Rain, Hail And Winds Do Good And Damage Throughout Mills County

A battle between clouds and the sun that has raged over Mills County for the past week still was on as the Eagle went to press. One minute it looked like rain and the next minute the sun was shining, and so the sequel to this story will have to be written next week.

Meanwhile, during the past week Mills County has had nearly everything, including rain, wind, damaging hail and sunshine. It all began on Wednesday night of last week.

Harry Allen, as of Wednesday, reported a total rainfall in Goldthwaite for the first half of May of 2.57 inches. Last Wednesday night, Mr. Allen said, the precipitation in Goldthwaite was 33 inches, while 29 inches fell on Tuesday of this week. There were showers Wednesday morning and Wednesday afternoon of this week, but at Eagle press time, they had not been measured.

In Big Valley last Wednesday night, the rainfall was 25 inches, according to Edwin H. "Loquacious" Hapgood of Rancho "Fine Pecans" Nueces. Since then, Old Hap has not been reporting on moisture because, as the Eagle's editorial page shows this week, he has been busy writing letters. Last Sunday, come to think of it, the Sage of Rancho Nueces did find time to aver that he had accumulated ten feet of water

in a brand new tank—which has been named Lake Despond by Mrs. Hapgood.

As for last Wednesday night's rain on Chappell Hill, Miss Pearl Crawford reported that it was accompanied by high wind and hail, which did great damage to orchards, vegetable gardens and crops. Peaches and pecans suffered severe damage, she said, on the B. J. Crawford, N. C. Karnes and F. H. Tiemann farms. The Chappell Hill rain measured up to an inch. On the basis of reports from Miss Crawford, everybody on Chappell Hill was out measuring precipitation. The measurers whom she named included W. A. Hardgrave, J. S. Ivy, C. H. Bramblett, Joe Burdette, Roger Smith, W. P. Oxford, W. L. Comer, O. A. Evans, Rynard Waggoner, A. L. Crawford, C. M. Bramblett, and Miss Crawford herself, in person.

Star, which had been bypassed by rainfall earlier this month, got well soaked this week. Roy Lee Hill, 3 1/2 miles southwest of Star, got only 3 of an inch last Wednesday night, but by the time Tuesday of this week rolled around, another 1.5 inches had been registered on the Hill gauge. Star itself and the area in the direction of Evant got even more rain on Tuesday.

For news of the weather out Ebony way, please turn to the latest column by Mrs. Clementine Wilmeth Briley in this week's Eagle.

Water Pipe Job

The City of Goldthwaite has purchased four inch and six inch water pipe and has contracted for its installation on Weaver, Fisher, Fairman and East Front Streets to replace smaller lines that have become inadequate because of increased patronage. City Utilities Manager W. C. Barnett said this week. Mr. Barnett added that the lines also will provide improved circulation of water supplies at some points.

Pest Control Plan

Very soon the Goldthwaite City Fathers plan to spray alleys and garbage disposal places in Goldthwaite with chlordan solution in an effort to get rid of flies and other insects. There will be more news of the project later—good news.

Price Clinic At Court House Is Due Wednesday

All persons in Mills County with headaches arising from orders, directives and regulations of the Office of Price Stabilization are invited to apply for a cure at 9:00 o'clock next Wednesday morning in the District Court Room at the Mills County Court House.

Judge Porter To Try Liquor Case Charges June 4

B. F. "Cotton" Humphries, Lee Jones and Otto "Pinto" Schoen will be tried on June 4 by County Judge Lewis B. Porter on charges of the illegal sale of whisky, as the result of complaints against them that were filed by Agent R. C. Fessler of the Texas Liquor Control Board.

Jess Langford, who was charged with a similar offense, appeared before Judge Porter on Monday of this week and pleaded guilty. He was fined \$200.00.

Also on Monday, Humphries, Jones and Schoen appeared or were represented before Judge Porter. They pleaded not guilty and bonds pending trial on June 4 were set at \$500.00 each. All of the accused posted the required bonds.

The offenses charged occurred on April 21 in the case of Langford, on April 22 in the case of Humphries, on April 26 in the case of Jones and on April 27 in the case of Schoen.

Last Monday Judge Porter also sentenced Gus Jacobs to ten days in jail, a fine of \$10.00 and payment of court costs after he had pleaded guilty to the theft of a wrist watch from M. P. Cranford. Jacobs was remanded to the custody of Sheriff C. F. Stubblefield. The watch was recovered and was returned to Mr. Cranford.

Lonnie Odell Jordan, who has yet to be apprehended and whose case is pending, has been charged in Judge Porter's court with the theft of \$20.00 from Mrs. Charlene Benningfield. The money, which was the property of Loy Long, allegedly was obtained in a "quick change deal."

Price Clinic At Court House Is Due Wednesday

All persons in Mills County with headaches arising from orders, directives and regulations of the Office of Price Stabilization are invited to apply for a cure at 9:00 o'clock next Wednesday morning in the District Court Room at the Mills County Court House.

County Judge Lewis B. Porter said that at 9:00 o'clock next Wednesday morning a representative of the Fort Worth office of the Office of Price Stabilization will be available at the District Court Room to answer questions by businessmen.

George C. Bevel, District Information Officer for the Office of Price Stabilization, wrote to Judge Porter that the OPS Representative was being sent to Goldthwaite next Wednesday morning "as a service" to the businessmen of Mills County.

Truman Hill Rests On His Birthday

Truman Jackson Hill, who lives 3 1/2 miles southwest of Star, celebrated his 44th birthday anniversary last Sunday by resting. He made his sister, Mrs. Oia Howell, and his brother, Roy Lee Hill, watch him as he rested. The Eagle celebrated Truman's birthday by making Roy Lee Hill work — to set this story in type. Many Happy returns of the day, Truman.

J. T. Soules Starts Revolution In Agriculture In Costa Rica

J. T. Soules, son of Mr. and Mrs. Luther H. Soules of Rt. 1, Goldthwaite, was back home in Mills County this week on a flying trip from San Jose, Costa Rica, for the purpose of promoting an agricultural revolution that he has started in the Central American Republic.

Specifically, Mr. Soules has

farmers, whose methods of preparing the soil and cultivating crops are primitive. The agricultural implements that have been purchased by Mr. Soules are horse-drawn. He has acquired more than 50 pieces of disc plows, planters and cultivators and other implements, most of them in and around Priddy.

Since last September and following his graduation from Texas A. & M. College, Mr. Soules has been in Costa Rica as Agriculture Extension Officer with the Institute of Inter-American Affairs, which is part of the American Department of State. He is the only technician who is working among the farmers of Costa Rica, who never have worked horses, let alone tractors, in their farming.

"When I get back to Costa Rica late this month we shall have to start from the bottom in teaching the use of the farm implements from Mills County," Mr. Soules said. "That will include hitching, harnessing and feeding of the horses and the proper use of the plows, planters, cultivators and wagons."

Since last September, Mr. Soules has worked and lived all over Costa Rica for the purpose of aiding the farmers there to attain higher standards of efficiency and production. That meant that his job was to bring them all the way from the use of primitive methods to the application of modern practices.

"We could neither find nor obtain even horse-drawn machinery of any kind," Mr. Soules said. "But I told the Director of the Institute of Inter-American Affairs in San Jose that I knew where I could get farm equipment. He asked me where. I told him in Mills County, Texas. He told me to go and get it. That is why I am here and that is why we are shipping horse-drawn machinery to Costa Rica."

