DISTRICT NEWS

Farmers and ranchers of the District are now thinking of the management plans on their pasture and range lands. Pasture and range deferments is one of them.

The early or poor quality grasses are seeding now. Indian grass, Little bluestem, Sideoats grama, and other choice grasses are beginning their season's growth. With long period of continued overgrazing and unusually dry seasons of the past two years, many pastures and ranges are severely depleted and the grasses have been killed or greatly weakened.

With the favorable rains this year, the pastures and ranges are green throughout the country. However, close examination shows that the vegetation present, is mainly annual weeds and grasses, and poor quality perennial grasses. Filaree, plantain (tallow weed), Rescuegrass and Little barley are finished for the season. Texas grama, Halry triodia, Buffalograss, Texas wintergrass and Purple threeawn (needlegrass) are seeding out and will finish their growth for the year within a few weeks. This kind of vegetation does not fit into a well rounded livestock operation, as do grasses which grow and thrive during the summer months.

To have green forage during the summer months, the rancher and live stock farmer counts on the choice deep-rooted perennial grasses. On many pastures in poor condition only sprigs of Indiangrass, Little bluestem or Sideoats grama are hiding in clumps of Queen's Delight, liveoak thickets or in other places where cattle and sheep can not reach them. Many farmers and ranchers are finding out that the only economical and successful way of getting these better grasses back on the grassland is to defer the pastures through the summer growing season. The choice grasses are then allowed to manufacture plant food for maintenance and growth. On pastures in poor condi-

tion, the soil as well as the grasses have been depleted. This means that it is necessary to take out every hoof of stock by May 15 or June 1 and rest it until frost. Unless this is done, the few scattering choice grasses will be grazed out because during the hot dry summer months these bunchgrasses are the only green forage available for grazing.

These grasses do not seed until September, October and November and in order to have a seedcrop to improve our pastures, stock should be kept off until after the first killing frost. Seed-stalks are the most nutritious part of the plant at this time and animals will graze it off before the seeds have a chance to mature and scatter.

J. A. Schlee of the Priddy Conservation Group cooperating with the Brown-Mills Soil Conservation District has improved his pasture by deferring it the summer of 1947 and '48. Francis Kyle of the Blanket Springs Conservation Group says that deferment is necessary to get the choice grasses back and it is also essential to leave a good cover of mulch to hold our soil and water.

To get maximum production from our pastures and ranges, it is a wise plan to graze off only one-half of the grass that grows. Let the other half go back to the soil as mulch and litter; it will also serve as "grass insurance" in case of a dry year.

Mrs. J. O. McClary had as guests at her cabin at Lake Merrit, her granddaughter, Miss Dorothy Ann Salter, and Mrs. Moss of Fort Worth. They worshipped with the Baptist Sunday morning and Miss Salter sang a solo.

Mrs. Marjane McGraw and son, John, have returned to Dallas, after visiting with Mr. and Mrs. A. H. Wilson.

Mr. and Mrs. Alton Brown and children visited Thursday with Mr. and Mrs. D. V. Westerman.

WELCOME RODEO VISITORS

You ought to be driving a **'49 PONTIAC**

America's Lowest-Priced Straight Eight!

Until they see the actual figures, few people realize that the big, beautiful Pontiac eight is America's lowest-priced straight eight. Not only does it undersell all other straight eights by a substantial margin, but it actually costs less than many six-cylinder cars! The fact that the Pontiac eight gives so much for so little is the basic reason for the great and growing popularity it enjoys. Pontiac has distinguished appearance, and distinctive Silver Streak styling. Its spacious Body by Fisher is handsomely upholstered and appointed.

And finally, it is powered by the world's sweetest engine—a great straight eight which is supremely smooth and quiet, instantly responsive to the accelerator, packed with power—an eight which gives peak performance and economy.

We honestly believe that no other car carries such definite assurance of really enjoyable performance at so low a cost. We invite you to come in and take the wheel yourself. We're sure you'll be very pleasantly surprised.

'THE BEST YEARS OF OUR LIVES'

JANE WYMAN, LEW AYRES IN 'JOHNNY BELINDA' AT MELBA

Sheer artistry stamps Warner Bros.' new drama, "Johnny Belinda," which co-stars the amazing Jane Wyman and Lew Ayres. This unusual film which pens at the Saturday night review, Sunday and Monday at the Melba Theatre will captivate the audience with its dramatic impact and excitement.

It is a simply-told tale of love and betrayal, and through the meritorious team work of all Warner departments, something new has been turned out. Filmed in black and white against a stark coastline, many scenes of luring beauty have been captured by the camera. Then Miss Wyman's triumphant performance is something special to get excited over. Heretofore, associated with glib characters, she completely submerges her personality into Belinda, the pathetic country lass, who is limited in self-expression until love comes her way. It is a challenge which many Hollywood actresses would shun, but Miss Wyman meets it with superb skill.

'STATION WEST'
With Dick Powell and Jane Greer in the stellar roles, RKO Radio's "Station West" treats in exciting fashion of an Army sergeant sent to investigate conditions which seem to be tied in with a mystery woman.

Dick Powell portrays a major in the Intelligence Department who is ordered to find out why two soldiers guarding a gold shipment were murdered. Posing as an Army-hating civilian, Powell reaches Rock Pass, secretly in contact with the commander of the Army post, and in the campaign, by whipping up the most man in town in a... fight.

SENIOR TRIP LAST WEEK-END

Friday morning a sleepy bunch of Seniors gathered at the court house at six o'clock to leave on their trip to Houston and Galveston. By six-fifteen they were on their way. After reaching Austin they went to the tower of the University Tower, to the Capitol building, and then to Barton Springs, where they all went in swimming, and enjoyed a picnic lunch of fried chicken, potato chips, pickles, olives, bread, and lemonade. The next stop was Houston where they all checked into the San Jacinto Hotel. Friday night every one did what he wanted to. Some went window shopping, some to picture shows, and some of the boys to wrestling matches. On Saturday morning was swimming in the Gulf and a ride out into the ocean. Though the stay in Galveston was completely enjoyable every one was looking forward to seeing the San Jacinto Monument and the Battleship Texas. After a thorough examination of these the Seniors returned to Houston.

Saturday night there was the trip out to Playland Park where the Seniors did every thing from riding the roller coaster to having records of their voices made.

Sunday morning church was attended by some and after spending an enjoyable hour at the zoo two buses of weary Seniors started toward Goldthwaite. However, before they reached home they were all laughing and singing at the top of their voices. The favorites seemed to be "Ghost Riders in the Sky" and "Right in the Corner."

Mr. and Mrs. R. E. Ross of El Paso were here a few days, guests in the Earl Clements home. They left Goldthwaite 46 years ago. When they arrived here Saturday morning a large crowd of old timers were at the bank corner to give them a hearty welcome.

VACATION BIBLE SCHOOL BEGINS MONDAY AT M. E. CHURCH

The Methodist Church Vacation Bible School begins Monday, May 30, at 3 p. m. Bring your children for the first session, and on through the ten-day school.

We are expecting 100 enrollment the first day. Every child in town has a special invitation.

MRS. JIM WEATHERBY,
General Director.
MISS ELNA FOUSE,
General Secretary.

Brownie Scouts

Saturday morning at 10:30 Troop 5 of the Brownie Scouts met at the "Little House" and went from there to P. R. Jordans for an all day picnic.

We walked to a creek and then went wading. Lunch was prepared and served by the Brownies and afterwards many games, both old and new, were played. We finished the day with a treasure hunt, which led us back to the Jordan home. There we found candy and soda water for the girls and a big birthday cake and a nice birthday present from the girls to Mrs. L. V. Benningfield, their leader.

We all had a wonderful day and thanks again to the Jordan family for a grand place to go on our picnic.

Those present were Lawana Binningfield, Della Jane Fambrough, Wanda Rue Featherston, Nan Fletcher, Linda Hall, Lou Etta Jordan, Judy Long, Twila Sue Lucas, Margaret Reese, Gloria Roach, Zora Lee Roberts, Shirley Saylor, Virginia Shelton, Esther Thorne, Dorothy Warlick, Rose Margaret White, Carlene Woods, Nelda Lynne Yeager, Mrs. A. P. Fambrough, Sonny Fambrough, Mrs. P. R. Jordan and children, Mrs. George Reese, Mrs. E. W. Shelton and daughter, Mrs. Lee White and daughter, Mrs. M. C. Yeager, and Mrs. L. V. Benningfield and L. V. Jr.

Evans - Balentine Wedding Is Held In Corpus Christi Saturday

(Corpus Christi Caller-Times.)

The marriage of Miss Wanda Margaret Evans, daughter of Mrs. Evelyn Evans, 1233 Brentwood, and Spencer Raymond Balentine, son of Mr. and Mrs. Ray L. Balentine, 1111 Chaparral, was solemnized at the First Presbyterian Church Saturday evening.

Dr. George West Diehl officiated for the double ring ceremony, solemnized in the church parlor, where a bridal setting of white gladiolus, stock and carnations against a background of fern had been arranged. White candles in candelabra lighted the scene.

