

The Goldthwaite Eagle

CONSOLIDATED WITH ESTABLISHED 1894 GOLDTHWAITE, MILLS COUNTY, TEXAS—FRIDAY, AUGUST 8, 1952 THE MULLIN ENTERPRISE VOL. 58 NO. 50

The Eagle's Eye
By H. R. Ekins

MRS. DeLAPP, MRS. BARNETT NAMED BY COUNTY TRUSTEES

Pupil transfers, employment of additional personnel and routine matters were dealt with last Monday afternoon at a meeting of the Board of Trustees of the Mills County Department of Education.

Mrs. Elva Scott DeLapp was employed as Supervisor of Mills County Schools and Mrs. Delton Barnett was employed as County itinerant teacher. Mrs. John L. Gwin was re-employed as the County School Nurse who, during the next year, will serve the Goldthwaite Schools as well as those in Mullin, Priddy and Star.

It will be the function of Mrs. DeLapp to work with School Superintendents in program planning and administration, while Mrs. Barnett's work will be of a specialized nature, including librarian duties and instruction in music. State funds will provide for the payment of the salaries of Mrs. DeLapp, Mrs. Barnett and Mrs. Gwin.

Pupil transfers as approved by the County Board for the coming school year were as follows: From Goldthwaite to Priddy, Angus, Nita and Margaret Lee, children of Mr. and Mrs. Tully Lee; Alton Glen and Lavoy Steinman, children of Mr. and Mrs. Pete Steinman.

From Mullin to Priddy, Don Aldridge, son of Mr. and Mrs. D. B. Aldridge.

From Goldthwaite to Robstown (an action that is subject to a ruling by the Texas Education Agency at Austin), Frances E. and Laura Turbiville, daughters of Mr. and Mrs. E. B. Turbiville.

From Mullin to Goldthwaite, Wanda Lee and Carolyn Diane Williams, daughters of Mr. and Mrs. Victor Williams.

From Mullin to Richland Springs, Joann and Shirley Rowlett, daughters of Mr. and Mrs. M. L. Rowlett.

From Mullin to Zephyr, Peggy and Levita Berry, daughters of Mr. and Mrs. Levi Berry; Joe Bailey Baker, son of Mr. and Mrs. C. S. Baker; Mary Alice and Peggy Jones, daughters of Mr. and Mrs. R. G. Jones; and Alma Dean Rankin, daughter

Mills County PMA Balloting Is Set For August 22nd

Charlie E. Jones, Mills County P. M. A. Administrative Officer, announced this week that community committeemen and delegates to the P. M. A. County Convention will be elected on August 22 — a Friday.

Voting will be in the P. M. A. office at the Court House, Mr. Jones said, with the polls open from 8:00 a. m. until 5:00 p. m. In contrast to previous years, ballots also may be cast by mail or at the P. M. A. office in the Court House at any time prior to election day on August 22.

In announcing the election, Mr. Jones said that persons to be elected on August 22 will serve their communities in assisting in the administration of the P. M. A. program in 1953. The delegates from the respective communities will meet to select the County Committee that will serve during the 1953 program year.

Mr. Jones said that any farmer who has an interest in Mills County as owner, tenant or sharecropper is eligible to vote in the August 22 election if he is participating in carrying out practices in accord with the programs that are being administered by P. M. A. committees. The wife of the farmer also is eligible to vote.

It Can Rain As Shower Tuesday Served To Prove

Whoopieee! Harry Allen at long last had a chance to use his U. S. Weather Bureau gauge on Tuesday afternoon of this week when a welcome summer-time thunder shower dumped 37 of an inch of rain on Goldthwaite.

On Wednesday night there were scattered sprinkles of rain in Mills County. Goldthwaite got 1 of an inch of rain Wednesday night. That shower extended almost to Mullin.

Before Tuesday's shower and

"Another thing - This farm has no drainage problems."

before some reports on precipitation outside the range of Mr. Allen's gauge, here are some other things that happened on the same subject this week:

1— On Monday afternoon the Eagle's Miss Pearl Crawford came down from Chappell Hill and said, without any ifs, ands or buts, that there would be rain THIS WEEK.

2— Mrs. W. E. Fairman wrote in from Marlin to renew her subscription, advising that she did NOT want to miss any reports on rain. That made the editor feel terrible; he had been supposing all along that Mrs. Fairman subscribed to the Eagle so that she could read the editorials!

3— V. C. "El Vaquero" Bradford planted Hegira—Hygarrhh to you—on some of the Bradford acres on the Caradan Road. Then it rained. When he was asked how come he had planted seed when the whole countryside was burning up, Brad said: "You have to outsmart the weather in this country." He looked very pleased with himself. Tuesday's rain on El Rancho Bradford, incidentally, measured from half an inch up to nearly an inch.

4— After Tuesday afternoon's fierce shower, Justice of the Peace E. A. Obenhaus dodged a puddle or two in the Square as he said: "It was nice to have the little children see that just once again."

