ALL KNOWS ALL TELLS NEXT TO NOTHING

By Old Man 100

THE BOSS IS NOT RESPONSIBLE FOR WHAT OLD MAN 100 SAYS IN THIS COLUMN—NEITHER IS THE OLD MAN. IF YOU GET MAD, COUNT AT LEAST A THOUSAND BEFORE YOU SCOLD OR BEAT HIM UP.—(THE BOSS)

PRETTY WOMEN—
Old Hunnert believes that all the world loves purty women—especially the purty women. One day the Old Man's spies reported that Tuesday night at the Lions and Ladies' night there were 40 purty women present and 39 of them went into hasty action with their powder puffs simultaneously just after that J. J. President said this town had the prettiest women in the country and that the prettiest women in town were out there. Seems like the men has to do is tell the women they're purty—and by golly—the women seem to agree! Oh, yes, one lady had a shiny nose with a shiny nose-ripper got hung.

SOME FAULTS—
Women's faults are many; Men have only two— Everything they say, And everything they do.

Here's something that happened when Old Hunnert took the 7th to Dallas he liked to report to write about: Old Hunnert was feeling frisky one dark night and thought he'd scare somebody. He got his shiny nose and waited on a dark street. When a man came along Old Hunnert stopped him with the pliers showing and said: "Get ready to die, I'm going to shoot you." Victim—"Wh y?" Hunnert—"I've always said I'd shoot any one who looked like you." Victim—"Do I look like you?" Hunnert—"Yes." Victim—"Then shoot."

And the Old Man notices that being your own boss isn't so pleasant: There's no advantage in loafing when you aren't wanted.

And when Hunnert asked the 7th what became of that unpaid bill we got last month, the 7th said, "Oh, that; I sent it back marked insufficient funds."

About the hardest job a youngster faces in his bringing up these days is trying to learn good manners without seeing any.

And when we was first married the 7th had a shape like a beautiful ship—but her cargo seems to have shifted.

When Old Hunnert give up smoking and drinking a while back, he couldn't figure out whether it was due to his will power or the 7th's won't power. And when a newly-rich woman was trying to out-sneot the 7th at the party and said, "I clean my diamonds with amonia, my rubies with Bordeaux wine, and my emeralds with brandy," the 7th came right back with: "I don't clean mine. When they get dirty I just throw them away and buy new ones."

And when they were first married Old Hunnert told the 7th she was the 7th wonder of the world, and the 7th said: "You'd better not let me catch you out with any of the other six." And when he introduced her to the preacher, the preacher asked: "So this is your most charming wife?" Old Hunnert told him haughtily: "Sir, this is my only wife."

Old Hunnert caught a big man kissing the 7th, and he is now bidding his time until he catches a smaller fellow kissing her.

Yesterday morning while Old Hunnert was shaving he was cussin' so loud the 7th asked him what in the world the matter was. Old Hunnert shouted: "My razor—it won't cut." 7th—"Don't be silly, dear. You mean to tell me your beard is tougher than lineoleum?"

About the best time-saver Old Hunnert can think of is love at first sight.

Old Hunnert overheard two boys talking: "It's up to us to teach her what is right and what is wrong." "O. K. pal; you teach her what is right."

And the flapper who sat out every dance the night before because her feet hurt found out the next morning her feet were better but she had a cracked rib.

Women who tell you almost nothing but the truth—tell you almost nothing.

An I. W. W. patron of the filling station is the one who wants nothing but information, wind, and water.

And right after the 7th when he told a friend: "I'm the happiest girl in the world—I just married the man I want," the friend said: "Pooh, you goose, that's nothing to marrying the man some one else wants."

Judging from what he saw at the party—Old Hunnert believes that nowadays women display more backbone than men.

LIONS, LADIES AND GUESTS HEAR SENATOR HARDEMAN

Seventy-nine members of the Lions Club, their ladies and invited guests were present at the Hangar Tuesday night for the quarterly Ladies' Night banquet and to hear State Senator Dorsey B. Hardeman of San Angelo deliver one of the best speeches ever heard in Goldthwaite.

SENATOR HARDEMAN

After the meal, Lion President Jess J. Saeger asked each Lion present to introduce himself and his guests. Business was dispensed with in order that Senator Hardeman could go into his speech. He had spoken at a noon-day luncheon Tuesday before the Brownwood Lions Club. The speaker was introduced by President Saeger, former Senator E. M. Davis of Brownwood falling to arrive in time.

Senator Hardeman, who represents this district in the State Senate, said that the elected officers of the people were trustees and could be removed from their trusteeship if they failed to serve the voters. He said America alone is qualified to offer the leadership that the world at this time so badly needs, and that this leadership has been challenged three times in history—in 1776, 1865, and 1945. The founders of this country in writing the constitution gave us the moral qualifications. He cited our physical qualifications, and said that Soil Conservation was one of the greatest things ever undertaken in this country. He said that West Texas should conserve its water, and cited the falling of the water level in East Texas.

Senator Hardeman said the next 100 days may see a turning point in history, and that we are now on the threshold of a most critical period. We should re-dedicate ourselves to Democracy and get solidly behind our leaders who are shaping the destiny of the world today. He said our government is the people and we should not lose it by complacency. Government will always continue—either Democracy or dictatorship.

The speaker, a veteran of World War II, said Democracy may be slow in getting started in a war but once it swings into action it meets the challenge, as was proved in the last war. He cited reasons why the United Nations problems are difficult to solve, it being a moral force without police power, and composed of nations speaking various tongues. He said America now—as in the past—can supply the moral leadership so badly needed by a free world, while Russia, just the opposite, can't supply it. Today, over 150 million people are being ruled by the Red Army, he said, and Russia since Peter the Great has been after more territory.

The speaker closed by saying the colors of the foliage on the trees of the hillsides here impressed him with the littleness of man and the marvelousness of the Divine.

Those present gave the speaker a rising vote of thanks for coming here and delivering the address.

Lion D. L. McCombs told the club about a farmer father expressing appreciation to the Lions for buying spectacles for his children, saying it is the best organization anywhere.

The president called on Chas. Conrad, acting coordinator of the Mills County Vocational School, who told of difficulties which had been ironed out, and said the school opened Tuesday morning. He said its success would require the backing of the citizens of the county, which is due our ex-service men.

Next meeting, Tuesday, December 16, will be the Christmas meeting, and the president re-

County Convention Delegates To Be Elected In Mills December 8

Delegates to a county convention and community committees will be chosen in the Agricultural Conservation Program community elections to be held in Mills County on December 9th at Goldthwaite District Court Room, Ebony, Mullin, Priddy, Midway and Center City, said Mr. Downey, Chairman of the County Agriculture Conservation Committee.

Mr. Downey explained that these delegates from the several communities in the county will meet in a county convention following the community elections. At the county convention the Agricultural Conservation Program leadership for the coming year will be named. The county committee to be elected at the county convention consists of a chairman, vice-chairman, member and two alternate members.

PEANUT GROWERS TO VOTE ON 1948 QUOTA

Peanut producers over the nation will vote next Tuesday, Dec. 9, on peanut marketing quotas for 1948 crop year, said L. F. Bain, Administrative Officer, Mills County A. C. A.

Any producer who shares in the proceeds of peanuts produced in 1947 on a farm in which 1947 acreage of peanuts picked or thrashed is more than one acre will be eligible to vote. This includes landlords, tenants, or sharecroppers. Each producer will be entitled to only one vote. If more than two-thirds of peanut producers vote for market-

The county committee administrators locally the Agricultural Conservation Program, price support programs and such marketing quota programs are in effect. The county committee also is responsible for special activities assigned to them by the Secretary of Agriculture.

Since delegates elected in the community elections have to decide on who shall make up the county committee, the state chairman urges all eligible farmers to give careful consideration to the election of delegates. He also stresses that a county committee can be truly representative of the farmers of the county only when a large percentage of the farmers of the county participate in the elections.

ing quotas there will be a support price on edible peanuts in 1948 at 90 percent of parity. This will also call for restricted acreage allotments. If more than one-third of voters voting in the Referendum vote against quotas no acreage allotments will be established and no support price will be available.

Bain urges all peanut producers to go to the polls on December 9 and vote one way or the other.

Rev. Frank Skaggs and Mrs. Skaggs of De Leon spent Saturday here in the home of Mr. and Mrs. M. M. Skagg. Also Mr. and Mrs. Jackson Quinn of Fort Worth were guests of Mr. and Mrs. Skaggs.

IMPORTANT RADIO BROADCAST SUNDAY AT 2 P. M.—6th ANNIVERSARY PEARL HARBOR DAY

Austin, Dec. 3—Sixth anniversary of one of the darkest days in the proud history of the world's most powerful nation—the sneak attack by the Japanese on Pearl Harbor—will be the occasion for a statewide broadcast that should serve as a warning that another "Pearl Harbor" not only is possible but that such a disaster is entirely probable.

Sponsored by the Veterans of Foreign Wars, Department of Texas, this momentous broadcast will be featured by addresses by Gov. Beauford H. Jester, by high ranking Army, Navy and Air Force officers; by Ray Branaman, Denver, Colo., commander-in-chief of the Veterans of Foreign Wars, and by Roger Q. Evans, commander of VFW in Texas. The broadcast will be from 2:30 p. m., Sunday, December 7th.

Governor Jester will tell of the all important contributions of Texans in avenging the Jap attack that plunged the United States into history's most tragic world conflict, hostilities of which ended with the unconditional surrender of the Tokyo war lords who dared challenge peace loving America to mortal combat.

Representatives of the armed forces will briefly outline the world's most brilliant war effort, one that saw the fighting units of the United States grow from almost nothing to the most devastating war machine in the history of mankind.

In addition to this, the spokesmen for today's armed forces will sound terse warnings that imminent danger lies ahead of a nation that once more has permitted its combat units to dwindle far below the minimum requirements of a sound national defense.

These speakers will join the Veterans of Foreign Wars in advocating the immediate adoption of universal military training as the only safeguard of world peace, and protection against the ever increasing threat of communism.

Although the American people might like to forget Pearl Harbor, they will never be able to do so, and the Veterans of Foreign Wars, according to Commander Evans, believes that the tragedy of that peaceful Sunday morning six years ago should serve as a constant reminder that a nation unprepared is susceptible to future assault that might prove even more costly.

"We of the VFW would not forget Pearl Harbor nor the tragic years that followed, years that saw hundreds of thousands of our finest men and women world over. We are intensely interested in preserving our hard earned peace and we who fought on foreign soil and on hostile seas can best do this through organized and concerted effort," Commander Evans said in announcing plans for the December 7th broadcast.

This statewide radio program will climax an intensive membership drive of the V. F. W. in Texas, and will originate from an outstanding V. F. W. Post in the Department of Texas showing the highest percent of paid-up 1948 members based upon 1947 membership totals. This will be determined by reports to state headquarters in Austin as of Nov. 30th.

Commander-in-Chief Branaman will give the VFW obligation to some 15,000 new members near the close of the broadcast, these members to be assembled in VFW halls throughout the state.

MILLS COUNTY VOCATIONAL SCHOOL RE-OPENED IN GOLDTHWAITE TUESDAY A. M.

Here's the best news that has hit Mills County lately: The Mills County Vocational School for World War II veterans has been re-approved by the State Board for Vocational Education, Austin, and was officially re-opened at the same stand in Goldthwaite last Tuesday, Dec. 2.

Charles Conrad, who has been an instructor in agriculture in the school since January, 1946, is acting co-ordinator. The school will be under the direct supervision of the Mills County Board of Education.

Cards have been mailed to all veterans—approximately 225—who were enrolled in the school when it was suspended on October 23 to come in and re-enroll. Enrollment will be as of December 2.

Some classes were started anew Wednesday night. The Mills County Vocational School has been re-approved by the State Board for the same divisions as before, and classes are now being enrolled for instruction in Agriculture, Trades and Industries, and Distributive Education. Instructors selected have been announced by Co-ordinator Conrad as:

Agriculture—Ogan Carothers, W. B. Harrison, and H. P. Ford. The school is short two agriculture teachers at present.

Distributive Education—Raymond Williams and William G. Yarborough.

Trades and Industries—Jack Locklear. Mrs. Eugene Dickerson has been retained in her position as Secretary of the school. She has served very efficiently in this position since August of last year.

Due to requirements of the State Board, the positions of Home Counsellors have been terminated. W. B. Cowan, Agricultural Supervisor for the Veterans Administration, was here Wednesday enrolling Part 7 men. Supervisors for the State Board, Roy Bird of Brownwood, Roy Pinson of Comanche, and T. B. Friend of Brownwood, were here Wednesday enrolling veterans in the three classes.

The Mills County Vocational School was suspended on October 23 on recommendation of the Approval Committee for the State Board for Vocational Education, after suspension had been recommended by W. E. Lowry of Austin, Executive Director for the Board. The Mills County Board of Education, in a meeting held the following Monday with representatives of the Veterans Administration and the State Board for Vocational Education, together with representatives of the American Legion and V. F. W., voted to assume active supervision of the Vocational School. The Mills County School Board together with several men formerly connected with the school, has been working since to get the school reopened at the earliest possible date.

The Mills County school board is composed of the following men: George M. Fletcher, County Trustee at Large, President of the Board; O. O. Smith, County Trustee for Precinct One; Jim Soules, County Trustee for Precinct Two; A. A. Downey, County Trustee for Precinct Three; Homer P. Weaver, County Trustee for Precinct Four; and John L. Patterson, Ex-officio Secretary of the Board.