The wedding music included Cadman's "At Dawning" and "I Love Thee" by Greig, with Mrs. Philip Wolfe playing the accompaniment. Mrs. Walfe also played "Lieberstraum" by Liszt and the wedding march.

The bride wore a spring ensemble of navy and white, with navy straw hat and navy and white accessories. Her corsage was of baby orchids.

Mrs. W. H. Wieggers, sister of the bride, was matron of honor. She wore a navy crepe with taffeta trim, navy accessories, and a navy straw hat with pink rose trim. Her corsage was gardenias. Irving Walton was best man.

Mrs. Evans, mother of the bride, wore a figured crepe with gardenia corsage. Mrs. Balentine, mother of the groom, wore a beige summer suit, and a corsage of gardenias.

Reception Held
A reception followed at the home of the bride's mother. Mrs. Kenneth Young presided at the bride's table, and Mrs. W. E. Evans, sister-in-law of the bride, registered guests in the bride's book.

The couple will live here at 507 Villa following a visit to Austin. The bride was graduated from Corpus Christi High School in 1947 and is attending Del Mar College. The groom, who served with the Marines in the South Pacific for 32 months, is a graduate of Corpus Christi High School and of Del Mar College.

Out-of-town guests included Mr. and Mrs. Thomas R. Joseph of Harlingen.

Mrs. Balentine is the youngest daughter of the late Joe Evans and grandmother of Mrs. J. Everett Evans of Goldthwaite. She was reared in Goldthwaite and attended school here until four years ago when she moved to Corpus Christi. She has many friends here who wish for the young couple many years of happiness together.

To Marry July 2

Mr. and Mrs. W. L. Cathey of Kermit, Texas have announced the engagement of their daughter, Miss Jean Cathey, to Ernest A. Langpaul, son of Dr. and Mrs. E. A. Langpaul Sr. of Omaha, Nebraska. The wedding is planned for July 2.

Miss Cathey, a graduate of Kermit High School, attended the New Mexico School of Commerce and is now employed as Assistant Librarian of the Winkler County Public Library.

Mr. Langpaul, a graduate of the University of Omaha, is employed by the Seismograph Service Corporation of Tulsa. He was in the Navy three years.

Miss Cathey is the granddaughter of Mr. and Mrs. A. B. Neal of Caradan.

Fifth Anniversary Party Enjoyed

On the 21st day of May Mr. and Mrs. Ernest Meyer of Brownwood gave their daughter and son-in-law, Mr. and Mrs. Ervin Hohertz from Odessa, Texas a supper at 7:30 for their fifth anniversary.

After supper Mr. and Mrs. Hohertz unwrapped their gifts. They got some nice gifts. The evening was enjoyed. The men played dominoes and card games while the women chatted gaily. The children played on the out side. Midnight lunch was served: coffee, sandwiches and cake.

Those present were: Mr. and Mrs. Louie Hohertz and daughter Alwine of Hamilton, Texas, Mr. John Hohertz, Mr. and Mrs. Richard Seider and children, Raymond and Shirley May, Mr. and Mrs. Bruno Goerdel and children, Nelda and Margaret, Mr. and Mrs. E. L. Goerdel and children, Brenda, Lois and Leslie, Mr. and Mrs. Louie Tischler and children, Bernis and Mattalou, Mr. Otto Nauert, all of Indian Gap, Texas; Mr. and Mrs. Albert Tischler, Mr. and Mrs. L. S. Goerdel, Miss Minnie Hohertz, all of Priddy, Texas; Mr. Ernie Meyer of the parents home, Mr. and Mrs. Olin Goerdel and children, Shirley, Larry, Judy and Jane, all of Brownwood, Mr. and Mrs. Floyd Eoff, Mr. and Mrs. Jess Carruth, all of Blanket, Texas; Mr. and Mrs. Bill Davis, Mr. Walter Nauert, all of Odessa.

Miss Alwine Hohertz is going home with Mr. and Mrs. Ervin Hohertz to Odessa. She will visit them a while.

Golden Wedding Celebrated

Copperas Cove, May 17—Mr. and Mrs. Fred Groth celebrated their Golden Wedding Anniversary last Sunday, May 15, at their home near here, with a large host of relatives and friends attending. Dinner was served to 73 guests, including members of the immediate family, and a number of relatives.

Open House was held from 2:00-5:00 p. m. The house was beautifully decorated with yellow roses, yellow chrysanthemums, and other spring flowers. Mrs. A. E. Schmidt of Snyder, daughter of the honored couple, presided at the guest book. In the dining room Mrs. James Leonard of Goldthwaite, and Mrs. George Leonard of Copperas Cove, wives of the two eldest grandsons of the honored couple, alternated at the punch bowl. The table was covered with a beautiful lace cloth, and was centered with a bowl of yellow chrysanthemums flanked on either side with gold candles. A beautifully decorated wedding cake completed the table decorations. 77 guests registered during the afternoon, making a total of 150

guests who called during the day.

Mrs. Groth, who before her marriage was Miss Laura Kattner, came with her parents to Copperas Cove from Lee County, Texas in 1893. Mr. Groth came to Copperas Cove in 1896 from Falls County, Texas. They were married here on May 14, 1899, and have lived during their entire married life. They have six children—Mrs. H. J. Leonhard and Mr. Willie Groth of Goldthwaite; Mrs. A. E. Schmidt of Snyder; Mrs. Henry Dreyer, Mr. Wesley Groth, and Mr. Herbert Groth of Copperas Cove—seven grand children, and one great-granddaughter. Today, after fifty years of married life, the family circle still remains unbroken.

Those attending the celebration with the honored couple included Mr. and Mrs. H. J. Leonard, Walter and Edgar Leonard, Mr. and Mrs. James Leonard and Kathryn, Mr. and Mrs. Willie Groth and Ruth, all of Goldthwaite and 140 other guests.

Miss Westerman of Corpus Christi is here visiting her brothers, Dan and Norman Westerman and families

STAR NEWS—

By MRS. A. B. SOULES
 It is awful dry and warm these last few days.
 Mrs. Nat Grimes of Stinnett spent Tuesday night with her brother, Mr. Slim Hurst and family.
 Mrs. Slim Hurst and Lula May and Mrs. Nat Grimes spent Wednesday in Lampasas visiting Mr. and Mrs. Floyd Wright and children.
 Mr. and Mrs. J. Y. Hamilton, Mrs. J. C. Fields and Mrs. R. C. Campbell and Mrs. Robert N. Hamilton visited Grannie Hamilton Tuesday night.
 Mrs. Marshall and Mrs. Terral Marshall of Evant and Mrs. Hugh Cox of Brownwood spent Sunday in the home of Mrs. Lonnie Baker Tuesday afternoon.
 Mrs. Seth Waddell spent the first of last week at Hamilton visiting relatives.
 Mrs. Ramon Fincher and son, John Henry, spent Sunday in the home of her mother, Mrs. Burt Ball.
 Mrs. Chester Sheldon of Evant spent Sunday in the home of Mrs. Charlie Sheldon.
 Rev. and Mrs. T. M. Mitchell of Miles, Texas visited a few days last week with her sister, Mrs. Viola Chappell and niece, Mrs. Charlie Sheldon and family.
 Mrs. Viola Chappell and Mrs. Charlie Sheldon attended the funeral of Isaac Head of Eastland Friday the 13th. Young Head, who was an only son of R. E. Head and wife was killed in a car wreck near Wichita, Kansas.
 Mrs. Jim McCaughn and Mrs. Thea McCaughn and daughter of Santa Anna spent Sunday in the home of Mrs. Neal Soules and Mr. and Mrs. Rex Clifton and boys and Mrs. John Clifton.
 Mr. and Mrs. A. B. Soules spent Sunday in the Love Fowler home at McGirk and found Love Fowler at home and very much improved.

L. W. Boone, who recently sold his ranch south of town to Mr. Hancock of Darango, Colorado, has bought the Victory Theatre at Bangs and took over the management, Thursday, May 19th. The Boones have lived here about 4 1/2 years, having moved here from Coleman. Mr. Boone will move his family about June 1st. When in Bangs and you want to see a good show, stop by the Victory Theater to see them.
 Mr. and Mrs. John Skipper of Brownwood visited Mr. and Mrs. Lynn Nix and daughter, Monday night.

PLEASANT GROVE

By MRS. PETE MILES
 Mrs. Charlie Hall received word last week that her sister at Gorman was seriously ill. She went to her and stayed until they took her to Dallas to a specialist.
 Bro. Kilburn and family set until bedtime in the Pete Miles' home Thursday night.
 Mr. and Mrs. Hoover Hodges and Mary Nan called for a few minutes in the home of his aunt, Mrs. I. T. Howell, Friday morning.
 Mr. and Mrs. Jim Hale have been visiting her parents, Mr. and Mrs. J. H. Warren, and his sister, Mrs. Clark Miller, the past week.
 Those who visited in the Pete Miles home Saturday night were Mr. and Mrs. Virgil Howard and children, Mr. and Mrs. Jude Miles and children, Mr. and Mrs. Tot Casbeer and children and Mr. and Mrs. Mitch Miles and children.
 Miss Edith Covington and Miss Mary called a few minutes on Mrs. Wilkey Wednesday evening.
 Pete Miles, Virgil Howard, Tot Casbeer and Floyd Benningfield played dominoes with Charley Hall Friday night.
 Mr. and Mrs. Howell and Mr. and Mrs. Ray Berry visited Mr. and Mrs. Clark Miller Sunday night.
 Mrs. H. C. Miles and children, Jane, Harvey and Charles, visited her son, Pete Miles, and family Sunday. The Jude Miles and Mitch and Thurbur Miles also visited there.
 Ray Berry's house is being moved, in preparation to building a new one. Jude Miles' new barn is almost completed. Then he will start him a new home.

