December 7 Nears As 213 Register To Donate Blood

With 213 persons registered as volunteer donors for the December 7 visit of the American Red Cross Bloodmobile unit to Goldthwaite, the Mills County Chapter of the American Red Cross was busy this week scheduling appointments for those who will respond to the urgent need of their country for replenishment of seriously depleted blood banks.

Brian Smith, Executive Secretary of the Red Cross locally, this week urged the desirability of having all donors register so that times for their donations can be set and so that the Red Cross will know how many technicians and nurses to send to Goldthwaite with the Bloodmobile—which will have its headquarters at the First Baptist Church.

"We expect some volunteers who may not have registered and they will be welcome," Mr. Smith said. "But it will help greatly if all volunteers register in advance."

The Mills County Chapter of the American Red Cross has mailed the following instructions to those who have registered:

"Don't eat fatty, fried or greasy foods for four hours before giving blood. . . . Do eat shortly before giving blood—tea or coffee with sugar but without cream, carbonated drinks, peppermint candy, un-buttered toast or crackers, and fruit juices."

Mrs. A. L. Whittaker, Blood Program Chairman of the Mills County Chapter of the American Red Cross, said that all of those who may need transportation on December 7 to the Bloodmobile unit should telephone to Mrs. Jack Long at Goldthwaite 96 or to Miss Greta Sue Hines at Goldthwaite 264. Mrs. Whittaker urged that all ladies who have been recruited as volunteer workers report for duty on time. All requests for information or messages involving possible changes of duty times on the part of the workers should be telephoned promptly to Miss Hines at 264—which is the office number at the First Baptist Church. Between now and the arrival of the Bloodmobile unit Miss Hines will maintain a central Red Cross clearing house at the First Baptist Church—telephone 264.

Final, last-minute details will be published in next week's Eagle as part of the program to make the December 7 visit of the Red Cross Bloodmobile a success.

4-H Livestock Judges Take Sixth Place As Team In Chicago Contest

Although Mills County never before had been represented at the International Livestock Exposition at Chicago, this County's livestock judging team went to Chicago last week and, as the grand champions of Texas, took sixth place as a team against the toughest competition the entire country could offer.

As a team, the Mills County 4-H Club boys took second place in judging swine. They were sixth in judging cattle. Despite

the fact that they never before had judged draft horses, the Mills County boys emerged from the competition at Chicago in a two-way tie for ninth place in judging draft horses.

"Our performance on sheep pulled us down," County Agriculture Agent George G. Reese said frankly after the 4-H judges returned home last Monday night. "We have no allbi. We just placed 21st in sheep judging and that hurt."

At Chicago 28 States qualified for the livestock judging. Against the 112 representatives of those 28 States, Dana Saylor placed 14th and Bobby Zane Egger 20th in individual rank-

ings. In judging cattle, Bobby Zane Egger was in sixth place among all of the contestants and Dana Saylor was 15th in the individual judging of sheep. Merion Reynolds and Bobby Zane Egger tied for ninth place in the individual judging of swine.

The first ten places, in the order of ranking and starting with first place, were taken at Chicago by the following 4-H Club teams: Oklahoma, Indiana, Maryland, West Virginia, North Dakota,

TEXAS, New York, Illinois, Michigan and California.

In the exhibition of Club calves at Chicago, Huntis Black, son of Mr. and Mrs. C. H. Black of Seallorn, took fifth place in its class with a white shorthorn—an animal that formerly was owned by the Wigley Brothers of Durenville. When the Wigleys owned the calf, its name was Snowball.

The team—Dana Saylor, Merion Reynolds, Bobby Zane Egger and Davis Owens—left Goldthwaite for Chicago on November 17. On the way they visited the University of Illinois with Mr. Reese and a Percheron farm of Purdue University. They started the return journey from Chicago last Sunday morning and arrived back in Mills County Monday night—after having acquitted themselves proudly and after having learned a lot, including the fact that people in States other than Texas also raise livestock.

Describing the trip after the return of the team, Mr. Reese said that "while we worked most of the time there also was some fun."

The team members toured the (Continued on Back Page.)

Noble Humphries Pleads Guilty To Driving Charges

Noble Humphries, who pleaded guilty on Thursday morning of last week before Justice of the Peace E. A. Obenhaus to charges of driving an automobile "in willful and wanton disregard of the rights and safety of others," still was in the Mills County jail as the Eagle went to press this week.

(Young Humphries was finally released late on Tuesday afternoon after he had posted bond.)

Young Humphries had been arrested by Sheriff C. F. Stubblefield and Deputy Sheriff Clyde Cockrum on Wednesday night of last week on a warrant that was issued as the result of the complaint of a citizen, Lowell E. Burks. When he pleaded guilty before Justice Obenhaus he was ordered to pay a fine of \$35.00 and costs of \$13.00 for a total of \$48.00. Upon failure to pay the fine or post bond, young Humphries was remanded to the custody of Sheriff Stubblefield.

At the time of his arrest on Wednesday night of last week young Humphries told the Sheriff that his own automobile had "just burned up" near Zephyr. By a seeming coincidence, one of Humphries' brothers happened along on the side road on which the car was reported to have caught fire and brought Noble Humphries into Goldthwaite. Soon afterwards he was picked up by Sheriff Stubblefield and Deputy Sheriff Cockrum. Before being jailed young Humphries was given the alternative of posting bond, which he said he was unable to do.

Other cases on the docket of Justice of the Peace Obenhaus this week involved charges lodged against transients by operatives of the State Railroad Commission. The charges concerned the operation of motor trucks in violation of State laws for the protection of highways.

John Gilliam Stars

John Gilliam was selected as a back for the first all-23-A conference football team at a meeting that was held at Llano by officers and coaches of the district on Monday night of this week. Selected at the meeting for the second team were Vernon Whitley, defensive guard; James Partridge, tackle; Kobson Miller, end; and Wayne Wicker, center. The meeting was attended by Coaches Carl Knox and Jack Locklear of the Goldthwaite High School Eagles.

Santa Claus, With Real Reindeer, Will Visit Here On December 10th

What probably will be the first visit by Santa Claus to Goldthwaite will come at ten o'clock in the morning of Monday, December 10. On that visit, of course, Santa Claus will come to check up on the department of small hopefuls who expect a really business visit from him on Christmas Eve.

The December 10 visit by Kris Kringle has been planned as a result of influence that has been brought to bear by a number of Goldthwaite merchants who have an inside track with the merry old gentleman.