TWO SIMULTANEOUS WRECKS OCCUR IN MILLS COUNTY GOLDTHWAITE PTA TO MEET DEC. 19

The regular December meeting of P. T. A. will be held Fri., Dec. 19, at 7:15 p. m. in the Grammar School Auditorium. Mrs. Patton will present the Primary grades of the Grammar School in an operetta. All parents are urged to attend.

There will be an executive meeting Wed., Dec. 10, at 3:00, in the Grammar School Auditorium.

EVANT BOYS TO ENTER IN HOUSTON FAT STOCK SHOW

News releases sent the Eagle this week from the Houston Fat Stock Show and Livestock Exposition to be held in Houston next year from Jan. 31 through Feb. 15, state that Lee Doyle Millsap of Evant, who caught the calf sponsored by Herman Brown in the last 1947 Houston Show, and Frank Upton, also of Evant, who caught the calf sponsored by James E. Grant at the same show, are planning to return their calves to the 1948 show to compete for Calf Scramble prizes.

Several special individual prizes will be offered by Houston business men at the sixteenth annual show, which will be held from Jan. 31 through Feb. 15.

C. B. Johnson of the C. B. Johnson Commission Company offers a cash award of \$1000 to the boy showing the Grand Champion Calf if the calf is one caught in the 1947 Scramble. Mr. Johnson will give \$100 to the boy who shows the best Scramble Calf at the 1948 show for use in purchasing a heifer calf of any breed that the boy might select.

Five \$100 awards will be offered by J. D. Cummings to the five boys whose calves, which were caught in the 1947 scam-

ble, show the greatest gain in weight. J. W. Sartwelle, president of the Stock Show, will give \$100 to the boy whose calf makes the greatest gain from feed raised on the boy's farm—with the exception of protein.

Gideon Briscoe and Claude Lindsey offer to the three boys showing the three best scramble calves at the show an all expensepaid trip. The free trip will be to the Purina Mills Experimental Farm at Gray Summit, Mo. and to Purina Mills Research Department and Biological Laboratory at St. Louis, Mo. The trip will be made in the summer of 1948.

Destined to become popular as the Calf Scramble is the milking contest which will be offered for the first time at the 1948 show.

HERE'S EASY MONEY IF YOU CAN WRITE GOOD SHORT STORIES

A unique nation-wide contest to discover people who think they can write "short stories or create ideas for motion pictures, movie titles, or radio shows has been announced by Writers Talent Scout, Inc.

Prizes totalling several thousand dollars and a ten week Hollywood writers contract will be awarded the winning contestants.

The quest for actual writing

skill is only part of the search, the ability to think up plots and titles being the other.

In the short story division of the contest, the estate of the late Jack London will pay \$1,000 cash for the best story submitted, \$300 for second best, and \$200 for third.

Cosmopolitan magazine, in addition, will pay \$1,500 for serial rights to the winning story, and will have rights of first refusal on all other promising material submitted. Thus, even if an entry fails to win a prize there is the possibility that it may eventually lead to a lucrative writing career.

Stories submitted will be judged by Adela Rogers St. John, Paul Gallico, Walter Duranty, Frances Marion, and Irving Shepard, nephew of the late Jack London.

For the best plot submitted from which a motion picture can be made, Roy del Ruth and Allied Artists Productions will pay \$1,000 cash and sign the winning contestant to a ten week writing contract at \$187.50 per week, plus transportation.

Awards of \$1,000, \$300, and \$200 will be made in the Rudy Vallee Radio Division for winning suggestions for weekly radio shows, such as "Take it or Leave it", Don Wilson, Harry von Zell and Vick Knight comprise the advisory board for judges.

Seven cash awards ranging from \$500 to \$50 will be awarded by Pine-Thomas, a subsidiary of Paramount Pictures for the best

motion picture titles submitted. Writer's Talent Scout will endeavor, as the author's agent, to sell all promising material so that stories or plots which merit will not be forgotten because they failed to prize. Further information be obtained by writing to Talent Scout, Inc., 1067 N. Fairfax Avenue, Hollywood, which requests that no scripts be sent without writing for further information.

Mr. and Mrs. Sammie of Bryan spent the Thanksgiving holidays with her parents, Mr. and Mrs. Marshall Miller. Mr. and Mrs. John Ed Brownwood spent the week visiting Miss Bess Hated. She returned to Brownwood them for a visit.

Mrs. Carl Featherston Carlene met Carl Featherston in Brownwood, where they spent the Thanksgiving holidays at the home of Mr. and Mrs. B. Balentine.

Mr. and Mrs. Willie Blain Long Cove and Mr. Malone Thanksgiving dinner with Mr. and Mrs. John L. Gwin. Gwin served a delicious dinner with all the trimmings.

R. E. Clements left for Belton, where he spent Thanksgiving holidays with his son, Mr. and Mrs. Rex Clements and children. He has gone to Greenville for a visit with his son, George, and family.

Mills County contains 745 people, according to official count.

'IT HAPPENED ON 5TH AVENUE' HAILED AS COMEDY CLASSIC

It has been a long time since the screen has shown a more thoroughly delightful motion picture than "It Happened on 5th Avenue." Roy Del Ruth's first Allied Artist production which plays an engagement at the Melba Theatre next Tuesday and Wednesday. Don DeFore, Ann Harding, Charlie Ruggles, Victor More and Gale Storm play the principal roles, heading what is virtually an all-star cast.

Here, indeed, is comedy at its best—tender, poignant, heart-warming, and at times hilariously funny. The timely story is charmingly presented by a company of players who are not only agreeable personalities, but whose competence as actors results in a group of smooth, seemingly effortless portrayals. Altogether, it is the sort of picture which literally make an audience glow with pleasure.

The story is based on an interlude in the life of hobo philosopher Victor Moore, who has solved the housing problem through the simple expedient of moving into the unoccupied mansions of vacationing millionaires.

ROMANTIC-COMEDY TRUCOLOR HIT

One of the season's most absorbing romantic comedies comes to the screen in Republic's new Trucolor hit, "That's My Gal," starring Donald Berry and Lynne Roberts, which plays Saturday matinee and night at the Melba Theatre.

Hit songs performed by Jan Savitt and his famous Top-Hatters and cute Judy Clarke vie for honors with topflight comedy portrayals by Pinky Lee, Frank Jenks and Edward Gargan.

Story gets underway when two friends of Benny Novak, young, handsome theatre promoter, played by Donald Barry, approach him with a plan. They plan to buy a poor musical burlesque show and sell stock to suckers. Then, positive that the show will be closed by city officials, they plan to make a mint for themselves.

Unaware of the complications to follow, Novak falls in with the plan. But soon finds out that his partners have left themselves open for a grand larceny charge—by selling 250 percent of the stock!

Soon afterwards one of the suckers, who purchased 51 percent of the show's stock, dies. Since he leaves no estate or will, the state government inherits his interest in the show and the governor appoints smart, chic Nattie Adams, played by lovely Lynne Roberts, to watch out for the state's interest by producing a hit show. Of course, Novak's interest is to make sure that the show is a flop. But he didn't count on falling in love with Nattie.

LET NATURE TAKE COURSE IN EYEBROW

Most men will find this hard to believe, but there appears to be a tendency among some women to go along with what nature has provided them in the way of a face rather than to try to do the job over completely. Not the entire face, that is—but at least the eyebrows.

So reports Ben Nye, head of the Twentieth Century-Fox make-up department, whose latest assignment was to supervise Maureen O'Hara's appearance before the Technicolor cameras in "The Homestretch," which co-stars Cornel Wilde and opens Saturday night prevue at the Melba.

Nye cited several eyebrow fashions that are popular, such as the oval, wing, comet and angle, but believes that the arched brow is steadily gaining in popularity because women are realizing that it is more sensible to let nature take its course as far as eyebrows are concerned.

By Mrs. Clementine Wilmeth Briley

Bro. Bill Carroll of Abilene Christian College preached for us Sunday morning. Taking the thirteenth chapter of First Corinthians and the first chapter of Second Peter as a basis, he gave an edifying lesson on Love. Bro. Carroll has been in the Philippines and in Japan. He says the Japanese are so eager to learn the Bible that they are willing to pay someone to teach it to them. He will return to preach for us the third Sunday in December. We hope everyone will be present.

Fair weather gave a chance for peanut thrashing this past week. All crews finished up Monday.

Though peanut thrashing was in full swing at the J. R. Reeves farm Thanksgiving day, Mr. and Mrs. Reeves were host and hostess to a turkey dinner to all the members of their families, including Mr. and Mrs. Blue Thompson and Ezelle, Misses Edith, Dorothy and Lila Jo Thompson, Mrs. Irene Reeves, and Mr. and Mrs. B. Singleton of Menard. In addition to these they served dinner to all the peanut thrashing crew.

Bill Belich of Texas Tech. at Lubbock spent the Thanksgiving holidays at the Briley home.

Clayton Egger of Jacksonville, spent the holidays with his mother, Mrs. Effie Egger.

Mrs. S. H. Reeves spent Thanksgiving with her daughter, Mrs. Fred Crawford, in San Antonio.

Mrs. Alvin Hanna and June, Mr. and Mrs. Frank Crowder, F. L. Crowder, Mrs. Janie Roberts, and Mr. and Mrs. Jack Williams of Indian Creek attended church here Sunday. Mrs. Hanna and June were guests for dinner at the Edward Egger home.

Mrs. Edna Dwyer received a letter from her friend, Mrs. Lena Crowder, who is nursing Mrs. Nellie Malone at the home of her daughter, Mrs. J. E. Bean, at Van Horn. She says Mrs. Malone may be some better, but she is still paralyzed in her left side. She says Mr. Bean does all the cooking and keeps the house spotless. She and Mrs. Bean are kept busy waiting on Mrs. Malone. Mrs. Bean keeps the Post Office.

Mrs. J. R. Briley, after spending Wednesday night with Mr. and Mrs. J. R. Wilmeth in Brownwood, left early Thanksgiving morning for San Antonio to attend the Texas State Teachers' Association. While there she was the guest of Mr. and Mrs. S. G. Boynton and Miss Velma Lindsey. She also visited Mrs. Sadie Haley, sister of Grandmother Ivy. She met up with the Austin Caywys from Orange and made the acquaintance of her cousin, Perry Wilmeth, minister of a Church of Christ in San Antonio. With him she attended the Abilene Christian College breakfast at the Millam hotel Friday morning. Friday noon she represented Mills County at the Junior Red Cross Luncheon on the roof garden in the Plaza hotel. She returned home Saturday morning.

Mr. and Mrs. Bill Hightower and little Barbara Gail of Austin spent the Thanksgiving holidays with their parents, Mr. and Mrs. W. H. Hightower, and Mr. and Mrs. Oscar Burns.

The sad news reached here Tuesday that Mrs. R. H. Schooler passed away at a hospital in Austin. Her remains were taken to Balanger to be buried by the side of her husband, Mrs. Schooler will be remembered here by friends, as she often visited in the home of her son, Mr. and Mrs. John Schooler left Tuesday morning for Ballinger to attend the funeral.

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and the nature to soothe and heal a tender, inflamed mucous membrane. Creomulsion blends beechwood extract by special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. VETERAN HELP NEEDED BY VA

Veterans Administration is asking veteran students and job-trainees, as well as school and job training establishments where veterans are enrolled, for assistance in preventing subsistence allowance overpayments. Contact Representative John H. Quink has disclosed.
Both veterans and training establishments are asked to notify VA immediately when trainee-veterans end their training programs.
Mr. Quink said when the veterans know in advance the definite date on which they will complete or discontinue their training, they should advise VA at that time instead of waiting until they actually stop their training.
Failure to notify VA of training discontinuances usually results in overpayments of subsistence allowances. Such overpayments must be refunded to the government.
In many cases, immediate or advance notice of training stoppages will eliminate overpayments and the necessity for refunds by the veterans.
Veterans who receive unearned subsistence checks after interrupting or discontinuing their training must return all overpayments to the government or make arrangements for repayment of the indebtedness.
Veterans who fail to make arrangements to repay subsistence allowance overpayments may be prevented from re-entering schools or job-training courses under the G. I. Bill, Mr. Quink pointed out.
Emphasizing that veterans are not being forced to turn back full amounts immediately, he explained that overpaid veterans need only make arrangements for monthly repayments that cause them no financial hardship and thus become qualified to resume their training.

AMERICAN SILENT GUEST PLAN FOR EUROPEAN HUNGRY

That traditional "big heart" of which Texans so often boast was evidenced again to Governor Beauford Jester during the early part of this week when an almost continuous flow of checks and money orders for the American Silent Guest Plan began to reach his office.
The plan, which was launched in Texas Thanksgiving Day, is part of a nation-wide program designed to help the hungry people of war-devastated Europe. It is sponsored by the chief executives in each of the 48 states and is supported by all religious denominations.
Texans have been asked by Governor Jester to invite one "Silent Guest"—a war orphan, a widow, or an old person in distress—into their home to share a meal, and then, to mail a check or money order in the amount that such a meal would cost. Cash contributions and material gifts cannot be handled in this particular project.
These checks and money orders would be made payable to the American Silent Guest Committee and sent in care of the Governor's Office, Austin, Texas.
The Committee has chosen CARE to handle its funds. Composed of 27 major relief agencies, CARE delivers goods in 15 European countries, on order from individuals and groups here. Almost a million and a half tons of food can be released immediately by this organization if the American people give their support through the Silent Guest program.
Checks and money orders reaching the Governor's Office the early part of the week were in amounts ranging from \$1 to \$55.

