Boy Scouts To Attend Methodist Church Service Sunday Morning

There will be an impressive service at the First Methodist Church in Goldthwaite next Sunday morning when Boy Scout Troops 45 and 77 attend Church in a body.

Annually, and rotating among the local Churches, the Scouts observe Scout Sunday. But next Sunday will be extra special since the day also will

mark the 42nd anniversary of the founding of the Boy Scouts of America.

With Scoutmasters Charles Conradt and James Nickols, Troops 45 and 77 will assemble at 10:45 o'clock next Sunday morning in the basement of the Methodist Church and then, with their flags, they will march in a body to the Sanc-

tuary. Scouts will serve as ushers for the Service of Worship. The American and Christian flags will be placed by Scouts on the Church rostrum and a sermon appropriate to the occasion will be preached by the Rev. Ed H. Lovelace, Pastor, after the assembled Scouts have recited their oaths in unison.

Tonight, Friday, Troop 77, of which Mr. Nickols is the Scoutmaster, will have their birthday anniversary party at the Methodist Church, where there will be food, singing, games and demonstrations of Scouting skills.

Since Wednesday, Boy Scout week has been observed throughout the country. Today, Friday, bells will toll in honor of the Scouts throughout the nation and as a special honor, the revered Liberty Bell in Philadelphia will be sounded. The week of "Scouting on Parade" will end on Tuesday—the birthday anniversary of Abraham Lincoln.

Many Goldthwaite Boy Scouts have worn their uniforms during Scout Week and there have been window displays in business establishments to remind the public generally of the very special Boy Scouts Week.

Cubmaster Roger Powell of Cub Scout Pack number 5 said that the Cubs also will join wholeheartedly in the birthday anniversary of Scouting. In uniform, the Cubs will attend the services next Sunday morning at the First Methodist Church.

A display of the work that has been done by the Cubs during the past year may be seen in the window of the Goldthwaite Home & Auto Supply Company. And for 7:00 o'clock on the night of February 29 the Cubs are planning a "Blue and Gold Party" at the School lunchroom.

The Cubs are working hard on preparations for their party. They are rehearsing skits, making place cards and preparing otherwise for a gala evening.

Cub Pack number 5 is sponsored by the Tuesday Stary Club of Goldthwaite.

GHS Seniors To Sponsor Donkey Ball Game Here

A "Donkey Ball," which is being ballyhooed as "funnier than a circus" and "better than a rodeo" will be sponsored by the Goldthwaite High School Seniors at the School gymnasium on the night of February 22.

The program will include donkey races, balloon bursting contests and a game in which there will be local talent in "thrills, spills and chills."

Trained donkeys, including a clown, will be in on a game of basketball.

Proceeds will go to the treasury of the G. H. S. Senior Class to be used for the annual Senior trip next Spring.

Further details, including participants in the program, will be announced before February 22. Meanwhile, the G. H. S. Seniors are hopeful that everybody will save the night of February 22 so as to be sure that nothing will be allowed to interfere with attendance at the big show in the School gymnasium.

\$428.81 Given In Mills County To March Of Dimes

Howard B. Campbell, Chairman, said this week that contributions in Mills County to the 1952 March of Dimes totaled \$428.81.

After the deduction of expenses that totaled \$47.80 for such items as posters and miniature "iron lung" containers, \$190.50 was sent to the National Foundation For Infantile Paralysis and \$190.51 was retained

locally for the continuing fight against polio, Mr. Campbell said.

Contributions to the 1952 March of Dimes in Mills County came from the following sources, Mr. Campbell said:

From coin containers, \$151.84; from theater collections, \$80.00; from the Goldthwaite and Rock Springs Home Demonstration Clubs, \$69.05; from schools, \$5.42; and from business and individual givers, \$122.50.

'50,000 Miles—No Wear!'
Proved Here—

After a punishing 50,000-mile road test, with proper crankcase drains and regular care, engines lubricated with Conoco Super Motor Oil showed no wear of any consequence. . . in fact, an average of less than one one-thousandth inch on cylinders and crankshafts. Amazing proof: factory finishing marks were still visible on piston rings!

AND gasoline mileage for the last 5,000 miles was actually 99.77% as good as for the first 5,000! This test proved that Conoco Super, with OIL-PLATING, can make your car last longer, perform better, use less gasoline and oil.

Baptist Workers To Meet Monday In Goldthwaite, Film On Program

Trigger Mountain Church Is Repaired

The Trigger Mountain Baptist Church now is aglow with a refinished floor and newly painted benches as the result of volunteer work by members of the congregation, including ladies. The Rev. Travis Ellis, Pastor, said plans provide for completing the painting of the exterior of the Church and for the building of new concrete steps.

