SUPPORT THE RED CROSS

Every day we hear of the distress, need, or adversity of one of our fellow citizens. Sometimes the need is close at home, sometimes it is at a far distant point. No matter where, each of us has an impulse to help — an impulse as old as the human heart.

But as individuals we frequently can do little. No one of us can afford to make a sizable contribution to every person whose trouble or plight appeals to us. All of us banded together, however, each giving what he can afford, will save lives, restore health, or bring comfort and happiness to many in distress.

Through the American Red Cross each of us may make his contribution easily and efficiently.

By joining the Red Cross we are there to restore the shattered home of a disaster victim; to give emergency help to the family of a serviceman; to provide lifesaving and health restoring blood for the ill and injured; to brighten the weary hours of a hospital patient; to help save and revive a drowning child.

Chartered by Congress and charged with important and specific responsibilities, the Red Cross has been meeting the needs of thousands of stricken or troubled men and women and children each day for more than 70 years.

Only the participation of all of us makes that neighborly service possible. Answer the call of your Red Cross — join and serve your fellow men.

Inside WASHINGTON MARCH OF EVENTS

Large Postal Rate Boost - Seen Unlikely Small Increase For Magazines, Newspapers

WASHINGTON—Capitol Hill observers today see little likelihood that postal rates will be increased by any substantial amount this year, despite President Eisenhower's endorsement of the move in his State of the Union message.

Postmaster General Arthur Summerfield hopes to decrease his department's annual deficit of \$600 million by increasing the rates to obtain an additional \$250 million, including a one-cent boost for three-cent first class mail.

There is some prospect that the House post office committee, which will weigh the matter, will give its nod to a small or moderate boost in second class charges for magazines, newspapers and other printed matter.

The third and last 10 per cent hike of a cumulative three-year 30 per cent increase voted previously on second class mail goes into effect this year.

It is an open secret that both Republican and Democratic committeemen feel this is enough.

DRIVERS AGE LAW—Congress may be urged next year to pass a bill setting a national minimum age for obtaining an auto driver's license. Chairman Robert C. Hendrickson (R), New Jersey, of the Senate subcommittee on juvenile delinquency, said his unit is going to give considerable thought to such a proposal.

Hendrickson noted that his state permits a 17-year-old to obtain a driver's license while many other states put the age qualification at 18 or have no age requirement.

Hendrickson said the American Automobile association is interested in promoting uniform laws on driving throughout the nation. He said that while minimum age decisions will not serve as "any panacea for the growing ills of delinquency," his committee may decide to recommend the legislation.

KIDNAPING THREAT—FBI Director J. Edgar Hoover reports that the tragic death of little Bobby Greenlease in the recent kidnaping case which shocked the nation has rekindled the public fear in which this particularly vicious crime was once held.

Hoover has told the nation's law enforcement officers that "the menace of kidnaping for ransom will continue unabated so long as confirmed criminals are running loose in our streets."

Hoover said this conclusion is based on the FBI's experience of more than 20 years in the investigation of kidnaping committed in violation of the federal kidnaping act, a period in which more than 460 cases have been probed and only two remain unsolved.

Most of the more detestable examples of the crime, Hoover pointed out, were committed by mature and experienced criminal offenders.

UMT FATE—Universal military training, a controversial public issue since the close of World War I, is regarded in informed circles as dead for many years to come as a result of the administration's most recent action.

This was the order issued by President Eisenhower for the development of a new military reserve program by April 1.

In the meantime, said the President, proposals for putting UMT into effect will be held in abeyance. On Capitol Hill, both opponents and proponents regarded the action as putting off into the distant future any implementation of the universal military training law.

Congress previously authorized a program designed to give all able-bodied youths some basic military training. However, it has refused to implement the program and consequently conscription has never been put into effect.

The President's action is regarded as a hard blow to UMT supporters since he has been one of their staunch backers in the past.

WHEN THE OLD BIRD WAS YOUNGER

10 YEARS AGO—

(Taken from Eagle Files of February 25, 1944).

One of the most urgent needs for the health and welfare of Mills County is rapidly being satisfied as plans are advancing rapidly for securing a cold-locker plant of 500 units for Mills County people through the liberal REA financing plan. Thousands of dollars of vital food stuff have been wasted in this county yearly on account of the inability of the people to take care of perishables.

