**The Eagle's Eye**  
By H. R. Ekins

the course of trying to get Eagle to press this week I clearing my desk of the as of paper on which is ten material submitted for location in this newspaper which gets chucked into waste basket because, for reason or another, it does make the grade. One pub- handout from the Asso- d Plumbing Contractors Texas, Inc., gave me pause, ever. It was entitled, "The Cicles of Plumbing."

ow, this week probably has a record for the number of days when there was no thing as indoor plumbing Mills County. I dooked bitter- at the 800 words from the ocated Plumbing Contract- of Texas, Inc., and I rem- bered that the plumbing our house is frozen so solid t if ever the thaw follows orther, we are going to e a deluge.

urthermore, there is going e a deluge of comment from e readers unless I get busy i set to right some matters at have to do with weather, e have been through the est winter drouth that ever e recorded in Texas. e dry spell was on a very way when we started to put e week's Eagle together. ere was nothing to indicate at there would be rain or any er sort of what the weather ecasters—the meteorologists elight in calling precipita-

When Lida Byrne turned in usual weekly contribution, "Hillside Mission," it said that 1940 populave no rain because of age was 20. That was Lida Byrne's average was 20 and since she is in total mand of "Hillside Mission," e contribution was set in type. ut there has been precipita- e snow came. True are strictly ough, there has been no rain. ut there has been "precipita- e snow came. True are strictly ough, there has been no rain. ut there has been "precipita-

A similar explanation also was given for "Rog's Corner." Right regular business on this page Mr. R. E. elements has a poem entitled, "All Signs Fail." When the sleet nd snow descended upon us about week, Rog's poem already was in type. I think it is a good poem. So, I decided that despite the "precipitation," the poem at was written so carefully by r. Clements would get print- ed anyway.

Last week, when there was no rain, we let Ben R. Day of the Goldthwaite Work Unit of the United States Soil Conservation Service get away with talking about raindrops in the "News of the Brown-Mill Soil Conservation District." We could have taken many a crack at Mr. Day about how he was dwelling on the effects of rain after a period of more than four months in which there had been NO rain. But we refrained from trying to "pay up" Mr. Day's copy. My thought now is that if Mr. Day could get away with what he got away with last week, then surely, Rog's Corner could stand just as it was written before the "precipitation" came.

Now that the explanations about Hillside Mission and Rog's Corner are out of the way, I have no intention of getting into any argument about either one of them. Maybe Lida Byrne is right, but I'll leave that to the theologians. As for Rog, I reminded him of an old-timer who came to the Eagle office one day and said that the last spell really was nothing. "You're right," he said, "I can remember back when it never did rain!"

(Continued on Back Page.)

**Rog's Corner**  
**ALL SIGNS FAIL**  
... of rain, lately, ... been mighty good. ... so far, all have failed. ... rain! We wish it would. ... dark blue skies, ... the double layers of cloud, ... round the moon, ... and frogs hollerers loud. ... the ground a-sweatin' ... and my old bones are achin' ... sure as you were born."  
... as Mark Twain said:— ... there's nothing to do ... about it!"  
... let's do the best we can ... get along without it.

## FFA Lambs Score At Fort Worth As All Calves Finish In Money

All of the calves from Mills County that were entered in the Southwestern Livestock Exposition at Fort Worth placed in the money—in the \$20.00 brackets or better—and the Eagles Chapter of the Future Farmers of America, the Goldthwaite High School, took the Reserve Championship for a carload lot of lambs.

The results of the Mills County efforts at Fort Worth, as they were announced by Y. B. Johnson, Jr., teacher of vocational agriculture at the Goldthwaite High School, were as follows:  
Kenneth Wesson, second place in the middleweight division for Aberdeen-Angus calves.  
Bill Parker, third place in the heavyweight division for Aberdeen-Angus calves.  
Merion Reynolds, fourth place in the heavy weight division for Hereford calves. John Car-

## Cotton Problems To Be Topic Of Friday Meeting

An important meeting at which experts of the United States Department of Agriculture and of the Extension Service of Texas A. and M. College will discuss the problems of cotton planters will be held on Friday afternoon of next week at two o'clock in the District Court Room of the Mills County Court House.

Cotton planters and all of those who may be interested in planting cotton anywhere in Mills County have been urged to attend the meeting by W. R. "Bill" Shipp, who operates the Priddy gin.  
Working with Mr. Shipp on arrangements for the meeting is L. F. Bain, of the Production-Marketing Administration of the Department of Agriculture.  
Because of the present national emergency in which the United States finds itself, it is necessary to increase cotton production, Mr. Bain said. He pointed out, however, that numerous problems have to be faced, especially in this area. They include obtaining seed for cotton planting, insect control, the acreage to be planted, financing and marketing.

## Dale McCasland Wins At Houston With Two Turkey Championships

Mills County 4-H Club boys and girls covered themselves with glory in turkey competition at the Houston Fat Stock Show and Livestock Exposition this week.  
Dale McCasland of Rt. 3, with a tom, took the turkey Reserve Championship of the entire Show. Dale also scored with the Champion Senior turkey.

Other Mills County exhibitors who made them sit up and take notice at Houston were:  
Kay McCasland, who took first place, Junior tom turkeys.  
Van Wilson McCasland, 12th place, Junior toms; and 11th place, Junior hens.  
Woodson Clary, fifth place, Senior toms.  
Clyde Kerby, ninth place, Senior toms; and ninth place, Senior hens.

In addition to his turkey Championships, Dale McCasland took eighth place for Senior tom turkeys and Homer McCasland took seventh and eighth places for Senior turkey hens.  
Aaron Newton of Star took sixth and seventh places for Senior turkey hens and seventh and tenth places for Senior turkey toms.

## John F. Wigley Takes First Place In Class At Houston

Johnny Wigley of Durenville, whose Hereford calf "Scotty" won the Grand Championship at the 13th annual Spring Show of the Mills County Livestock Raisers Association in Goldthwaite last month, on Wednesday of this week won the Championship in the Boys' Shorthorn Division at the Houston Fat Stock Show and Livestock Exposition with a calf named "Snowball."

### Bryan At Fort Hood

**CECIL D. BRYAN**  
Private Cecil D. Bryan, Jr., son of Mr. and Mrs. C. D. Bryan, Sr., of Goldthwaite, has been assigned to a unit of the famous 2nd Armored Division at Ft. Hood, Texas for training. Private Bryan was graduated from the Goldthwaite High School as a member of the Class of 1946. His family returned recently to Goldthwaite from Del Rio.

## Sheriff Unveils New Car Plates Of Gold, Black

At his office in the Mills County Court House Sheriff C. F. "Stub" Stubblefield, who also, ouch, is the Tax Assessor-Collector, has some nice shiny new vehicle registration plates for 1951 and he sure does wish that everybody in Mills County would get his truck or car license early so as to avoid a rush later.  
Deputy Sheriff Clyde Cockrum took a look at the new plates this week and found that they have black letters on a gold background—the colors of the Goldthwaite High School!

April 1 is the deadline for affixing new plates to motor vehicles but, Sheriff Stubblefield says, if everybody waits until the last minute things will be in a real hurry.  
The norther actually arrived in Mills County last Sunday, Monday and Tuesday were cold (Continued on Back Page.)

## John F. Wigley Shows How Dad Acts In Tension

Just about the most jittery man in all of Mills County this week was John Fisher Wigley of Durenville, father of 4-H Club member Johnny Wigley, whose calf "Snowball" took the Shorthorn Championship last Wednesday at the Houston Fat Stock Show and Livestock Exposition.  
With his sons Johnny and Jimmy at Houston with their mother and their brother-in-law, Norman Duren, Mr. Wigley was left behind in the whirling snow of Mills County to recover from a recent illness and to take care of the stock on the Wigley place.  
Last Tuesday night Mr. Wigley telephoned to his wife in Houston so that she could hold his hand by long distance telephone. Even last Monday, while there wasn't even any sifting at Houston, Mr. Wigley was like a cat on hot bricks. By Tuesday he had built up such a head of steam that there was an aura of warmth around him wherever he went.

## Lions Club Asks That All Attend Safety Program

A program on safety, to which everybody is invited and to which members and non-members have been urged to take their wives, will be sponsored on Tuesday night of next week by the Goldthwaite Lions Club.  
Charles Conrad, President of the Club, said that the program will start at 7:30 o'clock on Tuesday night at the Hangar and that the principal speaker of the evening will be Patrolman Leon Wilson of the Highway Patrol of the Texas Department of Public Safety. Patrolman Wilson is a specialist in safety matters. Recently he inspected all of the school buses in Mills County, and only last month he conferred with Mayor Loy Long on coordinating the Goldthwaite civil defense program with that of State authorities.

## Even If Earlene Nix Won't Write, Here's A Letter, Bob Burks

Bob Burks, son of Mr. and Mrs. Clifford "Pete" Burks of Goldthwaite, must be lonely. This week the editor of the Eagle received a letter from Bob, requesting that our Miss Earlene Nix be detailed to write a letter to him—to Bob

## Starting Next Tuesday Our Boy Scouts Observe Their Big Week

Along with 2,750,000 Cub Scouts, Boy Scouts, Explorers and their adult leaders throughout the nation, Mills County Scouts will observe Boy Scout Week from February 6 through February 12 — marking at the same time their 41st anniversary.  
In Goldthwaite, plans have been made for a special program to be presented before the Parent-Teacher Association. There will be window displays at the Goldthwaite City Utilities, at Yarborough & Duren's, and at Little's. There will be a Scout Sunday observance at the First Baptist Church on February 11.  
Basic plans for local observance of Boy Scout Week were made last Sunday afternoon at a special meeting that was conducted at the First Methodist Church and that was attended by a score of men and women.  
Dr. T. C. Graves opened the meeting and then called upon Ben R. Day to present plans that the Goldthwaite Scouts might develop for their observance of the National Week. The meeting then was divided into two working groups. The Scout unit leaders made up one group and they discussed activities for Scout Week. The Cub and Troop committees made up the other group and they concerned themselves with setting up a better advancement program for Goldthwaite Scouts.

