Judge Porter Publishes Names For School Vote

Candidates for the office of School Trustee and County Trustee have been certified to County Judge L. B. Porter, who also is County School Superintendent, ex-officio. The candidates who have been certified for election to Judge Porter will stand for election on Saturday, April 1, in the local Trustee and County Trustee school elections to be held in Mills County.

Judge Porter said that in the Priddy Common School District, No. 14, where three are to be elected, the names to go on the ballot are those of Roy Stegmoller, Ray Priddy, Emil Schuster, W. C. Echols and Ed Jeske. In the Mullin Independent School District, where three also will be elected, the names to go on the ballot are those of H. L. Pyburn, Glen Sanders, A. R. Rowlett, John Walton, M. L. Ethridge, Melvin Pafford, E. F. White, A. M. Davidson and Ralph Duren.

Three trustees also will be elected in the Star Independent School District, where the names to go on the ballot are those of J. D. Wright, G. R. Mann, C. C. Sheldon, Woodson Clary, L. I. Carroll and Paul Lee.

Candidates for election as trustees for the County School Board are: Precinct 1, Howard Campbell; Precinct 2, Jim Soules; Precinct 4, Cecil Egger. In his legal notice of the April 1 elections, Judge Porter pointed out that since the Commissioner's Precincts and the School Districts overlap, it will be necessary for the voters to vote for the candidate living in the same Commissioner's Precinct as the one in which the voter resides.

Supplies for the April 1 School Elections are in the office of County Clerk W. E. Summy, where they may be called for along with election boxes. Judge Porter requested that Leroy Beard of Star and T. M. Cash of Priddy be asked to call for their election supplies at the office of County Clerk Summy. Wray B. Williams of Mullin already has received his replies but is requested to call for an election box.

Boy Scouts Early Bird Breakfast At Hangar Next Tuesday Morning

The annual campaign to raise finances for the Comanche Trail Council of the Boy Scouts of America will get under way at an Early Bird Breakfast to be held at the Hangar at 7:00 o'clock next Tuesday morning, March 28. J. B. Karnes, local finance chairman and Dr. T. C. Graves, District Chairman, will be in charge of the arrangements and will head up the campaign.

Mr. Karnes states that there has been no difficulty in the past in Goldthwaite's meeting its share of the council's campaign and sees no reason why the campaign cannot be brought to a successful close in a one-

AN EDITORIAL OUR SCHOOLS AND MORALE

The Eagle has been hearing considerable gab around town about the Goldthwaite school system. Such gab could be demoralizing to administration and teaching and it certainly could set a damaging and bad example to youngsters who look to their elders for guidance and leadership. Since we have an Eaglet who soon will go to school here, our first mission in Goldthwaite, before considering settling here, was to take a good, hard look at the Goldthwaite schools. What we found helped us to decide to settle and, in the face of the gab, we hereby go on record as being glad that the contract of Superintendent H. E. Patton has been extended. We are equally happy, as a matter of reassurance, that the School Board for the Goldthwaite Independent School District is willing to stand for re-election. The Eagle believes that with a School Board of the present caliber and under the Superintendency of Mr. Patton, Goldthwaite can be a good place for our young people to attend school.

Tests For T. B. Bang's Disease Are Planned Now

E. D. Roberson, Director of the Mills County Vocational School, warned this week of the appearance of evidence that some cattle in the County may be affected by Bang's disease and tuberculosis.

Mr. Roberson said that the Mills County Vocational School is planning a test program for cattle owned by students of the school. He said also, that other interested persons in the County who wish to have their cattle tested should communicate with the school office as soon as possible.

It is hoped, Mr. Robertson said, that the projected tests will be conducted by the Texas Sanitary Livestock Commission. The tests will be made subject to existing laws.

Stubblefield Has New Wrinkle For Political Campaign

C. F. "Stub" Stubblefield has a new idea in political campaigning. In addition to passing out the usual "candidate's cards" with which he will appeal for votes in the July Democratic primary to nominate a Sheriff-Tax Assessor for Mills County, Stub is about to put some interesting information on the back of his card.

The cards that Stub Stubblefield will be passing around among the voters will have on the back of them the number of each precinct in Mills County, the name of the community in the precinct and the number of persons in each precinct who have paid their poll tax and so will be eligible to vote. The poll tax payers as figured out by Stub Stubblefield add up to 1,874 in 18 precincts.

Civil Service Job

Examinations for a position as shorthand reporter at an entrance salary ranging from \$3,450 to \$4,600 annually have been announced by the Civil Service Commission. Employment will be with various Federal agencies in Texas. Application forms and additional information may be obtained from the Goldthwaite Post Office or from the Regional Director, 14th U. S. Civil Service Region, 210 So. Harwood St., Dallas 1, Texas.

Softball League Will Start Play April 25 A. D. '50

W. C. Barnett, wearing his hat as Secretary of the Park Board, also turned reporter this week. At long last, the Park Board has a Softball League, which will start playing on April 25, with a game between the First Baptist Church and the American Legion.

Between now and mid-April, the Eagle will publish the complete schedule of Softball League Games. But first, the Old Bird has come into possession of the Minutes as recorded by Mr. Barnett for the meeting of last Monday evening, at which time the Softball League came into being, full bloom. Secretary Barnett's Minutes, being in the nature of a classic, are hereby published in full. The remainder of this story is by Park Board Secretary W. C. Barnett:

Be it remembered that on this the 20th day of March A. D. 1950, there was begun and held a meeting of The Municipal Park Board and the sponsors of teams to be entered in the City Soft Ball League. Those present were: Howard Hoover, Y. B. Johnson, V. C. Bradford and W. C. Barnett, representing the Park Board, Rev. Joe Emery, representing The Baptist Church; Rev. Ed Lovelace, Wallace Johnson, and Ray Duren, representing the Methodist Church; Charles Conrad representing The Lions Club; T. M. Glass representing the American Legion.

First matter of discussion was to establish distinction between the responsibilities of The Park Board and of The League Sponsors. Motion prevailed that the park board, furnish and maintain: The Field, The Lights and Grandstand; that they have charge of and retain all gate receipts; that they furnish two balls for each date, two masts for catchers and umpires. All other equipment to be furnished by sponsors and or players. Motion prevailed that each team be in uniform to the extent of matching colored jerseys and caps. Colors chosen by respective teams were: Baptists, Red; Methodist, Blue; Legion, White; and Lions, Gold.

Motion prevailed that the admission charges for games be 10 and 25 cents; children of grammar school age and below be admitted for 10 cents; and all others including players be charged 25 cents.

A schedule of games was adopted starting on April 25th and ending August 22nd. With the season to be split and a winner of each half declared. This schedule to be printed and published which includes 18 games in each half. Each sponsor then drew for places, which

Goldthwaite School Board Says Members Offer For Re-Election

Following their unanimous action of March 13 in extending the contract of Superintendent H. E. Patton until the end of the academic year of 1951-1952, the School Board for the Goldthwaite Independent School District announced this week that the members of it will offer themselves for re-election in the voting to be conducted on Saturday, April 1.

The members of the School Board are C. C. Collier, Chairman; S. H. Rahl, Secretary; Mohler Simpson, Ray Duren, Claude Wicker, Harmon Frazier and Roy Wilkins.

In announcing the willingness of the School Board to stand for re-election, Chairman Collier issued the following statement:

"The present Board, with which I have had the pleasure of serving, has worked very cooperatively through Mr. Patton, the entire faculty and the patrons of the school, particularly. The members of this Board have given unselfishly of their time and effort for the advancement of our entire school system and, in so doing, we realize that we have made mistakes and, we realize that our Superintendent and faculty have made mistakes. Being human, it is very natural that they would. But we have tried to give credit where credit was due, and to make allowances for mistakes that have been made. With this attitude, this Board is willing to continue to serve and to assist in every way possible to correct any mistakes that we as Board members may have made, and to help correct any mistakes that any faculty member may have made. We stand ready to receive any constructive criticism or suggestions that any of our patrons have to offer."

Mr. Collier's statement also was subscribed to by other members of the Board.

The decision to extend Mr. Patton's contract for two more years was taken at the School Board meeting on the night of Monday, March 13. Mr. Patton has been the Superintendent of the Goldthwaite School system for five years. Previously he had an extensive experience in education.

For 16 years, Mr. Patton was in one school system in Harris County. When he attempted to resign as Superintendent there in order to serve in the Army in World War II, the Harris County Board declined to accept his resignation and, instead, tendered him leave of absence for his military service.

Upon entering military service, the Army took advantage of Mr. Patton's educational background and experience. Commissioned a First Lieutenant, he was assigned to the Army Air Field at Lubbock, Texas.

So far, seven communities have made progress reports to Mr. Duren. Such reports have been made by Rock Springs, Mrs. W. Daniel, Chairman; Center City, S. M. McCasland, Chairman; Big Valley, Mrs. E. H. Haggood, Chairman; Pompey, W. B. Black, Chairman; Jones Valley, Mrs. D. Barnett, Chairman; and Ridge and Scallorn.