Reports of the extent of Tuesday's shower are not complete. (Continued on Back Page.)

Lions Club "Steering Committee" Is Named To Push Swimming Pool

Directors of the Goldthwaite Lions Club, meeting last Tuesday night, named Warren P. Duren, Dr. T. C. Graves, W. C. Barnett and Ray Duren as members of a "steering committee" to represent the interest of the Lions Club in continuing efforts to provide Goldthwaite and Mills County with a swimming pool and recreation area.

Appointments to the "steering committee," which will confer with other interested civic groups, were ratified by acclamation by the members of the Lions Club at the Hangar on Tuesday night following their presentation by Lions President Jesse Moreland.

Mr. Moreland said that the "steering committee" will confer on definite recommendations as to how a swimming pool should be financed and it will review proposals as to location. General community cooperation will be sought in a project for which the Lions Club has acted merely in an attempt to provide leadership.

In announcing the appointment of the "steering committee" Mr. Moreland said that the Directors of the Lions Club believed that progress toward building a swimming pool could be speeded by placing responsibility for the project in the hands of a small, representative group. He added that with a public desire for a swimming pool clearly apparent, the Lions Club Directors had agreed on appointment of the "steering committee" as the next logical and most effective step that could be taken at this time.

GERALD C. HEAD QUILTS POST AS MEMBER OF SCHOOL BOARD

Gerald C. Head, who had been Chairman of the Board of Trustees of the Goldthwaite Independent School District since April 9 of last year, resigned from the Board in a letter that was dated August 1 and his resignation was accepted by the Board at a meeting last Monday night.

With Mohler Simpson as Acting Chairman, Secretary Charles Conradt read the following

School To Resume September 1, Kids!

School will open on Monday, September 1, it was decided by the Board of Trustees of the Goldthwaite Independent School District at a meeting last Monday night on a motion by Malcolm Jernigan that was seconded by Tommie B. Harper. The motion was adopted unanimously.

Other action taken by the Board included the following:

1— Decision, on motion by Mr. Jernigan, seconded by Mr. Daniel, to authorize the purchase of lunchroom supplies in the manner most advantageous with regard to assuring both quality and economy. Authorization was given to purchase lunchroom supplies at wholesale, if desirable.

2— Authorization, on motion by Mr. Harper, seconded by Mr. Jernigan, to erect a partition in front of the Superintendent's office and adjoining High School room number 201 so as to provide office quarters for the High School Principal, at a cost not to exceed \$150.00.

With Superintendent Jones the members of the Board discussed such matters as football equipment and the finances of the Goldthwaite High School Eagles, insurance for football players, the price to be charged for school lunches, classroom schedules, relocation of certain classrooms and numerous other problems. The Board members and Mr. Jones also interviewed five applicants for faculty appointments.

(Signed) G. C. Head

After a brief discussion the

Farm Mobilizers See Draft Board About Manpower

Luther H. Soules, Sr., and Harry Welch, representing the Mills County Agricultural Mobilization Committee, met in Lampasas on Tuesday night of this week with Selective Service Board number 84 to discuss policies designed to keep manpower on the farms, even in the face of calls for men in the Armed Services. They were accompanied by Charles Frizzelle, who is the Mills County representative on Selective Service Board number 84.

The delegation from Mills County was assured that in drafting men for military service, consideration would be given to the cases of young men who are considered essential in their farm work. In fact, one Mills County young man was given a six month deferment because of the essential nature of his farm work.

Last Tuesday night's meeting was held in Lampasas following a conference on Tuesday morning at the Mills County Court House among members of the Mills County Agricultural Mobilization Committee.

Present for the conference, in addition to Mr. Soules and Mr. Welch, were Charles Conradt of the San Saba Production Credit Association, Bruce Barnett of the P. M. A. Committee, Willis A. Hill of the Rural Electrification Administration, County Agriculture Agent George G. Reese, Charles O. Haensch of the U. S. Soil Conservation Service, Charlie E. Jones, P. M.

(Continued on Back Page.)

M. Fields Hines Named Principal Of Lometa School

M. Fields Hines, who has been a valued member of the Goldthwaite High School faculty for the past five years, resigned this week and accepted appointment as Principal of the Lometa High School.

The resignation of Mr. Hines as teacher of science in the Goldthwaite High School was received with profound regret by the Board of Trustees of the Goldthwaite Independent School District and by Superintendent of Schools J. T. Jones.

Very much of an effort was made by members of the Board and Mr. Jones to prevail upon Mr. Hines to alter his decision, but Mr. Hines felt that he had no alternative but to accept the High School principalship in Lometa.

In addition to teaching science Mr. Hines, who lives in Scalhorn, was tennis coach for the Goldthwaite Schools. Members of the School Board were unanimous and emphatic in their expressions of regret over the loss of Mr. Hines.

