## Field Days Held Last Week; Tour Of Grass Seed Plantings Made Thursday

The Mullin Vocational Training School sponsored a conservation field day for the class on James Aldridge's farm near Democrat on Wednesday afternoon. Biggs Tractor Company from Comanche, Texas, demonstrated the use of farm equipment for doing conservation jobs. Ben R. Day, Work Unit Conservationist of Goldthwaite, laid out the jobs to be done and outlined the methods of construction.

James Aldridge is a member of the Mullin Training School and a cooperater with the Brown-Mills Soil Conservation District. On this farm Aldridge has constructed all the terraces needed and sown 6 acres to wheat and vetch. He has given a 300 acre pasture a complete rest this summer which allowed the desirable grasses to reseed this fall. Wednesday afternoon, by using the equipment on hand, the following jobs were completed: four cuts in the terrace channel were made; three terrace outlets were shaped; a natural drain was shaped for seeding; a gully was plowed in; a waterway was shaped; a terrace was laid off for construction; and various tools for doing stubble mulch farming were used on a field of sorghum stubble.

On Thursday afternoon, a class of the Goldthwaite Veterans Training School of Goldthwaite along with Dr. T. C. Graves and Luther Soules made a tour of grass seed plantings under the direction of Ben R. Day and Paul Koshi of the Soil Conservation Service of Goldthwaite. The tour included a visit to grass plantings on the following farms: Luther Soules, King Ranch bluestem, ready for harvest; J. T. Fallon, King Ranch bluestem, harvested with reaper and combine, and Side-oats grama up to a good stand; J. D. Walton, Bluestem mixture

## BOY SCOUT TROOP TO BE ORGANIZED AT PRIDDY MEETING

There will be a meeting of all the men in the community of Priddy next Wednesday evening (Nov. 16) who are interested in organizing a Boy Scout troop for the boys of Priddy from the age of eleven on up. The meeting will be held at 7:30 p. m. at the Priddy school. The purpose of this meeting will be to select a Scoutmaster and an Assistant Scoutmaster for the Troop and to make plans for organizing the Troop.

Field Executive Brantly Hudson showed a motion picture on Scouting to the boys of the Priddy School who were interested in joining a Troop last Monday. Twenty-three of the boys signed their names as wanting to join the Boy Scouts. Supt. Cash, of Priddy school, felt that this was enough boys to merit going ahead with the organization of the Troop.

All men who are interested in seeing Scouting get a start in Priddy are invited to attend the meeting. Those men who will have boys in the Troop are especially urged to be present. In order for the Troop to get a start, we will have to have the cooperation of the fathers of the boys.

on an abandoned field; M. C. Kirkpatrick, Bluestem mixture on well prepared seedbed. Other farms that were on the tour but not visited were: James Aldridge, Bluestem mixture; Edwin Drueckhammer, King Ranch bluestem in a waterway; J. H. Priddy, King Ranch bluestem in a deferred pasture and on diversion terraces.

## Mills County Voters Ballot Four To One Against All Ten Amendments

According to unofficial tabulations by County Clerk Earl Summy, 666 Mills County voters went to the polls Tuesday to vote on ten constitutional amendments—while around 2,000 others stayed at home. The ones who voted on all the amendments tallied four votes "against" for every one "for."

For State Board of Education post, the total was: Griffin 178; Morgan 77; and Rowntree 218.

All the amendments were voted down in Mills County by majorities ranging over three to one. The vote for raise in pay of Texas Legislators was snowed under here the heaviest of any of the ten, the total vote being 66 for and 571 against.

Total Mills County vote follows: 1—County Civil Service, 125 for, 513 against; 2—Legislative Sessions and Pay, for 66, against 571; 3—Hospital Districts, 152 for, 491 against; 4—Poll Tax Repeal, 131 for, 514 against; 5—Health Units, 131 for, 518 against; 6—County Pensions, 79 for, 568 against; 7—District Courts, 188 for, 453 against; 8—Rural Fire Prevention, 171 for, 465 against; 9—Lunacy Trials, 207 for, 434 against; 10—Women Jurors, 153 for, 491 against.

Late reports from over the state show at least eight of the ten amendments have been defeated by the voters. Dr. George D. Morgan, San Angelo geologist and oil producer, a former regent of the University of Texas, was leading over the 21st Congressional

## Opening Services For New Baptist Church Postponed To November 27th

The opening services for the new First Baptist Church have been postponed until Sunday, Nov. 27th, due to an unavoidable delay with the installation of the Fairman Memorial Pipe Organ. Rev. Joseph L. Emery, pastor, announced this week. The original day set for the first services in the new building had been next Sunday, November 13th.

The cornerstone for the new

building will be laid at 2:30 p. m. on the afternoon of the 17th. Many distinguished guests will be present at this time. There will also be a photographer to take pictures of the laying of the cornerstone, and the depositing of the various articles.

A more complete announcement concerning the program of the day will appear in a later issue of the Eagle.

### FORMER RESIDENTS KILLED IN WRECK

Daily newspapers Monday carried a news item concerning a head-on automobile collision that occurred near Justiceburg, Texas, last Sunday, in which four members of an Abilene family were killed and two injured in a head-on automobile collision near here Sunday. The driver of the other car was badly hurt.

Killed were J. Floyd Reynolds, 48, his wife, 43; a son, Roy Luther, 17, and a daughter, Mrs. Ted Cook, 19. Cook, 24, received slight injuries. The Cooks' daughter, Wanda, 12, was seriously injured.

Harry Dukes, 50, driver of the other car was flown to Oklahoma City in a serious condition. Mr. Reynolds was born in Goldthwaite and reared here. He moved to DeLeon in 1941 and continued to Winters in 1943. He farmed in Runnels and later worked for the Banner company in Winters. The family went to Abilene in 1948. Reynolds worked for the Dr. Pepper Bottling Co.

Mrs. Reynolds also was born in Bell County, going to Goldthwaite with her parents as a child. She was reared in Goldthwaite.

Survivors of the couple include two other daughters, Mrs. O. J. Hawkins of Abilene and Mrs. Max Fisher of Winters. Mrs. R. A. Stevens, mother of Mrs. Reynolds, lives in Goldthwaite.

The Reynolds family was en route to Lubbock to see his ill mother, Mrs. J. C. Reynolds, when the accident occurred.

Funeral services for the four were conducted Tuesday in Abilene.

### ATTENDS BANKERS' CLINIC IN HOUSTON

W. P. Duren, vice president of Trent State Bank of Goldthwaite was in Houston, November 4 and 5 as part of a group of Texas and Louisiana bankers attending the third annual Bankers' Clinic held by Houston's First National Bank. While at the clinic the bankers heard talks by important speakers, including Hines Baker, President, Humble Oil & Refining Co.; Lamar Fleming, President, Anderson, Clayton & Co.; Dr. Harold Vagtborg, President, Southwest Research Institute, San Antonio; Noel N. Robb, General Field Production Manager, Carnation Milk Co.; Ray Willoughby of San Angelo, First Vice President, Texas and Southwest Cattle Raisers' Association, and M. D. Jenkins, First National's first Vice President.

They were also guests of the Houston bank for a visit to the Houston Cotton Exchange, a boat trip down the Houston Ship Channel to the San Jacinto Battleground and Monument and a banquet at San Jacinto Inn, where they were welcomed by Mayor Oscar Holcombe. Saturday, they attended a luncheon at the Shamrock Hotel and the Homecoming Day Football Game between Rice Institute and Arkansas.

Mr. Duren was accompanied by Mrs. Duren.

### GOLDTHWAITE STORES CLOSED FOR ARMISTICE DAY

Goldthwaite stores and business and professional offices, including the bank and post office will be closed all day today — Friday, Nov. 11, for Armistice Day observance. For several years here, four holidays have been observed by Goldthwaite merchants: July 4, Nov. 11, Thanksgiving Day, and Christmas Day. The Post Office will be closed Armistice Day, except for one hour from 11 to 12 for window service. There will be no rural route service, but all incoming and outgoing mail will be handled as usual.

Fighting Goldthwaite Eagles take on the Llano Yellow Jackets at Llano this (Friday) afternoon. Game starting time is 2:30.

Today being a holiday, the game is to be played in the afternoon instead of at night. Largest crowd in District 22-A play this year is expected to be present if the weather is good.

Although Llano has won four and lost one game in district play and has scored more points than any other team, the game this p. m. is expected to be one of the hardest-fought of the year. The Goldthwaite Eagles, although light and inexperienced at the start of the season, have been showing great improvement in each game played. Coach Wilson Lucas has worked the players hard this week in preparation for the game.

Coach Dub Behrens of the Llano Yellowjackets had eight returning lettermen back this fall, against the Eagles' three. In District 22-A play, Llano is tied with Burnet for second place, while Goldthwaite and San Saba are tied for fourth place. Lampasas is still leading in District with five games won and one lost. San Saba played Lampasas there last Friday to an 0 to 0 tie, but won the game on penetrations.

Last Friday Llano had an open date. Goldthwaite Eagles beat Fredericksburg Hillbillies here 20 to 6. Llano to date has won four games and lost one, while the Eagles have won three and lost two.

Llano's eight returning men include a superb passer, 185-pound Leroy Fenstemaker; backs Nelson Raines, 155, Larry Tate 143, and Travis Lockhart 145, giving the Jackets an experienced backfield. Returning to the line are Ernest Upton 160, and Robert Smith 167; and ends Cotton Dunaway 170 and Eddie Ferris 140.

After the game with Llano, Goldthwaite Eagles go to San Saba on November 18 for the last date in District 22-A play.

### EAGLES BEAT HILLBILLIES

The powerful Goldthwaite Eagles knocked off Fredericksburg Hillbillies 20-6 at Eagle Field here last Friday night in a conference game.

Goldthwaite crossed the scoring marker first in the initial period with Robert Miller climaxing a 68 yard drive and scooting over from the 13 yard line. Miller also converted.

Billy Anderson smashed over the line and scored from the 32 in the second period. Goldthwaite's final touchdown came in the third period when Charles Thomas came out the last man on an end-around triple reverse that carried over from the 10.

Fredericksburg hit back after Goldthwaite's first tally with a sustained drive that carried from the 40 and ended with McBride ripping over from the eight. McBride and Brandenburg were most consistent gainers for Fredericksburg throughout the night.

Anderson and Miller picked up key gains for Goldthwaite. In the yards gained rushing department, Goldthwaite overwhelmed the visiting club, piling up 260 to 140. Goldthwaite got 12 first downs compared with Fredericksburg's seven.