BROWNWOOD LAKE HAS WORST DISASTER

Last Saturday night five people from Brownwood were drowned in Brownwood Lake, located ten miles from Brownwood. The occasion was a party of 13 Pepsi-Cola Bottling Co. employees and others, five of whom were drowned when a small metal boat sank about 200 yards off shore in water 30 to 35 feet deep.
 All the bodies were recovered early Sunday morning, and include: William Chester Greer, 22, and his wife, 20; J. A. Logan, 19, and his wife, 18; Benjamin Franklin Russell, 27, all employed in Brownwood.
 It was the greatest tragedy seen at Lake Brownwood since it was built 17 years ago.

JAMES SMITH TO RECEIVE DEGREE FROM U. OF TEXAS

Among the hundreds of students who are to receive their degrees from Texas University in Austin at the May 30 Commencement Exercises, is James Len Smith, son of Mr. and Mrs. A. H. Smith. Mr. Smith is a former Superintendent of the Goldthwaite Schools, and the Smiths made their home here for years. James spent all of his school days in Goldthwaite, except for his senior year. He graduated from high school in San Antonio in 1946, and has completed his college work in three years. He is to be congratulated upon this achievement.

V. L. PARKER

Victor Lee Parker, 58 years old, died at Mother Frances Hospital in Tyler, last Monday afternoon, May 23.
 His body was brought to Goldthwaite, where funeral services were conducted by the Rev. M. D. Lowry Tuesday afternoon at four o'clock at the Goldthwaite Methodist Church. Interment followed in Goldthwaite Memorial Cemetery.
 Mr. Parker was born July 24, 1890, at Sherwood, Texas, where he grew to young manhood. In 1920 he was married to Miss Katherine Palmer at the Methodist Church in Goldthwaite. He joined the Methodist Church in 1928, and was a steward in the Central Methodist Church at Brownwood. He had been in poor health for the past four years, and had been confined to his room.
 Mr. Parker is survived by his widow, Mrs. Katherine Parker of Tyler; two sons, Harry Parker, Washington, D. C., and Bobby Parker, Tyler; and two brothers, Baxter C. Parker of Farmers Branch, Texas, and Walter Parker of Haywood, Calif.

BROWNWOOD LAKE HAS WORST DISASTER

Mr. and Mrs. Anderson, who is attending Schreiner Institute at Kerrville, has been in Goldthwaite for a visit with his parents.
 Mr. and Mrs. J. W. Saylor of Falfurrias came in last week for a 10-day vacation, visiting their parents, Mr. and Mrs. Claude Saylor, Mrs. Jim Brim, and other relatives.
 Mrs. Mollie Rankin of Waco and Mrs. Laura Starks of Comanche visited their cousins, Mr. W. B. Potter, Miss Minta Coleman and Mrs. G. W. Smith several days this week.
 Mr. and Mrs. M. L. O'quin and Mrs. D. Y. Dwyer of Dallas were week end guests of Mr. and Mrs. W. J. Weatherby.
 Mr. and Mrs. Dub Gay and children spent the week end in Abilene with his relatives.
 Mrs. J. M. Campbell's brother, J. M. Gardner of Boston, Mass., spent Thursday night of last week in Goldthwaite. Mrs. Campbell accompanied him to San Antonio to visit relatives.
 Mr. and Mrs. Barton Smith are spending the summer near Belton. His sisters, Mrs. H. G. Bodkin and Mrs. Claude Smith visited them Sunday.
 Mrs. Hugh McKenzie took her grandson, Robert Dale McKenzie to his home at Austin Thursday of last week. Robert Dale visited in Goldthwaite for several weeks with his grandparents.
 Mrs. W. C. Mayes has been visiting in the home of Mr. and Mrs. Delma Featherston for the past week and a half. Mr. Mayes will come after her this week end.
 Dr. and Mrs. Barnett Leathers spent Friday night and Saturday with Mr. and Mrs. John Schooler. They also had relatives here and in Abilene. Richard W. Routh is now stationed at the Station in Dallas. His wife, John Schooler, visited a few hours Monday. He was enroute to his home in Ballinger.
 Mr. and Mrs. Guy Boy the first of last week. Mr. and Mrs. Boy visited in Goldthwaite. Mr. and Mrs. McPherson and family.
 Mr. and Mrs. Clarence of Comanche spent his parents, Mr. and Mrs. Skaggs.

PLEASANT GROVE

By MRS. PETER MILLS
(Written For Last Week.)
Well, showers have come again, and most of the crops have been marked out.
Several from here attended a bridal shower of Miss Inez Eburn Saturday night in the home of Mrs. Morris. She received many lovely gifts and a large crowd was present.
Those who visited Sunday in the writer's home were Mr. and Mrs. Ewel Lemons, Mr. and Mrs. Red Arrowood, Mr. and Mrs. Thurber Miles, and children and Mrs. Mitch Miles and children.
Miss Dorothy Clapp, Cliff Clapp and Bobby Baird visited the Melba Miller Sunday evening.
Virgil Howard went to Fort Worth Sunday to visit his father, Clarence Howard, who is in hospital there. I failed to see how he was doing.
Grandmother Covington passed her ninety-second birthday

on May 11th, on the place where she has lived 67 years, coming here from Bell County in 1882. Grandmother is loved by all our community, who wish her more of these birthdays.
Mr. and Mrs. Jude Miles and boys visited in the I. T. Howell home Sunday evening, also O. Z. Berry, Brit Berry and Mitch Miles. The men played croquet.
Mr. and Mrs. Jack Ball, Mr. and Mrs. Mitch Miles and children and Mr. and Mrs. Thurber Miles visited in the Howell home Saturday night and played dominos.
The Dude Wilkey family visited her daughter, Mrs. Perry Burk and husband of Star Sunday. Charles Sigelquest also visited there with Wallace.
Miss Wanda Sigelquest attended the rodeo at Comanche Saturday night with friends.
Ernest Strickland of Brady was here last Thursday, a guest in the home of his sister, Mr. and Mrs. John W. Roberts.

Texas Taxes Are High Enough Now, Survey Of Texas Poll Shows

By JOE BELDEN
Director, The Texas Poll
AUSTIN, May 23—If the Texas Legislature winds up its session without new taxes, after having approved more spending than ever before, some members may look upon this as a feat of financial wizardry. But now "the folks back home" they expect it.
For here is what a statewide survey just completed by The Texas Poll shows:
1. Six out of every ten adults believe present taxes bring in enough money to pay for everything that is needed.
2. At the same time, six out of every ten say there is need for spending more money—for schools, roads, old-age pensions, hospitals for the insane, health, and a number of other things.
3. As for saving money, only a small minority can advise state officials how to do that. Thanks to a surplus of funds that has been built up in recent years, the Legislature may be able to satisfy most public demands without levying new taxes. At least that seems to be the goal of leaders in the legislative saddle. The next few days may tell whether or not they succeed.
But what if more money becomes necessary to keep the budget balanced? How should it be raised? On this issue, public opinion is widely divided. The Texas Poll finds more people are inclined to favor natural resource taxes than any other type, with liquor, luxury, and sales taxes next in line.
The poll's findings are based on these questions which were put to a cross section of the adult population:
1. "Do you know of anything that our state government spends money for that should be reduced or cut out?"
Suggested ways to spend state to save money: 14%
Don't know of anything that should be reduced or cut out: 86%
100%
2. "Is there anything our state government should spend more money for than it is now spending?"
Suggested ways to spend More money: 60%
Don't know of anything state should spend more for: 40%
100%
3. "Do you think present taxes bring in enough money for the state government to pay for everything that is needed, or not?"
Yes, enough: 62%
No, not enough: 17%
Don't know: 21%
100%
4. "Suppose you were a member of the Legislature and you find it necessary to raise money for the government. What types of taxes would you be inclined to vote for?"
Wouldn't vote for any type: 8%
Don't know any types to vote for: 39%

CHRISTIAN SCIENCE SERVICES

"Ancient and Modern Necromancy, Alias Mesmerism and Hypnotism, Denounced" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, May 29.

The Golden Text is: "The Lord God will help me; therefore shall I not be confounded; therefore have I set my face like a flint, and I know that I shall not be ashamed" (Isaiah 50:7).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "The Lord hath appeared of old unto me, saying, Yea, I have loved thee with an everlasting love; therefore with loving kindness have I drawn thee" (Jeremiah 31:3).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Every step towards goodness is a departure

GIRL SCOUTS

The Girl Scout leaders, training chairman, Mrs. Jim Weatherby, leader's president, Mrs. Jake Saylor, and the Council president, Mrs. Fred Reynolds, met at the Little House last Monday night to discuss summer camping plans for our local Girl Scouts.

