SCHOOL HEAD

J. T. JONES

J. T. Jones, newly-appointed Superintendent of Schools, plans to move to Goldthwaite next Monday with Mrs. Jones and their three children from Olton, where Mr. Jones has been administrative head of the school system for the past few years. Mr. Jones will meet next Monday night with the Board of Trustees of the Goldthwaite Independent School District. In addition to impressive experience in teaching and school administration and construction, Mr. Jones also has been a rancher and a teacher of vocational agriculture.

Sheriff Urges Safe Holiday Driving

Death will ride the highways during the coming weekend so Sheriff C. F. Stubblefield has urged extreme caution by all Mills County residents who drive during the holiday.

Sheriff Stubblefield said that the National Safety Council, on the basis of actuarial figures, has predicted hundreds of casualties during Independence Day traveling. He expressed hope that a safety record may be set in Mills County by careful driving and by observing traffic regulations. "Keep an eye on the other fellow and keep your distance from him," the Sheriff said.

Weather Report

Scattered showers Sunday afternoon were measured in Goldthwaite by Harry Allen for the U. S. Weather Bureau at 1.0 of an inch. There was about the same precipitation on Pompey Mountain and Chappell Hill. Monday morning there was a mere spattering of rain in Goldthwaite. Then it got hot, dry and windy again.

Methodist Church To Start Series Of Revival Meetings On July 10th

Revival services at the First Methodist Church of Goldthwaite will start on Thursday of next week and will continue through July 20, it was announced this week by the Rev. Ed H. Lovelace, Pastor.

Brother Lovelace said that the

Please Apply For Absentee Ballots From July 6-22

If you cannot be in Mills County to vote on July 26 in the first Democratic primary election, you can cast an absentee ballot between July 6 and July 22 upon application to County Clerk Earl Summy. It was announced this week by Joe A. Palmer, Chairman of the Executive Committee of the Mills County Democratic Party.

Mr. Summy said that if necessary he will go to his office on Sunday, by appointment, to handle absentee ballots for those who cannot take care of the matter on any other day.

Also, Mr. Summy said, under the revised election code of the State of Texas, it is necessary for applicants for absentee ballots to appear in person at the County Clerk's office. In cases of illness so serious as to prevent personal applications, a physician's certificate will be essential before Mr. Summy can entertain an application for an absentee ballot.

Full details of voting by absentee ballot under the revised Texas Election Code are available at the office of County Clerk Summy.

PCA Open House

The San Saba Production Credit Association home office in San Saba will hold open house on Saturday, July 5, from 9:00 a. m. to 3:30 p. m., in its newly remodeled offices. It has been operating in a temporary headquarters for the past few weeks during the construction work. Refreshments will be served and all home office personnel and Mills County members are especially urged to attend.

Independence Day

In accordance with an agreement reached in the course of a poll conducted by the Goldthwaite Lions Club, a majority of the business houses in Goldthwaite will be closed this Friday in observance of Independence Day. The Mills County State Bank will be closed, as will be the Goldthwaite Eagle. Postmaster Lucile Fairman said the Post Office will observe the usual holiday schedule with window service for one hour, starting at 11:00 a. m. There will be no rural deliveries but mail will be received and dispatched as usual.

TOP LION

JESSE MORELAND

Jesse Moreland, who also is President pro tempore of the Goldthwaite City Council, was installed as President of the Goldthwaite Lions Club at a meeting on Tuesday night. As Lions Club President, Mr. Moreland succeeds Leston F. Bain, who now lives in Stephenville, where he has his headquarters as Chief Administrative Officer in Erath County for the Production and Marketing Administration of the U. S. Department of Agriculture. Upon nomination by the Board of Directors, Mr. Moreland recently was elected by acclamation to succeed Mr. Bain as Lions Club President.

Mr. Moreland was installed by former President Ray Duren who said: "With all sincerity it is a pleasure and honor to install you as our Lions Club President." Mr. Moreland responded with an expression of appreciation for the confidence bestowed in him and indicated by his election.

W. C. BARNETT FACTUALLY TELLS OF TEN YEARS OF PROGRESS IN GOLDTHWAITE AND URGES LEADERSHIP TO DEVELOP RESOURCES

After packing ten years of Goldthwaite municipal history, all of it representative of progress, into a talk of only 30 minutes, City Utilities Manager W. C. Barnett last Tuesday night called upon the members of the Goldthwaite Lions Club to help to provide the leadership and encouragement to harness energy and ambition for accomplishment in the future.

With Aldermen Everitt Holland and Carl Letbetter as guests of the Lions, Mr. Barnett spoke on "Facts You Should Know — Or Ten Years of Progress."

Following his introduction by Program Chairman Harold Yarrow, Mr. Barnett spoke on both the physical and financial aspects of Goldthwaite municipal life during the past decade and he concluded by saying: "I cannot help but think back to the times of Will Dew, Dr. J.

M. Campbell, Lewis Hudson, Hammond Bodkin and a number of others who served our community well. We miss many of the faces that we do not see any more. A number of the old estates have been liquidated and there are new faces, especially among the businessmen. The work that the men who are not with us undertook remains to be carried forward to completion. That calls for responsibility to be assumed by men such as you who are members of the Lions Club and by others in our town

"We have among us younger men of growing experience who give signs of both energy and ambition and a care for what lies ahead The energy and ambition remain despite the fact that we have been through a prolonged drought, the effects of which we shall feel for a long time

"We have lost population. . . . Our County population now is a little less than 6,000 The population of our town is about the same or only a little more. So as we think about what we have done we must think also of what is yet to be done. It is up to us to develop here or to bring in some type of industry so that we may keep our remaining population. Your electric system, your City Utilities, can take care of any one who may need electric power here for installations that will help our city to grow and progress."

Mr. Barnett pointed out that in reviewing "Ten Years of Progress" he was not able to include all details but he added that "the records always are yours and are open" and he urged those who are interested to study the records.

As an addition to his talk Mr. Barnett paid splendid tribute to the Goldthwaite Volunteer Fire Department and to its Chief, Jack Reid. He told of acquisition of a new fire truck during the past two years and of the reorganization of the Goldthwaite Volunteer Fire Department, which included provision for two drills each month. Volunteer firemen who attended the drills regularly are allowed a small deduction from their water bills

but they receive nothing for going to fires, Mr. Barnett said. And he told of the loyalty, hard work and conscientiousness of Chief Reid who, he said, by his performance had achieved a reduction of two cents in the fire insurance key rate in Goldthwaite.

In starting his talk before the Lions Club, Mr. Barnett said:

"I would like to talk to you about the tax supported and the revenue supported phases of our municipal operations. Let's go back to 1941. That was the year in which your city entered the electric business. That made it necessary for the city to have a modern system of book-keeping for the first time

"Research resulted in a system that now has been audited nine times In 1941 what is known to you as City Utilities was established and the city went into the business of electricity and of water and sewerage systems. The first year was a year of build-up and initial operation. And by 1943 the first audit showed that the venture into operation of utilities by the city had been successful.