Since last report the following licenses have been issued by the County Clerk: Willie Huckaby and Hattie Antonio Schumann; W. D. Thomas and Jimmie Stone; Jack Thompson and Olene Barnes; James Carlisle Jr., and Wanda Little.

Mr. and Mrs. E. A. Obenhaus had all their children with them over the weekend: Mr. and Mrs. Massey and Mrs. Oda Daniel of California came in Sunday night in time to visit with Pat before he left.

John Bertram (Bert) Davis, about 34 years old, was instantly killed early Tuesday morning of this week in an automobile-freight train collision, at the Santa Fe railroad crossing in Brownwood. Bert, as he was affectionately known here, grew to young manhood in Goldthwaite. He is the son of Mrs. Ed T. Davis.

Mrs. George Bohannon was able to be brought home from the hospital last Thursday and is getting along fine.

Miss Lou Etta Patterson has notified the Eagle to change her address to Canyon, Texas, where she will enter upon her duties as County Home Demonstration Agent on March 1.

25 YEARS AGO—

(Taken from Eagle Files of February 22, 1929).

Elton Horton and Miss Lenie Covington were united in

marriage Wednesday afternoon at the Methodist parsonage in this city, Rev. Lambert officiating.

Lee Wilkerson and Hiss Hazel Faulkner were united in marriage in Brownwood on Sunday, February 10, the Rev. Robert Milam of Howard Payne College being the officiating minister. The young couple kept their marriage a secret for almost a week and then gave the information to their friends and relatives.

Homer Denman and Miss Gladys Rose, both of Bethel community, were united in marriage last Saturday afternoon at the Methodist parsonage in this city, Rev. Lambert officiating.

W. A. Richards is again in business in Goldthwaite, having purchased the cafe business from Bynum and Hereford, next door to Dickerson's Meat Market. He was formerly in business at that place, later having moved to the north side of the Square, next door to the Bakery, where his cafe was destroyed by fire recently.

Wade Cryer of Mullin was one of the visitors to the city since last report. He is an old-timer in the county and like the Eagle editor, has tried leaving Mills County to stay and found it wouldn't work and he agrees with the editor that good old Mills County is the best part of the world.

Mrs. Hugh Carlton of Oklahoma City, arrived Saturday from Brownwood, where she has been for several weeks with relatives, and will remain in Goldthwaite with her sister, Miss Virginia Kerfoot, until the close of the school term. They have an apartment in the R. M. Thompson home.

"Have You Written To Your Congressman?" was the question being discussed by Mrs. Mary Katherine Arnold, Mrs. Velma Summy and Dorothy Cline, office staff members at the Central Texas Telephone Cooperative general headquarters in Goldthwaite the other day. Subject for discussion is an article which appeared in THE MIDGET, publication of the Suttle Equipment Company, and deals with the Federal Excise Tax on telephone service, and the problem of trying to get this tax eliminated. It was pointed out during the conversation that many folks fail to realize that the tax is on their telephone service and not only on long

elder brother and sisters. The two little girls have gone to Hamilton with their sister, Mrs. Steen, and the two little boys will be cared for by their brother, Walker Ligon.

The death of Mrs. G. H. Frizelle Sunday afternoon about 4:00 o'clock caused sadness to many people of this city outside her family circle, for her Christian character and kind disposition had drawn to her many friends among the people of this community.

P. M. Morris is arranging to engage in the ice business in this city as soon as the weather becomes warm.

Mrs. H. P. Smith this week sold two lots on Hutchings Street, one to Henry Martin and the other to R. M. Thompson.

Joe A. Price left the first of the week for Dallas and expected to go from there to California.

J. H. Randolph is building a telephone line to his irrigated farm on the river. This will be a great convenience for people in this part of the county.

W. A. L. Graves was one of the good men of Center City who had business in this city Tuesday.

Rev. D. I. Haralson of Shaw Bend was among his friends in this city Monday. He was enroute home from Mullin.

distance calls. The federal excise tax is labeled as a "Luxury Tax" and many feel that it is a mistake to have a tax on telephone service named as such since there is keen argument that telephone service is a necessity these days, and not a luxury. Anyway, the article that was being discussed at the time does make it plain to all that now is the time to write your Congressman, if you are not in favor of such a tax and would like to see it eliminated. If you, by chance, would like to read the article we are sure that the ladies at the Telephone Co-op office will be glad to loan the book to you, if you will promise to bring it back. While you have it, though, you will have an opportunity to look through it and, who knows, you may run onto one you haven't seen or read before. It has the usual number of "Shorts" that are familiar sights in "House Organs!"

