City Of Goldthwaite Denies Reese Charges Of Sewage Plant Pollution

The City of Goldthwaite, through Attorneys J. C. Darroch and E. B. Gilliam, Jr., on Monday of this week filed an answer to the suit of A. L. Reese which asked for injunctive relief against alleged pollution from the city's sewage disposal plant of the stream known variously as "Stink Creek," "Neighbors Creek," or "Bull's Creek," which flows through the Reese land south of Goldthwaite. In event of failure to obtain an injunction, Mr. Reese asked for damages that would total \$25,300.00.

In reply to the Reese legal action, Attorneys Darroch and Gilliam filed a general denial with District Clerk Earl Summy. Addressed to District Judge Wesley Dice, the answer of the City of Goldthwaite said:

"Now comes, City of Goldthwaite, defendant in the above numbered and entitled cause, and files this its original answer to Plaintiff's original petition on file herein, and pleads as follows:

"I — Defendant denies all and singular the allegations contained in plaintiff's original petition; and of this it puts itself upon the country.

"II — Premises considered, defendant prays that plaintiff take nothing by its suit and that as to plaintiff's suit defendant go hence with its costs without day."

Stripped of the legal phraseology, the City of Goldthwaite not only has entered a general denial of the charges by Mr. Reese that its sewage disposal plant "polluted" the stream that flows through his property and created a "public nuisance," but Judge Dice also has been asked to dismiss the Reese suit.

Against further legal moves, which might extend over a considerable period of time, Attorneys Darroch and Gilliam on Tuesday of this week took oral depositions from Mr. Reese, whose suit against the City of Goldthwaite was filed last month.

If the petition of the City of Goldthwaite for a dismissal of the Reese suit should not be granted, it was indicated that Attorneys Darroch and Gilliam would be prepared to file an amended answer.

In the action, Mr. Reese is represented by Attorney Byron L. McClellan of Gatesville.

EDDIE ARNOLD IS LUCKY!

EDDIE ARNOLD, JIMMY WIGLEY AND HEREFORD BUD

Eddie Arnold of radio fame bought Jimmy Wigley's Hereford calf by name of "Bud," at the Houston Fat Stock Show and Livestock Exposition last week. Jimmy, who is only 10, was the youngest Mills County 4-H Club member at the Houston Show. He

Houston Sat Up And Took Notice Over Mills County Performances

Constant Radio Service Planned For The Sheriff

Two-way radio communication for Mills County Sheriff C. F. Stubblefield, so as to provide maximum efficiency in law enforcement, was assured this week as the Goldthwaite Lions Club, in cooperation with the City of Goldthwaite and the Mills County Commissioners Court, arranged to make possible a 60 watt mobile transmitter and receiver for the Sheriff's car.

News of the communications development was announced last Tuesday night at a meeting of the Lions Club at which safety was the theme. Partial cost of the radio equipment for Sheriff Stubblefield already has been met by appropriations from Mills County and the City of Goldthwaite. A group of private citizens has undertaken to underwrite the remaining cost of the project, which is sponsored by the Lions Club in the public interest.

Warren P. Duren and Brian Smith were appointed members (Continued on Back Page.)

Johnny Wigley, son of Mr. and Mrs. John Fisher Wigley of Durenville, exhibited the champion Shorthorn in the boys' division of the Houston Fat Stock Show and Livestock Exposition last week, while Davis Owens, son of Mr. and Mrs. J. Sherwood Owens of Rt. 3, Goldthwaite, exhibited the reserve champion Aberdeen-Angus steer.

In the competition in which groups of three calves were exhibited, first place went to Dana Saylor, son of Mr. and Mrs. Lincoln Saylor of Goldthwaite. Ninth place in the same competition was taken by Merion Reynolds, son of Mr. and Mrs. D. R. Reynolds of Rt. 3; and tenth place went to Jimmy Wigley, 10, brother of Johnny.

In that competition, the entries from Mills County were the only steers from Texas to place. All of the other places went to steers from outside Texas.

As it turned out, Johnny Wigley's Shorthorn, "Snowball," also was the reserve champion shorthorn of the entire Show at Houston. Other highly gratifying results of the Houston Show, so far as Mills County was concerned, were as follows:

In the open competition, heavyweight division, Herefords, Bobby Zane Egger was awarded eighth place and David Nugent took tenth place. In the middleweight division Shirlee Saylor, sister of Dana, won fifth place; and in the lightweight division sixth place went to Bobby Zane Egger and seventh place went to Modenia Reynolds, sister of Merion. Also in the open competition, third place for a group of three steers was taken by Bobby Zane Egger.

In the boys' show, Aberdeen-Angus heavyweight division, second place was awarded to Kenneth Wesson. In the middleweight class of the same division, Davis Owens took second place, and twelfth place was won by John Weaver. Little (Continued on Back Page.)

Two Silver Stars For Gallantry Are Awarded To Late Lieut. King

By direction of President Truman, Mrs. Greta Traylor King of Fisher Street, Goldthwaite, was notified this week of the posthumous award of two of the nation's highest honors to her late husband, Lieutenant Raymond F. King, who was killed in action in Korea on September 23 of last year.

Major General Edward F. Witsell, Adjutant General of the United States Army, informed Mrs. King that by direction of the President, posthumous award has been made to Lieutenant King of the Silver Star for gallantry in action and of the Silver Star, first oak leaf cluster, for a second act of heroism.

The decorations will be presented to Mrs. King later at an appropriate ceremony by the Commanding General of the Fourth Army at Fort Sam Houston in San Antonio.

The letter from General Witsell, dated in Washington on Thursday of last week, said:

Dear Mrs. King:

I have the honor to inform you that, by the direction of the President, your husband, the late First Lieutenant Raymond F. King, Infantry, has been awarded posthumously the Silver Star for gallantry in action during the period 18 September 1950 to 21 September 1950, in the vicinity of Sindang-dong, Korea, and the Silver Star (First Oak Leaf Cluster) for gallantry in action on 23 September, 1950, in the vicinity of Chogye, Korea.

The engraved Silver Star Medal with oak leaf cluster, citations and pertinent decoration certificates will be forwarded to the Commanding General, Fourth Army, Fort Sam Houston, Texas, for presentation to you with appropriate ceremony. The officer selected to present the decorations will communicate directly with you and arrange the ceremony in accordance with your wishes and convenience.

You have my continued sympathy in your bereavement.

Sincerely yours,
 Edward F. Witsell
 Major General, USA
 The Adjutant General.

Light Up, Tree Down

The traffic light at the Trent State Bank corner, which went out of whack during last week's norther, went back up this week, and the Christmas tree that had stood for so long on top of the Mills County Court House came down. Precinct 1 Commissioner Jess Y. Tullos was very nonchalant over having reversed his earlier decision to leave the tree up until next Christmas. Changed his mind, he said, with an airy wave of the hand.

Scouts Mass At Baptist Church Sunday Morning

Boy Scout week, which started last Tuesday and which will continue through next Monday, will reach a climax on Sunday when Cub Scouts and Boy Scouts of Goldthwaite will attend Church in a body at the First Baptist Church, where (Continued on Back Page.)

Fire Department Widely Effective

Members of the Goldthwaite Volunteer Fire Department responded to an alarm that was prompted on Wednesday morning of this week by a minor stove fire at the home of Mrs. G. N. Hardean near the Goldthwaite Schools. Last Monday the smoke-eaters doused a grass fire at the dump ground in the east end of town.

The increased effectiveness of the Goldthwaite Volunteer Fire Department was demonstrated this week when a report was filed with the Goldthwaite City Council showing that since acquisition of the new tank truck, the firemen have responded to more than a dozen calls outside the city limits, some of them so far away as Democrat and Mullin.

Myron Hillman Paid 400 For Top Sheep

Myron Hillman of Mullin took 400 honors with his sheep at the Houston Fat Stock Show and Livestock Exposition last week. The Southdown class 94, other lamb, Myron won the championship. Also, in class 108, Myron open, the championship went to Myron Hillman. He also took the reserve champion lamb in the entire Show, which he sold to George Hinkle, an oil man, for \$400.00.

Fifteen Calves From Here Show At San Antonio

Mills County 4-H Club boys and girls and members of the Future Farmers of America will leave early next week — fresh from making fine records at both Fort Worth and Houston — for the San Antonio Livestock Show.

Ask The Sheriff How You Can Get F Texas Map

When you go to the office of Sheriff C. F. Stubblefield at the Mills County Court House to obtain 1951 registration plates for your car or truck, ask the Sheriff or Deputies John L. Patterson, Clyde Cockrum and W. B. Summy how to get a fine highway map of Texas without cost.

If you remember to remind the gentlemen in the Sheriff's office (Continued on Back Page.)

E. B. Adams Offers Stone Of Scone To Replace Loss By King George VI

E. B. Adams of Goldthwaite, Secretary - Treasurer of the Monument Builders of the Southwest, Inc., plans to make and send a precise duplicate of the legendary Stone of Scone to King George VI in London as partial compensation for the recent spectacular theft of the historic relic from the Coronation Chair in Westminster Abbey.

Since private citizens are forbidden to communicate directly with the Heads of other Sovereign States, Mr. Adams has written to Secretary of State Dean Acheson in Washington for advice as to how to communicate, within the law, with His Britannic Majesty.