In Goldthwaite, with 70 per cent of a quota of \$1,222.00 already raised under the Chairmanship of Dr. T. C. Graves, most of the eastern section of the city had yet to be canvassed.

Mr. Duren said that Scallorn, where M. F. Hines is Chairman, was the second community to "go over the top" in the 1950 Red Cross effort. Scallorn now has joined Ridge, which was the first to exceed its quota under the Chairmanship of Warren H. Freeman.

When the fire department to be summoned early Thursday morning. The fire was around 5:30 a. m., but Mr. Gilliam said it seemed like about midnight to him, since he was not accustomed to getting up so early in the morning. A neighbor had turned in the alarm. When the excitement was over and the fire was out, with no damage, Mr. Gilliam fried some eggs and hotted up some coffee instead of going back to bed, which anyone but a lawyer would have done.

Scallorn Joins Ridge To Pass Red Cross Quota

Goldthwaite now has raised 70 per cent of its quota and the overall County effort in the March drive for the American Red Cross has passed the 50 per cent mark, it was announced by Warren Duren, 1950 General Campaign Chairman for Mills County.

Mr. Duren said that Scallorn, where M. F. Hines is Chairman, was the second community to "go over the top" in the 1950 Red Cross effort. Scallorn now has joined Ridge, which was the first to exceed its quota under the Chairmanship of Warren H. Freeman.

So far, seven communities have made progress reports to Mr. Duren. Such reports have been made by Rock Springs, Mrs. W. Daniel, Chairman; Center City, S. M. McCasland, Chairman; Big Valley, Mrs. E. Ben R. Day Stresses Importance Of Grass Waterways To Farmers

The importance of a well established waterway is so great that a farmer can figure it as the most valuable land on his farm, Ben R. Day of the Soil Conservation Service said this week. He pointed out that the waterway will protect the outlets of a farmer's terrace system and, at the same time, it will furnish grazing, hay or grass seeds. In the paragraphs that follow, Mr. Day writes of co-operators who are establishing grass waterways.

Farmers cooperating with the Brown-Mills Soil Conservation District are establishing their waterways in advance of their

terrace construction. When the terraces are built, the terrace outlets will be protected from washing and the system can be maintained permanently.

V. C. Segelquist of the Payne Gap Group had a flat-bottomed waterway shaped with the county equipment and then he sodded it with Bermuda grass. Carl Casbeer, Soil Conservation Service technician, supervised the construction and sodding operation. Only a field diversion terrace empties into the waterway at present but the field terraces will be built when the Bermuda grass spreads.

Brian Smith's Buckeye Brings R. E. Clements' Birthday Story

By H. R. Ekins

I had a lovely time a few days ago when R. E. Clements presented me with the first bluebonnet I had ever seen, and when, at the same time up on Miller Hill, Brian Smith gave me a "buckeye for luck." Bang off the bat, I had my first luck from that buckeye when I discovered that next Sunday will be Mr. Clements' 72nd birthday anniversary. I had not only a story, but I also had some poetry about Indian Jim and about Williams Ranch to send to my boy Harvey to help to prepare him for life in Texas.

In probing for the story of Mr. Clements' birthday next Sunday, I learned not only about him, but a lot about Mills County too. Mr. Clements was born at Williams Ranch on March 26, 1878. His father had settled there the year before, having come from Indiana. The great urge that made our pioneers push ever on to build America sent Phil H. Clements to Fort Worth by train and then to Williams Ranch, which at that time was in Brown county, by mule train.

Every once in a while, my education into the relationship between R. E. Clements and Mills County was helped along by Brian Smith. It was through him that I learned that Mr. Clements' mother was Emma Goodwin and that when R. E. was a very small boy, he had a propensity for running away from home at Williams Ranch. With the wisdom that mothers have, Emma Goodwin Clements learned that young "Rog" never would undertake to run away in his night shirt so, when she felt a running-away might be coming on, she popped her young son into his night shirt.

I learned much more on my visit to Miller Hill. R. E. Clements' wife, Gertrude Cunningham, who died in 1947, was the daughter of the first Mills County Sheriff; and Phil H. Clements, who was R. E.'s father, was the first County Clerk here. Phil H. also was Postmaster here; he was a member of the State Legislature, and he was most instrumental in establishing Mills as a County. Phil H. also established a drug store at Williams Ranch, where about 250 people lived. The place, long since deserted, was named for a man named Williams, who first had settled there in 1855. He was driven out by Indians, but later returned.

When our conversation brought out that R. E. Clements had lived on Miller Hill for 37 years,

I asked him when he first came to Goldthwaite. He said it was in 1885, only there was no Goldthwaite—they were just selling lots for the place that September day.

The Clements family came to live in Goldthwaite from Williams Ranch in 1886. A drug store hereabouts has been in the hands of the family continuously since 1883, except for a period of about ten years. Mr. R. E. Clements himself was in the drug store business for 40 years and seven months, until he retired in 1943. Mr. Clements has projected a story of his father's life. As every Eagle reader knows, he writes and publishes poetry, and he is interested in and writes on historical matters with special reference to our own stamping ground.

Mr. Clements is active in the Downtown Men's Bible Class. He composed the song for the class—a song that is used at the meetings at the Meiba Theater at 9:30 o'clock every Sunday morning.

To help Mr. Clements observe his 72nd birthday next Sunday there will be a sister, Mrs. Eula Nickols, and a brother, W. D. Clements, both of Goldthwaite. Then there are his children, who are George H. of Greenville, Rex of Belton, and Dave of Goldthwaite. Mr. Clements has five living grandchildren.

Next Sunday, the Eagle too will be wishing Mr. Clements a happy birthday, and many more of them, while up in the snows of Central New York an eaglet will be reading "Indian Jim of Williams Ranch," thanks to the thoughtfulness of a courtly gentleman who took time out to search for two poems that would be of interest to a small boy about to come to Texas.

The Eagle hopes that for a long, long time to come R. E. Clements will be telling all of us not only about Indian Jim, but about Herd Pen Branch and Hutch Hotel.

PRESTON SMITH

Preston Smith, 38, Lubbock businessman, has announced his candidacy for Lieutenant Governor of Texas. He has served three terms as a member of the Texas House of Representatives. A native of Williamson County, Mr. Smith was a farmer until 1931. He has been in the theater business since 1936. Mr. Smith is a Methodist and a 32nd Degree Mason. He was graduated from the Texas Technological College at Lubbock.

Another Candidate For Lieut. Governor

State Senator G. C. Morris of Greenville has announced his candidacy for Lieutenant Governor with a promise to take a fighting campaign to every community in Texas. Senator Morris, who has served for 18 years in the State Legislature, is a 37-year old attorney. He said his campaign will call for simplifying state government as a means of continuing needed services without levying new taxes.

Hog Law Election Now Due April 29

That hog law election in Precinct 4 of Mills County has been postponed until April 29, according to a new legal notice that was issued this week by County Judge L. B. Porter. A new legal notice by His Honor will be found elsewhere in this issue of the Eagle. New ballots for the April 29 election have been printed so that all persons who are legally qualified voters may go to the polls in the special election on April 29, in Precinct No. 4.

I think it would be a very nice birthday present for Mr. Clements if we all got together and took the old Williams Ranch school bell from Center Point and put it on the lawn of the Mills County Court House for him.

A GREAT 'LING' STAR-FILLED COMEDY

Theatre-goers are in for a big bargain entertainment treat when "It's a Great Feeling," the Warner Bros. color comedy, opens on Monday, for that gay film is, in addition to its own roster, the guest appearance of nine other top Hollywood stars.

Dennis Morgan, Doris Day, Jack Carson play the film's roles while the guests include Gary Cooper, Joan Crawford, Errol Flynn, Sydney Street, Patricia Neal, Eleanor Parker, Ronald Reagan, Ed-G. Robinson, Jane Wyman.

CHICAGO DEADLINE Co-starring Alan Ladd, as a fighting reporter, co-stars with Donna Reed in Paramount's action-packed drama of the newspaper world battling the underworld, "Chicago Deadline," which opens Tuesday at the Melba Theatre.

Heart-bounding paced, the thrill a minute film deals with the danger-fraught determination of an ace newspaperman to unravel the mystery shrouding the death of a beautiful young woman.

"ADAM'S RIB" "Adam's Rib," story of a district attorney and his lawyer-wife who takes opposite sides in the trial of a woman who has shot her philandering husband, brings Spencer Tracy and Katharine Hepburn to the Melba screen in one of the funniest comedies of the year.

The screen play, written by Garson Kanin and Ruth Gordon, bears the same contagious humor and outrageous wit of Kanin's long-run Broadway comedy success, "Born Yesterday," and, furthermore, Judy

Holiday, who starred in the Kanin play, now offers filmgoers a view of her distinctive comedy talents in the role of the deceived wife in "Adam's Rib."

The Art and Civic Club met March 6, 1950, in the home of Mrs. Jack Reid, with Mrs. Oran Carothers as hostess.

