## March Of Dimes Starts Here To Aid Polio Fight

With Howard B. Campbell as Mills County Chairman and with James M. Cooper of the Boy Scouts of America as his chief aide, the 1952 March of Dimes started locally this week—at a time when the challenge to combat polio and its ravages is very great.

In stores and other places of business, miniature iron lungs have been placed on counters so that everybody may have an opportunity to participate in the March of Dimes.

Penn Barnett of Boy Scout Troop number 45 and John Wayne Davis and Bobby Booker of Boy Scout Troop number 77 distributed the miniature iron lungs into which those who have generosity and the milk of human kindness in their hearts can drop their dimes.

Mr. Campbell said that through Mrs. John L. Gwin, County School Nurse, and Miss Maxine Geeslin, Goldthwaite School Nurse, children in schools will be given opportunity to give their dimes to help fight infantile paralysis.

In urging that Mills County do its full share in the battle to combat polio and to aid the victims of the disease, Mr. Campbell pointed out that half of the funds that are collected locally are retained in Mills County. And, in case of need, Mills County can borrow more.

"Since 1947 Mills County has borrowed \$2,500.00 from The National Foundation For Infantile Paralysis to aid our own polio victims," Mr. Campbell said. "That is more than we have collected here for the March of Dimes."

Mr. Campbell said that he and Mr. Cooper are recruiting more volunteer workers to make this year's campaign a success. The 1952 March of Dimes will continue through January 31.

## A. Downey In Precinct 3 Race for Commissioner

Politics in Precinct 3 got another shot in the arm this week when A. A. Downey of Rt. 1, Mullin, announced that he would seek election as Commissioner in place of K. B. Henry, who already has announced that he would not run again.

So far, the withdrawal of Mr. Henry from politics leaves Mr. Downey opposed only by W. T. "Tom" Lee but it was expected that others also would campaign for election as Commissioner for Precinct 3.

Mr. Downey is a member of the Mills County Board of School Trustees. He was Chairman of the PMA Mills County Committee until he decided to run for election as Precinct 3 Commissioner. That made his resignation from the PMA Committee automatic and his place Continued on Back Page.

## Shed A Tear For Lilly, Featherston

Take a look, take a look, at the Eagle's classified advertisement page this week! A. W. Lilly and C. L. Featherston, who died at the start of this month, admit that in attempting to sell 617 acres and all that went with it that the present "has the Arkansas fever and we want to help him to get off to Arkansas." Then they said that "besides that, we would use the commission."

## All Taxes Are Due

Approximately half of the electors in Mills County had their poll taxes as the date went to press this week. Deputy Sheriffs John L. Anderson and Clyde Cockrum collected the other half that is flying and that anybody who has not paid his poll tax by January 31 will not be able to cast ballots in the all-important elections of 1952.

## Stubblefield To Seek Reelection As Mills Sheriff

Mills County Sheriff C. F. Stubblefield, who is in his second year in office and who has been commended highly for his service by law enforcement officers in other Counties and on State and national levels, said this week that he will stand for

C. F. STUBBLEFIELD

renomination and re-election this year.

"I am grateful for the cooperation and support and the help that has been given to me by the citizens of Mills County," Sheriff Stubblefield said in announcing his candidacy. "When I ran for nomination and election in 1950, the only commitment that I made was my pledge to do my best in behalf of all law-abiding citizens. I have done my best to fulfill that promise."

(In connection with the statement by Sheriff Stubblefield, the attention of readers is invited to the leading editorial on page two of this week's Eagle.)

Sheriff Stubblefield is married and makes his home on Fisher Street in Goldthwaite with Mrs. Stubblefield and their son, Sam. Sheriff and Mrs. Stubblefield have two other children—William T. "Bill" Stubblefield, who now holds the important post of Director of Station Relations for the National Association of Radio and Television Broadcasters in Washington, D. C., and Mrs. Tom (Polly) Womack, whose home is in Sonora.

In Mills County, the Sheriff, in addition to being the chief law enforcement officer, also is tax assessor and collector. Sheriff Stubblefield's Field Deputy is Clyde Cockrum and his Office Duty is John L. Patterson.

## Mullin Livestock Show Saturday Will Be Sponsored By Lions Club

Mullin will have a Livestock Show tomorrow, Saturday, on the grounds of the Mullin School under the sponsorship of the Mullin Lions Club, which has assumed responsibility for providing the ribbons and prize money.

"The Show is open to all members of the Future Farmers of America and of 4-H Clubs in the Mullin School District," Don C. Clark, teacher of Vocational Agriculture at the Mullin School, said this week in inviting everybody in Mills County to attend. Mr. Clark also invited all breeders of registered livestock in the Mullin School District to exhibit their stock.

On Saturday lunches will be sold by the Mullin Parent-Teacher Association and judging will begin at 1:30 p. m. Mr. Clark said that lambs

will be judged first. Then hogs and steers will be judged, after which breeders may present their animals.

## Earl Summy Will Ask Another Term As County Clerk

W. E. Summy, who is known to his legion of admiring friends as "Earl," announced this week that he will be a candidate for renomination as Mills County Clerk in the first primary election on July 26 and will seek re-election next

EARL SUMMY

November 4.

Mr. Summy, who also serves as Clerk of the 27th Texas Judicial District, will seek renomination on the basis of experience in office. He first became County Clerk in 1940 and has served since then except while he was in the Army of the United States during World War II, when his wife, the former Mina Steen, carried on his duties.

(In a later issue, the Eagle will comment editorially on Mr. Summy's announcement of this week. Until then, this newspaper emphasizes its gratification over the prospect that Mills County will continue to benefit from Mr. Summy's valuable service.

The Eagle believes firmly that citizens owe it to themselves to keep public officials such as Earl Summy in office.)

During World War II, Mr. Summy served with the 86th "Blackhawk" Division from January of 1943 until September of 1945. He is a son of the greatly beloved W. B. Summy, who also has rendered great service in public life, including terms in office as County Clerk.

Many persons who had heard reports that Mr. Summy would not stand for re-election, this week expressed themselves as being greatly relieved by the news that he would be willing to continue to render public service. They pointed to the desirability of maintaining continuity of experience and competence in the performance of the complex duties of the County Clerk's office.

## All 17 Local Republicans Cheer News About General Eisenhower

Lyman Saylor, Chairman of Mills County's Committee of the Texas Republicans for Eisenhower for President, said this week that he was gratified by the announcement that General Dwight D. Eisenhower is a Republican and that he will run for President if he is "called" to the highest service of the nation.

"We have known and have been sure all along that General Eisenhower is a Republican," Mr. Saylor said. "There has been no question about that. I expect that last Sunday's announcement by Senator Lodge and its confirmation by General Eisenhower himself will greatly

## MILLS COUNTY'S LIVESTOCK SHOW DUE MONDAY, TUESDAY

President Robert L. Steen of the Mills County Livestock Raisers' Association said this week that he expects a record attendance for the annual Livestock Show that will be held at the "barn" or agriculture building in Goldthwaite on Monday and Tuesday of next week.

"We anticipate a splendid Show that will present fine exhibits of Club projects by 4-H members and members of the Future Farmers of America and we also expect some very fine breeding stock at the Show," Mr. Steen said.

"There will be about 41 Club calves that have been fed by F. F. A. and 4-H Club members. There will be from 75 to 80 Club lambs and between 20 and 25 hogs."

This year, Mr. Steen added, there will be an unusually good display of goats and breeding cattle.

"We expect to have 25 or 30 breeding goats at the Show and there will be 12 or 15 fine breeding cattle," Mr. Steen announced.

He said he expected an attendance of around 1,500 persons at least and, in that connection, Mr. Steen reminded everybody of the request by the Mills County Livestock Raisers' Association that all business establishments in Goldthwaite close next Tuesday afternoon during the judging of Club projects—which will be between the hours of 1:00 p. m., and 4:00 p. m.