Changes in the usual plans for the regular monthly conferences of the Mills County Baptist Workers Association were announced this week. The conference will be held next Monday night at the First Baptist Church in Goldthwaite.

The Rev. Henry C. Garber, Pastor of the Mullin Baptist Church, said that since the main feature of the conference will be the full-length film, "Mr. Texas," supper will not be served as usual.

Brother Garber, Acting Moderator of the Association in the absence of the Rev. J. T. Ayers, said that the Board of the Association and the Women's Missionary Society would meet at the First Baptist Church in Goldthwaite at 6:30 o'clock next Monday night—after individuals have supped at their own homes.

The showing of "Mr. Texas," Brother Garber said, will start at 7:30 o'clock. The public will be welcome to witness the film as guests of the Mills County Baptist Workers Association.

"Mr. Texas," which was produced professionally, is based on an episode in the Fort Worth revival experience of Evangelist Billy Graham. It relates the conversion of a rancher to Christianity as result of Brother Graham's preaching. The Hollywood actor who plays the leading role in the film is himself a recent convert to Christianity.

Mrs. M. C. Partridge last Wednesday was a guest of her parents, Mr. and Mrs. Ernest Jarrett.

YOUTH LEADER

PONDER W. GILLILAND

The Rev. Ponder W. Gilliland of San Antonio, newly-elected Superintendent of the San Antonio District of the Church of the Nazarene, will speak at the Goldthwaite Church of the Nazarene at 7:30 o'clock next Wednesday night. Brother Ponder, who has been especially active in work among youth, is a former Pastor at Oakland and Bakerville in California and at Calgary and Alberta, Canada. He was instrumental in founding the Lamplighters League, a youth organization that stresses the importance of personal evangelism.

BIRTHS

Mr. and Mrs. Louis Glass of Goldthwaite are the proud parents of a son born Saturday, February 2, in the San Saba Memorial Hospital. He weighed 7 pounds and 7 ounces at birth and has been named Gregory Winton.

The maternal grandparents are Mr. and Mrs. Joe Grissom of Waco, formerly of Goldthwaite. Mrs. W. O. Glass of Waco is the paternal grandmother. Gregory Winton has two sisters, Caryn, who is 5 1/2, and Suzanne, 3.

Mr. and Mrs. D. A. Solomon of Waco announce the arrival of a son, Ronald Lynn, born January 23 in the Hillcrest Hospital at Waco. He weighed six pounds at birth.

The maternal grandparents are Mr. and Mrs. Tom House of Goldthwaite. The Solomons have another son, Tommy Dale, five years old.

Mr. and Mrs. Lynn Nix and Earlene were guests Sunday in the home of Mr. and Mrs. Ernest Conner in Temple.

Miss Juanita Partridge was a guest last weekend of her grandparents, Mr. and Mrs. Ernest Jarrett.

Mrs. Bob Finley and her daughters, Patricia and Debbie, of Coleman, visited her parents, Mr. and Mrs. C. A. Womack on Thursday of last week.

Mrs. Margaret Thompson and her son, Richard Scott, of Italy visited Mr. and Mrs. Scott Thompson last weekend.

Oran Hale and his son, Mervyn Lee, of Fort Worth spent last Sunday with relatives in Goldthwaite.

Final Rites Are Held Tuesday For M. R. Ethridge, 78

Funeral services were held at the Duren Church on Tuesday afternoon of this week for Meredith Royal Ethridge, who had lived in Mullin for more than 70 years. He died Monday night at the Brownwood home of a daughter, Mrs. Bertie Reaves, at the age of 78.

Final rites were conducted by the Rev. J. T. Ayers, Pastor of the First Baptist Church of Goldthwaite. Interment was in the Duren Cemetery.

Mr. Ethridge was born at Kempner but he moved to Mullin with his parents as a child. He was married in 1896 to the former Zora Clark at Mullin. Before his retirement he engaged in ranching and also operated a dry goods and grocery business at Mullin.

Surviving are six daughters, Mrs. Bertie Reaves of Brownwood, Mrs. Gertrude King and Mrs. Jewel Warren of Mullin, Mrs. Trudie Farris of Robert Lee, and Mrs. Birdell Blackburn and Mrs. Lee Ora Blackburn, both of Goldthwaite; two sons, Thomas F. Ethridge, Tahoka, and Roy Ethridge, Post; two brothers, Bert Ethridge and Elmer Ethridge, both of Mullin; six sisters, Mrs. Pearl Scoggins of Fort Worth, Mrs. Ora Ratliff of Zephyr, Mrs. Tina Henderson of Van Horn, Mrs. Edna Man-kins of California, Mrs. Willie Price, Comanche, and Mrs. Fannie Medford, Goldthwaite; 20 grandchildren and 14 great-grandchildren.

