BY OLD MAN 100

THE BOSS IS RESPONSIBLE
THE MAN 100 SAYS IN
MUM - NEITHER IS THE OLD
IF YOU GET MAD, COUNT AT
A THOUSAND BEFORE YOU
OR BEAT HIM UP—THE BOSS)

PICTURES—

How the Boss never reads any-
the Old Man prints in his
m—saying it's just a waste
space and good printer's
—but he does look at the
ures the Old Man's been
ting in each week. The one
ow is a hint to the Boss:

I'm good at housework and chil-
dren, but my wife wants me home
all the time.

ABSENT MINDED—

Old Man's pretty old, but Old
Man heard it at a conven-
summers: A traveling sales-
man had been away from home
about a month and had
home unexpectedly. It was
and he was sitting there
ing to his wife when there
a knock on the door. His
said absent-mindedly "Oh,
husband!" And the travel-
salesman absent-mindedly
ed out the window.

"Here's a riddle: What

is my life miserable?" Old
Man—"You've got me." 7th—
"It's right."
when the Old Man was
ustin he visited the insane
m. When he saw an inmate
ng over a flower bed, he
ng to be cheerful, and ask-
ed "How many have you
at?" "You're the ninth,"
the reply. Also the Old Man
another inmate: "Why is
man over there snapping
fingers?" And the answer
was: "He's a deaf mute with the
thumbs."

The Old Man had to fire his

red-headed secretary. She
had any experience
to sit down, and she
around for a chair.
A good friend this week told
the Old Man that there are two
kinds of people he just can't
stand: Drunk people when he's
sober, and sober people when
he's drunk.

A strapless evening gown is a

dress with no hooks but with
plenty of eyes on it.
Ears lately it's getting so the
7th case get money out of the
Old Man without half crying.
And the Old Man can't re-
member whether this happened
when he was in school or col-
lege—but it must've been school,
the Old Man never went to col-
lege. The professor asked: "Can
you prove that the hypotenuse
is equal to the sum of the
squares of the two sides of this
triangle?" Old Man—"No, sir;
but I'm willing to admit it."

Once when the Old Man had

a lot of trouble getting his
pocketbook open, a handy red-
headed helped him considerably.
African Hunter—While wan-
dering around a native village
I spotted a leopard. Sweet Girl
—"Don't be silly. They grow that
way."

Once when the 7th was trying

on a new hat she asked: "Do
you like this turned down,
dear?" Old Man—"How much is
it?" 7th—"Twenty-five dollars."
Old Man—"Yes, turn it down."

And there are still a few girls

who want to remain single—but
most of them would rather knot.
And now the Old Man—after
7 tries—can always figure out
whether his new marriage ven-
ture will be a success or failure.
He just checks to find out if his
new wife starts her married life
with more kitchen aprons than
lounge robes.

And when the Old Man told

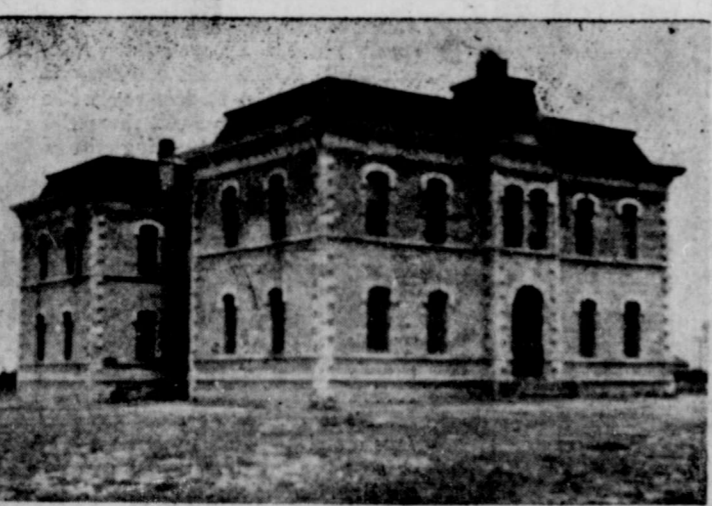

his friend that the 7th had
been nursing a grouch all week,
the friend said: "I didn't know
you'd been sick."
Bright people and shoplifters
pick up things fast.
Also, all work and no play
makes Jack and lots of it.
When the patient in the
asylum first met the new su-
perintendent and asked him who
he was, the superintendent
said: "Why, I'm in charge here
now." And the patient said:
"Hah, it won't take them long
to knock that out of you. I was
Napoleon when I first came
here."

MADRID SWEET CLOVER BEING PLANTED ON LARGE SCALE HERE

Madrid sweet clover is being introduced in the Brown-Mills Soil Conservation District on a large scale through the efforts of the Board of Supervisors. Trial plantings of Madrid clover throughout the district proved that this annual clover has a place on every farm and ranch. It can be used for grazing, cut for hay, harvested for seed, but its great value lies in its ability to improve the tilth and fertility of the soil. Vernon Carr, supervisor of the Brown-Mills District, planted over 200 acres of Madrid clover on his farm near Brooksmith last year and found that it was good for almost everything. He states that his clover furnished several times the amount of grazing than he gets from small grain or Sudan. On 27 acres of clover that was planted in the latter part of November, Mr. Carr received seven months of grazing this year. He plans to graze this same field next spring into April, and then harvest a seed crop. Mr. Carr harvested over 360 pounds of Madrid clover per acre off of 4 acres that he planted in September of last year.

Supervisor J. H. Priddy and Luther Jernigan were instrumental in securing 1,800 pounds of Madrid clover seed for distribution among the cooperators of the Soil Conservation District around Goldthwaite. Some of this seed will be sown now for seed production next year. The remaining clover seed will be planted in November and December for grazing and hay production next year and a seed crop the following year.

Served Goldthwaite For 40 Years

Wonder how many who are reading this have spent a year in every room in the above old rock Goldthwaite School Building, which served as the public schools here for 40 years? The front section of the old building, built in 1890, was the entire school until about 1910, when the back annex was added. The entire building was torn down in 1929 when the new Grammar School Building was built. The present high school building was built in 1913 to take care of the over-crowded conditions of the old rock buildings. In the picture above, the writer as well as many others in Mills County started in the first grade in the room just to the left of the entrance. Promoted to second grade, you started next year in the front room to the right, and so on until you finished 11 years in the top of the back annex to the left. The corner stone of the rock building pictured was laid by the Goldthwaite Chapter I. O. O. F. on August 22, 1890, and when the building was torn down it was placed in the east center of the new Grammar School building in 1929. This corner stone bears the date August 22, 1890, and the names of the Building Committee: F. H. Clements, D. H. Trent, John Cormack, J. L. Lewis, J. B. Ferguson, C. F. Beaty, and J. A. Austin. B. Lammer's name appears as builder. From 1885, when the town was founded, until 1890, the Goldthwaite Public Schools were located in a two-story plank building just down the hill south from the Eagle Office, and upon opening of the new rock school building the pupils marched from the old to the new.