## JOHNNY WIGLEY'S SHORTHORN, "SNOWBALL," TAKES FIRST PLACE IN CLASS AT HOUSTON

Late on Thursday of this week, Johnny Wigley's Shorthorn was to compete against the winners of other divisions but the results of the continuing competition at Houston were not available as the Eagle went to press.  
Some of the results of the judging of Wednesday at the Houston Show gave gratifyingly high places to entries from Mills County.

## John F. Wigley Shows How Dad Acts In Tension

In the Boys' Show, Merion Reynolds who, like Johnny Wigley, is a 4-H Club member, took third place in the middleweight class with a Hereford steer. Fourth place in the same division was taken by W. V. Horton, Jr.  
Johnny Wigley's Mills County Champion Hereford, "Scotty," took sixth place in the heavy-weight division, Herefords.  
In the lightweight division, Herefords, Dana Saylor, also a 4-H Club member and the son of Mr. and Mrs. Lincoln Saylor of Goldthwaite, took fifth place.  
"Everybody here is in agreement that the Houston Show involves the very toughest of competition with some of the finest calves ever parading before the judges," County Agent George Reese said in a telephone call to the Eagle from the press room at the Houston Show on Wednesday.  
Norman Duren, who has the distinction of being Johnny Wigley's brother-in-law, gave enthusiastic support to the estimate of the competition at Houston as made by Mr. Reese.  
Other results in the calf judging at Houston were as follows:  
In the middleweight division of the Boy's Show, Dana Saylor also took eleventh place with a Hereford. Joe Reeves of Mullin took tenth place in the same group. In the same division, Wayne Horton took 26th and 28th places while Edward Carter took the 31st place.  
In the lightweight division, Merion Reynolds took eleventh place while freckled Jimmy Wigley, brother of Johnny, took 24th place with a Hereford calf named "Bud." Jimmy is only ten. He is the youngest member of the Mills County Expeditionary Force to Houston. In the same division, Billy Mac Newton took 25th place and the 31st place went to Edward Carter.

## MOUSETRAPS

The norther of this week sent so many mice scurrying into the Mills County Court House for shelter that County Judge Lewis B. Porter bought some mouse traps with which he intends to make himself into the Pied Piper of Goldthwaite.  
Mr. and Mrs. Allen Eckert and son, Mr. and Mrs. Edsel Bankhead of Roscoe, also Mr. and Mrs. Fate Eckert, Mr. and Mrs. Fred Thomas and Mr. and Mrs. Leo Morrissey of Goldthwaite visited Mr. and Mrs. Loyd Eckert Sunday.

not the editor, Bob, we have handed the assignment to Miss Nix, but what happens is something else again, since there is a limit to the editor's control over the members of his staff Bob is at Antelope Creek Ranch at Bill, Wyoming. He inferred in his letter that while it is okay to print Robert L. Steen's photograph on the first page of the Eagle he, Bob Burks would prefer to see pictures of calves. One man's meat is another man's poison, Bob, and here at the Eagle we try to be impartial.

**WHAT BOY SCOUT WEEK MEANS**

The name of the man who said that every child is a piece of life slips our mind, but the apt thought is very much with us as Boy Scouts and Cub Scouts in Mills County prepare to observe Boy Scout Week. The Week will start next Tuesday and will continue through February 12. All of us will have reminders of Boy Scout Week as we see displays planned and arranged by the Boy Scouts and Cub Scouts themselves in the windows of Yarborough and Duren, Little's and of the Goldthwaite City Utilities. On Sunday morning, February 11, our Boy Scouts and Cub Scouts will attend Divine Worship in a body at the First Baptist Church in Goldthwaite. Other activities have been planned for Boy Scout Week.

The Week ahead is of significance not only to the Scouts and their adult leaders, but to all of the rest of us as well. For every growing boy is a potential part of the history of this city, of this County and of this nation. The history of years that still stretch far before us, to the extent that it will be made by human beings, crosses our path every time we see a child, who is so vital a part of life. In the guidance and character building of boys right onto the threshold of manhood, the great movement that is represented by the Boy Scouts of America has been one of the most potent forces in American life. It will continue so to be. Accordingly, we believe that Boy Scout Week in Mills County also ought to be observed by everybody, whether a Scout, a Cub, a Scouter or not—as an opportunity for recognizing with gratitude a valuable force in our national life that has helped to make America strong.

Some of the busiest men in our midst know how much Scouting has meant to our community and national life. They work with boys from the time they start out in Scouting as Bobcats until they become Eagles. The fact that men who are so busy yet find time to work with the Scouts—men such as Dr. T. C. Graves, Ben R. Day, Charles Conrad and Delton Barnett—should be all the testimony anybody might need as to the priceless value of Scouting. There are, of course, many others, aside from the boys themselves—the Den Mothers and Den Dads, the Committeemen of the various Troops, and sponsoring organizations such as the Goldthwaite Lions Club. Scouting is an integral part of America—and Goldthwaite and Mills County are better places because we have the Boy Scouts among us.

**THEY DID ALL RIGHT AT FORT WORTH**

As this page went to press this week, the returns were not in from Houston, where the projects of Mills County 4-H Club boys and girls and of members of the Future Farmers of America were competing in the Fat Stock Show and Livestock Exposition. But, except for the sales, we know that we can take pride in how well Mills County representatives acquitted themselves at Fort Worth. The Eagles Chapter of the Future Farmers of America, the Goldthwaite High School, won at Fort Worth the Reserve Championship for a "carload lot" of 15 wool lambs. All of the Mills County calves won places in the money at Fort Worth. The performance merits warm congratulations to Y. B. Johnson, Jr., the Advisor to the F.F.A. Chapter in Goldthwaite; to the members of the Chapter, and to the 4-H Club steer that Merion Reynolds exhibited at Fort Worth. The lambs were exhibited as a project of the Eagles Chapter. The calves were exhibited by Kenneth Wesson, Bill Parker, John Carothers and, as been mentioned, by Merion Reynolds. The places they took in their divisions were as high as second and third. Here is a hearty "well done" to all those concerned.

**THE FIGHT AGAINST INFLATION**

It is obvious that it will be some time before the wage controls and the price controls that have been announced by the Washington Administration can have any meaning. As of now there is no adequate relief for the consumer, who finds prices allegedly controlled at all-time high levels. Scarce buying has become a tonic for inflation. There are black markets all over the place. Too many control the other fellow, but not the economic muddles through on fair and economic controls, the people they need and when they

Last Sunday in the Payne neighborhood Jimmie, the 10 year old son of Mr. and Mrs. L. W. Faulkner, was shot in the foot and painfully, though not seriously hurt. The shooting was done by Pat Elder, the 12 year-old-son of Mr. I. H. Elder and was purely accidental. The boys were playing with an old double action pistol which was thought to be unloaded. Our informant states that the boy was not hurt much and was getting along nicely.

There is a disease through the country that is termed smallpox by some people, including some of the physicians who have been called to attend the patients, while other physicians and those who have seen the patients, say it positively is not smallpox but more like chickenpox. Even those who have suffered from the disease both recently and in former years are divided in their opinions.

Of particular interest to the farmers and ranchmen of Texas, as well as other States, is the negotiations now going on in Mexico City between Mexican officials and the American State Department relative to a renewal of a labor agreement. The confab began on January 25 and is due to last for two or three weeks.

The treaty that has been in operation has been unsatisfactory. It has been bogged down in red tape and in many respects has worked an unfairness and hardship on the employers. As it has been, the employer has had to make a bond to deliver the laborers back at a given time, but the employees have been under no obligation to remain. This unilateral arrangement has been unfair and unjust to the ranchmen and farmers.

A House Agriculture sub-committee, headed by Rep. Bob Poage, of Waco, has been probing this subject and is observing the Mexico City proceedings in an advisory capacity. The Texas Farm Bureau Federation, the Sheep and Goat Raisers' Assn., and the Cattle Raisers, have all urged an improved and more workable agreement.

Heading the State Department negotiators is Dick Ruebottom, of Brownwood. A native of Corsicana, Ruebottom is thoroughly acquainted with the practical problems of farmers and ranchmen. He will strive for the best agreement that can be obtained from the Mexican representatives.

Preceding the Mexico conference, a dozen Texas Farm Bureau men came to Washington to plug for a simplified, common sense treaty to replace the old one. Sam Allen of Lamesa, formerly of Christoval, took a leading part in the Washington talks. The Texans urged entry of agricultural workers upon work permits, then to be processed at recruiting stations on this side of the border. No unilateral bonds would be required to assure the return of the Mexican worker, and "wetbacks" would, when apprehended, be taken to recruiting stations for processing if they desired. These were among the points emphasized.

Incidentally, the Farm Bureau spokesmen also conferred with legislators about possible amendments to the Wage and Hour Act in order to allow itinerant Mexican cotton pickers to let their children work during the brief rush harvest season before returning to their schools in the Fall of the year.

By The Editor

At a time when a great many people are taking the attitude that nothing can be done about ever-increasing taxation, Raymond Moley comes along and says that we are just plumb silly if we let "High Tax Harry" hypnotize us into complacency about government spending. Years ago, when the New Deal was young, Mr. Moley was a "brain trust." But the New Deal still was young when he parted company with it. In an article that we reprint below, Mr. Moley provides some food for thought on the whole subject of just going along meekly every time somebody in the Administration says there must be more taxation because we are in a crisis. We have been in "crisis" for so long as most people can remember. Accordingly, and since Mr. Moley is an economist in his own right as well as an able journalist, we print in the following paragraphs his contention that the current demands for high taxes that have been and are being sent to the Congress are based on dubious grounds.

nomic advisers reports that the first half of fiscal that is, up to January 1951 there was a surplus of \$1.1 billion. This was despite the tax rates imposed last year that were not gone into effect until January and March. For it is probable that the heaviest tax receipts of Truman's predicted \$2,700,000,000 for fiscal 1951 will be a fairly surplus with no new tax then!