The House approved the Hoover Commission plan to reorganize the Bureau of Internal Revenue last week. Under this new set-up, 64 tax collectors would be abolished and replaced by not more than 25 District Commissioners. In addition, all officials of the Bureau except the top Commissioner would be under Civil Service. It's now up to the Senate which must act before March 14 to prevent the plan from going into effect. I voted for the reorganization.

Pushing toward a show-down on UMT, the House Armed Services Committee last week concluded nearly a month of hearings, with nearly a hundred witnesses being heard, pro-and-con. The Committee is considering a UMT Commission report on detailed plans for making this training plan a reality. Last year Congress adopted UMT in principle but provided that before it could go into effect a Commission be appointed, work out the details, and then Congress would approve or disapprove the plan as reported, with any desired changes.

The proposal—which is misunderstood in some quarters—is designed to give basic training for young men, then put them in ready reserve units. A civilian army would thus be created, with the likelihood of a smaller standing army and therefore less burden to the taxpayers. The House will act on this issue within two or three weeks.

A letter that came in the mail last week quotes Dean Al-Range as saying:

"I do not choose to be a common man. It is my right to be uncommon—if I can. I seek opportunity—not security. I do not wish to be a kept citizen, dumbed and dulled by having the state look after me. I want to take the calculated risk: to dream and to build, to fail and to succeed.

"I refuse to barter incentive for a dole. I prefer the challenges of life to the guaranteed

existence; the thrill of fulfillment to the stale calm of Utopia. I will not trade freedom for beneficence nor my dignity for a handout. I will never cower before any master nor bend to any threat. It is my heritage to stand erect, proud and unafraid; to think and act for myself, enjoy the benefit of my creations and to face the world boldly and say, 'This I have done.' All this is what it means to be an American."

Ebony Preaching

Minister Gilbert Allan of Abilene Christian College will preach next Sunday at the Ebony school house. The Eagle's Ebony correspondent, Mrs. Clementine Wilmet Briley, this week expressed hope that there will be a large attendance upon the occasion of Minister Allan's sermon.

Mr. and Mrs. Roydston House and their sons and Mrs. Tom House visited Mrs. D. A. Solomon and Ronald Lynn and Mrs. James Humphreys in Waco last week.

Route Action

(Continued From First Page.)
 shed below.

Last Monday's meeting of County School Board Chairman Jim Soules, J. H. Priddy, A. A. Downey voted for and Cecil B. Campbell and Cecil Egger voted against sending following letter to the Texas Education Agency:

Gentlemen:
 In compliance with your request in your letter of January 10, 1952, regarding the Seider case as part justification for approval of Priddy Bus route No. 17, members of the Mills County School Board visited McCullough house, talked with several nearby residents, with Mrs. Seider. We found the Seider family were not of the McCullough on December 18, 1951, the hearing before the Commissioner of Education was but that they moved out to January 8, 1952, when Boyd made his checkup. Seider's statement was that he moved into the house in December because it was a house and that they had been out several days later because of the difficulties of getting their children to the school. It had weather were great in they had anticipated.

Your decision is to be based on the facts existing on January 10, our action of January 10 should stand as submitted. Your decision is to be based on the conditions existing on January 10, then we request that you strike out of our statement attached the request for duplication of route and duplicate service relating to the Seider children beginning with the word of the third line, with the additional request for approval, the William Seider family with five (5) children in Priddy School have in a section of this that could not otherwise

be served.
 "We request that you give special consideration to the physical condition of Mr. Roberts. He has lost one eye and is undergoing a series of operations in an effort to save some sight in the remaining eye. His doctors have advised him to refrain from over exertion. We believe that the condition of Mr. Roberts and the distance from the present bus route, this one child alone does justify the duplicate route. (sic).
 "In regard to grading down the hill we submit the following: the commissioner put his heaviest machinery on this road and did all that could be done with machines, citizens of the Priddy community then donated dynamite and labor, after which the commissioner put the machinery back on the hill and did all they (sic) could. However, we are passing your suggestion on to the commissioner for whatever action he sees fit to take.
 "(Signed) Jim Soules, J. H. Priddy, A. A. Downey."

