FORD MOTOR COMPANY SHOWS 1953 MODELS FRIDAY

Smart, sleek lines accentuated by new jet-tube taillights and a new chrome molding through the center of the rear fender line are featured in the 1953 Ford Customline Fordor sedan. Outstanding mechanical feature is a new "miracle ride" which brings to the high volume field for the first time the smooth riding characteristics of heavier, costlier cars.

Straley of Goldthwaite and Cpl. Sidney Brooks of Camp Polk, Louisiana.

Girls' Basketball

On Monday night of last week, the Goldthwaite Girls' "A" basketball team won over the Bangs girls' team when they met in Goldthwaite Gymnasium to the tune of 26-24. On the same night, Bangs boys' "A" basketball team defeated the Goldthwaite boys by a score of 40 to 57.

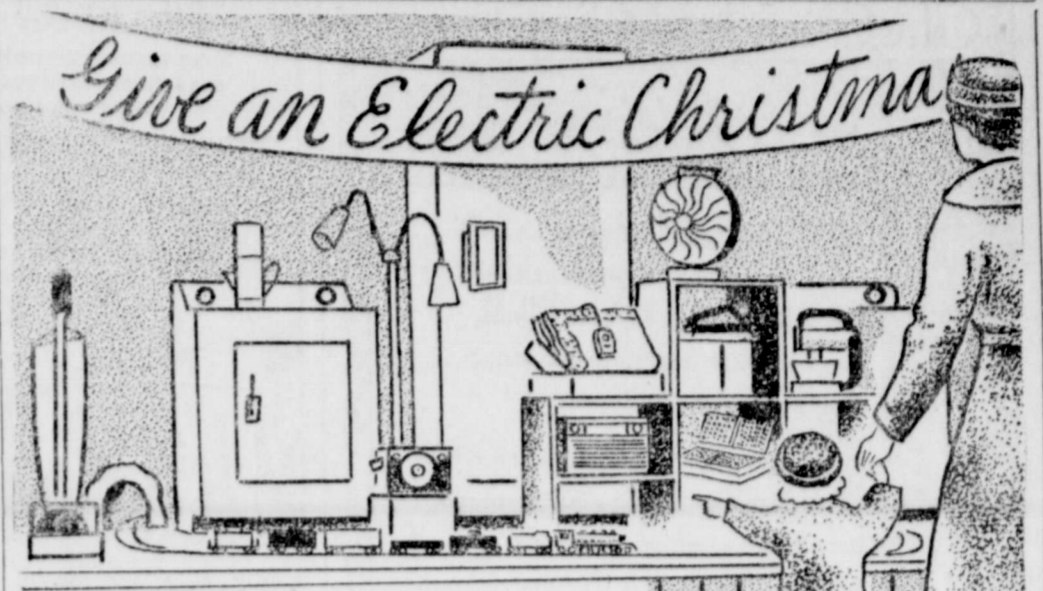

Mr. and Mrs. O. R. Ervin of Ranger were visitors in the home of Mr. and Mrs. W. M. Johnson and with other relatives here over the weekend.

New 1953 Ford Goes On Display Friday, Dec. 12

The 1953 Ford—marking the 50th anniversary of the Ford Motor Company—will go on display in 6400 Ford dealerships across the country Friday, December 12. The new models will be introduced without any increase in present prices. A massive new grille with a

center spinner characteristic of recent Ford design and a low, road-hugging look, advance the modern Ford Styling. And an outstanding improvement in suspension, termed the "miracle ride," heads a list of mechanical improvements.

L. D. Crusoe, vice president of Ford Motor Company and general manager of Ford Division, said: "The 1953 Ford is a worthy successor to all the millions of cars this company has built since the late Henry Ford organized it in June, 1903."

