

The Goldthwaite Eagle

VOLUME FIFTY-FOUR

GOLDTHWAITE, MILLS COUNTY, TEXAS, FRIDAY, JUNE 4, 1948

NUMBER FORTY-THREE

(Editor's Note—The early history of Goldthwaite schools has been prepared for publication at the request of The Eagle by R. E. Clements of Goldthwaite, who is one of the leading authorities on early Mills County history. This history will be preserved in Eagle files for future generations.)

EARL CLEMENTS GIVES HISTORY OF GOLDTHWAITE'S SCHOOLS

The Goldthwaite Eagle of September 19, 1947, contained an article on the old ten room stone school building with pictures of same stating that the front section, four rooms, two-story, built in 1890, constituted the entire unit up to 1910.

Since my memories of Goldthwaite date back to the sale of lots September 2, 1885, shall list my recollections of the schools from above date to 1890, the year the first unit of the old building was constructed.

The first was a private school, taught by Mrs. Fannin Pugh, wife of Dr. Pugh, in a small building on Fisher Street where the Marble Yard is now. J. A. Hester of this city and Mrs. Will W. Taylor, Hamilton, Texas, attended this school. So far as is known locally, they are the only students now living. Mrs. Pugh had a Community Christmas tree for the children; it was a white Christmas.

The first public school was taught in a two-room box house on the lot now occupied by R. V. Littlepage residence with teachers, Prof. Murray, who previously taught at Williams Ranch, and Miss Etta Diblee. The next teachers were Prof. M. C. Humphries, Miss Deros Fisher, and Miss Sallie Thompson, Scott Thompson's aunt.

Then followed the purchase of the McAlpner Hotel building, a two-story frame structure located on the Sam Rahl lots in south part of town. This became known as the "Castle Under the Hill." Prof. Hogan, of San Saba, with two assistants conducted the school, followed by Prof. Vincent with two assistants.

The Castle was soon outgrown. Then began the struggle, financially, to start a permanent structure in stone with four rooms, two stories. The school had no funds. On lots Jas. Rahl told me several years ago, that he and nine other men signed a note at the bank for \$3,000.00 to start building until bonds could be voted. Opposition came very near defeating the bond issue. Mr. Goldthwaite, for whom the town was named, donated a business lot on 4th Street, now occupied by Faith's Hatchery, to be sold at auction for benefit of the building fund. In appreciation of Mr. Goldthwaite, the new building was named The Ella Goldthwaite Academy, in honor of his daughter, Ella.

Flower Festival And Silver Tea To Be Given Saturday, June 12

The Goldthwaite Garden Club will hold their Flower Festival and Silver Tea in the T. M. Glass home Saturday, June 12. Hours, 3:00 o'clock to 5:00 o'clock p. m. Proceeds from this display will be used for continuing the maintenance of the Court House Lawn project. The public and especially all flower growers are cordially invited to see these beautiful arrangements.

Flowers in the horticultural and arrangement classes will be judged by accredited judges from out of town. All entries must conform to the following schedule:

Rules

- I. Exhibits in horticultural classes limited to club members.
II. An exhibitor may have one and only one entry in any subdivision class.
III. Exhibits must be in place by 11:00 a. m. Late entries will be marked "Not for competition."
IV. All entries must be removed by 7:00 p. m.

SECTION A. Horticultural Classes

CLASS I—A—Zinnias, Specimen Bloom, (a) Pink, (b) Red, (c) White, (d) Yellow, (e) Orchid.
B—Collection of different varieties three stems.

CLASS II—Specimen bloom of other annuals, (a) snapdragon, (b) Rose, (c) Sweet Pea, (d) Gladiolus, (e) Daisy, and any other desired annual.

SECTION B. ARRANGEMENT CLASSES: CLASS I—Invitation Class, (a) Arrangement by invitation, any type material used. Foliage permitted, with or without accessories. (b) Church arrangements, any material may be used.

CLASS II—Arrangement by

beginners. (a) Coffee Table, (b) Occasional Tables. CLASS III—Arrangements open to the public, (a) Centerpieces, (b) Tea Tables, (c) Informal Dinner Table. CLASS IV—Junior Division, (a) Small Arrangements, (b) Best collection of wild flowers, (c) Dish Gardens, (d) Aquarium.

COMMITTEES General Flower Show—Miss Ruth Ervin, Mmes. Joe S. Kirby, T. M. Glass, W. P. Duren, M. Y. Stokes, Jr., Mary Winsor, C. F. Stubbfield.

Staging—Mmes. M. F. Horton, Charlie McLean, Hollis Blackwell, Jerry Walker, J. H. Harrell, P. R. Jordan, H. E. Patton, Robert Johnson.

Classification—Mrs. Malcolm Jernigan, Miss Abbie Ervin, Mmes. H. B. Johnson, John G. Berry, O. H. Yarborough, Fred Stephens, Ben Day. Entry—Mmes. Tom Collier, H. B. Johnson, John Patterson, O. C. Weatherby, Luther Rudd, J. M. Campbell, George White.

Judging—Mmes. E. T. Fairman, Jim Weatherby, J. A. Hester, John G. Berry. Prizes—Mmes. Marsh Johnson, W. J. Weatherby, E. D. Robertson.

Hospitality—Mmes. L. E. Miller, J. H. Randolph, J. N. Keese, R. M. Thompson, Dan Yates, J. V. Cockrum, Henry Martin, Henry Morris, R. L. Cooner, J. A. Hester, Joe Langford, J. C. Mulian.

Juniors—Mmes. T. M. Glass, Charlie McLean, Hollis Blackwell, M. E. Blake, Jim Weatherby, M. Y. Stokes, Jr., C. F. Stubbfield. Publicity—Mmes. M. F. Horton, C. T. Wilson, D. D. Tate, S. P. Sullivan.

Schedule—Miss Ruth Ervin, Mmes. Jim Weatherby, Malcolm Jernigan, John G. Berry.

RED SOX TO PLAY DE LEON SAT. NIGHT AT BALL PARK HERE

The Goldthwaite Red Sox, still in top position in the Heart of Texas League, take on the De Leon powerhouse team under the lights here tomorrow (Saturday night). This is a league game.

Last night (Thursday) the Red Sox went to Brownwood and played a league game with the Browns to inaugurate Brownwood's new lighted field

which has just been completed. Goldthwaite has beaten the Browns once this year, 7 to 0.

On Thursday night of next week, June 10, the Red Sox play a matched game here with the Fredericksburg team. This will be the Sox's fourth game with this team, which has beaten them twice for their only loss this season. Goldthwaite beat Fredericksburg the last time, 10 to 0, there on May 23.

Mullin And Priddy Tied For First In Mills County Softball League

As a result of an upset last Friday night when Frazier Bros. defeated Western Auto 11 to 0, the teams of Mullin and Priddy are now tied for first place in the first-half play of the Mills County Softball League. Both teams have played two games and won two. In the second game that night, Big Valley won over Pleasant Grove 11 to 0.

Columbus Hollingshead for Frazier Bros. allowed only three hits in five innings against Western Auto. Harmon Frazier started off the scoring for Frazier Bros. with a homerun in the first, with three on base.

In the Big Valley-Pleasant Grove game that followed, Compos, pitcher for Big Valley, put out six hits, while Milan for Pleasant Grove allowed 11. R. G. Kelly batted in a homerun for Pleasant Grove.

This week, Tuesday night's games were postponed to last (Thursday) night on account of the Rodeo. The Star vs. Mills Co. Voc. School game was postponed because five of the School's best players were in Brownwood with the Red Sox. The other game last night was Priddy against Mullin.

Tonight, Friday, regular play will begin at Municipal Park here, with Pleasant Grove taking on Frazier Bros. at 8 o'clock, and Western Auto vs. Mullin in the second game beginning at 9:15.

Next Tuesday night will see

DOUBLE-HEADER SOFTBALL GAMES WEDNESDAY NIGHT

Next Wednesday night, beginning at 8, Saylor Chevrolet All-Stars take on a Lometa team at Municipal Baseball Park here in a double-header softball game.

The All-Stars have won only two games to date, and with McMullan team from San Saba here 5 to 1, and the other with Lometa there, 11 to 0.

The Ladies' team has also been very successful, having won all their games to date except the one with the Lometa ladies there on Tuesday afternoon last week, when Lometa won 8 to 1 in the last half of the seventh.

Big Valley pitted against Mills Co. Voc. School for the first game, and Priddy takes on Star in the second.

LEAGUE STANDING table with columns P, W, L, Pct and rows for Mullin, Priddy, Western Auto, Star, M. C. Voc School, Frazier Bros., Big Valley, Pleasant Grove.