Mullin Graduation

Commencement exercises will be held at the Mullin High School auditorium tonight, Friday, at 8:45 o'clock with T. B. Friend of the Texas Education Agency as the guest speaker. Alta Faye McDonald is the Valedictorian of the Mullin Class of 1951 and Naida Hodges is the Salutatorian. Other members of the Class are Ynell Egger, George W. Ellis, Gene Fisher, Shirley Fisher, Helen Hasley, Myrtle Jones, Ruby Sanders, and Billy Slaughter.

Star Welcomes Everybody To Big Free Barbecue At School Saturday

Southern hospitality on the traditional scale will extend a welcome to everybody tomorrow, Saturday, when the school closing barbecue—an annual affair that last year attracted 700 guests—will be given on the grounds of the Star School.

The free barbecue, at which food will be served about 12:15 p. m., also will be featured by an exhibit of the Star Chapter of the Future Homemakers of America and a livestock project show by the Star Future Farmers of America. Miss Tommie Ann Booker is the Star FHA Sponsor, and J. C. Yeary, Jr., is the Star teacher of vocational agriculture.

There also will be what School Superintendent Leroy Beard has described as "an old-fashioned Singing."

As for the menu, Mr. Beard said there will be fish, "if they bite," turkey, barbecued beef by Jack Shaw, beans by the lunchroom staff, pies, cakes, fruit and vegetable salads by the ladies of the Star community, and tea and coffee by the barbecue committee.

That is not all. Old time fiddlers will be on hand to scrape away and there will be a baseball game between Star and Carlton. The public address system will be in charge of Nathan R. Pruitt.

Most important, Mr. Beard said, "everybody is invited."

Johnny Wigley Brings Back Cups In Steen Window

Two magnificent trophies, on exhibit in the window of the R. L. Steen Hardware Store, certify this week to the prowess of Mills County 4-H Club members in the field of animal husbandry.

Robert L. Steen, who is President of the Mills County Livestock Raisers Association, said that the trophies will remain on exhibit in the window of his store "until they have been seen by everybody in Mills County."

The awards were presented at San Angelo on Monday of this week to Johnny Wigley, son of Mr. and Mrs. John Fisher Wigley of Durenville, in the presence of his father, Mills County Agriculture Agent George G. Reese, and officials of the San Angelo Fat Stock Show.

One of the trophies, of marble and gold surrounded by eagles and topped by a steer, was presented to Johnny as his own personal possession for winning the Grand Championship at the last San Angelo Fat Stock Show with his Hereford calf, Scotty, which also was the winner of the January Goldthwaite Show of the Mills County Livestock Raisers Association. It is inscribed: "1951 Award, Grand Champion, Boy's Baby Beef, San Angelo Fat Stock Show, Johnny Wigley, Mills County 4-H."

The other trophy, nearly 38 inches high and also of gold and marble and topped by a steer over a cup on a Greek shaft, is surrounded by human symbols of victory carrying oak leaves. For a year it will be the proud possession of the Mills County 4-H Clubs. The first victors to obtain three "legs" on the trophy as champions will retain it as a permanent possession. The first and only "leg" on it now is that of the

THANK YOU, MRS. JOHN G. BERRY

We extend sincere congratulations to Mrs. John G. Berry of Goldthwaite on her election as a Vice President of the Texas Garden Clubs, Inc. That is no mere gesture in the direction of one of our finest citizens, nor is it only a gesture in the direction of one of our most valuable organizations—the Goldthwaite Garden Club, of which Mrs. Berry was one of the founders.

THE JENNIE TRENT DEW LIBRARY

This week's news article in the Eagle about the big canasta, 42 and domino party to which everybody in Mills County has been invited at the Jennie Trent Dew Library in Goldthwaite on the night of June 1 is of the utmost importance—especially when taken in conjunction with another news article, also this week, on the recent meeting in Burnet to provide better public library facilities for all of Mills County.

The Jennie Trent Dew Library in Goldthwaite, which is serving all of Mills County, is one of our proudest assets. It needs funds, and everybody can help to provide them by participating in the social gathering that has been planned for the night of June 1.

After last Thursday night's meeting in Burnet, County School Superintendent Naoma Giles of Burnet wrote a letter to Mills County Judge Lewis B. Porter, in which she quoted Miss Mattie Ruth Moore, State Consultant for Library Services, as follows:

"The requirement is for books to fit the needs of people, both old and young. Gone are the days when libraries are used for recreational purposes. Our libraries now are a vital, integrated part of our educational organization.

"Most libraries need more floor space, more shelves, larger filing cabinets, more workers and better reading centers. Longer, more regular working hours, should be established in order that working people could derive greater benefit from the library. Librarians should have opportunity to meet with other librarians in regional workshops for training in new techniques and for the exchange of ideas."

Everything that Miss Giles wrote applies to the Jennie Trent Dew Library in Goldthwaite. Here, we have basic facilities and wonderful leadership. And the maximum benefits that are potential in the Jennie Trent Dew Library can accrue to everybody in Mills County if there is provided, without cutting any corners, the public support of the sort that can be given on the night of Friday, June 1.

Very soon the Eagle will publish the first annual report of the Jennie Trent Dew Library. It will give all of us such pride that the inspiration to go on to greater endeavor and larger accomplishment will come automatically.

FOLLOW-UP CHEST X-RAYS

As result of the free chest X-rays that attracted more than 1,200 persons to the Central Pontiac Company in Goldthwaite early this month, it is indicated that some 60 persons in Mills County need treatment for tuberculosis. As County Judge Lewis B. Porter has written to Howard Campbell, Chairman of the project, "this disease will never be exterminated until all of the people are willing to cooperate with the State Department of Health."

Thanks also are due to Mr. Campbell, to V. C. Bradford and to the many others who made the free chest X-ray campaign so successful.

Friends here of Oscar Lee Conro are pleased to know of his graduation from San Jacinto High School in Houston, where he has specialized in journalism and has been signally honored.

County Clerk L. B. Porter issued marriage license since last report to S. F. Strayley of Adamsville and Miss Mittle Little of Lampasas, Elmo Littlepage and Miss Ella Pearl Harrell, both of Goldthwaite.

Superintendent E. D. Stringer and the School Board this week received from the State Department of Education a report of the High School visitor, who

recently inspected the school here and its workings. The report highly commends the work and gives enthusiastic praise for the advancement made along all lines. It tells of the improvement in equipment both inside the buildings and outside and, among other things, says the faculty is found to be capable, efficient and well trained while the pupils are responsive, alert and interested.

About midnight Saturday night an automobile convoy was wrecked on the railroad track just above the crossing on First street and the driver, G. A. Riske of Houston was painfully hurt, although his injuries did not prove serious.

Mrs. J. E. Ince and little daughter, Christine, were in town Saturday and Mrs. Ince said they had recently traded with Mrs. O. B. Fleming for the farm, where they are now and will remain here permanently. This is good news to their many neighbors and friends in this section of the county.—Mullin News.

NEWS OF WASHINGTON

(Editor's Note: In the following article, David Lawrence brings home to the American people the story of how the United Nations is hamstringing us at the same time. We believe it is important for every American to do some hard thinking on the following paragraphs by Mr. Lawrence.)

By DAVID LAWRENCE

Secretary Marshall's testimony is in many respects even more sensational than that of General MacArthur.

For it tells the American people for the first time that they have completely lost their independence of military action in the midst of a war in which 350,000 American boys are engaged.

It tells that decisions made by the President, the secretary of defense, the secretary of state and the joint chiefs of staff are vetoed in secret by other governments without an opportunity for the public opinion of the United States or of the world to be appraised of the facts.