The Eagle would like a list of persons now living who attended school in the old wood building and of those who attended the first year of the opening of the new rock building above. Will you please write a card or letter, or let the editor know? Pupils and students going to the Goldthwaite Schools today—citizens of tomorrow—can't realize how much the ones who started in the left front room of the picture above would give to turn back 25, 50, 40 or even 30 years—and be able to start to school again at the age of 7, 8, 9 or even 10.

EAGLES TO PLAY METHODIST HOME ON EAGLE FIELD NEXT FRI.

Coach Ted Kerby's Goldthwaite Eagles will open the 1947 football season on Eagle Field here next Friday night with a game between the Eagles and the Methodist Home team of Waco. Seven home games have been scheduled for this season, with probably one or two out-of-town games. On the following Friday night the Eagles play St. Edwards High School of Austin on Eagle Field. The opener next Friday night, Sept. 26, promises to be one of the best games of the season. Local football officials are quoted as saying that representatives from the Inter-scholastic League will be on hand at each game in which the Eagles play for the purpose of checking on the behavior of the Eagle players and also on the behavior of the Eagle fans. If you are an Eagle fan and if you have the welfare of the Eagles at heart then you along with every other Eagle fan are urged to conduct yourself at all times and at every game so as to bring nothing but credit to the team, to our school, and to the community in which we all reside. Coach Kirby and the officials of our school ask that every fan get behind the team and give it the support, encouragement and help that is always needed to develop, not only a winning team, but a team of popular and clean reputation. See you at the first game. Remember the date, Friday, September 26.

1.78 INCHES RAIN FALLS OVER MILLS COUNTY LAST WEEK-END

The first general rainfall of the season fell over much of Texas, beginning early Friday morning of last week. Central, West, and North Texas was generally covered by the rain, which also brought relief from the heat wave. The government gauge kept here by Harry Allen measured 1.78 inches, which is about an average for all of Mills County, although some places reported as much as 2 inches. The rain started to fall a little after 2 o'clock on Friday morning of last week and a heavy down-pour lasted for 30 minutes. A light drizzle continued on until noon. The rain will be of much benefit to pastures which had just begun to green up after the late summer rains, the last of which was on August 26 and 27, when .86 of an inch of moisture was recorded. The 1.78 inches on September 12 brought the total for the year to 15.78 inches. Rainfall here in September for the last six years measured all the way from .450 to over 10 inches.

METHODIST REVIVAL SERVICES START SUN.; SERVICES 7:30 p. m.

At 7:30 o'clock each evening from Sunday, September 21st, to Sunday, September 28th, Bro. E. P. Neal, Pastor of The First Methodist Church in Brady, will preach an evangelistic sermon from the gospel of Christ. Your life will be enriched as you listen to this good man's preaching. "Come ye all to the gospel feast, Let every soul be Jesus' guest Ye need not one be left behind, For God hath bidden all Mankind."

METHODIST EXTEND WELCOME TO NEW BAPTIST PASTOR

The entire membership of The Methodist Churches joins me their Pastor, in offering to the new Pastor of the Baptist Church, the Rev. Joe Emery and Mrs. Emery, a very hearty welcome to Goldthwaite. We know you will be kindly received, Bro. Joe, and pray that your work here will be fruitful and genuinely successful in helping to bring nearer God's kingdom.

PLANS BEING WORKED OUT FOR COUNTY-WIDE CEMETERY ENTRANCE DEDICATION NOV. 9

At a meeting held here Tuesday afternoon at 5 o'clock in the City Utilities office at the invitation of the Goldthwaite Garden Club. The following committees were asked to help formulate plans and work out details for the dedication of the entrance to the Goldthwaite Memorial Cemetery and the unveiling of the plaque containing 37 names of Mills County men who made the supreme sacrifice for their country in World War II. The date is to be Sunday November 9. The affair is to be county-wide, and everybody in the county is invited to take part. Tentative plans now being worked out by committees call for an early morning service at the First Methodist Church for all churches, to be broadcast over the loudspeaker. Special services at each of the churches in Goldthwaite at 11 o'clock. Basket lunch at American Legion Park at 12:30. Everybody in the county is invited to bring baskets of food and have an old-fashioned basket lunch. From the Legion ground to the Goldthwaite Memorial Cemetery, where dedication and unveiling services will commence at 2:30. Plans call for special music and special guest speakers to be obtained by the American Legion and the Veterans of Foreign Wars, these organizations will have charge of the formal dedication and unveiling of the memorial tablet.

At the arrangements meeting Tuesday afternoon, Rev. M. Dick Lowrie, pastor of the First Methodist Church, was selected to be general chairman of all committees. To serve with in arranging the church services for the day are to be M. Y. Stokes, Jr., co-chairman, and Rev. Joe L. Emery, pastor of the First Baptist Church; Rev. M. E. Blake, Minister of the Church of Christ; and Rev. Jim Ashcraft, pastor of the Church of the Nazarene; Rev. Muehlbrad, Lutheran church, Friddy.

In 1944 the Goldthwaite Garden Club took over the beautification of the Goldthwaite Memorial Cemetery as one of their projects. Mrs. John G. Berry has acted as chairman of the Cemetery Committee and has spent much time, as well as the entire club, on this project. Up to date the club has spent \$3,500 on improvements and cleaning at the Cemetery. The committee will call on the public to assist in cleaning the Cemetery before November 9.

Cost Of Paving And Seal Coating On City Streets Given

Invoices from Ross & Martin, contractors, for the street work done in the City of Goldthwaite are all paid, leaving a deficit in the General and Street Fund of the city of \$2,500. Utilities Manager W. C. Barnett announced this week. Cost on paving and seal coating is as follows: Seal coating six blocks \$2,632.45, of which amount the Mills County Commissioners Court paid \$609.92. Extra width paving on farm-to-market highways from intersection to the city limits, \$1,489.95. Paving six blocks toward which property owners contributed to cost, except for intersections, \$2,715.25. Grading, surfacing and paving two blocks in front of the high school and continuing on Queen and First Streets to Reynolds, \$3,869.52. A total cost to the city is \$7,382.00. These improvements and others were and are greatly needed, but it is evident from the figures above they cost money.

ANNUAL 4-H CLUB CALF TOUR

As you know, it is time for our annual 4-H Club calf tour. We have set the date as Thursday, September 25th. The starting place is north side of the Court House on the lawn at Goldthwaite. I can't get around to give each one of you a personal invitation, therefore, let's be here for the tour and show these boys that we are behind them 100 per cent. We will be looking for all of you. Mrs. George Nails is president. Mrs. E. J. Alderman, first vice-president; Mrs. E. M. Harris, secretary; Mrs. Jack Owen, treasurer; Mrs. Wm. Harbuck, parliamentarian; Mrs. J. V. Sadler, report.