For 1952 Truman's expenditures of \$71,000,000,000 receipts \$55,100,000,000, \$16,500,000,000. Let us take this predicted deficit. It is a guess that even if Senate fails to cut the normal this huge deficit will be realized when June 30, 1952, is around. Always with the proviso that full-scale war Russia does not develop then!

There cannot be the doubt that our current national income of \$250,000,000,000 will be exceeded in 1951 and fiscal 1952 or three million additional people will be employed. Government will spend \$30,000,000,000 more and income from this will be \$10,000,000,000 more. It is anticipated, therefore, that the rate of national income will reach \$300,000,000,000 in 1951. The rule above would give us a 20 per cent greater receipts would raise the Truman total to almost \$63,000,000,000. This would add to the \$3,000,000,000 social security surplus, even without real economic 1951 deficit would be \$5,000,000,000.

This picture is not to doubt that our federal We shall have inflation. We are deluding ourselves. But that Truman's demand higher taxes is based on grounds can hardly be

For all practical purposes the cut above is an act of itself. Look at it, think of your own boy the boys you know. They are nearly three million Scouts in the United States of America.

## Art And Civic Club Luncheon To Observe Federation Day Saturday

Tomorrow, Saturday, will be observed as Federation Day by the Art and Civic Club of Goldthwaite, which will have a luncheon meeting at the Hangar.

PEGGY ROWLETT

All of the ladies of the community have been invited to attend the luncheon and invitations to the members of other clubs have been extended through their various organizations. Those who receive their Eagles on Thursday are reminded that there still is time to make reservations for the luncheon by communicating with Mrs. Brantley Hudson, Mrs. Dean Dickerson or Miss Mary Elma Fouse. Thursday is the deadline for reservations.

The guest speaker for the luncheon will be Mrs. U. L. Wille, Treasurer of the Texas Federation of Women's Clubs, of which the Goldthwaite Art and Civic Club is a member. Mrs. Wille lives in Matador.

A program of entertainment for the occasion has been arranged by Mrs. Louis Glass. It will include accordian music by Martha Carolyn Graves and some dancing numbers planned especially for the occasion by Sandra Jordan, Peggy Rowlett and Caryn Glass.

## Scallorn HD Club Completes Setup For Year's Work

Meeting on Wednesday of last week at the home of Mrs. W. B. Wooster, the Scallorn Home Demonstration Club inaugurated its work for 1951 when Mrs. Fields Hines appointed the Chairmen of standing committees.

CARYN GLASS

Miss Greta Sue Hines, Club Reporter, said that all members of the Club were present and that the afternoon was spent filling out year books, paying dues and getting organized for the work of the coming year.

After the routine business, Miss Hines conducted a discussion on "The Meaning Of Our THDA." She told of requirements and qualifications for THDA Chairmen and of the duties of the office.

Visitors who attended the meeting were Mrs. E. W. Dickson, Miss Myra Fern Dickson, Miss Alice Kelly, Mrs. McKinley Humphries, and Mrs. Elmer Scooby.

The next meeting will be held on February 28 at the home of Mrs. Ora Black.

## Self Culture Club Presents Pete Hester: Elects Mrs. Glass Prexy

Mrs. Walters "Pete" Hester of Fort Worth, daughter-in-law of Mr. and Mrs. John A. Hester of Goldthwaite, will review the book, "I'll Meet You In The Lobby," at a meeting of the Self Culture Club at the Jennie Trent Dew Library at three o'clock tomorrow afternoon, Saturday.

A former resident of Goldthwaite, Mrs. Hester, the daughter of Mr. and Mrs. W. T. Keese, is an accomplished lecturer. She has established a reputation for her interesting presentations of book reviews before organized groups in Fort Worth, Goldthwaite and Cameron.

On Thursday of last week, the Self Culture Club met at the home of Mrs. E. T. Fairman, with Mrs. E. B. Anderson in charge of a program that brought a review of Overstreet's "The Mature Mind."

At a business session, Mrs. John A. Hester, as Chairman of the nominating committee, presented candidates for office for the coming year. The slate, which was elected, was as follows:

Mrs. T. M. Glass, President; Mrs. J. M. Campbell, Vice President; Mrs. H. E. Patton, Secretary; Mrs. Ray Duren, Treasurer; Mrs. Floyd Blair, Reporter; Mrs. John A. Hester, Assistant Reporter; Mrs. Harold Yarborough, Parliamentarian.

For next Saturday afternoon's meeting at the Library, Mrs. Harold Yarborough and Mrs. Ray Duren will be the hostesses. Mrs. J. C. Evans will be the program chairman.

## Starting Next Tuesday Our Boy Scouts Observe Their Big Week

(Continued From First Page.) The Scout Week group voted to have a Scout Sunday Service at the Baptist Church on the morning of February 11 at 11:00 o'clock. The group decided that it would be better to have all the Cubs, and Scouts together in one service. It was voted that this Sunday observance be made an annual affair and that it be rotated among the several Churches from year to year.

All Cubs, Boy Scouts and their leaders will be welcome to this Service and all Scouts are expected to be in uniform. The Rev. J. T. Ayers, Pastor, stated that much of the morning message would be devoted to Scouting. Methodist Pastor Ed H. Lovelace, who was also present, said he would welcome the

other group under the leadership of Dr. T. C. Graves last summer.

Cub Pack 5 is sponsored by the Tuesday Study Club of Goldthwaite and has a membership of nearly fifty boys. The Cubmaster of the Pack is Delton Barnett. Den Mothers are Mrs. Delton Barnett, Mrs. Melvin Harris, Mrs. G. C. Head, Mrs. Howard Campbell, Mrs. L. B. Burdette, Mrs. E. O. Shepherd, Mrs. D. C. Todd and Mrs. Rex Collier. Mrs. Dave Clements is the Pack treasurer. The Pack Committee consists of Ben R. Day, C. E. Waddell and G. C. Head.

Troop 77 is a newly organized Troop sponsored by the Methodist Church. It now has a membership of 13 boys. Scoutmaster of the Troop is Ben R. Day. Assistant Scoutmasters are James Nickols and Ernest Beckham. The Troop Committee consists of Harold Yarborough, Howard Campbell, George Reese, Jesse Moreland and Bill Lane.

District officers residing in Goldthwaite are Dr. T. C. Graves, District Chairman and J. A. Hester, member at large of the Council.

Troop 46, of Mullin, is sponsored by the Mullin School, and has an active membership of 15 boys. Scoutmaster is Ray Barnett. Troop Committee consists of Wray B. Williams, A. L. Carrol and W. R. Williams.

## A Pink And Blue Shower For Lady Millard Cockrum

Mrs. T. M. Glass and Mrs. Malcolm Jernigan were hostesses for a coffee and pink and blue shower honoring Mrs. Millard Cockrum at ten o'clock Wednesday morning in the Glass home.

Coffee and dainties were served from a table laid with a pink cloth and centered with a bassinet made of pink and white dollies, banked with an arrangement of pink azaleas. All china appointments were used.

An appropriately decorated doll buggy contained the gifts which were presented to the honoree.

Several clever contests were enjoyed, and the prizes won were also presented to Mrs. Cockrum.

Miss Betty Barnett assisted the couple in unwrapping the gifts.

Out of town relatives who attended the shower were Mrs. J. N. Faith and Dixie and Mrs. Irene Christian of Kirbyville; Mr. and Mrs. W. E. Faith of Antioch, Calif.; Mr. and Mrs. Edwin Faith and children and Winston Faith, all of Austin.

Mrs. L. R. Hendry is a guest of her daughter, Mrs. C. T. Wilson.

## Mrs. Shepherd And Mrs. Wilkey Give Shower For Mrs. Christian

Mr. and Mrs. R. B. "Jimmie" Christian of Bryan, who were recently married, were the guests of honor at a miscellaneous shower given Saturday evening, January 27, from 8:00 o'clock until 10:00 o'clock in the Education Building of the First Baptist Church of Goldthwaite. The bride is the former Joy Lea Faith, daughter of Mr. and Mrs. J. N. Faith of Kirbyville, former Goldthwaite residents.

Misses Dollie and Thelma Montgomery, Dorene Kerby and Sylvia Jones assisted with the serving. Coffee, punch and cookies were served to approximately forty guests. A number of gifts were received from others who were unable to attend.

They were registered in the bride's book by Miss Ramona Flores.

During the evening, entertainment was furnished by Mrs. Sam Sullivan, who accompanied Miss Burdette on the piano as she sang several numbers. Miss Angeline Smith also favored the guests with a few piano selections.

Misses Bobbie Blackburn, Lorraine Burdette and Dorothy Helen Featherston introduced the couple as the guests arrived.

Five Generations Get Together

Mrs. A. M. Rose of Rt. 1, Goldthwaite, presided recently over a family gathering at which five generations of her family were represented. They ranged in age from a little girl who is three years old, to Mrs. Rose herself, who is 86 years young. Pictured above, from left to right, are Ernestine Farquar, 22; Mrs. Rose, Mrs. Rena Shelton, 43; Mrs. Alice Featherston, 64; and Patsy, 3. Now hold your

breath while we figure it all out. Mrs. Shelton is the mother of Mrs. Farquar and Mrs. Farquar is Patsy's mother. Mrs. Rose is Mrs. Featherston's mother and Mrs. Featherston is the mother of Mrs. Shelton. We wrote it that way just to make it hard. The easy way to list the generations from one to five is this: Mrs. Rose, Mrs. Featherston, Mrs. Shelton, Mrs. Farquar and Patsy.

