

The Goldthwaite Eagle

CONSOLIDATED WITH THE MULLIN ENTERPRISE
 ESTABLISHED 1894 GOLDTHWAITE, MILLS COUNTY, TEXAS—FRIDAY, APRIL 25, 1952 VOL. 28 NO. 35

Republicans To
 Conduct Precinct
 Meetings May 3

Republican precinct convention will be held in Mills County Saturday, May 3, according to notices that have been issued by S. J. Eaton, Mills County Republican Chairman.

Although May 3 also is the date for Democratic precinct meetings, there will be none in Mills County, according to a statement that was made last week by Joe A. Palm, Chairman of the Executive Committee of the Mills County Democratic Party.

At the precinct convention held on May 3 said that there will be 10:00 a. m., except Mullin. The time and date will be 4:00 p. m., May 3 at the Eaton Building.

Republican precinct conventions that have been called for 10:00 a. m., May 3 will be held at the Mills County House in Goldthwaite, at the Church House in Ridge, at the Agency store, at the Baptist Church in Big Valley, at the Church House in Priddy, at the school houses in Scalp Center City, Payne Gap, Caradan, Fisher (Demolition), Mt. Olive and elsewhere. There also will be Republican precinct conventions at 10 a. m., on May 3 at the Church House in Rattler and the Church House in Rock

notices posted by Mr. Mullin stated that the precinct meetings will elect delegates to the Republican State Convention to be held at Mineral Wells on May 27. Each precinct will be asked to elect one delegate and alternate for every 25 votes for the Republican candidate for Governor in 1950.

"Pinto" Schoen charged with Olgie Nobles and To Charges

"Pinto" Schoen pleaded guilty to a charge of the unlawful sale of whiskey in a dry area Monday of this week in Court of County Judge B. Porter and Olgie Nobles was not guilty to a similar charge.

Nobles, listed as a second offense, was fined \$200.00 and he was remanded to the custody of Sheriff C. F. Stubblefield until payment of penalty.

Nobles pleaded not guilty to a charge of the unlawful sale of whiskey in a dry area made against both Schoen and Nobles by A. T. Pickens, Jr., in the case of Schoen that he had pleaded to a similar charge in 1948.

Club Livestock Vies Saturday

Mills County's 4-H Club Livestock judging team will go to Greenville on Saturday with Agriculture Agent George Reese to compete against 20 other teams of 8. The teams emerging with the highest scores from day's competition at Tarleton State College will engage in a state-wide competition at A. & M. College in a few days.

Members of the Mills County team are John Howard, W. V. Horton, Jr., Billy Newton and Dudley Jordan.

Duke and Duchess and their son, Humbert Van Horn, were visitors at Goldthwaite this week.

Civic Leaders Meet To Discuss Swim Pool Plan

Plans for a swimming pool and recreation area for Goldthwaite and Mills County will be discussed again at 2:00 o'clock on Friday afternoon of this week at the office of the Goldthwaite City Utilities.

Friday afternoon's meeting will follow one that was held at the City Utility office on Tuesday afternoon when the original sponsor of the project — the Goldthwaite Lions Club — was joined by representatives of other organizations.

Present for Tuesday afternoon's meeting were President Ray Duren of the Lions Club, Lester F. Bain, President-elect of the Lions; Mrs. George R. Gilbert of the Art and Civic Club, Mrs. T. M. Glass of the Self Culture Club, Mrs. T. C. Graves of the Tuesday Study Club, Commander K. V. Straley of the Harry F. Edmondson Post number 289, the American Legion; President pro tempore Jesse Moreland of the Goldthwaite City Council, Joe Bailey Karnes and Norman Duren of the Lions Club, and City Utility Manager W. C. Barnett.

It was agreed at Tuesday afternoon's meeting that the first question to be settled involves location of the proposed swimming pool and recreation area since the location will have an important bearing on the cost.

Further discussion of location and ways and means of financing the project will be (Continued on Back Page.)

Mullin Senior Play

The Senior Class of Mullin High School will present, tonight, Friday, their play, entitled "Junior Is A Genius," at the Mullin Gymnasium. An admission of 20 cents and 35 cents will be charged.

Members of the cast are Billy Shafer, Wilma Burdette, Mary Limbaugh, Lynn Shelton, Nell Cobb, Melva Pafford, Freddy Spinks, Nelma Roberts, Dick McCurdy, Billy Anderson, and Henry Gibbard. The play is under the direction of Don C. Clark.

Corporate Books Are Set Up For Telephone Co-op

John B. Paganette, Chief Auditor in the Southwest for the Rural Electrification Administration, this week completed the setting up of an entire new book-keeping and accounting system for the Central Texas Telephone Cooperative at its headquarters in Goldthwaite.

Ernest E. Wilson, Co-op Secretary, said that with the completion of Mr. Paganette's work the next step toward realizing the installation of modern, dial telephone service in rural areas of nine Counties in Central Texas would be the actual transfer of REA funds to the Cooperative.

Before his return to his main office in Dallas, Mr. Paganette expressed gratification over the orderly operation of the Goldthwaite office of the Central Texas Telephone Cooperative, Mr. Wilson said.

The Co-op, which has been granted an initial REA loan of \$1,540,000.00, is considered by REA officials to be a "pilot" for similar undertakings which have not progressed to the stage of the local organization, Mr. Wilson added.

School Board Continues Careful Consideration Of Superintendent

Red Sox To Play Fort Hood Here This Thursday

The management of the Goldthwaite Red Sox promised a fine baseball game for the fans at the Municipal Ball Park in Goldthwaite on Thursday night of THIS week at 8:00 o'clock. Just to be sure that nobody will be in any doubt as to the night of the game, Clyde Estep, one of the managers, emphasized that THIS Thursday night the Red Sox will play a fast team from Fort Hood.

On Thursday night of last week, playing in their second game of the season, the Red Sox took revenge on the Fredericksburg Giants by winning 5 to 2. Ralph McAllister, Y. B. Johnson, Jr., and Johnny Smith pitched three innings each.

For the game against the Fort Hood team on Thursday night of this week, April 24, the management planned tentatively to start Ralph McAllister on the mound with Larry McCasland behind the plate. Others who were slated to play for the Red Sox were Smith and Johnson, Charlie McLean, Dale Reid, Charles Conradt, Robert Henry Johnson, "Whizzer" Shahan, Ed Thornton, Leroy Stacey, June Clifton and Lee Doggett.

City Council And Mayor Mark Time

During the past week there were no official developments in the situation that was created on the night of April 10 when the City Council of Goldthwaite unanimously requested the resignation of Charlie T. Wilson as Mayor. The Mayor was in Goldthwaite late last week, after having been out of town, and then he left town again. The next regular meeting of the City Council is scheduled for the night of May 5.

MILLS COUNTY YOUTH CENTER DEDICATION SET FOR 3:00 O'CLOCK SUNDAY AFTERNOON WHEN W. FAIRMAN GIFT WILL BE ACCEPTED

The Mills County Youth Center of the First Baptist Church of Goldthwaite — an institution intended for the use of all of Mills County — will be dedicated at ceremonies that will start at 3:30 o'clock next Sunday afternoon.

During the past several months the structure that originally was known as the Baptist Education Building has been greatly enlarged and expanded through the generosity of Walter Fairman. The Baptist Parsonage has been moved to Reynolds Street, next door to the home of Mrs. J. W. Weatherers, so as to provide space for playground facilities. A stout metal fence encloses the entire premises of the Youth Center.

Presentation of the expanded and virtually entirely reconstructed Youth Center will be made on Sunday afternoon in behalf of Mr. Fairman by his nephew, Sam H. Allen, Jr., of Houston. The acceptance of the Mills County Youth Center will be by the Rev. J. T. Ayers, Pastor of the First Baptist Church.

Members of the Board of Trustees of the Goldthwaite Independent School District continued this week to give careful consideration to appointment of a Superintendent of Schools.

On Wednesday Chairman Gerald C. Head, Tommie B. Harper and Malcolm Jernigan interviewed one of the candidates for the school post here. It was indicated that the next meeting of the School Board will be convened Monday night by Chairman Head who said, however, that the Board members might meet at any time if circumstances warrant.

After his return from an interview with a candidate on Wednesday Mr. Head reiterated that in recognition of the importance of primary and secondary education the Board members are making every effort to make the right choice of a Superintendent to succeed H. E. Patton who, on March 3, declined to accept an offer of a one year contract.