News notes from our readers from here and there:

Mrs. B. C. Harvey, (Eva Fay Boland) writes from Houston: "Enclosed is my check for my subscription and a renewal for my father, John L. Boland in Brownwood. We enjoy the paper each week and remember our old friends in that way, as we do not get to visit there too often."

From Mrs. Roy C. Paul in Brownstown, Indiana, comes this note: "I am enclosing a check to cover year's subscription to the Eagle I am sure I will enjoy it very much after all these years."

Mrs. C. H. Leverett of Houston in sending in her subscription renewal writes: "We don't like to think of missing a single copy of the paper. Although we've been in Houston twenty-one years, Goldthwaite is still home to us and we know the dearest people in all the world still live there."

From out at Winters, Texas, come greetings from Mrs. Earl Rodgers, (Mary Dorsett) who writes the following: "Enclosed you will find check for which please renew my subscription to the Eagle. I was raised at Long Branch, a little community between Center City and

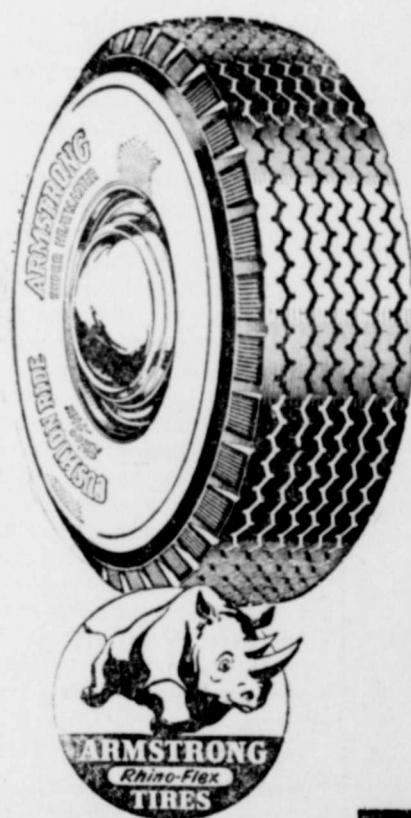

Star, and still look at Choudrant, La. The enclosed check is a renewal to continue to welcome weekly visits from the Eagle to the family. With much love and a wish for your paper to reach friends there."

From Stephenville, note from E. J. writes: "Enclosed check is a renewal of subscription to the Eagle as best wishes to all County friends."

When Y. B. Johnson turned from the Stock Show and Exposition told of plans that are there in connection with city making preparations for World's Fair. He says there how many dollars they plan to make the project and the making preparations had an opportunity of their master plan and after it over and thinking a bit he said: "Boy, like a big deal to this boy."

"T-Bone" Harris and McLean made a fast long ago when they through about five or in a very short time four thousand miles Nevada. After they home, and caught up about, T-Bone told about the trip stop in Las Vegas. "a mistake when that town," he said, "have been named, LOS"

IT DOESN'T ALWAYS PAY TO BE BRAVE.

Adults too often will put on a show of courage with a "cold," rather than retire and rest—and call the Doctor. Pneumonia sometimes attacks such stalwarts.

Do not try to be brave with a "cold," however simple. Follow the well-established guidance—rest, eat a well-balanced diet, and drink plenty of water and fruit juices. If symptoms persist, call your Doctor promptly, while there is still time for treatment of the current illness and prevention of possible hazardous complications. If medicines are indicated, we will be happy to render the best in Pharmaceutical service in filling your Doctor's prescriptions.

Dana Saylor Is Member Of Tarleton Stock Judging Team

Stephenville, (Spec.)— Dana Howard Saylor, son of Mr. and Mrs. L. T. Saylor, is a member of Tarleton's livestock judging team which recently placed second at the Houston Livestock Show.

The team, composed of two other boys, contested against 14 other college teams and brought back seven awards for their placings in the beef cattle, swine and sheep divisions, and second high team award.