Following last Monday's meeting of the County School Board the following statement, as signed by Jim Soules, J. H. Priddy, A. A. Downey and Cecil Egger, was issued for publication:
 "In regard to Goldthwaite School Bus Route No. 8 and Priddy duplicate Bus Route No. 17, for some 2 miles—
 "On investigating Mr. Mann Roberts, we find he has lost one eye and is under Doctors Treatment, trying to save the sight of his other eye. He has a child about 9 years old who has to walk .9 mile thru pastures or 1.8 miles on road mornings and evenings to meet the Priddy Bus, as it is compelled to run at this time.
 "If the Priddy Bus could use duplicated route as designated by the County Board, this child could catch the bus by walking only 30 or 40 yards.
 "In checking Mr. Ridgeway we find that before the new

road was opened he had no outlet to a public road without going through another man's property, also that he gave right away for a road across his land, and he, or he and his neighbors, built the fence. He also had a well drilled and the expense of moving his house that he might be close to the road and School Bus for his children.
 "In checking people on the other road that some that were being discriminated against, we found one couple had only one child not yet 4 years old.
 "The other two families said their children had never failed to ride the bus to and from school.
 "There are only four schools in Mills Co. and we think there are enough scholastics for each school district to operate a successful school under the present school laws without any infringement on each other.
 "We believe in equal rights to all and special privileges to none. We also think there is a duty each individual is due his fellowman and he cannot fulfill that mission with hatred and malice in his heart. It is necessary to follow a 'live and let live' policy with all people.
 "When we designated a duplicate route on this road we did it with no intention of hurting the Goldthwaite School and it does not hurt the Goldthwaite School in any way.
 "There was one family transferred out of Goldthwaite to Priddy and some from Mullin to Zephyr, but the Superintendents (sic) of these schools sent word to the County Board that they did not care for them transferring.
 "The County Board usually try to follow the wishes of the school in these matters.
 "The William Seider family was not living in the Mann Roberts vicinity when this duplicate route was first designated by the board. Humanely speaking, we think the Mann Roberts child alone justifies a duplication on this road and the Ridgeway children are to be considered also.
 "This is not the only duplication in the County and the other schools are not complaining where there is a duplication of routes.
 "In the petition presented to the Board for transfer of certain property from Goldthwaite to Priddy district we found that Mrs. Ola Harris' land was on the petition, but her signature was not. When interviewing Mrs. Harris we found her to be an elderly person living alone and she wanted her property to stay as is. Our opinion is that she wants to do what is right. The petition was not acted upon.
 "(Signed) Jim Soules, J. H. Priddy, A. A. Downey, Cecil Egger."

Herman H. Collier Has Master's Degree
 At mid-term graduation exercises at Texas A. & M. College Herman H. Collier, son of Mr. and Mrs. H. R. Collier of Star, received his Master's Degree in Education (Agriculture). He received his Bachelor's Degree in science from Texas A. & M. in 1948 and for the past 3 1/2 years has been teaching vocational agriculture at McGregor.

Larkin Family Off To The Philippines
 Mrs. Emmett R. Larkin and her children, Nancy and Jimmy, were scheduled to sail this week from San Francisco for Manila to join their husband and father, an Army Lieutenant who now is stationed in the Philippines. Mrs. Larkin is the daughter of Mr. and Mrs. Edwin H. Haggood of Rancho Nueces in Big Valley. With Nancy and Jimmy, Mrs. Larkin left for San Francisco last week. Lieut. Larkin has been on duty in Manila for several months. Previously, he was stationed at Fort Hood. At one time he was widely known throughout Texas as the "Old Sarge" of recruiting fame.
 Mrs. Bill Hanks and daughter of Mart were recent visitors in the home of her parents, Mr. and Mrs. Sid Cooksey.

Judge Porter And Mayor Long Back Education Week

Recognizing that the first week in March will be Public Schools Week in Texas, Mayor Loy Long of Goldthwaite and County Judge Lewis B. Porter this week urged that every effort be made in Mills County "to acquaint all our people with the programs and accomplishments of our public educational system."
 Judge Porter, as County Superintendent of Schools, ex-officio, and Mayor Long urged that all citizens and especially parents visit Mills County Schools during the first week in March.
 "The schools teach children to enjoy the benefits of democracy; how to become good citizens," Mayor Long and Judge Porter said. "During Public Schools Week every citizen should go back to school and see how well they are doing the job they were designed to do. Out of our schools will come the future leaders in government, finance, literature, sports, education, and so on. They are the people who are going to keep our institutions free; they are the people who must fight communism. Public schools are our investment in democracy. Take a look at your schools, not only during this Public Schools Week, but all through the year."
 Further announcements regarding Public Schools Week will be made later, Mayor Long and Judge Porter said. They hoped to enlist the aid of organizations such as the Parent-Teacher Associations in giving real and effective meaning to Public Schools Week. Public Schools Week has been proclaimed officially by Governor Allan Shivers.

