies by which he desired his party to be governed. He asserted that his party had always stood for honesty in administration. The plain inference was that those of the opposition did not believe in honesty of administration. He then continued such sophistries, so simple and so untrue that any high school pupil could refute his statements and then not be considered a Solomon in mental acumen.

This man simply represented what he wished his party to assume in the rapidly approaching campaign. It will likely be echoed and re-echoed from every political stump in the nation, and, I may freely say, from the forum of every political party in the nation.

It is all like two preachers in an old-time debate when one held up the idea of his people's superiority to that of his opponent's by affirming that he and his people believed in the Lord's Prayer and the Ten Commandments. The inference was that the others, his opponents, did not believe in these fundamental principles.

But this is the tactic of the demagogue; party success is more important than the triumph of honest principles.

There is nothing new about this whole condition; it has always existed in our American elections. I have gone through many campaigns. I was foolish enough in my younger days to believe that if the party with which I cast my lot did not win our country would go into oblivion. You, no doubt, was just as foolish. I have gone through national campaigns when I firmly believed that the opposition was so corrupt that they would steal everything loose about the seat of government. It was a great revelation to my own untutored mind to feel the sting of defeat and to see the sun rise the following morning just as it had on past occasions.

Those of us who remember the campaign in which Hayes and Tilden were candidates have a fair example of what I have been saying. Hayes was held up by Democratic speakers as all sorts of a bad and dangerous man. Then when the election was thrown into a contest that for a time threatened the very foundation of the government, we knew that the death knell of the country had been sounded.

Many of our old-time Southerners said they would gladly shoulder arms and go to Washington and aid in the seating of Tilden. Doubtless they would have made good the threat with some encouragement. They actually believed that Hayes would be a mighty oppressor of the South. I think that many were disappointed when he turned out to be the best friend the South ever had in that he removed from our borders the last vestige of the soldiers who had been there all the years after the Civil War, and allowed Southern people once more to run their affairs.

Yes, I am disposed to feel that after this war has ended we shall learn that the people of this America will face the future with hope and zeal to restore order, think of themselves as Americans instead of attempting to be first Republicans or Democrats. They will learn to honor American institutions and American soil, for the very patriotism that has displayed itself on the world's great battlefields, and go on to build a civilization of which the world may be proud.

**LOOKING BACKWARD**

TWENTY-FIVE YEARS AGO

From Eagle files Sept. 21, 1918

Harry Allen and wife are the proud parents of a fine girl, who arrived at their home Sunday.

Misses Nita and Velma Cockrum are preparing to return to their studies in the State University at Austin.

Dr. J. H. Logan and family left Tuesday for their new home in San Antonio, carrying with them the good wishes of a host of friends throughout this section.

Wm. Weltecke of the Priddy country was here Tuesday enroute to Bay City where he expected to spend some time looking after business matters.

J. M. Petsick of Caradan was looking after business in this city Thursday.

Mrs. J. T. Prater went to Temple yesterday for a visit to her daughter, Mrs. S. H. Allen, and family.

Rev. W. R. White, the beloved pastor of the Baptist church of this city, has volunteered for service as a chaplain in the army, and has been notified to report to Camp Taylor, Louisville, Ky.

Alvin Street, who is engaged in buying cotton in South Texas, spent a part of the week at home.

Mrs. B. B. McBride left Tuesday for Alexander, La., where her husband's regiment is located and expects to remain for some time.

Edward Geeslin and family returned Monday from an automobile trip to Fort Worth, where they visited relatives for a few days.

C. M. Bramblet, one of the best men of the county, was in from the North Brown community yesterday.

Sheriff J. H. Burnett and wife returned Thursday from a visit to relatives at their old home in Kentucky.

Miss Josephine Gartman was visiting friends in Temple last week.

James Rahl visited in Brownwood the first of the week.

Marion Stephens is one of the Goldthwaite boys who will be in the State University the coming session.

Dr. J. L. Williamson of Baird was here prospecting for a location last Friday and Saturday.

E. F. Casey, a banker and prominent merchant of Mullin, was a business visitor to this city Monday.

George Clements, Frank Cave and William Thompson expect to leave for Austin next week to enter the State University.