Games This Week  
Lampasas at Mason  
Burnet at Fredericksburg  
Goldthwaite at Llano  
San Saba at Marble Falls.

**OUR UNFORTUNATE CITIZENS**

One thing that Texans do not brag about is the job that their state is doing in the care, treatment and rehabilitation of its unfortunate citizens of all ages.

Governor Jester recognized the need for reforms in the eleemosynary system of Texas, and before his death, recommended the necessary appropriation to the Legislature to correct existing conditions. The last legislative session failed to approve the appropriation.

The Young Democratic Club of Dallas County has pledged its entire membership and all of its resources to carry on the reforms advocated by the late governor, under the banner, "The Beauford Jester Memorial Campaign."

Most of the reforms that are needed in the eleemosynary system of Texas are in the field of mental illness. The most urgently needed services are:

1. A change in commitment laws of the mentally ill to state institutions. (A constitutional amendment on the November 8 ballot, HJR No. 32.)
2. State supported preventive treatment clinics to cure mild mental illness before it develops to a stage requiring hospitalization. Such preventive service would cost a fraction of what it now costs to hospitalize a patient. It would thus not only save the patient, but would also save the state thousands of dollars annually. This proposal is supported by documented proof from other states which installed this service.
3. Out-patient treatment clinics for those who now have to be hospitalized for treatment. Other states report that this service is beneficial to patients and a great saving to the state financially.
4. A centralized state psychiatric research center for a study of the best methods of treatment.
5. Post-detention rehabilitation and social welfare service to help the discharged patient to adjust himself to society and restore his wage-earning capacity, thereby preventing a possible return to an institution.
6. A higher pay scale for personnel in order to attract better trained people to staff the eleemosynary institutions.
7. A thorough survey and complete overhaul of existing laws governing eleemosynary institutions and institutional operation.

**Love So Amazing**

Lesson for November 13, 1949

LONG AGO riding in his slow chariot through the southern sands, a puzzled reader with Isaiah 53 in his hands asked the question other readers have asked ever since: Does the prophet speak of himself or of some other? The answer given by Philip (see Acts 8) has been the answer of the church ever since: This prophecy can be understood only in the light from Calvary's Cross. Philip did not say, and we need not insist, that the prophet had Jesus, and Jesus only, in mind when he wrote.

Dr. Foreman

What we do say is that while these words might have described some one the prophet knew, might have described the whole nation of Israel, might even have described himself, still the words make but a poor picture of any one else, compared with the picture they make of Jesus.

**The Scarlet Thread**

ISAIAH 53 has been in the center of the church's thinking about Christ from the beginning. It may be said to run like a scarlet thread through the New Testament. It was in the back of the minds of Paul and John and Peter alike. This great prophecy sheds a light on what otherwise had been a black opaque blot—the death of Christ.

What would otherwise be simply a horrible tragedy, perhaps the greatest tragedy of history, the perfect case of complete injustice, the final evidence that there is no God, in the light of Isaiah 53 becomes a center of glory.

Instead of being ashamed of the cross on which Jesus died, the church sings, "In the cross of Christ I glory." . . . "Love so amazing, so divine, demands my soul, my life, my all."

We believe that Christ suffered not for his own but for others' sake. Suffering, not forced but willingly undergone, suffering not as mere pain but that others might be saved, suffering on behalf of others and for love of them—this is the key to the riddle of existence, this is the key to the heart of God.

**Not Christ Alone**

IF CHRIST'S MEN had refused to follow where he led, if all Christians had been willing to let him carry, alone, the burden of the world's sin and grief, there never would have been any Christianity—for there would never have been any Christians. Peter and James and the rest of the apostles would have refused to die for Jesus' sake. The noble army of martyrs would have been an ignoble army of cowards.

No missionary ever would have left home and comforts and country; no mother would have laid down her life for her children; the unselfish service of those who have cared for the sick and the orphaned would never have been done; indeed, had no one ever been willing to suffer for the benefit of others, one wonders whether the world could have even held together this long.

Christ died that the world might live, yes; but others also had to die to make his death avail. He died for Africa, that Africans might live; but Africans died till men like Livingstone and Schweitzer and many a less famous man and woman also went out and lived there in loneliness and died in pain.

Christ died for the little children of the poor, but until the Salvation Army and others like them went down into the slums and suffered there with and for them, those poor little people died without so much as dreaming that God might love them.

Christ died for all the lepers in the world; but until a Father Damien, and others no less Christ-like, went among the outcast lepers and became outcasts themselves for the love of Christ, those lepers died in the dark.

**"Let Him Take His Own Cross Daily"**

YES, Isaiah 53 pictures the self-sacrifice of our Lord, above all. But any one who has any intention of being a true servant of God must be willing to find his own life-direction right here. The world does not need more pain; it does need those who will suffer pain to serve others in Christ's name.

**RETIRED WAGE EARNERS SHOULD APPLY FOR SS BENEFITS**

Federal Family Insurance benefits to 65 year old wage-earner and to the families of wage-earners who die are paid only when such benefits are applied for by the retired wage-earner or a qualified survivor of a deceased wage-earner, James B. Marley, Manager of the Austin Social Security Administration office, cautioned.

"In every case where payment can be made, a claim must be filed with the Social Security Administration. The law governing Social Security payments places a limit on the number of monthly back payments that can be made prior to the month in which the claim is filed and no more than three months in back payments can be paid.

When a wage-earner becomes age sixty-five, he should find out about his social security benefits. Certainly a wage-earner should get in touch with a social security field officer as quickly as possible after retirement. When a wage-earner dies, someone in the family should inquire about possible benefits to the survivors. In either case, if action is delayed more than three months after retirement or death, a month or more of benefit payments might be lost."

## MILLS COUNTY H. D. COUNCIL

The Mills County Home Demonstration Council met Nov. 2 at 2:30 o'clock with fifteen present and six clubs represented.

The Style Show, which is to be held Dec. 9, was discussed, and it was voted to have a dress rehearsal Dec. 2 at 2:30 o'clock. You do not have to model your dress at this time. Miss Hintz read the score card for judging the dresses. The place and time of the show have not yet been set, but will appear in The Eagle later. There are to be three divisions in the style show and prizes will be awarded for three places in each division. All dresses are to be made of all cotton material, and it is hoped that every club member will enter in at least one division.

Yearbook chairman read the programs for our Yearbook next year and they were accepted by Council.

Mullin and Goldthwaite were the only clubs that turned in their radio listening score, and Goldthwaite club won by a small percent. Get your score in to Council each month and you may get your name on the banner. Mrs. Hart explained how each club could keep a record of the reading certificates and stars of our Education-Expansion program.

Mrs. E. D. Roberson was elected as treasurer for 1950 instead of Mrs. Mary Weaver, who was unable to serve.

Committees were appointed for our Christmas party Dec. 7, which is our next Council meeting. It was decided that the minimum price of our gift will be 50c. Come and bring a gift and get the Christmas spirit early. All H. D. Club members of the county are invited.

Mrs. Hart gave a very interesting report of the State Meeting at Mineral Wells.

Mrs. Albert Tulley won the all-wool blanket which Council gave away at a drawing Nov. 5. We wish to thank each one who took a chance on the blanket. Better luck to you next time.

## PRE-SCHOOL P.-T. A. NOTICE:

The Pre-School P.-T. A. will not have their meeting on Tuesday but will meet with the regular P.-T. A. so they may hear Mrs. Walter Hester's review of a book on child sex education.

The meeting will be on Friday, November 18, at 4:00 p. m. at the Grammar School Auditorium.

## GIRL SCOUT

**TROOP NO. FIVE**

The meeting came to order; then we took up collection. We sang three songs and made paper turkeys for a Thanksgiving party for our mothers and fathers, and then Barbara Ann Isham became a Girl Scout. We had a business meeting. We also played some games and learned a new prayer. Barbara Isham served refreshments consisting of cake and punch.

We were very glad to have Mrs. Fletcher, Mrs. Frambrough, Mrs. Roach, and Mrs. Isham to visit our troop.

—By Shirlee Saylor.

## Caradan Community Club

The Community Club was to have met with Mrs. Drue Cline in the last meeting. But due to sickness, we met at Mrs. Wilcox's store and quitted on a quilt for Mrs. Cline. Quite a bit was done during the afternoon; but the quilt was not finished. Refreshments were served.

We adjourned to meet with Mrs. Mary Bell Denton next third Friday, November 18. Bring your thimbles.—Reporter.

## METHODIST HOUR SPEAKER SUNDAY

**DR. NOLAN B. HARMON**  
Dr. Nolan B. Harmon, of New York City, book editor of The Methodist Church and editor of "Religion In Life," will speak over the 99-station network on the Methodist Hour Sunday morning, November 13.

Author of such recent books as "The Famous Case of Myra Clark Gaines," "Ministerial Ethics and Etiquette," and Methodism's source book on liturgy, "The Rites and Rituals of The Methodist Church," Dr. Harmon will preach on the theme "Our Faith in Prayer."

Dr. Harmon is a native Mississippian, a graduate of Millsaps College, and Princeton University, a member of several General Conferences of The Methodist Church, and is now occupying one of the most important offices in the church.

The broadcasts of the Methodist Hour originate in the newly secured studios of the Protestant Radio Center, Inc., in Atlanta, Georgia. This is the only inter-denominational owned religious radio station in the nation.

The Methodist Hour may be heard over station WOAT or WFFA at 7:30 a. m. Sunday.

## SMITH JEWELRY HAS RING CONTEST

One of the largest rings ever made is now on display at Smith's Jewelry. The large stone set in the engagement ring is a perfectly cut exact replica of an actual diamond, and a diamond of equivalent weight would be one of the largest diamonds in the world. The giant ring will be on display until December 5.

The contest is open to all, with the prize going to the one who guesses the carat weight. The ring was designed by Axel Brothers, manufacturers of nationally famous Columbia diamonds.

Billy Miller, student in Daniel Baker College at Brownwood, spent the week end at home, with his parents, Mr. and Mrs. Tom Miller.

Misses Vera Mae Bell and Janet Soules, students in Baylor University, spent the week end in the homes of their parents, Mr. and Mrs. O. B. Bell and Mr. and Mrs. Luther Soules.