A self-explanatory letter to Mr. Acheson was sent by Mr. Adams from Goldthwaite on Friday of last week. The letter follows:

Post Office Box 144
 Goldthwaite, Texas
 February 2, 1951

The Hon. Dean Acheson
 Secretary of State
 Department of State
 Washington, D. C.

(Continued on Page 5.)

Drill For Oil On W. A. Triplett Place

Preparations are in progress to spud in for drilling for oil on the W. A. Triplett place northwest of Goldthwaite on U. S. Highway number 84.

It was announced this week that the Pure Oil Company has staked a 3,500 foot Ellenburger wildcat on the Triplett property, which is four miles southeast of Zephyr. The well will be known as the No. 1 W. A. Triplett, 4,150 feet from north and 1,920 feet from west lines of section 296, Nacadoches University survey.

The activity on the Triplett place is clearly visible from the Waco-Brownwood highway. The site is in Mills County.

Davee Sends S-O-S

J. T. Davee, father-in-law of former Mills County Sheriff Wiley L. Mahan, has lost his lower plate and since his gas-tromical activity is far off balance, he would be mighty happy to have them back. Mr. Davee believes that he lost his lowers somewhere around the Square in Goldthwaite, having had them in his pocket — presumably to keep them warm. Since the missing plate is of use only to Mr. Davee, finder please return the lost property in time for the next meal.

Mr. and Mrs. Lloyd Reynolds and son, Walter Cline and Burrell Edman, visited Mr. and Mrs. Melvin Reynolds and family at Monahans Monday and Tuesday.

Bain And Shipp Urge Big Turnout For Cotton Confab

Two o'clock tomorrow afternoon, Friday, is the time for the very important meeting on cotton problems that will be held in the District Court Room at the Mills County Court House, according to a reminder from L. F. Bain of the Production-Marketing Administration of the U. S. Department of Agriculture, and W. R. "Bill" Shipp of the Priddy gin.

Mr. Bain said this week that at the meeting on Friday afternoon questions of cotton planters and those who may be interested in planting cotton will be answered by J. W. Monk of the Bureau of Plant Quarantine. Mr. Monk, whose headquarters are in Gatesville, will be accompanied by his assistant, and it is probable that other authorities also will be present to engage in discussion with what is expected to be a sizeable turnout.

All persons who may be contemplating the planting of cotton, even if they have not yet made definite decisions, should attend Friday afternoon's meeting at the Court House, Mr. Bain said. The discussion, he pointed out, will aid in reaching decisions.

(The attention of readers is invited to an editorial on the very important subject of cotton in Mills County in 1951 which is printed on page two of this week's Eagle.)

AN IMPORTANT MEETING ABOUT COTTON

The meeting today, Friday, in the District Court Room at the Mills County Court House, where cotton will be the subject of discussion should attract a large attendance. We urge that every person who is interested in cotton planting make a point of attending the meeting so that, whether he finally decides to plant cotton or not, he will have had all of the information necessary for making up his mind.

THEY DID VERY WELL AT HOUSTON, TOO

Mills County entries at the Houston Fat Stock Show and Livestock Exposition lived up to expectations. We believe that again we speak for everybody in the County when we say, "We are proud of you."

Entirely aside from the competitive aspects of the livestock expositions, we think that what ought to be kept in mind most prominently, after all, is the fact that the Shows provide simply the incentives that make for higher standards and better education on the farms and ranches.

So long as that remains true, it really does not matter who wins the prizes. The important gains come in the course of working for them.

WHEN THE OLD BIRD WAS YOUNGER

10 YEARS AGO— (Taken From Eagle Files of February 7, 1941.)

Irby Petsick has recently resigned his position as teacher of arithmetic in the local schools to accept a position as teacher of high school mathematics and coach of football in the Rochelle schools.

According to the local draft board there are five men to go from Mills County during the month of February in answer to calls for men to serve in the military service.

Directors of the Trent State Bank of Goldthwaite are making no changes in the officers and employees of the bank as a result of the recent death of the president, W. E. Fairman.

Marriage Licenses — Gerald Head and Wilma Lee; Hays Miles and Estlene Bertrand; Waldew J. Cornelius and Lorena Wesley; L. E. Dupuy, Jr., and Mary Horton.

Fifteen football boys and a manager were awarded jackets during an assembly program Friday morning by Superintendent A. H. Smith.

Friends here have received the announcement of the arrival of a new son, John Perkins, at the home of Mr. and Mrs. Fred Perkins out in the Golden State—Mullin Letter.

J. W. Weathers has a pecan orchard of 100 trees, largely Burkett, Halbert and Texas Profitic. These trees are making excellent growth.

Mrs. Garrett and her daughter, Mrs. Clifton, have returned to their home at Star, having attended the funeral of Mrs. Garrett's mother, Mrs. Goodnight, in Bell County.

Born to Mr. and Mrs. John Soules of Star, a baby girl. Her name is Billie Gail.

Howard Weaver and Nelson Griffin of Big Valley, visited in San Marcos the first of the week.

50 YEARS AGO— (Taken From Eagle Files, February 9, 1901.)

Mr. George Benjamin Brown and Miss Maud Driskill were married at the residence of the bride's parents in this city Wednesday evening at 8:00 o'clock.

This town had a regular smallpox scare last Friday and there were all kinds of rumors afloat concerning the spreading of the disease.

John Boland, Jr., from Ft. Sam Houston, visited his parents over the weekend.

Mrs. M. E. Cook had the misfortune to fall and break her thumb, which has given her a great deal of trouble.

E. E. Roberts, a Mills County volunteer, has been assigned to the 23rd Field Artillery at Camp Bowie.

20 YEARS AGO— (Taken From Eagle Files, February 13, 1931.)

The number of auto and truck license issued by the tax collector of Mills County is not far short of the number issued last year.

Mrs. W. P. McCullough was a charming hostess on Thursday

of last week when she opened her home to a regular meeting of the Art and Civic Club; 42 was the chosen diversion.

James Frizzelle came over from Fort Worth and spent Sunday with his home folk.

Judge and Mrs. E. B. Anderson visited in Dallas last weekend, where he looked after legal business.

Mr. and Mrs. O. H. Yarborough spent a portion of this week in Dallas, selecting goods for their store.

C. S. Welch, a prosperous farmer of the Center City Community looked after business in this city the early part of this week.

Mr. and Mrs. E. O. Priddy returned the first of the week from a visit to their sons—Alvin and wife of Valley Mills, Virgil and wife at Morgan.

Mrs. D. Albert Trent had a narrow escape from serious injury Monday when she attempted to start a fire in the heater in her living room.

L. E. Miller, jeweler of Goldthwaite, through love and appreciation for Mills County basketball, designed a beautiful loving cup to be presented to the school winning the championship.

Friends here have received the announcement of the arrival of a new son, John Perkins, at the home of Mr. and Mrs. Fred Perkins out in the Golden State—Mullin Letter.

J. W. Weathers has a pecan orchard of 100 trees, largely Burkett, Halbert and Texas Profitic. These trees are making excellent growth.

Mrs. W. P. McCullough was a charming hostess on Thursday

"If Western Europe falls to the communists, we will probably lose our atomic supremacy", General Eisenhower told Congress after his return from Europe.

The General was referring to the uranium, used in making A-Bombs, which we import from Belgium Congo. He figured the Russians will dominate Africa if western Europe is overrun.

Eisenhower urged more members of Congress to visit Europe and get a first hand picture of conditions there and see how our security is involved in the future of the western democracies.

"Those countries must do their full share in the joint effort to keep them free from Communist domination."

January 30 was a big day for Speaker Sam Rayburn. On that day he rounded out 3,057 days as Speaker of the House of Representatives—exceeding by one-half day the record previously held by the famous Henry Clay of Kentucky.

In House speeches eulogizing Rayburn, many of the Old-Timers recalled the time when John Garner was Speaker. They all praised Garner as one of the most colorful and able who ever tended the gavel.

President Truman, in praising Rayburn at a Texas dinner given by the Speaker the evening of the 30th, recalled his early political career in Missouri. He has served as County Judge and took a hand in carving out a new Congressional district so he could get elected to Congress.

"But after doing all that," said the President, "something happened that changed my plans and now look at what happened to me!"

At the Rayburn party, composed of about 60 guests, were also Vice-President Barkley, Chief Justice Vinson, Justice Tom Clark, and the entire Texas delegation except Bob Poage who was on official business in Mexico City.

Earlier in the day President Truman presented Rayburn a gavel carved from White House scrap collected from the renovation now going on. The ceremony was at the White House, attended by the Texas delegation and a few others.

But Henry Clay has one distinction never equalled and probably never will be duplicated. He was elected Speaker the first day he entered Congress! Now seniority is an important—and sometimes a controlling factor in choosing Speakers.

led her uncle to his home in Lampasas last Saturday to spend a few days visiting relatives and friends.

P. D. Yarborough was in from Richland Springs yesterday after another load of goods.

Tom House of Center City is on the sick list this week.

Mrs. E. A. Street, who was very sick at her home at Star last week is much improved now.

Miss Bertha Howze returned to this city Sunday night and again accepted the position of prescription clerk in Dr. Barton's drug store.

F. V. Boultinghouse, the blacksmith and wheelwright of Payne, was in the city transacting business.

Miss Evelyn Brow was called to her home in Paint Rock Friday night by the serious illness of one of her sister's children.

John Scott, manager of Weakley and Watson's business at this place spent Sunday with his family in Brownwood. He expects to move his family here in a few weeks.

Albert Driskill came down from the ranch the first of the week to visit his homefolks.

