

Curtis John Locklear Tried Hard To Help Eagles Against Comanche

Mullin Girls To Open Basketball Season Tuesday

The basketball season of 1951-1952 will start officially in Mills County on Tuesday night of next week when, at 7:45 o'clock, the Mullin girl hoopsters, coached by Mullin School Superintendent H. Howard Homsley, will play Hamilton at Mullin.

In addition to providing a fine time for basketball fans, next Tuesday night's event at the Mullin School Gymnasium also will be for the benefit of the treasury of the Senior Class of the Mullin High School. Admission to the game will be a silver free-will offering at the gate. Emphasis is on the SILVER—meaning nothing less than a dime to see the Mullin girls play the Hamilton cage artists.

The Mullin girls have been working out for the past three weeks or so and they expect to give the visitors from Hamilton a lively time.

Stop Taking Harsh Drugs for Constipation

End Chronic Dosing! Regain Normal Regularity This All-Vegetable Way!

Taking harsh drugs for constipation can punish you brutally! Their cramps and gripping disrupt normal bowel action, make you feel in need of repeated dosing.

When you occasionally feel constipated, get gentle but sure relief. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. It's all-vegetable. No salts, no harsh drugs. Dr. Caldwell's contains an extract of Senna, oldest and one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, acts mildly, brings thorough relief comfortably. Helps you get regular, ends chronic dosing. Even relieves stomach sourness that constipation often brings.

Try the new 25¢ size

Money back if not satisfied. Mail bottle to Box 280, N. Y. 18, N. Y.

DR. CALDWELL'S
SENNA LAXATIVE
Contained in pleasant-tasting Syrup Pepsin

Curtis John Locklear, weighing eight pounds and ten ounces, arrived at five o'clock on Friday afternoon of last week at the San Saba Memorial Hospital but his father, Goldthwaite High School Principal and Assistant Coach Jack Locklear, held him back from the Eagles - Indians football game on the question of an eligibility ruling by the Texas Interscholastic League.

Mrs. Locklear, who has not yet made a statement for publication on her new son's football future, is doing nicely. With Curtis John, she returned to the Locklear home in Goldthwaite on Monday night of this week.

Curtis John was greeted by his brother, Clyde Alan, 5, and his sister, Cecilia Ann, 3.

"They are all hopped up about their new brother and they are on record as refusing to trade him for anything," Daddy Locklear said. He also had the following remarks to make:

"Yes, I was at the San Saba Memorial Hospital when Curtis John arrived but I made the Comanche - Goldthwaite game at Eagle Field in time for the kickoff. Curtis John will not play at Mason on Friday night of this week because it has not yet been decided whether he is to be a fullback or a guard."

Curtis John's paternal grandparents and Mr. and Mrs. C. Locklear of Goldthwaite. His maternal grandparents are Mr. and Mrs. E. H. Aland of Encino, Cal.

Personals

Guests last weekend of Mrs. Addie C. Davis of Goldthwaite were Mr. and Mrs. W. G. Keley and Peggy of Fort Worth, Mr. and Mrs. Howard Ethridge and children of Grand Prairie, Mr. and Mrs. Garlan Ethridge and their daughters of Brownwood, Mrs. Ethel Davis of Lometa and Mrs. Clifford Hammond and children of Durenville.

Mrs. Ira O. Harvey, Mrs. Luther Ray Rudd, and Mrs. Luther Rudd visited in Gorman on Tuesday of this week. The two Mrs. Rudds spent much of their time with Mrs. S. E. Cloninger while Mrs. Harvey saw "all of the Bibbys."

Mullin Bulldogs Play Novice At Mullin Thursday

The Mullin Bulldogs were scheduled to play Novice at six-man football at 8:00 o'clock on Thursday night of this week at Mullin in a return engagement, with the Bulldogs already holding a 1951 victory over the visitors.

Coach Johnny Smith said that Averl Swinney will be out of the game because he suffered a broken arm in the Mullin-Brooksmith game and that Lynn Shelton also will be out of the lineup because he suffered a leg injury in play at Mozelle last week—when Mozelle defeated the Bulldogs 34 to 12.

Unless something else should happen, Coach Smith said, his starting lineup against Novice this Thursday night would be Harley Ethridge, QB; Bobby Woods, HB; Alvin Bramblett, C; Billy Lindsay, E; Denny Shelton, E; and Wesley Lee, FB.

Admission to the game at Mullin on Thursday night of this week was set at 50 cents for adults and 25 cents for children. Coach Smith urged that all six-man football fans or those who have not yet been initiated into six-man football attend the game.

Maj. M. A. Campbell Becomes Linguist

Major M. Allen Campbell of Goldthwaite, now commanding the 517th Air Police Squadron at Wiesbaden, Germany, sat himself down the other day and wrote a letter entirely in German to his old pal, V. C. "El Rancharo" Bradford. So far, about all that Mr. Bradford knows of what Major Campbell wrote to him is a defiant challenge in English at the end of the letter to make something of it. Mr. Bradford either will have to learn German or he will have to be discreet in the matter of selecting a translator. The letter is in Mr. Bradford's possession at you know where and he will be glad to have some broad-minded translators drop in to pore over the Germanic prose of Herr Major Campbell.

Mr. and Mrs. Ernest Hairston and their children, Micky and Judy, spent last Sunday with Mr. and Mrs. Ray Blackburn.

Parsonage Is Being Moved New Reynolds Street Location

Walter Fairman in order to provide playground facilities for the Youth Center that is coming into being rapidly—also as the result of a gift by Mr. Fairman.

Decision to accept Mr. Fairman's offer to move the Parsonage to its new location on Reynolds Street was reached at a meeting of the First Baptist Church on Wednesday night of last week. On Monday of this week the movers, Saylor & Saylor, began preparations for the transfer, including the removal of shrubbery before the jacking up of the structure.

The Rev. J. T. Ayers, Pastor, said that what the Ayers family planned to do while electricity, gas and water were cut off from the Parsonage depended in part on the time table. Next week Brother Ayers will be in Houston attending the Baptist Convention and Mrs. Ayers and their daughter, Anette, will be in Corsicana. It could be that the time table would work out perfectly.