On the morning of December 10, when real, live reindeer will pull Santa Claus into Goldthwaite, there will be candy and fruits for the youngsters. V. C. Bradford, who is one of the men who has a drag with Santa Claus, said that since the distinguished visitor will have his own reindeer he, Mr. Bradford,

Rain This Week Measured .35" In Goldthwaite

Everybody was a bit more cheerful early this week because some rain fell on Goldthwaite early Sunday morning and there was a bit more rain on Monday.

Harry Allen, who records rainfall in Mills County for the United States Weather Bureau, said that the precipitation in the early hours of Sunday measured only .02 of an inch in Goldthwaite. On Monday afternoon and Monday night, Mr. Allen said, he measured .33 of an inch of rain—making a total of .35. That also was the total for November and for as far back as many memories will go.

"When will it rain again?" Mr. Allen was asked on Tuesday of this week.

"I have no idea," he replied.

A report from Mrs. Jewel Ivy in Mullin on Monday said it was misting out there. Miss Pearl Crawford said the same thing about Chappell Hill, but she was in Goldthwaite at the time and so there may be more on the subject in the Chappell Hill news next week.

The Eagle's Roy Lee Hill, who generally can be depended upon to report precipitation 3 1/2 miles southwest of Star, confessed on Tuesday morning that he was asleep during Monday night's rain and that he was so anxious to get to work on Tuesday morning that he did not have a conference with his Sam Henry Rahl rain gauge.

With most of Texas, including Mills County, needing from five to ten inches of slow, steady rain just to wet down the subsoil, the precipitation of the early part of this week was not sufficient to do more than show that rainfall had not ceased altogether.

Bramblett Reunion

Mr. and Mrs. C. M. Bramblett had a fine time last Sunday when five of their eight children were home for a reunion and to see Mr. and Mrs. Jim Cravey, who are moving to Georgia from San Bernardino, Cal. Children present for the reunion in addition to Mrs. Cravey were Mrs. Bill Yeager and L. B., C. H., and J. C. Bramblett, all of Goldthwaite. The Craveys visited many relatives and friends in Mills County while they were here.

Commissioners Okay Proposed F-M Road

At a special meeting last Saturday morning the Mills County Commissioners Court adopted a resolution providing that the County will do its part in providing a right-of-way for a new farm-to-market road that is to be built from the end of spur 183 at Star to Moline, a distance of seven miles. Notification of the action by the Commissioners has been sent to State Highway Engineer D. C. Greer at Austin. The Commissioners also canvassed the returns from the November 13 constitutional amendment election which now will be certified to the Secretary of State by County Judge Lewis B. Porter.

Chickens Burned

Chief Jack Reid of the Goldthwaite Volunteer Fire Department, Everett Holland, Joe Bailey, Karnes and Jess Moreland went roaring through the fog of last Saturday night to fight a fire in Wayne Roberts' brooder house at Mullin. Unfortunately, several hundred chickens were destroyed in the fire. Sheriff C. F. Stubblefield investigated at the scene.

Waste Paper Pick-Up Saturday Will Help To Beautify Cemetery

Get out all of those old magazines, newspapers, cartons and unbound books and have them ready for the Boy Scouts to pick up on Saturday of this week for the benefit of the Cemetery Committee of the Goldthwaite Garden Club.

As he has done so generously on several past occasions, Jess Moreland will truck all of the waste paper that can be collected in Mills County to Waco, where he will sell it so that the proceeds may be used to beautify the Goldthwaite Memorial Cemetery.

Mrs. John G. Berry, Chairman of the Cemetery Committee of the Garden Club, said that persons who live out of town should take their waste paper to H. E. Moreland & Son on the south side of the Square in Goldthwaite but PLEASE, Mrs. Berry said, don't start taking paper to the Morelands until Saturday.

After Saturday go right ahead and flood Hugh and Jess Moreland with all the paper you can lay hands on. But wait until Saturday so that storage room can be made for it in the Moreland warehouse.

As for persons who live in Goldthwaite and who have waste paper, please just put it on the front porch and the Boy Scouts will come along and pick it up, Mrs. Berry said.

If the paper in Goldthwaite has not been picked up by the time darkness falls, please turn on the light on the front porch or in a front room of the house so the Boy Scouts will know that you have put out bundles of waste paper for them. Your Christmas present to the Garden Club's Cemetery Committee can be more waste paper than Jess Moreland has ever had to truck to Waco. Incidentally, the Morelands do their big part without charge of any kind.

"A GREAT STEP FORWARD"

News that work can actually begin on making the Central Texas Telephone Cooperative an accomplished fact is wonderful news. With a federal loan of \$1,540,000.00 granted to the Co-op by the Rural Electrification Administration, a vast area of central Texas that includes all or part of nine Counties is assured of modern, dial telephone service.

Since Goldthwaite is the headquarters of the Co-op, this community will benefit. But so will every farm or ranch home into which the lines of the new enterprise will stretch.

It is not to be expected that the system will come into being simply by the waving of a magic wand. It took eighteen months of hard work to bring the Central Texas Telephone Cooperative to the stage of the granting of a federal loan—to the providing of the money that is so necessary to any such enterprise.

However, a great deal of preliminary work has been done. In the task of creating the Central Texas Telephone Cooperative, Mr. Hill has had working with him Vice President Warren P. Duren, Secretary Ernest E. Wilson, and Directors Delton Barnett and Walter J. Marwitz.

Now that the loan has been made, there will be news of progress each week. The hard work is not over by any means. So much remains to be done that the same spirit of service that has brought the Central Texas Telephone Cooperative to its present stage will have to be continued.

PUBLIC RIGHT TO INFORMATION

At a time, when, on all levels of government, all too many elected public servants try to suppress news at the source and pass out for the people only the information that they think will help to get them elected again, the procedures of Superintendent H. Howard Homsley of Mullin are refreshing.

Last week's Eagle reported how Mr. Homsley is following a policy of complete candor in his relations with the Board of School Trustees and with the citizens of the Mullin Independent School District.

We believe that if all public servants would be as candid with the public as Mr. Homsley has proved himself to be, there would be a great deal more confidence in those who are responsible for the administration of public affairs.

GUEST EDITORIAL

(Editor's Note: Just as the country as a whole is deeply interested in the political future, if any, of U. S. Senator Tom Connally, there also is profound interest in what may be ahead for Speaker Sam Rayburn—another Texan who is in hot water back home because of the great row in the Democratic Party over President Truman and the "Queer Deal." The following article by Fulton Lewis, Jr., takes the position that Speaker Rayburn "has been away from the South too long.")

By FULTON LEWIS, Jr.

House Speaker Sam Rayburn, whose political soothing sirup has earned him quite a reputation in Washington, has been away from the South too long. His party loyalty plea at the Conference of Southern Governors lit the fuse that blew up six more months of trouble for President Truman than had been planned.