The Eagle's Aer

By The Editor

In this column last week, the editor presented what he regarded as some important views on economy in government by Raymond Moley. He believes that economy can be achieved by cutting unnecessary spending—but it can be achieved ONLY if enough members of the Congress hear from enough of the American people.

Here in Goldthwaite, D. D. Tate has been listening to radio broadcasts that were described recently in his column, adjoining on this page, by Representative O. C. Fisher. After listening in mid-January to Representative Fisher of our own 21st Congressional District and to Representative George Mahon of Lubbock, Mr. Tate wrote the following letter:

January 18, 1951 Hon. George Mahon, P. O. Box 85, Goldthwaite, Texas, Washington, D. C.

Dear Mr. Mahon: While listening to my radio last evening I heard you and the Hon. Clark Fisher make the most direct and concrete statements with regard to our security that I have heard come out of Washington in the last six months.

The other noted Texans on the program with you made some good statements but not as direct. The American people want it straight from the shoulder (to use Texas language) and they can take it.

Congress has asked the co-operation of the American people, and will get it. They have also told, not asked them, the tax burdens they will have to bear.

Here is a statement that I hear almost every day, not just from Texans but transients from almost every state in the Union: "Will Congress see that unnecessary spending is cut to the bone?" "Will Congress share their part of the burden, such as cut their free mailing privilege so that so much money will not have to be appropriated to keep the postal department out of the red."

Another suggestion, merge the Soil Conservation and the Triple A (P. M. A. as it is now labeled) and cut the personnel twenty-five to fifty percent and the agency can operate more efficiently at several million dollars savings.

Every bureau in Washington, including the postal department, save one, is over staffed. That being the FBI, and it should be doubled for security reasons.

These suggestions are in the minds of the American people and Congress can accept or reject them.

Yours Very truly, D. D. Tate.

Then Mr. Tate wrote the following letter to Representative Fisher:

January 18, 1951 Hon. O. C. Fisher, Washington, D. C.

Dear O. C.: Enclosed is a copy of a letter I wrote to Congressman Mahon and you can see that I heard you on the radio last night. I was home and alone so sat quietly listening to every word uttered by each speaker.

I have heard the things you fellows spoke of discussed pro and con, time and again and always the suggestions following were as I stated them in that letter.

You spoke about Camp Bowie last night; well, probably that has been a hotter issue here at home than you can imagine.

Why people want to be childish, I fail to understand. The subject was brought at a LION's club meeting not so many nights ago. I got started. I told them they wanted to act on it personally, not as a did not even state my view; however, I think Army is going to reorganize camps for training or for old location at many millions dollars savings and that be considered in these terms. Sincerely, Dennis Tate

In reply, Mr. Tate wrote the following letter from his home at Lubbock:

Mr. D. D. Tate P. O. Box 85 Goldthwaite, Texas Dear Mr. Tate:

I appreciate your regard to our critical situation and the need for economy in our government. I fully agree with you. "Unnecessary spending be cut to the bone." I share the spirit in which your letter is written—and you feel as I do—the security of our country comes first in all our actions, regardless of the other words, we all spend, a reduction of defense spending, and handling of our defense.

The views and suggestions of the people of our state ways very helpful to me work here, and I am glad to feel at liberty to write to you. Congressman Fisher is a great work for our state, and I will tell him your hearing from you. As always, Sincerely yours, D. D. Tate

The reply to Mr. Tate Representative Fisher writes as follows:

Mr. Dennis Tate P. O. Box 85 Goldthwaite, Texas Dear Dennis:

Thanks for the nice letter January 18 together with copy of one to George Mahon. I am so glad to know that T.O.N. forum broadcast well and was of interest.

With my personal regards best wishes, I am Sincerely yours, O. C. Fisher

The non-committal nature of Congressman Fisher's letter not alter the highly interesting features of this entire correspondence. It has been here in full because of the editorial conviction of the editor that in politics the people exactly what they are will take. If they do not raise their voices, then they take what the politicians give. Mr. Tate has given a splendid example in letting our representatives know that he is not apathetic. There can be more of the same.

Monte Hill Davis To Play Piano Concert At School Next Thursday

Miss Monte Hill Davis of Denton, who has established a fine reputation as a concert pianist, although she is only 18 years old, will be presented in a piano concert at the Grammar School Auditorium at 7:30 o'clock on Thursday night of next week by the Bach and Junior Schubert Clubs and the Goldthwaite Lions Club.

This week, Mrs. Sam P. Sullivan announced that reserved seats at only 50 cents each and unreserved seats at 25 cents may be obtained from members of the Lions Club, the Bach and Junior Schubert Clubs and at the office of the San Saba Production Credit Association on the north side of the Square in Goldthwaite.

"Our purpose in presenting Miss Davis is to give Goldthwaite a wonderful concert, to encourage young artists, including our own, and to help to establish locally a Young Artists' Foundation Fund," Mrs. Sullivan said.

She said that strong support

of the concert next Thursday night will help to bring another young artist to Goldthwaite next season and in all probability, at some time in the future, will provide assistance for talent from Goldthwaite and Mills County.

Miss Davis, who is a student at the North Texas State Teachers College, is a pupil of Scionti of Denton, a recognized teacher of accomplished pianists. Despite her youth, high tribute has been paid to Miss Davis by critics following concerts in which she has been presented at Dallas, Houston, Brownwood, Denton and at many other places in Texas and nearby States.

In Goldthwaite, Mrs. Sullivan pointed out, there are approximately 60 vocal and piano students. She said that the appearance of Miss Davis next Thursday night would provide incentive for them and would give the public generally an evening of splendid music, for which opportunity comes only rarely.

It Is Tomorrow, February 10, Thai Self Culture Club Meets

Let's start all over again about that book review before the Self Culture Club of Goldthwaite by Mrs. Walters "Pete" Hester of Fort Worth. It will be tomorrow, Saturday, February 10, at 3:00 o'clock in the afternoon at the Jennie Trent Dew Library. That's certain!

Last week's Eagle said the book review by Mrs. Hester was to have been last Saturday. That was an error, and whose mental or typographical lapse was responsible will never be known, since all evidence in the case was destroyed.

When Mrs. Hester appears before the Self Culture Club at three o'clock on the afternoon of February 10 at the Jennie Trent Dew Library she will review the best seller, "I'll Meet You In The Lobby." (Editor's Note: You won't be meeting any members of the Eagle staff,

Mrs. Hester. They will be in hiding on account of last week's error — for which we are trying to atone by publicizing the meeting all over again.)

For the February 10 session, when Mrs. Hester will be the guest speaker, Mrs. Harold Yarborough and Mrs. Ray Duren will be the hostesses. Mrs. J. C. Evans will be the program chairman.

(Now that the date for the book review by Mrs. Hester is all straightened out, the Eagle thanks Mrs. Cecil Parker, Reporter for the Self Culture Club, for her magnanimity in not blaming the Eagle for the mix-up over the date. It simply MUST have been our fault, Mrs. Parker, and we trust that all confusion now has been eliminated from the minds of the members of the Self Culture Club.

School Playground Improvement Proceeds Apace As PTA Project

More news of continuing improvement of the playgrounds at the Goldthwaite Schools was announced this week by Coach Carl Knox, who is directing the work that has been undertaken by the Goldthwaite Parent-Teacher Association in consultation with the School Board and Superintendent H. E. Patton and Principals Jack Locklear and Hope D. Schulze.

Three backstops have been erected or are in the process of erection for the baseball diamond that was scrapped and graded at the northeast corner of the playground by Precinct 1 Commissioner Jess Y. Tullos, Coach Knox said. The backstops were presented by O. O. Smith, W. G. "Spot" Saylor, and Charlie McLean.

Further, Coach Knox said, Carl Letbetter has volunteered to donate the labor for six new swings for smaller children. The stanchions, which will be ten feet high, and the other equipment necessary for the swings will be provided by the P.-T. A.

In the School Gymnasium, the signs have all been painted anew and otherwise fixed up by Lyman Saylor, who donated both the paint and his time for the job.

Other work on playground improvement is continuing, Coach Knox said.

Playground improvement is the major project of the P.-T. A. for this year and so far, Mrs. O. O. Smith, President, said, Coach Knox is managing to get the work done with a minimum of expense, thanks to the cooperation of public-spirited citizens.

Mrs. Carroll Staton and little son, Sam Harrell, accompanied her parents, Mr. and Mrs. J. H. Harrell, Sr., to Lakin, Kansas, Monday of this week where they visited Mr. and Mrs. Bud Harrell. Mrs. Staton and son will go on to Spokane, Washington, where she will join her husband, who is stationed there with the army.

Optimistic Brownies Will Plant Seeds

By SHARLYNE SCHULZE

Brownies Scout Troop I met last Monday with Addie Joe Conradt as the hostess. She served good refreshments. Elsie Ruth Crumley will serve us next time.

Thirteen Brownies were present for the meeting. Beverly Welch was a new member.

We played games and sang songs and decided to plant seeds for our next project.

Party In Honor Of Miss Bledsoe At Stephenville

On Thursday night, January 25, from 7:00 to 8:30, a group of friends complimented Miss Beatrice Bledsoe with a miscellaneous shower at the home of Mr. and Mrs. R. E. George in Stephenville. Miss Bledsoe is the daughter of Mr. and Mrs. C. D. Bledsoe, who recently announced her approaching marriage in Flagstaff, Arizona, to Mr. Edwin E. Jares. The Bledsoes are former Goldthwaite residents.