An enlightening Parliamentary Drill led by Miss Elna Fouse was enjoyed by all. Mrs. Ben Day and Mrs. Jack Reid gave a glowing report of the Youth Council, and how much the children were enjoying the Thursday nights. The club voted to give \$10.00 to the council for equipment. Mrs. Jack Reid was elected as a delegate to the Sixth District's TFWC convention in Lampasas April 13, 14, and 15.

The club voted to have their Annual Easter Flower and Plant Sale April 9th, which is the Saturday before Easter. The Padgett Floral Company will supply the flowers and plants. Watch for more on this.

Self Culture Club

The meeting of the month was held in the hospitable home of Mr. and Mrs. W. M. Johnson last Thursday afternoon, with Mmes. Ray Duren and Cecil Parker serving with Mrs. Johnson as hostesses. A short business session presided over by the President, Mrs. S. P. Sullivan, was of interest to all, the high point of which was a discussion on the community recreation program instituted by the various cultural and social organizations of the city. Mrs. Ray Duren led the discussion.

The subject of the study was "The Church and Peace" under the motto: "The World Needs the Spirit of the Man of Nazareth". Mrs. L. E. Miller led the program by introducing Mrs. J. C. Evans who read the scripture and gave the invocation. The guest speaker for the occasion was the Rev. Ed Lovelace, pastor of the Methodist church, who made an inspiring address on "Pointing the Way to Peace", after which Mrs. J. M. Campbell read a beautiful poem by Grace Noll Crowell.

Refreshment plates containing copious helpings of delicious edibles were served by the hostesses, and a delightful social hour was enjoyed by all. — Reporter.

Allie Humphries McCall To Speak On The United Nations

The Self Culture Club of Goldthwaite will present Mrs. Allie McCall of Waco as their guest speaker in an open house meeting, at 3:00 p. m. Saturday, March 25th in the Auditorium of the Methodist Church. All the women of Mills and surrounding counties are cordially invited to hear Mrs. McCall discuss this very vital question.

Mrs. McCall is the daughter of pioneer parents in this county, and she received her early education at the Ella Goldthwaite Academy.

Junior Schubert Club

Goldthwaite was well represented at Federation of Music Club's Festival in Abilene, Saturday, March 18. There were 34 numbers including five with Superior rating in piano solos: Kay Campbell (pupil of Mrs. S. F. Sullivan); Janel Jernigan, Shariyne Schulze, Judy Long, and Martha Carolyn Graves (pupils of Mrs. H. D. Schulze).

The rating of Excellent in piano solos in the order in which class they entered: Tom Cody Graves, Norma Fay Duren, Sarah Jane Cockrum, Barbara Isham, Martha Jane Schunke (pupil of Mrs. Sullivan), Linda and Lana Archer, Peggy Blackwell, Betsy Smith, Michael McCullough, Angelina Smith, Sidney Joe Long, Lathan Jernigan. The hymn playing event: Shariyne Schulze, Martha Jane Schunke, Martha Carolyn Graves, and Lathan Jernigan, all rated Excellent. The duo of Carolyn Graves and Lathan Jernigan rated Excellent.

The rating of Very Good in piano solo: Jackie McCasland, Lou Etta Jordan, Virginia Hill, and Althea Mae Eckert, in piano duo with Sally Kay Maxwell and Virginia Hill; in voice, Kathryn Ann Horton (pupil of Mrs. Sullivan).

The rating Good in piano solos: Marsha Wilkins, Betty John Jackson; Voice, Martha Carolyn Graves, Lorain Brudette, and Althea Mae Eckert, voice pupils of Mrs. Sullivan. — Reporter.

Rev. Howard Scott of Brownwood filled the pulpit at the Baptist Church Sunday morning. His wife, son and his mother accompanied him to Goldthwaite.

"Wigi" Fairman Has Son Who Starts With Drag With Cop

A son was born to Mr. and Mrs. Ray Ford of Pleasanton on Thursday, March 16. Mrs. Ford, the former Mary Louise "Wigi" Fairman of Goldthwaite, is the daughter of Acting Postmaster Lucile Fairman. The newest member of the Fairman-Ford Clan has been officially named Karl Presley Ford. His first visitor from abroad was the aforementioned Acting Postmaster Fairman. He ought to be able to do something about traffic tickets, since his Uncle is Highway Patrolman Mark Fairman, now stationed at Highway Patrol Headquarters at Pecos.

Prof. Sidney Tidwell of John Tarleton State College accompanied Marshal Miller Jr. home this week-end for a visit with his parents, Mr. and Mrs. Marshall Miller, Sr.

News Of The Brown-Mills Soil Conservation District

Johnnie Fallon, who lives 4 miles west of Goldthwaite, has sold all but 20 pounds of the King Ranch Bluestem grass that he harvested from 4 acres of retired cultivated land. This seed plot of K. R. Bluestem produced 320 pounds of re-cleaned seed which sold for over \$640 or a return of \$160 per acre. Johnnie has mowed all the weeds from the seed plot and will fertilize and cultivate the grass so that it will produce a seed crop this summer.

W. A. Hill and son planted 10 acres of good land to grass for seed production. Indian grass was planted on 4 acres, K. R. Bluestem was planted on 3 acres and 1 1/2 acres each of sideoats grama and Little Bluestem planted on the remaining part.

E. D. Roberson planted sideoats gamma seed on 6 acres of good land on his ranch on the Pecan Bayou. In another field he seeded 6 acres to King Ranch Bluestem for seed production, and a retired cultivated field was seeded to K. R. Bluestem for pasture.

Roy Dellis, Mt. Olive, used his own tractor and planter to seed 60 acres of Indian grass on Dr. T. C. Graves ranch. He used cotton plates in his planter box and a solid sweep to smooth and clean the seed bed. A chain was used to drag soil over the seed and cover them one half inch deep.

E. H. Haggood is installing an irrigation system on his pecan orchard next to the Colorado River with the assistance of Soil Conservation Service technicians of Goldthwaite. Commissioners Davis and Tullis did the dirt moving job with the county equipment.

Mrs. Sammie Smith spent last week with her husband in San Antonio.

THE SHERIFF KEEPS URGING YOU TO GET YOUR 1950 LICENSES

With only one week to go to April 1, only about one-half of the truck and automobile owners in Mills County have been in to see Sheriff Wiley L. Mahan about their 1950 license plates. The Sheriff has been warning for a month now against the delays that will be caused by a last minute rush of customers, but a jam seems likely despite the Sheriff's pleas.

Some of the delays that have been encountered by applicants for car and truck 1950 registrations have been caused by their failure to take their car titles and 1949 license receipts to the office of the Sheriff and Tax Assessor. So, in addition to pleading against a last-minute pile-up in his office at the County Court House, Sheriff Mahan also makes reminder that your car or truck title and your 1949 license receipt must be produced in order to obtain 1950 registrations and plates.

Mr. and Mrs. Olney Kelley and baby spent the week-end with her mother, Mrs. Pauline Woodard.

Miss Gary of San Marcos is here Saturday and Sunday for her parents, Mr. and Mrs. Eugene Dyas.

Mrs. Eugene Dyas returned recently to the home of her late mother, W. A. Bayley on

the Hanna Valley Road near the School House.

Rev. and Mrs. R. M. Hocker, Mrs. Vera Doggett and the young people of the Church of the Nazarene left last Thursday for an all-day district rally at Mason.

Rev. Joseph L. Emery went to Heidenheimer Sunday, where he officiated at the dedicatory service of the new Baptist Church.

CLARENCE F HOWARD DIES LAST SATURDAY IN HOME AT MOLINE

Mills County suffered the loss of a pioneer citizen last Saturday, March 18, when Clarence F. Howard of Moline Route died at his home of a heart attack. He was 60 last October 15.

Mr. Howard was a native of Arkansas, but he came to Mills County during his infancy and had been here as a rancher ever since. He is survived by his widow, Pearl Hunt Howard.

Also surviving are five sons, Clem of Goldthwaite, Virgil of Moline, Arnold of Lometa, Otis of Goldthwaite and Herbert L. of Moline. Surviving daughters are Bethel Warren of Kerrville, Estella Jordan of Littlefield, Bernice Crawford of Fort Worth, Gloice Hamilton, also of Fort Worth, and Helen Laughlin of Blanket, Texas.

In addition, Mr. Howard is survived by 29 grandchildren and four great grandchildren.

Burial services were conducted last Monday afternoon at the Pleasant Grove Cemetery, with arrangements by the Fairman-Wilkins Funeral Home of Goldthwaite.

The Minister in charge of the funeral services for Mr. Howard was the Rev. Carol Nichols of the Early First Baptist Church at Brownwood. Rev. Nichols was assisted by the Minister of the Moline Baptist Church, the Rev. F. E. Suttle.

The pall bearers were Ira Wilkey, A. C. Williams, Clyde Kimbrough, Red Mathis, Alden Lee and Doyle Duncan.