With the resignation of Mr. Hines, the School Board now has three faculty vacancies to fill between now and the opening of school classes on September 1. A High School teacher of science must be appointed, along with a Grammar School Principal and a teacher of home economics. A number of applicants for the posts have been interviewed or are under consideration and further action is expected to be taken by the School Board in the near future — possibly at a meeting that will be called by Acting Chairman Mohler Simpson.

In submitting his resignation under date of August 1 and upon giving notification of his appointment as High School Principal in Lometa, Mr. Hines wrote in part as follows:

"My tenure in Goldthwaite has been every pleasant and I desire to express my sincere thanks to the Board for every kindness extended to me during the past five years."

Postponed Council

The Goldthwaite City Council will meet next Monday night for a session that was adjourned from last Monday night because of the lack of a quorum of Aldermen.

Traveling Blaze

Chief Jack Reid and Joe Bailey Karnes of the Goldthwaite Volunteer Fire Department responded to an alarm on highway 84, 3 1/2 miles east of Goldthwaite, at 6:30 o'clock on Wednesday morning when a trailer, laden with household goods, caught fire. Considerable damage was done to the load and the trailer before Mr. Reid and Mr. Karnes were able to extinguish the blaze.

One Fine, No Watch For E. A. Obenhaus

Justice of the Peace E. A. Obenhaus still has not found his lost watch and he needs it to keep track of dragging hours since he had a quiet week in his Court. Mr. Obenhaus assessed a penalty of \$19.00, including costs, against H. J. Phillips of Midland, who had pleaded guilty to a speeding charge that was filed by Texas Highway Patrolman Billie R. McElroy. Then he went back to pondering the whereabouts of his lost Ingersoll. Please help Mr. Obenhaus to find his watch, to which he attaches a sentimental value.

W. S. Keating, Who Taught George M. Fletcher To Punch Cows, Visits

W. S. Keating, who alleges without denial that he taught George M. Fletcher how to punch cattle, came back to Mills County for another visit this week and, in addition to taking jovial, verbal pokes at Mr. Fletcher, he made some sly remarks about George Holland "Fesser" Frizzelle and some watermelons that were missing from their patch many years ago.

Mr. Keating, who will be 83 next December but who looks to be much younger, is the father of the Rev. Earl Keating of Hobbs, N. M., who has just conducted revival services at the Baptist Church in Mullin. His brothers are J. D. Keating and W. F. Keating and his protegee is that young upstart, George M. Fletcher who, according to Mr. Keating, "was a pretty good cow puncher because he soon caught on after I started teaching him."

Mr. Keating now lives in Jacumba, in the mountains of California. Jacumba is on highway 80, about 70 miles east of San Diego and within spitting distance of Old Mexico. Mr. Keating planned to leave late this week or early next week for Jacumba with his son, the Rev. Mr. Keating, whose Church in Hobbs has a membership of 2,500.

With his family, Mr. Keating settled between Mullin and Zephyr in 1886 — a year before there was a Mills County. He moved to California in 1917, but not until after he had taught the cattle business to Mr. Fletcher and after he had accumulated plenty of inside information about the life and times of Fesser Frizzelle. Since 1917 Mr. Keating has come back to Mills County for five visits and he figures on coming again — maybe next year.

On the wall of the rotunda in the Court House, right next to the Memorial Tablet, there is a list of the first officials ever to have been elected by the voters of Mills County. On Tuesday morning of this week Mr. Keating was spinning tall tales about them to Mr. Fletcher, Sheriff C. F. Stubblefield — who was carrying a magnifying glass just like Sherlock Holmes — and County Attorney A. M. Pribble. It developed that there is nothing wrong with Mr. Keating's memory. He has recollections of plenty.

Mr. and Mrs. Cecil Parker and children of Hamilton and Mr. and Mrs. Hugh Lee Caudle and sons of Fort Worth were guests of Mr. and Mrs. J. R. Parker Sunday.

E. B. Adams Lugs Hunk Of Granite From Pike's Peak

Goldthwaite's fabulous monument maker, E. B. Adams, and Mrs. Adams have had another vacation—and what do you suppose Mr. Adams brought back to Goldthwaite as a souvenir? A hunk of granite from the top of Pike's Peak, of course!

In accordance with what is becoming an annual custom, Mr. Adams also brought back to the Eagle editor a newspaper—this time the Black Hills Pioneer, published in Deadwood City, S. D. It is full of tales of General Custer, Wild Bill Hickock, Indians, lynchings and saloon advertisements, but all Mr. Adams brought back to Goldthwaite was a copy of the newspaper—which also is full of typographical errors and items about vigilantes.

On their trip Mr. and Mrs. Adams toured through eleven States, in addition to Texas, and they put 4,659 miles more on their speedometer. They encountered water when they had a look at Lake Superior and they crossed over into Canada at Pigeon River. At Wolbach, Nebraska, they stopped over to visit their old friends, Mr. and Mrs. Ed L. Kolar and their son, Edwin, who served during World War II with Floyd Langford, the Adams' son-in-law. The Kolars visited Goldthwaite several months ago.