FHA Girls Will Give Fine Show Thursday Night
 Young gentlemen who date members of the Goldthwaite Chapter of the Future Homemakers of America will have to spend the night of Valentine's Day at the Grammar School auditorium—or else. For, on Thursday night of next week, the Goldthwaite FHA will present a play and fashion show, "One And One Makes Four," with Miss Ann Dellis as Mistress of Ceremonies.
 Proceeds from what promises to be an entertaining evening will be used for the FHA treasury, from which the forthcoming Mother-Daughter Banquet will have to be financed. Admission will be ten cents for school children and 25 cents for adults. There will be no admission charge for children of pre-school age.
 Garments that have been made by the FHA girls will be modeled. They will include school skirts and blouses, general purpose garments, dresses for children and special occasion garments. "Out-of-town judges will select the three best from each class. One of the winners will be selected to represent the Goldthwaite FHA Chapter at an Area FHA meeting at Stephenville on March 1.
 The program also will include "clothing songs" by each home-making class, a musical reading by Lathan Jernigan and Martha Carolyn Graves, a monologue by Marjorie Whit and what has been described as a demonstration, "An Emotional Omelet," by Myrlene Reynolds Weathers.
 Mr. and Mrs. R. W. House and Mrs. Tom House last Friday accompanied Roddy House to the San Saba Memorial Hospital where a tonsilectomy was performed. Roddy returned home Saturday. Mr. and Mrs. Paul Kincheloe also were at hospital during the operation.
 Mr. and Mrs. O. C. Harvey of Vernon visited Mr. and Mrs. Ira O. Harvey last Sunday. On Tuesday Richard Harvey of Fort Worth, son of Mr. and Mrs. Weyman Harvey, came to Goldthwaite for a visit with his grandparents.

Mullin Program Due On February 29th

Under the auspices of the athletics department of the Mullin Schools a program of entertainment and an auction sale will feature the night of February 29 at the Mullin School gymnasium. The Farren Twins of Brownwood and a ventriloquist will offer sparkling entertainment that will start at 7:15 o'clock on the night of February 29. Then will come the auction sale but details of that will be kept secret for another week or two. Mullin School Superintendent H. Howard Homsley said that proceeds from the program will be used to finance the athletic awards of the Mullin Schools.

Roddy House Is 6

Roddy House, son of Mr. and Mrs. R. W. House celebrated his sixth birthday with a party at the home of his parents January 23. His birthday was really on January 24, but he celebrated a day early.
 Punch and birthday cakes were served to the following little guests: Ronny and Robert Rose; David Shankle; Otis Earl Howard; Velda May Horton; Richard Heath; Jerry, Paulette, and Noel Welch; Mary and Judy Tubbs; Biff Platt; Billy and Johnny Park; Wilda and Leland Knight; Norma Jo Perry; and the honoree's little brothers, Garry, Wayne, and Dayton House.

Rock Springs Club Plans Box Supper

Tomorrow night, Saturday, the Rock Springs Community Club will have a box supper at the school house. Mrs. Floyd Manuel, Reporter, said that since one of the purposes of the party is to raise money for the Club's treasury the box suppers will be auctioned to the highest bidder.
 The ladies of the Club will meet on Thursday afternoon of next week with Mrs. B. D. Tippen as hostess. The members are requested to take crepe paper and a large sewing thread spool since Mrs. Tippen plans to teach them how to make bed lamps from such material.
 Mrs. C. G. Featherston and Mrs. Robert Doak were guests at the last meeting of the Club.

EGGS THAT WILL TURN OUT TO BE NEXT THANKSGIVING AND CHRISTMAS TURKEYS WENT INTO INCUBATORS HERE THIS WEEK

(Editor's Note: From time to time the Eagle prints articles about how people make their livings in Mills County and hereby in the course of boosting the economy, contribute to the well-being of everybody. This time the article is about turkeys—a product of Mills County in which all of us can take great pride.)

Throughout the world there are millions of people whose acquaintance with turkeys begins at the poultry market and ends after a nicely roasted bird has been consumed at the dinner table, especially at the Thanksgiving and Christmas seasons. In Mills County, which is accustomed to taking turkey championships regularly at the major livestock expositions, turkeys are so much a part of our every day living that too often they are taken for granted. So this story aims to tell more about turkeys than is generally known at a time when the incubators are being put to work in anticipation of next Thanksgiving Day and next Christmas Day.