Easter Revival For Nazarene Church

Easter revival meetings will be held at the Goldthwaite Church of the Nazarene from April 2 to 9 inclusive, the Rev. R. M. Hocker, Pastor, announced this week. During the revival meetings, singing will be led by the Rev. Verne French.

Church of Christ Plans July Revival

Grady Pricer, Minister of the Church of Christ in Goldthwaite, announced this week that beginning July 21, his Church will conduct a series of revival meetings. Starting with the night of July 21, the local Church of Christ will sponsor the revival that is to be led by Evangelist Fred Custis of Beaumont, Texas.

Small School Pupils To Present Operetta Under PTA Sponsorship

A cast of 145 children of the Goldthwaite elementary school will present the "Spring Glow Operetta" at the school auditorium at 7:30 o'clock, Friday night, March 31. The pupils in the cast will be from the elementary school's primary department and the Operetta will be sponsored by the P-T. A.

A. A. DOWNEY URGES FARMERS, RANCHERS PREPARE FOR CENSUS

A. A. Downey of Route 1, Mullin, Chairman of the U. S. Department of Agriculture Council, urges that all farmers and ranchers fill in the 1950 Census of agriculture blanks that are being distributed now, or already have been distributed, to rural mail box holders.

Mr. Downey said that the purpose of sending the agriculture questionnaires to farm operators now is to give them ample time in which to consult their books, fill in the forms and have them ready when the census takers come around in late April.

By filling in the forms early, Mr. Downey said, time will be saved for both farm operators and the census takers. The major portion of each questionnaire is devoted to inquiries about 50 different field crops, fruits, and vegetables. However, the average farmer raises only four or five crops and will need only a little time to answer the livestock and livestock products questions for his farm.

The questionnaire is designed to be filled rapidly. It is divided into 13 sections and about 50 blocks of items. At the beginning of most blocks is an introductory question which can be answered by checking a "none" box if the items listed are not applicable to the farm. When a "none" block is checked in answer to a lead question, the farmer may skip to the next block of questions. However, if any of the items listed are applicable to the farm, the farmer must answer all questions in the block.

The average farmer can fill the Agriculture questionnaire easily. When the Census taker calls at the farm in April, he will check over the questionnaire and lend assistance to any farmers who wish help.

Nazarene Singing

Mitch Miles, Chairman, announced that there will be a Singing at the Nazarene Church in Goldthwaite at two o'clock next Sunday afternoon. Everybody everywhere is invited to join in the singing, Mr. Miles said.

Bob Wills Hears Folks Tell Of Hadacol's Many Blessings

Hundreds of folks, who are benefiting every day from taking HADACOL meet at the Trianon Building in Oklahoma City where Bob Wills, famous band leader, and his Texas Playboys broadcast each noon for HADACOL.

"It looks like all my fans are getting wonderful benefits from HADACOL," said Wills. "It is a real pleasure to broadcast for HADACOL because the folks taking HADACOL are so enthusiastic that I feel like I am performing a real service for mankind."

Hundreds have told Wills of the blessed benefits of HADACOL and the following statement by Miss Carol Jean White, 3636 West Park St., Oklahoma City, is a good example:

"One of the luckiest days of my life was when I heard Bob Wills tell about the wonderful blessings of HADACOL. I had lost my appetite, my energy was down. I suffered with gastric disturbances and indigestion. I took the advice of Bob Wills and took HADACOL. I felt better right off and have felt better and better as I have continued to take HADACOL. I now recommend HADACOL to my friends."

Miss White suffered with a deficiency of B Vitamins and important Minerals which HADACOL contains.

A lack of only a small amount of the B Vitamins and certain Minerals will cause digestive disturbances. . . . Your food will not agree with you. . . . You will have an upset stomach. . . . You will suffer from heartburns, gas pains, and your food will sour on your stomach, and you will not be able to eat the things you like for fear of being in misery afterwards. Many people also suffer from constipation. And while these symptoms may be the results of other causes, they are

Bob Wills Hears About HADACOL'S Blessings

Bob Wills, famous western music band leader, loves to talk with his fans at the Trianon Building auditorium in Oklahoma City about the blessings of HADACOL. In the picture above Miss Carol Jean White, 3636 West Park St., Oklahoma City, tells Bob how much HADACOL has helped her. Hundreds of folks who are obtaining rich blessings from the precious B Vitamins and Minerals in HADACOL visit Wills each week for his network broadcast, which is originated from KBYE, Oklahoma City, Oklahoma's western music station, and sent over a leased wire to stations, KRMG, Tulsa; KWHN, Fort Smith; KGLC, Miami, Oklahoma; KLYN, Amarillo, and KWFT, Wichita Falls.

surely and certainly the symptoms and signs of the lack of the B Vitamins and Minerals which HADACOL contains. And if you suffer from such a disorder, there is no known cure except the administration of the Vitamins and the Minerals which your system lacks.

HADACOL contains not only one, but 5 of the B Vitamins. HADACOL contains not only one, but 4 of the necessary Minerals. It comes to you in liquid form, easily assimilated in the blood stream so that it can go to work right away. It is easy to understand, therefore, why countless thousands have already been benefited by this amazing tonic, HADACOL. So, it matters not who you are. . . . it matters not where you live. . . . or if you have tried all the medicines under the sun, give this wonderful preparation a trial. Don't go on suffering. Don't continue to lead a miserable life. Many persons who have suffered and waited for 10, 20 years or even longer, are able to live happy, comfortable lives again because HADACOL supplied the Vitamins and Minerals which their systems needed. Be fair to yourself. Give HADACOL a trial. Demand the genuine HADACOL. Accept no substitutes.

THE TEXAS POLL TAKES UP NEGRO ISSUE AT TEXAS U.

By JOE BELDEN
Director, The Texas Poll
AUSTIN, March 18.—The case for opening the doors of The University of Texas to Negro students is making little headway in the court of public opinion.

In its latest survey, The Texas Poll finds the general attitude of the adult public much the same as it was two years ago. The Poll's finding is based on comparable statewide surveys in which representative cross sections of the population were asked this question:

"Generally, are you for or against Negroes and whites going to the same universities?"

| | March 1948 | Now |
|------------|------------|------|
| Against | 76% | 76% |
| For | 20 | 20 |
| No opinion | 4 | 4 |
| | 100% | 100% |

Even the pattern of opinion by races and educational levels was found relatively unchanged. A comparison of the percentages favoring Negroes and whites in the same universities follows:

| | March 1948 | Now |
|---------|------------|-----|
| Whites | 11% | 12% |
| Negroes | 78 | 74 |

By education:
College-trained adults 29% 31%
High school trained 15 15
Grade school or less 17 19

The results show that only Negroes, as a group, give a majority vote to the idea of teaching both races in the same universities. A substantial minority of college-trained adults supports this view, but the lower educational levels, who make up the greater portion of the population are strongly opposed. Some who favor the general

policy of barring Negroes from the University say they would not object if one or two were admitted to the law school of if advanced students were allowed to enroll in graduate courses not available elsewhere in Texas. But the majority of Texas adults is opposed even to these exceptions.

In its latest survey, conducted February 20-25, The Texas Poll put these specific issues before a cross section of 1,000 adults of all walks of life:

"Would you object if one or two Negro law students were allowed to study in The University of Texas at Austin?"

| | Negroes | Whites | All |
|------------------|---------|--------|------|
| Would object | 8% | 69% | 60% |
| Would not object | 84 | 28 | 36 |
| No opinion | 8 | 3 | 4 |
| | 100% | 100% | 100% |

BREAKDOWN BY EDUCATION

| | % Who Would Not Object |
|---|------------------------|
| Adults who have been to college | 47% |
| Adults who have been to high school, but not to college | 33 |
| Adults who have been no higher than grade school | 33 |

"What about Negroes who have finished college and want to study advanced courses that are offered nowhere else in Texas except at The University in Austin. Should they be allowed to enter the University?"

| | Yes, they should | No, they shouldn't | No opinion |
|--|------------------|--------------------|------------|
| | 89% | 34% | 42% |
| | 10 | 60 | 52 |
| | 10 | 6 | 6 |
| | 100% | 100% | 100% |

BREAKDOWN BY EDUCATION

| | % Who Vote "Yes" |
|---|------------------|
| Adults who have been to college | 56% |
| Adults who have been to high school, but not to college | 38 |
| Adults who have been no higher than grade school | 38 |

Negroes are included in each Texas Poll in their correct proportion to the white population.

Turbiville Offers Poem To Great Grandfather

10 years ago, Mary Holden Turbiville wrote following the death of her father in 1850. Her father was the grandmother of C. E. of Moline Route. He has been a stock Mills County for ten years, having lived in Llano County. The Eagle herewith poem that Mr. Turbiville's grandmother is great grandfather 100 years ago. The died in Virginia at the time. The poem fol-

MY FATHER

die the embers on the hearth,
and o'er the floor the shadows fall
and creeps the chirping cricket forth,
and ticks the death watch in the wall.
See a form in yonder chair,
that grows beneath the waning light,
there are the wan, sad features there,
thy pallid brow.