Mr. and Mrs. Adams, who were gone from July 8 until Wednesday of last week, were impressed most by Pike's Peak and the Badlands of South Dakota.

Personal News Of Mullin

By JEWELL SLAUGHTER

Roger Dale and Granville Doyle Long of Abilene are visiting in the home of Mr. and Mrs. Roger Smith.

Jack Lowe of San Angelo, Mr. and Mrs. W. S. Lowe, Jr., of Austin, and Don Barziza of Houston spent the weekend in the home of Mr. and Mrs. W. S. Lowe and Janet.

Miss Artie Mosier visited Mrs. Phil Johnson of Brownwood Friday.

Mr. and Mrs. Qunah Frazier and children of Sweetwater were visitors in the home of Mr. and Mrs. W. T. Tally over the weekend.

Mr. and Mrs. Norman Williams and family of Gateville, and Mr. and Mrs. E. L. Calder and family attended the Williams family reunion in the home of Mr. and Mrs. Lois Williams at Lockney.

Mr. and Mrs. George Fletcher and daughter, Mary, and granddaughter, Barbara Isham of San Saba spent the weekend in Lubbock in the home of Mr. and Mrs. L. D. Fletcher and family.

Mrs. T. V. Swinney visited last week in the home of her children in Fort Worth.

Mr. and Mrs. Lester Vann of San Antonio, Mr. and Mrs. Ben Vann of Vernon, Mr. and Mrs. Eledge Vann of Goldthwaite, Mrs. George Burkett of Comanche, all visited in the home of their uncle, Mr. and Mrs. L. J. Vann, and family Sunday afternoon.

Star Revival Will Begin This Friday

Revival meetings of the First Methodist Church of Star will start on Friday night of this week at the Star Tabernacle, it was announced this week by the Rev. C. A. Hogan, Pastor.

Brother Hogan said that he will preach for the revival on Friday, Saturday and Sunday and that beginning next Monday night preaching will be by Evangelist G. W. French of Fort Worth.

The Star Methodist revival will continue through August 17 with services every night at 8:15 o'clock—starting this Friday night.

Gospel Meetings Start At Ebony On August 15th

A series of gospel meetings will begin at the Church of Christ in Ebony on Friday of next week, August 15, with preaching by Evangelist J. D. Pinkerton of the Church of Christ in San Saba.

J. D. PINKERTON

Brother Pinkerton said this week that during the Ebony gospel meetings services will be conducted nightly at 8:15 o'clock and that there will be Sunday morning services at 10:45 o'clock.

Congregational singing for the meetings will be led by Brother Ernest Bradley, also of San Saba.

A cordial invitation has been extended to the general public to attend the Ebony gospel meetings.

The meetings will continue through August 24.

Mrs. Virginia McGirk of Arlington visited relatives here last week.

HD Club Supper

Mr. and Mrs. A. M. Hunt will be host and hostess at an outdoor supper to the Goldthwaite Home Demonstration Club at their home on Thursday night of this week. When members of the HD Club will be accompanied by their husbands. Time for the supper has been set at 8:00 p. m. Mrs. V. V. Harris was the hostess for the last meeting of the Club at which two guests, Mrs. Lewis Jones and Mrs. J. C. Mullan, were present.

Burwell Confers

R. G. Burwell, Extension Service Agent for District 8, which includes Mills County, conferred in Goldthwaite on Monday of this week with County Agriculture Agent George G. Reese. In addition to telling friends of his pride in the good work of Mills County 4-H Club members, Mr. Burwell told of how impressed he was when, on Monday afternoon, he drove through a right smart rain shower between Mullin and Zephyr. Mr. Burwell said he hoped to be able to arrange his schedule so that he could attend the September Preview of the Mills County Livestock Raisers' Association.

Masseys, Calders Visit California

Mr. and Mrs. Jesse Massey and their daughter, Mrs. Guy Calder, Mr. Calder and Rae Ann Calder, left Goldthwaite late last week on an automobile trip to Modesto, Cal., where they will visit Dale Massey and his family for the first time in five years. While in California the Masseys and the Calders also will visit Lieut. Wayne Massey and Mrs. Massey at Santa Anna. Lieut. Massey was transferred to California from Grand Prairie a little more than a month ago. The Masseys and the Calders planned to be absent from Goldthwaite for 10 or 12 days.

Wedding Bells

Since last report marriage licenses have been issued by County Clerk Earl Summy to the following:

Harold H. Carter and Mary Angela Fromholz.
Billie John Eckert and Eunice Omadine Durst.

V. A. Hudsons Fish

Mr. and Mrs. V. A. Hudson and their son, Ray Campbell, spent last week vacationing on Buchanan Lake, where much of their time was devoted to fishing. On her return this week to the County Judge's office Mrs. Hudson reported that fishing was good, especially for catfish and crappie. "Three pounds was as big as any I pulled in," Mrs. Hudson said modestly — leaving the implication that Hud and Ray Campbell had been landing whales.