What finer gift could anyone find than any of the wonderful, modern electrical appliances which make work easier and life more pleasant? The choice is wide enough, the range of prices great enough to meet the needs of every home and every budget. Whichever electrical gift you choose will pay rich dividends for Christmases to come—in happiness for the whole family. Give today for a pleasant life tomorrow.

The Miracle of Christmas

Christmas, the day when with reverence we join in celebrating the nativity of the Christ Child, has the power to work an awesome magic on men's souls.

Throughout the land there is a new stirring of faith, a quickening of hope and aspiration, and a welling-up of tolerance, forgiveness, and understanding.

These are the qualities that can bring peace on earth, and it is the reaffirmation of our belief in them that constitutes the Miracle of Christmas

"I PLEDGE ALLEGIANCE..."

SIXTY YEARS AGO THE PLEDGE OF ALLEGIANCE TO THE FLAG WAS FIRST PUBLISHED IN YOUTH'S COMPANION, ITS FINAL WORDING SHAPED BY FRANCIS BELLAMY.

OF THE GENERATIONS OF CHILDREN WHO COUNTED ON RECEIVING A SUBSCRIPTION TO 'YOUTH'S COMPANION' FOR CHRISTMAS, THE LAST IS GROWN UP NOW. THE MAGAZINE IS NO LONGER PUBLISHED, BUT ITS FINE TRADITION OF SERVICE LIVES ON IN THE PLEDGE WHICH SUCCEEDING GENERATIONS OF CHILDREN HAVE RECITED, AND, LOOKING AHEAD TO THE FUTURE, WILL CONTINUE TO RECITE:

"I pledge allegiance to the flag of the United States and to the republic for which it stands, one nation indivisible, with liberty and justice for all."

By PEARL CRAWFORD

We wish to congratulate Johnny Wigley and John Howard Owens on their success at the Chicago Stock Show.

I think most every one from this community attended the Christmas party at Goldthwaite Saturday. It is hard for me to say which had the biggest time, the children or older folks, as everybody enjoyed the get-together so much.

Floyd Daniel sawed wood for Truman Vaughn Saturday; Bill Partin sawed wood for Lewis Stahnke Thursday afternoon.

Mr. and Mrs. W. W. Williams are gathering mistletoe.

O. A. Evans attended the stock sale at Goldthwaite Friday and brought back a load of sheep.

C. G. and Cecil Partin helped Bill Partin build a goat shed Monday.

Pearl Crawford visited Mr. and Mrs. A. L. Crawford and William G. Friday afternoon.

Mr. and Mrs. C. M. Bramblett, Betty and Wilagene attended the ball games at Priddy Friday night.

It was nice to see Mrs. Bill Hightower and Nan in town Saturday. Mrs. Hightower has as her guest her three grandchildren. Mr. and Mrs. Bill Hightower are former residents of this community.

Thanksgiving guests of Mr. and Mrs. T. V. Stevens were Mr. and Mrs. Luther Geeslin, Henry Stevens, and Mr. and Mrs. Junior Fisher and children of Lometa.

Mr. and Mrs. Floyd Daniel and Mark, and Rev. L. L. Hays were last Sunday afternoon guests of Mr. and Mrs. J. H. Vaughan.

Mr. and Mrs. T. V. Stevens visited Mrs. R. A. Stevens and Miss Lola Saturday.

Rev. N. C. Karnes of Brownwood visited his sister, Mrs. Stone Shipman and family Wednesday.

Mr. and Mrs. C. A. Starks and Wilford attended a Thanksgiving reunion with relatives in Mason.

Mr. and Mrs. Bill Partin, Tommie, Jimmie and Jesse attended Jim Stahnke's birthday supper Thursday night.

Ira O. Harvey of Goldthwaite was hunting in our community Friday at O. A. Evans' farm. Mr. Harvey was our mail carrier a good many years ago.

Mrs. Bill Partin stuck a nail in her left hand Sunday. At this writing she has a very painful hand.