Most interesting reports were given by delegates who attended the Camp Training at Camp Rotary, Mineral Wells, in the early part of May. Mrs. Guy Calder, Mrs. Buddie Sheldon, and Mrs. L. F. Bain were sent by our local council to take this most valuable training.

At least a dozen of our intermediates are registered for Camp Activities in Camp Rotary in June and July. Several of the older Brownies regret that the established camp is not accepting them there this year.

Each leader gave her desire about camping this summer and the largest number of votes were cast for Troop Camps in preference to Day Camp. Each group of troop mothers and leaders will work out their troop camps when it will be the most convenient. They will spend one night and two days living outside. Here the girls learn to build fires, classify types of leaves, wild flowers, insects, and shells. They go on bird hikes and scavenger hunts and do all their own cooking, either with Buddie burners, one-pot method, or by baking in hot ashes in tinfoil rolls. What is better than a breakfast cooked on a Buddie burner and syrup coffee with lots of butter on that crisp toast?

Who wouldn't gain pounds and energy, too, after eating a "One-Pot Stew," served in an old iron kettle over open coals, first the smell of frying onions, which starts the digestive juices flowing, then the meat balls are rolled and tossed until brown and last that vegetable soup mixture is poured over it and if

LLANO RODEO NEXT WEEK

Llano—For the first time in this section of Texas, rodeo goers will have an opportunity to see girls in a competitive calf roping contest. This is an added feature for the Llano rodeo this year, which will be next week, June 2, 3 and 4. Girls calf roping is increasing in favor in every section of the Southwest, where it is being seen.

The 1949 version of Llano's famous rodeo and homecoming will open next Thursday with a street parade which promises to be the largest ever seen in Llano. The parade is expected to be

you don't agree it's a dish fit for a king, you don't know taste nor nutrition. Usually biscuits cooked on long sticks are served with this one-pot stew, with coffee or tea you hardly need a dessert but if you insist, another biscuit is baked and filled with butter and fresh preserves from mother's pantry, the kind that is in season. Um, um! Always a fresh tossed-up salad is served, using the freshest vegetables possible. These troop campers always take their moisture-proof set-up-ones along so they sit comfortably while eating. While they are on these troop camps, they often swim, make leaf prints, do archery and casting. Of course, Girl Scouts always are singing and skipping and dancing about as happy as can be. They often have flag ceremony too during their troop camping and maybe tell stories, then act them out. In this manner, girls all around the world enjoy Mother Nature and learn to be good cooks, good hostesses, good citizens and become more interested and more concerned about Girls of all nationalities. Scouting is a sound investment for your time and means. It pays not in dollars and cents but in character and citizenship tomorrow. —Asst. Reporter.

over two miles in length this year. There will be at least six bands scattered throughout the line of march. Starting at three o'clock in the afternoon, the parade will traverse both sides of the Llano River.

While the girls calf roping will be one of the main features of the rodeo, none of the regular rodeo events will be omitted this year. There will be bronc riding, bull riding, bull wrestling and men's calf roping.

The shows will start each night at 8:00 o'clock in Llano's gigantic arena, which has seating capacity of over 8,000.

Caradan Community Club

The Caradan Community Club met May 20 with Grandmother Anderson to help her quilt. She had two quilts to work on. One quilt was finished and quite a bit done on the second one. Eighteen ladies enjoyed the afternoon visiting and quilting. Mrs. Anderson served cake, punch and tea to the ladies and a number of children.

Club members present were Oleta Kerby, Drue Cline, Odessa Tubbs, Ima Wicker, Irene Parker, Lottie Denman and Linnie Horton. Visitors were Mmes. W. A. Knight, Deward Reynolds, Beatrice Knight, Francis Knight, Richard Leach, Enis Denton, H. M. Kerby, Dub Hardcastle, Dewey Gerald, Blanch Featherston, and Imogene McNeil.

Every one enjoyed the afternoon very much. We had one new member, Mrs. Enis Denton.

The club would like very much to have all the ladies join our club. The next meeting will be with Lottie Denman, June 3. —Reporter.

Famine occurs in some portion of India every year.

To meet your needs in 1959, we have to start now

Most of the oil you are using today was found more than ten years ago. It takes about that long to explore and potential resources to their full, efficient capacity.

First, you have to find the oil. Geologists and geophysicists spend months of scientific study before they pronounce an area a prospect. It takes more months to drill exploratory wells; and if they find it takes years to drill the other wells that define the field, establish the amount of oil in it, and bring it into full production.

Today, this year, continuously, we must develop the oil resources we may need — without notice — on some future emergency.

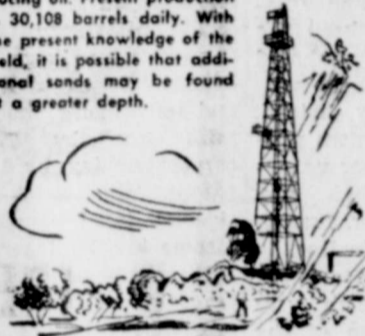

In spite of minor fluctuations in demand, the need for oil has increased steadily over the years; and every now and then there is a sudden, heavy, unexpected need for additional supplies, like the demand for fuel oil on the Eastern seaboard during the cold winter of 1947-48. Furthermore, we must recognize the fact that in this atomic era, in this day of the jet airplane and the long-range submarine, the U. S. oil industry must prepare now to meet the needs of any future national emergency.

That's why the American oil industry is undertaking the high costs of exploring the Tidelands of the continental shelf in order to bring the oil fields that geologists think are waiting into full production now. Rest assured that the oil will not be wasted; on the contrary, it will be ready for instant use when you and the nation need it.

HUMBLE

HUMBLE OIL & REFINING CO.

This is a Humble well in the Anahuac, Texas, field. The first well, drilled in 1935, found oil at 8728 feet. Geological and geophysical work which preceded drilling consumed 6 years. 427 wells have been drilled, of which 357 are now producing oil. Present production is 30,108 barrels daily. With the present knowledge of the field, it is possible that additional sands may be found at a greater depth.

This is Humble production in the Friendswood, Texas, field. Exploratory work was begun here in 1928; and the discovery well was drilled in 1937. By 1941, Humble had 211 producing wells in the field; these wells supplied 66,110,000 barrels of oil toward the winning of World War II.

This alkylate plant was placed in operation by Humble at Baytown in 1938. Alkylate is an essential component in the manufacture of aviation gasoline, and by December 14, 1944, Baytown had provided a billion gallons of 100-octane gasoline for Allied airplanes.

GOLDTHWAITE MEN ARRIVE IN JAPAN

A new arrival in Japan is Pfc. Gene D. Doss, son of Mr. and Mrs. Monte Doss of Goldthwaite. He is stationed at JAMA (Japan Air Materiel Area) Air Force Base at Techikawa, Japan, located just 21 miles west of Tokyo, and maintenance and repair depot for aircraft throughout Japan and Korea. Pfc. Doss is in training for the post of rear repairman at this huge in-

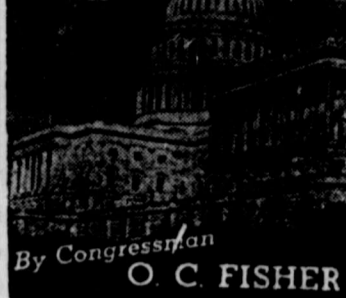

stallation.

Pfc. Doss enlisted in the service last October and following basic training at San Antonio, Texas, reported to Hamilton Field, Calif. for embarkation orders. He arrived in Japan on the 14th of April.

He is a graduate of the Paint Rock High School.

Mr. and Mrs. Phillip Nichols and Miss Bess Crews were in Dallas, Wednesday on business. Miss Crews purchased merchandise for the Tots to Teens Shop.

Our WASHINGTON Letter

By Congressman O. C. FISHER

SOS FOR THE HONEYBEE

The honeybee, which sacrifices its life every time it stings you, has its stinger to the wall and is collectively fighting for its life today, according to testimony given the House Committee on Agriculture last week.

A dozen witnesses from over the Nation, including the research specialists from the Department of Agriculture made a dramatic appeal for Uncle Sam to come to the aid of the honey-makers. And, they pointed out, just making honey is but a small part of what Mother Nature has in store for the honeybee to do if vegetable life is to be properly balanced in this land of ours.

"The decline of honeybees is a threat to the future welfare of American agriculture", warned Dr. Mac A. McCall, research specialist in the Bureau of Plant Industry. And he told a convincing story.

Hand-in-hand with the reduction in number of bees has been an alarming reduction in yields of alfalfa seed, perennial legumes, red clover, and ladino clover, as examples. The average yield of alfalfa seed in the United States in 1925 was 3.59 bushels per acre, while in 1948 it was 1.61 bushels per acre. In the case of red clover the yield dropped from 1.35 bushels to .97 bushels per acre.