Warren P. Duren, Vice President, said that the Trent State Bank would be closed next Tuesday afternoon. The Goldthwaite Eagle office also will be closed and it was understood that a majority of the business houses were planning to comply with the request by the Mills County Livestock Raisers' Association.

The Show will open officially at ten o'clock Monday morning, when there will be hog judging by Tom Henry of San Saba at eleven o'clock there will be goat judging by Marvin Skaggs and at one o'clock Monday afternoon there will be sheep judging

## Bank Statement

A year-end financial statement by the Trent State Bank of Goldthwaite, published in full as an advertisement elsewhere in this week's Eagle, shows a gain in deposits of \$173,536.40 for the calendar year 1951 as of the close of business last December 31. Warren P. Duren, Vice President, said that deposits on December 31 totaled \$2,732,159.72 and that a gain of \$11,685.21 has been registered in the capital account. The bank's surplus has been raised from \$60,000.00 to \$75,000.00.

ing by Guy Powell. Poultry judging will come at three o'clock Monday afternoon. R. J. Powell will judge the poultry.

At ten o'clock next Tuesday morning Walter Barrett will judge Hereford breeding cattle. For the youngsters, who have worked so hard under the feeding sheds, the big time will come at one o'clock next Tuesday afternoon when Frank Jordan will judge fat steers.

Mr. Steen said this week that a number of distinguished visitors are expected to attend the Show. They will include C. O. Norton of the Green Oaks Jersey Farm at Weatherford and J. A. Marshall, Area Superintendent of the Future Farmers of America. Many others have been invited to attend the Show but their definite acceptances had not been received as of the time the Eagle went to press this week.

Carl Casbeer is the Show Secretary and "Colonel" Delton Barnett is the Auctioneer. The Various Superintendents are:

C. E. Davis, hogs; Y. B. Johnson, Jr., sheep; Luther Jernigan, goats; Bob Clary, poultry; Don C. Clark, cattle.

Willis Horton is Vice President of the Mills County Livestock Raisers' Association and Glynn Collier is the Secretary-Treasurer.

Next week's Mills County Show has been preceded by a community Show at Priddy and tomorrow, Saturday, there will be a Livestock Show at Mullin under the sponsorship of the Mullin Lions Club.

Experts who have taken several looks at the feeding projects of 4-H Club boys and girls and F.F.A. members say that Mills County this year has some better calves than were exhibited at last year's Show and which competed in the subsequent major Expositions at Fort Worth, Houston, San Antonio and San Angelo. There will be plenty of other experts to look the calves over next Monday and Tuesday.

## Gain Shown In Postal Receipts Here Last Year

Good news at a time when good news is most useful came this week from the Goldthwaite Post Office where Postmaster Lucile Fairman announced that during 1951 postal receipts locally increased more than 14 per cent over the previous year.

"A check of postal receipts of the Goldthwaite Post Office as of the close of business on December 31, 1951, showed a total of \$18,319.82 as compared with \$16,029.59 for the calendar year of 1950," the Postmaster said.

For the last quarter of 1951 the Goldthwaite Post Office receipts totaled \$6,226.92 as compared with \$5,442.56 for the corresponding quarter of the previous year. That also showed a gain of better than 14 per cent.

Postmaster Fairman took note of the fact that parcel post rates increased last October 1 but she added that their share in the gain for the last quarter of 1951 amounted to approximately only one per cent of the total gain that was shown during the entire calendar year.

Postal receipts generally are regarded as an accurate barometer of the business activity of a community. Accordingly, Postmaster Fairman said, the figures for the Goldthwaite Post Office for last year could be regarded as gratifying.

GOOD NEWS FROM SHERIFF STUBBLEFIELD

This newspaper is mighty proud of Sheriff C. F. Stubblefield. We believe that an overwhelming majority of the citizens of Mills County share our pride in the Sheriff. Accordingly, it is our opinion that Mills County can consider as very fine news indeed the announcement this week by Sheriff Stubblefield that in this political year of 1952 he will be a candidate for renomination and re-election.

Sheriff Stubblefield represents the splendid type of public official who works conscientiously at his job in the interest of all of the people. He took special steps to prepare himself for his job after his election and before he took office. Since he took office he has continued to keep abreast of all developments and methods in the science of law enforcement and he has been equally conscientious in equipping himself to meet the responsibilities of that side of his office that involves the assessing and collection of taxes.

In the performance of his duties, Sheriff Stubblefield has been impartial. He has been fair, patient and just. He has been considerate of the wishes of the citizens. He ran for election with no strings attached to him by anybody and since he assumed office, so far as we know, nobody has draped any strings on him. Sheriff Stubblefield has won respect not only for himself as a person by the manner in which he has performed his duties but he also has won respect for law. The latter is especially important under the American concept of government because — as 1952 is bound to show — the American ideal continues to be government by law, rather than by men. As we have pointed out before in the Eagle, Sheriff Stubblefield does not regard himself as "the law,"—rather, he considers himself to be an instrument for enforcing the law.

We happen to know, as the result of our work in the performance of our own duties, how Sheriff Stubblefield rates in the esteem of his colleagues in law enforcement. They include Sheriffs in neighboring Counties, officers of the Texas Department of Public Safety, the Texas Rangers and the Federal Bureau of Investigation. They look upon our own "Stub" as tops.

We shall have more to say about Sheriff Stubblefield between now and the first primary election on July 26. Until then, this particular editorial has been written chiefly to express gratification over the fact that the voters are to be given opportunity to show at the ballot boxes that, in very truth, Mills County can be and is mighty proud of Sheriff Stubblefield. The more public servants we can have like him, the better off we shall be. He has justified the confidence of those who voted him into office. The votes this year will be tributes and thanks to him.

JOIN THE MARCH OF DIMES

This is the month in which Americans are given opportunity to give voluntarily to the March of Dimes and, by so doing, help to fight the vicious malady of infantile paralysis and to restore to useful places in society those victims of polio who survive its attacks. Howard B. Campbell and James M. Cooper, who are conducting the 1952 March of Dimes campaign in Mills County, have made it simple for every person to do his part. Miniature "iron lungs," which have been distributed by the Boy Scouts, will confront you on the counters of stores in which you shop. Please give. The help that is rendered to The National Foundation For Infantile Paralysis might turn out to be succor to someone very dear to you. "This Fight Is YOURS," is the slogan of the 1952 March of Dimes. Nobody ever thought up a truer slogan.

GENERAL IKE AND THE SOLID SOUTH

Until General of the Army Dwight D. Eisenhower actually declares himself as a candidate for the Presidency of the United States, there will be many who will take last weekend's news of his candidacy with a grain of salt. Senator Lodges, however, is not a man to climb onto a limb and let himself hang there, stranded. There are many who feel certain that if General Eisenhower really wants to be President he can get the nomination and win on the Republican ticket. He could well carry important States in the South, including Texas. In very truth, the politics of 1952 are becoming more and more interesting.

The squire aroused from his slumbers and went to the door. "Who is that?" "Come out, I want to see you." The J. Says Bill to Pete, "I want you to marry me and Miss Willie." "All right," said the squire, "I enjoy such an occasion, when there is cash in the trade, but I am getting enough of it on the credit." GUEST EDITORIAL

(Editor's Note: Being as how this is an election year, the following article, written by Lynn Landrum of the Dallas Morning News, ought to be of interest to everybody—in addition to candidates. The article by Mr. Landrum on political campaign costs follows:)

By LYNN LANDRUM

The new election code enacted by the Legislature last year is compulsory reading for anybody who expects to take a part in the election campaign preceding the actual voting. If you don't think so, here is a sample section:

"24. Civil Remedy.—(a) Any candidate, campaign manager, assistant campaign manager, or other person, who makes an unlawful campaign expenditure in support of a candidate shall be civilly liable to each opposing candidate whose name shall appear on the ballot in the next election after such expenditure is made, for double the amount or value of such unlawful campaign expenditure and reasonable attorney's fees for collecting same.