In addition to paying for the moving of the Parsonage, Mr. Fairman also has provided the lot on which the structure soon will be standing next door to the home of Mrs. Weathers.

Men's Downtown Bible Class Plans "Old Folks Night" For October 23

At 7:30 o'clock on Tuesday night of next week the Singing of the Men's Downtown Bible Class of Goldthwaite will be an "Old Folks' Night" with many new and unusual features, it was announced this week by W. C. Frazier, Song Leader.

In the first place, Mr. Frazier would like to have everybody present at the Singing on the night of October 23 at the Baptist Youth Center on Fisher Street. Anybody who would like to attend and who does not have transportation should telephone Mr. Frazier at Goldthwaite 210 not later than tomorrow, Saturday, so that transportation arrangements can be made when the Downtown Men's Bible Class meets on Sunday morning.

In the second place, Mr. Frazier has promised that songs and hymns requested by the audience will be sung. If you have an old favorite, take your hymn or song book to the Singing on Tuesday night of next week and your favorite will be sung, Mr. Frazier said.

And in the third place, the Teague Quartet of Brownwood will be present to provide special music and to join in the Singing when everybody sings.

"At our Singing on the night of October 23 we shall pay special tribute to the older people," Mr. Frazier said. "Nobody need miss the Singing because of lack of transportation. Just call me at 210 in Goldthwaite no later than tomorrow, Saturday, and transportation will be arranged for those who do not have it but who will wish to attend the October 23 Singing."

Thomas Franklin Elliott Passed Away Last Saturday At Age Of 88

Funeral services were conducted last Sunday afternoon at the Lometa Cemetery by the Rev. J. T. Ayers, Pastor of the First Baptist Church in Goldthwaite, for Thomas Franklin Elliott, who died on Saturday afternoon of last week at the age of 88 at the home of John Elliott in Goldthwaite.

As a child, Mr. Elliott moved with his parents, the late Thomas Franklin and Martha McClendon Elliott, to Williams Ranch about 1880. Accordingly, he had lived in what now is Mills County for about 71 years.

One of four children who were born to his parents, Mr. Elliott was a native of Fannin County, near Ladonia, where he was born on April 11, 1863.

In 1883 Mr. Elliott was married to Mattie Bouden, who preceded him in death. Of seven children born to the union only

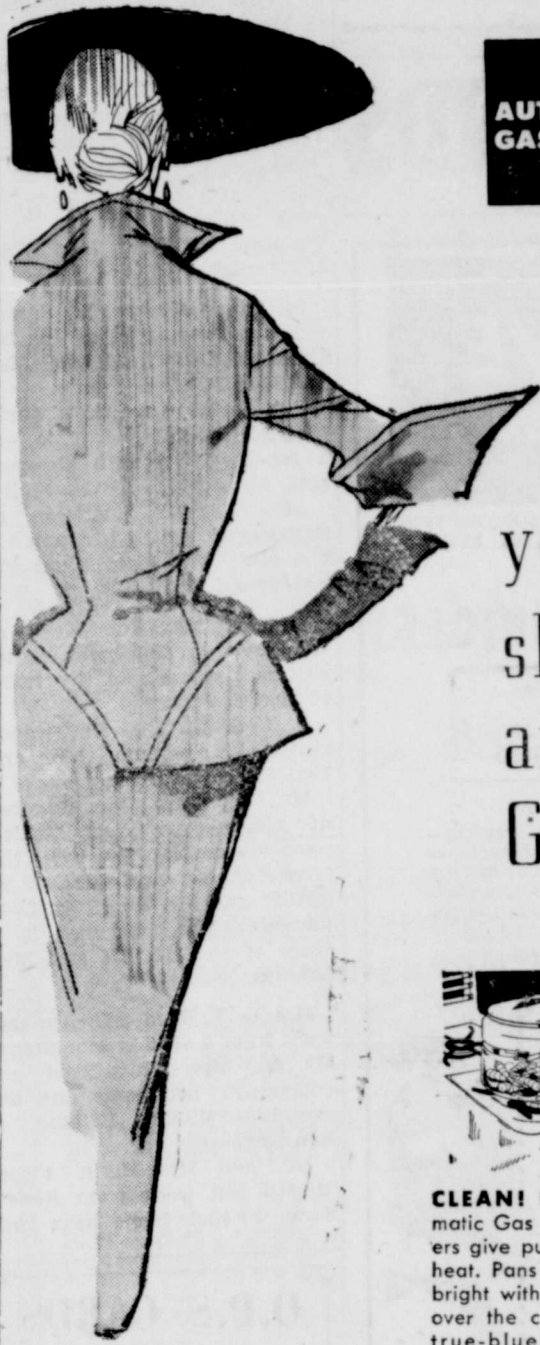

one son, John Wesley Elliott, survives.

Other survivors are a grandson, Alfred E. Conradt of Dallas, a grand daughter, Mrs. Bill Opfer of Lake Arthur, N. M., and five great grand daughters.

Also surviving are four nephews—John L. Elliott of Goldthwaite, with whom Mr. Elliott made his home; W. B. Elliott of Grand Prairie, Elmer Elliott of Whitesboro, and Rufus Elliott, who is on Army duty in Korea.

More than 60 years ago Mr. Elliott, who was known affectionately to many as "Uncle Tom," was a founder of the Church of Christ at Mullin. He had been a member of the Masonic Order for 36 years.

Mr. Elliott was noted for his recollections and stories of frontier days in this part of Texas.

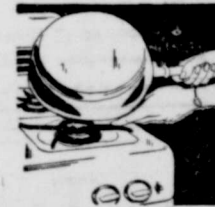

AUTOMATIC GAS RANGE Sale NOW ON!

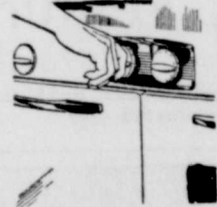

you just know she has an automatic Gas range

CLEAN! Grease-laden vapors stay inside the pan with modern waterless Gas cooking. Only Gas ranges give you the controls so necessary for this modern cooking. Why? Because there are dozens of heats to cook with—not just a few factory-set heats.