"An important factor in this decrease has been lack of cross pollination necessary for fertilizing these crops", the Doctor pointed out. "These plants are self-sterile, requiring the transfer of pollen from plant to plant to obtain a seed set. This pollination is accomplished by wild bees and honeybees in their search for nectar and pollen".

He went on to say that formerly in the United States there was an abundance of wild bees to act as pollinators. But use of insecticides to control harmful insects, along with a disappearance of native pollinating insects, has gummed up the works.

"This is one of the most serious factors in many areas in bringing seed production of the perennial legumes to a dangerously low level", Dr. McCall emphasized.

It all adds up to the fact that the more bees there are, the more of many types of seed production there is. And Dr. J. H. Davis, State Inspector, of Arkansas, said he could prove the cotton staple is longer and the cotton yield higher in localities where there are lots of honeybees.

Another expert, Walter A. Straub of Chicago, reminded that your baby's health and the presence of honey in the pantry have a real relationship.

"When honey is added as a carbohydrate modifier to milk for bottle-fed babies, the calcium retained by the infant from the milk it takes in rises as against any other carbohydrate, including glucose and others. The retention of calcium in a growing infant is very important for bone structure and teeth, and so forth," testified Straub.

Not only that, said Straub, "honey has small quantities of vitamin K. That is the vitamin which prevents hemorrhages, which hurries coagulation of the blood in the case of wounds". It was carried, he continued, by a good many of our troops in a little capsule to give them first aid if they happened to be wounded and could not get help otherwise.

"We have found in our experiments that infants who began to hemorrhage right after birth, that hemorrhage was stopped by the administration of honey".

But despite its importance, the bee business is in a slump today. The soil conservationists express concern because of their dependence on legumes to hold erosion-inclined soils. The fruit growers are worried. The beekeepers of the south who last year produced 1,64,000 pounds of

bees and 858,000 queen bees into the northern honey-producing areas, are in a dilemma. Excessive imports, high labor costs, losses from insecticides, and a dozen other factors have combined to take most of the profit away from the producers. And the result is that every year there are fewer and fewer bees.

The Agriculture committee lent a sympathetic ear. In the meantime, the overworked bee population is buzzing along short-handed, trying to fill its part of Nature's bargain.

White elephants in Siam are baptized and feted like human beings.

MILLS CO. EXCEEDS QUOTA IN BOND DRIVE

Mills County reached and exceeded its quota by the end of the first week in the Opportunity Drive for the sale of Series E Savings Bonds, W. D. Clements, county chairman, announced today.

The drive officially opened on May 16 and total sales for this county through Saturday, May 21, were \$22,725.00, or 103.30 per cent of the county quota of \$22,000.00.

The county chairman received a telegram from Nathan Adams

of Dallas, state Savings Bonds chairman, congratulating him for exceeding the quota so promptly.

The report, received from state Savings Bonds headquarters in Dallas, also showed that sales for Texas were \$19,460,304, or 52 per cent of the \$36,950,000 state quota.

Other counties surpassing their quotas during the first week of the drive are Andrews, Bailey, Blanco, Cass, Coke, Dawson, Ector, Goliad, Hall, Irion, Kimble, Lampasas, Mills, Montgomery, Newton, Scurry and Stephens. Numerous other counties showed sales of 50 per cent or more of their quotas, causing

analysts to predict that the state will reach and far exceed its quota "in the most successful Savings Bonds campaign since the war". The drive will continue through June 30.

During the past week Mrs. Catherine McNutt of Goldthwaite, Mr. and Mrs. Dixie Sewell of Brownwood and W. G. Lindsey of San Saba were visitors in the home of Mr. and Mrs. A. G. Weston.

SCOUTERS OF SOUTH DIST. HOLD POW-WOW

Members of the South District of the Comanche Trail Council Boy Scouts of America met for their regular monthly Pow-Wow Monday night with a dinner at the Hotel San Saba, then went to the Scout cabin for their business session. L. C. Ward was chairman of the meeting. Chas. Conradt, Scoutmaster of Goldthwaite led the group in the Scout Oath to open the meeting. Glenn Singleton, deputy regional executive from Dallas talked on the two-year program that was launched by the Boy Scouts of America in February, "The Crusade of Scouting." Mr. Singleton explained that for an objective, the program had three targets—Leadership, Program, and Membership.

Careful selection of leadership to be trained; well planned programs; and a growing membership with less separations from the various units of the Scout family. The Crusade to climax in 1950 celebrating the Fortieth Birthday of the Boy Scout movement in America.

CAMP-O-RAL
Dates for the spring Camp-O-Ral will be June 3rd and 4th, to be held at the Lometa Lake near Lometa. All troops in Mills, San Saba and Lampasas Counties will be expected to participate. The program will start with setting up of camp, cooking suppers, followed by Camp Fire and Court of Honor. Several Scouting Skills will take place Saturday morning and dismissal will be at 11 a. m.

CAMP BILLY GIBBONS
The summer camp for the council will start June 24th and run to July 15th—three one-week periods. Troops are making reservations now for the week they wish to attend.

PHILMONT SCOUT RANCH
G. N. Guiri announced that a delegation of 20 Scouts and two leaders are being organized to make a "Kit Carson Trek" period during June at Philmont, the National Boy Scout Camp in northern New Mexico. This camp has 135,000 acres and abounds in wildlife. Any Senior Scout 15 years of age or over and holding a First Class rank or higher, that would like to try for this trip should get in touch with the Scout office for further information. Mr. Quiri stated.

Those attending were Scoutmaster Robert Ware, representing Troop 33, sponsored by the Jaycees of Lampasas; Scoutmaster Charles Conradt, Troop 45, sponsored by Goldthwaite Lions Club. Asst. Scoutmaster Roy Williams, Troop 46, sponsored by the Mullin High School; Scoutmaster J. B. Boler, Troop 34, sponsored by the Richland Springs American Le-

gion; Roy Ragsdale, chairman, troop committee, Troop 55, sponsored by the San Saba First Methodist Church; Lee Tesson, committeeman of Richland Springs; Mr. Ward, chairman for San Saba, Mr. Singleton and Mr. Quiri.

The next Pow-Wow will be held in connection with the Camp-O-Ral at Lometa, June 3.

Party For Visitors

In honor of Mr. and Mrs. R. E. Ross from El Paso, Mr. and Mrs. Walter Fairman arranged for a wonderful supper at The Hangar for some of the old timers who knew Mr. and Mrs. Ross in years passed.

Mr. Ross as some of you know was in the drug business with R. E. Clements and Mrs. Ross worked in the Trent State Bank and for Mrs. A. J. Gatlin in a grocery store. She was better known by the old timers as Miss Ciarenda Owens. She made her home with Mrs. Ludy Porter and Mr. and Mrs. P. H. Clements.

Those who used to live in Williams Ranch who partook of the lovely food Sunday night were Walter Fairman, Earl Clements, John Hester, Eula Nickols and Mrs. R. E. Ross, Mrs. Sam Sullivan. Others who enjoyed the food were Mrs. Walter Fairman, Mrs. John Hester, Mr. and Mrs. Owen Yarborough, Mr. and Mrs. Monro Fletcher and Sam Sullivan.

After eating so much good food we sat and talked about

old times. When Mr. and Mrs. Ross arrived Saturday morning at ten o'clock on the bank corner where Mrs. Ross worked for several years, she went in the bank and found lots of improvements since her days in the bank. The on lookers who didn't know what the gathering was all about thought we people had gone crazy but every one was sane, just so glad to meet once more. Mr. Ross got to see lots of his friends who used to trade with him in the drug store.

Mr. and Mrs. Ross left early Tuesday morning for Austin on business. They will go home from there. We hope they make it home safe, and we feel like they will by Mrs. Ross keeping her eyes on the road in front of them and behind them.

As far as we all meeting again I'm afraid it won't happen again soon, not that we are getting too old, because we are not, but just not so young any more.

God be with you are our prayers from all of us and Mr. and Mrs. Ross who had the pleasure of meeting again here on earth.

—From the old timers of good old Mills County.
Mr. and Mrs. Olney Kelly and baby came in Monday night from Chicago for a visit with her mother, Mrs. Woodard and other relatives and friends here and at Pleasant Grove.

WINNING AWARDS is Jim Bob Steen, sophomore Aggie from Goldthwaite, shown above with the Hereford with which he won first prize for ownership in the beef division. Steen is well known the Houston Fat Stock Show and Livestock Exposition, where in 1947 he exhibited the Grand Champion Steer. He got \$15,000 at the steer's auction, highest ever paid at Houston, and entered A. & M. College with the money.—Houston Chronicle May 8, 1949. (Picture Courtesy Houston Chronicle.)

BOB STEEN WINS HONORS

D. B. McCombs, wife of County Agent D. B. McCombs, sends the Eagle this some clippings from the M. College paper, showing Jim Bob Steen, in the 1949 Little Southwestern Stock Show held at Agon at College Station. the Championship Class of Herefords, Jim Bob Steen of Goldthwaite was named Champion Hereford Showman, with Straus of San Antonio Reserve Champion. Jim also received the title of Champion Beef Cattle Showman and also received two from the Texas Hereford

Breeders Association and the American Hereford Breeders Association.