Actually, the School Board has been giving consideration to appointment of a successor to Mr. Patton only since April 7, when Mr. Jernigan, Charles Conradt and Mr. Harper became members of it. Mr. Conradt and Mr. Jernigan were elected on April 5 and Mr. Harper was appointed to fill the unexpired term of Harmon Frazier, who resigned immediately after the April 5 election. Since April 7, the School Board members have narrowed the field of candidates considerably through painstaking screening process.

Owen Reunion

Mr. and Mrs. Hugh Owen entertained all of his brothers and sisters last weekend. Those who were present for the family reunion were Mrs. and Mrs. Roy Owen of Midland, Mr. and Mrs. Lee Franks of Wichita Falls, Mrs. J. L. Yarborough of Comfort, M/Sgt. Malcomb Roper and Mrs. Roper of Merced, California, Mrs. Joe Owen of San Antonio, and Miss Melanie Harrell of Odessa.

RAIN RANGING FROM 3.5 TO 5.5 INCHES SOAKS THIRSTY EARTH THROUGHOUT MILLS COUNTY BREAKING 23 MONTHS OF DROUGHT

Rainfall in Mills County during the past week ranged from an official U. S. Weather Bureau measurement of 3.32 inches by Harry Allen in Goldthwaite to a report of 5½ inches from Mrs. Dora Goode of Star.

Mrs. Clementine Wilmeth Briley reported from Ebony that rainfall there measured 5.55 inches and from Chappell Hill Miss Pearl Crawford reported four inches.

Just how they knew what they were doing is one of life's imponderables but the fact remains that in last week's Eagle the present A. W. "Uncle Amos" Lilly and C. L. "Solly" Featherston advertised for "a good six inch rain." In places they came mighty close to getting it. When they were asked to explain why they selected last week for the running of their ad after 23 months of drought, Mr. Lilly and Mr. Featherston would only say that "Eagle want ads get results."

In reporting on the 5½ inches of rain out Star way Mrs. Goode offered the following cryptic comment:

"I don't give the rain makers any credit for it either. If they had anything to do with it, why didn't they get it sooner? Folks are going down to the creek and river banks just to see the streams running once more."

According to Harry Allen, the drought may be considered to have been broken.

"Of course," he added, "we could start in and have another drought. But the records show that May usually is a good month for rain — sometimes bringing as much as six inches. We can usually count on having rain on May 5 and on or about May 10."

Mr. Allen's figures on rainfall for the past week were as follows:

Friday	2.0
Saturday	.39
Sunday	.85
Monday	1.10
Tuesday	.78
TOTAL	3.32

In her report from Ebony, Mrs. Briley was more lyrical.

She wrote as follows:

"The drought is broken! Let the glad heart sing! Humbly we offer thanks to the Giver of all good gifts. It rained some more Saturday afternoon and night. Sunday it rained until nearly time to go to Church. Monday morning was dark with low-hung clouds. It poured throughout the day. . . . Not long after listening to a radio newscast I went into the yard to consult my own rain gauge. It registered 3.3 inches. Before the day was gone it said 4.25 inches, making altogether since Friday evening 5.55 inches."

Mrs. Briley reported that John Briley and Ernest Malone on Monday found Buffalo Creek too deep for cross between the Roy Reynolds place and the Edward Egger field. She reported deep water in several other places and a temporary stalling of the Regency school bus, driven by Mrs. Cecil Egger. Then Mrs. Briley went on to write this:

"Now things upward turn. Soon our little old drought-stricken country will blossom as the rose. The grass and weeds will grow by leaps and bounds. Soon the cattle will quit coming up for food. Now we can plant our crops and our garden. And maybe now the fruit will make."

All reports from Eagle correspondents were along similar lines.

"Well, everyone is wearing that million dollar smile," Mrs. Dutch Smith wrote from San Saba Peak. "We have had rain and we are very happy about it."

Sen. Carlos Ashley Visits Goldthwaite

State Senator Carlos Ashley of the 16th Senatorial District, which includes Mills County, was a visitor in Goldthwaite on Wednesday. He was en route to Brownwood from his home in Llano.

Senator Ashley, who is widely respected for the high plane of his concept of public service and for the effectiveness of the service that he renders, is a candidate for renomination, subject to the July 26 Democratic primary election. Senator Ashley has filed for renomination in the 18 Counties that are included in his district.

Community Group In North Bennett Has Progress Aim

The residents of the North Bennett community met on Friday night of last week and voted to organize themselves and to enter the Rural Neighborhood Progress Contest — a project that had been presented at previous meetings by County Agriculture Agent George G. Reese.

At the meeting last Friday night Homer McCasland was elected North Bennett community chairman. Other officers who will serve with Mr. McCasland are Frank Kerby, vice chairman; Mrs. Raymond Booker, secretary; Mrs. C. O. Geeslin, chairman of the refreshment committee; and Mrs. H. C. McNeil, chairman of the recreation committee.

The North Bennett community organization will meet at eight o'clock on the third Friday night of each month.

From Center City, Oleta Coffman sent this report:

"As I write this I can say for certain that everyone around here has a lot for which to be thankful. We have had a wonderful rain. Who said it couldn't rain in Texas?"

Roy Lee Hill reported from 3½ miles southwest of Star that 4 inches of rain on his place had drowned the green bug that for so long had fouled up his Sam Henry Rahl rain gauge. Reporting better than four inches of rain from Chappell Hill, the Eagle's Miss Pearl Crawford wrote in part as follows:

"The farm work has progressed nicely during the past week. We have no bottom season. The trees and grass have begun to put on their coats of beauty and our corn and garden crops have started to show up."

Unaccustomed sights are to be seen along roads and highways in Mills County. Tanks that have been dry for so long now have water in them and some of them have run around.

While there were some heavy showers and claps of thunder that followed flashes of lightning, the rains from last Friday through Tuesday of this week (Continued on Back Page.)

Three Arraigned For Post Office Theft At Mullin

Two men and a woman, charged with burglarizing the Mullin Post Office recently, were arraigned in San Angelo last week after they had been questioned by Sheriff C. F. Stubblefield, Texas Ranger Clarence Nordyke, U. S. Post Office Inspectors and other law enforcement officers.

The accused, who were taken to San Angelo by a Deputy U. S. Marshal for arraignment before a United States Commissioner, were identified as Dale Hall of Terminal City, James Harris Crossnoe of Lubbock, and Mrs. Hazel Louise Parker, alias Brown, of Richland Springs.

Hall and Crossnoe are ex-convicts. Mrs. Parker's and/or Brown's husband also has a criminal record. Pending trial, bonds were set for the men and woman, who are alleged to have removed a safe from the Mullin Post Office, broken it open off the old Wire Road, and removed about \$50.00 cash from it.

Sheriff Stubblefield brought the accused men to Goldthwaite Thursday of last week from Midland, where they were apprehended, and the woman was brought here by a Deputy U. S. Marshal last Friday. When they were apprehended they were in a car belonging to a brother of one of the men. The brother is serving a 99-year prison stretch. Found with the accused was an impressive assortment of tools including a sledge hammer, chisels, screw drivers, drills and other tools useful for breaking into buildings and for rifling safes.

Judge Dice Will Sit Here Friday

District Judge Wesley Dice was scheduled to sit at the Mills County Court House on Friday of this week. District Court Clerk Earl Summy said that the major business Friday will be selection of a Grand Jury for the May term of Court and the drawing of a panel for petit juries.

THE GOLDTHWAITE EAGLE AND THE MULLIN ENTERPRISE MEMBER, TEXAS PRESS ASSOCIATION AN INDEPENDENT NEWSPAPER Published Every Friday at Goldthwaite, Mills County, Texas H. R. EKINS — EDITOR AND PUBLISHER

Table with 2 columns: Rate/Category and Price. Includes Single Copies, 3 Months, 6 Months, 1 Year, and Outside Texas rates.

Entered as Second-class Mail Matter at the Post Office in Goldthwaite, Texas, under the Act of Congress, March 3, 1879.

UNWORTHY EFFORT TO SUPPRESS NEWS

In Goldthwaite last week there was an attempt to suppress news. An informed people is our major defense against totalitarianism. So the effort last week to keep from the public news to which it is entitled did not succeed.

We were thinking about the unsuccessful effort to suppress news here when we came upon an editorial in the Fort Worth Press. It was entitled, "Freedom of News." It applies to our entire country — whether in Washington, or in small towns where freedom to print is often challenged.