CLEAN! New automatic Gas range burners give pure, stainless heat. Pans stay mirror-bright without scouring over the crystal-clear, true-blue flame. No messy, smokey, "burning-off" when spillovers occur, either!

CLEAN! Automatic, accurately controlled oven lets you roast meats in their own juices . . . at temperatures as low as 250 degrees. No water added. Less steam or vapor—that's the secret of a spotless kitchen.

her kitchen is spotless

HER SECRET is to control steam; thereby banishing grease-laden vapors. Only an automatic Gas range possesses the flexibility so necessary for waterless top-of-stove and oven cooking. And broils without smoking with the broiler door tightly closed!

Right now you can get an automatic Gas range that will make your kitchen lighter, brighter, 10 years younger at a special saving. It's Old Stove Round-Up Trade in Sale time at most Gas Appliance Dealers and Lone Star Gas Company. See the special values, today.

Texas Venture

In Education • 1876-1951

Our first state college—Texas A. and M. is now in its seventy-fifth year

... without excluding other scientific and classical studies and including military tactics, to teach such branches of learning as are related to agriculture and the mechanic arts."

July 2, 1862, President Abraham Lincoln signed the Morrill Act, granting to each state 30,000 acres of public land for each of its members of Congress for the endowment of a state college "where the leading object shall be, without excluding other scientific and classical studies, and including military tactics, to teach such branches of learning as are related to agriculture and the mechanic arts." Texas, in 1871 accepted the terms of this grant and created the Agricultural and Mechanical College of Texas. Its federal endowment was 180,000 acres of land scrip, sold for 87 cents per acre and invested in seven percent gold frontier bonds valued at \$174,000. The Reconstruction period delayed establishment of the College, and it was not until October 4, 1876 that it was opened. Created as a branch of the then non-existent University of Texas, the Agricultural and Mechanical College was Texas' first venture into the field of state-supported higher education.

Personal News Of Mullin

By MARSALTE SUMMY

Mr. and Mrs. S. J. Fisher and Miss Myra Fisher were recent visitors in Abilene with Mr. and Mrs. Ralph Fisher and children.

Miss Lane Sweet of Cameron was a recent visitor in the home of her brother, Andy Sweet, and Mrs. Sweet.

Supt. H. Howard Homsley attended a Superintendent's and School Board Meeting in Austin the first of the week.

Mrs. J. N. Crockett and daughter, Mrs. Darrell Shelton of Brownwood were Goldthwaite visitors Saturday.

Chappell Hill

By PEARL CRAWFORD

We have been enjoying the cool, moonlit nights and the warm, sunshiny days.

As George and I visited Mr. and Mrs. F. H. Tiemann on Wednesday afternoon of last week, we found to be not true the story that folks who live on Chappell Hill don't talk much when they pick cotton. Mr. Tiemann surely did talk and he made a great big wish for all of us. He said he wished the skies would cloud up and then pour down rain and keep pouring and pouring and pouring. . . . Mr. Tiemann was gathering corn, Melvin was breaking land, while R. J. and Alvin Glynn were feeding the calves. Mrs. Tiemann had been picking some cotton.

O. A. Evans and J. C. Bramblett took a fat calf to market at San Saba on Tuesday of last week.

T. V. Stevens began sowing wheat last week.

Mr. and Mrs. Bill Oxford, W. P. Jr., and Mr. Oxford's mother called at the Bill Partin home on Thursday of last week. The Oxfords then went on to Lampasas. By way of some free market information to farm implement dealers, Mr. Oxford is in the market for a breaking plow.

Mr. and Mrs. C. M. Bramblett were in town last Saturday. We were glad to learn that Mr. Bramblett is feeling better.

Our hearts fell for our neighbors south of us on Tuesday of last week when we watched the big smoke rise and keep spreading during the extensive grass fire southeast of Goldthwaite.

The Kavanaugh water well drillers have just finished drilling a well for W. P. Letbetter and now they have started drilling a well for Mr. and Mrs. G. K. Lynch.

N. C. Karnes took a bale of cotton to the gin last week.

W. P. Letbetter has his crops almost harvested. He reports that his corn crop is better than he had thought possible. We were happy to learn that Mrs. Letbetter is feeling better after having suffered an attack of asthma.

Last week Mrs. J. H. Vaughan went to get some stove wood. She fell and broke her arm. Only Mrs. Vaughan and her husband, who suffered a stroke several months ago, were at home, alone, so Mrs. Vaughan started walking for help. She met R. F. Daniel and his sons, who were on the road, while Mrs. Ed Dennis and her daughter were gathering wild grapes nearby. The Daniels and the Dennises gave Mrs. Vaughan a helping hand. They took her to the Childress Clinic in Goldthwaite. At last report both Mr. and Mrs. Vaughan were feeling better. They have been visited by their children and many friends.

As I drove to my mail box I saw a sign reading "For Sale" at the McNerlin's red gate. I drove by and visited with Mr. and Mrs. McNerlin and Gene. I learned that Mr. and Mrs. McNerlin were on the sick list. Since then Mr. McNerlin has gone to hospital for a check up

THE GOLDTHWAITE EAGLE

News Of Scallorn

By ORA BLACK

Weather conditions have changed some since our last report. For two mornings in succession there has been a fog, with cool, damp atmosphere, and as the saying goes, three mornings in succession there'll be rain. Still hoping there has been sowing done through section of the county.

Attending the funeral at Lometa of T. P. here were Mr. and Mrs. Hines, Greta Sue and Mr. and Mrs. W. spent part of last week in Pleasanton with Mr. and Mrs. W. son of Hale Center, Mr. Rull Wooders were guests in Mr. and Mrs. Frank Mrs. Wayne Henry to San Saba Hospital to help care for a Huntis Black left the Dallas Fair, taking his calf to a F. F. A. club Lane, breeder of the shown by Huntis, from Comanche and ly enthused with made by the calf seen it last.

After attending Sunday of Mr. T. P. and Mrs. Frank Greta Sue drove to Cove and visited with Mrs. Fred Conrad

and Mrs. Huron of Goldthwaite is staying with her mother and Gene. We are hoping that Mr. McNerlin will be able to return home soon.

