NUMBER SIX

"I WILL DO MY PART"

By MONA KEEN WEST

(An American Mother whose son is with the Armed Forces)

Starting right now—I will live my life to save a man. All my waking hours I will work for the safety of this man. I need not say to any one who this man is. He may be friend, or father, husband, brother or son. All that matters is, I shall see him before me as I work. I shall put forth all my effort, as if the life of this man depended upon me alone. If I alone made the ships, guns, tanks and airplanes he needs. Before I sleep at night, I will look deep into my conscience—do I see if any greedy or selfish act of mine has hampered him. This man—who may be fighting in jungles or drowning in icy seas. This man who is giving his time, his health, his very life for me. This man is counting on me—alone! To this end I will work. I shall not let him down.

REV BRYANT STARTS SECOND YEAR WITH BAPTIST CHURCH SUN

Next Sunday, October 3, marks the beginning of Rev. D. A. Bryant's second year with the First Baptist Church of Goldthwaite. During the year the church has had an excellent program of Evangelism, Missions, Education, Stewardship and Fellowship. The church has received many new additions, with more than eighty persons having been received into the church by baptism and almost this number coming for membership by letter from other churches.

The church has enlarged its ministry in many phases: A Men's Brotherhood has been organized, and meets once each month. The Sunday School has added several new classes, and is now in the process of re-organizing the Young People's and the Adult Departments. Beginning next Sunday there will be two classes for young people from the age of 16 to 24, and classes for men above 25 years of age and separate classes for women above 25 years of age.

The church has received more than \$10,000 into its treasury since October 1, 1942. More than \$5,000.00 of this amount has been used to purchase War Bonds which the church plans to use in the erection of a new auditorium when the war is over. The church will close the present campaign for "Bonds for a Building" next Sunday when a special offering will be taken to meet the recent challenge made by W. E. Miller, who pledges a dollar for dollar offering up to the amount of \$3,000 by next Sunday. The church is expected to raise this amount then. The church has given liberally to outside mission and benevolent causes, and ministered to the physical and spiritual needs of many people of this community.

A greater program for the church during the year ahead is being planned, and will be presented to the membership in the very near future.

METHODIST NOTICE

Sunday morning we will observe World Communion Service. This is the time when all the Christian world will join in celebrating the Lord's sufferings and death. At this time the church is asking that a free will offering be laid on the altar for our work in the army camps and also for helping to relieve the sufferings of our ally, China. All of us know how heroic they have been these five years past. No people are making our victory over Japan more certain. They have suffered more than we can ever know. Surely we should share in their sufferings. Bring a liberal offering to the altar when you come to the communion table.

Our evening services will be 30 minutes earlier beginning next Sunday. Please keep this in mind.
Sunday School—9:45.
Preaching at 10:45 A. M. and 8 P. M.
Youth Fellowship service at 7:15 P. M.

TEN THOUSAND XMAS BOXES TO PRISONERS FROM THE RED CROSS

The Goldthwaite Red Cross Chapter cannot accept private orders for special Christmas packages for United States servicemen held prisoner in enemy countries, Brian Smith, home service chairman of the chapter, announced this week.

The American Red Cross is preparing 10,000 special Christmas boxes for distribution to United States prisoners, but these are being paid for by the army and navy and none are available to fill special orders from relatives of prisoners.

Individuals who are next of kin of prisoners held in Europe, however, may mail Christmas gift parcels directly to those prisoners by using labels provided by the government, but these packages must be mailed immediately to insure their receipt by Christmas, because approximately three months are required for delivery, he pointed out.

Labels for such parcels are furnished by the United States provost marshal general's office to the next of kin as soon as the government is notified of a prisoner's name and the address of his internment camp. It is not necessary to request the labels, but they are provided only to next of kin.

One of these labels is provided each 60 days and they may be affixed to gift parcels for prisoners in Europe and not to prisoners of the Japanese, Smith explained. He said that Japan has not yet agreed to the transmittal of packages to persons it holds prisoner.

In addition to the 10,000 special Christmas boxes, the American Red Cross also is preparing 400,000 standard food packages for distribution to prisoners of war during the Christmas season. These will be decorated with Christmas motifs in red and green.

Standard food parcels contain lunch biscuits, cheese, chocolate, cigarettes, coffee concentrate, corned beef, dried fruit, liver paste, powdered milk, oleomargarine, orange concentrate, pork lunch meat, salmon, soap and sugar. United States prisoners of war in Europe received one standard food parcel each week. Contents is provided by the United States government, but packing, shipment, and distribution are the responsibility of the American Red Cross.

The special Christmas packages differ from the standard parcels in that they contain baked ham, fruit cake, fruit bars, jam, army spread, peanut butter, sugar coated and sweet chocolate, hard candy, candied nuts, and one game, in addition to cheese, coffee and cigarettes.

"Gift packages for prisoners must weigh no more than 11 pounds and be no more than 18 inches in length and 42 inches in combined length and girth," Mr. Smith said. "Perishable articles will not be accepted for mailing and fragile articles should not be included."

The following are suggested by the American Red Cross as items which would be appreciated by prisoners of war: Toilet articles, soap, towels, wash cloths, tooth brushes, razors and blades, shaving mirrors, chewing gum, nail clippers, safety pins, pencils, pillow slips, sheets, socks, belts, shirts, underwear, handkerchiefs, small games, footballs, basketballs, dried fruits, vegetables and soups, bouillon cubes, malted tablets, and sugar. Goods must be securely wrapped in cellophane or cardboard containers. No more than one pound of sugar should be included and this should be in a strong paper bag or a cardboard box.

"One of the most important things to keep in mind," Mr. Smith said, "is the mailing date. At very latest, this must be before October 15."