Band Practice

There will be another practice session for members of the Goldthwaite School band at the band house from 8:00 a. m. until noon next Saturday. Band Director George Reed announced this week. Mr. Reed has requested that all members of the band report with their instruments and music at eight o'clock Saturday morning.

Coach At School

Coach Ray Akins of the Goldthwaite Schools this week attended the annual Coaching School which, this year, is being held in Fort Worth with Dutch Myer of T. C. U. as one of the outstanding instructors. Coach Akins, with Mrs. Akins and their small daughter, plan to move permanently to Goldthwaite in two weeks. They have been spending the summer in San Marcos, where Coach Akins has been working toward his Master's degree.

BETROTHED

MISS BEARD

Mr. and Mrs. LeRoy Beard of Star this week announced the engagement and the approaching marriage of their daughter, Frances, to Mr. Dewey L. Baldwin, son of Mrs. J. J. Jacks of Brady. The marriage will be solemnized at 8:00 p. m., on August 29 at the Baptist Church in Star. Both Miss Beard and Mr. Baldwin are students at Howard Payne College in Brownwood, where they plan to make their home.

Volunteer Blood Donors Are Asked For By Red Cross

Prolonged and enthusiastic applause greeted an appeal to the Goldthwaite Lions Club by Brian Smith last Tuesday night for greater and more sustained volunteer effort by citizens in providing whole blood and plasma for the nation's blood banks and in cooperating with a weather observation and tornado warning service.

Mr. Smith, who is Executive Secretary of the Mills County Chapter of the American Red Cross, told the Lions that the Bloodmobile unit of the American Red Cross will make another visit to Goldthwaite on October 9 when, again, citizens will be asked to help to provide urgently needed blood for casualties in Korea and for emergencies at home—such as last Monday morning's tragic bus collision just south of Waco.

Goldthwaite, Mr. Smith said, now is in a set-up that affixes Mills County to the Central Regional Blood Bank at Waco. Because of that new institution, 20 pints of whole blood and 20 pints of plasma were made available for the bus crash victims. The blood that was instantly available definitely saved at least three lives, Mr. Smith said. He added that replenishment of the blood bank at Waco was made by the American Red Cross from St. Louis.

With Mills County becoming a participating member of the new blood bank at Waco, citizens here will be able to take advantage of reciprocal arrangements in affiliated hospitals. Further, donations of blood for fighting men in the Armed Services can be on a continuing basis.

"We can get blood only from volunteers and we need volunteers," Mr. Smith emphasized. He asked the Lions Club to go on record as supporting the Red Cross effort to recruit blood donors and the request met with an instant response in the form of applause.

Mr. Smith also told how a system of weather observers is being organized so that there may be a rapid interchange of information in areas, especially, that are not covered readily by the facilities of the U. S. Weather Bureau. One of the functions of the service will be to provide tornado warnings. Further details of weather observations here and local participation in the tornado warning service will be worked out in the near future, but volunteers will be needed, Mr. Smith emphasized.

Mrs. Vin Gamblin of Cisco and her daughter, Mrs. Bobby Foote, and her grand-daughter, Cindy, of San Francisco, Cal., visited in the home of Mr. and Mrs. C. Locklear last Sunday. Mrs. Gamblin is a sister of Mrs. Locklear.

Miss Jean Wood And Kenneth Dale Henry Will Wed Wednesday

Miss Erma Jean Wood, daughter of Mr. and Mrs. Ernest K. Wood, and Mr. Kenneth Dale Henry, son of Mr. and Mrs. K. B. Henry, will take their marriage vows at six o'clock next Wednesday evening at the First Methodist Church of Goldthwaite. The Rev. Ed H. Lovelace, Pastor, will solemnize the ceremony. Miss Wood has been living recently in Grand Prairie. Mr. Henry is a student at the University of Texas.

Scallorn Supper

The Scallorn Homemakers' Club will have its annual covered dish supper at 7:00 p. m., on August 14 at the home of Mr. and Mrs. P. R. Jordan. Everybody is invited to attend and to take a covered dish.

Mr. and Mrs. W. L. Biddle were visitors in Brownwood on Monday of this week.

August 22 Big Day For Comanche REA

There will be a BIG DAY at Lake Eanes in Comanche County on August 22 when the Comanche County Electric Cooperative Association will hold its annual meeting, along with an electric fair and a full program of entertainment that will include professionals and an amateur talent contest.

The program will start in the morning and it will continue until night, according to W. J. Parks, manager of the Cooperative. A cordial invitation was issued by Mr. Parks to Mills County citizens to attend the big doings that have been planned for August 22. Business will include an election of directors, reports of officers and a revision of by-laws. There will be musicians, an Electrical Wonders Show from Texas A. & M. College, Home Demonstration and Boy Scouts exhibits and an Entertainment Jam-boree at night.