GOLDTHWAITE'S THIRD ANNUAL RODEO A GREAT SUCCESS

Goldthwaite's Third Annual RCA-Approved World Championship Rodeo, staged at Jernigan Arena two miles east on Monday, Tuesday and Wednesday nights of this week, saw large crowds attending each night, with excellent weather prevailing.

Stock furnished by Sprout & Spence Double S Ranch near Killeen proved to be some of the toughest ever seen in this section. One of the best parades ever witnessed here was put on Monday afternoon at 3:30, with a large crowd lining the streets in the business district.

Five main events, with special events and ladies' barrel races, were staged each night. Eleven hundred dollars was added to entrance fees in the events to be distributed to winners.

Much praise should go to Promoter Malcolm Jernigan, Lions Club President Joe B. Karnes and his advertising committee—D. H. Holland, M. E. Blake, John L. Gwin, D. D. Tate, and Mrs. Wm. G. Yarborough and Mrs. J. H. Harrell—for their untiring work in arranging for and advertising Goldthwaite's Rodeo, as well as to others who helped in the concession booths.

The Rodeo was well advertised near and far, and people were present from great distances. Many visitors here intending to stay only one night, liked the

performances so well they stayed on through the three nights. GRADUATES FROM COLLEGE Billy Ray Armstrong returned here last week from Laredo where he graduated from the College there. He was Salutatorian of his class. He is the son of Mrs. Annie Armstrong.

Mr. and Mrs. L. R. Hendry, Mr. and Mrs. J. R. Eudy, Carolyn Close, all of Coleman, and Marlene Eudy of Odessa spent Thursday here in the home. Mr. and Mrs. C. T. Wilson, and attended the Rodeo Tuesday night.

ROG'S CORNER

Henry ain't a stallin' in writin' to Joe. Neither is Stalin stallin' in replyin'. You know These two birds Have got the guts To think they'll rule the world Or drive us nuts With their Communist, Idealistic ideas. Causin' more irritation Than a mangy dog with fleas To my way of thinkin' They'll have another think comin' When we send Henry back to the farm And give Moscow an Atomic bombin'—ROG

Treasurer Report, Mrs. Eula Nickols. Organizer Report, Rev. J. L. Emery. 8:45—Special Music.

8:50—Evening Message, Rev. J. L. Emery. Adjournment Closing Prayer.

CEMETERY WORKING AT CARADAN JUNE 11

There will be a cemetery working at Caradan Friday, June 11. Everybody come and bring lunch, as it will take almost all day.—COMMITTEE.

BOY SCOUT CAMP BILLY GIBBONS WILL OPEN JUNE 24

Boy Scouts in the Comanche Trail Council Area which is composed of Stephens, Eastland, Erath, Comanche, Brown, Mills, San Saba, and Lampasas Counties, are making their Camp boxes and gathering up their camping gear in preparation to attend. Officials say, one of the largest camps in the history of the Council.

Scouts will be offered one of the best camp programs that has ever been offered. Various camp crafts will be offered such as leathercraft, bow making, and metal work. Various skills in archery, marksmanship, swimming, boating, life saving, and Indian Lore will be given. Stalking will be directed by Game Wardens. Camp fires! Camp Fire Stories told by old timers.

Meals will be served in the large 40 by 160 foot mess hall. Food will be prepared by professional cooks.

Camp will run three One Week Periods—June 24 to July 15. The opening meal will be noon on the 24th. of June. The International Sunday School Lesson will be conducted by qualified teachers each Sunday which is designated as Visitors Day.

MOVES TO COMANCHE

W. W. Ligon, a long-time resident of Goldthwaite, sold his home here recently and has moved to Comanche where he will reside. His many friends regret his leaving, but wish the best of everything in his new home.

NOTICE

The Executive Committee of the Goldthwaite P. T. A. requests all parents of babies and pre-school children to meet in the home of the president, Mrs. M. E. Blake, Friday, June 11, from 4 to 5 p. m., for the purpose of organizing a pre-school P.T.A.

RED CROSS MEETING SATURDAY, JUNE 12

The Annual Meeting of the Mills County Chapter of American Red Cross will be held at 10 a. m. Saturday, June 12, in Commissioners Court Room in Goldthwaite, for the consideration of reports, the election of officers, and for the transaction of such other business as may properly come before the meeting. All members of Mills County Chapter are expected to attend.

Brian Smith, Ex-Sec. Mills County Chapter.

VISITORS FROM ABILENE

Mr. and Mrs. R. E. Bradbury and daughter, Mrs. Henry Kempner Dalton, and her daughter, Gay Elizabeth, came in from Abilene Thursday morning for a visit with Mr. and Mrs. Grover Dalton. The Bradburys returned to Abilene Thursday afternoon, while Mrs. Dalton and daughter remained here for a few days' visit. Grover Dalton, who underwent a major operation at Fort Worth recently, is getting along fine and has been down town. He expects to return to work in The Trent State Bank soon.

Mr. and Mrs. Glenn Armstrong of Austin spent the week-end here visiting her parents, Mr. and Mrs. Lewis Covington and his mother, Mrs. Annie Armstrong.

The Audubon Nature Camp of Texas will be held at Kerrville in five two-week summer sessions beginning June 19 and lasting until August 27.

Vertical advertisement on the left side of the page, partially cut off, containing various promotional messages and graphics.

YARBOROUGH'S

Health Notes

POLIO PREVENTION

Dr. Geo. W. Cox, State Health Officer, has issued the following recommendations and suggestions concerning the control and prevention of poliomyelitis which is occurring in some sections of the State.

At sanitary measures should be observed in all communities. Eliminate rats, mosquitoes, and houseflies, and destroy their breeding places. Every effort should be made to insure approved garbage collection systems and safe water supplies. Where adequate municipal sewage disposal systems are not in operation, it is vital-

ly important to maintain sanitary septic tanks and outdoor privies.

All swimming pools should maintain standards approved by the State Department of Health, which includes maintenance of proper chlorine level.

Only approved milk should be used, and raw foods and vegetables should be washed thoroughly before use, and protected from flies, filth, and insects. All foodhandling establishments should adhere strictly to the State Law concerning the sterilization of dishes and utensils. Those restaurants with insufficient personnel to maintain approved sanitation should close one or two hours a day so that employees can assist in maintaining cleanliness.

Over-exertion in children should be avoided, and they should not visit in homes where there is illness. It is advisable to reduce to a minimum all human contacts, especially in children during an outbreak of this disease. It is not advocated that schools, churches, and theaters be closed.

Early symptoms of infantile paralysis are headache, fever, vomiting, drowsiness, followed by stiffness in the neck and back. When suspicious symptoms appear, a physician should be called immediately.

Seasonal advice to vacationists concerning the proper precautions to be used in water sports was released from the State Health Department today by Dr. Geo. W. Cox, State Health Officer.

is, cases so light that the doctor was not called. In some instances the children have continued to go to school and to associate and play with other children. In others, after they have been kept at home for a few days, they have returned to school and have scattered these germs among their schoolmates. Strict isolation of chickenpox patients is the only means by which the spread can be controlled and parents should cooperate fully in isolating a child as long as the doctor thinks it advisable.

The State Health Officer said that the family doctor is the best judge of the seriousness of such childhood diseases, and suffering and anxiety will be avoided if the doctor's advice is sought and followed throughout the course of the illness.

Speaking in this connection, Dr. Cox advised: "Be sure that your windows and doors are tightly screened so that stray flies will not endanger the health of your family. Keep flies away from food, drink, and utensils used in the preparation of food. Make sure, if you live in rural districts, that outside privy vaults are tightly covered so as not to permit the entrance of flies. Infections from this source can be picked up by flies and spread to human beings through contact with food, drink, and utensils. Keep all garbage covered until collected or buried. Eliminate all breeding places for flies and you will be helping your community in its work of controlling communicable diseases and preventing unnecessary illness."

225,000 ACRES TEXAS SCHOOL LAND ON SALE

Austin, June 3—Bascom Giles, Commissioner of the General Land Office, said today that his office was mailing approximately 20,000 booklets describing approximately 225,000 acres of public school land which will be sold to the highest bidder July 6.

The School Land Board originally planned to offer 150,000 but so many requests have been received that the amount has been increased to 225,000 acres.

The descriptive material is being mailed in response to requests received since the sale was announced three weeks ago indicating tremendous interest in the sale, Giles said. The booklets give complete details of the sale, including location by survey, amount of acreage, minimum bid to be accepted by the state and instructions for submitting bids.

The land is located in 69 counties and ranges from 40 to 640 acres in size. All bids will be submitted on a sealed competitive basis. The state retains one sixteenth free royalty on oil and gas and one eighth on sulphur.