NEWSPAPERMEN AND CIVIC LEADERS TO BE COL BONNEY'S GUESTS

Camp Bowie, Texas, Sept. 30—Newspapermen and civic leaders of a dozen neighboring towns will be guests of Col. Frank E. Bonney, Camp Commander, for a tour of Army Service Forces installations at Camp Bowie today. E. T. Fairman, president of the Trent State Bank, R. L. Steen, mayor of the city of Goldthwaite, and Ernest E. Wilson, editor of the Eagle, will attend from Goldthwaite.

The story of supplying food, clothing and equipment maintaining the latter two, will be reviewed chapter by chapter as the guests visit cold storage rooms, warehouses, salvage units and repair shops which handle everything from jeeps to big tanks.

The visitors will have lunch at one of the 1853d Service Command Unit mess halls and will look in on training schools, the Station Hospital and view a tank attack demonstration during the afternoon.

A veteran of the African, Tunisian and Sicilian campaigns will speak at a dinner at the Camp Bowie Officers Club at 6 P. M. He is Capt. David C. Kelly Jr., 28th Infantry, 1st Division, who was wounded while participating in fighting near Gela, Sicily. Maj. Gen. Terry Allen cited Captain Kelly for outstanding performance of duty in the vicinity of Djebel Halfa, Tunisia. His father, Col. David C. Kelly Sr. is now stationed in the British West Indies.

Captain Kelly will come to Camp Bowie from McCloskey General Hospital, Temple, Texas, where he is recuperating.

CEILING PRICE SET FOR CAKE AND MEAL

The Office of price Administration has recently issued Maximum Price Regulations Nos. 442, 443, and 444, establishing maximum prices for the 1943 crop of oil meal and cake from peanuts, soybeans, and cottonseed, respectively. A brief summary of these orders is given below:

The maximum price of bulk peanut meal containing 45 percent or more protein shall be \$50.00 per ton at the processors plant in carload lots.

The maximum price of bulk soybean meal containing 41 percent or more protein shall be \$45.00 per ton plus freight from Decatur, Illinois to point of sale and delivery by a usual route.

The maximum price of bulk cottonseed meal at all Texas points except El Paso for 41 percent to 43 percent protein content shall be \$47.00 per ton in carload lots at the processors plant. The El Paso price shall be \$48.00 per ton. Such prices are to be increased by \$2.00 per ton for meal containing 43 percent or more protein.

The price of all meals may be increased by \$1.00 per ton for all sales by processing plants in less than carload lots. For sacked material the processor may add reasonable value of the sacks, not to exceed any maximum OPA price on sacks at the time of sale and delivery.

In addition to the above, a jobber may add \$0.50 per ton to the price he could legally have charged for meal in carload lots, and \$1.00 per ton for amounts handled in less than carload lots. The wholesaler may add \$2.50 per ton to the price he could legally have paid for meal. A retailer may add \$5.50 per ton for his services in handling meal under these orders.

For complete and detailed information you should request copies of the above mentioned orders from your nearest OPA office.

State USDA War Board.

Praise For Mills County

Fort Worth, Texas,
1:44 PM, Sept. 29, 1943.

Earl T. Fairman,
Chairman Mills County War Finance Committee,
Goldthwaite, Texas.

By going over the top in the Third War Loan Drive you and your committee have done a grand job. Not only this region, but the whole state is proud of your accomplishment. I know the good citizens in your county will keep up the work and when the drive closes you will report a substantial excess. Convey to all your committee our best wishes and deep appreciation.

CLARENCE R. HENDRICKS,
Regional Manager.
R. E. HARDING and
J. B. THOMAS,
Co-Chairmen War Finance
Committee.

While other counties are struggling along to get their quota, Mills County has reached its goal and all purchases now will go to help those counties that are falling short.

Buy all the bonds you can—back the Mills County boys that are in the fight. In addition to satisfied feeling in knowing that you are doing your part, you can face the boys when they return, look them straight in the eye, and tell them, "I did my part in the war effort; I purchased bonds each time I could."

E. T. FAIRMAN,
Chairman 3rd War Loan Drive.

'TALES OF MANHATTAN' REPRESENTS NEW ERA IN PICTURES

When "Toabeco Road" passed the seven-year mark, it smashed all Broadway records for continuous, uninterrupted productions of a stage play.

When Margaret Mitchell's "Gone With The Wind" sold its 5,000,000th copy on its 50th edition, Macmillan Co., the book's publishers, announced that a new all-time record had been established for a novel.

When "Silver Threads Among the Gold" passed the 27,000,000 mark in song sheets sales, a record was set that, thus far, has not even been remotely approached.

And this year, with 20th Century - Fox's super - production, "Tales of Manhattan," coming Saturday night at the Melba Theatre, a new cinematic record looms on the horizon, which, if early runs are any criterion, will be an all-shattering, precedent-breaking, awe-inspiring record that may not be equalled for years to come.

For "Tales of Manhattan" is more than a cinema; it is an epoch in history, both Hollywood and American history. Produced with a combination of the world's greatest actors and actresses—whose screen value surpasses by five times that of any other cast ever assembled for any single production—"Tales of Manhattan" shatters all precedent with its list of artists.

COMING AGAIN

A real life romance which rivals fiction in its soul-stirring beauty and appeal comes to the screen in Samuel Goldwyn's production of "The Pride of the Yankees," starring Gary Cooper.

Based on the private life of the late Lou Gehrig, first star baseman of the New York Yankees, the film utilizes his sports career only as a background. The picture deals with his gallant fight to rise about poverty and obscurity, with the one great love of his life, with his loyalty to family and friends and with his supreme bravery when a death sentence was passed upon him at the peak of his success.

'STAR SPANGLED RHYTHM'

If ever there was a picture to make every movie fan happy, it's Paramount's unparalleled musical comedy, "Star Spangled Rhythm," which shows Monday at 10:30 p. m. and Tuesday and Wednesday at the Melba Theatre with just about everything imaginable in the way of entertainment and just about everyone on the Paramount lot. It's without doubt the best and biggest show of shows in Hollywood history—a feast for eyes and ears and heart and funnybone.