FARM AND RANCH CHATTER

WITH LAYNE BEATY WBAF 6:30 AM Week Days—10:15 AM Sundays

No employment problem of displacement of cotton growers and pickers by the advent of mechanized cotton production is seen by Oscar Johnston of Scott, Mississippi, large cotton grower and president of the National Cotton Council.

He told the production committee of the Statewide Cotton Committee meeting at Hillsboro recently that mechanized cotton farming would bring a higher standard of living to cotton farmers. Rather than the mechanical cotton picker displacing farm hands, he said voluntary displacement by the farm hand moving to town had created a demand for the machine.

Japan's cotton mills are doing a good job making cloth out of low grade cotton from the United States, Assistant Agriculture Secretary E. D. White told the cotton men at Hillsboro. Japan must be allowed to redevelop her industry if she is to survive. No cotton is grown there. Japan's 80 million people live on an area about the size of Montana, of which only 16 per cent is tillable land. Their existence is dependent on foreign trade. Mr. White told the cotton men that U. S. world trade in cotton can be "what we make it."

A can of lye in ten gallons of water costs but a few cents and is a valuable disinfectant to help control spread of such livestock diseases as hog cholera, veterinarians tell us.

A Congressman from Illinois is writing a bill asking Congress to appropriate \$500,000 to study the various experiments for making cumulus clouds give down their raindrops. You might call this another form of crop insurance.

BOAT RACES AT LAKE BROWNWOOD

Brownwood, Sept. 18—West Texas' first major national sports event will be held at Lake Brownwood Saturday, Sunday, and Monday—the National Outboard Championship Races. Racing drivers from every section of the United States have entered the Regatta, which will determine the 1947 U. S. champion in five classes and two runabout boat classes.

The Brownwood Junior Chamber of Commerce, sponsors of the national races in cooperation with the American Power Boat Association, is offering \$4,200 in cash prizes and trophies.

In addition, a Governor's Cup will go to the driver winning the most points in the races.

Governor Beauford Jester is to make the presentation of the Governor's Cup in person Sunday afternoon.

There will be two days of racing—Saturday and Sunday—with one-mile speed trails set for Monday.

A new plan calls for championship races both Saturday and Sunday. Originally there would have been qualifying trials Saturday with the championship heats Sunday.

There will be 18 races Saturday. From 10 a. m. until noon there will be qualifying races for Class T and C hydroplane and for C-Service runabouts.

Sunday qualifying heats for Class B and F hydroplane and C racing runabout will be run from 10 a. m. until noon.

Sunday afternoon will see championship races for Class M, B, and F hydroplane and for Class C racing runabout.

Accidents are the greatest killer of young people between the ages of 2 to 28 years. They are almost three times as deadly as tuberculosis in the 15 to 19 group alone, the National Safety Council says, and nearly six times as deadly as heart disease.

The National Safety Council says that 32 per cent of all injured pedestrians in the nation during 1946 were in the age group of 5 to 14 years, although this age group includes only 16 per cent of the total population.

FAREWELL PARTY GIVEN IN HONOR OF LOCAL PASTOR

(Temple Telegram)

Rev. and Mrs. Joe L. Emery will be honored with a farewell party by the Heidenheimer Baptist church Monday night, Sept. 15, at 8 p. m. Rev. Emery has resigned as pastor of the Heidenheimer church to accept the pastorate at Goldthwaite. Friends from Heidenheimer and surrounding communities will attend the party.

Rev. Emery began his first work as pastor at the Sparks Baptist church in March 1944. In June of the same year, he accepted the Heidenheimer Baptist church as half-time pastor. In November, he was called to serve as full-time pastor at Heidenheimer.

During his three years and four months of service here, the church has developed greatly in many phases. There have been approximately 80 additions to the church, 57 of which were by baptism.

Under his leadership, a women's missionary society was organized and has been very active. A training union was also organized and has a large enrollment. The sponsoring of a brotherhood has been approved and is to be organized in the near future.

In October, 1946, a building program was launched for a new addition to the church to include an educational building, for additional class rooms and a baptistry. At present, almost \$3,000 is in the bank set aside for this proposed construction. Work will begin just as soon as contracts can be completed.

In June, 1946, Rev. Emery married Miss Betty Ann Snider of West Virginia, Mrs. Emery has been very active in all phases of the church work. Both are graduates of Baylor university, and have completed one year's work in the seminary in Fort Worth.

STATE DRESS REVUE CONTEST HELD

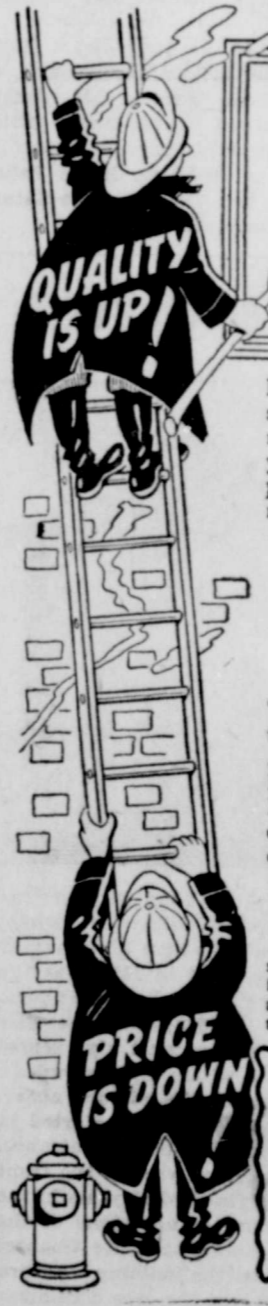

Bonez Wasserman, Mullin 4-H Girl, was one of the winners of a Proctor Iron given by the Texas Power and Light Company of Dallas at the 4-H Round-up at Texas A. and M. on September 12, 1947. Seventy-nine girls entered the contest with the winner, being given a trip to National 4-H Congress in Chicago. The next four winners were given machines by Sears and Montgomery Wards. Texas Power and Light gave Proctor Irons and the Gulf States Utility gave three Sunbeam Irons.

Bonez is the 14 year old daughter of Mr. and Mrs. August Wasserman of Mullin and

was the County Dress Revue winner. She modeled a green wool dress with dark accessories. The girls were presented at the Round-up by Mrs. Opal Cox Sterline of Fox Model Studios in Dallas.

Other girls who attended Round-up were Zella Mullin; and Dorothy Featherston, Goldthwaite. D. B. McCombs accompanied the girls as leader. The contest along with several others—boys and girls—over the State were led in discussions by A. E. Alkin of the National Extension and Jane Farwell of the National Recreation Association. Time was held each evening at Guion Hall with an Am Show held on Thursday and a 4-H Round-up Party Friday night.

TEMPLE BOOSTERS INVADE GOLDTHWAITE

Sixty Temple residents accompanied by a police escort spent thirty minutes in Goldthwaite Tuesday to boost the Central Texas Fair to be held in Temple September 23-28.

