## Mrs. Yarborough Assumes Welfare Agency Post Here

Succeeding Mrs. Anita Isham Owen, who now lives in San Saba County, Mrs. William G. Yarborough this week assumed her duties as head of the Mills County office of the State Department of Public Welfare. Prior to her transfer to Goldthwaite, Mrs. Yarborough had been attached to the Brown County office of the Department of Public Welfare.

MRS. YARBOROUGH

Mrs. Yarborough, who was educated in Florida and West Virginia, served with the United Service Organizations during World War II. She joined the USO in Brownwood and later was transferred to posts as USO consultant in the Panama Canal Zone and the Caribbean Defense Area. In 1946 she returned to Brownwood where she became a member of the faculty at Howard Payne College. Subsequently she joined the State Department of Public Welfare.

Since her marriage last year to William G. Yarborough, a Goldthwaite attorney-at-law, Mrs. Yarborough has made her home in Goldthwaite. She is a member of Delta Delta Delta sorority, the Texas Public Employees Association and the American Public Welfare Association.

## Postmaster Back On Job Ready For Cast Autographs

Although her right leg is encased in a heavy plaster cast from her toes right up to the third hinge from the ground, Goldthwaite Postmaster Lucille Fairman returned to her duties on Wednesday of this week, three weeks after she broke her knee in three places in an accidental fall outside her home.

The report around the Square on Wednesday afternoon was that Patrons of the Post Office were out borrowing good fortune (Continued on Back Page.)

## Nice Going, Merion

Another fine honor came to the youth of Mills County this week when, at the annual campment on Lake Brownwood, Merion Reynolds, son of Mr. and Mrs. D. R. Reynolds of Rt. 3, was elected Vice President of District 8 of the 4-H Clubs. An article on the Mills County delegation to the 4-H campment will be found elsewhere in this week's Eagle.

## Equipment For Farmers Available Through Soil Service Cooperation

By CHARLES O. HAENISCH  
 Equipment owned by the Brown-Mills Soil Conservation District has been used to fill the needs of farmers and ranchers in applying conservation practices in the Goldthwaite Work Unit area for the past five years. Through the use of this equipment, many conservation measures have been established that otherwise would not have been.

## Red Cross Asks Help For Flood Victims At Once

Prompt and direct aid for the victims of disastrous floods in Oklahoma, Kansas and Missouri was planned this week by the Mills County Chapter of the American Red Cross. Pointing to the human suffering that the Red Cross is undertaking to alleviate, Brian Smith, Executive Secretary of the Chapter, said that the need is urgent.

For the present, Mr. Smith said, no direct solicitation of funds has been planned but he urged that all persons send contributions, large or small, to the Mills County Chapter of the American Red Cross at Goldthwaite, Texas. Contributions may be delivered in person to Glenn Collier at the Trent State Bank, Mr. Smith said.

An appeal to the public to assist the disaster victims in the inundated areas will be made from the pulpits of Churches throughout Mills County next Sunday, Mr. Smith said.

Red Cross Chapters throughout the country are attempting to raise \$5,000,000.00 as quickly as possible for the flood relief work. The flood disaster has been so great that human needs cannot be met from the existing resources of the Red Cross.

Mr. Smith said that all of the money that will be raised here during the supplemental appeal will be sent to the Red Cross regional headquarters in St. Louis and immediately upon receipt will be used for the relief of flood victims.

## ANDREW BAXTER FAMILY ARRIVES TO SETTLE IN GOLDTHWAITE FROM GREENOCK, SCOTLAND

After a journey from Greenock, Scotland, by way of London, England; Antwerp, Belgium; and the gulf ports of the United States, Mr. and Mrs. Andrew Baxter and their daughter, Susan, 17, were settling down in their home on Weaver Street in Goldthwaite this week—all because last February E. B. Adams, local monument maker, made and offered to King George VI a replica of the Stone of Scone.

About the time that the Stone

MRS. ANDREW BAXTER

of Scone was stolen from Mr. Adams, he was making arrangements for the Baxters to come to live in Mills County. Without guides, they made the trip as far as Waco, where last Friday, they were met by Mr. and Mrs. Adams, who drove them into Goldthwaite. They were weekend guests at the Adams home and they moved into their residence

on Weaver Street early this week.

Last Sunday, at the invitation of the Misses Mildred and Patsy Hale, Susan Baxter went to the First Baptist Church, where she was a member of a Sunday

ANDREW BAXTER

School Class that was taught by Mrs. E. B. Gilliam, Jr., and where she attended the morning Service of Worship.

The Baxters arrived in Tampa, Florida, on Wednesday of last week aboard the S. S. Warrior from Antwerp. From Tampa they traveled by bus to Waco by way of New Orleans, the northern shores of the Gulf of Mexico and Houston. The bus trip of nearly 1,500 miles was continuous, with no time out for even overnight stops, so the Baxters had only fleeting glimpses of the southeastern corner of the United States.

## TO BALLINGER

BROTHER JOE EMERY

The Rev. Joseph L. Emery, former Pastor of the First Baptist Church in Goldthwaite, has accepted a call to become Pastor of the First Baptist Church in Ballinger, effective September 1. Brother Emery, who became Pastor of the Riverside Baptist Church in Houston on June 1, 1950, had been Pastor in Goldthwaite since September of 1947. During Brother Emery's Pastorate in Goldthwaite—in 1948—the First Baptist Church was destroyed by fire and the present modern and well-equipped edifice was built. Both Brother and Mrs. Emery have a legion of friends and admirers throughout Mills County.

Brother Emery, who now is conducting revival services at Kempner, visited friends in Goldthwaite on Wednesday afternoon of this week.

Mr. and Mrs. H. J. Wall of Big Lake visited last weekend with Mr. and Mrs. Harry Welch of Rt. 2, Goldthwaite. Mrs. Wall and Mrs. Welch are sisters.

Mr. and Mrs. L. H. Linn of San Antonio spent last weekend with her parents, Mr. and Mrs. D. V. Westerman of Mullin.

Listening to the Baxters leaves

America?" they were asked during their first interview in Goldthwaite.

"Warm—or hot"—the replies varied only slightly, depending upon which Baxter answered.

The Baxters found those portions of America that they have seen so far very much as they had expected to find them, partly as result of their reading and largely as the result of the impressions they had gained from American movies.

no chance for not identifying them with Scotland. But they had no difficulty in understanding the speech of Texans—again because of their attendance at the movies in Greenock, where all three of the Baxters were born and reared. Greenock is a city of 80,000 "at the tail of the bight of the Firth of Clyde"—or

## SHERIFF STUBBLEFIELD WARNS HOT-RODDERS AND SPEEDSTERS

### Military Services For Lieut. King 4 P. M. Saturday

Funeral services for First Lieutenant Raymond F. King, who gave his life heroically in combat in Korea last September after having been cited twice for gallantry and bravery, will be conducted at 4:00 o'clock tomorrow afternoon, Saturday, at the First Baptist Church in Goldthwaite.

Lieutenant King's body was scheduled to be received by the Fairman-Wilkins Funeral Home of Goldthwaite at 1:35 o'clock on Friday morning.

At the services at the First Baptist Church on Saturday afternoon and at the following interment in the Rock Spring Cemetery, full military honors will be paid as part of the final tributes to Lieutenant King.

Roy Wilkins of the Fairman-Wilkins Funeral Home, which is in charge of arrangements, was in consultation this week with military authorities at Fort Hood. Mr. Wilkins was informed that the Army would send from Fort Hood a Guard of Honor, a Firing Squad and Pallbearers. There also will be participation in the funeral rites by the Harry F. Edmondson Post number 289, the American Legion.

Ray Duren, President of the Goldthwaite Lions Club, requested, in accordance with a resolution adopted at the last meeting of the Lions, that all business establishments in Goldthwaite close between the hours of four and five o'clock next Saturday afternoon in tribute to the memory and valor of Lieut. King.

Lieut. King was the husband of the former Greta Traylor of Goldthwaite, who now lives in Brownwood with her two children, Terrell, 4, and Charlotte, 18 months.

## Rain Breaks Dry Spell And Chases Heat Temporarily

After 3 1/2 weeks without enough rain to put in your eye, clouds that had been tantalizing Goldthwaite and the remainder of Mills County for 18 hours spilled themselves on Wednesday afternoon of this week.

There had been a shower on Wednesday morning but it was merely a promise of better precipitation to come. Harry Allen, who makes official reports on precipitation in Goldthwaite to the United States Weather Bureau, said that the Wednesday morning shower did not add up to enough to be measured. But between 1:00 o'clock and 2:30 o'clock Wednesday afternoon Mr. Allen measured .75 of an inch of rainfall in Goldthwaite. There may have been more than that in outlying areas.