"By 1945 it became apparent that an additional water supply would be necessary. A survey by engineers showed that a source of water supply was problematical The citizens, however, at the recommendation of the City Council, voted a bond issue of \$35,000.00 and work proceeded The first drillings, made in an effort to find water as close to the city itself as possible, brought no results. They were futile. Then we went north and east and we found near highway 84 a well that produced 80 gallons of water a minute. . . . Later we hit another well nearer town.

"The year 1947, as the records show, was the year in which the city went 'broke,' so far as liquid assets were concerned. . . . We had been through a depression There had been much hardship Our tax roll had dropped from \$1,250,000 to \$600,000.00. But in the city treasury cash balances of approximately \$9,000.00 had been accumulated and so, in 1947, contracts were let to pave streets to the school. At the same time, two farm-to-market roads were

Olgie Nobles Is Fined \$185.00 On Whiskey Charge

Sitting at the Mills County Court House on Wednesday of this week a jury found Olgie Nobles guilty on a charge of the sale of whiskey in a dry area and assessed the penalty at \$185.00 and costs.

Members of the jury that convicted Nobles, who had pleaded not guilty after he had been charged, were R. H. Williams, Charley Schwartz, Norman Duren, Maurice White, Carl Casbeer and George Brooks.

The case was tried before County Judge Lewis B. Porter and was prosecuted by County Attorney A. M. Pribble. The jury trial, which had been requested by Nobles, originally had been set for last Monday but it was postponed until Wednesday.

The offense for which Nobles was convicted occurred on March 11 and charges were filed against him on April 15 by A. T. Pickens, Jr., an agent for the Texas Liquor Control Board, who was present for Wednesday's trial.

Burdett and Noel of Maysville, Okla.

Visitors who attended the reunion were Vernon Whitley, Nan Hightower and James Rodney Willbaum.

Bids Are Asked For Road Work, Priddy-Democrat

Sealed bids for farm-to-market highway construction between Priddy and Democrat were called for this week by Thomas W. Smith, resident engineer for the Texas Highway Department.

The bids for which Mr. Smith has called will be opened in Austin on July 15 and construction work is expected to begin shortly afterwards inasmuch as contracts will be awarded as quickly as possible.

Construction work, that is described in a legal notice elsewhere in this week's Eagle, will be on a stretch of approximately 9½ miles of road from a point just south of Priddy westward to the road intersection one mile west of Democrat.

Work preliminary to the advertising for bids was completed recently by the Mills County Commissioners Court. It included negotiation for right of way easements and in some cases the establishing of new fence lines.

WHAT OF THE NEXT TEN YEARS?

We hope that everybody will read and think about the first page news article in this week's Eagle that reports a talk on Tuesday night before the Goldthwaite Lions Club by City Utilities Manager W. C. Barnett.

In his talk, as our news article reports, Mr. Barnett told of the progress that has been made in Goldthwaite during the past ten years. He also made it clear, however, that the end of the road has not been reached and that while accomplishments have been great, much remains to be done.

Anybody driving through the streets of Goldthwaite can see why Mr. Barnett called upon the Lions to help to provide leadership for the future so that the start that was made in the past can be continued and accelerated. In several portions of Goldthwaite there is new building construction. While some citizens are building new homes, others are repairing or painting or otherwise improving their present homes. On the Square the Mills County State Bank has improved the appearance of the "bank corner" remarkably. In short, in almost every direction there are signs of civic pride and confidence in the future.

A town in which people build new homes or improve existing homes and in which businessmen constantly are making their premises more attractive is a town that is bound to grow and thrive. The progress that Mr. Barnett described on Tuesday night was gratifying. To achieve that progress many problems had to be solved. Continued growth will bring even greater problems but they, too, can be solved. Solutions require thought, planning, leadership and money. Those ingredients will be obtained more readily if all of us give to the speech by Mr. Barnett the careful attention that it deserves.

At the risk of harping on the same string, we suggest, also, that what Mr. Barnett had to say about both the past and the future be considered along with the recent challenge to the Lions by Minister James A. Fry of the Church of Christ, who pointed out so realistically that if there is to be growth instead of stagnation there must be livelihoods for young persons right here at home in order to keep them at home. The demands that will be made by both growth and progress can be met more easily if the necessary sources of revenue are available.

It is not the purpose of this editorial to steal the thunder from what Mr. Barnett had to say at the Lions Club meeting on Tuesday night. The purpose, rather, is to encourage our subscribers to read and ponder what Mr. Barnett had to say and then to do their part in meeting the challenge of the future. In that connection we are reminded of the President of the steel company who was in his office when a subordinate rushed in with a package of papers and a set of charts and graphs, all of which recorded the fact that the day before the company had reached the highest peak of production in its history. The top executive said that was just fine but then he sent his subordinate hustling back to work with the remark: "What I'm really interested in is what we are going to accomplish today and tomorrow."

GUEST EDITORIAL

(Editor's Note: Next week the Republican National Convention will be held at Chicago. On the eve of the Convention the Saturday Evening Post, under the signature of its editor, Ben Hibbs, has published an editorial entitled: "Will the G. O. P. Commit Suicide at Chicago?" Because everybody, regardless of political party affiliation, will be deeply interested in what happens at Chicago next week, the editorial by Mr. Hibbs is being reprinted by the Eagle in the following paragraphs.)

By BEN HIBBS

There are times when the Republican Party seems beset with a curious suicidal tendency. In 1948, the Republicans assumed incorrectly that the election was "in the bag." Candidate Dewey failed to put on the kind of fighting campaign that was needed, and when the big day came in November a great many local G. O. P. workers sat on their hands and several million Republican voters didn't bother to go to the polls.

This year the party has been split wide open by its bitterest pre-vention fight since 1912. An infamous smear campaign has been conducted against one of the two leading candidates, the technique of the "big lie" has been employed, and power politics and trickery have been used to sew up state delegations.

Whether the breach that has been created by these stupidities can be healed depends to a large extent on what happens at the Chicago convention, which begins next Monday. If the convention is fairly and honestly run, giving both Taft and Eisenhower the equal chance to which they are entitled, the party may be able to mend its torn fences and go on to victory in November.

On the other hand, if steam-roller tactics are used to crush the chances of the ex-soldier who is vastly admired by a great many millions of Americans, the G. O. P. probably will have to content itself with the minority role in national politics for many years to come.

Shortly after the New Hampshire primary last March, when it became evident that Eisenhower was a serious contender for the nomination, an unbelievable campaign of vilification and vituperation was started against the general. We have in our offices a file of the vicious, petty stuff that was circulated in an attempt to stop him cold. He was called a sick man despite the fact that his health is superb; he was called a communist despite the fact that the leading communist publication in America was lambasting him regularly; his patriotism was denied; even the religious beliefs of his devout parents were questioned. These and dozens of other equally ridiculous charges were sown broadcast against a man who will go down in history as one of the really great American heroes and patriots.