No matter who your favorite Paramount star is, you're sure to see him—or her—in "Star Spangled Rhythm," for the studio has turned out en masse to make this the top musical comedy of this or any other movie season. Stupendous is definitely the word for it. There hasn't been anything to equal it since the first movie flicker fascinated audiences.

Any film which utilizes the diversified talents of more than 40 stars, giving them all a chance to strut their stuff and making that stuff an integral part of the story, really has something!

All the stars—most of them playing themselves—are seen on their home ground, the Paramount studio. They all perform against a background of music, dancing and comedy, making "Star Spangled Rhythm" the greatest entertainment of its kind.

Mr. and Mrs. Luther Rudd and Mrs. Henry Martin left last Thursday for Mason, where they will visit relatives and friends, while Mr. Rudd will attend to business there and else where.

W. C. Fraizer has purchased the Tom Ervin home southwest of town and will move some time this week.

YOUNG PEOPLE SHOULD LOOK AHEAD

Young women high school graduates and young men under the draft age who are undecided as to what vocation they should choose would do well to consider business training. The affairs of this whole world are predicated upon business. Even this war is more or less dependent upon business principles for its success. When peace comes—and God grant it may come soon—business is going to get into full swing again. What a demand there is going to be for well-trained young people. Of course, it is going to be "the survival of the fittest" which means the best trained will be retained. Regardless of what profession one may later choose in life, business training is a prerequisite to greater success. Many men and women have failed in their chosen professions because they knew too little of business principles. Our advice, therefore, is to include good sound business training in your educational program. It may be acquired quickly and at a minimum of expense, and once you are trained in business, you are secure against adversity later in life; then too, it can be made a handy means of helping you to earn your way either higher in business or working your way through college.

Speaking of business training, we do not know of a better school anywhere to get this training than in the Tyler Commercial College at Tyler, Texas. This is one of the outstanding schools in the Southwest, and if you are going to train for business, it would be a part of wisdom to train in a recognized school in its field. Why not write them and see what they have to offer?

FARMER DOING HIS PART ON AMERICAN HOME FRONT

College Station, Sept. 30—"The record of the American farmer on the home front will match that of his sons on the battle-front—and that is the greatest compliment I can pay," Marvin Jones, War Food Administrator said.

The American farmer was on the offensive before the war started. He had produced more food in 1938 than in any previous year in our history. In 1939, he produced even more, and still more in 1940. At the time of Pearl Harbor in 1941, the 1940 record had been broken.

Jones pointed out that the American farmer was already in action at his battle station when Pearl Harbor was attacked. The nation's warehouses were filled with the largest reserve supplies of food in our history.

When war was declared, the farmer did even better. In 1942, in the face of farm labor and machinery shortages, he beat the record of 1941 by a full ten percent. "And this year, the American farmer's answer to the increasing difficulties was to plant ten million more acres than last year, to milk more cows, to raise more pigs and to feed more cattle than ever before in his determination to 'Back the Attack,'" Administrator Jones said.

"The September crop report indicates near record yields on the largest acreage in ten years, and including meat production, the largest food production of any year in our history—breaking all previous records once more, for the sixth consecutive year.

"Nor is that all. Our program for next year calls for still greater food production. We expect to get that production on a voluntary basis. We will tell the farmer what is needed, and help him get the labor and machinery needed, and give him prices that will see him through—then depend on him to do the rest. I know that he will do his part and 'Back the Attack'."

Special Prevue Monday at 10:30 p. m., "Star Spangled Rhythm."—Melba Theatre.

NABORS CREEK—

MRS. J. M. WRINKLE

Nabors Creek did not have a football game last Sunday on account of rain. But maybe we will have it another day some time in the near future.

Gray will preach for us at Nabors Creek on Sunday, in the morning at 10:00, and in the afternoon, too. So all of us are glad to hear of his coming.

Gray will preach for us at Nabors Creek Club met last Sunday. There were 6 members and 1 visitor. So we just

helped her piece on a quilt. Mr. and Mrs. Tiny Stevens and daughter, Vadadeen, visited Saturday night in the Grover Price home.

Mrs. C. T. Wrinkle visited Friday in the J. O. Wolf home.

Mrs. P. K. Caraway has been helping Homer and Robby Smith pick cotton. But she got word that her son, Alvie, and wife were coming home. So I guess they have lost a good hand for several days.

Mr. and Mrs. J. M. Wrinkle Jr. writes us that they have found them some rooms. I guess they feel like they are at home.

Mr. and Mrs. H. A. Sykes of Winters took their daughter, Miss Lenora to Stephenville

Saturday, where she entered John Tarleton. Then they came on to Goldthwaite where they visited home folks. They also visited his sister, Mrs. Chas. Miller, at Big Valley, who is ill.

Mr. and Mrs. Blackshear of Galveston, Mr. and Mrs. Robert Steen and Mrs. Earl Summy attended the funeral of their relative, G. C. Bryson, at Comanche Sunday afternoon.

Mrs. Wilfred Gray returned last Wednesday from Waco, where she has been visiting her sister, Mrs. Bell Smith, who is quite ill with a heart attack.

Mrs. Will Hiller, and daughter, Mrs. Will Tieman, and her son, J. C., of Priddy, were very pleasant callers at the Eagle Office last Friday.

SPORTS NEWS

(Elmer Geeslin)

Boy, did we beat that Richland Springs bunch Friday night! We beat them 19 to 6. The first touchdown was made when Quarter-back Wade Knight tossed a pass to Beryl Robertson, but we failed to make the extra point. Then Cob Laughlin intercepted a pass three yards behind their goal line and ran 103 yards for touchdown without a man touching him. We made extra point this time by passing it over the goal to Bohannon.