JESSE H. BEENE

Jesse H. Beene, 34, stationed in Goldthwaite up to Sept. 1 in the local Soil Conservation Service office, died at his home in Nacogdoches Tuesday morning at 5:30, after being ill for two days with pneumonia.
Several from here attended the funeral, which was held in Nacogdoches Thursday afternoon at 2:30.
Jesse Herman Beene was born in Comanche County, and attended A. and M. College, finishing in 1938. He worked for the Soil Conservation Service in Nacogdoches until he went into the service in 1941. He served as an officer in the Anti-Aircraft branch of the service in the European Theatre until 1945, when he was discharged.
Mr. Beene was stationed from August, 1945, to September, 1947, at Goldthwaite. On September 1 this year he became a member of the State Conservation Service with headquarters in Nacogdoches.
He is survived by his widow and one daughter, Jeval, and twin sons, John and James; his mother, three brothers and one sister.

Health Notes

Commenting on the food conservation program now being stressed throughout the nation, Dr. Geo. W. Cox, State Health Officer today emphasized the importance of including the proper food requisites in the daily diet, as being important to the maintenance of health.
"Food conservation is an absolute necessity and all Texans are eager to assist in this pro-

gram; but eliminating needful basic foods will only result in undernourishment and illness, which can be avoided by observing the Texas Food Standard in daily meals," Dr. Cox said. "This food standard will enable Texans to utilize available foods, eliminate waste, cooperate in conserving food and spend their food dollar wisely."
"Good nutrition is based upon the observation of good food habits, practiced every day," Dr. Cox declared. "This is important at any time, but especially now, when it will not only maintain good health but assist in the conservation of food supplies."

MRS. A. M. CREWS

Mrs. A. M. Crews died at her home here last Sunday, after a long illness, and after having been bed-ridden for over a year. Funeral services were conducted Monday afternoon by the Rev. M. Dick Lowry, pastor of the First Methodist Church, at the church here, and interment followed in the Lometa Cemetery.

Mary Elizabeth Foster Crews was born in Burnet County, November 5th, 1857. She was the second child of Robert and Eueline Foster.

She was married to Allen Monroe Crews October 4th, 1881, in Burnet. To this union seven children were born, five of whom survive.

The family moved to Lometa where they lived until Mr. Crews passed away 18 years ago. Since that time Mrs. Crews has made her home in Goldthwaite.

Mary Crews was ninety years of age the 5th of November. She was a life-long member of the Methodist Church, having joined at the age of twelve.

Surviving children are: Miss Bessie Crews and Mrs. Myrtle Brown of Goldthwaite, Sterling Crews of Lometa, Mrs. Winifred Alred of Tulsa, Oklahoma, and Mrs. Evelyn Stork of Chicago, Ill. She is also survived by eight grandchildren and ten great-grandchildren.

The pall bearers were: C. E. Bayley, Marsh Johnson, W. C. Barnett, Jesse Moreland, Philip Nickols and Edmond Corley.

Out of town relatives and friends attending the funeral of Mrs. Mary Crews were: Mrs. A. E. Alred of Tulsa, Oklahoma and her daughter, Mrs. W. L. Palmer of Oklahoma City, Okla., Sterling Crews of Lometa, Jerry M. Crews of Dallas, Mrs. Howard L. Everts of Big Spring, Mr. and Mrs. E. W. Corley and two children, Edmond and Marilyn of Houston, Mrs. Mae Gammill and Mrs. Lois Schotts of Fort Worth and Mr. and Mrs. Rex Ivey of Lometa.

MIDLAND IN CAMPAIGN FOR \$600,000 MEMORIAL HOSPITAL

From the Midland Reporter-Telegram, reporting on their campaign there to raise \$600,000 to build a Midland Memorial Hospital, comes news that Maggie Murphey, 10th grade student in the Midland Schools, had won the grand prize in the Midland Memorial Hospital essay contest conducted in the public schools there. Miss Murphey is a granddaughter of Mrs. F. D. Webb and a niece of Mrs. Charles Frizzelle of Goldthwaite.

Following is Miss Murphey's winning essay on the subject: "Why Should We Have a Hos-

pital and Why Should Every One Give?"

"Halfway between Fort Worth and El Paso, in this wonderful state called Texas, there is a small city. This town has grown from a tiny village to an enterprising city in only a few short years.

"This growing community, Midland, is one of the most prosperous cities in the Permian Basin. An oil center, its population is approximately 20,000 people, although it is growing larger every day.

"Of course, with 20,000 people living together, there is bound to be a good deal of sickness. Some of the sick need hospital care. But there is only one small hospital in Midland. This cannot possibly supply the rooms that are needed.

"Take yourself for instance. Last winter when your wife, husband, baby or perhaps, you, yourself were sick. You found there was no more room in the hospital. How did you feel? If some one had come to you then, you would gladly have given to the fund.

"That very same thing might happen to you this Winter. You might need the care of a hospital. The only way we can have a hospital is for everyone to give and give, now. The hospital is for the benefit of everyone so everyone should give. Do it today!"

CARD OF THANKS

We wish to take this means of expressing our grateful appreciation to our friends for the many acts of kindness and words of sympathy extended during the illness and death of our dear mother.

May God's richest blessings be yours, is our earnest prayer.—Mrs. Myrtle Brown, Mrs. Evelyn Stork, Sterling Crews, Mrs. Winifred Alred, Bessie Crews.

NEW ARRIVAL

Little daughter, Margaret Anne, weighing 6 pounds, was born to Col. and Mrs. M. Y. Stokes, Jr. Tuesday, Dec. 2, 1947, at Fort Sam Houston Hospital in San Antonio.

Woody Saylor of Harlingen and Billy Saylor came by plane Saturday to spend the day with their parents, Mr. and Mrs. Claude Saylor and other relatives.

R. T. Padgett spent Thanksgiving in Dallas attending to business. Henry Featherston accompanied him and visited his brother, Sam, and family.

J. M. Geeslin has purchased a Super DeLuxe Ford, and he and his wife will leave Thursday for Cottonwood, Ariz., to spend the holidays.

Mrs. Maud Newbury had as her guests this week, her sister, Mrs. Charlie Roberts of Mullin and her brother, Tom Perkins, and her nephew, Willard Perkins and family of Brownwood.

MCCOLLUM IS NEW PRESIDENT OF CONTINENTAL OIL CO.

Ponca City, Okla., Nov 24 — Leonard F. McCollum, 45, pictured above, has just been elected president of Continental Oil Company, effective December 1, succeeding Dan Moran, who has resigned because of ill health.

Born in Bradford, Tenn., in 1902, McCollum now becomes one of the youngest major executives of a fully integrated oil company in the United States. He launched his oil career following graduation from the University of Texas in 1925 by joining the Humble Oil and Refining Company, an affiliate of Standard Oil Company (New Jersey), as a geologist. In 1934 he became chief geologist and manager of exploration for the Carter Oil Company, another Jersey Standard affiliate, and later became president of the Carter company. He moved to New York in 1943 as assistant coordinator of producing activities for Standard Oil Company (New Jersey), and a year later advanced to the position of coordinator, which assignment he held at the time of his election to head Continental Oil Company.

MODERN HIGHWAY DESIGN NEEDED FOR SAFETY

The problem of highway safety affects each of us. Thirty years ago, the average American traveled 450 miles a year by all forms of transportation. Today, he travels 4,000 miles a year by motor vehicle alone.

Thirty-four million vehicles—some new and some ready for the junk heap. Forty-four million drivers—some good and some bad. Millions of pedestrians. And each week, some 100,000 new vehicles join the millions on our 3,250,000 miles of roads and streets. Daily the battle against death on the highway becomes more complex.

President Truman, who called the 1947 conference, pointed out that through local community support of the Action Program set at the first President's Highway Conference in May, 1946, some 6,500 lives were saved. The 1945 fatality record of 9.8 deaths per 100,000,000 vehicle miles was the lowest on record.

The past twelve months have shown increase and coordinated effort in the field of highway safety although reports from the states show that the goals set at the first conference are far from being reached. We are faced with a tremendous job of traffic law enforcement, safety education, and engineering. Deficiencies revealed at the conference point the way to renewed effort. We must utilize fully every resource to combat the accident toll.

The stakes are high in highway safety. We're battling for human life. We're battling against the tragedy and sorrow that motor vehicles accidents bring into the lives of five or six million people each year. And we're fighting needless economic waste—The accident bill for the nation has risen to \$1.5 billion yearly.

Vehicle mileage in 1947 will set a new record and most of

it will be driven on inadequate and obsolete highways. Increasing highway travel adds to our problem of highway safety since road mileage and fatalities climb together. In our ever-widening war against death on the highway, the modernization of our highway system offers one of our greatest opportunities to cut the accident toll.

Our roads have always lagged behind the vehicle. Not until 1920 did road building really get under way. We had 9 million cars on the highways then. The volume of traffic multiplied 6 times between 1920 and 1940, and motor vehicles increased almost 4 times in number.

Ever-increasing high-speed traffic had made much of our highway system obsolete before the war. Deficiencies piled up during the war years. Shortages of equipment, materials, and high cost have retarded the gigantic overhauling of our roads and streets so long overdue. This delay will be reflected in multiplied hazards for the car traveling public 5 or 10 years hence when traffic congestion reaches new peaks.

Some 27,000 miles of Federal and 80,000 miles of roads maintained by the states need rebuilding to safer standards. We have 14,000 miles of 2-lane primary highways that are carrying 4-lane traffic. Inadequate and congested roads and streets with hazards in every mile take their toll in human life.

In our long-range planning for accident prevention, modern highway design is a contribution that will save thousands of lives. Roads with safety built in cost more, but no investment will pay greater returns as an accident preventive. With an estimated 50 million vehicles to be on our highways within a

few years, building as much safety into our streets and highways as possible becomes a necessity.

Modern engineering design includes elimination of dangerous road intersections and highway-railroad grade crossings, wider highways, better sight distances, safer curves, divided traffic lanes, controlled exits and entrances on heavy traveled roads, and the exclusion of pedestrians.

Our heavy traveled main highways with cross traffic and uncontrolled exits and entrances take a huge annual death toll. Safety demands that they give way to controlled access express highways with sufficient traffic capacity and freedom from congestion.

Accident records on such highways in California, Connecticut, New York, and New Jersey prove that improved highway design contributes large gains in highway safety.

Safety cannot be built into our roads overnight. Highway modernization must go forward continuously in each state, with each setting up a definite program for elimination of hazards on existing highways. New adequately designed highways must replace outmoded ones. The goal of maximum built-in safety can be met only through a long range program of construction based upon the proper standards for each class of road.

"Save 10,000 lives on the nation's highway during 1947." This was the goal set last month by the Action Program group of the President's Highway Safety Conference which met in Washington to evaluate results of the year's nation-wide effort to reduce death and injury on the highways and to plan a further attack on highway accidents.

Prof. S. E. Pass and wife and Miss Thelma Graham of Abilene and Mr. and Mrs. Rupert Lamar and baby of Austin spent the week end with Mr. and Mrs. E. L. Pass.

Maytag Company Sets Washer Production Record

When the 54-year-old Maytag Company of Newton, Iowa, produced its five millionth washer recently, the occasion was marked by a special ceremony. Iowa Governor Robert D. Blue and leaders in business, industrial, labor and civic organizations gathered to celebrate the event which set a new record in washer production history.

Tom Smith, head of the research division, which developed the modern Maytag, is shown upper left, autographing the one-piece aluminum tub which has had a large share in building Maytag popularity. Assembly workers are shown below lowering the tub into its enameled steel jacket. At right, Miss Rosanne Morgan, 1947 Maytag Queen, is christening the machine with a bottle of milk. Looking on nearest the camera from left, are: W. I. Sparks, secretary of the Maytag Company who has been with the firm forty-nine years; Letha Trent, Miss Morgan's predecessor as Maytag Queen; Roy Bradt, Maytag vice-president in charge of sales and advertising and president of The American Washer and Ironer Association; Verne E. Martin, Maytag sales manager; Fred Maytag II, Iowa State Senator and third generation president of the washer company, and Iowa Governor Blue.

The Maytag Company made its first washer in 1897 and its millionth machine in 1927. Between the four millionth Maytag in 1941 and the five millionth machine, Maytag took three years time out from peacetime production to engage in war work. The five millionth washer is being retained by Maytag as a souvenir.

Goldthwaite Girl Scout Council

The Council met Monday afternoon, Dec 1st at 5 o'clock in the Scout Little House.

In a business meeting Mrs. Fred Reynolds was elected board member to fill the vacancy left by the resignation of Mrs. Marvin Hodges.

Mrs. M. E. Blake has been appointed assistant Scout leader of Troop four.

Mrs. Jim Weatherby, board member, gave a report on the Area Meeting held in Abilene last month.

Mrs. Jacob Saylor reported there were 56 active Girl Scouts in Goldthwaite now.

Mrs. R. L. Steen, President, announced an area board meeting to be held in Stephenville, Sunday afternoon, Dec. 7th at 3 o'clock in the recreation hall. Officers for the coming year are to be elected.

Every Council Member, Scout Leader, and everyone interested in Scouting are invited to attend and bring a basket lunch. Lunch will be served at the Park following the business

meeting.

The Girl Scouts are to render a Christmas pageant on the evening of Dec 18th for the Goldthwaite Garden Club. This pageant is under the direction of Mrs. H. E. Patton and Mrs. Charley McClean. And is to be at the Methodist Church. The public will be invited.

Keep this date in mind, Dec. 18th.