## THE SNOOP

This week-end has been a very exciting one for the old snooper. As he peeped around the corner in Brownwood Saturday night he saw many of the Seniors and their dates. They were Jane Ann S., Mack Robertson, Jane Long, Charles Ed W., Nell Carman Wilkins, Carlin Dale W., Susie Cody, Bob Townsend, Edna Lippe, Warrant Cody, Nelda R., Leland Kerby, and Nelda Hammond and R. G. Kelly.

Ann Sebolt certainly got around over the week-end. Saturday night it was Llano, and Sunday night it was San Saba.

Patsy Hale and Gary Head seemed to be having quite an argument in study hall the other day. Say, who wanted who's picture? They would both be very nice to look at.

June Marie, who were you expecting a letter from last week? You didn't seem very happy about not getting it.

The old snooper wonders why the skating rink holds so much attraction to Joann Partridge, Iris June Tomlinson, Annette Lindsay, and some other Senior girls. He's sure it couldn't just be the skaters!!

Celia Ann S. and John Alex, did you have to wait as long as the snooper did for a ticket to the show Thursday night? Hope you enjoyed it more than he did.

Billy Harper and Dorothy Duncan were among the many fans enjoying the football game Friday night. There's another steady to add to our list.

David H. lost out with Doris Covington Friday night since Jacky Burks took over.

Betty John Jackson, Jimmy Hays, Wanda Kelly and John

Carothers appear to be making pretty steady couples. Llano is getting on the ball again over here. Some of Marvin Cook's friends were here Friday and Saturday nights also.

The snooper never has decided who the boys from San Saba were that Annette L. and Carol Shaw were with Saturday night. Who did you say they were, girls?

Goldthwaite isn't lacking in interest for San Saba girls, either. How about that Dizzy Billy Mac S., and Larry Simmons?

Barbara V., does Betty John care for you talking to Jimmy all the time in S. H.? Miss Nelson doesn't act as if she likes it much.

The football game Friday night brought Gene Sale and Betty B. out again.

We're all wondering where Elizabeth Hapgood is keeping hid. We haven't seen you out lately.

Doyle D. and Red Miller were having a good time on their own Saturday night. Now didn't you kinda miss the girls, boys?

Every time the old snooper looks around town he sees Vernon Whitley and Tommy Earls, but never can spy any girls. What's the matter, boys? Are you bashful?

**G.-H.-S. GRAMMAR SCHOOL REPORT**  
 The eighth grade officers are as follows: President, John Gilliam; Vice-President, Joe Hammond; Secretary - Treasurer, Sarita Howard; and Reporter, Nan Hightower.

The elementary grades have organized a Junior Garden Club in each class. We are sure this will prove both useful and help-

ful. Most of the boys in the elementary grades are coming out for football, and most of the girls are in the pep squad. This is also Girl Scout Week and the Scouts in Grammar School are very busy doing many worthwhile activities.

Billy Don Rollins, a seventh grader, moved here from Snyder, and Joe Charles McKenzie and Virginia Eden have entered the second grade. Donald Carlisle, in the fifth grade has also entered school here.

Jerry Collier, Johnny Vaughan, and Anna Collier went to the Long Horn Cavern. Levali Billberry went to Evant and Virginia Shelton went to Austin on Sunday.

The seventh grade wishes to thank Mrs. Malcolm Jernigan for the flower arrangement she brought to our room on Thursday. The flowers brightened our room a great deal.

There was a clean-up campaign as a result of the homecoming event.

**G.-H.-S. THE GOFER CLUB**  
 The Gofers met Monday, November 7 at 2:30. The meeting was called to order by the president, Jane Ann Steen. The minutes of the last meeting were read by the secretary, Sybil Ann Reid.

We have a new member with us now. She is Ada Margaret Geeslin.

The treasurer, Nell Carman Wilkins gave a report of \$2.12 in the treasury.

The origin of the Gofers Club is very interesting. It all started one morning at school; a group of girls were talking and none of them had dates for that night so they decided to form a club. By doing this they can have something to do, because when there is enough money in the treasury they can have a party. There are 13 members in this club; the officers are as follows:

President—Jane Ann Steen  
 Vice President—Ann Sebolt

Secretary—Sybil Ann Reid  
 Reporter—Jane Long  
 Treasurer—Nell Carman Wilkins

Watchdog—June Marie Tyson  
 Parliamentarian—Annette Lindsay

A song and a motto were selected, but Shhh! "that's a secret!"

That's all for now, but I will see you after the next meeting to tell you all of the gossip.

**G.-H.-S. SENIOR SPOTLIGHT**

Jacky Ray Burks is the handsome seventeen year old son of Mr. and Mrs. C. O. Burks. He is five feet, eight inches tall, has brown hair, blue eyes, and weighs 145 pounds.

Because of his friendly personality, Jacky has made many friends in Goldthwaite. Jacky has been a member of the Future Farmers of America for four years and is the president of the chapter this year. Jacky came out for track two years, and was also a member of the Twentieth Century Quintillians and Commercial Club.

Jacky very much likes to help with livestock. He dislikes noisy girls. His weakness is also girls. He likes to spend his past time tending and feeding his livestock. Jacky's ambition is to be a successful veterinarian.

After graduating from Goldthwaite High School, Jacky plans to attend John Tarleton Agricultural College at Stephenville.

**G.-H.-S. GOLDTHWAITE EAGLES SELECT FOOTBALL SWEETHEART**

The football sweetheart, Sybil Ann Reid, was presented last Friday night, November 4, at the half during the game between the Fredericksburg Hillbillies and the Goldthwaite Eagles.

The attractive red-haired sweetheart was beautiful in a dark green dress with rhinestone accessories. She wore a giant bronze mum corsage fashioned with a small football player in the center.

After the band formation on the field in front of the grandstand, Sybil was escorted on the field by the three Eagle captains, "Red" Miller, Leroy Henkes, and David Hill, Luther Ray Rudd, vice president of the Eagle Booster Club, gave "Red" a colorful bouquet of red carnations to present to the football sweetheart. After the Goldthwaite High School Band played the school song, Sybil was escorted off the field by the three Eagle captains followed by the band.

**G.-H.-S. JUNIORS MAGAZINE CAMPAIGN ENDS**

The Juniors magazine campaign has ended with a nice profit for the class. They enjoyed this experience as salesmen. The class wishes to thank each one who subscribed to a magazine.

**G.-H.-S. JUNIORS EXPRESS THANKS**

The Juniors all seemed to have enjoyed the Hallowe'en Carnival. The class wishes to thank Mr. Clyde Estep for the tables and refrigerator, Mr. Al-len Campbell for the butane, Mrs. Howard Hoover for the hot plate, Mr. Wilkins for the tent, Mr. Areher, Mr. Lappe, and the devoted sponsor and class mothers for their help in the hamburger stand.

**G.-H.-S. ANNUAL PICTURES CREATE A CLAMOR**

On Wednesday morning the sound of approving voices and an occasional "Oh, No" could be heard all through the halls of G. H. S. What was the reason for all this uproar? Why, the annual pictures had arrived and were being passed around. Shouts of "Give me one. Oh, please give me one!" echoed all through the school.

On the whole, the pictures were very good. Maybe a few were too starry-eyed or tight-lipped, but most of them were just perfect.

We are always glad when our pictures arrive. Some of us are even talking about next year's pictures, and some have already made plans for the trading of pictures.

**G.-H.-S. STUDY HALL AS A DARK ROOM**

When the lights are turned out, the shades lowered, and the screen set up, we are ready to see a picture show. At this

time we are very appreciative of the new dark shades which have been put up in the study hall. They keep the sunlight out of the room and make it possible to show films in the study hall.

The new shades are steps toward a better visual education plan. They enable us to progress more rapidly toward this plan. Visual education helps us a great deal and we wish to take advantage of all the opportunities we now have.

**G.-H.-S. STUDENT COUNCIL REPORT**

The student council has been given six safety signs by the American Legion. The Buildings and Grounds Committee plan to put them up as soon as pos-

sible to help remind people to drive more carefully around school zones.

We have been discussing ways to improve our conduct in the school rooms and have decided to put a plan on trial for a week to see how it works.

Miss Lillian Summy of Waco was a guest in the home of her parents, Mr. and Mrs. W. B. Summy, over the week-end.

Mr. and Mrs. Walter Reed of Lometa spent Sunday with her mother, Mrs. F. D. Webb.

Mrs. Sam Frizzell and grandson, John Hurley Wilcox, left last Friday for Los Angeles, California, for an extended visit. John Hurley spent the first school term in Goldthwaite. He is joining the Coast Guard.

## It's The Water That Soaks In That Counts On The Range

(Texas Livestock Journal)  
By PAUL T. KOSHI,  
Soil Conservation Service,  
Goldthwaite, Texas

The grass-killing effect of summer droughts is due to the condition of our ranges rather than lack of rainfall. This is shown by field observations on ranges in different conditions.

On January 1, 1948, rainfall runoff plots were established on opposite sides of a fence separating two ranches near Star, Texas. Purpose was to obtain information on runoff and range yields from two ranges in different conditions. The field has already created much interest among farmers and ranchers, G. I. and vocational agriculture classes, 4-H groups, and others. More than 200 have visited the plots to observe and discuss range and pasture management.

The plots are on a typical upland site of the limestone country of central Texas. Slope of the plots is about 3 per cent.

The range condition of the pasture on one ranch was poor at the time the plots were established, less than 25 per cent of the vegetation being good grasses. Only traces of choice grasses could be found. However, the pasture had had one full year of deferment. Plant composition of the runoff plot was about as follows: puff-sheath dropseed, 65 per cent; hairy triodia, 15 per cent; red threeawn, 10 per cent; evax, 5 per cent; plantain, 2 per cent; and other forbs and grasses common to depleted ranges, 3 per cent. The surface was covered with blue-green algae.

The plot on the other ranch was in good range condition, 50 to 75 per cent of the vegetation being desirable grasses. Plant composition of the plot was about 85 per cent little bluestem, 3 per cent hairy grama, 7 per cent red threeawn, and 5 per cent miscellaneous grasses and forbs. The plot had a fair amount of litter. On each side of the boundary

square was fenced off to exclude an area about 15 feet wide livestock grazing. Within the fenced areas, the runoff plots, 20 square feet, were established.

A six inch tin border keeps out all outside water; only the rainfall within the plot is caught. The tin was squared off to 4 by 5 feet and the ends were soldered to form a leak-proof seam. To catch all the runoff water from the plot for measurement, a 3-inch hole was cut on the lower side and a pipe was soldered to it to carry the runoff to a barrel placed in a hole below the outlet. To keep all outside water out of the barrels, the holes were trenched and covered with tin roofing.