In the third quarter Knight passed again to Bohannon and made another touchdown. We failed to make the extra point. Richland Springs Coyotes made their touchdown in the third quarter by running it over the goal line.

We play the San Saba Armadillos Friday night.

The G. H. S. Eagles have blood in their eyes. We believe we are going to beat them just like we did Richland Springs.

PEP SQUAD REPORT

Friday night the 54 members of the Pep Squad were going strong all during the game. Their unique yelling, coupled with the boys' good playing, won the game.

The school appreciates the people's interest in the game last Friday night, and they hope the crowd will be even larger our next game.

The leaders didn't have their new uniforms last Friday night, but they will for our next game. They will be made of black and gold satin.

The Pep Squad hopes to have as good a game this Friday night as they did last, and they know

the boys and themselves will do their part. Will you?

SENIOR CLASS REPORT

The Senior Class is proud to have almost all of its members in some school activity.

Four Seniors (Barbara Wesson, Orpha Faulkner, Ouida Gray and Evelyn Dickerson) are leaders of the pep squad and many other Seniors are in the pep squad. Wanda Robbins is the flag bearer for the G.H.S. The Seniors also have a large representation on the football team, D. Robertson, J. B. Smith, D. Laughlin, A. Stewart, and Manager Jim Tom House.

Three Seniors re-entered G. H. S., bringing the total to 40. They are: Arnold Roberts, Geraldine Petty, and Dewayne Robertson. We are proud to have them back.

Although the Senior Class is smaller than it usually is, the membership is enthusiastic enough to fill the home room. We are proud to occupy Room 100. It is, as all ex-students know, convenient to both exits in case of a rush.

JUNIOR CLASS NEWS

All it takes to get school going right is a good football game and that is just what we had Friday night. Those G.H.S. boys playing football really did their stuff.

As for the Pep Squad, they did some tall yelling. Some of those girls might have had tonsils when they started, but we wonder if they still have them. Keep up the good work; you're yelling swell.

The Junior Class had four boys on the team. They were J. H. Harrell, full back who proved his worth for line plunging and end running; William Glenn Bo-

hannon, end, made some beautiful points and made a touchdown on pass. Maybe he is best rated for stopping Richland Springs on a five and ten yard line. Charles Edward Welch made some good tackles. Frank Cook was a good tackler and made some good end runs.

About 15 Junior girls are in the Pep Squad. They are: Mary Elaine Hamilton, junior leader, Jacque Dennard, Oma Jean Rose, Moneta Roberts, Benois Karnes, Lucy Lee Reeves, Oleta Ford, Theresa Venable, Norine Grissom, Lois Anderson, Charlene Anderson, Dorothy Nell Tyson, Fionee Massey, Jean Porter, and Hazel Cornelius.

HISTORY I AND II

The History Classes got their class news papers Tuesday and studied them Wednesday. The two topics were "Serious Issues of War and Peace Up Before Congress" and "Offensive in Europe."

SPOTLIGHT

The new member we welcome to our Senior class is Norma Jean Ball, daughter of Mr. and Mrs. Jack Ball.

Norma Jean spent her first six years of school life in McGirk, Texas, the next three in Star and plans to finish in Goldthwaite.

Her 5' 3", dark brown hair, brown eyes and charming personality are helping Norma Jean make many true friends.

She makes average grades and participates in such activities as volleyball, tennis and is now joining wholeheartedly in rooting for the Eagles as we enter this seasons series of games.

When Norma Jean graduates, she plans to be an English teacher.

Likes English Grammar.
 Dislikes English Literature.

Sophomore Report

James Smith

The Sophomore class met last Friday, September 17, and elected their officers and sponsors.

President—James Miller
 Vice Pres.—Gene Barnett
 Secretary—Brocky McCasland
 Treasurer—Otho Crawford
 Reporter—James Smith.

Miss Love Gatlin and Miss Clara Blackwell are our sponsors; Miss Gatlin teaches History and Miss Blackwell teaches English.

Some other Sophomore teachers are Miss Curb, who teaches Spanish, Mrs. Thurman teaches Home Economics and Mrs. Big-ham teaches biology.

Although we have had larger Sophomore classes in past years, we feel sure this is the best one of them all.

History Department

There are five history classes taught by Miss Gatlin. She has three early European classes and two Modern history classes. In all her classes combined she has 135 students.

The Freshman classes are studying about the cave man in their early European history, while the Sophomores are studying about our ally, England, in the seventeenth century.

English One

Miss Featherston taught first year English for the first three days of school. But a change was made making Miss Blackwell our English teacher and Miss Featherston our algebra one teacher.

To most of us Miss Blackwell is not new, for she taught English in Grammar School last year.

For two or three days after the change was made, we learned some hard words and began our notebooks. Later we took up synonyms and antonyms after which we studied the correct use of verbs. Later this week we will begin studying parts of speech.

We are making much progress in English grammar and we hope to make even more rapid progress in the future.

Most of us, having read several books, have a good start on the years work in our book reports

which are required, but are new to most of us.

Science

Jean Porter

The Science classes of 1943-44 are off to a good start. The students have been learning why they study science and getting acquainted with scientific words. The word "science" is from the Latin "scire" to know. In the root meaning of the word, science is anything we know, and science need not be confined to any particular field. Each student has set as his goal to acquire a scientific mind. A scientific mind is one that desires to know truth and is willing to accept truth when it is found.

Home Economics Report

Barbara Wesson

The home economics classes got off to a good start this year with seventy-six girls enrolled in the different classes. We welcome Mrs. Mary Lou Thurman, our new teacher, who came to our school from Stephenville. The foods class has been studying meal planning and will start cooking Tuesday. Their first meal to cook will be a medium breakfast. There are twenty-five in the class and it is divided in two groups. One group cooks and serves the meal; the other group eats the meal and washes the dishes during one week then they change duties.