(b) Any candidate, campaign manager, assistant campaign manager, or other person, who makes an unlawful campaign expenditure not expressly supporting any candidate but opposing a particular candidate or candidates shall be civilly liable to each such opposing candidate for double the amount or value of such unlawful campaign expenditure and reasonable attorney's fees for collecting same."

The civil liability is in addition to criminal liability. And civil liability is applied to the campaign fund contributions by individuals (corporate contributions are forbidden) in that the full list of contributions, with names and amounts, must be published at stated times. And if that publication does not appear at that time, then the opposing candidate may bring suit because the delinquent candidate "shall be liable for double the amount or value of such unreported gift, loan, payment, or debt, or unreported portion thereof, to each opposing candidate in any election prior to which same should have been reported."

And it goes further than that. If you give more than \$100 to any candidate for his campaign fund, it is your duty to make sure for yourself whether he has actually reported it on the date that the law requires. And if your candidate fails to report it, then it is your duty to report it, yourself, under oath, and to the proper official. If you don't, then you face the likelihood that you will be sued by each of the opposing candidates for double the amount you gave and failed to report.

And in addition to all this, failure by the candidate to report, on time and in full, all contribution received takes his name off the ballot.

trip over the world on foot. He was traveling for the New York Herald and gave us a short account of his trip.

P. D. Yarbrough expected to move his family to his farm in San Saba County this week and carried one load of furniture over there when he had a good offer for the place and sold it to Mr. W. J. Burnett of San Saba County. He will probably buy or build a home and remain in Goldthwaite.

L. R. Conro expects to put in a telephone exchange in San Saba in the near future. He has one of the best systems in Texas here and the people in our neighboring city can be sure he will give them good service in the exchange.

News reached us this week that Mr. Chas. Rudd and Miss Sallie Martin were united in marriage at Angleton, Brazoria County, December 31, and after spending a few days at the home of the bride's parents, Mr. and Mrs. J. H. Martin, the happy couple started for the Indian Territory, where they will reside.

Mrs. F. N. Irwin of Pleasant Grove was shopping and visiting relatives and friends in the city Tuesday.

Jas. McAlexander is again at his post of duty in T. M. Little's store, after spending some time with friends in Cameron.

W. H. Trent has been suffering with gripe most of the week.

Mr. and Mrs. F. Schwening left for their home in Kimble County yesterday morning, after spending several weeks with their daughter, Mrs. Henry Martin.

The Eagle's Aery

By The Editor

In the course of wandering around the Mills County countryside during the past week the editor ran into a great deal of talk of politics—most of which added up to exclamatory remarks about the blasted, blasted blasted in Washington. Never having voted for any of the incumbents and encouraged the editor had a wonderful time having his ear bent and one of the most wonderful times of all was with Guy M. Laughlin, who lives at the intersection of the Payne Gap and Center City roads.

Mr. Laughlin had been carrying around in his purse for some time, but since it involved Biblical misquotations and raised the question of good taste, it has fallen victim to the editorial blue pencil. Suffice it to say that the appeal for funds, which Mr. Laughlin must have distributed to a number of persons in addition to the editor, ended with this paragraph: "If you are one of those who dare have money left over after your taxes are paid, we will expect a liberal contribution."

When the editor met up with Mr. Laughlin he, Mr. Laughlin, was in a terrible rush to take off in his pickup to feed some livestock that were baa-ing for their groceries. But the stock had to go hungry for a little while longer while Mr. Laughlin did his part in what appears to be a long-continuing campaign to raise \$50,000,000,000.00 for a statue of Harry S. Truman to be placed in the Hall of Fame in Washington, D. C., our nation's capital.

The first the editor had heard about the great project was from his own son, Harve, who came home one day from school and began asking questions about the Hall of Fame. In that case it developed, as it did later with Mr. Laughlin, that there was a great question as to where in the Hall of Fame to place the statue if, as, and when procured. Harve's story and Mr. Laughlin's story were substantially the same, but since Mr. Laughlin had it written out, here is his version:

"We have decided not to embarrass it (the statue) by placing it next to George Washington (who never told a lie), nor next to Abraham Lincoln (who was known as Honest Abe), nor next to Thomas Jefferson (who spurned a third term). The position candidate committee was in quite a quandary, but after careful consideration it has been decided to place the statue of Truman next to that of Columbus, who, after all, did not know where he was going, did not know where he was when he got there, nor where he had been when he returned home—but accomplished the whole deal on borrowed money!"

There was some more on the same subject in the circular fund appeal that apparently

In the old days, when it cost \$1 to get your name on the ticket for congressman-at-large, we had about five dozen people running for the election. It costs more than that to get your name on the ticket now, but with all these chances for civil suits coming up, we could have a lot of "nuisance" candidates whose only interest would be in bird-dogging all campaign delinquency, so that they could sue in double the amount or value.

If it turns out that way, the "nuisance" candidates won't be scavengers at all; they will be scavengers of election corruption and will do a real service in keeping Texas politics financially clean. It is going to be interesting to see what our juries do on these double-or-nothing civil suits.

But, if we are going to take the top-amount limit off campaign funds, then it is vital that the voters, as they vote, shall know who is making the big gifts to what candidates. The law looks good.

That did not by any means represent the final expenditure of Mr. Laughlin's ammunition. He tore into his house to get a page from the Farmer-Stockman—a page on which letters to the editor of that publication were printed. Here is one of the letters, just as it appeared in print in the Farmer-Stockman:

DEAR EDITOR: The other day I read of an officer who was testifying before a Senate committee on national security. The officer commented that he saw no need to relocate the capital at this time. He observed that no enemy would want to bomb Washington, and stand the chance of eliminating so much confusion. LOUIS H. WILSON Washington, D. C.

Here is another letter that had been written to the Farmer-Stockman and that tickled Mr. Laughlin's political sensibilities that he wanted to have it re-printed in the Eagle:

DEAR EDITOR: Don't you realize by now the whole "Gimme" setup is a political plan wherein promises and the dole are offered in place of sound government to keep promoters in office? That Roosevelt did, and now Truman are doing, appealing to such selfish voters, and get down on their prayer bones after election and give thanks that (according to statistics) five of every seven voters are incapable of casting an intelligent vote.

Today our boys pay with their lives because we haven't proper leadership nor a strong army. Let us hope this whole sorry mess will serve to enlighten more of America's voting public. MARTHA WOLFE Caballo, N. M.

Along this same line, the editor got a big chuckle from a little page one item in the Dallas Morning News the other day. It was about a tax collector who had put the bite

## Mrs. J. M. Traylor And Son, Oliver Have Birthdays Sunday And Monday

Next week, starting with Sunday and continuing through Monday, everything will be birthday anniversary on the Traylor Ranch at Rock Springs. Mrs. J. M. Traylor will have a birthday on Sunday and his son Oliver will celebrate on Monday. So the first thing every one ought to do, even before

MRS. J. M. TRAYLOR

Oliver, is to go out and send birthday cards to Oliver and his "Mom." Their address is Rt. 1, Goldthwaite.

Mrs. Oliver (Betty) Traylor is going to cook a joint birthday dinner but whether it will be on Sunday or Monday she was quite sure when heard from her. What other celebration there will be is not certain but Mrs. Traylor had better get all their work done by nightfall Sunday because it is safe to assume there will be many interruptions on Sunday when hands stop at the Traylor ranch to pay their respects and send their good wishes. On Sunday, Oliver will be 34. He will be 76 on Monday," his mother said, adding that "there's no use trying to say anything different because everybody owns."