The advertising group, composed of two buses and a jeep, entertained with music and passed out matches and bulletins concerning the fair during their brief stop. They went to The Hangar for lunch, after the visit.

The Central Texas Fair will feature rodeos, horse shows, Roy Acuff Shows, and stock shows. Governor Jester will ride in the opening parade to officially start the fair on opening day.

S. P. McPHERSON

S. P. McPherson, who for many years was a resident of Mills County, died in Azel, Texas and was buried in the Goldthwaite Memorial Cemetery September 13.

Mr. McPherson farmed in the Big Valley Community for several years before leaving this county about twenty years ago. He is survived by his wife and seven children. The children, who were all present at the funeral, are: Mrs. Frank Klebolt, Azle; Mrs. S. C. Bussey, Fort Worth; Mrs. N. E. Tannahill, Fort Worth; and boys, Claude, Oklahoma; Virgil, Crockett; S. P. Jr., Fort Worth and Raymond of Fort Worth.

He was a member of the Methodist church. The Methodist minister from Azel was in charge and Fairman-Wilkins Funeral Home assisted with arrangements.

THREE AUTOMOBILES WRECKED ON FISHER

One of the most serious wreckage of automobiles to occur in Goldthwaite in recent months took place on Fisher Street near the Vocational School Wednesday night. Two vehicles were completely wrecked and a third received considerable damage.

Sam Frizzell suffered a broken leg and was taken to a Waco hospital for treatment.

REPORT ON TEXAS PENAL SYSTEM

From a report made to the Fiftieth Texas Legislature by a legislative committee on investigation of the Texas Penal System the Texas State Council of Methodist Women call attention to many terrible conditions. The Committee, composed of three Senators and seventeen Representatives, visited the Main Prison at Huntsville, the Wynn Farm, the Sugarland Farm, and Darrington and Retrive Prisons from which they reported many atrocious and inhumane conditions. Less fault was reported from the Main Prison at Huntsville than from any of the other places of confinement, except the Goree Farm for Women Inmates. There the conditions are excellent. There were no complaints to the Committee about the handling of the inmates, their food, their clothing or any phase of the prison.

At the other places the following conditions were reported to the Legislative Committee and were culled from the report by the Texas State Council of Methodist Women. Reading the report should stir any human heart to action.

"Guards curse the men at all times."

"Clothing is filthy and clean clothes are given out once per month."

"One man who had cut his fingers off, was taken directly to the dispensary and bandaged, was then beaten for thirty minutes with a hose for mutilating himself."

"The committee found that many men had blisters on their feet which were unattended, and which were horrible, dirty, open infected sores with no evidence of medical care. The skin was rotting away and yet the men were forced to work all day, standing on these sore feet."

"Men were treated worse than animals and it was told by one man in the committee who served in a German prison camp, that all indications were that one Farm was far worse than a German or Jap prison camp during the entire war."

"The men are put in tanks (all together) where crime is further bred. Sodomy is the worst crime, committed regularly and consistently."

"The solitary confinement cells were inspected and there the committee found two men locked up with their hands handcuffed at their backs. One man was 17 years old, namely, Kenneth Clem of Dallas, who had been there in solitary confinement, so handcuffed, for the period of two days with no blanket to sleep on, and with his hands behind his back in such a way that sleep was practically impossible. He said he was given water and one piece of bread every eight hours and a square meal every thirty six hours. It was this man who had attempted to hang himself, but was foiled in the attempt. The young man looked tired, and cringed from fear of the committee. He was a pitiful sight; a boy who almost cried when being talked to by the committee."

"Men were put in solitary confinement on little or no cause, left there for days handcuffed. As many as six men are put in at a time handcuffed together so that they cannot sleep. There is not enough room to lie down—it's too crowded."

"It was found that the men were hesitant to give information to the committee, dreading to talk because they said each man who was seen talking would be whipped severely or other things happen to him by the guards after the committee left."

"Mr. C. V. Compton, a civic leader of Dallas, Texas, states that for the past seven years he has figuratively lived in our State Penitentiary; that he has, and is now serving on the Local Parole Board. That he has made several surveys of our Penal System; has written two books on its workings, and that from his actual knowledge of the personnel, their methods and cruel practices, he believes that the Committee's report of cruelty and brutality is minimized rather than exaggerated."

LOOKING BACKWARD THROUGH EAGLE FILES

TEN YEARS AGO

(Taken from Eagle File Of September 24, 1937)

Good progress is being made on Highway 7, both north and east of Goldthwaite. This week the paving between the Brown County line and Goldthwaite will probably be finished. Allen Campbell left Wednesday to continue his studies in the University of Texas. Elmo and Deward Fallon and Gorman Perry attended the football game at Comanche Friday night.

There was a family reunion held at the home of F. M. Cox on Sunday, Sept. 19. County Judge R. G. Gerald was taken suddenly ill early Wednesday morning and was rushed to a Temple sanatorium, where an emergency operation was performed. R. C. Webb and J. O. McClary were invited guests to the barbecue celebration at Earl Fairman's big tank last Thursday night.

Thirty Years Ago

(Taken From Eagle File Of September 29, 1917)

The Big Valley people have organized a Red Cross Auxiliary with H. A. Sykes as chairman; Mrs. J. F. Sellers, secretary; and Mrs. W. M. Dennard, treasurer. J. V. Cockrum and wife went to Austin in their car Monday to enter their daughters, Misses Nelita and Velma, in the State University. Prairie and Fisher school districts have consolidated. Miss Addie Jane Hancock left Monday for San Marcos to enter Southwest Texas Normal. G. M. Pollard has just completed a nice residence on his farm between Center City and Star.

Allen Ross and Miss Ruble Forehand were married Thursday night, at the home of the bride's parents, Mr. and Mrs. H. G. Forehand.

Bert Ehrhridge and family left this week for Bakersfield, Cal., where they expect to make their home. A group of the outstanding names in the news thirty years ago this week were: William Bridgell, I. L. Allard, W. W. Tippen, W. C. Urbach, George Clements, Alvin Street, J. E. Perkins, and F. E. Schults. All of these were involved in front page news; concerning visits and business ventures. Rev. J. D. Long returned yesterday from a visit in the Childers country. Display advertisements appearing in the Eagle thirty years ago this week included Little and Sons, Goldthwaite National Bank, Clement's Drug and Jewelry Store, The Texas Companies, Marshall and Dickerson Meat Market, Henry Martin Cash Store, Barnes and McCullough, The Trent State Bank, J. H. Randolph, Premier Barber Shop, Brinson's Insurance Agency, J. N. Keese - The Monument Man, S. T. Weathers - Barber, L. B. Walters Sheet Metal Works, The Sanitary (barber) Shop, Bodkin-Hurdle and Co., Langford Merc. Co., I. C. Everly Co., Fisher Bros., Miller's Drug and Jewelry Store, Archer Grocery Co., and D. G. Barnett Grain Co. Judge A. V. Patterson has sold his property at Sterling City and he and Mrs. Patterson have moved to New Mexico.

