VOLUME FIFTY-THREE

GOLDTHWAITE, MILLS COUNTY, TEXAS — FRIDAY, JUNE 20, 1947

NUMBER FORTY-ONE

Old Man 100

BOSS IS NOT RESPONSIBLE AT OLD MAN 100 SAYS IN LUNN - NEITHER IS THE OLD YOU GET MAD, COUNT AT THOUSAND BEFORE YOU BEAT HIM UP - THE BOSS!

OWN, DOWN, UP—

Man Hunnert sure has the UPS and DOWNS in his report. Early last week he got an invitation to go to Corpus Christi to the Senior Days Celebration and as judge of the Bathing Beauty contestants—the purdest girls from all over Texas—that was an UP. But, when he was ready to start down there he found the 7th was going zip, DOWN. On the road (you know how women things from us me!) he found out the Old Man was going to help judge them Bathing Beauties, and he had specs—two DOWNS in a row. The Old Man got to figuring he had four or five other good senses besides seeing and hearing, maybe he could use some of them, like feeling, smelling, and things like that—UP. Come Beauty judging time, and the Old Man tried it on a red-head—away UP. Then something struck him in the mouth, hard—away DOWN. Anyway, what the Old Man started out to say was he voted for a blonde as Miss Texas, thinking she was a red-head, and this blonde will get to go to Atlantic City to enter the contest for Miss America. The Old Man hopes he can go too as a judge, and may get to see the 7th at home or else take an extra pair of specs along.

OLD MAN M. E. AGAIN—

For a year Old Man 100 has been feeling good about his job here thinking and hopin' Mr. M. E. Thuseleh had passed out after 600 years when he drunk the quart of Polecat Perfume the Old Man sent him to test it out for pizen. Mr. M. E. was supposed to put it on him in different places like women put on perfume—but it was at Christmas time and Mr. ME jest drunk it instead. The Old Man run on to him at Corpus Christi last week—and he was jest as spry as ever, and maybe will be writing the Boss to see if he can get the Old Man's job here. But, one thing, Mr. ME is so old his blood has all turned to salt water and if he ever got very far away from the ocean his salt water would dry up on him and he wouldn't have anything circulating but what he drunk as he come along. Corpus Christi is a mighty healthy place, Mr. ME—for you.

FISMY FISH STORY—

You don't have to believe this—but a six and one-half pound bass was caught at the Lake last Sunday. The Old Man has three mighty good men's word for it, and here's how it happened: E. A. Kline caught it and it was so heavy and big he got excited and gave it to Dow Hudson, who was sitting on the bank fishing next to him. Dow and E. A. both already had so much fish they started hunting somebody else to give the big bass to—and thought of D. D. Tate. DDT skinned it whole, ate it and next morning brought the head around to show it off, over town. And that night DDT and several others went fishing out at the Lake.

GOING TO THE DOGS—

If we all already arrived, here's what the Old Man thinks is fastly driving this country to the dogs: The Old Man was reading this ad in a Ft. Worth daily the first of the week: "Unreal Theatre now showing. It's sensational—hundreds turned away—direct from New York—on our stage, Broadway's own gorgeous, glamorous Bettie McIn person, Ziegfeld's whoopee Lady Godiva of New York World's Fair fame. (Here the Old Man noticed a very very semi-nude girl's picture and looking down further, where no gentleman should, to see what he could see, the only thing he could make out without his specs was (Adults Only). Reading the ad some more." Plus on our screen "Sins of Love." (Should a girl confess her past before marriage?) EXTRA—(We dare not tell more) "Two Who Dared." It's dynamite—It's sensational." End of ad. The Old Man believes New York (the only foreign city in the USes) should keep their stars at home and enjoy them themselves, especially the ones that can't buy decent clothes to wear when they visit us away down south. (Notice to people in Mills County: This show was the first of the week and it's too late for you to rush over to see (Continued on last page)

Texas Editors Eat Turkey Steaks

AMARILLO, TEXAS, June 19.—Texas Editors in annual convention in this Panhandle City lunched here today on turkey steaks, a new taste treat, which is in the process of development in order to make turkey a year round instead of a seasonal delicacy. The editors, members of the Texas Press Association and the Texas Newspaper Publishers Association were guests at a luncheon at the Amarillo hotel.

Arrangements for the turkey steak luncheon were made by Ralph E. Jones, president of the National Turkey Federation, and C. S. Fryor, manager of the Amarillo Hotel. Shown above is Mrs. Oswald Wolf of the Alvin East Produce Co., of Austin, who processed the steaks.

HURST RANCH CEMETERY REPORT

The Hurst Ranch Cemetery Association is a year old. Here is an annual report on the business of the Association. There has been a total of \$553.13 in cash donated for the improvements of the cemetery. There has been \$166.63 spent for the improvements of the yard. Many improvements have been made by liberal donations of other people.

I, as secretary of the Association wish to take this opportunity to say thanks for the Association to the following people. First of all, many thanks to Mr. Fairman for the Entrance being put up to the cemetery. It is greatly appreciated by the people.

To the last year commissioners of both Hamilton and Mills County of this precinct, we say thanks again, for the work you have done with your machinery.

To the present commissioners of these precincts we want to say many thanks to you for the great help you are rendering. Of course, to all who have helped out in any way, it is a great pleasure to know that progress is being made.

Remember the 4th Wednesday of June is another all-day working at the Cemetery. It will be June 25, 1947. Everyone come and bring tools to work with.

Thanks, MRS. BOB CLARY, (Sec.-Treas. of Ass'n.)

LION'S CLUB GAINS SIX NEW MEMBERS TUESDAY NIGHT

Thirty-five members and guests of the Goldthwaite Lions Club met at The Hangar at 8 o'clock in regular third Tuesday night meeting. Lion Secretary Warren Duren added the following names to the club membership list: D. V. McCombs, Rev. M. D. Lowry, Taz Renfro, Jack Locklear, Joe Shelby Langford, and Glenn Geeslin.

Guests other than the above included M. E. Blake, new minister of the Church of Christ here, J. H. Beene and Mr. Johnson. C. J. Thompson and G. R. Gilbert of Gorman were introduced. These gentlemen are interested in putting in a shelling plant here if suitable building can be found.

Lion Brian Smith made an excellent report on Red Cross work done at the recent Texas City disaster. The club had invited this report at the last meeting.

Lion President Jesse Saegert read a letter from the Brady Jubilee organization asking that Goldthwaite send a duchess there July 3, 4 and 5. The club voted to sponsor a duchess and Joyce Harrell was elected duchess with Nelda Hodges alternate.

MILLS CO. OFFICER WITH 24TH IN JAPAN

With the Eighth Army in Kumamoto, Kyushu, Japan. June 17—Lieutenant Raymond King, of Route No. 1, Goldthwaite, is now serving with the 24th Infantry Division in Japan. The 24th, known also as the "Victory" Division, is now occupying the entire island of Kyushu, southernmost and third largest of the Japanese home group.

Lt. King entered the Army in July 1940 at Dallas, Texas and prior to his arrival in Japan in October 1946, he has served in Europe where he earned his commission. Among his many decorations are the Bronze Star, ETO Battle Ribbon, and three Battle Stars.

His wife, Greta and their child, Raymond, are now residing at his home in Goldthwaite.

Contributing to the high morale of the 24th Division troops is an extensive summer athletic program with teams playing full schedules in baseball, softball, volleyball, tennis and golf. Other recreational facilities include well equipped gymnasiums and first run movies in comfortable, newly constructed theaters.

Mrs. Pauline Woodard returned home Tuesday from Corpus Christi where she has been visiting several weeks with her daughter, Thelma Kelly and husband and new grandbaby.

PRESIDENT'S SAFETY GROUP TO MEET IN WASHINGTON

The Action Program group of the President's Highway Safety Conference will meet in Washington, June 18, 19 and 20 to evaluate results of a year's nation-wide effort to reduce death and injury on the highways and to plan a further attack on traffic accidents.

The meeting has been called by President Truman at the request of the three national committees on highway safety formed at the instance of the first conference which was held in Washington in May, 1946—the State Officials' National Highway Safety Committee, the National Committee for Traffic Safety, and the Federal Committee on Highway Safety.

In calling the 1947 conference President Truman pointed out the 6,600 lives had been saved in 1946 and urged a minimum goal of 10,000 lives saved for this year.

Governors of the 48 States or their representatives, State motor vehicle administrators, State highway engineers and enforcement officials and representatives of unofficial organizations long identified with the highway safety movement will attend the meeting. Each State will report its highway safety activity during the past year and submit recommendations for further strengthening the program.

Thirty-two State highway traffic safety conferences have been held since the President's meeting last May. Additional stimulus to a continuing campaign against traffic deaths this year is expected from the concerted support of State Press Associations of the nation, which are planning a national educational campaign to start June 27 and run for 13 weeks.

GOLDTHWAITE MAN IN TRAINING COURSE

Major Milton A. Campbell of Goldthwaite, Texas was in Wendover Field, Utah, this week for participation in 15 days active duty training with the Army Air Forces.

The 51 Hensley Field officers are among the first men to be recalled from inactive status to participate in the Army Air Forces reserve program. Major James M. Smith, Hensley Field Commanding Officer, stated. Designed to acquaint the former AAF Flyers with present day developments, the program will activate more than 1,000 officers and men from the Hensley Field area during the summer training period.

While at Wendover, the men will participate in a full-scale operations program and will return to their homes on July 1.

The Paul Whiteman Club, a breezy entertaining half-hour of recorded music, will be open for business Monday through Friday on WFAA-570, from 2:30 until 3 p.m. Paul (Pops) Whiteman is well-known through his many personal appearances here in the Southwest.