Believing that Senator Taft is an honorable man, we feel sure he had nothing to do with this smear campaign. But the damage to the party was done. The breach was opened and grew with each passing day. The smear campaign probably was conducted largely by the fringe lunatics, but there was another phase of the campaign—the campaign of distortion—which was conducted by more adroit men and was more effective because these men knew how to clothe their calumnies with plausibility. Spearheaded by a number of isolationist newspapers, these people pictured General Eisenhower as a man of socialistic tendencies, a New Dealer or Fair Dealer, a national wastrel and the architect of much that has gone wrong in the world since the end of World War II. Yet every one who has taken the trouble to study Eisenhower's speeches and papers knows that his beliefs are the beliefs of a sound Kansas Republican. He does believe, again soundly, that we must guard our frontiers abroad, as well as at home; it was this conviction, which he has voiced courageously, that brought about the campaign of distortion.

The Eagle's Aero

By The Editor

Fred Laughlin and D. W. Arnold of the staff of the Goldthwaite City Utilities are extended herewith sincere thanks for their part in seeing to it that the Eagle came out on time last week. Because of the prompt response to an emergency call by Mr. Arnold and Mr. Laughlin, who had their supper hours interrupted last Wednesday night and who stayed on a job until it was finished, the Eagle did not lose so much as a single feather.

What happened was this: After Miss Ruth Ervin, Roy Lee Hill, Arnold Kenneth Kelly and Chester Edward Brooks had done most of their stuff in behalf of the Eagle last week, a truck-trailer that was piled high with bales of hay dived westward on Fifth Street toward Fisher Street from the railroad tracks. Any dumb cluck could have seen that a load of hay that high could not have passed under the wires across Fifth Street between the Eagle and a pole just west of Dennis D. Tate's business establishment. But the truck kept right on going with the result that all power lines into the Eagle were torn down and meters were ripped from their moorings.

With wires carrying both 110 and 220-volt electric current draped across the load of hay, Mr. Laughlin and Mr. Arnold arrived almost immediately on the scene. Sheriff C. F. Stubblefield stood by just in case fire might have added to the proportions of the emergency. Inside the Eagle's mechanical department, our Mr. Hill and our Mr. Kelly contrived to obtain some press proofs by turning the press over by hand. Then, philosophically, they washed their hands and went home. So did everybody else on the Eagle staff, leaving Mr. Arnold and Mr. Laughlin to repair the damage. They did just that. They kept on the job and by the time night fell all wires and meters were back in place.

The editor had planned to write a letter to City Utilities Manager W. C. Barnett to express gratitude for the way Mr. Laughlin and Mr. Arnold responded to the emergency that had been created by the truck-load of hay. This is the letter. Mr. Barnett. It is being printed in this space so that everybody can read it and know of the Eagle's "thank you" for both service and sympathetic consideration.

One way or another, last week was quite a week—possibly because of high temperatures and blowing winds. All readers, of course, should have read the advertisement by Yarborough & Duren in last week's Eagle.

Unfortunately, however, too many Taft adherents obviously read only what they want to believe about the general—as has been demonstrated by the mail that has come into our offices. The daily stream of abuse by such organs as the Chicago Tribune and the mouthpieces of such pygmy politicians as the inoffensive B. Carroll Reese have had their effect. And the breach in the party lines has been still further widened. If there has been any similar campaign of misrepresentation about Senator Taft from the Eisenhower camp, we have not seen it.

Then came the final pre-convention move to take the nomination by force. This move was made through the ragtag Republican organizations which still control party affairs in some of the Southern states. In Texas, for example, which is so

week.
Last week Mr. and Mrs. Duren
and their sons, Phil and Tom,
drove to Hot Springs, Ark. They
returned to Goldthwaite last
Saturday.
Mr. Duren said upon his re-
turn that during a vacation
drive of 1,500 miles he encount-

ered the same need for rain that
has prevailed in Mills County.
In portions of Arkansas, Mr.
Duren said, farmers had been
worrying because there had been
no rain for 34 days in a row.

Dallas Nuptials Unite John Neal And Miss Messina

Miss Rosetta Patricia Messina,
daughter of Mr. and Mrs. Bennie
Messina of Dallas, and John R.
Neal son of Mr. and Mrs. John
A. Neal of Bentonville, Ark.,
were married last Saturday at
the Sacred Heart Cathedral in
Dallas. The ceremony was per-
formed by the Rev. W. J. Smyth.
The groom is a grandson of
Frank Dennis of Rt. 3, Goldth-
waite, and of the late Mrs.
Dennis.

The mother of the groom is a
sister of Mrs. Jesse Moreland of
Goldthwaite. A host of other
relatives in Mills County also
were interested in the nuptials,
for which the bride wore a gown
of white imported organdy, in-
tricately beaded with iridescent
paillettes.

The bride was given in mari-
riage by her father. Her gown
was fashioned with a wide scal-
loped portrait neckline filled in
with appliques and leaf design.
The circular skirt featured a
peplum front of scalloped em-
brodered organdy which ex-
tended to the floor on each side
in a wide flange to form a
cathedral train.

Her veil of French illusion ex-
tended beyond her fingertips
from a square-front brim of em-
brodered organdy.

Miss Teresa Messina attended
the bride as maid of honor.
Bridesmaids were Mrs. T. J. Col-
lette and Misses Isabel Wilson,
Nancy Martin, Betty Huffhines
and Ann Halleck.

Bobbie Neal of Bentonville and
Roslyn Messina were junior
bridesmaids. Marilee Alexander
was flower girl.

Paul Neal served as best man.
Groomsmen were Arnold Bridg-
es, T. J. Collette, Buddy Rasley,
John Rogers and Bill Van Am-
berg.

Austin Young and R. E. Alex-
ander, Jr., ushered.

The couple was honored with
a reception at Lakewood Coun-
try Club after the ceremony.
Assisting were Mrs. R. E. Alex-
ander, Jr., Mrs. Carlo Messina,
Mrs. Joe Messina and Miss
Rosine Messina.

After a wedding trip to Miami,
Fla., and Havana, Cuba, the
couple will live in Wichita Falls
where Mr. Neal is stationed at
Sheppard Air Force Base.

The bride studied at SMU
where she was a member of
Alpha Delta Pi sorority. Mr.
Neal attended North Texas State
College. His fraternity is Alpha
Phi Omega.

BIRTHS

A daughter, Jan Elaine, who
weighed seven pounds and nine
ounces, was born at 2:45 p. m.,
on June 26 to Mr. and Mrs. Ray
D. Collier of Lubbock. Jan
Elaine's paternal grandparents
are Mr. and Mrs. M. K. Collier
of Rt. 3, Goldthwaite. They are
rejoicing over the advent of
their first grandchild. The mat-
ernal grandparents are Mr. and
Mrs. Hubert L. Allen of Lub-
bock. Jan Elaine's mother is
the former Marjorie Allen.