Between 2:30 o'clock and 4:30 o'clock on Wednesday afternoon a wonderful, steady drizzle (Continued on page Seven.)

## Pages 6 And 12

If you were to be asked to be sure to see page six of this week's Eagle it would be necessary also to ask you to be sure to see the back page. Under the circumstances it may be better to leave it to Yarborough & Duren and "Little's Since 1898" to draw attention to page six for Y. & D. and to the back page for Little's. Bargains they say; don't miss their bargains.

Sheriff C. F. Stubblefield said this week that while he intends to continue his campaign of education, persuasion and reasoning to cope with flagrant violations of traffic laws in Goldthwaite, he is prepared to take drastic action against chronic offenders if they prove it to be necessary.

Danger to life, limb and property in Goldthwaite is being caused by irresponsible young hot-rodders, speeding transients and local citizens who drive as though traffic laws were made for the other fellow—not them.

For some time Sheriff Stubblefield has been reasoning with the hot-rodders who, as an editorial in this week's Eagle points out, undertake to show-off before their pals and their girl friends, by speeding jalopies and pickups, making sudden stops and dangerous U-turns at excessive speeds.

The danger created by the hot-rodders was pointed up last Sunday night when some of them, unable to control their vehicle, crashed into and damaged a water hydrant near the W. B. Wooster home on Fisher Street. All hot-rodders and chronic speedsters being known to the Sheriff, he was about to go out and bring in the culprits of last Sunday night when they appeared before him to confess. At a conference on Monday morning involving the hot-rodders, Justice of the Peace E. A. Obenhaus, Sheriff Stubblefield and City Utilities Manager W. C. Barnett, the culprits were reprimanded.

## Ball Games Here Saturday Night And Wednesday

Two thrilling baseball games—one for tomorrow night, Saturday, and another for Wednesday night of next week—have been scheduled by Managers Clyde Estep, O. H. Shaw and Bill Hightower of the high-balling Goldthwaite Red Sox.

At eight o'clock Saturday night the Red Sox will play the Air Force team from Fort Hood at the Municipal Ball Park in Goldthwaite.

And next Wednesday night, also at eight o'clock and at the Municipal Ball Park here, the Red Sox will play Stonewall.

Last Sunday and led by Player-Manager Y. B. Johnson, Jr., the Red Sox went to Stonewall and won by a score of 3 to 6, so Stonewall will be out for revenge next Wednesday night.

The team from Fort Hood that will play here tomorrow night, Saturday, was described this week as "really hot" by Oma Shaw.

"That means that we have some fine baseball on tap for Saturday and next Wednesday," Mr. Shaw said. He added that he has been advised by Mr. Estep that Stonewall is the leading club in the Hill Country loop. And from the way the Air Force ball team has been cleaning up at Fort Hood, the Red Sox will have to be on their mettle Saturday night.

Other games are being scheduled, including one with Fredricksburg—the details of which will be announced in next week's Eagle.

On Thursday night of last week the Red Sox, playing here at home, took on the Waco Cubs and sent them home on the losing end of a 6 to 5 score.

HOT-RODDERS, SMART ALECS—SHOW-OFFS

Many a citizen of Goldthwaite has been properly indignant for a long time because of the utterly irresponsible and dangerous antics of young smart Alecs whose show-off attempts at hot-rodding have made them deserve some good, old fashioned backside treatments in the wood shed.

Jalopies and pickups, speeded through the streets of Goldthwaite, whirled in sudden U-turns and stopped abruptly with screaming brakes, may have provided thrills to some of our young squirts but the hot-rodding has reflected poorly on their parents and it has made the youngsters appear in anything but an enviable light to those who have respect for property and regard for life and limb.

The ridiculous young hot-rodders in our midst are known to the law enforcement authorities. While they have been blithely violating the law and endangering the lives of our citizens, the registration numbers of their pickups, jalopies and cars owned by their parents have been taken. Sheriff C. F. Stubbiefield has been working quietly on the problem for some time. Last Sunday night, hot-rodders broke a water hydrant near the W. B. Wooster home on Fisher Street and for a time so lowered the water pressure that had there been a fire in the affected area, there would have been no water with which to fight it. Reflecting the respect that the hot-rodders have for the Sheriff, they voluntarily confessed to him and last Monday morning, at a conference with the Sheriff, Justice of the Peace E. A. Obenhaus, and City Utilities Manager W. C. Barnett, it was agreed that payment of some \$50.00 in damage would be made to the City. The hot-rodders, properly warned and reprimanded, were told that the next time they will not be dealt with so lightly.

Sunday night there might have been pedestrians near the scene of the damage to the fire hydrant on Fisher Street. Somebody might have been hurt—even killed. Another car, proceeding on its way in observance of both traffic law and courtesy, might have been involved in a fearful accident.

The hot-rodders who were involved in last Sunday night's accident are not the only ones among us. The Sheriff has issued assurance to the public that he—like the public—will not tolerate any longer the show-off, smart Alec performances by youngsters who daily and nightly prove themselves too irresponsible to be allowed at the wheel of a motor vehicle.

Newspapers, such as this one, try to protect minors by not printing their names when they break the laws of society. We hope that the Sheriff's patient campaign of persuasion and reasoning will be effective. If not, the full power of public condemnation will be mobilized.

BROTHER JOE EMERY—THE BUILDER

As a news story on the first page on this week's Eagle reports, the Rev. Joseph L. Emery, former Pastor of the First Baptist Church in Goldthwaite, has been called to the Pastorate of the First Baptist Church in Ballinger from the Riverside Baptist Church in Houston. Brother Emery has accepted the call, effective September 1. Meanwhile, in addition to his work in Houston, he is conducting revivals at Kempner and in Alexandria, Louisiana.

All of Mills County, where his service here is remembered so gratefully, will wish Brother and Mrs. Emery well in their new field of endeavor in Ballinger—where the Church to which Brother Emery has been called has a congregation of 1,400 members. On the basis of the record, it can be expected that the membership at Ballinger will increase. For Brother Emery is a builder.

In Goldthwaite, the present edifice that is the First Baptist Church was built under Brother Emery's leadership after a disastrous fire. In Houston, Brother Emery, in little more than a year, increased the membership of the Riverside Baptist Church from 221 to more than 400. And, while in Houston, a new Parsonage was built for the Riverside Church at a cost of \$20,000.00 and under Brother Emery's leadership.

Brother Emery, who has been preaching since he was 17, is only 26 now. Mills County and Goldthwaite, continuing to hope that from time to time we may have Brother and Mrs. Emery back in our midst, if only for visits, will follow their accomplishments and their ever-increasing and devoted service to their fellow men with pride, admiration and affection.

GUEST EDITORIAL

(Editor's Note: David Lawrence has written a searching article on the significance of the impending peace treaty with Japan. Because of the importance of the observations by Mr. Lawrence, the Eagle this week reprints in full his article based on conviction that the peace treaty with Japan paves the way for the re-arming of former enemies of America against the present enemies—the Reds.)

By DAVID LAWRENCE

There is very little that's spectacular or revealing in the ponderous phrases of a peace treaty, and maybe that is the reason the real significance of the proposed pact with Japan appears to have escaped general attention.

For the document paves the way for the rearmament of Japan as against the Communist of China and Soviet Russia.

While the Japanese constitution forbids the revival of militarism and limits armament to self-defense, the new treaty specifically opens the door to Japanese participation in a collective defense agreement which could be as important to the Western Pacific area as the North Atlantic treaty was designed to be for the defense of Europe.

Russia is fully alive to the meaning of the new treaty with Japan. Her note of protest, dated June 10 last, raised the issue of armament. The Department of State here has just made reply as follows:

"In essence, the Soviet memorandum objected not to anything contained in the draft treaty but because the treaty would not restrict Japan with respect to the right of individual or collective self-defense, a right recognized by the United Nations charter as inherent."

The government of the Soviet Union would have the peace treaty deny to Japan the right hereafter to enter into collective security arrangements with other countries of its choosing. This is a viewpoint which the United States cannot accept."

So the issue is joined already. The United States, in association with Great Britain and other powers in the Pacific, has insisted that Japan be permitted to rearm. Those persons who feared that Russia would have been provoked into general war by bombing a few bases in China's territory may argue that to sign the proposed Japanese treaty will be giving further provocation now to Russia.

But the American government fortunately has taken a firm stand behind the proposal to allow Japan to rearm. Already many observers see this as a countervailing move—one that can in time offer a checkmate to the rise of both Communist China and Russia's armament in the Far East.