TB and the X-Ray Bus

Time was when the TB victim innocently walked the streets of his town undetected—and undetectable.

For who had the millionaire's pocketbook to pay for examining a whole town of a thousand people to sieve out one possible victim?

Now comes the x-ray bus, able to be TB detective for whole cities, for a few pennies a person. Millions of people now have their TB worries erased when the doctor says "Okay."

How long did it take to get the x-ray bus? Well, for its part, General Electric had been working on x rays for 57 years. Costs of diagnosis have come down by better and better equipment. No year passes without some new development. So this was another big chapter in a long book of events.

Notice the nice way these buses get into service. They are usually purchased by voluntary contributions of plain people trying to get a job done.

It is always hard to write a definition of the "American Way." But this hand-in-hand achievement of state and national health associations, General Electric, and the local communities comes close to being a perfect example.

You can put your confidence in—

GENERAL ELECTRIC

Wallaces Celebrate
 With many relatives and friends to help him, G. B. Wallace of Mullin celebrated his birthday anniversary last night, when the family also celebrated its 20th reunion. The celebration was a double one since Wallace's aunt, Mrs. Lou Wallace of Granbury, was present for the observance of her 90th birthday anniversary, which was last Monday. Guests for the party from many places in Texas.

News Of The Ebony Community

By CLEMENTINE WILMETH BRILEY

We are not only having dry weather now, but we are also having it sizzling hot. Stanley Reeves said his thermometer registered 108 degrees on the north side of the house at 2 p. m. Sunday afternoon. Monday seemed hotter still, but in spite of the heat Cecil Egger, assisted by Ezelle Thompson and Johnny Griffin, baled feed for John Briley.

And we are proud of these two prize boys, Ezelle and Johnny! For years they have been inseparable, and have manifested a regular David-and-Johnathan friendship. Their parents say they have never known them to have a disagreement. Ezelle is about six foot six, or tall enough to fix the moon, while Johnny must not be much over five feet. Charlie Griffin calls them Mutt and Jeff. John Briley says they can really do the work.

The Oakland meeting came to a close Sunday night. We were reluctant to see it go. Bro. Allan preached the Word in such a simple manner anyone could understand. He endeared himself to us with his edifying sermons, his sincere Christian life, his whole-hearted interest in everyone, and his spicy wit. He said when he was starting out to come to Oakland one of those Eggers said, "Now, Bro. Allen, you had better watch out for those street cars when you get to Oakland." I knew immediately that that Egger was Edward. We got to see the pictures of Scotland Tuesday night, and we had our singing Sunday afternoon. We learned that there must be no talking or coughing while recording a song, for that little instrument really gives out every sound within its reach.

We hope everyone will remember that Bro. Bradley will be here to preach for us next Sunday. The Briley family expects to be there in full force. The Beliches of El Paso arrived at the Briley home Monday night, and the Mitchells of Beaumont are due there Friday.

Also the Wilmeth Clan are planning a one day reunion at the home of Mrs. Edna Dwyer either Saturday, Aug. 9, or Sunday, Aug. 10. If it should be Sunday, the whole group will be at church Sunday morning.

Then remember that our revival begins Friday, Aug. 15. Bro. Pinkerton of San Saba will do the preaching for us except on the first Sunday morning when Bro. Bradley will preach.

Mr. and Mrs. Henry Egger went to Lake Brownwood Friday to attend the White Reunion. Mr. and Mrs. Cecil Egger also went to visit with them Sunday. They reported a good attendance.

Mr. and Mrs. Charm Whittenburg and Clint and Jack went to Christoval over the weekend to attend the Reid Reunion.

Mrs. Blue Thompson hasn't been well for sometime. Thursday her daughter, Edith (Mrs. George Russell), of Big Spring and Mr. Thompson took her to Dublin to see her former doctor. Ezelle said his treatment is already helping her. Mr. and Mrs. Thompson also had their new grandson, Dickie, son of Mr. and Mrs. Don Lewis of Fort Worth, visit them for the first time this past weekend.

Well of all the nice things, to open the Goldthwaite Eagle and find my graduating poem of 1903 in print there! I am indebted to John Boland of Cleveland for this gracious act. My eyes really did bug out, Mr. Boland. To Editor Ekins I send a note of sympathy, though I chuckled at his dilemma. He said when he agreed to publish the poem he thought it would be only two short verses, whereupon it turned out to be a great long thing.

I thought to graduate from Daniel Baker I had to write a long, hard poem. I patterned the meter of that poem after William Cullen Bryant's "The Ages," which he once delivered as some kind of graduating address. It was much longer than mine. In 1925, after taking numerous education courses from the University of Texas and Southern Methodist University, I came back to Daniel Baker and brought my degree up to date. At that time I wrote another graduating poem, and Dr. Chandler had it put in the annual. This time it was short and sweet, and, I hope, hard to beat. I can't forget the words of Mr. John S. King, Managing Editor of the Dallas News, when I sat in his Journalism Class in the Dallas Night School some twenty years ago — "To say something in the fewest words possible is the way to an editor's heart."