Mrs. Traylor, daughter of Mr. and Mrs. Woods Miller, is the younger Margaret "Maggie" Miller, her daughter-in-law, Betty, is her "Mrs. Traylor." As has been noted, Oliver calls her "Mom." Her daughter, Miss Myrna Traylor, said that nearly everybody calls her Margaret. Mrs. Traylor herself insists that there are people around to call her "Maggie." Miss Myrna, quite obviously, disappears when they do, however. Although she was born in Strop County, Mrs. Traylor moved to Big Valley with her parents when she was only six months of age. When she was married on December 6, 1898, she had to move only three

## Jimmy Don Daniel Has 5th Birthday Party Last Sunday

Jimmy Don Daniel, son of Mr. and Mrs. Walton Daniel, had a birthday party at the home of his parents last Sunday afternoon. He was 5 on January 2 but the celebration was last Sunday because a norther had interfered with earlier plans. Those who helped Jimmy Don to eat "the biggest birthday cake you ever saw" were:

Susie and Jimmy Childress, Phil and Tom Duren, Jan Yeager, "Little Phil" Nickols, Gerry and Helen Head, Jan and Dennis Moreland, Owen and Linda Yarborough, Clydie Cockrum, Karen Summy, Carroll Hartin, and Mary Louise and Betty Carol Blair.

Wanda Madding was invited to come from Hamilton for the party and so was Bill Blackwell, if he was home from Florida. He wasn't.

Also present at the party were Jimmy Ball, Larry and Allen Fuller, and Roberta Childress. Jimmy Don depended upon his mother a great deal for the success of the party but when he discussed it with a reporter, he also was very much steamed up about Miss Jimmy Rita Simpson. A crush, maybe?

His mother survived the party well enough to say that "Jimmy Don sure had a wonderful time!"

Jimmy Don's older brother, Tommy Clint, 14, thought that the time set for the birthday party was a good time to go hunting armadillos. Present for the party, however, was a doll named in honor of Mrs. Judy Stevens Moore, who will go down into history as Jimmy Don Daniel's first dancing teacher.

Mrs. B. L. (Oneta) Turner of Doole, Both Mr. and Mrs. Turner teach school at Doole, which is in McCulloch County. Their children are Miss Byrlene Turner and Mrs. John Newman of Brady.

Mrs. A. D. (Waldine) Kirk of Lake Jackson. The Kirks have two children, Kay, 13, and Claudine, who is 10.

Mrs. Shirley Nickols of Pampa, where Mr. Nickols, son of Mrs. Eula Nickols of Goldthwaite, is a Deputy Sheriff. They have a daughter, Patricia, who is 7.

One of Mrs. Traylor's sons, Woody, died several years ago. His widow is Mrs. Mamie Traylor of Goldthwaite. Mrs. Mamie Traylor's children are Mrs. Greta King of Brownwood, whose late husband, Lieut. Raymond King, gave his life for all of the rest of us in Korea. Mrs. Mrs. Calvin (Christine) Sparkman also is a daughter of Mrs. Mamie Traylor.

Here's wishing a very, very happy birthday on Sunday to Oliver Traylor and the same to "Mom" next Monday.

## Miss Nell Carman Wilkins Is Wed To Mr. Billy Ray Harper January 1

The marriage of Miss Nell Carman Wilkins, daughter of Mr. and Mrs. Roy Wilkins of Goldthwaite, to Mr. Billy Ray Harper, son of Mr. and Mrs. P. O. Harper of Star, was solemnized in a twilight ceremony Tuesday evening, January 1, at 7:00 o'clock in the First Methodist Church of Goldthwaite. The

MRS. HARPER

Rev. Ed H. Lovelace, Pastor, officiated at the double-ring ceremony.

Miss Dorothy Munson and Miss Arden Daniels of Dallas, sorority sisters of the bride, lighted the tall white tapers, which illuminated the church. The candelabras were joined together with white satin ribbon. Large white baskets, containing white gladioli, mums and commodore foliage were silhouetted against a background of green southern smilax which covered the choir loft altar, and the garland chancel rail pews bordering the center aisle were marked with white satin bows.

Mrs. Ed H. Lovelace played pre-nuptial wedding music on the organ and gave the traditional wedding marches. She also accompanied Mrs. Talbot Ledbetter and Mrs. Mary Ellen Schulze who sang "I Love Thee" and "O Perfect Love".

The bride, given in marriage by her father, wore a white imported lace wedding gown. It was designed with a strapless bodice defined with lace and tulle ruffles at the bust line and was topped with a fitted lace jacket. The bouffant skirt over satin was accented at the waistline with a satin cummerbund that tied in a bow in back, and the scalloped skirt was ankle length and touched the floor in back. Her veil of imported French illusion was caught to a Juliet cap of shirred illusion accented with pearls, and reached below her fingertips.

She carried a cascade bouquet of white gladioli and white carnations, centered with a white orchid, and tied with a white satin bow, with long streamers showered with white net and white satin ribbon. For the traditional "something old", she wore a string of pearls, a gift of the groom.

Miss Jane Ann Steen of Goldthwaite attended the bride as maid of honor, and her bridesmaids were her cousin, Miss Mary Stringer of Hamilton; Miss Anne Hasse of Llano, and her sister, Miss Marsha Wilkins of Goldthwaite. They wore identical gowns of pink and blue nylon tulle, complemented with stoles of the same material. They wore silver Juliet caps of sequins and pink lace mitts, and carried cascade bouquets, designed to resemble the bride's, made of roses, pink gladioli, and orchid pom pom chrysanthemums, tied with amethyst and cerise satin bows. The maid of honor's bouquet was tied with two-tone pink satin ribbon.

Attending the bridegroom were his brother, J. D. Harper of Goldthwaite as best man; Dean Clifton of the U. S. Navy, Lee Roy Harper, and Wallace Johnson as groomsmen. Ushers were Tom Harper of Goldthwaite and Sam Harper of Lometa.

Mrs. Wilkins, mother of the bride, wore a formal gown of grey crepe with matching pink accessories and a pink gardenia corsage. Mrs. Harper, the groom's mother, wore a formal navy blue crepe dress with a light blue hat and a corsage of matching blue carnations.

A reception followed the ceremony at the Jennie Trent Dew Library, which was decorated with chrysanthemums, pink snapdragons and white tapers. The table was covered with a satin damask cloth, centered with a tiered wedding cake, topped with white roses. Mrs. J. D. Harper presided over the cake, Mrs. Tom Harper, the punch bowl, and Mrs. Lee Roy Harper, the bride's book. Mrs. Marsh Johnson, Mrs. Sammie Harper, Mrs. Kenneth Kidd, and Miss Jean Ann Evans also assisted in the house party. Miss Carolyn Graves and Lathon Jernigan played traditional music during the evening.

The couple left for Norfolk, Virginia, where the groom is in a Navy school. For traveling, Mrs. Harper chose a pink and blue checked suit with navy and grey accessories, and she wore an orchid corsage.

Both bride and groom were reared at Goldthwaite and graduated from Goldthwaite High School in 1950. The bride was attending Southwestern University at Georgetown at the time of her marriage and is a member of Delta Delta Delta sorority.

Mr. Harper attended Howard Payne College before joining the Navy.

The members of the wedding party were honored with a social hour and refreshments after the wedding rehearsal Monday evening at the home of the bride's grandparents, Mr. and Mrs. Marsh Johnson.

Mrs. E. T. Fairman honored Mrs. Harper with a luncheon at her home December 22. The reception rooms were appropriately decorated for the occasion.

Those present were the bride-elect, her mother, Mrs. Roy Wilkins, the groom's mother, Mrs. P. O. Harper, the Misses Marsha Wilkins, Jane Ann Steen, Monette Simpson, Mary Stringer, Betsy Glass, Mrs. Charles Harold Evans, Mrs. D. O. Clements, Mrs. Talbot Ledbetter, Mrs. Mary Ellen Schulze, and Mrs. Marsh Johnson.