Dana, 19, is a freshman at Tarleton State College majoring in animal science. He graduated from Goldthwaite High School in 1953.

Mr. and Mrs. Charles Ed Welch of Midland spent the weekend with relatives here.

Mr. and Mrs. Milton Vaughan were guests of Mr. and Mrs. J. H. Vaughan last Sunday.

Voice From Grave

LAST MARCH, Pfc. Richard Tartar, 21, of Camden, N. J., was reported killed in action in Korea. A body was officially tagged, sent home for burial and interred with military honors. Hence his father, Walter Tartar, could scarcely believe his eyes when he received a telegram from New York reading: "Hello pop. Will be home Thursday." Whether he has been the victim of a cruel hoax remains to be seen. (International)

Mr. and Mrs. Allen Moreland and her mother, Mrs. Lula Horton visited in the home of Mr. and Mrs. Tom Johnson and children in Santa Anna last Friday evening and night. They spent the weekend in Odessa with Mr. and Mrs. Lowell Stewart and Mrs. Horton visited her brother, Mr. and Mrs. W. M. Stewart.

Mr. and Mrs. Lester Dellis and daughter, Joy, of Fort Worth were guests of Mr. and Mrs. Dale Reid and daughters and other relatives here last weekend. They also visited Mrs. Dellis' mother, Mrs. Cloud Mashburn, a patient in Medical Arts Hospital in Brownwood.

Mrs. John Guthrie Funeral Services Held Thursday

Mrs. John Guthrie, 71, longtime resident of Mullin, passed away at a Brownwood hospital Tuesday morning, February 16, following a long illness.

Funeral services were held at 2:30 p. m., Thursday, February 18, 1954, in the Mullin Church Of God with Rev. E. O. Stewart of Sweetwater conducting the services.

Mrs. Guthrie, the former Annie Anderson, was born April 13, 1882, near Hamilton. She had spent her entire lifetime in Hamilton and Mills Counties with the exception of a few years in Roswell, New Mexico. In 1900 she was married to John Guthrie.

Survivors are the husband, four sons, Bradley Guthrie of Brownwood, Paul and Ted Guthrie of Winters, and Rufus K. Guthrie of Houston; seven daughters, Miss Syble Guthrie of Edna, Mrs. W. H. Reeves of Mullin, Mrs. Mary Bell Moses and Mrs. Howard Dunaway, both of Houston, Mrs. Robert Lindau of El Paso and Misses Nell and Shirley Guthrie of Baytown; a brother, Jack Anderson of Friona; one sister, Mrs. J. W. Ferrill of Groesbeck; 14 grandchildren and four great-grandchildren.

Philbearers were Glenn Sanders, E. A. Kemp, Bud Duren, Edgar Burkett, Moody Perkins and Johnny Humphries.

Funeral arrangements were under the direction of the Roy Wilkins Funeral Home with interment in the Oak View Cemetery at Mullin.

Out of town relatives and friends that attended the funeral services were: Mr. and Mrs. Joe Guthrie of McCamey; Mr. and Mrs. J. W. Ferrell of Groesbeck; Mr. and Mrs. Jack Anderson of Friona; Mr. and Mrs. J. H. Dunaway and children of Bellaire; Mr. and Mrs. Robert Landau and children of El Paso; Mr. and Mrs. Ted Guthrie and Mr. and Mrs. Paul Guthrie and children of Winters; Mr. and Mrs. Raymond Raschke, Jerry Moses, Mrs. Mary Belle Moses and Nancy, Ted Guthrie Jr., Mr. and Mrs. Rufus Kent Guthrie and Bill Keffer, all of Houston; Misses Nell and Shirley Guthrie of Baytown; Miss Syble Guthrie of Edna; Mr. and Mrs. J. D. Murray of Brownwood; Miss Mildred Cunningham, Tom Jack of Comanche; Mr. and Mrs. Homer Arendel of Stephenville; Mrs. Billy Johnson of La Grange; Henry Clay of Groesbeck; and Miss Ethel Henson and Seaborn Cravey of Baytown.

Stop Taking Harsh Drugs for Constipation

Avoid Intestinal Upset! Get Relief This Gentle Vegetable Laxative Way!