CONTRACTS AWARDED FOR STAR ROUTES

The Post Office Department has notified Postmaster M. Y. Stokes, Jr., that Clem W. Howard has again been awarded the contract to carry the mail between Goldthwaite and Moline. Otis M. Howard will succeed Mrs. Beulah McDonald on July 1 as contractor for the Goldthwaite - Caradan - Priddy star route. The contracts are for the four years ending June 30, 1951.

There will be no change in present schedules.

COTTON INSECT SITUATION IN TEXAS

According to the latest cotton progress report just issued by the Texas Agricultural Experiment Station of A&M College, light boll weevil population continues to be reported from the Lower Rio Grande Valley. Grasshopper damage is increasing in the central portion of the state, particularly in the river bottoms. A number of county agents have arranged for mixing stations to assist farmers in preparing poison bait for grasshopper control.

Flea hoppers have increased in most areas inspected in Central and Southern Texas, the report says. Dusting with 5 per cent DDT in sulphur is widespread.

Pink boll worms are on the increase on both sides of the Rio Grande.

LOCAL SANTA FE EMPLOYEE CATCHES BIG BASS

E. A. Kline caught a six and one-half pound Bass at Lake Merritt, which is considered above the average for this Lake. Dow Hudson witnessed the catch.

School Consolidation Election At 3 Mills County Dists. Tomorrow

DR. R. F. BOONE, PHYSICIAN-SURGEON MOVES TO CITY

Dr. R. F. Boone and family have moved to Goldthwaite and Dr. Boone has established offices in the building formerly occupied by Luchini Electric to do a general practice in medicine and surgery here.

Dr. Boone comes here directly from Blackwood Clinic Hospital at Comanche, where he had specialized in diseases of the eye, ear, nose and throat. He holds two degrees, is a graduate of medicine and also a graduate of the Osteopathic Medical College. From 1920 to 1931, Dr. Boone was associated on the staff of the Willows Maternity Hospital at Kansas City, Mo. In 1931 he came to Texarkana, Texas, for the general practice of medicine and was Service Physician for the Lone Star Ordnance Plant during the war. He has been out of the state for the past two years doing post-graduate work in Los Angeles, Calif. He was also resident physician for the Long Beach Community Hospital while doing post-graduate work in Los Angeles in 1946. He returned to Texas and entered the Comanche Hospital in 1947 in the department of eye, ear, nose and throat.

Much interest is being shown in school affairs in Mills County at the present time. On Saturday, June 21, 1947, elections will be held at Midway, Big Valley, and Goldthwaite on propositions of whether or not a majority of the qualified voters of the affected districts favor the consolidation of Midway and Goldthwaite school districts and Big Valley and Goldthwaite.

Elections will be held at Pecan Wells and Pottsville on Saturday, June 28, 1947, to decide whether or not those districts will be consolidated.

Voters of three common school districts have filed petitions for elections on the propositions of the consolidation of the following districts with the Goldthwaite Independent School District: Rock Springs, Nabors Creek, and Head (North Bennett). It is expected that these elections will be ordered in the near future.

It should be remembered that resident qualified voters of a school district may vote in a consolidation election. The voter does not have to be a property tax payer as would be the case in a bond or tax election.

FIRST BAPTIST CHURCH

Services as usual Sunday. Baptist Radio Hour (Sunday) 7:30 A. M. Sunday School—9:45. Morning Worship—10:55. Training Union—7:00. Evening Worship—8:00 p. m. Monday The W.M.U. and Sunbeams—3.

EAGLE TO CARRY SAFETY CAMPAIGN

Starting in next week's Eagle—as in better weeklies and dailies all over the United States—this newspaper will carry the National Highway Safety Campaign Program which is written and distributed to U. S. Newspapers by State Press and Publishers Associations to be run in newspapers simultaneously. Goldthwaite merchants are cooperating in sponsoring advertisements to appear one a week for several months.

This gigantic nationwide safety program is the outgrowth of President Truman's Safety Conference last year and a second meeting which is now taking place in Washington to try to reduce the startling figure of 33,500 persons who were killed on our highways and streets last year, with 1,150,000 other persons injured and an economic loss of over two billion dollars. Every day during this month of June it is estimated that 90 persons will be killed and 3,000 injured in the U. S. in highway accidents.

Eagle readers will do well to read all the Highway Safety Campaign material, which will appear next week in five different articles prepared by the nation's best traffic accident experts.

NEW DAY TRAINS EXCHANGE MAIL HERE

Since the inauguration of day train service by the Santa Fe RR Co. on June 8, the Goldthwaite Post Office has been receiving and dispatching mail five times a day. A crane has been erected by the railroad so that outgoing pouches can be picked up whether the train stops here or not.

The principal mail will continue to arrive on the 7:13 a.m. train, but mail will also arrive on the 11:15 a.m. and 4:16 p.m. trains and, until June 30 at least, on the Brownwood-Waco star route at 11:45 a.m. and 3:45 p.m. Mail is also dispatched at these hours. Outgoing mails close at the Post Office 30 minutes before the scheduled times of departure until 6:30 p.m. which is the last dispatch of the day. It is carried by the 10:13 p.m. train.

Mail is picked up from the mail box at the station by one train—the 10:13 p.m. train for Temple.

HOME DEMONSTRATION COUNCIL

By EMOGENE HAENISCH The Mills County Home Demonstration Council met on Saturday, June 7, 1947 in the H. D. office. Sixteen members and three visitors were present.

Scallorn representatives had charge of the recreation. Big Valley will have recreation for the July Council.

The Standing Committees made recommendations which were approved by the Council.

The Council voted to have July 5th as date for receiving club pennies.

The motion was made to change council time to 3:00 to 4:00 during the remainder of the summer.

After council Mrs. Chadwick showed films of the Livestock Show and other phases of 4-H work. The council wishes to thank Mrs. Chadwick and Billy Chadwick for the showing of these films.—REPORTER

DAIRY FARMERS SALUTED—June is dairy month in Texas by official proclamation of Gov. Beauford H. Jester. The proclamation is a tribute to 338,000 dairy farmers in Texas who own 1,400,000 milch cows, valued at \$150,000,000 and which produced four and one-half billion pounds of milk in 1946 with a net value of \$100,000,000. During the past 20 years Texas has advanced from twentieth to eighth place in value of dairy products.

With Gov. Jester, seated, when the proclamation was issued were, left to right, Henry Moeller of San Antonio, state chairman for dairy month; Mayor Wendell Moore of Brownwood; Mayor E. J. Kroeger of Harlingen; milk producer Hardy N. Hay of Bouse; J. Waco; State Health Officer Dr. George W. Cox of Austin; Bryan Black of Marshall, president of Texas Dairy Products Institute; and milk producer H. S. Barton of Buda.

MAKE YOUR DREAMS COME TRUE

• Marriages are made on dreams—but they succeed on solid planning. Newlyweds who are making a bold start in life are full of plans for the future. That future can be protected with life insurance. Your friendly Jefferson Standard representative will be happy to tell you how, at low cost now, you can have a "Planned Protection" program that will provide a sound foundation for future security. Why not call him today?

VETERANS' NEWS

Nearly 879,000 dependents of 557,000 deceased veterans of all wars and peacetime service are receiving compensation and pension checks from the Veterans Administration at the rate of over \$32,000,000 a month, V-A reported this week.

More than 45 percent, or 396,000, are dependents of deceased World War II veterans. Of these, all but 3,525 are receiving compensation as the result of service-connected death of the veteran.

Another 41 percent, or 363,000, are beneficiaries of deceased World War I veterans. Only 96,000 of these receive benefits resulting from service-connected deaths. The rest are being compensated in cases of veteran

deaths which did not result from service in the armed forces.

The rolls also include 78,000 dependents of deceased Spanish-American War veterans, 19,000 from the Civil War, 2,345 from Indian Wars, 47 from the Mexican War, and nearly 20,000 dependents of veterans who died in peace time service.

The Veterans Administration, forecasting a record school enrollment this fall, is urging veterans to get busy right now and line up their school plans for next fall.

This is especially important for those veterans who may be going to school for the first time under the provisions of the G-1 Bill.

They should apply for a certificate of eligibility at the

nearest V-A office. This certificate will be required of them before they can enter their school.

NEW FARM-TO-MARKET HIGHWAY PLAN IN OPERATION

Austin, June 17—The State Highway Commission has released details of a new state-wide policy on Farm to Market Roads, which will permit an expansion of the present state operated Farm to Market Road Program.

It was explained in the Highway Commission's new policy that the Federal Funds made available by the Postwar Highway Act of 1944 for the construction of Secondary or Farm to Market Roads, covering a three year period, have all been earmarked for special roads throughout the state. Approximately one-half of this work has been placed under contract and, consequently, no additional funds from this source are now available.

The Commission's statement also noted that no additional funds on the National or State level have been made available for the expansion of the program of construction of Secondary or Farm to Market Roads.

The numerous requests from officials and citizens from all sections of the State for the designation, construction, and maintenance of additional Farm to Market Roads indicated the need of some type of additional program to provide at least for the more urgent and immediate needs in the rural areas of Texas.

On behalf of the Highway Commission, State Highway Engineer Dewitt C. Greer explained, "This new policy of the Highway Commission has been formed to place into operation the new laws passed by the Fiftieth Legislature relative to this type of road."

Mr. Greer pointed out that "a law was passed at this session giving permission for the county-

ties, road districts, etc., and the State Highway Department to enter into a cooperative plan of construction of Farm to Market Roads by a pooling of finances."

