THE BOSS IS NOT RESPONSIBLE FOR WHAT OLD MAN 100 SAYS IN THIS COLUMN - NEITHER IS THE OLD MAN. IF YOU GET MAD, COUNT AT LEAST A THOUSAND BEFORE YOU SHOOT OR BEAT HIM UP - THE BOSS!

TRADE AT HOME (2)-

(Continued each week). Last week when the Big Boss told the Old Man to start a Buy at Home campaign in his column that would get results before this town dried up and blew away for lack of moral support, or something, the Old Man couldn't think of nothing much to say except to tell the 7th to quit ordering them dresses from them Jew stores in Dallas. Then the Boss told the Old Man "or else" and the Old Man told the 7th "or else." The Boss says several businessmen here are figuring on moving their stores to Brownwood thinking they could catch more Mills County customers there than in Goldthwaite—if the Old Man didn't sorter shame our citizens into trading at home. Also, the Stinky Boss owns property here and says if people trade away from home very much Goldthwaite will soon get to be as big as Mullin and the Boss' property won't be worth nothing hardly at all. That don't bother the Old Man any—his handy shank with them modern conveniences at the far edge of town ain't for sale noway. In fact, the Old Man has been looking for the owner for 15 years to get him to put on a new roof. But when the Boss added that "or else" the Old Man has sure been thinking some and here's what he think up on the thirty-third think: The Old Man figures on starting a "BAH" Club for short—and here it have some regular officers. He'll get his spies to find out who is the biggest BAH in the county (the person that sends the most money out of the county to buy things that he could BAH here cheaper and better), and he'd be the head man of this new club, called the Big BAH. Other Big Shots in the club would be: BAW, buy at Waco; BAB, buy at Brownwood; BAD, buy at Dallas; and BAA, buy at Austin, is what the ones that BAH here in Mills County would have to ride if we ever joined the club. After you read who these BAH Club shots are in this column soon, when you meet them on the streets you are supposed to give the Secret Sign (place both thumbs in ears and wiggle fingers vigorously) and say loud-like: BAH, BAW, or BAA, which ever one you meet. Better practice up saying them out loud, as if you called a BAW a BAA, or vice-versy, somebody might get offended. The Old Man's ready figured out he's the BAA in this here BAH deal. More anon. BAH, BAH, now. (To be continued or discontinued next week at the Boss' pleasure).

TURTLE RACE-

The Old Man has jest heard that the Lions Club here is going to put on a turtle race here on August 5, right after the "Appreciation Day" show on the court house lawn. They haven't worked out all the details yet, but one of these turtle races is worth coming miles to see. Better start training up your turtle and win a prize at the race.

THEM AIRPLANES-

Some of the Old Man's friends have been trying to get him to go up in one, but he hasn't gone up in any plane yet. He suspicions that some of them friends might shove him out at about 10,000 feet. The Old Man heard this week of a man 52 years old that took his first plane ride last Sunday and Hugh Moreland says he enjoyed it very much but was sorter glad to get back to terra firma again—the firma the terra the less the terra.

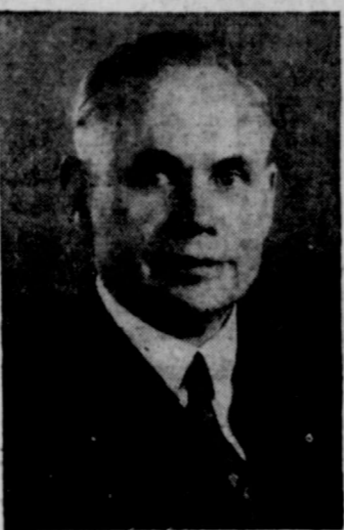

MORE FAN MAIL-

Old Man Hunnert is swelled up some this week—he got two letters from two mighty big men, Congressman Clark Fisher, who will be here soon after Congress adjourns and has been invited to address a Ladies' Night Lions Club meeting early in August; the other letter was from the Rev. D. A. Bryant, who moved from here to Mexia while back. He wrote the Old Man where he read the bank statement last week where us Mills County people had nearly 3 million in cash on deposit, but says it must belong to somebody else besides Baptists, as they spent all their money building the new Baptist Church which Bro. Bryant says he hung around here and watched it be-

MILLS CO. BAPTIST TO CONDUCT SIMULTANEOUS REVIVALS

The Baptist Churches of Mills County will conduct revivals in all the Baptist Churches in the County beginning Sunday, August 3rd. Rev. Charley Jackson, state evangelist, will direct the cooperative effort and do the preaching in the meeting of the First Church, Goldthwaite. Rev. Jackson is no stranger to this section of the state. He will be remembered as a Goldthwaite boy whose parents still make this their home. This will be the third meeting for Rev. Jackson in this city. He will arrive here for the meeting about August 2 to get plans completed for the county-wide effort. Announcements as to the hours of services, the churches participating and the helpers used will be made later.

REV. CHARLEY JACKSON

Leaders of the Goldthwaite Church urge that this date be held open and that the meeting be made an object of prayer. The Goldthwaite Church is without a pastor. The newly airconditioned auditorium of the church will be ready to accommodate the crowds in comfort. A most cordial invitation is extended to all to join in the services for the two weeks beginning August 3. Hear this "Local Boy Who Made Good!"

UNCASHED VETERAN CHECKS ARE TO BE CANCELLED AUG. 1

Uncashed readjustment allowance checks, outstanding six months or more, will be cancelled August 1. R. E. McCrary, Manager of the Texas Employment Commission office in Brownwood today warned veterans in the Goldthwaite area. Veterans' checks for both unemployment and self-employment will be affected by this new order.

Mr. McCrary has just received The Employment Commission is acting on new orders from the Veterans Administration in Washington. As Texas agent of the VA, the Commission administers Title V of the G. I. Bill of Rights. Title V provides financial aid to unemployed and self-employed veterans.

Mr. McCrary has just received notice from the State Office of the Commission in Austin that checks six months old or older will no longer be valid after the first of August. He suggested that all veterans having such checks in their possession immediately cash them.

He said there were no existing records showing how many checks were outstanding in particular localities but that throughout the State more than 2,000 warrants, unless cashed this month, would be affected by the Veterans Administration order.

Mr. McCrary said that the Commission was trying to give the veterans a break by giving them advance notice of the August 1 action. It is imperative, he explained, that veterans holding six-months-old checks cash them immediately.

REV. HARVEY MYRICK AT FIRST BAPTIST SUN

Rev. Harvey Myrick and wife formerly of Texarkana and now of Waco will be at the First Baptist Church Sunday. Rev. Myrick will do the preaching for both Sunday morning and evening services.

Everyone is cordially invited to come and hear these two sermons.

WARREN DUREN, Chairman Pulpit Committee.

MR. AND MRS. JESSE COCKRUM TO BE ON RADIO PROGRAM

Mr. and Mrs. Jesse Cockrum will travel to Fort Worth Saturday as guests of the millers of Gold Chain Flour to appear on their program Gold Chains Golden Couple Sunday afternoon, July 27.

Mr. and Mrs. Cockrum will be the one hundredth and seventh couple to appear on the program which each week honors couples celebrating their Golden Wedding Anniversary. During the program Mr. and Mrs. Cockrum will tell of how they first became acquainted and started keeping company and the romance which culminated in marriage July 21, 1897.

Mrs. Cockrum will advise the young ladies of the audience that it is bad policy to chase a man if you really want him. And that after getting a husband the best way to keep him happy is to keep him well fed. The Cockrums are the parents of five living children: Mrs. Fay Eckman of Grand Prairie; Clyde Cockrum of Goldthwaite; Mrs. Meiba Voelker of Meynard and Mrs. Joyce Howard of Goldthwaite. There are eight grandchildren in the family.