"The germs of tyranny breed only in darkness. The growth of human liberty has been accompanied by freedom of information; by the right of people to know the facts about their governments. Dictators succeed only when they are able to choke off the truth and to spoon-feed the people with propaganda.

"Two methods are followed in depriving the people of information. One is to permit newspapers to live only by the sufferance of rulers in power. La Prensa (of Buenos Aires) refused to abdicate its duty to expose and criticize the Peron regime in Argentina, so it was closed.

"The second and more subtle method today poses a real danger to American liberty. Under it, newspapers are still permitted to print all the news they can find — the trick is to shut off legitimate sources until, in time, nothing gets into print that the governing bureaucracy doesn't want in print.

"In Washington, some government officials are gradually closing off sources of news that might be unfavorable to the Administration.

"The excuse, of course, is national security. But the real aim is security from criticism and exposure.

"Fewer and fewer public officials are willing to risk the give and take of a press conference. Some Cabinet members habitually refuse to see reporters.

"Under J. Howard McGrath, the Justice Department was a citadel of silence; it remained for a few earnest and honest members of Congress to expose the misconduct there, and the sickening corruption in the Internal Revenue Bureau.

"A reporter who wants to question John R. Steelman, the acting defense mobilizer, must go through a procedure daily that is as formalized and barren as a Chinese drama. Questions must be written out and submitted to Mr. Steelman's press agent. Then they are passed on — maybe.

"Economic Stabilization Administrator Roger L. Putnam will cheerfully discuss the weather — and nothing else.

"The American Society of Newspaper Editors, which just met in Washington, is rightfully concerned about the drift toward censorship. At last year's meeting, the editors demanded that the President justify his order blanketing non-military agencies under military-type 'security' regulations.

"The President, a man said to be concerned with his place in history, ought to crack down on officials who are trying to hide incompetency, misconduct and worse under a cloak of creeping censorship.

"Then, no matter what the historians of the future write about him, at least it could be said that he recognized FREEDOM OF INFORMATION as an indispensable ingredient of human liberty and that he took steps to preserve it."

It is appropriate that the above editorial was published in the Scripps-Howard newspapers which carry a lighthouse over the motto: "Give light, and the people will find their own way."

We were brought up in Scripps-Howard, having had 18 1-2 years in that organization. We shall ever believe that "FREEDOM OF INFORMATION is an indispensable ingredient of human liberty."

SUBSCRIPTIONS, CLASSIFIED "ADS"

Elsewhere in this week's Eagle there is an advertisement announcing changes in our advertising and card of thanks rates and requesting subscribers to watch their expiration dates. It will be appreciated if all interested persons will read the advertisement. Higher classified advertising rates are justified completely not only by rising costs but also because of the sales power of this newspaper.

We would be happy to be able to send personal notes when subscriptions expire but we are giving up that pleasure in hope of being able to avoid having to increase our subscription rate.

WHEN THE OLD BIRD WAS YOUNGER

10 YEARS AGO—

(Taken from Eagle Files of April 24, 1942) Dr. and Mrs. J. M. Campbell of this city, who have returned recently from a two weeks' visit in California with their son, Lt. M. A. Campbell and Mrs. Campbell, received the following telegram a few days after arriving home: "Mountainview, Calif., April 7, 1942. Dr. and Mrs. J. M. Campbell, Goldthwaite, Texas, you are the proud parents of a first lieutenant. Spread the good news to the other families. One hundred dollars is not bad. Lt. M. A. Campbell."

Gid (Uncle Bud) Scallorn died in Scott and White Hospital at Temple last Thursday afternoon at 2:00 o'clock. Death was caused by exposure from wandering about on the ranch for three nights and two days.

Uncle Henry Rahi, 78, one of the oldest residents of this section and one of the best-known men in Goldthwaite, died at his home here Wednesday afternoon at 3:25 o'clock, after a two-weeks' illness.

A surprise birthday shower was given by the ladies in and around Caradan for Mrs. J. B. F. Wigley. She wishes to thank each and everyone for their kind thoughtfulness of her on her 76th birthday.

Miss Von Dean Geeslin, daughter of Mr. and Mrs. Clarence Geeslin of the North Bennett community was married to Lt. Ovie Drexell Clark, March 21, in Albuquerque, N. M. His parents are Mr. and Mrs. O. D. Clark of Blum, Texas. He graduated at the Air Base with honors on the morning of the 21st and they were married in the Air Base Chapel in the evening.

On April 17, Mr. and Mrs. W. D. Marshall celebrated their 56th wedding anniversary by having a few of their friends for dinner. Those who attended this happy occasion were: Dr. and Mrs. J. M. Campbell, Mr. and Mrs. J. E. Ward, Mr. and Mrs. H. B. Curtis, and Mr. and Mrs. J. D. Urquhart.

Word has been received by Mr. and Mrs. Everett Faulkner that their son, Merik, has been promoted to the rank of sergeant. He is stationed at the Headquarters Battery, 48 F. A., APO No. 7, San Francisco, Calif.

Mrs. A. M. Whitt was rushed to a Brownwood hospital where she underwent an appendectomy Friday morning. At last report she was doing nicely.

Sgt. Verner Hueckaby of Camp Blanding, Fla., visited his parents, Mr. and Mrs. Henry Hueckaby last week.—North Bennett News.

A total of three and 38/100 inches of rain has fallen in Goldthwaite since Easter Sunday, according to records kept by Government Volunteer Weather Observer Harry Allen. This makes a total for this year of 5.06 inches.

Mr. and Mrs. J. D. Walton received word from their son, Myron, that he was made corporal on his return to California after a visit here Easter. He is now stationed at Armanda Island.—Center City News.

Mr. and Mrs. Rube Vaughan have announced the marriage of their daughter, Wanda, to Sgt. Lee Roy Tate in Florida, on April 11. He is now stationed with the 36th Division at Camp Blanding, Florida.—Prairie News.

25 YEARS AGO—

(Taken from Eagle Files of April 29, 1927) The second Sunday in May will be observed as Mother's and Father's Day at Big Valley Church. This Sunday has also been designated as home-coming day for all members, former members and former Pastors.

On April 9th the spirit of little Davis Shuffield returned to the God who gave it. Davis was 5 years, four months and twenty days of age. He leaves a father, mother and two sisters to mourn his loss.

Last Friday night, April 22, the juniors of the Goldthwaite High School entertained the seniors by giving them a reception at the home of Mr. and Mrs. R. V. Littlepage.

Mr. and Mrs. R. E. Bradbury and family of Lometa were guests last Sunday of Mrs. Brad-

bury's sister, Mrs. Claude Wilson. Mrs. Allen Ross visited last week in Big Valley. Dr. and Mrs. Brooking left on the Monday morning train for a week's visit in El Paso, attending a medical convention.

Miss Norma Philen is visiting in Noman this week. Miss Inez Rhodes from Jewett has been visiting Miss Cella Wilcox of Mullin this week.

Mr. and Mrs. Roy Bates and little niece spent last weekend with their grandparents, Mr. and Mrs. F. N. Irwin. Beal Baker and family visited Wednesday here with his uncle, C. D. Bledsoe and family.

Mrs. W. W. Queen and her mother, Mrs. Womack, left last Saturday for San Marcos, where Mrs. Queen will enter summer school. Mr. and Mrs. Paul Horton and family of Pleasant Grove visited Mr. and Mrs. E. L. Pass last Sunday.

Willie Allen and Hermon Richards were in San Angelo the first of the week. Lindon Morris of Wichita Falls spent a part of the week here with home folks.

Miss Eloise Kyle spent Sunday in Lometa. Miss Pauline Dalton spent last Sunday in Dublin visiting Miss Bernice Littlepage.

Rev. J. R. Davis of Coleman visited friends at Rock Springs last week. Mrs. C. R. Wilson is improving and her host of friends will be glad when she can return from the hospital.

Prof. John M. Scott, Superintendent of Mullin High School, was in Goldthwaite Wednesday on business.

50 YEARS AGO—

(Taken from Eagle Files of April 25, 1902) The first automobile ever seen in Goldthwaite arrived here Wednesday afternoon. Mr. Emory, a dry goods drummer from New York, and Mr. Hansford of Houston were the passengers on the vehicle. When the gentlemen first arrived it was reported that they were selling the automobile at the low price of \$1,000, and a number of our citizens made a rush for them in order to secure one before they were all gone. The gentlemen were not selling the vehicles, however, and we were all disappointed.