For constipation, never take harsh drugs. They cause brutal cramps and griping, disrupt normal bowel action, make repeated doses seem needed.

When you are temporarily constipated, get *sure* but *gentle* relief—without salts, without harsh drugs. Take Dr. Caldwell's Senna Laxative contained in Syrup Pepsin. The extract of Senna in Dr. Caldwell's is one of the finest natural laxatives known to medicine.

Dr. Caldwell's Senna Laxative tastes good, gives gentle, comfortable, satisfying relief of temporary constipation for every member of the family. Helps you get "on schedule" without repeated doses. Even relieves stomach sourness that constipation often brings.

Buy Dr. Caldwell's. Money back if not satisfied. Mail bottle to Box 280, New York 18, N. Y.

Ford presents two new deep-block engines

They're the industry's most modern engines with free-turning Overhead Valves and integral valve guides... high-compression, low-friction design... and extra deep-skirted crankcases. Both engines are designed for long life with smooth, economical performance.

THE NEW 115-h.p. I-block SIX

Like the new Y-block V-8, this engine has Ford's deep-block design for greater rigidity, longer engine life. Also, like the V-8, you get Ford's modern manifold, low-friction design, high-turbulence combustion chambers, and Ford's Automatic Power Pilot. One advantage of both new engines is an amazingly flat "torque curve" which gives you top pick-up power through the whole range of driving speeds.

Basketball News From Mullin High And Grade School

By **RAYMOND WILLIAMS**
The Mullin High School boys' basketball team lost a hard fought game to Carlton at Hamilton last Saturday night. The score was 56-61.

In District 14B, a round-robin was played and then a single elimination tournament. Carlton won the round-robin and Mullin won the tournament. The two teams had to play a best two out of three series. Mullin went to Carlton Monday night, February 15 and lost by five points. Carlton came to Mullin Wednesday night, February 17, and Mullin won by 18 points and then Mullin lost the third game to Carlton at Hamilton.

The boys have had a very good season this year. They won the Priddy tournament and were runners-up in the Mullin invitation tournament.

In the district tournament, Mullin defeated Sidney, Priddy and Carlton. They will host the Colored High School team from Brownwood this Thursday night, February 25 in an exhibition game sponsored by the seniors. The girls will also play the colored girls and the grade school boys will take on the grade school colored boys.

The season will end with the post-season tournament at Brooksmith, March 4-5-6.

The boys were certified as runners-up in District 14B. The Mullin girls were also runners-up in the district. Pottsville won the round-robin

play and also the tournament, and the Mullin girls were runners-up in the tournaments and this automatically made them runners-up.

The Mullin grade school boys (Pups) have lost only one game this season and that was to the Goldthwaite boys. An over-time period was played in that game to determine the winner. The boys from Goldthwaite won by one point.

Grade school girls have not fared so well with wins, but have improved with every game and have developed into a good team.

Mullin teams and coaches wish to congratulate the Goldthwaite High School girls' team and coaches for winning district championship.

Jesus Faces the Cross

ILLUSTRATED SUNDAY SCHOOL LESSON

By Alfred J. Buescher

Scripture—John 11:55—12:50.

Six days before the Passover, Jesus went to His friends' home in Bethany, and Lazarus, whom He had raised from the dead, was there. They made Him a supper, and Martha served them.

Mary took a costly ointment and anointed Jesus' feet, wiping them with her hair. Judas objected, but Christ said: "Let her alone; against the day of My burying hath she kept this."

As Jesus was coming to Jerusalem, many took branches of palm trees and went to meet Him, crying, "Hosanna; blessed is the King of Israel that cometh in the name of the Lord!"

Multitudes followed Jesus because they had heard of the raising of Lazarus. The Pharisees said: "Behold, the world is gone after Him." They planned to kill Him. MEMORY VERSE—John 12:25.

Azell Teson and his friend, Billy Preston, both students at San Angelo Junior College, San Angelo, were guests of Azell's parents, Mr. and Mrs. Lee Teson last weekend.

LONE STAR Agriculture

Released by The Texas Department of Agriculture

By John C. White, Commissioner

PROVIDING FOR ADDITIONAL WATER

Supplemental irrigation is becoming more important every day to Texas farmers in areas where rainfall is decreasing. Many growers in Central and East Texas are considering irrigation for the first time. Out in West Texas and the Panhandle area, the number of irrigation wells have experienced a tremendous boom in post-war years. The use of supplemental irrigation has increased greatly the yields of cotton, corn, vegetables and pastures even in the more humid areas of the Southwest.