**Health Notes**

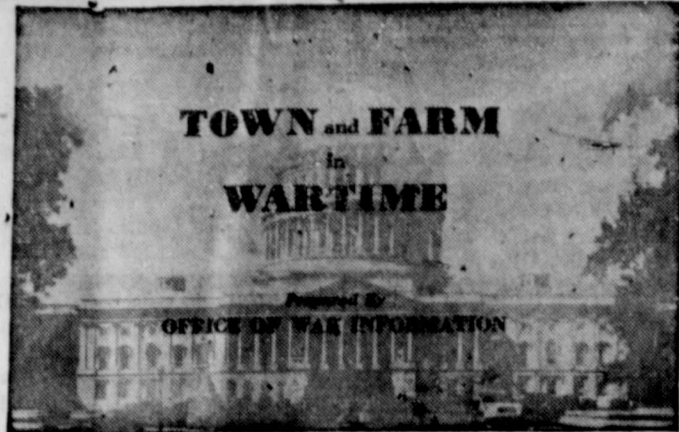

With the advent of fall and the attendant seasonal changes of weather, common colds become much more prevalent and widespread in the state.

Dr. Geo. W. Cox, State Health Officer, has issued a warning against the careless treatment of any respiratory illness since they can and frequently do result in the dreaded complication, pneumonia. He emphasized the fact that pneumonia usually strikes with little or no warning, following a simple cold, an attack of influenza or some other respiratory infection.

"A cold or any other infection of the breathing passage, especially if accompanied by fever, demands the immediate attention of a doctor," the state health officer said. "To try to fight such a disease without bed rest and by means of self-medication may endanger life unnecessarily."

According to Dr. Cox, prevention is better than cure and in order to avoid colds, influenza, and pneumonia he advised building up normal physical resistance by sufficient ventilation, adequate nourishing food, outdoor exercise and sufficient sleep and rest. "However," he added, "if, in spite of such care, a respiratory illness develops, the family doctor should be called immediately."

The fact that pneumonia is definitely a communicable disease is often overlooked, Dr. Cox stated, but this should be borne in mind so that the danger of passing the disease from one person to another can be eliminated.

**RATION REMINDER**

**GASOLINE**—In states outside the eastern shortage area A-8 coupons became good September 22.

**SUGAR**—Stamp No. 14 good for 5 pounds through October. Stamps Nos. 15 and 16 good for 5 pounds each for home canning through October 31.

**SHOES**—Stamp No. 18 good for one pair through October 31.

**STOVES**—Consumer purchases of rationed stoves must be made with certificates obtained at the local War Price and Rationing Boards.

**MEATS, FATS**—Red stamps X, Y and Z good through October 2. Brown stamps A and B good through October 2. Brown stamp C becomes good September 26 and remains good through October 30.

**PROCESSED FOODS**—Blue stamps U, V and W expire October 20.

**Autumn Arrived Yesterday**

Autumn began in the Northern Hemisphere and spring in the Southern Hemisphere at 5:12 p. m. Central War Time, September 23, the U. S. Naval Observatory announced.

**Burlap Bag Quotas Removed**  
Quotas on farmers and packers purchases of new burlap bags for packing certain agricultural products have been removed for the balance of 1943. "Certain agricultural products" include, but is not limited to, beans, cotton, feed, flour, meal, fruits, potatoes, vegetables, and tobacco. The restriction on the bag sizes permitted for certain commodities has been relaxed to allow an additional size for each of two types of seed. A 1-2 bushel bag is allowed for hybrid seed corn, a 3 bushel bag for cottonseed. These are in addition to the sizes previously permitted.

**Ration Point Changes**  
Reflecting an improvement in civilian meat supplies, the ration cost of most lamb and bacon cuts, sirloin steak, and rib roasts has been reduced from one to two points for September. In addition, several variety meats also have lower point values. Creamery butter increased two points to 12 points per pound. The purchasing power of meats-fats stamps in September will be a little larger than in August because the decrease in meat point values more than cancels the higher ration cost of creamery butter.

**More Lumber From Farms**  
A program to increase sharply the production of forest products from farm-owned woodlands as part of the nationwide drive to meet wartime military and essential civilian needs for lumber was announced recently by the War Food Administration. It is estimated that 3 1-2 million farms have woodlands, most of which can yield marketable products. Minimum national requirements for lumber in 1943 total 36 billion board feet. Of this amount, 2 1-2 billion board feet are needed for boxing and crating agricultural products.

**Nurse Corps Funds Approved**  
Funds have been approved to provide complete tuition, fees, stipends, maintenance and uniforms for an anticipated 10,175 student members of the U. S. Cadet Nurse Corps. Over 500 state accredited schools of nursing have applied to the U. S. Public Health Service for participation in the program. To date, 67 have been approved.