It happened that on Thursday of this week Mr. and Mrs. E. O. Shepherd started at their hatchery in Goldthwaite a pro-

cess that is being duplicated in many other hatcheries and that will, in only a matter of months, result in scenes such as are shown in the photographs that accompany this article.

Mr. and Mrs. Shepherd placed in their huge incubators at the

made last November on the O. E. Sides and Lloyd Reynolds ranches. They show turkeys on the ranges, ready for the markets, after much hard work by Mrs. Mina Sides and Mrs. Alta Reynolds, both of whom are artistic painters as well as suc-

MRS. O. E. SIDES AND HER TURKEYS

Shepherd Hatchery a couple of thousand turkey eggs. As time goes on, more turkey eggs will go into the incubator, then into the hatchery and then out to the farms and ranches where poult will grow up to be good eating.

A turkey egg does not make a very good picture so the photographs for this article were

successful turkey raisers. Before the pictures of Mrs. Sides and Mrs. Reynolds and their turkeys could be made by Mrs. B. C. Wicker of the Wicker Studio in Goldthwaite, a number of things had to happen—along the line of the start that was made this week when "Spud" Shepherd placed turkey eggs in the incubator at Shepherd's Hatchery.

Mrs. Shepherd described the process as follows: "Turkey eggs are gathered, culled, graded for size, shapes and shell texture and then, when the time comes—as it has come now—they are placed in incubators. The eggs hatch in four weeks and the poult are removed from hatching trays, culled for size and perfection and weakly poult are discarded. Number one poult then are placed in shipping boxes so that they may be sent to the customers."

Mrs. Shepherd said that the best poult, such as Shepherds, of course, come from flocks that have a pullorum-clean record from the first blood test

for three successive years.

By way of pointers in raising the birds that grow to such market value, Mr. and Mrs. Shepherd said that turkey brooder houses should be placed in locations in which poultry has not previously been raised. Houses and brooder equipment should be thoroughly cleaned and disinfected in advance of the arrival of the poult.

you have poult for two days as your guests, all of them are eating. (Spud Shepherd recommends West Brand Feed, naturally.)

4 — Be sure that all brooding equipment is sanitary.

If you think that is all, please just hold everything for a moment while you read on.

"When poult arrive their bills should be dipped in warm

MRS. LLOYD REYNOLDS AND HER TURKEYS

If you never have raised turkeys, you should know that brooder houses should have temperatures of 95 degrees Fahrenheit and that the floors should be dry, clean and warm.

It is very bad, both for the poult and the pocketbook, to put poult on cold, damp floors. It is a good idea to place clean, burlap bags—tow sacks to most people—on the floors of brooder houses for the first two or three weeks. That is not because poult have been educated to Persian carpets but rather because the youngsters take to eat feed. If there is no litter around, then they cannot eat litter. See? Many a hopeful turkey raiser has lost his poult because the little dickens took to eating litter before they learned to eat feed.

Now that you have been told what NOT to do, here are some things to do:

- 1 — Watch that your poult do not get chilled.
- 2 — Watch that your poult do not get over-heated.
- 3 — Be sure that by the time

water," Mrs. Shepherd says. She did not say why, but some day the Eagle will find out about that and duly make a report.

"Poult also should be given clean water to drink," Mrs. Shepherd went on. "The drinking water, too, should be warm."

Then Mrs. Shepherd got back to the matter of feed and by this time everybody should know what brand of feed it is that Spud Shepherd sells.

"There is a specially prepared starter feed that has met with great success," Mrs. Shepherd said. "Many thousands of turkeys are fed on it each year. For example, Mrs. Sides bought 200 poult from us last year through our finance program. A few extra poult were included. The turkeys were fed on our feed with no extra grain supplied at home. Mrs. Sides raised 200 turkeys to market stage and realized a nice profit."

"Mrs. Reynolds also has had wonderful success with turkeys purchased from us and raised on our feed. Mr. and Mrs. Fate Eckert have had similar success and we could mention many others."

At this point, Mrs. Shepherd resumed talking feed again. The best thing is to go down to Shepherd's hatchery, look at that name on Spud's sacks of feed, and ask him about both poult and finances. That sug-

Bill Stubblefield Visits His Parents

William T. "Bill" Stubblefield, son of Sheriff and Mrs. C. F. Stubblefield, visited his parents in Goldthwaite last weekend. For the past several months he has been living in Washington where he is Director of Station Relations for the National Association of Radio and Television Broadcasters. While he was home Mr. Stubblefield said that he and his wife and their son, "Little Bill," find life pleasant in Washington. They are established comfortably in their new home at Silver Springs, Maryland. Mr. Stubblefield was able to visit his parents last weekend in the course of an extensive aerial tour in which he was visiting many of the radio and television stations in his Association.