Miss Myra Prater at Comanche in future. Miss Myra has again entered upon her duties in the public school at Comanche after spending the summer here. It was hoped that Miss Myra could be secured to teach in our school this year, but the Comanche trustees induced her to return to their school.

Mrs. O. C. Everly returned last Friday night from a visit to Chicago where she bought an immense stock of dry goods.

Rev. G. W. Gartman of the Cowhouse came in Wednesday morning to accompany his daughter, Miss Eva, this far on her way to Belton, where she will attend school this session. 10 pounds of the best green coffee for \$1.00 at Bowden, Vickers Company. Calamity Heights - Earl Clements has his father's corn in the crib. His loving smiles will be missed on the hill as he is going away to school.

ALABAMA STUDENT VISITS GOLDTHWAITE

The "wide open spaces" and Texans' ideas about Texas interested Earl Snell most when he arrived in Goldthwaite recently to visit Troy Berry and family. Snell, a veteran of the 36th Combat Engineers of the Army, is a student in Alabama Polytechnic at Auburn, Alabama. This was his first trip to Texas.

Night accidents in cities were responsible for almost two-thirds of city traffic deaths in 1946, the National Safety Council says. Slow down at sundown, because you most see trouble to avoid it. Don't be a fall guy this fall, the National Safety Council urges. Many deaths and injuries occur in the fall when householders attempt to take down screens and put up storm windows. Don't take chances on ladders.

Tuesday and Wednesday. E. Z. McDonald and family returned last week from an over land trip to the Territory. Leon Harris sold a nice lot of yearlings this week at \$12.50. E. P. Thompson has opened a stock of dry goods, groceries and plantation supplies at Zephyr.

Look at the advertisements in this issue and you will see that there are some mighty fine Bargains being offered by the Merchants of this town. We want a few loads of wood on subscriptions. Wm. Oglesby is the man to buy wagons from. He sells from two to three every day. \$3 to Galveston and return via Santa Fe route, Saturday, September 25. This office has had a rush of job printing this week. We do fine work at low prices. There is no need to borrow the Eagle when you can have it sent to your address for \$1.00 per year.

Our Friends—Again we have a list of those friends who have favored us by their cash contributions to set their subscription date forward another year. Such men are indeed friends, not only to the paper but to the county, and their action in this matter will be long remembered. We assure these that we will ever strive to publish a paper they will deem worth the price they pay and we hope to always retain their friendship and patronage. The good friends this week were: A. F. Bledsoe, Big Valley, J. A. Hamilton, Center City; Mat Roach, Goldthwaite for self and Tom Conroy, Mason, Ky; T. P. Brasher, Center City; J. C. Burdett, Big Valley; John Royce, Mullin; John Evans, Sr., Goldthwaite.

Mrs. John Keese was summoned to the bedside of her mother, Mrs. Virden, who is very sick at her home on Sims Creek.

Mrs. P. T. Prater last Saturday ordered the Eagle sent to Miss Myra Prater at Comanche in future. Miss Myra has again entered upon her duties in the public school at Comanche after spending the summer here. It was hoped that Miss Myra could be secured to teach in our school this year, but the Comanche trustees induced her to return to their school.

SCRIPTURE: Proverbs 3:5-7; 4:23; 6:16-19; 9:10; 14:34; 15:1; 16:18; 21:3; 22:1; 27:1, 2; 28:1; 29:18; James 4:17. DEVOTIONAL READING: Proverbs 16:1-9.

Guidance From Proverbs

Lesson for September 21, 1947

OUR study of Sunday's lesson centers about the idea of goodness, which is a rather trite-sounding theme, but very vital, I assure you, and quite interesting. The Scripture passages are all found in Proverbs, save one, and that from the very practical preacher of the New Testament, James, chapter 4, verse 17.

Dr. Newton

Perhaps you will find the passages from Proverbs as helpful and interesting as I did. It will require but two minutes to read them—Proverbs 3:5-7; 4:23; 6:16-19; 9:10; 14:34; 15:1; 16:18; 21:3; 22:1; 27:1, 2; 28:1; 29:18. And after you have devoted two minutes to the reading of these passages, you will have something to think about for the rest of the day, the week, all your life.

One Man's Experience

A VERY successful business man in Atlanta, a shoe manufacturer, was telling me his life story one day as we fished together at Homosassa, Fla. Finally, he said: "Do you know the passage in the Bible that has meant most to me as a rule and guide for my faith and practice?"

I wondered what he would say. And then he quoted from Proverbs 3:5-7:

"Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths. Be not wise in thine own eyes; fear the Lord, and depart from evil."

The Essence of Goodness

WHAT is goodness? We talk about good men and bad men, good times and bad times, good luck and bad luck. Just what is goodness?

Jesus himself once said to a young man: "There is none good but One, that is, God." Mark 10:18.

Goodness then, permit me to suggest, is what happens when God lives in us. We can never know goodness apart from God, try as we may. The essence of goodness, therefore, is found in that heart, in that life, that sincerely prays, "Thy will be done."

The Essence of Badness

GUIDANCE from these great Proverbs identifies the things that we are to shun as well as the things we are to do—the essence of badness as well as the essence of goodness. Here are the seven qualities of heart that constitute the essence of badness:

"Haughty eyes, a lying tongue, a heart that shed innocent blood, a heart that deliberately plans wickedness, feet which are swift in running to mischief, a false witness who utters lies, and one who sows discord among brethren."

Analyze these seven qualities of heart, and you have the explanation of the woes of the world. Many clever modern books toy with these deadly sins, trying to make them seem good, but no amount of decoration can atone for the heart that consistently entertains these cancers of hell.

The Individual and Society

I LIKE the impact of these Proverbs. They begin with the individual. They fruit in society. Individuals who "trust in the Lord with all thine heart," will "exalt a nation." It is not enough to put better food in peoples' stomachs, better clothes on their bodies, better roofs over their heads. These are essential as expressing the better life; but you have got to give people something to live for as well as something to live on.

Good business depends upon good business men. Good international relations depend upon good nations. Good race relations depend upon good races.

We have been greatly enheartened by the establishment of United Nations as a world idea and ideal. Will it succeed? The answer is found not in dollars and bullets, but in hearts that always "trust in the Lord."

"Except the Lord build the house, They labor in vain that build it; Except the Lord keep the city, The watchmen's watcheth but in vain." —Psalm 127:1

Many firearms accidents occur because guns are accidentally discharged when the hunter slips and falls, climbs over a fence, crawls through the underbrush, or puts a gun in the car handle every gun as if it were loaded.