Farmers who plan such systems may hit some snags but the results will be worth the effort. It's best to get a permit for water used in irrigating. The State Board of Water Engineers, 308 West 15th Street,

Austin, will send the necessary forms and instructions for making application.

If you have a permit, you'll be safe in the event a workable water code is put into effect. If you use water and deprive a man downstream of essential water, he can get a court injunction to stop you. You can do the same, if you're being deprived of water.

Size of your reservoir will depend on several factors. A good rule of thumb is: Provide at least 2 acre-feet of impounded water for each acre to be irrigated, if you are planning surface storage.

Surface reservoirs and spring-fed branches probably will be more economical sources of water supply than water wells in East Texas. Cost of lifting water from source to delivery point must be considered when anticipating operating expenses. The greater the lift, the greater the cost.

Initial equipment investment will vary with systems, ranging from about \$35 per acre to \$125 per acre. About \$90 is average in many sections of the state.

Frequency of applying water will vary according to rainfall and type of soil. Generally speaking sandy soils require about 1.2 inches of water every 6 to 8 days. Heavier soils, 2 inches every 10 days.

Pumping rate also should be considered. To apply one inch of water to an acre of ground, a pumping rate of at least 450 gallons per minute is required.

TIGHT MONEY: Those of us who have opposed a "hard money" policy — making money hard to get — had our stand justified when the Federal Reserve Board lowered the interest rates banks must pay in borrowing money from the Federal Reserve System.

Purpose of this step is to make money more plentiful. The action came as the Senate-House Economics Committee gave close study to the problem of rising unemployment over the country.

FASTER MAIL: The Post-office Department is continuing its experiment of transporting first-class letters by air at the regular first-class rate. The experiment, with scheduled airlines carrying the mail, at present involves New York, Washington and Chicago.

The Postmaster General has petitioned the Civil Aeronau-

ties Board to permit all cargo-carrying planes to participate. Certainly Texas would like to get in on this service.

Mrs. Cloud Mashburn who has been a patient in Medical Arts Hospital in Brownwood the past several days, was able to be brought home Monday. Her many friends will be glad to know she is improving.

church in that community who did not find a hearty welcome at the Owens Ranch should he come to stay for one meal or for one week. Of course like all parents they had ambitions for their children; they wanted to give them the same advantage that they themselves had enjoyed. "To help the fellow in time of need" became an obsession with Jim Owens. He could not say "no" to anyone who asked him for money. To pay hundreds of security notes ranging from fifty dollars to ten thousand dollars over a period of forty years would thwart the ambition of most any man. Many times after he had signed a Security Note of enormous proportions he would come home and say, "Well, Mamma, I helped Cobb out of a tight today. Sally had to go to the hospital," or "Tom couldn't get credit to buy groceries for another year." You have guessed the truth, Dear Reader, we, their children, write this memorandum to our parents. No one outside the immediate family could understand the bigness of their hearts. At first we bitterly resented to be deprived of things we actually needed, in order to give money to someone else, but now we have reached maturity and people confront us on the street or elsewhere with these remarks, "Do you know that John and I would have starved that first winter had Uncle Jim Owens not helped us." People are kind enough to tell us a few of the things that made them appreciate our Parents; now we understand what Jesus meant when He said, "In as much as ye have done it unto one of the least of these my brethren ye have done it unto Me."

We are four children (our oldest brother died in infancy): Infa, Mrs. James W. Head, of Lometa; Sadie, Mrs. W. E. Head, of Weatherford; Sherwood, and Cary, who live on the same ranch that was established in the Owens name more than sixty years ago. Thirteen grandchildren and eleven great-grandchildren complete the family. Three grandchildren preceded our parents in death: Elizabeth Novella, infant daughter of Mr. and Mrs. W. E. Head; Cary Davis, infant son of Mr. and Mrs. C. D. Owens; and James Thomas, son of Mr. and Mrs. J. S. Owens. The death of James, who was killed in World War II, was the most crushing blow in the lives of Mr. and Mrs. J. T. Owens. It broke their hearts, and they could never become reconciled to the cruel manner in which he died.