This scribe visited Mrs. W. T. Mays at the home of her daughter, Mrs. Featherston. Mrs. Mays has been on the sick list for a few weeks.

Mr. and Mrs. Henry Bowden are reported on the sick list. We hope all the sick a speedy recovery.

H. F. Kemp's sickness and death brought sorrow to this community.

Girl Scout Officers And Troop Leaders Meet Last Tuesday

Eleven officers and Troop leaders attended the meeting of the Girl Scout Executive Council held at the Little House last Tuesday morning, December 3. A three-months' review of Scout accomplishments and projects was given by Mrs. Malcolm Jernigan, Program Chairman.

She reported that an Investiture for thirteen girls in Troop 4 was held recently and plans are now being made for a Christmas party. Troop 6 did baby-sitting for P.-T. A. mothers and are now working toward earning a Nature Badge and Clothing Badge. Troop 7 made and embroidered cup towels for the Little House, made earrings of rick-rac braid, fixed gifts for their fathers and will give a party for their parents at Christmas time, while Troop 8 made hand-blocked curtains for the Little House, received instructions from Mrs. Bill Cardwell about good grooming and are also planning Christmas festivities.

Mrs. Nell Lyle, Area Council

WRINKLE-FREE and DEODORIZED

with an Automatic GAS Clothes Dryer

When your dresses, coats, and suits or your husband's suits and top coat need freshening, place them in the automatic gas clothes dryer. It's that easy to freshen and remove wrinkles from clothes of many fabrics . . . wool, rayon, synthetics.

While wrinkles are being removed pure ozone is circulated through the clothes to deodorize them. They come out with that desirable "outdoor" freshness.

A GAS dryer takes only 4 minutes or less to preheat for drying . . . other dryers take up to 18 minutes. Running a GAS dryer is cheaper in most cities and towns served by Lone Star — cheaper by 75%.