The clothing classes have started sewing. The third year class is making street dresses. The second year class is making street dresses. The first year class is studying their text book now, but will begin sewing soon.

The Home Economics Club will

have its first meeting Monday for the purpose of electing officers.

English 11

In English 11 we are studying short stories by modern authors such as O. Henry and P. G. Wodehouse. We are also taking vocabulary words with each story. We are going to read a novel, some drama, including one play by Shakespeare, and some lyric poetry before mid-term.

Our teacher is Miss Blackwell. We feel that she is very intelligent and capable and that we are fortunate to have her as our teacher.

English 111 Class Report

There are two sections of English 111 this year. Twenty three juniors are in one and nineteen in the other studying parts of speech and parts of the simple sentence which is very interest-

ing. We will study grammar the first half. Miss Webb teacher and she explain well that all we have learn is listen. All the are interested and work because we want to improve grammar all we can.

THAT SNOOZY SNOOR

You Women Who Suffer From HOT FLASHES the CHILLY FEELING

During 38 to 52 Years of Age!

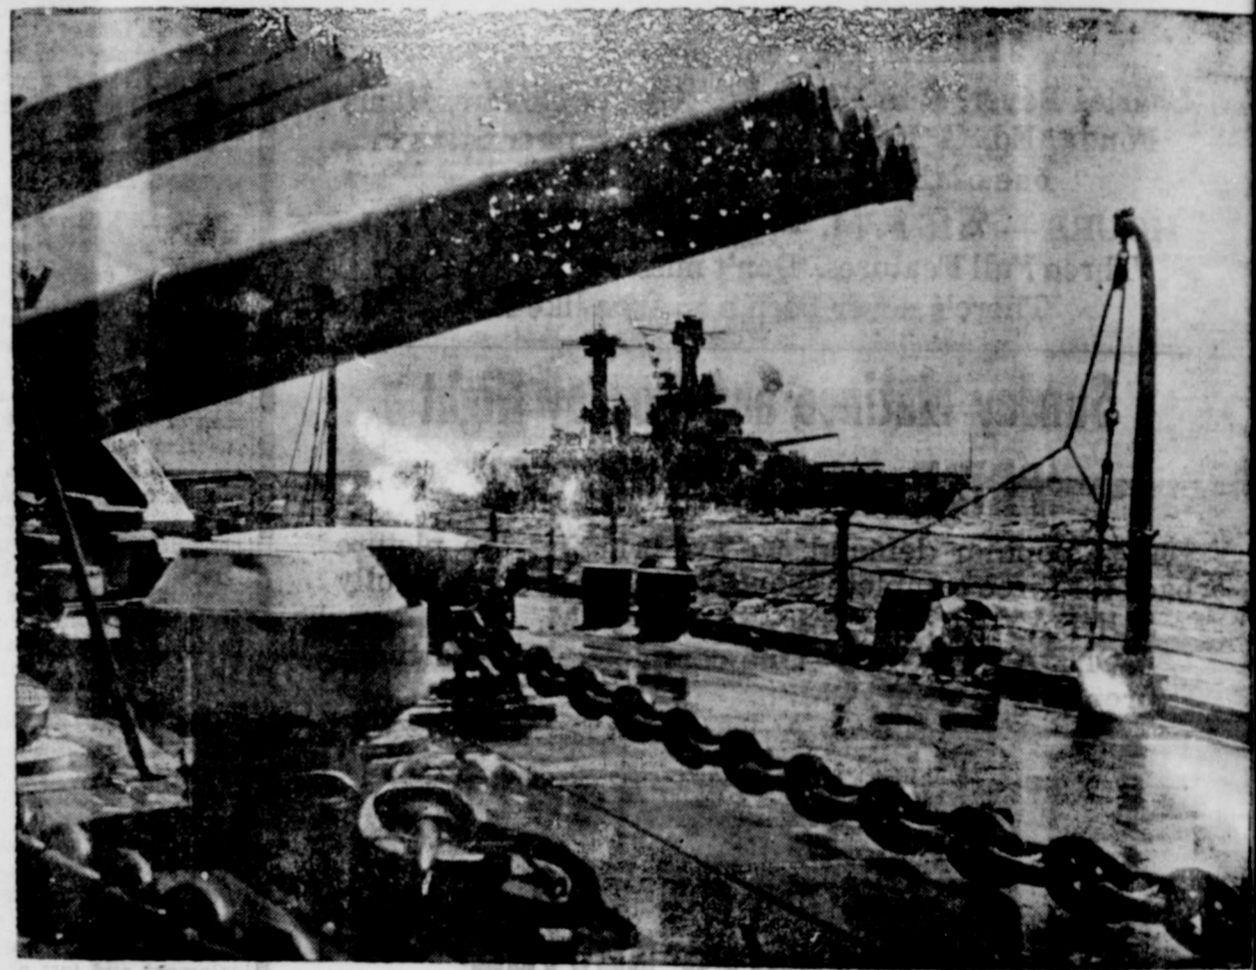

If you—like so many women between the ages of 38 and 52—suffer from hot flashes, weak, tired, nervous feelings, distress of "irregularities", are blue at times—due to the functional middle age period peculiar to women—try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms.

Taken regularly — Pinkham's Compound helps build up resistance against such distress. It also

has what doctors call a stomach tonic effect! Thousands of thousands have reported better health after following the directions. Pinkham's Compound is worth trying.

Lydia E. Pinkham's VEGETABLE COMPOUND

Your War Bonds... BUILD THEM!

Free America made these ships and these guns! They were made by free industry and free labor. The Lower Colorado River Authority supplies power that helps so vitally to make not only guns and ships like these but many other articles for our fighting men. But industrial genius, patriotic labor or electric power cannot do all the job. It takes money—everybody's money—to carry America and her Allies to the victory that means a FREE WORLD.