## Art And Civic Club Has Safety Program

"Do You Practice Safety?" was the topic of a program that was conducted for members and guests of the Goldthwaite Art and Civic Club at a meeting at the Grammar School auditorium by Mrs. Milton Tate on Wednesday afternoon of last week.

The program included a tour of the office and an inspection of the facilities of Miss Maxine Geeslin, School Nurse; exhibition of a film on the subject of safety, and a tour of the School lunchroom, where refreshments were served by the hostesses, Mrs. Lee Walton and Mrs. Hoyt Cockrell.

A business meeting preceded the program.

## No Bag, Just Candy

Probably because a Mullin reporter was so late in telling of the event, Jack C. Sanders of El Paso was credited in last week's Eagle with having re-

ceived a traveling bag for having traveled the farthest distance to the recent Mullin Homecoming. What Mr. Sanders did receive was a box of candy. He had brought his own traveling bag with him.

### Military Honors Sunday At Final Rites For Franklin Harry Lester

Funeral services for Franklin Harry Lester, son-in-law of G. W. Jackson of Goldthwaite, were conducted last Sunday afternoon at the First Baptist Church in Goldthwaite by the Rev. J. T. Ayers, Pastor.

Members of the Harry F. Edmondson Post number 289, the American Legion, participated in the final rites and at interment in the Goldthwaite Memorial Cemetery last tribute was paid to Mr. Lester by a firing squad and bugler from Fort Hood. Military honors were the due of Mr. Lester because of his service in World War I.

Mr. Lester was born near Amarillo on February 7, 1891. In June, 1915, more than two years before the United States entered World War I, he enlisted

in the famous Princess Pat Regiment of the Canadian Army. Subsequently, he became a Sergeant in Battery E of the 67th Regiment of Field Artillery in the Army of the United States.

At the time of his death Mr. Lester was a member of the J. L. McFarland Post number 502, the American Legion, of Chicago. He also was a member of the 40 & 8 Society, Voiture 220, Chicago—one of the social and philanthropic subdivisions of the American Legion.

Following World War I, Mr. Lester served with the U. S. Treasury Department for 18 years. Later, with two partners, he founded the Keystone Type Setting Company, which he operated for eight years in Chicago. Then he moved to California, where he was in the real estate business for three years.

Prior to his death in California, Mr. Lester suffered from a heart ailment for six years. He died on January 2. His widow, Mrs. Eva Lester, survives.

Pallbearers from the local American Legion Post were Jess Moreland, Henry Long, Charles Frizzelle, Howard Weaver, Milton Tate and Billy Ray Long.

The Color Guard from the American Legion was comprised of Howard B. Campbell, Tas Rentro, Truitt Auldridge and Glenn Petty.

Arrangements were by the Fairman-Wilkins Funeral Home of Goldthwaite.

"The study course will be the basis of our midweekly meeting every Wednesday night," Brother Ayers said. "Dr. Turner, author of the book that we are studying, is one of the outstanding Baptist Ministers. The response to the opportunity that the course offers has been so splendid that already we have ordered 70 copies of 'The New Testament Doctrine of the Church.'"

The study course is being conducted by Brother Ayers, who said that all persons will be welcome to take advantage of the opportunity that it affords.

### Prayer Services

Prayer Services are being conducted nightly at 7:00 o'clock at the Assembly of God Church in Goldthwaite under the leadership of the Rev. R. Hetzel of Brownwood. ### Welcome To Soldiers Is Extended By Men's Downtown Bible Class

Following the example of Mayor Loy Long and the Goldthwaite Lions Club in extending welcome to the Army and Air Force personnel who will participate shortly in the military maneuvers, Exercise Longhorn, in this area, the Men's Downtown Bible Class this week lighted a beacon to the soldiers.

A letter was addressed by the Bible Class to Lieutenant General Leroy Lutes, Commanding the Fourth Army, at Fort Sam Houston. It follows:

"Dear General Lutes: "It is with sincere pleasure that we look forward to meeting, and associating with the officers and service men, engaged in Exercise Longhorn, in Mills County, and in the vicinity of Goldthwaite.

"To us every soldier is a member of a loving family somewhere, a Father's pride and a Mother's joy. He is giving his youth in service, and offering his life in exchange for our protection and safety. He deserves our fervent gratitude and we do appreciate our everlasting obligation to him. As we hope that others will welcome and have a care for our sons and brothers, wherever

### Baptist Conference

Mills County Baptists planned to be present in Fort Worth next week when the sixth annual statewide evangelistic conference will be held with an imposing list of denominational leaders from Texas and three other States. Hillside Mission

By LIDA BYRNE

We are told that Will Rogers said: "The United States has never lost a war but has never won a peace." As long as people of authority decree unrighteous decrees there will be no peace. The Bible says "Woe unto them that decree unrighteous decrees, and that write grievousness which they have prescribed: To turn aside the needy from judgment, and to take away the right from the poor of my people, that widows may be their prey, and that they may rob the fatherless! And what will ye do in the day of visitation, and in the desolation, which shall come from far? To whom will ye flee for help? and where will ye leave your glory?" Isaiah 10: 1, 2, 3.

"50,000 Miles-No Wear!" Proved Here—

After a punishing 50,000-mile road test, with proper crankcase drains and regular care, engines lubricated with Conoco Super Motor Oil showed no wear of any consequence... in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. Amazing proof: factory finishing marks were still visible on piston rings.

AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000! Proof that Conoco Super, with its OIL-PLATING, can make your car last longer, perform better, use less gasoline and oil.

**Mrs. L. E. Miller Scrambles Eggs And Cream At Harper Feed Store**

In recognition of her demonstrated qualifications as a tank driver it is expected that any day Mrs. L. E. Miller will be nominated for a commission as Honorary Colonel in General Bruce C. Clark's First Armored Division.

New thought has been given to acquiring such a distinction for Goldthwaite since last Saturday afternoon when Mrs. Miller suddenly took off in her big, sea green automobile from Marsh Johnson's service station, leaped the width of front street, went through the wall of

the Harper Feed Store and stopped only because of an untold quantity of eggs and because Mrs. Miller suddenly was struck by the thought that she ought to see W. Duke Clements, her insurance man.

Mr. Johnson had barely finished wiping the windshield of Mrs. Miller's car when she went into action. Bystanders screamed as Mrs. Miller headed for the Harper Brothers. Nobody was hurt except Olin T. Miles but Mrs. Miller's car emerged from the fray well marked with the scars of battle. While she was seeking out Mr. Clements, somebody thoughtfully shut off the ignition of Mrs. Miller's car—the wheels of which still were turning because the motor was running even after the Harpers had surrendered to the attack.

Within five minutes there were at least 69 different versions around the Square of what had happened. Mr. Miles, who works at the Harper Feed Store, was found to have suffered no broken bones but his injuries made it impossible for him to report for duty for several days. By nightfall Saturday the damage to the wall of the Harper Feed Store had been repaired.

"Yes," Pete Harner said this week, "Mrs. Miller came all the way into the feed store through the wall. First she hit eggs, then cream and then poultry supplies. We were glad that she stopped when she did."

Mr. Harper declined comment on a suggestion that perhaps Mrs. Miller had an omelet in mind when she drove into his eggs and cream.

Mr. Johnson hopes, it is understood, that henceforth Mrs. Miller will be less precipitate in leaving his place of business.

Mr. and Mrs. Silas Burk were in San Saba Sunday as guests of her parents, Mr. and Mrs. Ferry.

**BASKETBALL**

Star basketball teams participated in a tournament at Pottsville last week. The Star girls were eliminated by Pottsville and the Star boys, after defeating Pottsville by a score of 45 to 36, went on to beat Evant 30 to 29. That gave the Star boys the trophy for the Pottsville tournament. Also last week the Star boys defeated Gustine 53 to 28 while the Star girls lost to Gustine by a score of 22 to 21.