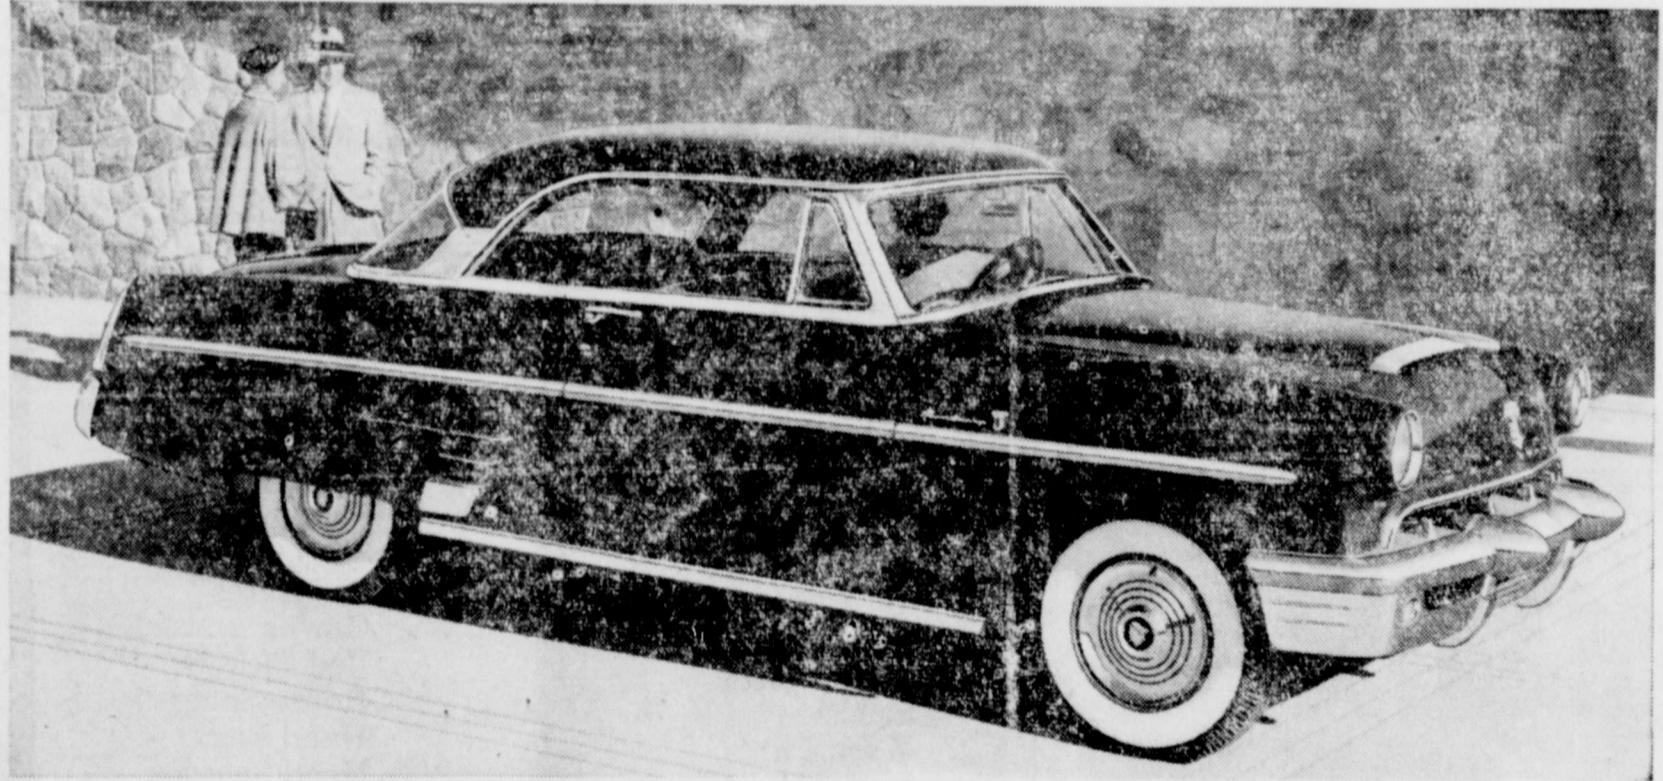

Save dryer time. Save operating costs. Buy an automatic GAS clothes dryer.

Our 4% interest rate

is also OLD FASHIONED

35 years ago farmers were burdened with high interest rates and unfavorable terms on their farm real estate loans. The nation-wide Federal Land Bank system with its local farmer-owned national farm loan associations was established to whip this problem.

Gradually, with the Federal Land Bank setting the pace, interest rates on farm mortgage loans worked lower. From as high as 6% our interest rate was dropped to 5 1/2%, then to 5% and 4 1/2% and 4 1/4%, and finally in June 1935 to 4%. For more than 17 years now, we have held to that same low interest rate.

The Voice Needed Most

The increased attention being given to new translations of the Bible by Protestant and Catholic alike has caused the American Bible Society to sponsor again between Thanksgiving and Christmas a worldwide reading of the greatest passages of the Bible.
It is expected that these 29 selections will be read, one a day, by millions of people in not less than 88 countries. The President of the United States is honorary chairman of a committee of distinguished laymen supporting the movement. In his endorsement of the plan the President has said:
"In these troubled times, the truths which the Bible teaches are of greater and greater importance to mankind. They are the only final answer to the forces of organized hate which now threaten the civilized world.
"I hope that the Worldwide Bible Reading program this year will be widely observed, and that more Americans than ever will take advantage of it. Whatever translations or revisions the Bible may go through, it will always remain the same great Book bearing God's message to man."

and children from the Buck Richards Ranch near Brady and Pat Smith of San Saba visited Mr. and Mrs. Taylor Duncan Sunday.

Ynell Egger of Brownwood spent the weekend with her parents, Mr. and Mrs. Cecil Egger. Mrs. Hubert Reeves, Mrs. Stanley Reeves and Mrs. Effie Egger have each visited and helped at the Frank Crowder home this past week.