WHAT DO YOU KNOW ABOUT THE COCKROACH?

He is an interesting fellow. Scientists claim that he is the oldest air breathing creature on earth. He was here long before the Dinosaur or the Sabre Tooth Tiger; in fact, they came several million years after Mr. Cockroach. The world is officially 3,250,000,000 year old, and for 300,000,000 years the cockroach has been doing right well.

Scientists say that the cockroach is the most efficiently constructed creature on earth, and one of the most adaptable. He can live on almost anything—wood, coal, ink, shoe polish, plaster, etc.

In Washington, D. C., cockroaches lived for several weeks on the glue in the bindings of U. S. Agricultural Bulletins on "How To Get Rid of Cockroaches."

Cockroaches, In Some Respects, Are Smarter Than Man. One Reason That They Have Outlived All Other Land Animals Is That They Never Fight Among Themselves. Civil War Is Unknown Among Cockroaches. Apparently They Discovered Millions Of Years Ago What We Will Have To Learn Some Day: That Unless We Quit Fighting Each Other, We Will Perish From The Earth.

Even if we bomb each other out of existence, one creature will go serenely on—the lowly cockroach.

LOOKS LIKE GETTING RID OF THEM IS QUITE A PROBLEM—BUT IT ISN'T

WAS \$6.25

It's getting to be a rare day when you see a real, genuine bargain advertised. In these days of planned economy everything seems to be included in the plans except economy.

But we have here an honest-to-Pete bargain to tell you about. It's a bargain because it's much more useful than it once was, and costs much less than it used to.

It's the television set.
In 1948 our 10-inch screen set cost \$6.25 per square inch of picture. Today, our 20-inch set costs only about \$1.37 per square inch, and gives you a much finer picture almost four times the size.

So, you see, with all the forces of inflation, a counterforce has been quietly at work. Research and engineering are steadily plugging along—improving products—making them do more, cost less, and last longer.

At least, that's the way it is at General Electric.
Sure, it's smart to look at the price tag. But it's also smart to look beyond... to the performance of the product and the name of the maker. The best possible products at the lowest possible prices—that's G.E.'s idea of good business.

You can put your confidence in—

"Pinkie" Fletcher Writes About That Wonderful Family Reunion

By MARY E. FLETCHER

The annual Fletcher family reunion was held at Elm Motpicnic grounds, on the George M. Fletcher ranch, six miles north of Mullin, June 21 and 22.

The "kissin' kin" who arrived early served along with George Fletcher and family as the reception committee and Milton Casey thoroughly enjoyed his activities on that committee. In fact, he was the official flag waver, whose job was to signal that another wave of "kissin' kin" had arrived.

Relatives from far and near began gathering Friday afternoon. Many miles were traveled by several families in order to be present.

Mrs. W. T. Bolt, formerly Dorothy Casey, and her three sons, Jerry Dan, Tom and Casey, came from Washington, D. C., to attend the reunion. This reunion was especially meaningful to Mrs. Bolt, as well as to all, because she and her husband, Lt. Col. W. T. Bolt, who is to be Military Attache at the American Ambassador in Denmark plan to depart from the states along with their sons before the next reunion.

Mother nature was gracious in sending southern breezes to cool the area and thanks to Bill Casey and his spray gun no one was victim of the special breed of ticks and red bugs peculiar to Mills County.

All the remaining children of the late Joe A. Fletcher were present, namely, Mrs. T. A. (Elva) Crockett of Ballinger, Mrs. R. D. (Nell) Martin of Corpus Christi, Mrs. M. E. (Ruth) Casey of Wolforth, and George M. Fletcher of Mullin. Not all of their children were able to be present, but a greater portion of them and their families were present.

It was estimated that about ninety "kissin' kin" were there and active.

The officers for this year were Fred Fletcher, President; Mrs. Ruth Casey, Vice President; Mrs. W. P. Duren, Secretary; and Mary Fletcher, Treasurer.

The officers for the coming year are Joe H. Fletcher, President; Mrs. Ruth Casey, Vice President; Mrs. Elva Crockett, Secretary; and Ralph Crockett, Treasurer.

Relatives who attended the reunion were Mr. and Mrs. Will Barnett and Latrelle of Dublin, Mr. and Mrs. L. D. Fletcher and Carol of Lubbock, Mr. and Mrs. M. E. Casey of Wolforth, Mrs.

W. T. Bolt and Jerry Dan, Tom and Casey of Washington, D. C.; Bill Casey of Lubbock, Earl Crockett of Ballinger, Mr. and Mrs. Fred Fletcher and Larry, Randy, Phil and Don of Dublin, and Sparks and Lona Skaggs of Oklahoma City.

Also Mr. and Mrs. John G. Berry, Mr. and Mrs. E. B. Adams, Mr. and Mrs. Warren P. Duren and Tom and Phil, all of Goldthwaite; Mr. and Mrs. M. E. Barnett of Hamilton, Mrs. Tom A. Crockett and Ralph Crockett of Ballinger, Mr. and Mrs. J. D. Forbus and Bobby of Corpus Christi, Mr. and Mrs. Wilbur Martin and Gary and Dorothy Ruth of Winters, Mr. and Mrs. Claude Simmons and David, Dan, and Tom of Ballinger; Mr. and Mrs. Willie Wasserman and their daughter, Mr. and Mrs. Ernest Duren, Mr. and Mrs. George M. Fletcher and Mr. and Mrs. Harry Warren and Larry, Patricia and Kathy, all of Mullin; Mary R. Fletcher of Brownwood, Mr. and Mrs. C. A. Warren, and Mr. and Mrs. Joe H. Fletcher and Danny and Bobby of Stephenville.

Also Mrs. C. R. Legrande of Kermit, Mr. and Mrs. Frank Crockett and their daughters of Odessa, Captain Tom A. Crockett of Randolph Field, Walter Crockett of San Angelo, Perry Hester and Mrs. Lillie Hester of Lexington, Mr. and Mrs. Sam Hester of New Gulf, Miss Eleanor Fletcher of Lexington, Mrs. Clayton Stribbling of Llano, Mrs. Nellie Martin of Corpus Christi, Mr. and Mrs. Homer Arendell and Joe Paul of Stephenville, and Mr. and Mrs. Kelly Owens and Barbara of San Saba.

The gathering also was attended by the Mullin High School Class of 1915 who, during the same weekend, held their third annual reunion.

Longs Plan Trip

Mr. and Mrs. Loy Long plan to leave next Sunday on a vacation motor trip that will take them through Colorado and Wyoming. They will be accompanied by their son, Sgt. Bennie Bob Long, and his wife. Sgt. and Mrs. Long make their home in Lampasas.

Bride's Shower At Star Honors Billie Soules

Miss Billie Gail Soules, daughter of Mr. and Mrs. John Soules, was honored at a pre-nuptial shower on Wednesday of last week at the Star home of Mrs. J. I. Neighbors. The co-niess was Mrs. Carl Casbeer.