The guests were received by Mrs. George, Mrs. Bledsoe, Miss Bledsoe, Mrs. Howard Duggan, a sister of Miss Bledsoe, Mrs. Raymond Bledsoe, a sister-in-law, and Mrs. Joe Hugh Fletcher.

Coffee and tea was served from an uncovered table, centered with a green and white arrangement of gladiolus and candytuft flanked by white candles, and laid with silver appointments.

Miss Bledsoe left on Friday, February 2, for Flagstaff where she was married February 6.

Doris Vaught And Harrold Reynolds Take Their Vows

Mr. and Mrs. James E. Vaught of Arlington have announced the marriage of their daughter, Miss Doris Jean Vaught, to Harrold Lloyd Reynolds, son of Mr. and Mrs. Lloyd Reynolds of Goldthwaite.

The double-ring ceremony was read Tuesday evening, January 16, at 8:00 o'clock in the Wood Chapel Church of Arlington.

The Rev. H. D. Barlow, Pastor, performed the ceremony before the altar, decorated with palms and gladioluses. Candles were lighted by Sharon Jobe.

The bride, given in marriage by her brother, James E. Vaught, Jr., of Waxahachie, wore an aqua gaberdine suit with pink accessories, and an orchid corsage.

The bride's only attendant was Miss Margie Thrasher, and the best man was the bridegroom's brother, Burrell E. Reynolds.

Harold Carter, soloist, was accompanied by Miss Yvonne Biles, pianist.

Mr. and Mrs. Vaught, parents of the bride, were hosts at a reception immediately following the ceremony.

Mrs. Reynolds, a senior in the Arlington High School, plans to continue her studies.

Mr. Reynolds graduated from Goldthwaite High School, and is employed as herdsman on the Circle K ranch at Arlington, where he is in charge of Aberdeen-Angus show cattle.

The bridegroom's mother, Mrs. Lloyd Reynolds, and daughter, Letha, attended the wedding. There were also several guests from Fort Worth and Dallas present.

Friends Honor Kathleen Clements At Shower Before Her Wedding Day

Mrs. Jacob Saylor, Mrs. Dave Clements, and Mrs. Philip Nickols were hostesses for a miscellaneous bridal shower honoring Miss Kathleen Clements in the Nickols home at 4:00 o'clock Wednesday afternoon.

Miss Clements, the daughter of Mr. W. D. Clements of Goldthwaite, is the bride-elect of Bob D'Wayne Davis of Friona.

In the receiving line were Mrs. Saylor, Clements, Nickols, Miss Clements, Mrs. Eula Nickols and Mrs. Claude Burch. Mrs. James Nickols presided at the

bride's book.

The bride's chosen colors of yellow and white were used throughout the entertaining rooms. Flowers used in the decorations were white chrysanthemums and yellow snapdragons.

Several clever contests were enjoyed, and the prizes won were presented to Miss Clements. She was the recipient of many lovely gifts.

Refreshment plates of white cake and yellow hot tea were served to a number of guests.

Square Dance Notes

The Goldthwaite Square Dance Club will meet on Monday night of next week at the American Legion Hall, hoping for as good a time as was enjoyed last Monday night when there were a number of visitors present from Brownwood, Bangs, Comanche and Hamilton.

In addition to calling and instructing by Horace Taylor of Hamilton, formerly of Goldthwaite, some of the guests acted as Callers. The Singing Calling of Mrs. Toby Taylor of Bangs made a special hit. Pop corn and coffee gave a flip to the evening.

Mr. and Mrs. Cran Carothers and son, Nathan, spent the weekend in Fort Worth visiting relatives and attending the Stock Show.

American Legion Raises \$50 For March Of Dimes, Dances Saturday

The Harry F. Edmondson, Post number 289, the American Legion, having staged its last dance at the Legion Hall for the benefit of the March of Dimes anti-polio campaign, now is out to raise some funds for its own fuel and light fund—what with the hard winter of last week and maybe some more of same ahead.

The dance that the American Legion staged on January 25 netted \$50.00 for the Mills County March of Dimes campaign.

The next dance will be tomorrow night, Saturday, when the Dixie Playboys of Lampasas will furnish the music that is promised to be so good that the Legion will be able to quit worrying about its fuel and light fund for a norther or two.

Why in the world the Goldthwaite Eagle should be giving free publicity to the Dixie Playboys or to anybody's radio sta-

tion is beyond us, but Roy Lee Hill, Legion Publicity Chairman, looked this reporter in the eye and told him that every day at 12:15 o'clock except Sunday, the Dixie Playboys can be heard on radio station KHIT—1450 on your radio dial. Presumably, the idea is that if you listen to the Dixie Playboys on the air, you will learn all the more to dance to their music under the auspices of the American Legion. Okay, Mr. Hill, if it is for the American Legion, the Eagle will print it.

Corporal Walter A. Bryant of Fort Bliss, Oklahoma spent the weekend with his wife and his parents, Mr. and Mrs. Arthur Bryant.

Corporal and Mrs. Walter A. Bryant visited her father, Bert Randle at Adamsville Sunday. Mrs. F. D. Webb accompanied them as far as Lometa where she visited Mr. and Mrs. Walter Reed.

Golden Gloves

Joe Hammond of Goldthwaite boxed in the Golden Gloves competition in Brownwood on Monday night of last week. Although Joe was eliminated from the Golden Gloves competition, he gave a good account of his fist prowess and was awarded a handsome plaque in recognition of his participation.

New Dodge Truck

Roy Letbetter of the Letbetter Motor Company announced this week that tomorrow, Saturday, he will introduce to Mills County the new Dodge "job-rated" truck, which has 50 new features.

Mr. and Mrs. Hoyt Cockrell and daughter, Suzanne, attended the Fat Stock Show and Rodeo in Fort Worth Friday of last week.

F. F. A. Eagles Sell Lambs At Top Price

At the Fort Worth Southwest-ern Exposition and Fat Stock Show, the carload lot of 15 wool lambs that won the reserve championship for the Eagles Chapter, Future Farmers of America, the Goldthwaite High School, were sold for 45 cents a pound. That was 13 cents higher than the F. F. A. boys ever had received before, their Advisor, Y. B. Johnson, Jr., said. In the final judging at Fort Worth, Mr. Johnson won a second place for himself with a Southdown buck, and Doyle Roach of the Eagles F. F. A. Chapter won second place with a Delaine buck. At Fort Worth, Bill Parker's Aberdeen-Angus, weighing 1,000 lbs., was sold for 50 cents per pound; and John Carothers got 47 cents per pound for his Hereford calf, which weighed 940 pounds.

Mrs. Georgia Mae Jacobs of Colorado City is a guest of her mother, Mrs. C. A. Simpson.

Mr. and Mrs. A. A. Reid left this week to visit their son, Sealy, who is with the Navy stationed in California.

Air Force Makes O.C. Fisher A High Officer; Many Wonder Why

Representative O. C. Fisher of the 21st Congressional District of Texas, which includes Mills County, recently was commissioned a Lieutenant Colonel in the Air Force—despite the fact that he has had no previous military experience—it was disclosed in a report last Sunday the Fort Worth Star-Telegram by its Washington correspondent, Bascom N. Timmons.

Thayer, a Washington writer of "society" news; and Senator Margaret Chase Smith, Republican of Maine.

In the face of the commissions to Representative Fisher, Mrs. Thayer and Mrs. Smith, the Air Force announced, according to correspondent Timmons, that it will stick to its policy of not raising the rank of reserve officers. That means that Congressman Fisher, Mrs. Thayer and Mrs. Smith, as Lieutenant Colonels, will outrank all Air Force reservists of lower rank, regardless of the reservists' qualifications or military experience, "however valuable or heroic."

Of Congressman Fisher, Correspondent Timmons wrote as follows:

"Fisher, who never before has been connected with any military service or served in any war, said his plans are indefinite about his future in the Air Force now that he has a pair of silver maple leaves to wear. The West Texan is a member of the House Armed Services Committee.

"I have no plans one way or the other about going on active duty with the Air Force," Fisher said. "I have not been on any active duty and have received no pay."

E. B. Adams Offers Stone Of Scone To Replace Loss By King George VI

(Continued From First Page.)

The Heads of other Sovereign States. Accordingly, your advice in this matter will be greatly appreciated and it will be received gratefully.

Respectfully yours,
E. B. Adams, Secretary-Treasurer
Monument Builders of the Southwest, Inc.
Post Office Box No. 144
Goldthwaite, Texas.

The decision by Mr. Adams to make a replica of the Stone of Scone for the British King arose from a discussion with Harry Allen, the redoubtable tinsmith of Goldthwaite. Mindful that Mr. Adams, a Goldthwaite monument builder, recently had been elected Secretary-Treasurer of the Monument Builders of the Southwest, Inc., Mr. Allen suggested that His Majesty be compensated for the loss of the Stone of Scone.

Nobody ever knows when Mr. Allen's tongue is in his cheek, and when it isn't, but Mr. Adams decided to act at once and his letter to the Secretary of State followed.

The Stone of Scone, the ancient symbol of British kings, was stolen from Westminster Abbey in London last December 26. The national treasure had rested under the Coronation Chair for 600 years. The English had taken it from Scotland and, according to legend, the Scots had taken it from the Irish many centuries before.

Part of the story of the Stone of Scone is that it was supposed to have been Jacob's pillow, on which his head rested when there came to him the vision of angels climbing to heaven on a ladder.