ENGAGEMENT ANNOUNCED

The Blue Bonnett Club

The Blue Bonnett Club met with Mrs. Dan Covington Nov. 20 with 13 members present and one visitor, Mrs. Brown, from Austin. We spent the evening in quilting and having a good time. It was time to elect officers for another year. In our business meeting Mrs. Horace Grey —President, Mrs. Henry Simpson—Vice-president, Mrs. Harry Skipping—Sec. and Mrs. Dan Covington re-elected Reporter. We drew our meeting places for another year and we also planned about our Christmas tree at Mrs. Willis Hill. We decided to have Tuesday night, Dec. 30. Each lady is to bring a man and lady gift for the tree.

After our business meeting Mrs. Covington assisted by Mrs. Furgerson served refreshments. At a late hour we finished the quilt and departed for home to meet with Mrs. Harace Gray Jan 22 in the afternoon.

TEXAS STATE GUARD RESERVE CORPS

Austin, Dec. 5.—(Spl)—Rapid organization of the Texas State Guard Reserve Corps appears assured with appointment by Gov. Beauford Jester of an advisory council.

That was the opinion expressed today by Allan D. Rooke, Woodsboro, president of the State Guard Officers' Association.

Approximately 200 members of the association will meet here Dec. 6-7 with members of the newly appointed 10 men advisory council to work out a table of organization for the reserve corps. Governor Jester will confer with his advisory council prior to the discussions which will be a part of the Association's annual meeting program.

Adj. Gen. K. L. Berry and Asst. Adj. Gen. Will H. Martin also will take part in the conferences.

MRS. F. C. SMITH IS BETTER

A telephone call was received from Brian Smith yesterday morning (Thursday) stating his mother, Mrs. F. C. Smith, who has been critically ill in a hospital in Dallas, is slightly improved. Mrs. Smith had the misfortune of falling last Thursday morning, breaking her limb between the knee and hip, also received a bad head injury.

Brian, who has been with his mother in Dallas, came back to Goldthwaite yesterday.

Mr. and Mrs. William Lloyd of Crockett spent Thanksgiving with Mrs. Inez Leverett and sons, and visited in Brownwood with Grand-mother Leverett.

OLD MAN 100

(Continued from page 1.)

SAVING OUR MONEY—
Think auto prices are too high? Old Hunnert just read where them European off-their-feet nations are grumbling because we won't send them no more than ten per cent of our new autos we make at the rate of one a minute. And they pay from 4 to 15 thousand of our dollars for a car that sells here for \$1,500—and no doubt will offer more just as soon as Congress passes the Gravy-Grab bill giving them 22 billion dollars more of US taxpayers' money to get them hungry nations back on their feet—and up in \$15 thousand dollar autos. Old Hunnert thinks if we have to bribe them to be on our side it'd be best to pay them in autos—as we here in the US won't be able to buy any and keep the payments up after we pay our income taxes. Them hungry Europeans have been off'n their feet so long it'd make blisters on them to jest stand them up, stuff their pockets with our dollar bills and start them off walking—Old Hunnert thinks it'd be better to give each one a new auto. Better send along some gas, too.

OLD HC OF L—
If Old Man 100's column is not as silly this week as usual, it's because he's been out most of the time with a lantern trying to find out what is causing the old HCL, which means high cost of living (not loving). All them politicians have been saying they'd find out right away and do something to remedy it—but old HCL is still going strong—and always up. The Old Man didn't find the cause here in Goldthwaite, but reads where there are nearly a million excess folks on old Uncle Sam's payroll who were put on as clerks during the war but nobody's had the guts yet to put them off since the war ended, or maybe they're keeping them on tap for the beginning of next duration, and they're costing four thousand million a year. Maybe these million extras with nothin' whatever to do have been tinkering with the main spring and hair spring some—and never having seen a main spring or hair spring—they've got the old timepiece out of kilter.

The last time the Old Man was in a night club they had a dancer in the floor show who climaxed her act by leaning over backward and picking up her handkerchief. For an encore she leaned over backward again and picked up her teeth.

Also, the Old Man figures Mother Nature ain't the efficiency expert she claims to be—otherwise she would have rigged up the Old Man so's he would be as sleepy when it's time to go to bed as he is when it's time to get up.

And before marriage a girl spends most of her time looking for a husband, and after marriage a girl spends most of her time looking for her husband.

And when a friend told the Old Man his wife's cooking was driving him to drink, the Old Man asked: "Whisky and champagne?" The friend replied: "No, carbonate of soda."

Along about the 4th, the Boss asked the Old Man how long would he be away on his honeymoon, and the Old Man said: "Well, sir—er—how long would you suggest?" And the Boss snapped: "How do I know? I haven't seen the bride."

And when the stranger asked the native if he weren't in his class at college, the native said: "Nope, never went to college. I learned to drink and loaf right here at home."

Once the Old Man got 60 days because he hired a woman lawyer and was too polite to tell her the facts.

SAUSAGE FROM VENISON

There's a use for venison that is becoming more and more popular. For many years most hunters discarded the tougher parts of the deer—that's the front shanks, lower part of the hind shanks, the neck and lower parts of the ribs—since they didn't make good roast or steaks.

If the sausage is seasoned with sage, it's a lot like pork sausage, but when the sage is omitted, it's like hamburger and can be used in dishes calling for ground meat.

For seasoning use one pound of salt, three ounces of black pepper and three ounces of sage for 50 pounds of meat. The sage, of course, can be left out. A pound of pork fat is added for every pound of deer meat, and it is ground through the largest grinder plate first, then through the hamburger plate. He says grinding twice mixes the fat and lean and makes a more uniform seasoned product.

The amount of sausage, of course, depends on the size of the deer and the condition of the carcass. A badly shot up animal, or one that has been improperly handled in the field, will yield less edible meat, whether steak, roast or sausage.

ROOTS GET A BOOST

The modern emphasis on the "lighter" vegetables, such as leafy greens and tomatoes, has caused many housewives to neglect the sturdy root vegetables, once a regular in cold weather meals.

Many of these vegetables can be used to a good advantage in family meals this fall and winter, while cereal foods and meats are critical. They offer good food energy along with varying amounts of minerals and vitamins plus bulk which helps to give that "satisfied" feeling.

Sweet potatoes rank first in energy value and contribute an important amount of vitamin A and some vitamin C. Irish potatoes have about two-thirds as much energy as the sweet potato plus some vitamin C value. Both kinds can be used in many ways to replace flour and other grain foods.

Some of the old-fashioned vegetables are less appreciated. Salsify or "Vegetable oyster" and parsnips rank along with white potatoes in energy value. Onions are next in order, although most people think of them only as a flavoring. Carrots, beets, rutabagas and turnips are all good energy foods, although not as high in value.

With the exception of beets, all these vegetables are useful in making a little meat go a long way, either in stews, casseroles, meat pies, scallops or creamed dishes. The main thing to remember is that they lose flavor, color and appetizing texture, if over-cooked.

SAVE THE FEELING

Crystallized orange, lemon and grapefruit peel can be among your holiday delicacies now that sugar is on your pantry shelves again. Save the citrus fruit peel for use in this way:

Thick peel of a bright color is especially suited for crystallizing. The method is simple enough, for it is just a matter of cutting the peel into strips about one-half inch in width, and boil in three different waters.

Grate the peel lightly on an ordinary grater to break the oil cells before cutting. Then for each quart of peel, add 3 pints of cold water and boil 10 minutes. Fresh water is used for

each of the 3 boilings to remove the bitter flavor.

Dry the fruit between folds of cloth and cook in boiling syrup until the peel becomes transparent. Make your syrup by boiling together 1 and one-half pounds of sugar and six ounces of water. You can add coloring of flavoring before the peel is placed in the syrup. Remove the peel and roll in granulated sugar.

Cautions are that cooking too long will make a hard crystallized peel. If you're not going to use it right away, pack into clean containers and seal. You'll find this especially good in fruit cakes, breads and cookies.

SECOND TARLETON TURKEY LAYING CONTEST STARTS JAN. 11

Stephenville, Nov. 20, W. Doyle Graves, Poultry Head and Egg Test Supervisor, will discuss the Second Tarleton Turkey Laying Contest at the Southwest Turkey Exposition in Fort Worth with last years enterants and other interested ROP breeders on November 22.

Six ROP breeders entered this years test which ended June 1. They were Battey Turkey Farm, Floydada; James Bar Nothing Ranch, Austin; Lee and Smith Ranch, Midlothian; Winston Sheen, Menard; Welch Turkey Farm, Goldthwaite, and Williams Ranch, Gatesville.

Winner this year was a pen from Lee and Smith Ranch. High hen was from James Bar Nothing Ranch. The next test will start January 1 and will have twice as many entries as the first test.

During the Thanksgiving holidays guests in the home of Mrs. H. G. Bodkin were her nieces from Abilene.

No. 523—TEXAS

Comprising all Farms and Ranches in Brown and Mills Counties—Approximately 1,057,280 Acres.

Plans for Mills County Agriculture Building are progressing. The lot has been cleaned off and leveled with a bulldozer by Earl Fairman, County Commissioner Jess Tullos smoothed the lot off with a motor grader which left the ground in good shape. Hollis Blackwell donated some hairy vetch seed and fertilizer that was drilled on the building lot with the District owned drill. Supervisors Priddy and Hill furnished Italian Rye grass seed that was also planted in order that a green cover of vegetation will be growing during the stock show that is to be held in January.

The committee to plan and install the foundation for the buildings have made their measurements and are getting estimates of the cost. Bids are being accepted for moving the buildings and all the loose fixtures, such as stoves, light fixtures, screens, and plumbing equipment have been moved to Goldthwaite.

Two surplus buildings from Camp Bowie are being secured to make the Agricultural Building that will be located on the old Fairman Gin lot. Each building is 25 feet wide and 99 feet long and are known as Administrative and Supply buildings.

The Supervisors of the Brown-Mills Soil Conservation District secured the buildings on a priority at a cost of \$700.00 per building. When the buildings are installed on the lot, they will be used for all agricultural meetings in the County, for storage of District owned equipment and seed, office space for the Soil Conservation Service, 4-H Club and FFA shows and other agricultural activities of the county.

TEXAS HIGHWAY LAWS

Page 71, Article No. 1370, Penal Code of the State of Texas—Animals running at large on State highways and roads; ENFORCEMENT notwithstanding other laws.

Sec. 1. Any person, owning or having control of any horses, mules, donkeys, cows, bulls, steers, hogs, sheep, goats, or any other livestock who permits the same to traverse or roam at large unattended in this State where the same is enclosed by fences on both sides shall be guilty of a misdemeanor and upon conviction shall be fined in any sum not to exceed two hundred (\$200.00) Dollars.

Each day, that such animal as aforesaid is allowed or permitted to roam at large the right-of-way in this State, a separate offense.

When Automobiles travel such roads and it be the cause of such person running over same and not knowing what time said stock may jump in front of same and be killed or person likewise and we can do anything possible to save life, so let's go along together and prevent this by perseverance and help do it.

GOOD "GOOD NEIGHBORS" LETTERS CONTEST WINNERS

(Editor's Note—Letters printed below were entered in the "Breakfast in Hollywood" Good Neighbor letter contest given by the ladies of the Goldthwaite Methodist Church in the church basement on Saturday, November 22. More "Good Neighbor" letters will appear each week.)

MRS. JOHN A. HESTER

I have a friend I would like to suggest for the "Good Neighbor" on your program Saturday, November 22, 1947.

The friend is Mrs. John A. Hester. It would take a book to write all the things she has done for people, but I would like to tell a few things that I know about personally.

When my parents died, I found a real home at Mrs. Hester's. She built the warmest fires, cooked the best meals and had the softest beds which she made me feel were mine any time. It was seldom I didn't eat at least one meal a day and if I had counted I dare say I spent more nights under her roof than any where. If I was sick and needed advice, I went straight to her, and still do.

Many times I have heard of the clothes and food she has taken to needy people—not just at Christmas time, but all year long. When her family discarded something good she never let it lay around for months but took it to someone in need and was glad always to help.

When anyone is ill, here she comes with something nourishing for their bodies and a good old visit to warm their hearts. You know how selfish we all are about our cars? We forget to ask people to ride—well, not her. She never goes to anything without seeing if Mrs. Keese, Mrs. Self, Mrs. Warren, Mrs. Randolph or someone else does not want to ride, and usually they do. They know they can depend on her in any kind of weather.

If there is a death you will find Mrs. Hester is usually there before and after. I know if her stove could talk we'd get some idea of how many hours she has spent cooking meals for bereaved families.

I used to live by Mrs. W. H. Linkenhoger, who lost her eyesight several years ago. Every week Mrs. Hester made a visit and nearly every time brought something to eat. If she couldn't come over for some reason she would call her. Many times Mrs. Linkenhoger has said to me, "Daffy, isn't Mrs. Hester the most thoughtful and unselfish human on this earth?" My answer of course was "yes," for she is just that.

I think by this you can understand why I think she deserves this title, "Good Neighbor" for

today and every day. Her unselfishness is unequalled, her kindness and thoughtfulness are unsurpassed.

MRS. HUGH MORELAND

I suggest as our good "Good Neighbor" of the day Mrs. Hugh Moreland. For 15 months Mrs. Moreland has gone twice or more each day to help bathe and dress Mrs. Mary Crews, who has been confined to her room and most of this time in bed. Mrs. Moreland keeps house for herself and husband besides making a full hand at their grocery store.