Ernest Malone has been making a hand at pecan picking this fall. Last week he sent a nice sack full to his nephew, Raz Malone, at Salem, Illinois.

The oil well on the Day Ranch has been plugged. Gone the way of all our oil wells. They say they tried to case the water off, but there was a leak, and everytime they went to drill the 1100 ft. hole would be full of water. This would have to be drawn out before drilling could start. Then the hole began to cave, so there was nothing they could do but abandon it.

Sunday after church the Dwyer-Brileys went on to Okland to see Mrs. Frank Crowder. They found her growing weaker. But since Monday of last week she has had the nurse she wants more than anyone else, and that is her sister-in-law, Mrs. Will Crowder, of Tankersley. Mrs. Crowder is very frail herself, and has many duties at home. She came to stay a week, but there is such a great need and Ella wants her so, she decided to extend her stay till Thursday of this week.

Mrs. Edna Dwyer, Ernest Malone, and Mr. and Mrs. J. R. Briley received packages last week from Mr. and Mrs. Angus Burn in Manila. Each contained a jar of Mandalay Coconut Syrup made in Manila and packed in a Bamboo tube which was covered with postage stamps. The syrup is something like caramel, and is delicious.

Brookie McCasland Becomes Bride Of Richmond In Double Ring Ceremony

Brookie McCasland, daughter of Mr. and Mrs. Brock McCasland of Goldthwaite, became the bride of W. J. Richmond, II, son of Mr. and Mrs. Macon Richmond of Blanket, Friday, December 5th, at 6:30

in a double ring candlelight ceremony in the home of the bride's parents, James A. Fry, Minister of the Church of Christ of Goldthwaite, conducted the ceremony before a wedding arch decorated with pink maline and

MRS. W. J. RICHMOND II

The bride, given in marriage by her father, wore a ballerina length gown of imported white chantilly lace over white satin. The gown was made with a fitted pointed bodice and tiny covered buttons fastened the bodice in back. The full skirt was fashioned with a scooped hemline. The low rounded neckline with matching scoops, had an inset of nylon tulle topped with a small stand-up scooped collar. The dress had long fitted sleeves with points over the hands. The bride carried a bouquet of pink roses with french-ed mums. Her veil of imported French silk illusion fell in folds to waist length from a white satin bandeau covered with pink sweetheart rosebuds and edged in front with a narrow ruffle of illusion.

Dorothy Manning of Goldthwaite was maid of honor. She wore a rose taffeta faille ballerina length dress with a full circular skirt. The dress had a fitted bodice. The low neckline had a draped berth with shirring which terminated at shoulders in back. She carried

DISTINCTIVE 17-jewel watches were awarded four Texas 4-H Club members for achieving top rating in Texas for work in the 1952 National 4-H Dairy Foods Demonstrations and Entomology. The winners and brief resumes of their records follow.

Marlene Crofford Mary Wendland B. Hoelscher John G. Thomas

Tops in Dairy Foods Demonstrations in Texas were Marlene Crofford, 17, Rule, and the team of Mary Blanche Wendland, 16, and Bernadine Hoelscher, 15, both of Robstown. Appreciating the importance of milk for good health, they have utilized many new and palatable ways of varying the diet by the use of dairy products. Marlene Crofford gave the best individual demonstration on dairy foods in the state this year. She presented "Eat Your Milk and Drink It Too," to home demonstrations clubs, 4-H Clubs and homemaking classes at school. Mary Blanche and Bernadine's prize-winning demonstration was "Let's Have Easy-Do Cheese Cake." They showed how simple it is to make a delicious cheese cake and stressed the nutritional value in the ingredients, butter, cottage cheese and cream. Chosen state winners, each girl was presented with a 17-jewel wrist watch by the Carnation Company. In carrying out the objectives of this program, the teen-agers learned how to speak well in public, developed poise, good sportsmanship and teamwork. They have likewise performed a genuine