Several proposed offerings have been withdrawn from the first listing because oil and gas has been discovered within five miles of the tracts. State law forbids selling state land within five miles of production.

Exclusive of this sale, the State still has over one million acres unsold, Giles said.

STATE FAIR AT DALLAS INCREASES LIVESTOCK PRIZES

A total premium of \$62,191 for the 1948 Livestock and Junior Livestock Shows at the State Fair of Texas, representing a substantial increase over last year, has been announced by R. L. Thornton, State Fair president, National and state purebred livestock associations cooperating with the State Fair, are offering \$11,459 of this amount.

Twenty six herds of livestock will compete for a premium of \$52,123 at the State Fair's Livestock Show, to be held October 13 to 22.

A record number of 4-H Club members and Future Farmers is expected to compete in the State Fair's Junior Livestock Show, October 9 to 12 for a total premium of \$10,068.

"Improvement in the quality and breeding of all livestock to bring about more efficient production of milk, meat, wool and mohair, and a more prosperous livestock industry on farms and ranches of Texas, is the fundamental objective behind the greatly increased emphasis on the livestock program for the 1948 State Fair, Mr. Thornton said.

Since the State Fair of Texas is the largest exposition in the nation, it offers the largest audience before which purebred breeders may display their animals, Mr. Thornton pointed out.

In 1947 attendance at the Fair totaled 1,736,921—an all time record—and included farmers, ranchers, business men who own farms and ranches, and the largest group of 4-H boys and girls, Future Farmers and Future Homemakers in the country. Attendance for 1948 is expected to exceed 2,000,000.

"We believe that facilities for exhibiting livestock at the State Fair of Texas are the most modern and convenient in the country," said Ray W. Wilson, manager of the livestock department.

"This year the State Fair is presenting a carefully balanced show where people will have an opportunity to see outstanding exhibits of all major breeds of livestock," Mr. Wilson said.

LOST SOCIAL SECURITY CARDS CAUSING LOST WORK

Almost as many persons in the 29 counties served by the Austin office asked the social security office for duplicate account number cards in 1947 than for new ones.

Last year, 8250 duplicate cards were issued to persons who reported the originals lost or destroyed, David S. Pruitt, manager of the Austin field office said.

During the same period, only 9148 original cards were issued to persons added to the area's labor force.

Out of the more than 8000 people filing for duplicate social security account numbers, there were doubtless several hundred employees who were delayed from going to work on new jobs because of having lost their account number cards.

Wives of wage earners and mothers of young workers may render themselves and their family a greater service by helping to take care of the social security account number cards of the members of their family. The only time a person needs to have his social security card with him is when he is going to work on a new job. "After the employer has a record of the name and account number on his card, the employee should

BOB HOPE DISK JOCKEY IN NEW PARAMOUNT COMEDY

Bob Hope's latest comedy for Paramount, "Where There's Life," is the feature scheduled for the Melba Theatre next Tuesday and Wednesday.

The film also stars Signe Hasso and William Bendix, with George Coulouris, Vera Marshe, George Zucco and Harry vonZell importantly featured in the supporting cast.

In "Where There's Life" Hope, who has been on the road to practically everywhere, now finds himself almost shanghaied onto the throne of the mythical kingdom of Barovia. He plays an American disk jockey who is thought to be the son of the mortally wounded king of the seething little monarchy.

Miss Hasso is cast as a powerful general of the Barovian Army who sets out to bring Hope home to the fatherland. While protecting her future king from the death threats of a terrorist group, she falls in love with him. This further complicates Hope's life, for William Bendix, playing a tough New York cop, is insistent that Bob go through with his promised marriage to Bendix's sister, Vera Marshe portrays the sister. After many harrowing escapes from his enemies, and Bendix, Hope remains a happy American citizen, and Barovia loses its general to him.

"THAT HAGAN GIRL"

The curtains are ripped back on malicious small-town gossip and its disastrous effect on individuals in Warner Bros.' deeply moving drama, "That Hagan Girl," co-starring Ronald Reagan and Shirley Temple, which will hold the audience spellbound next Sunday and Monday at the Melba Theatre where the film will open. Both of the stars, Reagan and Miss Temple achieve new heights in their careers with their distinctive performances in this poignant story laid in a small midwestern town.

"That Hagan Girl" tells a dramatic story of two pitted against idle gossip. The girl grows up under a cloud of backyard gossip, there being a mystery surrounding her antecedents. As the girl grows up and goes on to junior college, the stories linger and when she is confronted by catty girl friends, the drama motivates into a near tragedy. The story abounds in dramatic punch. The small-town reveals itself with glances, whispers and innuendoes.

Pleasant Grove

By EDITH COVINGTON
A good rain fell one day last week.

Several attended the parade and rodeo the first of the week. Harvey Jeffery is the owner of a brand new car.

Mr. and Mrs. Morgan Stacy of Fort Worth and Edgar Simpson called on Mrs. Covington Sunday morning.

Mr. and Mrs. Hubert Berry of Bryan are spending a few days with his parents.

Mrs. S. F. Miller had all her children and grandchildren together Sunday at the home of her son, Chas. Miller.

Miss Lola Wilkey spent last week in Lampasas.

Mrs. John Reynolds of McKinney spent the week-end with her parents, Mr. and Mrs. W. F. Virden.

Nathon Carothers visited Chester Berry Saturday afternoon.

Mr. and Mrs. Dan Covington, J. D. Robertson, Jr. and wife, Chas. Hall and family visited L. B. Covington and family Sunday.

Mr. and Mrs. Willie L. Berry spent Sunday with relatives at Star.

Mr. and Mrs. Glenden Armstrong of Austin spent Sunday night with her parents.

Earnie Hairston and wife of Grand Prairie spent the week-end with their parents.

—Eagle Want Ads Get Results—

Mrs. J. W. Kelly is visiting her daughter, Mrs. J. C. Darroch, and Mr. Darroch, in Brownwood. On Friday of last week, Rev. and Mrs. Joe Emery and Mr. and Mrs. Ed Gilliam and family went to Waco to visit the Baylor University.

Mr. and Mrs. J. D. DuBose spent several days in Dallas last week attending market. Mrs. DuBose left Sunday with Mr. and Mrs. H. H. Gibbs of Brownwood for New York to buy merchandise. They expect to be away a month.

Announces Engagement

Miss Geneva Warren, daughter of Mrs. Bethel Warren of Abilene and Mr. Leonard Warren of Casitas Springs, California, announces her engagement to Don V. Hanson, son of Mr. and Mrs. Marvin Hanson of Dunn.

Geneva is a graduate of Goldthwaite High School.

Don is a graduate of Dunn High School and has been attending college at H-S. U. of Abilene the last three years. He is a ministerial student.

Their vows will be exchanged in the home of a H-S. U. minister, Wednesday, June 9, at 8:00 p. m.

After a short honeymoon the couple will go to Dunn for the summer but will return next fall to Abilene where Don will graduate next year.

JOINS U. S. NAVY

Werth Long, son of Mr. and Mrs. Jim Long, passed his physical for the U. S. Navy at Dallas, May 28.

He visited his sister, Miss Virginia Long, who is Swimming Instructor at the Y. W. C. A. in Dallas Friday and Saturday. He left for San Diego, California, Sunday morning for 14 weeks of boot training. Werth was a May graduate of Goldthwaite High School of the Class of '48.

Miss Virginia Long came to Goldthwaite Sunday to spend a week in the home of her parents, Mr. and Mrs. Jim Long.

Mrs. Buddy Balentine and Miss Wanda Balentine and Carl Featherston of Brownwood attended Graduation Services Wednesday night and saw Carlene Featherston receive her diploma from G. H. S.

RETURNS FOR GRADUATION

Jerry Jackson came back to Goldthwaite to graduate with his fellow classmates, having received his diploma from Goldthwaite at the completion of work and test in the U. S. N.

He returned to his base in San Diego Sunday. From there he will be sent to Memphis, Tenn., for 14 weeks of schooling.

He hopes to be home again at senior homecoming in November.

Mr. and Mrs. H. R. Turner and little daughter, Lara Ray, returned to their home in Great Lakes, Illinois, Monday, after visiting their parents, Mr. and Mrs. Joe Spinks and other relatives.

Mrs. Will Harmon returned to her home at Carlton Tuesday after visiting her parents, also her sister, Mrs. T. L. Hammond.

Mrs. Preston Watson of Archer City came in Tuesday for several day's visit with her parents, Mr. and Mrs. A. M. Hunt. Mr. Watson will arrive Thursday.