AIR CONDITIONERS INSTALLED AT FIRST BAPTIST CHURCH

The First Baptist Church of Goldthwaite this week installed new air conditioners and the auditorium is now comfortably air conditioned for all Sunday services and for all other occasions that might be held there. Everyone is invited to come for all church services and enjoy them in cool comfort.

It's two boys for T-Sgt. and Mrs. Virgil (Willie) Reed. Donald Lee, five-pounds and eight-ounces and Ronald Dee, five-pounds and 16-ounces, arrived July 8th at Lima, Peru, South America. Their mother is the former Tiny Long and their grandmother is Mrs. Henry Ezzell.

EDUCATOR SUGGESTS TOUR OF TRAFFIC OFFICES TO SHOW TEEN AGERS 'SAFETY IN THE MAKING'

Driver of the car in the ditch failed to yield the right-of-way, even to an ambulance. He ran through a plainly visible stop sign, directly into the path of the ambulance, and was knocked across the road. Driver was killed, and a passenger was injured. Emergency vehicles always have the right-of-way—but at other times, too, it pays to be cautious at intersections. Failure to grant right-of-way ranked second as a cause of motor vehicle deaths in 1946. National Conservation Bureau advises: when in doubt, always yield the right-of-way.

By ROSCOE L. WEST

Chairman, National Commission on Safety Education

A million and a half new drivers will get behind the wheel this year. Almost all of them will be teen-agers in their third or fourth year of high school. Unless the nation's educators responsible for the training of these youths recognize the importance of safety education the new drivers will be a million and a half potential menaces to life and limb on our streets and highways.

Not only is there a responsibility for establishing driver education in the schools, but it is important that once such courses are inaugurated they be conducted in such a way as to enhance the interest of the students. The most desired type of training is actual behind-the-wheel instruction with dual-control training automobiles. Many school systems cannot yet afford such equipment, however. For them there is an alternative in conducted tours of safety and traffic agencies.

Field trips have a terrific effect on the teen-agers' minds. They see people actually working on meaningful problems. The facts are there before them, and seeing is believing.

Teen-agers are much more interested in taking an active part in things they know about and understand. This basic principle can be applied to their present record in traffic accidents. They may be aware that their record as drivers is the worst of any age group, and that casualties are mounting at a serious rate, but they aren't going to feel personally responsible for bettering their traffic record unless they have an understanding of what the traffic problems are and what can be done to solve them.

A well planned field trip might open the eyes of teen-agers and show them how they can improve their record. Let them see how their city or state copes with the traffic problem.

There are several city officers or state departments that would be well worth visiting on such a field trip. A few of the more important are the traffic court, the highway department, the traffic engineer's office, and the accident record bureau.

While considering such a project, it is well to be informed about the sorts of things encountered in viewing traffic problems "from the other side of the fence."

In the highway department, plans are being drawn and studied for new construction and improvement of existing roads. Data on traffic volume, origin and destination of traffic, costs of rights-of-way and materials, and selection of

LARGE CROWDS ATTEND WEST CROSS TIMBERS SHEEP & GOAT SHOW - SALE HERE WED. - THUR.

As a result of an extensive advertising campaign and interest of sheep and goat raisers from 35 counties in the West Cross Timbers area, a large crowd of stockmen and spectators attended the fourth annual West Cross Timbers Sheep and Goat Sale at Legion Park here Wednesday and Thursday.

A highlight of the show Wednesday was a state-wide broadcast by Murry Cox (roving farm editor) for WFAA-820, during which time he interviewed men associated with the show and sale. Among those was Doc Hodges, a sheep raiser who owns 12,000 acres near Ranger. Hodges, who lives at Garden City, is the president of the organization. Local men interviewed were Luther Jernigan, Vice-President of the association, and Hollis Blackwell, wool dealer. Jernigan raises goats on his ranch west of Goldthwaite. He stated that the show was better than the one held last year and expressed appreciation to the many persons who had helped make arrangements for the show and sale. Supporting these arrangements was an advertising committee composed of Dr. T. C. Graves, local dentist, and L. F. Bain, head of the Mills County Triple-A. Chairman Bob Steen headed the arrangements committee with assistance from Howard Campbell and Jesse Moreland. Luther Jernigan was placed in charge of arrangements for the Barbecue scheduled for noon Thursday.

The following is the result of the show Wednesday afternoon: SHEEP—Delaine Rams 2-years and over; first place went to C. F. Sappington; second, Owen Bragg; third, W. E. Dittmor.

Delaine yearling lambs; rams—first, Joe Lemay; second, Clyde Glimp, Lometa; third, Owen Bragg.

MURRAY COX - RFD

Murray Cox, who broadcasted from the West Cross Timbers Sheep and Goat Raising Association's show and sale here Wednesday, is well-known throughout the Southwest for his agricultural program "Murray Cox-RFD", heard over WFAA-820 Dallas, at 12:15 p. m., Monday through Friday.

A native Oklahoman, Cox is the son of a retired cotton gin, farmer and business-man. He graduated from Oklahoma A & M at Stillwater and is thoroughly schooled in agricultural methods and management. One brother, Maurice, is a professor at Oklahoma A & M and head of Agricultural Engineering Experiment work, while another brother is District Agent for the Production and Marketing Administration Unit at Stillwater. As farm agent of Stephens County, Oklahoma, Murray Cox was rated by Stillwater Oklahoma Extension Division as one of the top-notch agents in the state.

Except for assisting Edd Lemmons of WKY, Oklahoma City, with on-the-spot broadcasts at Duncan, his former residence, Cox hadn't any previous radio experience when he accepted the post of radio farm program director at WFAA, Dallas in April of this year. Since that time, Cox has built up a very

large following for his radio broadcasts, on which he features the plain dirt farmer who is making progress of some kind or doing something different in agriculture. In addition to the studio broadcasts, Cox makes many field trips visiting farmers throughout the Southwest. He covers special events throughout a wide area, using a WFAA-mobile unit and wire-recording system for on-the-spot broadcasts.

SEED SAVING
College Station, JULY 2—Horticulturists of the Texas A. and M. College Extension Service believe that the many new and inexperienced gardeners in Texas now may be interested in some pointers on saving vegetable seed.
Seed saving, say the horticulturists, is commonly practiced among experienced Texas gardeners only on such vegetables as okra, corn, beans, peas, squash, cucumbers, cushaw, tomatoes, pepper, lettuce, mustard, eggplant, cantaloup, watermelons and sweet potatoes. Cabbage, beet and carrot seed will not mature in less than two years time. Seed saving on those

WALT DISNEY'S 'SONG OF THE SOUTH' BLEND DRAMA AND FOLKLORE

MANAGER'S NOTE:— Every once in a while there comes a picture that's so outstanding that I would personally like to tell every man, woman and child about it. Such is true about "Song of the South"—and "Pursued," they can't be beat—All I can say is come and see.—PHILIP NICKOLS.

Called Walt Disney's most intriguing screen achievement, exceeding in audience appeal his former feature productions, "Song of the South," in Technicolor reaches the screen as his first live-action dramatic musical. Coordinating a story enacted by human characters with parallel sequences by animated art characters, the human factor is stressed in a heart interest story. The animated episodes introduce a pictorial treatment of Joel Chandler Harris' "Uncle Remus" tales with enchanting effect.