Reports vary as to what could be done as a practical matter by Japan. Her main army did not suffer much in World War II. Most of the officers and trained men are still available if the United Nations should set up a system calling for their participation.

The problem is not much different from that which faces the Allies in Europe with respect to Germany. Would a re-armed Japan be a militaristic menace? The answer usually heard is that, unless Japan is not planned for her—she could not disturb the peace of the Far East. This is but another way of saying that the British and American navies would have the principal responsibility for the defense of Japan (Continued on Page 11.)

this week bought George T. Bonner's farm in Long Cove for \$4,000.

Monroe McCauley of Moody visited friends here the first of the week.

Mrs. Hunt was bitten by a spider a few days ago and suffered considerably for a time, but is reported resting well now.

R. E. Strickland and family are visiting his parents, Capt. and Mrs. Strickland and other relatives in this city.

T. F. Elliott and his son, Elmo, have gone to Waco to work on a new railroad to be built through that section.

W. W. Wooly and family of Bertram have been visiting relatives in this city and Pleasant Grove this week.

S. M. Bull and his son, Sam, were in from Big Valley yesterday.

Will Trowbridge was in the city yesterday and reported a big rain at Hamerville Thursday. He says the entire town except one store washed away.

The Eagle's Ac

By The Editor

This column this week is in the form of a letter to the editor by Howard E. Gill, band director and music instructor in the Goldthwaite Schools, who returned States duty in the United States Navy last June 1. Mr. Gill, who now is stationed with a unit of the United States Marine Corps, is at San Diego, California. His letter follows:

Dear Mr. Ekins,

I hope you will forgive me for all the delay in writing you to tell you of my whereabouts and my health. I suppose you know how the story of negligence and putting off, etc., and how it is too often exercised.

I still don't care for this "Sunshine State" too much... it's too crowded, rushing, etc., and believe me, I haven't seen too awful much of the sun for the last four weeks. It's cloudy every day until almost noon (and foggy), and the other days are cloudy and foggy all day! Give me the dependable Texas weather any old time. And you can put this in your paper if you wish... They can brag all they want to about the fact that it never rains out here, but according to the San Diego people and their papers, that's not so good. It hasn't really rained here in about two years now, and at the present time this area is wondering where the next drop of water is coming from. And yet, they want to get millions in Federal and State aid in order to develop this place for more Tourist trade—and they do very little about the water problem.

And some time when you need material for an editorial, you might consider talking to the farmers and ranchers about the dangers of too much "Association" and "Co-Op" development. Out here an individual cannot just buy a place and plant crops or raise cattle. You cannot, repeat—can NOT market, or even attempt to market your goods unless you are a member of one of the "outfits" under penalty of county, and state laws and regulations! Don't let the people back home trap themselves into a similar mess, please!

As you know, of course, people don't realize how good we have it at home until we get a look at someone's pastures besides our own!

Well, enough of that. How is everything and everyone keeping in Goldthwaite? You know, Mr. Ekins, I never knew, or even thought, that a couple of people could have so many friends and so many fond recollections of a small town and its wonderful people after having lived with and among them for only a few months! Of course, it wasn't the easiest time I ever had in my life, but I enjoyed it more than the other years of my life so far. Perhaps one reason for these things is that I was working and dealing principally with the children of the community, and it is always such a grand thing to watch them grow in mental, as well as physical stature, and to share their joys, problems, and sorrows of growing up. And it's even a better feeling a person has when he knows he shares a part in guiding and helping them along the road. Then, too, there was the fine group of people on whom the faculty of the school with whom I was associated. All in all, you can't find a better group of people than they. One thing I regret is that I didn't or couldn't do more and better real teaching and guidance for those boys and girls with whom

I had contact. I know I have done a better job, then, it's always easier to serve your mistakes and comings in retrospect than in introspection.

It seems as though I stay permanently, unless I change my mind, and don't forget my address: ever you have a few to spare, and drop me a line. I have Mary Sue nest out here now, and living out in one of the San Diego—Oceanside. In case anyone would know, our address would be 4940 Saratoga Ave., Beach, San Diego, Calif. I don't know what that is in as yet, but that address, or mine, us. We only live a few blocks from the beach. Franklin Dew is still in the vicinity, tell his mother what he has come out here. I am working in a chiatric Unit of the dispensary. I am in the this "Psycho" Unit, and kill myself working. As can hardly see why I needed me so essential don't let that statement be the wrong hands, but don't wish to take a West in the near future because of a little statement that. Which, actually, a joke!

In my job here, I'm a lot of actual experience in psychology, so I will have a little better along that line had before I had to be in the Navy. Also, as I Patton in a letter to me can observe at first hand a sloopy job many have been doing of raising their children, practically all we do here in this unit—the immature boys who make a very successful addition to normal adult life to mention a life in the Corps, Army, or Navy really pitiful—and make the fault of the parent either "baby" or who don't too much, or who don't enough affection and love. Well, it is about the noon and quitting time I'd better get started home and the family close by asking for a line now and then, and will keep up my end of the Tell everyone hello for me surely miss all of you.

Yours very truly (Signed) Howard E. Gill

## Doris Pauline Montgomery Takes Vows With Frank Arlis Biggers

Miss Doris Pauline Montgomery was married to Frank Arlis Biggers Saturday, June 23, at 8:00 o'clock in the evening in the First Baptist Church of New Braunfels with the Rev. Jodd B. Holt officiating.

The bride, daughter of Mrs. Clemmie A. Montgomery of Caradan, attended Goldthwaite High School. For the past year and a half, she has been employed at the Airmald Hosiery Mills in New Braunfels.

The bridegroom, son of Mr. and Mrs. Marlin Evans, Thornton, Ark., was graduated from Thornton High School and served two and a half years in the infantry during World War II.

He also is employed at the Airmald Hosiery Mills.

For the double-ring ceremony, the church was decorated with baskets of white gladioli and candelabra. The altar held a bouquet of white gladioli and chrysanthemums.

Kenneth Triesch, soloist, sang "Because" accompanied by Miss Grace Triesch at the organ.

The bride, given in marriage by her brother, Andrew Montgomery, wore a white lace dress over white satin. The scalloped nylon net yoke was outlined with pearls, and the full skirt fell into a chapel-length train. A crown, outlined with pearls, held the fingertip veil. Her bouquet was of white roses tied with white satin ribbons.

Attendants to the bride were her sisters, Miss Dot Montgomery of Austin, maid of honor, and Miss Thelma Montgomery, also of Austin, bridesmaid. They

were gowned identically in pale pink taffeta dresses, designed with fitted bodices and sweetheart necklines. They carried bouquets of gardenias.

Robert C. Biggers of New Braunfels served his brother as best man. The bridegroom's other attendants were Vestel F. Bracewell, Victor R. Bracewell and Gary Laurance, all of New Braunfels.

After the ceremony, a reception was held in the home of Mr. and Mrs. Vestel Bracewell. The three-tiered wedding cake was topped with a miniature bride and groom and bore the inscription "United in Love". The table, laid with a white cutwork cloth, held an arrangement of white gladioli.

Mrs. Vestel F. Bracewell, sister of the bride, was in charge of the bride's book. Mrs. Robert C. Biggers and Miss Gladys Staats served punch and cake.

The mother of the bride wore a light blue sheer dress with white accessories and a white carnation corsage. The bridegroom's mother wore a navy blue crepe dress with navy accessories and a white carnation corsage.

For a wedding trip to Fordyce and Camden, Ark., Goldthwaite and Brownwood, the bride left wearing a navy crepe dress trimmed in white accessories. The couple is making their home in New Braunfels.

Out-of-town guests present for the ceremony were Mr. and Mrs. Andrew Montgomery, Mrs. Clemmie Montgomery and Dale of Caradan; and Mr. and Mrs. Marlin Evans and W. C. Biggers of Fordyce, Ark.

## Miss Mary Deaton Becomes Bride Of Bobby Joe Warren In Houston

Miss Mary Deaton became the bride of Bobby Joe Warren recently in the First Presbyterian Church of Houston. The Rev. Charles E. King performed the ceremony.

A graduate of the University of Texas and a member of Alpha Chi Omega, the bride is the daughter of Dr. and Mrs. Grady Deaton of Galena Park.

The groom is the son of Mr. and Mrs. Lee Roy Warren of Galena Park, and the grandson of Mrs. Cicero Warren of Goldthwaite. He was graduated from the Rice Institute and will do graduate work there next year. A member of Tau Beta Pi, he won the Houston Engineer's Club scholarship this year.

A gown of candlelight satin styled with a sweetheart neckline, a seed pearl design on the bodice, and a court train was

worn by the bride. A Juliet headdress held her fingertip veil of French illusion. She carried orchids, lilies of the valley and stephanotis.