I have known Mrs. Moreland for many years, and can truly say that always she has been an angel of mercy to the shut-ins, the sick, and to the unfortunate poor who were solely in need of the human touch of Christian love. To many of these she has ministered lovingly day or night. Besides her charitable deeds, she is a faithful and loyal worker in the church of her choice. Don't you think Mrs. Hugh Moreland a good "Good Neighbor" and deserving an orchid? I do!

MISS ABBIE ERVIN

I think that Goldthwaite's good "Good Neighbor" is Miss Abbie Ervin. She is continually doing good for some one.

She takes her car and takes all of the elderly ladies as well as the one's who can't drive to attend their business. She tends the sick and mothers all of her brothers and sisters as well as her nieces and nephews. So I think the orchid should go to her.—Her Neighbor.

DR. TOMMIE C. GRAVES

Dear Good Neighbor Judges: Goldthwaite has a citizen who is really a good neighbor. He is a very busy man in his profession, yet he does his full share of church work.

He is never too busy to take a large share in any civic enterprise. He works untiringly with the Boy Scouts and makes many trips to distant places in his work. He gives his time and financial help also to the 4-H Club Boys.

He believes in progress and supports the Soil Conservation Program, and all programs for the betterment of ranch and farm. He never says "No" when asked to serve on any committee for the welfare of our town and county. He earnestly desires that children be given their fair and just consideration, especially the underprivileged.

With these qualifications and others with which I am familiar, I feel he deserves the title of a real Christian and a "Good, Good Neighbor."

Therefore, I nominate Dr. Tommie C. Graves.

NORTH BENNETT CHURCH

The Thanksgiving service was a success far beyond our expectations. The attendance was a little short of what we hoped for, due to sickness of many of our members, and others. A deep spiritual atmosphere pervaded throughout the services and was climaxed with the conversion of a fine boy, ten years of age. We have had this lad under anxious and prayerful watching for some time—waiting for the Holy Spirit to bring the right sort of conviction for sin. And He did. Our church is full time now.

If some of you who read this have no regular church life, or if for some reason your heart is hungry for real spiritual food, you would like to be with people who have abiding in their hearts the love of God, then you come any Lord's Day and get your cup full, let it run over, carry some home with you. Listen, Christians, don't take that which you don't want, that which does not bless you, but demand the best. J. C. WEATHERS

CEMETERY WORKING

There will be a cemetery working at the Pleasant Grove Cemetery, Tuesday afternoon, December 9. Every one come and bring tools and spend the afternoon working.

W. S. C. S.

The women of Christian Service, Circle No. 2, of The First Methodist Church met in the home of Mrs. Virgie Johnson last Wednesday, from 9:30 a. m. until 10:30 p. m. Sixteen members and two guests, Dena Langford and Elizabeth Frazier, were present. Kay Campbell, civic leader, presided.

Ann Miller was study leader. Louise Walker of Circle No. 2 gave the lesson, "Why Do They Do It?" from the program on "World Evangelism."

Mr. and Mrs. Jack Long and Jack Earl Jr., have returned from a visit to Dalhart, Texas. While there, they and Mr. and Mrs. Floyd Fox visited points in Oklahoma, Kansas, Colorado and New Mexico.

FLYING HOME TO YOU

Written by Pfc. Voyd V. Henry 18298091, Squadron BN-9, Flight No. 2318, Lackland Air Base, San Antonio, Texas. When we've finished three long years of the job and all the boys are home again, What a wonderful world it will be. We'll be calling on neighbors and friends,

In Goldthwaite and Star. In a world that is Happy and Free.

When we know that it's done, That the job is all through, And we've done what anyone would have done.

I'll be working in Star, But commute to the West, To the Henry home, which is no "Hollywood," but of the normal rest.

When I punch the clock at sundown, Like I used to do, You'll know, Mother and Dad, I'll come flying home to you. What's the thousand miles between us, When my work is through— 'Cause you know, Mother and Dad, I'll come flying home to you. I'll bring Georgia peaches for the table, And a steak from Kansas to fry. The movies will feature Clark Gable In a theatre in the sky. Oh! Goodbye heartbreaks in the morning, Need not make us blue. 'Cause you know, Mother and Dad, I'll come flying home to you.

14 BOYS AND 11 GIRLS TO NATIONAL 4-H CLUB CONGRESS

College Station, Nov 12—Texas will send a delegation of 14 boys and 11 girls to the National 4-H Club Congress in Chicago November 30-December 4. The state 4-H Club leaders of J. W. Potts and Lorene Stev-the Texas A. and M. College Extension Service, will accompany the delegation. Texas' representatives will go to Chicago in two groups, one from Dallas and the other from Amarillo. Both groups will leave by train on November 28.

It is possible that the delegation will pick up one or more additional members, since several Texas boys and girls are entered in sectional and national contests which offer Chicago trip awards. Results of these contests will be announced November 20.

Bill Lane of Comanche is among the number.

Gov. Beauford H. Jester, Adj. Gen. K. L. Berry and Asst. Adj. Gen. Will H. Martin are considering formation plans for the Reserve, which was authorized by a law enacted by the 50th legislature. Generals Berry and Martin are scheduled for Guard Reserve talks on the convention program.

As a civilian unit, Rooke said, the State Guard Reserve would be a beneficial bulwark to the military set-up. Not only would it strengthen present internal security, but it would prove a valuable and necessary aid in event of future war, he said. Serving while the Texas National Guard was in active duty in World War II, the State Guard had a membership of more than 18,000 men, Rooke pointed out.

STAR NEWS —

By MRS. A. B. SOULES (Written for last week)

There was a pretty big frost last night and just four more weeks until Christmas.

Mrs. Ed Hamilton has returned home after spending several weeks with her daughter, Mrs. John Sheldon, at Tom Ball.

Mrs. Frankie Soules has returned home after spending several months with her daughter, Ruth, and baby, at Kansas City.

Mrs. Windfield Sheldon has reopened her beauty shop and has started working now. She has had a pretty bad operation and she is well and able to work. We are very proud of the

Star beauty shop.

Mrs. Weldon Edwards and baby has returned home after spending several days with her mother and father, Mr. and Mrs. John Soules and Billie.

Thursday is Thanksgiving day and I guess everyone is planning for a big turkey dinner.

Granny Hamilton is still proving and doing fine.

Another POWER-FUL Stride in Service!

When storms howl and lightning strikes . . . electrical lines and equipment, wherever they may be, can be damaged . . . and your service may be interrupted. That's when your Lower Colorado River Authority service man goes into action . . . and FAST!

The interval between interruption and restoration of service now is being reduced even more!

A new facility of the Authority sends repair crews on their way as soon as notice is received. The very latest type of FM radio communication equipment is being installed . . . tying the repair crews to the dispatchers as closely as your grandmother's apron strings.

Each dispatching center is in instant contact with its service trucks . . . through powerful transmitters at eleven key points. Trouble calls are relayed with the speed of sound.

This is another service of the Lower Colorado River Authority to bring you better living through dependable electricity.

SENIOR NEWS
 Last week we completed our second six-week's test. We are happy to report that the majority of the class passed.
 Our two candidates for the Pepsi-Cola Scholarship Awards,

Janie and Bruce, took their test Friday morning from 9:00 to 11:00 o'clock. We wish them luck.
 In literature we are studying the "Puritan and Restoration Period", and list greatest writer, John Milton.
 We received our Gregg Speed Studies in Shorthand, Monday. We hope they will not cause us to burn our mid-night oil.
 Civics, typing, and geometry also require much of our time.

JUNIOR NEWS
 This is the beginning of the thirteenth week of school. Some are very happy over their six-week's grade and some are disheartened. Everyone did yell on all of their subjects except bookkeeping.
 We get out of school Thursday and then take up again on Monday. We hope everyone has an enjoyable Thanksgiving.

FRESHMAN NEWS
 The freshmen are progressing nicely on the P. T. A. play that is to be put on at the opening of the gym Wednesday night. There will be music and a wonderful play so every body come.
 We have just finished the second six-weeks. We are doing nicely in everything except Science. We hope to do better next time.

SOPHOMORE NEWS
 The Sophomores are joyful! Six-week's test are over. We have made fairly well, or rather we hope so.
 The Sophomores are beginning to work on a one-act play to put on before a P. T. A. meeting. The name of it is "Don't Open Unail Christmas". The characters are: Mr. Bell—Harvey Miles; Mrs. Bell—Mattie Jo Green; Mary Ann—Floy Woodard; Lorraine—Oma Lee Garman; Janet—Frances Beard;

Brian—Billy Harper; Ramsey—J. O. Williams. Here's hoping we make it a success.

DOWN IN ANNA MAE'S ALLEY
 Seems as though Star was well represented at the Eagle Stadium, Friday night. For further information see Bruce and Billie G., Dorothy and Bobby C., Laveta and Allen, Corene and Zane. Geraldine what happened to your date? ? ?
 Lola Bell, who was that lucky guy you were with Saturday night? It couldn't have been D. D. H., could it?
 Seems as though Jerry and Janie are at it again. Good luck kids!
 Mary Leigh, why did you stay at home Saturday night? Was it because you didn't have a date?
 Dick, what happened to you and Mattie Jo?
 Play, a certain guy from P. G. thinks you'd make a good date. Think it over!
 Janie, seems as though you were forced into riding in the front seat Sunday night—you lucky girl.
 Janetha, you and Doyle are really keeping busy, aren't you?
 Garland, you and Freda are still keeping up that love affair, aren't you?

SONG DEDICATIONS
 Roland to Christine—"I don't know Why I Love You like I do."
 Garland to Freda—"Near You."
 Jerry to Janie—"Seems like Old Times."
 Billie Gail to Bruce—"Why don't We do this More Often?"
 Bobby C. to Dot—"I wish I didn't Love You So."
 Corene to Zane—"I Wonder."
 Velda to Wendell K—"You Do."
 Mary Jo to Charles A—"That's My Desire."
 Oma Lee to Eddie—"You two timed Me One time too Often."
 That certain somebody to Velda Black—"I'll Be Home For Christmas."

A Fire Resisting Finish

STOP small FIRES from spreading!

CONVINCING LABORATORY TESTS

Coat a sheet of newspaper half-way on front and back with Plicote FIRE STOP. Let it dry.

Apply flame to the uncoated half.

No matter how high the flames they die out, without penetrating the coated half. Plicote FIRE STOP resists fire.

Apply the extremely high heat of blow-torch to ordinary painted wall panel. It burns and chars. Flame starts to spread in 1 minute.

Apply same blow-torch to Plicote FIRE STOP finished wall panel for 1 minute.

Shut off flames and examine. Surface is blistered but does not burn.

NEW!

One Cote Flat Wall Finish

Use for FIRE PROTECTION on all WALLS, CEILINGS, WOODWORK

The Wonder Finish

FIRE IS DEADLY! Creeping silently... it traps, kills, destroys. Terrible in its strength, it has one weakness... a small beginning. Science has seized on this to create a powerful new fire-fighter. Greatest discovery since Radar and Atomic Energy! Plicote FIRE STOP serves in everyday wear with beauty and distinction... and adds a great emergency asset... amazing fire resistance!

Not a water paint. 1 gallon covers much more than ordinary paints. A gallon refinishes an average room. Apply over wallpaper, plaster, composition, concrete, steel or brick. 6 New colors are soft, beautiful, "easy on eyes." A new flat finish for walls, ceilings, woodwork. Now, attractive decorating AND Fire Protection! All fires start small. Prevent their spread. Use FIRE STOP everywhere. Protect loved ones. Reduce sharply your chance of fire!

FARM AND RANCH CHATTER

WITH LAYNE BEATY WBAP
 6:00 AM Week Days—10:15 AM Sundays

Over 150 farm program broadcasters from all over the country, plus one each from Canada and Australia, ate Texas turkey steaks (4 oz.) at the National Association of Radio Farm Directors in Chicago last week, and liked 'em.

The steaks had been made into uniform size by a machine, fast becoming popular with hotels and restaurants, which kneads pieces of meat together.

Comes news of a new kind of fire alarm adapted to farm and ranch use. A system of thermostats in each building, barn or shed sets off a siren when any building gets overheated. The family or crew would be prepared for organized action by advance study and practice.

It now appears more likely than ever that foot and mouth disease will be in the news here for a long time to come. With Texas and southwestern cattle, sheep and goat men registering protests at reports of the manner in which the two-nation joint commission has been fighting the dread "aftosa" (aphthous fever), the government has been asked to revise and strengthen the control program. Also, they have renewed their request that a fence be constructed along the international boundary.

Peanut growers will vote December 9 on the question of marketing quotas for the next three crop years... There will be no cotton marketing quotas and no acreage allotments for the 1948 cotton crop... The first payments to farmers for carrying out soil and water conservation practices under the '47 program will be made this week.

The outlook for Texas farmers being able to hire farm help from within Mexico seems pretty slim just now. At a two-nation

meeting in El Paso the other day, Mexican government officials mentioned "discrimination against Mexicans, or descendants of Mexicans, in Texas". This would be in some cafes, hotels, etc., and lower rate of pay we suppose, from complaints we have heard in the past. Meanwhile, crews of Mexican nationals pass through Texas en route to other states.

Tom Bingham cares more about his broad breasted bronx turkeys than just about anything. With his brothers and sisters, he raised his birds on their farm near Aubrey, Denton county. His old hen was grand champion of the 3rd annual Southwest Turkey Breeders' Exposition in Fort Worth November 22, with a young tom from Lee & Smith farm, Midlothian, as reserve champ. Mrs. D. L. Battey, Floydada, showed grand champ tom and hen in the dressed bird division. They auctioned for \$175 and \$75 respectively. The 54 birds in the dressed division sold for an average of \$35.