My father: when they laid thee down,
and heaped the clay upon thy breast,
and left thee sleeping all alone,
upon thy narrow couch of rest,
I know not why I could not weep
the soothing drops refuse to roll,
and Oh! that grief is wild and steep
which settles tearless on the soul.

But when I saw the vacant chair,
and thine idle hat upon the wall,
thy book the penciled preface where
thy eye had rested last of all,
the tree beneath whose friendly shade
thy trembling feet had wandered forth,
the very prints those feet had made
when last they fully trod the earth.

And thought while countless ages fled
thy vacant seat would vacant stand
unworn thy hat, thy book unread,
effaced thy foot steps from the sand,
and widowed in this cheerless world,
thy heart that gave its life to thee
more like the vine whose tendrils curled
more closely round the fallen tree.

Oh! Father then, for her and thee
Rushed madly forth the scalding tears;
And oft, and long and bitterly,
The tears have gushed in later years;
For so the world grows cold around,
And things take on their real hue,
Tis sad to learn that love is found
Alone, above the stars, with you.

—Mary Holden Turbiville.

NEW ROAD SOON TO LINK REGENCY AND ROCK SPRINGS

A report from our Mullin correspondent reports that according to Mrs. Glenn Nickols, the residents of the area in which she lives near Ridge are moving back their fences in preparation for a new Farm-to-Market Road.

The story is that about six miles of Farm-to-Market road will connect the Rock Springs and Regency roads and that in all probability the contract will be let in April, or no later than May.

Mrs. Nickols said that a vast amount of work has been involved in preparing for the road to go through but, in the opinion of those who will be served by the road, it will be well worth the effort.

Entered as Second-class Mail Matter at the Post Office at Goldthwaite, Texas, under the Act of Congress, March 3, 1879.

Any erroneous reflection upon the character, standing, or reputation of any person, firm or corporation which may appear in the columns of this newspaper will be gladly corrected upon due notice of same being given to the Publisher personally at office.

OUR POLICY ON WHAT'S FOR SALE

This subject will come up from time to time and we shall have more to say about it later, but right off the bat, the Eagle hereby goes on record as making it clear that its news columns and its editorial columns are not for sale. We are anxious to sell as much advertising space as we can possibly sell; we have to do that in order to keep our feathers. By the same token, however, we believe that the integrity of our part in American journalism can be maintained only if it is understood that while the Eagle will sell advertising space, it will not sell news or editorial space.

For example, this policy means that if a man proclaims his candidacy for public office, it will be regarded as news and so published, without charge. If his campaign makes news, that will be reported too. If a candidate has statements that he wants to reach the people and if, in our editorial judgment, they are not newsworthy, then the candidate can buy advertising space to sell his product, just as a merchant buys space to sell his wares. Part of the business of this newspaper, part of its responsibility, is to cover and report the news. The only charge for that is a subscription to it, or a nickel over the counter for a copy of the newspaper. We shall cover and report the news objectively, but our news columns would not be objective if we allowed anybody to buy space in them. Our editorial columns are for the expression of our own opinions, policies and positions on matters of public concern and so, just as our news columns are not for sale, the editorial columns are not for sale either.

THE BIG NEWS OF SOIL CONSERVATION

This newspaper has been devoting considerable time recently to learning as much as possible about the work of the Brown-Mills Soil Conservation District. Since our land is our greatest asset, we believe that the soil conservation work under the Chairmanship of J. H. Priddy of Mullin, and directed here by Ben R. Day, is just about the most important material activity among us.

The 1949 Report of the Brown-Mills Soil Conservation Board showed that of approximately 3,390 farms and ranches in the District, only 823 have permanent conservation plans. A few more have been added, of course, since the 1949 report was drafted, but there still is a long way to go if the goal of saving our remaining land is to be attained. The guiding principles in the whole soil conservation movement are based on placing authority and responsibility for it on the local communities and on seeing to it that the program should be entirely voluntary and democratic.

Accordingly, how long it will take for the soil conservation program here to reach its objective of saving man's greatest material resource depends upon the voluntary assumption by the land owner of responsibility for applying soil conservation practices on his own land. His obligation is not only to himself; it is to the entire community, for the welfare of all of us depends upon the land on which our livestock are raised and in which our crops are grown. Without them, there would be no reason for any of us to be here. We intend to publish as much news of the soil conservation program as we can get, and we plan to do all we can to encourage the voluntary use of the soil conservation means that are so readily at hand.

THE 1950 MILLS COUNTY RODEO

To write now of making dates for June 8, 9 and 10 seems to be dealing with far distance, but time passes so swiftly that before we know it, it will be Rodeo time in Mills County and those June 8, 9 and 10 dates will bring both fun and education. As a news story in last week's Eagle reported, the Mills County Rodeo Association again will stage the Rodeo as a memorial to our war veterans. The 1950 Rodeo also will serve to point up the importance of livestock in our home county economy. A number of men will be working very hard between now and June 8 to assure the success of the 1950 Rodeo. Their only reward can come from a successful event. Everybody can help to make the Rodeo successful by making a date to be there, even this far in advance. A program deserving of public support already is being worked out and every effort will be made to stage a spectacular kick-off parade in Goldthwaite on June 8 and to put on good nightly shows for three nights in a row out at the Jernigan Arena. So, make a date with yourself for the Rodeo.

WHEN THE OLD BIRD WAS YOUNGER

10 YEARS AGO—

(Taken From Eagle Files, March 22, 1940.)

One of the biggest land deals made here recently was completed this week when B. H. Egger of Ridge and Brownwood purchased the Forsythe Ranch of 3500 acres from Robert C. Scott.

POLL TAXES DROP

Poll tax payments in our district took a drop in most of the counties compared with receipts issued two years ago. Of the 23 counties we have reports from, 15 of them show lower poll payments than two years ago, while only 8 showed an increase.

The counties reporting a decrease include: Brown, Coke, Coleman, Kendall, Kerr, Lampasas, McCulloch, Menard, San Saba, Sterling, Uvalde, Schleicher, Gillespie and Runnels.

On the other hand, increases were noted in Concho, Irion, Kimble, Mason, Tom Green, Val Verde, Edwards and Real. Figures have not been received from Mills, Llano, Bandera or Sutton.

ECONOMY SIGNS

The House rose up last week and repulsed two non-essential money bills which would have cost the taxpayers hundreds of millions of dollars. One, to dish out \$37,000,000 to help local communities finance a rural library service was defeated by only three votes. The other, to provide \$80 million annually (\$400,000,000 estimated eventually) to subsidize mining operations, was voted down by a margin of 29 votes. My vote helped to defeat both of these.

It seems to me that library service is purely local in character and should be financed by local communities and the various States, most of which are in better financial condition than is the Federal government. If Uncle Sam is to help on these things, he must borrow the money because he is now operating deep in the red.

ODDS AND ENDS

Texas Congressmen have been getting a certain amount of good-natured ribbing in the cloak rooms about why nearly all of us voted against Statehood for Alaska recently. Some facetiously claim we did it because if Alaska is admitted Texas would no longer be the biggest State in the Union.

Among recent visitors to our office have been: Corp. Donald E. Nichols of Brady, Miss Polly Norton of Llano, E. L. Wildman of Kerrville, C. R. Brace of Menard, A. E. Wells of Sonora, R. K. Green of Santa Anna, Mr. and Mrs. Joe Stein of Fredericksburg, Jack Hight and Walter Fraker of San Angelo.

The Commies got no comfort from a bill the House passed last week which will help protect our national security against theft and misuse of vital security information. It would fit cases like Alger Hiss, who was tried for perjury, not for the theft and misuse of government documents. Only two votes were recorded against the bill—Marcantonio and Powell of New York.

An

Acknowledgement

The Eagle this week received a gracious and generous compliment from Mr. James C. Wilkerson, Jr., of the Comanche Chief. It warmed the cockles of our heart to have our neighbor at Comanche note the efforts of the old Eagle to preen his feathers and we take this space to thank him for his kindness in writing words that were pleasant to read, but which modestly forbids us to print. Come on down, Mr. Wilkerson, so that the Eagle may have a chat with the Chief.

SUPPORT YOUR RED CROSS

The Eagle's

By The Editor

Only a few days ago Malcolm Jernigan of the Mills County Commission Company was in The Eagle's Aery talking Rodeo. The editor understood every word he said. A couple of days later, the compliment of the call was returned and, so help him, the editor couldn't understand a word Mr. Jernigan was saying as he talked into a P. A. mike. As he sat comfortably in his blue and white box with a lot of sheep baling around below him. The editor thought he had seen everything, but he had to come to Goldthwaite and attend a livestock sale at the Headquarters of the Mills County Commission Company to find himself astonished all over again.