A standard rain gauge was placed in the enclosure to measure the rainfall. It is read after each storm. The runoff in the barrels is measured also and the losses from each plot are figured.

In 1948 there were 16 measurable rains. The first rainfall measured was on February 25. The storm, a "gully washer," caused the neighborhood creeks to rise to flood stage. The rain gauge recorded 4.65 inches. The plot in the good pasture showed that 8.62 per cent of the rainfall ran off; the poor pasture showed 62 per cent runoff. Hence from this one storm the pasture in good condition received 4.25 inches of effective rainfall while the poor pasture received only 1.77 inches.

A rain on April 25 was slow enough to allow both plots to absorb the total fall of 1.20 inches.

The total rain measured in 1948 was 22.15 inches. The measurement of runoff revealed that the good pasture soaked up 20.93 inches or 94.45 per cent of the rainfall; the poor pasture on the same kind of soil just across the fence soaked up only 15.77 inches or 71.19 per cent. Good range management paid a dividend of five inches more rain. This calculation does not include the difference in water loss from evaporation, wind movement, soil tempera-

tures, and other causes due to the lack of litter protection on the pasture in poor condition. Right after a freeze on March 8 the ground was frozen to a depth of four inches in the pasture in poor condition. The ground was not frozen at all in the pasture in good condition. The protection of the natural litter left by proper grazing practices was probably the reason.

On July 19 when air temperature was 92 degrees, the soil temperature of the good pasture was 84 degrees. The soil temperature of the poor pasture was 110 degrees. The temperatures were taken at a depth of one inch.

In ranch operations per acre livestock production for the market at the least possible cost is what counts in the final analysis. To get this production, ample feed or range forage is required. To show the productive capacity of the two range condition classes, five feet by five feet production plots were staked off within the enclosure. All vegetation was clipped at ground level and removed from the plots when they were installed January 1, 1948.

The first clipping was made July 19, 1948. The good pasture yielded 1,088 pounds of forage per acre while the poor pasture yielded 544 pounds. (The weights are on an air-dry basis). At clipping time, grasses on the good pasture were beginning to send up seed stalks whereas on the poor pasture, range plants had nearly completed the season's growth cycle.

Final clipping was made November 4 to get all the forage produced during the 1948 growing season. It was made at ground level. From the last clipping, the pasture in good condition yielded 840 pounds of forage per acre while the poor pasture yielded 109 pounds. The total amount of forage produced in the 1948 growing season as figured from the two clippings was 1,928 pounds per acre on the good pasture and 653 pounds on the poor pasture.

Since the first clipping was not made at a definite height, we cannot say that the last clipping gave the growth from July 19 to the end of the growing season. However, it does give a comparison of the productive ability of the two range condition classes during the hot summer. Furthermore, the poor pasture yielded forage of low palatability in comparison with that of the good pasture which produced choice native range forage.

## A DRUKEN COLORED PASTOR VISITS HERE

The following letter has been received by The Eagle from W. M. B. Carrington, Box 735, Brownwood, who says on his card he enclosed: "One way to make the world better is to improve yourself. Good people make good promises good. Love thy neighbor—Jesus. W. M. B. Carrington, promoter West Texas Missions and Inter-Racial Good Will. In the daily toils of life lend a hand—help spread the good-will spirit."

The letter follows:  
Editor Goldthwaite Eagle:  
I have been drunk 40 odd years on some evil reports about your town and the attitude of the people there toward my race (Colored) passing through your city. The predominant thought prevailing the minds of most colored people through out Texas for 40 odd years has been that it is a risk of our lives to even pass through in the most innocent way—and many of them have routed their trips westward by other ways rather than to be annoyed.

But I am indeed glad to state to you that upon a test visit which I made there on Sunday October 16, 1949 that I was completely sobered up on that wrong report. Out of fear to risk myself I wrote a letter to the very eminent young minister, the Rev. Joseph L. Emery, asking him if his people would feel imposed upon for me to slip into his church service during my lay over there for another point beyond and his very fine prompt reply bidding me with such a whole hearted welcome amazed me.

And upon my visit I met still a greater surprise to see how pleasantly I was greeted by a large host of Christian men and women. In fact, I met some of the finest people that I ever met before in my few 78 short years. I wrote an open letter to one of our colored papers about you fine people informing my people that there are some real white Christian people in Goldthwaite and those who are not members of a church are white white people and I want to visit again at some convenient time on any occasion.

Please mail me a copy of your paper with my article for my file.

Very humbly,  
W. M. B. CARRINGTON,  
Box 735,  
Brownwood, Texas.

Dr. and Mrs. M. D. Queen and daughter, Rebecca Jan, of Longview visited last week with Mr. and Mrs. Claude Ecott, who accompanied them to Brownwood to visit Sue Nora Leverett and Ann.

### ART EXHIBIT

The Art and Clive Club is now presenting their art exhibit through the courtesy of the Texas Fine Arts Association. The pictures for the exhibit arrived Wednesday and will be on view through the middle of next week. They may be seen at the Production Credit Office any time from 9:00 o'clock a. m. to 4:00 o'clock p. m.

This group of pictures was selected by a jury from the Spring Membership Exhibition held in Austin, and have all been painted by Texas artists. There are 25 paintings; 9 oils, 8 water-colors, and 8 graphic arts in the exhibit.

Everyone is invited to go by and look at these exquisite paintings.

### Holiday Fiesta

Gilmer, Texas—One of the most spectacular and colorful pageants that Gilmer has ever seen was headed by Mrs. Virginia Yarborough, formerly of Goldthwaite.

The "Holiday Fiesta" was witnessed by 1700 people. The coronation and pageant, with a cast of 125 persons, was the high light of the Yamboree. With the extravagant loveliness of costumes and decorations, it was more like a metropolitan social event than an agricultural festival.

The costume materials and gold curtain were chosen by Mrs. Yarborough.

The picture of Master Bill Blackwell, young son of Mr. and Mrs. Hollis Blackwell of Goldthwaite was chosen "picture of the month" by the photographers Association. This picture was made by the Fortunes Studio, who presented it to Mrs. Blackwell.

Mrs. Roy Wilkins and Wallace Johnson spent Tuesday in Austin.

### H. D. Club

The Goldthwaite H. D. Club met Tuesday afternoon at two o'clock in Mrs. Rex Collier's beautiful new home. There were 14 ladies present and three children. Mrs. Galloway's piece on holidays entertainment was fine. She also told us what to serve to eat which sounded good. Mrs. Hart gave a report of the FHDA meeting in Mineral Wells not very long ago. The program was nice. We missed our president, Mrs. Sanson who was absent. She was with her mother who is ill. Mrs. Hart resigned as Council delegate, and Mrs. Collier was elected in her place. We had three new members, Mrs. Ray Berry, Mrs. W. L. Berry and Mrs. David Watters. We always welcome new members.

We meet with Mrs. Glenn Lewis November twenty second at two o'clock. Everyone will meet at Mrs. Eula Nickols at one thirty. Remember the date and hour and place.

It was the day for making candy, so some brought candy and some forgot it. There were several boxes, and it was all nice candy. Mrs. Collier served a nice plate, also coffee and cocoa. Don't forget the next meeting, also the time. —Reporter.

Judge and Mrs. L. B. Porter, Mrs. Earl Harkay and little Pete Johanson visited Sunday with Mr. and Mrs. Albert Johanson of Mason.

L. B. Porter, Jr., and wife of Fort Worth visited over the week-end with home folks in Goldthwaite. They were in a new Piper Cub plane which they had recently purchased. L. B. took several for a flight over Goldthwaite, Saturday evening.

Little Pete Johanson went to Mason Wednesday, with his dad, for a few days' visit with his parents.

### EBONY NEWS—

(By Clementine Wilmet Briley) Peanut harvesting has been the order of the day this past week, and still continues in full blast. We are getting short of provisions, but no one has time to go to town.

Early in the week a crew consisting of Mr. and Mrs. Gene Egger, Mr. and Mrs. Cecil Egger, Dewey Smith, Dick Singleton, Charlie Griffin, Clayton Egger, Mr. Howse and son, and John Briley began plowing up at Charlie Griffin's. Thursday they decided to form two crews to thresh at Henry Griffin's and Gene Egger's. This caused a scarcity of hands. Taylor Duncan and Mrs. Effie Egger joined the Gene Egger crew, but there still were not enough hands. Clayton Egger went to Brownwood and brought out three ministerial students from Howard Payne. They really made good hands, but two had to get back to their school work for next day. A Mr. Dudley from Mullin and Mrs. Arlie Curtis Dougherty then joined the crew, also Doyle Reynolds.

From all reports Mrs. Dougherty has really enjoyed her work and has been able to do most anything that the men can. I have wondered how Mrs. Gene Egger and Mrs. Cecil Egger could do their housework and stay on the job like they do. Mrs. Cecil Egger said when they get home at night, Ynell has all the work done up. Mrs. Gene Egger lamented that she did not have a daughter. John Briley, in spite of his 73 years has been on the job every day, and is spoken for the rest of the week.

They report that Gene Egger has a very heavy yield of peanuts on his place this year. Gene says it pays to fertilize.

The Henry Griffin crew had to take out for a few days, because they found the peanuts too green. Threshing began at the Cecil Egger place early this week. Clayton Egger will be next in line.

Mr. and Mrs. Edward Egger and Jerry met Mr. and Mrs. Raleigh Egger and Mr. and Mrs. Alvin Hanna at Brady Monday where they proceeded with the funeral procession of their cousin, Arch Estes, who died Sunday at Temple after a very short illness. Burial was at Eden.

Mr. and Mrs. Glen Egger, who have been helping Mrs. Effie Egger and Clayton run their ranch for the past year, moved Saturday. We hear they moved to Mullin. We regret to see them go and take their three nice children out of the community.

Ernest Malone returned from McClosky Hospital Wednesday. Mr. and Mrs. Bluford Anderson of Brownwood spent the week-end with the Malones. They spent most of their time fishing.