### Soil Service And Co-operators Should Have The Tables Turned

(Editor's Note: It is with a deep sense of humility that the Eagle this week publishes the following letter from the members of the Board of Supervisors of the Brown-Mills Soil Conservation District. So far as the Earle and the members of our staff are concerned, we have merely published the news of what is being done by the Brown-Mills Soil Conservation District, the Co-operators with it, and the technicians of the Goldthwaite Work Unit of the U. S. Soil Conservation Service. Our editorial comments have been based on recognition of the necessity of preserving and improving our most precious heritage—the land. We would have been remiss in our duty had we failed to report the "soil" news as we have, or if we had not used our editorial columns to comment on it. We have debated with ourselves the matter of good taste in publishing the following letter and our decision to print it was based on belief that our readers would be interested. The letter follows:)

Goldthwaite, Texas  
January 22, 1951

Mr. H. R. Ekins  
Editor  
Goldthwaite Eagle  
Goldthwaite, Texas

Dear Mr. Ekins:

In reviewing the past year's accomplishment of the Brown-Mills Soil Conservation District, the Supervisors of the Board at their regular meeting in Brownwood on January 9, 1951 recognized the news stories and editorials that were published in the Goldthwaite Eagle as an outstanding contribution to the progress of the District program during 1950.

We appreciate the fact that you have been most generous with the space in your paper and that you have written articles and editorials concerning the District program in addition to the District news column. Your interest in the conservation movement is encouraging to us. We know that the readers of your paper value the news you have published. We feel that the information that you have published has caused people to be concerned about their soil and to become aware of their problem. Your editorials have emphasized and explained the importance of building up the productivity of the soil. You have called to the attention of the public the urgency of getting the conservation job done and we fully appreciate your support of the District program as the most democratic way and means of getting the job done.

In view of your fine editorials and the generous space you have given to the soil conservation movement, and because the Goldthwaite Eagle has such a high rating as a weekly news-

paper, the Board of Supervisors of the Brown-Mills Soil Conservation District is proud to enter your paper in the Fort Worth Press, SAVE THE SOIL AND SAVE TEXAS Awards Program. There will be a handsome plaque awarded to the winner.

The Board of Supervisors feels that the Mills county area is very fortunate in having a lively weekly newspaper such as the Goldthwaite Eagle. If we had as much assistance from other newspapers in this district, we know that the work would be speeded up considerably.

Again, we say thank you for your cooperation and support and we will continue to work to justify your faith in the Soil Conservation District program.

Sincerely yours,  
(Signed)

W. A. Hill, Chairman  
J. H. Priddy, Vice-Chair.  
W. M. Hancock, Secretary  
Anson Oden, Treasurer  
G. G. Goss, Member.

### Bucy Of Brownwood Gets Road Contract

Farm-to-market road number 572, which runs southeast from Goldthwaite, and farm-to-market road number 218, from a point just north of Priddy to the Hamilton County line, will be extended, graded and surfaced by A. L. Bucy of Brownwood, it was announced this week.

Mr. Bucy submitted the low bid for the work to the Texas Highway Commission. The project will involve 6.7 miles of grading, structures, foundation courses and one-course surface treatment.

The work on 218 will involve an extension of the present farm-to-market highway from Hamilton to Priddy. Plans provide that eventually it will be extended northwestward to highway number 84, intersecting at a point just south of Zephyr.

### Personals

Bobbie Stephens of Wichita Falls and a friend were returning to Austin where they are students of Texas University. They stopped for a short visit with Mrs. Henry Martin Thursday afternoon.

Mr. and Mrs. Milton Tate and Mr. and Mrs. W. W. Perkins of Duren community attended the funeral of Mr. W. E. Farmer at Austin Sunday afternoon. Mr. Farmer was a brother of Mrs. Perkins.

### San Saba Peak

Mrs. DUTCH SMITH  
Well, Old Man Winter has come at last. Every one was wondering if we would have any Winter. Well, we don't have to wonder any longer, as it is really cold here—ice, sleet, and some snow, all over every thing. News is very scarce.

Mr. and Mrs. Allen Eckert and family of Roscoe visited Mr. and Mrs. Fate Eckert over the weekend; also Mr. and Mrs. Leo Morrissey of Goldthwaite and Mr. and Mrs. Bill Eckert of Goldthwaite spent Saturday with the Fate Eckerts.

Mr. and Mrs. Dutch Smith helped their daughter paper a room Tuesday.

Mr. and Mrs. Jess Ball, little Jimmie and Mr. and Mrs. Dutch Smith visited Mr. and Mrs. Velmer Gage near Priddy after church Sunday.

Mr. and Mrs. Dutch Smith attended the funeral of a friend, J. B. Hill, Saturday, in Lometa. Granny Laughlin fell and hurt herself Friday.

Mr. Barney Laughlin and his sister came by and told us about the death of Grady Evans, son of Mr. and Mrs. Joe Evans of Lometa, who died of a heart attack. Grady was in the army and his body will be brought to Lometa for burial. His body was supposed to arrive Wednesday.

Mr. P. R. Jordan left for Paducah on business. Mrs. Jordan and Lou Etta will run the ranch while he is away. Dudley is in Houston attending the show, where he will show his Hereford calf.

Mr. and Mrs. Dutch Smith visited in the Fred Laughlin home Wednesday night.

Mr. and Mrs. Bill Hightower went to see their son, Jack, who was carried back to the hospital.

### Brownwood Girls Play Gatesville Here February 8

Basketball—a doubleheader—will be played at 7:15 o'clock on Thursday night of next week at the School Gymnasium in Goldthwaite when the girls of the Gatesville High School take on the lady cagers of the Brownwood College of Business. Miss Ada Margaret Geeslin, press agent for the Brownwood team, said the evening will be just wonderful for basketball enthusiasts since, out of 20 games, the Brownwood girls have lost only two games this season. So far they have played Gatesville twice and have split even.

Mr. and Mrs. Huckabee of Fort Worth left Sunday, after spending the weekend with his sister, Mrs. Irk Black.

### Mrs. Eula Nickols Writes To Our Mrs. Clementine Wilmeth Briley

(Editor's Note: This week Mrs. Eula Nickols revived an old custom—that of correspondence with correspondents. Mrs. Nickols addressed her letter to Mrs. Clementine Wilmeth Briley, the Eagle's Ebony correspondent. Here is Mrs. Nickols' epistle to our Mrs. Briley.)

I've been thinking for some time I would write to you through the paper like we used to do years ago. I enjoyed writing to the Eagle. I still enjoy reading it. I wish every community would write like they used to. I guess those are bye gone days. People don't have time to sit down and write. We are all living too fast. Those who ride in cars sure go fast, but "us" who walk can't go at a fast speed any more.

Your letter last week was so newsy. You hit the nail on the head about the Stock Show. Mills County really is on the map all the time in some way. I am proud of our boys and girls in their 4-H work. Some day I hope to have two grandsons with a calf or hog. Too bad we people have to stand up when we go to see the fat stock. The weather was so nice this time. I guess most every body got to see Murray Cox. I heard a person say that he came just to see him. I couldn't see that he looked any better than Robert Steen—one of Mills County raised boys.

I was glad to see how you spelled Hanna Valley. It was correct. I know you people are proud of those fine roads from Brownwood and Goldthwaite.

Years ago my father, Phil H. Clements, used to say there would be good roads to Ebony. So he was right, wasn't he?

Do you remember when we were asked to put our names at the top of our Eagle letters? We all thought it was terrible, but I think now that your name looks good, as well as everybody else's. I enjoy Mrs. Ora Black's and Mrs. Dutch Smith's letters. Also, I enjoy Miss Pearl Crawford's letters. She sends in lots of news.

I was asked last week, "Why don't you ever write to the newspaper?"

I read about taking the Christmas tree off the Court House. If this wind and dust keeps on blowing, it soon will be white, not green. I just believe people expect too much of Jess Tullos. If it ever rains he will have to have more dirt and rocks put in front of my house. (Editor's note: Now it becomes clear why Mrs. Nickols is butting up to Jess Tullos!)

I noticed last week that Rog has come alive again. Now, isn't he some poet?

It is too bad that your oil well was a failure. I guess your air castle fell. Mine used to fall in years past.

I wish I could have seen you at the Stock Show. I was there after dinner. I got so tired, standing.

When you come to our city again, come to see me. I live on North Parker Street, on the Hanna Valley road corner. Keep your news coming, for I enjoy every word.

### Chappell Hill

By PEARL CRAWFORD  
The norther which blew in late Saturday afternoon was a little tough. We have all enjoyed so much warm sunshine and bright weather until we almost forgot Old Man Winter.

We imagine G. H. Crawford and Roger Smith will be busy with their little kid goats and baby lambs.

N. C. Karnes and A. L. Crawford have some baby pigs.

It looks this Tuesday morning that we have a long, cold spell. We have had only a trace of snow and sleet. We don't know if our thermometer was just right, it being on the south porch, but the temperature stays around 10 degrees.

Al T. Langford carried a load of feed to A. L. Crawford Wednesday. W. W. Williams also visited Mr. Crawford.

O. A. Evans went to Gatesville Thursday and donated a day's work to the folks of the Church of Christ, who are building a new Church house.

Tom Stevens and son, Elvis, visited Mr. and Mrs. Luther Barrington at Brownwood. Mr. Barrington is a former resident of this community. We were happy to hear from him and his family.

Bill Partin visited his parents, Mr. and Mrs. Charlie Partin, and Thomas, Friday.

Guests of Mr. and Mrs. O. A. Evans were Clayton Crook of Dallas, Mr. and Mrs. J. C. Bramblett, Mr. and Mrs. A. L. Crawford and William G., Mr. and Mrs. Tom Stevens, William Ivy and George Barton.