He said, "Two additional laws were passed that will tend to yield additional revenues for Farm to Market Roads on the county level. One of these covered the distribution of the surplus of the one cent of the gasoline tax that goes to the Board of County and District Road indebtedness. This law will tend to give more money from this source to the smaller counties of Texas. The other law is the Constitutional Amendment covering the abolition of the state ad valorem tax and permitting such tax to be assumed by the counties for the construction of Farm to Market Roads and other things."

Mr. Greer explained that "under the new policy of the Highway Commission, if a county or road district desires additional Farm to Market Roads and is willing to furnish the right of way and 75% of the actual construction cost, the State Highway Department will provide the engineering and 25% of the construction cost from its funds, and will provide for the future maintenance of the road, which item alone generally equals the construction cost over a period of fifteen years."

Mr. Greer further pointed out that in the Commission policy it was necessary, due to the limited finances of the Department, that a ceiling of not more than \$100,000 in construction costs in any one county in any one year be used to give statewide distribution under this plan.

AMERICA'S 'MOST USEFUL DOG' BEING SOUGHT

With the thought that it may be located in this section, the

Goldthwaite Eagle has been asked to help in the Gaines Dog Research Center's quest for "America's Most Useful Dog."

Plans are under way for honoring the winner of the title and his owner during the National Dog Week, which will be observed this year September 21 to 27.

Choice of winner is to be made from nominations submitted to Harry Miller, director, Gaines Dog Research Center, 250 Park Avenue, New York 17, N. Y. Complete data, and if possible a picture, should be in before September 10. The actual selection will be in the hands of a committee of prominent dog folk now in process of formation. The number and variety of services the dog performs will constitute the only basis of judging. Pet dogs or working dogs are equally eligible; age, size, color or breed will not be considered. Final decision will not be made until the leading candidates will have been seen and investigated, Mr. Miller stated.

DENYING CHRIST

"Peter said unto Him, though I should die with Thee, yet will I not deny Thee. Likewise said also all the disciples." (Matt. 26:35)

When Peter made this very courageous statement he meant exactly what he said. He meant it just as surely as any Christian who ever lived meant it when he confessed Jesus as the Christ, the Son of the living God. Peter meant to live up to what he said, just as surely as any one else does. When we read the account of his denial in the next few verses it bleeds our hearts to see how soon, how very soon, Peter had forgotten that solemn promise.

We are prone to criticize the Apostle for his weakness. Aren't we a little hypocritical? Has it been so long ago that you and I stood before God and man and declared to the whole world that we were taking up

our cross, and that we would do it daily, to follow His footsteps, and have we so very soon forgotten? Are we removing the MOTE from our brothers eye while there is a beam in our own eye? My friends let us examine our own selves and then we can see more clearly how to remove the MOTE from our brothers eye.

It isn't necessary to write a letter, or even a note; it isn't even necessary to speak a word to commit the horrible sin of denying Christ. We deny Him by neglecting to do his will, deny Him by doing those things that are contrary to His will. It is just as condemnable to sight of God to omit as to commit. Let us cleave to that which is good, abhor that which is evil. Let us meet with and His disciples when we meet on the first day of week. Let us feed on the Word and grow Spiritually. 1st. 2.2. Fried" pop corn—It's Delicious

BETTY HUTTON IN 'CROSS MY HEART'

Next week beginning Tuesday, the Melba Theatre will feature "Cross My Heart", a new Paramount comedy, co-starring Betty Hutton and Sonny Tufts, and featuring Michael Chekhov, Rhys Williams, Ruth Donnelly, Iris Adrain and Howard Freeman, among others.

"Cross My Heart" is, according to advance reports, a riotously funny film that tells the story of a chronic liar (Betty Hutton) and her honest-to-a-fault lawyer fiancé (Sonny Tufts). Betty portrays a show girl who accepts the job of secretary to a producer-wolf because he hints that he may be able to throw some law business to Sonny. The latter's excessive honesty has played havoc with his progress in the legal profession.

"Cross My Heart" was produced by Harry Tugend and directed by John Berry, who recently directed "Miss Susie Slagle's".

HEART-THROBBING DRAMA HIGHLIGHTS NEW ADVENTURE FILM

Latest of the equine stars to flash across the screen, Royal, a handsome blood bay stallion billed as the wildest tornado on four feet, is teaming up with the smartest kid on two, Billy Sheffield, to sweep you off your feet in a thundering stampede of thrills! Set against the scenically magnificent background of the West, chronicling the fascinating details of life on a cattle ranch and featuring Preston Foster and Gail Patrick in the main roles. Columbia's "King of the Wild Horses", which opens Saturday night at the Melba Theatre, is crammed with unbridled excitement.

"LITTLE MISS BIG"

The heartwarming and charming story of ordinary folks and their unexpected adventure with the richest woman in the world, is told in an entertaining manner in Universal's "Little Miss Big", Saturday night only at the Melba Theatre.

Featuring little Beverly Simmons, who is rapidly winning a place among her elders in the acting profession, and introducing Aubrey, a lovable puppy who will steal your heart, "Little Miss Big" is sure to please.

Fay Holden, as a rich and irascible old woman, turns in a brilliant performance. Frank McHugh, as Charlie, the not-so-good barber who befriends her without recognizing her, is funnier than ever. Fred Brady and Dorothy Morris, as the young sweethearts, touch a different heart chord.

Little Miss Simmons will be remembered for her delightful performance as the precious infant in "Frontier Gal".

Mr. and Mrs. W. T. Mathis of Kingsville were here a few days last week visiting their daughter, Mrs. Dave Clements and family. Mrs. Clements' aunt, Miss Dess Honea also of Kingsville, was a guest in the Clements home last week.

in ground accidents when other transportation is not available.

All persons who have knowledge of an airplane crash or emergency landings in this vicinity are urged to place a collect long-distance telephone call to the Army Air Rescue Service, El Paso, Texas, telephone East 3181, extension 3991.

RADIO ENGINEER

Examinations were announced today by the U. S. Civil Service Commission to fill Radio Engineer and Mathematician positions in the Federal service. The salaries for Radio Engineer are \$2,644 and \$3,397, and for Mathematician, \$3,397 to \$5,905 a year.

Further information and application forms may be obtained from the commission's local secretary, Lucille Fairman, located at the Post Office.

CARD OF THANKS

We wish to thank each and everyone for the many kind deeds and words of sympathy given to us during the illness and death of our loved one. Especially do we want to thank each one for the beautiful flowers and nice lunch.

May God's blessings be with each and everyone is our prayer.
H. S. Davenport Family
and Relatives.

Mrs. Wiley Mahan has received word that Mr. and Mrs. Shirley Mahan of Alliance, Nebraska, have been transferred to North Dakota. Mahan is doing government survey work.

Mrs. Will Ducoty of Morgan Hill, Calif., arrived Thursday afternoon to visit Mrs. Tom Keese, Ruth Carson of Pleasant Grove and other relatives in Goldthwaite and surrounding communities for a few days. She also visited in the Eagle office for a few minutes.

Miss Vines Honored With Shower

Mrs. John Kleibrink of 109 Broadview Dr., San Antonio, entertained Monday evening with a weiner roast and a surprise shower for Miss Elvie Vines whose marriage took place in San Antonio June 14.

After the weiner roast and a social hour was enjoyed, the guests were led into the living room where the honoree was presented with many beautiful and useful gifts.

Those present were Mesdames Dresser, Harriet Anderson, Betty Lewis, Frankie Lou Deckert, Hursalene Crumley, Jane Rees, Letha Vines and Misses Joyce Mullins, Myrtle Simpson, Florence Ripple, Mary Lou Dresser and the honoree.

Blue Bonnet Club

The Blue Bonnet Club met with Mrs. Turbeville May 28, with eleven members and one visitor, Mrs. Dayton Turbeville. We are always glad to have visitors.

We spent the afternoon in quilting on a beautiful Snow Ball quilt.

Mrs. Charles Wilma Hill resigned being reporter for the club and Mrs. Dan Covington was elected reporter.

It was Mrs. Turbeville's birthday and we gave her a shower. She received several nice gifts.

Our hostess served refreshments, sandwiches, cookies, potatoe chips and cold drinks.

At a late hour we finished the quilt and will meet with Mrs. Dick Scribner June 25 in the afternoon.—REPORTER

Bridal Shower

In the home of Mrs. D. B. Thompson of Star, June 13, Mrs. Walton Moore and Miss Mildred Wall welcomed several guests to

You Can Depend On Red Chain Egg Mash

H. E. Moreland and Son

a bridal shower given in honor of Mr. and Mrs. Rayford Moore. Mrs. Leston presided at the bride's book.

After all the guests arrived, Miss Mildred Wall and Mrs. Leston Berry entertained with several games.

Refreshments were served with Mrs. Blue giving the toast.

The bride and groom were then seated at the table of gifts. They received many beautiful and useful ones.

The party ended by each at-

tendant offering their congratulations and best wishes to the happy couple who are making their home near Star at the present.

Mr. and Mrs. Earl Summy attended the County and District Clerk's Convention at Breckenridge June 13 and 14.

Mrs. Fannie Brim returned home Friday of last week from a 10-day visit with her son, Mr. and Mrs. Donald Brim and Roger and Linda at Bowie.

To All My Friends---

Before the Senate committee on Agriculture last week appeared Secretary of Agriculture Anderson to plead for a restoration of some of the cuts made by the House-approved appropriations bill.

Anderson pointed out that last year the Congress, in an amendment to the appropriation bill, indicated that for the year beginning this coming July 1, a total of \$300 million would again be made available for soil conservation purposes, whereas in the House that amount requested by the Bureau of the Budget was whacked to only \$165 million. This, he said, was a breach of good faith on the part of the Government.