Mr. Emory intends traveling in an automobile and Mr. Hansford was teaching him how to run it. They left for Brownwood Thursday morning. French Straley, a young man in the employ of W. A. Harper on his ranch was breaking a young horse Tuesday when the animal fell upon him, breaking his left arm. When he fell his foot was caught in the stirrup and had not Robert Harper been present to rescue him he would have been killed. He was rendered unconscious by the fall, and Robert Harper jumped upon the horse and held the animal on the ground, while two small boys came to his assistance and extricated young Straley from his perilous position.

P. H. Clements spent last Saturday in Austin on land business. Last Sunday Mrs. Emma Whitaker and Mrs. J. P. Sharp, with their children, went to Bull's Springs to spend the day. At noon the ladies made a fire to boil coffee and in some manner Mrs. Whitaker's dress caught fire. Fortunately Mrs. Sharp was standing near and throwing a buggy robe around Mrs. Whitaker hurried her to the creek and plunged her into the water and thereby extinguished the flames. Both ladies were burned about the hands and one of Mrs. Whitaker's hands was burned very badly.

G. W. Cunningham of Irion County has been here this week attending Court and visiting his daughter, Mrs. R. E. Clements, and his many friends. J. H. Burnett this week bought 225 steers, 2 and 3 years old, from Cooke and Taylor, 40 head from Jack Kelso and 44 head of 1 and 2 year old steers from John Perkins.

Misses Ada Bushee and Beulah Minor attended the Confederate Reunion at Dallas. J. M. Valentine, having completed his work at Antelope Gap and spent a few days visiting friends in this city, left, Monday night for his home in Winters. He expects to return to this city

GUEST EDITORIAL

(Editor's Note: With the withdrawal of United States Senator Tom Connally from political life, a number of newspapers, large and small, are giving their support to Texas Attorney General Price Daniel. The Dallas Morning News has done so. Also, our highly esteemed neighbor, the San Saba News, has given its support to Mr. Daniel in a first page editorial column by Jack Bowen. First, here is the editorial from the Dallas Morning News in full:)

As long as Sen. Tom Connally was in the race with Price Daniel, The News was not of a mind to pick up the cause of either. It saw not a great deal to choose between the long experience of the one and the youthful vigor of the other. And there was little to choose between the unquestioned integrity and good sense of the two men.

But the voluntary withdrawal of Senator Connally resolves all doubts as to whom Texas should send to the Senate. Price Daniel is undoubtedly the state's best-qualified man available to make the race.

His more than five years in the Attorney General's office has given him wide experience in public affairs, including many issues that will continue to confront him as a Senator. His unrelenting fight on behalf of Texas and other states against the attempted tideland grab by the Federal Government has few parallels in the history of Texas State officialdom. Had it not been for his intelligence, organizing ability and, above all, his driving, never-say-die spirit, the states might have lost the tidelands issue months ago. The people of Texas can take no greater action to strengthen the cause of the states in the tidelands fight than by sending him to the Senate.

Furthermore, Price Daniel had the courage to jump into the race against the politically powerful Tom Connally when such action was highly doubtful from the standpoint of his future political success. He risked his political future because he was fighting mad over the unretained injustice to Texas and other states coming out of the unfair and unjustified Supreme Court decision. He was thinking, not of his own personal interests, but of the interests of the state as he saw the need of safeguarding them.

If Texas ever had a public servant with sound convictions and forthright willingness to fight for them, it has one in Price Daniel. This is exactly the kind of man we should pick to represent us in the United States Senate.

In the San Saba News Editor Bowen, who had been a strong Connally man, paid high tribute to the Senator and then went on to praise Mr. Daniel. Editor Bowen also "ate crow" for having hooted a few weeks back at Louis Crump, one of San Saba's leading citizens, for having predicted the retirement of Senator Connally. "W. Louis O'Crump" has been a staunch Daniel man from the start. Following are the three concluding paragraphs from Jack Bowen's "Round Up" in last week's San Saba News:

Editorially, the News was supporting Senator Connally for reelection. Now it becomes necessary for us to take another stand. Realizing that today Price Daniel has no opposition for Senator Connally's seat, we nevertheless stand with Mr. Daniel in this race.

We feel that Price will make an admirable Senator. Bringing credit to his state and himself and will do a good job as U. S. Senator. Texas will not have to apologize for its new Junior Senator, Price Daniel, when he takes his seat.

WE BOW TO Louis Crump. This lad apparently had some inside information. Several weeks ago he, during one of our debates (which no winner was declared) on the Senatorial race, predicted that Senator Connally would withdraw. We hooted at the idea. But he was right. And we bow to Crump and his crystal ball.

Numerous other newspapers, including the Fort Worth Star-Telegram, the Abilene Reporter-News, the Brownwood Bulletin and the Houston Chronicle have voiced their editorial opinion that Price Daniel is the man who ought to be sent by the citizens of Texas to replace Tom Connally in the United States Senate. Some of the latest supporters of Mr. Daniel have gone so far as to express hope that he will not have opposition.

In a few weeks to remain several months. He is a carpenter with ability far above the average and will always secure as much work as he wants and his many friends will be glad to have him with them again.

Owen and Lee Yarbrough visited Dallas this week.

The Eagle's Aery

By The Editor

At a meeting of the Goldthwaite Lions Club on Wednesday night of last week, when the ladies of the Lions also were present, Representative O. C. Fisher of the 21st Texas Congressional District was the guest speaker. The editor has the utmost respect and admiration for Congressman Fisher and we believe that the more than 50 persons who heard him speak to the local Lions last week went out of the meeting feeling prouder than ever of our own Representative in the Congress of the United States.

As Congressman Fisher spoke the editor took some notes. They do not pretend to cover the speech as a whole. But they do contain the highlights of an earnest talk to his constituents by a man who works hard and conscientiously to render public service. Congressman Fisher is a candidate for reelection but there was nothing political about his "chat" with the Goldthwaite Lions and their ladies and guests on Wednesday night of last week. He was back in his constituency visiting during the Easter recess of the Congress and he spoke simply of problems that concern all of us.

The talk by Congressman Fisher was as objective, the editor believes, as the articles from Washington by him and that we publish nearly every week in the Eagle. Here are some of the quotes from Congressman Fisher's talk in Goldthwaite last week:

"Too many of us are inclined to overlook the hardships and sacrifices that are being endured by our fighting men in Korea. . . . The fact that we have been at war in Korea for so long ties in closely with the Battle of the Budget in Washington and the effort that some of us in the Congress have made to narrow the gap between income and expenditure. I want all of you to know how aware we are of the very heavy burden of taxes that is being carried by the citizens of our country. . . .

"In fighting the battle of the Budget in Washington, we have had to recognize that we cannot reduce taxes until the budget is balanced. Meanwhile, our country is suffering because of the danger that we are reaching the point of diminishing return. . . . Venture capital is being discouraged from investment in productivity and such a process most certainly will bring us to the point of diminishing return — for if there is not venture capital at work, then there will be no source of revenue from taxes.

"A large part of our enormous and unprecedented budget is due to the military preparedness program. Nobody wants to hurt the preparedness program but it is necessary to take the fat out of it. This year, we in the Congress cut \$ 1/2 billion dollars out of the President's budget and some further cuts are in prospect after the Easter recess. . . .

"The Foreign Aid program is certainly due for a cut. The budget for it was set by the President at \$ 9 billion dollars. . . . It will be cut by two or three billion dollars or even more. Senator George of Georgia and Senator Byrd of Virginia say that it can be done. (In the course of his talk, Congressman Fisher undertook to give his audience an idea of what a billion dollars means. He said that if, every day since the birth of Christ, somebody

had given away one thousand dollars, he still would be a billion dollars short of having given away one billion dollars.

"In fighting the Battle of the Budget in Washington some of us realize that the dollars we appropriate for spending are YOUR dollars. Amazingly, figures are of vital importance to every American. In the military preparedness program, we have to face the fact that ten billion dollars must be spent annually. . . . procurement. . . . two billion dollars at least must be expended for research and development — and it is in the field that our hope for the enormous reservoir of Communist manpower. Only technical skill and the development of modern weapons, including guided missiles, atomic weapons, can we have any hope of meeting the threat of Communist aggression. . . .

"Our World War II program is obsolete. . . . We think of that when we spend the money that we appropriated last year does not have immediate results. We voted the money for a Group Air Force, but we not have such an Air Force until at least 1955. . . .