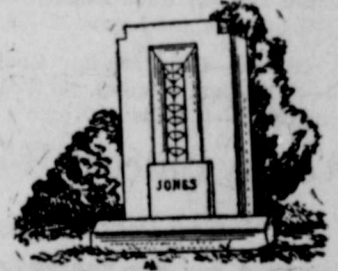

Nearly one-fourth of all occupational deaths involve trucks, railroad cars and other vehicles, according to the National Safety Council. Falling objects striking workers cause nearly one-fifth

of all fatalities, and falls of persons result in one out of ten deaths.

In the school age group, 5 to 14 years, 320 children were killed in 1946 and 16,500 were injured in bicycle-automobile accidents, the National Safety Council says.

No Sense and Nonsense cause Most Accidents.

'FAVORITE BRUNETTE' A LAUGH-FILLED RIOT

"My Favorite Brunette," which opens Saturday night prevue, Sunday and Monday at the Melba Theatre with the irresponsible Bob Hope masquerading as a tough private detective, armed with gags instead of guns, is more than likely to be voted the season's favorite comedy.

With Hope as a private eye, and co-star Dorothy Lamour as his eye-full, the Paramount release is packed with laughs, thrills and suspense—the Hope, not Hitchcock, brand.

Bob plays a frustrated baby photographer with a suppressed desire to be a private investigator. He wants to focus his eyes on more adult "babies," and when one, the sultry Miss Lamour, mistakes him for the sleuth next door, Hope enters eagerly into the disguise.

Supporting Hope by trying to kill him, are Peter Lorre, Lou Chaney, John Hoyt, Jack La Rue and Charles Dingle.

"My Favorite Brunette" was laugh directed by Elliott Nugent.

"IT HAPPENED IN BROOKLYN"

Upholding its record as the studio which turns out the screen's finest musicals, M-G-M has concocted another delightful hit in "It Happened in Brooklyn," which enlists the diverse talents of such song-and-dance, romance-and-comedy headliners as Frank Sinatra, Kathryn Grayson, Peter Lawford and Jimmy Durante. The new picture opens Tuesday at the Melba.

Sinatra is cast as the boy who thinks of Brooklyn as the friendliest and most wonderful place in the world, and who provokes it to his English friend, Peter Lawford, even to the extent of stepping aside when Lawford falls in love with Kathryn Grayson. Jimmy Durante is the jaunty school janitor who yearns to be another "Mr. Chips" and who is instrumental in disentangling the knotted romantic mixups.

A topnotch supporting cast includes Gloria Graham, Marcy McGuire, Aubrey Mather, Tamara Shayne, Billy Roy and Bob Long, and the romantic, drama and musical sequences have been adroitly put together by Director Richard Whorf. "It Happened in Brooklyn" is a treat from beginning to end.

Mr. and Mrs. George Blackburn Jr. visited in Goldthwaite Friday and Saturday in the home of his father.

Miss Lucille Fraley Married August 30

(Fort Worth Press)

Mr. and Mrs. Wayne W. Coffman have returned here to make their home at 4604 Harley following their marriage Aug. 30. Mrs. Coffman is the former Miss Lucille Fraley, daughter of Mrs. Estelle Fraley, 4705 Lafayette.

The double ring marriage service was performed by Rev. C. M. Boyd in the Presbyterian manse in Mineral Wells, after which the couple went to Red River, New Mexico on a wedding trip.

The bride wore a beige Carmel model suit with black accessories and an orchid corsage.

Mrs. Coffman is a graduate of Wichita Falls High School and a member of Beta Sigma Phi sorority. She is on the legal department staff at Gulf Oil. Mr. Coffman, son of Mr. and Mrs. J. W. Coffman of Goldthwaite, is attending TCU. He served 48 months as chief warrant officer in the navy and was in seven major battles in the South Pacific.

Rellis Earl Worley was on the sick list Monday and was unable to attend school.

THE PRIDDY PIRATES NEWS

OUR LUNCH ROOM
 Our lunch room is the largest we have, and more pupils attend our lunch room than any other room in school. There is a reason. The hot lunch costs only 15 cents.

The superintendent is sponsor of the hot lunch program but he claims no credit for the success and good eats. We have an excellent Homemaking teacher, Mrs. Dorgan, graduate of Louisiana Tech, Ruston La., who is supervisor of the lunch room. She and the Homemaking class prepare the menu.

Mrs. Dorgan practices efficiency, believes in practical training, and masters the art of "killing two birds with one stone". Monday her class prepared approximately 300 delicious cookies to be served in the lunch room Tuesday. On Wednesday her class prepared the peach cobbler and more pupils are becoming members of the "Clean Plate League."

We have two excellent cooks, Mrs. Hans Roark and Mrs. Ed Schrank, but the cooks must have something to cook and that is where Mr. Heatly, our State Representative and High School Principle, comes into the picture. He is doing an efficient job of close-buying as purchasing agent for the lunch room. "Let's Go Eat!"

We are making plans to have the biggest and best annual in the history of Priddy High School.

The business manager and his assistants were busy in Goldthwaite Saturday afternoon getting ads for the annual. We certainly appreciate the advertisements that were given to us. Those whom we did not contact, we will come back to see when they are not out to lunch. Clayton Limmer gets credit for selling the most advertisements so far. His sales talk is really remarkable.

PRIDDY HOMEMAKING CHAPTER NEWS

PRIDDY FFA

The Priddy Chapter of Future Farmers of America was opened Monday, September 1st. Then the following Wednesday, September 3, the Chapter met to elect officers and to decide on the initiation of the Freshmen.

The officers elected were as follows: President, George Wilbert Niemann; Vice-President, Leo Tiemann; Secretary, Dalton Lee; Treasurer, Melvin Tiemann, and Reporter, Alvis Stevens. The Chapter appointed an initiation committee, and decided to have the initiation of ten "Green Hands" on Tuesday night, September 16th.

BASKETBALL GIRLS

All girls interested in basketball met and elected their captain and co-captain.
 Captain—Wandalle Hohertz Co-captain, Anne Dunlap.
 Mr. Heatly and Mr. Rankin will coach the girls. There are sixteen girls coming out for basketball. We are all very interested and hope for a successful season. The girls who are hoping to letter this year include the following: Wanda Hohertz, Annie Dunlap, Edeline Hohertz, Ramona Schuster, Betty Jeske, Charlene Drucekhammer, Rubeline Schlee, Jean Schwartz, La Verne Jeske, Gen-

eva Walkers, Joyce Kirsch, and Lenora Kunkel.

BASKETBALL BOYS

The Priddy Basketball squad organized and elected Melvin Tiemann as captain Leo Tiemann as co-captain. The returning lettermen are Weldon Tiemann, Pete Thetford, Eugene Schlee, Sammy Runnels, Lee Roy Wagner, and Robert Lee Lubke.

We have six new candidates. They are: Alton Drucekhammer, Clayton Limmer, Melvin Niemann, George W. Niemann, Howard Wagner, and Junior Kapp. Our Coach is W. E. Heatly. We are working out daily on different plays and we expect to have the best team Priddy has ever produced.