Mrs. Edna Dwyer honored her sister, Mrs. J. R. Briley with a birthday dinner Sunday. The Brileys and Mr. and Mrs. Stanley Reeves were guests. Mrs. Dwyer said she had planned a fluffy white pineapple cake decorated with chrysanthemums and candies, but on

### Scallorn H. D. Club

The Scallorn H. D. Club met at the home of Mrs. W. G. Bishop on October the 26th. Ten members were present, a special guest, Mrs. L. B. Hart, and our home demonstration agent, Miss Ella Hintz. We were glad to have Mrs. O. B. Fomby, who has moved to Crosscut, drive down for the meeting. Mrs. Fomby has lived in this community so long that we miss not having her around more often and we are happy that she plans to continue her membership in the club.

We had a very interesting letter from Mrs. Johnnie Crawford in reply to the round robin letter written her by club members at the last meeting. We miss Mrs. Crawford and the wonderful work that she was always willing to do in the club, but we are glad that she is happy teaching school in Tahoka. We wish her the best of luck.

Miss Greta Sue Hines was in charge of the recreation period and we had a good time in a quick thinking geographical game. Some of us couldn't think as quickly as we used to but never-the-less, we enjoyed the game.

The minutes were read and approved; roll was called, each member answering with their favorite scripture and we all joined in and sang "The Old Rugged Cross". We had quite a bit of business to transact but we managed to dispense with it in record time.

The meeting was then turned over to Mrs. L. B. Hart who gave an excellent report on the State Convention at Mineral Wells. She presented her report so well that we all felt that we had been at the Convention with her. We are indeed grateful to Mrs. Hart for bringing us this fine report.

Mrs. P. R. Jordan gave a study on Greece which was very interesting and educational. We were unaware of some of the conditions that exist in that country until Mrs. Jordan brought them to our attention.

Miss Hintz took charge of the program and continued her lesson on dressmaking—this time taking up seams and plackets. Thanks a lot, Miss Hintz, we learned several good points and shortcuts. We are never too old to learn.

The hostess assisted by Mrs. O. B. Fomby and Miss Greta Sue Hines, served refreshments to the group.

Our next meeting will be an all day affair with Mrs. H. B. Curtis on November 23rd. Meeting time will be at ten o'clock. Each member will take a covered dish and the club will have their annual Thanksgiving dinner at that time. Every one make a special effort to be there and if possible bring a friend. We miss you when you aren't there.

account of the peanuts, no one could go to town. She lacked materials; so she had to substitute with syrup pies topped with whipped cream. Which were very delicious.

## Odds Are 8 To 2 That You Catch A Cold This Winter, Texas Poll Shows

By JOE BELDEN  
Director, The Texas Poll  
Austin—The odds that you will catch a cold this winter are eight to two. Some Texans will have two, three, four or more colds before spring rolls around again.

This is indicated by the normal experience of a statewide cross section of adults recently interviewed by The Texas Poll. Seventy-eight per cent report they usually have at least one cold in winter. Twenty-six per cent have three or more. A lucky 22 per cent usually go cold winter without catching cold. The survey also discloses that even in summertime more than four out of every ten adults suffer with one or more colds.

Each adult in the survey was asked: "In the summertime, do you ever have any colds?" (If so) "Usually about how many colds during an average summer?" Then: "Do you have any colds during the winter?" (If so) "Usually about how many?" Here is the box score for winter and summer:

	Winter	Summer
Have no colds	22%	57%
Have one or two	52	37
Have 3 or 4	18	4
Have 5 or more	8	2

Less than one per cent were unable to answer the question.

About the same proportions of men and women catch colds in winter, but fewer women are affected in summer. In both seasons, the upper income levels are only slightly better off than people of lower incomes. Older persons seem to fare better than any other group in winter, but about the same as others in summer.

Dr. George W. Cox, state health officer, says there is very little doubt that people with colds can help themselves by going to bed, drinking a lot of water and fruit juices, eating lightly and keeping warm.

"On the other hand," he adds, "there is even less doubt that a person who goes to work with a cold-inspired fever of 102 degrees is heading for trouble. There are people who boast of having done this. Their boasts are more indicative of a weak mind than a strong constitution."

Dr. Cox points out there are several types of colds. "One comes from sudden chilling, going without a hat, or sitting on the cold ground. It causes congestion of the nasal passage, larynx and lungs. A good hot bath will usually clear up this type," he says.

"Another is caused by sinus trouble. People so afflicted have their nasal passage obstructed on the slightest provocation. In many of these cases, surgical attention is indicated.

"Still another type is caused by bacteria that inhabit the respiratory passages. This type isn't very infectious. Its severity depends entirely on the type bacteria and the extent of their attack."

"The true common cold," Dr. Cox explains, "is caused by a tiny virus or germ. This type is very infectious and may afflict the whole family in a short time. It causes temperature, a headache, and general feeling of indisposition. The treatment is bed rest, good elimination, warmth and a light diet."

How to avoid taking a cold? "Proper nutrition, plenty of sleep, rest and good hygiene are the best way to avoid a long siege of colds," says Dr. Cox.

"Medical advice when trouble develops is sensible," he adds. "Home remedies cause more troubles and complications than they are worth."

Mrs. Winston Lewis underwent a major operation last week at the Medical Arts Hospital in Brownwood. She was brought home Monday and is doing nicely.

Nan Laughlin of Lomax spent the week end with grandparents, Mr. and Mrs. Bruce Burnett.

Mrs. Omar Warren of Rankin visited last Wednesday with and Mrs. Bruce Burnett and Mrs. Cicero Warren. Mrs. Will Marshall at 3 o'clock. Mr. and Mrs. Walter Weiss of St. Louis are visiting with parents, Mr. and Mrs. G. W. They are moving to Texas, haven't decided as yet where they will locate.

## Armistice Day

Today, at exactly eleven o'clock everyone will pause from daily activities, to pay homage to those who gave their lives in two great wars, that the rest of us might LIVE to enjoy the privileges of peace and democracy.

A moment's pause once a year, is not much. But if in that moment, we all resolve to strive unceasingly for adherence to the democratic principles for which our soldiers died . . . and if we practice those principles without relaxation . . . then perhaps, we shall have given purpose to their supreme sacrifice.

 By MRS. DUTCH SMITH  
 Last Friday morning Owen  
 Smith of Arlington, Sonny  
 Madison of Lampasas, Bud Con-  
 rad of Long Cove, Connie Mil-  
 lard of San Angelo, and  
 Dutch Smith, Loy Lee and  
 Woodrow Long of Goldthwaite  
 left for the Big Bend country  
 for a deer hunt. We hope they  
 all get a deer and that Loy  
 won't forget to shoot this time.  
 Loy King made a business  
 trip to Sealy last Wednesday.  
 Gordon McWhorter, Dean Dick-  
 erson and Jess Ball went with  
 him.  
 Mr. and Mrs. Fate Eckert  
 visited their daughter, Mr. and  
 Mrs. France DeSpain, and  
 children of Round Rock last  
 Thursday. Mrs. Eckert's mother,  
 Mrs. Etta Blackman, returned  
 home after a two week's visit.  
 Mrs. Lloyd King and Rocky  
 went to Talpa to be with her  
 mother, Mrs. M. B. Stone. Mrs.  
 Stone underwent a major oper-  
 ation Thursday. We hope she  
 is on her way to a speedy re-  
 covery.  
 Ralph Ball and Cecil Matte  
 of Ft. Worth came down Thurs-  
 day and visited Jess Ball and  
 family in the Dutch Smith  
 home. They returned to Ft.  
 Worth Saturday.  
 Mrs. Dutch Smith went with  
 Mr. and Mrs. Leon Johnson to  
 the football game at Leander  
 Friday night. Lometa beat  
 Leander 25-12. This was the last  
 game of the Conference and  
 Lometa came through undefeat-  
 ed. Now they will play Granger  
 for the bi-district title.  
 Mr. and Mrs. Dee Conner and  
 children of Waco spent Friday  
 night in the Dutch Smith home.  
 They also attended the Lometa-  
 Leander game.  
 P. R. Jordan was called to  
 Wichita Falls Tuesday after-  
 noon to be with his father who  
 was very ill.  
 Mrs. Lloyd King and Rocky  
 spent last Wednesday night in  
 the P. R. Jordan home.  
 Mrs. Fate Eckert and Mrs.  
 Dutch Smith went with a  
 group of youngsters to Long-  
 horn Cavern Sunday afternoon.  
 Wilda Covington spent Sun-  
 day afternoon and Sunday  
 night with Althea Mae Eckert.  
 Mr. and Mrs. Jess Ball and  
 Jimmy visited in the T. A. Cas-  
 beer home awhile Saturday  
 night.  
 Mr. and Mrs. T. A. Casbeer  
 and Mrs. T. J. Huffstutler spent  
 Sunday with Mr. and Mrs. Cole-  
 man Burnham of Shaw Bend.  
 Owen Smith of Arlington  
 spent Wednesday and Thursday  
 with the Dutch Smiths.  
 Jess Ball returned to McClosky  
 Hospital Monday.

**PERSONAL  
 PARAGRAPHS**  
 Mrs. E. L. Hardin of Liberty  
 spent several days the last of  
 last week with her daughter,  
 Mrs. W. R. Langston and Mr.  
 Langston.  
 Mrs. T. F. Sansom was called  
 to Bangs Sunday afternoon on  
 account of the serious illness of  
 her mother, Mrs. Brooks.  
 Miss Bessie Crews spent sev-  
 eral days this week in Dallas  
 and Fort Worth buying mer-  
 chandise for the Tots-to-Teens  
 Shop.  
 Mr. and Mrs. Ira Hutchings  
 and Mr. and Mrs. James N. Hut-  
 chings visited in the G. W. Hill  
 home Monday night.  
 Miss Billie Sue McCoy spent  
 a few days in Belton with friends.  
 Mrs. J. M. Harris of Elgin  
 came one day last week to visit  
 her sister, Mrs. D. A. Hamilton.  
 Bennie Bob Long of Tarleton  
 was home with his parents, Mr.  
 and Mrs. Loy Long, over the  
 week end.  
 Mrs. Elvis Morris spent last  
 week with her mother, Mrs. M.  
 E. Archer, and other relatives.  
 Mr. Morris came Monday even-  
 ing, and Mrs. Morris accompa-  
 nied him back to Seguin Tues-  
 day morning.  
 Mr. and Mrs. Robert Lee of  
 Hamilton made a short visit  
 Monday night with his niece,  
 Mrs. Walter Summy, and Mr.  
 Summy.  
 Relatives visiting in the home  
 of Mr. and Mrs. John Gwinn the  
 past week were Mr. and Mrs.  
 James A. Autry of Baltimore,  
 Maryland, Miss Mary Autry of  
 Eastland, Miss Kitty Autry of  
 Houston, and Mr. and Mrs. Will-  
 ie Bain of Lometa.