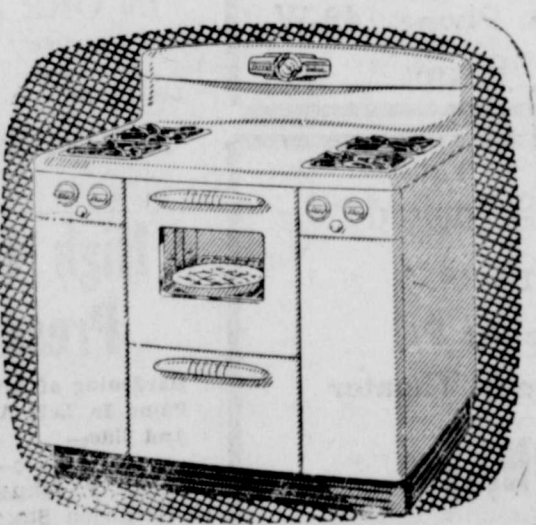

Jim Bob Steen's Hereford "Flat Top" won Grand Champion award in 1947 at the Houston Livestock Show, and auctioned for \$15,000, largest ever paid there and second largest ever paid in the world. Jim Bob is now using the money to attend Texas A. & M.

Mrs. Mary C. Burch left Saturday morning after spending several days here last week with her brother-in-laws, Earl Clements.

Mr. and Mrs. Leon Crapps of Ark spent Tuesday night with her brother, Leslie Graham and wife, and also visited Mr. and Mrs. E. L. Pass.

High Blood Pressure
Hardening of Arteries, Pains In Left Arm And Side—
Elmer G. Johnson, President of Harlingen State Bank, Harlingen, Texas, writes on Feb. 20, 1948: "Please send another bottle of Liquid Garlic, also send a bottle to my sister-in-law, Mrs. Hulda C. Dutton, 45 Atwater Terrace, Springfield, Mo. "I have some good reports to make on the effectiveness of garlic used. Mr. Turner, Texaco dealer here has taken two bottles and is much better, his blood pressure down about 60 points. Mrs. W. F. Nelson, San Benito, who was in bad shape, is also very much better and her blood pressure down considerable. This garlic works, and you are doing a fine job of producing it for the benefit of those suffering from high blood pressure or heart trouble."

SAYLOR CHEVROLET CO.
 GOLDTHWAITE, TEXAS

AN ORDINANCE

An ordinance granting to Lone Star Gas Company, a corporation, its successors and assigns, a franchise to furnish and supply gas to the general public in the City of Goldthwaite, Mills County, Texas, and environs thereof, providing for the payment of a fee or charge for the use of the streets, Alleys and public ways and providing that it shall be in lieu of other fees and charges, excepting ad valorem taxes, and providing for rates and charges for natural gas and natural gas service.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GOLDTHWAITE, TEXAS:

Section 1. THAT THE CITY OF GOLDTHWAITE, TEXAS, hereinafter called "City," hereby grants to LONE STAR GAS COMPANY, hereinafter called "Company", its successors and assigns, consent to use and occupy the present and future streets, alleys, highways, public places, public thoroughfares and grounds of City for the purpose of laying, maintaining, constructing, operating and replacing therein and thereon pipe lines and all other appurtenant equipment needed and necessary to deliver and sell gas to persons, firms and corporations, including all the general public, within the City's corporate limits and the environs thereof, said consent being granted for a term of thirty-five (35) years from and after the date of the final passage and approval of this ordinance.

SECTION 2. Company shall lay, maintain, construct, operate and replace its pipes, mains, laterals and other equipment so as to interfere as little as possible with traffic, and shall promptly clean up and restore to an approximate original condition, at its cost, all thoroughfares and other surfaces which it may disturb. The location of all mains, pipes, laterals and other appurtenant equipment may be fixed under the supervision of the City Council or an authorized committee or agent appointed by said Council.

SECTION 3. When Company shall make or cause to be made excavations, or shall place obstructions, in any street, alley or other public place, the public shall be protected by barriers and lights placed, erected and maintained by Company; and in the event of injury to any person or damage to any property by reason of the construction, operation or maintenance of the gas distributing plant or system of Company, Company shall indemnify and keep harmless City from any and all liability in connection therewith. Company shall repair, clean up and restore to an approximate original condition, all streets and alleys disturbed during the construction and repair of its gas distributing system.

SECTION 4. Company may make and enforce reasonable rules and regulations in the conduct of its business, and may require, before furnishing service, the execution of a contract therefor, and may require each consumer, within the corporate limits of the City, to pay Company for the installation of all service pipes from the curb line in the street or property line in the alley to and throughout the consumer's premises; and Company shall have the right to contract with each consumer with reference to the installation of service pipes from either the curb line in street or property line in the alley to and including the meter located on the consumer's premises. Service lines are defined as supply lines from the curb lines in the street and property lines in the alley to and ending at the meter located on consumer's premises.

SECTION 5. Company shall not be required to extend mains on any street more than one hundred (100) feet for any one consumer of gas.

SECTION 6. Company shall be entitled to require from each and every consumer of gas, before gas service is commenced, a deposit of twice the amount of an estimated average monthly bill, which said deposit may be retained by Company until service is discontinued and all bills therefor have been paid. Company shall then return said deposit to the consumer, together with six percent (6%) interest thereon from the date of said deposit up to the date of discontinuance of service. Company shall be entitled to apply said deposit with accrued interest to any indebtedness owed Company by the consumer making the deposit.

SECTION 7. The rights, privileges and franchises granted by this ordinance are not to be considered exclusive and City hereby expressly reserves the right to grant, at any time, like privileges, rights and franchises as it may see fit to any other person or corporation for the purpose of furnishing gas for light, heat and power to and for City and the inhabitants thereof.

SECTION 8. Company shall furnish reasonably adequate service to the public, at reasonable rates and charges therefor; and Company shall maintain its property, equipment and appliances in good order and condition.

SECTION 9. Company, its successors and assigns, agrees to pay and City agrees to accept, on or before the 1st day of January, 1951, and on or before the same day of each succeeding year during the life of this franchise up to and including the year 1984, a sum of money which shall be equivalent to two percent (2%) of the gross receipts received by Company from the sale of gas to its domestic and commercial consumers within the city limits of said City (expressly excluding, however, receipts derived from sales to industrial and governmental users and consumers in said City) for the preceding calendar year, which annual payment shall be for the rights and privileges herein granted to Company, including expressly, without limitation, the right to use the streets, alleys and public ways of said City. And it is also expressly agreed that the aforesaid annual payment shall be in lieu of any and all other and additional occupation taxes, easement and franchise taxes or charges (whether levied as an ad valorem, special or other character of tax or charge), in lieu of municipal license and inspection fees, street taxes and street or alley rentals or charges, and of all other and additional municipal taxes, charges, levies, fees and rentals of whatsoever kind and character which City may impose or hereafter be authorized to levy and collect, excepting only the usual general or special ad valorem taxes, which City is authorized to levy and impose upon real and personal property. Should City not have the legal power to agree that the payment of the foregoing sums of money shall be in lieu of taxes, licenses, fees, street or alley rentals or charges, easement or franchise taxes or charges aforesaid, then City agrees that it will apply so much of said sums of money paid as may be necessary to satisfy Company's obligations, if any, to pay any such taxes, licenses, charges, fees, rentals, easements or franchise taxes or charges.

In order to determine the gross receipts received by Company from the sale of gas (expressly excluding the sales of gas to industrial and governmental consumers) within the corporate limits of City, Company agrees that on the same date that payments are made as provided in the preceding paragraph of this Section 9, it will file with the City Secretary a sworn report showing the gross receipts received from the sale of gas to its domestic and commercial consumers within said City limit for the calendar year preceding the date of payments. City may, if it sees fit, have the books and records of Company examined by a representative of said City to ascertain the correctness of the sworn reports agreed to be filed herein. Receipts from sales to industrial and governmental users and consumers in said City shall not be included in those receipts derived from the sale of gas to Federal, State, County or City Governments or branches and subdivisions thereof, school district or other similar districts, it being the intention to include within the term "Governmental users and consumers" all tax-supported institutions owned or operated directly or indirectly by said governments and branches or subdivisions thereof, such as schools, colleges, hospitals, eleemosynary institutions, army or training camps, airports, courthouses, city hall and other institutions of like or similar kind and character.

"Industrial users or consumers", as herein used, are those generally and commonly classified as such by Company.

The payment herein provided shall be for the period January 1st to December 31st of the respective year that the payment is made.

SECTION 10. The rates and charges for natural gas and natural gas service are hereby fixed and determined as follows:

- First 1,000 cu. ft. or less, Gross \$1.555, Net \$1.40 per m. c. f.
- Next 1,000 cu. ft. Gross \$1.277, Net \$1.15 per m. c. f.
- Next 3,000 cu. ft., Gross \$0.722, Net \$0.65 per m. c. f.
- Next 20,000 cu. ft., Gross \$0.444, Net \$0.40 per m. c. f.
- All Over 25,000 cu. ft., Gross \$0.388, Net \$0.35 per m. c. f.