If it had not been for Stub Stubblefield, the editor might have found himself with some sheep he didn't want, merely because of the wink of an eye, a nod of the head or a hand raised to scratch an ear. Mr. Stubblefield not only warned the editor how not to commit himself to buying sheep but, astounding as it may sound to those who do not attend livestock auctions, Stub was able to understand Mr. Jernigan. What amazed the editor almost as much as anything else was the fact that Mrs. Fred V. Wall of Star, who sat calmly beside Mr. Jernigan amidst the hubbub, seemed to know what was going on. Mr. Stubblefield said she did.

Maybe you go to livestock auctions and if so, you won't want to bother to read on. But if you do not, then take it from the editor that every Friday and Monday afternoon there is a truly remarkable show just on the south edge of Goldthwaite. Down there in the arena before Mr. Jernigan there was a goat who knew more about what was going on than the editor. The goat led sheep for sale in and out of the pen, and when I asked Mr. Stubblefield if the goat was a member of the Jernigan staff, he said yes, he was. Maybe it should be "she" was.

When the editor arrived to pay his return call on Mr. Jernigan he thought for a moment that he had arrived at the "Hit Parade." A lot of men and a few ladies were seated on tiered benches, taking it all very complacently. The editor is going to have to go back to find out how things happened. All he knows now is that after Mr. Jernigan had been making like the man on the "Hit Parade," it suddenly became clear that sheep had been sold to Mr. McKnight for \$11.70. How Mr. McKnight got said sheep was a mystery to the editor. The same goes for how Cunningham became a purchaser, also at \$11.70, how a hog went at \$16.10, and how 91 pairs of ewes and lambs went at \$18.50. It was all very bewildering to the editor.

So much was going on that the editor couldn't go round getting all the names but down in the arena there was a highly talented man with what the editor thought at first was a walking stick, such as gentlemen carry in the Easter Parade on Fifth Avenue in New York. Whatever that talented man in the arena calls his cane, he would wrap the crook of it

around a sheep look at the show way the Doctor's tummy is up. Mr. Jernigan has the talent with him, but he was not looking at the sheep. He was looking at the P. A. More information about the talents of the sheep, was given by the editor of the Mills County Commission Company. The editor is firmly identified with Stub Stubblefield, who is the editor in the

SEVENTH AND EIGHTH GRADE
 We had the last of our three weeks tests Friday. (History.) We sure hope we all passed. The H. E. girls served us some candy Friday. It was certainly good. Thank you, girls, and please try it again some time!

Several girls of this room are spending the night with each other. Hope they have a good time. The mothers and fathers have our greatest sympathy.

FRESHMAN NEWS
 The Freshmen were all very proud of their term themes that they wrote in English. The themes were "The Story of My Life," by each pupil. They were very interesting and Mrs. Tavilion found some pupil's lives very amazing at certain points of their life. Two of the freshmen didn't write on their lives. We are looking forward to the History themes.

We are proud to say that Chester and La Ray are back from their sickness.

SOPHOMORE NEWS
 The Sophomores are proud Meiba Miller is back in school after being sick. They hope that Mary Whitehead will soon be back.

In English we are studying about commas. Our themes in English are due Tuesday, March 21st.

JUNIOR NEWS

The Junior girls enjoyed serving at the "Father-Son" Banquet. We have been working on the Junior - Senior Banquet; but must really get busy now as it is getting rather close at hand.

SENIOR NEWS

The Seniors have been doing fine lately. They are ready for their Six Week's Test and then for the next big go-round and out into the world for them. We hope they are successful.

H. E. REPORT

Last Friday the H. E. class made candy. Group one made divinity, group two, nut brittle, group three, peanut butter, and group four made fudge. The candy was served to the grammar school. All the H. E. girls enjoyed making and sampling it.

GIRL SPORTS

The girls are still working for the Mullin Tournament. Every one wishes them the best of luck.

F. F. A. NEWS

"What Does the Future Hold For the Community of Star?" was the theme of Mr. Henry Pass' address to twenty-five fathers, sons and guests at the first annual Father and Son Banquet given by the Star Chapter of Future Farmers of America, Friday night, March 17th.

Mr. Ross is professor of Agriculture Education at Texas A. and M. College. Other guests were Mr. J. B. Payne, Area supervisor for Vocational Agriculture, Stephenville, who praised the chapter highly on its conduct of such an occasion, and several of the board members including Wesley Woodard, E. I. Crumbled LAY MASH \$3.85
H. E. MORELAND AND SON FEED STORE

Members present were Sammy Owens, who presided, Bill Beard, Vice President; John H. Owens, Reporter and Historian; Joe Williams, Treasurer; Delbert Decker, Secretary; David O'Neal, Song Leader; James and Merlin Munday, Davis Owens, Ernest Rickles, James V. Kinchloe, La Ray Clary and Advisor, J. C. Yeary, Jr.

A very delicious turkey dinner was served by the Junior and Senior Home Economics girls, and prepared by the ladies of the School Lunch Room. The chapter voted their thanks to both the girls and ladies.

The Chapter extends its thanks to every one who helped make their banquet the success that it was; mothers, brothers and sisters who furnished supplies and stayed alone so that Dad could be with us.

ACT YOUR AGE

When the armed forces of the United States left America for foreign lands, the men who were told that in addition to being an example of the might of America, they were also good-will representatives. The people of England, France, Germany, Australia, Japan, China, and other nations of the world where Americans served, judged the American people by the actions of the "Yank" soldiers.

In that same light, though the situation is somewhat different, the people of Star and other towns and cities judge Star school by the actions of its students.

If we, the students of Star, do foolish and childish things on the streets of Goldthwaite; in the theatres; in the churches; then those who observe our silly actions will judge that Star is a school without order and discipline.

When you leave the grounds on a bus, in your car, or on foot, consider yourself an agent of good-will for Star school. Make an effort to create a good impression in both voice and actions. On the impression you make will depend the impression outsiders will have of Star; and making that impression favorably rests entirely in your hands.

Local Scouters

Attend Pow-Wow

Walter R. Langston, Jr., Charles Conrad, Dr. T. C. Graves, and Brantley Hudson of Goldthwaite, and Wray E. Williams, Jack R. Cooksey and Rex Williams of Mullin, attended the regular monthly Pow-Wow meeting of the South District, Boy Scouters, that was held last Monday at Richland Springs. These present discussed the South District Jamboree, to be held in San Saba April 15 and 16, and the Scout Circus to be held in Brownwood on May 6.

RECIPE OF THE WEEK
HUSBAND-TESTED RECIPE
 by Mary Lee Taylor

Vegetable Noodle Rabbit
 2 cups noodles
 2 cups boiling water
 1 1/2 teaspoons salt
 1/2 cup condensed cream of celery soup
 1/2 cup Fat Milk

3 tablespoons vegetable liquid
 few grains pepper
 2 cups grated American cheese
 No. 2 can asparagus, drained

Cook noodles until tender in boiling water and salt. Mix in saucepan the soup, milk, vegetable liquid and pepper. Add 1 cup cheese; stir over low heat until cheese melts. Drain noodles; put on heat-proof platter or into shallow baking dish. Pour half of sauce over noodles. Arrange drained asparagus over noodles. Pour rest of sauce over asparagus. Sprinkle remaining cheese over top. Broil 6 inches from heat about 5 minutes, or until cheese is melted. Serve hot. Makes 4 servings.
 *Chicken or mushroom soup also can be used.
 **Green beans can replace asparagus.

"Please send another bottle of
Liquid Garlic, also send a bottle
to my sister-in-law, Mrs. Hulda
C. Dutton, 45 Atwater Terrace,
Springfield, Mo.
"I have some good reports to
make on the effectiveness of
garlic used. Mr. Turner, Texaco
dealer here has taken two bot-
tles and is much better, his
blood pressure down about 60
points. Mrs. W. F. Nelson, San
Benito, who was in bad shape, is
also very much better and her
blood pressure down consider-
able. This garlic works, and you
are doing a fine job of produc-
ing it for the benefit of those
suffering from high blood pres-

R. E. Clements Tells About First Morse Telegraph Line Here

By R. E. CLEMENTS

The first telegraph line through this section of the state was built from Austin via Lampasas, Senterfit, Williams Ranch, Brownwood and on to Fort Concho (later San Angelo) about 1874. The office at Williams Ranch was in the Florida (Hutch) Hotel, and the operator was Hallie Hutchinson, a teenage daughter of the proprietor.

Later the line was converted into a telephone line and the office was moved to my father's drug store. The entire equipment consisted of only one telephone nailed on the wall of the store which was built of raw lumber. It was considered the longest telephone line in the world at that time.

I very well remember as a barefoot boy climbing up on a box, taking the receiver off the hook and listening to the talk going on.

It is quite a jump from that lone telephone at Williams Ranch to our systems today of telegraph, telephones and radios encircling the globe, with television on its way to successful operation.

Mr. and Mrs. Jim Randles, their daughter, Cheryl, and his mother, Mrs. Edith Randles, of Hardesty, Oklahoma, were weekend guests of Mr. and Mrs. Lynn Nix and Earlene. They also visited other relatives and friends while here.