Once, at least, in many a youngster's growing years, he has the impulse—and sometimes the courage—to run away from home. He feels abused, misunderstood, unloved or represents some great "injustice" heaped upon him by an adult and dictatorial world. It is here that "Uncle Remus, Joel Chandler Harris' celebrated tale teller, begins to dominate the plot, pointing a moral with his stories to lift the downcast hearts of a little boy and a little girl, and their little Negro friend, James Baskett, until now unknown to the motion picture screen, makes a sensational debut in the Uncle Remus role.

The production is enhanced with many musical numbers, which have taken the air waves by storm. They include "Zipadee Doodah", the theme number "Song of the South", "Everybody's Got a Laughing Place," "Uncle Remus Said," "Sooner or Later" and "How Do You Do?", with the incidental numbers "Let the Rain Pour Down," "Look At That Sun" and "Who Wants to Live Like That".

"PURSUED" AT MELBA RARE FILM ACHIEVEMENT

A penetrating and exciting glimpse into the majestic, gun-toting west of 1900 awaits those who visit the Melba Theatre where Niven Busch's "Pursued" a Warner Bros. release production by United States Pictures, will show Tuesday and Wednesday. Starring Teresa Wright and Robert Mitchum, the rough and ready, suspenseful melodrama alive with adventure and romance also boasts a superb supporting cast that includes Judith Anderson, Dean Jagger, Alan Hale and a talented young newcomer, John Rodney.

"Pursued" is the two-fisted, turbulent tale of the southwest when it was young, and of Jeb Rand (Robert Mitchum) who was persecuted and stalked by an unforgetting and unknown avenger, Jeb, raised by Mrs. Medora Callum (Judith Anderson) shares love and warmth with the two Callum children Thelma (Teresa Wright) and Adam (John Rodney).

When Jeb matures, he and Thor confess their love for each other, as he enlists to fight in the Spanish-American War. Returning as a hero, Jeb quarrels bitterly with his foster-brother, who later is killed by Jeb.

Continued persecution by unseen enemies embroils Jeb in further gun battles and ever-present fear for his life. How he is able to recapture his love and emerge free from mental torment, makes for vivid and absorbing screen entertainment.

SCALLORN

By MRS. ORA BLACK

A happy surprise awaited Mrs. Lara Maund Sunday morning when Mr. and Mrs. Marvin Laughlin drove over from Lometa to take her over to Stephenville for the day where she spent it very pleasantly with her two sisters, Mrs. Albert Hereford and Mrs. E. J. Ward. It will be remembered Mrs. Maund has untiringly attended at the bed side of her mother, Mrs. R. D. Evans, for the past four years and we declare she needed a day off.

Visitors in the home of Mr. and Mrs. Fields Hines Sunday were Mr. and Mrs. Mohler Simpson and children, and Mrs. D. L. Wheeler, all of Goldthwaite.

A guest this week in the Dee Jones home is his aunt, Mrs. Lizzie Moore of Albany.

Mr. and Mrs. Frank Hines and Greta Sue visited in Santa Anna one day last week with Mr. and

Mrs. John Allen Todd and son Richard.

The writer spent Friday visiting in Brownwood with her sister, Mrs. S. M. Black, and family.

Mr. and Mrs. James Teague of Bertram were week-end guests here of Mr. and Mrs. C. H. Black.

Janie Ruth, Jimmy Rita and Mohler Wheeler - Simpson of Goldthwaite are guests this week of Mr. and Mrs. Fields Hines.

William and Virgle, sons of Ed Evans, returned here to their home Sunday after having spent two weeks visiting relatives in Fort Worth and Stephenville.

Monday evening guests of Mr. and Mrs. Fields Hines were Mr. and Mrs. Jack Maxwell, Mr. and Mrs. Bill Barker and Mr. and Mrs. John B. Sampley of Lometa.

Mrs. Ora Black and son Billie visited near Mullin Monday, with Mr. and Mrs. Charles D. Wright.

Mr. and Mrs. Frank Hines and Greta Sue went over to Adamsville Tuesday for an all-day visit with Mr. and Mrs. Joe Townsend and Mr. and Mrs. Walter Willy. The ladies are sisters of Mrs. Hines.

Rev Cloud of Brownwood will be here Sunday for his regular appointment.

Sykes-Wikerson Vows Repeated In Strawn July 4th

In a double ring ceremony performed in Strawn at mid-morning, Friday, July 4, Lenora Ruth Sykes, daughter of Mr. and Mrs. Albert Sykes, became the bride

of Joyce C. Wilkerson, son of Loyd Wilkerson and Mrs. Myrtle Noe of Houston.

Rev. Chester Wilkerson, pastor of the Strawn Methodist Church and uncle of the groom, read the impressive ceremony before a few close friends of the couple.

For her wedding, the bride chose a navy blue crepe frock trimmed with pink crepe and madallan fashioned with a high neck, short sleeves and a drape skirt. She wore a navy blue taffeta hat and other accessories were navy. Her colonial bouquet was of pink roses and white carnations showered with white satin ribbon and rose buds.

She carried a linen handkerchief made by her great-grandmother and carried by her mother at her wedding. For something borrowed, she wore a bracelet belonging to Doris Coley.

Attending her sister as maid of honor, Mary Margaret Sykes, wore a pink crepe dress designed with a round neck, cape accessories were white and her sleeves and pleated skirt. Her corsage orchid asters.

Alton Jones attended the groom as best man. Others present were Doris Coley, Eugene Barker, Earlene Fitzgerald of Dublin, Mrs. Chester Wilkerson and her son, C. A.

After the ceremony a wedding breakfast was held in the Windsor Hotel in Abilene.

Mr. and Mrs. Wilkerson attended the local schools graduating with the class of 1942. She attended John Tarleton Agricultural College in Stephenville, where she was a member of the AWS and JTAC staff. After her graduation she has been employed in Winters and is now associated with The Winters Enterprise in an editorial capacity.

Serving in the Navy in the Pacific Theatre for over three years, Mr. Wilkerson is now employed by the Lone Star Gas Company in Ballinger.

After a wedding trip to Denver, Colorado and other points of interest, the couple is at home in Winters.

Mrs. Wilkerson was born in Goldthwaite and is the granddaughter of the late Mr. and Mrs. H. A. Sykes Sr. and Mr. and Mrs. B. F. Hudson. Her many relatives and friends here wish for her and her husband a long life and a happy one.

J. W. (Woody) Traylor Dead

Following an accident some time ago, Woody Traylor died in the Medical Arts hospital in Brownwood at 9:30 a. m. July 21. Joshua Woods Traylor was born April 27, 1905 in Mills County. He was converted and united with the Rock Springs Baptist Church in 1925. On May 31, 1924, Mr. Traylor was married to Mamie Robertson. In 1936, he was ordained a deacon in the church.

His father, J. M. Traylor, preceded him in death. He is survived by his wife, two children, Mrs. Christine Sparkman and Mrs. Greta King; one grandchild, Terrell King; his mother, Mrs. J. M. Traylor, Goldthwaite; five sisters, Merna Traylor, Goldthwaite; Mrs. Marion Robertson, Hamilton; Mrs. Burl Turner, Brady; Mrs. A. D. Kirk, Lake Jackson; and

Mrs. Shirley Nickols, Goldthwaite; one brother, Oliver Traylor, Goldthwaite.

Lt. Raymond King, Traylor's son-in-law, is now serving with the army in Japan. Services were held at the home of his mother Tuesday afternoon. Interment was in Rock Springs Cemetery. Rev. J. C. Wade was the minister in charge.

OPEN HOUSE IN BROWNWOOD JULY 31

An "Open House" will be held in Brownwood, July 31 to which every citizen in Central Texas is invited. The Open House will feature a "Pet and Doll Parade" at 10:00 a. m. and a Bathing Beauty Contest at five o'clock in the afternoon.