Daisy Whitley of the Goldthwaite High School made the All-Tourney Squad in last week's basketball tournament at Early. After defeating Santa Anna, Coach Jack Locklear's Goldthwaite girls lost to Early in the semifinals. Coach Carl Knox's Goldthwaite boys lost to Santa Anna and then were defeated by Bangs in the consolation contest.

**Richard Turner Up On Charges Of Try At Wrecking Train**

James Richard Turner, who once worked as a telegrapher in Goldthwaite prior to his transfer to Cameron, was charged last week by the Federal Bureau of Investigation with having attempted to wreck a fast Santa Fe passenger train on New Year's Day because, he said "I have always had a desire to see some type of impact of that type." Pending trial he was freed at Waco under bond of \$5,000.00.

The charge, to which Turner allegedly confessed, was that he placed a barricade of crossties in the path of a Houston-bound passenger train three miles east of Rogers. The train crashed through the barricade without being derailed. Costly damage was caused to the locomotive.

Conviction on the charges against him could result in penalties for Turner of 20 years in prison and a fine of \$10,000.00. Turner served in the Navy during World War II. He is 22.

F.B.I. agents said that after Turner had erected the barricade on the railroad track he drove his car alongside the speeding train so that he could witness the crash. Investigators described his action as "childish."

Turner, who worked in Goldthwaite only a comparatively short time is a native of Madisonville but he attended high school at Pasadena near Houston. When he was arrested he was at his home in Cameron.

Mr. and Mrs. Mohler Oglesby and daughter, Glenda, Mrs. J. W. Weathers and Mrs. Minnie Ashley visited in Brownwood Sunday.

## PRIDDY COMMUNITY CLUB SPONSORS HIGHLY SUCCESSFUL LIVESTOCK SHOW LAST FRIDAY

A highly successful Livestock Show, sponsored by the Priddy Community Club, attracted a large attendance to the grounds of the Priddy School under blue skies and in bright sunshine on Friday of last week. Prizes were awarded for fine exhibitions of stock and awards also were won by members of the Priddy Chapter of the Future Homemakers of America and ladies of the Priddy community for their achievements in cooking and sewing.

Places for livestock were awarded as follows:

Calves, first place, a Hereford owned by Benjamin Steiman and shown by his sister, Hannah Steimann; second place, a Hereford owned by Benjamin Steimann and shown by Jane Evans; third place, a Shorthorn, owned and shown by R. J. Tiemann.

(Miss Evans, who is 13, is a daughter of Mr. and Mrs. E. C. Evans. Her Dad is teacher of Vocational Agriculture at the Priddy School and her mother teaches Domestic Science. Mr. Evans judged the Angora Billies that were entered in the Priddy Show.)

Fat Barrows, first place, Angus Lee of the F.F.A.; second place, Raymond Kunkle, a 4-H Club member; third place, Edgar Limmer of the F.F.A.

The hogs, sheep and calves were judged by Don Clark, teacher of Vocational Agriculture at the Mullin Schools.

Donald McCarty of the F.F.A. won first and second places for the Angora Billies that were judged by Mr. Evans.

Prizes that were awarded to those who had made donations to help to make the show possible were won as follows:

A calf by Joe Shelby Langford of Goldthwaite, a lamb by Bill Holland of Goldthwaite, a lamb by "Toad" Ivy of Priddy, and a pig by Mrs. A. G. Wesson of Mullin. Mrs. Wesson's pig now is the possession of the E. C. Evans family of Priddy. It is a registered Duroc.

Now for the girls. It is grossly ungallant to have them follow the boys in this article but, after all, that was a Livestock Show at Priddy. Sometime the girls ought to make it an FHA Show and let the boys participate incidentally.

Prizes in the Junior FHA Division follow:

Butter Cakes, first, Shirley Marwitz; second, Mary Ann Priddy; third, Doris K. Evans; and fourth, Mary Dene Kirsche.

Sponge Cakes, first, Mary Ann Priddy; second, Odell Selheimer; third, Ruby Nell Limmer; fourth, Jo Ann Hopper; and fifth, Charlene Goerdell.

There were a number of awards in the Senior Division to the ladies of the Priddy community. They were:

Ten prizes for scarfs were awarded in the following order:

Mrs. Ed Jeske, Mrs. Henry Drucekhammer, Mrs. Nora Harris, Mrs. T. A. Brown, who took two fourth and one fifth places; Mrs. Lou Head, a fifth place; Mrs. T. A. Brown, also a sixth place; Mrs. Carl Niemann, Mrs. Ed Jeske, Mrs. Henry Drucekhammer, and Mrs. Lou Head.

Five prizes were awarded for embroidered and crocheted pillow cases to Mrs. Ed Jeske, Mrs. Hulda Schlee, who took second, third and fourth places; and Mrs. A. O. Dunlap.

Mrs. Nora Harris won first place for a bedspread and Mrs. Lena Myer won first place for a silk quilt top. Mrs. Ed Dearson won first and second places for quilts.

There also were beautiful exhibits at the Priddy Show. Mrs. Ed Dearson showed a magnificently crocheted bedspread and Mrs. L. S. Goerdell displayed crocheted pieces of excellent workmanship. Mrs. C. H. Myer displayed two pieces of embroidery that were 45 years old and a silk handkerchief that was 40 years old. Some beautiful weaving was shown by Mrs. Esta Marwitz of Dallas. Mrs. Carl Niemann exhibited some crochet work by Mrs. Becker of Doss and Truman and Shirley Marwitz displayed a collection of old money.

The judge for the work by the FHA girls and the ladies of the Priddy community was Miss Lucy Mae Burrus, teacher of domestic science in the Star School.

One of the high points of the day for the FHA girls was the purchase of their cakes, pies and candies by Mrs. Earl T. Fairman of Goldthwaite. When Mrs. Fairman's husband flashed a \$50.00 bill to pay for the \$16.00 worth of purchases by Mrs. Fairman, Mrs. Evans looked him deadpan in the eye and said: "We don't have change for that, Mr. Fairman."

"So keep the change," Mr. Fairman grinned. The Priddy FHA girls got \$50.00 for \$16.00 worth of baked goods and they still are mighty, mighty happy about that.

Mr. and Mrs. W. E. Rhodes were guests of Mr. and Mrs. Foster Rhodes and little son, Cecil, of Brownwood Sunday.

Mr. and Mrs. J. R. Parker visited relatives at Hamilton Sunday.

## Homer McCasland Wants Own Hat; Will Trade Even

Somebody has Homer McCasland's hat. He has had it since the Saturday before Christmas. The hat is 1/8 of a size too large for whomever has Mr. McCasland's hat. So he should arrange a meeting with Mr. McCasland and make a trade on an even basis.

Mr. McCasland is in a position to trade because he has somebody else's hat.

The unintentional exchange of hats happened at Hill's barber shop in Goldthwaite. "The hat I have and which is not mine is no better and no worse than my own hat," Mr. McCasland said this week. At the time he was wearing the most beat-up hat you ever saw but his own hat, he says, is a 3X Beaver Stetson from Yarrowborough & Duren, size 7 1/8.

The hat he has and which is not his is size 7 and he thinks the rightful owner would be more comfortable in his own hat.

Mr. McCasland also wants it to be known that he is taking good care of the hat that is not his and he hopes the same good care is being taken of his hat. The only difference, really, between the two hats is that one is creased a bit more than the other but amidst the confusion this reporter is not sure which is which.

Now, will the man who has a hat that is too big for him please get in touch with Mr. McCasland, the turkey man, either in the Square in Goldthwaite or on his place north of Center City. The Eagle has made a solemn promise to get this hat business all straightened out—at least until next Christmas.