It is believed that the Stone of Scone was stolen from Westminster Abbey during last Christmas season by Scottish

Thank The Mahans For Ending Norther

Former Sheriff and Mrs. Wiley L. Mahan, accompanied by their son, Ellis, his wife and their children, Wiley Harris and Sybil Elise, returned late last Thursday night from Florida, bringing with them the warmer weather that ended the worst norther of the season. They had been visiting Mr. and Mrs. R. A. Miller in Miami. Mrs. Miller is a daughter of the former Sheriff and Mrs. Mahan.

Now, about that weather: On the way home to Goldthwaite from Miami, the Mahan expedition put into Monroe, Louisiana, where the norther was raging in full force. Word reached Goldthwaite that the three generations of Mahans were stranded in Louisiana through a telephone call to Deputy Sheriff Clyde Cockrum. It turned out, however, that a rescue expedition was not needed. All Mr. Mahan wanted was to have Deputy Cockrum see to it that there was plenty of feed for the livestock on the Mahan ranch. Then the Mahan expedition made its way home under its own steam—bringing the end of the norther with them.

Christian Science Services

The declaration that God is Spirit and governs man made in His image and likeness is the high point of the Lesson-Sermon on "Spirit" to be read in all Churches of Christ, Scientist, on Sunday, February 11, 1951.

The Golden Text emphasizes the point. It reads, "I have poured out my spirit upon the house of Israel, saith the Lord God" (Ezekiel 39:29). From the Bible citations is this statement: "Ye are my witnesses, saith the Lord, and my servant whom I have chosen; that ye may know and believe me, and understand that I am he: before me there was no God formed, neither shall there be after me" (Isaiah 43:10).

Charles M. Hicks, enroute to west Texas on business, visited his mother, Mrs. J. M. Hicks, for a short while Sunday.

Nationalists. Obviously, Mr. Adams of Goldthwaite is undertaking to do what he can about it. He will have more to say on the subject after he has heard from Secretary of State Acheson. Meanwhile, there will be some highly interesting chiseling going on down at the Adams Monument works on Highway 16, just south of Goldthwaite.

Mills County Is Far Out Front In Houston Ribbons

A study of the results of the judging at the Houston Fat Stock Show and Livestock Exposition indicates that 4-H Club and P.F.A. members from Mills County took more honors than any other group from any other County.

As the main news account in this week's Eagle relates, Mills County's groups of three steers and Davis Owens' Aberdeen-Angus rated ahead of any other calves from Texas in their classes, being beaten only by animals from outside Texas.

A recapitulation of the official figures from Houston shows that Mills County youngsters took more than a score of places, most of them very high, not only with calves, but with sheep and turkeys as well. On Tuesday of last week and in just one mail, the Eagle received nine different letters from the publicity department of the Houston Fat Stock Show telling of the accomplishments of Mills County boys and girls.

Mr. and Mrs. E. B. Gilliam, Jr., and boys spent Sunday in Brownwood with his mother and aunt, Mrs. E. B. Gilliam, Sr., and Miss Ruby Long.

Mr. and Mrs. Boyd Hunt and son, Billy, of Caldwell, brought her mother, Mrs. J. T. Morris, to Brownwood to see the doctor on Saturday. He reported that she is doing nicely. They spent Saturday night with relatives in Goldthwaite and returned to Caldwell on Sunday.

Announcing... New DODGE "Job-Rated" Trucks

The trucks that do the most for you!

More powerful than ever! Dodge now offers you the most powerful "Job-Rated" trucks in Dodge history! Eight engines—94 to 154 horsepower—with power increases as high as 20%!

You get the right power for your job... in the finest performing trucks that ever carried the Dodge name! Yet these new Dodge "Job-Rated" Trucks are priced with the lowest!

NEW! Smarter styling! New beauty combined with massive, rugged appearance. New hood line for better road visibility. Roomy new cab interiors in contrasting colors—new comfort with redesigned seats.

NEW! Easier handling! Shorter turning diameters than ever before—for even greater maneuverability! More convenient steering wheel angle for greater driving comfort. New worm-and-roller steering gears for easier steering—plus all the ease-of-handling features that made Dodge "The Choice of Champions" in the 1950 National Truck Rodeo!

NEW! Extra-quiet brakes! Another Dodge engineering first! New, molded, tapered Cyclebond brake linings contact brake drums with smoother, more even action—practically eliminating brake squeal. Less tendency of brakes to "grab"—and lining life is greatly extended. Standard on trucks 1½-ton and up, except for air brake models.

More than 50 brand-new features including...

- NEW! SMOOTHER RIDE** with new, "Oriflow" shock absorbers; standard on ½-, ¾-, and 1-ton models.
- NEW! EASIER LOADING** with lower ground-to-floor height on all models through 2 tons.
- NEW! EASIER BAD-WEATHER STARTING** with new moisture-proof ignition and high-torque starting motor.
- NEW! MORE ECONOMICAL PERFORMANCE** with higher compression ratio—on all models through 1 ton.
- NEW! EASIER-TO-READ INSTRUMENTS**—now grouped in a cluster placed in front of the driver.
- NEW! TWIN CARBURETION AND EXHAUST SYSTEM** for greater power with economy—available on all high-tonnage models.
- NEW! SMOOTHER ENGINE IDLING** with "hotter" spark plugs; on all models through 1 ton.

A model to fit your job!

ANOTHER DODGE EXCLUSIVE! Gyrol Fluid Drive now available on ½-, ¾-, and 1-ton models.

Come in to see the new DODGE "Job-Rated" TRUCKS on display Saturday, February 10

Letbetter Motor Company

News Of The Ebony Community

By CLEMENTINE WILMETH BRILEY

We wrote our letter for last week, but with the kind of weather we were having there was no getting it to the mail box.

Hubert Reeves and Joe left Friday, Jan. 25 to take Joe's 4-H Club calf, Chief, to the Fat Stock Show at Houston. Mrs. Reeves and John and Nancy and Nancy's friend, Sue Henry, of Mullin went Saturday on the train. Besides the cold weather, I hear John was sick most of the time and Sue had the chickenpox. Hubert and Joe got back Saturday on the train. Besides the cold weather, I hear John was sick most of the time and Sue had the chickenpox. Hubert and Joe got back Saturday on the train. Besides the cold weather, I hear John was sick most of the time and Sue had the chickenpox.

As the Hubert Reeves were all in Houston during the awful cold, Stanley caught it hard looking after everything at home. He said he had to milk six cows, feed all the cattle and chop ice on two or three different tanks for the cattle to

water. John Briley brought a block of ice from his tank. It measured almost four inches in depth. Mrs. Edna Dwyer returned home Friday, January 26 after a month's stay with her daughter and husband, Mr. and Mrs. J. A. Cawyer, at Orange. You can tell by her talk that she has had a gay time, but she is glad to be home again, and we are glad to have her. She is this country's biggest booster. But she sure got a cold reception this time.

We met Mrs. Kay Roberts and Carol in Brownwood Friday. Mr. Roberts has applied for highway patrol work. He was leaving Sunday for Austin for a few weeks of school. After that he expects to be put on duty. They have been staying at Evant, but as he leaves for school, she and Carol will go to her sister in Fort Worth.

Mr. and Mrs. Gene Prewitt and their two daughters, Ellen Beth Prewitt and Sylvia Jean Wilmeth of Fort Worth visited recently with Mr. and Mrs. Jim Wilmeth in Brownwood. Mrs.

Prewitt is the former Dutch Wilmeth.

Mr. and Mrs. Edward Egger and Jerry have been going to Brownwood often to be with his father, Wister Egger, who has been quite ill. Mrs. Raleigh Egger came from Lubbock last week to stay with him for awhile.

P. R. Reid has just finished putting a new green roof on the house occupied by Mr. and Mrs. Dewey Smith.

Mayo and White of Coleman have finished a new tank for Charm Whittenburg, and have enlarged the east tank in the Jim Wilmeth pasture.

Hubert and Stanley Reeves planted 70 acres of rye and vetch last fall. Six acres were planted on ground that had been worked all summer. On this the rye and vetch have grown green and pretty and have made grazing for the cattle. The rest of the 70 acres died.

Saturday the Russell Reeds were trying to burn a fence row in their orchard when the fire got out of hand. Clayton Egger happened along in time to help them. Later it broke out again. Mr. and Mrs. Edward Egger, Mrs. Effie Egger and Clayton, and Frank Byar helped them fight it. In the night it broke out again. It was three o'clock Sunday morning before Edward Egger got home from fighting it.

Mrs. Effie Egger has heard from her sister, Mrs. Sam Cutbirth, from near Houston that the house in which they were living was destroyed by fire last week.

Thursday in the midst of that cold, John Briley tried desperately to start his pickup, but it wouldn't budge. He was at his wit's end when here came Taylor Duncan and Ernest Malone just in the nick of time.

We had a happy surprise last week when we came by the Wilmeth's. Mrs. Wilmeth brought out two beautiful, immense Mahan pecans. They were for me from Mr. Fabis. Mrs. Wilmeth said she had had them since October, but just couldn't think to give them to me. Mr. Fabis not only grows fine pecans, but I have seen the grocery stores at Brownwood stocked with stacks of boxes of large, luscious strawberries grown by him. There was a hint that I might get some strawberries. Believe me, I intend to find the road to that strawberry patch.