Cash prizes will be awarded to winners of both the Parade

and the Bathing Beauty Contest by the Brownwood Chamber of Commerce sponsors of the Brownwood Open House.

In the Pet and Doll Parade, every boy and girl under the age of 16 that has a pet is urged to enter. The prize will be awarded on the pet or doll. The pets can be anything that can be carried or led. The Parade will form at the corner of Flisk and Austin Avenues, and be led by the Old Gray Mare Band followed by the Horsemen's Club of Brownwood. The Parade will march down Flisk to the Courthouse over to Center, down Center and finally disband at the Post Office. The Judges stand will be set up in the 200 Block on Center Avenue.

The Bathing Beauty Contest, which will be held in the afternoon, will give cash prizes to one Brownwood girl and one out-of-town girl. This contest will be held on Center Avenue in front of the Lyric Theatre in order that the Dressing Rooms at the Theatre may be used.

Any merchant desiring to enter a float in the parade or a girl in the Bathing Beauty Contest is cordially invited to do so. Any young lady may enter the Contest if she so desires. To enter, contact the Chamber of Commerce in Brownwood.

TROOP II

CARNATION TROOP II Carnation Troop II met at The Little House July 21, 1947. Sylvia Jones made a report about the Patrol Leaders meeting last Thursday. During this meeting we decided to take up The Foot, Traveler's Badge and Explorer's Badge. At our meeting this time we did No. 1 on our Foot Traveler's Badge.

which consisted of how a hiker stands, walks, breaths, and dresses. We also demonstrated the Girl Scouts pace.

We closed by singing our hiking song.—Asst. Scribe.

Goldthwaite Couple Married Saturday

Jack Hightower and Aline Bird, both 1947 Goldthwaite High School graduates, were married Saturday July 19, at Brownwood by the Justice of the Peace.

At the present time they are living in Goldthwaite.

The bride is the daughter of Mr. and Mrs. Thurman Bird of Goldthwaite.

Mrs. Elizabeth Ratekin, 87, Passes

Mrs. Elizabeth Ratekin, 87, of Goldthwaite died July 19. She was born November 28, 1859, in Callaway County, Missouri. She moved to Goldthwaite in 1935 and resided here until death.

In early life, Mrs. Ratekin was converted and united with the Methodist Church in Missouri and with the Nazarine Church of Goldthwaite.

Preceding her in death was her husband, J. L. Ratekin, who died in 1914. Mrs. Ratekin is survived by two sons, Jno. G. Ratekin of Kansas City, Missouri, and Erving Ratekin of Goldthwaite; three granddaughters, Miss Nellie Jo Ratekin and Juanita Lundy of Dallas, Mable Ruth Inlew of San Diego; one brother, J. W. Griffin of Missouri; two nieces, Mary Goings, Dallas, and another of Tebbets, Missouri.

Mrs. Ratekin was buried July 21 at 2 p. m. Funeral services were conducted at the Nazarene Church of Goldthwaite and interment was in Lower Big Valley Cemetery. Rev. Jim Ashcraft was in charge of the services. Hymn suggestions were "Near My God To Thee," and "Rock Of Ages."

FARM AND RANCH CHATTER

WITH LAYNE BEATY WBAP
6:00 AM Week Days—10:15 AM Sundays

FARM AND RANCH CHATTER For the first time in its history the famous calf scramble vents at Houston's Fat Stock Show next February will feature dairy calves.

This writer has finally stopped to look at one of the big contraptions which picks up box cars and "shakes the grain out." Actually, the unloading is done by tilting, first sidewise, then endwise simultaneously, back and forth until the car is completely empty. Two men can unload a car of wheat in eight minutes. By the manual method, it usually takes that long to get the grain doors out of the way. Several of the big machines are working in Texas now to speed up storage of the bumper wheat crop, more will be installed.

Meanwhile, we hear that 22 million acres of wheat is piled on the ground in the Texas plains and Panhandle because

of lack of adequate local storage facilities, and not enough rail cars to move the crop as fast as needed.

In 1933, the daughter of Dave Pierce died in northeast Louisiana, of leukemia, attributed by doctors to malnutrition, or improper minerals and vitamins in the diet. Dave believed that the eroded soils of his neighborhood somehow were responsible for the girl's death, so he has devoted himself to a study of malnutrition, soils, and a gallant campaign to improve the health conditions of the Louisiana people by improving the soil.

He is now chairman of the agriculture committee of the Louisiana House of Representatives. This year the legislature is appropriated \$400,000 to

districts in the purchase of equipment, etc., to do needed soil conserving work. The first annual appropriation was \$192,000, three years ago.

Mr. Pierce accompanied the Louisiana bankers (168 strong) on their soil conservation studying tour of Texas, Oklahoma, Kansas and Arkansas last week.

We are told there are 350 squirrels to a gallon of milk in the milk barn. At current prices, 14 squirrels are worth one penny. Let's be sure and hit the pail.

Miss Kate Lowrie of Post and Mr. and Mrs. O. E. McClendon of Lubbock were week-end guests of Mr. and Mrs. Harry Allen.

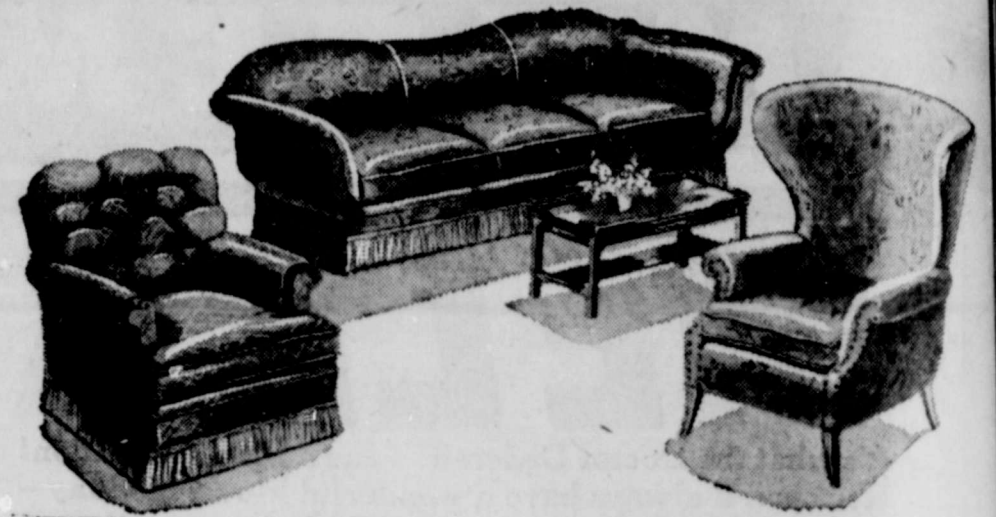

CHRISTIAN SCIENCE SERVICES

"Truth" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, July 27.

The Golden Text is: "O Lord, thou art my God; I will exalt thee, I will praise thy name; ... thy counsels of old are faithfulness and truth" (Isalah 25:1)

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "He is the Rock, his work is perfect; for all his ways are judgement; a God of truth and without iniquity, just and right is he" (Deuteronomy 32:4).

Swing Of Southwest Farm Markets

Many southwest farm markets developed easy spots last week, although the general trend of most commodities continued steady to strong, according to the Production and Marketing Administration, U. S. Department of Agriculture.

Cotton climbed to twenty year record levels of around 39 cents per pound or more last mid-week, but dropped back by Friday for net losses of \$3.00 to \$10.00 per bale. Spot activity increased, as new crop harvest progressed well in South Texas.