BIRTHS

Mr. and Mrs. Elroy McCasland of Orla became the parents of a son, James Stacy, on July 17. His paternal grandparents are Mr. and Mrs. Stacy McCasland and his maternal grandparents are Mr. and Mrs. J. Sherwood Owens. Mrs. Owens spent last week with the McCasland family, which includes James Stacy's sister, Loreta Sue, who will be 3 next Monday.

Max Shepherd Goes Back To Hospital

Max Shepherd, son of Mr. and Mrs. E. O. "Spud" Shepherd, was taken to the Hillcrest Hospital at Waco on Wednesday of this week. At the hospital the medical men will decide whether Max, who has been abed all summer, must have more bone surgery on his hip or whether the bone can be put in its proper place by manipulation. After having been in a cast for several weeks Max last week got the bad news that he faced further hospitalization and treatment. Here's hoping, Max, that it will be over soon and that there will be better news after Wednesday's medical examinations.

Merlene Woodard of Star returned home Saturday after a few days visit here with her grandmother, Mrs. Pauline Woodard.

Mr. and Mrs. Howard Fritz and children of Hermleigh visited relatives here last weekend. They also attended the Lindsey reunion at Mullin Sunday.

Cool as a mountain breeze

With Room Air Conditioning

All the coolness of a vacation in the mountains — and more — can be yours — right in your own living room — when you install an electric room air conditioner. Your own special mountain-cool breeze comes to you dehumidified, filtered of pollen and dust, and circulated for maximum comfort.

Too, your room air conditioner shuts out noise, whisks away smoky, stale air. To work in comfort, play in comfort, sleep in comfort, to say goodbye to suffocating summer heat, install an electric room air conditioner today.

Eagle's Eye

(Continued From First Page.)
road Commission from regulation of freight rates, through control of trackage, the oil and gas business and on to trucking.

related in telling of his dealing with "government by Commission," but I think it is important to report how he hammered home that "we had better begin to wake up and raise objections" and that "we are getting bad government because we are running government too far by Commissions."

Mr. Chambers said that the abuses of power with which he charged the Railroad Commission could be ended with a simple law making rights and permits granted by that Commission NOT transferable. He said that unless corrective action is taken, "you soon won't need your legislators any more—all you will need is to have us go down there and approve what the Commissions do when we are not down in Austin."

In pledging himself to a vigorous fight on "government by Commission," Mr. Chambers also took time to explain just why he voted against the automobile safety inspection law, the automobile liability insurance law, the new Texas election code—which he said had NOT been read by the law-makers and had been passed under a suspension of the rules—and others. He warned that in the next session of the Legislature there will be an effort to increase the gasoline tax and to saddle a tax on the gasoline that farmers use on their farms and ranches. "Whenever you stop gasoline on the farms you are going to stop production," Mr. Chambers said, "and I cannot vote for the bills on gasoline taxes that will be introduced into the next Legislature."

I wish that all Mills County citizens could have heard Bill Chambers last Tuesday night. There was no doubt, it seems to me, in the minds of those who did hear him, about his good motives and his fighting spirit. There was no doubt about his sincerity when he said: "I have only one thing in mind and that is to be of service to those who have elected me to represent them." Anybody who listens to Bill Chambers must realize how true it is that we MUST take more interest in government and how it is run. "I am not going to sell the dignity and honesty of the people who send me to Austin," Mr. Chambers told the Lions. All of us ought to help him wage the fight to which he is committed. Bill Chambers is fighting for preservation of the system of checks and balances that was set up in our Constitution but which so often is nullified when legislative, executive and judicial powers are lodged in the Commissions and bureaus that actually govern.

A Little Rain

(Continued From First Page.)
But in some places it did not rain at all. The Eagle's Roy Lee Hill, who has stopped predicting the weather, said there was no rain at his place 3 1/2 miles southwest of Star. On the D. R. Reynolds place on the Caradan Road there was merely a sprinkler on Tuesday, but Leo Reynolds said, philosophically, that at least the temperature dropped for a little while.

On the subject of temperature, there is nothing official, but it has been hot. One report of a temperature reading one afternoon this week of 105 degrees in the shade has not been verified.

On Wednesday afternoon at George Gilbert's Service Station Jim Culwell said it was 101 degrees indoors and he could prove it. Outside Mr. Culwell did not know how hot it was. He had a thermometer in the sun but it could register only as high as 120 degrees. The red line of alcohol in said thermometer was at the top of the tube.

In the matter of Tuesday's shower again, research by Roy Lee Hill showed that the rain started east of Goldthwaite around Hulon Fletcher's place. It was heavy both north and south of Goldthwaite, relatively speaking, but how far west the rain fell is not known since no travelers from Pecan Bayou had been encountered as the Eagle went to press.