Mr. and Mrs. B. F. Conner, who is spending the winter in Brownwood, came last Sunday and

### Adams Return

Mr. and Mrs. E. B. Adams returned from a trip to Georgia. Mr. Adams bought stone monument business and in Atlanta, they "looked a convention of masons and builders in the Deep South."

Misses Janie Ruth, San Antonio and Jimmie and Monette Simpson of Fort State College visited parents, Mr. and Mrs. Simpson over the weekend. Bethel Eiland, Elmer and Kenneth Johnson of Tarleton College and Hale of Goldthwaite and the Mohler Simpson family spent the week with Adams and family, Mr. and Mrs. Conner, Neal, Dorothy and Mr. and Mrs. O. A. Ad, who look visited at the W. L. Adams home. They were very happy to learn her health has improved during the last few months.

Mr. and Mrs. George visited Mr. and Mrs. Karnes and children Mrs. Gen McNeerlin and Wilton Little, Crawford.

Mr. and Mrs. B. F. Conner were at their farm since marking their stock.

Mr. and Mrs. O. A. Evans helped G. H. Crawford hog last Tuesday.

Mr. and Mrs. George were recent visitors in J. Crawford home.

We were sorry to hear much sickness around some bad colds, otherwise one around seems to be nicely.

## Long-term Investment that pays daily dividends

THESE days thoughtful people turn their minds to the durability of things they purchase. But it's rare when doing your duty turns out to be the best way to satisfy your heart's desire. That's what's so marvelous about this '51 Buick. If you picked a car just for the lift it gives you—your pride in its power—or its generous comfort—you couldn't make a better choice. But make note of this

*That gleaming new push-bar forefront*, which greets your eye with flashing beauty, contains 25 grille bars made of stamped steel, individually mounted to "give" and come back unharmed. Combined with a massive, wrap-around bumper, fortified by two stalwart "bumper bombs" and two added uprights, it gives unsurpassed protection.

*Springs of stout spiraled steel* on all four wheels let your wheels curtsy over bumps, while you ride level as a lance. But they also need no servicing, and breakage is virtually unknown.

*Buick's great-powered engine* is a Fireball, wondrously lively and eager at the mere touch of your toe—but it also wrings extra power from every drop of fuel, and has the mechanical perfection

that comes only from years of experience with this basic design. *Dynaflow Drive* gives you effortless smoothness of control—but it also eliminates clutch repair bills, saves tires, eases strain on the whole driving mechanism, from engine to differential. *The road-steady gait* of a Buick assures relaxed security—and is also evidence that you have a durable, deep-silled, X-braced frame beneath you. However you check it, you'll discover this: *The things that make you yearn for a Buick on first acquaintance, are the very same things that make Buick such a smart long-time buy.* Better see your Buick dealer—soon.

**No other car provides all this:**  
 DYNAFLOW DRIVE\* • FIREBALL POWER  
 4-WHEEL COIL SPRING • DUAL VENTILATION  
 PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE

Joe Ann Duren, Martha Carolyn Graves, Marsha Wilkins and Lathon Jernigan accompanied Director Howard E. Gill of the Goldthwaite School Band to an all-district Band Meet at Dublin on Saturday of last week. Sixteen bands from various towns in this area participated in the Meet, which included music playing in the morning and afternoon. About 155 students who had not played together before played and performed exceedingly well, Mr. Gill said.

Later this month, there will be an all-district Meet at Breckenridge, which Mr. Gill plans to attend with perhaps as many as eight students from the Goldthwaite School. They will not include the same students who participated in the Meet at Dublin last Saturday.

The Goldthwaite School Band is working hard, Mr. Gill said, for the big interscholastic Meet that will be held at Brownwood about mid-April. A precise date for the Meet at Brownwood will be announced later.

**Dickson Preaches At Center Point**

The Rev. E. W. Dickson of the Gospel Hall on the west side of the Square in Goldthwaite will conduct services at 2:30 o'clock next Sunday afternoon at the Center Point school house. The services will mark the third occasion since Brother Dickson came to Goldthwaite that he has preached at Center Point. He will be accompanied to Center Point by Mrs. Dickson, their daughter, Miss Myra Fern Dickson, and a number of others who have been attending regular services at the Gospel Hall.

**New Koshi Son Is Described By Dad As Little Jewel**

A son, Paul Norman, was born to Mr. and Mrs. Paul Koshi of Goldthwaite at the Childress Clinic at 8:05 o'clock last Sunday night. He weighed four pounds and 14 ounces at birth and his proud Dad described him as "a little jewel."

Mrs. Koshi had returned only 1 1/2 Friday from her fourth stay in several months at a San Saba hospital. But Mrs. Koshi and her new son were reported this week to be doing splendidly.

The maternal grandmother of young Paul Norman Koshi is Mrs. George Blackburn of Goldthwaite. The paternal grandparents are Mr. and Mrs. Philip T. Koshi of Denver, Colorado.

Mr. Koshi, a technician with the United States Soil Conservation Service, is a specialist on grasses. But this week his mind was on his "little jewel" of a son and he was leaving the center to survive a hard northern winter as best as they could.

**Bible Class Singing**

W. C. Frazier, Song Leader of the Goldthwaite Downtown Men's Bible Class, reminded everybody this week of a cordial invitation to attend the regular fortnightly Singing of the Class at 7:30 o'clock tonight, Friday, at the Baptist Education Building on Fisher Street. Cake and coffee will be served to those who attend the Singing, Mr. Frazier said.

**Eagle To Costa Rica**

Another country was added to the list of those to which the Eagle is sent each week when J. T. Soules, son of Mr. and Mrs. Luther Soules of Rt. 1, Goldthwaite, sent an address at which he will receive the Eagle in San Jose, Costa Rica. Mr. Soules is with the food production division of the Institute of Inter-American Affairs — an agency of the Department of State through which American "know how" in agriculture is provided to farmers of other nations.

**Nothing Better Than Good Food, Says Ohio Man**

If a man isn't able to eat the foods he likes he's in mighty sorry shape — imagine going through life without being able to enjoy a fine big platter of bacon and eggs. That is the way Joseph N. Damillot, 3414 E. 5th Street, Dayton, Ohio, used to be, but since he has been taking HADACOL, he says he feels just fine and is able to enjoy lots and lots of fine foods. Mr. Damillot found that taking HADACOL helped his system overcome a deficiency of Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin and Iron.

Here is Mr. Damillot's statement: "My first bottle of HADACOL convinced me that HADACOL was what I needed for the gas on my stomach at nights. I could not keep food on my stomach, but after the first bottle I was going great. Now I eat bacon and eggs, and other foods that never would stay with me. I also can sleep well at nights. Thanks to HADACOL I will never be without it, and can recommend it to all who suffer with the above ailments that I had. I know because I have suffered for quite some time."

**Houston Chronicle Features Jim Bob Steen, Egger And Johnson**

Last Sunday's magazine section of the Houston Chronicle published a lengthy feature article entitled, "Where Are The Champs of Yesteryear?" As past winners of Grand Championships at the Houston Fat Stock Show and Livestock Exposition, Jim Bob Steen of Goldthwaite, Robert Henry Johnson of Goldthwaite and Bobby Zane Egger of Star had prominent places in the article.

Included in the picture layout that accompanied the article was a two column photograph showing "the biggest money winner of all time," Bobby Zane Egger. The caption for the photograph said: "Part of the \$15,400 paid him went toward the purchase of more Herefords and sheep while the rest is salted away till he can get into full-time farming and ranching." Three of Bobby Zane Egger's Herefords were shown in the photograph.

Of Jim Bob Steen, the article had the following to say: "My plans for the future are ranching," says the 1947 winner, Jim Bob Steen of Goldthwaite.

A rancher at Texas A. and M. Steen is majoring in animal husbandry. He bought government bonds with most of his \$15,000 prize money, but used part of it toward his schooling.

The reference in the article to Robert Henry Johnson was as follows:

"I had planned to be a dentist, with ranching on the side, but Uncle Sam may have other plans for me," admits 1948 winner, Robert H. Johnson, also of Goldthwaite, a sophomore at Baylor University in Waco.

"Some of my \$12,500 prize money went toward purchasing 60 registered Ramboulett sheep, 35 registered goats, a good horse, horse trailer, and

all the equipment for calf roping, but I can't tell for sure about the future."

The top prize of the stock show's history was paid last year, a \$15,400 prize going to

14-year-old Bobby Zane Egger of Star, Texas.

Glenn McCarthy, who purchased the animal, set a national record for an individual buyer by paying young Egger that price.

With the money, Egger has now bought 30 head of Herefords, 200 sheep, and has the rest salted away for use after he finishes his schooling and can get into full-time farming and ranching.

# Annie Laurie Petsick Composes Prayer To Aid In Time Of Crisis

(Editor's Note: Miss Annie Laurie Petsick of Goldthwaite, who teaches at Alvin but who regards herself as only temporarily absent from "home," has been deeply moved by the emergency confronting our country. As a contribution toward giving all of us the strength we need and must have, Miss Petsick has written a Prayer. The Eagle is privileged to publish Miss Petsick's Prayer in full.)

## A PRAYER FOR 1951

By Miss Annie Laurie Petsick

Our Heavenly Father, God of all nations and all peoples, as we face the fateful year of 1951, we call upon Thee as the only real solution to the problems facing our world. Our cry now is not alone for peace but for existence, for survival—survival of the Christian nations and of the Democratic way of life.

You alone, our Father, can know the full menace to freedom and equality for mankind, existant behind the cruel iron curtain, and the direful menace to Christianity as well. You alone can see how the pernicious influence of the atheistic groups is spreading not only among peoples of tinted skin and slanting eyes but among peoples of the Western World, even seeping into and undermining our very own Stars and Stripes with its evil thought.