Winter wheat harvest made rapid progress in the Great Plains area last week. Inadequate transportation and storage forced millions of bushels to be piled on the ground in Texas, Oklahoma, and Kansas. Heavy

buying for export held losses to 6 cents. Friday's close stood near \$2.37 per bushel for No. 1 hard at Fort Worth and Galveston. Corn eased under favorable weather reports; and sorghums dropped 15 cents.

Best candied eggs sold firm to slightly stronger last week. Easter undertone developed on current receipts and under-grades following government announcement discontinuing purchases of dried and frozen eggs after July. Poultry held about steady. Heavy hens sold at 23 to 25 cents per pound at Fort Worth and Dallas.

Cattle prices receded late last week from the mid-week highs, but closing sales held mostly from about even with a week earlier to as much as \$1 or more

higher. However some spots netted losses up to a dollar for the week.

Hogs advanced generally around 50 cents to \$1 or more in last week's trade. Good and choice butcher hogs reached \$26.25 at San Antonio.

Most sheep sold steady to \$1 higher last week, but spring lambs netted losses at Oklahoma City and Wichita, and feeder lambs fell lower at San Antonio.

MULLIN MAN WINS GLIDER WINGS

T-5 Charles Utzman has recently won his glider wings at Carleus Field, near Camp Schmeppennig, Japan. He was awarded his wings after he completed the required training of a gliderman satisfactorily.

T-5 Utzman is the son of Mr. and Mrs. A. H. Utzman, of Rt. 1, Mullin, Texas.

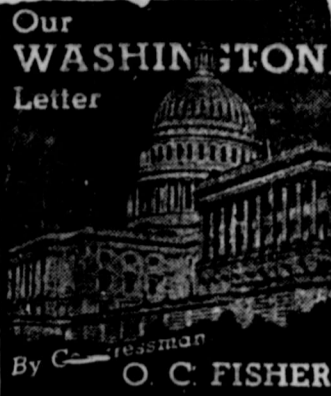

The glider training which T-5 Utzman received just recently was in conjunction with the parachutist training he received last January. He is now both a qualified gliderman and parachutist. The army feels that this is necessary so that he may participate in any type of Airborne operation.

T-5 Utzman entered the Army at Fort Worth, Texas, on the 15th of August 1946. He received his basic training at Fort McClellan, Alabama. In December, 1946, he arrived at the Fourth Replacement Depot here in Japan and volunteered for parachute duty there. After a few changes he was assigned to Company "E," 188th Parachute Infantry Regiment. His job is Company Clerk.

Prior to entering the Army, T-5 Utzman was a student at Mullin High School and after receiving his discharge he plans to attend some undecided college.

Texans bought \$97 million dollars worth of U. S. Savings Bonds is reported to be ten times more powerful than DDT against certain insects.

The best reason for knowing enough to come in out of the rain is not to keep from getting soaked but to avoid being struck by lightning.

Looking to a recess on July 26, both the House and Senate worked long hours last week to pass money bills and other measures considered to be urgent.

The second tax bill veto was overridden in the House but sustained in the Senate. That probably means no tax relief before 1949. If the second tax reduction measure had become law, it would have become effective on January 1, 1948, and would have reduced the tax rate by a margin of 30 per cent for the lowest income group up to 10.5 per cent for the highest income group. Although I was not entirely pleased with the bill, I supported it because I believe that by next year the high wartime tax rate should be slightly reduced.

The President gave, as his principal reason for the tax veto, the need for spending billions of dollars in Europe during the next few years. But Uncle Sam should act within reason and limit foreign aid to friendly countries and in worthy cases of actual need to those who are doing everything within their own power to help themselves. That way, the bill won't be so high.

The Senate is due to act before adjournment on the bill passed by the House to make the terminal leave bonds held by our ex-service men payable in cash. I think the veterans who own these bonds should be permitted to cash them if they desire. We pay a rather high interest rate on the bonds and it will be good business to pay that much on the public debt.

Two weeks ago, in this column, I quoted from a statement I made in a National Radio Forum broadcast regarding the admission of 400,000 of Europe's so-called Displaced Persons. I urged that our present immigration laws be maintained and not relaxed, and opposed allowing the 400,000 to come over and above present quota allotments. Following the broadcast, I received a large number of letters from all over the Nation. Most of the letters commend my stand. A few, especially from New York, were otherwise. One New York woman wrote: "Your hard, metallic voice resembled your heart."

A letter from an Army Colonel said: "As for admitting Displaced Persons, I think you are certainly on the right side. In the large zone that I occupied with my regiment in Westphalia after the fighting was over, I had over 100,000 displaced Russians and eastern Europeans and I saw practically all of them. I can assure you that they were definitely 'riff-raff...'"

Another letter in point from Marshall Brown of Harper, reads: "I read your weeny letter in the local paper concerning the bill... for Europe's Displaced Persons, and I agree with you 100 per cent. Three months of the time I spent in Germany, while serving in the Army, was spent with a Military Government unit. On several occasions I worked with UNRRA in transporting these Displaced Persons to rail heads for shipment home and apparently they were of very low character... both mental and moral... The things I saw over there is the reason for my firm stand to keep that type of people out of America."

To the same effect have been scores of other letters I have re-

Mills County HARDWARE

ceived, many from war veterans who dealt with Displaced Persons while serving in Europe.

Last week, I took part by invitation in a weekly forum and debate before the student body at Catholic University in Washington. The subject pertained to labor relations and the appli-

cation of the Taft-Hartley Act. On the other side was Gerhard Van Arkel, until recently general counsel of the National Labor Relations Board. Also during the week, I addressed the Texas A. and M. Ex-Students Club in Washington at their monthly dinner. Mr. James A. Williamson, formerly on the A. and M.

faculty, now with the Department of Agriculture, is President of the local group and Congressman Olin Teague of Bryan is Vice-President.

GOLDTHWAITE GIRL SCOUT COUNCIL RAISES FUNDS FOR THE 1947-48 WORK PROGRAM

A drive for funds to carry on the Girl Scouts Program for the next twelve months has just been completed here. Under the direction of Treasurer and finance chairman, F. D. Reynolds, with full cooperation of his committee members, Jack Reid, Mohler Simpson and Aubrey Hudson, it was a very successful campaign. A total of \$433.96 was collected.

A district director will be here soon to train leaders for Girl Scout Work. We would like to have every mother of Scouts in Mills County, as well as those who are interested in Scouting, to attend all of these classes.

1947 is Girl Scouts 35th anniversary year. The major effort of the entire organization throughout this year is recruiting of more adult leaders, other volunteer workers and more professional workers. There are many more girls in Goldthwaite and Mills County who would be Girl Scouts if we had

leaders to form new troops.

We have passed through National Home Accident Prevention week. Security statistics says of the 300,000,000 weeks lost each year through injury or sickness in the U. S., 73,000,000 of them are lost by the 28,000,000 housewives.

One of the major factors in the teaching of Girl Scouts (our future housewives) is health and safety. Only through training out future generation can this program be avoided.

If you have a daughter between the ages of 7 and 15, and you would like for her to be in scout work, contact the Commissioner, Mrs. R. L. Steen before September 1.

To all who so generously donated to The Girl Scout Fund, we want to thank you and if you were not contacted and wish to give to this cause, see Mr. Reynolds.

Establishment of world peace is the most important problem facing the United States in the opinion of Democratic Senator Tom Connally of Texas, above, who is quoted in the July issue of Cosmopolitan magazine as saying:

"The most urgent problem facing the American people today, in my judgment, is the establishment of world peace. Until this is accomplished, the world will remain in a state of uncertainty and insecurity. The governments and peoples of the devastated areas will be unable to readjust their economy and become once more self-sustaining until treaties are signed and hatreds are buried. There can be no lasting prosperity for America with a great portion of the world unable to produce, unable to purchase and depending upon us for the necessities of life."