Mr. and Mrs. O. A. Evans visited Bob, Ruth and Ruby Reynolds on Wednesday fo last week.

Mr. and Mrs. Benton Aldridge and their children and Weldon Karnes visited recently with Mr. and Mrs. Stone Shipman and daughters.

Mr. and Mrs. A. L. Crawford and William G., went to the Colorado river last Sunday to fish and to visit Henry Stevens.

Mr. and Mrs. Bill Partin and Tommy and Jimmie visited Mr. and Mrs. C. G. Partin last Friday.

Mr. and Mrs. Curtis Koen and Mr. and Mrs. G. W. Mason of Graham visited Mr. and Mrs. Al Brown last week. Mr. Mason went on to Beaumont.

O. A. Evans has received word that his sister, Mrs. J. N. Crook of Abilene, has had to return to hospital in Dallas. Mrs. Crook's condition is regarded as serious.

Mr. and Mrs. Alford Brown visited Mr. and Mrs. Britt Davee on Monday of last week.

O. A. Hill of Wingate was in Goldthwaite last Monday. The Hills reported that drought this year cut their crop very short.

Dinner guests last Sunday in the B. J. Crawford home were Mr. and Mrs. R. J. Schindler of Bangs, and Mr and Mrs. A. L. Crawford and William G.

This scribe visited Mrs. R. A. Stevens and Miss Lola. I am happy to report that Granny Stevens is doing nicely.

Comanche Indians Win From Eagles By Score Of 70-0

By R. C. McCOLLUM

Out-weighted and playing without John Gilliam and Bob Carr at Eagle Field in Goldthwaite on Friday night of last week, the Goldthwaite High School Eagles encountered in the Comanche Indians the most formidable team they have met on the gridiron this year. That was why the score of the game was Comanche 70, Eagles 0.

The Comanche line averaged 158 pounds per man as against an average weight of 143 pounds in the line of the Eagles. It was a little different in the back field where Comanche averaged 147 3/4 pounds per man to 146 1/4 for the Eagles.

Throughout the game against

Comanche the Eagles were playing at far from their best—but with all the odds against them. The Indians had a fine defense and in two boys, Turner and Hix, they had two excellent backs. In fact, Turner is the best back to have been seen at Eagle Field in many moons. He runs hard and is fast and shifty.

Comanche also turned out to have been the best blocking team to have been seen locally in a long time. Against the finished play of the Indians, it seemed that nearly everything the Eagles did went against them. For example, the Eagle pass receivers were well covered and every time they completed a pass they had to fight for the ball. Both Vernon Whitley and Joe Hammond had to leap high into the air to take passes and protect them against potential Comanche interceptors. John Stark and Hobson Miller also completed Eagle passes for nice yardage.

Turner of the Indians scored six of the Comanche touchdowns while Hix, Arthur, Gregory and Riggs scored one TD each for the invaders. The Indians also blocked a Dick Lindsay punt and fell on the ball in the end zone for a touchdown, and four extra points were kicked by Hix of the Indians.

In the game last Friday night there were no serious injuries on either side.

GAME AT A GLANCE

EAGLES	INDIANS
8	First Downs 17
52	Yards Rushing 445
31	Yds. Lost Rushing 14
92	Passing 15
113	Total Yards 446

Passes completed, Goldthwaite: 9 of 37 for 92 yards; Indians, one of three for 15 yards. Passes intercepted, Goldthwaite 0; Comanche 7. Penalties, Goldthwaite, five for 35 yards; Comanche, four for 40 yards. Punts average, Goldthwaite, five for 32 yards; Comanche, two for 22 1/2 yards.

The Indians scored 13 points in the first quarter, 25 in the second, 14 in the third and 18 in the fourth quarter.

Miss Elna Fouse spent last week at Taylor at the bedside of her brother, Frank Fouse, who was injured when thrown from a horse.

Mrs. J. W. Weathers visited Mr. and Mrs. Joe J. Johnson and other relatives in Fort Worth last week.

Girl Basketball Players At GHS Start Workouts

Girl basketball players of the Goldthwaite High School already are working out in preparation for the coming season and they have elected Rachel Elder as Captain and Maedel Long as Co-Captain.

Coach Jack Locklear said this week that prospects are good.

"We have about 30 girls out for basketball and all of last year's players still are in school and eligible for the team," Coach Locklear said.

Letter members of the squad

Quarterback Club Will Exhibit Top Football Movie Monday Night

Motion pictures of the 1950 S.M.U.-Oklahoma A. & M. football game will be shown to members of the Goldthwaite Quarterback Club at the Vocational Agriculture Building at the Goldthwaite Schools at 8:00 o'clock next Monday night.

Quarterback Club President E. B. Gilliam, Jr., said that

movies of the S.M.U. - Ohio game, which had been scheduled for showing next Monday night, will be exhibited by Coach Carl Knox at the November 12 meeting of the organization. Since the pictures of the S.M.U. - Ohio game will not be available until November 12, Mr. Gilliam said, the S.M.U.-Oklahoma A. & M. films will be shown at next Monday night's meeting.

At last Monday night's session of the Quarterback Club the members saw a fine film—

Highlights of the 1948 Season of the Southwestern Conference.

The Quarterback Club is an organization of adult citizens who devote themselves to encouraging and supporting the athletic programs of the Goldthwaite Schools.

Membership in the Quarterback Club may be arranged simply by calling on Alfred Carter, Treasurer, at the Trent State Bank in Goldthwaite.

Miss Linouse Dellis of Abilene Christian College spent the weekend with home folks.

Mrs. George Reese and Miss Laura Nelson were Fort Worth visitors last weekend.

— Support Our Advertisers —

Mr. and Mrs. Chas. Hill and son Ronald La Fon Horton of visited the Dallas Wednesday. The Hill Ray visited with Mrs. Willis Hill while were in Dallas.

OIL PROGRESS WEEK OCTOBER 14-20

Oil Progress means more to Texans!