It tells that, although the United States has contributed the bulk of the troops in Korea, the 13 governments which have contributed token forces decided to deny us the right to apply the military doctrine of pursuing the enemy—known as "hot pursuit."

It tells that the United Nations has appointed the United States as agent to conduct the military operations but that the agent cannot perform those military operations without continuously obtaining the consent of these allies.

It tells that the United States, though conscious of the importance of an economic blockade to stop strategic materials and munitions from getting to the enemy, has not succeeded in persuading the principal United Nations countries now involved in that trade to stop it, even though 10 1/2 months of war in Korea have elapsed.

It tells that all these troubles and friction between the United States and its allies were never communicated to General MacArthur except in the vaguest terms.

It tells by implication, that the famous 13-nation declaration which was supposed to bring about a negotiation of a "cease fire" was never sent to General MacArthur and that only a brief message saying some such announcement was planned went to him on March 20 last.

It tells that the United States government at present opposes the entry of Red China into the United Nations and opposes turning Formosa over to Communist China but that the United States government is nevertheless willing to discuss these subjects as matters for negotiation with the Red Chinese when they agree to a "cease fire."

It tells that the United States will adhere to that policy but it doesn't tell whether the United States will use its veto to turn down such a reward for aggression or will merely

The Eagle's

By The Editor

In one of the shortest speeches on record, Earl T. Fairman late last Thursday afternoon pointed out that during the past five years 'teen age boys and girls in Mills County have brought into this County approximately one quarter of a million dollars as the material results of their participation in various livestock shows and exhibitions throughout Texas. The editor knows that most of the readers of the Eagle are well aware of the achievements of Mills County 4-H Club boys and girls and the achievements of members of the Future Farmers of America, but he believes that the full extent of their contributions to the economy of Mills County is not generally realized.

As a news article elsewhere in this week's Eagle reports, the occasion for Mr. Fairman's brief and informal speech last Thursday was a barbecue on the Fairman Ranch that was given by the Trent State Bank of Goldthwaite with 4-H Club and F.F.A. members as the guests of honor. The youngsters were there with Mills County Agriculture Agent George G. Reese and Vocational Agriculture Teachers Y. B. Johnson, Jr. of Goldthwaite, J. C. Yeary, Jr. of Star, Don Clark of Mullin and Dick Vestal of Priddy.

There was nothing formal about the whole fine and inspiring affair and it was entirely informal that Mr. Fairman reached for the microphone just before the food was ready to be served and made his brief speech. Actually, he spoke for less than a minute and a half, but the editor's pencil nearly fell out of his hand when Mr. Fairman reminded almost 400 listeners that in the five years since 1947, Mills County 4-H Club members and Future Farmers of America have brought back an average of \$44,000.00 a year into Mills County.

The monetary rewards for study, vision and toil have been in the form of prizes that were won at the big livestock shows and expositions and in the form of proceeds from the sale of cattle and other animals that were exhibited at the shows. That is a truly remarkable record, especially when you consider the land area of Mills County and its relatively small population.

During the past 15 months the Eagle has tried to make editorially the big point of the educational value of the work that has been done and still is being done by our 4-H Club boys and girls and F.F.A. members. There has been recognition of their own efforts and the high quality of the leadership that they have had, not only from the County Agent and their teachers but from such men as Robert L. Steen and his fellow-members of the Mills County Livestock Raisers Association. But when Mr. Fairman spoke so briefly last Thursday afternoon, he was able to make the very important and tangible point of what the "take" of the 4-H and F.F.A. members had meant economically to everybody.

Of the nearly a quarter of a million dollars that the youngsters have brought back to Mills County from the shows and expositions, most of it has stayed here. Some of it has been used for higher education, which increases the assets of Mills County. Some of it has been saved and it is available for use here. Some of it has

been spent for farm machinery and ranch tools. All 4-H and F.F.A. youngsters made a tremendous contribution to the economy of Mills County. Fairman pointed out when he pointed out

After the Trent State Bank had paid honor to the 4-H and F.F.A. members on Friday, the editor was talking to Mr. Fairman's little son, Earl T. Fairman, County Agent Reese put the whole thing in perspective when he said that the Fairman had told the 4-H Club and F.F.A. members were engaged in "business." The purpose of writing this column is to try to bring home to you the body HOW BIG.

Re: Climatological

The Goldthwaite Eagle, Goldthwaite, Texas

Being vitally concerned with the weather as a farmer, I have read with interest your article on the subject. (In the May 11.)

In fact I read it several times and was so interested that I have heard of the "Week End" "The Score" and other things that turn up missing. This is the first time, to my knowledge, that a whole explanation for the first being that it became bogged down in tape at the U. S. Bureau, then if records were like that month was a total loss as precipitation was not and not worth reporting. And lastly you thought the repetition was getting monotonous just decided to chuck it. I have a bobbed hat, Thanksgiving, and a Day notwithstanding.

More over I can't figure check so well back to you.

Thanks Bud. Loquacious Edwin H. Hapgood

Lilla Harvey Broaddus Is Wed To Lane Boogher In Chicago Ceremony

MRS. LANE BOOGHER

Mrs. Lilla Harvey Broaddus of Chicago, daughter of Mr. and Mrs. Ira O. Harper of Fisher Street in Goldthwaite, and Mr. Lane Boogher, also of Chicago, were married last Sunday in a double ring ceremony at the Rodgers Park Baptist Church in Chicago.

Mrs. Broaddus, who wore a white suit with an orchid and an orchid hat, was attended by her daughter, Patricia. Mr. Boogher was attended by Les Bernard, a close friend of

both the bride and groom.

Following a brief honeymoon in Chicago this week, Mr. and Mrs. Boogher planned a more extensive wedding trip by automobile to California during the next month or two. Goldthwaite will be one of their stopovers on the California trip.

After last Sunday's marriage ceremony, there was a reception at the bride's home. For a number of years, both Mr. and Mrs. Boogher have been associated with Empire Crafts, Inc.

Juanita Marwitz Married In Evant To Bobby Clifton

Miss Juanita Marwitz, daughter of Mr. and Mrs. Edwin Marwitz of Evant, became the bride of Bobby Clifton, son of Mr. and Mrs. Rex Clifton of Star, in a candlelight ceremony Wednesday evening, May 9, in the First Methodist Church of Evant.

The double-ring service was read by the Rev. John Harper, Pastor, before a background of greenery and white gladioluses, chrysanthemums and candytuft arranged in baskets marked with white streamers. On the piano was an arrangement of the white flowers and lacy fern. The family pews were decorated with white stock, fern and satin streamers.

Accompanied by Deletta Moseley at the piano, Anne Sills sang "I Love You Truly." Miss Moseley also played the traditional wedding music.

The bride, given in marriage by her father, was attended by Mrs. L. H. Manning as matron of honor, and Mrs. William Doyle Wolf. Flower girls were nieces of the bride and groom, Carolyn Arnold and Rosalyn Clifton. Aubry Arnold served as best man, and Delvin Marwitz and June Clifton, brothers of the bride and groom, were ushers.

Mrs. Clifton's white wedding gown, the top of which was imported chantilly lace, featured a fitted waist and sweetheart neck with a full chiffon skirt and a long train. From the bridal coronet, which was fashioned with seed pearls and flowers, hung the floor length illusion veil. She wore white elbow length gloves and carried a white Bible on which was a cascade of white flowers, centered with an orchid, and showered with satin ribbon.

The bride's attendants wore formal organdy gowns fashioned like her's, and carried identical bouquets of pink and blue.

Following the ceremony, the wedding party and relatives went to the Marwitz home for a wedding supper.