The Secretary also pleaded for the school lunch program, cut by the House from \$75 million to \$45 million.

He declared that the farmers were entitled to aid under the soil-conservation program to help build back the soil depleted by heavier demands for food.

The House version of the ap-

propriations bill for agriculture reduced the total budget request for \$1,188,571,218 by more than \$383 million. As finally passed the cut amount to 32 percent.

When the bill was before the House we failed in our attempt to restore some of the cuts which appeared unjustified. Among these was the REA item where the cut of \$25 million was from the request for \$250 million. Some people do not understand that loan money for REA cooperatives is no loss whatever to the Government. Under this program the RFC borrows the money from Wall Street at a low rate of interest and in turn loans it to the individual coops for expansion of electric service. These REA coops pay their loans and interest and there is no loss whatever because it is in that way that new lines are built and more service given to rural people.

Likewise, all efforts to restore the funds for soil conservation purposes were in vain. The figure of \$300 million for the crop year of 1947 was cut nearly 50 percent, to a figure of \$156 million.

In addition, the bill, as passed by the House and now before the Senate, provides that the Farmers Home Administration, successor to FSA, must discontinue the farm ownership program known as the Farm Tenant Purchase Program.

Funds for Soil Conservation Service to be used in connection with the conservation districts, and otherwise, were cut by 10 percent.

In previous years 30% of the tariff receipts have been available for supporting farm prices and disposing of agricultural surpluses. The bill as passed by the House reduces this program by two-thirds.

It is believed the Senate will restore some of the cuts made in the House, and some reasonable compromises will be reached before the bill is finally passed.

Among our recent visitors from the district have been Arthur Stehling, an attorney, and Walter McKay, of Fredericksburg; R. L. Ferguson, J. M.

Shaver, Jr. and J. E. McDaniel, all of Coleman; Mr. and Mrs. W. A. Stroman and two daughters of San Angelo; Mr. and Mrs. L. L. Clardy of Spring Grove, Penn., formerly of Brownwood; James Kilgore of Del Rio; Wm. F. Drake of San Angelo; Mrs. Guida Wilson of San Angelo; John Blake of Brownwood.

The Coleman Garment Company, of Coleman, began operations only a few months ago. In interest of that concern, Ferguson, Shaver, and McDaniel were in Washington working toward future expansion. The growth of the business has been phenomenal. Now employing 94 people, it specializes in clothes for workmen, cowboys, etc., and is filling orders to retailers in every State in the union. The payroll amounts to nearly \$3,000 a week and is steadily increasing.

SUMMER SHORT COURSES NOW ON AT A & M COLLEGE

Texas school administrators; Texas Methodist youth conference; poultry breeders; rural church conference; frozen food clinic; Methodist conference for young adults; young churchmen's council conference; chemical engineers; and Texas 4-H Club round-up.

Approximately 5,275 people will attend the remaining

short courses during the summer. The 4-H Club roundup will attract over 2000 boys and girls from all over the state.

A good ration for cows nursing feeder calves is equal parts of yellow corn chops, wheat bran, ground oats and cottonseed meal.

For best results in feeding

lambs, each animal needs about one linear foot of trough space.

Pasture yields are increased by applications of organic matter, which can be profitably done in many sections of Texas by planting green manure crops or spreading barnyard manure.

GIRL SCOUT NEWS—

CARNATION TROOP II

The meeting was called to order. We had our roll call and dues checked. The secretary read the minutes of the last meeting. We met outside under a tree.

We discussed disbanding for the summer. Mrs. McLean is going to send the ones that have not been coming cards.—Scribe.

Double Wedding Performed Saturday

Miss Rhonda Robinson, youngest daughter of Mr. and Mrs. Ozell Robinson and C. R. Massey, Jr., only son of Mr. and Mrs. C. R. Massey, Sr., were united in marriage in a double ring ceremony Saturday, June 7th at 4:30 with Rev. M. E. Blake officiating.

The bride wore a light yellow crepe suit with black accessories and a corsage of white carnations.

Their attendants were Miss Dorothy Harris and J. D. Crowder who were also united in marriage at the same time.

Dorothy is the youngest daughter of Mr. and Mrs. Henry Harris and J. D. is the son of Mr. and Mrs. W. D. Crowder.

Mrs. Crowder wore an ivory crepe dress with black accessories and a corsage of white carnations.

The two couples spent their honeymoon in Austin, Houston and Galveston.

Mrs. Vivian Campbell Little

Mrs. Vivian Campbell Little, wife of Raymond Little and daughter of Mrs. J. M. Campbell and the late Dr. J. M. Campbell, died in the Adelphi Hospital in Brooklyn, New York on Friday, June 13, 1947, and was buried in Goldthwaite Memorial Cemetery Tuesday afternoon. Funeral services were held at the First Methodist Church with Reverend M. D. Lowery officiating assisted by Reverend L. S. Williams of Hamilton.

Mrs. Little was born June 18, 1908, in Goldthwaite, Texas. She attended the public schools here and later graduated from the University of Texas in Austin. After teaching in the Goldthwaite High School for several years, she was married to Raymond Little June 9, 1935. She joined the Methodist Church with him a year later having been converted at the age of 12.

Mrs. Little is survived by her husband, mother, and one brother, Allan Campbell, of this city.

Vivian's love for her family and friends and the unselfish devotion she gave them was a source of constant joy to them as well as to her. Because of her deep abiding love for those around her, her friends are numberless and her untimely death is felt profoundly by all who knew her. The poet expresses Vivian's value of friendship in the following lines:

A FRIEND

I will not think that I have failed,
Or lived my life in vain,
If to my credit I shall find
One friend to be my gain,
And tho' the Road of Life is rough,
With mountains hard to climb;
I find there's joy along the way,
And the journey, it is fine.

If there's a friend beside me;
To cheer me with songs,
To smile his understanding,
When everything goes wrong,
It give me strength and courage,
The Mountain to ascend,
And I find that Life's worth living;
As long as there's a friend.

Then be not hasty when I'm gone,
To say I lived in vain,
Tho' ghosts of many failures,
Like monuments remain,
But when Life's sun is sinking,
And I reach my journey's end;
Then count my earthly riches
In the number of my friends.
Author Unknown.

Among those from out of town who attended the funeral of Mrs. Raymond Little here Tuesday afternoon were: Mrs. W. H. Walton, Newt Walton and George Walton of Lubbock; Mr. and Mrs. G. A. Swaim, Sweetwater; Mr. and Mrs. Will Little, Mr. and Mrs. Charles Little, and Mr. and Mrs. John Little, San Saba; Mr. and Mrs. W. H. Parsons, Waco; Mr. and Mrs. Clyde Weatherby, Hamilton;

Mr. and Mrs. J. T. McConnell, Meridian; Mr. and Mrs. M. C. Sanders, J. T. and Jean Ann Sanders, Arlington; Mr. and Mrs. Horace Morrow and Mrs. L. A. Baker, Fort Worth; Dr. and Mrs. E. O. Nickols, Jr., Plainview;

Craddock, Mr. and Mrs. Jimmie Williams, Mr. and Mrs. Frank Taylor, Ed Craig, Mrs. Paul Gilliam, Mr. and Mrs. Paul Winn, and Mr. and Mrs. George Goulighty, Hamilton; Mr. and Mrs. Jack Rudd, Abilene; Mr. and Mrs. A. H. Smith and Jimmy, San Antonio; Mrs. Boone, Mrs. Turner Garner, Mrs. H. L. Lobstein, Mrs. John Philen, and Mrs. E. B. Gilliam, Brownwood; Mr. and Mrs. Gilford Scott, Coleman; Dr. Claudia Potter, Mrs. G. V. Brinley, Era Davis, Miss Nora Crossland, and Mr. and Mrs. A. B. Clements, Temple; Mrs. H. A. Andrews, and Ernest Strickland, Brady;

COUNTY AGENT NEWS --

DARLUS B. McCOMBS County Agent, MILLS CONTROL OF BAG WORMS

Notice your Evergreen trees. Are they turning brown and gradually dying? If so, an almost invisible parasite called the bag worm may be sapping their lives. One way of controlling these insects is picking them from the trees, BUT that does not destroy every one of them even though you may get them all from the trees. There is a mixture consisting of two (2) pounds of Arsenic of Lead (paste form) and fifty (50) gallons of water that may be sprayed on these trees. If dry Arsenic is used, only one (1) pound to 50 gallons of water should be used.

Remember Arsenic is very poisonous and all precaution should be taken in handling it. Also caution anyone of chewing

on a twig from these sprayed trees. Contact your County Agent from your county or further information.

Of interest to all owning livestock is a report just received from Washington on sheeping sickness. They report that this disease appeared in 37 states during 1946, with a total of 2,805 cases recorded, slightly lower than 1945 reports. The average mortality was 34 percent. It was further estimated that about 400,000 animals were vaccinated, however, only about one-eighth of the vaccinations were accomplished before the disease appeared. This is interesting to us, because we wish to remind you that now is the time to vaccinate for sleeping sickness. For best results vaccination should be accomplished by early July.

Mary Lou, Margaret and Danny Galloway, children of Mr. Ellen Galloway, left Monday for several weeks' visit with their grandmother, Mrs. Maggie Dewese of Santa.