Miss Soules was scheduled to be married on Thursday morning of this week at the Star Methodist Church to Bobby Kay Day of Crystal City.

For the shower Mrs. Neighbors' home was decorated with white gladioli and green foliage. Refreshments included white cakes which carried out the bridal colors of Miss Soules — lavender rosebuds on green leaves.

Appropriate music for the shower was presented on the piano by Mrs. Thurman Head. Mrs. Head also accompanied Miss Sybil Ann Reid who sang "Always" and "Everything I Have Is Yours."

News Of Scallorn

By ORA BLACK

Still hot and dry out our way, although the sun set behind a cloud Sunday night which, according to superstition, or some other idea is a sure sign for rain before Wednesday night. So here hoping we get rain.

Miss Greta Sue Hines visited last week with relatives in Lubbock, Hale Center and other places in West Texas.

Mr. and Mrs. Bill Bishop called Sunday afternoon in the C. H. Black home.

Jimmy Armstrong of Hallettsville is visiting here with the Laughlin families.

Mr. and Mrs. Barney Laughlin were in Blanket Sunday, guests of Mr. and Mrs. Elza Laughlin. Mrs. Minnie Ashley of Goldthwaite spent Saturday night with the F. R. Hines family.

Sunday, July 20, will be home coming at the Scallorn Church. All non-resident members are especially invited, along with old time acquaintances.

Jane Black spent the weekend with home folks.

Mr. and Mrs. Dean Burk and children of San Angelo were weekend guests of his parents.

Mr. and Mrs. Alvie Johnston and family of San Angelo were guests over the weekend of his parents.

Mr. and Mrs. Leon Johnson and children, Herman, Thurman and Yvonne, were in San Saba Sunday afternoon.

Mr. and Mrs. T. A. Casbeer were in San Saba Sunday attending the Burnham reunion.

Hardgrave's Steers

Allen W. Hradgrae of Goldthwaite had 17 cattle on the Fort Worth market on June 24 according to the Texas Livestock Marketing Association, which handled the shipment. Three of his steers weighed 573 and brought 26c, two weighed 595 at 24c, and 11 of his helpers averaged 554 and brought 23c.

Robertson Reunion

Oma Robertson spent last weekend in Dallas with his daughter, Mrs. B. L. Gold, and Mr. Gold. Mr. Robertson and Mr. and Mrs. Gold were joined by Mr. Robertson's son, A/2c Mack Robertson, who now is stationed at Amarillo, where he is studying the mechanics of jet aviation. Formerly he was stationed at Chanute Field, Illinois, where he was an instructor.

H. D. Club Meeting

Mrs. Dutch Smith was hostess to the Goldthwaite Home Demonstration Club on Tuesday of last week when Mrs. Albert Hunt displayed a large, framed picture made of dried grasses and flowers and told how it was made. Guests who were present were Mrs. Elmer Scooby, Mrs. Lloyd King, Mrs. P. R. Jordan, Mrs. Jessie Ball and her son, Jimmie. The next meeting of the Club will be held at the home of Mrs. Earlene Harris on July 22 when the members will exhibit articles made for their homes and will tell how they were made.

Due to a veteran of World Wars I and II were last Saturday morning to the memory of Leo J. Morrissey the Harry F. Edmondson number 289, the American Legion participated in final at the Fairman-Wilkins Home and at the grave in the Goldthwaite Memorial Cemetery. Morrissey died at McCloskey hospital in Temple on Wednesday of last week. Officiating final rites last Saturday Father Leo Bujnowski of

Brownwood. Participating in the final rites for the American Legion were County Judge Lewis B. Porter, Chaplain; Howard B. Campbell and John L. Gwin, color bearers; and Raymond Cockrum and Adjutant H. D. Smith, color guard riflemen.

The pall bearers were Charles Frizzelle, Jesse Moreland, Harmon Frazier, Billy Ray Long, Mayor Charlie T. Wilson and Victor Williams.

Mr. Morrissey, who was a native of Lincoln, Neb., would have been 61 next September 17. He is survived by his widow, the former Lula Eckert of Miles, and five sisters and a brother.

EVANGELIST

Pictured above is Minister O. B. Proctor of Abilene who will conduct Gospel meetings at the Church of Christ in Mullin starting this Friday night and continuing through July 13 with services at 8:15 o'clock nightly. Minister Proctor also will preach at Sunday morning services at 10:00 o'clock during the period of the Gospel meetings, for which the singing will be directed by Z. T. McCown.

Missionary Program Next Wednesday At Gospel Hall Here

Norman Parish, Jr., of Los Angeles will preach at the Gospel Hall on the west side of the Square in Goldthwaite at 8:00 o'clock on Wednesday night of next week. The Rev. E. W. Dickson of the Gospel Hall said that Mr. Parish, who is 21, spent 17 years in Central America where his parents were engaged in the work of the Spanish-American Inland Mission. Mr. Parish now attends Bible College in Los Angeles. He intends to devote his life to missionary endeavor. Pictures of the work of his parents in Central America will be shown by Mr. Parish at the Gospel Hall next Wednesday night.

Virginia Oglesby To Attend T. C. U.

Miss Virginia Oglesby, daughter of Mr. and Mrs. J. M. Oglesby, plans to attend the second summer term at Texas Christian University to complete work for her Master's degree. During the past school year Miss Oglesby taught in a school of the Society of Friends in Wilmington, Del.

Baker-Kincheleoe Wedding Last Month

By PEARL CRAWFORD

Mr. and Mrs. Billie McNeerlin and Gene visited Mr. and Mrs. A. L. Crawford and William G. Saturday night.

Mr. and Mrs. O. A. Evans visited Mr. and Mrs. Jess Ivy last Wednesday night.

Mr. and Mrs. Floyd Daniel and Mark were dinner guest of Mr. and Mrs. Truman Vaughan and family Saturday.

Recent guests of Mr. and Mrs. Billie McNeerlin and Gene were: Mr. and Mrs. Floyd Daniel and Mark and Mr. and Mrs. O. A. Evans.

Mr. and Mrs. Bill Partin and sons returned home Sunday night after a week's vacation in their old home town, Texas City.

J. C. and Willard Partin returned to their home after a week's visit with their grandparents, Mr. and Mrs. C. G. Partin.

Guests Sunday and during last week of the B. J. Crawfords' were: Mrs. Ralph Wilson, Mary, Elvyn, Bennie and Edwin of Austin; Mrs. R. J. Schindler of Bangs and Mr. and Mrs. A. L. Crawford and William G.

Miss Wanda Reynolds of Abilene, L. B. Porter and daughter and Mr. and Mrs. John L. Patterson were also guests of the Crawfords last week.

Mr. and Mrs. O. A. Evans attended Church at Mt. Olive Saturday night.

Mr. and Mrs. C. M. Bramblett spent Sunday with Mr. and Mrs. C. H. Bramblett, Bettie and Willigene.