God of Kindness, Love and Mercy but also of Justice, we confess to Thee the sins of our beloved America. How good you have been to us as a nation; how you have showered upon this land undreamed of resources and resourcefulness. As we look about us and see everywhere evidences of Thy loving kindness and Thy mercy, we are made to realize anew our sin in allowing our land to become so corrupt. We confess to Thee that our American morals have fallen to a shameful depth; our resources are misused; Thy Word is neglected; Thy day is desecrated; Thy name dishonored; and we, as a nation, have ceased to love Thee our God, as we were commanded to love Thee, with all our hearts, with all our souls, with all our strength, with all our minds; and our neighbors as ourselves.

We are frightened, Lord, when we recall the fate of Thy chosen people, Israel, when they fell away in spite of Thy loving kindness. Then we would ask first of Thee that Thy people, those of us who are called by Thy name, should humble ourselves and pray for Thy forgiveness and for Thy help in this time of dire need.

Help, we pray, our Leadership—the President, the Congress, and the Military of our land. Give them wisdom and insight to prepare for the struggle in front of us—a struggle without

precedent in human experience. Help them to formulate concepts and policies that will not only be adequate to cope with physical and military strength hidden behind the Iron Chrtain but to destroy, in Thy name, the bigoted atheism that is causing this chaos. Our leaders need now, Lord, more than ever, the wisdom, the patriotism, and the courage of the "Father of our Country" in crossing the "Delaware" ahead.

We need Lincoln, Lord. May his spirit "walk abroad at midnight", uniting and inspiring again his "Union"; we need Woodrow Wilson with his dream of universal brotherhood and peace—not universal war and hate; and then we need the composite wisdom and international diplomacy of F. D. R. and of all our other great statesmen.

In these times when great leaders are so badly needed—"times that try men's souls" we say with J. G. Holland:

God, Give us Men! A time like this demands strong minds, great hearts, true faith and ready hands;

Men whom the lust of office does not kill;

Men whom the spoils of office cannot buy;

Men who possess opinions and a will;

Men who have honor; men who will not lie;

Men who can stand before a demagogue and damn his treacherous flatteries without winking!

Tall men, sun-crowned, who live above the fog in public duty and private thinking;

For while the rabble, with their thumb-worn creeds, their large professions and their little deeds, mingle in selfish strife, lo! Freedom weeps, Wrong rules the lands and waiting Justice sleeps.

Then, Lord, bless our fighting men—our dear American boys who have grown up around our firesides, laughing and happy, with no desire for war or conquest. In this crucial hour help them to recall the many times in the history of the world when Thy hand has saved civilization by defeating the enemies of Christian liberty. When Gideon defeated the Midianites at Moreh; Ahab, the Syrians in Samaria, Hezekiah, Sennacherib at Nineveh; and, in more modern times, when the Spanish Armada failed and when the English were saved at Dunkirk. Thy power did what men could not do. Help our men to remember these examples and help them to take courage in the fact that they are not fighting for greed or for personal advancement but in defense of Christianity and the principals of freedom and justice for all peoples. Then help each to rely solely on faith in Thy might—not their own.

Lastly, Lord bless us, the

ordinary citizens, men, women, and children of these United Nations that we may each be imbued with the spirit of our own Patrick Henry when he said, "Give me Liberty or give me death."

Help us to humble ourselves and to pray until You, our Father, will hear from heaven and will heal our land of war, of hate, of greed, and of unbelief and sin.

### Stuffed Eagle

At a huge Mexican eagle was shot by Bennie Bob on the slopes of San Saba last December is back the taxidermist and it week Mrs. Barnes an impressive sight in Loy Long Grocery, where it is displayed. The eagle has stuffed with evident skill mounted on a miniature it looks startlingly natural. The ultimate disposition of the eagle will be has not decided, as yet, but for the being, it will remain in store that is operated by the Bob's Dad.

Argument as to whether the eagle was Mexican apparatus has been settled. "It still is a Mexican eagle," Mr. Loy Long said this week. "So, there has been absolute challenge to the claim Bennie Bob's eagle is the first ever to have been shot these parts."

At the time he bagged his, Bennie Bob was accompanied by Billy Mac Stark. The Bob shot the big bird of with a 22 rifle while Lloyd was in Goldthwaite in the of a high powered rifle which he had intended to an end to the depredations the eagle on various ranches.

### Social Life

Members of the Future Homemakers of America at the Star of are planning a party at the Star Future Farmers America will be the guests of the Star F.F.A. boys been hosts to the F.H.A. and the young ladies now arranging to return the compliment. The Star Future Homemakers of America threw a party for the F.H.A. girls as they as Thursday night of last week, according to all reports a wonderful time was had.

Mr. and Mrs. L. V. Benningfield moved into their new home recently completed last week on Faulkner Street. They had as weekend guests her brother, Mr. and Mrs. Leslie Faulkner and children of Dallas.

### Barbara Blackburn Studies All About Journalism As Girl Scout

Barbara Blackburn, 14, daughter of Mr. and Mrs. R. G. Blackburn of Goldthwaite, spent last Wednesday afternoon at the Eagle office observing the mechanics and the headaches of getting out a newspaper so that she could qualify for a Girl Scout merit badge in journalism. Miss Blackburn, who is a member of Girl Scout Troop III, already has ten merit badges to wear on her Girl Scout uniform. She has been a member of the Girl Scouts for three years. She is President of her troop.

After Miss Blackburn had been studying journalism at the Eagle for an hour and 16 minutes last Wednesday afternoon, the editor, who has been trying to learn something about it for 32 years, asked: "Have you learned anything today, Barbara?"

"Yes sir, quite a lot," she replied. "I certainly have enjoyed it, too."

Then, Barbara wrote the following article:

**By BARBARA BLACKBURN**  
The Girl Scouts of Troop III met on Tuesday afternoon of this week. Despite cold weather, eight girls were present. We discussed our out-door cooking badge. Barbara Blackburn reported on her clerk badge and Kathryn Horton reported on her architecture badge. (Barbara, be it noted, spelled architecture correctly. She did not use a dictionary. She looked it up in her Scout Book.)

Kathryn is the first girl to become a First Class Scout, although it won't be long before all of the members of the Troop are First Class Scouts.

We certainly thank the girls of Troop II and their Leaders, Mrs. Jemmie Shoemaker and Mrs. Yeager, for giving us their meeting day. (Barbara did not know how to spell Mrs. Shoemaker's name and she did not know Mrs. Yeager's front name.)

### Star Basketball Teams Show Class

Steady improvement by the boys basketball team of the Star School is being shown these days. On Tuesday night of last week the Star boys played Lometa and won by a score of 39 to 34.

The girls basketball team at Star also is surging forward. On Friday night of last week the Star girls played Evant and while they lost, it was by a narrow margin. The Evant boys also defeated Star—again by a close score.

The Star teams now have Conference games coming up against Mullin, Cherokee and Lometa.

Mr. and Mrs. L. V. Benningfield moved into their new home recently completed last week on Faulkner Street. They had as weekend guests her brother, Mr. and Mrs. Leslie Faulkner and children of Dallas.

Washington, D. C. December 21, 1950

- Establish 40 hour week for yardmen with increase of 23 cents effective October 1, 1950, and additional 2 cents effective January 1, 1951.
- Set aside 40 hour week agreement until January 1, 1952, and establish 6 day work week for yardmen. Effective with the first pay roll period after 30 days from the date of execution of the formal agreement, yardmen required by the carrier to work on the 7th day to be paid overtime rates except engineers who shall receive straight time rates for the 7th day. This does not create guarantees where they do not now exist. On and after October 1, 1951, three months' notice to be given of desire to go on 40 hour week. Provide for consideration of availability of manpower and 4 cents per hour if and when the 40 hour week actually becomes effective.
- Settle yard for 40 hour week and 6 day week.
- Grant yard conductors and brakemen other rules such as daily earnings minimum, car retarder operators and footboard yardmasters as recommended by Emergency Board No. 81.
- Settle following rules: Initial Terminal Delay (Conductors and Trainmen) Interdivisional Runs Pooling Caboose (Conductors and Trainmen) Reporting for Duty More than One Class of Service Switching Limits Air Hose (Conductors and Trainmen) Western Differential and Double Header and Tonnage Limitation (Conductors and Trainmen, all Territories)
- Road men to receive 5 cents per hour increase effective October 1, 1950 and additional 5 cents per hour increase effective January 1, 1951.
- Quarterly adjustment of wages on basis of cost

of living index (1 point to equal 1¢ per hour. First adjustment April 1, 1951; Base to be 176).

- Agreement embodying principles applicable to yardmasters to be entered into for benefit of yardmasters.
- Effective October 1, 1950, the basic hours of dining car stewards shall be reduced from 225 to 205 hours per month; no penalty overtime to accrue until 240 hours have been worked; the hours between 205 and 240 to be paid for at the pro rata rate.
- Effective February 1, 1951, overtime at time and one-half shall accrue after 220 hours have been worked. The basic monthly salary to be paid for the 205-hour month shall be the same as that now paid for the 225-hour month. Except that four dollars and ten cents (\$4.10) shall be added to the present monthly rate effective January 1, 1951.
- In consideration of above, this agreement to be effective until October 1, 1953, and thereafter until changed or modified under provisions of Railway Labor Act. Moratorium on proposals for changes in wages or rules until October 1, 1953, as follows:  
No proposals for changes in rates of pay, rules or working conditions will be initiated or progressed by the employees against any carrier or by any carrier against its employees, parties hereto, within a period of three years from October 1, 1950, except such proposals for changes in rules or working conditions which may have been initiated prior to June 1, 1950. Provided, however, that if as the result of government wage stabilization policy, workers generally have been permitted to receive so-called annual improvement increases, the parties may meet with Doctor Steelman on or after July 1, 1952, to discuss whether or not further wage adjustments for employees covered by this agreement are justified, in addition to increases received under the cost of living formula. At the request of either party for such a meeting Doctor Steelman shall fix the time and place for such meeting. Doctor Steelman and the parties may secure information from the wage stabilization authorities or other government agencies. If

the parties are unable to agree at such conferences whether or not further wage adjustments are justified they shall ask the President of the United States to appoint a referee who shall sit with them and consider all pertinent information, and decide promptly whether further wage increases are justified and, if so, what such increases should be, and the effective date thereof. The carrier representatives shall have one vote and the employee representatives shall have one vote and the referee shall have one vote.