Mrs. Clifton is a graduate of Evant High School and attended Tarleton College. Mr. Clifton was graduated from Star High School and is in the armed services.

Birthday Party For Mrs. W. T. Alexander

Mrs. J. Frank Davis honored her sister, Mrs. W. T. Alexander, with a surprise birthday supper, Wednesday night, May 9. Mrs. Alexander received many nice and useful gifts which thrilled her very much.

Those present were: Mr. and Mrs. W. L. Alexander and children; Mr. and Mrs. Kenneth Coffman and family; Mr. and Mrs. Joe Davis and children, Mr. and Mrs. E. D. Ferguson and son, E. D., and daughter, Mrs. J. C. Petty and boys; Mr. and Mrs. J. F. Doggett; Mrs. J. C. Stark and Mrs. Addie C. Davis, all of Goldthwaite; Mrs. Lora McKnight, Mrs. N. B. McNight and Mrs. Rosa George of Bangs; and Mr. and Mrs. Arlie Davis, Mr. and Mrs. Jack Robertson, Mrs. Audie Hester and son, and Mrs. Alice McDonald of Brownwood.

(The garden therapy for which Mrs. Berry has been such a dynamic influence is an epic in itself and one of these days soon it will be told as completely as possible in the Eagle.)

Wedding Bells

Since last report, County Clerk Earl Summy has issued the following marriage license:

W. T. Sewell and Martha Marie Bally of San Saba. (The marriage ceremony was performed by County Judge Lewis B. Porter.)

Mr. and Mrs. B. L. Casbeer and daughters of Lampasas were guests of her parents, Mr. and Mrs. Will Harris, on Mother's Day.

S/Sgt. and Mrs. Jack L. Simpson of Waco were weekend guests of their parents, Mr. and Mrs. O. B. Bell and Mrs. Elam Kelly and girls.

South Bennett Club

The South Bennett Club will meet on Thursday of next week with Mrs. Charles Skipping as the hostess. At the last meeting, at which Mrs. Willis A. Hill was the hostess, a quilt was completed.

Mrs. J. D. Sims had as Mother's Day guests six children, six in-laws, five grandchildren, and three great-grandchildren.

Mrs. John Keese left for Fort Worth Tuesday morning to be with her daughter, Mrs. R. O. Brandenburg, who is ill.

Mrs. John G. Berry Is Elected To High State Garden Club Post

Signal honor came to Mills County, to the Goldthwaite Garden Club and to Mrs. John G. Berry when, in El Paso last Friday, she was elected third Vice President of the Texas Garden Clubs, Inc.

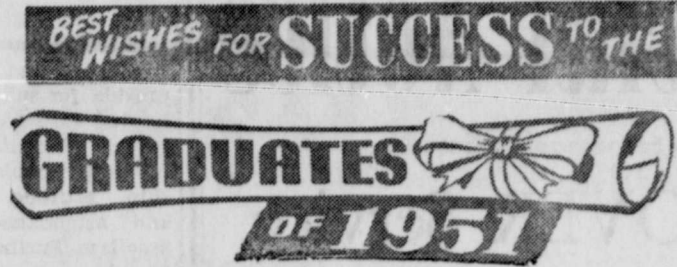

The annual convention of the Texas Garden Clubs, Inc., was concluded last Saturday with the installation of new officers including Mrs. Berry, at the Hotel Cortez in El Paso.

With Mrs. R. M. Thompson, Mrs. Henry Martin and Mrs. J. H. Randolph, Mrs. Berry founded the Goldthwaite Garden Club in 1934. She was the Club's first President and in subsequent years she served other terms as President. In 1935, the District organization of Garden Clubs was established in Goldthwaite and Mrs. Berry became the first District President. The District was the first to have been organized in Texas.

Prior to her election as a Vice President of the Texas Garden Clubs, Inc., Mrs. Berry had been State Chairman of the organization's Committee for Garden Therapy — work with the blind. Both in Goldthwaite and in the State organization, Mrs. Berry has had a long and enviable record of devoted and unselfish service. During the years 1938 and 1939, she was the State Chairman of Junior Garden Clubs.

Then, late in 1939 and following the outbreak of World War II in Europe, she became responsible for coordinating all of the war work activities of the Texas Garden Clubs, Inc. Accomplishments included work among hospitalized veterans, the gathering and sending of large quantities of seeds to Great Britain during "the fin-

Mr. and Mrs. Hugh McKenzie of San Antonio were guests this week of Mrs. Flo Wilke at Shady Oaks Ranch, south of Goldthwaite. Mrs. McKenzie is a sister of B. N. Wilke.

Over the weekend Floyd Sansom of Fort Worth and Miss Louise Nolen of Austin were guests of his parents, Mr. and

Mrs. T. F. Sansom. Sunday afternoon they accompanied them to Bangs, where they visited the latter's parents, Mr. and Mrs. F. M. Brooks.

A group of students, including Pat Lockridge of Mary Harden-Baylor, rendered a program at the Baptist Church Sunday night.

Quarter Back Club Starts Program Of Great Benefit

A number of projects designed to aid and encourage the athletic programs of the Goldthwaite Schools and of the community—such as the Municipal Ball Park—were agreed upon at a meeting of the Quarterback Club last Monday night.

President E. B. Gilliam, Jr., said that a report by an awards committee was adopted. It will provide for suitable recognition by the Quarterback Club of school students for athletic prowess, scholarship, citizenship, attitude, sportsmanship and attendance at athletic practices. Further details of the awards system will be announced before the new school term starts next autumn.

Mr. Gilliam said the Quarterback Club also has undertaken to recondition the lights at Eagle Field, and it agreed at Monday's meeting to stage a football talent rally coincident with the start of fall training next August.

The Club, Mr. Gilliam said, agreed to purchase a portable public address system and to cooperate fully with the Goldthwaite Red Sox baseball team, of which Howard Hoover is the manager, in a program that now is being worked out to provide funds for the Ball Park. Further announcements on the Quarterback Club-Red Sox cooperation will be made soon, Mr. Gilliam said.

Working Thursday At North Brown

Mrs. Jim Weatherby announced this week that there will be a Working at the North Brown Cemetery on Thursday of next week. All interested persons were requested to take their tools and their lunches. Mrs. Weatherby said that in addition to the all-day Working next Thursday, there will be a business meeting of the North Brown Cemetery Association.

Mills County Citizens Help Plan Better Library Work In This Area

Library needs for a large area, including Goldthwaite and Mills County, were discussed in Burnet on Thursday night of last week when a District Hill Country Library Program was discussed at a meeting that was attended by County Commissioner and Mrs. Fred V. Wall of Star and their daughter, Katherine, County Judge and Mrs. Lewis B. Porter, Mrs. L. E. Miller, Mrs. J. M. Campbell, and Mrs. George G. Reese, Librarian of the Jennie Trent Dew Library in Goldthwaite.

Speakers at the meeting included Miss E. S. Goree, Burnet County Librarian, former Burnet County Judge James A. Steele, who has been a spark-plug in behalf of free public library facilities in this area; Mrs. Lucile Watson, State Librarian; and Miss Mattie Ruth Moore, State Consultant for Library Services.

Miss Naoma Giles, School Superintendent for Burnet County,

described the meeting as having as its primary purpose the expansion of facilities for providing the greatest number of books for the largest number of persons.

The program now being formulated will provide for frequent consultations among Librarians in the Hill Country, for making known to everybody what library facilities are available, for the correlation of efforts to "help bring fresh books to all the people," and for ways and means of raising funds so that institutions, such as the Jennie Trent Dew Library in Goldthwaite, may render the best possible public service.