Net rate applies on bills paid within ten days from the date of monthly billing.

The above rates and charges are applicable to each domestic and commercial consumer per month or for any part of a month for which gas is used at the same location.

Company may also charge and collect for setting, resetting and changing meters, or connecting, disconnecting or resuming service upon special request of consumers, or when service has been discontinued because of failure of any consumer to pay any bill or to comply with Company's reasonable rules and regulations, an amount not to exceed the cost of labor and material used in performing such work plus ten per cent (10%) additional thereon, provided such charge shall be not less than Two Dollars (\$2.00).

Take it from me... there's nothing like Ford Hydraulic Touch Control

Maybe I'm lazy or maybe I'm smart. Anyhow, when I'm on a tractor, I don't want any tugging at stiff levers to raise heavy plows, cultivators and whatnot. I'll take Ford Hydraulic Touch Control every time. I can sit on this new Ford Tractor and lift or lower and set an implement by moving the Touch Control lever.

Say! Maybe you are like me... lazy or smart, take your choice. Anyhow, if you want easier, faster farming tell me to bring out a new Ford Tractor for a free demonstration that you'll enjoy... without obligation.

By the way... my good service on all Ford Tractors and equipment for them has a lot of folks talking.

REX MAHAN AND SONS
 SAN SABA, TEXAS
 BUSINESS PHONE 232 : NIGHT PHONE 231-J

SECTION 11. This franchise ordinance shall be considered effective from and after the date of its final passage and approval of the City Council and Mayor of Goldthwaite, Texas.

SECTION 12. Company shall file its written acceptance of this franchise ordinance within sixty (60) days after its final passage and approval by City. Should Company fail to construct a gas distribution system within said City within two (2) years after the date of the final passage and approval of this franchise ordinance, then said franchise ordinance shall be null and void for all purposes.

PASSED AND APPROVED on first reading this, the 3 day of May, 1949.

LOY LONG,
 Mayor, City of Goldthwaite, Texas.

ATTEST:
 R. C. SUMMY,
 City Secretary.

Approved by Gas Company, May 19th, 1949.

Mrs. Lee Dyas of Burnet was a week-end guest of her mother, Mrs. Walter Bayley. She also visited her son, Mr. and Mrs. Eugene Dyas, and little Loydene.

DIRTY PARTICLES

FINE WHITE POWDER

DuPont House Paint
 Cleans itself!

40

White and bright for years! That can be your home if you specify improved Du Pont No. 40 Outside White the next time the painters come. Owing to its unique combination of pigments and oils, Du Pont "40" actually cleans itself... sheds dirt and dust with every heavy rain! Normally, this "Self-Cleaning" starts in a few months on most surfaces. However, excessive soot or heavy shade, or stains from metal surfaces such as copper plumbing may interfere with, or delay, the process.

You see, too, when your painters use Du Pont smooth, easy application, excellent spread and high-hiding plus long-lasting protection against rust, rot and decay... all add up, in your favor.

"Self-cleaning" Du Pont House Paint is available in No. 40 White and light tints. If the surface is bare wood or badly weathered paint, ask your painter to use new Du Pont House Paint Primer. It's the right prime coat for the job!

The Finishing Touch for New Home Beauty!—Fully Resistant to Peeling, Bubbling and Trailing. Finishes

Outside trim and shutters keep their sparkle year after year... with extra-double DULUX Trim & Trailing. It resists mildew and fading... brushes on easily... cures solidly... dries tack-free in a few hours. Your choice of three Greens, Brown, Black, new Blue and Bright Red that stay fresh and beautiful!

Barnes And McCullough
 "Everything To Build Anything."
 Save the surface and you save all!

ESTEP FURNITURE MOVES INTO NEW LOCATION THIS WEEK

Estep Furniture Company is announcing in a half-page ad in this issue of The Eagle their removal to a new location next door to the Mills County Vocational School.

Clyde Estep, furniture dealer here for the past ten years, has purchased the building from George White, former Kaiser-razer dealer, who is moving to Kingsville.

The new location will give the company plenty of room. Opening is for tomorrow morning, and Mr. Estep asks his former customers to pay him a visit at the new location.

GOLDTHWAITE MAN IN HOSPITAL WITH WOUND FROM BULLET

(Brownwood Bulletin, Tues.) L. N. Auldridge, farmer living one mile from Goldthwaite, suffered a bullet wound in the abdomen at his home Monday about 5:50 p. m. He was brought in a Goldthwaite ambulance to Brownwood Memorial Hospital for an operation to remove the bullet, and was reported in fair condition today.

Auldridge told police he felt a sudden pain, like an electric shock, while walking through the gate at his home, but did not immediately realize that he had been wounded.

Officers were told that a 14-year-old son, had a small rifle at the barn, some 100 yards away.

Mr. Auldridge suffered a shattered knee in battle in World War I, police said.

He had no complaint to make regarding the shooting police said.

MRS. WALTER FAIRMAN PASSES AWAY

Mrs. Walter Fairman of Goldthwaite died suddenly just after noon Wednesday of this week, the result of a heart attack. Her death was a shock to the entire community.

Funeral services were conducted yesterday (Thursday) afternoon at 4 o'clock at the First Methodist Church here by the Rev. Joseph L. Emery, pastor of the First Baptist Church, assisted by two former pastors of the church, the Rev. E. E. Dawson of Hico and the Rev. D. A. Bryant of Kerrville. Interment followed in Goldthwaite Memorial Cemetery.

Mrs. Fairman (nee Miss Stella Prater) was born in Denton County, Texas, on Jan. 26, 1882, and moved to Goldthwaite with her parents, the late Mr. and Mrs. J. T. Prater, 55 years ago. In 1902 she was converted and joined the Baptist Church while attending college at Huntsville. She had been one of the most active members of the church here since then, and was also prominent in social and club affairs. She was a member of the Furnishing Committee of the new Baptist Church building now under construction here.

She is survived by her husband, Walter Fairman; three sisters, Mrs. Myra Clark of El Paso, Mrs. Blanche Taylor of Nevada, Texas, and Mrs. Zella Youngblood of Dallas; and two nephews, Sam H. Allen, Jr., of Houston and James Albert Taylor of Oklahoma City.

Mrs. Errol Sheppard and Mrs. Jim McClement of Lubbock and Gilbert Auldridge of Jal. N. M. are here visiting their parents, Mr. and Mrs. Levi Auldridge.

Mr. and Bill Dodson of Hobbs, New Mexico, accompanied by Mr. and Mrs. Woodley are visiting Mmes Dodson and Woodley's mother, Mrs. Bertha Weathers and son, Franklin. —Eagle want ads get results—

CHAPPEL HILL

By PEARL CRAWFORD Mrs. W. W. Johnson of Caradan, old time resident of this community was at the grave yard working Thursday. We were all glad to see Mrs. Johnson.

Mr. C. H. Barmblett visited Mr. and Mrs. C. M. Bramblett Thursday morning.

Mr. and Mrs. A. L. Crawford, William G. and Mr. Tom Stevens were called to Goldthwaite to be at the bed side of Mrs. R. A. Stevens who had fallen and sprained her knee.

Mr. and Mrs. N. C. Karns and N. C. Jr. visited in the B. J. Crawford home Thursday night.

Mr. and Mrs. Tom Stevens and family visited Mrs. R. A. Stevens, Sunday.

Mr. and Mrs. Weldon Karns and family were Sunday guests of Mr. and Mrs. N. C. Karns and son.

Mr. Alvis Stevens visited Mr. Jim Evans Saturday afternoon.

Mr. John Cunningham, B. J. George and Pearl Crawford, Mr. and Mrs. L. C. Smith, Mr. and Mrs. A. L. Crawford and William G. called at the Jim Evans home Thursday afternoon.

Mr. and Mrs. M. L. Heath and children have moved to Mrs. W. A. Heath's. This community was sorry to see them go away. We wish them happiness and success in their new home.

LIGHT RAIN HERE THURSDAY MORNING

A light rain, which totaled .31 of an inch here in town, began falling about 1:30 Thursday morning. The rain is expected to help fill out the oat crop which is now maturing. Some combines will start in the county next week if weather permits.

Will Rahl reported Thursday morning the rain on his place just southeast of town was about a half an inch, and was all he will need to make his oats.

"The Friendly Store Where Your Money Buys More"

P.-T. A. MEETS

The last meeting of our Parents and Teachers organization was very instructive and most enjoyable. Those of you who did not take time from your many worries and cares of this rushing season missed a treat.

The session was opened with a prayer led by Mr. Faith, followed by a lovely piano duet by Misses Janet Soules and Scottie Vaughan.

In a business meeting the Treasurer reported a balance of \$168.26 but the Association voted to spend \$75.00 for library books, \$25 of which was mentioned in the Budget but never checked. The books are to be ordered now so that they will be here by September 1. A few other small bills were reported and the Treasurer, Mrs. James Nickols, asked, "If you have a bill or know of anyone who does, please turn it in to me so the books may be completed."

The new officers for 1949 and 1950 were installed with the Oak Leaf ceremony conducted by our out-going President, Mrs. W. C. Barnett.