Mr. and Mrs. Bill Hightower and little Gale left for Austin Monday. Mrs. Hightower and little daughter have been here for some time. Mr. Hightower, who is a student at the University, was here between semesters. They have been visiting their parents, Mr. and Mrs. Oscar Burns, and Mrs. W. H. Hightower.

Lt. (jg) B. L. and Mrs. Perkins and children of Palm Beach, Calif., have been visiting Mr. and Mrs. W. W. Perkins of Duren, and his sister, Mrs. Milton Tate and Mr. Tate, Mr. and Mrs. D. A. Hamilton and other relatives.

Mrs. Bill Laughlin and son, Joe Wayne, of Sanderson are

visiting Mr. and Mrs. Gus Kirby this week.

Mr. and Mrs. W. H. Linkenhogger moved Monday into the house recently purchased from Jake Long. The Long family has moved to Grand Prairie to make their home.

Mr. and Mrs. Con Cunningham of Fort Worth spent a few days the first of this week with Earl Clements and other relatives.

Mrs. J. A. Roberts of Dallas spent Monday night with Mrs. Will Roberts.

Mr. and Mrs. J. A. Palmer and Mr. and Mrs. John Sutcliff of Dallas were week-end guests of Mr. and Mrs. Ted Vance.

Marvin Hodges, Jr. came in for the week-end to visit his parents, Mr. and Mrs. Marvin Hodges, Sr. Mrs. Hodges, Jr. had been visiting her parents, Mr. and Mrs. Allen Ross, for several days and accompanied her husband back to Port Arthur Sunday.

Mr. and Mrs. D. D. Tate had as guests Sunday afternoon his cousin, Mr. and Mrs. George Lasswell of Brownwood.

On Sunday, Mr. and Mrs. Fred Reynolds and Myriene attended a family reunion of her parents, Mr. and Mrs. C. H. Baber, near Dublin. All of the Baber children and their families were present.

Jane Long accompanied Mr. and Mrs. Dan Long to Denton Saturday to bring their daughter home from T. S. C. W.

Orvil Hale moved his household goods to the home of Mrs. Hale's parents, Mr. and Mrs. F. W. Conrad, in the Long Cove community Friday. The family will be with her parents while their home here is being built.

Mrs. Louise Long visited her mother, Mrs. R. E. Senterfit, and other relatives at San Saba over the week-end.

VIVAL MEETING MOLINE CHURCH

kell, Texas, will begin a ten-day revival meeting at the Baptist Church at Moline tonight (Friday). Services each night at 8:00 o'clock. Everybody invited.

SCALLORN—

By MRS. ORA BLACK
The good rain which fell here last week was very appreciative thus prolonging the life of our gardens and feed crops.

Most all housewives are busy canning and at the present time there is quite a variety of vegetables to be stored away.

Mr. and Mrs. Bob Simms and daughter, Jo Bob, of Brownwood and Billie John Ecker of Miles were guest Sunday of Mr. and Mrs. John Kuykendall.

Mrs. Cora Ford of Lometa spent the week-end with her daughter, Mrs. Webb Laughlin.

Grandmother Laughlin and Mr. and Mrs. Ernest Johnston visited Sunday near Goldthwaite with Mr. and Mrs. Worley Laughlin.

Mr. and Mrs. Boz Laughlin of Lometa were guests Sunday of Mr. and Mrs. Webb Laughlin.

Guests Sunday of the Blacks were Mrs. S. M. Black, Mr. and Mrs. Ford Allen and Mrs. Norma Ricker and children Ronnie and Judith of Brownwood.

Mrs. Sam Buttrell of Chadwick was a guest Tuesday of Mrs. Jane Johnston.

Mr. and Mrs. John Kuykendall and Mr. and Mrs. A. B. Faubion were Friday evening guests of Mr. and Mrs. Webb Laughlin.

Mr. and Mrs. Ran Gunn were dinner guests Friday evening of Mr. and Mrs. Vincent Whittenburg.

The Scallorn M. D. Club met last Friday with Mrs. Otis Carothers.

C. H. Black made a business trip to Abilene Saturday.

Mrs. Walter Derwin of Lampasas visited Sunday with Mr. and Mrs. David Jones.

Mrs. Earl Blake of Valera and Pat Davis of Leaday are visiting here this week with Mrs. Ora Black and attending the Rodeo.

NOTICE

Attention is hereby called to the public as to the laws governing fires whereby the alarm is given and the Fire Department is called for the purpose of controlling said fires.

It is now a State Law for any person or persons not a member of fire Department to hinder in any way the action of the firemen in their effort to control fires either at the fire or going to said fire or by running over fire hose.

It has been more or less a hazard in the past that when an alarm is sounded the general public rushes to the fire regardless of the thought of the Department of the fire apparatus and have and do get in firemen's and equipment's way to such an extent that firemen are hindered in their efforts to do their duty.

Please in the future if you are not on fire Department wait long enough after an alarm to allow the firemen to get there and then stay out of their way in their course of fighting fire.

The disregarding of these rules is punishable by a fine of \$10 and is supported by state laws, and will be enforced if the general public does not abide by same.

Each and every fireman has the authority at a fire that any law enforcement officer would have and will act accordingly—please co-operate with us.

LOY LONG, Mayor
JACK REID, Fire Chief
5-7-4TC

ATTEND FUNERAL

Out of town relatives and friends who attended Mr. Harvey Dunkle's funeral at Big Valley Monday were: Mr. and Mrs. Gus Roush, Sr., Mr. and Mrs. Gus Roush, Jr., of McCamey; Mr. and Mrs. Calvin Sparkman of Odessa; Mr. and Mrs. Hillard Dyches and family of Breckenridge; Mr. and Mrs. Ray Denhart and family of Bangs; Mrs. Jack Robertson of Medford, Oregon; Mrs. Amber Bogusch of Colorado; Mrs. Emily Cummings of California; C. A. Dodd of Bangs; Mr. and Mrs. Marion Robertson of Hamilton; Beryl Lee Robertson of San Antonio; Mr. and Mrs. Ralph Robertson of Laredo; Mr. and Mrs. Glen Petty of Brownwood; and Mrs. Earline Roberts of San Antonio.

Mr. and Mrs. George Gilbert and Gill spent the week-end in Corpus Christi visiting relatives and friends.

Mrs. Sumter Gerald and daughter of Fort Worth are spending a month with her parents, Mr. and Mrs. Claude Saylor, while her husband is in Newark, N. J. on an assignment for American Airlines.

Homer Doggett and family and Mrs. Shirley Nickols and Patricia from Pampa, and Mrs. Claud Holley from Madill, Okla., visited last week with Mrs. Eula Nickols and other relatives. Mrs. Shirley Nickols and Patricia visited her mother, Mrs. Maggie Traylor and sister and brother in Rock Springs (Mills County).

Last Thursday morning at six o'clock Homer Doggett and family took Mrs. Claude Holley and Mrs. Eula Nickols to San Antonio to visit Mrs. Earline Roberts and children. Mr. Doggett spent the day in Austin with one of his sisters while the rest visited in San Antonio.

J. F. Saegert of Sequin and son, Clarence Saegert, of Austin, came Wednesday to attend the Rodeo. They were guests of Mr. and Mrs. Jesse Saegert.

Mr. and Mrs. E. L. Pass had as their pleasant guests Sunday evening Mr. and Mrs. Will Taylor of Hamilton.

Mr. and Mrs. Edgar Bird of Copperas Cove spent the week-end here with their daughter, Mrs. Truett Auldridge and family.

Mr. and Mrs. Joe Proctor Karnes of Fort Worth spent the week-end with their parents here.

Mrs. Earlene Roberts, formerly of Abilene now of San Antonio, visited her mother, Mrs. Eula Nickols and other relatives and friends a few days this week.

Mrs. Leonard Sutton and little son of Brownwood visited in the R. L. Sutton home Saturday.

Mr. and Mrs. E. L. Pass visited

relatives in Brownwood Wednesday.

Miss Annie Laurie Petsick, who works in Alvin, is in Goldthwaite for her summer vacation.

Mr. and Mrs. Clifford Dellis, who have been residing in Edinburg for the past few months, were in Goldthwaite the first of this week visiting friends and relatives and attending Goldthwaite's annual Rodeo.

Miss Marvina Weatherby of Fort Worth came to Goldthwaite and with Mrs. J. H. Burnett went to Austin where Miss Annie Weatherby, who is at Texas

University, joined them for a week-end visit in Galveston. Misses Annie and Marvina are Mrs. Burnett's granddaughters.

Mr. and Mrs. Carl Spinks and daughters Anna Sue and Carla of Briggs were Monday visitors in Goldthwaite and at Center Point with his parents, Mr. and Mrs. Joe Spinks.