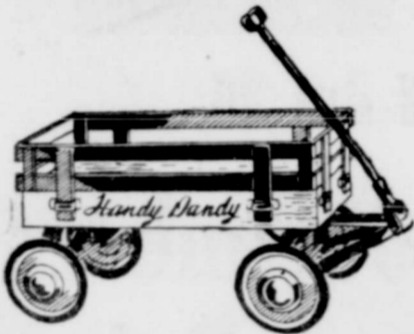

Ernest Strickland visited his sister, Mrs. Roberts and Mr. Roberts week and also attended funeral of Mrs. Raymond

GOLDTHWAITE HOME AND AUTO SUPPLY

JOE B. KARNES — O. O. SMITH

In Memory of Mrs. H. S. Davenport

Macy Pearl Letbetter Davenport was born August 20, 1904, at the Sunny Lane community in Burnet County. At about the age of eight years she moved, with her parents, to Mills County, where she spent the rest of her life.

At about the age of sixteen she was united with the Baptist Church. She was a devout Christian and neighbor, the hours never being too dark or long to help some one who was in need.

In 1924 Pearl was united in marriage to H. S. Davenport. To this union were born three children. They are: Mrs. Gordon Wright, Lelia and Allie Davenport of Mills County. Her parents, Mr. and Mrs. E. G. Letbetter, also survive. Also two sisters: Mrs. Iola Wrinkle and Mrs. Lucy Dennis; three brothers: Roy, Earl and Clyde Letbetter.

On June 11, 1947, at the age of 42 years 9 months, 22 days, she was called to her heavenly reward. She leaves a host of relatives and friends to mourn her going but we know she is at rest with her Savior.

Funeral services were held at the First Baptist Church at 3:00 p. m., June 12, with Rev. Hoover and Rev. Blake officiating. She was laid to rest in the Goldthwaite Cemetery.

Smiley-Ware

Miss Jimmie Ware, daughter of Mr. and Mrs. Arthur Ware of 141 Mabery Rd., Santa Monica, Calif., and John E. Smiley of Santa Monica were married in a double ring ceremony, Sunday morning, 8 o'clock, June 8th, before an altar of palms, white gladiolus and stocks at the Little Chapel of the Dawn, with Rev. Richard Irving officiating.

Given in marriage by her father, for her wedding ensemble she chose a white suit with navy accessories and carried a white orchid on a white prayer book.

Her maid of honor and only attendant was her sister, Miss Peggy Ware, who wore an ice blue suit with navy accessories and a corsage of pink carnations.

The groom's entourage included De Verle Hadfield as best man, Arthur Weldon Ware, brother of the bride, and James Morris, ushers.

Music by the organist of the Chapel and Miss Gertilda Voss, friend of the bride sang "Always" and "I Love You Truly"

The newly weds left immediately after the nuptials on their wedding trip at Laguna Beach. They will make their home in Santa Monica, Calif.

Mrs. Wayne P. Cruse of Paragould, Arkansas, is visiting her mother and father, Mr. and Mrs. S. S. Price, Jr., in San Antonio.

DANGER! WATCH! COCCIDIOSIS!

BROWN - MILLS SOIL CONSERVATION NEWS

HARR, Brookesmith. CHARLIE BYNUM, Rt. 1, Zephyr. NO. 523—TEXAS
EDDY, Mullin. Comprising all Farms and Ranches in Brown and Mills Counties—Approximately 1,057,280 Acres.

Christenson, co-operator of Brown-Mills Soil Conservation District, whose farm is No. 2 Conservation recently seeded Bermuda grass in a strip waterway. Mr. Christenson is well pleased with the results on his terraces, and an conservation practice is carrying out on his farm. He saved his field from being washed during the heavy rain. Mr. Christenson is also deferring a pasture at the better native grasses to be established.

Mills Soil Conservation District, assisted by the Goldthwaite Work Unit, are deferring pastures from June until frost this year. This will give the more desirable grasses a chance to seed and become better established so that they may compete with the less desirable grasses in vegetation.

The following cooperators in the Pompey Conservation group, have recently constructed diversion terraces on their farms to divert the outside water from their fields: Silas Stevens, 3110 feet; W. R. McDeamon, 575 feet; and F. A. Mosier, 660 feet.

"Courtesy at Home and Abroad;" and Miss Moselle Hillswick on Nature Study. Both were instructors at JTAC.

LONGER LIFE FOR TOWELS

Although towels gradually are getting back to normal in numbers, the quality, and sometimes the quantity, desired are not easy to find. One way to make towels last longer is to rotate the supply, don't use the same towels over and over. When towels are returned from the laundry or you laundry them, place them on the bottom of the stack.

If towels are stored for a long time without being washed, the fabric may deteriorate. Smoke, dust and moisture from the air combine to weaken cotton.

When washing towels, be sure to dilute a bleach if one is used. Too strong a bleach weakens the fabric. Drying towels in the sunshine is an excellent way to bleach them, but they should be brought in as soon as they are dry, because wind loosens the yarn at the corners and causes them to fray. In case this happens several rows of stitches along the edge will check the fraying.

Don't iron Turkish towels. Ironing mats the loops and the

result is less absorbency. Ironing face and dish towels is permitted, but folding should be done by hand. Another trick in saving the life of towels is to fold them differently at times. This prevents too much wear at any one spot and keeps the towels from splitting along the creases.

To avoid mildew, hang up towels immediately after using so that air may circulate through them. Don't leave damp towels on bathroom floors or folded up. Another word of warning: When drying sharp knives on dish towels or razor blades on hand towels, take care not to cut through even one yarn of the flat weave.

SCALLORN

—By ORA BLACK

The Scallorn Bible School started Monday with several youngsters enrolled. With the well trained supervision in charge we're looking forward to a very successful week's work.

An aunt, Mrs. Jake Thomas, and son Jake Jr., Mrs. Thomas and daughters Patricia and Eva June of Galveston are guests this week of the writer. Other guests were Mrs. S. M. Black a sister, Mr. and Mrs. Bates friend and children Don and Ann of Brownwood and Mrs. Conrad Vernon of Austin.

Guests Thursday in the home of Mr. and Mrs. Fields Hines were Mr. and Mrs. Glen Casey and little daughter of San Antonio.

GIRLS ATTEND DISTRICT MEET

Orle Dell Whitt, Goldthwaite, Bernice Bufo, Priddy, Zelson, Mullin, Mrs. Lee Mullin, Sponsor, and the agent, Mrs. Haensch, at the two-day District meeting at Stephenville on June 11th.

The girls stayed in the dormitory and the cafeteria was used for meals. The Home Economics Building of JTAC and the gymnasium was given to the girls for games and handicraft. During the meeting the girls were in rooms and groups. In the afternoon they elected group and song leaders. A gender and song leader was chosen from these.

The handicraft included the making of bracelets and key chains and corsages. The girls made flowers from home to home. Miniature golf, badminton, volleyball, folk games and singing were included in the program.

Highlights of the camp were the Open House at Dean E. J. Howell's and talks by Mattie Walker on

STOP FIRE WASTE, PRESIDENT URGES

President Truman's first Conference on Fire Prevention resulted in an Action Program aimed at reducing fire waste and saving lives in every community.

The Action Program primarily calls for acceptance of greater responsibility for fire safety by the highest officials of state and local governments.

EARLY TEXANS ADDED VASTLY TO U. S. A. AREA

The celebration of the Texas Centennial was of national significance and importance. When the Texans adopted their Declaration of Independence, on March 2, 1836, and thereafter finally won their freedom from Mexico on the battlefield at San Jacinto, on April 21, 1836, it meant not only the birth of a new republic, but it was also destined to vitally affect the future history of the United States and remake the map of North America.

For 9 Years the Republic of Texas was maintained, with its congress and courts and other governmental agencies, and in 1845 Texas was by treaty admitted as the 28th State of the American Union, and its area at that time embraced 389,166 square miles, which was largely in excess of the present area of Texas, the boundaries of the State of Texas having been thereafter reduced.

Mexico notified the United States that the annexation of Texas would be regarded as casus belli, and immediately after the passage by Congress of the Resolution of Annexation, Mexico recalled its Minister in Washington and severed diplomatic relations with the United States, and thereafter followed the War with Mexico.

Combining the area acquired by the annexation of Texas and that secured in the war to make effective that annexation, the area of the United States was thus increased by 918,355 square miles. This was 26,220 square miles more than comprised the entire area of the United States in 1790 and is 90,368 square miles in excess of the entire acquisition under the Louisiana Purchase.

Governor Beauford H. Jester recently sent to the Red Cross for shipment to Italy the Lone Star Flag of Texas to be used in a celebration on July 4th at Treiste.

The flag was presented by Karl Hoblitzelle, Chairman of the Texas Centennial of Statehood Commission. Mr. Hoblitzelle has presented hundreds of flags to all parts of the world both during and since the war.

With the shipment of this flag the supply of Texas Flags has been exhausted, according to A. Garland Adair, Vice-Chairman, who states also that he will be happy to receive from Texas citizens an additional supply of this beloved emblem for there is seldom a day that the Commission does not receive requests for the Flag.

Look upon each day as the whole of life, not merely a section; and enjoy and improve the present without wishing through haste to rush on to another.—Ruskin.

Exceeding the speed limit was responsible for 42 per cent of the fatalities. In no other year since the record has been kept has speed loomed so large as a factor in accidents.

Circulation of books in the University of Texas library will reach the million mark during the 1946-47 school year, Alexander Moffitt, librarian, said. The average increase in monthly circulation over the 1945-46 school year is 53 per cent.

One out of every 13 persons in the United States suffered a disabling injury in 1946 the National Safety Council reports.

LOOKING BACKWARD THROUGH EAGLE FILES

TEN YEARS AGO

(Taken from Eagle file June 15, 1937).

Mills county within 90 days will see the spilling in of a real well in a determined search for oil. F. G. Boyd and Gordon Balyeat, both experienced oil men of Dallas, were here this week and secured a large block of land east of Pecan Bayou upon which they have contracted to sink a well.