This week the United States will focus its attention on the oil industry's contributions to the high American standard of living, to the nation's industrial progress, and to the national defense. *This is Oil Progress Week.*

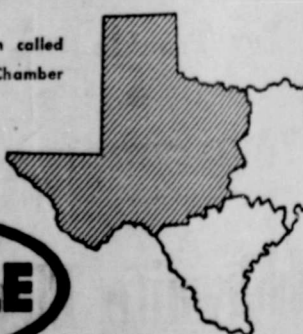

Texans know the story well: as home folks in the oil country, they share the oil industry's pride in supplying the resource that powers a major share of the country's industries, all its airplanes and automobiles, most of its ships and trains.

Texans realize, moreover, that oil's progress means even more to them than it does to many other Americans. For example, the value of the crude oil produced in West Texas* in 1950 was approximately a billion dollars. This is not "boom money." West Texas uses it to pay taxes, salaries and wages; it buys homes, groceries, light and heat; doctors collect a portion of it; landowners receive

royalty and lease payments; a sizable portion of it is reinvested in the further development of the region's oil resources.

In a word, the progressive development of the petroleum resources of West Texas has enormously stimulated its thriving industrial, commercial and agricultural development, and this is the *more*, the plus, that oil's progress means to West Texans. Modern, efficient production practices will conserve the oil and gas resources of the region, and oil's progress will continue to mean more to West Texas for many years ahead.

* The shaded area is the region called West Texas by the West Texas Chamber of Commerce.

William Ratliff, Mullin Resident, Dies At Age 77

Joseph William Ratliff, who had lived in Mullin for 48 years and who had been a resident of Mills County since boyhood, died at his home in Mullin last Sunday afternoon. Funeral services were conducted on Monday afternoon at the Mullin Baptist Church with the Rev. Henry C. Garber, Pastor, officiating. Interment was in the Mullin Cemetery.

Mr. Ratliff, who was 77, was a native of Palo Pinto County, where he was born on June 17, 1874. On December 3, 1893, he was married to the former Ella A. Jarrett. Surviving in addition to his widow are eleven children. They are:

R. T. Ratliff, Chester Ratliff and Allen Ratliff, all of Mullin, L. C. Ratliff and Vann Ratliff, both of Brownwood, L. M. Ratliff and Ray Ratliff, both of San Angelo, Mrs. Clemmie Montgomery of Caradan, Mrs. Alfred Denson of Zephyr, Mrs. J. G. Vickers of Paramount, Cal., and Mrs. J. C. Chancellor of Seminole.

Also surviving is a brother, John Ratliff of Zephyr, and two sisters, Mrs. Addie Spinks of Colgate, Okla., and Mrs. Sue Fagan of Sweetwater. Other survivors include 28 grandchildren and eight great grandchildren.

Until his retirement, Mr. Ratliff was a farmer. He had been a member of the Baptist Church for most of his life.

Neal Hatley and Don Carpenter, both of Grand Prairie, spent last weekend with Davis Owens and the other members of the J. Sherwood Owens family at Center City.

Soil Man Cites Case History Of Schuster Results

By ROGER A. POWELL

When Emil Schuster and his son, Wilfred, started work on their coordinated conservation plan in 1943, they knew that many big jobs lay ahead of them.

Small gullies had begun to show in cultivated fields and sheet erosion had taken its toll on the flatter slopes. Good native grasses were scarce in the pastures and some slopes were almost bare.

"I learned from working with my Soil Conservation District that to stop erosion, I would have to hold as much water as possible in the sod on which the rain would fall," Mr. Schuster said. "The amount of humus in the soil was low and the soil would crust and become compact after heavy rains. Soil fertility had decreased throughout the years until crop yields were low.

"It has taken some doing to correct the problems that we faced, but the results have been profitable. We are using winter cover crops of peas and vetch with good results. Wilfred likes Madrid clover for summer grazing. His steers did well on Madrid clover last summer. We intend to use legumes in our farming operations from now on."

Questioning showed that it is the range that interests Mr. Schuster most. He knows and appreciates good native grasses. Today, most of his ranges are in good condition and he is using good range management to improve others.

"We like to use rotated grazing along with summer deferments," Mr. Schuster said. "By rotating the livestock at regular intervals we are getting improvement in native grasses without full deferments during the growing season."

Mr. Schuster and Wilfred are one of several father and son teams in Mills County that are applying sound conservation practices to their farms and ranches. If you wonder whether conservation farming is both practicable and profitable, just stop and talk to Emil and Wilfred Schuster some time.

J. C. Haralson, 91, Visits Wheelers

J. C. Haralson of Fort Sumner, N. M., accompanied by two daughters, Mrs. T. D. Ford of Houston and Mrs. A. J. Guthrie, and Mr. Guthrie, of Olivehurst, Cal., spent last Saturday night with Mr. and Mrs. D. L. Wheeler. Mrs. Wheeler is Mr. Haralson's sister.

Mr. Haralson, the only son of the late Rev. D. I. Haralson, recently celebrated his 91st birthday anniversary with 130 relatives present to join in the festivities.

Also on Thursday night of last week Mr. and Mrs. D. L. Wheeler, Jr., of Brady visited Mr. and Mrs. D. L. Wheeler, Sr., in Goldthwaite.

Center City HD Club Backs Red Cross Blood Unit

With Mrs. J. Sherwood Owens presiding, the Center City Home Demonstration Club met on Wednesday of last week at the home of Mrs. Jack Porter with 13 members and eight guests present.

Mrs. Owens, who is the Center City delegate to the Mills County Home Demonstration Council, urged that all of the members of the Club who are able to do so register as donors for the forthcoming visit of the American Red Cross Bloodmobile unit.

Also at the meeting on Wednesday of last week it was announced that the box which the Center City H. D. Club is preparing for the Methodist Home is to be ready in time for the next meeting, which will be held with Mrs. Jack Elms as hostess on Thursday of next week.

News Of The Ebony Community

By CLEMENTINE WILMETH BRILEY

Mr. and Mrs. Taylor Duncan and Annette spent Sunday with Mr. and Mrs. Dayton Boren at the Fairman Ranch near Goldthwaite.