Chas. B. Palmer took his daughter to Giddings where they met Rev. and Mrs. L. M. Stokes and her mother, Mrs. Palmer, who has been visiting the Stokes in Houston. Mr. and Mrs. Palmer returned to Bangs Sunday. Their daughter remain-

NEW AWARDS

DAIRY PROGRAM

Awards of merit are being for superior records in 18 National 4-H Dairy Demonstration program...

state champions. Each will receive a standard American make, 17-jewel gold watch.

Our WASHINGTON Letter

By Congressman O. C. FISHER. While news wires hummed last week about Russia's alleged peace feelers...

The House voted to continue the reciprocal trade program for another year...

The present Reciprocal Trade Act is due to expire on June 12, unless extended.

ANTI-COMMUNIST BILL

With but 58 dissenting votes, the House passed and sent to the Senate a bill to further curb the activity of Communists in the United States.

HELL FOR THE DEVIL

NO WATER IN HELL for devil or demon or lost humanity NO WATER IN HELL to relieve the hellish heat that wears and withers yet never consumes.

Let's take a look at the Mundt bill and see why all this left-wing excitement. Its principal purpose is to require Communist Party leaders in this country to renounce their ties with Moscow.

If the Communist Party leaders refused to repudiate all ties with Moscow, they would be subject to fines and jail terms.

Now along the countryside the wild flowers bloom. White daisies and red zinnias through the pastures and the roadsides.

HILLSIDE MISSION

day and night at the Stanley Reeves home last week. While there she had Stanley to weigh her. She weighed 105 pounds, which is 12 pounds more than she weighed when she came here from Texhoma last fall.

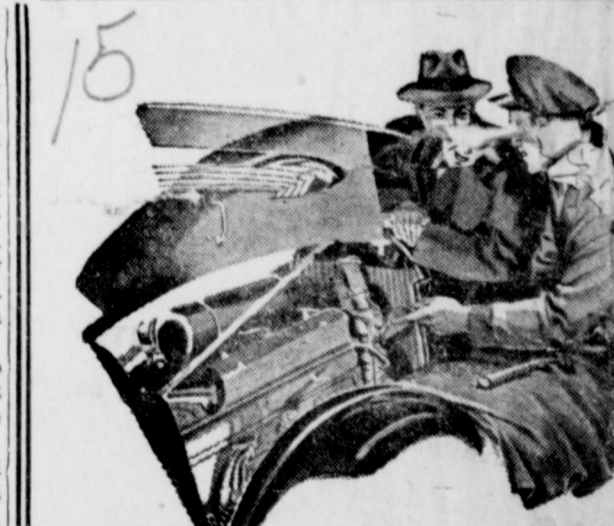

2ND SATURDAY 4-H, FHA AND FFA DAY AT DALLAS FAIR

October 16, the second Saturday of the 1948 State Fair of Texas, was designated as 4-H Club, Future Homemakers Day by the State Fair's Rural Youth Committee at a meeting Monday at the Adolphus.

Attendance goal set by the committee for this day is 90,000 members of these three organizations. Last year 45,000 members attended the opening day of the Fair.

The second Saturday was chosen to avoid the crowds and traffic congestion already anticipated because of the Texas-Oklahoma University football game which falls on opening day this year.

Honor award medals will again be presented to approximately fifty boys and girls for outstanding achievements in

Beauford Jester Announces For Second Term Governor Of Texas

BEAUFORD H. JESTER
Governor Beauford H. Jester Saturday announced for reelection to the office of Governor of Texas.

His announcement was made in a report to the people of Texas on the accomplishments of the State government for the sixteen months, and recommendations for action during the 1948-51 biennium. His candidacy is based on that record.

In the next 32 months, the Governor proposed a plan of action including the following:

- Emergency legislation to provide three million dollars to meet the shortage of pay teachers in equalized schools during 1948, the full amount necessary to make up this deficit for the year.
- The action last year being the largest appropriation in Texas history for public schools for the year.
- A further program to include additional or public schools for the year.
- The Gilmer-Aikin bill on the steps which have been taken to place the school system on the most possible plane.
- The determination of the necessary to "see that

the public school system of Texas has no peer among the systems of our sister States in the American Union," and prompt steps to advance the system to that goal, including immediate provision of funds to pay that goal, including immediate provision of funds to pay the \$2,000 minimum salary for teachers while bachelor degrees in schools of all sizes as now authorized by law.

Provision of adequate and equal school facilities for all children of the State, regardless of color or race.

Continuation of the fight to protect the billion-dollar interest of the public schools of Texas in the Tideland.

Appropriation of 4 million dollars as a capital expenditure for the complete rehabilitation of the Texas Prison System, and an initial increase in appropriations for salaries, maintenance, and new staff positions; with the expectation that the new plan will result in income from the System which will actually make the operational expenditure for the next two years less than for the current biennium.

Strongest possible emphasis on the development of the water resources of Texas, including such corollary programs as soil conservation and flood control.

Immediate and positive steps to speed up the farm-to-market road building in Texas, toward the goal of 25,000 miles of rural roads planned for the current period; adding to the 8,600 miles which have been built or are in process of development since V-J day, the additional mileage which can be contemplated through combined use of Federal, State, and local funds.

Request of the State Highway Department and of the County Judges and Commissioners that they give the 21st Legislature a complete report on the number of roads which can be constructed immediately with the funds

on hand or in sight, and are provision by the Legislature of such additional funds as may be needed to make the proper approach to the solution of this pressing problem.

Emergency appropriation of 20 million dollars from the surplus funds in the general revenue of the State for the construction of all-weather school bus roads during the period which may elapse between the exhaustion of present Federal funds and the availability of anticipated new Federal appropriations; and for the construction of another 2 or 3 thousand miles of rural roads in addition to the others mentioned.

Continued steady development of the arterial highway systems and of urban highway programs.

Declaring a state of emergency in Texas to combat the highway traffic toll which cost the lives of 1,997 persons in Texas last year; injured 65,000 others, and caused property loss of 81 and 1-2 million dollars.

Presentation to the people of Texas of an opportunity to vote on the removal of the present 35 million dollar ceiling on expenditures for old age assistance, aid to the needy blind, and aid to dependent children.

Consideration by the Legislature of the desirability of submitting to a vote of the people, a proposed constitutional amendment authorizing the State to assist local government in helping persons permanently and totally disabled, completely unemployable, and without funds of their own or anyone to care for them.

Legislation permitting the appropriation of emergency funds for the blind on the public assistance rolls who might be self-sustaining had they the money to pay for the operation to remove their blindness.

Grant of authority to the Public Welfare Department to provide temporary foster care for neglected and dependent children while plans are developed for their permanent placement.

Provision for emergency assistance to be given by the State Department of Public Welfare to migratory workers for whom no other help can be secured.

Adoption of a far-reaching program dealing with the problem of juvenile delinquency and of juvenile training schools, following the present study being made by the Texas Training School Code Commission.

Further improvement and expansion of the program of service of the Veteran's Affairs Commission.

Further emphasis on a public health program in Texas which will result in a continued decrease in the number of deaths from preventable causes, and the rapid development of additional hospital facilities for rural and urban communities.

Further development in the Office of the Governor of a small coordinating staff to make available to the people of Texas and to industrialists and capitalists outside Texas the data, investigations, and reports of State agencies and research bureaus in state higher educational institutions in the field of industrial and economic development.

Immediate increase of unemployment benefits to more nearly provide at least minimum subsistence for the unemployed, without raising benefits to a level that will encourage idleness.

Immediate reduction in the rate of unemployment compensation taxes paid by industry in Texas, to absorb a part of the 24 and 1-2 million dollars which have been added to this reserve in the past 16 months.

Promotion in every possible way of the production of food and feedstuffs as a weapon against inflation and the high cost of living; improvement of living conditions in rural areas by providing more roads, better schools, public health and hospital facilities, recreation activities.

Elimination of the poll tax, if such move is favored by the people of Texas, and if adequate provision is made for some other form of registration of voters and for another type of tax to provide for the school fund and the general revenue the money which would be lost in abolishing the poll tax.

Insistence upon the rights of the States to handle these matters without interference of the Federal Government.

Churches Asked To Support the Security Campaign

Dallas, May 19—Church leaders of Texas today were urged to support the Treasury Department's current Security Loan Campaign as a means of insuring religious freedom.

In letters to 5,000 Texas clergymen of all faiths, Nathan Adams and E. E. Shelton, state leaders in the Security Loan Campaign, asked pastors to devote a part of a sermon to the drive between now and June 30 and to encourage their congregations to invest in U.S. Savings Bonds. The Security Loan Campaign seeks to establish a strong national economy through widespread purchases of Savings Bonds by the people of America.