**GIRL SCOUTS**  
 On Sunday morning, Octob-  
 er 30, all the girls went to  
 church which they regularly  
 attend in uniform.  
 Sunday night the girls attend-  
 ed the Church of Christ in  
 uniform to hear a sermon by  
 Bro. P. L. Hancock. The sermon  
 was directed to the girls and  
 was on the subject honor, loy-  
 alty, trust, and obedience, which  
 appear in the Girl Scout laws.  
 It was greatly enjoyed by all.  
 Wednesday, November 2, a  
 regular troop meeting was held  
 by the girls, but since it was  
 health and safety day, a first  
 aid kit presented by Mrs. Graves  
 and bought by the troop was  
 discussed after our business  
 meeting was held.  
 Dr. and Mrs. M. A. Childress  
 arrived and Dr. Childress assist-  
 ed the girls in first aid lessons.  
 Open wounds, burns, blisters  
 and snake bites were discussed  
 and the treatments concerning  
 them. The meeting was then  
 adjourned with Taps. We appre-  
 ciate Dr. and Mrs. Childress  
 coming and feel the lessons  
 shall be very helpful on our  
 next hike.  
 Saturday, November 5, our  
 troop met at the Little House  
 at eight o'clock to cook their  
 own breakfast on buddy burn-  
 ers previously made. Being play  
 day, all the other troops arrived,  
 each troop teaching a folk  
 dance, song or game.  
 After a morning of playing  
 they settled down to a knap-  
 sack lunch brought by each  
 scout and cold drinks bought by  
 individual troops. The meeting  
 adjourned by handing out Girl  
 Scout cookies.  
 The cookies are to be sold to  
 help the Girl Scouts financial-  
 ly. You are urged to buy them.

### SPARE THE GAS AND SPARE THE CHILD

Austin—Texans were urged to "spare the gas and save the child!" in a statewide campaign launched by the Texas Safety Association against traffic accidents to school-age children.

"No matter how much safety education a child has had drilled into him," said George Clarke, Managing Director, "the fact remains that it's largely up to the motorist whether the child lives or dies."

The Association pointed out that home training and school safety lessons are extremely valuable in impressing youngsters with the dangers of playing in the streets and crossing between intersections. But on the other hand, the Association warns, a child in the heat of play forgets quickly and easily the lessons that he has learned, so the bulk of the responsibility falls upon the driver.

Clarke told motorists they can save child life by following these rules:

1. Regard every child on the street as a flashing 'caution' sign.
2. In school zones, residential districts and near playgrounds, be especially watchful for children and expect the unexpected at all times.
3. Give bicycles a wide berth. Inexperience, a poor sense of balance, holes in the road, or just sheer childish absent-mindedness can place the rider directly in your path without warning.
4. In residential districts, particularly, be on the alert at driveways and intersections for tricycle riders, skaters, scooter rider.

The Texas Safety Association is sponsoring the school safety campaign as part of a continuing traffic safety program in cooperation with the Texas Congress of Parent-Teachers and other groups.

(Written For Last Week.)

Mr. and Mrs. Barton Keller of Brownwood and Mr. and Mrs. Johnson of San Saba visited the Leon Johnson family Saturday evening and attended the Halloween Carnival at Lometa Saturday night.

Jane Black of Howard Payne College spent the week-end at home.

The Home Demonstration Club met with Mrs. Bill Bishop Wednesday.

The unexpected freeze and light frost sent the farm women hurrying out early this Monday morning to gather their green tomatoes. Guess they will all be busy making chow-chow and relish.

Mrs. O. B. Fomby brought Billy Black home Wednesday and attended the club meeting. There were 51 present for Sunday School, Sunday. A secret vote was held and Bro. Lisles was elected by a large vote to pastor our church. If he accepts, our regular church days, second and fourth Sunday of each month will be resumed.

Our turkey raisers are all very busy this week, blood testing, grading and moving their hens into laying pens. Leon Johnson, our largest producer, expects to keep six or seven hundred hens. Wayne Henry, Luther Brown and Mrs. Noble Doggett also will keep hens to sell eggs.

Noble Doggett, who is employed by Lone Star Gas Co. and located at Fredericksburg was home over the week-end.

Now is the time to drench your sheep for stomach worms so they can go into the winter free of internal parasites. They winter better and cost less to feed. The increase in wool growth more than pays for the drench. Mrs. C. H. and boys

drenched Saturday.

Mrs. Ruth Griffith and children of Brownwood visited her mother, Mrs. Clark Bristow and family over the week-end.

Mr. and Mrs. Gene Turbiville and daughters were home Sunday.

Mrs. Flo Wilkey and Dad Stuckey attended the football game at Lometa Friday night. The score was 39 to 0 in favor of Lometa.

Mr. and Mrs. Bill Bishop attended the surprise birthday party of M. C. Partridges Saturday night.

Mrs. Burk took Mr. Burk to the Lampasas Hospital Sunday morning, suffering from a kidney infection. He will be there a few days for treatment.

Mr. and Mrs. Dean Burk and Jerry had supper with their mother, Mrs. S. Burk, Sunday night.

Mr. and Mrs. Barney Laughlin visited Mr. and Mrs. R. A. Cox Wednesday night.

Mr. and Mrs. Lonnie Hill of Long Cove visited Mr. and Mrs. Webb Laughlin Sunday evening.

Mrs. Bruce Higer spent the week-end with her parents, the R. A. Cox's.

Mesdames Cox and Laughlin visited Monday morning in the Evans' home. In the afternoon they called at the C. H. Black home.

Tommie Locke is visiting his grandmother, Mrs. Silas Burk this week.

Ira Morgan of Temple is visiting the Black's and Blakes this week.

### EAGLE OFFICE GETS NEW JOB PRINTING EQUIPMENT PUT IN

With the arrival last week of a new perforator and many new and latest faces of job type, The Eagle Office is now fully equipped to turn out fine-class job work of any description.

Included in the new faces are four sizes of the latest style Wedding Announcement type, and The Eagle hopes to keep this business at home from now on. The Eagle is also agent for the best engraving companies in Texas, and will send in your order for engraving or offset printing of any kind. We'll make a profit—and we'll spend the profit at home.

Besides the owners, The Eagle has an efficient trained force of five persons, who all live here and spend their money in Mills County.

The following item appeared in the September issue of The Texas Press Messenger, official publication of the Texas Press Association, an association of all Texas daily and weekly newspapers, concerning The Goldthwaite Eagle:

**EAGLE ENTERS 56TH YEAR**  
Fifty-Five years of continuous publication were completed by the Goldthwaite Eagle with the August 19 issue, according to C. T. Wilson, publisher.

During its entire history, the Eagle has been owned by only two families. R. M. Thompson founded the newspaper in August of 1894 and was its publisher until April 1, 1920, when he sold the property to the Wilsons.

Later the newspaper was resold to the Thompsons who published it until April 1, 1943, when Mrs. Thompson sold the business to Mr. and Mrs. C. T. Wilson who are now owners and publishers.

Although in a town of only 2,000 population, the newspaper maintains two Linotype machines and prints from 12 to 16 pages weekly.

### QUESTIONS AND ANSWERS FOR VETERANS

**Q**—I have an unused certificate of eligibility which I obtained from VA about a year ago. May I use it to enter a school under the GI Bill this coming January, even though I understand VA is issuing new types of certificates?

**A**—Yes. But before you use your certificate, check with your VA regional office to make certain the school and course are those you are permitted to enroll in under the law.

**Q**—How much can I borrow on my converted National Service Life Insurance policy which has been in force under the permanent plan for a little over a year?

**A**—You may borrow up to 94 percent of the cash value of your insurance and still keep it in force. Loan application forms may be secured from your VA office.

**Q**—I am taking vocational training under Public Law 16 for disabled veterans and find it difficult to progress as rapidly as others taking the same course. What happens if I fall my course?

**A**—Generally, VA will take special steps to enter you in another course in which there is every likelihood you will complete successfully. The situation depends on the facts and the circumstances of your case.

### NOTICE TO BIDDERS

Notice is hereby given that the Commissioners Court of Mills County, Texas, will, on the 14th day of November, 1949, at 10:00 o'clock a. m. in its usual meeting place in the court house at Goldthwaite, Texas, proceed to receive and consider competitive bids for the purchase of the following described road machinery:

One used tractor of not less than 60 horsepower and one 3 yd. 2-wheel scraper, taking in trade one TD-40 International tractor and one Bycyrus-Erie Scraper and will at such time let a contract therefor if any bid be accepted; all such bids to be made as required by law; and if any bid be accepted it is the intention of the Court to issue time warrants on said County in payment of all or part of such proposed contract, in the maximum amount of \$13,750.00 to bear interest per annum, the last maturity date of such warrants to be not later than the year of

L. E. PORTER,  
County Judge; by Order of  
The Commissioners Court.

The fifth and sixth grades  
 have been studying soap carv-  
 ing for the last week. Some are  
 doing very well and some are  
 having trouble learning how.

Katherine Wall and Oda Ruth  
 Witsche spent the night with  
 Gladys and Dorothy Rudolph  
 last week.

The seventh and eighth grades  
 have taken their three weeks  
 test. They made pretty good  
 grades.

They have chosen the Jr. girls'  
 basketball team, they are as fol-  
 lows:

Forwards: Merline Woodard;  
 Center, Wandalene Head, Gloria  
 Sheldon.

Guards: Veleria Munday, Ann  
 Wright, Jo Ann Collier.

Substitutes: Nell Reeves, Co-  
 core Whitehead, Bertha Farr.

They have a pretty fair team.  
 The Freshmen are glad to re-  
 port that Ethylene McCasland

was elected F. F. A. Sweetheart  
 at the F. F. A. meeting Thurs-  
 day night. Bill Beard, John H.

Owens, Sam Embrey, and La-  
 dy Clay were present at the  
 meeting.

The freshmen regret the loss  
 of Ira Lee Kemp from the class.  
 He had been with them since  
 they were in the first grade.

The class took state tests in  
 English the earlier part of this  
 week. They have also been  
 studying from the November  
 "Readers Digest" this week.

The Sophomore class took  
 tests in English last week.  
 They haven't averaged the  
 tests yet but they hope they  
 are good grades.

They have been enjoying these  
 few basketball games.