service to their communities. John G. Thomas, 16, of Wellington, was selected by the State Club office as having the most effective 4-H Entomology program in Texas during 1952. The award, a 17-jewel watch, was provided by Hercules Powder Company. This program and its study of insect life, opened new vistas and experiences to John. He has specialized in bees and has helped more than 90 people in his county with catching swarms, transferring bees, and inspecting hives for disease. When disease is found he combats it scientifically. He often acts in an advisory capacity and gives talks on bee culture and care. In 1952, with his father's help, he organized a County Beekeepers Association with the aim of learning to control bee disease, learn types of management of bees, and encourage the use of bees as pollinators. John has built his own stock of bees to eight colonies, which he hopes will produce more than a ton of honey this year. Through working with experts and with his own hives he has become an authority on bees. He has been president of his local club for four years.

All these programs are conducted under the direction of the Cooperative Extension Service.

Organ selections included "Bridal Chords" from Lohengrin, "Oh Promise Me" and "Always."

The reception table was laid with an ivory linen outwork table cloth. The centerpiece was an arrangement of pink roses in a crystal bowl with white candles in crystal holders on each side. The cake was three tiered topped with a miniature web interwoven with lily of the valley and small wedding bells hanging from the top. The cake was decorated with pink roses. Mrs. H. W. Allen, sister of the bride, from Hamilton, and Mrs. Harold McMurray of Abilene served at the reception table. Mrs. T. C. Womack of San Saba presided at the bride's book. All had corsages of white gladiolus. Guests attended from Abilene, Hamilton, Goldthwaite, San Saba, Midland, Brownwood and Blanket.

When the couple left for their wedding trip the bride was wearing a soft brown wool suit, beige crepe blouse, brown velvet hat and brown lizard shoes and bag. Her corsage was of pink roses.

Mullin Plans Christmas Home-Coming Party, Saturday Evening, December 20

By MRS. GLYNN SANDERS

One of the outstanding events of the year will be the home-coming for all ex-students and teachers and everyone in the Mullin Community who would enjoy meeting old friends and

making new ones.

This meeting grew from the ex-student and teachers association started about 1928. In 1951 the Parent-Teacher Association decided to try to re-organize it. Committees were appointed to make plans for a meeting. On

December 21, 1951 the first meeting in several years was held in the Mullin gymnasium. Three hundred happy faces from both far and near, were present to greet their friends, teachers and classmates of yesteryear. It was a delightful occasion and one long to be remembered.

A splendid program was rendered, which started off with a welcome address. After the program everyone was put at ease to do just as they pleased, really that was the best part of the program. If anyone had walked in, not knowing what was taking place, they would have been shocked at the goings-on. Just such a gathering as this is what prompted the committee to have it again this year. So many people who did not get to attend last year, want to come this year. We realize the date will not be convenient for everyone, but it will be impossible to set a date suitable for all. At this meeting we hope to be able to decide on a definite date for the following year. That way, those who are present will know when the next one will be, therefore making it a little easier for members of the committee.

One of the objectives of the organization is to let everyone know that they have a cordial invitation even if they did not attend school at Mullin or if they did not have children going to school there. Before the evening is over you will meet some one you never expected to see again.

Another aim is to encourage friendliness among families and family participation in community activities; and helping young and old to appreciate and value old relations and friendships. We urge everyone in our community, and those coming in that have been part of our community, to come and be a part of our association, help us to be one big happy family at this wonderful Christmas Season. America is a land of freedom and good will, so at this season when Christ was born to spread good will, come and help us carry on in His name.

Time will make it impossible to contact everyone by mail, so if there is anyone that fails to receive a card, feel free to send invitations to anyone you know that attended school or lived in our community and took part in making it what it is today.