Mrs. Cecil Egger acted as baby sitter for Mr. and Mrs. Hulon Egger one night last week while they attended the G. I. Barbecue at Mullin. Mrs. Egger, who is very fond of children, got a kick out of it. She said when she got them ready for bed, Marianna got her book. They got in the bed together, and Marianna read to Woody Rean till he went to sleep.

Mrs. Edna Dwyer had quite a share of guests Sunday afternoon. Not long after her dinner guests, Mr. and Mrs. J. R. Briley left, Mr. and Mrs. Frank Crowder and Mr. and Mrs. Stanley Reeves came.

The Whittenburgs have been picking their cotton this past week. They have out one bale.

We saw Mrs. J. R. Reeves of Owens in Brownwood Friday. I asked her if they had any crop. She said, "no, on crop except some hay."

We met up with Pfc. Charles Henry Griffin of Carswell Base, Fort Worth and Charles Chaney of Mullin at the door of the Drivers' License Office in Brownwood Friday. They were looking fine.

I was glad to learn that the Army is wanting to borrow our land for maneuvers next spring. Perhaps then they won't be moving us off.

I read from Pearl Crawford in the Goldthwaite Eagle a very nice item about Mr. and Mrs. P. R. Reid. She said they formerly lived at Regency where they ran a general merchandise store, post office, and cotton gin. They did all that, but it was at Ebony instead of Regency.

Mr. and Mrs. Cecil Egger met their daughter, Ynell, who is attending Southwest State College at San Marcos, at the home of her niece, Mrs. Arvel Cummings at Lampasas where they spent the weekend.

News Of Star
By DORA GOODE

We were pleased Sunday to listen to the Poetry Broadcast by Mrs. Cornelia Kreid, and judging from the number of names used, there are a lot of people who like to putter around with flowery combinations of words. One of those was my sister, Mrs. Lona Burney; then there was Mr. Rog.

What's become of him, anyway? I miss his little corner on the front page of the Eagle. I always glanced down for "Rog's Corner," and it's not there anymore. It's sports and athletics—things a lot of us oldsters do not care a hoot about. Poetry is a flower that bedecks the mind as well as the page of a newspaper. Yes, Mr. Rog, we miss your light and lifting lines. That is all but the pessimistic kind. But, come to think

of it, now's a good time to get that kind going—maybe it would bring on a good rain.

Several weeks ago, and all on the same day at school, Junie Goode got her arm broken. Bobby Zane Egger suffered a broken hand, and Ernest Rickel a wrenched ankle. Well, all are doing nicely. But this last week Diann Kincheloe suffered a collar bone injury. And to add to these accidents, Christian Goode turned over in his wheel chair. He suffered only a minor scratch and plenty of dust and dirt in which he lay until help came to lift him back into his chair. Thanks to Herman Lee and Henry Soules who responded to the distress call. It's plenty dry and dusty and by the time we got him up he looked like a drumstick rolled in flour, only it wasn't flour. Surely the grimblins must be out in full force these dry autumn days, so everybody better watch their step.

Mr. and Mrs. Merle Hamilton and baby of Big Spring, visited his parents, Mr. and Mrs. John Hamilton several days last week.

Johnny Boykin and wife and baby of Fort Worth have been visiting with Mrs. Boykin's parents, Mr. and Mrs. O. Z. Cox.

Mr. and Mrs. Lant Adams had as visitors the past week Mrs. Adams' brother, Mr. and Mrs. J. Slaughter.

Coming in to see homefolks over the weekend were Mr. and Mrs. Boots Boykin and children, of near Post.

The new homes of Mr. and Mrs. Ford, and Mr. and Mrs. Jimmie Welch are nearing completion and will soon be ready for occupancy.

Arch Kincheloe and Norris Witty went to Waco Sunday to see Emmett Kincheloe, who is in the Veterans Hospital there.

Mr. and Mrs. Will Rickel and sons, Ernest and Chester visited over the weekend in the Edward Rickel home at Winters.

Will Gent, Eise Carroll, Jim Williamson and Mrs. Margaret Cox met at the Charlie Hunter home Saturday night for a little musicale.

Mrs. Otho Knowles is reported on the sick list.

Editorial

the Democratic party could not be challenged. He said, "The time has come to definitely regenerate and clean up the party." He charged that Democrats in the administration had engaged in "shady and evil-smelling acts."

"If we are to save America and ourselves from the moral rot and degeneration that is taking place, we must return to those absolute standards of right and wrong set up for our guidance in the 10 commandments and the moral teachings of the great prophets of the Jewish race."

This was an influential Democrat in the house of representatives speaking to his—and our—President, Harry S. Truman, in the year of Our Lord, 1951.

Hillside Mission
By LIDA BYRNE

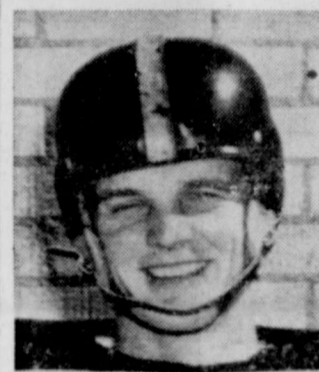

The Reverend Luther C. Peak, a teacher of the Bible, said: "The Bible is a University." We can go to that University for probably about two dollars. It can be worth more than all other universities put together, if we take advantage of its wisdom and put it to use. The reason we go to any school is to learn how to live.

The Reverend Peak teaches the Bible by radio over K.S.K.Y. each day at 1:30 p. m. except Saturday and Sunday.

Mrs. Guy Weems and Mrs. Claude Weems of Rotan came last week to be with their parents, Mr. and Mrs. J. H. Vaughan of the Trigger Mountain community. Their mother had the misfortune to fall and break her arm last Monday. Mrs. Claude Weems returned home last Wednesday. Mrs. Guy Weems remained to care for their mother and father who has been ill for some time.

Missionary From San Andre Isles Speaks At Mullin Baptist Church

RAM CENTER

CARLIN WICKER
Carlin Wicker, son of Mr. and Mrs. Claude Wicker of Caradan and former member of the GHS Eagles, will play at center when the San Angelo Rams play California Compton College in the Bobcat Stadium at San Angelo tonight, Friday. Carlin's younger brother is Wayne Wicker—hard-playing center of the GHS Eagles.