The Sophomores are happy to  
 report that Mary Lou Whitehead

was elected Most Popular Girl.  
 The Juniors are progressing  
 in their school work. In

English, they are going into  
 the next unit and are liking it fine.  
 They have just finished blog-

ging. In typing, they have  
 been taking speed tests. They  
 are doing nicely. In

sleeping, they are still  
 working in their work books.  
 They take two tests a week

and are glad to report  
 that Vernell Doss has returned  
 to school after a long period of

absence. The High School met Tues-  
 day, November 1, and elected  
 the most beautiful girl, the

most handsome boy and the  
 most popular boy and girl. Billy  
 was elected most handsome

and Doyle Head was elected  
 most popular.

The girls 4-H club met Thurs-  
 day, November 3, 1949. The club  
 has a new secretary. She is

Doyle Woodard. We also chose  
 a new president for the Gold Star  
 Club.

Members are as follows: Janetha  
 Woodard, Merline Woodard, Ann  
 Wright, Jo Ann Collier.

Also voted on who was  
 the best demonstrators. They  
 chose:

Best—Janetha Welch  
 Second—Kay McCasland  
 Third—Jo Ann Collier

Erntz gave an interesting  
 talk on our dresser scarfs.

The girls basketball team lost  
 their fourth game last Friday

to Zephyr by 38-18.  
 The girls Zephyr at Star, Tues-  
 day, Nov. 8, and Mullin

Thursday night, Nov. 10.  
 They are going to enter the  
 tournament in Decem-

ber. The boys' basketball team  
 played Friday night.

They had a very hard  
 game with Gustine, in which  
 they were defeated by a few

points. As the Gustine Tigers  
 are regional and went to  
 the state last year, we were ex-

pecting to be overwhelmed  
 by them.

We plan to play Zephyr  
 Friday night, Nov. 8, and Mul-

They will be at Star. We  
 hope to do better at these  
 games. The main string boys

# Texas Poll Lists Opinions Of Voters On Stevenson, O'Daniel

By JOE BELDEN  
 Director, The Texas Poll  
 Austin, Texas, Sept. 17.—  
 Should Coke Stevenson and W.  
 Lee O'Daniel try a political  
 comeback in 1950?

Stevenson says he is willing  
 to run for governor if there is  
 enough public demand. O'Daniel  
 isn't quite so definite, but re-  
 cently he inspired reporters to  
 speculate that he must be  
 thinking about a political cam-  
 paign. Why else, some are ask-  
 ing, would he be out mixing  
 with the folks and letting it be  
 known he needs some hillbilly  
 musicians?

How great is the public de-  
 mand today for these men?  
 O'Daniel—the folksy radio  
 artist and flour salesman who  
 rose to fame with the help of  
 a hillbilly band. Twice elected  
 governor of Texas, twice to the  
 U. S. Senate. Retired unbeaten  
 in any election.

Stevenson—governor of Texas  
 longer than anyone else in his-  
 tory. A self-educated lawyer  
 and ranchman who stepped  
 into the chief executive's of-  
 fice after many years of service  
 as state representative, speaker  
 of the House, lieutenant-govern-  
 or. A careful, conservative poli-  
 tician who earned the name of  
 "calculatin' Coke." Aspired to be  
 U. S. Senator, but lost by an 87-  
 vote margin out of more than a  
 million ballots cast.

To measure public demand  
 for these men, Texas Poll re-  
 porters have just interviewed a  
 cross section of adults in all  
 parts of the state. Here are the  
 results:

Today, less than two out of  
 every ten voters would welcome  
 O'Daniel back in politics.

Stevenson seems to be more  
 acceptable. Three out of every  
 ten voters would like to see him  
 run for some office.

The questions asked in this  
 survey, and the answers given  
 by qualified voters and all  
 adults, are as follows:

"Do you think W. Lee O'Dan-  
 iel should run for any public  
 office next year?" (If so) "What  
 should he run for?"

It will be noted that the  
 names of both men are most  
 often associated with the gov-  
 ernor's race. But some voters  
 nominate them for U. S. Sena-  
 tor in 1950, even though as a  
 matter of fact there is no  
 scheduled race for that office  
 next year. Others suggest mis-  
 cellaneous minor offices, such  
 as state representative, state  
 senator, lieutenant-governor,  
 and U. S. representative.

 Coconut Pumpkin Chiffon Pie

Broadcast: November 12, 1949  
 1 1/2 cups Baker's Coconut  
 1 1/2 tablespoons unflavored gelatin  
 6 tablespoons cold water  
 3/4 cup brown sugar, lightly packed  
 1 teaspoon cinnamon  
 1/2 teaspoon nutmeg  
 1/2 teaspoon ginger  
 1/4 teaspoon cloves  
 1/2 teaspoon salt  
 2 eggs, separated  
 2 cups Fat Milk  
 1 cup cooked or canned pumpkin  
 3 tablespoons dark molasses  
 Spread coconut thinly on baking sheet. Place in moderately slow oven (350° F.) and toast about 10 min., or until light brown. Stir now and then to toast evenly. Soften gelatin in cold water. Mix brown sugar, cinnamon, nutmeg, ginger, cloves and salt. Stir in mixture of slightly beaten egg yolks, milk, pumpkin and molasses. Place over boiling water; cook and stir 5 min., or until slightly thickened. Stir in soft-ened gelatin until dissolved. Remove from heat; cover; chill until slightly thicker than unbeaten egg whites. Fold in stiffly beaten egg whites and 1/4 cup toasted coconut. Put into a cold 9-in. baked pastry shell. Sprinkle with remaining toasted coconut. Chill until firm.

## A New Depression Hit Us Or Is Texas Poll Question Of Week

By JOE BELDEN  
Director, The Texas Poll

Twenty years after the stock market crash of 1929, opinion in Texas is about divided on the question whether there will ever be another big depression. Out of every ten adults polled in a statewide survey during the lean years will say there will never be another depression like the one started in 1929.

Most of every four tend to agree with Secretary of the State John W. Snyder, who says there is "tremendous" ahead for a good long time. They predict a big depression will hit the country in the next few years. A survey finds Texans of average means are more likely to believe a depression is ahead than those whose business is getting worse instead of better. By contrast, opinion among average and above-average means seems to be fairly balanced.

A general feeling that a depression comes will be to blame, especially the government. The upper - income labor would be blamed for business. But among the lower income class, business gets more blame than the government.

Who say there will be another big depression are governmental measures, experience, full employment, industrial expansion.

Findings are based on a poll put to a representative section of adults, in correct proportions of lower income classes. The poll and answers: "I think business conditions here are getting worse, or staying

about the same as they have been in the last month or two?"

## Short Sketch Of David Morris, Sr., And Family By David Morris Jr.,

(Editor's Note—The following letter is taken from a letter written by David Morris, Jr., some time in 1925 to the Mills County Pioneer Club, and which is pasted in the club's minute book. David Morris, Jr., was buried in the Center City Cemetery March 4, 1926. He was born April 1, 1854, in Knox County, Ind., and came to Mills County section in 1856. His father brought his wife and five children from Indiana to Texas in 1854, and settled in the Payne Gap Community in 1856. Then moved to Center City in 1855. One of his brothers, A. N. Morris, served as a Texas Ranger. Another brother, John Morris, served four years in the Civil War and was killed by the Indians in 1862 near Williams Ranch. Another brother, William, in the same fight received seven wounds. The Eagle in the near future will print an article written by B. F. Gholston of Evansville, Ind., entitled "The Killing of John Morris," which was published first in the Hunter's Magazine, October issue, 1911.)

My father, David Morris, Sr., left Indiana in the fall of 1854, bringing his wife, Rachel Cook, and their five children. There were four boys and one girl. They were Andrew (Andy), John, Rebecca (Langford), William, and David, Jr. The trip was made in a wagon drawn by horses. Their first settlement was near Waco, Texas, which was a small town at that time. They lived there on a farm until the year of 1856, then moved to a farm on Sims Creek, which was in Lampasas County but later it was Hamilton County, and is now in Mills County. They lived there two years, having only one neighbor, who was Albert Gholston. In the year of 1858, David Morris, Sr., moved his family to Bennett Creek, one mile south of where Center City is now located. There was only one family near this location. This was William Jenkins

and family. (Mr. Jenkins was killed some time later by the Indians.) At this time (1858) the Indians were not hostile, but had a little settlement near Center City in 1856. But in a few years they became hostile, and began stealing the white settlers' cattle, horses, etc., and murdering the whites every chance they could get.

At this time Mills County was a beautiful country with an abundance of grass as high as a horse's back, flocks and herds of wild turkeys, herds of buffaloes, lots of deer, antelopes and bears and other wild animals too numerous to mention. There were also lots of bees and an abundance of honey to be found in the trees. But the Indians became so hostile the settlers were in danger of losing their lives at any time and with out warning. Only they were much worse on the "light of the moon" as they could see so much better. They would steal the horses and kill the cattle so often that it was a hard struggle for the settlers to make any more than a living. They could get 160 acres of land by just filing on it and have it surveyed and live on it three years, it was theirs, but they could only get one homestead in that way.

The nearest mill was about sixty miles away. It was Straws Mill and was about ten miles below where the town of Gatesville is now located. Lampasas was the nearest post office. It was about thirty miles. If they got their mail once each month they thought they were lucky.

The settlements were mostly on rivers, creeks or near springs. There was no water, only in springs or creeks, as there were no well drillers. There were also no cotton gins, no schools or churches, no reapers or thrashers. The wheat was cut with cradles and thrashed by tramping it on the ground by horses, then winded out by hand, then hauled sixty miles to the nearest mill. The settlers had a hard time, but they blazed the trail to what was once one of the garden spots of the U. S.

David Morris, Sr., reared his family on the old place near Center City. All of the children were grown and had families at the time of his death which was September 26, 1889. His wife died December 2, 1898. The eldest son, Andrew, commonly called "Uncle Andy", was a Texas Ranger before and during the Civil War. He reared a large family near Center City. He died in December, 1921.

### Family Reunion

A reunion of all the older Jarrett children was held at the home of Mr. and Mrs. Ernest Jarrett Sunday. Those present were his four sisters and their husbands, Mrs. Cora White of Lometa, Mr. and Mrs. Joe W. Ratliff of Mullin, Mr. and Mrs. Ross Gardner of Colorado, and Mr. and Mrs. Luther Landers of Mullin. Others present were Mr. and Mrs. Van Ratliff and son Joe of Brownwood, Mr. and Mrs. M. C. Partridge and Juanita, and Mrs. Climie Montgomery and children Dal, Thelma and Sonny of North Bennett.