Mrs. Henry Martin and daughter, Miss Lillie Ann Martin, have returned from a very pleasant holiday visit with the Fred Martin family in Oklahoma City, Oklahoma.

The next time Coach Carl Locklear undertakes to pinch a head you know where—on a basketball court—ought to confine himself to one pinch so as to keep the to a minimum.

If Y. B. Johnson, Jr., has faith left in women, it will most surprising after last night—which was a Redhead held out her to him, said "you're my aren't you?"—and then the ball while Y. B. was over the heart flutters. Under the auspices of the Goldthwaite Quarterback Club, riotous All-American Redheads defeated the Mills County All-Stars by a score of 32 at the School gymnasium last Tuesday night. A city crowd enjoyed itself especially when a Redhead took the whistle away Referee Jack Locklear made him play as just one the girls.

There was some basketball a great deal of fun—in fact it was so much fun that of the men among the spectators noticed that most of the Redheads need some repeated bings in henna rinse if they to keep the name of their storming team.

R. Gilliam, Jr., who was first President of the Quarterback Club and who relinquished his office to V. A. on only at the start of this got a confusing evening to a wonderful start by inducing such virile characters as Ray Pruitt, Carl Knox, Gordon Chambers and C. E.

Davis as "the home town girls." That, of course, was only the start of a highly confusing evening in the course of which one of the officials, none other than Charles Conrad, obviously wondered whether anybody, ever again, would be able to take basketball seriously as a sport.

The touring Redheads played Counselor Gilliam's "home town girls" under men's rules but as a curtain raiser, Ray Pruitt's Star girls put on an exhibition against Jack Locklear's Goldthwaite lassies and Goldthwaite won by the narrow margin of only 13 to 12.

When it came to showmanship in competition against the Redheads, the Mills County male players entered completely into the spirit of the evening and they provided not only good basketball but excellent entertainment.

One of the fascinating aspects of the game was the strange noises that were made by the Redheads as they played. Perhaps their weird sounds were disconcerting to the Mills County Male All-Stars but the women who were present—and there were plenty of them—seemed highly pleased by the fact that the Redheads maintained the prerogative of women, which is to have not only the first word but all of the words. The Redheads, including those who were not so red, whooped, hollered, squealed and even moaned. They moaned especially when Carl Knox was not up to his pinching.

To the very great credit of the "home town girls" it must be observed right here and now that the Mills County Male All-Stars maintained our local traditions for gallantry. They were not above knocking the Redheads down and since they were out to win, our boys chortled when the Redheads fell down—but once a gal was down the boys would help her up. The local lads extended their gallantry so far as to imitate the Redheads even in violations of the rules of basketball, showing they had learned that it is polite to repeat the mistake of somebody present rather than cause embarrassment by doing the correct thing. It is, however, a good thing that the Redheads made only a one-night stand in Goldthwaite. There is no telling what les-

## Dalton And Kelly Find Wives Don't Forget Birthdays

Two stalwart citizens of Goldthwaite—Larry Dalton and the Eagle's Arnold Kenneth Kelly—had birthdays this week and, despite their worst and utterly unjust fears, the anniversaries were NOT forgotten by their wives.

Kelly was 26 on Wednesday but when he reported for work he said he felt like 46. Mechanical Superintendent Roy Lee Hill limbered him up so that Kelly was in much finer fettle when he went home for dinner and found a birthday cake, which was a matter of great interest to young Tooter Kelly and even to little Carolyn Kay.

Larry Dalton's birthday was on Thursday, when he reached the ripe old age of 29. He said that all he could expect was a "spanking" but by this time he, too, must know that Mrs. Dalton baked a cake for him and for their daughters, Judy, 7, and Charlotte, 2. Plans provided that any party for Mr. Dalton would be entirely "in the family." Even at that, it could cover a lot of territory.

## Story Telling Hour

Story Telling Hours for children of pre-school age have been resumed every Tuesday afternoon at the Jennie Trent Dew Library under the auspices of the Goldthwaite Art and Civic Club. The first session was held last Tuesday afternoon since the Christmas holidays. All children of pre-school age and their mothers are invited to attend.

sons they might have taught to their adversaries had they stayed longer!

Last year the Quarterback Club gave Mills County the fine spectacle of Icelandia. There were no complaints after that ice show. After the Redheads had come and gone last Tuesday night there were no complaints, either—except that many of those who were among the spectators wished they could have heard everything that was said on the floor in the heat of the game. Those who have such complaints can, of course, spend the next couple of weeks quizzing Johnson, Knox, Pruitt, Chambers and Davis. Certainly, somebody ought to ask Carl Knox how it felt to have his head tousled by a Redhead.

For many a long day, lots of people will be wondering what it was that Red Mason of the redheads kept whispering to the home town talent out there on the basketball court.

"Everyone from near and far is invited," Mrs. Montgomery said—and be sure to remember to take the vegetables, the bowls and the spoons.

## News Of Scallorn

By ORA BLACK

Now after the holidays, things in general are drifting back to normal. So far as we have learned everyone out our way enjoyed the best Christmas for several years. The tree at the Church drew one of the largest crowds for years. Old-timers met and exchanged handshakes. The music, furnished by the Smith family of Long Cove, climaxed the occasion. Christmas carols, followed by a splendid program rendered by the young people of the community, made it a very enjoyable occasion.

After visiting relatives here, at Mullin, and Brownwood, the Misses Mary Jo Solt and Pat Townsend returned to their duties as school teachers near their home in Columbus, Ohio. Mr. and Mrs. C. H. Black accompanied the young ladies to Brownwood Friday, where they took a bus for home. The Blacks attended the basketball game while in Brownwood, which was played by the Lometa and Brownwood teams.

Sunday, Mr. and Mrs. C. H. Black were host and hostess for a turkey dinner. Guests present were Miss Mary Jo Solt and Miss Pat Townsend of Ohio, Mrs. Charles Wright of Mullin, Mr. and Mrs. Earl Blake of Brownwood, Miss Jane Black from Howard Payne College and the writer and son, Billie.

Mr. and Mrs. John Allen Todd and son, Frank Richard of Dumas visited through the holidays with her parents, Mr. and Mrs. Frank Hines and Miss Greta Sue.

Thurman Johnson of A. & M. and Hermon Johnson from Tarleton spent the holidays with their parents and sister, Yvonne. The Rev. Pankhurst and family were luncheon guests Sunday of Mr. and Mrs. Vernon O'Bannon.

Harry is smart when it comes to getting money from the poor, ignorant people of this, our U.S.A., for he has already spent twelve billion dollars more than all the other 30 Presidents before him.

"I see now he is going to send two billion dollars to India—as though there were no one in this country in need of anything. We are just wondering how long will the people of this grand old U.S.A. (as they call it) stand for this stuff. We all know that when we elect a person to office they are supposed to be our public servants, but they have turned the tables on us and not only are making servants of us but they are making us their slaves. I do hope that the people will go to the polls and vote every one of that gang out of there.

"We are all hoping to see the Hon. Price Daniel come out against Tom Connally. Connally is one man among many others in Washington who, if ever he has done his country any good, we would like to know what it was. Well, we will not be short of candidates for President this year but Harold Stassen and W. Lee O'Daniel are the only ones with good platforms. (Signed) Yours, Liss Walker.

"P. S. Wife and I have been sick so much of late that I have not been in any mood for writing."

The editor hopes, Mr. Walker, that by now you and your wife are feeling better. You, at least, ought to feel better after having tossed off the letter above!

With this first Newsletter of 1952, I extend my greetings and best wishes to each of you for the New Year. Though it's too much to hope for, it is my wish that the best day you had in 1951 may be the worst for you in '52.