Put your FAMILY FIRST

THE intention of every man with a family is that his property be passed on to his wife and children at his death. Unfortunately, this doesn't always happen because the family may be the very last to receive a part of the estate property. Funeral expenses, other death costs and outstanding debts have to be paid, and they come ahead of the family.

Thousands of far-seeing men are using our special Jefferson Standard Clean Up Plan to take care of last expenses. This plan will put your family first and assure them of receiving all of the property that you leave. It can also be combined with other Jefferson Standard plans to provide replacement of income. At no cost, ask about our Clean Up Plan today.

TY OR DEATH
out of every ten farmers in the United States will be disabled by injuries during 1947, they give safety on the more attention.

at prediction is made by National Safety Council, has announced the week ending July 20 as National Safety Week.

every day of 1947, 52 farm men will die as a result of accidents, the council predicts on the basis of past years' figures. farm residents will be killed accidentally and 205 injured during the noon hour every day. better safety precautions taken.

The safety council urges farm men to look for the hazards that endanger lives at home, at

work and on the highway; to eliminate as many of these hazards as possible; and to remember that carelessness on the part of any family member can mean unhappiness and even death to the entire family.

By calling attention to farm safety, the council hopes to see a big reduction in such figures as these: four farm buildings destroyed by fire every hour; 4,500 farm workers killed and 300,000 injured in 1946; 186 workers injured by some type of farm machinery, 193 hurt by falls, 104 injured by livestock, and 92 cripples from cuts, falling trees, burns and other smaller accidents.

PRIDDY SCHOOL HELD ELIGIBLE FOR STATE AID

Priddy Common School District was late last week held eligible for State aid under Senate Bill 167, 49th Legislature, by Attorney General Price Daniels. Reconsideration concerning the eligibility of Priddy District and other school districts similarly situated was requested through the office of the Department of Education at the request of Representatives W. E. Healy and Donald Peters.

The opinion written by Assistant Attorney General, Chester E. Ollison, affects also the Edna Independent School District and the Pleasanton Independent School District and renders these districts as well as the Priddy Common School District eligible for State aid.

"Advance-Design" Chevrolet Trucks Make Bow

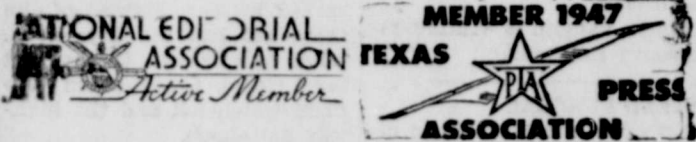

The trucks that will bring true postwar design to the highways of America, Chevrolet's new "advance-design" line of commercial vehicles, will be introduced to the trucking industry June 28 by Chevrolet dealers across the country. Incorporating a variety of new features that assure greater operating efficiency, load-carrying ability and highway safety, the new trucks are said to be more rugged and durable than ever before. First units were built in Chevrolet's Janesville (Wis.) assembly plant, and were appropriately hailed. Here the "Queen of America's Dairyland," Miss Betty Gene Gardner, Ridgeway, Wis., christens the new vehicle as Gov. Oscar Rennebohm, Wisconsin's chief executive (right), and R. W. Podiesak, Janesville plant manager, look on.

THE EDUCATOR AND SAFETY

No one is in a better position to render the youth of this nation a great and humanitarian service than is the educator driver planning driver education in the high school.

Youth is inherently disrespectful of danger. This is not a weakness, but is a typical trait of the human being, particularly so of young Americans because of the freedoms they enjoy.

Traffic accident experience has proved that young drivers, 16 to 20 years of age, are involved in five times as many fatal accidents as are drivers in the 45-60 age group.

To offset our tragic annual loss in lives and property in traffic, we strongly urge acceptance of the principle, based upon the considered opinion of those with long years of experience in accident prevention, that the most effective medium for achievement of a permanent reduction of traffic accidents lies in teaching high school boys and girls the intelligent and safe use of the automobile.

A learned educator has stated: "The chief function of the high school is to teach our young people to do better those desirable things which they are going to do anyway."

THE PLAIN TRUTH

The people of the United States have reached a point where they must face facts. We have been taught to look upon our country as a land of inexhaustible resources. We have lived in sort of a dream world created by our own wishful thinking.

Now we face the Frankenstein we have built. We have found that more wages for less production per man raises prices enormously. We have found that when we loaned money to ourselves in the form of government bonds, interest on that money has to be collected in taxes and paid to ourselves—this in turn adds greatly to the cost of living.

General Eisenhower has now told us in plain language that with the present condition of the world, it is possible we will be in another war within 12 months.

There is only one way the people of the United States can save themselves. As workers we must learn that an increased income can only be made permanent through increased production per man; we must learn that only by work and saving and economy can we maintain a solvent government, i. e., save the money we have "loaned" to ourselves.

Today we are like a giant who has become soft to his own excesses. Unless we correct our method of living, we are simply inviting trouble. We have had our warning. We have seen the inevitable results of policies we have pursued. Are we intelligent enough to correct our errors?

LOOKING BACKWARD

THROUGH EAGLE FILES

TEN YEARS AGO

(Taken from Eagle File of July 30, 1937)

On July 22nd, at Goldthwaite, the family circle of Mr. and Mrs. J. D. Bryan was complete when their ten children returned to the old home for a happy reunion.

Two hundred descendants of George Augustus and Martha Ann House Strickland gathered at Pecan Grove, Coryell County for their family reunion, or the invasion of John W. Roberts of Goldthwaite, a member of the family.

Fire about 6 p. m. Wednesday completely destroyed the farm home of Mr. and Mrs. Ira Hutchings north of Goldthwaite. The place is still referred to as the "Pop" Allen place.

Mr. and Mrs. W. A. Ashley of San Saba visited with his brother, L. B. Ashley and family Monday.

J. N. Smith and family visited Mrs. Florence Conner Sunday. Miss Johnnie Weathers spent Saturday afternoon with Frances Powell at Ridge.

The marriage of Mr. I. Z. Woodard and Miss Ietta Featherston was solemnized in a quite ceremony at the home of the bride's parents, Mr. and Mrs. C. G. Featherston, at 9 o'clock Sunday morning, July 25, 1937. The Rev. G. L. Ryan, pastor of the Methodist Church at Center City, officiated.

Mr. and Mrs. Tom Rahl, Mr. and Mrs. Gus Kirby and Lewis Hudson went to Lometa Tuesday to see Jno. Kirby.

Miss Love Gatlin is the owner of a new Ford De Luxe, purchased Tuesday.

Dr. and Mrs. J. B. Townsen and grandson attended the Townsen reunion at Adamsville Sunday.

Mrs. V. C. Bradford, Mrs. McCullough, Mrs. Walter Hester and Mrs. A. L. Whitaker attended the annual bridge tournament at the Perry Country Club at Hamilton Tuesday.

Frank Dennis was taken to Brownwood Monday for an operation.

Jno. Burnett bought the house occupied by O. L. Woody on Fisher Street this week.

William Ivy, Willis Aubrey Crook and Orville Ewens spent two days and nights on the river last week and report a big time and plenty of fish.

Bob Lee and family and T. P. Vaughn and family visited in the E. P. Shelton home Sunday.