- If the parties cannot agree on details of agreement or rules they shall be submitted to John R. Steelman for final decision.

The usual protections for arbitrators, miscellaneous rates, special allowances, and existing money differentials above existing standard daily rates will be included in the formal agreement.

The foregoing will not debar management and committees on individual railroads from mutually agreeing upon changes in rates, rules and working conditions of employees covered by this agreement.

Goldthwaite Methodists Attend Dedication Services

Rev. and Mrs. Ed H. Lovelace and Dr. T. C. Graves, representing the First Methodist Church in Goldthwaite, will go to Dallas next week to attend the dedication of the new \$3,500,000 Perkins School of Theology Quadrangle at Southern Methodist University. The quadrangle pictured above. The insets show Mr. and Mrs. J. J. Perkins of Wichita Falls, for whom the new training school for Methodist Ministers has been named. They are long-time benefactors of SMU and principal donors to the development of its theology school facilities.

Brother Lovelace said that in addition to the delegation from the First Methodist Church in Goldthwaite, it was expected that the dedication ceremonies would be attended by the Rev. C. H. Hogan of Star; the Rev. J. P. Adair of Mullin; the Rev. George Cray of Lampasas; and the Rev. O. F. Kattner of Lometa. The new School of Theology Quadrangle will be dedicated on Thursday of next week. It consists of seven buildings, including a Chapel, dormitories, library and study halls.

J. B. Hill Dies After Operation, Funeral Saturday

J. B. Hill, a brother of Mrs. Everett Holland of Goldthwaite, died in a hospital at Odessa on Friday of last week while undergoing surgery after an illness of eleven days.

Funeral services were conducted on Saturday afternoon of last week at the Lometa Baptist Church. The Rev. Bland Kirby, Pastor, officiated. He was assisted by the Rev. J. T. Ayers, Pastor of the First Baptist Church in Goldthwaite. Interment was in the Center Cemetery, near Lometa, with arrangements by the Fairman-Wilkins Funeral Home of Goldthwaite.

In addition to Mrs. Holland, Mr. Hill is survived by his mother, Mrs. R. E. Hill of Lometa. He was born in Lometa on November 28, 1907. His father died eleven years ago.

For the past three years Mr. Hill had been employed by an oil well company at Odessa, where he was a member of the Masonic Lodge. At the interment in Center Cemetery, Masonic Rites were conducted by the Lometa Lodge.

Pall bearers for the funeral were Norbourn Stockton, Bill Whittenburg, Oren Potts, Uel Potts, Willard Potts and Charlie Chamberlain.

Gromatzky Joins In Bill About Liquor

If you have been reading your daily newspapers you will have noted that Representative Arthur Gromatzky was one of the members of the legislature who gave his signed support to a measure that would provide for quite a lot of printing on the labels of liquor bottles. The measure in support of which Mr. Gromatzky joined would provide for printing such as the following on liquor bottle labels:

"Warning—do not overindulge—alcohol may be habit-forming."  
"Danger—do not drink and drive—the life you take may be your own."

The measure was entitled, "An act providing for the more effective means for the education of the people of this state."

The proposed labels would go on bottles of beer, wine, whiskey, gin and so on—and not in fine print, either.

Some of the reporters at Austin have dubbed the measure the "learn while you drink bill."

Alton L. Gatlin Called By Death While Visiting At Mother's Home

Alton L. Gatlin, who had come to Mills County as a small boy and who always had claimed Goldthwaite as his home, died suddenly while visiting at the home of his mother, Mrs. A. J. Gatlin, last Sunday. He had reached his 68th birthday anniversary only eleven days before his death.

Funeral services were conducted last Monday afternoon at the First Methodist Church in Goldthwaite, with the Rev. Ed H. Lovelace, Pastor, officiating. Interment was in the Rock Springs Cemetery, with arrangements by the Fairman-Wilkins Funeral Home of Goldthwaite.

In addition to his mother, Mr. Gatlin is survived by three sisters and two brothers. They are: Mrs. J. S. Bowles of Fort Worth; Mrs. O. L. Woody and Miss Love Gatlin, both of Goldthwaite; O. C. Gatlin of Brownwood; and J. O. Gatlin of Plains. Three nieces and two nephews also survive.

Mr. Gatlin was the eldest son of the late A. J. and Lula Louis Gatlin. He was born at Luling in Caldwell County on January 17, 1883. For many years he was a cotton buyer, which kept him traveling a great deal. Before becoming a cotton buyer, Mr. Gatlin was engaged in the grocery business in San Saba and Goldthwaite.

Pall bearers for the funeral were Will Woody, Dow Hudson, Oscar Holland, Charlie Bryant, Brian Smith and Sam P. Sullivan.

Personals

Rev. J. T. Ayers and family left Monday morning for Devers where he is engaged this week in a revival.

Mr. and Mrs. V. O. Tolle and children of Houston left Sunday after spending a few days with her parents, Mr. and Mrs. Jim Kelly.

Funeral Services Held Last Sunday For Uriah Edgin

Funeral services were conducted last Sunday afternoon in the Mt. Olive Church for Uriah F. Edgin, 76, of Lometa, who died after an illness of three days in a Brownwood hospital on Saturday of last week. Interment was in the Mt. Olive Cemetery.

Mr. Edgin, who had lived in Mills County for most of his life, is survived by two sons, Cecil Edgin and J. T. Edgin, both of Lometa; a daughter, Mrs. Ruby French of Mullin; and two sisters, Mrs. Duce Ross of Goldthwaite and Mrs. Lou Turner of San Angelo.

Piano Concert

Monte Hill Davis, pianist, will be presented in a concert at 7:30 o'clock on the night of February 15 at the Grammar School Auditorium in Goldthwaite by the Bach and Junior Schubert Club, it was announced this week by Mrs. Sam P. Sullivan. The Goldthwaite Lions Club also will sponsor the program, Mrs. Sullivan said.

Distinguished Clergymen Speak Baptist Church Monday Night

Distinguished visiting clergymen—the Rev. Taylor of San Angelo and the Rev. Levi Price of Coleman—will address the Mills County Baptist Workers Conference Monday night at the First Baptist Church in Goldthwaite. The conference will start at 7 o'clock with a Board Meeting and a session of the Women's Missionary Society, the Rev. J. T. Ayers, Host and Conference Moderator.

The theme of the Conference program is "Evangelism." Brother Ayers said, and both of the visiting speakers will discuss the overall Baptist goal of 250,000 converts and reaffirmations in 1951.

Mrs. Laura Hunt of Blackwell was here over the weekend visiting her brother, Joe Palmer and other relatives.

Personals

Miss Norma Sue Ross of S.T.S.T.C. at San Marcos was a guest of her parents, Mr. and Mrs. Allen Ross, during mid-semester vacation.

Sgt. and Mrs. Jack Simpson of Waco were weekend visitors with their parents, Mr. and Mrs. O. B. Bell and Mrs. Elam Kelly. Miss Scottie Vaughan of S.T.S.T.C. at San Marcos was a guest of her parents, Mr. and Mrs. H. T. Vaughan and family, and her sister, Mr. and Mrs. Floyd Daniel, during mid-semester vacation.

Mmes. Auda Osborne and Guy Johnson of Iranan spent Saturday and Sunday morning with their mother and brother, Mrs. C. F. Williams and Bill.

Mr. and Mrs. Hap Arrowood were called to Kermit Tuesday of last week where their daughter, Mrs. Elton Roberts underwent an emergency operation.

**"STRENGTHEN LIBERTY"**

The Boy Scouts—2,750,000 strong—are re-dedicating themselves to the ideals of America as expressed in the Declaration of Independence and the Constitution, and symbolized by the Statue of Liberty.

Scouting is a movement born "of the people, by the people, and for the people." That is why it goes from strength to strength, year after year, "Strengthen Liberty."

17,500,000 Americans have been in Scouting since 1910.

Pancakes with Sausage Patties  
Broadcast: February 3, 1951

1 1/2 cups plain pancake mix  
1/2 cup Fat Milk  
1/2 cup water  
1/2 lb. bulk pork sausage

1/2 cup rolled oats  
1/2 cup Fat Milk  
1 teaspoon grated onion  
1/2 teaspoon dry mustard

Put the mix into bowl. Stir in mixture of 1/2 cup milk and water. Do not beat until smooth, as overbeating toughens pancakes. Bake on hot, slightly greased griddle or in heavy skillet, until bubbles appear and edges are cooked, then turn and brown other side. Makes eighteen 4-in. cakes. Meanwhile, mix sausage with rolled oats, the 1/2 cup milk, onion and mustard. Shape in 8 flat patties. Brown slowly on both sides in hot, greased skillet. Serve with pancakes and syrup. Makes 4 servings.

You Will Need:  
Fat Milk, Pancake Mix, Bulk Pork Sausage, Syrup.

News Of The Brown-Mills Soil Conservation District

An eccentric disc developed by the Soil Conservation Service, was scheduled to the Brown-Mills and Upper Leon Soil Conservation Districts the past week so that trials could be set up to test its value in seed bed preparation for grass seedlings. Six farmers in the Goldthwaite Work Unit area used the disc on their farms to prepare observation plots.