We all hope Miss Wanda Reynolds, who spent a week's vacation with her aunt, Mrs. A. L. Crawford and Mr. Crawford and William G. will be visiting here more often. The Crawfords and Miss Reynolds made short calls during last week at the O. A. Evans, W. L. Conner and Billie McNeerlin homes.

Ebony News

By Clementine Wilmet Briley
Mrs. Charles Griffin and Mrs. Cecil Egger returned home Friday after spending two weeks helping to prepare meals at the Baptist Encampment at Lake Brownwood.

Mrs. Elizabeth Ketchum of Brownwood spent Tuesday night with her daughter, Mrs. Eugene Egger, Wednesday. Mr. and Mrs. Egger took her to San Saba where she will visit the Pete Ketchum family and other relatives.

Hubert and Stanley Reeves baled 500 bales of Sudan last week. Edward Egger baled hay at his farm Friday and Saturday. Ezelle Thompson passed here the latter part of the week returning Cecil Egger's baler. They had used it to bale hay on the Thompson place.

A good part of Charm Whitteburg's fine crop of Sudan will be harvested for seed. The rest of it will be used for grazing.

The drought is bearing down heavily. June passed with a record of only 2 inch of rain. Last year 3.8 inches of rain fell during June. But not one bit was registered for July and August.

Hugh Griffin of Electra and son, J. D., of Detroit, visited recently at the Griffin home.

Roscoe Reeves of Gorman visited at the Stanley Reeves home Sunday. He had brought his mother, Mrs. Georgia Reeves, of Eastland to Brownwood to visit her sister, Mrs. Cynthia Stevenson.

Friday, while in town, the Dwyer-Briley trio visited Mrs. Edna Honea, a dear friend of long ago. We found her making a hooked rug. She is fondly reminiscent of her girlhood spent at Ebony. I can remember both she and her husband, the late Jim Honea, went to school to my father at the old Buffalo Schoolhouse.

We also went by the Allgood home to visit "Mammy Reeves," 94, a very dear friend, and a lovely lady. Though she has lost her eyesight, she still gets around, and is happy to have her friends call to talk with her.

As next Sunday, July 5, will be preaching day at Oakland, the Church here will attend services there. The second Sunday, July 14, will be preaching day here, and we urge everyone to come to Church.

Fry Children Home

Mr. and Mrs. Randall Fry and daughter, Randy Jo of Phoenix, Ariz. are here visiting Minister and Mrs. James A. Fry. The Fry's other children, who will come Friday for a family reunion are: Captain and Mrs. J. H. Fry and Donna Ruth and David of San Angelo; Mr. and Mrs. J. E. Smith and Chris; Mr. and Mrs. Neil Fry and Mr. and Mrs. David Fry and Dianna, all of Abilene, and Robert and Danny Fry of Goldthwaite will complete the family group.

Mr. and Mrs. Karnes Forehand and son, Forest, of Houston spent their vacation with his mother, Mrs. Myrtle Forehand, of Goldthwaite this week.

Hammond-Hines

Wedding June 21

Billy Ray Hammond and Miss Ann Hines of Midland were married June 21, in Carlsbad, New Mexico. They will make their home in Midland where both are employed by the Phillips Oil Company. Billy Ray is the son of Mr. and Mrs. Ray Hammond of Goldthwaite and Mrs. Hammond is the daughter of Mrs. Maggie Hines of Midland.

Mrs. J. C. Petty, who has sold her farm in the South Bennett community to Felton Wilson of Coleman, has moved to a home on Queen Street in Goldthwaite.

Nice People

One of the things we enjoy most about being in the telephone business is the opportunity it gives us to serve so many nice people.

For instance, a couple writes to compliment us on the way we handled a call from a son overseas.

A man asks us to thank an operator for her prompt assistance in locating a doctor for his badly injured son.

A lady writes to thank a telephone repairman who had assisted her mother when the older woman suffered a heart attack.

And so it goes, letter after letter, week after week.

It is certainly gratifying to be able to provide good telephone service to so many nice people who appreciate it so much.

Meeting July 12 To Plan Election Day Dinner At Mullin

Plans for the Election Day dinner to be served, in accordance with annual custom, by the Mullin Cemetery Association on July 26 will be made at a meeting at 4:00 p. m., on July 12 at the Jewell Ivy store in Mullin. Mrs. Ivy said that other business also will be transacted at the July 12 meeting of the Mullin Cemetery Committee and she urged a full attendance. The July 26 Election Day dinner will be served at the G. I. Building in Mullin.

Miss Duren Elected

Jo Ann Duren was elected President of the sub-district M.-Y. F. last Sunday at the rally held in the First Methodist Church of Goldthwaite. She was formerly secretary for the sub-district which includes Cherokee, Lampasas, Lometa, Richland Springs, San Saba, Colony, Star and Goldthwaite.

decision on the presidency must be made not only honestly but without hysteria.

We believe, as we said in our May 3 issue, that Eisenhower is the American best fitted for the presidency, that he has the qualities of leadership this country so urgently needs. We also believe that if the nomination could be made by a complete and fair referendum of Republican voters throughout the country, he would win hands-down. We think he should be nominated.

We recognize that millions of fair-minded people will disagree with the beliefs stated in the above paragraph. But we don't think any Republican who has the welfare of his party at heart can disagree on the critical necessity for an honest and open convention at Chicago.

REVIVAL

THE REV. J. T. AYERS

Starting on Friday night of this week the Rev. J. T. Ayers, Pastor of the First Baptist Church of Goldthwaite, will conduct a series of revival services at the Moline Baptist Church. Services will be held at 10:30 a. m. and at 8:00 p. m., during the revival period, which will continue through July 13. The Rev. Lewis C. Sparkman, Pastor of the Moline Baptist Church, said that the singing for the revival will be directed by Julius Miles of the Moline community. Next Sunday and the following Sunday, while Brother Ayers will be engaged in the Moline revival, services at the First Baptist Church in Goldthwaite will be conducted by the Rev. Don Jones, Assistant Pastor.

Our WASHINGTON Letter

By Congressman O. C. FISHER

Going down the home stretch before a recess for July 4 and the national conventions which follow, the House worked long hours last week to put the wraps on "must" bills. Last minute rush tactics always provide bad atmosphere for good legislating. During the last few days of a session conference reports come in on measures that often undo the cut-backs and corrective actions previously made. Under these conditions, a good many members, tired and weary, go ahead and accept compromises even though they don't like them.

A good example was the huge Independent Offices appropriation bill, which included socialized housing. Last March the House passed that bill but accepted my amendment to cut the starts of public housing to 5,000 units during the next year. In the Senate the number was upped to 45,000. Then the House and Senate conferees agreed on 35,000. This additional 30,000 would cost our taxpayers a half billion dollars. The Conference Report containing that figure then came back to the House for approval. I urged that the Report be disapproved and the bill be sent back to conference with instructions to our conferees to insist on the 5,000 figure. After a hard fight, a vote was taken and the bill was re-committed as we urged, but by a too-narrow margin of only 14 votes. Another attempt to compromise is being made, and no telling what will happen.