The snow and sleet we had last week didn't even make a wet place. Since this drought persists in holding on so long, I am reminded of the rain campaigns of my good friend, Jim White, the late editor of the Brownwood Banner. My first acquaintance with his rain campaigns was in the fall of 1935. I'm not quite sure of the date. He had just taken over the Banner. Every week he ended his column, Around the Supper Table, with these words: "We want a Banner in every mail box and a rain by Christmas." By Christmas it just poured.

Mrs. Nichols, I very much appreciate your letter addressed to me. Yes, I remember when Mr. Thompson had us to put our names at the head of our letters. I liked it. I was glad to know the other writers, and then a by-line is quite an honor you know. I surely do enjoy the poems by Rog. Don't bother about our oil well. It is only one of many that have been attempted around here. Yes, I guess we need some bleachers around the Stock Show Arena. I was terribly tired from standing for awhile, but before it was over, I got rested. I'll be looking for Parker Street the next time I come in on that Hanna Valley Road.

Mrs. F. K. Jones served a lovely dinner including a beautiful birthday cake at the home of her mother, Mrs. Oltrogge on Sunday, February 4th. Those who enjoyed this happy occasion were her children, Mr. and Mrs. Frank Oltrogge and son, John Edward of San Marcos. Mr. and Mrs. F. K. Jones and family and Mrs. Walter Jones.

On Friday of last week Mr. and Mrs. Leon Boeker were guests of her parents, Mr. and Mrs. Jim Kelly. Mrs. Kelly accompanied them back to Houston Sunday. She will visit with the Boekers and another daughter, Mrs. V. O. Tolle and family.

Two Lost Dogs Make Small Boys Mourn

Michael Skiles, who is only 4, has lost his dog, Hobo, who has been listed as missing since Friday of last week, and he will be very grateful for the return of his pet. Hobo is a black dog with brown ears. His hair is medium long and he weighs 30 pounds. Jerry Skiles, 6, also is disconsolate over the prolonged absence of Hobo. Mrs. James Skiles, who lives on Second Street in Goldthwaite, can be reached by telephone at number 300 and she will be mighty happy if she can report the finding of Hobo to her sons very soon.

Ken and Steve Hollingshead also have lost their Cocker Spaniel puppy. He has long, wavy black hair and his throat is white—and he is only eight weeks old. Mr. and Mrs. Columbus Hollingshead also hope for the early return of Ken's and Steve's puppy.

Mr. and Mrs. Kyle G. Sims and family of Bend were weekend guests of his mother, Mrs. J. D. Sims. They were accompanied by Mrs. Sims and Mrs. R. V. Littlepage Sunday afternoon to Gatesville where they visited relatives.

Miss Glenda Oglesby received her Master's Degree in bacteriology at the University of Texas at the close of the first semester.

Mr. and Mrs. Rex Mahan, Sr., and Mr. and Mrs. J. B. Harper of San Saba and Mrs. Ethel Neighbors of Star were Sunday guests of Mr. and Mrs. Luther H. Soules, Sr.

San Antonio Show

(Continued From First Page.) said that at San Antonio Kenneth Wesson and Bobby Lett-better each will exhibit an Aberdeen-Angus steer.

George Reese, County Agriculture Agent, said that the Mills County 4-H Club entries at San Antonio will be as follows:

Merlene and J. W. Woodard, one Hereford steer each; Johnny Wigley, two Herefords; Merion Reynolds, three Herefords; and one Hereford by each of the following:

Davis Owens, Dana Saylor, Wayne Poe, J. W. Horton, Jr., Leo Reynolds, and Bobby Zane Egger.

In addition, Armand Zoe Clary will exhibit a Southdown lamb at the San Antonio Show.

At San Antonio, judging of Club steers will take place tomorrow, Saturday. The open steers will be judged on Monday of next week.

March Of Dimes Wages War Dread Polio

Contributions to the March of Dimes fund for fighting the disease of polio still will be made, W. C. Barnett, Mills County Campaign Director, said last week as he and the members of his committee began making up the results of the year-long effort that began January 15.

Last week Mr. Barnett will announce the results of the campaign. Meanwhile, he and

Eugene L. Dyas, Goldthwaite Chairman, were collecting miniature iron lungs that had been placed in business houses as repositories for dimes.

Returns on the campaign were coming in from Delton Barnett, Rural Chairman, and from County Schools and the communities of Star, Priddy and Mullin.

A dance that was staged by the American Legion for the March of Dimes netted \$50.00. In many cases, there were generous responses. One of the most notable efforts in behalf of the March of Dimes that has been reported so far was by Raymond Cockrum, who collected more than \$50.00 for the fund at his

Mills County Hardware Company.

As he prepared to measure the results of the campaign in dollars and cents, Mr. Barnett extended thanks to all donors and to all of those who worked with him as members of his committee. He pointed out that in many other places in Texas the period of the campaign has been extended so that the most effective work possible against polio may be continued. That is why, Mr. Barnett said, that contributions in Mills County still will be welcome—and needed, too.

Personals

Mr. and Mrs. Rex Mahan, Jr., left Saturday to go to Cheyenne, Wyoming, where Mr. Mahan is stationed with the army. Mrs. Mahan is the former Barbara Harrell.

Mr. and Mrs. Marshall Miller Jr. and family of College Station and Mr. and Mrs. Sam Smith of San Antonio have been in Goldthwaite to be near their father, Marshall Miller Sr., who is seriously ill at the Scott and White Hospital in Temple.

Judson Strickland returned Tuesday from New Mexico on his way to his home at Waco. He stopped to visit his uncle and aunt, Mr. and Mrs. John Roberts.

Mr. and Mrs. J. R. Eudy were weekend guests of her sister, Mr. and Mrs. C. T. Wilson. Her mother, Mrs. L. R. Hendry, who has been visiting the past two weeks in the Wilson home, accompanied them back to Coleman.

Major Joseph Bowles of Dallas brought his mother, Mrs. J. S. Bowles of Fort Worth Saturday to be with her mother, Mrs. A. J. Gatlin and other relatives.

W. M. Potter of Brownwood spent Sunday with his mother and aunt, Mrs. W. B. Potter, and Miss Minta Coleman.

Mrs. Joe Langford went to San Angelo last week and is visiting her sister, Mrs. J. W. Evans.

OPERATION CIVIL DEFENSE

"Be Prepared" is the motto of the Boy Scouts of America.

For 41 years Scouting has been training its members for emergency service at any time. Right now it is giving special emphasis to preparation for Civil Defense.

Volunteer leaders, by sticking to this job, are enlarging this "be prepared" training program. Their unselfish leadership helps Scouts become more and more skilled in emergency service.

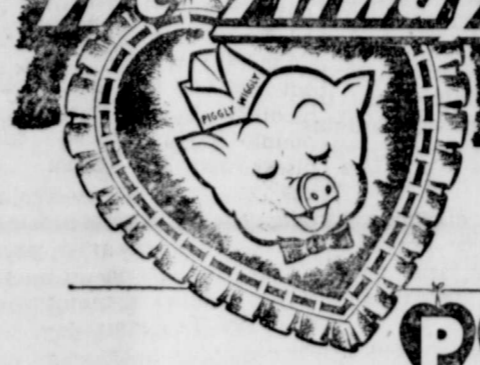

We salute these fine men on their accomplishments. They "Strengthen Liberty" by serving boyhood. They are men of character, men who believe in America, men who are serving a great cause.

J.H.C. Warren, Grandfather Of Mrs. Arnold Kelly, Died Sunday

James Henry Clay Warren, 82, grandfather of Mrs. Arnold K. Kelly of Goldthwaite, died last Sunday night in hospital at Lampasas. Funeral services were conducted at three o'clock on Wednesday afternoon of this week at the Pleasant Grove Cemetery with Brother Uel Smith, Pastor of the Moline Baptist Church, officiating.

Mr. Warren was born on May 14, 1869, in Alabama, where, as a young man, he was married to Rosa Madora Cole, who survives. They came to Texas in 1914.

Mr. and Mrs. Warren were the parents of eleven children, all of whom are living. They are:

Mr. Asberry Gunter and

William Warren, both of Antlers, Oklahoma; Mrs. Mary Robertson of Tulsa, Oklahoma; Floyd Warren of Wyoming, Mrs. Walter Covington of Lometa, Mrs. Leonard Warren of Moline, Mrs. Jewel Tyson of Coleman, Mrs. J. C. Hall of Kilgore, Mrs. J. L. Scott of Little Rock, Arkansas; Otto Warren of Dalhart, and Donald Warren of Rotan.

In addition, Mr. Warren is survived by 34 grandchildren and 14 great grandchildren.

Personals

Dr. and Mrs. W. W. Fowler of Dallas stopped for a short visit Sunday afternoon with Mr. and Mrs. John W. Roberts.

In the absence of the pastor, the assistant Pastor, Don Jones, preached morning and night at the Baptist Church.

Garth Carter and family moved the first of this week from the corner of third and Lynch streets to two miles east of town.

Mr. M. R. Wylie had the misfortune of cutting his finger very badly, while fixing a machine at the Wylie Steam Laundry.

Mrs. Lynn Nix and Earlene visited Mr. and Mrs. L. B. Bramblett and family at Mullin Sunday afternoon.

Max Harrison of Austin stopped for a short visit Friday afternoon with Mrs. J. V. Cockrum and Mrs. Henry Martin.