A. S. Page, post office inspector from Fort Worth, was due in Goldthwaite last night to inspect the buildings in Goldthwaite on which bids have been made to the government for the location of the post office for a period of five or ten years.

Aubrey Smith and Lawrence Stokes are in Kerrville this week attending the Methodist young people's assembly.

At the Texas State Press meeting held in Brownwood last week the Herald-Record received recognition that is significant, encouraging and founded on a basis that is soundly permanent.

A large motorcade from Brady visited this city Thursday in the interests of the Brady July Jubilee on July 5 to 7.

Bro. and Sister Byan were at Bethel Sunday. They visited in the Will Rose home at the noon hour and spent the night with Mr. and Mrs. Coley Sevier.

Forest Hill left last week for Austin where he entered school at the State University. We wish him success in his work.

Cartwright Oglesby is in Dallas enjoying the sights at the Pan American exposition and visiting his grandmother, Mrs. Hartman, and Mrs. Elders.

Mr. and Mrs. Jeff Priddy, made a short visit last week in Abilene with Mr. Priddy's sister, Mrs. Sarah Yoos.

Mrs. V. C. Bradford is spending some time in Gatesville at the home of her mother, Mrs. R. S. Farmer. Mrs. Bradford is recuperating from a recent operation.

Miss Bobbie Littlepage left for Tulla Monday for a visit in the home of J. W. Evans for 10 days.

Elton Horton and family made a short visit in South Bennett community Thursday afternoon. Veleria Stacy and George Wayne Featherston returned home with them for several days stay while Mr. Horton was away with the threshing.

Ruth and Billie Whitt called on Deola Hale awhile Tuesday afternoon.

The North Bennett club met with Mrs. E. L. Kendall last Thursday afternoon.

Mrs. Willie Loyd from Oklahoma visited her sister, Mrs. Sam Miller, and family and several in the Pleasant Grove community.

De Albert Carter went to Waco one day last week, where he met his sister Mrs. Winnie Price and accompanied her three children to Center City for a visit.

Bonnie Fern Doggett of Goldthwaite visited in the Ira Alldredge home last week.

Bro. Roger Smith, Bud Smith and Miss Oma took dinner Sunday with Mr. and Mrs. John Edlin.

James Roberts helped Shirley Nickols to pick beans Monday afternoon. He also ate supper and enjoyed ice cream made in the new Superflex.

Miss Coleta Fay Wigley has been on the sick list for a week. She is better at this time.

Thirty Years Ago

(Taken from Eagle file of June 23, 1917)

Fred Faulkner left Saturday night for Dallas, where he entered a business college to take a special course.

Mrs. Jas. Rahl and son, Prentice, and daughter, Mrs. Mamie Lee, left Sunday morning for an auto trip to Lehigh, Okla., to visit relatives.

W. M. Johnson this week ordered the Eagle sent to his daughter, Miss Rosa, who is attending the summer school at the State University in Austin.

The Woodmen were complimented Tuesday night by the Dixie theatre management with a free entertainment and after the show the Lodge entertained visiting Woodmen.

Alex Shaw sent a dollar this week to have the Eagle sent to

him at Fort Mogran, Ala., where he is in the coast artillery. Deputy Sheriff Everett Evans returned Monday morning from a short visit to his brother, who is a member of the Houston police force.

From Langford Merc. Co.: flour, 100 lbs.—\$5.00; 7 bars laundry soap—25c; meal, 35 lbs.—\$1.50; salmon, pink, can—12c.

July 4 will be celebrated in the proper manner at Star, if the plans outlined by the patriotic and enterprising citizens of that community are taken as an indication.

W. H. Linkenhoger and wife, W. M. Johnson and wife, B. P. Hurdle and son, Wilbur Fairman, Miss Nora Hooks, Lewis Hudson, Henry Rahl, Clyde Hudson, Will Rahl, Arthur Whatley, Walter Weathers, R. L. Steen and family, Floyd Ligon and family were among those who attended the funeral of Mr. J. G. Jones in Hamilton Thursday afternoon.

Otis Bush, who has made his home with his grandmother, Mrs. D. T. Bush, most of his life, left Wednesday for Saragosa to live with his father, Mr. John Bush, and family, who live at that place.

Messrs. C. A. Head and Jas. W. Head, two prominent men of Center City community, were visitors of this city the early part of the week.

C. M. Allen and family are preparing to move to San Antonio, where he has a position with the Avery Plow Co. They have many friends in this city and throughout the country who regret their departure.

R. H. Patterson, the Star banker, was transacting business in this city Thursday.

Miss Mary Covington, one of the popular and accommodating operators at the Rural telephone exchange, has returned from a visit to friends in western Texas.

50 Years Ago

(Taken from Eagle of June 26, 1897)

Rev. Gartman preached an interesting sermon at Lookout Mountain Sunday.

Homer Humphries of Goldthwaite accompanied by his two sisters, Misses Tessa and Wessie, visited the family of Reuben Harris last week.

Bony Grayson is smiling now. A little boy came to live with him.

Randolph Whitley and family of San Saba county were in the city Tuesday trading.

Bona—On last Saturday morning a new miller came to make his future home with Mr. and Mrs. Eli Fairman.

Jas. J. Cox and Lon Patterson spent last Monday in Mullin on legal business.

J. H. Mullins visited Brownwood the first of this week.

The Mullin Band is making all necessary arrangements for the big basket picnic at the Jackson crossing Bridge on Pecan Bayou on July 7.

J. W. Roberts and wife attended the Center City picnic Thursday and report an enjoyable time.

L. G. Blackburn was plowing in the garden Monday morning, but went to Goldthwaite in the afternoon. Upon his return he was heard to say that it always did make his head swim to ride in a new buggy behind a fast horse.

Joe Spinks says that he is glad to say that there is some happiness in this old fork for an old bachelor for they had a big dinner on the ground and singing all day at South Bennett last Sunday, and his best girl took him out there.

M. D. Mills and mother and sister went to Goldthwaite last week and brought back a good portion of some of those dry goods stores.

M. Stacy and family contemplate making a visit to friends and relatives in Hopkins county soon.

Squire Dalton of Mullin was a visitor to the big town the first of the week.

Our valued friend Rev. T. J. Priddy was in the city Thursday and favored the Eagle with a call.

J. F. and J. N. Jones of Center City came in Tuesday and spent a few hours with their friends.

K. Jones, the popular postmaster of Star, is one man who has no fears of losing his office under the present administration, for he has the undivided support of the people who patronize that office, and a great many besides.

Improved Uniform International LESSON

By HAROLD L. LUNDQUIST, D. D., Of The Moody Bible Institute of Chicago. Released by Western Newspaper Union.

Lesson for June 22

Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education, used by permission.

THE TRAGIC END OF A NATION

LESSON TEXT—II Kings 25:1-12. MEMORY SELECTION—Righteousness exalteth a nation; but sin is a reproach to any people.—Proverbs 14:34.

The end of the road! Down, down, down went Judah in its sinful refusal to keep God's Word, and ultimately came the final day of reckoning. It always does! The catastrophe which had long been approaching had arrived at last.

The fall of a capital city, which carries with it the empire, is a world-shaking event. The fall of Rome shattered the world for a thousand years. The fall of Berlin and Tokyo, are within the memory of all of us, and the results are seen in a disordered world.

The destruction of Jerusalem, which our lesson presents, was even more serious; for it was not only a national tragedy, but also one with deep religious significance.

The wicked king Jehoiakim was succeeded by his son Jehoiachin, a mere boy who reigned only three months. He gave way to Nebuchadnezzar, who appointed as his successor his uncle Zedekiah.

It is in the verses just preceding our lesson that we learn that Zedekiah turned against Babylon in an act of

I. Rebellion (v. 1). Zedekiah ignored his oath of allegiance (II Chron. 36:13), for which he was condemned by Ezekiel as a traitor (Ezek. 17:13-18). Zedekiah has well been called the vanishing point in a dimming line of kings. It was an evil thing he did (II Kings 24:19), and one which showed his conceit, vanity and rashness.

True it was that he only followed what he had learned from his predecessors, but that is never a good excuse for a man foolishly to turn against God's will.

Observe that God was not just a disinterested spectator, and yet he had come to the place where he let Judah go down to its own awful doom. The worst thing that can happen to a man or a nation is to be let alone by God!

Zedekiah's act of folly quickly brought

II. Retribution (vv. 2-10). Jeremiah urged Zedekiah to surrender (see Jer. 37, 38) in order to save Jerusalem and himself, but he refused, and the city was besieged.

The king's refusal to hear God's prophet and his turning to Egypt for help speak to us of the manner in which unrepentant sinners reject God's mercy and then seek help at the hopeless cisterns of this world (Jer. 2:13).

The king tried to flee, but was taken captive. Then came the siege of Jerusalem. For one and one-half years the enemy gradually closed in, while famine and distress grew apace in the city. Jeremiah went through this entire period sharing his people's trouble. The book of Lamentations is the record of this eyewitness.

Sin does its terrible work. Even as it can take a great city and turn it into a plague spot marked by cruelty, suffering and death, even so it can bring forth its inevitable and unpeppable results in the life of the individual who persists in resisting the voice of God.

Note also that the sin of Zedekiah brought quick judgment, not only on himself, but upon his innocent children (v. 7), and on many in the besieged city who were equally guilty of wrongdoing. It is again a picture of what sin does today in the homes and communities of our nation.

III. Removal (vv. 11, 12). The fall of Jerusalem prepared the way for the closing scene of the immediate history of the nation as the people went into captivity. It also ended for the time being the history of the city that had once so proudly held a position of privilege and power, but was now brought down by its sin and rebellion against God.