Tonight, Friday, at 7:30 o'clock at the Baptist Church in Mullin the Rev. C. W. McCullough, a former Pastor of the Church, will speak on and show colored stereopticon slides depicting his missionary work in the San Andre islands off the coast of Colombia, South America.

The Rev. Henry C. Garber, Pastor of the Mullin Baptist Church, said that Brother McCullough will have a deeply interesting account to relate of his missionary activities and he extended an invitation to all persons in Mills County to attend the illustrated lecture this Friday night.

Brother McCullough was Pastor of the Mullin Baptist Church while he was a student at Howard Payne College in Brownwood. Subsequently he was graduated from the Southwestern Baptist Theological Seminary at Fort Worth.

With Mrs. McCullough, Brother McCullough has spent the past six years in the San Andre islands where, in addition to missionary and pastoral work, he also has been a teacher. Mrs. McCullough will speak to the members of the Women's Missionary Union of the Mullin Baptist Church at two o'clock on the afternoon of Monday, October 29.

Brother and Mrs. McCullough, whose son has just matriculated as a student at Howard Payne College, are in the United States on furlough from their missionary work in the San Andre islands.

Mr. and Mrs. Lynn Nix and Earlene spent Sunday in Kerrville and San Antonio. They also stopped for a short visit in Blanco with Mr. and Mrs. John Cunningham.

Personals

Mr. and Mrs. J. E. Aishman and little sons, Tommy, Eddie and Rickey of Iraan visited Mrs. C. F. Williams and Bill last week.

Mr. and Mrs. J. N. Broadfoot and daughter, Betty and Mr. and Mrs. H. G. Broadfoot, all of Clyde, visited Mr. and Mrs. L. B. Hart Sunday.

Mrs. Lynn Nix and Earlene visited last Thursday afternoon with Mrs. R. F. Daniel and Mrs. Floyd Daniel and little son,

Mark at Lake Merritt. They also visited in the J. H. Vaughan home in the Trigger Mountain community.

Miss Brockie McCasland of Abilene spent the weekend with her parents, Mr. and Mrs. J. B. McCasland and grandmother, Mrs. Callie Shaw.

Mrs. W. E. Rhodes attended funeral services for her cousin, Euell V. Shields, at Brownwood Sunday.

The F. F. Mays Give Our Miss Nix Ideas

The Eagle's Miss Earlene Nix took the remainder of her vacation this week. It may have been a coincidence but Miss Nix decided to complete her vacation immediately after receiving a postcard from Mr. and Mrs. F. F. Mays of Rt. 2, Goldthwaite. The postcard was from New Orleans where Mr. and Mrs. Mays were on vacation. They wrote to Miss Nix that they were "having a wonderful time . . . seeing many places of historical interest in this most interesting city." That did it. Our Miss Nix went on vacation and spent the first day of it in San Antonio. No accounting has been made as yet of the remaining days.

For PAYLOADS that PAY OFF

Switch to **DODGE "Job-Rated" TRUCKS**

Bigger loads! Bigger loads! Balanced Weight Distribution enables you to haul bigger payloads on a Dodge "Job-Rated" truck. Because the engine has been moved forward and front axle back, you carry more without overloading. Right proportion of the load is carried on each axle. And shorter wheelbase means easier handling.

Faster trips! Faster trips! High-Compression Engine gives you plenty of power. Increased horsepower—in combination with the right transmission and rear axle ratio—means faster trips! Four-ring pistons with chrome-plated top ring and other outstanding values assure performance that saves dimes and dollars on your job.

Longer life! Longer life! Husky Chassis Units are one reason why a Dodge "Job-Rated" truck lasts and lasts. You get a rugged frame of hot-rolled, high-carbon steel. Springs are of special alloy steel—extra tough, yet resilient! Axle shafts are shot-peened for added durability. And every chassis unit is "Job-Rated" to fit your job!

What a "Job-Rated" Truck Means to You

A "Job-Rated" truck is engineered at the factory to fit a specific job... provide the best in low-cost transportation, save money, last longer. Every unit that SUPPORTS the load—frame, axles, springs, wheels, tires and others—is engineered right to provide the strength and capacity needed. Every unit that MOVES the load—engine, clutch, transmission, propeller shaft, rear axle and others—is engineered right to meet a particular operating condition.

Ask any owner! He'll tell you that he hauls bigger loads at lower costs!

Elements' Drug Store
GOLDTHWAITE, TEXAS

American Legion Dance Saturday Night Offers Music, Radio Stars

Telephone Co-op

(Continued From First Page.)
ery of the initial federal loan of \$1,540,000.00 to the Central Texas Telephone Cooperative, definite arrangements to begin the engineering activity is "in the works," Mr. Wilson said.
A private firm of electrical and telephonic engineers already has blueprinted the network for the Co-op.
Indication is that while funds have been allocated for other telephone cooperatives in Texas, the first actual delivery of funds to any such organization in this State will be made to the Central Texas Telephone Cooperative, which thereby will become a pioneer in Texas in providing fast communication in the many rural areas in which it now is lacking.
Mr. Wilson and Delton Barnett, both Directors of the Co-op, recently spent three weeks in Washington in conference with R. E. A. officials and members of Congress.

Eagles Travel

(Continued From First Page.)
play Burnet at Burnet on November 2 and they play Llano at Eagle Field in Goldthwaite on November 9.
Coach Knox had no predictions to make about tonight's first conference game against Mason. But the spirits of the Eagles were high despite the bad breaks that have plagued them all season. If grit and determination to keep on trying will do it, then the Eagles will do it.

The Harry F. Edmondson Post number 289, the American Legion, will officially inaugurate the 1951 fall dancing season with, of all things, a dance at Legion Hall tomorrow night, Saturday.

The members of the Legion will provide both music and entertainment for their guests. Jeral Lawson and his Texas Farm Hands, who are heard regularly on the radio, will provide music for dancing. Also a star on the program will be Sammy Littlebridge "and his silver trumpet."