The surviving grandchildren are: Mrs. Silas Price (Vonnice Mae Head) of Lometa; Miss Eleanor Head of Austin and Lometa; Mrs. Melvin Landers (Ola B. Head) of Abilene; Mrs. Horace Core (Nadine Head) of Denton; Thurman Head of Lometa; Mrs. Hal Brazil (Ruby Carene Head) of Richland, Washington; Mrs. Elroy McCasland (Virginia Owens) of Orla, Texas; Sammie Owens of College Station and Center City; Merle Davis Owens of Grand Prairie; and John Howard Owens of San Antonio and Center City. The great grandchildren are Melvin Charles, Jimmie, and Gary Landers; Mary Elizabeth and Linda Catherine Core; Charles Thomas and Sylvia Kathleen Head; Loretta Sue and Jimmie McCasland; Jerry Brazil; and Vicki Jean Owens.

Sunshine and shadows, laughter and tears, have visited the Owens Ranch; but the influence and love of life radiated by the founders of this home still live on. No, James and Elizabeth Owens are not dead. They are not with us in the flesh, but their deeds of kindness, the example of unselfishness in their lives, their loyalty to truth and honesty will live on and on. Those who loved them, and their friends who cherish their memory can not help but lead a better life because of knowing them. Again we are reminded of the words of the poet: "The Measure of a Life is its Service."

**Many Self Employed Persons Have
Not Filed Social Security Reports**

A number of persons who work for themselves have not yet made the required 1951 and 1952 social security reports, James B. Marley, Manager of the Austin Social Security office said today.

This is shown, he said, by contacts being made by the social security office field personnel and by inquiries being received by that office.

Some people, he said, have the impression that payment of social security tax by the self-employed and the resulting old-age and survivors insurance coverage is a matter of choice. "This is not so. It is as compulsory as making an income

tax return if your net self-employment income is as much as \$400 and is not from one of the professions excluded from social security coverage. In fact, the covered self-employment income must be reported on a section of the income tax returns at the time the income tax report is made."

If your net earnings from a trade or business covered by the Social Security Act are \$400 or more for a taxable year you must file Form 1040, even though you do not have sufficient income to otherwise require filing an income tax return. Personal exemptions permitted for income tax purposes are not permitted in determining self-employment net earnings for social security purposes. Therefore, quite a few self-employed who do not ordinarily file income tax returns must make

Lackland Air Force Base, Texas, (Spec.)— Leslie G. Woods, 19, son of Mr. and Mrs. Carl M. Woods, is completing his Air Force basic military training course at Lackland Air Force Base, the "Gateway to the Air Force."

Lackland, situated near San Antonio, is the site of Air Force basic military training for men and women, headquarters of the Human Resource Research Center, and home of the USAF Officer Military School.

His basic military training is preparing him for entrance into Air Force technical training and for assignment in specialized work. The course includes a scientific evaluation of his aptitude and inclination for following a particular vocation and career.

Charles Franklin Cornelius Funeral Services Are Held Last Thursday

Funeral services for Charles
Franklin Cornelius, 75, pioneer
Mills County rancher and stock-
man, were held at the First
Methodist Church in Goldth-
waite last week Thursday after-
noon at 4:30 o'clock. Rev. Ed
H. Lovelace conducted the serv-
ices.

Mr. Cornelius was born in
Catawaba, North Carolina, Oc-
tober 30, 1878, the son of the
late Mr. and Mrs. Henderson
Cornelius, and passed away at
his home in the Ridge commu-
nity Wednesday, February 17,
1954. When a young man he
came to Roswell, New Mexico,
where he made his home for a

short time before coming to
Mills County.

On August 18, 1903, he was
married to Miss Ethie Carpenter
of Denison and to this union
six children were born, all of
whom survive. Soon after their
marriage they came to the Mc-
Girk community where they
made their home one year and
then moved to the Ridge com-
munity where they had made
their home the past 49 years.

He was of the Baptist faith,
having joined the Baptist
Church at Ebony a number of
years ago.