During the past three months I have had the privilege of visiting in most of the counties of our large 27-county district. I made more than 20 appearances before different groups, including Farm Bureau meetings, Soil Conservation, REA, PMA, livestock producers, Angora Association, School and College assemblies, Chamber of Commerce, Service Clubs, and a multitude of other meetings. As I made the rounds I had a chance to talk personally with hundreds of friends and constituents and to obtain the benefit of their views on many complex problems with which our Nation is faced today.

Everywhere in our area the drought is, of course, taking its toll, and along with this misfortune there is a very serious shortage of labor to carry on ranching and farming operations.

I found the people to be of one mind on most of the basic issues with which we are confronted. They are very properly concerned about high taxes, the magnitude of the public debt and the present-day cost of government. Most of the people want this nation made strong and powerful during the critical and uncertain times. But they loathe the waste and extravagance by the military as well as all other agencies.

They feel there has been poor judgement used by the Executive branch in hiring many key officials, and that the Congress has acted with wisdom and propriety in exposing crime and corruption wherever it could be found. Many expressed the hope that these investigations be continued so long as they seem to be doing any good.

The president's action in calling for a complete revamping of the Bureau of Internal Revenue, with the offices of Collectors to be abolished and most key officials to be put under Civil Service, offers a plan patterned after the Hoover-Commission recommendations. The proposal will receive the attention of the Congress early in the session. While coming at a late date, the plan seems to be basically sound. There is no way of preventing dishonesty and corruption if dishonest or corrupt men are employed, whether under Civil Service or not. But the reorganization should discourage a practice of political rewards in making appointments, and thru an independent inspection service, should be a very proper step in the right direction.

Commissioner of Internal Revenue, John Dunlap, is said to be about the busiest man in Washington these days. Having taken over the job last Summer after serving ably as Collector of Internal Revenue at Dallas, he has been prying into the caliber of personnel and has removed a lot of them. He has disclosed that a total of 166 employees of the tax agency were fired or forced to resign in 1951, including six Collectors. Dunlap and thousands of other Federal employes are considered to be honest, but it seems that he inherited a good many politically inspired appointees who turned out to be corrupt.

Tidelands is due to be acted

V. C. "El Vaquero" Bradford no longer is a drugstore cowboy! In the icy drizzle of Thursday of last week he got mud on his boots and ran a bit short of breath as he tended 466 goats on El Rancho Bradford, which adjoins the W. W. "Bill" Fox place on the Canadian road.

Vaquero Bradford was a bit sheepish as he told of having imported 426 goats from Mineral Wells on Wednesday of last week.

"What kind of goats?" he was asked.

"Shropshires," he replied promptly. Upon being informed that Shropshires are sheep, Mr. Bradford was just as prompt in switching to another reply.

"Hampshires," he said this time. Hampshires, he was told, are hogs. Before Vaquero Bradford was given a chance to try to call his goats Herefords or Aberdeen-Angus, he was allowed to admit that he did

upon by the Senate this Spring. A bill to confirm title to our tidelands in Texas was passed by the House last July by a vote of 265 to 109—more than enough to override a veto. But the margin may be closer in the Senate despite the valiant efforts of Senator Connally, Senator Johnson and others.

Spearheading the opposition will be Senator O'Mahoney of Wyoming and Senators who are closely aligned with labor union pressure. Both the CIO and the AFL have been very active in supporting the Administration's grab of our tidelands. Last week the magazine LABOR, representing 15 railroad unions, joined in the demand that Uncle Sam gobble up oil reserves under the tidelands along the coasts where ownership in the States was recognized for more than 150 years. In the case of Texas, ownership was defined in the annexation agreement in 1845. It is believed here that most of the labor unions in Texas are not in sympathy with the attitude of the parent unions in the North with respect to the tidelands issue.

not have the least idea whether they were (and are) Nubians or Angoras. What is more, he definitely was not allowed to promote what to him would have been the happy idea of having transported 466 goats from Mineral Wells to Mills County in Pontiac automobiles. How they got here is as much of a mystery as the breed of the Rancho Bradford goats, but it is most unlikely that they did ride or ever will ride in Pontiacs.

With a rosy glow on his cheeks and with pride in the mud on his boots, Vaquero Bradford insisted that there is plenty of chew for goats out at Rancho Bradford. Press him hard enough, however, and like any other rancher he will admit to buying feed. First thing you know, he will be burning pears.

### HD Club To Sell Cakes At Auction Barn On Monday

Because the members of the Goldthwaite Home Demonstration Club know that polio can strike anywhere at any time and because they want to help in the fight against the disease, they will sell home-made cakes at the auction barn south of Goldthwaite next Monday. Proceeds of the sale will go to the March of Dimes, Mrs. A. L. Cole, Reporter, said.

The Goldthwaite H. D. Club met on Tuesday afternoon of this week at the home of Mrs. Tom McArthur and planned the cake sale for next Monday afternoon at the auction barn.

In the course of the program, year books were filled out by the ten members present. They sang the "Song of Peace," which is the T.H.D.A. song, and they repeated the State prayer. Mrs. McArthur served refreshments.

The Goldthwaite Home Demonstration Club will meet again on January 22 at the home of Mrs. Floyd Sanson. A demonstration of work with glass will be included in the program.

Elroy, pleaded guilty, fine and costs totaled \$14.00.

The docket in the Court of County Judge Lewis B. Porter shows a complaint of driving while intoxicated against Wardell Lionel Hohertz as filed by Patrolman McElroy. The alleged offense occurred December 22 but the complaint was not filed until January 7. No information had been filed as the Eagle went to press this week.

During World War II, Mr. Downey was chairman of the Mills County Transportation Committee, which rationed fuel for farm vehicles. He also has been Chairman of the Advisory Committee of the U. S. Department of Agriculture in Mills County.

Mr. Downey has lived in Mills County for 48 years and he has lived in Precinct 3 for the past 22 years. He is married. The children of Mr. and Mrs. Downey are Mrs. Houston Duren of Goldthwaite and Mrs. Bob Davis of Brownwood.

"I will treat everybody impartially and I will try in every way to be of service to my fellow citizens if I am elected," Mr. Downey said in announcing his candidacy.

### Eisenhower

the uniform of a five star General on active duty. General Eisenhower is handicapped in the matter of campaigning.

"General Eisenhower will not be able to engage actively in politics until he has turned his NATO Command over to someone else," Mr. Saylor said. "We believe, however, that he will campaign for the nomination actively before the Republican National Convention."

Mr. Saylor indicated that the identity of General Eisenhower as a Republican will have a bearing on G. O. P. party politics in Texas, where Jack H. Porter of Houston, an Eisenhower man, is attempting to unseat Henry Zweifel of Fort Worth as Republican National Committeeman from this State. Mr. Zweifel is a Taft man and he has remained a Taft man even since last Sunday.

In Mills County Republicans who want to see General Eisenhower in the White House expect to be distributing pro-Ike literature soon and it will not be surprising if they start trying to pin "Ike" buttons on the labels of rock-ribbed Democrats in the Square. One Republican lady has threatened to try to pin an Eisenhower button on Joe A. Palmer, Chairman of the Executive Committee of the Democratic Party in Mills County.

Stanley G. Lasarsky, Jr., a grandson of Mrs. J. N. Keese of Goldthwaite, recently was awarded the bronze star for meritorious service in combat in Korea, where he fought with the Marine Corps.

In the Marines he was a Staff Sergeant. He lives in Ada, Okla., and is a son of Mr. and Mrs. Stanley G. Lasarsky. His mother is the former Robbie Keese.

The bronze star medal was awarded with a citation that said, in part, "acting as battalion radio technician, Staff Sergeant Stanley G. Lasarsky displayed outstanding skill, determination and initiative in the performance of his duties."

He was cited for service that involved long and arduous hours. Mr. Lasarsky recently was discharged after four years in the Marine Corps. Previously he attended Oklahoma University and he said he will go back