In addition to Mills County representatives at the Burnet meeting, there were representatives from San Saba, Gillespie, Lampasas, Blanco, Burnet, Llano, Travis and Bexar Counties.

J. H. Long Reunion

Mr. and Mrs. John H. Long had the pleasure of having seven of their eight children and all of their grandchildren with them on Mother's Day. They were Mrs. Jack T. Cartwright and Jackie of Baytown; Mr. and Mrs. L. B. Bramblett and children and Mrs. John Roy Wallace and boys of Mullin; and Mr. and Mrs. Lynn Nix and Earlene, Henry Long, Mrs. Gladys Davis and children, and Mr. and Mrs. Louis Long and Marilyn, all of Goldthwaite. Miss Darlene Long of Fort Worth was unable to be present on Sunday, but she visited her parents the week before. Mr. Long's sister and husband, Mr. and Mrs. Joe Dennis of Ranger, were also guests in the Long home on Sunday afternoon.

Dickson Explosion

A pressure cooker exploded last Monday morning at the home of the Rev. and Mrs. E. W. Dickson and blew a hole in the ceiling of their kitchen. There were no injuries because all of the members of the family were out of the kitchen at the time. "The worst of it was that we lost the turnip greens that were in the cooker," Brother Dickson said.

Howard Campbell Wants Livestock!

If you have hogs, sheep, calves or goats that you would like to trade for any of the fine line of appliances at the Smith Equipment Company, then the man to see is Howard Campbell. As Mr. Campbell announces in an advertisement in this week's Eagle, he has gone in for bartering and he hopes to take in a lot of livestock.

Franklin Weathers Out Of Sick Bay

The Eagle's Franklin Dew Weathers spent his 18th birthday last Friday in hospital at the U. S. Naval Training Center at San Diego, California, but by Monday night he had recovered from whatever sent his fever skyrocketing and he was able to give his mother, County Treasurer Bertha Weathers, a big thrill by telephoning to assure her that he was all right. Our Franklin reported to his mother that for his birthday he had received her candy, Miss Myrlene Reynolds' cake and those fine cookies that had been baked especially for him by our Miss Earlene Nix. No more fever, Franklin — it keeps an active man like you from getting around!

The Rev. and Mrs. J. T. Ayers and their daughter, Anette, went to Ropesville, near Lubbock, this week to visit a new nephew, the infant son of Mr. and Mrs. W. T. Ayers.

Mrs. J. D. Brim spent the weekend near Brownwood with her son, J. D. Brim, Jr., and family. They brought her home Sunday afternoon.

News Of The Ebony Community

By CLEMENTINE WILMETH BRILEY

(Written For Last Week.)

We had considerable storm, accompanied by 4 inch of rain here Saturday evening. Sunday evening we had more storm, 1.7 inches of rain, and enough hail to make the yard white. The creek got up ten feet.

Blue Thompson and John Briley met at the water gap Monday morning whither each went to repair the ravages of the rampaging creek. John Briley has four water gaps that he must repair after each hard rain.

Taylor Duncan has a good stand of maize from his second planting. Some of the rest of us may not be so lucky since we didn't get it planted soon enough to get it up before this last beating rain.

Dale and P. R. Reid of Goldthwaite were plowing and planting on their farm here last week. Mrs. P. R. also came along one day to visit her daughter, Mrs. Charm Whittenburg.

Wallace Perkins of Zephyr was plowing and planting his field here Friday. He certainly has it looking in good shape.

Percy Russell has his farm looking like a soil conservation model.

Clayton Egger's corn is looming up, but it looks as if he might be going to have to put up a fight against Johnson grass and treadsaws.

Mr. and Mrs. Hubert Reeves and children, Joe, Nancy, and John, attended Church at Mullin Sunday and visited Mrs. Reeves' parents, Mr. and Mrs. John Guthrie.

Mrs. Hattie Whittenburg spent

Sarah Ann Reeves, at the Algood Home for Old Folks at Brownwood Friday. Mrs. Reeves was 93 last January. Ebony has been her home since 1833. Her mind is still clear, her complexion is soft and fair, and her hair, though silvery white, is still beautiful. However, her eyes have failed her, and she is practically blind. She loves for her friends to come to see her. She says she got to go to Church to an old folks' service last week.

Mr. and Mrs. E. B. Gilliam, Jr., attended Mr. Herring's funeral at Lometa Sunday afternoon. Mr. Herring was Mr. Gilliam's sister's father-in-law.

Stanley Reeves went to Oakland to see Mrs. Frank Crowder last week. Mrs. Crowder is not at all well and is having to go to the doctor for treatment.

Mrs. L. Covington Of Pleasant Grove Celebrates 94th Birthday

Friday, May 11, Mrs. L. Covington of Pleasant Grove, celebrated her 94th birthday anniversary. Those present to help her celebrate the occasion were five of her six living children: Mr. and Mrs. John Covington of Lometa; Mr. and Mrs. Dan Covington, Mr. and Mrs. Louis Covington, Mrs. Fred Wall and Miss Edith Cov-

ington. A daughter-in-law, Mrs. T. F. Covington of Oklahoma City, whose husband died sometime ago, was also present. A daughter, Mrs. Sarah Kinney of Abilene, was unable to attend the party.

Other relatives who were present were Mrs. Covington's sister, Mrs. J. N. Keese; two grandsons, Oscar and L. C. Covington; two granddaughters, Mrs. J. D. Robertson, Jr., and Betty, and Mrs. Clyde Featherston; and two nieces, Mrs. John Patterson and Mrs. Burthel Roberts.

Mrs. Wall and Miss Edith Covington prepared and served a birthday dinner to those present.

Mrs. Covington, who before her marriage was Queen Elizabeth Virden, was born near Mobile, Alabama, May 11, 1857, the daughter of B. F. and Nancy Virden. When she was about five years old, the Virdens migrated to Texas and settled in Bell County. On August 15, 1873, she was married to Leonard P. Covington in Bell County.

The Covingtons moved to what was Hamilton County in 1877, but now is Mills County. It was here that they reared their family of seven children. Besides the ones mentioned above, Mrs. Covington has a number of other grandchildren and relatives who reside in Mills County.

Mrs. Glynn Sanders Heads Mullin P.-T. A.

Mrs. Glynn Sanders was elected President of the Mullin Parent-Teacher Association at a meeting last Friday that confirmed previous nominations. Other officers who were elected to serve with Mrs. Sanders were Mrs. Lewis Pafford, Vice President; Mrs. A. J. Smith, Secretary; Mrs. H. L. Pyburn, Treasurer; and Mrs. J. R. Cocksey, Reporter. On Tuesday of this week the Mullin P.-T. A. entertained F.F.A. members and their girls at a party at the Rowlett fishing camp. The organization will meet again on the second Monday of next September.

Mr. and Mrs. Oran Hale and son Mervyn Lee of Fort Worth visited over the weekend with their parents, Mr. and Mrs. J. H. Hale and Mr. and Mrs. Scott Thompson.

YOU ASKED FOR MORE!

In response to popular demand, here are the photographs of some more Mills County youngsters as they were away back in 1944. Can you identify them? Last week, the Eagle published the 1944 photographs of Jackie McCasland, Molly Lane, Mary Martin, Susan Shead, Danny

Galloway, Charles Wilkins, Elton Geeslin, Billy Clements, Norma and Jerry Duren, Linda and Nell Langford, Karen and Sandra Mason, Peggy and Wanda Pafford, Vera Mae, Wanda and John Wayne Davis, and Carlton, Carolyn and Pete Bramblett. Do the readers want more such pictures next week?