Governor James Byrnes of South Carolina was already on record with a hint that the Southern governors would go away on President Truman at the conference. He believed that the South wouldn't really get down to work on the administration until spring. But Rayburn sounded off and for his pains got "sassed" right back by experts in the business. Now there will be no let-up through 1952.

This time, however, anti-Truman Democrats are in much better political shape than they were in 1948. During that revolt against the Fair Deal administration Southern Democrats, disgusted with the President, formed splinter parties and were labeled Dixiecrats. The situation is reversed today.

Pro-Truman Democrats are out of power and are now doing the splintering. In fact, in Austin, Texas, recently—Rayburn's home state—a group of pro-Truman Democrats quit the regular political machine and formed something called the "Loyal Democrats." Southern politicians almost gagged laughing, but refrained from calling the splinter group Dixiecrats. Instead they said the Loyal Democrats had foresworn the party and were using the name Democrat illegally.

One deep-rooted and vital faction in Southern political thinking is widely and grossly misunderstood over the country generally. To the Southerner the Democratic party is no political machine, as parties are elsewhere. It is not a controversial structure based on ambitions of individual politicians. It is an almost religious faith, which represents a costly cause in which culture and fortune were lost nearly a century ago, but the principles of which still live: The principles of local self-government.

That is why the Southern revolt cannot knuckle under to edicts about party loyalty from President Truman delivered by Rayburn. That is why the regular Southern Democrat looks upon the Loyal Democrat group—as using the name Democrat illegally. The political principles of the Southern Democrat are anti-Truman and will remain anti-Truman so long as the greedy, corrupt and filth-ridden politicians in the North control the party. In the South neither political nor religious principles can be abused with impunity. And that is exactly what Governor Byrnes said at the conference and what Senator Harry Byrd of Virginia has been saying all along.

During the Wilson administration an obscure song of the day was made famous. The words were, "You've Got to Quit Kicking My Dog Around," and Byrnes and most of the Southern governors ought to revive

The Eagle's Aera

By The Editor

Unless Americans, no matter where they live, make it their business to apply the brakes drastically on the runaway and reckless policies of unlimited government, as it is represented nowadays by the "Queer Deal" in Washington, we are headed for disaster.

Government is spending at such a rate in the United States that it must bring great joy to the Kremlin. All of the spending is the spending of your money or it results in saddling mortgages on the futures of our children and of our grandchildren.

The politicians are starting again to plead with the citizens for more votes to keep them in office. So this is a good time for every American to make up his mind that he will require politicians who are seeking votes to so firmly on record as to where they stand in the face of the challenge to restore this country to financial sanity. Senator Tom Connally already has had an emissary in Goldthwaite. Senator Connally himself will speak in Brownwood on Monday night of next week—when the editor intends to ask him some pertinent questions face to face.

About the best outline that the editor has seen on the profligacy of the "Queer Deal" and its many battalions of spenders appeared last Sunday in the Houston Chronicle. It was an editorial that was entitled: "Six Years—250 Billions." It should be read for every person who has any concern for what happens in the future. That pithy editorial from last Sunday's Houston Chronicle is reprinted in the paragraphs below. Please read them—they are extremely important to you and to your children.

During the administrations of the 31 presidents from Washington to Roosevelt inclusive, covering a period of 156 years, the United States government collected \$248,000,000,000 in taxes. During the six years of the administration of President Truman the United States government collected \$260,000,000,000 in taxes.

In other words, during six years of the administration of President Truman, the federal government collected \$12,000,000,000 more in taxes than it collected during the entire history of the country preceding his taking office.

During the preceding administrations the country fought the War of 1812, the Mexican War, the Civil War, the Spanish-American War, World War I and World War II, and a world-

It's what they mean, whether they say so or not.

For years now the big political machines of the North, whether run by Boss Flynn of the Bronx or Boss Pendergast and his heirs of Kansas City, have abused the Southern Democrats who come first. They abused it by using the loyalty of Southern Democrats to the name Democrat; to cloak a betrayal by cheap political thievery and wholesale influence peddling; by the promotion of socialism and the codding of communism. And they abused the loyalty of the Southern Democrats once again when President Truman sent Speaker Sam Rayburn South for a political pichtman's chore. When Rayburn went to Little Rock, the Fair Dealers smirked and their publicity pipe lines into press and radio grew tremulous over the prospect that the revolt would be squelched. All you can hear now is their whimpering and a loud laugh clear across the South.

shaking depression. During the Truman "police action" in Korea, the country's gold war with the Communists has further increased and the deficit has announced will ask for additional money from congress reconvening in January.

The tax burden has increased so much that there is serious question whether our economy can long survive under the present policy of unlimited expansion of industry, plants and for the construction of new industries will be unavailable from private sources because the government is running a little surplus in the hands of the after paying living expenses.

Under such conditions, the only source of capital can be secured by the government. And, of course, when government advances the money, it becomes the owner to all and purposes and will all the prerogatives of ship and management. That is socialism, as has been well said, is the halfway point on the road to communism.

Lenin predicted many years ago that it would be used for Communist Russia to impose communism on the United States.

All that is necessary is to declare, in the name of the United States into self into bankruptcy.

His prediction seems coming closer and closer realization. A few more years of such as we have had and this country will be a dictatorship of some other family American system. Our American system was founded on the principle of liberty and prosperity during the thousands of years of history which preceded establishment.

But the dream is dying after day more of the people are being forgotten the people turn to systems which have proved inadequate a thousand times over. Instead they should be our government returned to basic American principles made us great.

Unless Americans are brought to realize the necessity of the situation, there is little hope for the future of this country. (Continued on Page 2)

Seventeen Attend Reunion Of GHS Class Of 1948

Seventeen persons, including Mark Daniel, the two-months old son of Mr. and Mrs. Floyd Daniel, attended the fourth reunion of the Goldthwaite High School Class of 1948 at the Hangar on Friday night of last week. Just when the fifth reunion will occur has not been definitely decided but those who attended the get-together last Friday night expressed hope that the Christmas holidays would provide opportunity for some more exchanges of experiences and reminiscences. There will be more about that later as the Yuletide season approaches and more members of the Class of 1948 make plans to come home to Mills County.

Those who attended last Friday night's reunion were: Mrs. Charles Featherston, the former Edna Roberts. Her husband could not be with her because he is in "boot camp" at the U. S. Naval Training Center at San Diego, California. Mrs. Winston Lewis, the former Kathleen Kemp. Mrs. Arnold Scott, the former Betty Jean Featherston. Her husband is stationed at Carswell Air Force Base at Fort Worth.