We will be dropping in on you from time to time through the Goldthwaite Eagle. The Association would like to take this time to express our thanks to the Editor for being so cooperative with us, and to him and his staff we extend a special invitation.

Until December 20, at 7:30 p. m. in the Mullin gymnasium, we say Merry Christmas and a Happy New Year.

MRS. FAY WIKOFF WEDS CHARLES A. MCKAY

Mrs. Fay Wikoff, daughter of Mrs. Jim Culwell, and Sergeant Charles A. McKay were married by Rev. Ed H. Lovelace at the Methodist Parsonage on November 29. Attendants of the couple were Mr. and Mrs. Herbert Faulkner. They will make their home at San Antonio, where Sergeant McKay is stationed.

Arrow RANGE CUBES
for profitable supplementary feeding of your Range Stock

It is NOT to the advantage of your purse to let your range stock lose weight throughout the bare winter months — then try to pick it up in a hurry when spring rolls around. It's far better and much more economical to supplement their winter pasture with Arrow Range Cubes — the feed with proteins and grains that maintain weight. Drop in today for a full supply.

Scallorn News

By ORA BLACK

We are glad to see so many of our correspondents to the Eagle back on the job. Since the Eagle goes to so many states and countries thus spreading the happenings of each locality to relatives and friends who otherwise would not be informed about their home town news.

There will be a Christmas program at the Scallorn Church on the evening of December 24. Everyone invited; Santa will bring fruit and candy for the little ones.

Guests Sunday of Mr. and Mrs. Frank Hines were his sisters, Mrs. Jamie Weathers and Mrs. Minnie Ashley of Goldth-

waite. In the afternoon they went to Lampasas for a visit with Mr. and Mrs. Whit Thompson.

Mr. and Mrs. Jack Tarman came over from Austin Sunday afternoon to visit her parents, Mr. and Mrs. C. H. Black and sons.

The ladies of the Scallorn Church observed the Lottie Moon day of prayer Tuesday of last week.

Rev. Pankhurst and family of Brownwood, while on their return from Austin, attended Church here Sunday evening.

The Rev. Ben Cash and family were luncheon guests Sunday of Mr. and Mrs. Vernon O'Brien.

Mr. and Mrs. John Harris visited Sunday with Mr. and

Mrs. Dutch Smith.

Mr. and Mrs. Dick Hughes returned to their home Tuesday after having spent last week in Denver, Colorado, as guests of his mother.

Mr. and Mrs. Leon Johnson and Yvonne were in San Saba Sunday as guests of his parents.

Mr. and Mrs. T. A. Casbeer called Sunday evening in the R. A. Cox home.

The writer and Billie spent last week at Shady Oaks Ranch staying with "Dad" Stucky while Mr. and Mrs. Hughes were visiting in Denver, Colorado.

Mrs. Lora Maund and brother were guests last week in Lometa of their brother, Joe and Mrs. Evans.

Godfrey and Friend

We have no idea who won the golf match, but Arthur Godfrey and C. E. Wilson, president of General Motors, seem to be in complete agreement that it was a good game. The radio and TV star, vacationing at Sun Valley, Idaho, admits in the current issue of Cosmo-Politan magazine that "One of the nice things about being a celebrity is that it gives a slob like me an opportunity to meet big people who are also real human beings."

Methodists Work On Building Plans

Rev. Ed H. Lovelace, Pastor of the local Methodist Church, says that there was a fine spirit of fellowship and an enthusiastic reception of the report of the Building Committee at the fellowship dinner at the church on the evening of December third.

Following the report a standing vote was taken as to whether those present wanted the church to go ahead with a three story wing to the educational building at an estimated cost of \$36,000.00. Those voting were unanimous for the building.

Pledge cards were handed out, which allow for payments to be made over a period of 30 months. Pledge cards were turned in totaling \$11,935.00.

The Official Board will meet Sunday night following regular church services to decide on the next immediate steps to be taken.