News Of The Ebony Community

By CLEMENTINE WILMETH BRILEY

Mr. Ekins asked if I was rained out last week. Well, it was too muddy to cross the creek Tuesday morning. It is three miles from our house to the mailbox when we can cross the creek and go the short way. When we have to go around, it is almost five miles. My husband was also busy with a sick cow. He finally got the letters to the Whittenburg mailbox. I think, in time for Mr. Barker to get them on his return journey. But when he starts for home, he doesn't look for mailbox flags.

We had more rain and hail Wednesday night. We have had considerable threatenings since then, but no rain. We surely would like a little more to help the maize get through the crust. But we are very thankful for the good rains we have had. The grass is growing, and the cattle are doing fine.

The recent hails have just about destroyed the fruit crop in this community. Stanley Reeves reports that his crop is ruined for this year.

Mrs. Gene Egger says the

Griffins report the same about their orchard.

Mrs. Edna Dwyer says the foxes are carrying off her chickens in broad daylight. She had to take a hoe to one last week to make him drop a big, fat hen he was taking off.

Mr. and Mrs. Cecil Egger and Ynell went to Brownwood Sunday to spend Mother's Day with her mother, Mrs. Smith.

We were happy to have out at church Sunday Mr. and Mrs. Henry Egger of Regency, Mr. and Mrs. Stanley Reeves, Nancy Reeves, Mrs. Fred Crawford of San Antonio, and Evelyn Hardin of Brownwood. Stanley was wearing a red carnation in honor of his mother, Mrs. Sarah Ann Reeves, 93. Men are so afraid of sentiment. It took his granddaughter, Nancy—backed by the other members of his family—to persuade him to permit her to pin it on his lapel. Evelyn was wearing a white carnation in honor of the dear little mother—our own Evelyn Reeves—whom she cannot remember.

At our house Sunday after church we had for our guests, our sister, Mrs. Edna Dwyer, and Mr. and Mrs. Henry Egger, friends of our youthful days. We were celebrating Mother's Day in memory of our mothers, who have passed on. Mrs. Egger (Willie to us) and I grew up on adjoining farms, and many were the days we spent together, but this was the first time she had been my guest since we were girls. The day was filled with fond remembrances.

Mr. and Mrs. Hubert Reeves and children went to Mullin Sunday afternoon for Mother's Day greetings with her parents, Mr. and Mrs. John Guthrie.

Mr. and Mrs. Hulon Egger and children spent Mother's Day with her parents, Mr. and Mrs. Ernest Wood.

Henry Griffon of the U. S. Air Corps, stationed at Fort Worth, got to spend Mother's Day at home.

The following incident, related to me by Mrs. Egger, reveals one of our most precious possessions—the eternal kindness of plain folks. She said when her mother, Mrs. Martha Louise White, passed away not long ago, she was afraid they could not get word to her brother, Cuyver, in time for him to get here for the funeral. He lives some distance from Mountain Home, in Northern Arkansas, and did not have telephone connection. The funeral home at Brownwood got a funeral home at Mountain Home on the phone. They took the message to Cuyver. He and his wife were just ready to take their produce to town. Just at that instant two neighbors drove up.

Big Canasta, 42 And Domino Party For Library Scheduled For June 1

Don't make any dates for the night of Friday, June 1, except to go to a big canasta, 42 and domino party at the Jennie Trent Dew Library in Goldthwaite.

Since the Library is a facility that serves the entire County,

everybody in Mills County is urged to attend the festivities on the night of June 1, Mrs. Jim Weatherby, Chairman of the Library Committee, said this week.

Mrs. V. A. Hudson, Secretary of the Library Committee, is in charge of "operations planning," while Mrs. John G. Berry and County Judge Lewis B. Porter have been assigned to "operation dominoes."

The Library needs money and so those who attend the canasta, 42 and domino party on the night of June 1 will be helping one of the most important projects in Mills County, in addition to having a wonderful time for themselves.

Further details of the big party will be announced next week. Meanwhile all concerned asked that everybody be sure to save the date — Friday night, June 1.

District Softball Title Captured By Goldthwaite Girls

Girl softball players of the Goldthwaite Grammar School won the District championship at Llano last Saturday and proudly brought home a banner as reward for their skill.

The Goldthwaite girls sweated their way into the finals by defeating Fredericksburg, 18-6. Then, to win the championship, they won over Llano by a score of 9-8.

"That was a tough game," Coach Hope D. Schulze said. "Our girls went into the seventh inning two runs behind, but they wound up by winning the banner."

Members of the District championship squad are Marie Reynolds, Ada Nell Long, Martha Carolyn Graves (disabled by injury), Marsha Wilkins, Virginia Hill, Geraldine Perry, Glynell Cox, Roberta Cox, Kathryn Horton, Toni Hammond, Rosaline Saylor, Ann Worley and Dorothy Eilers.

Mt. Olive Services

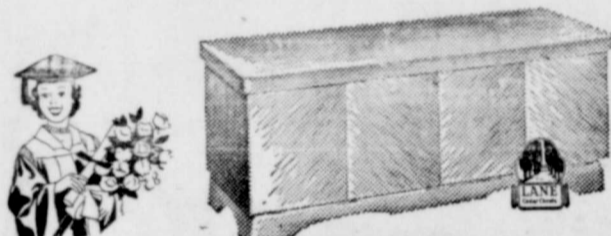

Starting Friday night at 7:30 o'clock and continuing with services Saturday morning and night and again at 11:00 o'clock Sunday morning, there will be a three-day meeting during the coming weekend at the Mt. Olive Church with Elder Jesse Bass of Crosbyton preaching.

Mrs. Claude Holley of Graham visited Mother's Day with her mother, Mrs. Eula Nickols and other relatives.

One said, "You go right on. We'll take your produce to town." The other said, "Get in this car. I'll take you to the bus. Cuyver got here in time for the funeral."

TRENT STATE BANK HONORS 4-H AND FFA MEMBERS AT BARBECUE AT WHICH FAIRMAN NOTES YOUTHS' ECONOMIC CONTRIBUTIONS

The Trent State Bank of Goldthwaite was host on Thursday evening of last week at a barbecue on the Earl T. Fairman Ranch at which close to 400 persons paid tribute to Mills County 4-H Club members and the Future Farmers of America for their outstanding achievements in the fields of agriculture and animal husbandry.

Pointing up the reason for the occasion in a speech of extreme brevity, President Earl T. Fairman of the Trent State Bank said:

"We are here to pay honor to our 4-H and F.F.A. boys and girls. We want you to know that we appreciate what you have done and what you are doing. It is well, I think, that we should be reminded that the cash prizes and the proceeds from the sale of livestock raised by our guests of honor here today have been averaging \$44,000.00 or more each year. You young people are helping yourselves and, in so doing, you are helping everybody—because in one way or another all of us are in or are dependent upon the livestock business. We are proud of you and what you are doing."

Then Mr. Fairman announced that food was on the tables. Previously, Alfred Carter had been master of ceremonies for a unique contest. The guests of honor from Goldthwaite, Mullin, Star and Priddy each designated a representative to eat a stack of sandwiches and then tell Mr. Carter and Vice

EARL T. FAIRMAN
President N. E. Stockton of the Trent State Bank what had been eaten.

Dale Mosier of Mullin said that the four sandwiches he consumed contained goat, goat and oysters and fish.

John Howard Owens of Star said that his sandwiches had contained goat, crow, beef and prairie dog.