The eccentric disc is easily made from a regular one way disc plow by removing every other disc and making another hole two inches off center in the disc to be used. The discs are staggered on the axle in such a way that the ground is left pitted when the tool is used. The land is left in good shape for grass seed plantings. King Ranch bluestem and the Oklahoma bluestem mixture will be used on the observation plots made.

Herman Jones will seed KR bluestem on the land that he plowed with the eccentric disc in an old cultivated field that he had seeded to grass last year. He will scatter the grass seed that he harvested from his own place on the plot during the first week in March.

Kurt Jenkins used the eccentric disc on four acres in an old field that had grown up in

needle grass. George Gibert set up about a one acre plot on George Fletcher's ranch in an old turned-out field.

Charles Dudley had an old field that had not been plowed in 15 years. He used the eccentric disc on it to prepare a seed bed for KR bluestem and bluestem mixture seed.

E. J. Drueckhammer wanted to scatter his KR bluestem seed in a trap pasture so the eccentric disc was used on a small area to test its value for seed bed preparation.

W. A. Hill set up an interesting test plot on his home place in a small pasture where the brush had been cleared but very little grass took over. Mr. Hill was able to use the disc on about four acres in the pasture which he will seed with KR bluestem seed hay during the first week in March. Mr. Hill thought the pits made by the disc would hold a good rain and seedlings would have a fair chance of surviving the first summer.

Den R. Day, Work Unit Conservationist of the Goldthwaite Work Unit says that the eccentric disc may solve one of the problems that farmers have in getting grass to grow in old fields and bare pastures. He points out that experience has shown that a good seed bed is necessary for successful grass plantings. Best results have been obtained when the grass was seeded on a clean, firm seed bed like any other crop.

### Old Friday Walker Lets Go With Both Barrels On Many Subjects

Editor's Note: Liss "Old Friday" Walker, now of Austin but formerly of Mills County, again has let himself go—with both barrels—in a "Letter To The Editor." Mr. Walker's letter follows.)

Dear Editor of the Eagle:  
 How is the Dam Yank feeling? By now, I guess you have heard that until you are getting used to it. You know, two of the best people I ever knew were what some persons would call Dam Yanks—but I called them Father and Mother. When I hear people make derogatory remarks about other Americans I just ask the Lord to forgive them as they do not know what they do—they make errors of the head and not of the heart.

Well, it seems there is no end of war in sight. But there could be, if our leaders would quit playing politics and throw that U. N. out, take things into their own hands and go bomb Russia into submission. That would stop the Chinese war, which is being backed by Stalin, as we all know too well. Then there would be no one left to carry out the Yalta agreement to start a war before each election as has been going on for too long. Any-

way, if this is not done, there will be a real War next year that we may not survive as England may quit us — since they think we are not going to continue to keep them up.

Now, here is a word to all the old-age pensioners and their friends: Come out in the open, find out just who are getting pensions that don't need them, get their names and addresses and send them to your Representatives in Austin. And don't forget that the first thing they did when they met here in Austin was to raise the salaries of everybody except the Old Folks. Some who don't need it are getting \$50.00 per month. Some who do need all they can get are getting \$6.00 per month. The law says that pensions shall be paid in accordance with needs. With the high cost of living, who is getting that? Let's all think and act.

Here is a joke that you may not have heard: A man walked into a place and said, "Truman has raised taxes." Another man knocked him down. Every time the first man tried to get up, the other man would knock him down again. Finally the victim asked, "What are you beating

me for?" The other man said, "Because of what you said." So the victim said, "Well, I only said Truman raised the taxes." "Oh," the second man replied, "I thought you said Truman

was raised in Texas!"  
 Now, with a hello to all of my old friends in Mills County, I will sign off.

## Brother "Joe" Emery, Everybody Sure Was Glad To Have You Home

The Rev. Joseph L. Emery, Pastor of the Riverside Baptist Church in Houston, and Mrs. Emery, were welcome visitors in Goldthwaite this week. Brother Emery is a former Pastor of the First Baptist Church in Goldthwaite.

While snow was flying through the air in Goldthwaite last Wednesday morning the word spread around town that "Brother Joe is back." An Eagle reporter tracked him to Hill's barber shop, only to find that his locks had been shorn and he was on his way.

A posse of trackers was organized and when the trail led to the Delton Barnett Ranch in Jones Valley (Rattler), the

search was called off until veterans of the 10th Mountain Division could be organized.

Counsellor E. B. Gilliam, Jr., an old friend of Brother Joe and Mrs. Emery, provided the information that the returning pilgrims were guests of Mr. and Mrs. V. C. Bradford. Sure enough, Mrs. Bradford confirmed that piece of intelligence and supplied the good news that "Brother Joe" and Mrs. Emery would remain in Goldthwaite at least until today, Friday.

If you could have been in on all of the excitement that attended the word of your presence in town, Brother Emery, it would have warmed the cockles of your heart. Mrs. Emery's, too.

## Try To Freeze A Square Dancer And You'll Find It Can't Be Done

Despite the arrival of the worst norther of the season, the Goldthwaite Square Dance Club met last Monday night at the American Legion Hall and the turnout was large enough to demonstrate that nothing will discourage a Square Dancer.

Those present spent part of the evening acting as if they had been in Vermont. They gathered around a big, wood-

burning stove. They hotted up coffee, and popped corn. And all the while several new figures of square dancing were being practiced.

The snow drifts may be high, but the Goldthwaite Square Dance Club will meet again next Monday night at the American Legion Hall with Horace Taylor of Hamilton, formerly of Goldthwaite, as the Caller and Instructor.

My chief problem at the moment is the plumbing at my home. I talked to Harry Allen about it and he said to "open up all the hydrants." Mr. Allen, I couldn't do that with dynamite. Which, by the way, is what

I would like to use on the Associated Plumbers Contractors of Texas, Inc., who think that there is some sort of a miracle in plumbing. I wish there were.

Mr. and Mrs. R. V. Littlepage were Sunday afternoon guests in the home of Mr. and Mrs. Elmo Littlepage at Llano.

## Weather

(Continued From First Page.) and windy with temperatures so low that many business establishments reported that they had suffered because of lack of patronage. Early Wednesday morning, sleet started to fall, and throughout most of Wednesday there was either snow or sleet or both. Wednesday night the temperature dropped back to about nine degrees above zero and the precipitation—the only welcome part of the norther—stopped. Wednesday night was clear and cold, with the snow crackling and singing underfoot or under the wheels of cars that had to be driven and steered carefully to avoid skids.

There was some drifting, and the more optimistic could find as much as four or five inches of snow where the drifting snow had come to rest.

Schools in Goldthwaite remained open until Wednesday when, after pupils had reported for classes and there were many absentees, school was dismissed.

Children enjoyed being let out of school but they were disappointed when they found there was not enough snow to make Snow Men. Anyway, the snow was too brittle to lend itself to snow sculpture.

As the Eagle went to press, the word was that school classes would resume when the weather improved. That probably meant next Monday.

Business for gas—natural or "bottled"—boomed. Stacks of wood in many a yard dwindled away to nothing. Colds, with their accompanying sniffles, were the order of the day. The week has been rough on physicians.

In the matter of business, there was a most appropriate session at the office of Sheriff C. F. Stubblefield, who also is Tax Assessor-Collector. With the

norther, well under weigh, Grady Carothers decided to go to the Sheriff's office and make a rendition for tax purposes of 13 reindeer—probably the only reindeer in the United States that are taxed. The others are in zoos and are not subject to

taxation. Deputy Sheriff W. B. Summy, at least, is convinced that Mr. Carothers was the only owner of reindeer in the entire country who went to a tax collector about them during the current cold spell.

Incidentally, Mr. Carothers last Saturday took one of his reindeer down to Dr. W. R. Benson in San Saba to have the animal treated for an infected ear. The presence of the reindeer at Dr. Benson's hitching post caused quite a sensation in San Saba. Many people, who never before had seen reindeer in all their lives, took it upon themselves to be very dubious that the Carothers reindeer really were reindeer.

For a man in the reindeer business, it must have been reasonably easy to take the norther in stride. In some businesses, however, the going was rough. It was no cinch to carry the mail on the rural and star routes out of the Goldthwaite Post Office. Roads were slippery and the mail boxes were cold.

At the Eagle office, it took every available stove and heater and some electrical gadgets that were loaned with great generosity by Ernest E. Wilson of the Goldthwaite Electric Company to keep ink flowing.

The gentlemen of the Smith Equipment Company had a busy time keeping butane tanks filled and answering emergency calls from housewives who were at a loss as to what to do when their appliances began acting up.

The norther at least brought general agreement, which is something most unusual. Everybody, without exception, who was interviewed by this newspaper, said he or she would be mighty glad when the weather warmed up.

## Sheriff Unveils

(Continued From First Page) be all jammed up in his office and he doesn't want to have anybody waiting in line.

One sure way to avoid delay in obtaining your 1951 motor vehicle registration plates is to be certain that when you go to apply for them you have with you the certificate of title to your car or truck and that you have last year's registration receipt with you as well. If you don't have your title certificate and your last year's receipt you'll have to go back for them.

The Sheriff also had a reminder on the sour side. He said that beginning with yesterday, Thursday, County and State taxes paid at his office are subject to a penalty for having gone beyond the February 1 deadline.

Miss Lillian Summy of Waco was a weekend guest of her parents, Mr. and Mrs. W. B. Summy.

Mr. and Mrs. Tom Womack of Sonora visited over the weekend with their parents, Mr. and Mrs. C. A. Womack and Mr. and Mrs. C. F. Stubblefield and Sam.

Mr. and Mrs. D. J. McCarty, Danny and Kay of Rising Star came Friday morning. While Mr. McCarty attended a printers convention his family visited her parents, Mr. and Mrs. Charlie Bayley.