Public Meeting
A public meeting was called to order by our sponsor, Mr. Johnson. Mr. Johnson had previously been elected by acclamation. We are very glad to have him for a sponsor.

The following officers were elected: President—Robert Henry Johnson; Vice-President—Herman Anderson; Secretary and Reporter—Betty Williford; Treasurer—Nelda Jones.

The treasurer and president selected Mary Katherine Palmer and Billie Joe Heath to be on the finance committee.

We have a new pupil, Ina Jean Hairston, whom we are delighted to welcome.

SOPHOMORE CLASS REPORT

School started for some too early and for some not soon enough; nevertheless, we are all co-operating so as to make this school year the best yet.

The Sophomores have elected a class sponsor, who is Mr. Boyd Hunt, the band director. Everyone is looking forward to a grand year with him.

By the way, the class is already planning a party!

The officers have not been elected as yet, but will be in the next few days.

FRESHMAN CLASS REPORT

The Freshman Class met Friday September 12th and elected Mr. Hines as class sponsor. There are about fifty in the freshman class this term.

We are liking High School fine, but also miss grammar school and the teachers a lot!

We think Mr. Patton is a swell superintendent.

We have not yet elected our class officers but hope to soon.

GOLDTHWAITE FOOTBALL FOR 1947-48

The Goldthwaite Eagles are in

their second week of practice, preparing for their first game, which will be with Waco Methodist Orphans' Home on September 26, at Eagle Field.

Each afternoon the team starts at 2:30 and takes exercises for about an hour; the team is then divided. The backfield boys and the center get in one group with the center and the quarterbacks handling the ball and the other backfield boys coming by for the hand-off. The ends also get in a group and practice blocking and tackling, dummy style; the guards and tackles get together and practice getting into position and pulling out. The practice sessions are held each afternoon west of the school house on a vacant lot. The boys have not practiced on the football field, and the first entrance will probably be Friday afternoon (September 19.) for a scrimmage under game conditions.

Some of the boys are showing up very good in scrimmage and should be excellent players this season. Jimmie Laughlin has improved almost double over his ability last year. With some practice on kicking and passing Jimmie will be an all-round triple threat this year. Herman Anderson, the boy with wings on his feet, is still just as fleet and rugged as anyone on the squad. Billy Miller, Marvin Lindsey, Robert Johnson are also showing fine improvements. The line, with boys like Carlin Wicker, Wayne Williams, Hammil Lynch, Werth Long, Jesse Hammond, Billy Hanson, Gene Long, Wilbur Heath, Harold Kaubs, Jackie Gerald, Wayne Wilcox, Billy Heath, should be able to hold their part with any line that they come in contact with. The squad was happy Monday morning when two boys, originally from Mullin High School, reported for practice. They are Dale Henry and John Garner.

The squad assembled last Monday to dominate and elect two captains to represent them for the coming football season. The boys nominated were Jimmie Laughlin, Billy Miller, Herman Anderson, Jackie Gerald, and Carlin Wicker. Although all the boys got a large number of

votes, Billy Miller and Carlin Wicker received just a few more votes than the other boys. The squad was very well pleased with their selection and will back them through the 1947 football season.

SNOOPOIN' AROUND

Since the Mullin boys came to G. H. S., there has been quite a lot of fluttering feminine hearts among the Junior and Senior classes.

Bennie, Bob, Jimmy Laughlin, and Billy Miller are still interested in San Saba.

Goldthwaite was well represented at the San Saba—Rochelle football game Friday night—La Verne and LeRoy B. and James M. and Joyce Harrell. Carlene F. sure would like to have her ring back from Brownwood.

The old flame seems to be burning ever brighter with Floyd and Jerol.

Barbara Porter is busy keeping every one in suspense!!

Raymond Mitchell and Laquita Upham are still steady.

Nelda R. and Edna R. seem to get along O. K. with Zephyr.

Annette Lindsey, do you chap-erone all Dick's dates? Nice work if you can get it.

Norma Hammond, what has happened to you and Curtis Crowder?

Pat L. and Gene were seen together Saturday night.

Sue and Billy made a cute twosome Sunday night.

Joe Billy Smith wishes he were back in high school so he could flirt with Kay C. at Ac-

tivity.

GOLDTHWAITE SCHOOL BAND

Tuesday of last week the Goldthwaite School Band was reorganized for this school year with twenty-eight members.

After the rest during the summer we are all out of tune, but we are ready to work harder than ever before.

We are going to be ready for the first football game which is September 26 with the Methodist Home of Waco—and ready to boost the Eagles on through the last game. We'll let them know we're really rootin' for them.

We are proud of the two boys from Mullin who are playing with us. They are Gene Read, who plays a cornet, and James Hillman, who plays the soprano saxophone.

Before the year is over, we hope to have a "Beginners' Band" and have the students who are now beginning playing with us.

The Band Mothers' Club had its first meeting Tuesday. The officers for this year are: President—Pat Lockridge; Vice-President—Kay Kemp; Secretary—Pearl Cook; Reporter—James Hillman; Librarian—Vena Mae Bell; Parliamentarian—Harry Palmer.

NEW TEACHER

Mrs. Oran W. Carothers is the very capable new Commercial teacher in Goldthwaite

High School. She lives on a ranch about twelve miles southeast of town. Mrs. Carothers' husband teaches G. I. school and their young son, Nathan, is a first-grader over at the Goldthwaite Grammar School.

Mrs. Carothers is back at home again, as she is a graduate of G. H. S. She received her B. A. degree from Howard Payne College and did graduate work at N. T. S. T. C. at Denton and the University of Texas. Some of the schools she has previously taught in are Breckenridge Senior High, Brownwood Senior High and Crane High School.

She doesn't like to wash dishes and clean house but does like to cook and sew. Her pet peeve is anyone who leaves paper scattered about in the Commercial Room. So beware, Typing students!

Mrs. Carothers says she enjoys football and ranching. She also is fond of pets.

The students of G. H. S. are happy to welcome Mrs. Carothers to the faculty and are looking forward to working with her.

4-H DAIRY FOOD DEMONSTRATION GIVEN

The 4-H Dairy Food Demon-
 strations were held in the Home
 Demonstration Office on Septem-
 ber 13, with Zaida Tesson
 and Bonez Wasserman of Mullin
 being declared county winners in
 their demonstration, "Pasteuriza-
 tion of Milk." They will be
 awarded Gold Medals in Dairy-
 ing by the Kraft Foods Company,
 and will be eligible to compete
 for State Dairy Contest. Joyce
 Hart, 13 year old Goldthwaite
 4-H girl will receive the same
 award only in silver for winner
 of the Individual Demonstration.
 Her demonstration was
 "Milk Drinks." Other team
 winners were second place—Joy-
 ce Hart and Majorie Dell Whitt
 of Goldthwaite with "Cottage
 Cheese Dishes" and the award
 was Dairy thermometers. Bottle
 brushes and third place went
 to Ynell Egger and Helen Van-
 ley of Mullin for their demon-
 strations on "Pasteurization of
 Milk." Miss Elna Fouse—local
 Homemaking teacher, served as
 judge.
 The contestants were to write
 their own demonstrations and
 present them before as many
 people as possible.
 Mrs. Henry Ezzell was brought
 home recently from Dallas,
 where she was several weeks in
 a hospital for treatment.