We say rightly that history repeats itself. We see that any nation that lifts itself up in pride and forgets God will inevitably perish. We ask ourselves where our beloved country stands. As we consider its debauchery and drunkenness, its disregard of moral standards, its indifference to the things of God, we feel that instead of pointing a finger of scorn at Judah, we ought to be on our faces before God in penitence and shame.

Let us not assume that we hold a place of favor with God, which exempts us from the certainty of judgment. Israel was his chosen, and they still are, for his promises of ultimate blessing to them have never been withdrawn. But their sin brought certain punishment, and the same is true today not only of the nation but of the individual.

The Sunday school lessons will take up the history of Israel again at this point in April, 1948, when we consider the captivity and the partial return of the people to their land.

RAYMOND COCKRUM, Sole Owner

week. They spent several days and nights on the river and in the homes of Mr. and Mrs. Hubert McMullen and Mr. and Mrs. Alvin Hanna. Others present were Mr. and Mrs. R. P. Egger and Mr. and Mrs. Sidney Boyd and family. They said the fish, squirrel, and chicken were extra good.

Mr. and Mrs. Jake McMullen of San Angelo are now making their home with his parents, Mr. and Mrs. Hubert McMullen. We are glad to welcome them to our community. Mrs. Carrie McMullen spent last week with them and will spend this week with her daughter and husband, Mr. and Mrs. Alvin Hanna.

Bro. Clark and family enjoyed dinner and a visit with E. T. Crowder and family Sunday.

Mr. and Mrs. Truman McMullen and son Neal of Lubbock visited here Sunday evening and had supper in the Hanna home. Neal is staying for an extended visit.

Tom Philen spent the day Friday with Mr. and Mrs. F. L. Crowder.

Mr. and Mrs. Herman Hinesly and Mr. and Mrs. Truman Crowder visited with Mr. and Mrs. Willie Sikes Sunday evening.

The combining of oats is about finished in this community, with some vetch and wheat and a little speltz to be harvested this week.

The intense heat of the past week made short work of the dewberries, and damaged the blackberries a lot. The gardens aren't suffering too much yet

but will if we don't get a rain very soon.

Billey Jean Meyers, Glen Hillman Marry

Miss Billey Jean Meyers, daughter of Mr. and Mrs. R. L. Meyers, became the bride of Glen Hillman at 8:30 a.m. Sunday. The Rev. Cal C. Wright, pastor of the First Methodist church, read the single ring ceremony in the home of the bride's parents on North Second Street. The bridegroom is the son of Mrs. R. H. Cope.

The bride is a graduate of Lamasa High School, and also attended S. M. U. where she was a member of Sigma Kappa, social sorority, and of Phi Chi Theta, a woman's business honorary sorority. She is a granddaughter of Mrs. J. E. O'Quin and the late J. E. O'Quin, pioneers of Dawson County.

The young couple went to Denver and other points in Colorado on the honeymoon. For the trip the bride wore a Navy bolero suit. They will be at home at 1012 1-2 North Sixth Street, when they return.

WELCH'S TURKEY FARM WINS 2ND HIGH PEN

Stephenville, June 14.—The only turkey egg-laying test in the world ended May 31 at John

Tarleton Agricultural College with a pen of broad breasted bronze turkeys from the Lee and Smith Ranch, Midlothian, Texas, leading in egg production, according to W. Doyle Graves, test superintendent.

The pen of ten young hens laid 869 eggs during the five months of the test.

High individual hen, which was an entry from James Bar Nothing Ranch, Austin, laid 134 eggs. Welch's Turkey Farm of Goldthwaite had third high hen with 112 eggs.

Second high pen belonged to the Welch Turkey Farm, Goldthwaite, Texas, and second high hen was an entry of the Battery Turkey Farm, Floydada, Texas.

Fifteen hens laid 100 or more eggs during the five months test, and these will be kept on the Tarleton poultry farm for the next seven months to establish a full year of production.

All six breeders had hens to qualify or R.O.P. Eighteen hens qualified in all: six from James Bar Nothing Ranch, two from Williams Ranch, Gatesville, Texas, and one from Winston Sheen Farm, Menard, Texas.

W. W. Berry Honored

On Sunday, June 15, children, grandchildren and friends of Mr. and Mrs. W. W. Berry gathered at Lake Eanes for a joyous get-together.

Due to the early morning showers, everyone arrived late. A bountiful feast was enjoyed by everyone and the afternoon was spent playing games and

chatting.

Those present besides Mr. and Mrs. Berry were: Mr. and Mrs. Ernest Benningfield, Mr. and Mrs. Ray Berry, Mr. and Mrs. Weldon Lucas, Twila Sue and Glen, Freda Sue Nowell, Mr. and Mrs. Sterling Benningfield and Ernestene, Mr. and Mrs. Leston Berry, Otho Loyd Crawford, Mr. and Mrs. Glendon Benningfield, Mr. and Mrs. W. A. Berry, Mr. and Mrs. Eimer Koen and Duwayne, Mr. and Mrs. Deloyd Benningfield, Mr. and Mrs. Fred Jones, Mr. and Mrs. Charley Berry and Troy and Mr. and Mrs. Levi Berry, Peggy and Le-vita.

The first Sunday in June, 1948 was named as the date for a re-union. Lets all look forward and plan to spend the day together.—One Present.

Mrs. Eula Nickols, Mr. and Mrs. L. N. Hillin and Mr. and Mrs. George Hill were Sunday afternoon callers with Otis and Miss Bessie Hutchings.

T. F. Elliot was on the streets Saturday, after being ill at his home the past three months.

Former School Supt. A. E. Smith, Mrs. Smith and their son, James were here from San Antonio Tuesday to attend the funeral of Mrs. Raymond Little, returning to an Antonio Tuesday night.

NEW ARRIVAL

AUTO GLASS AND UPHOLSTERY SHOP

Millard Collier of Goldthwaite, took a trip to Laredo, Texas, last week, visiting their son Harold, also Cecil Wall, who are operators of P. H. Hamilton's tractor and dozer.

Mr. and Mrs. Jim Hamilton and children, Eddie and Shirley Ann, visited their son Thomas E. Hamilton and wife in Fort Worth. Sunday was Visitor's Day at the Consolidated Aircraft plant where their son works. The plant is still government owned and operated and they are building the largest planes in the United States—B-36's there; it was very interesting to see.

RIDGE—

BY MRS. SALLIE KIGHT
The weather is fair to medium. No rain in this part so far.

Thanks to the Eagle and Mr. and Mrs. J. W. Weathers for advertising Mrs. Weather's piano. I read about it in the Eagle, went over and looked at it and bought it. It has been cleaned, tuned and felted and is in fine shape, has a melodious tone. My mother and I have already got lots of pleasure out of it. We both like music. My brother, I. A. Hollis, from Bangs visited us yesterday. He and I had an old-time singing and enjoyed it.

Mr. and Mrs. Alvin Atkinson have moved in to our community. We are glad to have them. They are old-time friends.

Mrs. W. H. Freeman, Sr., visited us one day last week.

E. K. Wood and W. H. Freeman Sr., made a business trip to Goldthwaite last week.

Andy Rowlett went to town today.
Tommie Wood and Bobby Joe Wood made a business trip to Mullin this morning.
Alvin Atkinson went to town today.

OAKLAND—

BY MRS. E. T. CROWDER
Many took advantage of the fine fishing weather last week to spend some time at the river, either to fish or just cool off.

The family of Mrs. Carrie McMullen of Brownwood held a reunion here the first of last

FARM AND RANCH CHATTER

WITH **LAYNE BEATY** WBAP
 6:59 AM Week Days - 10:16 AM Sundays

President Aleman of Mexico told the people of Queretaro, in a foot and mouth disease infected zone, the other day, "Aftosa fever (foot and mouth disease is the most serious problem that confronts the people and my government. We are actually in a war with an enemy we don't know. Men, women, and children must appoint themselves defenders of national wealth."

June is National Dairy Month. Which reminds us that the spring flow of milk is on—it is every year about this time. But this year, for the first time since before the war, there is no ready market for this extra flush. The army took a lot of it during the war. Distributors have their supply and demand pretty well balanced on a year-around basis, and can't readily absorb the extra milk which comes when the cows get a lot of green, succulent feed at this season. There isn't even enough demand for ice cream to take up the slack. So a lower price is paid for this milk, and distributors tell us that what they can't put into cheese, ice cream, etc., goes down the drain. Still, people suffer from malnutrition, and milk is supposed to be our best and cheapest food. And we're sure to have another shortage in Texas next winter.

Texas ranks third in the nation in NUMBER of dairy cattle, tenth in milk production, and 47th in production per cow.

Still, more accidents occur in the home than elsewhere, but that's no reason for leaving home. National Farm Safety Week is coming up, July 20 to 25, to give emphasis to things to do around the farm to keep from getting hurt or killed and also from destroying property. Pitchforks, axes, machinery, whirling blades and wheels, smoking around haystacks and in barns, proper stacking of hay and storing of grain, wiring, bulls, nails, bad floors, ladders are just a few things which must be watched constantly. The home fires are nice to keep burning, as long as they're under control.

Fort Worth, underwent an operation for appendicitis at 8 a. m. Wednesday, June 11. He is recovering splendidly.

—Eagle Want Ads Get Results—

DALLAS FAIR OPENS NEXT OCTOBER

June 2—Interiors of the giant exhibit halls at this year's State Fair of Texas will have completely new modernistic and furniture appearances. W. H. Hitzelberger, executive vice president and general manager, revealed today.