Now It's Cpl. Price

James V. Price, son of Mr. and Mrs. H. V. Price of Mullin, has been promoted to the rank of Corporal at Camp Rucker, Ala., where he is in Company C of the 164th Infantry Regiment of the 47th Infantry "Viking" Division. Cpl. Price is an automatic rifleman. His Division, formerly a Minnesota-North Dakota National Guard outfit, now is composed of men from all parts of the country.

Goldthwaite P.-T. A. To Meet Wednesday

With Mrs. Howard B. Campbell as the program leader and with Mrs. Earl T. Fairman as the guest speaker, the Goldthwaite Parent-Teacher Association will meet at 3:00 o'clock on Wednesday afternoon of next week at the Grammar School auditorium.

Mrs. M. F. Horton, Reporter for the P.-T. A., said that Mrs. Fairman would speak on "Training To Meet Responsibility."

In addition to the address by Mrs. Fairman, Mrs. Horton said, two motion picture films will be exhibited. One will be entitled, "Family Life—Emotional Needs In Childhood," and the other will be "The Ground Work of Democracy."

One ride and You'll say:

"That's the Smartest Million Dollars BUICK Ever Spent"

WHEN we tell you that every 1952 Buick rides like a million dollars, we're not just slinging slang—we're talking real money—right-on-the-barrelhead cash. A million dollars and more were poured into research and testing—design and tools—engineering, production and components—to team up the combination of ride features you'll find on a Buick—and on no other car in the world.

A million dollars and more was the price paid to work out control of end-sway and side-roll on curves—to double-check vertical "throw" with shock absorbers and big soft-acting coil springs for all four wheels—to V-brace the torque-tube keel and X-brace the

frame—to cushion body and engine—and to silk out the whole operation with Dynaflo Drive.*

You may not care how the job was done, or what it cost. But we'll lay you this: You're going to say "thanks a million" to Buick engineers once you get this spirited smoothie under your hands and haunches.

Old familiar roads take on a new smoothness. Gone are the weave and wander, the jitter and jounce that you've felt in lesser cars. You ride with road-hugging assurance and level ease.

All of which only begins to tell you what really great cars these 1952 Buicks turned out to be.

Never before have style and stamina—comfort and character—power, performance and price been brought together with such satisfying skill.

The obvious thing for you to do is come in and look them over. How about taking half an hour off to do that—today?

Henry C. Garber

(Continued From First Page)
 Brother and Mrs. Garber are from ... Pennsylvania. They came to Texas 6 1/2 years ago. Brother Garber completed his undergraduate work at Howard Payne College in Brownwood. He has been the case during his Pastorate at Mullin. He will continue to study at the Southwestern Baptist Theological Seminary at Fort Worth during his Pastorate at Mullin. Prior to his Pastorate at Mullin, Brother Garber had served Baptist Churches in Comanche County.

Brother and Mrs. Garber have two sons, Henry Charles Jr., who is eight and who is known in Mullin as "Chuckie," and Ronald, 2, who is known to his friends as "Bennie."

During his Pastorate at Mullin, Brother Garber has been active in both religious and civic undertakings. For a time he served as Moderator of the Mills County Baptist Workers' Association and arranged the programs for many of its regular monthly conferences.

"It is with a wrench that Mrs. Garber and I will leave Mills County," Brother Garber said. "We will leave with our hearts filled with gratitude for the many acts of kindness that have been extended to us here."

Bank's New Name

(Continued From First Page)
 Military ruled on until November 24, 1948 when the first meeting of the stockholders of the Trust State Bank was held. The members of its first Board of Directors were D. K. Treat, W. H. Treat, E. E. Anderson, W. E. Thompson, H. Fairman,

I. E. Patterson and W. C. Day. Subsequently Charter number 281 under which the bank continues to operate, was granted. Mr. Patterson has been President of the bank since April of 1949. He recalled this week that when he was elected he had a job awaiting him at the bank for \$2.50 per month and was glad to get it.

Livestock Show

(Continued From First Page)
 Among the Champion Angus of the Boys Show and the Champion Angus of the entire Show.

Mills County also scored at the top in Houston in competition for County car lots of calves. Johnny Wigley was first in the competition for a group of three calves; Dana Howard Taylor was third; and Billy Mac Newton was fifth.