Her sister, Mrs. J. W. Nichols of Cleveland, Ohio, was the matron of honor. Bridesmaids were Miss Mayola Wheeler of Dallas, Miss Helen Sue Wilson of Dallas and Mrs. G. F. Bradley of Fort Worth. Their ice blue gowns were strapless net-over-taffeta designs and were worn with stoles. They carried red roses and wore matching roses as headdresses.

John Wood Deaton was the best man. Groomsman were James A. Wood, Robert L. Wood and G. F. Bradley of Fort Worth.

The reception was in the Warwick Hotel in Houston. Mr. and Mrs. Warren will live in Galena Park.

## GHS Class Of 1941 Reunion Next Sunday At American Legion Hall

For the first time since they were graduated from the Goldthwaite High School ten years ago, the members of the Class of 1941 will have a reunion next Sunday at the American Legion Hall, just south of Goldthwaite on highway 16. The reunion site has been switched from the Delton Barnett ranch in Jones Valley to the Legion Hall.

Already at least 18 members of the Class of 1941 have signified their intention of attending the reunion and invitations have been sent to former School Superintendent A. H. Smith, now of San Antonio; former Principal S. E. Cloninger, now of Gorman; Mrs. Delton Barnett, who was sponsor of the Class; and Miss Lucille Welch, who was the co-sponsor.

For the reunion, the Legion Hall will be open from eleven o'clock next Sunday morning through the day.

"The program will consist of

gossip, gossip and more gossip, the showing off of children and a reading of the Class prophecy," Mrs. Barnett said this week.

There will be a picnic lunch at noon and those who attend the reunion from Mills County have been asked to take an abundance of food so that those who attend from a distance can be fed in a manner worthy of local hospitality.

Memory books, picture albums and anything else that will make the members of the Class of 1941 nostalgic should be taken to the reunion, Mrs. Barnett said.

Mr. and Mrs. James Nickols took their oldest son, Wesley, to Waco two weeks ago, where Dr. Hipp performed a major surgery for a bone infection. Wesley was brought home with a cast on his leg last week. He was taken Monday to the Hospital for a checkup.

## Color Magic To Be Theme Of Fall Garden Club Show

Preliminary plans for the annual autumn flower show of the Goldthwaite Garden Club were made on Thursday of last week at a meeting at the home of Mrs. W. M. Johnson.

Mrs. Johnson, Chairman of the Garden Club's flower show committee, said that "color magic" will be the theme of the show. Mrs. Jim Weatherby was appointed schedule chairman and Mrs. Phillip Nickols was appointed properties chairman.

Although a definite date for the fall flower show has not yet been set, it will be held in November. Members of the Garden Club, Mrs. Johnson said, are reminded that the time to prepare for the flower show is at hand—including the planning of flower arrangements and the planting of entries to be exhibited at the show.

## Latest Seniors Of GHS Reunite For Fun And Food

Approximately 20 out of a class of 37 members were present at Hancock Park in Lampasas last Saturday, when the Senior Class of 1951 of the Goldthwaite High School met for their first reunion since school closed.

The class gathered at 3:30 at the home of Mr. and Mrs. O. B. Hale in Goldthwaite and then proceeded from there to Lampasas.

The class members enjoyed swimming, and some played miniature golf. After everyone was out of the pool, the room mothers spread a picnic supper of sandwiches and cold watermelon.

Following the meal, a business meeting was held, in which the class members were given the privilege of electing new officers, but all were satisfied with the present ones. They gave the room mothers a vote of thanks for the wonderful party, and decided that the reunion will be an annual affair, to be held during the Christmas holidays each year. The next reunion will be held at the Hangar next Christmas.

The group returned to Goldthwaite after the business meeting.

## Mrs. Floyd Daniel Honored At Shower

Mrs. Floyd Daniel was named the honoree at a pink and blue shower Wednesday afternoon, July 18, from 3:00 to 5:00 o'clock, given in the home of Mrs. L. J. Teague in Goldthwaite. M. S. O. B. Bell, Mrs. Jack L. Simpson, and Mrs. Teague were hostesses for the occasion.

Cake squares with pink and blue icing were served with pink lemonade.

Approximately twenty-five ladies attended the party, while a number of others sent gifts who were unable to attend.

## Caradan Club

With Mrs. Floy Burns as hostess, ten ladies of the Caradan Club and several children met on Friday of last week. Although three of the children were celebrating birthdays and had a big time playing games and drawing gifts, the members completed two dresses for children and worked on a quilt. There also was time for a birthday cake, a birthday song and punch. Mrs. Imogene McNeill will be hostess for the next meeting.

## Andrew Baxter Family Moves To Goldthwaite Frae Bonnie Scotland

(Continued From First Page.)  
where the River Clyde becomes the Firth of Clyde.

The Baxters, who, incidentally, tasted last Sunday the first watermelon they had ever seen, came laden with gifts.

For Mrs. Adams, they brought a lovely apron in the tartan of a Scottish clan. On it were inscribed the words, "Frae Scotland."

Mr. Adams was on the receiving end of a necktie that he is saving for Grand Jury duty. The background is yellow. Painted on it and standing before a castle is a killed Scotsman playing the bagpipes.

Mrs. Thomas Floyd Langford, daughter of Mr. and Mrs. E. B. Adams, collects pitchers, so she received some lovely pitchers that had been heirlooms in the Baxter family. Mrs. Langford also received a beautiful scarf bordered with the Tartans of various Scottish clans. Pictured on the scarf are Edinburgh Castle, the University of Glasgow, Stirling Castle, and St. Giles Cathedral at Edinburgh. The following verse is in the center of the scarf:

### GENTLEMEN—THE TARTAN!

"Here's to it:  
The fighting green of it;  
The yellow, the green of it;  
The White, the blue of it;  
The dark, the red of it;  
Every thread of it;  
The fair have sighed for it;  
The brave had died for it;  
Foemen sought for it;  
Honour the name of it;  
Drink to the fame of it;  
The Tartan!"

Mr. Baxter, who is alert, observing and apparently filled with a zest for living, is a stone-cutter, which gives him a great deal in common with Mr. Adams. He also is a plumber and he draws so well that at one time he considered studying to be a cartoonist. These days everything is new to Mr. Baxter and he takes everything in his stride with a friendly smile.

Mrs. Baxter is much more reserved than her husband—even shy. She has been amiable about the difference in weather between Scotland, where it rains a great deal, and Texas.

Susan Baxter needs have no fear of the Texas sun, because she brought her freckles with her. She has worked as a book-binder and has ambitions to work here. In response to the

very first question asked of her during an interview in Goldthwaite, Susan replied, "okay."

"Where did you learn to say okay?" she was asked.

"In Scotland, of course," she replied.

Mrs. Baxter also is named Susan. She is the former Susan Cooper. To avoid confusion, Mr. Baxter calls his wife "Sissy." That leaves Susan to be called Susan.

How the Baxters came to settle in Goldthwaite is quite a story.

The offer by Mr. Adams of a replica of the Stone of Scone to replace the legendary symbol of British Kings that had been stolen from Westminster Abbey was given international publicity. On George Washington's birthday of this year Mr. Baxter, in Greenock, Scotland, read about E. B. Adams of Goldthwaite and about how Mr. Adams needed some photographs of the Stone of Scone and some information on its dimensions. So Mr. Baxter, who never before had heard of E. B. Adams, sat down and wrote a letter. It started off like this:

"Dear Sir:  
I enclose cutting from daily paper about you making up a sandstone in place of the Stone of Scone. The depth is not very clear but the original measurement is 16 1/4 inches. Mr. Adams, I honestly think you are wasting your time as tradition has a lot to do with this. Anyway, they would only make a joke about it if you sent it over."

As it turned out several things happened. Somebody stole the replica of the Stone of Scone from Mr. Adams. The Dean of Westminster Abbey previously had declined to accept it. Later, through the British Ambassador to Washington, Sir Oliver Franks, King George said he could not have accepted it either. And Mr. Adams and Mr. Baxter got into a long airmail and cable correspondence that had its climax when the Baxters arrived in Goldthwaite late on Friday of last week.

On their way to Goldthwaite, Mr. and Mrs. Baxter had a full day in London, which they had never visited before—although Miss Susan had been to London with her school mates and before sailing for Tampa, the

## Goose Hangs High At Rancho Nueces

Lieut. and Mrs. Emmett R. Larkin of Fort Hood and their small daughter, Nancy, visited Rancho Nueces in Big Valley last weekend. They returned to Fort Hood on Sunday with their son, Jimmy, who had spent a week with his grandparents, Mr. and Mrs. E. H. Hapgood of Rancho Nueces. The Hapgoods now are preparing to hang high a goose in readiness for a vacation that will be spent at home next month by their daughter, Elizabeth Ann, who is a student of animal husbandry at Texas Technological College at Lubbock.