"Despite the waste and extravagance in government, are some non-military expenditures for services and accomplishments that we do without. They include conservation. . . . It is of highest importance that we maintain a fertile soil. . . . of the fact that every year we have a net increase of 1 million in our population. . . . getting more people, we cannot get more acres so the only way we can preserve is to make our soil we have and make it productive as possible."

Congressman Fisher was vigorous in his opposition to the federal housing program which he cited as just an example of "a lot of the essential spending by the federal government." He set himself against socialism represented by the federal housing program. He said: (Continued on Page 9)

Miss Carolyn Jane King Is Wed To Carl William Knox In Dallas

Miss Carolyn Jane King of Dallas and Carl William Knox, Jr., of Goldthwaite were married at 8 p. m. Friday, April 18, in Perkins Chapel of Southern Methodist University at Dallas. The bride is the daughter of Mr. and Mrs. Walter Earl King of Dallas. Mr. and

Browne & Browne Photo.

MRS. CARL KNOX Mrs. Carl W. Knox, also of Dallas, are the bridegroom's parents.

The Rev. W. A. Welsh, Pastor of East Dallas Christian Church, officiated. The bride's sister, Miss Betty Claire King, was vocalist, and James Mellor, organist.

Attending the bride were Miss Ida Galleshaw of Dallas, maid of honor; Miss Ruth Knox and Mrs. Pat Rauschelbach, Dallas, the latter two sisters of the bridegroom.

Justin Hickey of Fort Worth was best man. Groomsmen were Pat Rauschelbach of Dallas and David Hickey of Fort Worth. Lindy Berry of Fort Worth ushered.

Given in marriage by her father, the bride wore a gown of princess lace on point d'esprit over nylon tulle. A deep band of shirred tulle edged with val lace outlined the neck and formed the sleeves. The bouffant tulle skirt was covered in front with an apron of lace and extended into a circular train. Her veil was attached to a Juliet cap of heirloom lace, embroidered with seed pearls. She carried white lilies and a white orchid.

A reception was held at the King home. After a honey-

moon at the Eagle Rock Ranch at Wimberly, the couple are residing in Goldthwaite.

Mrs. Knox is a graduate of Southern Methodist University and is a member of Chi Omega sorority. Coach Knox is a graduate of Arlington State College and Texas Christian University. He was elected junior and senior favorite at the latter. For the past two years he has been coach of the Goldthwaite High School Eagles football team.

Art And Civic Club Has Craft Program

An arts and crafts program with Miss Mary Elna Fouse as the instructor marked a meeting of the Goldthwaite Art and Civic Club at the homemaking building at the School on Thursday afternoon of last week.

At a short business session Mrs. George Gilbert, incoming President, announced her committee appointments for the coming year. Also, a letter was read from "CARE" headquarters acknowledging donations by the Art and Civic Club for destitute victims of war in Korea.

For her portion of the program, Miss Fouse gave instructions in leathercraft.

Wedding Bells

Since last report County Clerk Earl Summy has issued marriage licenses to the following: Clifton Merwin Fry and Evelyn Marie Horn.

Mrs. J. M. Spinks left Tuesday for several weeks visit at Midland and Imperial with her children.

Miss Mary Balzen Is Wed April 13 To Ray Kincheloe

Miss Mary Balzen of Hamilton became the bride of Ray Kincheloe of Star, in a double ring ceremony solemnized Sunday afternoon, April 13. She is the daughter of Mr. and Mrs. Oscar L. Balzen of Hamilton, and the groom is the son of Mr. and Mrs. Ace "Bud" Kincheloe of Star.

The wedding took place in the Church of Christ of Hamilton with Minister Charles Hodge of Abilene Christian College reading the vows.

The bride wore a formal white wedding gown of organdy over taffeta, with a fingertip veil and a corsage of shell pink carnations.

Kathleen Sugg served as maid of honor. She was dressed in a sky blue organdy formal, and her corsage was also of shell pink carnations.

Ira Lee Kemp, cousin of the groom, served as best man.

A reception followed the ceremony, in the home of the bride's parents.

After a short wedding trip, the couple have made their home in Center City. Mr. Kincheloe is employed in Goldthwaite.

Surprise Party For Mrs. J. B. F. Wigley

Relatives and friends of Mrs. J. B. F. Wigley and her son, John Fisher Wigley, gave them a surprise joint birthday party last Sunday at the home of Mrs. Bertha Weathers, who is Mrs. Wigley's daughter. Mrs. Wigley was 86. Her son, John Fisher, whose birthday anniversary actually fell last Saturday, declined to provide any information about the weight of years that rests so lightly upon him.

Mrs. Norman Duren, a granddaughter of Mrs. Wigley, baked the birthday cake for Grandma and her Pa. Many gifts were showered upon Mrs. Wigley but there were no reports as to whether John Fisher got more than a piece of cake.

All of Mrs. Wigley's children were present for the birthday dinner.

The guests included Mr. and Mrs. A. C. Taschinger, Sr., Mr. and Mrs. A. C. Taschinger, Jr., and their daughters, Kay, Sandra and Deborah of Houston;

Mr. and Mrs. L. W. Wigley of Evant, Mr. and Mrs. John Fisher Wigley and Johnny and Jimmy of Durenville, Mr. and Mrs. C. G. Scrugg and their son, John Mark of Dallas, Mr. and Mrs. June Clifton and their daughters, Rosland and Kay Frances, Mr. and Mrs. Norman Duren and their children, Norma Fay and Jerry, Mrs. J. A. Vines, Mrs. Franklin Dew Weathers and, of course, the hostess, Mrs. Bertha Weathers.

IN THE 1952

Mobilgas Economy Run

New Ford Mileage Maker SIX Thriftiest in its Field!

Again this year... as in the past two years... Ford was first in gas economy over all other cars in its price class in the Mobilgas Economy Run. In this toughest test, a stock model Ford Six equipped with Overdrive (optional at extra cost) averaged 53.855 ton-miles per gallon and 25.463 actual miles per gallon.

This was a very special triumph for Ford's All-New Mileage Maker high-compression Six. For now, with its new design providing 101-horsepower and free-turning overhead valves, Ford is definitely pound-for-pound the most economical low-priced car to run! Yes... Ford's thrift was clearly proved by the 1,415-mile grind from Los Angeles to Sun Valley. And a very important factor contributing to this victory is Ford's Automatic Power Pilot which squeezes the last ounce of power out of every drop of gas.

*The AAA Contest Board determines the winner by a "ton-mile per gallon" formula to insure equal chance for all cars in each class regardless of size and weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by number of miles traveled, divided by number of gallons consumed.

"Test Drive" the Economy Winner Today!

GHS Class Of 1951 Holds Reunion Here

With a blushing apology for being so late in telling about it, Miss Ramona Flores, who is studying to be a big-shot business executive in Dallas, reported this week that away back on April 12 the Class of 1951 of the Goldthwaite High School had a reunion.

The reunion, Miss Flores said, was held at the Mills County Youth Center of the First Baptist Church of Goldthwaite. It was attended by more than 25 members of the Class of 1951 and Mrs. Hoyt Cockrell, who was the Class Sponsor, and her small daughter, Suzanne.

Class officers who were elected at the reunion were Jimmy Bryant, President; Sylvia Jones, Vice President; Janetha Welch, Secretary; Virgil Terry, Treasurer, and Ramona Flores, Reporter.

"Fellow class members, please forgive me because this report is late, Miss Flores wrote when she finally got around to sending it.

Funeral Rites Are Held In Dallas For Henry Taff

Funeral services were conducted in Dallas on Thursday of last week for Dallas County Sheriff Henry Isaac Taff, a native of Goldthwaite, a resident of Garland, who died on Wednesday of last week in an ambulance en route to a hospital from the office of a Dallas physician.

Mr. Taff, a nephew of Mrs. Emma Oitroge and Mrs. W. C. Taff of Goldthwaite, was 44. The rites were conducted by Rev. Henry Mood, Pastor of the Garland Methodist Church, in the funeral home at Dallas.

On the day he died, Mr. Taff was on his way to his work. An ambulance was called for an examination revealed a heart ailment, but Mr. Taff died before arrival at hospital.

At one time Mr. Taff was a deputy sheriff in Johnson County. During World War II he served as a special FBI agent and he also was a police officer of the Santa Fe Railroad. He was a deputy sheriff in Dallas County in 1949 after having been an appliance dealer in Dallas and Gainesville.