Mrs. Wilbur Fairman of Marlin and daughter, Mrs. George G. Potts, of Dallas, were in Goldthwaite recently. They were guests in the Walter Fairman home, and also visited friends. Mrs. R. V. Littlepage accompanied them to Marlin where she went for a check up at the Torbitt Clinic.

### HILLSIDE MISSION

By LIDA BYRNE

A preacher said there was a ship at sea and the people on board were having a gay time; dancing and making merry, not thinking of their soul's salvation, when suddenly a storm arose and some of the people said: "Let's pray." The captain was hurrying about, attending to the necessary things for protection against the storm, when a woman, who was much afraid, approached him and said: "Captain, let's pray." He said: "I have prayed." He had already made spiritual preparation.

In Proverbs 29:1 we read: "He, that being often reproved, hardeneth his neck, shall suddenly be destroyed; and that without remedy."

Mr. and Mrs. Henry McFaddin of Iraan spent several days recently with her mother and brother, Mrs. C. F. Williams and Bill Williams.

Visitors in the L. J. Teague home here on Sunday, October 30, were: E. E. Newton of Fort Stockton, Dorman Newton and family from Hamilton, Otto Newton and family of Goldthwaite, Weldon Pruett and family from Hamilton, and Mrs. Nannie Crews from Hamilton.

## Lone Star Gas Company Announces New Appointments

Appointment of Joe C. Darrow of Dallas as superintendent of Lone Star Gas Company's Abilene division of distribution has been announced by Chester L. May of Dallas, vice-president in charge of distribution properties. With headquarters in Abilene, Mr. Darrow will direct distribution operations for Lone Star here and in more than seventy other cities and towns comprising the division, Mr. May said.

Mr. Darrow has been superintendent of distribution for the gas company's Dallas division of distribution since 1946. He succeeds M. L. Bird of Abilene who has been appointed operating manager for Lone Star Gas Company's general division of distribution which represents local gas distribution systems owned and operated by the company in more than 300 cities and towns in Texas and Oklahoma, according to Mr. May. Mr. Bird will have headquarters in Dallas and his territory will include all Lone Star distribution plants except those located in the company's Dallas and Fort Worth divisions, Mr. May said.

Mr. Darrow and Mr. Bird have combined service records with Lone Star totaling forty-six years. Mr. Darrow joined the company in 1927. A native of Milford, he attended public schools there and Austin College at Sherman and graduated from the University of Texas.

Immediately after receiving his degree he started his career with Lone Star as timekeeper on a construction crew. At that time the company was engaged in a construction project which set a unique record in gas engineering annals—the building of more than 150 town distribution plants within a five-year period—and for several months Mr. Darrow was in the midst of this work, associated with Mr. Bird who held a supervisory assignment. He served as engineer on some of the jobs

M. L. BIRD

J. C. DARROW

and as assistant construction foreman, going back to the engineering department to check service lines. He also worked as home service engineer in charge of domestic gas appliance installations and adjustments at various points over the system before going to Hugo, Oklahoma, as local manager in 1932. He held district managerial assignments at Itasca, Terrell and Brownwood until May 31, 1946, when he was appointed superintendent of the Dallas division of distribu-

tion. During his career with Lone Star, Mr. Darrow has been active in Boy Scout and chamber of commerce work. In Dallas he was on the Fire Prevention Council and a member of the Lions Club. He is a member of the Presbyterian Church. His fraternity is Delta Sigma Chi and fishing is his hobby. Mrs. Darrow is the former Gladys Vernon of Itasca.

Mr. Bird, heretofore known as the "flying superintendent" of the Lone Star Gas System, held the position of construction engineer on his first assignment with the company in December, 1925. An aviation enthusiast with more than a thousand hours of flying time to his credit, Mr. Bird served also as an engineer in the Dallas headquarters and in 1928 was placed in the field as superintendent in charge of construction of distribution plants in the general division. The following year he was named general superintendent of the company's West Texas distribution territory. In 1935, upon realignment of Lone Star territory, the Abilene division was formed and he was appointed superintendent.

Before joining Lone Star Mr. Bird was engaged in ranching in New Mexico and subsequently served in the engineering department of the city of Fort Worth. Born in that city, he graduated from high school there and attended Castle Heights Military Academy at Lebanon, Tennessee. During World War I, Mr. Bird enlisted in the Second Texas Cavalry which later became a part of the 36th Division. He was in active foreign service with the 131st Machine Gun Battalion. In World War II he was captain in the Civil Air Patrol, as-

Mrs. Bird is the former Mary Lucille Baugh of Alvarado. Their son, Donald, is 22 and a graduate of Texas A&M College with a degree in chemical engineering. Mr. Bird lists machine lathe and woodworking and fishing and hunting as his hobbies, in addition to his principal interest of piloting an airplane. He is assisting in preflight training for

aviation cadets.

Mr. Bird is a member of the Episcopal Church and has been a member of the Abilene Club, Abilene Country Club and the Lions Club. He is affiliated with the Aeronautical Association and the Texas Private Flyers Association.

## HOMECOMING FOR EX-STUDENTS HELD

Homecoming activities for ex-students and teachers of Goldthwaite High School were held Friday at the High School.

Booster Club officers had luncheon in the school cafeteria. Representatives of graduating classes were present for the program held at the school, at which time the visitors were welcomed by a program by the high school under the direction of Maston Wolfe, by talks by Superintendent H. E. Patton, Coach Wilson Lucas, Prock McCullough, Delton Barnett and W. E. Cantrell. Harold Yarborough was Master of Ceremonies and recognition was given to Lida Thompson Byrne, who was the oldest graduate present from class of 1909, Geneva G. Howard of the class of 1934, who had the largest number of children, and Sophia Martin Kipp, who attended the homecoming from the farthest distance, Tuckahoe, New York, class of 1914. Corsages were presented to them by the Booster Club. Booster Club officers who attended were Harold Yarborough, Bally Rudd, Howard Hoover, and Alfred Carter.

Plans are being discussed for next year's bigger and better homecoming and the Booster Club and school officials are planning to make this an annual occasion.

## CENTER CITY—

By C. M. HEAD  
Dear Eagle: This is the 8th of November; a beautiful day out here, so you see that brings wash day, and so many other things to do, so everybody is quite busy this morning. I am at a loss to know just what to say, to miss the Waste Basket; the notice I tried to get in about our singing last week missed connections some way, not only a disappointment to me but several counties are interested in the singing; but after all we had a fine crowd and a fine singing.

We had in our home Sunday F. M. Head and family, who were celebrating his 29th wedding anniversary; Laura and Albert Mason, Sam Head and family, Woodrow Head and family, Bill Sparkman and family, Huggins and Ethel, Ollie McNeil, Gertrude Head, Wandalene Head, Aubrey Head and family, Worth Lee and Chester Head.

Mrs. Auda Osborn and Mrs. Guy Johnson of Iraan visited Friday and Saturday with their mother and brother, Mrs. C. F. Williams and Bill Williams.

## YOU ARE WELCOME

Men's down town Bible class—9:30—10:30 A. M.  
The men's down town Bible class is a Union Sunday School and is being conducted for every man that cares to attend and especially for men that do not attend Sunday School at any of our local churches.  
Men, this is YOUR class, come and enjoy an hour of good singing and Bible lesson.

## NORTH BROWN—

By MRS. CLEMMIE IVY  
We are having nice Autumn weather; nice bright sunny days and cool nights.

Most all the farmers have their grain sowed and their cotton out. Cows in the fields are getting fat for the winter ahead.

Most of the sick people are on the mend. Mrs. Charley Bramblet is still able to go once in a while to town.

Mr. and Mrs. Jim Smith shopped in town last Friday; got groceries and prepared to stay in if a cold spell hit.

Mr. Walker Berry was able to visit his mother at Moline one day last week.

Mr. John Callaway was able to be in town last Friday.

Mrs. Jewel Yegger was able to visit her mother and take dinner with her Sunday week. We are glad to know she is improving so nicely.

Mr. Jim Evans made a visiting trip to town last Monday. We are glad to know he feels like visiting in the sunshiney weather.

The Fergusons from Moline visited in the R. T. Roberts' home last Sunday.

Mr. and Mrs. Robert Robert's little daughter, Linda, visited in the Ivy home last Monday; also Mr. and Mrs. Allen Hardgrave and children, Donna K. and Charles, and Mrs. Arrow Crook from Abilene.

Mrs. Lonnie Hill last week left for her home in Rule, Texas, after she left her sister, Mrs. Selma Evans got sick again and now has pneumonia and has been dangerously sick but is some better at the present time. Her daughter, Mrs. Omer Hill, of Winters, is with her. Mrs. Boydston, Mrs. Hightower's sister, visited her last Monday, also Mr. and Mrs. Walter Conner and Mrs. Jess Ivy.

Mrs. Orb Woodie of Goldthwaite visited Mrs. Jess Ivy last Wednesday afternoon.

what's the word?  
why... James of course

James? James!!! the precious jacket and skirt job that's strictly rugged. Right!!! Made of blue denim. James are jeans, fem-fashion. They're heavily stitched and riveted... standard and wampum-wise! Appeal? But real James are hip to hips, whistle the middle. What am I wearing? Why, James, of course!!! James are perfect for picnics and parties... and equally at our institution of culture and higher education. Have to run, hon... HE here! See you at the grab-grab. Bye!

## TEXAS SHEEP & GOAT OLD MAN 100 RAISERS TO MEET

Plans for the 34th Annual Convention of the Texas Sheep and Goat Raisers' Association are well advanced, Sayers Farmer, Junction, Association President, has announced. The convention will meet in San Antonio, November 28-30 with headquarters at the Plaza Hotel.

"We are expecting a good attendance," Farmer stated. "The men selected to speak to the convention are interesting speakers and they will discuss topics vital to all of us in the ranch business."

The list of speakers is not yet complete, but those who have accepted invitations to appear on the program are Congressman Ed Gossett, Wichita Falls; Howard Vaughn, Dixon, California, President of the National Wool Growers Association; Col. Homer Garrison, Director, Department of Public Safety, Austin; Dave Savage, Superintendent, Southern Great Plains Experiment Station, Woodward, Oklahoma; and J. M. Jones, Salt Lake City, Secretary, National Wool Growers Association.

Farmer urged that all who have not made hotel reservations do so at once as rooms are still available at the headquarters hotel.