SCALLORN

By **MRS. ORA BLACK**

The Thanksgiving holidays out our way was observed in the usual way. Quite a bit of going and coming with the traditional turkey dinner with all the accessories. We are thankful indeed to Him who has so bountifully provided for our needs and made it possible for us to enjoy these blessings.

The friends of this community were deeply grieved when the word came Wednesday that Rev. Dan Smith had been killed in a car wreck near Fort Worth. Bro. Dan was reared here and was widely known throughout the county. He served as pastor of the Scallorn Baptist Church for several years and from here he held the pastorate of the Long Cove Church for some time. Bro. Dan was loved and

held in high esteem where every he preached or taught school, and we say he will be greatly missed by his friends and neighbors and our hearts are in deep sympathy for his bereaved family.

Layton Black spent the weekend in Goldthwaite with his aunt, Mrs. Earl Blake.

Mr. and Mrs. Ward Carlile and daughter, Waunice, called Tuesday evening with Mr. and Mrs. Hauley Jernigan.

Guest for Thanksgiving of Mr. and Mrs. Frank Hines were Mr. and Mrs. John Allen Todd and son, Richard, of Santa Anna.

Mr. and Mrs. Gene Turbiville and little daughters, Frances and Laura Lee, spent the weekend in Llano.

Mrs. James Teague and children of Burtram visited here

Wednesday with Mrs. C. H. Black.

Mr. and Mrs. Nobel Doggett and family spent Thanksgiving visiting with relatives in Goldthwaite.

Guest for the holiday feast in our home were Mr. and Mrs. Curtis Mosley and son, Pat, of Leaday, Mr. and Mrs. Chas. Wright and son, Lamoin, of Mullin, Mr. and Mrs. Archie Bryson and tow children of Talpa, Mrs. Earl Blake of Goldthwaite, and Mr. and Mrs. C. H. Black and family, Alua Ford and Ira Morgan.

Mr. and Mrs. David Jones and son, Charles, spent Thanksgiving in Lampasas with Mr. and Mrs. Walter Derwin.

Rev. W. E. McGraw and Mrs. McGraw of Goldthwaite were luncheon guests Sunday of Mr. and Mrs. Silas Burk.

Ed Evans and sons, William and Virgle spent Thanksgiving day in San Saba visiting relatives.

Mr. and Mrs. Leon Johnson and family visited through the holidays in Brownwood and San Saba.

Mr. and Mrs. Mike Johnson of Goldthwaite called Sunday in the home of Mrs. R. D. Evans.

Mr. and Mrs. Field Hines were guests Sunday of his parents, Mr. and Mrs. Frank Hines.

Mr. and Mrs. C. H. Black and sons, Huntis and Layton, spent Friday in Llano.

The ladies W. M. S. met Tuesday of last week with Mrs. John Harris.

Jane Black and grand-mother, Ora Black, shopped Saturday in Lampasas.

A telephone call from our brother, H. B. Bradley, who is teaching commercial in the G. I. school at Lampasas stated he had just returned from Tyler, where he went to be present at the marriage of his son, Joe. The Bradleys lived near Goldthwaite but later moved to Brownwood. The boys, Jack and Joe will be remembered by some of the older Goldthwaite students. During the war Joe was taken prisoner by the Japs and was one who made the Death March and survived after having been a prisoner for nineteen months

Jones Valley H. D. Club

The Jones Valley H. D. Club met at 2 o'clock Tuesday, November 25, with Mrs. Albert Tulley. A prayer of Thanksgiving was spoken to begin the meeting. Seven members answered the roll call. The minutes were read and approved. During the business meeting we voted to buy \$1.00 worth of Tuberculosis Seals. We made plans to send a neighbor, Mrs. George Brooks, some home-made goodies—as she is in the hospital recovering from a car accident.

Plans for our Christmas Social were made. This will be in form of a covered dish luncheon on December 4 at Mrs. M. L. Jernigan's with she and her daughter, Mrs. Albert Tulley, as hostesses. Each will bring a gift not to cost over fifty cents and a covered dish. Every club member and anyone wishing to become a member are invited.

There were three subscriptions to the T. H. D. A. "Message" magazine. Our new book, "The Egg And I," has arrived. We also want to recognize three club members who will receive the reading certificates. They are Mrs. Harvey Hale, Mrs. Albert Tulley and Mrs. Delton Barnett.

We voted to begin a club Library of magazines by the club subscribing for several magazines and electing a club Librarian. A committee of Mrs. J. D. Berry, chairman; Mrs. Albert Tulley and Mrs. Glenn Nickols were to decide by the January meeting about the magazines and prices.

Mrs. Tom Cave and daughter, Miss Ruby, returned Sunday afternoon from a Thanksgiving visit with Mrs. Clyde Baker and other relatives in Kaufman. They visited Mrs. Cave's sister, Mrs. Violet Davis, in Seagoville, and relatives in Dallas.

B. R. CASBEER

Benjamin Robert Casbeer was born March 20, 1888 and died November 8, 1947, having reached the age of 89 years, 7 months and 19 days.

Uncle Bob, as he was lovingly called, had lived a useful Christian life, being converted at an early age and becoming a member of the Methodist Church where he took an active part until his health and eyesight began to fail several years ago. He was also a member of the Masonic Lodge at Goldthwaite.

On January 20, 1880, he married Nancy Elizabeth Burns, who preceded him in death almost 3 years ago. To this union 14 children were born, 9 of which are still living. They made their home in Mills County all of their married life with the exception of 2 years spent in West Texas, one year in Dallas and moving again to Dallas in 1944 to make their home with their daughter, Mrs. Elvis Booker, who had been loving and faithful in her constant care of them.

Uncle Bob was very lonely after his beloved wife died but was always cheerful and happy and a visit with him was such a pleasure for even though his eyesight was almost gone, his wise philosophy and generous understanding was a balm to the many who come in contact with him.

He was laid to rest at Laurel Land Burial park in Dallas, by the side of his wife with services conducted by the Masons. The many beautiful flowers was a tribute to the beautiful life he

had lived and was an example of the many friends he had and the lives he had touched.

Those who are left to mourn his going are his children; J. M. Casbeer, Westbrook, Texas, R. L. Casbeer, Mrs. J. L. Huffman and Mrs. Elvis Booker all of Dallas, Mrs. J. T. Morris, Goldthwaite, Texas, Mrs. A. D. Walker, San Angelo, Mrs. D. O. Simpson, Garland, Texas, M. L. Casbeer, Fort Worth, Texas and Mrs. J. O. Petty, O'Donnell, Texas, a host of grand-children, great grand-children and great great grand-children.

From one who loved him dearly.

NEW BOOKS DONATED TO PUBLIC LIBRARY

Patrons of the Goldthwaite Public Library were delighted to find that Mrs. Henry Martin had donated a dozen books, mostly juveniles and classics; Mrs. John Barr, nee Mary Lou Grundy, of Sherman four, new fiction; and the Tuesday Study Club one new fiction.

CARD OF THANKS

I wish to express my sincere appreciation of the kindness shown my father and mother, Mr. and Mrs. J. A. Stark, by the ladies who gathered in their home to do quilting and other needle work.

May God's richest blessings rest upon you—
Hubert A. Stark

TAKING SPECIAL COURSE

Deputy Sheriff Glenn Geeslin spent Monday and Tuesday in San Antonio taking a special

two-day course in car regulation.

ENTERS AIR CORPS

Captain Lyle Crume left first of this week for Fort Worth where he was to report Wednesday morning for assigned duty in the 7th Bomb Wing, Strategic Air Force. Capt. and Mrs. Crume have made many friends here who will wish them luck.

B. R. CASBEER

News has reached here that B. R. (Uncle Bob) Casbeer, about 85, had passed away at the home of his daughter, Mrs. L. Booker in Dallas on November 15. Burial was in Laurel Land Cemetery in Dallas by the side of his wife who preceded him in death two years.

Uncle Bob Casbeer came to Mills County in the early days and was well known all over this section. He was the father of 13 children. Mr. Casbeer had been in poor health for four or five years before his death.

Survivors in this county are Mrs. J. T. Morris, his daughter, and a granddaughter, Mrs. Howard Hoover.

Sunday Mr. and Mrs. E. P. Mahan, Mr. and Mrs. Rex Mahan and sons enjoyed a delightful visit in the home of Mr. and Mrs. R. C. Smith near Blanket. Other relatives from Stamford, Brownwood and Blanket were also present. Mrs. Smith served a delicious dinner, turkey, dressing, cranberry sauce, salads, candied yams, rolls, cakes, pie, and coffee.

Uncle Sam Says

Small business firms can take a wise tip from many of their customers who have built a reserve nestegg of Savings Bonds through the Payroll Savings Plan for buying Savings Bonds. The Bond-A-Month Plan at local banks where the corner druggist, the grocer and the butcher maintain checking accounts is equally effective in providing a growing reserve for a business. For example, suppose you own a business which nets a \$1,000 a month. By investing \$200 a month in Savings Bonds through your bank's Bond-A-Month Plan you would have a \$2400 reserve in one year's time. U. S. Treasury Department

**GREATEST STORY
EVER TOLD
SUNDAYS AT 5:30**

Chicago—American families would put the religious radio program "The Greatest Story Ever Told" on their Sunday night listening schedules, Miss Pearl Rosser, director of radio education for the International Council of Religious Education, said here today.

This program is a dramatization based on the teachings of Christ. It is heard over stations affiliated with the American Broadcasting Company Sundays 5:30 p. m. Eastern Standard time (5:30 p. m. Central time, 4:30 p. m. Pacific time). It is a \$1,000,000 a year production sponsored without advertising by Goodyear Rubber and Tire Company.

Church leaders and religious educators throughout the country have acclaimed "The Greatest Story Ever Told." The program is used in homes and

churches for teaching the meaning of the Christian message. It is widely acknowledged to be one of the most significant religious programs ever heard. On their own initiative church organization have given their support to the program.

**PHOTO COUPONS
PAYMENT REFUNDED**

Due to several complaints coming in to Sheriff W. L. Mahan about a deposit made here by citizens on coupons sold by a lady who was to deliver photographs at a certain price but failed to do so, Mr. Mahan phoned the Stuart Studios in Fort Worth and has received the following letter:

"Dear Sir:
"From information available to me at this time, the agent that was in your city decided not to make photographs there from reason not known to me and was supposed to have refunded the money she had collected from the coupons. I am unable to contact her now. Will

you please notify any one who has a coupon from our company to please send it to us for a refund.—GEORGE WILKINSON, Stuart Studios, 506 Moore Bldg., Fort Worth, Texas."

Those who visited in the Walker Berry home last week were Mr. and Mrs. Elton Geeslin, Mr. and Mrs. Brownie Leverett and Mr. and Mrs. Gledon Benningfield.

Walker Berry has been suffering from a strained back the past week.

Mr. and Mrs. J. D. Brim and family of Brownwood spent Saturday in Goldthwaite visiting his mother and sister, Mrs. J. D. Brim Sr., and Mrs. Robert Steen Jr. and family.

Mr. and Mrs. M. L. Casbeer and three children and a sister of Will Lane were here from Fort Worth last Sunday visiting with Mrs. J. T. Morris and other relatives and friends.

Col. M. Y. Stokes Jr., of San Antonio spent Sunday in Goldthwaite with relatives.

Mrs. Edgar Voelker of Manor was also a guest of Mr. and Mrs. A. J. Cockrum last week-end.

Scallorn H-D Club

Wednesday of last week the H. D. Club met in the home of Mrs. P. R. Jordan. Each lady took a covered dish and these, along with the turkey, dressing and other good eats served by the hostess, made a complete Thanksgiving dinner.

At two o'clock the president called the house to order and proceeded with business. When this was disposed of, Mrs. Haenich showed the different ways of patching and darning.

On Dec. 10th the club members will meet with Mrs. Pauline Miller for a Christmas tree and social hour. All club members and prospective members are invited. Bring a gift to be exchanged. The meeting will be at 2:30.

Mrs. Hauley Jernigin and Mrs. Boon came as guests and we hope to have them as members at our next meeting which will be announced at our Christmas party.

STAR NEWS

By MRS. A. B. SOULES
It looks like it might rain again. Every body had a nice Thanksgiving and most every one had turkey.

Mr. and Mrs. R. B. Slaughter visited in the home of Mr. and Mrs. T. L. Adams over the week-end.

Miss Lottie Fay Soules spent the holidays with her parents, Mr. and Mrs. Jim Soules and other relatives and friends.

Mr. and Mrs. Luther Garrett

spent the holidays visiting relatives and friends in Star.

Mr. and Mrs. Johnnie Soules and son, Horace Dale, have returned home to Big Spring after spending the holidays with her parents, Mr. and Mrs. John Hamilton, and Granny Hamilton.

Mrs. Jim Hamilton and daughter, Shirley Ann, and Mr. and Mrs. Jack Hamilton spent the holidays with Mr. and Mrs. John Hamilton and Granny Hamilton and other relatives in Molene. While here, Mrs. Jim Hamilton received a message that her nephew, son of Mr. and Mrs. Hubert Childress, was killed in a car wreck near Shepherville.

Mrs. Lonnie Baker is having her home remodeled inside and out. She is having it rocked on the outside. It is going to be a lovely home when it is finished. Mr. Townsen and son are doing the work.

Mr. and Mrs. Releigh Livinston are visiting Granny Hamilton and Mr. and Mrs. John Hamilton.

Mr. and Mrs. David Beard have moved to Brownwood where they rented an apartment and he has a job.

We wish the lovely young couple all the luck in the world.