**Synthetic Tire Prices**  
Maximum prices for synthetic rubber tires and tubes have been established by OPA. In the main, they are the same as ceiling prices for corresponding tires and tubes made from natural rubber.

A pin has as much head as some authors and a great deal more point.—Exchange.

He who eats and drinks but does not bless the Lord is a thief.—Hebrew Proverb.

**Search For War Minerals**

The most extensive exploratory program ever undertaken in the United States and Alaska for war minerals has been launched by the Bureau of Mines. The bureau is sending its crews out in quest of nearly a score of materials needed to supply the armed forces, according to Harold L. Ickes, Secretary of the Interior. States in which exploration will be conducted are: Alabama, Arizona, Arkansas, California, Colorado, Connecticut, Georgia, Idaho, Kansas, Maine, Massachusetts, Missouri, Montana, Nevada, New Hampshire, New Mexico, North Carolina, Ohio, Oklahoma, Oregon, Pennsylvania, South Dakota, Tennessee, Texas, Utah, Vermont, Virginia, Washington, Wisconsin, and Wyoming.

**Gun Covers Protect Bibles**

Bibles which are placed on every life raft and life boat on army transport vessels are being protected from the effects of salt water by the same type of cover that protects pistols, rifles, and machine guns in landing operations. Curiously enough, the covers used for pistols are of exactly the right size for copies of the Bible, and have been adopted by the Chaplains Corps as a standard protective covering for them. The covers were developed by the Quartermaster Corps from a pliable transparent, waterproof film known as vinyl. They are buoyant enough to float the Bibles if they are accidentally dropped overboard or washed out of the rafts in heavy seas.

**Public May Get Copper Wire**

The public may purchase copper wire without restriction from retailers, electricians, radio repair men and others who sell it. Under a new War Production Board regulation any retailer or repair man may order up to \$100 worth of copper wire for delivery during any calendar quarter. Civilians must use this with care. WPB officials pointed out, as it will be needed to cover all essential repairs for general public use.

**Druggists Contribute Quinine**

With the compliments of the nation's druggists, more than 11 million five-grain doses of quinine are now on their way to join the war against malaria. Because seizure of the Netherlands East Indies cut off 90 percent of the source of quinine supply, the army called upon the nation's druggists to make contributions. An appreciable quantity of the quinine donated was produced by Germany and Japan, and it now will assist in the war to defeat those nations.

**Blimps Help Fishermen**

Navy blimps, on the lookout for enemy submarines and surface craft in north-western waters, also are helping the war food program. Under an agreement worked out between the office of the Coordinator of Fisheries and Vice Admiral Frank Jack Fletcher, Navy Commandant in the Seattle area, blimps which sight schools of fish will communicate the news by short wave to fishing vessels. The patrolling blimps can easily spot schools of fish which might take fishermen hours to locate.

**Home-Canning of Fish**

Surplus fish can be canned at home just as vegetables from the Victory Garden are canned. The following bulletins on cooking and canning of fish may be obtained from the Publications Office, Fish and Wildlife Service, Merchandise Mart, Chicago, Ill.: "Home Preservation of Fishery Products," Fishery leaflet 18; "Cooking Carp," Fishery leaflet 19; and "How to cook the Bourbot," Fishery leaflet 21. "War-time Fish Cookery," Conservation Bulletin 27, may be obtained from the Superintendent of Documents, Government Printing Office, Washington, D. C.

 Here's one right and proper way to moisten hard dry passages and obtain more gentle "easy" movements. Every morning for 5 days, 15 minutes before breakfast, drink a glass of hot water to which one teaspoonful of Kruschen Salts has been added. While you are eating breakfast the hot water and Kruschen will be feeding moisture to those hard, dry passages. They become soft, moist, easier to expel. No need to strain and thus risk painful rectal irritation. Usually within 30 minutes waters are expelled smoothly and gently. You feel gloriously fresh again. Be sure to follow the simple easy directions. Don't delay—you can get Kruschen Salts at any drug store.

## TWO PIONEERS OF PRIDDY ARE BURIED

Last week the Zion's Lutheran Church, A. H. Muehlbrad pastor, at Priddy was the scene of two funerals in one afternoon. The first funeral was that of George Mike Schlee. Mr. Schlee was born in Germany in 1878. When seven years old his parents came to America. From New York they came by train to Lampasas, from where they came by wagon to the McGirk Community in Hamilton County. In the fall of 1891 they moved to the Priddy Community. Thus Mr. Schlee had been a resident of the Priddy Community for the last 52 years. During all this time he was a faithful member of Zion's Evangelical Lutheran Church of Priddy.