In addition to his wife, Mr. Taff is survived by a daughter, Mrs. Jo; a sister, Mrs. Minnie Taff, and a brother, Jack M. Taff, both of Dallas.

Funeral services for Mr. Taff were attended by Mrs. Farris Taff, Mr. and Mrs. Jack Long and Mr. and Mrs. W. C. Fox, all of Goldthwaite.

Mr. Taff was a son of the late Mr. and Mrs. Joe Taff of Goldthwaite.

Pastor Resigns

The Rev. Travis Ellis, who some time has been Pastor of the Baptist Churches at Big Bend and Trigger Mountain, resigned both of his pulpits and this week he and Mrs. Ellis went to Amarillo to take temporary residence. The families of both Brother and Mrs. Ellis live in Amarillo.

R. E. Worley Operates Generator To Aid In Encouraging Rainfall

One of about 52 pieces of apparatus designed to encourage rainfall in Texas has been operating since last January at R. E. Worley's hatchery in Goldthwaite. Since the past week has shown that rain can fall hereabouts, this story is told about Mr. Worley's part in an effort

Lost Collie Dog

If you have seen a reddish-brown collie dog with a white ring about his neck, please communicate at once with Jesse Moreland at H. E. Moreland & Son's feed store or with Robert Burdette. The collie, a male, has been lost since April 11 and Mr. Burdette is most anxious to have him back. Jesse Moreland is simply a member of the search organization. The dog, by name of Sandy, is about a year and a half old. Sandy went off into the big world in search of adventure without a collar or tag around his neck.

Billy Ray Harper Ends Navy Course

Billy Ray Harper, son of Mr. and Mrs. P. O. Harper of Star, has just completed a specialized training course in the highest radio school of its type that is maintained by the U. S. Navy near Norfolk, Va. Following completion of the course, he has returned to ship duty. Mrs. Harper, the former Nell Corman Wilkins, daughter of Mr. and Mrs. Roy Wilkins of Goldthwaite, is making her home in Norfolk with her husband.

Douglas Huffman At Camp Roberts

Pvt. Wilbur Douglas Huffman, son of Mr. and Mrs. Jack Huffman of Rt. 1, Goldthwaite, is on duty at Camp Roberts, Cal., where he has been assigned to duty with the service battery of the 440th Armored Field Artillery Battalion. Camp Roberts is the home of the 7th Armored Division.

—Eagle Want Ads Get Results—

sized that effects of each generator are not felt in the area immediately surrounding it.

The effect is not felt until the silver iodide particles released from the generator have had time to be picked up by the winds (much like smoke, dust, and other particles of foreign matter) and carried into the upper air streams in which rain-producing clouds are present.

These effects occur at varying distances from where the generator is being operated, depending upon the speed and direction of the upper air streams which diffuse the silver iodide particles.

Officials of the firm also pointed out that it is not necessary that the operator of a silver iodide generator be at all acquainted with the science of meteorology. The only function of the generator operator, they pointed out, is to turn the generator on or off when instructions are received by telephone from the firm's Dispatcher in Denver.

The generator operations are controlled from the Denver office because in that office tele-

types feed a constant stream of weather information into one central point informing the trained meteorologists on the staff of the Water Resources Development Corporation when and where clouds suitable for seeding are occurring.

The generator burns special coke which has been impregnated with silver iodide. As this coke is burned in the generator, the silver iodide is vaporized and then crystallized. These crystals are so small that they cannot be seen with anything less powerful than an electronic microscope.

They have about the same weight as the air particles, so they float. As they drift out of the generator, they are picked up by the winds and blown into the upper air streams which carry moisture-bearing clouds. The function of the silver iodide crystals in the clouds containing moisture is to afford nuclei or gathering places for these small droplets of moisture within the cloud so that enough of them can assemble and attain sufficient weight to fall out in

the form of rain or snow.

Officials of the firm pointed out that silver iodide in quantities released by any one of the generators is not toxic or harmful in any way to either animal, plant, or human life.

The generator is operated only when conditions are such that rain might be expected from natural causes since the only function of the cloud seeding operation conducted by the Water Resources Development Corporation is to increase and modify rainfall, not actually create it.

Thus, it can be seen that the operation of a generator in this

area will have no effect in the immediate vicinity.

But, with other generators working at such places as Brady, Waco, and in other directions from Mills County, there may develop another case of "cast your bread upon the waters." Mr. Worley operated his generator for nine hours during the month of March. Everybody in Mills County hopes that other generator operators who seed clouds coming this way will be instructed to operate a goodly number of hours each and every month.

Freckles Is Lost

Mrs. Monroe Geeslin has lost a part collie female dog and she is so anxious to have the dog, named Freckles, back at home that she has offered a reward. Freckles, who is five

months old, is white with buff spots. If you know anything about the whereabouts of Freckles, please telephone to Mrs. Geeslin at Goldthwaite 141-J.

Mrs. Jim Beadling and son visited last weekend with her aunt, Mrs. T. L. Hammond, and family. Mrs. Beadling and son will join her husband, Lt. Beadling in the Philippines in May.

B. Glen Dellis Dies In Coleman Of Heart Attack

Bradford Glen Dellis, a brother of Olen Dellis of Lampasas and of Roy Dellis of Goldthwaite, died in hospital at Coleman last Sunday night after having suffered a heart attack a week before. He would have been 37 on April 29.

Funeral services were held last Tuesday morning at the First Methodist Church of Coleman with the Rev. J. D. F. Williams officiating. Interment was in the Coleman Cemetery.

Mr. Dellis, who was born in Goldthwaite, served for 40 months in the Air Force during World War II. He attended school at Mullin. He had been a motor car salesman for 12 years.

Mr. Dellis, who was a nephew of Clifford Dellis, formerly of Goldthwaite and now of Harlingen, moved to Coleman about 15 years ago.

In addition to his brothers, survivors are his widow, the former Charlene Collins of Brownwood; a son, Terry, 4; and two sisters, Mrs. Blanche Prater of Raymondsville and Mrs. Erma Petty of Welch.

Mr. Dellis was a member of the Methodist Church, the American Legion and the Independent Order of Odd Fellows.

Working On Monday At Williams Ranch

Next Monday has been set for a Working at the Williams Ranch Cemetery. It is hoped by those in charge that all interested persons will attend the working with tools and good strong backs.

Larry Dalton And Family Involved In Highway Wreck

Mr. and Mrs. Larry Dalton of Goldthwaite, their children and their mothers, narrowly escaped serious injury last Sunday about four miles north of Stephenville in a highway accident.

Mr. Dalton, who was driving his car, became involved on a slippery highway in a collision with a tow or "wrecker" truck which pulled suddenly into his path while he was passing a cattle truck.

Head injuries were suffered by Mr. Dalton and his wife had painful injuries to her knees. Mrs. Elva Moreland, Mrs. Dalton's mother, suffered a seriously injured arm and Mr. Dalton's mother, Mrs. Alva Dalton, was bruised on her cheek.

Judie Dalton, who is 7, lost three of her teeth when she was thrown against the windshield and Charlotte Dalton, 2, was cut on the lip. Mr. Dalton's car was very badly damaged.

Working May 1st At Duren Cemetery

The semi-annual Working of the Duren Cemetery will take place on Thursday of next week. Mrs. W. H. Wasserman and Mrs. Frank Butler, members of the Duren Cemetery Committee, urged all interested persons to "please come and bring tools and a willingness to work."

Opal Featherston Leaves Hospital

Mrs. Carl Featherston of Brownwood, formerly of Goldthwaite, returned to her home this week after being a patient in the Medical Arts Hospital in Brownwood for the past month, following two major operations. Mr. and Mrs. Richard Adkins and daughter, Susan, of Albuquerque, New Mexico, and Mrs. R. B. Balentine and daughter, Deborah Ann, of Wichita, Kansas, are spending three weeks with their parents and visiting other relatives at Brownwood and Goldthwaite.