Your Lower Colorado River Authority's power has been on the fighting line of production since before Pearl Harbor. Now its dollars fight, too! Every cent of available money in our reserve funds is being invested in War Bonds—in the future of a free America. All the counties in which the LCRA operates get a share. The share credited to MILLS COUNTY is \$4,000. And it counts on your county's quota in the Third War Loan Drive.

The chips are down and the time has come. There must be no easing up at home. Just as our boys must fight harder as they close in on Hitler and Hirohito, so must we at home back them with greater production with more money. Let's go over the top and more on the War Bond front. Give our boys the ships, the guns, the tanks, the planes, all the supplies they need to win the most glorious victory in the shortest possible time.

TEN COMMANDMENTS

Scripture Text—Matthew 5:17-20; 19:17-22.

Lesson Text—Think not that I am come to destroy the law, or the prophets: I am come to fulfill, but to fulfill.

In this lesson we begin a series of lessons which should be of unusual interest to you. It is a consideration of the Ten Commandments in the light of the teaching of Jesus, and other related Testament passages.

It is appropriate to point out that, in being outmoded, the Ten Commandments are really the basis of our moral law. They need a diligent study and re-emphasis in our day in regard of moral standards.

As interpreted by the Lord Jesus Christ, these commandments should be brought home to every man, woman and child in our schools.

Remember here that our Lord did not come to destroy the law, but to fulfill it in the most complete sense. The gospel takes us a step beyond the law, and it is a great privilege to follow the One who is greater than the law.

Lesson on the Law (Matt. 5:17-22).

The law of God is eternal, never abrogated, never set aside. It is Himself, although we might say that He was in reality greater and thus had power over the law, indicating His purpose in coming to be that He might fulfill the law in its full meaning, and thus destroy it. One could wish that those who profess to be His disciples might have the same measure of God's law. If they do not, they obviously would not be so quick to change their minds, and far more likely to accept with their Master the "old and new," that is, even the least detail of His Word.

Remembering Christ as the fulfiller of the law should prepare one to obey to every moral principle through His grace.

Greater Than the Law (Matt. 5:17-22).

Reference to the commandments is a man up to the very end of his life, but to enter in, he must have more than the "things" of the law; he must have the "Permit" to "the Door" to eternal life.

A young man who came to Jesus was rich. His mind was obsessed with things. He had made it his business to observe the law, and he was well (v. 20), but his soul was not satisfied. He thought one day he would do something to do would accomplish his purpose.

The general attitude of the man was commendable. He sensed his need of the vital something which would make his life. He came to Jesus—the Lord Jesus—with faith.

Jesus went beyond the things of the law to a faith in Christ, how- ever that he loved his possessions more than he desired to follow the Lord.

In our day who are trying to please God and gain eternal blessing by works, by doing things and obeying commandments, need to remember that in Christianity we are to look away from the One who is more than the law. They need to look away from the law to the One who is more than the law.

Greater Than the Law (John 1:1-14).

Scriptures are great because they bear witness to the Christ who gave life. But obviously the One who bears witness is greater than they are.

Jesus speaks of the law as a servant to bring us to Christ (v. 17-18). The picture is literally of a servant charged with bringing a child to school where he may learn the truth. So the law convicts of sin, makes him conscious of his own utter inability to fulfill God's requirements, and leads him ready to turn to Christ for forgiveness and repentance (Rom. 3:20).

Men of our Lord's time were very religious. They spent much of their time searching the Scriptures that they might find eternal life. But most of them failed to understand that the life they sought was not in the law, but in the One who stood before them—Jesus of Nazareth—and not in the letter of the law.

Jesus has a vital bearing on the study of the lessons of this lesson. "The time has passed when men might seek life in the law apart from Jesus. Now Jesus has come, life can be found only in the Scriptures lead one to Him."

Our study of the Scriptures should bring us to Christ, then it is indeed. For that reason we should study the Ten Commandments without turning constantly to the One greater than the law (Lesson Commentary).

"This War Will Become Bigger and Tougher . . . During the Long Months to Come"

Franklin D. Roosevelt

Italy has fallen—but the war is not over and you know it! Think of Berlin and Tokyo—think of the men dying at this moment.

Can we, you and I, afford to let them down—to turn their battlefield victory into a home-front defeat? Let's buy more War Bonds than ever . . . let's back up their victory with ours—the success of the 3rd War Loan!

There are battles coming—tough, bloody, hard-to-win battles—before this war is over. And it's the last battle that counts. We've got to back up our fighting men . . . we've got to buy War Bonds with every dollar, every dime we can scrape up.

PRESIDENT ROOSEVELT said it, as Commander-in-Chief:

"I say that we Americans will not be satisfied to send our troops into the fire of

the enemy with equipment only equal to that of the enemy. We are determined to provide our troops with overpowering superiority of quality and quantity of arms and armaments..."

Our fighting men will do their job—it's up to you, personally, to keep their victories safe by buying War Bonds NOW with every dollar you can—not with what you'd ordinarily save or invest, but more—every bit more you can manage.

the 10th of Dec., 1942 at that time he was at home on his first furlough. He is jolly like he was before he left for the Army.

He was honored Sunday by a big dinner. The afternoon was enjoyed by old and young. The men played dominoes, the women chatted gaily with each other while the young folks went out walking. At 4 o'clock a lunch was served to children.

Relatives and friends who enjoyed the day with them: Mr. and Mrs. Seider and son, Raymond; Mr. and Mrs. Ernest Myer and children, Viola and Ermin; Otto Hohertz and daughters, Dora and Minnie; Mr. and Mrs. Otto Stegmoller and daughter, Barbara Ann; all of Indian Gap. Mr. and Mrs. Louie Sthanke and daughters, Benita and Nelda; Mr. and Mrs. Wm. Welticke; Mr. and Mrs. Herman Hohertz; Mr. and Mrs. Albert Sthanke, all of Priddy.