Mrs. Cook, mother of Mrs. Clyde Clary of Star, was on the sick list last week.

Pfc. David C. Hill and his parents, Mr. and Mrs. G. W. Hill of Moline Rt., visited Mr. and Mrs. E. E. Ellis last Sunday.

Baxters had two days in Antwerp. Of twelve passengers on the steamship, only two others spoke English—a girl from Oklahoma and a man from Houston. The others were Germans who were coming to America to carve out new lives for themselves.

Among the first impressions of the Baxters here—in addition to the weather—was the difference between the austerity that continues to prevail in the United Kingdom and the abundance of food supplies here. Mr. Baxter has some definite ideas based on the experience of living under socialism and they will be recounted in a later issue of the Eagle after he has had more opportunity to make observations here on which to base comparisons. There also will be a story later about Mrs. Baxter's experiences as she goes shopping without having to carry ration books with her.

Both Mr. and Mrs. Baxter have brothers and sisters back in Greenock and Mrs. Baxter's mother continues to live there. So parts of their hearts still are in Scotland.

As for Miss Susan, she denies having left a "boy friend" behind her in Scotland. During the correspondence that was preliminary to the migration of the Baxters to Goldthwaite, Mr. Adams asked for Miss Susan's specifications for young gentlemen. It was made quite clear to Mr. Adams that Miss Susan is quite capable of making her own selections.

### Telephone Co-op Expects Federal Funds In August

Willis A. Hill, President of the Central Texas Telephone Cooperative, said this week that the allocation of federal funds which will be used to provide modern dial telephone service for a nine-counties area radiating in all directions from Goldthwaite probably will be made during the coming month.

Upon his return from Dallas, where he attended a conference of the Rural Electrification Administration, Mr. Hill said that he had talked with officials of the R. E. A.'s telephone division and had been assured that August in all probability would bring the transfer to the Central Texas Telephone Cooperative of the funds necessary to launch the enterprise as a going concern.

With the payment of the proceeds of a large federal loan into the Cooperative's treasury, work may begin on the erection of lines and exchanges and the installation of stations. Material for the Telephone Cooperative has been earmarked for some time, including instruments, copper wire and switchboards.

Headquarters of the Cooperative are on Fourth Street in Goldthwaite, where members of the staff were visited recently by Mrs. Robert L. Beeghly, widow of the R. E. A.'s loans appraiser who was killed a short time ago in an airplane crash in Colorado.

### HD Ladies May Slip On Floors

The Goldthwaite Home Demonstration Club met last Tuesday afternoon with Mrs. Oscar Burns as the hostess to eleven members and four guests. Mrs. Dutch Smith gave instructions on how to keep floors polished. Mrs. Eula Nickols, Reporter, again reminded the members of the big HD picnic at Lake Merritt on August 14 between 2:00 p. m., and 4:00 p. m. A fine program has been planned, Mrs. Nickols said.

### Winsor Hints Daphane Evans Grace Wooden Overwhelm Her!!

In a communication from Pasadena, California, Mrs. Mary "Mamie" Winsor this week posed a question. It was: "Can't you see Mary, Daphane Evans and Grace Wooden eating breakfast at eleven o'clock?"

A. M. or P. M., Mamie?

In addition to requesting that until further notice her Eagle be sent to General Delivery, Pasadena, Mrs. Winsor, who periodically takes an unofficial census of widows in Goldthwaite, transmitted the following information:

"I'm retiring. I can't keep up with Daphane."

That led to the conclusion that Mrs. Winsor, Miss Evans and Mrs. Wooden, with Mrs. Wooden as the hostess, had been breakfasting at 11:00 p. m. Have a good time, girls, and please report in detail on what you all say about whom at those "breakfast" sessions.

### Ruth Ervin Lets Hair Down Lee Hill Gets Back Ache

Ruth Ervin, the Eagle's assistant in charge of advertising, subscriptions, family relations, circulation, cash, numbering of the office's potted plants on vacation. As if not enough trouble she had, Miss Ervin's vacation coincided with the vacation of Lee Hill from his office.

Ervin planned an expedition to San Antonio, Temple and Austin at this writing to get precise information on the activities except that she went to the city where she was with some of her family and the remainder of her vacation. Since she rarely lets her hair down, the presence of other people is a matter of great concern to her. She arrived on the scene to an emergency which was too late.

Lee Hill, he made his last week from two weeks in Wisconsin, thanks to the kindness of his sister, Mrs. Howell, and his son, Truman. Mrs. Howell promised load of work to the editor and Hill presented our readers with a plaque—a plaque so large she will have to keep

its face to the wall. Mrs. Arnold K. Kelly also received a present from Roy Lee Hill who, incidentally, discovered on his vacation that he could fish all day in Wisconsin without getting a back ache—an ailment from which Mr. Hill suffers excruciatingly from only ten minutes at a linotype in the Eagle's backshop or, as he prefers to call it, composing room. There is a back rest to Mr. Hill's chair at the Eagle but the boat from which he fished in Wisconsin had nothing but a board which he did not use for his back.

Now that Mr. Hill has returned and that there is hope for the return of Miss Ervin in another week, the plan is for Miss Nix to take a vacation while Arnold K. Kelly and Joe W. Baldwin wonder whether the summer ever will end. Chester Brooks, who joined the Eagle staff this week, finds that work is such a pleasure there is no need even to think of a holiday.

Mr. and Mrs. Verdie Price of Midland spent last weekend with her parents, Mr. and Mrs. V. T. Stevens. Their children, James and Patricia, are staying for two weeks longer.

Rev. and Mrs. A. P. Wallentine of Mason spent Friday night and Saturday of last week with her grandmother, Mrs. C. F. Williams.

### Revival Services End On Sunday At Methodist Church

Revival services at the First Methodist Church in Goldthwaite, that have been conducted by the Rev. Auburn S. Neely, formerly of Lometa and now of Big Lake, since Thursday of last week, will be concluded on Sunday.

On Thursday, Friday and Saturday of this week there will be services at 10:00 a. m., and 8:00 p. m., while Brother Neely also will preach at the regular services of worship on Sunday.

The Rev. Ed H. Lovelace, Pastor, said the revival services have been well attended and that Brother Neely has delivered stirring and inspiring messages.

### More Rainfall

(Continued From First Page.)  
added up to another one-tenth of an inch of rain, Mr. Allen said, bringing the total for the afternoon to .85 of an inch. As the Eagle went to press, promising clouds continued to scud around the horizon.

Until Wednesday of this week, Mr. Allen's government rain gauge had been dry since July 2, when he measured .30 of an inch of rain. There was a shower on Friday afternoon of last week but it could not be measured by Mr. Allen because there was not enough of it. When it was all over the lawn surrounding the Mills County Court House was as dry as though there had been no precipitation at all.

Prior to Wednesday's rainfall Mills County, along with other sections of the country, sweltered in temperatures that hovered above or just below the 100 degrees mark. In the midst of the heat wave, Harry Allen came up with some consolation.

"Tell the people," he said, "that the scientists now estimate that the sun is cooling at the rate of one degree every one million years. If everybody will just be patient and hold on long enough, we shall have cooler summers—in 12 or 15 million years from now."

Okay, Mr. Allen, but patience is a virtue which very few persons possess.

Mr. and Mrs. J. A. Hester spent several days in Fort Worth with their children and their families. The Hesters have their little grandson, Donald Means, who accompanied them to Goldthwaite for a visit.

Mr. and Mrs. H. C. Young of Evant visited in the J. B. Burnett's home Wednesday of last week. Mrs. Young and Mrs. Burnett are sisters.

**Mrs. McClellan Passes Away In Dallas, Age 58**

Mrs. Velma Wright McClellan, sister of Mrs. Will Rahl of Goldthwaite, died in Dallas on July 21. Funeral services were conducted on Monday of last week at the Sparkman-Brand Chapel in Dallas with the Rev. Dr. Louis N. Stucky officiating. Interment was at the Laurel Land Cemetery.

Mrs. McClellan, who was 58, was born in Meridian. Her husband, W. R. McClellan, survives, as does a daughter, Mrs. Leslie Foxworth of Dallas.

Other survivors, in addition to Mrs. Rahl, are Mrs. Nellie Morris of Dallas and Mrs. Francis Culberson of Tulsa, sisters; and two brothers, John Wright of Asheville, N. C., and Hal Wright of Dallas. Two grandchildren also survive.