Dizzy Clifton And Billy Harper Train At Naval Station

Dean C. "Dizzy" Clifton, son of Mr. and Mrs. Rex Clifton of Star, and Billy R. Harper, son of Mr. and Mrs. P. O. Harper of Rt. 3, Goldthwaite, are undergoing recruit training at the world's largest Naval Training center at Great Lakes, Illinois.

Dizzy Clifton, who was a crack football player for the Goldthwaite High School Eagles last year, and Billy Harper, are Recruit Seamen, United States Navy.

Following completion of their recruit training, Harper and Clifton will be assigned either to units of the Fleet or to service schools for specialized training. At present, they are learning the fundamental principles of the Naval service, including seamanship, Navy customs, terms, basic ordnance, gunnery, signaling and navigation.

Mullin Personals

"Rocky Mountain blizzards couldn't stop me!"

says **JACK W. SEEFELD**
3030 Vrain St. Denver 12, Colorado

"The two winters I tested new Conoco Super Motor Oil—as one of a group picked to prove its winter wear-fighting ability—we had the worst weather in years. Blizzards came in on top of blizzards. The temperature went to the bottom and stayed there.

"BUT MY CAR ACTED LIKE IT THOUGHT IT WAS JULY! With new Conoco Super that car performed better than it ever had. At the end of the test, with proper drains and regular care, gasoline mileage was practically as good as at the beginning."

After a total of 386,422 miles, logged by Mr. Seefeld and other winter test drivers, Conoco engineers found no wear of any consequence! Analysis of drains showed this great oil actually stopped the dangerous accumulation of free water and acids, chief causes of winter wear. This test proved that new Conoco Super Motor Oil, with OIL-PLATING, fights off rust, corrosion and sludge. So, change to Conoco Super, now.

Saylor Chevrolet Company

al Security Representative Next Wednesday Morning

Persons with problems or involving old age beneficiaries benefits or social generally will have an opportunity for consultations at the District Court in the Mills County Court House at nine o'clock next Wednesday morning and he will be anxious to talk with persons who are eligible to file claims under the newly amended social security laws.

More than 1,700 persons have already filed their claims for the new social security benefits with the office at Austin, according to James B. Marley, Manager. Many more persons are eligible who haven't filed their claims.

The new law recently passed by Congress requires persons age 65 or older to have worked on jobs covered by social security for only about a year and a half to qualify for benefits. The work credits may have been acquired at any time since 1936. Persons are 65 or over who inquired before September of 1950 and were turned down may now be eligible.

It is not necessary to be wholly or permanently "retired" to get retirement payments under the Old-Age and Survivors Insurance System, Mr. Marley said. The numbers of people coming into his office confused on this point prompted him to make the explanation.

"Actually," Marley pointed out, "the new Social Security law makes it possible for insured people 65 and over to collect retirement benefits while still earning up to \$50.00 per month on covered jobs. The old limit of \$14.99 was changed on last September 1. The \$50 limit does not apply to people age 75 or over."

"The law is simply that a person between 65 and 75 years of age cannot collect benefits for any month in which he earns more than \$50 from work covered by Social Security. No amount of earnings or income from other sources will affect his right to benefits. Insured people age 75 or over can collect even though working full time on jobs covered by Social Security, or for that matter, any job."

"Another point we'd like to get across is that anyone now age 65 or over very likely is insured if he has worked as much as a year and a half, at any time back to January 1937, on Social Security — covered jobs."

Hillside Mission

By LIDA BYRNE
A Preacher said: "We are marching to war! We are going down to death! Where are God's people? What are they doing?" The Bible says: "And if the righteous scarcely be saved, where shall the ungodly and sinner appear?" First Peter, chapter 4, verse 18.

Mr. and Mrs. J. Nolan Jones, formerly of Goldthwaite, have moved from Llano to Cleburne, where Mr. Jones will be employed in the shops of the Santa Fe Railroad.

Mrs. W. K. Gilmore, Former Elsa Hearne, Dies Suddenly In Houston

Mrs. W. K. Gilmore, daughter of the late J. H. Hearne, who gave the land for the Goldthwaite Memorial Cemetery, died of a heart attack in Houston on Wednesday of last week. Funeral services were conducted on Friday of last week.

Mrs. Gilmore, who was a niece of the late Mrs. Will Dew, was the wife of the President of the Petroleum Casualty Company. She was a native of Mills County, where she was reared, and where her father was a prominent rancher. She was 59 at the time of her death.

At the time of her fatal heart attack, Mrs. Gilmore, who had lived in Houston for 31 years, was leaving the home of friends. She was a member of the First Methodist Church of Houston, the Daughters of the American Revolution, and the Junior League.

In addition to her husband, Mrs. Gilmore is survived by a daughter, Mrs. Charles D. Milby of Seabrook; a son, Joe C. Gilmore of Orange; and two sisters, Mrs. Ruby Cosgrove and Miss Kate Hearne, both of Phoenix, Arizona. Two grandchildren also survive.

Jack Hightower Wins Newspaper Tribute

Jack Hightower, son of Mr. and Mrs. W. H. Hightower of Goldthwaite, is recovering at his home at Round Rock from an illness that necessitated hospitalization. The January 25 issue of the Round Rock Leader, paying tribute to Mr. Hightower, said that "if this town made a custom of naming the man of the year, Jack Hightower would

come as near rating Round Rock's First Citizen as anybody." Mr. Hightower is a mortician at Round Rock. With his wife, Mr. Hightower has lived in Round Rock only a relatively short time.

Neil Carman Wilkins of South Western University at Georgetown was here between Semesters last week visiting her parents, Mr. and Mrs. Roy Wilkins.

Personals

Chas. Ed Wylie, who has been employed by the Santa Fe at Paul Valley, Okla., was moved on an emergency call below Temple. Mrs. Wylie drove from Paul Valley Saturday and will remain with her mother, Mrs. Louise Long, until she joins Mr. Wylie at some permanent location.

The More He BREAKS The More He MAKES

Texas motorists, Texas highways and Texas taxpayers should be protected against the ONE PER CENTERS.

ONE PER CENTERS are truck combinations weighing, loaded, 20,000 pounds or more. Only one of every 100 vehicles registered in Texas pays a license fee for 20,000 pounds or more. FEWER than three out of every 1,000 are registered for more than 40,000 pounds.*

Our highways should be SAFE for ALL the people—individuals, commercial users and the military alike.

Texas highway tax dollars should be conserved and used wisely. This can be done

- (1) by limiting the weight (gross load and axle load) that may be transported legally by the ONE PER CENTERS and
- (2) by enforcing the law against those who persist in overloading.

Texas highways are paid for by and belong to ALL THE PEOPLE. Highways adequate for 99% of Texas users—individual and commercial—can be constructed and maintained for about ONE-THIRD of the cost made necessary by the weight of the ONE PER CENTERS.*

This is your problem. Send for your copy of the booklet, "THE CASE OF THE ONE PER CENTERS," which tells you, among other things, why

THE MORE PAVEMENT HE BREAKS,
THE MORE PROFIT HE MAKES.

*"The Case of The One Per Centers," an article in The Texas Tax Journal, July-August, 1950

Houston Sat Up And Took Notice Over Mills County Performances

(Continued From First Page.)
Jimmy Wigley took ninth place in the lightweight class and thirteenth place was won by John Carothers.

In the competition for a group of 15 Club calves, the 4-H Clubs of Mills County took second place.

The Owens' brothers Aberdeen-Angus calf "Spades," winner of the reserve grand championship at the January Show of the Mills County Livestock Raisers Association in Goldthwaite, took third place at Houston in the open show heavy-weight Aberdeen-Angus.

Again, as in the case of the groups of three steers, the Owens calf was the only Aberdeen-Angus calf from Texas to place in the first ten in the above competition.

As the Eagle reported last week but repeats proudly here at Houston, the champion senior tom honors were taken by Dale McCasland, while Kay McCasland had the Show's champion junior tom turkey.

At Houston, Kay McCasland sold her champion turkey for \$3.00 per pound. It brought approximately \$111.00. And the sale price for Armand Zoe Clary's turkey was in the \$1.25 per pound bracket.

Only three of the Mills County calves that went to Houston came home. Johnny Wigley's "Snowball," the reserve Short-horn champion of the entire Show, was sold for 61 cents a pound. He weighed 745 pounds. Little Jimmy Wigley sold his

calf, "Bud," which weighed in at 735 pounds, for 60 cents a pound. Johnny Wigley's Hereford "Scotty," the grand champion of last month's Goldthwaite Show of the Mills County Livestock Raisers Association, was brought home.

Incidentally, Jimmy Wigley's "Bud" was sold to Eddie Arnold of radio fame. Mr. Arnold planned to ship the calf to his home at Nashville, Tennessee, where it will be given to a child's hospital.

All of the other Mills County calves that were sold at Houston brought a price of 50 cents a pound or more.

Sheriff's Maps

(Continued From First Page.)
If's office, they will give you a card addressed to the Texas Highway Department in Austin. All you will need to do is to fill in your name and address, stick a penny postage stamp on the card and mail it. Presto, you will receive the latest highway map—official—from the Texas Highway Department.

While on the subject of reminders, Sheriff Stubblefield says again that the 1951 car and truck registration plates cannot be obtained unless, when you apply for them, you have with you, your certificate of title and your receipt for last year's registration. Also, come early, the Sheriff says in that soft, polite and smiling manner that is such a way with him.

Chappell Hill

By PEARL CRAWFORD

The cold weather of last week just keeps us all guessing. Yes, it was zero and some report a few degrees below.