Family Reunion

Mr. and Mrs. Will Harris of this city are considered a very lucky family by their neighbors and friends. Not many families in the whole world can now get together, especially where there are sons in the service and the remainder of the children are married. But Sunday Mr. and Mrs. Harris had all of their children with them. They are Mr. and Mrs. C. H. Heath and sons; Mr. and Mrs. Alford Harris and son, Mr. and Mrs. Melvin Harris and son of this city. Mr. and Mrs. Branson Casbeer of Lampasas and two daughters, Mrs. Luther Pence and two daughters of Sweetwater, Texas, and Pvt. Edward Harris of Camp Forest, Tennessee, who is spending his furlough with his parents, Mr. and Mrs. Will Harris.

Kenny-Forehand

The wedding of Miss Martha Agnes Forehand, daughter of Mrs. Myrtle Forehand of Goldthwaite, and Chief Petty Officer George S. Kenny, United States coast guard, son of Mr. and Mrs. Joseph J. Kenny of New Orleans, was solemnized in a double-ring ceremony in the Stewart Memorial parlors Sept. 5 by Dr. Harold L. Fickett.

The bride was attended by her sister, Mrs. Pauline Bell, as matron of honor, and Misses Billie Jean Chestnut, Lubia Cadyck and Elouise Byous as bridesmaids. The bridegroom was attended by his father, Joseph J. Kenny, as best man.

The matron of honor wore a black street frock with red accessories. Her corsage was of red carnations. Miss Chestnut, bridesmaid, wore an ice blue dress and navy accessories. Miss Cadyck's dress was of pink and her accessories were black and Miss Byous' dress was tan and she wore brown accessories. The bridesmaids wore identical corsages of carnations and gardenias.

MILLS COUNTY BOY KILLED IN ACTION

The following Telegram was received by J. R. Mitchell concerning the death of his son who was killed in action Sept. 11, 1943. "The Navy Department deeply regrets to inform you that your son, Rufus David Mitchell, Gunner Mate Third Class U. S. Navy, died September 11, 1943, as a result of gun shot wounds received while in the performance of his duties and in the services of his country.

His remains were interred in Allied territory outside the continental limits of the United States, pending cessation of hostilities. Further information will be forwarded to you promptly when received. To prevent possible confusion, please do not divulge the name of his ship or station. The Navy department extends its sincere sympathy to you in your great sorrow. Rear Admiral Randall Jacobs, Chief of Naval Personnel. Mr. and Mrs. J. R. Mitchell are residents of Goldthwaite. The Eagle joins their many friends in extending sympathy to them in the loss of their son. Mr. Mitchell received a telegram once before from the Navy Department, immediately after Pearl Harbor, which stated his son had been killed in the first Jap sneak attack, but it later turned out that the telegram was for a Mr. Mitchell who lives near Adamsville.

GEORGE A. ROBERTS MILLS CO. HERO, PAID SUPREME SACRIFICE

Technical Sergeant Geo. A. Roberts, son of Mr. and Mrs. J. H. Roberts, was born Nov. 14, 1917, at Caradan, Texas. His early school days were spent at Goldthwaite, a few years at Mt. Olive school, his senior year was taken at Mullin, his college work was done at Randolph Jr. College at Cisco, and Texas Tech. at Lubbock. In every place he left a host of friends, who remember him very affectionately.

Afterwards he returned to live with his aged parents on the farm to work and care for them.

He was married to a local teacher, Miss Estelle Miller, of Big Valley, March 21, 1942, and was sworn into the service of the Armed Forces of the U. S. A., April 8th, 1942. Then a rapid pace of training began. First, his training for radio technician was at Scott Field, Ill. He received his diploma there Oct. 9, 1942, as his high grade made him eligible for training in gunnery which was taken at Harlingen, Texas, for which he received his wings Dec. 7, 1942.

The training for combat duties was finished while he was stationed at Columbus, N. C. All of this was finished and he left for foreign service May 2, 1943. Service was seen in a number of island bases and in Australia. He was the Radio-Gunner on the leading plane of a group of B-25's, evidence has been given that he was on many successful raids in the South-west Pacific Area, all of which is verified in the portions of letters and the copy of the Citation.

The entire family join me in thanking our many friends for the kind expressions of sympathy that we have received.

Marion N. Roberts.

He lived to bear his Country's Arms. He died to save its honor. He was a soldier. . . And he knew a soldier's duty. His sacrifice will help to keep aglow the flaming torch that lights our lives. . . That millions yet unborn may know the priceless joy of liberty. And we who pay him homage, and revere his memory in solemn pride rededicate ourselves to a complete fulfillment of the task for which he so gallantly has placed his life upon the altar of man's freedom.

Signed by H. H. Arnold
General U. S. Army
Commanding General Army Air Forces.

It was my good fortune to have known George ever since he joined our squadron, and during that time he grew each day in the respect and admiration of the entire command. His zeal in action, his extraordinary professional and honesty of character endeared him to all to whom he came in contact.

The entire Command joins me in expressing to you the deep sorrow caused by his death. You may rest assured that the great work that he started will be continued, and his name will live long within the organization.

In closing, Mrs. Roberts, may I emphasize my own personal sense of loss. If there is anything I can do for you, please do not hesitate to let me know.

Sincerely,
Charles M. Hagest
Major Air Corps, Commanding.

Mr. J. H. Roberts, Priddy, Texas.
My Dear Mr. Roberts:
By the time this letter arrives you will have received news of the death of your son, Tech-Sgt. George A. Roberts, ASN 38131864. We know this news has come to you as a distinct shock, and perhaps we can say nothing that will give you the comfort that you need in this time of grief. However, we want you to know that his loss which you feel most keenly is felt also by his comrades both inside and outside of his own organization.