Mr. and Mrs. L. J. Gartman entertained the Maytag Sales Force Sunday afternoon at Brown's Creek with a fish fry and barbecue dinner. Other than officials from out of town, Mr. and Mrs. E. C. Teferdiller and daughter, Mr. and Mrs. Teferdiller and son, Mr. and Mrs. W. W. Fox, Rube Hammonds, Mr. and Mrs. L. J. Gartman and daughter, Miss Louise and Miss Leone Riley attended.

Thirty Years Ago

(Taken from Eagle File of August 4, 1917)

J. A. Hester, a prominent business man of Mullin, was here the first of the week serving as a member of the military exemption board.

A. L. Gatlin was among the San Saba fair visitors. He was in business in that place for a long time.

J. T. Prater has bought from Walter Fairman the residence on Fisher Street known as the S. H. Allen place, which is now occupied by F. B. Webb.

W. A. Robertson and family of Comanche County visited Mr. and Mrs. W. W. Johnson in North Brown community.

The De Baum hotel with a barber and tailor shop burned in Lometa about 1 o'clock this morning.

50 Years Ago

(Taken from Eagle File of July 31, 1897)

A great many covered wagons continue to pass through the town daily.

J. J. Mills this week bought a nice bunch of horses from H. A. Atkinson.

Miss Lula Driskill of Baird is in the city visiting her cousin, Miss Maud Driskill.

Last Saturday Sheriff Geeslin received information that Pool, one of the prisoners that broke jail here a few months since, had been arrested and jailed at Georgetown.

Goldthwaite always raises a larger prize for the first bale than any other town in Texas.

B. A. Harris and E. S. Kirby "took in" Lampasas yesterday and you can depend they had a good time.

The market has been glutted the past week with little, sickly, half-ripe watermelons and the doctor will be kept busy for a while.

Albert Wilcox went down to Lampasas yesterday and carried his gun in order to be ready to enter any prize shoot he might run across.

Mr. J. E. Pierce of Denning's Bridge, Matagorda County, and Miss Grace Lawrence of this city were quietly married at the residence of the editor of the Eagle last Wednesday.

Wim Evans and Ed Dickerson were among the Goldthwaite visitors in San Saba last Sunday. They went over to attend the Wesley meeting.

G. W. Tinkie, business manager for Jones Bros., visited Lampasas.

J. L. Lewis and family attended church services at Mullin Sunday.

W. J. Bowler, Dr. Herrington and John Roberts are sympathizing with each other during the absence of their wives, and they all make pitiful looking widowers.

C. P. Bruce has had charge of Lockaby's barber shop this week. Dr. H. A. Magruder, dentist, has opened his dental parlor at Logan's Drug Store.

J. C. and W. S. Street, of Star were in the city Monday and made the Eagle a business call. The baseball boys have decided not to play any more on Sunday.

Wisdom, Understanding For Our Daily Living

LESSON TEXT FOR JULY 27--Proverbs 1:1-5; 3:13-18; 9:9, 10; James 1:3. MEMORY SELECTION--Wisdom is the principal thing; therefore get wisdom; and with all thy getting get understanding.--Proverbs 4:7.

EDITOR'S NOTE: Lesson subjects and Scripture texts selected and copyrighted by International Council of Religious Education, used by permission.

By HAROLD L. LUNDQUIST, D. D., of The Moody Bible Institute, Chicago. EDUCATION is so widespread in our day, and so eagerly sought after, that one might assume that the world would soon solve its problems through the cultural attainments of its people.

Why this is not true appears clearly in our lesson; for it is wisdom that the world needs, and wisdom is quite different from the understanding or memorizing of a mass of facts.

Wisdom teaches us how to use knowledge effectively for the glory of God. We see in our lesson:

I. The Meaning of Wisdom (Prov. 1:1-5).

PROVERBS are pithy, useful sayings, which gather up the wisdom of a people in easily remembered form. They are highly thought of in all nations, but reached their highest development among the Hebrews, because they rightly insisted that they must be related to God and worship of him.

We learn in this passage that they are given to us that we may "know" that we have both wisdom and instruction. The growth of knowledge is always a prerequisite to growth in grace--learn more about God and his precious Word, and you will have more of his grace upon you.

Knowledge must be coupled with discernment (v. 2), which speaks of going beyond and below the surface meaning. This will not be an abstract love of the scholarly, but a practical application of truth to life (v. 3). Wisdom results in right living and proper dealing with our neighbors.

The one who has come to this place is ready to give (v. 4) help to others; especially to the young or those of "simple" thinking, who have not yet reached the place where they can get hold of such things for themselves.

Notice that the wise man does not stop at that point; but because he is wise he goes on to more and more understandings, to further receiving; and giving out of "sound counsel" (v. 5).

II. The Value of Wisdom (Prov. 3:13-18).

THE character of a man shows up in the things he holds to be valuable. Some cannot see beyond gold and silver. Others seek comfort and convenience, and do not wish to be disturbed in their easy ways.

The wise man knows that for real pleasure of the highest type, for peace of mind and heart, for riches that will last and not bring him into either sin or sorrow, there is nothing like the cultivation of understanding and wisdom.

This scripture affords us the opportunity to say a needed word to young people who are being sorely tempted these days to forego their opportunities for an education, and to rush out into the world to make money, more money, yes, the most possible money.

Education seems to be unnecessary, a waste of time and effort. But wait, the years will come and go, and then when it is too late, the realization will come that a golden opportunity was missed, and that doors of usefulness and effectiveness are now closed.

It pays to give time to the cultivation of the mind and of the heart in preparation for life. We are not thinking primarily of the dollars and cents value now, for that is secondary, even though it may be important.

III. The Source of Wisdom (Prov. 9:10; James 1:5).

GOD is the source of wisdom, and it is as a man fears him that he becomes wise. The fear of God is not a matter of fright or terror, but rather a genuine concern that one may do his will and never fail to be obedient to his guidance.

God is always more ready to give than we are to receive. He will not turn us aside, or belittle our efforts; but will, if we ask, give wisdom, and that in no little measure.

Let no man think that he can attain unto true wisdom apart from a right relationship to God. He may have knowledge, but not wisdom. On the other hand, let no man who knows God and serves him go through life lacking wisdom when all he has to do is to ask it of his heavenly Father. Why be poverty-stricken when you can be rich in wisdom and understanding? Released by Western Newspaper Union.

Phenothiazine may cause abnormal parturition when administered to ewes during the last two or three weeks of the gestation period.
A grasshopper will eat its own weight in green material in about 16 hours. If human appetite was on the same scale, a 150-pound person would eat 150 pounds of food every day.
The average American is drinking less milk this year than last, due in part to the fact that he is spending more for other goods and food which were still scarce last year.
It was said 23 hundred years ago by the Greek, Xenophon, that "When agriculture flourishes, all other pursuits are in full vigor; but when the ground is forced to lie barren, other occupations are almost stopped, as well by land as by sea."
Mr. and Mrs. Charlie Bryant went to Brownwood to church Sunday morning and Sunday night.

ATTEND CAMP 4-H GIRLS

The Mills County Girls 4-H Camp was held jointly with Comanche County at Lake Eanes in that County on July 10th and 11th. The camp was planned for enjoyment, entertainment, information and inspiration. It was an important site for leadership training, vocational improvement, cultivation of friendship and an opportunity for a vacation.

Facilities for the camp could care for 25 girls, 5 sponsors, and 1 agent from each county. Forms were sent for each girl in 4-H work to fill in what work she had completed and girls were chosen with the highest goals from reports sent in.