Mr. and Mrs. Milton Shirley. They live at Hunt, where they both teach school. Mrs. Shirley is the former LaVerne Sykes. Harry Palmer, who was accompanied by Miss Trula Adams of Fort Worth. Harry now is stationed at the San Marcos Air Force Base.

Wayne Wilcox, who was accompanied by Miss Bess Longmire of San Saba. Wayne also is stationed at the San Marcos Air Force Base. James W. Wesson, who now is a student at a U. S. Navy technical school at Memphis, Tenn.

Gene Read, who is a student at Texas Technological College at Lubbock. He was accompanied to the reunion by Miss Mildred Harkey of San Saba. Miss Mae Featherston, who now teaches in the fine, new modern central school at Crane. She was class sponsor when the 48'ers were freshmen.

Mr. and Mrs. Floyd Daniel. They were taken to the party by infant Mark. When Gene Read arrived he took a look at Mark and exclaimed: "That guy didn't graduate with us, did he?" Mrs. Daniel is the former Jerol Vaughan.

Miss Earlene Nix, who worried herself ragged because of fear that nobody would show up for the reunion. She was happy to have been mistaken.

Mrs. Margaret Thompson, who was sponsor of the Class in its Junior and Senior years, visited the Scott Thompsons for Thanksgiving last week. She had to return to Italy before the reunion started but she visited members of the Class of 1948 and asked them to take her regrets to the party. Then she returned to Italy with her son, Richard Scott.

Blanche's niece. Mr. and Mrs. John Parker of Goldthwaite.

Mr. and Mrs. Arthur Parker of Big Lake and their daughters, Patsy and Nancy. Just think what would have happened if all of the Featherstons and all of the Morelands had gone to that party!

Unable to attend the reunion were Mrs. Nolan Horton of Ponca City, Okla., (she is the former Laura Featherston); and Mrs. J. H. Holman of Hutson—the former Faye Featherston.

To complete this story, a few historical pieces are to be picked up and put in place. Uncle Joel lost an eye at the battle of Gettysburg. That, however, did not account for his difficulty in finding his way from Goldthwaite to Pleasant Grove. C. G. Featherston's grandpa was born in

"Gene" Long's Bride Wore Pastel Pink Wool With White Accessories

(Editor's Note: In the Eagle of November 9 a news article duly reported that Gene Long had sailed for Japan after having acquired a bride. The happy news even included a photograph of the groom. But that was not enough for Our Miss Earlene Nix. She took the firm position that everybody had to know what the bride wore and who attended the nuptials. The details that Our Miss Nix considers so vitally important to wedding stories now have been received. Here they are:)

Mr. and Mrs. Oscar C. Baumgard of 1810 E. 7th Street, Long Beach, California, have announced the marriage of their daughter, Mary Lou, to Seaman Edward Eugene Long, son of Mr. and Mrs. Lee Long of Goldthwaite.

The ceremony was performed Friday evening, November 2, at 6:30 o'clock at the First Brethren Church of Long Beach by the Rev. Charles Mayes. They were attended by Mr. and Mrs. James W. Peters, sister and brother-in-law of the bride.

The bride was attired in a dressmaker suit of pastel pink wool with white accessories, and she wore a white orchid. Mrs. Peters wore a cocoa brown suit with matching accessories.

Following the ceremony a wedding dinner was held at the home of the bride.

The new Mrs. Long is a graduate of the East Liverpool, Ohio, High School with the class of 1948. Her husband graduated

THE GENE LONGS from Goldthwaite High School in 1949.

After a brief honeymoon, Seaman Long, who is stationed aboard the U. S. S. St. Paul, left for Korea.

Mrs. Long is employed in the office of the Associated Telephone Company in Long Beach and will reside with her parents until the St. Paul returns in the spring.

BIRTHS

Mr. and Mrs. Walter Tubbs of Rt. 3, Goldthwaite, are the proud parents of a son, born Monday, November 12th, at 5:50 p. m., at the San Saba Memorial Hospital. He weighed eight pounds and ten ounces at birth, and has been named Charles Walter.

The maternal grandparents are Mr. and Mrs. C. S. Welch of Rt. 3, Goldthwaite, and the paternal grandparents are Mr. and Mrs. E. M. Tubbs of Ireland, Texas. The Tubbs have two daughters, Mary Frances, 7, and Judith Ann, 4, to welcome their little brother.

Johnny Roy, son of Mr. and Mrs. Alvie Johnston of San Angelo, made his arrival at 5:54 a. m., on November 22 at the Clinic Hospital in San Angelo. Mrs. Johnston is the former Ruth Lewis.

Maternal grandmother is Mrs. Fred Crouch of Richland Springs, and paternal grandparents are Mr. and Mrs. Ernest Johnston of the Scallorn community.

Caradan Club To Elect Officers

The Caradan Community Club will meet with Mrs. Lee Parker on Friday of next week. Mrs. Coley Sevier, Reporter, said there will be quilting at the meeting and she asked everybody to turn out and help. What is more, Mrs. Sevier said, plans will be made for the Club's Christmas Tree and officers will be elected for the ensuing year.

Mrs. Henry Featherston and son, Carl Featherston, of Brownwood, were in our city last Saturday on business, and Mrs. Featherston made a short call on Mrs. Will Burks.

Virginia, so it was only right and proper that he and Blanche, both with their roots in the Old Dominion, should have gotten hitched in Mills County in 1905. Since he came to Texas, C. G. has been back to Arkansas twice—once in 1900 and again in 1937. Blanche went back to the Shenandoah Valley in 1948 for a visit—but for heaven's sake, let's not go into that. Too many people, such as Izzetta, went with her and, anyway, that story should have been reported in the Eagle more than three years ago.

Mullin Home-Coming Plans Boom Ahead For December 22nd

Don't forget to send those addresses of all former Mullin School students and teachers to Mrs. Glynne Sanders or Mrs. Lewis Pafford at Mullin. They are working on plans for the BIG home-coming of Mullin "ex-es" on December 22 but they want to be certain that everybody who ever attended or taught at the Mullin School knows about what is going on.

"An interesting program is being arranged for the occasion," Mrs. Pafford and Mrs. Sanders said this week. There will be more about that later but meanwhile, be sure to notify all Mullin "ex-es" of the December 22 home-coming.

Mrs. Lark Reed of Mullin visited Mrs. Will Burks awhile Saturday night.

News Of Chappell Hill

By PEARL CRAWFORD

We had some misty, damp weather, but no rain. It looks now that we won't have any Christmas. Our school will dismiss classes Thursday and Friday for Thanksgiving.