Appropriate religious services were held, after which Sgt. Roberts was buried with full military honors in the American Cemetery of his station. Following the committal services, three volleys were fired and taps sounded.

His grave is marked by a white cross with his name, rank, and organization lettered on the cross. The grave is well kept

and will be looked after in every way to preserve its identity.

In such an hour as this it is so comforting to know we have a loving Heavenly Father who knows and understands our every need, and so graciously supplies strength, peace and blessings through the quiet and healing ministries of His Holy Spirit. May He be very real and precious to you during these days and forever, and may the many precious promises of God's Holy Word be your strength and refuge now and forever.

Sincerely yours,
FREEMAN B. PARKER.

ROCK SPRINGS

By MRS. EULA NICKOLS

It rained all day long Sunday. It was a nice slow rain and did not even lightning or thunder. I guess everybody stayed home. We did.

There wasn't any Sunday School Sunday morning, as it was too muddy for some to go.

W. A. Cooke is home again after a visit with his son, Hubert, and family.

Dwight Nickols and wife spent Saturday night with his mother and brother James and family. Dwight was called back to Fort Worth to the defense job that he had been working in for seven months. Dwight came home to go to the Army in October.

Ernest and Judson Strieklund spent Saturday night and Sunday in the Roberts home.

We are proud of the writers from Nabors Creek and North Bennett. Keep the news coming.

W. P. Weaver is getting to be quite a scribe himself. When he gets through telling us nice things about the other fellow perhaps he will tell us something about himself. I think he has been a mighty fine citizen since he has lived here and he has been here several years.

The news about Dr. J. M. Campbell this week makes us feel like he will soon be back home and ready to meet his friends again.

Floyd Day got his peanuts thrashed and baled last week. Donis Fuller threshed them and Harry Palmer baled them.

Christine Traylor spent the week-end in town with the Dunlike, Robertson and Roush families.

Wesley Nickols spent Thursday in town with his Uncle Dwight and Aunt Juanita Nickols. He also visited with Duffy Harris, his little friend.

Woodie Traylor bought a cow from Mrs. Nickols last week.

I visited Saturday in the home of my brother, Duke Clements. I enjoyed being with my niece, Mary Clements. She works in Dallas. She rode as far as Fort Worth Sunday with Dwight Nickols and wife.

How this rain will help the fall gardens grow. It hasn't rained hard enough yet to put out any stock water.

Shirley Nickols and wife from Dallas are here visiting their mothers, Mmes. Traylor and Nickols.

Jesse Whatley is home visiting with his family a few days.

CENTER CITY

By MRS. J. M. OGLESBY

Slow rain fell here last week-end and the first of this week. Members of the Baptist church are to be commended for the improvements being made on their building. A week wall has been braced. The inside and outside have been painted. Also at their last meeting they voted to have services two Saturday nights and two Sundays in each month.

Mr. and Mrs. Brock McCasland received a message stating their daughter, Mrs. Molene West, of Fort Worth and Bill Allen of Hamilton had married. We wish for them a long and happy life together.

Mrs. J. M. Geeslin is preparing to go to California, where she will visit her son, Bertram.

Mr. and Mrs. Alvin Oglesby and Valle Beth of Fort Worth, Mr. and Mrs. Kenneth Geeslin and Kenneth Carroll of Goldthwaite visited in the Oglesby home Sunday afternoon and night.

Mr. and Mrs. J. N. Coffman received word from their son, Herbert, that he recently underwent an operation in a government hospital in California. His many friends wish for him a quick recovery.

Mrs. Gerald Head and little son of Fort. Worth spent last week with her mother, Mrs. Ruth Lee, and other relatives.

Mr. and Mrs. Ira Alldredge, who recently moved to Fort Worth sends word that they are well pleased with their new home.

Mr. and Mrs. Glen Walton and sons of San Antonio visited his parents, Mr. and Mrs. J. D. Walton, last week.

Herman Collier visited his parents, Mr. and Mrs. H. C. Collier, last week.

Sgt. Lester Collier and wife visited his parents over the week end.

ELDER CLEM C HOOVER POPULAR PASTOR AND ESTEEMED CITIZEN

By W. P. WEAVER

"First seek ye the kingdom of Heaven and all these things (material) shall be added unto you," so says the Book, and again, "How can they hear without a preacher?" Thus Holy Writ gives the preacher an important and indispensable place in a well balanced community and attributes to spiritual values a place of prime importance.

The religious phase of life in Goldthwaite is under the leadership of capable God fearing pastors who earnestly endeavor to lead their people into the paths of righteousness. The work is prospering in the several churches, though Satan is still doing a brisk business at the same old stand and at several new stands. All pastors have my highest regards and best wishes.

Few preachers hold a pastorate for many years. There are various reasons, perhaps a better salary is offered; members disagree with the pastor; the pastor disagrees with the members; better school facilities for the children, and wife's health. All these are valid and sufficient reasons for a change in pastorate, usually he "folds his tent like the Arabs and silently steals away" and the place that once knew him will know him no more forever.

But not so with Eld. Clem W. Hoover who served the Church of Christ four years; left of his own accord, and after serving on other fields for eight years was unanimously called back to Goldthwaite for a second term. Never before did I know a pastor to come back. But it did happen here.

The return of the Hoovers was hailed not only by their congregation, but by members of other church groups, and by citizens of no church affiliation. Everyone was delighted to have these excellent people again in our midst. They are always found where there is sickness or distress. They lend a hand to everything having for its purpose the betterment of the community. Their genial friendship and their neighborly kindness is not confined to their church group, but is extended to everyone alike.

May the Hoovers enjoy their second term in Goldthwaite for many years to come.