The following girls and sponsors attended: Marvina Cook, Myriene Reynolds, Medina Reynolds and Lorraine Burdette, Goldthwaite; Melba Dean Miller, and Mary Katherine Elms, Star; Zaida Tesson, Bonez Wasserman, Jean and Sue Rowlett, Patsy and Peggy Bramlett, Mesdames Lee Tesson, August Wassermann and Dudley Alridge, sponsors, Mullin;

Frances and Vernell Niemann, Ruby Nell Limmer, and Mary Ann Priddy, Priddy.

Other girls who reached 10 or more goals and eligible to attend were Joyce Hart, Marjorie Dell Whit, Patricia Bryan, Allie Davenport, Goldthwaite; Bernice Bufe and Learven Harris, Priddy; Ynell Egger, Helen Haslev, Elva McGary and Dorothy Jean Williams, Mullin.

PROTESTANT VACATION BIBLE SCHOOLS TO ENROLL 5 MILLION

Protestant vacation Bible schools of the United States and Canada will have an enrollment of 5,000,000 children this summer, it was predicted today

by Miss Ruth Elizabeth Murphy, director of vacation religious education for the International Council of Religious Education.

Each year during the war the number of vacation Bible schools increased as churches and communities began to realize the opportunity offered to reach un-churched boys and girls during vacation periods,

Miss Murphy pointed out, adding that now in the post-war years the addition of new schools is continuing.

With statistics showing that 13,500,000 of America's children under 12 years of age are not touched by any religious instruction—Catholic, Jewish or Protestant—including rural and urban areas, Miss Murphy asserted that vacation church schools offer one of the greatest opportunities for building Christian citizenship today.

"A vacation church school makes the weekdays of vacation time count for Christian teaching in every village, town and city," Miss Murphy declared. "It is the summertime throughout-the-week educational program of the churches, and gives opportunity to share Christian conviction with others."

Last year (she stated, 4,750,000 children spent part of their summer in church schools which combine religion with handicraft classes, games, informal conversation and outdoor activities. Thousands of schools use material prepared through the committee on vacation religious education of the International Council in which 40 Protestant denominations work together.

DEATH

RIDES WITH THE RECKLESS

One-fourth of all fatal accidents on the highways of our country and in the streets of our cities and towns are caused by speed. Reckless drivers—disregarding all the laws of traffic safety and common sense, urging onward automobiles catapulted by the power of a hundred horses—these were the prime killers in 1946.

Last year, 33,500 persons—drivers, riders and pedestrians—died in automobile accidents. That's about one death every fifteen minutes. More than a million were injured, many of them maimed or crippled for life. This year the toll will be even greater, approaching an all-time high of 40,000 deaths—unless you, Mr. and Mrs. Driver, call off this daily rendezvous with Death.

You can do your part to help stop this highway slaughter, by personally striving for an accident-free record. Drive carefully at all times. Be considerate of other drivers and pedestrians. Gauge your speed to highway conditions and traffic requirements.

Don't let Death hang over your shoulder and point the way to the morgue. Drive safely—and live!

OBITUARY

REV. JOE BENNINGFIELD

William Joseph Benningfield was born July 20, 1871 in Tarrant County. Died July 13, 1947. The funeral services were held at the Pleasant Grove Church house by Rev. McDonald of the Lometa Methodist Church. Interment was in Pleasant Grove Cemetery.

He spent most of his years in and around Mills County. He married Anna Seaborn in 1895. To this union was born fourteen children. Five of whom died in infancy, and Mrs. Opal Rae died in November, 1940.

He was converted and joined the Methodist Church when only a young man. He was an active church worker from that time. He has been in the ministry some forty years.

Although he belonged to the Methodist Church, he attended services and worshipped with all denominations. He had a hearty handshake and a word of greeting for everyone.

For the last eight years he has made his home with his daughter, Mr. and Mrs. Festus Hairston in Lometa, Texas. He

spent quite a lot of time visiting the sick and shut-ins. He made a host of friends, especially among elderly people. He was an active member of the Odd Fellows Lodge of San Saba.

He is survived by one brother, Jim Benningfield, of Sweetwater, Texas; one sister, Harriot Chisholm of California; and eight children: Ernest Benningfield of Dallas, Mrs. Cordie Rose of Goldthwaite, Mrs. Oma Hairston of Lometa, Mrs. Lula Porter of Lometa, Seaborn Benningfield of Gatesville, J. D. Benningfield of Goldthwaite, L. V. Benningfield of Goldthwaite and Cleo Benningfield of the Merchan Marines. Cleo is aboard ship and has not yet received word of his father's death.

He has nineteen living grandchildren and four great-grandchildren.

He led an active life and will be missed not only by his family but by his many friends and other relatives.

The elevation of the city of Mullin is 1430 feet above sea level.

OLD MAN 100—

(Continued from front page)
 ing built. The Old Man thinks Bro. Brvant had a lot to do with building that church building besides just watching. Some of these days in a few years somebody should start a 4-B campaign—Bring Bro. Brvant Back.
 Congressman Clark sent the Old Man a newspaper clipping from Washington about flying saucers, which reads as follows: Rear Admiral Daniel V. Gallery, assistant chief of naval operations for guided missiles, reports: "At about 4:15 p. m. (Eastern daylight time) on July 6, at my home near Fairfax, Va., I personally observed the following phenomena: A very bright, saucer-shaped disc suddenly appeared in the sky to the southwest, was visible for about 10 seconds, and then disappeared. It was moving from east to west. . . . I estimate that the altitude of this object was at least 10,000 feet and its diameter was greater than 100 feet. It appeared to be travelling at a ground speed of about 750 miles per hour."
 "I do not believe that this phenomena was of United States origin. In fact, it is my opinion that it was the sun ducking behind two clouds."

JOINS A UNION—

The Old Man's allus wanted to join one of them union things to see if he couldn't strike and get his salary raised. He hunted for the best one, and thought of the AFL, but that sounded too much like Another Fool Longing; the IWW had to be disbanded because they did not work enough to pay up their union dues. Then he thought of the CIO, but figured if the Boss found out it would only mean Cut Income Out. If they was a COI union, then the Old Man would Come On In. But what he started out to say was the Old Man read about one the other day that he would join quick if it didn't cost nothing—the AFOL, the American Federation of Loafers.

TOOTH HURTY—

Chinese Patient (on phone) —Doctor, what treme you fixee teeth for me?
 Doctor—Two-thirty. All right?
 Chinese—Yes, tooth hurty me all right, but wha' time you fixee?
 Here's what the advertising manager of the Eagle told the Old Man to print: Not advertising is like winking at a girl in the dark—you know what you're doing but nobody else does.

SAFETY TIP OF THE WEEK

TWO SECONDS TO KILL
 How long is two seconds? Not very long. Barely long enough for a pedestrian to say, "I've plenty of time before that car gets here." Barely long enough for him to step into the roadway. But an automobile going 40 miles an hour travels 118 feet in two seconds—and even on good pavement, even with good brakes, the driver cannot stop under 126 feet. . . . Speed of oncoming cars is very hard to judge in daylight—impossible at night. Last year some 130,000 pedestrians were killed or injured between intersections because they guessed wrong or just weren't thinking at all. The place to cross the street is at crosswalks, and if there is no traffic light, it pays dividends in life and limb to wait until the way is clear. Two seconds is often all the time it takes to die.

GOLDTHWAITE GETS .85 INCH RAIN FRIDAY

Last Friday night Goldthwaite received .85 of an inch of rain, according to the records kept by Harry Allen, government volunteer weather reporter here. This was the first rain of any consequence to be recorded here since May 10, although some sections of the county have received good rains since then.
 On July 10, .13 of an inch fell in the city, making the July total to date .98 of an inch. Total for June was .12, and for the month of May 2.25. Total rainfall recorded to date here this year is 11.83 inches.