G. H. Crawford and A. L. Crawford and William G. carried our last cotton to the gin Saturday and visited with Mr. and Mrs. Bill Shipp. Mr. Shipp told them he had been deer hunting but his shot missed his deer. Mr. Shipp has another hunt planned for Thanksgiving.

O. A. Evans and Bob Reynolds were at the B. J. Crawford home Monday. They haven't home the windmill and well trouble. Mr. Evans thinks he may have to drill another well.

This scribe enjoyed a short visit with Mrs. B. C. Wicker Saturday afternoon. I picked up

some pictures of Tommy and Jimmy Partin. Mrs. Wicker was happy about the way the health of her mother, Mrs. Sam Koen, has improved.

Mr. and Mrs. John Calloway went to Temple to spend the holiday with Mrs. B. T. Strubling and Mrs. Catherine Wylie and children.

Mr. Calloway received a letter from his son, Orvid, who is in France. He was doing fine, but said it was tough going in France.

Mr. and Mrs. Cecil Partin went to Texas City to spend the Thanksgiving holiday seeing sights and visiting Mr. and Mrs. George Rains and William Gene, and Mr. and Mrs. J. D. Wren.

Miss Melba Conner spent Thanksgiving with home folks.

Mr. and Mrs. W. L. Conner, Mary, Dorothy and Neal.

Mr. and Mrs. A. L. Crawford received a letter from Mrs. J. N. Crook Wednesday stating that she wasn't feeling so well and would have to return to a Dallas hospital.

A. L. Crawford and William G. were Saturday dinner guests of B. J. Pearl, and George Crawford.

B. F. Humphries was at his mountain farm Sunday.

O. A. Evans had a lot of windmill and well trouble during last week. Those who helped Mr. Evans were: G. H. Crawford, J. C. Bramblett, W. L. Conner, A. L. Crawford and W. W. Williams.

Those who visited Mrs. Evans were Mrs. J. C. Bramblett and William G. Crawford.

J. C. Bramblett visited his parents, Mr. and Mrs. C. M. Bramblett, Wednesday and helped them get up some winter wood.

Mr. and Mrs. P. R. Reid visited Mr. and Mrs. Merion Cockrum at Goldthwaite last Thursday afternoon. Mr. Cockrum is a former resident of this community. We were happy to learn he and Mrs. Cockrum have moved back to good old Mills County.

Mr. and Mrs. Roger Smith of Gatesville were Thanksgiving guests of Mr. and Mrs. Roger Smith, Jr.

We were happy to talk with W. W. Williams in town and to learn that Mrs. Williams is feeling much better after a few days in the hospital at Temple.

G. H. Crawford, O. A. Evans, and Henry Stevens were guests of Mr. and Mrs. A. L. Crawford and William G. during last week.

Allen Crane visited Gene McNeerlen last Wednesday night, while his parents and Mr. and Mrs. Bill Oxford and boys attended the show at Goldthwaite.

Mayor Loy Long presented some fine deer meat to B. J. Crawford and family, for which we sincerely thank him.

PREVIEW OF DECEMBER 10

Just imagine the above photograph was made in Goldthwaite. It will take no imagination to have you know that the reindeer in the picture are the same reindeer that will pull Santa Claus into the Goldthwaite Square at ten o'clock on the morning of December 10 when, as a first page news article in this week's Eagle tells, the merchants of Goldthwaite will have

gifts of candies and fruit for all of the youngsters of Mills County. The picture above will help to prepare those who never have seen reindeer to know what to expect on the morning of December 10.

DEERHUNTERS

Latest returns on the deer hunting season follow:

Mayor Loy Long brought back a fine nine point buck from West Texas. The Mayor's deer was hanging on Monday morning of this week in the big refrigerator at the Loy Long Grocery and so was in no mood to be interviewed.

F. W. "Bud" Conradt, who went on the expedition to West Texas with Hizzonor, brought home an eight point buck. Also on the expedition, which lasted a week, were Woodrow Long of Big Valley, Lee Long of Goldthwaite, and Jack B. Cordova of Waco. Only Loy Long and Bud Conradt had luck, however.

Sgt. A. J. "Jack" Dankers, Jr., son-in-law of County Judge and Mrs. Lewis B. Porter, shot a big buck on the Harkey ranch in San Saba County. He was accompanied on the hunt by L. B. Porter, Jr., of Fort Worth. Sgt. Dankers now is stationed at Fort Hood.

Harvey Ekins went deer hunting in Menard County with I. Z.

American Legion Helps Santa Claus By Gathering Children's Clothing

The Harry F. Edmondson Post number 289, the American Legion, lined up this week among the many helpers of Santa Claus in Mills County. The Goldthwaite Post of the

American Legion is going to help to make brighter Christmases where they are needed by distributing clothing, especially among children.

County Judge Lewis B. Porter, who is Service Officer of the local American Legion Post, said this week that clothing for children, especially good, used clothing, should be taken to the Smith-Campbell Butane Company on the east side of the Square in Goldthwaite.

There will be a table at the Smith-Campbell Butane Company and all you have to do is place clothing for children on that table. The members of the local American Legion will do the rest by helping Santa Claus to distribute the clothing where it is most needed.

What with the drought, money for even necessities is scarce in some homes and so the American Legion has set out to remedy that situation. To help both the Legion and Santa Claus, Judge Porter said, please look around your home and gather up serviceable clothing that your own youngsters may have outgrown. Then, take it just as soon as possible and place it on that table that will be waiting at the Smith-Campbell Butane Company.

The clothing, of course, should be clean.

Personals

S/Sgt. and Mrs. Jack L. Simpson and son, Paul, of Waco spent the weekend in the homes of their parents, Mr. and Mrs. O. B. Bell and Mrs. Elam Kelly.

Miss Pat Lockridge of Mary Hardin - Baylor College at Belton visited friends in Goldthwaite over the weekend.

Miss Patricia Temme of Scott and White School of Nursing at Temple spent Thanksgiving with Grandmother Covington and family in the Pleasant Grove community.

Miss Scottie Vaughan of ST.S.T.C. at San Marcos visited with her parents, Mr. and Mrs. Truman Vaughan, and family during Thanksgiving.

Woodard and young Bob Woodard of Brady. That caused great excitement, what with licenses and all for ten and eleven year olds. The Woodard-Ekins expedition saw what undoubtedly was the biggest deer ever to have been seen in Texas. At last report it still was at large, completely free and unhurt. Leave us NOT go into a discussion of "buck fever."

VALUABLE GARDEN THERAPY THROUGHOUT NATION BEING GUIDED FROM GOLDTHWAITE

Tremendously valuable work that is being done throughout the country by members of Garden Clubs is being directed from Goldthwaite by Mrs. John G. Berry, who is the Chairman of the Garden Therapy Committee of the National Council of State Garden Clubs.