Mrs. Delton Barnett, the new President, made a short talk, stating she felt that it was an honor to be the president of our local P.-T. A., and she said that she felt like every one would stay behind her in the same fine manner that Goldthwaite always does everything. She expressed her gratitude in advance for all the wise advice and help that she might receive and called an executive meeting for the following Wednesday at 3:00 p. m. to appoint her committees.

Mrs. Hope Schulze sang beautifully the loved song, "Trust," with Mrs. Sam Sullivan at the piano.

The film that followed the business meeting, "Pop Rings the Bell," was very instructive and interesting, portraying the value of education as a wise investment in dividends not counted in terms of money but in better citizenship of the near future.

Several meetings ago, Mrs. Malcolm Jernigan expressed her appreciation to all who had helped her as program chairman to have the splendid programs that we have had this year.

If any one's work or name has not been mentioned in these reports that should have been and it is my fault, I beg your pardon. I did not intend to overlook anything or anyone. We have been very fortunate to have had two wonderful presidents these last two seasons.

Mmes. Blake and Barnett. Thanks to both of you.—MRS. FRED REYNOLDS. P.-T. A. Reporter.

JOE SPINKS

Joe Spinks, 75 years of age, passed away at his home in Goldthwaite, Thursday morning at 12:15 after being in ill health for the past two years. He had been in a Brownwood hospital for three weeks, having undergone an operation two weeks ago.

Mr. Spinks came to Mills County at the age of seventeen and settled in the Center Point Community where he had resided for 58 years and reared his family. Last Monday they moved to Goldthwaite.

Funeral services were conducted at the First Methodist Church in Mullin at 5:30 Thursday afternoon; interment was in Oak View Cemetery.

He is survived by his wife and twelve children.

FT. WORTH BOOSTERS PAY CITY A VISIT

Thursday morning 60-odd Fort Worth business men under sponsorship of the Fort Worth Chamber of Commerce, arrived in Goldthwaite for a brief visit to business men here. The group was on a four-day tour of an area lying south and west of Fort Worth. They left here for additional visits to San Saba, Llano, Burnet, Lampasas, Kilbuck, Belton, Temple, Marlin, Waco, Hillsboro, Cleburn and back to Fort Worth today.

HAMILTON STATION HAS FARM PROGRAM

"The Farmer and the Market Place" is the title of a new public service feature to be broadcast over radio station KCLW (900) every Monday, Wednesday and Friday at 6:30 in the morning, beginning May 30. The series of five minute dramas will tell the story of grain, from the days of the pioneers to the present, and stress the part grain has played in development of America's great agricultural empire.

Dale Gwin the small son of Mr. and Mrs. John L. Gwin, who has been on crutches for the past five months was carried to the Hillcrest Hospital in Waco, Monday, where he was placed in a cast. Mr. and Mrs. Gwin brought their son home and he will be confined to bed for some time.

OLD MAN 100

(Continued from front page) that happen outside the office."

And when Willie asked Dad what's the difference between capital and labor, Dad answered: "Well, son, the money you lend represents capital and getting it back represents labor."

One morning O. H. and the 7th had overslept, when the 7th awoke with a start to the clanking of cans down the street. She remembered that the garbage had not been put out, and raced down the front door, struggling into a robe, with her hair in curlers, and looking sleepy-eyed. "Yoo, hoo," she called. "Am I too late for the garbage?" "No," shouted the collector. "Jump right in."

Also, the only persons on earth who claim to have more sense than women, are men.

This makes twict O. H. has printed this here, but it happened twice, too: Old Hunnert—"This steak is like a cold day in June—very rare." Boarding-house Landlady—"Yes, and your bill is like a day in March—very unsettled."

They say life is like a mirror—you don't get more out of it than you put into it.

And—this was the 1st—onct Old Hunnert's mother-in-law was kicked to death by a mule. As the hour of the funeral ap-

proached, a large men, assembled house. The editor seat paper said, "in-law must be popular. Old Ma "Not especially are here to bid would catch they often to strum at.

Onct a California "The City Council order." Just then began and every a hurry. But his recorded, "On a city hall, the mously adjourned."

An Indian parents' tepee adjoining village. Journ of several turned to her ad entered the tepee her hand and "Ugh," replied know how. Who? Also, wherever generation is seen to be enjoy-

RODEO BEGINS HERE TONIGHT AT 8 P.M.

PARADE THIS AFTERNOON AT 5 START G'WAITE'S 4TH RODEO

Everybody in Mills and surrounding counties who has a horse and saddle is invited to ride in the big parade scheduled to start through the business district this afternoon at five o'clock...

Hollis Blackwell and Leston Bain, Parade commitmen, have worked out a route schedule that will take the parade winding through the streets of Goldthwaite and on out to the Jernigan Arena...

Mills County Sheriff Wiley L. Mahan is to be Parade Marshal, and all riders in Mills and surrounding counties who will be asked to assemble at the Y just north of the Eagle Office at 4:30 this afternoon...

At the end of the parade, autos and floats will be assembled. The Old West will be on show at five this afternoon.

Goldthwaite's First Annual Rodeo was staged here on the first V-E Day anniversary, May 8, 1946, when the town's first prominent citizens went wild and spent the entire expenses of a Buffalo Barbecue and Rodeo to everybody...

Largest crowds ever are expected to witness the rodeo performances here tonight at 8, Saturday afternoon at 2:30, and again Saturday night at 8.

There will be no reserved seat tickets this year and advance sale of tickets. General admission tickets for adults and children will be on sale at the ticket box at Jernigan Arena grounds one hour before the performance.

There is plenty of free parking space, and plenty of seats for ticket holders.

General admission tickets are to be \$1.25, with 75 cents for children under 12, both tax included.

Goldthwaite is well decorated for the big event. Individual flag decorations are out in front of most of the stores, windows in the business district have rodeo signs painted on them, and the people are wearing rodeo and western attire.

With the parade this afternoon at five and the first performance at the arena at eight tonight, Goldthwaite's Fourth Annual Rodeo will get off to a big start.

Manuel Enos On Saddle Bronc Here At Rodeo

MANUEL ENOS is pictured on a tough saddle bronc at a Rodeo recently staged by Buck and Tommie Steiner, producers from Austin, who will have some of the toughest broncs and bulls ever seen at the Fourth Annual Goldthwaite Rodeo...

GRAND ENTRANCE AT 8 TONIGHT SHOWS AT 2:30 AND 8 P.M. SAT.

This is Rodeo week-end in Goldthwaite and Mills County!

First performance of the 1949 Goldthwaite Fourth Annual Rodeo will be staged at Jernigan Arena two miles east on Waco Highway tonight (Friday), beginning promptly at eight o'clock.

Buck and Tommy Steiner, famous Rodeo Producers from Austin, have their toughest stock on the ground ready to go in three fast performances starting tonight at eight, again Saturday afternoon at 2:30, and the last performance Saturday night at 8:00.

Steiner and Son promise that there will be full two hours of fast and furious entertainment at each performance, with no lags or delays that customarily are met with at rodeos. Steiner and Son are tops in rodeo producing. They will have some of the toughest rodeo stock in the business here to start tonight...

Goldthwaite's Fourth Annual Rodeo is to be a Rodeo Association of America-approved show, and points made here by the contestants are to be added to their standing for World Championship performers when the season ends at Madison Square Garden in New York.

One thousand dollars in cash prizes has been added to entrance fee in five main events, and \$60 in cash added to the ladies' barrel race event, plus entrance fees.

Plenty of seats will be available for the large crowds expected. There will be no reserved seats this year.

There are to be five main events at each performance, with credit going to the cowhands World Championship standing when added up at the end of Saturday night's show. They are Bareback Bronc Riding, Saddle Bronc Riding, Bull Riding, Steer Wrestling, and Calf Roping. Besides there will be Ladies' Events and Girls' Flag Races.

Steiner and Sons are bringing the best clowns and special events performers that are to be had to perform here in the Rodeo.

Absolutely tops in rodeo special events performers are Weaver and Juanita Gray, who will give exhibitions here at the three performances. One of their specialties is spinning an 80-foot rope around two running horses. Another specialty is Weaver Gray and his dog, "Skippy" jumping in a spinning loop together. Skippy is the only dog ever trained to jump in, out and through spinning loops with her trainer—even the Texas Skip. The team of Weaver and Juanita Gray has worked every rodeo of the first class throughout the West, and have exhibited at Cheyenne Frontier Days for 10 consecutive years.

As an added special attraction, during one of the performances there will be a bull riding contest for non-professional Mills County bull riders only. Entrance fee for contestants is \$1, with winner taking all. This contest is creating much interest here, and the Mayor, Sheriff, County Judge, County Clerk, some Commissioners and City Councilmen, as well as other prominent men are expected to ride the bull, or try hard. Howard Campbell is chairman of the committee for this event, and entrance fee should be paid to him. If enough contestants are on hand when the event is ready for staging, bulls with riders will come out of the shutes at one second intervals, and you may expect to see three or four riders scrambling up out of the dust with three or four happy bulls scampering off kicking up their heels at the same time.