Although opening date, Oct. 4, is four months away, construction and remodeling already is more than 50 per cent complete, Mr. Hitzelberger said. This year's State Fair promises to be the greatest in the exposition's 61-year history.

Four gigantic theme units, graphically portraying the stories of petroleum, homes, electricity, and food, are nearing completion, Mr. Hitzelberger said. New decorations and arrangement of exhibitions are progressing rapidly in the General Exhibits Building, Food Building, Hall of Agriculture, and Poultry Building.

Jones Valley H. D. Club

The Jones Valley Home Demonstration Club met Tuesday June 10 with Mrs. Hawley Jernigan. The house was called to order by the chairman, Mrs. Arthur Wilcox. Several songs were sung. Roll call was answered by 9 members.

During the business meeting we voted to change our meeting time to 3 o'clock.

This was our leadership meeting and Mrs. Arthur Wilcox and Mrs. J. D. Berry gave the Demonstrations. First—A fresh Fruit Ring and Second—a fresh Peach Chiffon Pie. The demonstrations were very successful.

The hostess had several games which were enjoyed by all. Ice Cream, Cake and the Fruit Ring were served.

We wish to welcome all visitors to our meetings. Mrs. O. H. Renfro was our visitor this meeting. There were also three children.

Our next meeting will be June 24 with Mrs. Luther Jernigan.—Reporter

SALVATION ARMY IN STATE-WIDE DRIVE FOR FUNDS

The Salvation Army State Headquarters in Dallas has launched a state-wide appeal for \$260,000. This announcement was made by Col. Chs. H. Dodd, divisional commander, from the Dallas headquarters this week. Nathan Adams, chairman of the board of The First National Bank at Dallas, is serving as treasurer of the fund and other state-wide committee members are to be announced at a later date.

Included in the over campaign is \$50,000 toward a new state-wide hospital for unwed mothers in San Antonio; also \$25,000 for better facilities at the State Youth Camp at Irving. A portion of the fund will be used for rehabilitation of Salvation Army buildings in war-torn Europe. Part of the fund will go to retirement allowances for Salvation Army officers who reach the age of 65. Some of the money will be used for disaster work in Texas. The Salvation Army prison and parole work will benefit as well as the Training program for Salvation Army officers.

Letters are now being sent to some of the wealthy residents of the state, asking for their co-operation.

It is hoped that before the campaign is finalized, which will not be until some time in 1948, that every resident of the State will have an opportunity to give something. Checks may be made payable to The Salvation Army and mailed to Nathan Adams, treasurer, at the First National Bank, Dallas, Texas.

The campaign at present is not being projected in cities of the state where the Salvation Army is a participating agency of the Community Chest. In these cities the appeal will be handled in harmony with existing relationships in Community Chests. The organization at this time participates in chests in some 25 Texas cities.

4-H'ERS ADOPT NEW SLOGAN TO IMPROVE RURAL LIFE IN U. S. A.

"Improve Rural Life by Making Home Surroundings More Comfortable, Convenient and Attractive."

That's the slogan of rural youth taking part in the 1947 National 4-H Home Grounds Beautification awards program. The activity is conducted under the direction of the Extension Service in Texas and 41 other states. Its purpose is to encourage 4-H'ers to make and keep home surroundings attractive by correctly planting and caring for lawns, flowers, shrubs and trees; removing unsightly objects from yards, and painting buildings and fences.

As incentives for superior home-landscaping records, merit awards are donated by Mrs. Charles R. Walgreen, Chicago, for the tenth consecutive year. Awards comprise silver medals, gold watches and Chicago 4-H Club Congress trips, on county, state and national levels, respectively.

Last year, county winners were named in Castro, Comal, Fort Bend, Frio, Grimes, Hall, Hardeman, Harris, Howard, Jones, Moore, Nolan, Somerville, Wood, Cameron, Camp, and Sabine counties.

The state winner in 1946 was Floyd Thomas Terrell of Plainview.

County extension agents will provide information and suggestions for carrying on this activity and helping 4-H members in reaching its objectives.

Mills Co. Youth Visits Australia

Allen D. Moreland, 18, seaman, second class, son of Mr. and Mrs. C. E. Moreland of Goldthwaite, Texas, has visited Sydney, Australia, while serving aboard the aircraft carrier USS Antietam.

The Antietam is part of Task Force 38. Comprised of 14 ships, the task force is making the first large scale visit of U. S. warships to Australia since the end of the war. Crew members

TRAVELS

Baseball Team Travels To Strawn Sunday.

The Goldthwaite Baseball team will play the strong Strawn team, winners of the first half in the Trinity Valley League. The game will be in the afternoon at 3:00 p. m. Sunday.

Wednesday night, June 25th at 15 the Goldthwaite team will play the Dublin Shamrocks at Meridian, Texas.

Followers of the team to either of these games, can rest assured that they'll be well entertained with good ball games.

The Goldthwaite manager is trying to schedule a game for Sunday week here, with the Waco team that beat Goldthwaite 5 to 0 in Meridian last Friday night.

Mr. and Mrs. Clifton Ballard of Cisco visited awhile Monday with Mrs. Iva Fox and Mr. and Mrs. E. L. Pass on their return from the river, where they spent Sunday with their mother, Mrs. Minnie Ballard and Mrs. Della Ballard.

Swing Of Southwest Farm Markets

Southwest farm markets remained generally firm to strong last week, but easiness cropped up on some types or classes of nearly all commodities, according to the Production and Marketing Administration, U. S. Department of Agriculture.

Movement of new crop wheat, oats, barley had gotten well under way and trade sources expected sorghums to join the parade in two or three weeks. Wheat prices sagged steadily, and lost about 20 cents per bushel, closing at \$2.25 Friday. Corn and sorghums advanced several cents, while oats and barley changed very little.

Cotton scored market net advances again last week despite late easiness. Good spot demand for the better grades brought only scant offerings. Most crop areas needed rain.

Eggs remained firm last week, while poultry held about steady with decline of the week before. At Dallas and Fort Worth, heavy hens brought 22 to 25

cents per pounds. Cattle sold generally strong to \$1.00 or more higher last week, but easiness developed on lower grade cows at San Antonio, and lower grades of all classes at Fort Worth. Common to medium steers and yearlings brought \$14 to \$20 at Houston.

NOTICE TO PUBLIC

Board of Equalization Meeting This is to Notify the Tax Payers of Mills County, Texas, that the Commissioners Court will sit in a Board of Equalization June 30, 1947, to review Tax rendition of Mills County Taxes, at which time they will notify Tax Payers of any change in his rendition and the day for him to appear before said Court for hearing if he so desires. W. E. SUMMY, Clerk of County Court Mills County, Texas.

AUTO CRASH AT BOZAR

Information concerning two out of county automobiles which were badly damaged and minor injuries suffered by the occupants Sunday morning of a 1946 Ford station wagon and a 1945 Ford which collided at Bozar, was revealed this week by Sheriff Wiley Mahan.

The station wagon, occupied by Robert Carter, 25, and Trent Carter, 12, of Dallas, was heading north and turned into Bozar station. The other automobile smashed into its side. Passengers in the Ford were a Mr. Johnson, 51, Mrs. Johnson, 47, and Billy and Stanley Johnson, 18 and 15, of Baird. One boy received three broken ribs and another received face cuts.

Mrs. Chas. Rudd returned home Sunday from a two-weeks stay in the hospital in San Angelo where she had been taking treatments.

Mr. and Mrs. Ivan Spinks and children returned to their home at Lenders Wednesday after several days visiting relatives in Goldthwaite and Mills county. Miss Joan Spinks returned home with her parents after her vacation with relatives.

OLD MAN 100-

(Continued from front page)

INCOME TAXES— Last Monday was last day for 2nd payment, if any, on your 1947 income tax. That wasn't any joke, and this may not be either—but The Old Man sent in his income tax of \$22.21 and two months later got a notice back that he owed \$22.22. The Old Man mailed them the extra penny promptly. Also, a sailor was expecting an income tax refund of \$23 and was surprised when he got a check for \$55.55, which the tax people hastened to explain was a mistake. Again, a man in jail for a holdup found out the money he had stolen had been ruled "Taxable income" and spent all his saddened time wondering what would happen to him if he didn't pay.

TIMES DO CHANGE Now during the depression some men would go around to the stores here in Goldthwaite, buy a dime's worth of stuff, pull a 20 buck bill on the poor store man who couldn't change it, and walk out to the next place with the 20 in hand. They're doing the same thing here now—only on a larger scale. The 7th reports she was in a store this morning when a man walked in, bought a dime's worth of sinkers to go fishing with and pulled a 1000-dollar bill to pay for it. He had to walk out with it because the storekeeper had just that morning changed a 500 one for a man who was trying the same trick. Now the 7th wants the Old Man to give her a 1000-dollar bill for a sort of souvenir—but the Old Man was short the first hundred and the figure she got was a 6-dollar bill.

WEATHER REPORT Now people don't pay the Old Man any attention a-tall when the weather is just right and the rain comes when and if needed—but just let it get hotter and drier—like as is—and his many, many readers (well, at least one) jump on him and try to make him predict up a good rain, which they say will be needed in the next few months, if not right now. Old Man Hammett always this time of year waits to wait until the grain is harvested before starting his rain predicting, and sometimes it takes several weeks or months after he starts for the rain to begin falling on the many just and unjust around here. And that'll be too late to help the corn crop, gardens and grass. Anyway, the Old Man is trying to sweat a duller raise out of the Big Boss.

This ain't original, new or funny either. The Old Man has just successfully passed another Friday the 13th, and is sure pepped up because he has always noticed if he was alive after June 13 he always lived the rest of the year out.