Garden Therapy in practice means assistance to persons

who are physically or mentally disabled, it means aid in rehabilitating war veterans, it has proved of great benefit to those who are blind and it has been most useful to exceptional children.

At present, Mrs. Berry is circulating to Garden Clubs throughout the United States an outline of the work that is being

done through garden therapy by her committee. The letter includes also proposals for work that can and should be done. In view of the widespread interest that ought to be taken in this field of endeavor, the Eagle has been privileged to publish the latest letter that has been sent to Garden Clubs by Mrs. Berry. The letter, which is self-explanatory, follows:

This brief outline is intended to serve as a guide to Garden Club volunteers who will assist in making a success of one of our major national projects as designated by our President, Mrs. G. C. Spillers. The project is Garden Therapy; it includes a glowing opportunity to create, through beauty, a more abundant life for handicapped children, the mentally and physically disabled, the blind and our men who have been disabled in war.

Working with me on the Garden Therapy Committee of the National Council of State Garden Clubs are Mrs. Sherman L. Whipple, Jr., 30 Clyde Street, Brookline, Mass.; Mrs. Olaf Tweit, 9 Yorke Road, Mountain Lakes, N. J.; Mrs. Roy Homewood, Box 150, Chapel Hill, N. C.; Mrs. Kermod Gill, 2718 Harcourt Drive, Cleveland, Ohio; Mrs. Earl Kindred, Miller, S. D.; and Mrs. Edney Horton, Longvale, Cal.

Our purpose is not only to create beauty but to make happier lives for the blind and other victims of misfortune through horticulture, which is a recognized therapy in hospitals and special schools. Thousands of patients in government and other hospitals already are being served by members of Garden Clubs. But the opportunity is increasing because of the growing number of casualties coming home from Korea.

The task is to organize and to create. Organization calls for the establishment of Volunteer Councils, the members of which will work closely with hospital personnel in setting up regular training and orientation classes. Basic objectives will include:

- 1— Growing special cutting gardens for the hospitals.
- 2— Making arrangements, decorations and favors for special occasions.
- 3— Supplying flower seed, bulbs, books, magazines and other horticultural materials.
- 4— The placing of flowers in Chapels, hospital wards and special schools.
- 5— Encouraging Junior Gardeners to become interested in various therapy projects—especially for orphanages and hospitals for children.
- 6— Work in schools for exceptional children, in penal institutions, on Garden Clubs in Settlement Houses and Social Work Centers, and on creating indoor gardens for shut-ins.

A major portion of the program should be gardening for the blind. It should include the organization and maintenance of standard Garden Clubs in Light-houses, the development of "Scented Gardens for the blind in your park," the supplying of our blind friends with more horticultural information through Braille and "talking books," and the rehabilitation of blinded war veterans through garden therapy.

I know that the program as outlined here so briefly involves opportunities as well as responsibilities. The opportunity for real service should appeal to all Garden Club members. The therapeutic value of horticulture to the physically and mentally disabled has been proved over and over again. Here is a challenge to arouse and maintain the enthusiasm of your members. Our need is for strong, local volunteer committees and for leaders who will plan and supervise what can be, with work and devotion, a splendid horticultural program in all parts of the country.

I ask earnestly for your interest and cooperation. May we be humbly grateful for this opportunity to serve.

MRS. JOHN G. BERRY, Chairman
Garden Therapy Committee
National Council of State Garden Clubs.

Mrs. Val Fischer Died In Miami On 27th Of November

Mrs. Val Fischer, the former Jean Grisham, a native of Goldthwaite, died in Miami, Florida, on Tuesday of this week after a long illness. She was a sister of Goldthwaite Postmaster Lucille Fairman, who visited Mrs. Fischer when she was gravely ill last August.

A daughter of the late Mr. and Mrs. Will E. Grisham, Mrs. Fischer attended school in Goldthwaite until she moved with her family to San Antonio. Her father had been in the retail grocery business in Goldthwaite.

Mrs. Fischer is survived by her husband and a daughter, Miss Billie Jean Templeton of Miami.

In addition to Mrs. Fairman, two other sisters survive. They are Mrs. Dana Roper of Midland and Mrs. H. E. Miller of Miami.

Mrs. J. E. Hale Died Saturday At Fort Worth Home

Mrs. Lillian Hale, wife of the Rev. J. Earl Hale, died on Saturday morning of last week at her home in Fort Worth. She was 41 last July 15. Funeral services were conducted last Sunday morning at the Inspiration Point Baptist Church in Fort Worth with the Rev. Woodrow Fuller, Superintendent of Baptist Missions in Tarrant County, officiating.

Interment last Sunday afternoon was in the Goldthwaite memorial cemetery with arrangements by the Fairman-Wilkins Funeral Home of Goldthwaite. Graveside services were conducted by the Rev. J. T. Ayers Pastor of the First Baptist Church in Goldthwaite.

Approximately 131 friends and members of Mrs. Hale's Church came to Goldthwaite for the burial services.

Survivors include Mrs. Hale's mother, Mrs. V. M. Teague; two sisters, Mrs. Viola Watkins and Mrs. Claud White; and her husband, Brother Hale, who credits his late wife with his service in the Christian Ministry. Also surviving is a daughter, Miss Betty Hudson.

Brother Hale, who is the son of Mr. and Mrs. J. H. Hale of Goldthwaite, is Pastor of the Inspiration Point Baptist Church in Fort Worth.

Funeral Rites For Blackburn Infant

Funeral services were conducted last Sunday at the First Baptist Church in Goldthwaite for Charles Randall Blackburn, infant son of Mr. and Mrs. Charles Blackburn of Goldthwaite. Final rites were conducted by the Rev. J. T. Ayers, Pastor of the Church. Interment was in the Goldthwaite Memorial Cemetery. Charles Randall was born on Friday of last week and died a few hours afterward.

Thomas C. Williams Died In Brownwood

Thomas Calvin Williams, who was born on Williams Ranch on January 31, 1881, died at a hospital in Brownwood on Monday of last week. He had been ill for some time. Burial was in Greenleaf Cemetery on Tuesday of last week.

Mr. Williams was a son of George Williams who, with a brother, established Williams Ranch. He engaged in ranching in Mills County until he moved to Brownwood in 1927.

Survivors include Mr. Williams' widow, the former Maggie Stebbins, who was married to Mr. Williams in Mullin in 1904; three sons, H. C. and Ralph E. Williams, both of Brownwood; and Gerald Williams of Dallas; and four daughters, Mrs. Robert Herman, Mrs. Cecil Thompson, Mrs. Duke Butler, Jr., and Mrs. Samuel B. Allen, all of Brownwood. Three brothers, including Joe A. Williams of Mullin, and two sisters also survive.