Trying to crank cars, and thaw water pipes has been all the go. We could just see our wood and hay stacks dwindle away.

The old-timers thought it was the coldest spell we had in a long time.

We don't think we had as cold weather here as some other places. We had very little rain, sleet and snow. It remained on the ground until Sunday.

I didn't hear of any accidents. There was a man whose truck broke down on the highway. This man called at the O. A. Evans home early Thursday morning. He was almost frozen, as he had stayed in the truck all night.

The School children enjoyed a week's holiday.

Roger Smith went to town Wednesday. He also got groceries and feed for the Crawford's.

Stone Shipman got groceries and feed for N. C. Karnes.

W. L. Conner got his car started and gave O. A. Evans a helping hand.

Around Friday, everything began to warm up.

Mrs. A. R. Whatley said they did fine during the cold weather. She didn't let Mr. Whatley play in the snow for this reason; he had rheumatism. We were happy to learn Mr. Whatley was much better Friday and they were able to take a nice bunch of fryers to the market.

Jay Partin cut wood at the Bill Partin farm Saturday afternoon.

A. L. Crawford and William G. went to the mill at Priddy Saturday afternoon.

N. C. Karnes and George Crawford visited at the Tom Stevens home Thursday.

Charlie Partin of Priddy was at the Bill Partin home Sunday seeing after the work.

We were glad to see Mr. and Mrs. C. M. Bramblett in town Saturday.

B. J. and Pearl Crawford were Sunday dinner guests of Mr. and Mrs. A. L. Crawford and William G. The Crawford's all enjoyed the radio service of the First Baptist Church of Goldthwaite.

Mr. and Mrs. Tom Stevens and Mildred and Edwin visited in the Crawford home in the afternoon.

Bill Partin and Thomas, and Mrs. Charlie Partin went to Texas City Saturday to spend the weekend with Mr. and Mrs. W. R. Wren and Mr. and Mrs. George Rainey. Mrs. Bill Partin and Jimmie, who have been visiting in Houston and Texas City, accompanied them back home.

Mr. and Mrs. A. L. Crawford and William G. visited Mr. and Mrs. O. A. Evans a while Tuesday night. Others who visited in the Evans home were: Mr. and Mrs. W. L. Conner, Dorothy and Mary, Tom Stevens and Edwin and Pearl Crawford.

We were sorry to hear of Mrs. W. W. Johnson and Mrs. T. V. "Tiny" Stevens being so sick at their home near Caradan.

Mr. and Mrs. A. L. Crawford and William G., Mrs. Tom Stevens, Mildred and Edwin visited Mrs. R. A. Stevens and Miss Lola Friday. We were happy to learn that Mrs. Stevens was feeling nicely.

Mrs. W. A. Conner returned to Brownwood last Monday after a short visit with her son, W. L. Conner, and family.

Guests of Mr. and Mrs. Tiny Stevens were: Mr. and Mrs. Verda Price and children of Kermit; Mr. and Mrs. Junior Fisher and children of Lometa; Mr. and Mrs. Harve Kemp of Comanche, and Mrs. Maud Prater of Cooldge.

Mr. and Mrs. Roger Smith went to Fort Worth Saturday for a visit with Mr. and Mrs. L. C. Knowles. They also attended the Stock Show.

We all hope the Show boys and girls a happy return. They surely had tough weather.

Mrs. Philip Nickols and little son, Phil, visited relatives in Madisonville last week. On Friday evening, February 2, she was matron of honor in the wedding of her cousin, Miss Peggy Joy Morgan, and Wallace Osborne.

Constant Radio

(Continued From First Page.)

of a committee of the Lions Club to accept contributions to the project which, it was pointed out, will benefit everybody by enabling Sheriff Stubblefield to maintain constant radio communication with the Highway Patrol of the Texas Department of Public Safety, with the Brownwood Police and with other law enforcement officers in neighboring Counties and Cities.

The mobile transmitter and receiver already has been ordered and it appears assured that official sanction will be given for the equipment to operate on the same frequency as that of the Brownwood Police Department.

Mr. Duren said this week he feels certain that many persons will wish to participate in this public and private effort to keep Goldthwaite and Mills County in communication 24 hours a day with neighboring law enforcement authorities and the Highway Patrol. Accordingly, contributions to the cost of the mobile transmitter and receiver will be welcomed by Mr. Duren at his office at the Trent State Bank, and by Brian Smith.

At the Lions Club meeting last Tuesday night the members and their guests heard an effective address on safety, with the emphasis on traffic safety, by Patrolman Leon Wilson of the Highway Patrol. At one time Patrolman Wilson was stationed in this area and he continues to inspect Mills County school buses as a safety measure. Mr. Wilson personalized the problem of traffic safety, said that officials alone could not be effective without the cooperation of the public, and he commended Goldthwaite for measures taken locally to make streets and highways safer.

James L. Mogford of Carrizo Springs, representative of Lions International, met with the Club at the Hangar last Tuesday night. There was a gratifyingly large attendance. President Charles Conradt said.

Boy Scouts

(Continued From First Page.)
the Rev. J. T. Ayers, Pastor, will conduct a service appropriate to the occasion.

Scout Field Executive Brantley Hudson said this week that members of Boy Scout and Cub Scout troops and dens will assemble at 10:45 o'clock Sunday morning at the Baptist Education Building on Fisher Street. With their flags, they then will march in a body to the Sanctuary of the First Baptist Church, accompanied by their adult leaders. The Boy Scout Sunday will be an annual observance and will be rotated among the various Churches of Goldthwaite in coming years.

Boy Scouts from Troop 45, Charles Conradt, Scoutmaster; and from Troop 77, Ben R. Day, Scoutmaster; will serve as ushers at the First Baptist Church on Sunday morning. The American and Christian flags will be placed by Scouts on the rostrum in the Sanctuary, and the assembled Scouts will unite in reciting their oath.

During the past week, many Scouts and Cubs have appeared in uniform as they have attended school and as they have gone about their daily tasks.

One of the projects that some of the Scouts are planning is "Operation Old Clothes." They have received an urgent request from the United Nations and the American Council of Voluntary Agencies for Foreign Service to collect used clothing for needy people in many lands abroad.

Detailed plans for "Operation Old Clothes," such as methods of collection or the designation of central points where used clothing may be deposited, will be announced later.

Next week, the local Scouts will present a program to the Goldthwaite Parent-Teacher Association. A separate news account of the P-T. A. Program has been printed on page three of this week's Eagle.

Mrs. W. S. Street has returned to her home in Amarillo after visiting for two weeks with Mr. and Mrs. Luther H. Soules, Sr., of Goldthwaite and with other relatives at Star.

Eagle's Eye

(Continued From First Page.)

from Ocean Park, State of Washington.

That was what came out of the package from the Perrins this week. So, I simply cannot write about austerity—I don't have to face even the thought of austerity, at least until the next pay day. And that is not all.

Last week there was another package from the Perrins, sent to my boy Harve and to our little black cocker spaniel, who is named Chief, by the Perrins' little Dachshund, named Putzi. In that package there were two delicious loaves of date and nut bread—the dates from the groves of Arizona. My wife wanted to give a few slices of the date and nut bread to a friend here in Goldthwaite. You should have seen her slice it! She got out a razor and with the time she had carved off five slices, the whole five of them would not add up to so much as one good slice.

I was just telling the Eagle's Miss Earlene Nix about how, for a few days, there will be no austerity in the Ekins' menage. She said, and I quote: "The Perrins ought to come to Goldthwaite more often and stay longer." Which brings up another story about the Perrins, and which also has to do with austerity. Here it is:

Just before last Christmas I was at home, trying to catch my breath, when the telephone rang. On the wire was Roy Lee Hill, the Eagle's justly notorious Mechanical Superintendent. With the restraint that always marks Mr. Hill's pronouncements, but yet with subdued excitement vibrating in his voice, he said that "a crate of artichokes has just arrived for you at the office and what are artichokes and what do I do with them and they are perishable..."

The artichokes, of course, had been sent by the Perrins just before they moved from California to Arizona. In the due course of events, Roy Lee Hill was shown an artichoke, and from the quince-like expression on that open countenance, anybody could tell that he simply would not eat an artichoke—ever. But artichokes are wonderful, and so are smoked oysters, shrimp pate, smoked mussels, red caviar and filets of anchovies. I just can't write about austerity this week. That column will have to come some other week. I am feeling exotic for a moment and I wish it could go on forever.

Perrins, it won't be long before I will have to sit down to a meal of red pinto beans, which I will eat with a crust of bread and maybe just a little hamburger on the side. But until then, I thank you.

Bank Officers

Stockholders of the Trent State Bank in Goldthwaite met on Friday of last week and re-elected E. T. Fairman, President; N. E. Stockton, Warren P. Duren and H. B. Gilbert, Vice Presidents; E. D. Hamilton, Cashier; and Glynis Collier, Assistant Cashier.

LADIES

(Young And Old)
FOR THE MAN IN YOUR
VALEN-T

DAY - FEBRUARY 14
We have a "Little" something
Received this week dozens and
ens of new beautiful Ties from
fornia. Hand Paints - big patterns
small dots - all kinds.
(Specials Listed Below)

With each Valen-tie we will give
a nice decorated box - Hearts,
Halos, Etc., AND A beautiful
Valentine card to complete
thought and gift just right. Be
see them the very next time
and get the boy friend set for
VALEN-TIE in a big way.