Mrs. O. R. Kendall, who has been with her husband who is in the hospital at Temple, spent the week-end in Goldthwaite. When Mr. Kendall improves, they will transfer him to a hospital at Memphis, Tennessee.

EBONY NEWS—

By Clementine Wilmeth Briley
Spring has been halted in her march by cold snaps, sand storms, and drouth. The frost of last week singed the lilacs, but did not hurt the beauty of the rebuds.

Percy and Ernest Russell had corn up to a good stand. It was bitten some by the frost, but seems to be coming back all right.

We haven't had full report on damage to fruit yet. Henry Griffin said their orchard was still in the bud. He didn't think it was killed.

Though rain is badly needed here, grain still looks good. As we came down the Russell Hill Friday Wallace Perkins' luxuriant grain field was a feast to the eyes. It was being grazed by a fine herd of cattle.

Dale Reid has a rather large acreage in grain, and it is a beautiful green. It is also being grazed by cattle.

Clayton Egger is keeping his grain grazed pretty close by a fine flock of sheep.

Mr. and Mrs. Arle Egger and Bobby Zane of Star, Mr. and Mrs. Cecil Egger, and Mrs. J. R. Briley met at the home of Mrs. Edna Dwyer Wednesday night for a good old friendly neigh-

borhood visit.
Mr. and Mrs. Edward Egger are spending most of their time at Brownwood at the bedside of his father, Wister Egger, who has been quite ill for two weeks or more.

The last report from Ira Egger says that he has been unusually well the past week.

Ernest Malone returned Tuesday from a week's stay at San Antonio where he attended a revival at the San Antonio Gospel Tabernacle Church.

Mr. and Mrs. Arle Egger and Bobby Zane of Star spent Sunday with Mr. and Mrs. Hulon Egger. Mrs. Hulon Egger and her children, Marianna and Woodie Dean, and Mrs. Arle Egger attended church here Sunday morning. After church they took Mrs. Edna Dwyer home with them. Mrs. Arle Egger was driving that beautiful new car which they purchased after Bobby Zane won the championship in the Houston Fat Stock Show.

I was thrilled when I read both in the Brownwood Bulletin and in the Dallas News that work had started on the low-water crossing of the Colorado River on the Brownwood-Richland Springs Road. That isn't far from us, and if we get a paved road that near to us, we'll feel like we are elected.

PERSONAL PARAGRAPHS

Mr. and Mrs. C. S. Miller of Big Valley had as guests in their home over the week-end their children, Mr. and Mrs. Gordon Miller of Plainview; Mr. and Mrs. Doyle Saul and three sons of Plainview; Mr. and Mrs. E. E. Wesley and daughter of Littlefield; Mrs. C. K. Jones and baby of Kingsville and Mr. and Mrs. Wincl Page of Goldthwaite.

Mr. and Mrs. Jesse Saegert and children returned Monday from Seguin where they spent several days with their parents, Mr. and Mrs. J. F. Saegert and Mr. and Mrs. E. E. Behrendt.

Mrs. Fred Barton had her children, Mr. and Mrs. Al Barton of Colorado, Texas, Margaret Barton of San Antonio and Ernest Barton of Waco during the week-end.

Mrs. Eugene Dyas and little daughter, Loydene, met Mrs. Lee Dyas at Burnet Saturday. They went to Rock Springs where they attended the Senior class play. The latter's son, Bobbie, is a member of the Senior class. While there they were guests of Mr. and Mrs. Hardin Tobin and Mr. and Mrs. Monte Kirkland. They returned home Sunday.

Bradford Moving Western Auto Store

V. C. Bradford said this week that during the next two or three weeks his Western Auto Associate Store will move south to its new location next door to the Pontiac Agency on the east side of the Square, which also is operated by Mr. Bradford.

When the move is complete, Mr. Bradford said, he will have not only a modern store, but a larger stock from which his customers may make selections.

County School Nurse Giving Immunization

County School Nurse Mrs. John L. Gwin reminds the parents of children of pre-school age that during the coming week she will be at Mullin, Priddy and Star to provide immunizations. Mrs. Gwin will be at the Mullin school on March 27, at Priddy on March 28 and at Star on March 30. She again emphasizes the importance of the physical preparation of children for school, including immunizations and check-ups by the family physician and dentist.

H. D. CLUB

The club members and their husbands and some invited guests enjoyed last Thursday night in the Hart home playing progressive forty-two. Some didn't progress very fast and others sat at all the tables. We were served pop corn and cookies which every one really enjoyed. We hope to have more parties in the future as it will soon be summer time "maybe."
Our club will meet with Mrs. Glenn Lewis the twenty-eighth of this month. We are expecting a good meeting. Don't forget the place, date and hour.
Meet with the reporter; so every one can find the way from town.
Meet at one o'clock for our journey to Mrs. Lewis' home.
—Reporter.

Sunday guests in the home of Mr. and Mrs. Marsh Johnson were Mr. and Mrs. J. M. Walker of San Saba, Mr. and Mrs. T. G. Kuykendall of Cherokee and their grandson, Jimmie Kuykendall of San Antonio and Mrs. Emma Lou Stroud of Shreveport, La.

Mrs. W. O. Holland was in Dallas and Fort Worth several days last week attending market.

World-Wide Church

Lesson for March 26, 1950

GOD WORKS his purposes out in ways that not even the wisest of his servants can foresee. A beautiful example of this is the way Paul went to Rome. Long before he saw that city he wanted to preach there. All roads led to Rome, as they do to all world capitals, and people went there from everywhere.

World Horizon

When Paul writes to his "pen-friends" at Rome (15:22-29) of a projected trip to Jerusalem and Spain, taking in Rome on the way, he was laying out a trip to the east and west ends of civilization, the jumping-off places. His plan was as ambitious as if a modern evangelist would write to some church in India: "I Dr. Foreman aim to visit Iceland and Japan, and call on you on the way out."

Bond Voyage

PAUL EXPECTED to go to Rome a free man, his ticket (so to speak) reading on through Spain. Actually that was the end of his run. He went there under military guard, prisoner under sentence. The story is all there in Acts, how first he was jailed for protection from a blood-hungry mob, then kept in jail on general principles (which is to say, the governor kept hoping he would pay well for an acquittal), and finally appealed to Rome, the highest court of the empire. Appeals were expensive and slow, then as now.

But Paul must have come to look at his imprisonment, false as it was, as a heaven-sent opportunity to make that journey to Rome. It was a gilt-edged accident insurance. Free, he might never escape the plotters and reach Rome alive. Chained, the efficient Roman army would see that he arrived—and he did.
Four pairs of eyes were on him night and day. No plotters could stick him with a dagger or shove him overboard. So—after some hair-breadth escapes to be sure—he was delivered safe and sound in the very city of which he had been dreaming all these years.

The Church at the Hub Of the World

THERE IS NOTHING at all in the New Testament to indicate that the church at Rome was considered, by Paul or any one else, as The Church, or the Mother Church. There is no claim that it was founded by St. Paul, still less by St. Peter.

It grew, as other churches grew, by infiltration. Christians who moved to the big city would get together, and there the church would be. Yet, of course, the Roman church was important.
It was important because it was at the hub of the civilized world. Paul did not seem to mind it in the least, that he could work only inside his prison, or "confined to quarters."

Writing from his jail cell to the Philippians, he mentions converts from the army and from the imperial slaves. ("Caesar's household" in Phil. 4:22 does not refer to the Emperor's family, but to the retinue of palace slaves.) We know from the letter to Philemon that Paul converted at least one "jailbird" named Onesimus.

The True Church Is A Marching Church

PAUL KNEW that a soul is a soul, sitting in the emperor's chair or waiting at the emperor's table. God is no respecter of persons. But he also knew that these Christian soldiers would not always stay in Rome; that even Christian slaves would be sold down the river; that the restless feet which brought their owners to Rome would take them away again. Great cities are like that.

Putting down Christianity in Rome was not like putting a single seed into a sheltered corner of the garden. It was like scattering a handful of it to the breeze, to be carried far and wide. Paul's vision is still the vision of the church at its best. The true church marches on, along the high-roads and byroads of the world.

We shall never be content with a narrow, sheltered Christianity. We cannot be satisfied with half-world religions. Only world-Christianity matches the grandeur of the New Testament ideal.

Rev. Hilliard Preaches To Methodists On Sunday

The Rev. J. R. Hilliard, Superintendent of the Kerrville District of the Methodist Church, will preach at the First Methodist Church in Goldthwaite next Sunday. Mills County is included in the Kerrville District.

While here, Brother Hilliard will conduct the last Quarterly Conference of this year. Since he is nearing the end of his sixth year as District Superintendent, Brother Hilliard will return to a Pastorate, for which he will be designated at the annual session of the Southwest Texas Methodist Conference in June.

At the morning Service of Worship at the Goldthwaite Methodist Church next Sunday, the Male Chorus of the Methodist Men's Club will provide special music. Ben R. Day, President of the Methodist Men's Club, will direct the singing.