Mrs. Clementine Wilmeth Briley Writes Account Of "Cousin Bessie"

(Editor's Note: In her usual weekly letter, as written for last week's Eagle, Mrs. Clementine Wilmeth Briley of Phony wrote so interestingly about "This Cousin Bessie of ours" that the article was deemed worthy of being made into a separate article. Accordingly, what Mrs. Briley wrote about Cousin Bessie was held over until this week by unanimous request of Mechanical Superintendent Roy Lee Hill. Mrs. Briley's article on Cousin Bessie follows:)

Mr. and Mrs. J. R. Briley went to the bus station Friday to meet Mr. Briley's cousin, Mrs. Bessie Briley Jennings, of Garland. In his youth Mr. Briley farmed with his uncle in Dallas County. Mrs. Jennings says her father's farm has now been taken into the Garland city limits. It is to be called Briley Addition, and will have 400 homes built on it. The south side of the tract borders on the Dallas city limits.

This Cousin Bessie of ours—is a favorite of the family—is a most interesting person, and conversation flows freely till far into the night. She laughs that she out-talks the radio and John and I are having to lay off our favorite programs. She can give us information on all the members

of the family, and she and John never tire of talking over old times in Old Kentucky. She was our right hand friend when we lived near her in Dallas.

She has had experience as a telephone operator, a nurse in state hospitals, a demonstrator in Home Demonstration work, and is past worthy matron of the Garland Chapter of the Eastern Star. She now runs an apartment house in Garland, and has left her husband at home to look after it while she is away. She has one son, Major Briley Jennings, of Wichita, Kansas. He was a pilot in the U. S. Air Corps of World War II, entering service in 1941. He was discharged in 1947, and is still in reserve. He served in the South Pacific. On returning to the United States, he was instructor for some time in a flying field in Florida. He is a graduate of A. & M. College. He now works for the Magnolia Oil Co. He has a wife and one son.

Very active in Eastern Star work, Cousin Bessie was startled to find that Miss Cora Posey lives near here. She had heard that she had retired to a ranch in some far off place. She was surprised to find her in the place where she grew up, surrounded by friends and kindred.

Cousin Bessie loves people and is always glad to mix and mingle with them. As we came out from town, we dropped by the Sid Taylor home to see Jim Wilmeth. When we went to the Centennial in 1936, she met us there and took Jim and all the rest of us home with her to spend the night. We have visited our cousins, the Reeveses, and they have visited us. Stanley has taken us to see the artesian well, and we have seen the three handsome club calves.

Church Of God In Mullin To Conduct Classes Next Week

Starting next Sunday night at the Church of God in Mullin, Mrs. Verna C. Thayer, who specializes as an evangelist for children, will conduct a combination Bible School and Training Classes every night at seven o'clock. The series will continue through Friday night of next week.

"Every boy and girl, ages 1 to 90, is urged to attend," an announcement of the meetings to be conducted by Mrs. Thayer said. It added that she is especially trained and equipped in teaching the Bible to boys and girls.

During the services at the Church of God in Mullin every night of next week through Friday, there will be opportunity for teachers to discuss Sunday

Central Texas Telephone Co-op Gets Bright Green Light From REA

(Continued From First Page.)

"This news is quite a step forward toward realization of our plans to make the Central Texas Telephone Cooperative a reality," Mr. Hill said last week following receipt of the news from Washington.

"Naturally, we are gratified. But there are many more steps to be taken. They include the completion of engineering work, the actual letting of contracts and, of course the construction of the system. We shall move without delay but it is obvious that we shall need time for the completion of all of our tasks."

Mr. Hill and Secretary Ernest E. Wilson of the Co-op said that applications for service from the organization will continue to be received. Every effort will be made to provide modern, dial telephone service for all of those who do apply but there can be no guarantees as to when service will be provided.

Much of the equipment necessary for the Central Texas Telephone Cooperative, including copper wire, switchboards and telephone instruments, have been earmarked for the organization. Mr. Hill pointed out, however, that inevitably the Co-op will run into shortages. At the start there may be some difficulty in obtaining as many telephone instruments as the Co-op may need and so those who have been the latest to apply to be subscribers may find themselves having to wait for the installation of telephones. In that connection both Mr. Hill and Mr. Wilson said that the sooner the applications for service are filed the better the chances of obtaining service in the long run.

trained technicians from the 'outside' but for construction work we shall look first for help among local people."

All preliminary engineering surveys have been completed and, as Senator Connally's telegram made clear, the Central Texas Telephone Cooperative already has on file applications from 3,384 rural subscribers. To serve them, nearly 1,800 miles of line will be required and it is probable that the system will grow to even greater proportions as it develops.

Incorporation of the Co-op under the laws of the State of

Texas was completed weeks ago by its sponsor, Iram G. Yarborough, deal to speed the federal loan to be accomplished in a three weeks period by Secretary of the Interior, Director Delton and members of the project to its present status. Headquarters of the project have been established in Fourteenth Street between the Santa Fe Railroad

Test it 2 ways

1. Road Test a Mercury for Proof of Performance

We ask little of you. We ask you first to get into a Mercury and to drive it.

True, we can tell you here of a Mercury's performance. We can describe its handling, its roadability, its balance. We can try to explain all this by detailing its new-type springing, wide-view visibility, supersafety brakes, prize-winning V-8 engine.

We can write words until we run out of space and it won't tell you half as much as just a few minutes behind the wheel. We ask you to sit there soon. Then—we ask you to try it on your budget. We believe you, too, will want a Mercury!

3-WAY CHOICE INCLUDING MERC-O-MATIC DRIVE! For "the drive of your life!" Mercury offers a triple choice in dependable transmissions. Merc-O-Matic Drive, the new simpler, smoother, more efficient automatic transmission—or thrifty Touch-O-Matic Overdrive are optional at extra cost. There's also silent-ease standard transmission.

MAKE THE **MERCURY 2-Way Test**

2. Budget Test a Mercury for Proof of Value

Does it have a down-to-earth price? Mercury's price tag is one you understand—a big dollar's worth for a dollar invested.

Will you be sure of good gas mileage? Mercury has proved its miles-per-gallon by winning officially scored economy tests.

Is it famous for long life? It is! 92% of all Mercurys ever built for the U.S. are still on the road, according to the latest official annual registration figures.

Does it represent solid value? Mercury owners say YES! So will you. You get the rest of the story. Drive today and see.