Loy Long Grocery's RECIPE OF THE WEEK
By Mary Lee Taylor

Duchess Potato Salad

2 slices bacon, finely cut
1/4 cup finely cut onion
2 teaspoons flour
1 teaspoon salt
2 teaspoons sugar
1/2 teaspoon dry mustard

1/4 teaspoon pepper
1/2 cup vinegar
1 cup Fat Milk
3 cups sliced, cooked potatoes
1 1/2 cups cut-up drained green beans
cooked or canned
1 cup cut-up celery

Cook bacon slowly until crisp. Remove bacon pieces and save. Add onion to fat; cook slowly 5 min. Blend in flour. Add salt, sugar, mustard, pepper and vinegar. Cook and stir until thickened. Remove from heat; stir into milk. Put bacon pieces and vegetables into bowl; add dressing. Mix gently until vegetables are coated with dressing. Makes 4 servings.

Gwin-the Cleaner
Goldthwaite, Texas

**May 2nd Is Set
For Pre-School
"Roundup" Here**

A "round-up" of children of pre-school age — those who will enter school next September — will be sponsored by the Goldthwaite Parent - Teacher Association on Friday of next week at the office of Miss Maxine Geeslin, Goldthwaite School Nurse.

Mrs. Jim Weatherby, President of the P-T. A., urged that as many mothers as possible, along with their children of pre-school age, be at Miss Geeslin's office at 9:00 a. m., on Friday, May 2. However, Mrs. Weatherby said, Miss Geeslin will be available at her office at the Goldthwaite Grammar School all day on May 2 to confer with mothers and children who may be unable to attend the 9:00 a. m., meeting.

Miss Geeslin will make suggestions for a health program to be conducted during the coming summer and she will be prepared to administer preventive serum, such as against small pox, when desired.

The health of children entering school is of great importance and if they are in good health they will more readily adapt themselves to the routine of classroom work, Mrs. Weatherby pointed out.

Clifford Hunt and wife of Galveston were guests of his parents, Mr. and Mrs. A. M. Hunt, last weekend.

Mrs. C. G. Partin and Mrs. Cecil Partin visited with Mrs. Bill Partin, Tommie, Jimmie and Jesse recently.

State FHA Meeting

Marjorie Whitt of the Goldthwaite High School, out-going District President of the Future Homemakers of America; Martha Carolyn Graves, Area Pianist; and Miss Elna Fouse, local FHA Sponsor, were attending the State FHA Meeting at Fair Park Auditorium in Dallas this weekend. The meeting was scheduled to start on Thursday and continue through Saturday. Miss Whitt was scheduled to serve on the registration committee and Miss Graves was scheduled to assist in conducting group singing.

They Really Worked

Sixteen members of the Goldthwaite High School Chapter of the Future Homemakers of America toiled at whatever work they could get last Saturday and earned \$12.00 for their treasury. Jobs included housework, washing windows, ironing, yard work and cleaning venetian blinds.

San Saba Peak

By MRS. DUTCH SMITH
Mrs. Tom Hale left for a vacation with her daughter, Miss DeOla Hale. They went to Winters to visit Raymond Hale and family, to Possum Kingdom, Fort Worth and other places.

Mr. and Mrs. Terrell Casbeer entertained five Air Force boys over the weekend.

Mrs. Fate Eckert has gone to Amarillo to visit her daughter, Mrs. Fred Thomas (Althea Mae). She plans to stay a few weeks with the Thomases.

Fate Eckert spent the weekend in Austin with his daughter and family, the Hobart

Smiths.
Jess Ball took his mother and sister back to their home in Houston, and Mrs. Ball and little Jimmy stayed with her parents, the Dutch Smiths.
Mrs. Dutch Smith was in the Casbeer home Thursday morning.

John Harris visited in the Dutch Smith home one day last week.

Bill Hightower was in the Smith home Tuesday.

Mrs. Dutch Smith visited in the Oscar Burns home Friday.

Mrs. P. R. Jordan and Mrs. Henry Curtis came by for me to go to the Club, but I couldn't go as I had forgotten what day they met.

Mrs. Dutch Smith visited friends in Goldthwaite Saturday

**MERCURY BEATS ALL COMERS
IN MOBILGAS ECONOMY RUN**

3 WINS IN 3 YEARS!

**GRUELING
1,415-MILE
TEST**

What a test to prove Mercury's superiority! This year's Mobilgas Economy Run covers a 1,415-mile course from Los Angeles to Sun Valley, Idaho. This longest and toughest test extends from below sea level in sweltering Death Valley to 8,010 feet in Arizona mountains. Mercury outperformed all others and won both the grand Sweepstakes prize and first place Class C trophy.

**1952's challenger wins
Grand Sweepstakes Prize
against all entries!**

Mercury's done it again... captured the coveted grand prize in this "world series" for automobiles.

And this isn't the first time! Just look at the record: three out of three times winner in its price class; two out of three times Sweepstakes winner against all cars in every class!

The Mobilgas Economy Run is a punishing, 1,415-mile run open to all cars of every make. Unlike old-time stock-car classics, it tests on-the-road economy rather than speed.

Every car is a stock car, selected at random by the A.A.A. To assure an equal chance for all, regardless

of size and weight, ton-miles-per-gallon performance* determines the winner.

The results are now in the record book. A 1952 Mercury Monterey Special Custom Sedan with optional overdrive swept the field with a 59.7188 ton-miles-per-gallon mark, averaging 25.4093 miles per gallon. And the engine that did it is Mercury's famous V-8.

That's something to think about when you buy a new car.

Right now, in our showroom, is a 1952 Mercury similar to the one that won this official, impartial test. Why not stop around and give it a try? No obligation, of course.

*Ton-miles-per-gallon equals the car weight (with passenger), multiplied by miles traveled, divided by gallons of gasoline used.

**MERCURY—AGAIN PROVED "AMERICA'S NO. 1 ECONOMY CAR"
COLLIER COMPANY, Inc.**

Fort Worth Press Article Tells Of David Watters' Public Spirit

(Editor's Note: Under the headline, "David Watters Ignited A Spark to Restore Community Spirit," the Fort Worth Press of last Friday published an article that had as its subtitle, "Conservation Does A Job." The article about Mr. Watters was accompanied by his photograph. It follows in full.)

When the Little Red Schoolhouse grew into the big consolidated school, the small community lost the spirit that held it together.

Fast cars and smooth highways sped the farmer to the city

to do his shopping. City newspapers, radio and television provided news and entertainment.

The folks who used to make a social out of school meetings, May Fetes and exercises were drawn apart and became casual acquaintances, even strangers.

In the Pleasant Grove community near Goldthwaite, David Watters weighed the changing times. He found the small community disappearing as a force in our democratic system. He decided to do something about it.

Mr. Watters already was an avid soil conservationist because he believed that saving the soil

made for better farming. His local Brown-Mills Soil Conservation District, like the other 163 districts in the state, was set up democratically—run by landowners who actually lived on and made a living from the land.

Then the idea was born. Why couldn't the democratic conservation districts replace the vanishing little Red School House as the tie that would hold the local community together?

David Watters got busy. He headed a committee that wired up the abandoned school house at Pleasant Grove for electricity. He arranged for 15 soil conservation meetings to be held in the school—the new community center.

Today Mr. Watters is convinced that conservation can hold local communities together. Conservation has ignited the com-

munity spark at Pleasant Grove. After pioneering Madrid sweetclover in his area, Mr. Watters assisted his neighbors in planting cover crops. He became the equipment manager for the district in the community. When terraces were needed, he secured the county commissioners maintainer and terraces were constructed on five adjoining farms. A partnership waterway is now under construction. Teamwork. Local community spirit.

Because of conservation fever spread by Mr. Watters from the abandoned schoolhouse, two of his neighbors have completed their conservation plan, six farms are completed except for range improvements. Another farm has completed all but two miles of terraces. The remaining three farms are in the process of undergoing a conservation plan.

Mr. Watters is the Brown-Mills District choice for outstanding farmer of Texas in The Press' annual "Save the Soil and Save Texas" conservation awards program.

His dream has reaffirmed a faith in the local community as a bulwark of our country.

Joe Harris Miller Passes In Georgia

Mr. and Mrs. Wiley L. Mahan and Mr. and Mrs. Ellis Mahan and family attended funeral services in Meigs, Georgia, on Thursday of last week for Mrs. Ellis Mahan's father, Joe Harris Miller, 64, who also was the father of Randall A. Miller of Miami, Fla., a son-in-law of the Wiley Mahans. When Mr. Miller died early last week following an illness of about three weeks the Wiley and Ellis Mahans were in Ardmore, Oklahoma. They drove to Meigs for the final rites on Thursday of last week.

Mr. and Mrs. J. E. Jones of San Saba visited Mr. and Mrs. P. L. Hancock last Sunday.