Other results of the judging at Houston were as follows:

Lightweight Angus, Boy "Benson," second and ninth place; middlesweight Hereford, Bobby Lane Egger fourth and George Reynolds fifth; heavyweight open Hereford, Shirley Taylor seventh. In this classification Bobby Lane Egger took first place with his group of three heavyweight Herefords.

At the Boys Show at Houston Wayne Fox took third place in the Hereford heavyweight division. In the middlesweight Hereford division Billy Lane Newton took fifth and 24th places, and Merion Reynolds

took 41st place. In the lightweights Hereford division of the Boys Show at Houston Johnny Wigley took first, fifth and 18th places. Last week's Eagle gave credit for these honors to Jimmy Wigley—but that was because a reporter at the Houston Fat Stock Show was so completely misled by Jimmy that she meant to say "Johnny." In the same division Dana Boyler took 22nd and 26th places; Billy Mac Newton took 24th place; and 26th place went to Dudley Jordan.

At Houston, Huntie Black, son of Mr. and Mrs. C. E. Black of Seaborn, exhibited the Champion Shorthorn of the entire Show. The calf, named "Cheap Steak," was sold for \$1.00 per pound. It weighed around 1,100 pounds. "Cheap Steak" formerly was owned by the Wigley Brothers, who called it "Snowball."

Other results of the Houston judging not already listed above include the following:

Bobby Lane Egger, second place; Tom turkey, Billy Mac Newton, third place; Tom; Jackie McCasland, fourth place; Tom; Kay McCasland fifth place; Tom; Van Wilson McCasland, 11th place; Tom; and Harold Clary, 12th place; Tom. In judging of hen turkeys second place went to Armand Lee Clary, fifth to Harold Clary, sixth to Jackie McCasland, 11th to Billy Mac Newton, and 12th to Bobby Lane Egger.

At Houston Van Wilson McCasland took ninth and 11th places with his Southdown mutters and he also was third in the competition among groups of three Southdown mutters.

Mullin exhibitors brought home approximately \$1,690.90

from Houston. Larry Walton took third and 24th places in the middlesweight Hereford division and Joe Reeves took 20th and 42th places among the Herefords. Joe Reeves also took seventh place in competition among groups of three calves. Myron Hillman was seventh with his group of three lambs. In addition to his first place with his Suffolk sheep, Roger Sanders was in 12th place in the Boys Crossbreds division at Houston.

As late as Monday of this week Daria Owens helped to take up three columns in the Fort Worth Star-Telegram. His calf, "Angie," which took the Reserve Aberdeen-Angus Championship at Fort Worth, first was sold for \$1,800.00 to a feed company. Then it brought another \$3,500.00 when Aram Carter, Jr., paid that amount for the March of Dimes from the funds of the Aram Carter Foundation. Daria was shown pictured in the Star-Telegram with his calf, Aram Carter, Jr., and a representative of the feed company.

Judging at San Antonio will be on Saturday of next week.

It Was Margin Burks

Because an Eagle reporter had Mrs. Will Burks on his mind last week, proper credit was not given to Margin Burks for having done such a fine job of cleaning up around "Sunfield Inn," otherwise known as the Mills County Jail. In fact, Margin was not even given his right front name. He is pronounced that it was Margin Burks who, with Fredrick J. Commissioner Jess Y. Tullos, made things look so much more attractive around the house.

Lost A Red Coat?

James Bryant this week found a good, child's red coat which he turned in to Gwin-Gwin-Owens who will gladly return it to its rightful owner upon proper identification. "Hi Neighbor" Gwin reports also that he found \$1.00 in trousers that Horace Brooks had sent in to be cleaned and pressed. What's more, Mr. Gwin found \$4.00 in pants owned and sent to be cleaned by J. Horn Harris. "Hi Neighbor" returns such windfalls.

Leaders Confer

(Continued From First Page.)
 more and more troops come into the area. It was apparent, however, that Goldthwaite and Mills County will be for the most part on their own as they make visiting soldiers feel at home.

At a meeting of the Goldthwaite Lions Club on Tuesday night at the Hangar Lieut. Col. J. B. Beeson, commanding the 49th Battalion of Engineers, expressed deep thanks for the attitude of the people of Mills County toward maneuver troops. Col. Beeson, who was a guest of the Lions Club, along with Capt. W. J. Donley of his staff, also pledged that his men would do everything possible to repair any damage that might be caused during the maneuvers. "Our job is to accomplish repairs to the satisfaction of property owners," Col. Beeson said. "I want to express my own appreciation and that of my men for our treatment here." Col. Beeson said the 49th Engineers will be in this area at least until June 1.