COUNTY AGENT NEWS

HIGH YIELD FROM HUBAM

Nine hundred and thirty-
 eight pounds of hubam clover
 seed per acre is a yield reported
 by a Collin County farmer, John
 D. Wells, of Plano.
 Wells reported his high clover
 seed yield to County Agent Jack
 McCullough of McKinney. The
 county agent said the crop was
 made off 7.3 acres of land which
 were planted to inoculated hu-
 bam clover around March 1.
 The acreage was flat-broken
 before planting, and 100 pounds
 of 47 percent superphosphate
 per acre were applied. The hu-
 bam was seeded at a 20-pound-
 to-the-acre rate.
 "Actually," said McCullough,
 "Mr. Wells harvested 938 pounds
 of seed per acre. After clean-
 ing it thoroughly, he will have
 over 750 pounds of clean seed
 to sell off each acre. I haven't
 heard of anything that beats
 it."
 Even at 10 cents per pound,
 Wells' yield would bring \$75 an
 acre, which is "not bad," said
 McCullough.
BY DARLUS B. McCOMBS
COUNTY AEGNT
LEGUME PLANTERS
 As the season is here again
 for planting Vetch, Clovers, Pea
 and other winter legumes, we
 want to do all we can to insure
 a perfect stand, and one thing

we can do to help insure that
 perfect stand is to inoculate the
 seed before planting. All legume
 seed, regardless of what kind,
 should be inoculated with the
 proper strain of inoculate. You
 may secure this inoculate at
 your local seed stores or drug
 stores.

YELLOW BEARD GRASS

To all farmers and ranchers
 who are interested in trying to
 get a start of Yellow Beard
 Grass, I would like for you to
 drop by the County Agent's of-
 fice and let me have your name
 and address. I am trying to
 get some prices on this grass
 seed in small lots and should
 have the information in a few
 days.
 I would like to see several
 new experiments started. The
 planting rate is 1-2 percent per
 acre, therefore, a couple of
 pounds of seed would give a
 good start as an experiment.
 The Soil Conservation boys
 have been experimenting with
 it for a couple of years and I
 understand that it has been
 quite successful with exception
 of this past drought year.
 If you are interested in trying
 this new grass, come by and I
 will help you all that is possible.

FIRE PREVENTION WEEK

As you know, we are observing

the week of 5-11 of October as
 Fire Prevention Week. Locally
 that means very little to the
 most of us. But! Do you know
 that in the United States there
 is a new fire breaking out every
 20 seconds around the clock,
 and a human life is muffed out
 every 5 minutes by fire? The sad
 thing is 90 percent of this is
 preventable. Let us tighten our
 belts and do all we can to eli-
 minate this hazard of fire.

ABOUT YOUR ORCHARD

Word or two about small home
 orchards. . . coming from J. F.
 Rosborough, Extension hort-
 iculturist at Texas A. and M.
 College. It's winter cover crop
 time, you know; time, at least,
 to get the soil in shape for
 planting a winter cover crop.
 Those of us who have a small
 orchard can get out there and
 without putting out too much
 perspiration we can get a leg-
 ume into the ground that will do
 a lot of good. Sandy soils, you
 know, are usually low in nitro-
 gen, and hairy vetch is an ideal
 winter cover crop for that sandy
 land. You might check with
 your county agent for the best-
 adapted orchard crop in your
 locality.
 Horticulturist Rosborough
 would like to see you sow about
 20 pounds of inoculated vetch,
 or another adapted legume, in
 each acre of that orchard this
 month. . . and then follow it up
 with 200 or 400 pounds of 20 per-

cent phosphate per acre. If you
 are in an area that gets a lot of
 rainfall, you'll do well to take a
 turn plow and run that soil up
 into beds. That will push the
 seed up onto ridges which will
 insure good drainage during the
 wet season.

As for other orchard jobs now.
 Mr. Rosborough reminds us to
 get plenty of water around those
 trees, as well as a good mulch
 material if you need it. And if
 you plan a new orchard, pick out
 your location now and start pre-
 parations for early winter
 planting.

The Blue Bonnet Club

The Blue Bonnet Club met
 with Mrs. Clyde Featherston
 August 27, with nine members
 present and three absent, and we
 were glad to enroll Mrs. Owen back
 in the club.
 We spent the evening in
 quilting and visiting. Mrs.
 Faulkner and Mrs. Featherston
 received several nice birthday
 gifts. As the club had given each
 member a birthday shower we
 voted to leave off the birthday
 gift and we all drew names for a
 new Blue Bonnet Sister.
 Mrs. Featherston, assisted by
 her sister, served refreshments.
 At a late hour we departed for
 home to meet with Mrs. Henry
 Simpson at her mother's, Mrs.
 Turbeville, September 24, in
 the afternoon.—Reporter.

**LIONS AND SCOUT DADS TO MEET,
PLAY CARPENTERS, EAT SUPPER**

Members of the Lions Club and Dads of Boy Scouts and friends will meet with Chas. Conradt, and his Boy Scouts at the Scout Hut next Thursday afternoon, September 25th, at 3 o'clock, to help put on siding and paint the Boy Scout Hut. Following the work-out, the Scouts will serve a Scout Supper. Anyone that wants to play carpenter or painter will be welcomed.

A Planning Committee was called to meet at luncheon Wednesday noon by Dr. T. C. Graves, District Chairman for the South District of the Comanche Trail Council, when details were worked out to complete the Boy Scout Hut and expand the Boy Scout movement in this county. The luncheon was attended by: Dr. Graves, Earl T. Fairman, Charles Conradt, John A. Hester, W. C. Barnett, Joe B. Karnes, Jesse J. Saegert, Guy N. Quirl, Scout Executive of the Comanche Trail Council, Mrs. R. E. Worley and Mrs. V. A. Hudson.

The Cub Pack is now being sponsored by the Tuesday Study Club, with Mrs. Talbert Ledbetter as President of the Club.

The Pack Master is Charles McLean and the Assistant is D. B. McCombs. The Pack Committee is B. A. Hudson, R. E. Worley and Bob Johnson. And the Den Mothers are Mrs. Hudson, Mrs. Worley and Mrs. Johnson. The first meeting of the Pack is Thursday night. The above group met at the First Baptist Church Wednesday in a training session with G. N. Quirl, Scout Executive of the Comanche Trail Council.