"Where is there real religious freedom save in this country—and what greater insurance for continued freedom is there than participation of the greatest number of people through the ownership of the Savings Bonds of our government," the letter asked. "The U. S. Treasury's Security Loan has for its very real purpose the placing of our huge national debt more into the hands of individuals, thus giving each a direct interest in national affairs, at the same time making an important contribution to our individual, local, and national economy."

Mr. Adams, a Dallas banker, is chairman of the Treasury Department's advisory committee for Texas, and Mr. Shelton, who heads a Dallas Savings and loan company, is co-chairman for the Security Loan Campaign.

In announcing that the letters had been mailed to pastors, Mr. Adams said that religious freedom depends upon continuation of our democratic way of life which, in turn, depends to a very large degree upon the economic welfare of the American people.

"The people's welfare is bound up in our national economy, because the national economy is only the total of the financial condition of all our citizens," he said. "If a large majority of the people spend wisely now and invest a part of their incomes in Savings Bonds, they will be providing for the economic welfare of themselves as individuals and as a nation."

"It is the responsibility of those of us who like religious freedom and the democratic way of life to help preserve them. We can do this and also provide for our own personal economic security by investing in the holding U. S. Savings Bonds."

Center City H. D. Club

The Center City H. D. Club met in the home of Mrs. Viola McCasland, May 21, in regular meeting with the president presiding. We opened our meeting by saying the club prayer and singing "Let Me Call You Sweetheart."

Roll call was answered with all giving "Where I do My Pressing."

Minutes of last meeting were read by Mrs. Stacy McCasland. Mrs. Carry Owens gave report on last Council Meeting. Mrs. Sherwood Owens gave a very interesting and helpful talk on dyeing of different materials, emphasizing that we use the all-purpose dye always.

Two of our very charming young ladies, Misses Ethelene McCasland and Mary Leah Allred favored us with several musical and vocal numbers, to the delight of all.

Delicious refreshments were served by the hostess to 13 members, 4 visitors and 6 children.

The next meeting will be in the home of Mrs. Stacy McCasland June 24.—Reporter

Edwin Stevent was a Friday night guest of William G. Chawford's.

PROMOTED
Beryl V. Roberts, formerly of Goldthwaite, grandson for Mrs. Eula Nickols and Mr. and Mrs. Jno. W. Roberts of Goldthwaite, has been recently promoted from Officer Requistio Clerk of Headquarters, Fourth Army, Fort Sam Houston, Texas, to Chief Clerk of the Adjutant General's Personnel Classification and Assignment Branch of Headquarters Fourth Army. He has under his supervision between 25 and 30 civilian and military personnel.

Beryl Vann spent three and a half years in the Army doing military personnel work, thus giving him experience and qualifications to hold his present position. He worked on Civil Service in 1941 and 1942 and went back to work for Civil Service in Fourth Army Headquarters immediately upon his discharge from the Army in January 1946.

He has made his home in San Antonio, Texas, since April 1944, when he was transferred there while in the Army. Recently his mother, Mrs. Earline Roberts, and brother and sister, John and Janette, moved from Abilene, Texas, to San Antonio, also.

white or very light tint, we will not have color problems but dyeing one color over another offers us many possibilities. The following suggestions are given:

1. Any color can be dyed a deeper shade but never a lighter.
2. To re-dye material a different color or a deeper tone of the same one, the dye must be darker than the original color.
3. Any color can be dyed black but instead of a dead black a tinge of the original color may result.
4. Dark colors such as wine can only be redyed the same color or black.
5. The brightness of the color and the fabric and the strength of the dye both affect the resulting color.
6. Closely related colors can be dyed the same color.
7. Complementary colors tend to gray or neutralize each other.
8. Combining a primary and a secondary color gives an intermediate color.

If a change of color is preferred and dyeing over another is not desired, the color may be removed by a bleaching process known as stripping. Color should be leveled or removed from fabrics that are unevenly faded or streaked. Stripping may be done by boiling in several soap solutions of soft water and good neutral soap. Different color removers are often used. Javelle water and hydrogen peroxide will remove some dyes, but Javelle water weakens silk and wool and must not be used on them. Sodium hydrosulphite is often employed as a stripping agent. In many cases colors can be leveled on streated cotton fabrics by washing soda, and on silk and wool by ammonia.

Salt and acid will help in the dyeing process but be sure to use Dairy salt or pure salt. Salt causes the dye to leave solution and go to the material. In the process the goods are usually dyed for a short time with the color dissolved in hot water; then the material is lifted out,

salt added, stirred until dissolved and material put back. Vinegar reacts with the dye to form a color acid and also prevents hard water from affecting the solubility of the dye. It is always well to use soft water.

- Directions for dyeing are:
1. Be sure buttons, trimmings, and buckles are removed, rip out hems, pleats and linings. If garment is to be remade, rip up garment first, measure before wetting.
 2. Use enamel or agate ware large enough to cover garment with water.
 3. Mix dye in small bowl in hot water and strain into pan.
 4. Wet garment being sure it is well cleaned. Follow direction as to temperature and length of time.
 5. After length of time rinse garment until water is not colored. Do not wring or twist. Some very interesting colors were obtained by dyeing over colors at the different club meetings.

TWO GOLDTHWAITE GIRLS GRADUATE AT JOHN TARR.
 John Tarleton College, Stephenville, commencement exercises were held Monday, May 31, with 130 students receiving diplomas. Among them from Goldthwaite were Tommy Ann Booker and Janie Ruth Simpson.

RECEIVES DEGREE
 Mr. and Mrs. H. E. Moreland attended the University of Texas commencement exercises at Austin last Sunday and visited with their son, Lester Moreland and wife. Lester received his degree from the University School of Business Administration Monday, May 31.

During the week-end guests in the home of Mr. and Mrs. D. A. Hamilton here were their children, Mr. and Mrs. Bill Lincicum of Kingsville, Mr. and Mrs. T. J. Holcomb of Dallas, Mr. and Mrs. R. E. (Dick) Hamilton of Sanderson, and Mr. and Mrs. George Willis and family of Comanche.

Mr. and Mrs. Andrew Graves of San Antonio were here for the week-end visiting her brother, Mr. and Mrs. J. W. Weathers, and other relatives.

Mrs. Jack Atkinson and children of Fort Worth spent Monday with her grandmother, Mrs. J. A. Curtis.

M. C. Puckett of Fort Stockton, President of the Sheep and Goat Raisers' Association, was in Goldthwaite Thursday of last week. While here he called on his cousins, Dow Hudson and Mrs. John Schooler.

Mr. and Mrs. Albert Sykes and daughter Margaret of Winters were here for the week-end visiting relatives: Mr. and Mrs. Schooler, Mr. and Mrs. Dow Hudson, and Floyd Sykes and family in Big Valley.

Mr. and Mrs. Wesley Evans of Merizon spent Thursday night of last week with Mrs. J. D. Urquhart. They also visited Mr. and Mrs. W. D. Marshall.

Mrs. R. L. Ledbetter of Pilot Point and Mrs. J. K. Sturdevant of Dallas came here Monday of last week for a visit with Mr. and Mrs. D. G. Barnett.

Mrs. John Keese is at the home of her daughter, Mrs. Ruel De Wolfe, at No. 2100 West 35th Street, Austin. Mrs. Keese has been quite ill and has been in the hospital.

Dr. and Mrs. M. D. Queen and daughter Rebecca Jan of Longview spent Sunday with his aunt and uncle, Mr. and Mrs. Claude A. Ecott.

Mr. and Mrs. E. E. Behrendt and daughter Betty of Sequin came in last Saturday for a visit with their daughter, Mrs. Jesse Saegert, and family.

Miss Lillian Summy returned to Shreveport, La., Sunday after spending her two-weeks vacation with her parents, Mr. and Mrs. W. B. Summy.

FRANK CAVE

Frank Cave, son of Mrs. Tom Cave of this city, died at 7:30 Sunday evening in his home town, Plainview. He had a stroke about a week ago and had been under an oxygen tent for several days.

Mr. Cave and his wife were formerly of this city, where they both taught school. Mr. Cave and his brother had a chain of variety stores.

Well known and liked, a member of the Church of Christ, he is survived by his widow, a son, a daughter, two brothers, Clarence of Graham and Clyde of Hereford; also a sister, Miss Ruby, and his mother, Mrs. Tom

Cave of Goldthwaite. Funeral services were held in Plainview Monday, May 31, in the afternoon.