For many years he made his home with his brother, John B. Schlee. On the 27th day of January, 1923, he was joined in holy wedlock with Miss Hilda Wellman of Washington County.

His wife and one brother, John B. Schlee, survive him. His half-brother, John William Hiller, had died only 23 days before.

The second funeral held on the same afternoon in all the rain was that of Mrs. Sophia Bufe. Mrs. Bufe also was born in Germany in 1866. When she was 15 years of age her mother, brothers and sisters came to America. They made their first home in Washington County. It was here Mrs. Bufe found her life partner in Gustave Adolph Bufe, to whom she was joined in holy wedlock on the second day of January, 1886, in the Lutheran Church at Prairie Hill.

In 1904 the young family moved to Mills County to the Priddy Community. Thus she had been a resident of this community for 39 years.

Those who mourn her demise are: Two daughters, Mrs. Annie Lippe of Miles and Mrs. Lydia Roak of Priddy; six sons, Henry, Fritz, Rlnert, and Willie of Priddy and Gus of Lubbock and Oscar of Indian Gap; one brother, Charlie Schwartz of Priddy; 26 grand-children and 10 great-grandchildren. Her husband died in July of 1940.

Mrs. Bufe was a faithful member of the Lutheran Church at Priddy.

### SCHOOL NEWS

Well, this is the third week of school and every body seems to be doing fine in their work. We organized a citizenship club Friday. We elected the following officers:

President—Jackie Leo Gerald  
Vice-president—Adron Anderson  
Secretary—George L. Horton  
Program Committee—Carlin Lee Wicker  
Thrift Committee—George Lee Cline

Good Manners Committee—Wilma Jean Williams.  
Safety First Committee—Dorene Kerby

We had a very good program Friday, and adjourned to meet again next Friday. Well, we finally got the boys to come out of the brush to play with us but all they want to do is to play stealing sticks and chunk acorns at the girls. But we have lots of fun anyway. Patricia Lockridge, Dorene Kerby, Joy Anderson and Wilma Jean Williams had a party Tuesday and we couldn't even have a grand time because the boys are as mean as usual, and wouldn't let us. They wouldn't even let us take their pictures and we wanted them so bad. We got bannanas, bread and everything we could get our hands on and smashed it in their faces. We don't know whether they have changed their minds now or not, but we hope they have.

### COMMUNITY NEWS

Carlin Dale Wicker spent the night with George L. Horton Sunday night.

Mr. and Mrs. Olen Simmons visited Mr. and Mrs. W. W. Williams Friday afternoon.

Mr. and Mrs. Frank Kerby visited Mr. and Mrs. Gerald and family Sunday afternoon.

Mr. and Mrs. W. W. Williams visited Mr. and Mrs. McNeill and family Sunday afternoon.

Mr. Hill visited Mr. and Mrs. Anderson and family Sunday afternoon.

Mr. and Mrs. Floy Burns have a baby girl.

Mr. and Mrs. Hazel Jones have a new baby boy.

Patricia Lockridge visited Miss Lola Stevens and her mother Sunday afternoon.

Garden Club rummage sale, watch for date.

## Mrs. Will Uhrbach

Mrs. Will Uhrbach passed away at her home in Goldthwaite Sunday morning at 7 o'clock after a long illness.

Funeral services were conducted by Rev. D. A. Bryant, pastor of the First Baptist Church here, at 10 o'clock Monday morning. Burial was in the Odd Fellows Cemetery.

Mrs. Minnie Clem (Taylor) Uhrbach was born January 12, 1865, in Nashville, Tenn., and came to Texas with her parents and family in 1868. At the age of 24 Miss Minnie Taylor and W. C. Uhrbach were united in marriage. To their home two children were born: a daughter, Miss Emma Kate (Corridon) whose home is now at Iowa Park, Texas, and a son, William C. Uhrbach, who passed from this life two years ago.

Mrs. Uhrbach is survived by her daughter; three sisters, Mrs. Hettie Uhrbach of Goldthwaite; Mrs. Polk McCord of Dallas, and Mrs. Kate Day of El Paso; one brother, Sam Taylor of San Saba; three grandchildren, William Uhrbach who is in our Armed Forces, Miss Lorane Uhrbach of Temple, and Mrs. W. A. Johnson of McAllen, together with several nieces and nephews and other close relatives, and a great host of friends.