The Senate came through on an economy amendment which I sponsored in the House to an appropriation bill, which trimmed some \$4,000,000 from the Immigration Service. This additional money was requested to pay for an expensive airlift from the border into the interior of Mexico, for the erection of two huge detention camps for illegal aliens, and to put 400 more people on the payroll along the border.

In sponsoring the amendment, I took the position that the Border Patrol already has 713 patrolmen stationed on the Mexican border, use local jails for detention, and can deport aliens without running free airplane shuttle service, at Uncle Sam's expense, deep into Old Mexico.

Senator Humphrey of Minnesota made a fight in the Senate to restore these items. But he was smacked down by votes of 65 to 11 and 62 to 17 last week. That clinches the saving to our taxpayers, since both the House and Senate have now taken the same action, and the Conference committee will not deal with that item.

The House overrode the President's veto of an immigration bill, and so did the Senate. I voted to override. The bill is a big improvement over existing laws, it codifies and revises the hodgepodge of our immigration and nationality laws. The AFL and the American Legion supported the bill; the CIO led the fight against it. It holds the line against influx of immigrants, and tightens our security against Communists and subversives.

As this is written, the fate of price and wage controls is anybody's guess. The House version called for a revamping of the Wage Stabilization Board, to protect against a blaser board and giving "public" members more influence. They would have to be confirmed by the Senate. The OPS was continued in the House bill, but de-controls were ordered on all items not in short supply and which sell below ceilings. I voted for each of these amendments but voted against continuing the program. I am convinced this regimentation of our people is unjustified in view of the fact that supply and demand has already brought most commod-

ities well below OPS ceilings, and since wage controls have been practically abandoned. The final version is being written by a conference committee, and what the final draft will contain is anybody's guess.

A rider to the Controls bill requested the President to invoke the Taft-Hartley law against Phil Murray and the CIO steelworkers. By a vote of 228 to 164 the House joined earlier action by the Senate in calling for the use of the law to stop the disastrous strike. I voted for the rider.

Already enough steel has been lost by Murray's strike to build 4½ million automobiles or 26,000 tanks. And the only item really in dispute is the union's demand for a union shop for all steelworkers, whether the individual workers like it or not. In other words, Murray is now striking to force the men to join his union in order to work and make a living. I am opposed to forcing any man, without his consent, to join a union in order to work and make a living for his family.

Wasserman Again Heads One & Eights

W. H. Wasserman was reelected President of the Mullin High School Class of 1915 during its third annual reunion on June 21 and 22. Mrs. Frank Wortman of Tuttle, Okla., was reelected Secretary.

All members of the "One and Eight" Class were present for the reunion, as were six husbands. George B. Golightly of Hamilton and H. B. Robertson of Phoenix, Ariz., were unable to be present. Gilbert Chancellor of Hot Springs, N. M., however, attended the reunion for the first time.

Mrs. Wortman reported that all members of the Class were present. In addition to herself

and Mr. Wasserman, Mrs. Golightly, Mrs. Robertson and Mrs. Chancellor, they were Mrs. Robert Bowen of Dallas, Mrs. Kat-ye Pyburn of Waco, Mrs. Will Dixon of Bangs and Mrs. Nettie Albrooks of Levelland.

Honored guests at the reunion picnic were Mr. and Mrs. A. H. Daniel of Waco, Mr. and Mrs. W. L. Scarborough of Sugarland, Mr. and Mrs. Frank P. Bowman of Goldthwaite, and Mrs. Sallie Skaggs-Kemp of Tahoka.

Mrs. Harold Murchie and children, Michael, Mark and Claudia of Oakland, California, are spending the summer with Mr. and Mrs. R. H. Oglesby. Mrs. Murchie is the former Beryl Oglesby.

City Utilities Manager Gives An Accounting Of Decade Of Progress

(Continued From First Page.)

brought into Goldthwaite and the city took advantage of the presence of road constructors here and it met its obligations to do its part on the highway work within the city limits.

"In 1948 the electric system built its own office at a cost of about \$4,000 . . . Also, 1948 brought what now is known as the Municipal Ball Park . . . It was decided to use land owned by the city where the Ball Park now is located so as to be near the 3-phase electric facilities that were required for a relatively elaborate installation for night lighting.

"The American Legion, which then had control of the old fair grounds, gave the old grandstand, which was considered unsafe and which required reconstruction. A number of men signed notes and the Ball Park was built at a cost of about \$7,000.00 — of which about \$5,000.00 was put into the project by the city electric system. Whatever some may have thought, we have the Ball Park and we are proud of it; it is an asset to the town . . .

"By 1949 the water consumption rate in Goldthwaite had increased. Again, something had to be done. A bond issue of \$25,000.00 was voted . . . On the basis of the experience we had gained and the lessons we had learned earlier, there was drilling farther north and east on Mr. Mills' place and we struck water — 145 gallons per minute.

"In 1950 the Library came into existence. The late Mrs. Jennie Trent Dew had left \$15,000.00 for the building and a fund of \$15,000.00 for maintenance . . . The Mills County Commissioners Court participated in the project so as to enable the Library to qualify as a free, public institution and to obtain books from the State and from other libraries by exchange . . . We can be proud of the Library, which is an efficient and highly useful asset to our town.

"In 1951 there was an expenditure of \$11,000.00 for additional water mains — including pumping facilities . . . The needs of those who previously had had an inadequate supply of water were met . . .

Mr. Barnett made it clear that he was using "round figures" to point up his talk and, after his panoramic review, he doubled back to explain "facts that you should know." They included:

1— Of seven city employees, five are paid by the city utilities. All seven employees are paid \$1,500.00 per month, of which \$1,200.00 is paid to the City Utilities men.

2— The electric system here was built with a total outlay of \$82,500.00. As a capital asset it has increased to a book value of \$121,000.00. The electric system started with NO customers and now has 750 customers; it started with NO gross revenue and now has a gross annual revenue of \$50,000.00. Mr. Barnett estimated that the citizens of Goldthwaite, by operating their own electric system, have been saved \$100,000.00 in electric bills. The net debt of the electric system now is \$46,000.00 and, according to conservative estimates, it is worth at least \$200,000.00. It has cash on hand of \$27,500.00.

3— The water system has grown from assets of \$36,000.00 to assets of \$128,000.00 and from 300 customers to 575 customers. The water system's gross revenue has increased from \$6,000.00 per year to \$16,000.00 annually. It has laid 2,500 feet of two inch pipe, 6,000 feet of four inch pipe, 7,000 feet of six inch pipe, and has added five new fire plugs. Three new wells have been developed and all pumping equipment is most up-to-date. Rebuilt were the pressure pumping system, suction and discharge lines—in addition to the installation of new pumps and a mechanical chlorinator. In posing the question of the actual value of the water system, Mr. Barnett asked: "What would it be like to be without it?" He said that from a 1941 production of 67 gallons per minute the water system has grown to a production of 245 gallons per minute. He added that there remains a need for more supply, more mains and

an additional reservoir. The total debt of the water system is \$53,500.00 while cash on hand amounts to \$3,600.00.