RED MASON

This red head is named Red Mason. She is five feet eight inches tall and she will play in Goldthwaite as one of the champion All-American Redheads—famous girl basketball players—on the night of January 8 at the Goldthwaite School gymnasium under the auspices of the Quarterback Club. As everybody knows by now, the Redheads will play only men and under men's rules. Miss Mason is from Arkansas. She is known in international basketball circles as "Miss Basketball." Grave consideration to the membership of the Mills County male team that will play the Redheads here on the night of January 8 will be given at a meeting of the Quarterback Club at the vocational agriculture building at the School on the night of December 10. In addition to planning strategy for basketball court play against the Redheads, the Quarterback Club will elect officers on the night of December 10, so President E. B. Gilliam, Jr., is anxious for a full turnout of the membership at the meeting. If you are not a member now, you can become one simply by call-

Press Agent Who Admits It Visits Billie Gail Soules

Miss Frances Hynds, a publicity woman who admits it, spent the Thanksgiving holiday last week in Star as the guest of Miss Billie Soules, daughter of Mr. and Mrs. John Soules.

During her stay in Mills County, Miss Hynds made a breezy visit to the Eagle office. "What do you do?" she was asked.

"I am publicity director for McMurry College in Abilene," Miss Hynds replied. That was enough to get her into the news because usually publicity directors call themselves "public relations counselors," "press relations advisors," or "public information officers."

Miss Hynds, however, was proud that her job was to get all the publicity she could get for McMurry College. She will get it too—just watch and see.

A native of Tennessee, Miss Hynds went to High School in Abilene. Her parents now live in Detroit. She was graduated from McMurry College in 1950.

Brian Smith Gives Mental Health Talk Next Monday Night

Brian Smith, Executive Secretary of the Mills County Chapter of the American Red Cross, will speak on "Mental Health" at the Grammar School Auditorium at 7:00 o'clock on the night of Monday, December 3, under the auspices of the Parent Education Committee of the Goldthwaite Parent-Teacher Association.

Mrs. Howard Campbell, Chairman of the Committee, said that the address by Mr. Smith will be part of the continuing program by the group on the behavior and personality of the child. Mr. Smith has taken several courses on his particular phase of the subject.

All persons, in addition to those who are members of the P-T. A., are invited to hear Mr. Smith speak on Monday night of next week. Mrs. Campbell said.

Hillside Mission

A preacher said: "Tension is attributed to something one thinks is about to happen. A wise man it is who lives a day at a time."

We find in The Book of Wisdom these words: "Trust in the Lord with all thine heart; and lean, not unto thine own understanding." Proverbs 3:5.

of Hunt were holiday guests of her parents, Mr. and Mrs. Floyd Sykes. The Shirleys and the Sykes attended the Homecoming festivities at Howard Payne College on Thanksgiving day.

Gene Read of Texas Tech at Lubbock spent the Thanksgiving holidays with his grandparents, Mr. and Mrs. J. A. Williams, near Mullin.

James Wesson of Memphis, Tenn. visited with his parents, Mr. and Mrs. C. C. Wesson and family, during Thanksgiving.

Miss Sybil Ann Reid of S.T.S.-T.C. at San Marcos spent the Thanksgiving holidays with her parents, Mr. and Mrs. Jack Reid.

Miss Angeline Smith of Baylor University at Waco visited her parents, Mr. and Mrs. O. O. Smith and family over Thanksgiving.

Mrs. Lee Long Ill

Mrs. Lee Long of Goldthwaite has been a patient in the San Saba Memorial Hospital since Friday of last week. At last report she was doing as well as could be expected and apparently had been cheered considerably by some "kidding" by her son Bill. As the Eagle went to press it was not certain how long Mrs. Long would have to remain in hospital.

Mrs. Julia Etta Johnson Jones Died At Center City At Age 90

Mrs. Julia Etta Johnson Jones, who had lived in what now is Mills County since 1875, died on Thursday of last week at the family home in Center City after a long illness. She would have been 91 years of age next New Year's Day.

Mrs. Jones had lived for more than 75 years in the same homestead, where her late husband had settled even before their marriage on July 13, 1876. She never had been away from Center City for more than 20 days at a time during the period of more than 75 years.

A native of Grayson County, Mrs. Jones was born on July 1, 1861. She moved to Center City as a young woman. As a neighbor of the late John F. Jones, who was living as a bachelor at the homestead, she went to Hamilton in a wagon drawn by a horse to be married in 1876. On September 1 of that same year she joined the present Center City Baptist Church— which at that time was known as the Bennett's Creek Baptist Church of Christ.

Mr. Jones died on August 5, 1910. Eight children were born to the marriage. Those who survive are Miss Mallie V. Jones of Center City, Mrs. Rosa Williams of Roaring Springs, Lewis A. Jones of Goldthwaite, and Jimmie Jones of Center City. Mr. Jimmie Jones and Miss Mallie Jones continue to live in the old Center City homestead, where they cared for her mother, who was bedridden during the last two years of her life.

Funeral services were conducted on Friday afternoon of last week at the Center City Baptist Church with a former Pastor, the Rev. C. F. Cloud, now of Novice, officiating. The Service of Song was conducted by J. B. McCasland. Interment was in the Center City Cemetery with arrangements by the Fairman-Wilkins Funeral Home of

 famous loop district of Chicago
 and went through Marshall-
 Fields, which is one of the
 world's greatest department
 stores. They got a tremendous
 kick out of a television set that
 had been installed in one of
 their hotel rooms.

Davis Owens had his picture
 printed in the Chicago Tribune,
 along with a girl livestock judge
 from Wyoming. Incidentally,
 except for a boy alternate, the
 Wyoming livestock judges were
 girls.

The high point of the trip
 was a banquet to the 4-H boys
 and girls last Saturday in the
 renowned Saddle and Siroin
 Club at the Stockyards Inn in
 Chicago. It was there last Sat-
 urday night that the results of
 the livestock judging were an-
 nounced.

By way of some unfinished
 business, the Eagle would like
 to publish a postcard that was
 sent from Chicago on Wednes-
 day of last week by Merion
 Reynolds. Merion wrote as fol-
 lows:

"Dear Ekins: Arrived in Chi-
 cago last night at 5:00 o'clock.
 The weather has been fine. We
 did NOT have any trouble find-
 ing the Stevens Hotel. We work-
 ed on reasons last night, espe-
 cially on our reasons for the way
 we judge fat barrows. We plan
 on seeing some points of inter-
 est today. Tell the people of
 Mills County that we surely ap-
 preciate the money that made
 the trip possible. Signed, Mer-
 ion."

Mr. and Mrs. Millard Collier
 of Brownwood spent Wednes-
 day night of last week with Mr.
 Collier's parents, Mr. and Mrs.
 A. G. Collier of Goldthwaite.