Out-of-town relatives who attended Mrs. W. C. Uhrbach's funeral Monday morning were: Mr. and Mrs. Sam Taylor and Mrs. Louise Castaris of San Saba; Mrs. Grave Burk of Cherokee, Mrs. Carl D. Burley of San Angelo, Mrs. Will Uhrbach and daughter, Miss Loraine Uhrbach of Temple, and Mr. and Mrs. Tom Corridon of Iowa Park.

## Baby Simpson

Maralyn Louise, the infant daughter of Mr. and Mrs. Henry Simpson of South Bennett Community, was born September 9 and died after living only a few hours, leaving a twin sister. She was buried on September 10 in the Pleasant Grove Cemetery, funeral services being held by Rev. D. A. Bryant, pastor of the First Baptist Church of Goldthwaite.

### CARD OF THANKS

We wish to take this means of thanking our kind neighbors and many friends for all acts of kindness shown us during the long illness of our beloved mother and sister.

Mr. and Mrs. Tom Corridon.  
Mrs. Hettie Uhrbach.

## FARM SECURITY ADMINISTRATION SPONSORS MEDICAL AND DENTAL CARE

Forty thousand rural residents of Texas are now being afforded medical care through 83 health associations in Texas sponsored by the Farm Security Administration, according to Edward E. Bravenec, FSA Supervisor in Mills County. This represents a net gain of nineteen new associations in Texas over the same time last year.

"With the nation in a jam for doctors, especially in rural areas, and with the need for keeping the home folks in good health greater than ever before, the FSA health program is worthy of recognition," Mr. Bravenec declared. "This program helps keep people well, through emphasis on immunization and prevention practices. It results in a more efficient utilization of a physician's time and energies. And it gives the farm family group medical care within its ability to pay."

FSA borrower families are eligible for membership upon payment of nominal yearly dues. When any member of the family becomes ill, or seeks any type medical or dental care, he calls his own doctor, who is reimbursed by the association.

"The program has the enthusiastic support of leading physicians, and was given official recognition again this year by Congress when the FSA appropriation carried provisions for continuance of this type pre-paid medical protection for families," Mr. Bravenec pointed out. "The doctors benefit, because they get their fees on time, and they approve the program because responsibility for its operation is placed in their hands. The families find they can get medical services through the group plan that they could not otherwise afford."

As an eight-point program for protection of health, the associations stress physicians' care, health dentistry, hospitalization, prevention and immunization, better food habits, better sanitation, safe drinking water, and screens and other devices for protection against flies and other disease-carrying insects.

Mr. and Mrs. Bill Stephens and little daughter of Brownwood were guests here of Mrs. L. E. Miller last Sunday.

Mrs. E. P. Shaw of Brady left Monday, after spending a few days with her parents, Mr. and Mrs. Welle Saylor.

## NORTH BENNETT—By Mrs. W. L. LAWRENCE

We have had some more rain since I last wrote. We are hoping we get more rain soon. We hope to have a fall garden. Some have turnips planted.

Mr. and Mrs. Bennett Lawson from Gentry's Mill visited Mr. and Mrs. Lawrence Sunday. Bro. Drake and wife, Mr. and Mrs. R. L. Kendall, Mr. and Mrs. Jess Geeslin visited a while Sunday afternoon with Mr. and Mrs. Lawrence.

Elmer and Wilbur Geeslin visited with Pete Geeslin Sunday afternoon.

Mrs. Starr from North Bennett will leave some time this week to visit her daughter at Snyder, Texas. We wish for her a pleasant visit.

**Big Demand For Straw**  
Farmers in the straw-producing areas will be urged to make straw available to strawboard manufacturers to enable them to keep up with very heavy requirements for shipping containers for military forces and

essential civilian uses. The War Production Board is cooperating with the War Food Administration in a program designed to increase straw collection in mid-western states. Due to heavy rains and flood conditions this spring, much of the available straw crop was destroyed. State and County War Boards are expected to assist strawboard manufacturers in locating available straw.

**More Goods For Civilians**  
Civilians will soon get more cooking utensils, lamps, lanterns, bed springs, innerspring mattresses, non-electric razors, razor blades, plated silverware, brushes, nails, tacks, boilers, radiators, furnaces, screen cloth, and other kitchen and household articles as a result of a recent WPB directive, which reserved a portion of the production of approximately 30 types of products for civilian use. The directive prohibits government agencies from buying goods set aside for civilians.