In connection with the impending end of the District Superintendency of Brother Hilliard, the Rev. Ed H. Lovelace, Pastor of the First Methodist Church in Goldthwaite, said that the Kerrville District is one of the largest in Texas, extending from Star to Carrizo Springs, a distance of 312 miles. The District, at most points, is 100 miles wide. To serve his District, the Superintendent must drive about 40,000 miles each year.

Under the Superintendency of Brother Hilliard a notable record has been established, Brother Lovelace said. The Kerrville District has been divided into five sub-districts. Brotherhoods have increased from two to 28, with eight of them chartered. Enrollment in Church Schools has increased from 4,400 to 7,300, and the Kerrville District led the Conference in its support of the Methodist Assembly and Wesley Foundation. It is in second place in the Conference in support of the Advance, and the Kerrville District has shown great growth in the work of the W. S. C. S. and the Wesleyan Guild. Building projects for both Church edifices and parsonages are in progress in many places, Brother Lovelace said, in reviewing the accomplishments of

Brother Hilliard's District Superintendency accomplishments made in but little years.

During the past year of Brother Hilliard's District Superintendency the District has increased to 11,000. There is an increase of around 100 per cent in the number of churches and parsonages and other buildings in the Kerrville District since the Stewardship of Hilliard.

Hamiltons Have Family Golden Wedding Day

joyful goings-on last weekend at the home of Mr. and Mrs. D. A. "Allie" Goldthwaite when their children, sons-in-law and grandchildren rallied to celebrate the Golden Wedding of the Hamiltons.

Wicker than at the reporter. But last Sunday, Mrs. "Allie" Hamilton made the reporter feel better by expressing the preference of looking at him, while pictures were being taken, instead of at Mrs. Wicker. How Mrs. Wicker feels now is something that may never be known.

Here for the Hamilton Golden Wedding were Mr. and Mrs. Roy Bell Hamilton of Houston, Mr. and Mrs. Barney A. Hamilton of Kingsville, Melvin P. Hamilton of Kingsville, Mrs. Fay Lindecum of Kingsville, Mr. and Mrs. George Willis of Comanche, Mr. and Mrs. Tommy Helcombe of Dallas. Unable to attend the reunion was R. E. "Dick" Hamilton of Kerrville. Two of the Hamilton children are deceased.

The youngest member of the party was Tommie Joe Willis, 3. The real heart-breaker was Barney's daughter, Mary Charlotte, who is 5. When this reporter was trying to get all the Hamiltons sorted out, he asked Mary Charlotte if she was Barney's daughter. "No," she said, "I am my mother's daughter." If he had not fallen already for her Grandma, the reporter would have lost his heart promptly to Mary Charlotte.

Mr. Hamilton was born in Parker County on November 21, 1878. For both the Hamiltons, the Eagle wishes many, many more happy wedding anniversaries.

Although he was unable to join in the family reunion on Saturday, the Hamiltons' Golden Wedding Day, R. E. "Dick"

GOLDTHWAITE FFA MEETING HELD

On Wednesday, March 15, thirty-five members of the Goldthwaite F. F. A. chapter met in the vocational agriculture building of Goldthwaite High School in a regular meeting. Jimmy Hays, chapter farmer, was installed as president of the chapter. The former president, Jacky Burkes, graduated at mid-term.

Vernon Whitley was then elected vice-president and installed to that post. A committee was appointed to take suggestions for the father-and-son banquet to be held some time in April. Max Booker was elected sentinel, an office similar to the watchdog in some organizations.

Entertainment for the evening was two peanut races by several of the boys and a boxing match between Billy Sebolt and Ted Dennard. Billy Sebolt won the bout.

Betsy Glass Says "I Am Seven" At Party On Wednesday

Twenty small friends of Betsy Glass, daughter of Mr. and Mrs. T. M. Glass, gathered at the Glass home last Wednesday afternoon to celebrate her seventh birthday anniversary.

The theme of the party, with Mrs. Glass as producer, was the circus. Favors all had the circus touch and there was even a merry-go-round birthday cake with, of course, seven candles. As part of the circus idea, there was a coke stand.

"Happy birthday, Betsy. It is very important to be seven."

Hamilton did arrive from Kerrville late on Sunday to felicitate his parents. Mrs. Dick Hamilton has been ill and for that reason her husband missed out on the main festivities.

To Honor Veteran For Soil Conserving

As part of the "Save Texas and Save the Soil" program, a committee cooperating with the Brown-Mills Soil Conservation District next Monday will select a veteran from the G. I. School in Goldthwaite for honors in soil conservation work. Another veteran from Brown County will be selected for similar honors and he will compete with the Mills County winner for the District award, according to Soil Conservation Ben. R. Day.

John Robert Mauney

—Eagle Photo by Wicker Studio.

He is only six weeks young but John Robert Mauney, son of Mr. and Mrs. I. W. Mauney of Mauney's Cabins, Goldthwaite, already has had some fishing expeditions planned for him. His Dad likes to fish and so does John Robert's nearest neighbor, who happens to be the editor of The Eagle. The editor certifies that John Robert Mauney is just about the quietest neighbor he ever had. Something else unusual about John Robert is that he lets his visitors do all the talking. John Robert Mauney was born only last February 10. The above photograph was made by the Eagle photographer, Mrs. B. C. Wicker, when John Robert was one month old.

 Edwin Drucekhammer, who lives near Democrat, shined a waterway through his wheat field last April with his plow. As soon as it was completed, Paul Koshi helped Mr. Drucekhammer seed the waterway to King Ranch bluestem. An April snow-brought the seed up to a mud, but the sunflowers tried take over. Mr. Drucekhammer mowed the weeds and the grass withstood the long drought of summer. Two diversion terraces were built last fall but terrace construction will be delayed until summer, after the bluestem grass becomes well established. Mr. Drucekhammer has fenced the waterway so that controlled grazing can be practiced. The seed will be harvested from this waterway and scattered in his bulldozed pasture. This waterway covers 2 1/2 acres and will carry runoff water from 70 acres of cultivated land.
 Lee Priddy plowed out his waterway last fall and seeded it to a temporary cover of Italian Rye grass. When a permanent cover of perennial grasses are established, Mr. Priddy will construct his terraces. John Jackson has shaped a natural drain through his field and sodded it to Bermuda grass. C. W. Holden of the Pompey group sodded Bermuda grass in a natural drain that cut a corner of his field.
 In the Washboard Group, Charlie Swindle and Cecil Parson are seeding KR bluestem in their waterways and sodding Bermuda grass in the critical sections where excessive washing will take place. Roy Weidner is using a natural drain that has been fenced out and established to native grasses for his terrace outlets.

A well established terrace outlet is the foundation of a permanent terrace system. Where terraces do not outlet on to permanent pastures, a prepared waterway is usually the next best choice. Experience has proven that it is desirable to establish a permanent cover of grass in the waterway before terraces are constructed to empty into the waterway.

R. G. HENDRYS HAVE 40TH ANNIVERSARY IN CALIFORNIA

Mr. and Mrs. R. G. Hendry, former residents of Center City, celebrated their 40th Wedding anniversary Sunday, March 12, at the home of their daughter, Mrs. David Armantrout of 1702 South Mayflower, Monrovia, California. It was also a family reunion, being the first time in 4 years that Mrs. Hendry had all her children and grandchildren together.

A buffet dinner was served at 12 o'clock. The centerpiece was a lovely bouquet of daffodil and primulas, with a miniature bride and groom. A lovely decorated wedding cake was cut by Mrs. Hendry.

Those present were Mr. and Mrs. David Armantrout and son, Richard of Monrovia; Mr. and Mrs. Lee Hendry, son and daughter, Terry and Sheila of South Gate, Ar. and Mrs. Bill Hendry, Robert and Roberta of Delano; Mr. and Mrs. Jack Cook, Harry and John of Lynwood; Mr. and Mrs. Eugene Daniels and Lynda of Delano and Mr. and Mrs. R. G. Hendry of Monrovia.

Mr. and Mrs. R. G. Hendry left Texas, 18 years ago but will be remembered by many friends and relatives of Goldthwaite and Center City.

Mrs. Laura Hunt and daughter, Mrs. Ina May McDowell, Ben Palmer of Blackwell and Mrs. Lizzie Bateman of Okla., visited in the homes of their brothers, Joe A. and Harry Palmer.

Mr. Will Perkins and children of Brownwood came Sunday to see his sister, Mrs. Maud Newbury. They all attended church at Mt. Olive, Sunday.

Fire Department Douses Small Blazes

Twice during the past week the prompt and loyal members of the Goldthwaite Fire Department dropped what they were doing and answered alarms to small fires.
 On Friday, March 17, a small fire was smoldering on the roof of the Jim Weatherby home. Apparently caused by a tossed cigarette, the tiny blaze was extinguished before it could burn through the roof.
 Last Monday, the Fire Department also was called to put out a trash fire behind the Post Office. The fire had threatened to get out of control.