Thomas Murphy of Priddy said that his sandwiches had been made up of beef, beef, mutton and goat.

And Ted Dennard of Goldthwaite said that all of his four sandwiches had contained beef. Actually, the sandwiches had contained—cooked, of course—raccoon, armadillo, crow and rattlesnake.

The judges, who were Mr. Fairman, Mr. Stockton and Mr. Carter, decided that each of the contestants should stop at the Trent State Bank and pick up ten dollars for the treasuries of the F.F.A. Chapters at Goldthwaite, Star, Mullin and Priddy, respectively.

Throughout the occasion, County Agriculture Agent George G. Reese and Vocational Agriculture Teachers Y. B. Johnson, Jr., of Goldthwaite, J. C. Yearly, Jr., of Star, Don Clark of Mullin and Dick Vestal of Priddy beamed like proud parents.

The barbecue meal and soft drinks were served by Vice President Warren P. Duren, Cashier E. D. Hamilton, Assistant Cashier Glynn Collier,

Raymond Casbeer and Victor Williams, all of the Bank staff. They were ably aided and abetted by Brian Smith and Dr. T. C. Graves. Mr. Collier appeared particularly fetching in a long white apron, but he failed to cast even so much as a shadow on Emcee Carter, whose apron reflected the colors of green, red, pink, blue, orange, purple, yellow and barbecue sauce. Furthermore, Mr. Carter's apron was embroidered in storks and he wore a bow tie that was gayer, even, than the apron.

"Dinner music" was furnished by Martha Carolyn Graves on the accordion and by Lathon Jernigan at the piano.

After the meal, Comer Bishop of Dallas, Vice President of the Texas Bank & Trust Company and a Director of the Trent State Bank, led group singing of such favorites as "Home On The Range," "She'll Be Comin' 'Round The Mountain," and "There's A Long, Long Trail Awaiting."

With Miss Graves as his accompanist, Mr. Bishop brought great rounds of applause with his solo renditions of "When Irish Eyes Are Smiling," "Ah, Sweet Mystery of Life," and "A Little Bit of Heaven."

Distinguished guests who were present were introduced informally by Mr. Fairman. They included, in addition to Mr. Bishop, John Stigall of Dallas, J. H. Priddy of Priddy, Carey Owens of Rt. 3, Robert L. Steen of Goldthwaite, and School Superintendents H. E. Patton of Goldthwaite, Wray B. William of Mullin and Leroy Beard of Star.

Other guests who were introduced by Mr. Fairman were B. B. Pearson of Waco and Allan Gano of Dallas.

In behalf of all of the guests, Mr. Fairman and the Trent State Bank were thanked by Dr. Graves.

State Senator Carlos Ashley, who had planned to attend the barbecue, was unable to be present because of the pressure of business in the legislature at Austin.

Mr. and Mrs. C. B. Allison of Kingsville were guests a few days last week in the home of Mr. and Mrs. Walter Simpson.

News Of The Brown-Mills Soil Conservation District

After a thorough look at his farm in 1947, Johnny Schlee of Priddy decided he needed a place to dispose of the run-off water from his proposed terrace system. Because of the topography of his farm, his native grass pasture could not be used for terrace outlets. There being no natural grass waterway, he had to rely on a "man-made" waterway to carry the water.

Mr. Schlee asked the Soil Conservation Service to help him determine the width and depth of the waterway. He built the waterway with his tractor and plow and seeded it to King Ranch bluestem. Since the waterway was then in a good

condition to erode, Mr. Schlee decided to postpone the construction of his terraces until a good grass cover was present.

In 1950, after close examination, Mr. Schlee decided the waterway was properly grassed and would be safe to terrace into. Three miles of terraces were built and emptied into this "man-made" waterway.

The satisfaction of knowing that the waterway was adequately protected from the terrace water was worth the two years of waiting, Mr. Schlee stated later.

Commissioners Meet On Taxes Starting May 28

Meeting last Monday at the Mills County Court House, the Commissioners Court agreed to extend full cooperation in the projected plans to accommodate both the U.S. Soil Conservation Service and the Production and Marketing Administration in the Court House. The matter was discussed by the Court with representatives of the Mills County Agriculture Committee.

The Court agreed also to establish a right of way to the home of L. A. Williams in the Sleepy Hollow Community, west of Mullin, through land that is owned by the Methodist Orphanage of Waco.

Last Monday's session of the Court was extended until May 28, when the Commissioners will sit again as a Board of Equalization to consider tax assessments. Ten days after the May 28 meeting, equalization hearings will be conducted by the Commissioners.

1,200 Have Chest X-Rays In Fight On Tuberculosis

Howard Campbell, Chairman of the Citizens Committee that sponsored free chest X-rays at the Central Pontiac Company in Goldthwaite on May 5, 7, 8 and 9, said this week that more than 1,200 Mills County residents took advantage of the opportunity to aid in the fight to detect and eradicate tuberculosis.

Following the successful conclusion of the chest X-ray program, County Judge Lewis B. Porter addressed the following letter to Mr. Campbell:

"May we take this opportunity of expressing our appreciation to you and all persons, clubs and committees that assisted in any way in making the Chest X-Ray a success. Without the help of every single person who took part it would not have been as successful as it was.

"Over 1200 persons had their chests x-rayed; however, there should have been more. Out of the 6000 people in Mills County, it is estimated there are 60 people who have T. B. This disease will never be exterminated until all the people are willing to co-operate with the State Department of Health.

"We feel, however, that the results were worth the efforts put forth and we will ask for the Chest X-Ray again next year.

"Again, we thank each individual for all help rendered. Sincerely yours, L. B. Porter County Judge."

Mr. and Mrs. Ernest Barton and Bob E. of Waco spent Friday night through Sunday with his mother, Mrs. Fred Barton.

Mrs. F. D. Webb came home Friday after spending most of last week in Lometa with her daughter, Mrs. Waite Reed and Mr. Reed.

Mrs. Edd Virden of Port Arthur visited here part of last week with her sister, Mrs. Frazier and her husband, and other relatives.

Civil Service Jobs

Information on civil service examinations for clerks, auditors and accountants may be obtained at the Goldthwaite Post Office from Eugene L. Dyas, local civil service secretary. Civil service posts for which examinations will be given soon have salary ranges from \$2,200.00 to \$3,450.00 annually.

Mr. Dyas said he also had information on pending examinations to fill positions as psychologist, traffic and transportation specialists, and industrial and production specialists.

News Of Scallorn

By ORA BLACK
(Written for last week.)

The rain Sunday afternoon registered one and one-half inches. Small hail practically covered the ground but did very little damage.

Mr. and Mrs. Leon Johnson and family went to Brownwood Sunday afternoon to visit his sister, who is a patient in Medical Arts Hospital. They also visited with Mr. Kuykendall.

Mr. and Mrs. Luther Brown went to Killeen Friday to take in the Rodeo.

Mrs. Charles C. Wright came over from Mullin Monday in her new car for a visit with her mother, Mrs. Ora Black.

Billy John Eckert of Goldthwaite was a guest Saturday night of his grandmother, Mrs. John Kuykendall, and on Sunday they went to Brownwood to visit Mr. Kuykendall.

Mr. and Mrs. Silas Burk are having a new well drilled on their place and if they fail to get water just put it down that Terrell Casbeer failed to get the right kind of switch.

Mr. and Mrs. Ran Gunn were in Brownwood Tuesday.

The Calaways have just about completed a new house which will be occupied by one of their sons and his family.