Mrs. McClellan was well known in Goldthwaite and Mills County. Some time ago she lived here with Mr. and Mrs. Will Rahl and she had made many visits to Goldthwaite.

**Mrs. Hettie Taylor Urbach, Who Was Pioneer, Died On July 19th**

Mrs. Hettie Taylor Urbach, who had lived in Goldthwaite since her marriage in 1888 and whose family had been among the pioneer settlers at Senterfitt, died on Thursday of last week. She was 85.

Funeral services were conducted on Friday afternoon of last week at the Fairman-Wilkins Funeral Home in Goldthwaite with the Rev. Henry C. Garber, Pastor of the Baptist Church at Mullin, officiating. Interment was in the Goldthwaite Memorial Cemetery.

Mrs. Urbach was a native of Tennessee but in her childhood her parents, the late Mr. and Mrs. C. C. Taylor, migrated to Senterfitt where they established a ranch home.

In 1888 she was married to the late August Urbach at the Taylor ranch at Senterfitt. Her bridesmaids were Mrs. J. D. Urquhart, the former Nannie Forehand, who now lives on Hanna Valley Road in Goldthwaite, and the former Julie Forehand—the late Mrs. Will Marshall.

Following the marriage, the Urbachs moved to the brand new town of Goldthwaite where Mr. Urbach's brother, the late Will C. Urbach, had established the first store on the site of what now is the Slaughter Clinic. Mr. Urbach died on August 1, 1892. Two children who were born of the union died in infancy.

After the death of Mr. Urbach, his widow lived with her parents, with a sister-in-law, the late Mrs. W. C. Urbach, and in later years in her own home on Fisher Street, where she died.

**Mrs. Segelquist Called By Death At Alvin July 14**

Mrs. Emma Christine Segelquist, mother of Victor C. Segelquist of Rt. 2, Goldthwaite, died on July 14 at Alvin. Funeral services were conducted on Monday of last week at the Lissie Evangelical United Brethren Church and interment was in the Lakeside Cemetery at Eagle Lake. The Rev. R. O. Tupper officiated.

Mrs. Segelquist, who was 86, was born near Stockholm, Sweden. She came to Texas from Kansas with her parents in 1906. In addition to Victor C. Segelquist, Mrs. Segelquist is survived by four sons, J. A., Theodore and

waite, and the former Julie Forehand—the late Mrs. Will Marshall.

Following the marriage, the Urbachs moved to the brand new town of Goldthwaite where Mr. Urbach's brother, the late Will C. Urbach, had established the first store on the site of what now is the Slaughter Clinic. Mr. Urbach died on August 1, 1892. Two children who were born of the union died in infancy.

After the death of Mr. Urbach, his widow lived with her parents, with a sister-in-law, the late Mrs. W. C. Urbach, and in later years in her own home on Fisher Street, where she died.

Mrs. Urbach is survived by a sister, Mrs. O. D. Day of Los Angeles, and many nieces and nephews. Mrs. Day was with Mrs. Urbach for two weeks before she died. Also at her bedside were Mr. and Mrs. Tom Corridon. Among those who paid final tribute at the funeral services was a sister-in-law, Mrs. S. T. Taylor of San Saba.

## "Dad" Stuckey And "Pete" O'Banon Celebrate Birthdays At Shady Oaks

### Personal

**MARSALETE SUMMY**  
Many friends of Johnny Stuckey will regret to hear he is critically ill in Santa Hospital, San Antonio. He is stricken while on a construction job and suffered a hemorrhage.

### Woman Worries, Woodrow Long

P. Bowman had a week in reporting, with the columns of last Eagle, on the annual meeting of the stockholders of National Farm Loan Association. He did not extend due to Mrs. Woodrow Long her valuable assistance in serving the refreshments. Perhaps when Mrs. Long reads this paragraph, she will be glad to Mr. Bowman to be worrying about something.

Mr. and Mrs. Schuman had the following town guests, Mr. and Mrs. Cecil Brown of San Saba, Grace Denson of Dallas, and Mrs. J. T. Routh of Waco, Richard Routh of Waco, and Mrs. Rosa Johnston of Waco and her friend, Mrs. Waco.

Mr. and Mrs. Yred Webb left for their home at Las Cruces, New Mexico after a ten day vacation with their mother, Mrs. F. D. Webb and Mrs. Rhodes at San Saba. They visited other relatives.

Robbie Gene Simpson visited Saturday for Waco, where he will visit friends, Mr. and Mrs. Tatt.

T. D. "Dad" Stuckey, father of Mrs. Flo Wilke of Shady Oaks ranch, had about 50 people to help him celebrate his 80th birthday anniversary at his daughter's home last Sunday.

There was a double barrel to the celebration for last Sunday also was the birthday anniversary of R. V. "Pete" O'Banon, one of the Shady Oaks ranch minions. For the past four years Dad and Pete have been celebrating their birthdays together.

Mrs. Wilke this week was certain that Dad Stuckey was 80 last Sunday but when it came to adding up the years for Pete O'Banon she said to make the figure 30 or 31 and let it go at that.

For the joint birthday festivities friends came from far and near to dispose of a barbecued meal and to hear Dad Stuckey tell them of his hopes to "live to have 80 more birthdays."

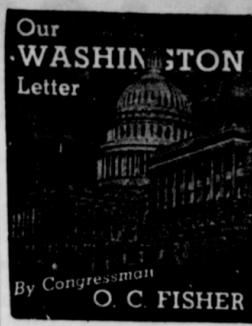

Dad Stuckey, a native of Arkansas, has lived with Mrs. Wilke at Shady Oaks ranch for the past four years. Three sons, another daughter and several grandchildren were unable to attend last Sunday's celebration.

Mr. and Mrs. Shorty Schuman and Mrs. Margaret Bauman went to Weatherford Sunday. They took Joyce Schuman to the Girls' Scout Camp.

Lawanna Benningfield and Lou Etta Jordan were taken to Weatherford by Mr. and Mrs. L. V. Benningfield Sunday, where they will attend the Girls' Scout Camp this week.

Little Miss Judy Neil Benningfield has been visiting her uncles and their families in Dallas for the past week. Her parents, Mr. and Mrs. L. V. Benningfield, brought their daughter home Monday.

**Eagle Want Ads Get Results**

Breaking modern records for consecutive roll-calls, the House last week passed a badly mixed-up Defense Production Act. The action came long past midnight on Friday after 12 consecutive votes on amendments. The 13th record vote was for final passage.

The House had been debating the measure for most of three weeks. It now goes to a conference committee where Senate and House differences are compromised and a final draft of the bill is written.

I joined with 8 other Texas Members in voting against the bill on final passage after our efforts to send it back to committee for needed corrections and improvements was defeated. Actually, in the form in which it was finally passed the measure appeared to many of us as a piece of political hypocrisy. Sponsors of the legislation successfully fought off our attempt to freeze all prices and wages for a period of four months. This was designed to get away from political controls and test the effectiveness of real legislation, with Congress spelling it out, to curb inflationary forces that are driving up living costs.

During the debate on the control Act, more than 100 amendments were offered. Here are a few of the actions taken:

1. The initial rollback on cattle, averaging 10%, was approved. The two additional 4 1/2% rollbacks projected for August 1 and October 1 were

cancelled and prohibited. Actually, the 10% rollback amounts to 18% on most Texas cattle, since range cattle are generally graded as "commercial" and as to that grade the initial order applied a rollback of 18%. I voted against the additional rollbacks and for cancellation of the initial one.

On the effect of the cattle rollback on production and particularly on feeding (which accounts for one-third of the beef that goes into butcher shops) it is of interest to note that the Department of Agriculture has just announced that there are presently 9% fewer cattle on feed in Corn Belt feedlots than was true a year ago. This means consumers will face a shortage of corn-fed beef in the amount of 117 million pounds during the fall marketing season. And that means more inflationary pressure, higher consumer prices, possibly more black markets.

The Department points out that most of the drop in cattle numbers took place in the three months since March following the rollback order. Before that the number was increasing each month. It is obvious that many feeders reduced their operations and many quit the business because of the uncertainty of profits and the possibility of heavy losses, there being no rollbacks ordered on costs of production.

2. I voted for an amendment by Rep. Poage which would have prohibited increased manufacturing and other costs from being forced back on the original producer of agricultural products. The amendment was defeated.