Dancing will start at 8:00 o'clock Saturday night and the local members of the American Legion are hopeful that the function will be so successful that they will be able to have repeat performances through the fall, winter and next spring.
Adjutant Harold D. Smith announced that admission to the dance would be \$2.00 per couple. To which the Eagle's own bachelor, Roy Lee Hill, added: "Maybe that can be fixed so that it will be \$1.00 per each." Nobody knows whether Mr. Hill was talking as a bachelor or as American Legion publicity Chairman.

On Tuesday of this week County Judge Lewis B. Porter attended dedication ceremonies at the Buckner Boys' Ranch, 70 miles west of Austin. Governor Shivers and other distinguished speakers were on the program. The Buckner Boys' Ranch is a unit of the Buckner Orphans Home at Dallas.
Mr. and Mrs. Ira O. Harvey of Fisher Street were called suddenly to Gorman on Wednesday of this week because of the illness of a relative.

Eagle's Eye

(Continued From First Page.)
new demands by Iraq on the British all are portents on which we cannot turn our backs unless we do not care what happens to ourselves, to our country, and to all men and women who would live at peace with their fellows if only they could.

The events in the Middle East and elsewhere in the Moslem world are the result of design. Communist Russia always acts through the instruments of the Kremlin where we are not. Yes, I know, Egypt and Iran and Pakistan and Iraq seem to be very remote, but the unrest in them that is being fed on poverty, disease, Red propaganda and intrigue is just as much of a menace to us in Mills County as if it were happening in some adjoining County.

Believe me please, fanatical Egyptian or Iranian or Moslem mobs in India can set this world aflame no matter how much you and I might engage in wishful thinking that reason will prevail in the end. There is no reason among those who have been deliberately inflamed and who care not what happens to them anyway because their human misery is so deep that nothing matters to them except that opportunity is afforded to vent their angry passions. I have seen inflamed mobs in action—not scores, but thousands—and shooting them down does not stop their onrush.

There is grave danger that the assassination of Liaquat Ali Khan will release the tension between Pakistan and India over Kashmir and that the war there will flare up to major proportions no matter what appeals we may make for cool judgment. Great Britain and Egypt and Egypt are in a more dangerous tension than even Great Britain and Iran. And in the midst of the terrible build-up of danger that we are witnessing in the Middle East and among the Moslems as a whole there is Palestine on a boiling cauldron of Jewish-Arab hatred.

These events, sketched only too briefly, are of the utmost importance to all of us at a time when we have some 60 Mills County men and women in the armed services—at a time when we are preparing to do our bit through the USO and by registering as donors for the American Red Cross Bloodmobile unit. Amidst our own troubles resulting from drought, we are faced with the necessity of having to understand what is happening beyond our shores. May we have the courage to face up to the meaning of events and may we find that strength that we shall need in the even more difficult times ahead.

Mrs. Henry Springer and Mrs. J. C. Wimberley, all of Lampasas, were guests of Mrs. Will Burks last Sunday afternoon. Mrs. Wimberley remained to be a house guest of Mrs. Burks throughout this week.

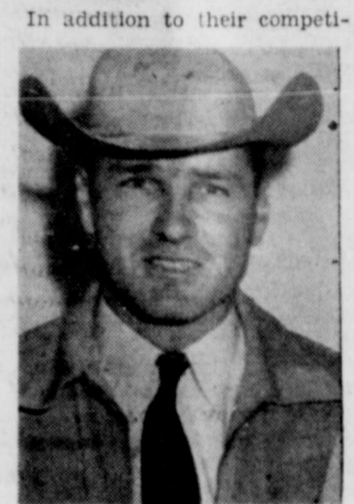

Livestock Judges

(Continued From First Page.)
Aberdeen - Angus steers, one class of Hereford heifers and three classes, ten animals each, of feeder calves, feeder steers and slaughter steers for com-

JOHN CAROTHERS
merical grading.

The livestock that was judged by the Goldthwaite F.F.A. team at Kansas City had been pulled from the top herds in the United States.

Y. B. JOHNSON, JR.

In addition to their competition and to touring the American Royal Show, Mr. Johnson and the F.F.A. team members saw some of the sights of Kansas City. The Goldthwaite F.F.A. won the right to represent the entire State of Texas at Kansas City by winning the State-wide F. F. A. livestock judging contest at Texas A. & M. College last, May.

On Wednesday of this week Mr. Johnson received a breakdown on the results of the livestock judging at the State Fair of Texas. It showed that in that competition, John Carothers was the top man among the members of the local F. F. A. team.

At the State Fair of Texas at Dallas the Goldthwaite F. F. A. livestock judging team came within one point of capturing fourth place.

Methodist Effort Has Great Success

Goldthwaite's part in the great Texas-wide Methodist United Evangelistic Mission, which ended last Sunday, was most successful, the Rev. Ed H. Lovelace, Pastor of the First Methodist Church, said this week. In the southern portion of Texas, 580 Churches reported a total attendance of 562,657 at the rallies and revivals of the evangelistic mission. New commitments to Church membership totaled 10,854 and there were interviews with 40,653 prospective Church members. The evangelistic mission now will be conducted in the northern portion of Texas and Brother Lovelace will be one of the Ministers who will make visitations outside his own Conference.

Ebony News

By Clementine Wilmet Briley
I am very proud of the Mills County boys, Merion Regnolds, Dana Saylor, Bobby Zane Egger, and Davis Owens, who won the livestock judging contest at the Dallas Fair.

I hear Bert Low is trying to get a pan and a mill together for someone to make syrup. I hope they get it. I sure would like to have a gallon of country sorghum once again.

Though most of the roses and shrubs have died during this long extended drought, the pink cannas and petunias have bloomed unceasingly, and the crape myrtles, the cenizo, and the oleander have given a wealth of bloom. Outside my kitchen window three Clementine Chrysanthemums are blooming.

Library Meeting

County Judge Lewis B. Porter and probably other representatives of the Jennie Trent Dew Library will attend an all-day rally tomorrow, Saturday, of the newly created District VIII of the Texas Library Association at Buchanan Dam. The rally will be held for the purpose of achieving better libraries and better library service in Central Texas.