Thanksgiving Day was a beautiful day, a little cool in the afternoon. We should all be thankful for such a pretty day and every thing nice and good we had to eat and all good things that were passed on to us.

Mr. and Mrs. E. K. Wood celebrated Thanksgiving with a turkey dinner and all the trimmings; cakes and pies galore. Everybody had a good time and plenty to eat. All the Wood's family were there except one daughter, Ernestine Stanley, who lives at Tyler, Texas.

Mr. and Mrs. Hulan Egger and daughter Marianna, Miss La

Wanna Wood from Fort Worth, and two to her girl-friends from Fort Worth, John Wood of Stephenville, Miss Carol Gene Wooten of Mullin, Mr. and Mrs. Sam Eddington, Mr. and Mrs. Albert Reid and son Doyle and daughters Vivian and Willabeth, Mr. and Mrs. Guy Calder and daughter Raeann, Granny Hollis, T. D. McCarty of San Saba and Mrs. Sallie Kight.

Tommie and Bobby Joe Wood entertained with horseback riding, kodaking—all good sports.

Mr. Bill Wood has another new car, a convertible. He entertained with it and carried his sister, La Wanna, to Fort Worth that night.

Miss Emma Jean Wood spent Thanksgiving with a friend near Zephyr.

Mr. and Mrs. W. H. Freeman Jr., and sons Bennie and Don spent last week-end in Fort Worth. Mr. Freeman has a truck. He moved the pastor of the Baptist Church, Bro. Tipps, from Mullin to Fort Worth.

Mr. and Mrs. I. A. Hollis of Bangs were welcome visitors in our community last week.

Ray Churchwell and mother, Mrs. Ida Churchwell, of Brownwood, visited here last week.

Mr. and Mrs. Warren Freeman are looking forward to some good hog killin' weather. I guess it will soon be here.

I enjoyed reading the letter about Mrs. Eula Nickols playing such a wonderful part in life and helping all her neighbors and friends. It would be wonderful if we could all carry a record like that with us. We would have a better world.

CHAPTER MEETS

De Leon—Gamma Zeta Chapter of Delta Kappa Gamma, national honorary society for women teachers, met in regular monthly session on November fifteenth, at the home of Miss Roger Mae Smith. Other De Leon members who were hostesses for the occasion were Mrs. Lucille Dake, Mrs. L. C. Daniell, Mrs. L. E. Forrest, Miss Bertha Ross, and Miss Artie Coley.

Mrs. Frank Reese of Comanche gave an address on "Changing Attitudes," the first of a series of programs concerning the recruitment of able women teachers.

At the close of the business meeting the hostesses served refreshments to the following out-of-town members: Miss Mary Elna Fouse, Goldthwaite; Misses Jewel Garner, Edna Morris, Ollie Sloan, and Mrs. Frank Reese of Comanche; Miss Estelle Cherry, Grandbury; Misses Lola Rivers Thompson, Johnnie Shirley, and Dorothy Wilkerson of Stephenville.

The next meeting of the chapter will be at the home of Miss Lola Rivers Thompson in Stephenville on December thirteenth.

Triple Birthday Celebration

A triple birthday celebration was given Sunday in Goldthwaite at the residence of Mr. and Mrs. Clyde Estep, honoring Mr. Estep and his wife's father, J. C. Howell of Goldthwaite and her uncle, T. T. Howell of Ft. Worth, who are twins.

This is an annual affair to which the family come from far and near. Out of the seventy-eight celebrations, the last four have been in Goldthwaite.

The bounteous turkey dinner was served in the dining-room from a linen laid table decorated with yellow and white mums and yellow candles. The huge hand-decorated birthday cake on the buffet was surrounded by candles and flanked by bouquets of yellow and white mums.

Just preceding the dinner, the birthday gifts were distributed from the coffee table in the living room by Miss Natha Howell of Ft. Worth, daughter of Henry Howell and niece of the twins.

The entire family of J. C. Howell were present. Also Mr. Estep's father and mother, Mr. and Mrs. Lee Estep of Cherokee, Mr. and Mrs. Claude Tackett of Dublin, Mr. and Mrs. Oscar Schafer and son Edwin Paul of Nimrod, Mr. and Mrs. Wm. Lynn, Earl Allgood of Brownwood, Mr. and Mrs. John B. Howell of Brownwood, Mr. and Mrs. Ace Howell and two daughters Patricia Lane and Elizabeth Anne, and Mr. and Mrs. Tom W. Howell of San Saba. Mr. and Mrs. J. W. Lee and son Jan of Llano, Mr. and Mrs. T. T. Howell and Mr. and Mrs. R. C. Collier, Mr. and Mrs. Henry M. Howell and Miss Natha Howell of Ft. Worth, and Mr. and Mrs. Thomas Howell.

Hight and Mr. and Mrs. G. A. Hight of Austin, Mr. and Mrs. J. C. Howell and Mr. and Mrs. Clyde Estep of Goldthwaite.

Telegrams and long distance calls from other members of the family added to the joy of the day.

YOUR FAMILY SHOULD KNOW TOO

Perhaps you know your rights under the social security program, but does your family?

Many widows who fall to file claims until they have lost payments advise that they were never told about this protection. David S. Pruitt, manager of the local field office of the Social Security Administration in Austin, states that monthly payments can be made retroactively for only three months prior to the filing of an application. Upon death, payments which are made monthly to minor children in their care are made without respect to the deceased worker's age.

Most workers in commerce and industry know about their own retirement payments at age 65 or older, but in too many cases the family does not know about payments in the event the worker dies.

Complete information can be obtained on this subject by writing to the Austin field office of the Social Security Administration, 105 Brown Building.

Mr. and Mrs. D. J. McCarty and family of Rising Star and Mr. and Mrs. James N. Bayley and family spent the week-end with their parents, Mr. and Mrs. Charlie Bayley. Their little daughter, Mary Lou, who spent three weeks with her grandparents, accompanied them to Marshall.

TEXANS ARE GRATEFUL

A recent state-wide poll showed that five out of 10 Texas families say "grace" or a blessing before each meal.

A national organization polled families in the United States on this and other religious habits not long ago. The percentage of families in the country as a whole that say grace before each meal is four out of ten.

Mrs. Eloise T. Johnson, extension family life education specialist for Texas A. and M. College, says that families tend to do in their own homes what they learned as children. One-half of the people who do not offer thanks before meals said that the custom had not been observed in their homes when they were children, while 84 out of 100 Texans who offer thanks reported that this was a family custom as they grew up.

Grace before each meal does more than give spiritual satisfaction. The beauty and dignity of the blessing adds as much to the atmosphere of the meal as flowers, colorful linen or attractive china. The few moments of quiet before eating calms emotions and consequently the digestive system is in much better working order. This is particularly true for small children, but adults also benefit from the short respite from worry, haste or excitement.

It's an old-fashioned custom, perhaps, but it still fits in the modern picture of family life.

FAT SALVAGE PROGRAM

More than 600 million pounds of fat have been saved and turned in by American housewives since the Fat Salvage Program was started five years ago. These savings have accounted for nearly 10 percent of the total domestic production of inedible tallow and grease during this period.

The salvaged fat has taken the place of other fats and oils, many of which require feed grains in their production. In these days of conservation needs, and with world supplies of fats and oils still critically short of total requirements, it is doubly important that kitchen fats be put to use—instead of going down the drain.

Fat salvage is a cooperative job, conducted by industry through the American Fat Salvage Committee with the approval and support of the Department of Agriculture. The Department is continuing its active support, and the Production and Marketing Administration will continue to carry out its full share of the supporting activities. The program has been remarkably successful, even in periods of less intensive operation, and Department services have been of primary importance in this success.

The over-all fats and oils supply situation calls for recovery of maximum amounts of used fats as long as the present critical situation continues.

Acceptance of salvage fat by the local grocer or butcher is fundamental in the whole operation. Fats which are not "turned in" are of no help. PMA State and County committees have a responsibility in helping keep the collection system at the highest level of efficiency. Committeemen should make a special effort to see that meat dealers understand the need to continue accepting fats from their customers, and that renderers give adequate pick-up service wherever possible.

Newspaper and radio advertising and publicity support, paid for by the Fat Salvage Committee, are being continued and augmented. The Information Service is responsible for general information in support of the program. In addition, other branches and field offices should give all appropriate assistance in the course of their normal operations. The cooperative Extension Service gives broad educational support, particularly in rural areas.

Small towns are becoming more dangerous each year. According to State reports, rural areas are 16 per cent more dangerous this year than last. Cities are 14 per cent safer. The Texas Safety Association suggests that you hold down speed in these areas so that you can stop within the distance your headlights reach. The life you save

Darkness means danger! Texas Safety Association figures show that three out of five fatal accidents occur at night. Special studies have shown that the fatal accident rate per mile of travel at night is about three times greater than the day rate. The Association urges every motorist to SLOW DOWN AT SUNDOWN!

F. P. Bowman returned the first of the week from Waco, where he had been to attend a meeting of the Grand Mason Chapter.

Mrs. H. H. Taylor of San Saba while enroute home after spending Thanksgiving with relatives at Brownwood, stopped over Monday on a visit to Mrs. Chas. Rudd and family.

Mrs. Frank Rahl and little son arrived Monday night from Globe, Arizona, for a visit with her parents, Mr. and Mrs. Jesse Lowe. She will remain here over Christmas.

Brian Smith, who is a volunteer in the Army at Camp Bowie, has received promotion and now is Corporal.

C. L. Bodkin returned Tuesday night from Temple, where he had been in the sanatorium for treatment.

Miss Sophia Martin came in last Saturday from Mertzon, where she has been engaged in teaching.

W. D. Marshall and wife have moved to the O. P. Marshall ranch in the Nabors Creek community, adjoining their own ranch, and have rented their residence in the city to George Smith.

W. W. Allen sold 234 head of steers to T. J. Huffstetler this week.

Miss Ruth Farris, a teacher in the Goldthwaite public school, was a passenger on yesterday morning's train enroute to Waco to attend the meeting of the Texas Teachers' Association.

Beginning Monday, 10th, we will sell bread at 10c per loaf or 3 loaves for 25c, government weight—E. H. HURD.

Mrs. L. A. Casbeer, widow of the lamented Capt. J. S. Casbeer, died at her home in Center City community Sunday night and her remains were laid to rest in the cemetery at that place.

Mrs. Arch Carson of New Mexico is in the city visiting Mrs. F. N. Irwin and other friends.

R. S. Burgess this week sold his 640 acre tract of land in Trigger Mountain community and 320 acres belonging to Mrs. Senterfit adjoining the tract to P. B. Gray.

Allen Weathers and daughter, Miss Mattie May, Miss Alta Webb

and Mrs. W. L. Burks, and Miss Mabel Denson of Lometa, returned Tuesday from an auto trip to San Antonio, where they visited Cecil Denison and found him well and enjoying the life of a soldier.

Mrs. Frank Perkins and children were guests of Mrs. Elza Smith Saturday.

Coleman Smith bought the meat market, restaurant and confectionery at Mullin this week and his father, Andrew Smith, has removed his family to Mullin.

Mrs. F. E. Martin returned Saturday night from a protracted stay in Fort Worth and Gainesville.

W. A. Johnson and family are here from Oklahoma on a visit to his parents, Mr. and Mrs. W. W. Johnson at North Brown, whom he has not seen for fourteen years.

50 YEARS AGO

(Taken from Eagle file of December 4, 1897)

George Ethridge of the Pompey Creek Community is moving his family to Mullin for the purpose of sending his children to school.

Miss Anna Fowler will begin her school at the Duren school house next Monday.

J. H. Halcomb and R. L. Burks are receiving and delivering fruit trees at Mullin this week.

Luther Simpson has about got his house finished. Look out girls.

The gin at Democrat will turn out about 850 bales of cotton this season.

G. W. Hill has just returned from Garden City and reports a fine time.

Mrs. T. A. Renfro, Misses Ida, Cora and Emma and Master Bedford, are all sick with typhoid fever.

Wm. O. Wilkes made a business trip to Lampasas County this week.

J. J. Mills is enjoying a visit from his mother, who lives near Star.

C. C. Ashley and Frank Collins have purchased the Ard restaurant and are conducting the business at the same stand.

Sidney Cooksey of Hallettsville is visiting his uncle, J. W. Burleson, north of town. His father, J. T. Cooksey, will arrive in a few days for a visit.

H. G. Forehand has severed his connection with J. J. Mills' dry goods house, and has returned to his plantation on the river, in the Nabors Creek Community.

Miss Pearl Ayers of Austin is visiting her grand mother, Mrs. Mattie Hart, in this city.

Will Leverett came in Thursday and disposed of a wagon load of Turkeys at a fairly good price.

Last Sunday, Wm. O. Wilkes and Miss Lillie Herring were married at the residence of the bride's parents, four miles east of Lometa, and will make their future home in Goldthwaite.

Mrs. H. T. White returned Tuesday night from a visit to South Carolina, where she went to look after her property.

A great many people do not appear to understand the importance of Mullin and we therefore give a list of the business houses there: S. B. Burton & Co., Lovelace and Boler, H. F. Butts and M. C. Kirkpatrick sell general merchandise. Henry Bros. carry a fine stock of dry goods. H. Barker and Son, F. G. Greer and J. W. Roberts deal in hardware, vehicles and implements. Barker and Son have a first class lumber yard. D. R. McCormick and J. W. Lumpkin have as complete stock of drugs as you will find in any city. J. H. Mullins is proprietor of the hotel. He also conducts a livery stable and wagon yard. Ed Fairman runs the flour mill and cotton gin. G. W. Spier sells cold drinks of all kinds and is doing a good business. Dr. J. L. Merrington and Dr. J. D. Kirkpatrick are the physicians of the town and their practice extends for miles around. There are two blacksmiths and wood work shop and a barber shop is conducted by Mr. White.