3. An amendment was voted down which would have limited the Wage Stabilization Board to wage policy-making. At present that Board, in addition to policy-making, acts on thousands of requests for rounds of wage increases, and the public members of the Board are very much in the minority. This arrangement has the effect of by-passing the Taft-Hartley Act and its successful conciliation service. As presently operated, that Board has been admittedly inflationary in its actions and it is feared that the policy may lead to more and more inflation in the spiral of wages and living costs, with the unorganized workers and those with fixed incomes being hurt the worst. I voted for this attempt to limit the Board to the function intended in the law—that is, as a policy-making medium on the subject of wage increases in the overall stabilization program.

4. The House adopted an amendment, sponsored by the House Committee on Agriculture, which prohibits slaughtering quotas for processors of meat. The OPS has limited butchers to as little as 85% of what they handled a year ago, and this has interfered with the normal supply and flow of meat for the benefit of consumers. I voted for this amendment.

5. An amendment was adopted, for which I voted, which restricts the authority of the President, without the consent of Congress, in the acquisition of real estate for defense production purposes. There has been an inclination in recent years for Congress to delegate too much of its authority and responsibility to the President and to bureaus and agencies.

6. The House also adopted an amendment to the bill prohibiting the licensing authority of businesses, designed to give a club to the head of OPS for use over the heads of business men. In voting against such authority, I felt that too much leeway would be granted to Mr. Disalle to harass businessmen. We have courthouses to decide the rights of citizens in the pursuance of their business activities and I fear that too much control over them by a government agency in Washington would be dangerous. This proposal would give the OPS power of life and death over businessmen everywhere.

Mrs. Pauline Woodard visited in Hico Sunday.

### Jimmy Harvey Says He Likes Our City

Jimmy Harvey, son of Mr. and Mrs. Wayman Harvey of Fort Worth, is visiting his grandparents, Mr. and Mrs. Ira O. Harvey of Fisher Street. He was brought to Goldthwaite by his Dad on Tuesday of this week for a visit of about two weeks. Mr. and Mrs. Clark Huddleston and Sue of Dallas came for their daughter, Mary Lynn, who spent several weeks with her grandmother, Mrs. L. P. Huddleston and Dr. Huddleston. Mary Lynn returned to Dallas with her parents Sunday.

### Major Campbell Goes To Germany In Mid-August

Major M. Allan Campbell, who returned to active Air Force duty several weeks ago, has been ordered to service with the Twelfth Air Force in Germany. He will report to a port of embarkation in New Jersey on August 13.

Just where in Germany Major Campbell will be stationed will not be known until he has reported to the headquarters of the Twelfth Air Force at Wiesbaden.

Mrs. Campbell and their children, Anita and Jimmy, plan to go to Germany to have residence there with Major Campbell at a later date and if conditions on the international scene permit.

Prior to the receipt of orders that will take him to Germany, Major Campbell, a veteran of World War II, has been stationed at the Carswell Air Force Base at Fort Worth. His service, prior to his return to active duty and since, has been with the giant B-36 bombers. Such planes, however, are not part of the Twelfth Air Force in Germany.

Visitors last weekend in the homes of Mr. and Mrs. Jim Witty and Mr. and Mrs. Lee Clary in Star were Mr. and Mrs. Melvin Witty of Dallas, Captain and Mrs. James Witty and their children of San Antonio, Mr. and Mrs. Allen Wood of Alpine, and Sgt. and Mrs. Don Hill of San Angelo. Ronnie Witty and Mrs. Wood remained for longer visits.

Mr. and Mrs. Levi Auldridge visited relatives at Richland Springs, Sunday.

## News Of Chappell Hill

By PEARL CRAWFORD

We experienced another hot and dry week. The farmers were busy with their feed. We have begun to wonder just how long the cotton will last with this high temperature. We were all happy last Thursday afternoon when we received a sprinkle of rain and some high wind, as most all the windmills have been at a stand still. We are glad at this writing to report that most all have plenty of water.

N. C. Karnes gave the B. J. Crawfords a helping hand with the water business. A. L. Crawford also hauled us some water.

Roger Smith had to fix up his hand pump to water his goats.

Charlie Partin helped his son, Bill, harvest broom corn Friday and Saturday.

C. A. Stark called at the Crawford home Monday morn-

ing. Mr. Starks started shearing goats. He reports their stock doing fine.

F. H. Tiemann and Melvin cut feed for B. F. Humphries and B. J. Crawford during last week.

N. C. Karnes bought a row binder. W. L. Collier is helping Mr. Karnes with his feed.

The F. H. Tiemann family is trying to finish their cotton, and Mr. Tiemann began to harvest his feed crop Saturday. W. P. Oxford helped the Tiemanns with their binder Tuesday.

A. L. Crawford harvested his feed during last week.

Jess Ivy baled hay.

Mr. and Mrs. T. V. Stevens received news from Mr. and Mrs. Tom Stevens, Mildred and Edwin. They like their new home fine. Their country had

plenty of rain, fine crops and garden.

O. A. Evans attended preaching at North Brown Sunday afternoon.

Mr. and Mrs. P. K. Caraway of Goldthwaite and Mr. and Mrs. A. L. Crawford and William G. visited in the B. J. Crawford home Sunday afternoon.

Mr. and Mrs. Roger Smith spent last Tuesday with his parents, Mr. and Mrs. Roger Smith, Sr., of Gatesville.

## Editorial It Was The Heat Last Thursday That Made Electric Stoves Cold

As explained by City Utilities Manager W. C. Barnett, Goldthwaite was without electricity from 5:40 p. m., to 6:39 p. m., last Thursday because the Lower Colorado River Authority "lost" a large sub-station transformer in Lometa "due to excess heat and load."

Shortly before radios went out, refrigerators ceased humming and electric stoves stood useless, Warren P. Duren had recorded 110 degrees of temperature — but on a T. M. Glass thermometer. Ira O. Harvey

inside Japan as they did in China. Also, economic support has to be given the Japanese people so that they can sustain an armament program on the scale needed to stabilize the Far Eastern situation. On paper, it's a good plan. Whether it ever will be carried out depends on many factors not clear as yet, among them financial aid for Japan and Communist countertactics.

had registered a temperature of 106 degrees on his back porch. Jim Cuiwell could have given you anything from 99 degrees to 114 degrees, depending upon which thermometer he was using at the George Gilbert Service Station.

To get back to Mr. Barnett, he said that at the time the electricity went out a construction crew, which presumably had had its supper, was on the site of the sub-station transformer at Lometa. Mr. Barnett and linemen from the Rural Electrification Administration went into action and, reinforced by the L.C.R.A. crew, they quickly cut spare transformers into service.

"Less than an hour from interruption to resumption of service, Mr. Barnett said. Yeah, one minute less.

## Ebony News

By Clementine Wilmet Briley  
(Written For Last Week.)

Our continuing drought has cut off our cool breezes and has given us days that are still and hot and oppressive. The night comes on breathless and hot and slow in cooling off. We hardly dare water the withering yard while the windmill stands idle through the breezeless day.

We are glad to learn that Joe Reeves, who is still in a Brownwood hospital with a badly mashed foot, is improving nicely this week. His mother is with him at the hospital. Hubert and Nancy and John are taking care of things at home. Nancy and John have spent some time with their paternal grandparents, Mr. and Mrs. Stanley Reeves, and also a few days with their maternal grand parents, Mr. and Mrs. John Guthrie, at Mullin.

Mr. and Mrs. Mack Reynolds and children of Lake Arthur, N. M. have been visiting Mrs. Effie Egger and Clayton.

We hear that Mr. and Mrs. Humphries, who have purchased the McDorman place, are moving in this week. We understand that both of them are giving up remunerative jobs in Dallas to come make their home here. They are moving in at a most unpromising time. If they do not become discouraged, they should make good citizens.

Henry Griffin, stationed with the Air Corps at Fort Worth, spent the weekend at home.

Mr. and Mrs. Eugene Egger accompanied Bill Ketchum to Wall near San Angelo where they visited Mr. and Mrs. Archie Ketchum over the weekend.

Mrs. Hattie Whittenburg, who has been quite poorly lately, is scheduled to have a checkup at

## FAITH UPLIFTED

THE REV. LEVI PRICE

Preaching for the revival services at the First Baptist Church in Goldthwaite, which will start on Friday of next week and continue through August 12, will be by the Rev. Levi W. Price, Pastor of the First Baptist Church at San Marcos. Brother Price, who recently moved to San Marcos from Coleman, is well known in Mills County, where he has been heard on a number of occasions.

The Rev. J. T. Ayers, Pastor, said that music and singing for the revival will be conducted by the Rev. Don Jones, Assistant Pastor of the First Baptist Church in Goldthwaite.

During the revival period, there will be services daily at 10:00 a. m., and 8:00 p. m.

a Brownwood hospital this week.