Survivors are the widow, four
daughters, Mrs. Jake Brown of
Weslaco, Mrs. Cecil Rennie of
Fort Worth, Mrs. Carlos Patter-
son of Goldthwaite and Mrs.
Fairman Marshall of Houston;
two sons, Col. V. Z. Cornelius
of Goldthwaite and Wayne of
Fort Worth; 14 grandchildren;
five great grandchildren; a sis-
ter, Mrs. Beulah Mayhew of
Charlotte, North Carolina; and
a number of nieces and neph-
ews.

Pallbearers were: Melvin Pat-
ford, Glynn Nickols, Warren
Freeman Sr., A. R. Rowlett,
Barney Edmondson and Arle
Egger.

Funeral arrangements were
under the direction of the Roy
Wilkins Funeral Home with in-
terment in the Goldthwaite
Memorial Cemetery.

Firemen Are Called Out On Monday Afternoon

The Goldthwaite volunteer
fire department was called out
Monday afternoon about 2:00
o'clock when fire was discovered
back of the dressing rooms and
stadium on the south side of
Eagle Field.

It developed to be only a
trash fire along the roadside
burning grass and underbrush.

A large number of firemen
answered the call and the fire
was put out in short order with
but slight building damages.

GRASS FIRE WEDNESDAY AFTERNOON

On Wednesday afternoon the
fire department was called out
to put out a grass fire at 1804
Fisher street. Fire chief Jack
Reid reported that only grass
and trash were burned and no
damage was done to buildings.

MRS. VIC E. KOLEBER RETURNS FROM HOSPITAL

Mrs. Vic E. Koleber was
brought home last Friday night
from Scott and White Hospital
in Temple where she had been
a patient since February 1.

She is improving satisfactorily
after having eye surgery,
although she will be confined to
her home for several weeks.

Mr. and Mrs. Billy Dennard,
of Arlington, Mr. and Mrs. Char-
les Dennard and children of
Fort Worth and Mr. and Mrs.
Dave Straley of Grand Prairie
spent the weekend with their
parents, Mr. and Mrs. Hugh
Dennard and other relatives
here.

Tumlinson Family Members Have Birthday Party

Ten members of the B. S.
Tumlinson family celebrated
their February birthdays last
Sunday with a family reunion
at the home of Mrs. E. A. Cam-
eron in San Angelo.

Mr. Tumlinson who was 88,
February 18 with the others
honored at the affair attended
by 72 persons were either chil-
ren, grandchildren or great-
grandchildren of Mr. Tumlin-
son.

The four-tiered cake topped
with 370 candles was baked by
Mrs. Roy Simpson of Goldth-
waite, daughter of Mr. Tum-
linson. Sharing the cake were:
Pat Tumlinson, Marvin Tum-
linson, Melvin Tumlinson, Mrs.
C. L. Cameron, Mrs. Earl Tum-
linson and Miss Christine Cass-
elberry all of San Angelo; Wal-
ter Parrott of Abilene; Otis
Howard and Otis Earl Howard
of Goldthwaite.

Mrs. Roy Simpson, David
Shankle, Mr. and Mrs. Howard
and children of Goldthwaite
attended the reunion, Sunday.

Mr. and Mrs. Bob McCleskey
of Austin were guests of her
sister, Mrs. C. F. Stubblefield,
Sheriff Stubblefield and Sam,
last Friday night and Saturday.

Mr. and Mrs. Lee Vaughan of
Pine Bluff, Arkansas, are guests
of his parents, Mr. and Mrs. J.
H. Vaughan of the Trigger
Mountain community.

**GOLDTHWAITE
ELECTRIC COMPANY**

The woman who has used an electric clothes dryer would
never think of hanging her wash on a line again.

She has learned that she can do her washing in any kind
of weather, with a minimum of work and trouble. She knows
that clothes dried electrically are cleaner, without smoke or
dust to soil them.

She has found, too, that the clothes dryer is easier on her
family's clothes. They wear better and hold their color
better, when wind and sun cannot damage them.

She knows all these things, because she has learned from
experience.

Research facts bear out her experi-
ence. The Ohio Agricultural Experi-
ment Station found that "white items
dried in the dryer 50 times were as
white as those dried outdoors. As
for holding color and preventing
fading, the dryer excels. All colors
— even those washed 50 times in
hot detergent water — remained
deep and clear except one unstable
blue dye. All items faded in the out-
door drying, even though they were
in partial shade."