TENT REVIVAL IS TO CONTINUE INDEFINITELY HERE

The Tent Revival located on the old McKirk wagon lot will continue indefinitely, beginning each evening at 8:00 o'clock.

This old-fashioned revival is sponsored by W. B. Wooster, and conducted by Evangelist C. O. Mahan and his talented family. There will be plenty of good special singing, quartets, trios, duets, and solos.

Come and hear Evang. Mahan bring messages on Prophecy, concerning our nation, existant international conditions, and the soon coming of the Lord. The Gospel of Jesus Christ meets our deepest needs.

The public is invited to attend.

Mr. and Mrs. T. S. McGrew of Geryedan, La., spent a couple of days with Mrs. McGrew's sister and family, Mr. and Mrs. M. F. Horton. The McGrews had spent a month touring the Western States and while at Tonopoh, Nevada, they visited Mrs. McGrew's uncle and aunt, Mr. and Ms. S. R. Kennedy.

M. Allan Horton and Jimmy Sorrells, of Waco, spent the week-end with Allan's parents, Mr. and Mrs. M. F. Horton, and Kathryn Ann.

Rural Torn about his 67-day diet of concentrated grass pills and roughage, letters have poured in from women wanting to lose weight. Elmore lost several pounds, under surveillance of his doctor. Purpose of the experiment was to show what people could do if forced to subsist on grass. He still is a believer in beef steak, though.

Looks like it's going to have to be all out war on grasshoppers. The government is distributing sodium fluosulfate for mixing with bran and other roughage again to use as poison bait for the hoppers. This program has done lots of good in the past, and is sorely needed now.

Some experts think, however, that the newer insecticides like chlordane, chlorinated camphene, and benzene hexachloride are better.

Up in Oklahoma, someone has been promoting watermelon sorghum. Okay, just so you don't have to cope with the seeds in the syrup.

Daily reports on the grain harvest are being broadcast on WBAP 820 at 6:30 a. m. Information comes from the Texas Employment Commission's field office at Amarillo, headquarters for harvest machinery and labor.

We spent a most enjoyable day in Red River county last week, visiting some good pastures and sharing a bountiful barbecue with farmers and business men of Clarksville and surrounding towns. Folks there are doing well with the clovers—mainly white dutch, madrid, black medie, ladino, and yellow hop. Also Italian rye grass, and both Korean and Kobe lespedeza.

Stopped in Paris for a visit with Pat Mayse, publisher of the Paris News, which won the top award for dailies in a contest last year for agricultural promotion. Pat says the paper's agricultural activities have paid off in several ways, more readers, and a greater number of rural readers, which attracts more advertisers with things to sell rural people. Besides, what helps the community helps business, and helps the paper, Pat

opines. In the newspaper business in various north Texas towns for over 30 years, he is a native of Brady.

In Palo Pinto county the other day we found things looking mighty fresh after a couple of heart warming rains last week. Reports from friends throughout north and central Texas and as far west as Abilene and Vernon smack of optimism. The nation's first load of wheat delivered at Olney the other day starts the ball rolling on what is a highly questionable grain crop this year. The government keeps on predicting the third largest production on record, but many folks down this way, having viewed Texas' short acreage and poor growth in dry areas, don't see where they get such an estimate.

We keep hearing about the impending shortage of gas and oil. The Texas state office of the Production and Marketing Administration (USDA) now is cautioning against a possible scarcity before the end of the summer.

While the country's current preparedness program may slow down to a degree the onrush of television, it is time now to begin thinking in terms of sight broadcasting as well as sound broadcasting. Some educators have said television may become the greatest educational medium of all time. It is reasonable to assume that within a relatively few years, most homes and schools in America will be able to see the President of the United States taking the oath of office, the world series, the judging of the grand champion steers, fires, floods, the Olympic games, and other on-the-spot events.

But most educational of all will be the demonstrations that can be broadcast—things like the proper way to vaccinate a pig, to prepare meat for the deep freezer, to cull chickens, remodel a kitchen, operate a pressure cooker, etc.

This doesn't mean that sight broadcasting will eliminate sound broadcasting overnight. It will take years, if at all. Neither will ever supplant the printed page.

Clarksville advertises itself as the town without flies and mosquitoes. They did it with DDT spray, and cleaning up breeding places.

At Reno, Texas, we observed a canning plant, installed in an abandoned railway passenger station. One can find evidence of local business enterprise such as this in many points over Texas. There is a joke about Reno, Nevada, being the place where the cream of society goes to get itself separated.

PUT THEM AWAY

College Station, May 12—These warm spring days mean warm weather is not too far away, and it's time to store the woolen articles for the summer. Most housewives are especially interested in taking the best possible care of their blankets.

Mrs. Bernice Clayter, extension home management specialist of Texas A. and M. College, says that blankets should be carefully cleaned so they will keep their light, soft fluffiness. And storing woolen blankets is an important job—it must be done correctly so there is no risk of moths and dust.

Good care of blankets means several things. Keep clean, light and fluffy. Repair the frayed or ripped edges and darn the holes and thin spots. Protect them against moths, and wash and sort them properly. They will give you extra years of service if treated gently.

Moths cannot live in freshly laundered blankets, so for that reason alone, it is important that they be clean before they are stored.

Lukewarm water, plenty of suds and three rinsings in clear water will lengthen the life of the blanket. Hang it in the shade to dry, and remember it will dry much more quickly if hung over two lines about a foot apart.

Leaflet L-53, "Care of woolen Blankets" gives instructions on cleaning and storing blankets. This leaflet is put out by Texas Extension Service, and can be found at the county home demonstration agent's office.

TAX CUT ALREADY HELPING BUSINESS

New York, May 12—The nation's retailers are already beginning to feel the impact of the tax cut.

The new and lower rates will leave an extra \$279 million in consumers' pockets this month. But people apparently are not waiting until they actually get such cash in hand. Some began to buy in anticipation of having a greater spending income. So the big department stores are noting an immediate response to store promotions. Particularly where comparative prices are featured the promotions are proving successful.

The automobile market, which began to look droopy in the early spring, has turned firm again. One manufacturer even reports a greater backlog of orders than when production was first resumed. And the second-hand market has turned firmer too.

The tax cut took effect May 1. Hence citizens will draw their pay for eight months this year at the lower tax rates. The effect: just as though you had added \$2,232,000,000 to wages for the year.

STATE RENEWS 4-H SOIL CONSERVATION PROGRAM FOR 1948

Announcement has been made that the 1948 National 4-H Soil Conservation program will be conducted in Texas for the fifth consecutive year.

The activity is designed to develop a farm family program of soil conservation, or present

and future production, which will help prevent soil wastage and deterioration on the home farm.

Typical of the achievements those of Carroll Fowler, 17, of Lakeview, state winner last year. In cooperation with his father, Carroll drew up a complete soil conservation plan for their 1,200-acre ranch. His first task was the construction of stock water ponds and terraces in the cultivated areas, soil tests, the running of the 4-H soil conservations are of contours and strip cropping. Plans call for completion of the terracing job and adoption of a four year crop rotation plan. Additional stock ponds will be built and diversion ditches maintained. Principal crops of the Fowler ranch are livestock and cotton. Already an improvement has been noted as the result of conservation practices being followed. Gully control work has been started and Carroll plans to have the entire ranch under a program of soil conservation within a short time.

Merit awards for superior 4-H soil conservation records on county, state, sectional and national levels again offered by Firestone include gold medals of honor for county winners and \$50.00 U. S. Savings Bonds for the six highest rating entrants in each state. Sixteen selected state winners each receive a sectional award of a trip to the Chicago 4-H Club Congress next November. Eight sectional winners are chosen for national honors, each receiving a \$200.00 college scholarship.

There were 27 county medal winners in Texas last year.

One-half acre of garden space is recommended for the average family. Something should be planted in the garden every

week in the year and something should be taken out of the garden to eat every day. A garden is profitable if good soil, good seed and good fertilizer are used, and insects controlled.

One way to insure the long life of electric appliances is to store them in a clean, dry convenient place where they will be protected from falls.

75 Years in the Lone Star State

Diamond Jubilee of the railroad conceived and built by Texans for Texas — the Gulf, Colorado and Santa Fe

75 years ago a group of Galveston businessmen and merchants made plans to build a railroad from the Gulf into the heart of Texas and out across the Southwest.

These industrious Texans had faith in their plans and put their hearts and labors into their railroad, backed up with their own money.

Starting the G. C. & S. F.
On June 6, 1873, the Gulf, Colorado and Santa Fe was incorporated.

The first tracks reached Belton by 1881, then west to Brownwood and north to Fort Worth and Dallas, then a branch extending to Navasota and Conroe.