Mr. and Mrs. Stanley Reeves, Mr. and Mrs. John Briley, and Mrs. Wm. Belich and Billy were guests for dinner at the home of Mrs. Edna Dwyer Sunday after church.

Mr. and Mrs. Blue Thompson and Ezelle, Mr. and Mrs. Charles Griffin and Johnny, Mr. and Mrs. Cecil Egger and Ynell, Charm Whittenburg and Jack, Mr. and Mrs. Taylor Duncan and Annette, and John Briley and his grandson, Billy Belich, attended the San Saba Production Credit Association Barbecue near San Saba Wednesday.

Billy Burl Crowder of San Angelo is fishing on the River at the Wilmet Place this week. Mrs. Elizabeth Ketchum of

## 4-H Club Members Return From Camp Near Brownwood

Led by County Agriculture Agent George G. Reese, Mills County 4-H Club members returned on Wednesday of this week from the District Eight 4-H encampment on Lake Brownwood, after three days of fun and instruction.

Members of the delegation were Dana Saylor, Leo and Merion Reynolds, Bobby Zane Egger, Billy Mac Newton, Wayne Poe, Davis, John Howard and Sammy Owens, and Dell Barnett.

During the encampment there was an orchard demonstration and instructive talks on agriculture and animal husbandry. Recreation included riflery, swimming, softball, volleyball, "small games" and movies.

## Miss Ramona Flores To Study In Dallas

Miss Ramona Flores, who was voted "the friendliest girl" by the Goldthwaite High School Class of 1951, with which she was graduated last June, will leave Goldthwaite next week for Dallas, where she will become a student at Draughons Business School.

In Dallas, Miss Flores will make her home with Dr. and Mrs. C. M. Smith, formerly of Goldthwaite.

Miss Marvina Cook of Abilene was a weekend guest of Mr. and Mrs. Ance Morgan.

Brownwood spent from Saturday to Tuesday with her daughter, Mrs. Eugene Egger.

Mr. and Mrs. Jim Wilmet of Brownwood and Mrs. Edna Dwyer spent Tuesday in the Briley home. To alay their fears, a telegram which read, "High, dry, and safe," was received by Mrs. Wilmet Saturday from her daughter, Miss Marie Wilmet, who is working on her doctor's degree in a college in Manhattan, Kansas.

Mr. and Mrs. Ralph Wilmet and children are moving from Miles to Mozelle, a school near Coleman where he will be superintendent, and she will teach in the school.

## Star News

By DORA GOODE

Mrs. Ella Petrey Wilson, from Missouri, is visiting her daughter, Mrs. J. C. Cox, and her many friends in Star.

Mr. and Mrs. James Soules, who have been in the Philippines, and will be stationed in Washington, D. C., have been visiting homefolks here and in Hamilton. He is a son of Mr. Jim Soules.

Mr. Davis, the new Agriculture teacher, has moved to Star, and is busy getting his bearings for the coming school year.

Ben Udd has returned to duty at Austin after a fifteen day furlough. Ben has only recently returned from Korea.

Mr. and Mrs. Johnny Soules, and son Horace Dale, of Big Spring, visited homefolks over the weekend.

Misses Janie Mae Miles and Christine Rickel, who are attending Howard Payne College, were home for the closing exercises of the Vacation Bible School.

The Baptist meeting closed Sunday night. Brother Greer, of Howard Payne College, did the preaching.

Donald Goode spent a few

## Fire At Brady Home Of I. Z. Woodards

Mr. and Mrs. I. Z. Woodard of Brady, formerly of Goldthwaite, visited friends and relatives in Mills County last weekend. They were accompanied by the children, Betty and Bob.

The Woodards, who recently spent a vacation in New Mexico, reported that on their return they found their Brady home damaged by a fire. Considerable damage had been done to a "den" off their living room and smoke had permeated all portions of the residence.

hours with his parents, Mr. and Mrs. B. P. Goode, one night last week on his way back home in Tucson, Arizona.

Granny Hamilton is visiting in Evant with her grandson, J. Y. Hamilton, and family.

Mrs. Van McGilvary is quite sick in the Gatesville Hospital.

Mrs. Maxey, Mrs. West and Miss Gertrude Hill, of Evant, were Sunday afternoon guests in the home of Mrs. Lonnie Baker.

Mrs. Lincoln Saylor and children of Goldthwaite were Sunday visitors in the home of her sister, Mrs. J. C. Cox.

work carried out by the various branches of the military, by the federal state, and municipal governments, and by the Red Cross. There were many others.

"The Act under which the \$35,000,000 authorized by Congress will be expended specifies that the responsibilities of the Red Cross shall not be limited or in any way affected.

"In addition to all that the constituted authorities can do to help restore normal life in the communities, there is a vital job to be done by the Red Cross. That job is with people, with those whose lives have been so dislocated by their flood losses that, without help, they cannot get back on their feet. Human welfare is the most important job. It is a job that cannot wait. It was for that reason the people through the Congress, in 1905, officially entrusted the responsibility for such work to the American National Red Cross.

"The real work of the Red Cross in the flood area is just beginning. Its heaviest task is still ahead. Months from now, long after the memory of these floods is slipping from the minds of people in other sections, the Red Cross will still be on the job assisting the victims. The money the Red Cross provides for rebuilding a house or for refurnishing, or for helping a family to find the means to help itself, will be given outright, not lent. This assistance will be given only on the basis of the needs of the families involved.

"This job of the Red Cross is going to take a lot of money—more than the Red Cross can provide from its present resources.

"For that reason I call upon all Americans now to contribute as generously as they can, at least \$5,000,000, through their local Red Cross Chapters to aid our flood-stricken fellow citizens in Kansas, Missouri,

Two grass seed drills with fertilizer attachments are at the disposal of any cooperators interested in sowing grass. For cleaning grass seed, the District secured a seed scalper. This scalper has been used in cleaning King Ranch bluestem, Indiangrass, Little bluestem and other grass seed. The seed is in a marketable condition after being treated with the seed scalper.

Other equipment used by farmers for small jobs on the farm includes a rotary weed cutter, a frezno and a manure spreader.

A small service fee is charged on each piece of District equipment for maintenance and repairs. Cooperators desiring to use this equipment should contact Supervisor J. H. Priddy or Supervisor W. A. Hill.

and Illinois.

That tells the story. On the first page of this week's Eagle, there is a news story asking that all of us send our contributions to the Mills County Chapter of the American Red Cross or take them to Glynn Collier at the Trent State Bank. If we fail to do so, we shall be guilty of giving only lip service to the ideals of Christian brotherhood that most of us profess.

manded, warned of more drastic action in the future, and they were told to reimburse the city for damage caused in the amount of approximately \$50.00.

The damage caused last Sunday night lowered water pressure to a level that would have been dangerous in case of fire on the affected water line. Had there been pedestrians or other motor vehicles in the area, they too would have been endangered.

Sheriff Stubblefield said this week that ever since he assumed office, he has tried education, reason and persuasion in dealing not only with hot-rodgers but also adults who are chronic speedsters, who cut corners, ignore stop signs and generally violate both the law and the courtesies of the road. Persistent violations, the Sheriff said, will necessitate in the future more drastic action than in the past in the protection of the public interest.

Numerous chronic violators, both among young hot-rodgers and adults, are known to the Sheriff. The Eagle, incidentally, has been receiving an increasing number of complaints against those who disregard the obligation to work for safety on local streets and highways.

Mr. and Mrs. Paul Mayr and son, Mark, of Kerrville visited this week with her parents, Mr. and Mrs. B. A. Hodges, and family.

**Dr. O'Quin Gains**

Dr. C. L. O'Quin, who has been critically ill in the Burns Hospital at Cuero for the past three weeks, has been showing improvement for the past several days but he is not yet off the danger list. His sister, Mrs. Walter Weatherby, who returned to Goldthwaite last Sunday after a vigil of two weeks at Dr. O'Quin's bedside, said that news from the hospital on Wednesday morning of this week was cheering.

tain pens so as to autograph Mrs. Fairman's cast. Everybody knows that nobody could possibly write a decent autograph with a Post Office pen.

The somewhat less serious tone of this latest report on Mrs. Fairman's mishap is a reflection of the fact that she is making favorable progress, has taken her misfortune with a typical smile, and expects to have her cast completely autographed during the 2 1/2

months more in which she will have to lug it around.  
During the past three weeks the Postmaster has become expert on crutches. She refuses, however, to lend her crutches

to her able-bodied friends on the grounds that it is bad luck to use crutches until AFTER having suffered at least one broken leg.  
Among the many messages of

sympathy and good wishes Mrs. Fairman was presented and addressed by Representative of the 21st Texas District.