Ruft Goode was sufficiently recovered Monday to be in town among his friends. He will soon be out on the cattle trail.

Willis Miller of Comanche was here this week visiting the family of T. A. Renfro.

J. C. Burdette of Big Valley was one of the prominent men in town this week.

J. M. Sexton left Sunday in his buggy for a trip through the west.

SCRIPTURE: III John. DEVOTIONAL READING: I Corinthians 1:10-17.

Christian Fellowship

Lesson for December 7, 1947

SUNDAY'S lesson is based on the short third Epistle of John. You can read it in two minutes, but you will not exhaust its meaning in a lifetime. Link with

Dr. Newton

III John the devotional reading found in I Corinthians 1:10-17, and you have a great and glorious picture of Christian fellowship. Note these words:

"Now I beseech you, brethren, by the name of our Lord Jesus Christ, that ye all speak the same things, and that there be no divisions among you; but that ye be perfectly joined together in the same mind and in the same judgment." I Corinthians 1:10.

And these words from III John, second verse:

"Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth."

Here we have the basis for Christian fellowship.

Let Us Love One Another

WHAT is the first test of Christian fellowship? Read I John 4:7.

Love one for another is the first and last test of Christian fellowship. Of course, love one for another is dependent upon love toward God. We do not really love one another until we first love God. And we do not love God until we realize that he first loves us.

Why do we keep certain letters? Because they are from those who love us, and whom we love. Boys and girls can help to make this a better world if they will express their love one for another in letters.

Gracious Words

IN ECCLESIASTES 10:12, we read: "The words of a wise man's mouth are gracious." Christmas will soon be here. There will be many Christmas cards and Christmas letters. Let us think carefully of some lonely boy or girl in our community who may not receive such a message unless you send it.

More than that, think of the lonely boy or girl in the hospital, in the orphan home, in the underprivileged tenement. Think what a letter from you to such a lonely neighbor would mean!

Doing Good

CHRISTIAN fellowship, in the last analysis, is doing good. "He that doeth good is of God," says John, and we know that it is true. Intermediate boys and girls can seize upon numerous methods of proving their Christian attitude as we come on toward the Christmas season. Discuss with your teacher next Sunday the idea of providing Christmas gifts for underprivileged boys and girls of your age. If not in your community, somewhere.

While in Europe last summer, I was impressed with the fact that there will be very little Christmas for the young people in many of those lands this year. War has left its frightening desolation. The people are without money and without homes and without clothing and without food.

May I suggest that you discuss plans by which you may send packages through CARE to some lonely, needy neighbor in Europe this Christmas, thus proving your sense of Christian fellowship.

Furthering the Gospel

AS WE grasp more fully the meaning of this lesson next Sunday, our hearts will gladly respond to the opportunities for furthering the Gospel of Jesus Christ, even as Galus and Demetrius impressed John.

In every community are crying needs for Christian ministry. Your newspapers will be talking of special opportunities for Christmas help. Your Community Fund chairman can give you names of worthy neighbors who need help.

"I thank God for your fellowship in furtherance of the Gospel from the first day until now," wrote Paul to the Philippian Christians.

How did they show this fellowship? In many, many practical ways, some of which Paul names. They sent food, books, clothing. More than that, they gave themselves in personal visitation to lonely friends. They cheered the faint.

How happy we shall be if after the study of this lesson we go out to do with all our might what our hands find to do.

It's easy to tell yourself it's okay to fudge on the safety rule this one time because you're in a hurry and the odds are you won't have an accident. You can talk yourself into this decision in just about the time it takes a moving car to hit you—just time enough for a tragic accident. The Texas Safety Association says if your thinking runs like this, you're living on borrowed time. Accident is no respecter of persons, time, nor places! The birth rate on farms in 1946 was apparently the highest since 1929. There was an increase of 2,360,000 in farm population in 1946 over 1945, and of this number 773,000 were babies born during the year.

We realize our obligation when we fill your order for a Monument—And provide only materials of unending Serviceability, Design and Workmanship of the finest, and our prices are most moderate..

WOOL TARIFF REDUCTION

Effective January 1st, the tariff protection on raw wool will be reduced by 25 percent. This is the first reduction in years, and will undoubtedly eventually be felt by the wool growers of this country. The reduction is the result of an agreement reached by the conferees at the Geneva International Trade Conference. The present import duty of 34c per pound on clean-content raw wool will be cut to 25½c per pound, or 8½c a pound.

This gives the Australians, our chief competitors, an improved advantage over our own growers. Because of low production costs, the Australians have for years been able to produce, transport and pay the American duty and still sell to our mills at or near our actual cost of production.

The situation has changed a bit, however, in that the Australian mills are using considerably more of their own wool, especially the finer types, than before the war, and with rehabilitation progressing on the continent a greater demand for wool may eventually be expected from that source.

For the present, observers here think the effect of the drastic tariff reduction will not be very noticeable. That is because of the present scarcity of fine wools and the government purchase program during the liquidation process of our own stockpile.

The fact is that most of the benefit of the cut will go to the Australian and New Zealand growers who were promised bigger incomes by the governments of those two countries before their last elections. The growers over there will not reap bigger subsidies and their production will likely be stepped up. While that is being done, it remains to be seen if, under the more difficult competitive situation because of the reduction, our own flocks will continue to be reduced. The Department of Agriculture points out that during the past 5 years the sheep population in America has dropped by 35 percent.

Contrary to some contentions, the lower duty is not expected

to result in any noticeable reduction in the price paid by mills for imported wool. In other words, consumers of wool products in this country will benefit very little, if any, from the deal. Moreover, based upon 1946 imports, our treasury will suffer to the tune of \$35 million each year in revenue which except for the reduction would be collected from imported wools. Last year the total collected amounted to \$142 million.

At the Geneva Conference there was nothing done about the embargo the Australians have for years imposed upon the export of certain desirable types of breeding sheep to this country.

Nor was there anything done at Geneva about the International cartel which virtually controls the price and disposal terms of most of the wool produced in the world outside the United States.

Congressional committees are laboring over measures to curb the living cost spiral and the inflation trend. Restriction of credit buying, eliminating margins on the grain exchanges, control over the allocation of certain scarce materials, and the renewal of export controls, are among proposals that are being considered.

There is very little sentiment

for a return of OPA. The latter, which served a purpose during wartime, is believed by many to be unworkable now for a solution of our present problems. As one man put it: "The black market would take over and run the country." It is generally agreed that there can be no effective price controls without wage controls. And since wage controls were scrapped after the war when the CIO pulled the steel and General Motors strikes, along with John L. Lewis' coal strikes, more and more strikes could be expected if wage controls should be imposed. Therefore, it is reasoned that the return of OPA at this time would create far more problems than it would solve.

The Secretary of Agriculture has given me assurance that careful study is being given my suggestion that proposed reduction in acreage for peanuts be discarded for 1948. We need all-out production of all types of feed and food, during these times of scarcities and spiraling prices. After all is said and done, the only real answer to inflation is more and more production.

HOW DO YOU VALUE THE GOLDTHWAITE EAGLE?

I've only been in Goldthwaite a few months and to do without your town paper, a telephone, a post office box number, I find it quite a problem!

So, the first thing I did to add to any of these conveniences to my place of residing was to subscribe to The Eagle.

I find it the best source of supply yet. No home should be without their local paper, as it acquaints them with any new event or unusual happening in the community you need to know about.

It's true we have good neigh-

bors, they're all around us and I love them dearly, and through them we learn many things, but they can't fill your every need, keep you posted on all things you should know, for like you, they too, forget to ask about this—or to inquire about that—or to put you wise to the most important news you should know and keep up with.

Then, it behooves us to have this welcome guest, The Eagle, visit our homes weekly by becoming an owner of it—do you not think?

For instance, The Eagle tells us when and where to go to church, giving the time to meet for Sunday School, Services (Preaching, etc.), and other activities belonging to each denominational church, making it easy for all church-going people

(and we all should be that kind) to know just when to assemble. Also, we usually find in The Eagle when and where the next big Singing or Convention will be held, and I do love them, and wish with all my heart we'd work up more of them—and be sure and prompt to attend them when they do occur! It's like listening to the Gospel in song! It's food to the soul!

So, we all should appreciate the many helpful announcements and necessary news we gather from the pages of The Eagle, and I do thank you Editors greatly for the many special helps you give us through your paper!

I thank you!

SSA KEEPS LARGE FILE — WON'T TELL

Like the daisies, the Social Security Administration won't tell. This Federal Agency keeps its mouth shut, and some of the 88,000,000 Americans who hold social security cards would be mighty unhappy if it didn't.

Concentrated in the Accounting Operations Division of its Bureau of Old-Age and Survivors Insurance in the Candler Building in Baltimore are more personal facts and figures about more Americans than in any other place in the country.

Just how old is your mother-in-law? The Social Security Administration might know, but it won't tell. How much did your ex-wife earn last year? The Record is there, but only she can get that information—and she already knows.

When the Social Security Administration asks for and gets from a worker the information necessary to set up and identify his account, it pledges itself to regard such information as confidential and to withhold it from all but authorized persons.

The Social Security Administration's Austin office receives many requests each week for aid in locating missing husbands, persons who find it easier to move than to pay bills, and people who cash checks on the basis of social security card identification.

"In every case stated, we must tell the caller that our records are for social security purposes only and that we are not permitted to release any information. Without such protection to individuals, we would no longer get the accurate information necessary, and we would soon be spending more time furnishing information than we now put on the bookkeeping the law requires.

PRES. TRUMAN OPENS XMAS SEAL TUBERCULOSIS CAMPAIGN

Washington, D. C., (Special)—Deploing the "needless waste of lives" from tuberculosis, President Truman is urging Americans to join the fight against this disease by buying and using Christmas Seals.

President Truman opened the 41st annual Christmas Seal Sale of the National Tuberculosis Association and its 3,000 affiliates by accepting the first sheet of the 1947 Seals from Secretary of Commerce W. Averill Harriman at the White House.

Residents of communities throughout the country received seals in their mail Monday. The Seal Sale, to raise funds to support the tuberculosis control work of the associations, will continue until Christmas.

The President's complete statement follows:

"It is heartening to learn that the death rate from tuberculosis is continuing to decline in the United States, but this fact should not give us a false sense of security.

"Hard work has forced the death rate down. More hard work, based on intelligent planning, is necessary to keep it down. We need no other reminder of this that the spectacular rise in tuberculosis morbidity and mortality in Europe when controls were of necessity relaxed during the war.

"Even in this country we have no right to be too proud of our progress. I am told that 50,000 Americans die annually from tuberculosis. Yet tuberculosis is a preventable disease and we cannot relax our efforts to control it in the face of this needless waste of lives.

"All of us can contribute to the success of these efforts through buying Christmas Seals. These Seals, on sale from November twenty-fourth to Christmas, are the sole support of the National Tuberculosis Association and its affiliates in their year-round, nationwide campaign to control tuberculosis. We are effectively joining the fight against tuberculosis when we buy and use Christmas Seals."

CELEBRATED COLLECTORS

Robert Ripley, of "Believe It or Not" fame, has a collection of 1200 unique steins.

Another famous collector is Mrs. America, who, in the past five years, has turned over to her meat dealer 625,000,000 pounds of needed used cooking fat.

Activity in southwest markets continued brisk during the week. Farmers offered for in most sections, as prices advanced around \$7.50 per bushel. Eggs and poultry sold steady to firm the past week in holiday demand. Current seipt eggs brought 47 to 50 cents per dozen at Dallas and Worth. Most markets bought turkeys close to support level. Heavy hens brought mostly to 26 cents but New Orleans paid 30.

Cattle sold generally steady to 50 cents higher compared to a week earlier, the only notable exception being a net loss of 5 to 50 cents at Denver on steers and yearlings, which continued scarce at all markets. Common and medium cows brought: from \$12 to \$15 at Texas markets and \$14 to \$17 at Oklahoma City. Denver paid \$15 to \$19.50 for common to good kinds. Canners and cutters moved at \$9.50 to \$12.50 at Texas markets and up to \$13.50 at other southwest terminals.

Sheep prices rose 50 cents at most markets, and lambs gained around \$1.50 at Oklahoma City and Wichita. Good and choice lambs sold at \$22.50 to \$23 at Oklahoma City and \$23.25 to \$75 at Denver. Medium and good lambs brought \$18 to \$21 at San Antonio and \$19 to \$22.50 at Fort Worth.

The annual mean temperature of Mills County is 65.5 degrees. Texas ranks 6th in population. —Eagle Want Ads Get Results—

Swing Of Southwest Farm Markets

By USDA
Southwest farm markets maintained generally firm to higher trends last week, according to the Production and Marketing Administration, U. S. Department of Agriculture.

Grain markets reached new high levels and remained strong

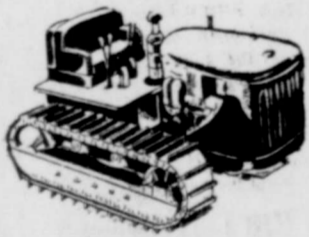

throughout the week. Principal strengthening factors included unfavorable conditions of the winter wheat crop, short European supplies, and rapidly diminishing domestic feed grains needed for the coming heavy winter feeding season. Texas wheat closed Friday at \$3.27 1-2.