The writer and grandson, Layton Black, spent last Saturday seven miles below the town of Lampasas with relatives who live on Sulphur Creek and where the fishing can't be beat. Consequently, we brought home the fish. Enough for two square meals.

Mr. and Mrs. M. C. Bishop

Scottie In Choir

Miss Scottie Vaughan of Goldthwaite, a student at Southwest Texas State Teachers College, is a member of the 30-voice Baptist Student Union Choir at the College.

went to Layton Springs to visit her mother, Mrs. Lou Dunlop.

Guests Sunday of Mr. and Mrs. Silas Burk were Mr. and Mrs. Will Burk of Eden and Mr. and Mrs. Richard Lock and family of Goldthwaite and Mr. and Mrs. Dean Burk and Little son of San Angelo.

Mrs. Lora Maund, accompanied by her two sisters, Mrs. Carrie Hereford and Mrs. Lila Ward from Stephenville, went to San Saba Friday to attend the funeral of their aunt, Mrs. Alice Jackson.

The Mullin and Scallorn Churches tied in attendance at the Baptist Workers Conference which met with the Long Cove Church Monday evening. There were 29 from each Church and as Mullin had the greatest number of mileage they took home the attendance banner.

The members of the Scallorn Church voted Sunday night to reestablish their recreation program which was discontinued through the winter months. So, if you enjoy meeting the neighbors, this will give you the opportunity of doing so. We will announce later the date of the first get-together. Every one has a hearty welcome.

Mr. and Mrs. Bill Bishop called Sunday afternoon with Mr. and Mrs. Manuel Bishop.

Mrs. T. A. Casbeer shopped in Brownwood Friday. While there, she visited with Mr. Kuykendall, who is still a patient at Medical Arts Hospital.

GHS Class Of '97 Had No Diplomas And Rog Was A Senior Two Years

In Rog's Corner on the first page of this week's Eagle there is a poem "Dedicated to the Class of 1897." In the course of discussing his verses with Rog—who is R. E. Clements—some interesting information was turned up.

For one thing, Mr. Clements is sure that he finished what in 1897 was the equivalent of the Goldthwaite High School because he had been a Senior for two years!

When he was asked to produce his diploma, Mr. Clements said the Class of 1897 just finished school—no diplomas, no Commencement and no Baccalaureate Service. They began handing out diplomas in 1898, Mr. Clements explained.

The members of the Class of 1897, in addition to Mr. Clements, were Gertrude Cunningham, Allie Humphries, Walter Humphries, Ezwoh Barton, John A. Hester, Lon Porter, Lum Allen, Gordon Brinsom, Amelia Ashley, Maud White, and Brilla Britton.

In 1897, the school officially was called the Ella Goldthwaite

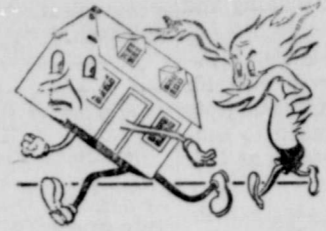

Mullin Cemetery Working May 30

A Working at the Mullin Cemetery all day on May 30 was announced this week by Mrs. Jewell Ivy of Mullin. She urged that all persons who are interested in the Mullin Cemetery take their tools and their lunch to the Working on Memorial Day.

More Soules

(Continued From First Page.)
Graves of Nacogdoches, is waiting in San Jose with J. T. Soules Jr., who was born last November 3. At the time, his Dad was out in the Provinces and they had to send an airplane to fly him in to San Jose to welcome his new son.

"He has teeth and he keeps everybody in the household busy," Mr. Soules said this week while talking about his son. "He is a real 'puro tico' — a Costa Rican. He can't talk yet, but soon he will be walking and talking."

While home on his flying visit, Mr. Soules stayed with his parents. Before returning to Costa Rica, he planned to consult friends and experts at College Station.

Mr. Soules expressed conviction that the American effort to teach "know-how" in Latin America is winning genuine friends for the people of the United States.

"The admiration of America, Americans and American methods is tremendous," Mr. Soules said. "We are not boon-doggling or playing Santa Claus in Costa Rica with the money of the American taxpayers. We are helping the people of Costa Rica to advance toward better lives and the effort is paying off in the dividends of friendship. I can report that the people of Costa Rica want to link their future with that of the United States."

In Costa Rica, Mr. Soules will use the farm machinery from Mills County to teach the Costa Ricans how to grow cotton, grain sorghum, sugar cane and probably, rice. He arrived in Mills County a week ago last Monday, and a week later he had bought up his farm machinery and was affixing shipping tags to it.

Mr. and Mrs. Wilford Gray had their children with them on Mother's Day: Mr. and Mrs. Alvin Hallum and sons of Brownwood and Leon Gray and family of Fort Worth.

GI School Meeting

County Judge Lewis B. Porter, Erle D. Roberson, Coordinator of the Mills County Vocational School; and Instructor R. H. Williams went to San Saba on Tuesday to attend a meeting of the District and Regional G. I. School Coordinators and Supervisors. O. B. Hale of Goldthwaite, Coordinator of the San Saba G. I. School, was host at dinner. Following the conference, Judge Porter said that all veterans who have not yet taken advantage of the G. I. training program should communicate at once with Mr. Roberson.

night to get things straightened out, and then go to bed. We were worried a bit last night as the Chinks were on three sides of us. The Infantry drove them back this morning, May 1."

I have used a portion of just one of Sgt. Dankers' letters in this column in hope that it will help to personalize the fighting to all of us. After all, we have a stake—a deeply personal stake—in Korea. Sgt. Dankers married a Mills County girl. We have other men over there—the Walton brothers of Center Point, a son of the Rev. and Mrs. L. C. Sparkman, Captain Don Smith, son-in-law of Mr. and Mrs. Marvin Hodges, just came home from Korea, and he is going back. More and more of our young men are going to the Far East.

Why? Well, I think it is because, despite the debates in Washington about Europe-versus-Asia, the fact remains that when the biggest of all the balloons goes up, it will be from Asia. It is from Asia that we are most vulnerable to attack by the most devastating of all the weapons that can be used against us—the atomic bombs that, if and when they fall on American cities, will be flown from Red bases in Siberia. Don't, please don't, write off Asia.

Tom and Charlie Perry of Mullin were guests of honor at a birthday dinner at Riverside Park in Brownwood last Sunday.

4-H Club Cups

(Continued From First Page.)
Mills County 4-H Clubs. "Johnny just grinned when the trophies were presented to him at San Angelo on Monday," County Agent Reese said this week.

As the trophies were handed to him, Johnny was photographed, and the pictures will be printed in the catalogue of the 1952 San Angelo Fat Stock Show.

While the public views the trophies in the window at Steen Hardware, the Mills County 4-H Club livestock judging team is working hard in preparation for the annual 4-H Club Texas State Roundup that will start at Texas A. & M. College at College Station on June 25.

Last Saturday, and in conjunction with the Comanche 4-H livestock judging team under Comanche County Agent Ben Spears, Davis Owens, Bobby Zane Egger, Dana Saylor and Merion Reynolds worked all day on sheep under the tutelage of County Agent Reese on the P. R. Jordan, Dayton Turbiville and D. R. Reynolds places, judging for wool and judging muttons, ewes and yearlings. Previously Mr. Reese had taken the Mills County 4-H Club livestock judging teams to work with the Comanche County boys. During the annual State Roundup they will, of course, be competitors.

Next Saturday, the Mills County 4-H Club livestock judging team will be taken by Mr. Reese to College Station for a practice session—taking advantage of elimination contests that will be staged by Districts 10 and 11.