Linking with the Santa Fe System
By 1886 the Gulf, Colorado and Santa Fe had grown to the point of building into Oklahoma. At this time the Atchison, Topeka and Santa Fe was expanding in the Middle West and building southward. Therefore, it was a natural joining of forces for these two railroads, both of which had started out independently, yet with Santa Fe as a part of their name.

Santa Fe All the Way
The linking of the G. C. & S. F. and A. T. & S. F. brought through service between Texas and Chicago and the Middle West as early as 1887.

Today, travelers and shippers have Santa Fe all the way service between Texas and Louisiana, Oklahoma, Kansas, Missouri, Iowa, Illinois, Colorado, New Mexico, Arizona and California.

On the Gulf Lines Today
During this 75-year period, the ideal of service to the people of Texas has been uninterrupted.

Just a few weeks ago, a brand-new Santa Fe streamliner was placed in daily service between Galveston and Chicago—the *Texas Chief*, which combines Texas' own kind of hospitality and Santa Fe's traditional "Chief" service.

Giant freight Diesels haul Texas cattle, petroleum, minerals, wheat, cotton, and manufactured products to markets far away.

New servicing facilities for Diesels were recently opened at the great modern Cleburne shops. There are also Santa Fe shops at Temple, Galveston, Bellville, Brownwood and Silsbee.

On this 75th anniversary, Santa Fe looks forward to even greater progress with Texas in the years ahead.

J. FRANK DAVIS
(Re-Election)

THE FIRST BAPTIST CHURCH

JOSEPH L. EMERY, Pastor
WALTER R. LANGSTON,
Music Director

SUNDAY
9:45 a. m.—Sunday School.
10:55 a. m.—Morning Worship service with the pastor speaking.
3:00 p. m. Youth Choir Rehearsal.
7:00—Training Union.
8:00 p. m.—Evening Worship with the pastor speaking.
9:00 p. m.—Youth Fellowship.

MONDAY
3:00 p. m.—Felder Circle of W. M. S. meeting at the church.
WEDNESDAY
7:30 p. m.—Teachers' and Officers' Meeting.
8:00 p. m.—Prayer Meeting.
9:00 p. m.—Choir Rehearsal.

THE FIRST BAPTIST CHURCH PLANS PICNIC

An all-church picnic has been planned for the First Baptist Church this evening (Friday) at Lake Merritt at 7:00 p. m. Everyone will bring a picnic lunch and will spread it together at the lake. Transportation will be provided for those who do not have a way to go if they will come to the church at 6:30. Every member is most cordially invited to come and have a part in this social activity.

THE FIRST METHODIST CHURCH

M. D. LOWRY, Pastor
PASTOR'S PARAGRAPH:
From the earliest days of our lives we have been receiving one sort of instruction or another. One has increased our knowledge of the finer things of life; one has increased our knowledge of the harmful elements of life and the world. Which kind of instruction have we received in greater propor-

tion? It may not be true every case, but statistics have proved that in the great majority of the lives that have been lived only those who received instruction in Godliness and have been challenged to great and righteous living, are able to make a worthwhile contribution toward improving the community. The Sunday School is a channel through which we may learn to do all manner of good. It is there that we learn of our vast possibilities to make better the world in our vicinity. It is just as true today as in years ago, "where there is no knowledge the people perish." Judge John T. Medin of Sioux Falls, South Dakota says of the Sunday School: it is there that I "strive to be and live as Christ would want me to be and live." If attending Sunday School would cause anyone to strive to be and live as Christ would want him to be and live, then we all ought to attend regularly.

SUNDAY, June 6
Sunday School—9:45 a. m.
Morning Worship—10:50 a. m.
Sermon Subject, "What Realism?"

Youth Fellowship Meetings:
Intermediate—7:15 p. m.
Senior-Young People—7:15 p. m.
Evening Worship—8:00 p. m.
Sermon Subject, "Can We Make Christianity Come True?"

MONDAY
Circle No. 1 of the Woman's Society—3:00 p. m. The ladies will meet at the church for a business meeting and program.

TUESDAY
Youth Choir Practice—7:00 p. m.

WEDNESDAY
Circle No. 2 of the Woman's Society—9:30 a. m. The place of the meeting will be announced.
Adult Choir Practice—8:00 p. m.

FRIDAY
Fidelis Class Party at Lake Merritt—7:30 p. m.

OLD MAN 100
(Continued from page 1)
to pay in larger amounts. Next time you buy a bushel of wheat, be sure to count the seeds to see if you got cheated—there are 556,000 seeds in a bushel. The Govt.'s got so many extra hands on the old payroll that they can't fire until after the election that we may soon get a lot more useful information like this.

Old Hunnert hadn't thought about it before—but his memory is what he uses to forget with. Also, a gentleman farmer raises nothing but his hat.

Next time you hear some of them windies bragging about how smart they are and telling us how to run everything, just ask him this if you want to shut him up quick: "If you're so damned smart, why in the hell ain't you rich?"

Sign in local cafe: "Customers who think our waitresses are uncivil ought to see the manager."

And when the 6th had him up for non-support, the Judge told Old Hunnert: "I've decided to give your wife \$50 a month."

O. H.—"Thanks, Judge. Once in a while I'll try to slip her a few bucks myself."

Sign in a laundry: "We do not tear your laundry with machinery—we do it carefully by hand."

And when the H-way patrolman told the 7th, "Madam, you were doing over 60 miles an hour," the 7th told the H-way: "Isn't that splendid! I only learned to drive yesterday!"

Seems like some others besides O. H. can't buy any too many clothes either. He read this headline a while back: RAILWAY PRESIDENT TO TESTIFY IN UNION SUIT.

This was in Foreign Service: A bride and groom were going abroad on their honeymoon. While leaning over the rail of the ship, the bride dropped one of her rings overboard. A few days later, dining in Naples, they ordered fish. What do you think they found in the fish? You guessed it: Bones!

Once when visiting a zoo O. H. saw a baby deer and asked its keeper: "What kind of an animal is that?" Keeper—"You mean you don't know? What does your wife call you every morning?" O. H.—"Say, you don't mean to tell me that's a skunk?"

Old Hunnert didn't see this—he jest heard about it: It was masquerade night at the nudist camp, and the ladies were talking over the costume question. Corpulent—"Whatever shall I go as?" Damsel—"With those varicose veins of yours, you should go as a road map."

O. H.—"The 7th heard I took you out to dinner the other evening." Secretary—"Well, what does that make me?" O.—"That makes you my ex-secretary."

And, a social tact is making your company feel at home though you wish they were.

SEEMS LIKE
And when Old Hunnert told her to please give him the zoo, the cute operator said: "Sorry, the lion is busy."

Also, the 7th got her face lifted, but it fell again when she got the bill for the repairs. And the 7th's vocabulary only consists of 500 words—but jest think of the turnover.

Old Hunnert believes we ought to pay more attention to the future. We should pay more attention to it than to the past, as all of us will have to spend the rest of our lives in it.

REV. LARRY STOKES GOES TO GIDDINGS
Rev. Larry M. Stokes was assigned to the First Methodist Church at Giddings, Texas, for the next year, at the Conference held in Houston the last of May. He and his wife are well pleased with the appointment.

St. Paul's Methodist Church of Houston, where he has served two years as Associate Pastor, has this to say about him, as well as the Mexican Church which he helped to locate:

Rev. Larry M. Stokes has served the congregation of St. Paul's Methodist Church as Associate Pastor in a highly capable and efficient manner.

We understand that it is his desire that he be given a Church of his own for the ensuing conference year. However, if this cannot be accomplished, and if within the province of the Bishop to do so, we would be very happy to have him return to St. Paul's Methodist Church as Associate Pastor for the ensuing conference year.

Last Sunday night at the close of the evening service, Rev. Juan Medellin, pastor of the El Mesitas Mexican Methodist Church, presented to our Associate Pastor, Rev. Larry Stokes, a beautiful leather briefcase. The engraving and lettering is all done by hand, the work of Mr. Sostenes Redrigues. The designs which are very elaborate are worked out in minute detail. The materials were selected for the case by Mr.

Passed Away
Mrs. Mollie Doggett passed away at her home in Dallas, Wednesday at 12 o'clock. She was brought to Comanche for burial Thursday the 27th at 4 p. m.

She was the sister of Mrs. Frank Doggett of this city.

CARD OF THANKS
We wish to thank our dear friends and neighbors for their acts of kindness, messages of consolation and the beautiful floral tributes during our recent sad bereavement in the loss of our dear husband and brother.

Mrs. H. Arved Dunkle
Mother Robertson and family
Mrs. S. M. Gross
Mrs. Hazard Heater