Miss Lena Mae Jones of San Saba visited Miss Glynnell Cox of Goldthwaite last Sunday.

Mr. and Mrs. Floyd Jennings of Brady were Sunday guests of Mrs. Fred Barton, Mrs. Jennings is the former Miss Alta Cook of Goldthwaite. The couple were married April 9.

J. F. Lampman Is Called By Death April 19, Age 64

Jesse Franklin Lampman, who was a veteran employee of the Santa Fe Railroad, died in hospital at Temple last Saturday. He was 64 last January 13.

Funeral services for Mr. Lampman were conducted last Monday afternoon at the Church of Christ in Goldthwaite with Minister James A. Fry officiating. Interment was in the Duren Cemetery, with arrangements by the Fairman-Wilkins Funeral Home of Goldthwaite.

Mr. Lampman, who was born in Arkansas, came to Texas in 1906 and settled near Mullin. In 1914 he became an employee of the Santa Fe Railroad. During World War I he served overseas as an Army mess sergeant for a year and then returned to work with the railroad. He was a yard clerk in Brownwood for 20 years. Then, in 1939, he moved to Goldthwaite, where he lived until his death.

For the past year Mr. Lampman had been in ill health and he was a frequent patient in the Santa Fe hospital at Temple. In addition to his widow, Grace, Mr. Lampman is survived by a daughter, Loraine Lumpkin of El Paso; three brothers, A. I. Lampman of Alvarado and Ernest and Asa of Brownwood; two sisters, Effie Snowden of Fort Worth and Cora White of Brownwood; and 14 nieces and nephews.

Final Rites Conducted For Seth S. Dorbandt, Air Crash Victim

Seth S. Dorbandt of Mullin was killed on Wednesday of last week when a private plane that was being flown by his son, J. C. Dorbandt of Tyler, crashed in a wooded area near Palestine. J. C. Dorbandt did not suffer serious injuries but his father, who was 76, died in the wreckage of the crashed plane.

Funeral services were held for Mr. Dorbandt at the First Baptist Church of Mullin on Friday afternoon of last week. The Rev. Henry C. Garber, former Pastor at Mullin and now Pastor of the Baptist Church at Lometa, and the Rev. Howard Morgan, Pastor of the Mullin Methodist Church, officiated at the final rites. Interment was in the Oak View Cemetery at Mullin with arrangements by the Fairman-Wilkins Funeral Home of Goldthwaite.

Mr. Dorbandt was born on August 6, 1879, at Bertram. He was the son of the late Captain and Mrs. Thomas Dorbandt. He had lived in Mullin for 16 years. His father had served as an officer in the Army of the Confederacy.

At one time Mr. Dorbandt was Postmaster at Mullin, where he also had operated a cotton gin. He was a member of the Mullin Baptist Church.

Survivors include Mr. Dorbandt's widow, Janie; a daughter, Mrs. Duncan Victory of Liberty; and three sons, J. C. and Morris of Tyler and Seth Dorbandt, Jr., of Conroe. Two sisters and five grandchildren also survive.

At the time of his death Mr. Dorbandt was making his first airplane flight with his son, J. C., who is an attorney at Tyler, at the controls.

According to press accounts, the light plane in which the two Dorbandts were flying left Waco for Corsicana on Wednesday of last week. Darkness had set in when the plane arrived over Corsicana, where the younger Dorbandt was unable to locate the airport. He then set his course for Tyler but lost his way while attempting to follow a highway. Upon sighting the

You can expect to be spoiled!

When you own a new International truck, you'll never be quite satisfied with anything less.

The reasons are simple. International trucks are engineered for your job. You get a truck that is more comfortable, easier to handle. You get a truck that gives you lower operating and maintenance costs, longer truck life.

These are just a few of the reasons why so many International Truck owners are repeat buyers. Why not stop in soon and see all the reasons?

You'll do better with these International Truck features:

- All-truck engines—built in the world's largest truck engine plant.
- The "roomiest, most comfortable cab on the road"—the Comfo-Vision Cab.
- Super-steering system—more positive control, easier handling and 37° turning angle.
- The same traditional truck toughness that has kept International first in heavy-duty truck sales for 20 straight years.
- The truck engineered for your job . . . 115 basic models, from ½-ton pickups to 90,000 lbs. GVW ratings.
- Largest exclusive truck service organization.

Buy on Proof!

Before you buy any truck, let us give you a list of persons in this area who have recently bought new Internationals like the one you are considering. Check with any or all of them. Find out how Internationals cut hauling costs on jobs like yours.

International six-wheel models are available in GVW ratings from 22,000 to 70,000 lbs.

Accounts Due And Payable On the First of Each Month

H. C. Carothers, 83, Formerly Of Mills County, Died On April 17

H. C. Carothers, who lived near San Saba Peak from 1899 until 1914, died on Tuesday of last week in a hospital at Georgetown after having been ill for three days. Funeral services were conducted on Thursday afternoon of last week with the Pastor of the First Methodist Church of Georgetown, of which Mr. Carothers was a member, officiating.

Mr. Carothers, who was 83, was a brother of Otis Carothers of Goldthwaite. His full name was Harlan Canaret Carothers.

Harlan Canaret Carothers, eldest son of the late Confederate Army Captain Sam Carothers and Sally Carothers, was born thirty miles south of Waverley in Hickman County, on the Duck River in Tennessee. He came to Texas with his parents in 1877 when he was a lad of eight, the family making the trip in a covered wagon and settling in Coryell County. While still in his teens, he became interested in cattle. He rode his first trip up the Chisholm Trail at the age of fifteen, from Texas to Dodge City, Kansas, for the W. D. Reynolds Stock Company of Fort Worth, and continued to ride the trail for three years.

Upon one occasion when the Red River was flooded, a big herd of Texas Longhorns had to be taken across. Across, and down the river, was a high bluff. The cattle were shoved into the water and began drifting with the tide. Someone had to ride in to turn them. None of the cowboys wanted to tackle it, except Mr. Carothers who volunteered. He sent a boy to saddle his best pony, and mounting, rode into the raging

stream. He had to lean from his horse and with his hand and boot, turned the heads away from the bluff and safely across. Only old-time cowmen know the hardships and danger of fording a swollen stream with a herd of cattle.

At the age of 19, Mr. Carothers married Miss Julia Roach, daughter of Pat and Mary Roach of near Gainesville on December 24, 1888, and to this union five children were born. They were two daughters, Miss Evelyn Carothers of Houston and Mrs. Virginia Bryant of Georgetown; three sons, V. M. Carothers of Austin, Martin Carothers of Marlin, and Alvin Carothers, deceased.

He moved his family to Mills County in 1889, and settled on his ranch near San Saba Peak, seven miles south of Goldthwaite, where they resided until 1914, when his wife's ill health caused them to move into Goldthwaite. Mrs. Carothers died on June 21, 1914.

In 1920, Mr. Carothers was married to Mrs. Louise Whittenburg in Lometa. Two sons were born to this union, H. C. Carothers, Jr., of Brady and Captain James W. Carothers, who is stationed with the Air Force at Bryan.

Before moving to Georgetown, Mr. Carothers married Mrs. Sallie Roach of Jonesboro on April 22, 1943. They had made their home south of Georgetown on Highway 81 since. Besides his wife and children, Mr. Carothers is survived by three brothers, Will Carothers of Lometa, Moore Carothers of San Antonio, and Otis Carothers of Goldthwaite; six grandchildren; seven great grandchildren, and other relatives and friends.

Civic Leaders

(Continued From First Page.)
on the program for Friday afternoon's meeting.

The swimming pool project already has been presented to the Goldthwaite City Council, with a request for cooperation, by Dr. T. C. Graves and Houston Duren, who were appointed members of a finance committee by Lions President Ray Duren. At a Lions Club meeting on Wednesday night of last week Mr. Duren reported that further developments in the project were expected as community interest increased.

Oh Boy! Rain!

(Continued From First Page.)

generally were soakers and the parched earth drank thirstily. Water that stood for a while in fields and pastures brought no complaints from farmers and ranchers. Even housewives whose homes were tracked up with mud by small boys were amiable.

The rains were general over Texas and extended into Oklahoma, Arkansas and Louisiana. On Wednesday there was a great blue dome of sky that occasionally was spotted by little fluffs of white clouds that didn't even threaten to cry.

Mr. and Mrs. Clint Terry of Kempner visited Saturday with Mr. and Mrs. F. E. Leineweber.