4— The sewer system, which was started in 1935, represented in 1941 an investment of \$26,000.00. Its assets have grown to \$38,000.00 and its customers from 125 to 325, while the gross annual revenue has increased from \$1,500.00 to \$4,500.00. For the sewerage system 4,000 feet of six inch line have been built. In discussing the sewer system, Mr. Barnett said:

"We started in 1946 to solve some of our sewer plant problems. We built a trickling filter system to State Health Department specifications but we still had our problems . . . Last year we had a suit at law that cost the city \$1,500.00 but as time goes on it may well turn out that the money was a good expenditure . . . On experience and advice and with the cooperation of the Soil Conservation Service we have built a holding lagoon for sewerage and an irrigating system (on land owned by L. B. Burnham) . . . and we have a pumping system to irrigate additional acreage if necessary — if ever it rains very much."

One of the high points in Mr. Barnett's talk was his presentation of the City Budget, which was adopted by the City Council on June 2 and which was published, for the most part, in the June 6 issue of the Goldthwaite Eagle.

"We have a pitiful little to do a whole lot with," Mr. Barnett said in telling of a gross annual revenue of \$14,500.00 from city taxes, permits and franchises, and a contribution by the Mills County Commissioners Court to the Goldthwaite Volunteer Fire Department. He told of the efforts of an equalization board, on which two City Council members served voluntarily. They brought the tax roll up from \$600,000.00 to \$800,000.00 and since then new building and improvements have brought the city tax roll to \$900,000.00. Mr. Barnett complimented members of the Lions Club who, during the efforts of the board of equalization, voluntarily increased their own renditions.

Mr. Barnett read in complete detail the City budget and, in the course of so doing, he paid tribute to the service that is rendered by the Aldermen and by Dr. M. A. Childress who, as City Health Officer, receives less than enough to cover his actual expenses.

Goldthwaite, Mr. Barnett said, as a municipality has assets of \$302,000.00 and a debt of only \$135,250.00. He said that the chief problem is to survive on the resources at hand or that can be developed.

Goldthwaite, Mr. Barnett said, owes nothing on past due accounts. It maintains a daily balance in its operating accounts of approximately \$26,000.00.

In the course of his talk Mr. Barnett also told of the addition of new street lights and of the installation of the highly modern vapor lamps in the vicinity of the Square.

Dale Gwin And Max Shepherd Are Both In Need Of Morale Boosters

BIRTHS

John Steven Stubblefield, who may or may not want to grow up to be either a Sheriff or a radio-television man, arrived in Washington, D. C., last Sunday morning. He was born to Mr. and Mrs. William T. "Bill" Stubblefield and his advent made Sheriff and Mrs. C. F. Stubblefield of Goldthwaite grandparents two times over.

John Steven's father, of course, is a son of Sheriff and Mrs. Stubblefield. Bill Stubblefield is Director of Station Relations for the National Association of Radio and Television Broadcasters, with headquarters in Washington.

The maternal grandparents, who doubtless have been celebrating in Rio Grande City, are Mr. and Mrs. Ted Looney. John Steven's mother is the former Mary Cynthia Looney. She and Mr. Stubblefield have another son, "Little Bill," who is 2 1/2. Nobody knows whether he wants to grow up to be a Sheriff or a radio-television man either.

Personals

Mr. and Mrs. Lester Moreland visited last Sunday with his parents, Mr. and Mrs. Hugh E. Moreland. They also spent some time with Dennis Moreland, son of Mr. and Mrs. Jesse Moreland. Dennis had the Lester Morelands all to himself since his sister, Jan, was away visiting her cousin, Charlotte Dennis, in San Saba.

Mrs. W. J. Weatherby returned last Saturday after an extensive trip northward. Upon her return she said she had spent five happy but giddy days in New York City and was glad to be home. Mr. Weatherby met her in Dallas and drove her home to Goldthwaite.

Mrs. Herschel Hutchings celebrated her birthday on Thursday of last week by taking her son Robert and Mr. and Mrs. Ira Hutchings to spend the day with Mr. and Mrs. G. W. Hill.

Mr. and Mrs. J. T. "Buddy" Morris returned last week from a 10-days tour of Arkansas and Oklahoma.

Two small Goldthwaite boys—Dale Gwin, 9, son of Mr. and Mrs. John L. "Hi Neighbor" Gwin, and Max Shepherd, 11, son of Mr. and Mrs. E. O. "Spud" Shepherd—are having a really tough summer and they could well use some morale boosting.

With his parents Dale Gwin went to the Hillcrest Hospital at Waco last Monday and the news the doctors gave was not good. Dale's left leg is afflicted in the same way that his right leg caused him to undergo treatment for three years, which included nine months in bed and two years and three months on crutches. For the next 30 days Dale will have to remain abed with traction on his left leg and then he will go back to Waco to learn what the doctors have to say next.

On July 15 Max Shepherd, who last month submitted to serious bone surgery on his hip, also at the Hillcrest Hospital in Waco, will go back to Waco to learn whether the heavy cast he is wearing can be removed and how successful the operation proved to be.

Meanwhile, the days and nights are long and hot for both Dale Gwin and Max Shepherd. Their friends can help them by reading to them, by sending books, toys and magazines, or just by dropping in to help them to pass the time.

Both Max Shepherd and Dale Gwin are keeping their chins up and so are their parents but to do so is not easy for any of them and this is a mighty good time for friendship to be shown by deeds. Every time you go off somewhere to have some fun, how about thinking of Dale Gwin and Max Shepherd, who cannot leave their beds. And how about remembering to help them through these difficult weeks. Both of them are grateful for many acts of kindness that have been shown to them and they have asked the Eagle to say "thank you" to everybody for them.

Mr. and Mrs. Billy Ray Hammond and Mr. and Mrs. Doyle Duncan of Midland and A/2c Jesse Wayne Hammond of Conally Air Force Base, Waco were guests of Mr. and Mrs. Ray Hammond last weekend.

Appointment of the subcommittee was by order of Harold Yarborough, seconded by Brother Lovelace.
Mr. Moreland told of splendid work that is done by the Lions League Crippled Children. The work is financed by the sale of Christmas cards, so as to solicit public funds. The committee that will be the project will be L. C. chairman; R. T. Padgett, John O. Carothers. The project to give whole-hearted aid to the Lions League for Crippled Children was by Dr. Graves.

At Tuesday night's meeting former President Ray Duren reported on continuing efforts on behalf of obtaining a swimming pool and recreation center for Goldthwaite. He said he had consulted with a engineer at New Braunfels that in the near future members of the swimming pool project committee would meet with the engineers and pools that have been built recently in the New Braunfels area.

Two new flags — the national emblem and the banner of the Lions Club — arrived and were put in place for last Friday night's meeting.