After the shower, incidentally, the drought resumed. Wednesday was about as hot as anybody wanted to have it and nobody was really expecting any more precipitation until about time for school to start up again next month.

Personals

P. M. A. Administrator Charles E. Jones and his family plan to move this month from Zephyr to the present home of the T. Floyd Sansons on the Caradan Road. The Sansons are planning to move to Rogers, Ark.

Bob Woodard of Brady spent two days with Harvey Ekins during the past week.

Mrs. L. O. Kelly Undergoes Surgery

Everybody around the Eagle was very much relieved this week when the news came that Mrs. L. O. Kelly of Pleasant Grove, mother of Our Arnold K. Kelly, was doing as well as could be expected after an operation to which she submitted at the San Saba Memorial Hospital early on Tuesday. Mrs. Kelly was doing so well, in fact, that she was able to return to her home on Wednesday for a period of rest and recuperation. Get well, Mrs. Kelly, but be careful. At last report Mr. Kelly — L. O., that is — also was doing as well as could be expected, what with being cook and nurse. Mr. Kelly had been planning a tonsilectomy for himself but that had to be postponed because of Mrs. Kelly's operation.

"Wyoming Or Bust"

Mr. and Mrs. Luther E. Booker and their daughter, Miss Pauline, must be on their way to Wyoming. Just as the Eagle was about to go to press this week the Post Office delivered a postcard that Miss Pauline had mailed from Raton, N. M. "Our motto is 'Wyoming or Bust,'" Miss Pauline wrote. "Take care of the old burg until I get home." Okay, Miss Pauline, but please bear in mind that Goldthwaite is mighty, mighty choosy about who takes care of it. Why didn't you say good bye?

Mrs. Dora Morris, who is a patient in the San Saba Memorial Hospital, was reported to be improving this week.

Mr. and Mrs. Jack Locklear and their children returned last weekend from a visit in Ruidoso, N. M.

Personal Paragraphs

Mrs. Millard Cockrum — Ellen, that is — this week began her new duties in the Brownwood office of the U. S. Soil Conservation Service, following her transfer from the San Saba office. Previously Mrs. Cockrum had been a member of the staff of the Goldthwaite Work Unit of the Soil Conservation Service.

Mr. and Mrs. Wilbur Roesch of Falls City, Neb., and their children, Bobby, 1, and Glenda Kay, 4, were guests last week of County Agriculture Agent and Mrs. George G. Reese in Gold-

thwaite. Mrs. Roesch is a sister of Mr. Reese.

Mr. and Mrs. J. R. Ervin and Dianne, Mrs. Charles May and son, John, all of Ranger, and Mrs. Ralph Green and little daughter, Vivian, of Hansford, California were guests of the Misses Abbie and Ruth Ervin and R. L. Ervin Sunday.

Mr. and Mrs. Carl Keese and daughter, Mrs. Sam Thomas and her little daughter, Terry Ann of Magnolia, Arkansas, Mrs. D. D. McBride and granddaughter, Ruth McBride of Arlington were weekend guests of Mrs. J. N. Keese.

Mr. and Mrs. Aaron Stacy of Fort Worth spent the weekend with his parents, Mr. and Mrs. Dan Covington.

Mr. and Mrs. Richard Saunders and children are visiting her sister, Mrs. Loy Long and Mr. Long.

Mr. and Mrs. Charley Laughlin of Fort Worth spent the weekend with his parents, Mr. and Mrs. Worley Laughlin.

Mrs. H. C. Colbert and son, Hugh of Abilene, visited Sunday with Mr. and Mrs. E. L. Pass.

County Schools

(Continued From First Page.)
stream gets lots of water from Lake Brownwood and also backwater from the Colorado river. The country is very rough and it is necessary to cross at the one crossing or go by way of Goldthwaite or Brownwood. So, in order to pick up these children and not keep them out for too many hours on the same bus, it is necessary that the two buses run on the same road for quite a while. The Board is requesting that these routes be made permanent to accommodate a very sparsely settled country with only one road to the Mullin School."

At Monday's meeting the County School Board also received and approved a report on the Mills County Vocational School by its Coordinator, Eric D. Roberson.

Present for the meeting, in addition to Judge Porter, were Jim Soules, President; C. C. Collier, A. A. Downey, J. H. Priddy and J. D. Berry.

Farm Mobilizers

(Continued From First Page.)
A. Administrative Officer in Mills County, George Dorman of the Farmers Home Administration, and Mr. Frizzelle, Mr. Soules and Mr. Welch are P. M. A. Committeemen.

It was recognized at the meeting that the Mobilization Committee could be of service to the Selective Service Board in providing counsel regarding the manpower needs of Mills County.

The members of the Agriculture Mobilization Committee recognized the needs of the military services for manpower but they also have taken the position that soldiers cannot eat unless food is grown for them. In cases where young men are of vital importance in their farm work, there will be consultation regarding them with the Selective Service Board.
